Bonus Checks Await Korean Vets

MISSING — 23,000 Michigan Veterans' that's the number who have yet to apply for their state bonus.

May Gen. George C. Moran, state adjutant general, says that the time is now growing short. According to the terms of the act, formal application must be in the mails before midnight of March 6, 1957.

Except for stragglers, most of the Michigan bonus money is paid. General Moran states that payments now total more than \$56 million to some 204,170 veterans. There were 3,948 claims rejected and 1,649 are still being processed.

When the state bonus act first took effect, 14 Army officers and 177 civil service employees were needed to handle the avalanche of claims. Now only one officer and 14 civilian employees remain on the staff.

About 35 to 50 claims are received weekly. At this rate only some 700 will be received by the March 6 deadline. The question remains: where are the 23,000 other eligible veterans?

"CHRISTMAS TREE Boulevard in the stretch of US Highway 27 in Oshtemo County, is once again open for a one month season that will provide an ultimate \$3 million crop and happiness in thousands of homes throughout the state.

Ordinarily a normal part of the state highway system, Christmas Tree Boulevard gets its name from the many trucker's depots that once each year set up shop, stocking the sweet-smelling greenery that means Christmas throughout southern Michigan and parts of Ohio and Indiana.

1,300,000 trees make up the 1956 crop. By December 14 most will be in city lots or already reaching homes for decoration.

While the selling season is short — approximately one month — it is the result of long years of hard work in a risky business. A frosty blizzard may bring around \$1.75 at depots, but first must survive eight years of weather, insects and fire.

That \$1.75 isn't all profit either. Such expenses as taxes, spraying, cutting and fire insurance must be deducted first. And there is no accurate guide to anticipate the market advance.

Some years, supply can't begin to meet the demand. Other years the market may be glutted with trees.

The Yuletide tradition that makes the Christmas tree an important part of every home, also makes a valuable annual crop for Michigan.

"THE 'BOILER ROOM' salesmen are busy again in Michigan. Latest story comes from Grand Rapids where they sold more than 100,000 booklets supposedly "don't" know you're being sold.

Now the complaints are rolling in to the city's Better Business Bureau.

A boiler room salesman gets his name from the operation he carries on — usually from a temporary office using a telephone to make all contacts. In the trade they're called "phonemen."

Operating just within the law, the professional phonemen finds civic organizations, businessmen and the general public easy pick-

ing. The Yuletide tradition that makes the Christmas tree an important part of every home, also makes a valuable annual crop for Michigan.

Ice Rink Ready For Skating

By Mrs. Louis Chismak Phone GR-42604

The skating rink at the corner of Meadowbrook and West Ten Mile road has been flooded and is ready for skating.

Bob McKoon, Jim Newton, Bob Anderson, the Chismaks, the Morrisons and the Arlo family set off this past Sunday afternoon to select and bring back Christmas trees for Willowbrook. Mr. Johns and family procured the tree for the Community church. Help was given by Harold Miller and his family.

Shirley Richards of East LeBoist drive has been home from school for a few days this past week finding it unregretted, turned it over to the state police commission.

William Green was fined \$25, placed on one year probation and given a suspended 90-day sentence.

According to police chief Leo BeGole, Green had flashed a .38 caliber revolver when a Walled Lake grocery store clerk refused to sell beer to him. BeGole said Green was drunk at the time.

BeGole and patrolman Vern Loeffler traced Green to a cabin, the police chief said, and arrested him after a brief skirmish. BeGole says Green had his hand on the gun when they entered. It was later discovered the weapon was unloaded.

Green was turned over to Oakland county sheriff's deputies and detained until his trial in Novi township Monday.

Patrolman D'Arcy Young investigated the weapon and after a few days a four-year-old son of the present high school building and a future building site.

All 10 Board Candidates Have School Experience

One Year Term

GEORGE MAIRS

A former teacher, Mairs holds a bachelor degree in education from Michigan State Normal college (Eastern Michigan college). He has taught for five years in Novi township, Washetaw and Oakland counties.

He is 44 and the father of four girls, 18, 15, 11 and 9, and a son, 9. His family live at 43032 Grand River.

A life-long resident of Novi, Mairs is a past master of P&AM 188 and is a member of the Novi Oddfellows.

"Novi township is in for a great deal of growth in the future," Mairs said, "and school problems will become increasingly important. A prime consideration will be a new high school, as soon as it is financially feasible for the community."

Two Year Term

ARTHUR J. HESLIP

Former president of the Duffee district school board, Heslip serves as trustee of the Novi interm school board.

He and his wife have eight children, 12 and a daughter, 10. They have lived in Novi since 1942 and now reside at 42821 Grand River.

He is a member of the Mother's club, serving as president for four years, and has worked with

and served as superintendent in Novi since 1942 and now reside at 42880 Nine Mile road.

Heslip, 48, is self-employed as a farmer and is a member of the Farm Bureau.

He studied accounting at the University of Detroit for two years.

"I believe I have the experience necessary to cope with school problems in Novi," said Heslip for my work his included 11 years in which the school grew from four rooms to 19."

James D. Mitchell

President of the interm school board, Mitchell also was a Novi 8 school board for 11 years, serving as secretary and president. He taught for two years

of the Novi Girl Scouts. She is a member of the Novi Methodist church.

"My three years of school board experience and our two children and three grandchildren should indicate that I have a very active interest in school matters," said Mrs. Larson.

WILLIAM H. MACDERMID

A former member of the Novi 8 school board, MacDermid served as a trustee and treasurer for two terms.

MacDermid, 39, and his wife have two boys, 2 and 6, and a girl, 9. They have lived in Novi for 30 years and now reside at 44560 Sixteen.

A truck driver, MacDermid is a member of the AMVETS, is a Novi justice of the peace, and is a volunteer fireman.

He had two years of college training in the army, studying communications.

"I saw the first building program go through, and know what the problems are," said MacDermid. "In addition, my wife is my own, and I can give many hours to school board work."

Drainage Problem Is Settled - at Last

From the looks of things, D. M. Parkinson has won his battle to get something done about a drainage problem that has plagued him and his neighbors for the past eight months.

State highway officials announced this week that they plan to construct a large culvert under the property of Parkinson and other residents of Taft road under water several times during the summer.

Parkinson had complained to various state highway and Oakland county road officials during recent months, but had no definite results until writing to Michigan Governor G. Mennen Williams.

Williams' legal adviser turned the matter over to state highway commissioner Charles Zigler three weeks ago and by this week plans had been drawn up for the new culvert.

A highway department spokesman said the cost of the project will come from expressway funds and will not be assessed to residents of the area.

It was expected that contracts would be let this week on the construction of the culvert. Target date for completion is sometime in April, according to the spokesman.

Construction will be handled by the Oakland county road commission.

