Firemen and Officials Attend Wixom Road Housewarming

KEEP THE HOME FIRES BURNING. At least that's what they were trying to do in Novi township last week when more than 40 firemen from Novi, Northville, Lyon township and Plymouth gathered at the Wixom Rd. site of the new Lincoln plant to practice fire-fighting techniques on a "real live house" scheduled for demolition. The above picture sequence was taken during the 2 1/2-hour "training session". The fire was started and extinguished three times during the session. Fog fire-fighting methods were used, employing special nozzles which break up the stream of water into a fine spray under 60 pounds pressure. The "fog" system, developed during the past decade, is considered one of the most effective ways to fight house fires, according to township fire-fighting officials. In the far left picture, firemen wait for the water to gain sufficient headway before extinguishing it (next picture) with their fog nozzles. Only the skeleton framework was left (third picture) by 8:30 and shortly afterwards even the framework gave way reducing the unoccupied house to a mass of rubble with only the brick chimney still standing.

Durfee Electors Ask District Split

Residents of Novi's Durfee District No. 6 voted 34 to 22 to permit annexation of the portion of their district south of 8-Mile Rd. by the Northville School District in a special election held May 16 at Northville's American school. Although results of the election bore out predictions of informed sources, most of the objections raised came as a surprise to school officials conducting the election-meeting.

Will New Budget S-T-R-E-T-C-H?

The problems of stretching an already tight budget to include additional fire-fighting and assessing personnel were discussed by the Novi Township Board at a hot but uneventful Monday night meeting. Representatives of the Novi Democratic club and the Novi Civic Ass'n., highly critical of the board at the May 7 session, sat through Monday night's meeting with very little comment.

Wives, Widows of WWI Vets Organize

Department President Mrs. Francis Matthews of Dimondale, Mich., instituted and installed the officers of the newly organized auxiliary to the Benton Parkway Barracks 207 World War One Veterans, at the VFW Hall Sunday, May 14.

Women from Northville and surrounding communities are participating in this new national organization for the purpose of coordinating veterans of World War I and their wives into an organization for their mutual benefit, pleasure and amusement, giving them the opportunity to keep alive friendships and memories of World War I.

Legislation for the benefit of World War I veterans and their widows is pending in Congress and is receiving more favorable support from members of both houses of Congress. Mrs. John Stenson, president of the Northville BPW, also received a citation at the state convention for organizing the South Lyon BPW club.

Public Invited To Forum On Division of Jr.-Sr. High

An open forum will be held Thursday, May 24, at 8 p.m. at the Community Bldg. about "Future Planning for the Division of Junior and Senior High School."

Dr. Edgar O. Johnson, professor of Education at Wayne University since 1945, will present the pros and cons of the 6-3-3 and 6-2-4 division of grades 7 through 12.

The meeting is sponsored by the Northville Curriculum Study committee.

All members of the faculty, administrators and school board are invited to attend. The community is also invited.

Dr. Johnson is a former president of the North Central Ass'n., 1954-55. He was co-chairman of the Governor's Study Commission on Migratory Labor Dependents' Schools in Europe in 1953. He received his Ph. D. from Columbia.

Ground Breaking for Easter Seal Center To Be Held May 20

Ground breaking ceremonies are scheduled to be held Sunday, May 20 at 3 p.m. at Hyde Park in Inkster, for the new Easter Seal Center which will serve the crippled children and adults in Western Wayne county.

The new center will be the headquarters of the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults, which now conducts its offices at 31433 Ford Rd., Garden City.

For several months 22 Rotary, Kiwanis and Exchange clubs throughout the county have spearheaded fund raising projects to raise \$12,000 which the Easter Seal Center will cost to build.

Two years ago five lots in the Hyde Park subdivision in Inkster were turned over to the Wayne Out-County Chapter for the Center by the Wayne County Road Commission.

Last summer, architectural drawings were made by Bennett and Straight, architects and engineers, as part of their contributions to the project.

Harry Birchard, of Birchard and Roberts, contractors, will serve as general contractor for the building.

All members of service clubs in Northville and the out-county area as well as the general public are welcome to attend the ground breaking ceremonies.

Construction on the multipurpose building is expected to begin in the near future.

State Award Given To Local BPW

The Northville Business and Professional Women's club received an award at the state BPW convention in Detroit Saturday for "the most outstanding project in education and vocational for the year 1955."

