

Assessment Roll for the Township of Aspen

When more than one tract or parcel is owned by the same person, two descriptions need not be given in one valuation or tax; when owned and occupied as one tract with one owner, and if the name of the owner is not known, they should be assessed as "owner unknown." Under the amount of any improvement with Roll No. in the column the attention of assessing officers is especially called to section 14 to 27 of the Tax Law of 1897 they should be carefully studied and the directions therein contained should be strictly followed.—ASSESSOR GENERAL'S OFFICE, 1897

in the County of Oakland for the Year 1892

Personal Estate must be valued and taxes entered on a different list, as well as column, from Real Estate. Non-resident lands should be entered in unimproved value, together with the name of the owner, above the tax for the year for which this Roll is used, and in the column for "Personal Estate" opposite each parcel for what year the re-assessment was made. (1897-98)
