

Speaking for the Record

By BILL SLIGER

As guest of George Clark at the Optimist club meeting last week, we heard Dr. Donald Young present some interesting facts on polio and the Salk vaccine. We came away convinced that everyone, and perhaps ESPECIALLY adults, should receive the three doses of vaccine. Dr. Young recommended persons up to 70 to receive shots. To prove his point that it is perfectly safe he asked listeners to raise their hands if they had received the series. A half-dozen visiting doctors sitting together at one table responded in unison.

Mrs. Robert Hans of Farm Creek Farms discovered a January 23, 1931 edition of The Northville Record recently. She was impressed by a story of Waterford in the days of 1899. It boomed as an industrial center with the largest flour mill in the state, three cooper shops, a sawmill, a sash and blind factory and a farm implement plant. From the 1830's on it is downfall at the turn of the century, Waterford oushine its neighboring communities, Plymouth and Northville. During the era of agitation against slavery it served as an "underground railway" station. Fire, which destroyed its mill for the second time, finally doomed the village pressed by growth of its neighbors.

An interesting sidelight in the addition is an editorial by Publisher Elton Eaton who defines the word "TAX." "T," he wrote, stands for "take," "A" for "away," and "X" for "the unknown quantity."

Little Freddie Steeper, whose picture appeared in The Record recently, was a little too late to buy the picture during the recent sale. Seems an admiring friend got there first. When she heard that Freddie's parents wanted the print, she sent it to them, anonymously. Meanwhile, the Steepers had ordered an extra print from the photographer. They'd like the little girl to know that she may have her picture back. Perhaps a courier go-between could be set up.

A number of kiddies will be disappointed if they look in the paper for their pictures this week. We spent most of last Thursday snapping pictures in Northville and Novi of children playing in the snow. Unfortunately, one whole roll of film didn't print. We're sorry, too, because we enjoyed the fun as much as the youngsters. Results of those pictures that did come out may be seen on page nine.

News For Mr. Webster

Mr. Webster defines a truck as "an automotive vehicle for . . . long distance hauling" and this is technically true. But to the millions of Americans whose everyday life is geared to the flow of motor transport, a truck is much more than this.

It's a shipment of supplies for the corner drugstore where you buy; a crate of spare parts for the auto repair garage you patronize; a load of foodstuffs for your favorite grocery; shoes for little Junior, eye-glasses for Mary, part for that bedroom you're going over, the TV set you've been waiting for.

Life in Michigan just couldn't go on as it does today without trucks. Agriculture and industry depend on them. So do the butcher, the baker, the candlestick maker. So do you!

Your Letters to Legislators Mean Something

YOU CAN influence legislation in Michigan more than you realize. Your State Senator and Representative want to hear from you. He is acutely interested in the views of those he represents.

State lawmakers must vote on hundreds of bills during each session. They cannot know everything contained in all of them.

This gives your views real meaning. Legislators want to know what you think about proposed bills. An explanation of facts in your sincere opinion are therefore welcome.

Legislators can be contacted several ways. A common but inefficient method is a letter. Literally thousands of letters are written each year. It is limited to a matter of words and does not give the legislator a chance to hear you in person.

Short telephone calls and telegrams are also effective. Least important are the signed form letters that are distributed for your signature. Even these have some effect, particularly if they receive large numbers of such messages.

One important "Don't." Do not demand the legislator vote a certain way. He is a lawmaker, not a lawbreaker. He is human and it is human nature to react negatively when someone tells him "you must vote this way or else."

Lawmakers like to speak with authority. A single fact from you can give him authority. A letter is often expanded by the legislator in the impermanent, but longer "you say."

Letters to your legislator will reach him addressed to the State House of Representatives or the State Senate at the Capitol. Direct telephone calls can be made through special legislative switchboards. To reach your Senator call Lansing, Michigan 4-5461. The House number is 1VAnsoe 4-4611.

BIGGEST ATOMIC BATTLE since the blast that rocked Hiroshima is now being fought in Washington hearing rooms of the Atomic Energy Commission. The fight involves a \$40 million public atomic power plant now under construction near Monroe.

The question: Can this power plant operate safely or will it endanger millions of lives in the Detroit-Toledo area?

Michigan has a large stake in the answer. The Power Reactor Development Co., a non-profit corporation made up of 26 companies to build the plant insists operation will be safe. Six are Michigan corporations.

Opposing PRDC are three national unions in the AFL-CIO. All are strong in the Detroit area.

A conditional permit was issued by AEC to PRDC in August, 1955. It is limited to construction only. AEC officials are withholding a license to operate the plant until construction is completed some time in 1960 and proven safe to the satisfaction of the commission.

All safety problems should be overcome before operation is scheduled to begin in 1960 PRDC believe that the Monroe reactor, which will be five times more powerful than any previously built, should be erected away from large population centers. The present location of the plant is 30 miles south of Detroit and 20 miles north of Toledo.

The bone of contention centers around a report of the Atomic Energy Commission's Advisory Committee on Reactor Safeguards. This report stated, in effect, that not enough is known about the type of reactor now under construction at Monroe to operate one safely.

The reactor, called a "fast-breeder," creates more atomic fuel than it uses. Only one other has been built near Arco, Idaho. During a power test it "ran away" causing radioactivity to escape. No one was hurt, but things did get out of control.