The award is given to only one of the hundreds of BPW clubs in the state. The Northville group received it for their "Miss BPW" project.

The "Miss BPW" trophy will be awarded this year for the first time. It is expected that the award will be an annual one, given to a senior girl who meets special qualifications set up by the club.

The trophy will be unveiled at the BPW banquet May 28, but the winner will not be announced until the night of graduation.

Mrs. John Stenson, president of the Northville BPW, also received a citation at the state convention for organizing the South Lyon BPW club.

Mother-Daughter Party Held Friday

Instead of the conventional Mother and Daughter banquet, the Ladies Chapel Missionary Circle of the First Baptist church of Northville sponsored a Mother and Daughter party at the church Friday evening.

Each person was given a carnation corsage made by Mrs. Charles Strubel of Detroit. The program was under the direction of Mrs. Ray Custer; Mrs. Rano Papini led the singing, and Mrs. Charles Kiecke was in charge of refreshments.

Highlights of the program were "Cleaning Up for Mother's Day" with Clara Papini, Bonnie Rorshuber, Betty Humphries, and Cheryl Ray; a vocal solo, "Oh, How I Love Mother" by Shirley Sorenson of South Lyon, accompanied at the piano by Arlene Somers, also of South Lyon; an accordion solo, "Mansion Over the Hilltop" by Sandra Ware, followed by a recitation, "Of Course I Paid" by Alice Sinden.

Mrs. Berryman and her two daughters, Kay and Susan, offered the song, "Mother's Prayers." A Tribute to Mothers was read by Joyce Lemmon, and Mrs. Jack Sorenson of South Lyon responded with a Tribute to Daughters.

Mrs. Charles Haynes, president of the Charity Missionary Circle, introduced the speaker of the evening, Mrs. S. J. Farinel of Clawson. Mrs. Farinel gave a talk on customs and practices of mothers and daughters in China.

Mrs. Farinel spent many years in China as the daughter of missionaries there.

After the program, the group was served a lunch in the church dining room, which was decorated in a May Day motif under the direction of Mrs. Russell Hutchins of South Lyon.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Clifton Hill, native of England, has supplied the recipe this week and it is a famous one—Yorkshire Pudding. This pudding seems to be mispronounced by a great many Americans who are under the impression that it is an English dessert. Yorkshire pudding is as English as the roast beef with which it is always served and the recipe will prove to be a surprise to anyone who has ever tried it.

If properly made and immediately served, it literally floats—1 to 2 inches.

The Hills, with their four children, live on 17740 Beck Road. June is 21 and will graduate from Michigan State Normal college in January. She is majoring in speech and Spanish. Sharon is 15 and is in Northville high school; Daley, who is seven in grade school, and Beverly, a diminutive four, will enter kindergarten next year.

When the roast is done and 25 minutes before dinner is to be served, take three or four tablespoons of drippings from the bottom of the pan containing the roast of beef and pour it into a bowl in which the pudding is to be baked. Set the oven at 450 degrees and heat the pan. While the pan is heating in the oven, beat the pudding again for about five minutes. Remove pan from the oven and pour in pudding batter and bake 25 minutes. Meantime, do NOT peek in the oven, if you do the pudding will fall. The pudding should rise about six inches and be hollow inside and tender and crispy and must be served immediately while it is still hot.

Willowbrook ...

(Continued)

The ladies of Willowbrook's sale was quite a success. Helping sell in the store were Gloria Alcorn, Marion Weiss, Eleanor Freytag and Agnes Morrison.

We wish to thank all of the ladies of Willowbrook for their cooperation in the sale for donations of baked goods.

The Marinoffs made a quick trip early Saturday morning to Oshawa to see Mr. Marinoff's mother who was quite ill. They returned home Sunday evening.

Ed Wittenberg took Marilyn Loggins to the Senior Prom last Friday evening. The Marinoffs planned to take movies but the storm interrupted as they had no electricity for a few hours.

The Marinoffs attended the AMVETS beauty contest and dance Saturday evening at the AMVETS hall.

Mr. and Mrs. John Scollon of Bedford township and Mr. and Mrs. Fergusson of Kalamazoo and Susan were guests of Mr. and Mrs. Fergusson for dinner Saturday evening.

Mrs. Fergusson of LeBost Dr. spent last Thursday at her daughter's, Mr. and Mrs. Joe Ferguson and Nanin Mills to take care of her grandchildren, Jimmy, Angus and Barbara while their brother, Joey, was in the hospital having his tonsils removed. He is coming along fine.

