RECOGNIZE ME? I'm the kid from down the block, and I've just been elected President of the local Crib-Bangers, Toy-Busters and Anti-Pen Society.

I've been asked to tell you folks how we feel about the issues, so here goes. We like it fine here . . . we think this is a grand place. We're looking forward to growing up here, receiving our education in the schools of this community, enjoying the parks and playgrounds, benefiting from the protection of our police and fire department.

Now we know all these services cost money. This money comes from taxes. The taxes come from the folks who live here, who work here, who do business here. And we say what's fair is fair, and if we get the benefits, we should help out by doing our shopping right here in the local stores.

My own allowance doesn't amount to much, but Mom and Pop spend quite a few dollars, and I'm

proud to tell you that they do all their shopping right here. Mom says the prices are just as low as anywhere else, so why should she spend hours away from home, fighting heavy traffic and crowds in the big-city stores? Pop says we actually save money by shopping close to home, because we're not putting a lot of mileage on the car, wasting gasoline and oil, and getting the fenders wrinkled in jammed-up parking lots.

Mom says shopping right in our own community is a pleasure . . . it's relaxing . . . she enjoys meeting her friends . . . and she enjoys the special courtesies and services the local businessmen offer their regular customers.

So take a tip from your small fry neighbors. Save money . . . save time . . . be a good neighbor. Shop in your own home town.

Willowbrook Directors Meet With Paul LeBost

Builder Donates Community Building, To Furnish Traffic Signs, Improve Roads

A temporary community building and boys club, an acre of public recreational area, traffic signs, improved gravel roads, and a large neighborhood Christmas tree were presented to the people of Willowbrook Village by real estate developer Paul LeBost at a special meeting last Thursday evening.

LeBost and his associates, Carson Hollingsworth and W. Gallagher, met with the directors of the Willowbrook Civic Association in an effort to solve mutual problems.

The temporary community building, a two-story farm house on the south side of 10-Mile Rd. just east of Willowbrook, was turned over to the residents for their social activities and boys club work. In the spring, the house will either be moved or demolished and funds from the sale of the house will be used by the residents to help pay for a new combination community hall and boys club.

Site for the new building will be the one acre parcel of land surrounding the water pumping station south of 10-Mile Rd. The land has been deeded to the township and will be maintained as a public recreational area.

With regard to the bad condition of LeBost Drive north of 10-Mile, LeBost offered to fill in many of the bad spots with gravel. He also told the group he is now having Border Hill Rd. repaved.

Traffic signs are now being made, LeBost said, to be erected by the residents in an effort to slow down traffic in areas where children are playing. Also, stop signs to be erected where neighborhood roads intersect with 10-Mile have been ordered for installation.

In addition to a large Christmas tree and lights on 10-Mile, LeBost offered to furnish water for two large skating rinks to be built on the proposed shopping center south of Meadowbrook and 10-Mile.

LeBost told the directors that Willowbrook had shown more community spirit than any of his other projects.

Next on the list of civic projects in the area is a painting job this Saturday when many of the men in the area will gather at the recently acquired farm house to help paint the interior.

E. Hauterbergue Dies at Age of 90
Eugene G. Hauterbergue, Sr., of West 10 Mile Rd., died November 8 at the age of 90.

Born in New Baltimore, Mich., in 1865, Hauterbergue had been a resident of Wilcox and Novi for many years. He died in a Pontiac hospital following a short illness.

He is survived by four daughters and three sons. Mrs. George Hennessy of Toledo, Mrs. William Kline of Ypsilanti, Mrs. Dell Bowers of Tuscon, Arizona, Mrs. Roy Elliot of Northville, Lester Hauterbergue of Wilcox, Asa Hauterbergue of Toledo, and Eugene Jr., of Northville.

He is also survived by fifteen grandchildren, one great grandchild, and a brother, Henry, in Alberta, Canada.

"Write Early" Santa Urges

Santa Claus announced early this week that he has rented a special box at the Novi post office to receive all letters from children in the Novi area.

Because he will be a pretty busy fellow in the next few weeks, Santa urges all boys and girls to write their letters early. Simply address the letter to Santa Claus, c/o North Pole Box, Novi, Mich.

Marilyn Sharpe Wins 4-H Award Trip to Chicago

An expense-paid trip to the National 4-H Club Congress in Chicago has been awarded to Marilyn Sharpe, 18-year-old Novi girl, for outstanding work in clothing, home improvement, and girl's record.

One of three girls in Michigan to win the trip, Marilyn was awarded the trip for her work in the home improvement project. Daughter of Max and Colleen, 44107 Grand River, Novi, she has been in 4-H Club work three years.

Graduating from Northville high school last spring, Marilyn is now enrolled as a freshman in home economics at Michigan State University.

Her trip to Chicago is sponsored by the Sears-Roebuck Foundation, Chicago. Eight national winners will be selected in the home improvement project, and each will receive a \$300 scholarship.

Novi Girl Scouts

Intermediate Troop #402 met in the basement of Novi School. They made puppets for the Convalescent Home, Barbara Atkinson and Ginger Chessman brought treats. Scribbles, Diane McCollum, and Brownie Troop #498 did pantomime to recordings at their meeting on Wednesday. The girls noted the following as best: Holly Fox, Gretchen Schneider, Kathy Probst, Diane Ely and Dawn McCollum.

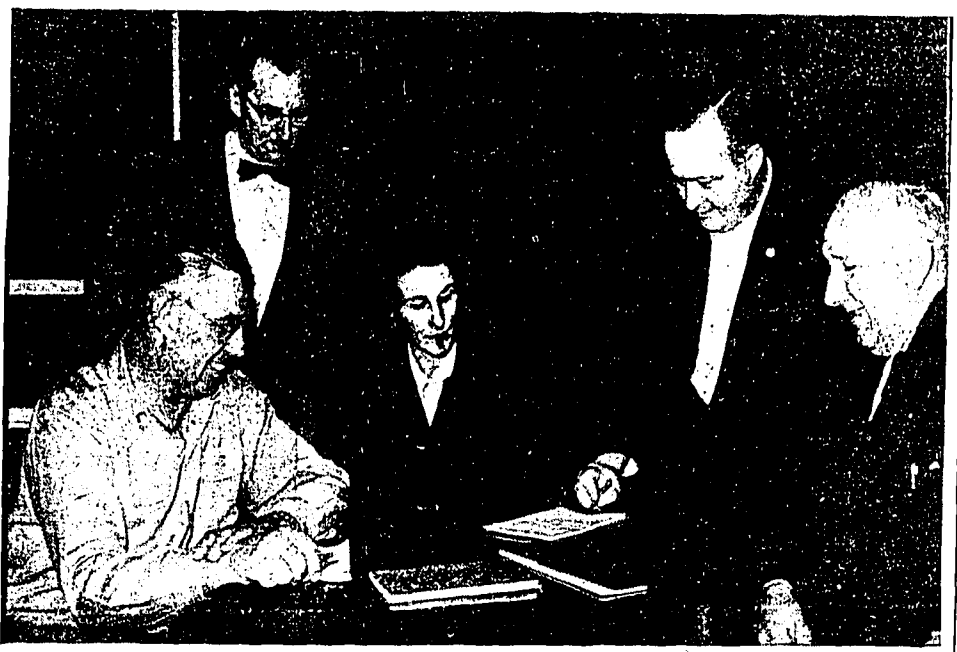

Brownie Troop #602 made necklaces from cork. They returned permission slips for General Filters trip.

