Highway Commissioner Post Makes Good Target for Campaigning Politicos

A LOOK AT THE RECORD, as politicians like to say, enables anyone to distinguish the smoke from the fire in the hot spot occupied by Highway Commissioner Charles M. Ziegler.

criticism seemed to increase before every election, many voters thought Ziegler was running for reelection. The fact is that he was not. His term lasts for four years; next contest is in the spring.

Behind the smoke screen of charges laid down by Democrats to confuse the issue, there are many facts that play important roles in determining Michigan's highway program.

What was accomplished with these funds? Some 2,144 miles of new highways are already on record to Ziegler's credit. An additional 2,812 miles of roads were resurfaced, widened or improved during the last decade.

And to the Commissioner's credit is a bureau study showing that the State Highway Department constructed roads at a cost of 15 percent less than comparable neighboring states.

POLLING PLACES: Precincts No. 1 and No. 2 - Northville Community Center, 307 W. Main Street. Precinct No. 3 - Russell H. Amerman Elementary School, North Center Street MARY ALEXANDER, City Clerk

Little cooperation was given the Highway Department to meet this \$3.5 billion need. In the early years after the war the Highway Commission usually received an annual \$23 million appropriation from the Legislature for new construction.

For the first time, the backlog of highway needs is being reduced, not increased," says Ziegler. "We're going places. And we're just as glad about it as Michigan drivers will be when the new roads are completed."

Things are looking better now. The new federal interstate highway program, plus a second Michigan "good roads" law passed in 1955 will open a new era of construction. The Highway Department will have the resources to do a bigger job.

For the first time, the backlog of highway needs is being reduced, not increased," says Ziegler. "We're going places. And we're just as glad about it as Michigan drivers will be when the new roads are completed."

Much talk of "patchwork" road systems was heard. Anything along the top or just past the peak of such a cycle, says Richard O. Cook, of the Michigan Trucking Association.

How was the money used by the Highway Department? During the past 10 years a total of \$638 million was allocated by the Legislature to the department for all types of work. Some \$350,000,000 went for new road construction. Another \$60 million was spent for right-of-way purchases. Nearly \$185 million had to go for maintenance of old roads. Bonding and miscellaneous expenses cost \$34 million and administration accounted for \$10 million.

Behind these varied opinions certain economic facts are apparent. Trading stamps add approximately two percent to the cost of doing business. In other words, for every dollar a merchant takes in, two cents of it pays for the trading stamps.

Someone must pay the two percent cost. It can be the consumer in the form of higher prices. Again, it may be the retailer who absorbs the cost and hopes to make up for it with increased volume. Finally, other means of advertising may be omitted or reduced to pay the bill.

Besides performing its basic job of serving the transportation needs of Michigan's farmers, industrialists, businessmen and general consumers, our Motor Transport Industry plays a major important part in providing employment for a major percentage of Michigan's breadwinners - a quarter of a million, as a matter of fact.

Yes, Michigan's trucks are responsible for one out of every ten Wolverine paychecks - and the total of all these paychecks amounts to well over one billion dollars annually!

That's a lot of money - and it provides those on trucking's payroll with an enormous purchasing power that benefits every phase of Michigan's economy.

Motor transport's paychecks are substantial and they buy lots of food, clothing, appliances, cars and other products whose sales mean paychecks for others. So, you see, Michigan's motor transport industry not only serves all other business activities - it is one of the most important customers for the products of all these other businesses.

Record Turnout Expected to Vote in Novi Tuesday

Constitutional Change Also Faces Public Test

More Novi township voters than ever before are expected to go to the polls next Tuesday to cast ballots for offices ranging from President of the United States to Oakland county drain commissioner.

In addition, they will vote on a proposed constitutional amendment concerning qualifications of members of the state legislature.

Registered voters in the township now number 2,539—roughly 40 percent higher than in the 1952 presidential election, township Clerk Hadley Bachert has reported.

Polling places will be open from 7 a.m. to 8 p.m. Precinct 1 voters will cast their ballots at the Novi Township hall. Those in Precinct 2 will vote at the Novi Community building.

The candidates: NATIONAL OFFICE President Dwight D. Eisenhower (R) Adlai E. Stevenson (D) Vice-President Richard M. Nixon (R) Estes Kefauver (D) U. S. Congress (18th) Paul Sutton (D) William S. Broomfield (R)

STATE OFFICE Governor G. Mennen Williams (D) Albert E. Cobo (R) Lieutenant Governor Philip A. Hart (D) Clarence A. Reid (R) Secretary of State James M. Hare (D) John E. Martin (R) Attorney General Thomas M. Kavanagh (D) Richard C. Brown (R) Treasurer Sanford A. Vandusen (R) Frank C. Padzielski (R) Attorney General Frank S. Symonowicz (D) Paul D. Bagwell (R) State Senator (12th) Fred Elias (D) L. Harvey Lodge (R) State Representative (4th) S. James Clarkson (D) Theodore F. Hughes (R)

COUNTY OFFICES Sheriff George D. Hicks (D) Frank Irons (D) Prosecuting Attorney David E. Utley (D) Frederick C. Ziem (R) County Clerk Odin H. Johnson (D) Lynn D. Allen (R) County Treasurer Robert W. Stevens (D) Charles A. Sparks (R) Register of Deeds B. J. Habel (D) Daniel T. Murry (D) Drain Commissioner Wallace E. Rice (D) Daniel W. Barry (R)

NON-PARTISAN JUDICIAL Supreme Court Justice (3) Talbot Smith (D) George Edwards (D) Michael D. O'Hara (R) John Simpson (R) Circuit Court Judge Clark J. Adams Unopposed Probate Judge Arthur E. Moore Unopposed Circuit Court Commissioners (2) Maurice E. Cole Verne C. Hampton Unopposed

The proposed constitutional amendment to Article V, Section 5, reads: "Each senator and representative shall be a citizen of the United States, at least 21 years of age, and a qualified elector of the district he represents, and his removal from the district shall be deemed a vacation of the office. No person who has been convicted of subversion, or of a felony involving a breach of the public trust shall be eligible for either house of the legislature." (Bold face words represent the change in wording.)

The deadline for applying for absentee ballots for the coming election is Saturday, November 3 at 2 o'clock at the township clerk's office.

Free Ride Novi AMVETS are offering free rides to the polls on election day. Anyone desiring transportation may call 245-4.

Novi Township Clerk Hadley Bachert has asked voters to cast their ballots early next Tuesday if possible. Bachert said late voters often must stand in line and some even become discouraged and leave without voting.

SCHOOL CONSOLIDATION APPROVED

Here's How to Vote

Because voting machines are new to many persons in the area, instructions are printed here for registering your choice by machine. Election workers will be glad to demonstrate the proper method, but many voters will feel more assured if they know what to do in advance.

There will be three parts to your machine ballot, a red, a white and a blue section. Red is for the amendments, white for party candidates and blue for non-partisan candidates. Leaders of both political parties have urged that everyone vote all three parts.