According to commission engineer Leonard Balkman, the culvert will be 10 feet wide and eight feet high and will cross from one side of the double-ribbon expressway to the other.

At present, only two small corrugated iron tubes handle the water flow.

Reveries has not yet been laid over the site and a highway department spokesman said the opening will not be paved until the new culvert is constructed.

Supervisor Frazer Staman also had contacted county and state officials to appear on the ball as candidates for three-member township committee now required by each party by state law. A third will be named soon.

The club will choose candidates for clerk and justice of the peace at a meeting next Monday.

At the same meeting Monday, members will elect the following club officers: president, Koester, vice-president, Beri; treasurer, Woodward.

Other officers elected were secretary, Mrs. Mildred DeHaves; assistant secretary, Mrs. Williams; trustee (one year), Arthur Pagwitz; trustee (three years), Mrs. Sylvia Kleier.

Democrats Name Six Candidates For Spring Vote

These Novi Goodfellows will see to it that every needy Novi township family has a merry Christmas. They'll sell special Goodfellow editions Friday and Saturday and use the proceeds to buy food and clothing. Shown above (l. to r.) are: Dick Noble, Tom Morrison, Bill Miller, Ronald Loynes, Stanley Orzechowski and son Michael, Harold Miller, Fred Loynes, Bill Pagwitz, Bill MacDermid and his son Billy. Anyone knowing of a family needing food or clothing for Christmas is urged to report the information to the Township Hall.

Novi Eyes Spring Election

In Pair of Accidents

On December 21 at 4 p.m. — the time by which all petitions for township election must be filed. All but two township officers must be filed. These include the positions of superintendent, clerk, treasurer, two trustees, a board of review member, one justice of the peace and four constables.

Petitions for candidacy must be filed with township clerk Hadley BeGole and must have signatures of one to four percent of the township electorate registered for the recent gubernatorial election.

The township primary election will be held February 8. Voters will begin a four year term. The second highest will have a two year term. In the future, trustees will be elected in alternate elections, each serving four years.

Unregistered voters may register for the township elections through January 17. BeGole has reported a light turnout of new registrations, apparently because of the high registration figure reached in Novi for the November general election.

Novi Eyes Spring Election

Three File

Novi township clerk Hadley BeGole reported this week that petitions for the spring elections so far.

He listed them as Herbert Koester, Democrat, for supervisor; Kenneth DeHaves, Democrat, for treasurer; and Gordon Promo, Republican, for trustee.

Growing will appear in court today on a drunk driving charge, BeGole said.

Five Positions Sought By Nine Men, Woman

Voters will go to the polls Monday to elect the first permanent board of education for the newly-formed Novi community school district.

The election will bring to a close many months of working toward consolidating four Novi township school districts covering some 15 square miles.

Polling places in the Novi school will be open Monday from 10 a.m. to 8 p.m.

Voters will elect five board members from among 10 candidates. All candidates have had school experience in some form, many of them serving on school boards of the four districts which now comprise the Novi district.

Candidates are:

One year term (choose one): George W. Mairs, James D. Arthur, Heslip, George Larson, William MacDermid and Richard Ritter.

Two year term (choose two): Three year term (choose two): Edward Miller, Donald Hines.

In addition, voters will decide whether school board members shall be paid \$100 per year.

To vote, residents must be 21, U.S. citizen, resident of Michigan for six months and a resident of the school district for 30 days.

The school board election became necessary on October 29 when residents of four districts decided to consolidate into the present Novi community school district. The former districts were Novi No. 8, East Novi No. 9, West Novi and Durfee.

At the same time, voters agreed to assume the debts of Novi No. 8 and to raise additional school taxes to pay off the debts.

In the meantime, an interim board of schools has been serving the new district. Appointed by the Oakland county superintendent, the temporary board includes Mitchell as president, Mrs. Larson as secretary, Bernard as treasurer and Heslip and Ross Correll as trustees.

Board members elected Monday will take office immediately, but their terms of office will run until July of the year of expiration, according to superintendent BeGole.

Brief biographical sketches and statements of the 10 candidates appear elsewhere on this page.

Wixom to Vote On Incorporation February 5

Residents of Wixom will decide February 5 whether their community shall be incorporated into a village.

An election on the question was called last week by the Oakland county board of supervisors after petitions were filed several months ago.

A Wixom spokesman said the proposed village would cover nearly 10 square miles, including part of both Novi and Commerce townships. It has a population of some 1,400.

Wixom village would include the site of the new Lincoln plant now under construction.

Only residents of the area will vote in the election, and incorporation must be approved by both the Novi and Commerce sections if the move is to be passed.

Christmas Activities of Northville Women

O.L.V. MOTHERS CLUB
The home of Mrs. Andrew A. Bertoni was the scene of the annual Christmas party of Our Lady of Victory Mother's club December 4.

Gifts were exchanged after a short discussion on the Holiday House Party. Mrs. Hugh Godfrey reported that the affair was successful and that prize-winners, in addition to those in Northville, included guests from Detroit, Livonia, Hazel Park and Plymouth.

CHURCH CHOIRS HONORED
The Fellowship Hall in the First Presbyterian church was the scene of a Christmas Tea last Sunday when the youth choirs of the church and their director, Mrs. Bart Connors, were honored.

Mrs. V. Johnson and Mrs. E. C. Cawey, Jr. poured at the tea table while Mrs. William B. Secord served punch and cookies to members of the three choirs.

Following the tea, the choirs sang Christmas selections for their parents. About 125 parents and children attended.

Hostesses were choir mothers Mrs. Jack Blazburn, Mrs. William Williams, Mrs. George Hill, Mrs. A. C. Parmenter, Mrs. Jim Cowie, Mrs. R. G. Nelson and Mrs. Howard Meyer.

D.A.R.
Christmas will be the theme in story and song at the December 17 party of the Sarah Ann Cochran chapter of the D.A.R.

Mrs. Ada Murray will tell the story, "Christmas at the Trembley's" by Ruth McKney Stewart.

The musical program, under the leadership of Mrs. Drake Older, will feature Mrs. Ruth Jerome and Miss Julie Older as soloists. Mrs. Jerome will sing, "I Wonder as I Wander," "At Christmas Time" and "Go Tell It On the Mountain". Miss Older will play the Suite in A Major for flute and piano. Both will be accompanied by Mrs. William G. Williams.

Mrs. Kenneth G. Hulsing, social hostess, has announced that tea will be served. Festivities begin at 1 o'clock at the home of Mrs. Carroll J. Mulligan, 42565 Eight Mile road.

PRESBYTERIAN WOMEN'S ASSOCIATION
The annual Christmas tea of the Women's Association of the First Presbyterian church was held yesterday, December 12.

Following the call to worship by Mrs. Charles Hall, the chairman of the day, Mrs. Howard Meyer presented a program entitled "The Light that Followed All the Way", featuring two tableaux by the P.W.O., sponsored Brownie Troop 3.