Intermediate Troop #498 received calendars to sell and continued sewing on sock dolls.

Intermediate Troop #491 continued work on Scrap Books. Karen Schneider is chairman of calendar sale. No meeting is scheduled for Nov. 15.

The new Brownie Troop started work on coin purses. Treat Paul Roy Elliot of Northville, Lester Hauterbergue of Wilcox, Asa Hauterbergue of Toledo, and Eugene Jr., of Northville.

Calendar sale started November 9 and will continue for one week. If you fail to be contacted by a Girl Scout during this period and wish to purchase a calendar, they will be available from Mrs. Mae Shellenberg.

A CHRISTMAS FOR EVERY NEEDY FAMILY is the goal of the Nov Goodfellows this year. Shown above, at their first organizational meeting, are several of the Goodfellow leaders for the coming year. Left to right are Harold Miller, Fraser Staman, Mrs. Owen Bellinger, Charles Trickey Jr., and Ernest Pritchford. Miller will take charge of newspaper distribution. Staman will serve as treasurer. Mrs. Bellinger will investigate needy cases in the area. Trickey is chairman, and Pritchford will be in charge of distributing the gift packages.

Librarian Visits During Book Week

Mrs. Agnes Pauline, librarian at the Wayne County library in Plymouth, was a guest at Novi School on Wednesday. She told stories to the children in the elementary grades and talked about books in general.

Book week is being celebrated at the Novi School during the week November 13-19.

Model Homes To Be Built On Crusoe Property

Building permits for two model homes in the Brookland Farms subdivision, Nine-Mile and Novi, were issued this week to the Austin Building Co. of Birmingham.

Brookland Farms is the first of a series of proposed subdivisions on the Lewis D. Crusoe estate.

One of the homes will be a ranch style dwelling with seven rooms and a bath on one floor. It will feature an attached two-car garage.

The other home, a split-level design to take advantage of the rolling countryside, will have five rooms and bath plus a full basement opening onto a lower level.

The sales price of the houses has not yet been announced.

Goodfellows Make Plans For 1955 Paper Sale

Plan Campaign to Help All Needy Families in Novi Township

Leaders of the Novi Goodfellows met at the township hall last Thursday night to plan their program for the coming Christmas season, a program designed to bring Christmas to the less fortunate families throughout Novi Township.

Under the chairmanship of Charles Trickey Jr., the annual newspaper sale will be conducted Friday and Saturday, December 16 and 17.

Among those assisting Trickey will be Harold Miller, who is in charge of newspaper sales, Mrs. Owen D. Bellinger, representing the Novi Mothers' Club, will head the committee investigating reported cases of needy families. Mrs. Bellinger asked that anyone knowing of a needy family in the area call her at Northville 1200M12 or leave a message at 705.

Ernest Pritchford will be in charge of delivering the 9 ft. packages while Fraser Staman will serve as treasurer.

Volunteer newboys will be stationed throughout the Novi area during the sale, as well as at the main intersections throughout the township.

The entire proceeds of the annual Goodfellow paper sale will be used to provide food, clothing, and toys to less fortunate families throughout the Novi area.

The next meeting of the Goodfellow group, according to Trickey, is scheduled for Tuesday night, Nov. 22.

Mrs. Clara Lockwood visited her daughter, Mrs. Roy Walters at Union Lake this weekend.

Mr. and Mrs. Wm. Knox of Salisbury, South Carolina were surprise visitors at the home of Mr. and Mrs. Rex LePlante recently. Mrs. Knox and Mrs. LePlante are old friends.

Mr. and Mrs. Rex LePlante and daughter, Mrs. Marjorie LePlante, celebrated her sixteenth birthday at the home of Brenda Seelye. Thirteen guests present came from Northville, Brookland Farms and Farmington.

A large white birthday cake decorated with yellow roses was served with the refreshments. The evening ended with a snipe hunt at Seelye Golden Acres on Seelye Road.

Mr. and Mrs. George Lien entertained Sunday evening, seven couples, off from Detroit.

Wm. Mairs accompanied Mr. and Mrs. Myron J. Monk of Northville to Flint on Sunday, Nov. 13th, to celebrate the 60th wedding anniversary of Mr. and Mrs. Myron C. Monk, at 1428 West Court Street, who are the parents of Mr. Monk of Northville.

Mr. Mairs and Mr. Monk Sr. met in 1903 at Port Huron at the Niagara Thrasher Work and they have been friends since that time. The Liens entertained their guests with a showing of slides taken on their trip to Europe last summer.

Last Saturday evening the "Merry Mates" a group of twelve neighbors, were guests of Mr. and Mrs. Charles Lien of 12-Mile Rd.

Charles Buttermore, 429 Lake St., duplicated his feat of last year—shot his buck at 10 a.m. on Nov. 15. He is hunting at Harrowood 16.

Temporary Clubhouse Given By LeBost

THIS TWO-STORY FARMHOUSE just east of Willow brook Village on 10-Mile Rd. was donated to the residents of Willowbrook last week for use as a temporary clubhouse. Since then, the residents have been busy cleaning up the landscape and redecorating the interior. It will be used as a combination community center and boys club.

... A TURN FOR THE WORSE occurred November 8 on 10-Mile Rd. at the eastern edge of Willowbrook Village when the above car, driven by Arthur Olson of Royal Oak, was struck by an oncoming car. Olson was uninjured but the other driver, Clarke Morgan, of Lakeland, was taken to the hospital with minor injuries. Residents of the area have been appealing for a speed limit on 10-Mile Road during the past several months.

