

Assessment Roll for the Township of Ann

If more than one tract or parcel is owned or taxed on the same line, two descriptions must not be placed in one valuation or tax, unless owned and occupied as one parcel. If the name of the owner is not known, they should be assessed as "renter unknown." Enter the amount of any assessment with the tax, in the column for the amount of taxes. The attention of assessing officers is especially called to sections 13 to 17 of the Tax Law of 1889; they should be carefully studied and the directions therein contained observed.