The Nativity was illustrated in one, and the other portrayed a Hungarian family on Christmas Eve. Mrs. John O. Taxis was the narrator.

Guests at the tea were Gloria Pert and Kathleen Ferguson, student nurses from Jamaica. The girls will return to Jamaica Friday.

Mrs. C. Troenenberg and Mrs. Sidney Wood were the reception committee.

NORTHVILLE WOMAN'S CLUB
Eight new members of the Northville Women's club will be honored at the annual Christmas tea on December 21.

To add to the Christmas spirit, Dicken's "Christmas Carol" will be presented in story and pictures by chalk artist Arthur J. Sinclair.

Incidental Christmas music will be presented by a guest soloist from Farmington, Mrs. June Strombach.

MOTHERS CLUB
Christmas films were shown at the Holiday meeting of the Northville Mother's club last Monday evening.

The Bell Telephone company presented two films, one on Santa Claus and another on the Nativity at the meeting at Mrs. Rano Pappini's home.

A collection to send CARE packages to the needy in Hungary was taken at the meeting.

GARDEN CLUB
A guest speaker from the Audubon Society, Mrs. Harriet Woolfender appeared at the Christmas meeting of the Garden club last Monday with information on identifying and attracting winter birds.

Other guests at the meeting were Lillian Mair, the Garden club scholarship student now attending Michigan State university, and Girl Scout Troop 15 and their leader, Mrs. Begie. The scouts presented each member with a sparkly pine cone Christmas corsage made by them.

Mrs. Edwin Mueller, who recently attended a workshop in Birmingham on making Christmas decorations, demonstrated to members some of the clever ideas she learned.

The cooperative luncheon meeting was held at the home of Mrs. Hurd Clark.

WESLEYAN SERVICE GUILD
The Christmas party of the Wesleyan Service Guild will be held next Tuesday evening, December 19 at the home of Mrs. Walter Belasco at 8 p.m. Members are reminded to bring gifts for exchange and also big sister gifts.

KING'S DAUGHTERS
Members of King's Daughters gathered at Mrs. Fred Casterline's home December 4 to wrap gifts for hospitalized children at the University of Michigan hospital in Ann Arbor. Each member brought gifts and wrappings.

The organization will also present their annual gifts to persons at the King's Daughters old people's home.

B.P.W.
The three choirs of the Presbyterian church will present a program of Christmas music for the Northville Business and Professional Women's club next Monday evening.

Mr. William Williams will direct the Bell choir, while the Carol and Harmony choirs will be led by Mrs. Bart Connors. The program will be held in the Fellowship Hall of the First Presbyterian church.

Wit and Humor Sparkle Reviews At Woman's Club

A clever wit and sense of humor was brought to last Friday's meeting of the Northville Woman's club by Gail Jordan Tousey, guest speaker and director of the J. L. Hudson speaker's bureau.

Suggesting books to read and to give as Christmas gifts, Mrs. Tousey gave brief resume's of her choices and read excerpts to tempt the appetites of prospective readers.

Among the books she listed as worthy of consideration were two humorous works, "Fables of Our Time" by James Thurber and "Life of the Party" by Bennett Cerf.

The biography of Alexander Dumas, "King of Paris" by Guy Endore, also rated high on the list.

Among the novels Mrs. Tousey suggested were "Don't Go Near the Water" by William Brinkley and "Captain McCargo," an historical novel of the Great Lakes region.

When the New York auto show was presented over television last Sunday afternoon, at least one Northville family had a special interest in it.

The Wilfred C. Beckers of Dubour street kept their eyes peeled for glimpses of the decorations—decorations made in their own barn.

For three months last summer the building was the scene of the activity of mixing over four tons of plaster—now providing atmosphere for the 42nd National Automobile Show in the Coliseum—the first since 1940—in New York City.

Bill Becker, who is assistant professor of art at Wayne State university, teaches industrial design. He took the job of making the decorations for the show on the big George P. Johnson Display company in Detroit, which decorated the entire coliseum for the event.

With the help of two former students, his wife Audrey, and almost anyone who chanced to drop in, more than 150 plaster casts were completed—of which 135 were used. The extras were ordered as replacements in case of breakage in shipment to New York.

With the design before him on paper, his first job was to make a wooden pattern. Next a rubber mold in which the plaster was poured was formed from the pattern. The molds were then filled with plaster for the final molds—those now hanging in the coliseum.

BELOW — THE FINISHED MOTIF rests on the original wooden pattern. A rubber mold in which to pour the plaster was cast from the pattern.

The motifs were made in three sizes: six feet long (weighing over 200 pounds each), four feet (over 60 pounds), and 15 by 21-inch plaques (20 pounds each).

When the plaster casts were hardened, the job was still unfinished. Each had to be reinforced so it could be properly displayed.

The motifs were shipped in stark white, and trimmed with red and gold paint after arrival in New York. Unfortunately, the Beckers will be unable to go to New York to see them in full dress.

In addition to his wife, Bill had four other regular helpers and others while doing the job—their four children, Gary, the only boy in the family, is six; Cristie is five, Merilee is 11 months and Margaret Ann is eight.

When the last of the motifs were off to the big city, Margaret Ann lamented: "And after they're through with them, they're just going to throw them away."

Mrs. George Frazier cuts into her "Vinegar Pie" in the kitchen of her lovely new home on West Six Mile road. Mr. and Mrs. Frazier have one son, Jim, eight years old.

An unusual dessert this week—"Vinegar Pie"—from Mrs. George B. Frazier of West Six Mile road. "It's very simple to make," she said, "and my husband likes it very much." Mr. and Mrs. Frazier have a son, Jim, who is eight years old and a student at American school.

VINEGAR PIE
½ cup water
1 cup sugar

2 tablespoons vinegar
2 tablespoons flour or corn starch
2 egg yolks
1 tablespoon butter
Bring water, sugar and vinegar to boil. Add flour or corn starch mixed with a little water and cook until thickened. Add egg yolks and butter. Let cool. Pour into baked shell. Cover with meringue and brown under grill.

She'll be especially pleased if you give her lingerie that's a little more luxurious, a little more glamorous than she might buy for herself. We have just the slips you'll want to slip under the tree for her! Come, see a gifted array of delightfully lacy styles.

"PEACE ON EARTH"

The Bible plainly tells us of a day when men shall "beat their swords into plowshares and their spears into pruning hooks. Nation shall not rise up against nation, neither shall they learn war any more." This blessed day will not come until He, who is the Prince of Peace, returns to personally rule over this earth at the world capital in Jerusalem. Much suffering will still be experienced by man before that day. In Matt. 24:6-7 we learn that wars shall continue until the very end of this age. In spite of men's best and noble efforts through the League of Nations and United Nations, we will never be without the horrible blight of war. My generation alone has experienced three terrible wars involving most of the nations in the world. In 1914 World War I, 1917 World War II and 1951 The Korean War. As I write this article the fuse may be lighted which will plunge the world into another war. What's the reason for this periodic blood letting? It is not due to the fact that the peoples of this world are still rejecting Him who is the Prince of Peace! A heart that is at peace with God through Jesus Christ is a heart that wants to live peaceably with his fellow men.