Northern Michigan Honeymoon Follows Wedding

Adeana Gleason and John Denny Winkler were married Nov. 5, at 8 o'clock in the Presbyterian church of Northville. Rev. John O. Toxis performed the double ring ceremony before an altar of candlesticks, palms and mums.

Adeana is the daughter of Mr. and Mrs. Albert J. Gleason of 4522 E. Screen Mile Rd., and her husband's parents are Mr. and Mrs. Raymond Winkler of 15570 Bradner Rd., Plymouth.

The bride's waist length gown was winter weight taffeta, with fitted bodice of chantilly lace. The long lace fitted sleeves tapered to points over the wrists. Her fingertip tulle veil was edged in chantilly lace and held in place with a hand of lace and seed pearls. She wore a single strand pearl necklace, a gift of the bride's parents.

Sally Wagenschutz was maid of honor and wore a waist length gown of rust colored broadened taffeta. Marianne Reiter, bridesmaid, wore an identical gown in winter blue. They carried bouquets of Fall mums.

Mr. Winkler chose Tom Wick of Northville for his best man and Donald Graham of Northville and Richard Garchow of Plymouth acted as the officiating ministers.

Mrs. Gleason wore beige broadened taffeta and Mrs. Winkler wore white gardenias. Mrs. Winkler

Mr. and Mrs. John Denny Winkler

chose smoke blue taffeta and wore white gardenias also. Following a reception for 200 guests in the church parlors, Mr. and Mrs. Raymond Winkler traveled to northern Michigan for white gardenias. Mrs. Winkler

is a graduate of Northville High school and plan to make their home here.

Local Boy Meets Exchange Student In Germany

A German exchange student and a Northville boy had a reunion in Mannheim, Germany, last week. Pvt. La Marr Nalley who is stationed in Mannheim, wrote his parents, Mr. and Mrs. Oren Nalley of Orchard Dr., of meeting Traute Schaeffer and her family.

It will be remembered that Traute, a German exchange student here last year, lived with Mr. and Mrs. L. C. Sullivan on Eaton Dr., and was graduated with the Northville High school class of 1955.

La Marr called on the Schaeffers on a Saturday and visited with Traute. Her parents were away so she invited him to dinner the next day when he met her family. Mr. Schaeffer is manager of a large factory in Mannheim.

When La Marr was seated at the table, he found to his delight, a map of Michigan placed before him. He wrote that he was treated as one of the family and invited to visit the Schaeffer home whenever possible.

SPECIAL NOTICES
I WOULD LIKE TO thank all my dear friends and neighbors who have stood by me through all my illness, for the beautiful cards, flowers, gifts and letters that did so much to brighten my long hours of suffering. Especially my sister Rebecca and the ladies of the Methodist W.C.S. Also the Rev. and Mrs. Oliver of Walnut church who has so faithfully visited me every week and brought spiritual comfort and communion to my bed. To Mrs. Johnson, Superintendent of Whitehall Convalescent Home and her staff of faithful nurses who have given me loving care and attention. My sincere thanks to each and every one of you who have helped me with my health and strength to carry on in my mission of mercy.—Mrs. Winifred McConnell, 25x

CARD OF THANKS
I WISH TO thank all my friends and the YWCA Auxiliary for the beautiful cards. Also, the Blue Star Mothers for the lovely basket of fruit during my illness.—Mrs. George Dixon, 25

village at the last preceding regular election at which commissioners were elected.

The last such election was held in March, 1954 and Commissioner John P. Stuebner, running unopposed for a two year term, received 400 votes. This was the largest number received by any candidate and legal opinion holds that the positions must therefore have 100 signatures.

"Money for the project is being solicited from various clubs and organizations. The city commission, township board and the board of education have been included.

"Some people feel that since the Scout Hall is owned by the city, it should be operated and maintained by the city tax funds. This thinking is probably correct. However, the city has no provision in its present budget which include the Scout Building. The recreation fund had inadequately supported it before the school board took over. It is fairly certain that the new commission will see fit to include this in their next budget estimates. There is no intention of making an annual appeal for funds.

The committee unanimously agreed that this project should not wait. The record of our youth in the community is excellent and they (the committee) want to do everything possible to keep it that way.

Students Set Goals In Home Economics Classes

COOKING is exciting, especially when it results in good things to eat like these fluffy biscuits. The biscuits were one of the quick-breads prepared by the freshmen cooking class recently. Left to Right: Sula Rathburn, Kathleen Farley, Fay Arquette, and Mary Lamp.

When I blundered through the required elementary course in home economics back in junior high school everyone was forced to construct an identical and highly unattractive apron which no one would have been caught dead wearing. We also cooked up a mess of oatmeal and soggy muffins that left us despondent for days and practically blotted out our homemaking instincts for life.

Times have changed and so have modern home economics courses. Those in Northville high school are creative and exciting, geared to fit the needs and interests of the students.

How many times have you heard a husband wish that his wife knew how to pound a nail into place ... or a wife wish that her husband could sew a patch once in awhile? Eight grade students are learning that a little knowledge in both of these fields might turn out to be very valuable.

The grade is divided into six groups, each of which receives a six week basic course in home economics and then a six week course in the workshop, handling building tools. The home economics course includes new lessons in sewing, planning meals, cooking, and grooming.

SEWING is as interesting for these junior high school boys as it is for the girls. Just in case you think it's "starchy", the boys are athletes too. Kent Frid is one of the jr. high football stars. Left to Right: Jimmy Petroski, Kent Frid, and Richard Kozekos.

1. See some of the possibilities for leisure time activities which can grow out of home-making.

2. Understand and appreciate the home as the basic unit of society.

3. Acquire knowledge and develop attitudes basic to wholesome living—the proper relationship among family members; sharing family responsibilities; comfortable and artistic housing; money management; efficient home management.

oche Sunday afternoon.

Mr. and Mrs. Robert Benjamin and family visited the Benjamin of Lebest Saturday night.

Mrs. Chris Prappas and Paul Anthony or spending a few days with Mrs. Prappas' mother, Mrs. Vourax, in Detroit.

Mr. and Mrs. Ben Kramer of Redford were Friday supper guests of Mr. and Mrs. Duprey of Lebest Drive.

Miss Mayme Phillips of Crosswell, Mich., visited the Williams of Mill Stream on Saturday. Also visiting them from Dearborn was Mrs. Nettie Breaux.

A wild west birthday party was given in honor of Kenneth Bernard's fifth birthday Sunday. His brother Brad and eight friends were the main celebrants. Tammie Rairigh, Annie Gallagher, Robin and Bob Nelson, Jonathan Weisberger, Susan Brewer, Robert Byrd, and Gary Keating. All the children came in their cowboy and cowgirl outfits. Cake and ice cream were served.