The Morrissons and Mrs. Ferguson and Mrs. Louise Morrison visited the tulip festival in Holland Friday. They enjoyed seeing the tulip farms and talking to the museum. They took a drive along Lake Michigan and then they met a family from Willowbrook Mr. and Mrs. Dan Freytag.

Mr. and Mrs. Dan Freytag of LeBost Dr. were guests of Mr. and Mrs. Taylor, Mrs. Freytag's parents, for dinner Mother's Day. Mr. and Mrs. Dan Freytag of LeBost Dr. attended the tulip festival at Holland, Mich. with

Novi Cancer Drive Nets \$402 Total

A total of \$402 was collected from Novi residents and businesses during this year's Cancer Drive, according to Chairman George Larson.

\$28.55 was obtained through canister donations, \$55 from women's club, \$305 from the benefit card party and \$17.50 from business and factory solicitations.

This week end Mr. and Mrs. Alcorn celebrated their fifth anniversary at their home. Their guests were Mr. and Mrs. Kuhn, Mr. and Mrs. Fibbitt, Mrs. J. Hartman and daughter, Rosalia of Illinois and Roy Miller for an anniversary dinner.

Mr. and Mrs. Lewis Chismark attended the General Motors Technical Center Sunday.

The Louis Chismarks attended a party in Mr. Larry Chismark, Jr. Saturday evening. Also his guests were Mr. and Mrs. Donahue and Mr. and Mrs. Frank Cantor.

Mrs. Sylvia Klerkx had the last ladies pinicche club of the season last Monday evening and a baby shower combined. Their card party was in honor of Mrs. Jan Labrum. She received a beautiful matching duster and gown and the baby-to-be received a sash and blanket and gown set in yellow. A lunch of chicken salad, cake and coffee was served after six hands of pinicche. These winning prizes were Gen Linsday, first; Phillis Berardi, second; Agnes Morrison, third; Clara Miller, fourth; and Sophie Martin, fourth.

Mrs. Sylvia Klerkx has been asked by the Democratic party to be a delegate to the first district of Novi township and she has accepted.

The Eds Waights of LeBost Dr. returned Saturday from a trip to Florida to visit Mr. Waights' parents, Mr. and Mrs. P. H. Marshall of Miami. They too brought with them a family from Willowbrook Mr. and Mrs. Dan Freytag.

for the Record

Throughout the state many special events have been staged this week in observance of Michigan Week, which takes on added stature each year as a period for inventory-making by those residents who count it as their good fortune to live within the state's boundaries.

Each part of the state offers something unique to those who reside there. The Upper Peninsula has its unspoiled natural beauty that appeals so strongly to the fisherman, the hunter and the summer vacationer. The same is true of the Lower Peninsula north of the Saginaw-Muskegon line, which from now until Labor Day will be the Mecca of hundreds of thousands of tourists and during the winter months is noted for its hunting and outdoor sports.

The southern part of the Lower Peninsula varies from the level, fertile farm land of the Thumb area to the gently rolling country near the Ohio-Indiana boundary and the picturesque Irish Hills vacationland. Dotted the entire area at intervals of only a few miles are hundreds of small villages and medium sized cities, with a few large centers of industry which are at once a source of employment and an enormous waiting market for the products of the farms.

Scattered throughout the entire state are colleges both large and small, plus three great universities. Each in its own way and within its means offers ambitious boys and girls ready access to higher instruction in technical subjects or the liberal arts.

Michigan has been favored by chance and economic circumstances in becoming one of the world's greatest industrial centers with employment and payrolls normally at a high level which radiates prosperity throughout the surrounding area. As the birthplace of the automobile industry around the turn of the century, and of the technique of mass production only a few years later, Michigan has perhaps had more to do with changing the lives and habits of America and most of the civilized world than any other single state.

It is natural, of course, to appreciate the state's advantages from a personal and a local community standpoint. In the latter respect, Northville is most fortunate and once a year is not too often to take stock of ourselves. Nor is it an unpleasant prospect to enumerate the many advantages for which we who live here should give thanks.

First, Northville is located within easy commuting distance of Detroit for those who must earn their living in the city but wish to come home at night to a community which preserves its small town flavor and is far away from the city's smoke and noise. It is a city whose churches welcome the newcomer and draw him into the circle of friendship with older residents. Its stores are good and its merchants friendly. Its many service organizations maintain a lively interest in local affairs and invite as members those whose interests run along kindred lines.