The troop presented a centrepiece to Mrs. Atkinson. Special thanks to the Bessets for the logs. Scribe, Virginia Rary. Blue Star Mothers

Novi chapter 47, Blue Star Mothers had election of officers at the home of Mrs. Helen Hallaman Monday evening. The following officers were elected: Mrs. Luther Rix, president; Mrs. John Klasmeyer, first vice-president; Mrs. Joe St. Onge, second vice-president; Mrs. Helen Hallaman, secretary; Mrs. Clyde Johnston, financial secretary; Mrs. Gerie Lee, treasurer, and Mrs. Joe Gardella, hospital chairman. The Christmas party will be held at the home of Gerie Lee Tuesday, December 18. Gifts will be exchanged after the meeting. The auxiliary is conducting a drive for the following articles: old jewelry, make-up and cologne. These are to be given to the State Home at Lapeer in accordance with the state-wide auxiliary mental health program.

Consulting Engineers Johnson and Anderson were retained by Supervisor Staman to conduct a survey on a sewage system for the township which will cost the people of the township, hundreds of dollars. This action was taken by Staman outside an official Township Board meeting. When questioned by Trickey, the Township Treasurer, regarding the hiring of the engineers and his authority to do so, Staman's reply was that he had the approval of Trustees Miller and Clark, which, with himself made a board majority to carry out this action. This is just one of several cases in which the Treasurer and Clerk were never consulted concerning important Township affairs that directly affect the welfare of your growing community.

Readers Speak Up: AN ANSWER FROM TRICKEY

To the Editor: I will prove that the attempt by Mrs. Virginia Noble to discredit my position and action as Novi township treasurer in her letter that appeared in this paper a week ago was more than just the act of an "interested taxpayer" as she signed it. As treasurer, it is not just my duty to write checks and keep the books of the township, but to act at board meetings on policies and programs that affect the welfare of the citizens of our community. In the case of building inspector Cameron Lodge, it is a well known fact that this man has spread discontent not only among our citizens but also with the people who serve you at the township hall. I will not go into full detail at this time concerning all the facts to the above statement but I will mention one incident that happened before I was elected to the township board two years ago. Leo BeCote, the chief of police, issued an order that Lodge was to keep out of the township police car and if he resisted he was to be handcuffed. For this action, pressure was started to rid the township of BeCote's services. There is no need for me to run around after Mr. Lodge because many complaints reach my ears. Mrs. Noble stated that I said I did not have time to make a proper financial report. The records will show and citizens on hand at the last meeting will tell you. I was not asked to make a report or was any report mentioned except by myself when I told Mr. Staman before the meeting and privately. I might add, that I had not had time to do so because of the late date that he turns the tax rolls over to me. Because I did not receive the tax rolls until Thanksgiving - November 22 - and because the

To the Editor: I notice by your paper that our schools are overcrowded. What causes this? You also printed that the population of Northville has increased 350 in six years. We have built one large school building. Do we have to build another to accommodate pupils from the outside? No wonder people are building outside to avoid heavy taxes. Not until the city's valuation is increased by new homes and factories can the people of Northville afford to have their taxes increased for a number of years. You taxpayers better think before you vote. John Graham

Problems Discussed At 'Parents Night'

Report cards, homework and students' reading habits were subjects of another "Parents Night" meeting of Northville parents and teachers last night. Also to be discussed was the question of why new students' grades sometimes decline after coming to Northville schools and whether that would indicate stringent scholastic standards in the local school system.

The teachers' panel included LaGene Quay, William Renard, Mrs. Gertrude Fey, Mrs. Violet Bradford and Merritt Meaker.

Santa and Puppets At Optimist Party

Santa Claus and a puppet show, those special symbols of fun for children during the holiday season, will be part of the gayety of the Northville Optimist club Christmas party.

In addition to children of the Optimist, guest children have been invited.

Harold Rannum, marionette artist, will present the puppet show for the kids at the December 19 affair.

Photo Note

All slides from the recent photo contest in Northville are available at the Record office and should be picked up as soon as possible.

Obituaries

BERTHA DONELSON LYON

Funeral services were held December 8 for Bertha Donelson Lyon, 2741 Novi road, who died December 5 at Mt. Sinai hospital in Detroit. Mrs. Lyon had been in failing health for the last year. She was born February 9, 1883, in Auburn Heights, Michigan, the daughter of Donald and Dora Batherick Donelson. Her husband was the late Rev. Otto J. Lyon, surviving is a son, Russell, of Oak Park and three grandchildren, Jimmy, John and David. Mrs. Lyon had lived in Novi for the past 20 years. She was a member of the Novi Methodist church and the John Shackett chapter of the D.A.R., Redford. Services were from the Casterline Funeral home, Rev. G. T. Nevin of the Novi Methodist church officiating. Burial was in Novi cemetery.

ANDREW MCGILLIVRAY

Funeral services will be held Saturday at 10 a.m. from Our Lady of Victory church for Andrew McGillivray, who died December 9 at Wayne county general hospital. Mr. McGillivray was born May 17, 1884 in Canada. He was the son of Hugh and Annie McGillivray. He had been in charge of the Detroit House of Correction, he had lived in Northville for 23 years. His home was at 402 Randolph street. Surviving is a cousin, Mrs. Katherine McGillivray of Detroit. Father William McGillivray will officiate at the Saturday services. Burial will be at 2 p.m. Friday at the Casterline Funeral home. Burial will be in Holy Sepulchre cemetery, Detroit.

Brothers in Service Meet in Japan

Brothers Harvey and William Russell, sons of Mr. and Mrs. Frank Russell of Carpenter street, hadn't seen each other in over a year when they met in Nagoya, Japan last week.

Harvey is stationed in Honolulu with the Coast Guard weather ship Chastegan, and William is stationed in Nagoya with the air force where he is a radar operator.

After 21 days at sea, Harvey is spending his 14-day leave in Japan where he is the guest of William and the Fifth Air Force division.

Mr. and Mrs. Russell, with the aid of the navy, knew when Harvey would reach Nagoya and notified William so that he could contact his brother.

Concert Is Planned By Community Band

Members of the Northville school and community band have been hard at work since the end of the football season preparing for a concert to be given Tuesday at 8 p.m. in the community building.

Marches, overtures and other sections of a varied nature from the "Finale of Dvorak's 'New World Symphony'" to "Slough Ride" by Leroy Anderson will be presented.