Mr. and Mrs. Velt Brown of Plymouth and Mr. and Mrs. Dale Brown of Wayne were dinner guests of Mr. and Mrs. Benjamin, Sunday.

Mr. and Mrs. John Lees of 40970 Mooring Side Drive are announcing the birth of their daughter, Fay Elaine, who was born at home Saturday, November 12, at 6:40 p.m. She weighed 7 lbs. 10 oz. Mary Ames delivered the baby with the help of Mr. Lees. Both mother and daughter were transferred to St. Sinai Hospital by ambulance. Mr. Lees reports that both mother and daughter are doing fine.

Happy Birthday to George Ames who will be 3 years old November 19, and Betty Richmond who will be 2 years old on November 20.

Three families pooled their Sunday dinners together: Ollie and Walt Thomson, Helen and Bob Waugh, and Jack and Alden Carter and families. They had quite a time cooking their meal together. After dinner the men and some of the boys went over to the Novi Community Hall for basketball practice.

Mr. and Mrs. Harburt of Willow Lane were dinner guests of Mr. and Mrs. Meyers of Redford on Sunday.

Mr. William Purring of Somers, N. J. spent Monday evening at the home of Mr. and Mrs. Weiss of Mooring Side Drive.

Mr. and Mrs. Rairigh were weekend guests of Mr. and Mrs. Oliver Owens, Cleveland, when they attended the Monroe Dog Show and the 9th Annual Dog Show. They were also guests of Mr. and Mrs. Al Jensen of the AllDane Kennels, Inkster Dr., at a buffet supper and cocktail party.

Mr. and Mrs. Clare Banker were the dinner guests of the Bankers of Mooring Side Drive on Sunday.

After the football game Friday, Nancy Morrison attended a surprise birthday party in honor of Judy White of Secor Road. The party was given by Brenda Seeley. Guests included Karen This, Fred Boyd, Lois Loveworth, Kay Stover, Sara Powell, and Francis Walters.

The first school committee meeting was held at the home of June Weisberger of Lebest on Wednesday evening. The committee has made arrangements with Mr. Erwin to meet on Tuesday evening at the Erwin home.

Quite a few of the neighborhood men turned out to help on the clean-up campaign at the old farm house on Secor Road to use as our temporary community building. Bob Waugh, Walt Thomson, Linde Peterson, Charles Duprey, Bob Nelson, Bill Benjamin, Leon Harburt, Bob Boyd, Grant Peterson, Marvin Jim Martin, Harley Beach, John Halcik Len Berardi, and George Maw turned out. The boys club members also helped clean the house and the property around.

At lunch time a few of the ladies of Willowbrook donated coffee, sandwiches, and cookies to the workers. They were June Marinoff, Allean Carter, Helen Waugh, Ollie Thompson, and Cecelia Beach.

Donations of furniture of any kind, games, and books for the boys club would be greatly appreciated. Mrs. Kucinick donated a ping pong table and Jack and Alden Carter donated a pool table. Chairs were donated by George and Jane Marinoff.

EVERYTHING YOU DO!

FROM THE MOMENT you awaken until you go to bed, almost everything you do is closely dependent upon the operation of trucks. In fact, even while you are asleep, trucks are working for you. (Beds arrive by truck, too, of course.)

Without trucks, your favorite food market would have empty shelves. Without trucks, you wouldn't find gas stations located conveniently almost everywhere you turn. Without trucks, the building of new homes, factories, and stores would slow to a walk and businesses of all kinds everywhere would suffer.

Sooner or later, everything you eat, wear, or use depends on trucks for transportation. Eventually, everything has to get to you—the consumer. So, when you consider that trucks handle three times the tonnage handled by all the other forms of transportation combined, you realize how very important they are to you!

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

LOCALLY-ELECTED school officials have won the fight to determine how a \$13,500,000 bond issue to raise money will be divided into salaries for teachers and other employees.

But it was no light, pitting Republicans and Democrats on opposite sides of the arena.

IT WAS DISCOVERED that the money had piled up from record sales tax collections. Law requires that two thirds of these funds go to schools.

So, as part of the special legislative session, there was the question of how it would be divided into teacher salaries—a proposal in different forms pushed by both parties.

THEN CAME THE SCRAMBLE. Gov. Williams wanted it specifically earmarked for \$200 raises for each of Michigan's 31,000 teachers. Republicans wanted to turn it over to local boards with instructions to use it for wage hikes.

THEN CAME the teacher organizations, which claimed that an \$7 per pupil carrier increase in state money intended for raises was in some instances spent for other purposes, and pay increases ignored.

WE KNOW that in Hamtramck, teachers got nothing and some areas in Detroit the increases were uneven," said Williams.

NON-TEACHING EMPLOYEES also asked for a raise from the latest chunk of cash. Republicans included them, and Williams said he would go along at \$145 each if the legislature accepted his version.

REPUBLICANS FLATLY REJECTED the idea. "I think it is improper for me to come down here and assume I know more about local school conditions than the men elected to run them," said Senator Edward Hutchinson (R-Pennville).

GOP men argued that local boards could put the money to best use, rewarding teachers with experience—without putting all teachers on the same level regardless of training or talent.

Williams figured the teachers wouldn't get it all. Also that districts operating inefficiently with large classes—would benefit more from the \$9 per pupil distri-

bution than those who had a smaller teacher to pupil ratio. Republicans won the battle in the legislature and Williams indicated he would accept it.

FIGHTING ABOUT TOLL ROADS in Michigan is a continuing process, and may be for some time. There are those who think the most telling blows about the Toledo-Saginaw proposal have to be struck.

Highway Commissioner Charles M. Ziegler has been cussed and discussed in the toll road picture, for the most part because he had been most reluctant to endorse the proposed plan. There is much to be said for his position.

MANY CRITICS OF THE COMMISSIONER do not seem to realize the tremendously complicated factors involved in a state road system. Laws, some of them passed years ago, provide that fixed percentages of the commission's income from certain sources be spent in certain places.

There are not necessarily in accordance with most serious needs. In fact, there is little correlation.

ZIEGLER'S POSITION in the toll road hassle may prove to be a very sound one when all the facts are known. At present the Commissioner feels he will be "sussed" if he does not stand up for what makes sense to him.