Second, Northville is a city in which the percentage of home ownership is unusually high. This is an advantage in that property owners generally maintain their homes well, and Northville is in most respects a slightly community of small homes.

Third, Northville is maintaining and enlarging its school system to meet the needs of a growing area, its teachers will be better paid next year in relation to those in surrounding communities, and there seems to be a healthy public interest in meeting the educational requirements of our youth.

Fourth, the city seems to be developing a stronger civic consciousness of the fact that it is in a transitional period that is to encompass far-reaching changes. Adoption of a city charter last fall was a tangible evidence of this change. Recommendation a few weeks ago by the Northville Improvement committee that serious consideration be given to construction of a 200-car parking structure for the convenience of those who wish to shop in Northville was another sign that civic leaders are looking to the future. The comprehensive street improvement program to be carried out this summer is still another indication of progress.

If we were to sum up the relationship of Michigan Week to Northville, or of Northville to the statewide observance of Michigan Week, it could be aptly done by referring to the banquet in the Community Bldg. last Monday evening, which was attended by approximately 250 city and township residents. In addition to the capable and interesting talk by Judge Nathan Kaufman (Continued on Page 10)

School, Factory, City Tours Highlight Mayors' Exchange Day Visit In Saline

Mayor Claude N. Ely returned to Northville Monday evening with several honorary memberships, a new set of cuff links and mementos of a very interesting day spent serving a one-day term as the mayor of Saline.

The trip to Saline was made as part of Mayor's Exchange Day, a special day that is celebrated during Michigan Week. Accompanying the Mayor was his wife, Councilman Earl Reed and Mrs. Reed.

Toured Factories Mayor Ely and Councilman Reed toured the Universal Die Castings and Manufacturing Co. and saw the production details and processes of making car parts for the Ford Co. Lincoln and General Motors. The men were given a gift of cuff links from the factory owner.

The group also toured a tool and die company which re-tools large machines. Chicken Dinner The Mayor's Banquet began at 6:30 p.m. in the Saline Hotel which is owned by the mayor of Saline.

We had a very good dinner of tomato juice, fried chicken, French fries, cole slaw, orange ice and coffee," Mayor Ely said. "They started their banquet program in a very interesting way," Mayor Ely said, "and I would like to see Northville adopt the practice. They had a history of Saline. She also gave a good history of Northville, mentioning 1927, the year we celebrated our centennial, and last year when we became a city."

Visited Schools The delegation visited the new grade school just before noon recess and Mayor Ely was impressed to see over 400 students being served lunch, in shifts for 25 minutes. The cafeteria was remarkably operated by five women," Mayor Ely said, "and the kitchen was as well equipped as any fine restaurant."

The men had lunch in a restaurant and the ladies ate in the high school home economics room. The room, their lunch was prepared and served by members of the home economics class.

Honorary Memberships The president of the Rotary Club presented Mayor Ely with a Rotary banner. The Chamber of Commerce and the Junior Chamber of Commerce gave him scrolls which named him an honorary member of their organizations.

"The people were very friendly, we had a nice time and enjoyed the trip very much," the mayor said. The group left for Northville home economics class at 9:30 p.m.

A TRUE N.T. CHURCH

"Which Church is the New Testament Church?" Little can be proven from Church Histories or how they are stated in favor of the Church writing it. How can we tell them? Perhaps this example will help you. After the war General Lee had a beautiful mare. He advertised for her, describing her in detail. William Campbell of Essex County, Va., read the ad and saw an animal near his home that exactly answered the description. He wrote to General Lee, who sent him his son from Lexington to investigate. As soon as he saw the animal he said, "This is my father's mare." It wasn't necessary to track the mare from Lexington to Essex. The main thing was to identify her with the one that was lost. Now if you want to know which Church is the N. T. Church then get out your Bibles, begin to read with the Book of Acts and read through the rest of your Bibles, and you will find a detailed description of what a New Testament Church is like. Then go out and see which church preaches the gospel they preached, gives the same warning they gave, baptized the believers in the same way, looking for the return of Christ in the same way and walk by the same rule as they.