The white part of the ballot is the only section in which party preference can be registered.

First step is to turn the switch lever (upper left hand corner) to the right and leave it there. This closes the curtain and unlocks the machine.

If you want to vote a straight ticket, turn down the lever of your party at the top of the machine.

To vote a split ticket, (a party ticket except for a few changes) turn down your party lever. Turn up the lever at the right of the name of any candidate you wish to eliminate, and then turn down the lever at the right of the name of the candidate you wish to substitute.

Remember that you cannot vote for a president or one party and a vice-president of another.

To vote a mixed ticket, do not turn any party lever. Turn down the lever at the right of any candidate you wish to vote for.

The party levers do not affect the non-partisan ballots. These must be voted separately.

After you are through, check your vote again. Make sure that you have voted for all offices and questions on which you wish to vote an option. DO NOT PUSH BACK ANY LEVERS.

Now go back to the lever at the upper left of the machine. Switch it to the left. This records your vote and opens the curtain.

Good luck. See you at the polls November 6.

MICHIGAN'S OLDEST VOTER - Mrs. Adala Richardson, 101-year-old Novi township resident, checks a sample ballot as she waits to vote next Tuesday, Mrs. Richardson has missed voting only once - and then because she was ill. She will use a voting machine this year for the first time. A staunch Democrat, she nevertheless voted for Ike in 1952. She won't talk about this year, however.

Voters Give 6-1 Margin To All Three Proposals

The creation of a new school district in Novi township was overwhelmingly approved Monday when residents voted by a 6-1 margin to consolidate four present districts into one.

At the same time, voters approved proposals to assume the debts of one district and to limit school taxation for paying off the debts.

The vote: Proposal 1 (Consolidation): 404-Yes 82-No 16-Spoiled Proposal 2 (Debt assumption): 385-Yes 69-No Proposal 3 (tax limitation): 377-Yes 88-No 17-Spoiled

Novi township appeared within striking distance of its 1956 United Fund goal this week.

With one week remaining, Township Drive Chairman Wes Coon reports that \$2,685 has been collected or pledged so far. The figure is 67 percent of the township's \$4,000 goal.

Coon said he is confident Novi township will go over the top. "Proposed 2 calls for the consolidation of one district of Novi township into one district of Novi township. The new district will cover some 15 square miles in the township.

Proposal 3 calls for the consolidation of one district of Novi township into one district of Novi township. The new district will cover some 15 square miles in the township.

Proposal 3 provides that school taxes shall be raised by nine mills from 1956 to 1966 and by 11 mills from 1967 to 1974 to the debts.

Novi School Superintendent William Medlyn said the school board now must be certified by the county board of education. Approval is expected Monday.

The county board will appoint a five-member board of education to serve for 45 days, so school election in w will be held on a permanent member school board.

Medlyn said Monday's turnout was "good" and that some 50 per cent of eligible voters turned out. Voting was extremely light during the morning and afternoon, but grew stronger during the evening.

The favorable vote brings to an end many months of working toward consolidation of school districts in Novi township. Many educators have felt that the only answer to future school problems in the township would be consolidation.

Track Would Bring \$1 Million in Taxes

Backers of the proposed Novi township race track said this week that the township would realize at least \$1,000,000 in tax revenues from the track each year.

The statement was made in a report issued by Novi Raceways, Inc., the syndicate sponsoring the proposed track.

The report did not expand tax revenue estimates, although it added the state would receive some \$3,000,000 annually.

"Certainly there can be no question in the minds of civic-minded citizens as to what this amount of income will mean in terms of badly-needed sewers, schools and increased township services at no cost to citizens of Novi township," the report commented.

Meanwhile, a rezoning amendment to allow establishment of the track is being processed by county officials and soon will be before the township board.

Officials of Novi Raceways, Inc. announced this week they will explain further details of the proposed track to a public meeting in the Novi Community building November 8 at 8 p.m.

"It will be our purpose to explain fully the proposed plans so that citizens of Novi township will be able to evaluate the many benefits flowing from the track," they said.

Police Sergeant "Cops" Prize

A Northville police officer and a 13-year-old eighth grader failed to allow "usset Saturday" interfere with their grid selection. They led one of the biggest net-

tries in the weekly football contest by stumbling only twice in their choices of the week's winners. Sergeant Gil Glasson missed only the Michigan and Michigan State upsets to take first place money. Sgt. Glasson edged out Jack Nitzel of 50495 West Six Mile road by coming closer in his prediction of the professional game score.

Jack was one of the very few contestants to see a Minnesota victory over Michigan. Two contestants even forecast the Michigan State downfall, but they stumbled on other games to lose out on the prize money.

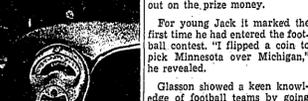

For young Jack it marked the first time he had entered the football contest. "I flipped a coin to pick Minnesota over Michigan," he revealed.

Glasson showed a keen knowledge of football teams by going right along with all favorites, including the Lions, and coming very close on his score prediction.

This week's contest, which you'll find on page 10, promises to be just as exciting. Several close games are in the offing so we've called upon Ye Olde Contest Editor to again help out our readers with his accurate predictions.

After peering into his crystal ball, here's his forecast for Saturday: cloudy and cooler (of this he's fairly certain); Purdue to coo-off Illinois; Navy to sink Notre Dame; Wisconsin to sink Michigan State and Iowa to humiliate Michigan.

SERGEANT GIL GLASSON topped all entries to win \$10 first prize in this weekly football contest. Glasson missed only the upsets of Michigan and Michigan State. Second place honors went to Jack Nitzel of 50495 West Six Mile road.

MRS. THOMAS WILLIAM DECKER

Wedding Breakfast Held At Botsford Inn

Judith Ann Carroll, daughter of Mr. and Mrs. Walter Carroll of Farmington, was married on October 27 at 11 a.m. to Thomas William Decker, also of Farmington and the son of Charles Decker.

The ceremony took place in Our Lady of Sorrows church in Farmington with the Rev. Father Decker officiating at the nuptial mass double ring ceremony.

The bride was gowned in a beautiful silk floor length gown with a chapel train, a bustle and a rounded neckline highlighted by imported lace with seed pearls and sequins.

Her fingertip veil was of French lace embroidered with silver, held in place by a tiara crown. She carried a prayer book covered with dupioni silk, two ecru and staphanotis.

Jane Parath, of Northville, was maid of honor; Joan Watts of Detroit, matron of honor, and bridesmaids were Janet Carroll, Marilyn Gregor and Mary Ellen Carroll, all of Farmington.

The attendants wore identical gowns of apricot taffeta with brown velvet panels in the back and brown cummerbund bows. Their matching hats were of brown velvet trimmed with seed pearls and a small face veil. The girls also wore pearl chokers and pearl earrings, gifts of the bride.