MAIN ARGUMENT will also make sense to many people who use north-south highways in eastern Michigan. The point is taken from a report written by an engineering firm. In short it amounts to this: In order for the proposed toll road to pay its way, Ziegler must not improve roads which might be conceived to com-

plete with it. This includes as far west as US 37. It also includes routes 10, 15, 16, 23, 24, 83 and 150.

Ziegler says he cannot become involved in such a plan. If the toll road were built, and if improvements already planned for highways on the "competitive list" were completed, it is predicted financial difficulty came into existence, Ziegler could get the blame.

If he did not provide improvements, he could suffer much abuse too. In the meantime, he is just waiting and watching.

COMMISSIONER JOSEPH A. CHILDS is wasting no time recruiting men to fill 200 new trooper uniforms.

He started the night that the legislature, in special session, approved a package plan to step up highway safety in Michigan.

Senator Edward Hutchinson (R-Pennville) denied it would be an inquisition or a sub-rosa method of disposing of political pals of the governor who were appointed to positions in government.

"WE FEEL THIS WILL be as much a benefit to the appointees as to the Senate," he said. "Often we hear disparaging remarks about an appointee, and we would like to see him in uniform."

**Just touch the pedal
and away you go!**
(That's the New Variable Pitch Dynaflo!)

OF course, you can floor the pedal of this stunning new '56 Buick and get the full-power sweep of its advanced new Variable Pitch Dynaflo.

That's how you switch the pitch of this airplane-principled transmission for instant safety-surge acceleration to get out of a tight spot on the highway.

But now you get a brilliant new response at the start of pedal travel, too.

Now you get a solid take-hold for instant take-off in the first inch of pedal action—where most of your normal driving is handled. And you get this

since World War II when candidates marched away to war. Some came back to the ranks, but with the Korean conflict, the pickings have been slim.

Because of high State Police standards, Childs said that he would be forced to recruit many more than the 200 he needs as finished, polished law enforcement officers.

APPOINTEES OF Gov. Williams to state jobs will get a close check of the qualifications of appointees, before they are taken for confirmation.

The Senate Business Committee asked for the right to operate between sessions to look into the qualifications of appointees so that the Senate could make a better judgment on confirmations.

Senator Edward Hutchinson (R-Pennville) denied it would be an inquisition or a sub-rosa method of disposing of political pals of the governor who were appointed to positions in government.

"WE FEEL THIS WILL be as much a benefit to the appointees as to the Senate," he said. "Often we hear disparaging remarks about an appointee, and we would like to see him in uniform."

WHAT INTERPRETATION IS RIGHT?

"Do not interpretations belong unto God?" (Gen. 40:8). We will take this answer of Joseph which is posed in the form of a question for our consideration today. We will not agree with Pharaoh's butlers and bakers who said, "There is no interpreter, namely God."

THE PROBLEM
Many people are confused by the multitude of interpretations given to many themes in the Bible. The cry, "How do we know who to believe?" is not without foundation. Others who have heard preaching that condemns them defend themselves by saying, "That is just his interpretation." By this they infer that Bible preaching is nothing more than a system of interpretation, and that one interpretation is as good as another. Now this is a clever argument and a convenient escape for some. But the truth of the matter is, that the interpretation is either right or it is wrong. Black can never be white and white can never be black! So

checked it with the scriptures. (Acts 17:11). "These were more noble than those in Thessalonica in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so." The Spirit of God commended them for it and says they were more noble for doing so. They did not accept even the teaching of the Apostle Paul as infallible without checking what he said by the Holy Scriptures.

This was also the proper manner of judging whether preaching was true or false in the Old Testament. Isaiah 8:20 "To the law and to the testimony; if they speak not according to this word, it is because they have no light in them." Know this, that the Bible never contradicts itself! Therefore as one compares Scripture with Scripture he comes into the full true interpretation.

SPIRITUAL DISCERNMENT NEEDED
Many people do not know that the Bible is so written that it baffles the mind of the non-Christian to understand it. 1 Cor. 2:14 says "But the natural man receiveth not the things of the Spirit of God (the Bible) for they are foolishness (unreasonable) unto him; neither can he know them, because they are spiritually discerned (appreciated only by

those who have the Spirit of God)."

A BETTER SOLUTION
Allow the Bible to interpret itself. When Paul visited Berea on one of his missionary travels the Spirit of God (the Bible) for they are foolishness (unreasonable) unto him; neither can he know them, because they are spiritually discerned (appreciated only by

Beyond the Realm of Argument!

This is the season when conversations turn easily and often to motor cars. And, in almost any gathering, you're likely to find a wide difference of opinion about the relative merits of the year's automotive offerings.

Until the talk turns to Cadillac! Here is one car concerning which most motorists have a meeting of minds. And never before has Cadillac left so little room for argument as in 1956!

Certainly no one could behold the new Cadillac without recognizing it as the "car of cars." Its beautiful, graceful lines and its regal bearing on the highway are simply too significant to misunderstand.

Surely no one could ride in a new Cadillac and not agree that it is the Standard of the World. Its new fabrics and leathers are luxurious almost beyond belief . . . and its new interior appointments have been crafted with a jeweler's skill.

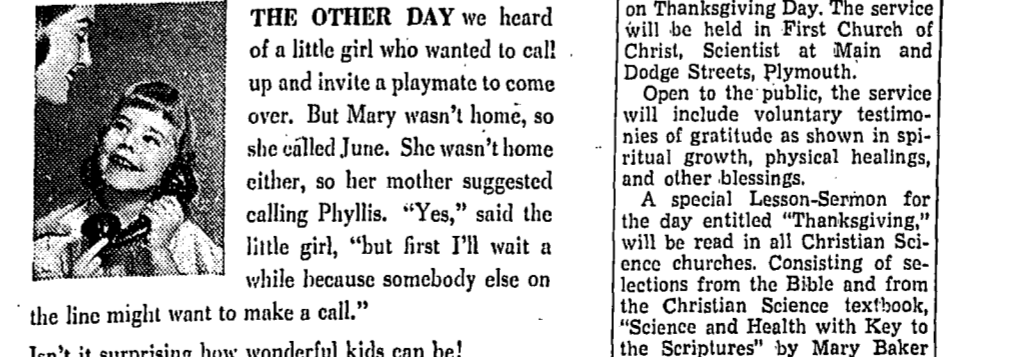

And we doubt if anyone could drive a new Cadillac and not understand that it is the finest-performing motor car of all time. Its great new engine is a revelation in power and performance . . . its new Hydra-Matic Drive is incredibly smooth and responsive . . . and the car rides and handles and moves with unbelievable ease.

