in the County of Oakland for the Year 1892

Personal Estate must be valued and taxes entered on a different line, as well as column, from Real Estate. Non-resident lands should be entered in separate column, by lot, with section, range, township, and the name of the owner, and in the column for "Remarks" state opposite each parcel for what year the re-assessment was made. The attention of assessing officers is especially called to sections 19 to 21 of the Tax Law of 1891; they should be carefully studied and the directions therein contained should be strictly followed.—AUDITOR GENERAL'S OFFICE, 1892
