

Assessment Roll for the Township of Avon

Be sure that one tract or parcel is valued or taxed on the same line. Two descriptions need not be placed in one valuation or tax, unless owned and occupied as one parcel with one owner, and if the name of the owner is not known, they should be assessed as "owner unknown." Enter the amount of any re-assessment with the tax, in the column. The situation of assessing officers is especially called to sections 18 to 27 of the Tax Law of 1897; they should be carefully studied and the directions therein contained should be strictly followed.—AUDITOR GENERAL'S OFFICE, 1898.

Non-resident lands should be returned in numerical order, together with the name of the owner, above the tax for the year for which this Roll is used, and in the column for "Remarks" state opposite each parcel, for what year the re-assessment was made.