Truly, the evidence on the side of Cadillac has never been more abundant—or more apparent—than it is today. Why not pay us a visit soon—and see for yourself? We'll be delighted to introduce you to Cadillac's great new styling . . . and to arrange a demonstration at the wheel . . . and to acquaint you with Cadillac's two new models, the Sedan de Ville and the Eldorado Seville.

You'll agree, we're certain, that Cadillac for 1956 is beyond the realm of argument!

THE OTHER DAY we heard of a little girl who wanted to call up and invite a playmate to come over. But Mary wasn't home, so she called June. She wasn't home either, so her mother suggested calling Phyllis. "Yes," said the little girl, "but first I'll wait a while because somebody else on the line might want to make a call."

Isn't it surprising how wonderful kids can be!

Holman Makes First TD; Bell Runs 75 Yds. For 2nd

The football season came to a dramatic close last Friday night when the Mustangs played their final game with victory against West Bloomfield Lakers.

West Bloomfield kicked to start the game rolling. Minutes later George Law went over for a Lakers touchdown. Their attempt for the extra point was of no value. This being the only touchdown of the first quarter, the score was Mustangs 0, Lakers 6. But this did not discourage the hopes of our Mustangs who were out to win the game.

Toward the end of the half, our Mustangs really began to come to drive harder. Gary Holman made the final plunge of the drive for a Mustang touchdown. But Bell went over for the extra point thus making the score at the end of the half—Mustangs 7, Lakers 6.

In the third quarter, however, Middle Six Mkt. rolled. Holman got an unlucky break. Rolf Goodnow completed a pass to George Roy who went over for a Lakers touchdown. Again the extra point was valueless. This was the only score made during the third quarter.

Our Mustangs actually confused the Lakers during the fourth quarter. It was during this confusion that Bell broke loose on a fake play. He ran 75 yards for the winning touchdown of the game. Bob Dagenschke punted.

Deer Hunters Asked To Cooperate with Conservation Dept.

LANSING—Deer hunters who bag whitetails during the November 15-30 season are asked to cooperate with the Conservation Department in gathering deer information.

Department biological checking stations will be set up on four north-south highways during the firearm season so Department workers can check deer age and antler development.

Other conservation workers will conduct "traffic counts" on nine main north-south highways and 24 secondary roads. The count of deer carried on cars provides basis for a quick estimate of the season kill.

The traffic survey covers south-bound cars crossing highway M-20, roughly an east-west line from Bay City to Muskegon.

How to be sure you are making the best buy in a new truck

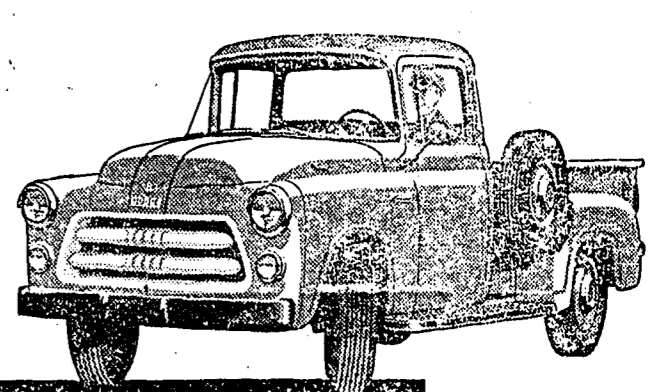

A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few.

Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes.

Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision.

And there are other Dodge advantages you'll want to think about—like the business-building beauty of Forward Look styling, and the long life that spreads low initial cost over years of dependable service.

It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.

THURSDAY NIGHT, 8 p.m., will be zero hour for this cast... that's when the curtain goes up for "Mr. Barry's Etchings", in the community building.

Grease paint, costumes, props, and stage lights may give some teenagers the "willies", but according to latest releases Northville high school seniors are showing exceptional talent and poise during their rehearsals for the senior play Nov. 17-18.

FRIDAY NIGHT will be their turn to act. Senior classmates are predicting that the play this year is the "best ever and just the most."

morning class also became interested and now both groups have built a savings stamp office. Now the children, with the assistance of their teacher, take turns selling stamps each week.

poor ignorant man that is a real Christian may be able to read or write but he is unable to properly interpret more of the Bible than one with all the degrees which can be earned yet has never experienced the new birth. (John 3:3) The unregenerated man can understand from the Bible that he is a sinner and needs to be reconciled to God through the sacrifice of Jesus Christ—but beyond this the Bible is very much a closed book to him. It is no wonder that this many interpretation is seldom correct and makes many foolish blunders. The new birth is a prerequisite to the interpretation of the scriptures.

SOME RULES TO FOLLOW

- 1) Take every scripture at its primary, ordinary, usual, literal meaning unless the facts of the context indicate clearly otherwise.
- 2) Take into account the dispensations. God has made several covenants with man during different ages. Consider under which covenant the passage of scripture under consideration falls.
- 3) Compare with other scriptures on the same subject. A good concordance will be helpful. The truth will run as a straight line through all of the scriptures on that subject.
- 4) Never like an obscure verse to base your convictions upon. Let the plain verses interpret the obscure verses.

750 Principals Visit at M.S.U.

Michigan State University has invited 750 high school principals to visit with Spartan freshmen from their communities at the 19th annual Principal-Freshman conference, Nov. 21-22. New students from junior colleges and their former advisors also will participate.

Among the principals attending will be Elroy V. Ellison, principal of Northville High School.

On Nov. 22 tables will be set up in the auditorium so that the principals can confer with their recent graduates. An estimated 2,000 students will be interviewed to learn how high school experiences might be improved to prepare youth for college.

Guy H. Hill, coordinator of the M.S.U. High School Cooperation department, is in charge of the conference.

Board's Decision Awaited By Junior High Students

Several junior high school students sent a petition to the Board of Education in objection of the possible placement of milk under the government subsidy program. The students are waiting for the Board's decision before investing any money in a milk dispenser.

If the Board ever rules the petition the students will be forced to abandon their money-making milk project, which is one of their chief sources of income used to replace athletic equipment.

Students Have Fling At Teachers' Jobs

Northville student day was celebrated Wednesday, November 9, when Northville high school students turned the tables on their teachers.

It was rather fitting that the student day was celebrated during American Education week. The majority of the faculty felt that the experience for the teachers was invaluable in that it gave the students an opportunity to view the teachers' profession from the students' standpoint.

Jim Allen was superintendent of schools; Roger Newkirk, high school principal; John Schwartz, assistant principal; Gary Holman, grade school principal; and Kathleen Heatley, American school principal.

