

Assessment Roll for the Township of Acron

For more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be placed in one valuation or tax, unless owned and occupied as one parcel with certain way, and if the name of the owner is not known, they should be assessed as "vacant lots." Enter the amount of any improvement with the lot, in the column headed "Improvements." The location of existing streets is especially called to sections 15 to 37 of the Tax Law of 1884; they should be carefully studied and the directions therein contained should be strictly followed.—ACTING CLERK'S OFFICE, 1890.

in the County of Oakland for the Year 1890

Personal Estate must be valued and taxes assessed on a different line, as well as column, from Real Estate. Non-resident lands should be valued in separate order, together with the name of the owner, above the tax for the year for which this Roll is used, and in the column for "Remarks" made opposite each parcel for what year the re-assessment was made. 1889-90.
