Assessment Roll for the Township of Aron

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be placed in one valuation or tax, unless owned and occupied as one parcel with section open, and if the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any re-assessment with that job in the column. The situation of assessing officers is especially called to sections 18 to 27 of the Tax Law of 1893; they should be carefully studied and the directions therein contained should be strictly followed.—ANDRUS GERRARD'S OFFICE, 1890.

in the County of Oakland for the Year 1890

Personal Estate must be valued and taxes entered on a different list, as well as column, from Real Estate. Non-resident lands should be entered in numerical order, together with name to which it belongs, above the tax for the year for which this list is made, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. To be strictly followed.—ANDRUS GERRARD'S OFFICE, 1890.