Unions opposing PRDC contend that the cause of trouble has not been explained.

STILL GROWING THROUGH SERVICE TO SAVERS

MICHIGAN'S ONLY 200 MILLION DOLLAR SAVINGS ASSOCIATION INVITES YOU TO Invest Your Savings

FOR (1) SAFETY, (2) AVAILABILITY, (3) CONVENIENCE, (4) GOOD RETURN

This combination of advantages for our savings customers accounts for First Federal's growth—from \$160,000 of assets in 1934 to 200 millions today.

SAFETY—at all times the first consideration—is assured by sound investment, conservative management, reserves and surplus over 12 millions, and insurance to \$10,000 by Federal Savings and Loan Insurance Corporation.

AVAILABILITY—for 22 years, it has been our policy and practice to pay all withdrawals on demand.

CONVENIENCE—9 handy offices—pleasant people who want to help you and save your time—and a mail-saving plan take the tops in convenience.

GOOD EARNINGS—our 3% current rate gives you a worth-while return on savings. It is also consistent with our policy of making substantial additions to reserves—and with the conservative operation we believe our 100,000 savings customers want and approve.

FINANCIAL STATEMENT—December 31, 1956

Northville Ponders Fate of Subdivision

A guarantee by the city of Northville to provide sewer and water systems of the D & R Building company's proposed 200-home subdivision appeared Monday evening after councilmen wrestled with the problem for more than three hours.

Final decision will be made tonight (Thursday) at a special session called for 8:00 o'clock. Because the 100-acre site north of Baseline and west of Novi road is not officially a part of the city, councilmen will be entering an agreement to furnish these facilities to non-city residents.

Although the area was annexed by an election last June, it has been protested by Warren Products company officials, whose plant lies within the area. A decision on whether the property belongs to Novi township or the city of Northville is expected from Oakland county circuit court soon.

A lengthy contract, which would provide the building needed services, was reviewed by the council and R. P. Benedict, city engineer, on Monday. The contract was made with minor changes in the document. It appeared that both parties were satisfied with its contents and adoption of the revised copy would be certain.

Approval by the council would vitiate a previous agreement for construction of the 200-home project to begin. After more than two years of delay, Benedict, partner in the building firm, indicated the company was anxious to start construction. He stated that approximately 50 homes would be constructed this year with building to begin in June.

In exchange for allowing use of its facilities, the city incorporated minimum requirements for the homes in the subdivision which must meet city building codes.

In Willowbrook: M.S.U. Extension Club Meets

Mrs. John Parent GR-4-2000 day cake inscribed with the names of Carol and Bill. Marie Good of LaRoc gave a baby shower for Kay Buck Friday night. Marie was assisted by Millie DeHayes, Agnes Morrison and Paula Swanson. Virginia started off with bingo and then Kay opened her presents. Those present from Willowbrook were: Ann Castelli, Clara Miller, Sophie Martin, Joyce Benjamin, Jean Helen Harnden, Helen Beadle, Mrs. Margaret Mair, an leader, who also reviewed wills and benefits for those who were unable to attend the December meeting. Refreshments were given Saturday to celebrate the 14th birthday of Carol Lambath of Mallett and the 15th birthday of Bill Schenck, also of Mallett. Fourteen attended the party at Carol's home. The music was supplied by Diane Danforth. Bill brought her 8-1/2 set and Jerry Martin was a hit playing polkas on the accordion. Some of the Willowbrook teen-agers who joined in the dancing and fun were Yvonne Schingock, Bill Beadle, Bill Johns, Richard Hurlburt, Sharon Lasky and Nella Lusk. A lunch was served and the centerpiece was a large birthday cake.

Novi State to Join In 11-Mile Approach

Motorists who have trouble turning off Grand River onto 11-Mile road may soon find relief. The Northville town board has agreed to join with the state in a project to build another approach to the 11-Mile road, near the Novi and Oldfield halls.

Board members agreed to give their share of the annual state gas tax rebate for the project. It amounts to about \$4,000. That would be matched by the Michigan State Highway Department.

Though surveys and acquisition of rights-of-ways must come before construction, the new road presumably would be finished by this fall — the time at which present Grand River will be re-routed to a county road. The site will thus lose jurisdiction over present US-16.

Main problem at present is that heavy traffic along Grand River blocks the entrance to 11-Mile road near the busy Novi road intersection. Drivers traveling east on Grand River find it almost impossible to enter 11-Mile road.

Girls Warned Of Pick-Ups

Young girls and parents were warned this week to be on guard against strange motorists after two Novi township girls were approached and offered a ride by a stranger.

Novi police chief Lee BeGole said the girls, both 16, were walking along 15-Mile road near Novi road when a driver pulled up, opened the door, and offered them a ride.

DYNAMITED SAFE at Novels Lumber company is examined by assistant manager Bud Murray after it was "blasted" Monday night by safe-crackers. Picked spotted by a Northville policeman, they made off in the darkness with the stolen cash. Police called by an amateur job.

Safe Robbed at Novels Monday

Two amateur safe-crackers escaped in the darkness Monday night after blasting apart a safe at Novels Lumber and Coal company on Baseline road. The safe was blown open with a charge detonated from the outside of the building, police said. Entry was made forcibly through a window on the west side and the safe was opened.