In addition to the regular band selections, special solos and ensembles will be presented.

No admission will be charged, but a collection will be taken during the program.

There's Christmas in the Air

Highlight of Yule Preparation Is Selection of the Right Tree

When Northville residents perform the ritual of selecting the Christmas tree, they might well remember that fragrance is one of the most noticeable features of an evergreen. All of the pines, the white pine in particular, have a very pleasing smell.

Fire also has quite a pleasing fragrance, but that of the spruce is sometimes objectionable.

But a tree without needles will give no pleasure. Fragrant or otherwise—at all! Your tree often sheds its needles before you want to take it down, here are a few tips on how to select and care of your Christmas tree to help you get the most enjoyment from it.

Some trees hold their needles much longer than others. Red white and Scotch pines have excellent needle holding ability. In the low humidity and high temperature of your home, you may expect these trees to hold their needles from the second week of December into January. Fir will hold their needles through the holidays; spruce are the first to shed their needles.

After you have decided whether a pine, spruce or fir best suit your needs, you must choose your individual tree. The most attractive tree is quite dense and has good balance. The setting for the tree will dictate what type of balance you need.

A tree with full sides and one rather flat side is perfect to use against a wall. A tree in a corner needs only two full sides while a tree in a picture window must have four attractive sides. A good

Pre-stuffed Birds Must be Kept Cold

Wondering about the new pre-stuffed turkeys that are on the market now? According to Dr. Dora Cedarquist, head of the foods and nutrition department at Michigan State university, they are safe up to the point they are sold and taken from the dealer.

Their limb wood is less expensive it is more porous and body or trunk wood is a better buy. You will get more units of heat from the trunk wood so you can use less of it. Bark removed at the sawmill is sold very inexpensively as slab wood. As a bargain product it is reasonably good. The thick bark and this wood burn with a smoky fire.

Apple Wood Proves Best for Fireplace

Burning logs add a serenity to the indoor pleasures of Christmas. But there's a practical side to the fireplace blaze—so here are a few pointers on the purchase of fire wood.

Apple wood is one of the finest fireplace woods. It holds well in the fireplace and gives a lot of heat. Apple wood also has a very pleasant aroma.

If you like a crackling fire, white birch is what you need. Elm and aspen are rather poor burning woods, but oak is highly desirable.

Though limb wood is less expensive it is more porous and body or trunk wood is a better buy. You will get more units of heat from the trunk wood so you can use less of it. Bark removed at the sawmill is sold very inexpensively as slab wood. As a bargain product it is reasonably good. The thick bark and this wood burn with a smoky fire.

Time to Get Under The "Kissing Ring"

The gayety in the air during the holidays can be even more fun with mistletoe—especially when its made more attractive with a "kissing ring".

Wind an embroidery hoop or a circle of cardboard with white crepe paper or satin ribbon. Cover the ring with colored tape or ribbon. Place the mistletoe spray in the ring and fasten it with a big bow at the top.

Suspend the kissing ring in a doorway or arch—and let the mistletoe do the rest!

Is a good night's sleep worth 2¢?

That's all it costs—2¢—to give you cozy warmth all night long.

With an automatic blanket you can have all-over warmth—as much or as little as you like. You select it—by a thermostat—do the rest to keep you comfortable.

Automatic blankets really save you money because you need only one blanket for each bed. No need to have that extra blanket handy. Just one blanket to launder, one blanket to store.

Saves on heating, too. Set the house thermostat lower during the night. Under your automatic blanket you're always cozy warm, no matter how cool the room.

Perk Up Gifts With Extra Trim

Package wrappings can literally add the "sparkle" to the Christmas atmosphere, even before the awaited day dawns.

Here are a few suggestions for making your packages distinctive and exciting—your choice of paper and ribbon can put a little of your own personality into each wrapping.

Wrapping packages in the same color scheme is very interesting; try using shades of pinks and reds together. Or, gold paper with accents of moss green is attractive. Remember, never have your paper fighting for dominance over the ribbon. The ribbon and paper should complement each other.

Cotton or rayon ribbon that will stick by moistening is now available on the market. Because there isn't any need to tie this ribbon, you can do much more with it. Free leaflets on how to make bows are available at most ribbon counters.

Much of your originality shows up in the trim you add to your packages. Children's gifts may have a pom-pom of ribbon or a candy cane or bell tied on them. Sequins or tinsel applied on a ribbon with rubber cement always add highlight to a gift.

Another decorative trim is made by cutting a cane or writing out a name with rubber cement on wrapping paper and then dusting with glitter. This trim looks best on plain papers or foil paper and makes the packages easy to pack for mailing.

Man's capabilities have never been measured; nor are we to judge of what he can do by any precedents so little has been tried.

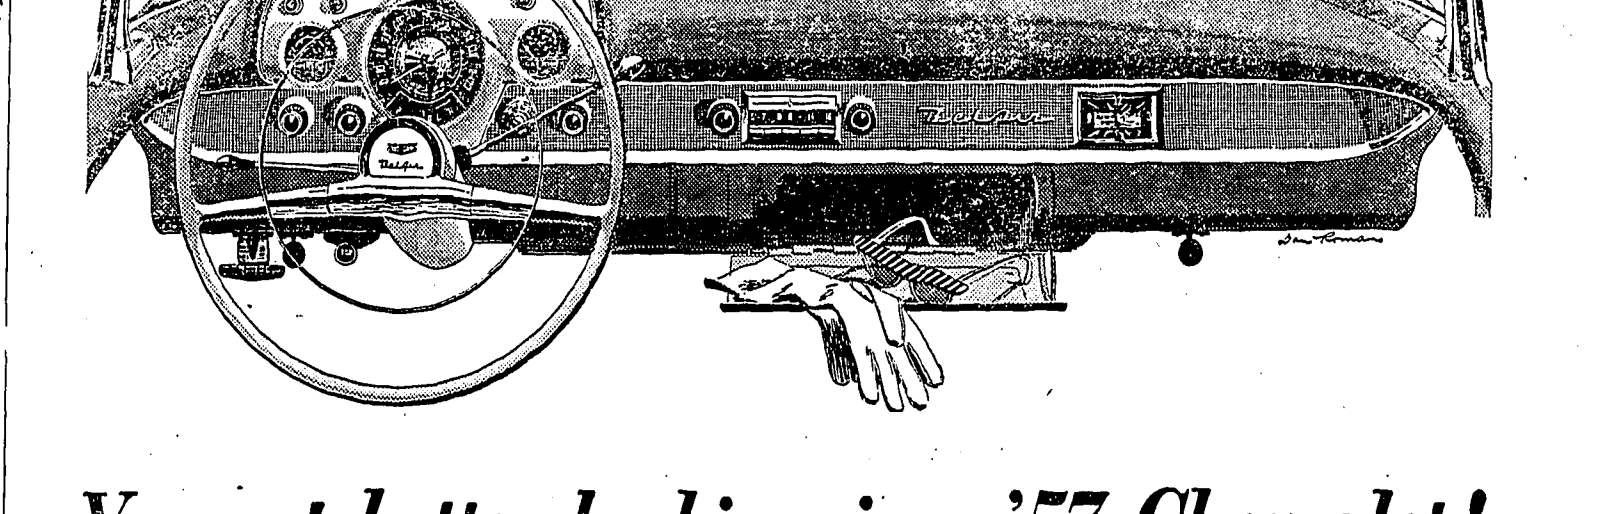

Foil Wrapped Turkey

If you are planning to cover your holiday turkey with foil while it is baking, remember to use a temperature of 450 degrees F, or your turkey won't be done in time for dinner. To brown the turkey, remove the foil.