Letter To The Editor

Dear Mr. Cummings:
The Northville P-T-A Carnival was a huge success. This was possible because of the unselfish efforts of a number of the local citizens and merchants. No matter how hard they worked, however, the Carnival could not have been successful unless the community at large was aware of the time, place and activity.
As a good citizen the Northville Record gave publicity to our efforts. We of the P-T-A are sincerely grateful to you and your staff for your efforts on our behalf.

Eleanor Hammond
Carnival Chairman
Harold Harley, President,

Centerbury explained his position, saying, "I'm not against the purchase of a fire truck but I feel we don't know enough about them."
In other action during the evening the council voted to send a member of the Northville police force to a special police training course at Michigan State university next month.
They also discussed and agreed to ask for new bids on construction of a bridge on High St. north of Randolph.

Band Will Play At Wixom P-TA

The Wixom school band, under the direction of Mr. Holland Meitz, will furnish entertainment for the May 24 meeting of the Wixom P-TA.
In addition, the fourth graders will play several musical numbers on their song flutes.
A varied list of Wixom school activities was also disclosed by P-TA spokesman, Wilhelmina Lahti this week.
Getting the idea from Mother's Day the fourth graders at Wixom school celebrated Teachers' Day last week by surprising their teacher, Mrs. Rita Choquette, with a party planned and executed entirely by themselves. Having carefully observed during lunch that Mrs. Choquette had a certain weakness, the girls delighted her with a chocolate cake which they baked themselves. Also on the party list were cupcakes and cookies. Each student made an appropriate greeting card which they presented to the teacher, plus the gift of a coffee warmer.
Field trip time is here again and first to venture forth were the fourth and fifth graders who took in the sights of the museum in Ann Arbor. Tuesday, the first graders went to the Detroit Zoological park. The sixth graders are planning a trip to Wayne County Airport, where they will get to view the interior of a variety of planes, including jets.

Free Book Ready for Mushroom Hunters

Lansing, May 24—"Mushrooms and Traps," a handy guide for mushroom hunters, is available now from the Conservation Dept.
The pamphlet, written by R. D. Burrows of the department, contains descriptions and illustrations of edible mushrooms. Descriptions of poisonous varieties also are given, as a safety guide for mushroom hunters.
The free publication can be obtained by writing to Conservation Department Publications, Lansing 20.

Novi Girl Scouts

Brownie Troop No. 493 met at Novi school May 18. The girls had a discussion on the fly-up requirements. This week they were concentrated on fires and handshakes.
Brownie Troop No. 602 met at the school and made Indian headbands for the new year. They also made plans for next week's hike. Carol Wicks brought treats. Intermediate Troop No. 401 opened with the flag ceremony. Brides were presented and they played games. They closed with a good night circle after treats by the leaders.
The Senior Troop met at the home of Shirley Snow. The girls made additional plans for their bike hike in June.
Brownie Troop 149 had to postpone their cook-out. The girls learned two new songs: English "Hiking Song" and "We're On the Upward Trail." Treats were furnished by Mrs. Schwartz, 3rd grade teacher.
Intermediate Troop No. 492 met in the basement of the school May 16. The girls made fancy fly swatters. They closed with a good night circle.

Durfee Splits

additional revenue. However, he pointed out to the group that Northville is now crowded and it is not practical to expect them to pass bond issues to build schools, and also take tuition students.
Board said there is no way possible for Durfee to open a school because there are not enough children to support a good school. "Northville wants to know what we are going to do," he continued. "Novi also wants to know."
Other school and civic officials present at the election-meeting were Novi District No. 4 Supervisor William Medlyn, Oakland County Assistant Supt. Claude Elmore, Northville Supt. Russell American, Northville School Board President Robert Cooman, Novi No. 8 Board President James Mitchell and Novi Supervisor Frazer Staman.

MSU Pres. Deplores Uniform Teacher Pay

School administrators who deplore the uniform pay plan for teachers have a supporter in President John A. Hannah of Michigan State University.
"Equal pay for unequal performance is a vicious perversion of the concept of equality," President Hannah pointed out in a recent address to Michigan schoolmasters. "This is not equality. It is enforced regimentation at best."
He said the public should be aware of "imposing a deadening uniformity on our school systems and discouraging individual demonstrations of capability and ambition by teachers."