Edison crews were sent out to begin the repairs. The safe was worked until service was resumed, the spokesman said. The Northville fire department was called from 4:30 p.m. to 8:30 p.m. It apparently was caused by burned conditions in two power lines.

Now Mrs. Chauvin Says She's Guilty On Swindle Charge

Even Mrs. Yvonne Chauvin apparently isn't sure whether she is guilty of swindling Northville residents of some \$5,000 and possibly more.

The elderly ex-convict first admitted the swindles, and then last week pleaded not guilty to charges of obtaining money under false pretenses.

But Monday, scheduled to appear for trial before Wayne county circuit court Judge Frank Fitzgerald, she again changed her mind and entered a plea of guilty.

The motherly-looking woman is now held in Wayne county jail. Investigators of the probation department are looking into her history and will report to Judge Fitzgerald in several weeks. A psychiatric investigation may be included.

She then will be sentenced. Mrs. Chauvin is charged with swindling Northville residents of the money during several months stay in the city, after which she fled to Parma Heights, Ohio. She was apprehended there in December.

She has a long criminal record and served off and on in the Detroit House of Correction from 1936 until last April. Police list 22 aliases for the woman.

2 Engines Freeze As Home Blazes

A farmhouse was destroyed and two fire engines were out of commission in a flash fire during the bitter cold last Wednesday. No one was injured, but a blaze which burned to the ground an aged farmhouse at 4718 7th Mile road.

The house, owned by Tony Messina, of Detroit, was occupied by Leonard Goss. According to Novi director of public safety Lee BeGole, Goss cannot be reached to determine whether his family — if any — has yet found a place to live.

4 SLATES FORMING FOR PRIMARY VOTE

Mothers' Polio March Next Thursday Night

Joining thousands of mothers throughout the country, about 20 members of the Novi Mother's club will stop at every lighted porch in the 26 square mile township Thursday evening, January 31, in the annual "Mother's March" against polio, club president Mrs. Royal Snow announced this week.

Mothers will take to the road about 7 p.m., and hope to return to the Novi Community building by nine o'clock Monday.

According to Mrs. Snow, volunteers from other organizations may be needed if Mother's club members are unable to canvass the entire area.

In addition to funds derived from the Mother's March, the Novi police will receive \$500 from the Novi Community Council fund to boost the total.

No goal has been set for the march. Mrs. Snow said that the lack of other polio fund raising in Novi this year could be a factor in contributing to a larger total than in the past.

Contributions to the polio drive may be made directly to the Mother's club. Mrs. Snow pointed out, in case residents are not home on the night of the drive.

Willowbrook Man To Head Rail Group
Fred V. Costello, 4244 Willow Lane in Willowbrook Village, has been elected chairman of the Railroad Community committee of Detroit, it has been announced.

Costello, public relations manager for the Chesapeake & Ohio Railway, succeeds Clarence C. Palmer, assistant to the vice-president of the Grand Truck Western.

Other committee officers elected for 1957 are Frank A. Botwin, court, division freight agent, Wash Railroad, vice-chairman, and Arthur C. Yates, Jr., freight representative, Baltimore & Ohio Railroad.

Walled Laker Injured As Car Leaves Road
A Walled Lake man was injured slightly early Saturday morning when his car ran off the road and struck a tree on East Lake drive near 14-Mile road.

The township health department was advised this week to bring their pets for rabies vaccinations at the Novi township hall on February 10.

Dog licenses are compulsory for dogs to be licensed under the provisions of the township hall on the same date, according to clerk Hadley Bachert.

Plan AMVET Dance At Wixom Saturday
The post home in Wixom will be the scene of the Novi AMVETS dance this Saturday from 9:30 p.m. until 1:00 a.m. Modern and square dancing will be featured. The public is invited.

Four different slates were shaping up this week as Novi township politicians began a turning their eyes toward the coming township primary election on February 18.

Democratic candidates are unopposed in the primary. It is expected to be the most vigorous campaign in the history of Novi township primaries. Various committees already are plugging their candidates with brochures, posters and individual voter solicitation.

Of the three Republican slates, the one headed by incumbent supervisor Fraser Staman is the most complete. It offers candidates for every office on the ballot.

A second GOP slate has candidates for every office but constable. A third has candidates for supervisor, treasurer and trustee.

The single Democratic slate has candidates for clerk, board of review, and constable.

Indications this week were that the three primary slates would hold open forums in the next few weeks in order to present their programs to the public. Platforms made public so far include a host of aims and promises. Some are general, some specific, but all refer to pressing township problems ranging from administrative facilities to administrative policies.

Though new voter registrations are slow, the primary nevertheless is expected to see the biggest turnout in Novi township history. The township had its highest election last November, and those voters are eligible to vote again in February.

The three Republican slates: —Sponsored by "Novi Township Citizens for Good Government"; supervisor, Herbert Gintswilber; clerk, Hadley Bachert; treasurer, Harry Wilson; trustee, Harold Miller (incumbent) and Frank Clark (incumbent); board of review, Kenneth C. Oak (incumbent); constable, Vern Loeffler (incumbent); Dr. Arcy Young, and Don Arter; justice of the peace, Edmund P. Yon (incumbent).

—Sponsored by "Republican Committee for Better Local Government"; supervisor, Herbert Gintswilber; clerk, Hadley Bachert; treasurer, Harry Wilson; trustee, Stanley Balon and Gordon Prino, Jr.; board of review, Leo Harwood; justice of the peace, Robert K. Anderson.