Approximately 125 students participated in the program as substitute teachers.

The only class not having student teachers was the 8th grade social studies groups. Mr. Alvin Skow, the teacher, had each section choose an area of interest for discussion. Students were then selected to develop these areas of interest and discuss them on a forum basis.

N-CLUB NEWS

The N-Club discussed initiatives at their last meeting. A committee was appointed to plan a potluck dinner in the near future for the prospective members and the present members. Also, another committee was appointed to draw up the requirements for being initiated into the N-Club. The initiation will take place on Thursday and Friday during the week of the Kego Harbor basketball game. As of yet, the N-Club doesn't know just how much it made on the Homecoming Dance. Approximately \$200 was made on the Queen Contest.

A special message to truck drivers' wives

from your Ford Dealer...

- 1. Lifeguard Steering Wheel**
Ford's exclusive Lifeguard truck steering wheel is built in such a way that, in case of accident, it helps protect the driver from any contact with the steering post. This kind of "deep-center" steering wheel actually acts as a cushion in case of accidents.
- 2. Lifeguard Door Latches**
Ford's Lifeguard door latches have a new "double grip" type construction. Their extra holding strength gives added protection against doors flying open in the event of an accident... to help keep the driver in the truck where he's twice as safe.
- 3. Seat Belts**
You've read a lot about seat belts. You probably know that the Accident Research Center at Cornell University, the American College of Surgeons and many other groups strongly urge that every owner equip his vehicle with seat belts. Studies prove that in about one-half of all accidents, injuries could be avoided or reduced by the use of seat belts.

- 4. Tubeless Tires**
This year, everybody is talking about safety in automobiles. And with good reason. The hazards of the road take more American lives every year than we lost in the whole Korean war.
- 5. Power Brakes**
What we call vacuum-assisted power brakes make it possible for the driver to apply a lot more force to the brakes, faster and easier. This makes it possible to stop faster in emergencies. Power brakes are standard or available on every '56 Ford Truck.
- 6. High Visibility**
A better view of the road—in front, behind and to the sides—can help the driver to spot trouble before it happens. A full-wrap windshield is standard on the new Ford Trucks for '56. The standard rear window is the widest on any truck... and a new full-wrap rear window is available at slight extra cost. All told, a new Ford Truck gives the driver one of the greatest all-around glass areas of any truck.
- 7. Reserve Power**
A "slowpoke" truck can be a threat to highway safety—it is a stumbling block in the path of other traffic. Trucks should have enough power to keep up with the traffic stream. And they should have enough reserve power to pull out of emergency situations. So you will be interested to know that the new Ford Trucks for '56 have power increases up to 26%, to make sure drivers have all the reserve power they are ever likely to need.

LINCOLN PLANT BREAKS GROUND DECEMBER, 2

Declining Attendance Increases Efficiency

Varied problems including water, police cars, a subdivision, and a tavern were dealt with swiftly Monday night at one of the most lightly attended meetings of recent years.

Only two spectators were present throughout the meeting, which began at 7:30 in the evening.

Sup. Staman moved swiftly through the agenda. He asked members of the board to give serious thought to Township Attorney Charles Davis' recent suggestion about the formation of a Novi water board. No action was taken on the water problem pending further study of the situation.

Normal wear and excessive repair bills on the township's police patrol car prompted the board to approve the purchase of a new patrol car.

A proposed subdivision on the southwest corner of Hagerly and 12-Mile roads came in for much discussion by board members. H. V. Garvey, the property owner, had divided the acreage into parcels which, according to some board members, did not utilize the land to the best advantage. However, since Garvey had complied with all township zoning requirements, the board members agreed they had little choice but to pass the matter on to the county for their approval.

Staman also brought up the problem of a tavern at the south end of Walled Lake where disturbances have been so frequent that the police are called two and three times in a single evening. Police Chief Lee DeGole said that much of the trouble was attributable to recent illness in the proprietor's family. He cited the fact that there had been no violations of liquor sales, merely unruly or over-intoxicated patrons.

In response to a question by Leo Harawood, Staman said the new \$200,000 American LaFrance fire engine is tentatively scheduled to arrive some time next month.

West Novi Assn. To Organize Twp.-Wide Group

An attempt to form a township-wide civic association was announced last week by the West Novi Assn. in a full page announcement appearing in The Walled Lake Citizen.

The West Novi group, consisting of property owners in the western end of the township, is planning a township-wide meeting for December 3 in the Union Hall on Novi Rd. south of Grand River.

Pulling precincts, voting procedures, public meeting notices, business agendas, and itemization of bills will be among the topics discussed at the open meeting.

The announcement states that the aim of the group is "the formation of a township-wide civic organization for better government."

Methodists Plan Holiday Programs

The Youth Fellowship of the Novi Methodist church, chartered by their sponsors, Mr. and Mrs. Robert Kirkwood, had a roller skating party at Riverside Arena Wednesday evening.

Thanksgiving services were held Tuesday evening at the Novi Methodist church.

Practicing has begun for the Christmas program under the supervision of Mrs. Celia Sharpe, Mrs. Russell Boston and the teachers of the Sunday School classes.

Rebekah Meeting Scheduled Dec. 8

The regular Rebekah meeting scheduled for November 24 will be postponed because of Thanksgiving. The next meeting is scheduled for Dec. 8.

Eight Rebekahs attended visitation at Berkley last Monday.

Visitation at Warren was held Tuesday evening, Nov. 22.

Mrs. Rudy Wendland entertained the Past Noble Grand last Friday. Fourteen Noble Grand visitors were present. The Past Noble Grand will have their Christmas party at the Mayflower hotel Dec. 8.

Mothers' Club Gives \$200 To Library

The Mothers club of Novi school donated \$200 to the Novi school library at their regular meeting Monday evening.

The money will be used to purchase new books.

Plans were made for the Christmas party and the following items were given to the library: Mrs. K. Cook, Mrs. L. Clarke, Mrs. R. Clemens, Mrs. Mrs. Russell Boston and Mrs. Earl.

Hundred Thousand Dollar Fire Ravages Northville Riding Academy Friday

The roof fell in — and the walls came tumbling down. Fire flamed uncontrollably at the Northville Riding Academy last Friday and although several neighboring fire departments helped to fight the blaze, the situation became a hopeless one.

The smaller picture shows the fire racing along the roof of the main building. The larger picture, taken fifteen minutes later, shows a fireman running to safety about exploding. Property damage is said to be in excess of \$100,000.