Newlyweds to Make Home Here

At an 8 o'clock ceremony Friday, October 26 Nancy K. Bowen, daughter of Mrs. Grace Bowen of Plymouth and Russ Bowen of Indiana, became the bride of William F. Range, son of Mr. and Mrs. Frederick Range of Plymouth in a double ring ceremony performed by Rev. Walsh in the First Presbyterian church of Plymouth.

The bride wore a ballerina-length gown of white lace with applied overskirt and bodice highlighted by a scalloped neckline. She carried a white rose corsage surrounded by staphanotis.

The matron of honor, wore a ballerina-length gown of bronze crystal and carried a bouquet of yellow mums. Bridesmaids Karen Austin and Lucretia Wendt

GETTING A LOOK at what's under the hood in the 1957 Dodge is Robert Barbour of Plymouth (right). G. E. Miller, owner of the local Dodge-Plymouth dealership, gives Barbour the story. The 1957 Plymouths were also introduced Tuesday at Miller's.

STILL TIME TO REGISTER
 There's still time to register your approval of George F. Boos for State Senator. Just mark an "X" before his name in the Republican column when you go to the polls next Tuesday.

News from Willowbrook
 will be at the Marinoffs, 24230 LeBost, Thursday, November 1 at 6:45 p.m. If you are not able to attend this first meeting please call Mrs. Marinoff, GR-4-2582, as we want to start working on our Christmas music right away. It's important to know how many voices we will have. This is an invitation to any one in this vicinity wishing to attend this church.

Clubs
 Don't forget to call in your nominations for officers in the Willowbrook Community Association to Bob McClelland, GR-4-8814; Fred Adcock, GR-4-8453 or Jim Newton, GR-4-7083. This is open to all Willowbrook residents so be sure to get your candidate up for election at our November 13 meeting.

Marguerite Parent of LeBost had the bridge club at her home Wednesday evening. Marty Ames won first prize, Margaret Bunker came in second and Dorothy Richmond won the consolation prize. Kay Reiss was a guest player. The next party will be held at Dorothy Flinter's home. Sixteen member pinocchle club meeting was held at Kay Bueks on LeBost. Clara Miller won first prize; Ella Hobbs, second; Helen Waugh, third; Audrey Wenger, fourth; Joyce Benjamin, boobie. The bridge club to which Mrs. Scholt of Malott drive belongs gave her a surprise party last Wednesday evening. The guests brought gifts for her new home. They enjoyed the evening by playing bridge. The party included Mrs. William Thompson, Mrs. John Thompson, Mrs. Jack Paul, Mrs. Earl Gabels, Mrs. Al Lam-

Re-Elect Gov. WILLIAMS and Lt. Gov. HART

They've made MICHIGAN the best-governed State of all 48 . . .

From California to New York, Texas to Maine — wherever you go, the names of Governor Williams and Lt. Governor Hart are well-known and highly-regarded. They've given Michigan a national reputation for GOOD government.

RE-ELECT these full-time Democratic leaders and they'll continue to give Michigan the leadership it needs! Put your "X" in the circle at the top of the Democratic column for a 100% Democratic Administration — in Lansing and Washington!

Step into the wonderful world of AUTODYNAMICS

A low-slung beauty with Flight-Sweep style: Swept-Wing '57 Dodge Custom Royal Lancer 2-Door.

It unleashes a hurricane of power
 It breaks through the vibration barrier
 It is swept-wing mastery of motion

SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance? How do you explain its newness when everything about it is new? On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics. What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a splurge in action!
- It times a tornado of torque with a new Torque-Fill Push-Button Drive for the greatest get-away on the road!

• It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Air—that features race car torsion-bars. You ride in a "Radium of Silence," isolated from vibration, noise and road shock.

• It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4 1/4 feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

NATIONAL CHAMPION GYMNAST Edward Gagnier will come to Northville with the University of Michigan...

U-M Tumblers to Appear

The star-studded University of Michigan gymnastics team will come to Northville next week for an exhibition of the skills that brought them the national collegiate championship last year.

Hapless Holly Wilts before Mustang Power

On the Rough Side . . .

In football, a game that thrives on bone-rattling tackles and stunning blocks, it's often difficult to tell where "hard" play ends and "dirty" play begins.

Not so Friday night, however. As Northville was rolling up its 23-0 triumph over Holly, there could be little doubt that the Mustangs were being pummeled, punched and piled on.

It wasn't that the Mustangs were "stiesles" that night. Not once during the season have they gripped about hard play.

Furthermore, the game's most serious injury — a dislocated shoulder suffered by Northville's Larry Clark — came when he was stepped on by his teammates while rushing for a fumble.

Even so, there were those constant bruises, watering eyes, and bloody mouths. And the bitter — sometimes bewildered — complaints.

But a lot of it was missed. Possibly they didn't see it. Possibly they couldn't believe their eyes.

But . . . six of Northville's were for offside and illegal motion, in which no physical contact is involved. On the other hand, all of Holly's penalties were for physical-contact violations — including three personal fouls, which usually mean slugging.

Whether Holly actually — and deliberately — played rougher than the rules allow cannot be proved. In fact, it would very likely be denied by Holly players, coaches and fans.

It's to the credit of the Northville team that they kept their tempers down and their hands to themselves. For all their anger and pain, they never lost the concept of sportsmanship that Coach Ron Schipper has instilled in them from season's beginning.

And it's equally to their credit that they could overlook the rough play and concentrate on football. Perhaps it is the Holly gridders who had done the same, they would have had a more respectable score to take home with them.

The Northville Mustangs put on a devastating show of power, Friday night as they ran roughshod over Holly, 32-0, and all but clinched the Wayne-Oakland championship.

In crushing Holly, Northville came up with its best game of the season. The Mustangs could hardly have played better football, either on offense or defense.

By way of contrast, the hapless Holly squad seemed to be playing in the wrong league. Coming to Northville in hopes of taking the league lead from the Mustangs, Holly was completely inept in every respect.

While Northville was racking up 10 first downs and 429 yards on offense, Holly could hardly move the ball. Seldom in local annals has a team been defeated so thoroughly in every department.

—a total record of six first downs, four against second-half drives and two in the fourth quarter.

—two completed passes in 10 attempts, while Northville ran 91 times.

Through the win was a team victory all the way, halfback Dick Biery and end Bill Yahne again led the Mustangs offensively.

Biery picked up 48 yards running, snared six passes for 140 yards, and went for two touchdowns in every department.

Quarterback Bud Bell had his best passing night of the season, hitting on 13 of 22 attempts for 259 yards, and halfback Dave Adams entered the scoring column with two touchdowns.

Though pushing Holly up and down the field all night, Northville could score only once in the first half — a 57-yard drive featuring short gains by Biery and fullback Gary Holman. Holman finally scored from the 1.

A 69-yard drive in the second quarter ended abruptly when Bell fumbled inside the Holly 5.