—The third GOP slate: supervisor, Frank Flannery; treasurer, Fred White; and trustee, Jack Tomalis.

In addition, one Republican candidate is unaffiliated. He is Frank Davis for trustee.

The Democratic slate, sponsored by the Novi Township Democratic township committee under direction of supervisor, Herbert Koester; treasurer, Kenneth DeHays; trustees, L. G. Biri and Eugene A. Martin; justice of the peace, Joseph Ardita.

BIRTHS

Mr. and Mrs. Joseph Shipley of Clewiston report the birth of a son, Frederick Charles, on January 12.

Peggy Price, who teaches at Wixom school in Livonia, brought her class of 28 third graders to her parent's Northville home for a snow party and refreshments last week.

Mr. and Mrs. Charles Lapham of West Main street announce the birth of a son, Scott James, on January 16. He was born at William Beaumont hospital in Royal Oak and weighed seven pounds, 13 ounces.

Mr. and Mrs. Oscar Hammond, 17th district president of the American Legion Auxiliary, Mr. Hammond, Mrs. John Nevin and Mrs. Harold Redford of Redford township were at the Otter Lake Children's Bazaar Friday, maintained by the Legion for children of veterans. They entertained five children whose birthdays occur in January, assisted by members from the 18th district. Birthday cakes, ice cream, treats and gifts were provided and games were played. This program is carried out each month by the districts and auxiliaries from the entire state.

Mr. and Mrs. Oscar Hammond, Mr. and Mrs. Howard Wright and Ray Altemberg were in Owosso last Sunday attending the third zone child welfare meeting of the American Legion and auxiliary. Mr. Hammond, third zone vice-commander, conducted the meeting with the assistance of the department of child welfare committee from the Legion and Auxiliary. General discussions of problems pertaining to the child welfare program were participated in by the 175 attending.

News Around Northville

Kent Bradshaw, son of Mr. and Mrs. B. Bradshaw of Sheldon road, was one of ten Denison University Air Force ROTC cadets who flew to Maxwell Air Force base in Montgomery, Alabama last week to visit the base, the new Air University facilities, and the Air Force ROTC headquarters. He is a sophomore at Denison, Granville, Ohio.

Dr. and Mrs. E. B. Cavell left Sunday to tour Florida for a few weeks. Grandson Casey Cavell and his wife will stay at the Cavell home during their absence.

Dr. and Mrs. E. B. Cavell attended the wedding of Casey Cavell and Gail Blanchard in Pontiac Friday night.

Diane Ambler, daughter of Mr. and Mrs. R. W. Ambler of West Dunlap, will entertain four friends for a party on Friday in honor of her ninth birthday.

Greig Chapman and Harold Wilcox freshmen at Michigan State University, recently pledged Beta Theta Pi fraternity. Greig is the son of Mr. and Mrs. A. Chapman of High street, and Harold's parents are Mr. and Mrs. Elmer Wilson of West Main.

Mrs. C. Oscar Hammond, 17th district president of the American Legion Auxiliary, Mr. Hammond, Mrs. John Nevin and Mrs. Harold Redford of Redford township were at the Otter Lake Children's Bazaar Friday, maintained by the Legion for children of veterans. They entertained five children whose birthdays occur in January, assisted by members from the 18th district. Birthday cakes, ice cream, treats and gifts were provided and games were played. Mr. and Mrs. Claude Smith Make Home in Northville

Mr. and Mrs. Claude E. Smith

White gladioli, palms and can delabra provided the setting for the December 20 wedding of Mildred Redd of Plymouth and Claude E. Smith, son of Mr. and Mrs. Claude A. Smith of Baldwin avenue, Northville.

The former Miss Redd's parents are Mr. and Mrs. Everett Redd of Plymouth.

Reverend John Walsajak performed the evening ceremony at the Plymouth Assembly of God. The bride's gown was of traditional white tulle with lace over-sleeper satin. It had a fitted bodice, long sleeves and a semi-cascade arrangement.

Jean Campbell, sister of the bride, was matron of honor. Her gown was of ice pink, princess style, with a boat neckline short sleeves and matching crownlet. She carried a semi-cascade arrangement of red carnations.

Miss Sharon Reader, cousin of the bride, and Miss Margie Baker, niece of the bridegroom, were bridesmaids in gowns identical to the matron of honor.

Debra Smith, niece of the bridegroom, was the flower girl. She wore a short red and white organza dress. Ring-bearer was Bobby Smith, nephew of the bridegroom.

Robert Smith, the bridegroom's brother, was best man. Ushering were Bob and Edward Redd. Mrs. Redd, mother of the bride.

For her trip to Grayling, Michigan, the new Mrs. Smith wore a winter white knitted sheath dress with matching accessories and a corsage of red roses.

The couple is now making their home in Northville.

Miss Sylvia Hollis

Local Girl Now Graduate Nurse

On Friday evening, January 18, Miss Sylvia Hollis of Beal avenue graduated from the Grace hospital school of nursing at the Helen Handy Newberry auditorium in Detroit.

Sylvia and her 11 classmates were presented with gold pins, diplomas and pink and white graduation corsages. She was followed in the lounge of the Nurses Home for friends and relatives. Immediately following the reception, Sylvia was guest of honor at a dinner held at Mario's in Detroit.