You get better looking in a '57 Chevrolet!

There's a whole new outlook behind the wheel—a bigger view of the road over that sassy hood. And doesn't that new instrument panel also make you want to get in and go!

You feel for all the world like you're viewing one of these new wide-screen movies when you first look through that '57 Chevrolet windshield. Its new, deeper design gives you better, safer seeing. The whole outdoors seems to surround you in its crystal curve.

Glance down—just a bit—and your eyes rest on the sweetest instrument panel a car ever had.

But the going's even better than the looking! Chevy's full of vinegar (horsepower ranges up to 245"), and so well behaved that it gives you a whole new outlook on driving. Come in and see.

THE LIFE
"Jesus said unto him (Thomas), I am the way, the truth, and the life: no man cometh unto the Father, but by me. This is the third article from my study on this text. Jesus was saying to Thomas that he was about to die."

There are four distinct levels of life upon which man might be living: (1) Vegetable life. Man is viewed as being merely a machine. He is mostly what he is by virtue of heredity and environment. At times, he functions as an unconscious being, sometimes man's behavior is referred to in these words: "He hasn't a brain in his head." A percentage of people residing in our institutions for the feeble minded is of this class. (2) Animal life. Here man would live almost entirely by glandular action and selfish ambition, with little sense of moral responsibility. If this were all that man was, he would not have them do unto him. The

MICHIGAN BELL TELEPHONE lines

HOW MANY TELEPHONE companies beside Michigan Bell would you say there are in this state? Five, ten, fifty? More than that? A lot more. Actually there are 121 telephone companies here, and they serve some 250,000 subscribers. These phone companies, operating in areas throughout the state, help to link your telephone to all the others in Michigan.

IT IS OFTEN SAID that the best gifts you can give are those you'd like to receive yourself. Wouldn't you like to receive, as a Christmas present, a bedroom or kitchen phone, or a phone for the den or workshop? Then wouldn't they make great gifts for Mother, Dad, or the teen-agers in your family? We can tell they've become popular as Christmas gifts because we're receiving more orders than ever before. And the cost is only a few cents a day after a small installation charge. To order beautifully packaged gift telephones for delivery before Christmas (to be placed under trees), just call your telephone Business Office.

CHRISTMAS IS GETTING closer and closer and you probably have a hundred and one things to do— presents to buy, holiday parties to plan, and lots of errands to run. Just the spot for your telephone to come to the rescue. You can shop around by phone and find out if certain items are still available and what they cost. And for planning holiday get-togethers, there's no faster, easier way than doing it by phone. Holidays and every day, there's just no end to your telephone's usefulness.

Minutes of the Northville Board of Education

The regular monthly meeting of the Northville Board of Education was held in the Board Room on December 3, 1956 at 7:30 p.m. Present: R. F. Coolman, Robert H. Shaffer, Nelson C. Schrader, Rural F. Clark, Superintendent R. H. Amerman, School Attorney James Litali. Absent: Donald B. Severance. Others Present: E. C. Mollena and John Van Haren, representing and Charles W. James Schiefer, William Crump and Ray Gregerson, of the Citizens' Curriculum Committee, and Mrs. Terry Secord of the P.T.A.

Department of Public Instruction, requesting re-statement of board's policy on acceptance of non-resident students so long as adequate space might be available, also asking if this district is willing to consider further study of area reorganization of Michigan districts, provided such is deemed to be desirable. Tuition payment in full from Salem District is being received by the district. Board Secretary R. Shaffer to reply to the Department of Public Instruction that when space is available, and that we would also cooperate in study of area reorganization needs if and when invited to do so.

Mr. James Schiefer, Chairman, presented a partial written report of the Curricular Committee, with the statement that the final and complete report of this phase of the study will be submitted in January. Upon motion by Mr. Schrader seconded by Mr. Clark permission was granted for the senior class trip to Washington, D.C. on May 11 to May 16, 1957. Treasurer Clark reported receipts and balance as follows: Cash received during month of November, 1956 \$83,215.18 Balance in General Fund, November 30, 1956 \$23,871.22 Balance in 1949 Debt Retirement Fund, November 30, 1956 \$5,791.63 Balance in 1954 Debt Retirement Fund, November 30, 1956 \$1,678.25 Balance in 1954 Building and Site Fund, November 30, 1956 \$1,335.72

It was moved by Mr. Shaffer and seconded by Mr. Schrader that the request that the treasurer be accepted and that the following vouchers be paid: Bills, \$5,694.90; Payrolls, \$37,290.84. Carried.

President Coolman called a special meeting for December 5, 1956 at 7:30 p.m., to decide on the contents of a proposed booklet of factual material pertaining to the \$3,000,000 bond election on December 18, 1956.

Upon motion by Mr. Clark and second by Mr. Shaffer, the meeting was adjourned at 11 p.m. Robert H. Shaffer, Secretary

Students List 22 Reasons In Favor of Bond Issue

Students in Northville schools have cited 22 advantages to be gained in voting for the proposed \$3,000,000 bond issue next Tuesday, according to the Northville Teachers' club.

Club president Diana Lance has reported that students have listed these advantages as:

- opportunity to purchase a suitable site for a future elementary building so that children would be closer to home.
- an addition to the Amerman school would relieve congestion at the Main Street school.
- better lighting, heating, sanitation and equipment in the renovated old building.
- a richer program for the junior high.
- all high school classes in one building.
- adequate locker space.
- reduce danger of accidents by having more adequate passing space in everyday traffic and in case of fire.
- better location in that high school and elementary students will not be using the same grounds.
- relief of congestion on Main Street during noon hours.
- better library facilities because of conference rooms, work room and storage room for magazine files.
- in home economics, more work area and equipment per student and increased work area for specific units of study.
- in science, more facilities for individual laboratory work.
- more opportunity to take courses offered in the commercial department.
- facilities for physical education much improved.
- lunch program much better because of cafeteria.
- because of space, a better developed cultural program.
- visual aids program will be much improved.
- the auditorium would permit scheduling better assembly programs.
- better possibilities to participate in before-audience activities, including real estate, sign boards on sound-proofed, would mean less distraction from outside noises.
- in the high school, the sanitary conditions, lighting and heating would be better.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN TO BE HELD DECEMBER 18, 1956

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that a special election of the qualified electors of said School District will be held in the Northville Community Center, in the City of Northville, Michigan, on Tuesday, December 18, 1956.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK A.M. AND CLOSE AT 8:00 O'CLOCK P.M. EASTERN STANDARD TIME.