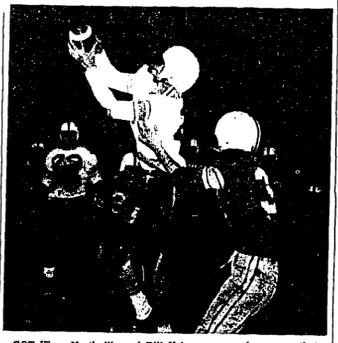

The third quarter was all Northville, as the Mustangs banged it to three successive touchdowns while Holly controlled the ball only six times and squeezed out a score.

Biery took a pass from Bell and went 57 yards for the first score. Adams plunged across from the 4 after a 54-yard drive for the second. And Bell again flipped to Biery for 25 yards and the third touchdown, after halfback Tom Andrews had set it up with a 41-yard dash.

Northville scored its fourth consecutive touchdown minutes after the fourth period opened with Adams going across from the 1. Bell again flipped for 34 yards and to Biery for 29 to move the Mustangs in position.

From then on out, Holly banged away at the Mustang second team and moved to the Northville 4 before fumbling.

The game was marred throughout by penalties, with Northville receiving 10 for 90 yards and Holly six for 83. Officials halted play several times to warn against rough play.

GOT IT — Northville end Bill Yahne goes up for a pass that brought the ball to the Holly 25-yard line. On the next play, Dick Biery took another pass for 25 yards and a score.

Scoring table showing Northville 6, 0, 20, 6-32 and Holly 0, 0, 0, 0-0.

Mitchell Paces Colts to 21-7 Victory

The Northville junior varsity chucked up its fourth win of the season last week by dumping Clarkson, 21-7, after holding their opponents scoreless until the last three minutes.

Quarterback Joe Krith, whose passing has sparked the Colts' attack, was held to "only" one touchdown throw — a loss to Larry Nitzel.

Fred Mitchell was the big gun for Northville, hitting pay dirt twice for the Colts. Krith kicked all three conversions.

St. Paul's Church Plans Observance Of National Event from the PASTOR'S STUDY

Members of St. Paul's Lutheran church of Northville, and the Rev. B. J. Pankow, pastor, will participate in a unique "Preaching, Teaching, Reaching" program of Christian evangelism during the week of November 11th to 15th.

Integrated into a national program of this year's "Venture of Faith" of the Lutheran church's Missouri Synod, the local effort is being sponsored by more than 60 Lutheran parishes in greater Detroit.

Highlight of the entire effort will be the "Preaching" part of the program in connection with a schedule of informal worship services to be held in the individual churches each evening from Sunday through Thursday. At St. Paul's Lutheran church services will begin at 8 p.m. and a series of informative and inspirational addresses will be given by the Rev. Martin Fremi, guest missionary from Joliet, Ill.

The area-wide effort will get underway with a mass Rally Service in the new Henry Ford Auditorium Sunday, November 11th at 3 p.m.

The "Teaching" emphasis will consist of a daily school for pastors each morning in designated churches and a training period for laymen and women at the participating churches each evening preceding the service. At St. Paul's church these sessions will begin with a fellowship supper at 6 p.m.

A neighborhood canvass, followed by special invitation calls on the unchurched and interested prospects in the community is the immediate aim of the "Reaching" part of this "Crusade for Faith" in the individual classes on the teaching and practice of the Lutheran church will be held following the week's effort.

But what shall we say of those who, when they feel no burden of sin? The answer is contained in the following story. While an Indiana evangelist was preaching on a certain occasion, a flippant youth interrupted him: "You tell me about the burden of sin. I feel none. How heavy is it?" The preacher answered: "Tell me, if you laid a 500 pound weight on a corpse, would it feel the load?" The youth replied: "No, because it's dead." The preacher said: "And that spirit, sir, is dead which feels no load of sin."

Men and Women In Uniform

PFC. NELSON E. STRATTON
Pfc. Nelson E. Stratton, son of Mr. and Mrs. Clarence A. Stratton, 1945 Gerald street, Northville, participated in Japan's largest 1956 Marine air-ground maneuvers during the last week in September.

The maneuvers, designated TRAEX-56, were designed to test the latest methods of ground and air coordination between the Marine infantry and Marine aviation units.

You Voted for PEACE ... AND GOT IT!

Now Your Vote Is Needed To Protect It!

President Eisenhower brought us peace. Ike brought us prosperity, too, without having American boys dying on foreign soil to pay for it! You can put your trust in President Eisenhower.

But, can you trust the future of your children, your home, your job, your country to the Democratic Party that is advocating weakening of our defense? Can you? You be the judge on November 6th at the polls!

Every man and woman in Michigan should read this editorial from the Detroit Free Press (October 23) before voting:

Back Ike with MICHIGAN'S BEST

Be Sure! VOTE STRAIGHT REPUBLICAN

REPUBLICAN STATE CENTRAL COMMITTEE

Excerpt from editorial in The Detroit Free Press, Oct. 23, 1956.

"By injecting his own ideas and preferences, Premier Bulganin (of Russia) took sides in the campaign. He currently endorses Adlai Stevenson's position on the defense of this Country that it has no opinion that he did."

"The President's reply to Bulganin was equally well-deserved rebuke to Mr. Stevenson."

"The latter invited Russian interest by raising in the heat of a political campaign, an issue which is so closely related to proper place in politics."

"Bulganin took advantage of the opening which Mr. Stevenson provided him; it was had offered his advice to the Democratic aspirant about any other phase of United States defense policy, including the size of the Air Force."

"It can hardly be thought that Bulganin's preferences in regard to H-bomb tests would not conform to Russia's interest."

"What Bulganin said in his letter, in effect, was that he would prefer to do business with Mr. Stevenson on the H-bomb issue, rather than with President Eisenhower."

"The implication of this should not be lost on the American voter. Twice before, at Yalta and Potsdam the Russians dealt on matters which shaped the course of history to the Red's advantage. They have not done so well with the Eisenhower Administration. It is understandable that the Kremlin would be happier dealing again with Democrats in charge of our foreign policy."

Extra Room Can Be Inexpensive

Would you like to add an attractive extra room to your present living space without spending a barrel of money? Then you'll be wise to check carefully into the various Add-a-Room possibilities that are open to you.

Whether you're interested in adding a new bedroom, rumpus room, combination den-guest room, or something else, chances are you can find some space that's already under roof which you can use for the project.

These under-roof areas, at any rate, are the first you should consider, since it's generally much more economical to utilize such an area than build an entire new addition.

The cost of a particular Add-a-Room project depends on many factors such as the exact size of the new room, the building materials used, the nature of any plumbing and heating installations, etc., which may be necessary.

It is often possible to create an additional room in a basement or attic on a \$400 budget, or to convert a garage or enclosure to a bedroom or bathroom.

To secure expert advice and guidance, consult with your lumber or building materials dealer. Your contractor can build the entire room or just the shell of the addition, installing wiring and heating, and let you finish the job yourself.

Available today are many varieties of gypsum wallboard, pre-fabricated floor sections, packaged windows and doors which you can apply or install yourself.