During her senior year, Sylvia was presented a nursing achievement award. The award made for the first time was based on academic achievement and professional standards during her schooling.

Girl Scout Council Elects New Officers

Plans are now in progress for a Girl Scout card party to be held Thursday, February 21 at the Community building. Tickets will be available from Girl Scouts and Brownies.

Recently elected officers of the Girl Scout Council for 1957 are: Mrs. Rano Papini, president; Mrs. John Bagle, vice-president; Mrs. George Bradford, treasurer; Mrs. Milley Allen, secretary; Mrs. James Howarth, secretary of leaders; Mrs. Paul Brown, camp area chairman; Mrs. Charles LeFevre, supply chairman; Mrs. F. Schwarz, organization chairman; Mrs. Francis Gasly, registrar; Mrs. W. A. Foreman, swimming chairman; Mrs. Francis Jennings, education chairman; Mrs. Gerald Doub, leader chairman; Mrs. Alford Permenter, publicity; and Mrs. H. Handorf, judge chairman.

ANNOUNCING THE NEW 1957 COLOR PHOTO CONTEST OF SCENES AROUND NORTHVILLE

FOLLOW THESE SIMPLE RULES:

- This contest is being held to encourage the use and improvement of Photography among the people of Northville, Plymouth, Livonia, Farmington and South Lyon and is open to all. Employees of Johnson's Jewelry and Gift Shop and their families are not eligible.
- Contest opens February 1st, 1957 and closes June 1st, 1957.
- Prizes will be in Silver Dollars.
- The prizes will be awarded to the contestants whose transparencies with color prints are judged best by Jean and Carl Johnson. In case of ties, duplicate prizes will be awarded.
- Color prints with transparencies are eligible, and each contestant may submit no more than six prints with transparencies. There are restrictions as to print size. They are to be unmounted, of any size up to 5x7.
- Color prints must have secured to it a filled-in entry blank, available only at Johnson's Jewelry and Gift Shop—124 E. Main, Northville. Information requested on the blank should be printed or typewritten. Failure to provide full information on entry blanks will disqualify the print.
- All prints must be scenes of Northville or Northville Township, such as: Churches, Schools, Business District, Track, Horses, Spring, Community Building, State Hospital, Maybury Sanatorium, and other interesting Northville subjects. Scenes should be taken in both summer and winter.
- All entries not qualifying and non-winners will be returned. Others will become the property of Johnson's Jewelry and Gift Shop. Prize winners will be announced in the newspaper ten days after the closing of the contest. Prize winning transparencies and prints including all reproductions and promotional rights become the property of Johnson's Jewelry and Gift Shop. Winners will be required to furnish model releases where necessary in judgment of the contest.
- Decision of the judges is final.

FREYDL'S CLEANERS AND MEN'S WEAR

We Own and Operate Our Own Cleaning Plant 112 E. MAIN NORTHVILLE PHONE 400

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Waffles and coffee - and sausage or bacon, will be a breakfast or lunch treat for the family even after warmer weather arrives. Mrs. Al Pritchard prepares to pour the batter - her special waffle recipe.

If you're one of the many whose time for making breakfast is all too short, here's a recipe for waffles that can be prepared two or three days before use. Mrs. Al Pritchard of Novi road, says that part of the secret is in the mixing and in addition of vanilla. This recipe makes four large waffles - but even if it's not all used at once, the batter can be stored for the next morning.

WAFFLES
3 cups sifted all purpose flour
3 teaspoons baking powder
1 teaspoon salt
2 tablespoons white sugar
4 large or 5 small eggs
2 1/2 cups sweet milk
2/3 cup butter (solid oil or margarine) may be used
1 teaspoon vanilla, if desired
Melt butter or shortening in soft ball stage. Mix all dry ingredients in large bowl.

What Northville Girl Scouts Are Doing

BROWNIE TROOP 7 - Members of Troop 7 fringed and put the Brownie insignia on their bright yellow scarves at their last meeting. Daisies cups and candy can cookies were brought by Patty Burden in honor of her tenth birthday.

GIRL SCOUT TROOP 6 - At their last meeting Troop 6 sang songs and got their parts for their play.

GIRL SCOUT TROOP 18 - The members of Troop 18 began making marionettes. They had the nibble and closed with the friendship circle.

GIRL SCOUT TROOP 17 - Troop 17 held a court of awards and invested Andrea Biss, Judy Lonn, Leisa Swartz, Connie Kenner and Dian McIsaac into the troop.

Two Plays Brought To Woman's Club

A Jewish girl in hiding from the Nazis during World War II and a cockney lass who became a lady - both were brought to life before the last week's meeting of the Northville Woman's club by guest speaker Mrs. L. Hart Wright.

Mrs. Wright who has been director of little theater groups in Oklahoma City, Fenton, Michigan and Ann Arbor, read excerpts from the Broadway hit, "Diary of Anne Frank" and George Bernard Shaw's "Pygmalion", filling in the story line as she read.

The first play uses the actual diary of a girl whose family was in hiding for over two years during the Nazi purge, a contrast to the comedy of the second, on which the current musical, "My Fair Lady" is based.

Members have fun and win prizes while losing excess weight. For more information, call Winnie Harris, Greenleaf 4-9897, or group president Betty Peterson, Greenleaf 4-4850. The group meets on Thursday evenings from 7:30 to 10 p.m.