Novi School

(Continued)
To observe Michigan Week the fifth grade made maps of the state showing resources. Bobby Taylor, birds, JoAnn Miller, Kenneth Hayes, comics, Ginge Chessman, cities; Gerrit Steenbagen; fish, Rita Crawford and Judy LaFond; trees; Carolyn Mairs; sports; Carol Newburgh and farming, Diane McCollum.
These maps are on display in the school library.
The fifth graders have finished their bird studies and one of the best pictures, according to the teacher, was drawn by Leash McQueen of a red winged black bird.
Carolyn Mairs and Carol Newburgh were drawn from school because of illness.
A pair of cardinals has made a nest outside one of the school windows. The pupils are watching with keen interest.
Mrs. Wilcox was ill Friday and Mrs. Donough substituted for her.
Intermediate Troop No. 492 met in the basement of the school May 16. The girls made fancy fly swatters. They closed with a good night circle.

man of Wayne county juvenile court, and the presence of two Salm (Mich.) city officials as honored guests, the banquet was a huge success as a civic get-together.
Looking ahead to next year, might it not be appropriate for Northville to examine itself as a community in which to live and bring up a family, just as we have been examining and discussing the State of Michigan from these standpoints this week?
What an opportunity a banquet like the one this week, attended by a large cross-section of city and township residents, would afford for a down-to-earth review of community affairs. It could be handled as a joint city-township affair, with its program centering around discussion of municipal, township and school problems by capable public officials. With adequate advance preparation, such an event could be a potent force for uniting the community's viewpoint on common goals and aspirations, and in getting concerted action to bring them about.

Community Living

NORTHVILLE DOWNS had its beginning in 1944. Since then, thousands of people have visited the track to see scenes like the one above. The race track employs local people during the season who share in an approximate \$85,000 payroll. In addition, Northville also receives racing revenue. Last year's race track revenue netted the city a total of \$105,463.

THE NOVI NEWS

NORTHVILLE'S largest industry, the Ford Valve plant, is an attractive factory employing many residents in the surrounding area. The factory was built in 1936 and an addition added this year.

The following report was prepared by students in Miss Florence Parsons' third hour speech class as their Michigan Week project for Education Day, May 24.
Northville is a showplace of community living. Why a showplace? Look around and you will find the reasons.
Five churches, three schools (and one in the planning stages) and many industries are to be found in this "homey, friendly, all-American city."
We have done a little research and learned the following things about our city:
Early Industry
John Miller and Israel North built the first flour mill in Northville which was believed to be the first in America to successfully condense milk and sell it commercially. This company took top rank for milk condensing in the western hemisphere during its existence.
Northville was the site of the Globe Furniture Co., the world's largest manufacturer of school furniture at that time. The building changed hands many times during its long existence from 1860 and today it is the Michigan Powdered Metal Co.
In 1870 a private fish hatchery was established by Nelson W. Clark, a few feet from the site of the present one. In 1897 the United States government erected the present hatchery which is one of the largest fish propagation stations in the world.
J. A. Dubur erected a lumbering business in 1890. This company made ship fittings such as mast hoops, pulleys and pulley blocks. In 1919 this mill was sold to the Ford Motor Co. which at present is in town to have a gym. The cost of the new building was approximately \$75,000.
The grade school building which faced West St. burned January 24, 1936. Temporary quarters were provided in several local buildings. The same year, city and its surrounding area

may attend. Included are the Presbyterian church, founded in 1812; the Methodist church founded in 1834; the Baptist church founded in 1844; the Lutheran church founded in 1890 and the Catholic church founded in 1925.
Our first form of education in Northville was the old elementary school built in 1865. The school stood at the site of the present high school until it burned in 1916.
A new school was immediately started and the students were temporarily enrolled in the old building which faced West St.
The high school was built shortly after 1900 and was the first in town to have a gym. The cost of the new building was approximately \$75,000.

Buick Super 6-Passenger 4-Door Buick

When it purrs, you reign

YOU can hardly hear its whispered might—but man, you sure can feel it. It's power almost without limit—power that humbles the hills, melts the miles, makes you monarch of all you survey.
For this is a new Buick—a '56 Buick—sparked by the most potent engine in Buick annals—a 322-cubic-inch V8 with a crackling high compression of 9.5 to 1.
But what makes you feel even more like boss-man of the highway is the great new advance in Variable Pitch Dynaflo.*
First time you tickle the gas pedal you'll know what we mean.
Now—smack in the top inch of gas pedal travel—right where you save gas every turn of the wheels—you get a swift, sure and supremely positive new getaway response in an instant.