Almost always, a well-designed room adds far more to the value of a home than it costs. Home improvement loans for this purpose are easy to obtain from your bank or other lending institution.

Northville Sends 4 to U-M For Student Council Meet

Four Northville high school representatives joined with 1,200 other students and faculty advisors from lower Michigan Tuesday at the 12th annual Michigan Conference of Student Councils at the University of Michigan.

Attending from NHS were Assistant Principal Fred Stefanski, Student Council President Janice Howarth, Jim Hammond and Judy Junod.

Sponsored by the University of Michigan Bureau of School Services, this year's conference was on the theme, "Leaders Today and Tomorrow." Student government leaders from the U-M participated extensively in the program for the first time.

Headquarters in the Rackham Building, the conference opened with an address by Marie Roney, professor of education at Wayne State University.

Following the general assembly, students participated in 12 discussion groups on different phases of student council activity, while faculty advisors met separately.

Following luncheon at the Michigan League Ballroom, the faculty advisors met again in the Rackham Amphitheatre.

Class Helps Change to NHS

In past years, many students have entered high school in a state of bewilderment — not knowing what subjects to take, how to act, or how to dress.

This year Northville has tried to remedy this situation by offering a high school planning class to eighth graders.

The class lasts for 10 weeks during which time one week is spent in library training. Various aptitude tests are also given to help the student decide on what subjects to take in high school.

The class is led by Frederick Stefanski, assistant principal. It is primarily a discussion class with no text books used. Students discuss common problems

such as dating, clothing and conduct.

Students learn that their classmates share the same problems they do. Mr. Stefanski has a tentative list of questions, but generally the topics of discussion rise from within in the class itself.

The class last for 10 weeks during which time one week is spent in library training. Various aptitude tests are also given to help the student decide on what subjects to take in high school.

The students have responded very favorably to this class. It gives them the opportunity to air their troubles among those who have experienced them also. They are helped to look into these problems sensibly, to discover an acceptable solution, rather than procrastinate.

This is the first year of the high school planning class, but they hope to continue it in the years to come, since it has had such promising results.

Library Prepares For "Book Week"

The NHS library is working to get ready for "Book Week" during the second week of November.

A shipment of new books arrived and will be available to the students. The librarian, Miss Lona B. Palmer, and her library staff are getting ready for this.

Miss Palmer and the staff have also devised a system for taking magazines out of the library. Students will sign magazines out on a special slip designed for the purpose. Magazines are allowed out for two days only and after 8:30 a.m. there will be a charge of five cents an hour. With this aid, more magazines will be in on time and there will be more for everyone to read.

Senior Dramatists Get First-Hand Tips On English Accents

The seniors have been receiving outside help in the preparation of their class play, "The Barretts of Wimpole Street."

Miss Pamotini, director, asked Mrs. Cliff Hill to coach the cast on imitating an authentic English accent.

Mrs. Hill began appearing at rehearsals two weeks ago in order to teach the cast members individually. She feels that everyone is coming along very nicely with the "imitation" accent.

Mrs. Hill was born and raised in Margate, in Kent, England. When asked if she remembered any special thing about her younger days in England, she replied that the young people enjoyed "learning around" on horseback tremendously. She also remembers her experiences as a Girl Guide, which is similar to the Girl Scouts.

Mrs. Hill first arrived in the U.S. in 1948 and has remained here ever since, although she did visit her native land for a two-week period in April, 1955.

PTA Hears Views Of Student Panel

The PTA meeting last Thursday was one that was as different as it was interesting.

A special panel of teenagers was invited to act as representatives for the high school students. Panel members gave their views and opinions on any questions that were asked.

The reason for such a panel? The PTA feels that the citizens of Northville should show still more interest in activities of Northville youth. They feel something must be done about the situation.

Dr. Robert Yoder directed the panel which consisted of Janice Howarth, David Dahl, Dennis Fallon, Clair St. John and Sharon Louton. Also on the panel were Recreation Director Stan Johnston and Mrs. Pat Junod.

What has the PTA done so far about their problem? They sponsored a dance on October 20 and are planning more Saturday evening activities.

These activities are open to grades 9-12. Alumni, too, are invited providing they are accompanied by a present student.

Pep Club to Fete Orange and Black

Plans for an "Orange and Black Day" this Friday were made by the NHS Pep club after school last Thursday. A committee was chosen to paint a slogan sign for the Brighton game.

A second committee was selected to make bows of orange and black, which will be sold in school on Friday. A pep assembly Friday and bonfire next week were also discussed.

The idea will be a big success since nothing like it has ever been attempted before at Northville high school.

Student Directory On Sale at N.H.S.

The much publicized Student Directories went on sale for the first time last Thursday.

The directories are orange and black booklets which contain the names and phone number of every student and teacher in NHS, plus a calendar of important dates and events. Also, there are several pages for personal notations.

A shipment of new books arrived and will be available to the students. The librarian, Miss Lona B. Palmer, and her library staff are getting ready for this.

Miss Palmer and the staff have also devised a system for taking magazines out of the library. Students will sign magazines out on a special slip designed for the purpose. Magazines are allowed out for two days only and after 8:30 a.m. there will be a charge of five cents an hour. HOBBY HORSES — Jayne Hammond, a sophomore at NHS, finds that collecting miniature horses can be educational as well as fun.

Finds Miniature Horses Make an Interesting Hobby

Have you ever had a hobby? This is a question that Northville high school reporters will be asking fellow students believing that every person young and old should have some type of hobby.

Jayne Hammond of 549 Grace street, agrees wholeheartedly. She is 15 years old and a sophomore at NHS.

Her hobby may be a surprise to some. It seems that Jayne is a lover of horses. And since horses are quite expensive, she decided to collect miniature horse statues.

She now has a collection of 16 from all over the country. She had a few more but they were accidentally broken.

Her collection started when she was eight, and she has let her hobby rest a little lately, but she claims it is a temporary rest. Jayne says that a hobby can be fun and still be very educational.

She said it's even possible to know a good horse when she sees one after having such poor miniature models.

Northville Sings Praises of Mustangs -- New W-O Champs

Doctors Thanked

Northville Coach Ron Schipper this week expressed his thanks to three local doctors who have attended Northville games regularly this season to look after injured Mustang players.

"The services of Dr. O. J. Robinson, Dr. R. M. Atchison and Dr. L. D. Snow have been appreciated by all of us — players, coaches, and especially parents," he said.

"It's reassuring to know that if Northville players are injured — such as 'Cap' Peterson and Larry Clark — the doctors are there to give them medical care and calm their worry," Schipper said.

"It has given confidence to the players, taken a burden off the coaches and been a great relief to parents," he added.

Blitzkrieg Ground Attack Dumps Brighton, 25-7

A roaring ovation filled the crisp autumn air at Ford Field Friday night as Northville hailed its marvelous Mustangs — the newly-crowned champions of the Wayne-Oakland League.