Bradshaw to Give Decorating Hints

"Decorating Highlights" will be the topic of Bruce B. Bradshaw, decorating consultant, when he visits the February meeting of the Northville Woman's club. Presented by the J. L. Hudson company speakers' bureau, Mr. Bradshaw has been engaged to be directed toward a better understanding on how to achieve attractive rooms through the application of good taste in selecting a style, floor covering, fabric or color scheme.

Mr. Bradshaw works with decorating materials when he talks and will demonstrate ways in which color scheme can be developed. Furniture arrangement will also be discussed. He will conclude his program by inviting questions from his listeners.

Mr. Bradshaw has been engaged in interior decorating for the past 25 years. At present he is awards and invested Andrea Biss, Judy Lonn, Leisa Swartz, Connie Kenner and Dian McIsaac into the troop.

Justice Bogart Performs Ceremony

Dorothy Gruber Lang of Detroit and Fred Leonard of Plymouth were united in marriage Saturday evening, January 19 by Justice E. M. Bogart, Mr. and Mrs. Douglas Kossy of Detroit were the attending witnesses.

"BELIEVE" & "BELIEVE"

Most every person that has been exposed in any degree to Christianity knows that one is made right with God by believing. John 3:16 is one of the best known verses in the Bible which tells us "that whosoever believeth in Him, should not perish but have everlasting life." Everything hinges upon that one word "believe." Surely this does not mean "just believe anything" as some so foolishly suppose. One must believe the "truth" if he is to be saved. If one rests his eternity on a lie, then he shall suffer eternal condemnation because of his following the false way. There is another sense in which people err, and it is to be found by comparing the accounts in Acts 8:25 and Acts 16:34. In the first case of Simon the sorcerer, he believed and was baptized. But what follows shows that he was never saved for he was "still in the bond of iniquity." In the last account, the sheriff of Philippi believed and was able to rejoice in his new found salvation. Both believed - yet one was not saved, the other was. What was the difference? A careful study of the account with Simon indicates that there was no real repentance and therefore was not in position to exercise real faith in Christ.

Cadillac

Pride of the Neighborhood!

It is a happy occasion indeed when a new Cadillac first appears in the driveway of its happy owner. As you would expect, it signals the most joyful of family celebrations - and occasions the heartfelt congratulations of friends and acquaintances. But you might be surprised, we think, to learn of the widespread rejoicing which the arrival of a new Cadillac frequently inspires. In fact, the car invariably becomes a source of genuine pride and satisfaction throughout the entire neighborhood in which it resides. Surely, in view of this, you should consider a Cadillac this year. We will be happy to put you behind the wheel at any time for a personal demonstration. In fact, why not come in and see us today?

News from Willowbrook

Eva Hollis, mother of Mrs. Bud Brines of Mendoc Brook, has returned home to Chicago after a month's visit here.

Bob McKean of Meadowbrook and Bob Coleman went rabbit hunting in Fenton. Lack wasn't with them for they came home empty handed.

The mothers of the Cub Scouts, Don One, met Wednesday night at the home of Mrs. Clifford Hayward of Michigan. They made plans for the future activities of the scouts.

Jerry and Dolores Locker of Glen Ridge enjoyed a dinner party Sunday in Dorset Pointe at the home of Mr. and Mrs. D. Noonan.

A ninth birthday party was held Sunday for David Ames of Mooringside. Those who helped him celebrate were Teddy Bank, Mr. Randy Calliguri, Charles Thackway, Craig Pownes and his brother Ralph Ames. They all enjoyed the show and then returned to the Ames home for ice cream and cake.

Howard Swick of Meadowbrook spent a week in Lansing on business.

Mrs. P. V. Voelcker's visit here will be one to remember. She enjoyed a trip to Northland Friday with her daughter, Louise Ranno, of Michigan. Sunday she and the Rannos were treated to a dinner and show by the Ralph Redmonds of Birmingham. On Thursday the Don Dorfs are taking them out to dinner at the Grosse Pointe yacht club and tomorrow Mr. and Mrs. Elwood P. Engel are entertaining them at their Bloomfield Hills home and a late dinner at Dearborn Inn.

Ethel and Robert Stover of Glen Ridge had a housewarming Sunday afternoon. Mrs. Kermit Nolte of Nine Mile organized the party. Twenty-one couples came from Northville, Dearborn, Detroit and Whitman Lake.

Irene and Jim McCormick of McAnahan spent the evening Saturday at the home of Mr. and Mrs. Bill Deering of St. Clair Shores.

New Residents
We have four new residents on Willowbrook drive. Gloria and

Martin Bowen of 23860 Willowbrook drive are former residents of Detroit. They have one daughter, Nancy, who is 3½. Mr. Bowen is employed by the Cranford Electric Firm Tool company in Grosse Pointe City. Gloria likes to sew and now living on Virginia street in Plymouth.

Mrs. Harry Steele of 12 Mile road is at her home with pneumonia.

Mr. and Mrs. John Power, recent newcomers to Novi, have a new baby son, born December 23. Mr. and Mrs. Power, formerly of Oak Park, are originally from Pittsburg, Pennsylvania. Mr. Miller is a sales engineer for the Aluminum Company of America which is located in the New Center building, Detroit. Their interests include bridge, ice skating, golf and gardening.