The following proposition will be submitted to the vote of the electors at said special election.

Shall Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan, borrow the sum of not to exceed Three Million Dollars (\$3,000,000) and issue its bonds therefor, for the purpose of erecting and furnishing a new high school and an addition to the new elementary school, acquiring additional land for site purposes, and remodeling the present high school building?

Each person voting on the proposition of borrowing and issuing the bonds of said School District must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election, and have property assessed for taxes within the School District or be the lawful husband or wife of a qualified voter of the District having property so assessed.

Only persons registered as electors in the city or township in which they reside are eligible to vote.

Take Notice that the Board of Education has estimated the total expense of erecting and furnishing a new high school and an addition to the new elementary school, acquiring additional land for site purposes, and remodeling the present high school building to be Three Million Dollars (\$3,000,000), all of which it is necessary to raise by borrowing and issuing the bonds of the District.

This Notice is given by order of the Board of Education of Northville Public Schools, Wayne, Oakland and Washtenaw Counties, Michigan.

Notice of Public Hearing

MONDAY, JANUARY 7, 1957 8:00 P. M. - CITY HALL Please take notice that a public hearing shall be held at the date, time and place described above on the following proposed amendments to the Zoning Ordinance for the City of Northville.

1. An amendment to Article 3 of said ordinance to provide for the furnishing of off-street parking facilities by individuals who shall hereafter erect new buildings or shall materially alter or change the use of existing buildings within the city limits.

2. An amendment to Article 3 of said ordinance to specify the conditions and requirements under which the moving of old buildings into residential districts shall be allowed, together with the procedure for obtaining a permit for same.

3. An amendment to Section 11.04 of said ordinance enlarging the jurisdiction of the Board of Appeals and specifying what is required of said Board in the way of giving notice of hearings.

PROPOSED ZONING ORDINANCE AMENDMENTS: Please take notice that the following amendments to the Zoning Ordinance for the City of Northville shall be acted upon by the City Council following a public hearing thereon to be held on Monday, January 7, 1957 at 8 p.m. at the City Hall.

1. That Article III of the Zoning Ordinance for the City of Northville shall be amended by adding thereto the following: Section 3.17. The moving of old buildings into residential districts may be permitted by the Board of Appeals in accordance with the procedure established in Article XI of this Ordinance, subject to the following conditions:

A. Application for a permit of this nature shall first be made to the Building Inspector, who shall refer same to the Board of Appeals.

2. There shall be submitted to the Board of Appeals with the petition the following:

1. Eight inch by ten inch photographs on glossy paper of each of the four elevations of the building proposed to be moved.

2. A site plan drawn to scale showing the location of the building at its new location, said site plan to show any proposed additions or enlargements.

3. Architectural drawings of the elevations as proposed to be reconstructed.

4. Brief specification of labor and materials proposed in reconstruction.

5. Eight inch by ten inch photographs on glossy paper of existing houses on each side and opposite the lot to which proposed building is to be moved.

6. Certificate of deposit of a cash bond with the City Treasurer of the City of Northville in the amount of One Thousand (\$1,000.00) Dollars, said bond to guarantee the structure will be completed in accordance with the site plan, specifications and architectural drawing within a period of six months.

C. That the Board of Appeals shall find:

1. That the structural frame of the building is sound and after reconstruction will have substantially the life expectancy of a new structure, and

2. That the proposed exterior finish and appearance will be in reasonable harmony with and will not depreciate existing residences within 200 feet of any of the boundaries of the site upon which said building is to be moved.

This amendment shall be effective ten (10) days after passage and following publication thereof.

AMENDMENT TO ZONING ORDINANCE The City of Northville Ordains: That the Zoning Ordinance for the City of Northville be amended as follows:

A. That Section 11.04 thereof be amended by adding thereto the following:

Section 11.04 JURISDICTION: The Board of Appeals may, in specific cases, after due notice and hearing and subject to appropriate conditions and safeguards, determine and vary the application of the use, height and area district regulations herein.

This amendment shall be effective ten (10) days after their general purpose and intent, and following publication as follows:

Golfers Plug for Daylight Saving

A MOVE to ease Michigan's doctor shortage is in the mill at Wayne State University. The school's board of trustees is proposing an increase in medical student admission from 75 to 125 a year.

The plan, already approved by the board, hinges on state allocation of additional operating funds for Wayne's medical college.

The most economical way to turn out 50 more doctors a year, while other plans call for the establishment of costly new facilities, the Wayne proposal requires only the money necessary for instructors, according to Dean Gordon H. Scott.

Both medical and non-medical groups are supporting the plan. The Michigan State Medical Society has endorsed the proposed increase.

Among the first of the non-medical groups in the state to urge the increased assistance to Wayne State is the Michigan Farm Bureau.

Clark L. Brody, the Bureau's executive vice president, recently announced that its members have adopted a resolution in support of the plan.

ANOTHER TRY to put Michigan on Daylight Saving Time may be made at the next meeting of the State Legislature.

Strangely enough, the current proposal, it is said to have originated with a group of Detroit golfers who want an extra hour of daylight leisure in the evening.

Biggest objectors: Mothers who must round up the kids for bed while it's still daylight and farm-

motorists to drive with care will be distributed by gasoline dealers who are members of the Michigan Retail Gasoline Dealers Association. Some 5,000 trucks belonging to members of the Michigan Trucking Association are joining actively in the campaign and will display signs reading, "Take the Pledge, Drive With Care."

The Committee warns that the winter months bring dangerous driving conditions and is asking the cooperation of every motorist in cutting down the death toll.

THE STATE MAY need its own Navy to settle the latest controversy in its home waters. Under attack is a business venture now in Michigan, the "fotel" or floating hotel.

Local owners of Morgan horses were well represented in the winning class at the Michigan International Horse Show held in Detroit.

Elected as Worshipful Master of Northville Lodge F & A M No. 168 was Dale Mariell.

The question: Do floating hotels moored permanently in water or above state land violate the law?

State officials believe there is a violation. Submerged land under the Great Lakes is controlled by the Conservation Department according to an 1899 law. One of the requirements: Protect the public interest.

The request for an injunction to prevent the operation of the "Western States" is based on the assumption that the ship is not for navigation. If not, it may be permanently and unlawfully occupying submerged lands in violation of the public interest.

For 1957, the Michigan Citizens Traffic Safety Committee is urging every motorist in Michigan to sign a safe driving pledge.