Down on the field, Mustang helmets flew into the air and Conches Ron Schipper and Dutch Vaningen inhaled their way through the gridiron, quietly accepting congratulations at each step.

With still one game remaining, the Mustangs had wrapped up the championship of the cut-throat Wayne-Oakland league with a blitzkrieg ground attack that humiliated Brighton 25-7.

The Mustangs won the contest in what has come to be an almost typical manner — a calm, methodical, grind-it-out game suddenly broken open with lightning thrusts toward the goal.

As has been their habit recently, the Mustangs relied heavily on the spectacular running of halfback Dick Biery and the staunch defensive work of their massive line.

Only once did Northville let up — during a third-quarter Brighton drive for 76 yards that gave the visitors their only score. Other than that, Northville scored almost at will and played near-flawless football in between touchdowns.

With Biery and fullback Gary Holman leading the attack, the Mustangs moved for 354 yards on the ground. Their sparsely-used aerial attack brought another 40, for a total yardage of 434.

Brighton, on the other hand, was held to 169 yards in the one-sided affair.

Biery again was the game's individual star. His record for the night —

—one touchdown on a 25-yard pass from Bell.

—159 yards rushing in 14 carries, for an 11-yard average.

—60 yards on three pass receptions.

—a 72-yard dash that set up a Northville touchdown.

—and a 28-yard pass play that came one step from another score.

Northville jumped off to a quick lead, but only after a Brighton back had streaked 57 yards to the Mustang 17. Northville held, and took over on a fumble.

From then on, Northville banged out three quick touchdowns.

With Biery and Holman driving hard, the Mustangs roared 75 yards for the first marker. Bell pushed over on a quarterback sneak, with the entire Mustang line surging across the goal ahead of him.

Three minutes later, Biery took a handoff and streaked 72 yards to the Brighton 8. Dave Adams moved into the end zone on the next play.

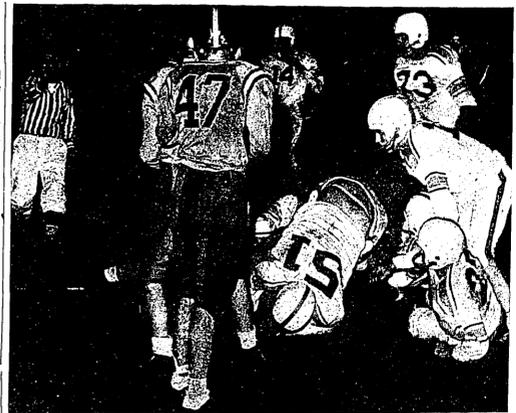

Before Brighton could catch its breath, Northville intercepted a pass on the Brighton 29. Bell passed to Biery for 25 yards, and on the next play handed off to Biery for the score.

The hungry Mustangs nearly scored again before the half was up. Biery took a pass from Bell and moved 28 yards before being dropped by a shoestring tackle on the Brighton 16. The half ended three plays later.

Brighton seemed to have recovered from the shock when it took the field in the second half. Slipping into the end zone, halfback Dave Lavan took a 15-yard pass to cap a 76-yard drive and give Brighton its only score.

Early in the third quarter, after showing its only spunk of the game, Brighton fired a fumble on its own 27 gave Northville the ball again, and in four plays Bell once more crashed across behind the big Mustang line.

That was the end of the scoring, though Northville put on two more drives of 34 yards each. One fizzled to a half deep in Brighton territory, and the other was cut short by the final whistle.

WHOA BACK — Typical of the Northville defensive work that held Brighton to 169 yards Friday night was this pile-up. Center Bob Wegenschutz (51) is on top of the heap, making sure that Brighton goes nowhere.

SHOOTING A DEER with a bow and arrow is getting to be old stuff to Alfred C. Parmenter of 727 Thayer boulevard. Parmenter shown above with his kill, downed the 110-pound dog last week while hunting at the ledge of Nelson Schradler, east of Geyford. Parmenter shot the dog from 85 yards away. Three years ago he shot a buck with bow and arrow. Parmenter was hunting with his wife and Mr. and Mrs. Schradler, also of Northville.

Only W-O Battle Left Now Is Over Runner-Up Spot

West Bloomfield will battle Friday night against champion Northville in a game that will see the Keego Harbor school end its season either in second place or a tie for fourth.

Northville and West Bloomfield are the only two teams to have games left on their league schedule. All other Wayne-Oakland teams play non-conference games.

If Northville wins, the league will have the unusual situation of all teams but the champion being leaders at last week's playoffs, the other for 85 yards, the other for 80. Bob Bryant scored the third tally on a 74-yard jaunt.

David Hay converted twice for Coach Jim Madigan's charges.

Wayfaring Pointer Back in Northville

A wandering bird dog recently was returned to its Northville home after some lengthy and puzzling travels.

The dog, a pointer owned by Russell Sears, 407 Yerkess, was found running loose at Gratiot-Saginaw state game area by three hunters from Otis. The hunters notified two Conservation Department game men who picked up the dog and transported it to Rose Lake wildlife experiment station near East Lansing. There, game workers fed and cared for the frightened animal while they tried to locate the owner through the Northville license the dog was wearing.

When notified of the dog's whereabouts, Sears gratefully claimed him at Rose Lake and told how the dog had been lost three weeks earlier during the opening day of the grouse season near St. Helena—more than 75 miles north of the Gratiot-Saginaw area where it was recovered.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous **ALCAN Highway** to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Proved on the Alcan Highway **Champs of every weight class!**

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

PRESENTING THE *Surprise Package of '57!*

THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of testing, the '57 Pontiac goes on display tomorrow! Even a brief once-over of Pontiac's sleek new styling tells you that you're in at the start of a revolution. Those taut, wind-tunnel lines literally point the way for the others to follow.

And there's plenty for them to follow—a carload of engineering "firsts!"—all polished to watch-work perfection in the toughest test ever given a new car.

A prototype of this '57 Pontiac pounded the road through 100,000 miles of tests... over country lanes, city streets and superhighways.

Through it all Pontiac engineers refined and perfected every facet and feature. They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eight in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic* to give you the smoothest riding, easiest handling—and safest—new car ever to hit the road!

Try it... sample in a single mile all that's been proved by 100,000 miles of testing.

AND THE FIRST CAR AT ANY PRICE WITH...

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

NEW INTERIOR STYLING—the "Off-the-Shoulder" Look—a fashion "first" for '57—perfectly color-matched with the exterior of your choice.

NEW STRATO-STREAK V-8—270 h.p. in the Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation of the year—a new suspension system based on a big 124- or 122-inch wheelbase.

3 POPULAR-PRICED SERIES—Star Chief • Super Chief • Chieftain.

Church To Observe Education Week

The First Methodist church will be host to members of the school system Sunday evening, November 11 at 7 p.m.

The event is sponsored each year alternately with the First Presbyterian church as the religious emphasis of National Education Week.