Chain Reaction Results In Some Empty Stomachs

A quick-thinking driver avoided a serious accident but caused half a dozen construction workers to go hungry Monday noon when his car went out of control on Novi Rd. just south of Grand River.

As he was approaching the Grand River intersection, the driver's brakes failed. Rather than run the light through the busy intersection, he swerved his car into a parking lot and headed for a space between two parked cars. His aim was good but his brakes still weren't, and he crashed through the parking barricade, uprooting a set of propane gas tanks behind Connie's lunch room.

And at Connie's, it just happened that they were cooking with gas at this very moment and a lunchroom full of hungry workers were waiting for their hot lunches.

The chili got cold, the hamburgers sat uncooked on the grill, and the construction workers trudged back to work with empty stomachs.

Novi School Notes

Mr. Parks, Novi school custodian, is absent from his duties because of illness.

Novi school children are conducting their annual Junior Red Cross membership drive.

The children sent cards to Mrs. Salow while she was in Mt. Carmel hospital last week.

5th Grade

The ninth grade young people had a roller skating party at Riverside Arena Friday evening.

6th Grade

Absent from the sixth grade because of illness were the teachers, Mrs. Rowena Salow, and pupils, Marion Sientz and Dennis Marshall.

Officials Plan Ceremony, Completion By Mid-1957

Multi-Million Dollar Plant To Have Normal Annual Capacity of 90,000 Lincoln Cars

Ground-breaking ceremonies have been scheduled for Friday, December 2 at the new Lincoln Division national headquarters in Novi, Ben D. Mills, division general manager and vice-president of the Ford Motor Co. announced today.

A brief ceremony will be held at 11:30 in the morning on the 325-acre Wixom Rd. site a quarter mile north of Grand River.

Mills said the new facility, designed to accommodate the increasing demand for Lincoln automobiles, will have an annual capacity of 90,000 cars on a normal operating basis.

The multi-million combined assembly plant and office building covering 1,500,000 square feet, is scheduled for completion by mid 1957.

Mr. and Mrs. Roy Schram and Mr. and Mrs. Harvey Buch children will spend the Thanksgiving holiday with the former's son and daughter-in-law, Mr. and Mrs. Hugh Schram and children in Lansing.

Louis Clarke of Taft Rd. returned Saturday with a buck. He had been hunting in northern Michigan.

Sharon Founders, daughter of Mr. and Mrs. Oather Pondera, celebrated her tenth birthday on Sunday with a party during the afternoon.

Mr. and Mrs. R. E. Ward left Friday for Arkansas to attend the funeral of Mr. Ward's mother, Mrs. N. J. Ward, who had been ill for several months. Mr. and Mrs. Doyce Ward are attending the store until their parents return the latter part of this week.

Martin Willcheer is deer hunting in the Upper Peninsula, near Paradise.

On Sunday, Mrs. Martin Willcheer gave a birthday dinner in honor of her son, Peter's sixth birthday. Several aunts and cousins were present.

Mr. and Mrs. Andrew McCollum will have a family gathering at their home on 11-Mile Rd. on Thanksgiving Day. Present will be Mr. and Mrs. Arthur Hoge and daughters, Nancy and Karen, of Detroit; Mr. and Mrs. George McCollum and children, Raymond and Susie; Mr. and Mrs. Paul McCollum and sons, Romy and Larry; and Mr. and Mrs. Ora McCollum and daughters, Diane and Dawn, of 11-Mile Rd.

Mrs. Glenn C. Salow returned to her home in Novi Sunday after undergoing minor surgery at Mt. Carmel hospital in Detroit last week. It will be a few days before Mrs. Salow can return to her duties at Novi school.

Mr. and Mrs. Charles G. Crawford each chose an animal or bird and drew a picture and wrote a story about his choice. The best ones were by Kenneth Hayes, Jimmy Jones and Rita Crawford. (Continued on Page 9)

Prowlers Leave Bare Cupboard & Dirty Dishes

The prowlers are getting less thoughtful these days, according to Mrs. Irene Mason, 1306 E. Lake Drive. They even wash from the dishes.

Mrs. Mason, who works from home, came home last Thursday to discover her sink full of dirty dishes and the remains of a half eaten meal still on the table.

Creamed tuna fish had been the main dish, topped off with some extra special fig pudding which Mrs. Mason had made for Thanksgiving, and milk for the beverage. The milk had been replaced in the ice box.

Full ash trays in the living room indicated pleasant hours had been spent after the meal, hours which could just as well have been spent washing the dirty dishes, as far as Mrs. Mason is concerned.

Evidently the prowler's stomach was emptier than her pocketbook, because no money or valuables were missing.

Novi Police Chief Lee DeGole, says his department is still investigating the case, but preliminary clues lead them to believe a juvenile neighborhood girl was the mysterious culprit.

Business Was Slow at Walled Lake Park

A SHARP CONTRAST to the busy summer weeks was the activity at Walled Lake Amusement Park after last week end's early snowfall. From roller coaster to refreshment stand, the park was buried in silence under the three-inch blanket of snow. The bathing beach across the street was also noticeably devoid of swimmers and sunbathers.

Salvation Army Aux. Plans Holiday Fair

Mrs. Charles S. Crawford of So. Lake Drive, Novi township, wishes to extend an invitation to the many friends of the Salvation Army in this area to attend the Annual Holiday Fair in the Jade Room of the Detroit Leland Hotel, on Wednesday, November 30, from 10 a.m. to 8:00 p.m.

This is one of the means of raising money to assist the Salvation Army in meeting the many requests for which the Army has not sufficient funds.

There will be a variety of booths and the traditional coffee and doughnuts will be served by Mrs. Major Wm. Kaatz and her group. Mrs. Crawford is booth chairman.

Nominate 6 Rebekahs At Regular Meeting

Second nominations were held at the regular meeting of the Rebekahs, Thursday evening November 10.

Those nominated were: Thelma Cheeseman, noble grand; Margaret Marshall, vice grand; Lenore Bell, secretary; Ruth Woodward, financial secretary; Gladys Haley, treasurer; and Kathryn Bachiri, degree captain.

The Past Noble Grand Club met Friday, November 11, at the home of Mrs. Irene Wendland for a pot-luck dinner. Fourteen past noble grands were present and one guest.

Plans were made for the Christmas party at the Mayflower Hotel in Plymouth, December 13, at 7 p.m.

W. L. Tabloid Replaces The Novi Citizen

The Walled Lake Citizen, a semi-monthly tabloid, will replace the Novi Citizen according to an announcement last week by John B. Flannery and Howard C. English, publishers.