Mr. and Mrs. Edward Mandlik of Clarkston had Sunday dinner with their parents, Mr. and Mrs. Fred Mandlik after which they all attended the Detroit auto show.

Mr. and Mrs. Garland Killeen of Rock road announce the birth of a son, Jeffrey Simon Noonan, January 7. Mrs. Killeen's mother, Mrs. Simon, came from Connecticut last week to see with her daughter for a few weeks.

Mrs. Edna Lang is now nursing at the Novi Convalescent Home.

Mrs. Clare Lockwood was very pleasantly surprised when 14 ladies in her bowling team came to her home for a housewarming at the Lockwood home on Shaskan street, Wolverine Hill. They brought in the slippers and presented Mrs. Lockwood with a beautiful clock. They spent the evening playing several different games.

The Methodist Youth Fellowship group had a roller skating party at the Riverchase in Detroit. Rose is a former commercial artist and still likes to paint in her spare time. They both enjoy swimming and tennis.

Clubs
Gladys Earl of Ten Mile held the Willowbrook Pinchle club at the Ten Mile road home of Alden Carter. Kay Buck won the first prize. Alden Carter came in second and Alice Clemens won third. The booby prize went to Cecelia Beech. After playing a luncheon was served. The next meeting will be at the home of Helen Waugh.

The Coffee club met Monday at the home of Ben Diem on Le-Baet. Those able to attend were Pat Finner, Jackie Morse and Jean Radtke.

Church Plans Revival Meeting

There will be a series of revival meetings beginning January 27 at the Church of Jesus Christ, Corner of Canton Center and Cherry Hill at 7 p.m. nightly. Guest speakers will be brother Artell Garrigus of Plymouth and Brother Ed J. Smith of Garden City. Everyone is welcome.

A baptismal service will be held January 27 at 10:30 a.m. at Christ Temple Church, Salem.

Legion to Honor Former Officers

Northville American Legionnaires soon will honor their past presidents and past commanders with a special dinner-dance program.

Lloyd H. Green Post 147 will sponsor the annual event February 9 at 7 p.m. in the Legion Memorial Home.

Members promise a "complete" new and different act" along with the traditional dinner and dance. Good food, refreshments and fellowship also are on order. Tickets may be purchased from post and auxiliary members. More than half the places already have been spoken for.

Seven new members were officially inducted last night by the Northville Optimist club in ceremonies presided over by the Optimist's lieutenant governor.

Inductees were Ray W. Doelen, Robert L. Hart, Russell R. Reimer, Donald Van Ingen, M. Foster Howell, Ron Schipper and Otis Tewksbury.

FREE TREATS

Knowing how to pick the right score of the high school basketball games has resulted in free meals, sodas and banana splits for many Northville high students. Here's the list of latest winners in Paul's Sweet Shop weekly contest: Gloria Hollis, Keith Steinhobel, Jim Burrell, William Smith, Bob Allen, Fred Schwartz, Mike Myers, Rusty Weston, Jackie Riley, Steve Judy, Harry Seaman, Jeff Goodrich, Lou Ann Gow, Fricella Hillen, Bob Baker, Dave Ryder and Dick Biery.

Photo Contest

Color photography enthusiasts of the area will have an opportunity to win cash prizes for their entries in Paul's Sweet Shop weekly contest. Entries should be mailed to Johnson's Jewelry & Gift Shop of Northville announced this week a contest for best color photos taken of this area. Carl Johnson stated that contestants may enter as many color prints as they wish, but entry blanks must accompany each print. Scenes of Northville, its business firms or streets, churches, buildings, track, horses, etc. taken in either winter or summer are requested. The contest will begin February 1 and continue until June 1. Entries may be obtained at Johnson's. Full details of the contest are on page two.

A STATEMENT TO THE CITIZENS OF NOVI

BY FRANK DAVIS

First, I want to thank each and everyone of you who signed petitions for me to be a candidate on the board of trustees.

I am extremely interested in our township politics, but had no intention of entering local government until a group of people, whose friendship I hold dear, had circulated the petitions and I was in politics. Bless your hearts! I am a Republican and therefore not running against any other Republican. I know all of them to be gentlemen and scholars and casual observation will convince anyone that they are judges of pretty women, and if you can't see me as a trustee vote as you please, but please vote.

I'll be the first to congratulate the winner. See next week's issue for my platform.

—Pal. Pol. Ad

MEMBERS of the Western Wayne county board of realtors met recently to install new officers of 1957. Shown above at the ceremony are: George Cunningham of Wayne, secretary; Leon Merriman of Plymouth, retiring president; Edward Martin of Wayne, vice-president; John McFarlane of Garden City, president; and Don Merritt of Northville, treasurer. D. J. Stark of Northville was installed as a new member of the group.

Guest Speaker Scheduled for PTA

Dr. Lore Hirsch director of outpatient service at Northville State hospital, will speak on "Some Manifestations of Emotional Problems in Everyday Life" at tonight's meeting of the Parent-Teachers Association.

Dr. Hirsch is an assistant professor of psychology at Wayne State university. She is a graduate of the medical school of Heidelberg university in Germany and received psychiatric training at Bellevue hospital in New York.

Her experience includes serving as senior psychiatrist for the department of hospitals, city of New York, and section chief in the psychiatric division, U.S. Veterans' Administration in the Bronx, New York. In 1954 and 1955, she was clinical director of psychiatry at Wayne County General hospital at Elmhurst.