Speakers for the occasion will be the president of Adrian college, Dr. John H. Dawson, who will speak on the subject "The Teacher and The Community." Paul Beard, chairman of the Official Board of the host church, will give the welcome with Russell Amerman, superintendent of schools, responding.

After the service in the Sanctuary, there will be a tea in Fellowship Hall.

A POST-ELECTION PRAYER
"The shouting and the tumult have died"... the peoples of a great Nation have spoken their will... they have declared their leader! The time is now therefore for all people within the scope of this electorate to join heart and voice in supplication toward God our Father that He may continue to find within us cause for His Continued Blessings. To that end therefore let us join with the Psalmist of old in these thoughts for Divine guidance:

"Blessed is the man that walketh not in the counsel of the ungodly; Nor standeth in the way of sinners. Nor sitteth in the seat of the scornful. But his delight is in the Law of the Lord And in his law doth he meditate, Day and Night..." Psalm 1

Artists Portray Northville in Paint

Northville will be put on canvas during the next few months. A series of paintings — showing both the city's growth and its old historic sights — will be done by members of the Three Cities Art club in preparation for its spring exhibit.

A similar series of paintings will show scenes of Plymouth and Livonia.

The club is composed of enthusiastic amateur and professional artists who live in the three communities. Mrs. Hilda Sands of Northville, a well-known artist both locally and in Detroit, is president of the group.

Joliet Pastor to Address St. Paul Misson Services

The Rev. Martin L. Frenk of Joliet, Illinois, has been assigned as the guest missionary for the special Preaching-Teaching-Reaching Mission which will be observed by St. Paul's Evangelical Lutheran Church of Northville during the week beginning this Sunday.

About 50 other Lutheran churches of greater Detroit are participating in the same effort.

In addition to the Sunday morning service, services will be held nightly, Sunday through Thursday at 8 p.m.

The interested public is cordially invited to attend the services. Rev. Frenk will be in the Sanctuary at 10 a.m. on Sunday, Monday night, Tuesday, Wednesday for the youth, and Thursday for the children.

The Northville church will also celebrate the 60th anniversary of its founding in connection with these services.

The topic of Rev. Frenk's sermon in the 10 a.m. service Sunday morning will be: "What Jesus Means to Me". Sermon themes for the evening services will be as follows: Sunday night, 8 p.m., "What Prayer Means to Me"; Monday night, 8 p.m., "What the Bible Means to Me"; Tuesday, 8 p.m., "What the Church Means to Me"; Wednesday, 8 p.m., "What Holy Communion Means to Me"; Thursday night, 8 p.m., "What My Baptism Means to Me".

The pastor of the church, the Rev. B. J. Pankov, will serve as liturgist in all of the services.

Rev. Frenk is co-pastor, together with his father, of St. Peter's Lutheran church of Joliet, Illinois. He was graduated from Concordia Seminary, St. Louis, Missouri in 1947. While a student there he served as organist at several Lutheran churches, was a member of the library staff of the seminary, sang with both the St. Louis Lutheran Hour A Cappella Choir and the Seminary Choir, and played a 15-minute organ program every day over Station KFUP located on the campus.

What Northville Girl Scouts Are Doing

BROWNIE TROOP 3
Thursday, October 18 was a beautiful autumn day to hike to Parmenter's Cider Mill for cider and doughnuts, a treat of Mrs. Hall's. On returning to the Presbyterian church for tea, Mrs. Hall announced that she and Mrs. Crump would plan a "surprise meeting" for next week.

GIRL SCOUT TROOP 6
Members of Troop 6 invited their mothers to their investiture Wednesday, October 17. Refreshments of tea, coffee, milk and cookies and candy were served. The meeting was closed with a circle.

GIRL SCOUT TROOP 12
At their last meeting, Troop 12 went on a hike and picked wild flowers. At their next meeting the girls will have a guest who will show them how to make bouquets of them. The meeting will be at Mrs. Langtry's home.

GIRL SCOUT TROOP 17
Further plans for attending Girl Scout camp were made at the last meeting of Troop 17. Each patrol decided when it would be called and that sashes would be worn.

GIRL SCOUT TROOP 19
Troop 19 met Wednesday and made plans for a Halloween party. Patsy Riley brought the nibble box. Later they did some square dancing and closed the meeting with the Friendship circle.

Parishioners Meet To Approve Budget

Parishioners of the First Presbyterian church were called to the annual corporate meeting of the church last night, presided over by Rev. John Taxis.

Members were called upon to approve a current expense budget of \$29,734, prepared by the finance committee, and a benevolent budget prepared by Treasurer Ray Van Valkenburgh.

The benevolent works of the church include chaplaincies at Maybury Sanatorium and the Northville State hospital, community houses in Detroit, a Presbytery in Iran, support of Alms college and a Presbyterian home for the aged.

Following approval, the stewardship campaign will begin under an executive committee of deacons, composed of William Davis, chairman; Fred Havis and John Begie.

Also to be considered last night were a unified budget proposal, a recommendation of the board of trustees and the report of the nominating committee. Mrs. Alice Eaton, chairman, Rev. John Taxis presided at the meeting.

NEW APPLICATIONS For Academies Now Being Taken

Young men may now apply for appointments to three of the four U.S. service academies. Congressman Mark W. Griffiths of the 17th district announced this week.

Appointments to the Naval Academy, the Air Force Academy and to the Merchant Marine Academy are available to qualified young men of the 17th district, Mrs. Griffiths said.

There are no vacancies for the 17th district this year for West Point. Young men should be between the ages of 17 and 21, single, an American citizen, and a high school graduate.

"This is a wonderful opportunity for qualified young men in our district to obtain an outstanding education and to serve their country. Our service schools are among the finest in the world."

Under a new law nominations for the Merchant Marine Academy are being made by members of Congress this year for the first time, Mrs. Griffiths said.

Interested young men may apply to Mrs. Griffiths at her district office, 16849 Grand River, Detroit 27. The telephone number is B3woodway 3-3151.

New kind of Ford makes record run of decisive importance to '57 car buyers!

A new 1957 Ford traveled 50,000 miles at an average speed of better than 108 mph... including all pit stops... to smash 458 National and International records in a single test! Never before has any car been so severely tested... so successfully proved!

Just recently—on the Bonneville Salt Flats in Utah, two new '57 Fords completed the most exhaustive endurance test in history—under supervision of the United States Auto Club and the Federation Internationale de Automobile. They were Ford-prepared pre-production models, exact duplicates of models which your Ford Dealer now has for sale.

These Fords completed the 60,000 mile run in less than 20 days. One averaged 108.16 mph for the entire run... the other over 107 mph. These averages include time for all pit stops.

The test shows without qualification what Ford's new Thunderbolt V-8 engines* will do. But this was no mere demonstration of speed! It was a convincing demonstration of the superior quality of the whole Ford car.

It shows the superior endurance of Ford's running gear, brakes, body materials, steering—every part of the car. For without such built-in stamina, Ford could never possibly survive such torturous treatment.