It's a Whiz at Everything a car should do

It turns out that the 1957 Buick is far more than just a brand-new automobile.

It turns out that this new '57 Buick is winning the raves with a new kind of going and a new kind of stopping—a new kind of handling and a new kind of road sureness—a new kind of safety and a new kind of comfort.

We'll be specific.

When you press the pedal of a new '57 Buick, the response is literally instant...

Because the high-torque power of a new 364-cubic-inch V8 engine is delivered in the split of a second through a new full-range Variable Pitch Dynaflo® that's immediate in its oil-smooth action.

When you brake to a stop, you and the car stay on a level plane...

Because an ingenious new ball-joint suspension in every '57 Buick virtually ends the down-in-front dip that cars have on sudden stops.

When you take a turn or swing into an "S" curve, you still hug the road like a streamliner on rails...

Mothers Campaign For Safe Crossing

The treacherous corner of Grand River and Novi roads is under attack again — by a group of mothers who want the corner made safer for their children on the way to school.

The Novi Mothers club has started action designed to obtain school-zone conditions at the intersection, where several dangerous accidents and near accidents have occurred recently.

The mothers are being supported by the township police department, Novi school officials and township board members.

Specifically, the mothers would like several steps taken at and near the intersection:

—The area to be declared a school zone with appropriate signs marking it.

—Flashing amber lights near the school to warn motorists.

—Lower speed limits, especially on Grand River where it is now 40 mph.

Main difficulty at the crossing is that Grand River, a state highway, does not fall within the jurisdiction of Novi township.

To tackle the problem, the Mothers club school relations committee is now making study of conditions and drawing up a concrete list of recommendations.

On the committee are club president Mrs. Royal Snow, Mrs. Russell Taylor, Mrs. Homer Ross, Mrs. Fred Laynes and Mrs. Edwin P. Geppert.

At the same time, Novi superintendent Fraser Staman offered

Four Are Re-named to School Board

Four members of the interim Novi school board will keep office and will be joined by a former Novi 8 treasurer as a result of the Novi school district election Monday.

The new five-member board was chosen by a "fair" turnout of about 300 voters.

Those comprising the new board are: James D. Mitchell, Arthur Heisp, Mrs. Georgia Larson, Kenneth Bernard and Jack Crawford.

They will take office as the first permanent board of education of the new Novi community school district which was formed in a consolidation election October 24 from four former districts. The districts were Novi 8, Novi 2, Putnam and Durfee.

Since approval of the consolidation act, a interim board of education appointed by the Oakland county school superintendent has been serving. All of the newly-elected members except Crawford were members of that board.

The vote totals: James Mitchell 154, Arthur Heisp 128, Mrs. Georgia Larson 122, Kenneth Bernard 111, Jack Crawford 102.

Three Year Term: Ed Erwin 121, Donald Hines 128, Ed Erwin 121.

Mitchell served as president of the interim board and had been on the Novi 8 school board for 11 years, serving as secretary of the board and a former president of the Durfee district board of education.

Heisp was not a member of the interim board, but had board of education experience for six years in Novi 8, serving at one time as its treasurer.

Bernard was treasurer of the interim school board and had previously served as secretary of the East Novi 2 board of education.

On the other issue on the ballot Monday, voters approved a salary of \$100 per year for board members. The vote was 108-27.

The new board will meet soon to organize and elect its own officers. The meeting is expected to be held within the next few weeks.

Superintendent William Medlyn said the turnout of about 300 voters "fairly good".

Though many more residents could have voted, Medlyn said, Monday's turnout indicated much better response than in other recent school elections and meetings.

Strikes 3 Cars; No One Injured

Four motorists came out of a four-car collision at Eight Mile and Maple roads Saturday without being injured.

Ticketed for reckless driving was Billy L. Williams, 23, of South Lyon.

Novi police chief Lee BeGole said Williams was traveling 65 mph when he struck a car driven by Mrs. Iris Reid, 19265 Gerald, Northville.

He then skidded and swerved down the wet road, striking auto driven by Harley Draper, 21823 Chubb, and Frederick Rich of South Lyon.

A Detroit man was killed on Grand River last week as he was retrieving packages that had fallen from a delivery truck.

Dead is George Absher, 56, of Detroit.

According to Novi township police chief Lee BeGole, Absher had stopped to pick up the packages when he was struck by a car driven by Ralph Reszak, a student returning from Michigan State University.

Witnesses said the highway was dark and that Reszak had no chance to stop, according to BeGole.

Absher was taken to Main Receiving hospital with two broken legs and internal injuries.

Township Schedules Driver Examinations Examination for drivers licenses will be offered at Novi township hall again next Wednesday from 1 to 8 p.m.

Under a new program, the tests are given every other Wednesday by representatives of the Oakland county sheriff's department.

ALL GOODFELLOWS aren't men! Mrs. Richard Noble proved this by selling out her quota of papers Friday afternoon at the intersection of Grand River and Wixom road.

Santa Claus to Visit Willowbrook Friday

Willowbrook Village children will ring for the Novi Christmas visit from Santa Claus Friday at 7 p.m.

Thanks to the efforts of the Willowbrook association, the busy Mrs. Claus has promised to ride her sleigh through the Village.

He'll stop long enough to see that each child gets a special gift and may even listen to a few last-minute requests.

Arrangements for the second annual Christmas event have been under the direction of Louis Chismark, Mrs. Orlo Johns and Mrs. James McCormick.

New officers of the association who have also assisted in the planning of the program are Robert Merriam, president; Robert McClelland, vice-president; John Hood, secretary; and Howard Swick, treasurer.

The Goodfellow does not pre-prepare their gift boxes. After investigating needy cases each box is filled with appropriate items to meet the family's need.

In many cases, trees and decorations will be donated so that the spirit on Christmas is apparent in the home.

In previous years the sale has resulted in more than \$1000 in funds for charitable use. It was difficult to immediately determine if this amount had again been reached. Some salesmen reported slower sales than in other years.

While more papers were apparently sold, the donation per paper was lower.

All Goodfellow salesmen donate their time to the worthy cause.

Latest candidates are: Fred White, treasurer; Ray Harrison, treasurer; Stanley Balon, trustee; Frank Clark, trustee; and Edmund Verkes, justice of the peace. All are Republican candidates.

Petitions for the township primary on February 9 must be filed with township clerk Hadley Barchert by December 31 at 4 p.m.

They must have signatures of one to four percent of voters registered for the general election April 1.

After candidates are elected in February primary they will be placed on the ballot for the general township election April 1.

Only one candidate remains to be named on the Novi township Democratic club's full slate for the township spring election.

The Democrats this week named Joseph Arditto and John Quibbe candidates for justice of the peace and board of review member respectively.

The club previously had chosen candidates for other posts except township clerk.
