

Assessment Roll for the Township of Aron

No more than one tract or parcel must be valued or taxed on the same line. Two descriptions must not be placed in one valuation or tax, unless owned and occupied as one parcel with section one, and if the name of the owner is not known, they should be assessed as "reference unknown." State the amount of any improvement with, and the value in the valuation. The attention of assessing officers is especially called to sections 15 to 27 of the Tax Law of 1897; they should be carefully studied and the directions therein contained should be strictly followed.—ARTHUR GERRARD'S OFFICE, 1898.