For smooth and nimble performance—for sheer mastery in traffic—nothing like it ever was.
And that's just part of it. When you need a still greater flow of get-up-and-go for safety's sake, you merely switch the pitch and you zoom out of tight spots.
So come rule the roost in this '56 Buick.
Come drive a car with 127 gorgeous inches of wheelbase to give it regal room and a ride that's fit for a king.
Try out Buick's new steering—new center-grooved brakes—new direct-acting shock absorbers with triple the former volume of jounce-cushioning oil.
Learn how it feels to boss a car that looks like royalty and acts the part to perfection.
We promise—you'll practically purr with delight at the wheel of this dazzler—especially when you discover how easily you can make it your own.
What do you say—shall we expect you today?
*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE. It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING.

Notice of Last Day of Registration OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND AND WASHTENAW, COUNTIES, MICHIGAN

To The Qualified Electors of Said School District:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held on Monday, June 11, 1956.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides..."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on Monday, June 11, 1956, is Friday, June 1, 1956.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw counties, Michigan.

4 from Northville To Go To Girls' State

Four Northville girls will leave for Girls' State this year at the University of Michigan from June 19-30.

Nancy Lawrence, Wanda White, Suzanne Dewsbury and Janice Horwath will be four among an estimated 300 girls attending from the state of Michigan.

Organizations sponsoring the girls this year are Mother's club, Girls Athletic League, Optimist club and the Women's club.

The program is sponsored by the American Legion Auxiliary and is a school of instruction concerning city, county and state government. The program is developed to prove the advantages of citizenship, to create an active interest in government and to develop the responsibility of leadership. Recreation and sports are also included.

American Legion Auxiliary chairmen are Mrs. Howard Wright and Mrs. John Steimel.

The 23-year old soldier is a graduate of Walled Lake high school.

Community Living — (Continued) 1936, a new building was finished. The new building was dedicated April 16, 1957 and is estimated to have cost \$100,000.

The newest addition to our school system is the Russell H. Amerman school on Center St., built last year.

At present our high school has 64 students involved with a faculty of 28 teachers, a principal and an assistant principal.

The Russell H. Amerman elementary school has a faculty of 12 with a principal; the Northville elementary school has a faculty of 17 and a principal. The combined enrollment of these two schools, grades 1-6 is 895.

Approximately 4,000 girls from all over the United States and some foreign troops are expected at Highland Recreation park the last two weeks of June. The campers will number 5,000 including personnel. It is the first time a Round-up has ever been attempted on such a large scale.

The local Scout Council pays the expenses of the Northville delegates.

YOU'RE A MAINLINER!

Whether you live in a tiny village in the northern part of Michigan or on a heavily traveled street in one of our major cities or right out on the farm, you're a mainliner so far as your convenience of living and doing business is concerned.

That's because the highly-developed, fast, flexible trucking industry which serves the concentrated population centers of this great state of ours provides equally thorough and complete service for sparsely-settled, out-of-the-way places.

Yes, trucks provide the only freight transportation which reaches all of Michigan—bringing merchandise and materials to every Wolverine household, farm, and business concern, no matter how far off the beaten path it may be.

Thanks to trucks, you can live or do business anywhere in Michigan you please and still be on the main line!

TELEPHONE Lines

WE CERTAINLY get a kick out of teen-agers. It's a fascinating time of life for them and for parents, too. Take the matter of telephone conversations. Is anything more earnest, more confidential, more important? That's probably why telephones right in teen-agers' rooms have proved so popular.

The youngster is able to speak in relaxed privacy. And the rest of the family left distracted from what's going on. An extension phone in your teen-ager's room will cost about \$1 a month. And by the way, they make very welcome graduation gifts.

EVER BEEN CAUGHT when you wanted to make a phone call but couldn't because all the places with public phones were closed for the night? You'll usually find the answer now in new outdoor phone booths, lighted and open 24 hours a day, every day of the year. You'll find them handy wherever you are. About 2,800 of them are now located in Michigan towns and on main highways, and many more are on the way to make a telephone available for you—any time—in the most convenient places.

WHAT DO YOU DO with the workshop tools that get badly damaged or worn? Toss them in the trash can? Here at the telephone company we send work-worn tools to the Detroit repair shops of Western Electric, manufacturing and supply unit of the Bell System. They are returned to our telephone installers, repairmen and construction people as good as new. It's better than buying new tools? You bet. Tool repairs save us thousands of dollars a year. That's the kind of economy that helps keep down the cost of telephone service.