Such a test can't help but make the decision easier for people who prize truly outstanding performance and durability in a new automobile... and who want the fullest possible value from their new-car dollars.

*Available in a wide range of horsepower to meet every need. Includes a special 200-hp performance Thunderbolt V-8 super V-8 engine delivering up to 285 hp.

Council Officers Visit U-M

High school student council officers from many cities and towns in Michigan met at the University of Michigan in Ann Arbor October 30 for a National Student Council Day.

Northville high delegates to this meeting were Janice Howarth, mayor of the Student Council, Judy Junod, secretary, and Jim Hammond, treasurer.

The students met in the impressive Rackham Lecture Hall where they heard a lecture on general student council business.

After the lecture everyone disbanded and formed smaller discussion groups in order to talk over new ideas and old ones to a student council's proper functioning.

"They 'hashed over' such problems as school morale, how to launch a new student council in a school which does not have

one, how to finance a student council, what projects a council should sponsor for raising funds and other purposes, and how to use back in their own schools.

SHADY CHARACTERS — Costumes were the order of the night at the Northville high school Halloween dance last Wednesday, as students dressed to resemble everything from a grizzled hobo to Mickey Mouse.

Halloween Was Surprise To Exchange Student

(The following account of Halloween was written by Hedi Triltsch, an exchange student from Austria who is living with Mr. and Mrs. Al Jones.)

Halloween was a holiday about which I hadn't heard in Austria.

I was very anxious to see what this holiday was going to be like, since already, weeks ago, my "sisters" and "brothers" talked about it and tried to explain.

My brother asked every day: "When is Halloween?" and the day before we could tell him: "Tomorrow, Oh, boy!" was his answer. He tried his costume on, which made him look like a red little devil, but a real cute one.

The night before, we cut a face in a pumpkin and put it on the windowsill with a lighted candle inside it. Other houses had skeletons looking out of their window and all kinds of decorations.

Halloween, the big day for every one had come at last and the whole afternoon and evening our doorbell rang. Children were dressed up like ghosts and witches. These little fairy-tale characters came and begged for candy. My brother went, of course, too, and brought home a bag full of sweets.

When I went to town, I saw lots of windows smeared full of soap. One was smeared so bad we couldn't even see through it. Windows of all the houses were dirty. This, I was told, is a custom! Poor mothers. What a cleaning they must have to do!

This holiday was soon over. I don't know if I'll ever be able to celebrate it again—I mean here in America. I liked Halloween especially like.

Fourteen Students Attend U-M Debate Conference

Assembly Features 2 Speakers, Film

Fourteen students from Northville high school accepted the invitation of the University of Michigan to its annual High School Debate and Theater assembly in the Lydia Mendelssohn theater last Saturday.

The morning session was devoted to debate and consisted of a discussion of high school debate questions by authorities on the subject. This was followed by a demonstration debate by members of the University of Michigan debate team.

In the afternoon, University of Michigan theater students presented the 19th century melodrama, "Under the Gaslight," by a play suitable for high school production.

Plans for the senior trip next week were discussed and decided upon at the senior class meeting last week.

The seniors had a choice of either the Washington White-house tour or the Washington Skyline tour. The seniors voted for the Washington Skyline tour.

The officers — Judy Junod, president; Wanda White, vice-president; Janice Kimball, secretary; and B. G. Wilson, treasurer — are leading the club in the framing of a new constitution. This is being done under the supervision of the club's sponsor, Miss Kathryn Gilmer.

The club is also giving a dance December 21 and all are invited to attend.

Many Surprises Are Being Planned In New Palladium

Mrs. Patricia Elias, new speech correctionist, is working with about 130 students in four different schools including the high school.

Some of the various speech defects Mrs. Elias runs across are stuttering, lisp, articulation, hearing problems and voice and breathing defects. When asked how some of these defects are overcome Mrs. Elias replied that no two people can be cured of a defect in one prescribed manner.

Beware of the man who talks about what he did instead of what he's doing.

Challenge of Schools

To residents of Northville and Novi who take their school matters very seriously it should be of more than passing interest that next week is American Education Week.

Seven days from November 11 to 17 have been set aside to salute our nation's schools, administrators, teachers, students and parents associated with them.

The manner in which school problems of our area has been met by administrators of both Northville and Novi indicates that they do not mean to be caught with "too little and too late" when it comes to providing proper educational facilities for our children.

In Northville the zeal with which administrators, teachers and parent-groups have tackled local school problems would seem to leave little doubt that their future plans will receive enthusiastic approval.

In Novi alert administrators have taken the initiative by proposing—and gaining—consolidation of a new school district. They point out that this will save the way to proper planning of adequate educational facilities for Novi's rapidly expanding populace.

In the light of these activities it would seem that during American Education Week we might pause long enough to say "well done." But less anyone of us should feel ourselves become complacent with the ever-growing need for more and better education, we'll add "keep up the good work."

Four NHS Alumni Attending Ferris

Four Northville high school alumni are now attending Ferris Institute at Big Rapids. In attendance are James Clark, George Miller, Florence Rank and Norman Somers.

Trains were delayed on one of the big railroads recently when beavers felled a tree across the track.

Huge Vote in Novi Gives Nod to GOP

Record-shattering numbers of voters went to the polls in Novi township Tuesday and gave Republican candidates a victory in every contest on the ballot.

Some 87 per cent—2,177 of 2,507—of the township's registered voters cast their ballots. It was thought to be far and away the biggest turnout in township history.

Novi township picked winners in the national and Oakland county elections, but missed completely in state contests as Democratic candidates captured every office in Lansing.

President Eisenhower and Vice President Nixon led the way for Republicans in Novi township with a 2-1 margin over the Democratic team of Stevenson and Kefauver. The vote was 1,384 to 783.

Other races were closer, but Republicans came through with almost a 2-3 margin in every contest. Governor George Romney and his running mate Alf Bonior put up the best show for the Democrats, but was edged by Albert Cobo, 1,134 to 1,102.

Democrats had only one claim of triumph in the township—precinct 2. But returns from precinct 1 erased that lead and gave the township nod to Cobo.

In state-wide voting, Democrats swept every office from the governorship to the attorney general spot.

In Oakland county, by contrast, voters returned every Republican candidate to office. Only one Democrat on the entire ballot gained the favor of Oakland county voters—again Governor Williams.

In state and national legislative races, both Novi township and Oakland county favored Republican candidates. In the contest for U.S. representative from the 18th district, William Broomfield out-drew Paul Sutton, 1,884 to 1,071.

In the race for state representative from the 4th district, Theodore F. Hughes, 1,858 to 1,076. In the race for state representative from the 12th district, James Clarkson, 30,593 to 25,523.

Novi township voters favored the constitutional amendment 986 to 88, to go along with the state-wide vote. It was the state-wide vote that Michigan legislators must be at least 21 and not have been convicted of subversion or
