

Assessment Roll for the Township of Alma

No more than one tract or parcel should be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax, unless owned and occupied as one parcel with one use, and if the name of the owner is not known, they should be assessed as "verse unknown." Enter the amount of any re-assessment with Red Ink, in the column. The situation of assessing officers is especially called to sections 18 to 27 of the Tax Law of 1897; they should be carefully studied and the directions therein contained should be strictly followed.—ARTHUR GRAMMEL'S OFFICE, 1900.