Dr. Hirsch is a frequent speaker on mental health topics. The P-T-A program committee feels that this program is an outstanding one for the 1956-57 year and hopes for a record attendance. Tonight's meeting begins at 8 o'clock in the Community building.

Immunization Clinic In Salem Tuesday

A clinic to provide immunization against diphtheria and tetanus (lockjaw) and smallpox vaccinations will be held Tuesday, January 23, at Salem Union school under the auspices of the Washtenaw county medical society, announced Dr. Frank Bethel, president.

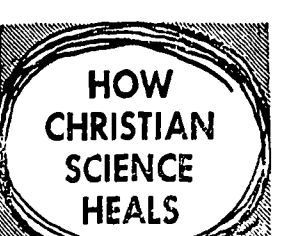

Parents can assure that their children will receive these protective measures by signing a simple request slip which will be sent home by the school. A separate request must be signed for diphtheria-tetanus and smallpox vaccinations. No child will be given the immunization unless he has a signed request slip at the time the clinic is held.

Shots given at Salem Union will be for children from South Salem Union, Lapham's Corners, Wash Oak, Free Church, Frain's Lake, Geer and Superior Townships.

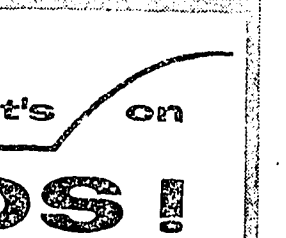

The truly illustrious are they who do not court the praise of the world, but perform the actions which deserve it. —George Henry Tilton

Auxiliary Reviews Christmas Work At Last Meeting

Rehabilitation and child welfare activities were reported at the regular meeting of the local Auxiliary Unit No. 147 last Wednesday. Each year the Christmas season brings heavy demands of service for families, hospital patients and local needy veterans.

Mrs. C. Oscar Hammond, Maybury hospital chairman for the auxiliary, reported the supervision and distribution of Christmas gifts and personal items for 132 patients at Maybury Sanatorium, Eastlawn Rest Haven, Whitehall Rest Home and Livonia Home. On Sunday, December 23, about 25 members of the Legion and Auxiliary gathered at the Legion home and personally visited each veteran and presented the gifts. Posts and auxiliaries came from Farmington, Redford township, Livonia, Plymouth and Northville to assist in this project.

Many low needy families and children were supplied with food, clothing and toys by the local organization.

Earlier in the month the ladies worked on the Gift Shop program at the Dearborn and Ann Arbor VA hospitals, where each veteran selects gifts, without cost, for the members of his family. The gifts are gaily wrapped and mailed to his family. This program is carried out by the ladies auxiliary each year throughout the United States in all VA hospitals.

The local post and ladies also remembered their own children earlier in the month, when a Christmas party was held December 19. About 60 attended the program of movies, games, refreshments. Santa presented a gift and candy to each child.

The coming months will be busy ones with program on legislation, national security, community service, child welfare, poppy days and choosing Girls State delegates.

Members are urged to come to the next regular meeting which will be held at the Memorial home next Wednesday evening, January 23 at 8 p.m.

Obituaries

ALYCE M. FISHER

Mrs. Alyce M. Fisher of 515 Novi avenue died January 18 at University of Michigan hospital in Ann Arbor. She was born May 14, 1913 in Souris, North Dakota to William and Mary Mankam. Surviving are her husband, Walter, of Novi avenue, and her parents who live in Costa Mesa, California. Mrs. Fisher had lived in Northville since 1942 and was a registered nurse at Maybury Sanatorium. She was a member of the American Nurses Association. Funeral services were held January 21 at the Caterline Funeral Home, Rev. John O. Traas officiating. Burial was in Rural Hill cemetery.

WARREN A. HOWARD

Funeral services were held Tuesday for Mr. Howard, who died January 19 from injuries sustained in an automobile-train collision in Plymouth. He lived at 240 North Mill street, Plymouth. He was born September 29, 1906 in Bay City, the son of Harry S. and Hilma Howard. Surviving are his wife, Leola; a son, Roger Wilson, and a brother, George, of Bay City. Mr. Howard had lived in Plymouth for 19 years. He was supervisor of the local fire department, Dunham Steel division, Townsend Products corporation. He was a member of the First Presbyterian church of Bay City, and a charter member of the Elks lodge, Plymouth. Services were held from the Caterline Funeral Home, Rev. Henry Welch of the First Presbyterian church, Plymouth, officiating. The body was cremated yesterday, January 23.

Popularity is a crime from the moment it is sought; it is only a virtue when it is bestowed without their will or not. —George Savile

New Adult Classes Set In Plymouth

Eleven new courses have been added to the list of subjects offered by the Plymouth Recreation department during the second semester of the adult education program. Six old classes have been discontinued.

The new additions include: flower arranging taught by Mrs. A. T. M. Peterson; handwriting analysis by Mrs. Lucille McKibbin; creative poetry by Harold Hartley; camera club by Mrs. Robert Daring; household mechanics by Bob Eiseley; home gardening and landscaping by Bill Saxton; modern philosophy by Dr. Henry Welch; parent and child behavior by Leo Subotik, Ph.D.; Americanization - Citizenship and basic English for the New American by Mrs. Florence Kraus; successful speaking and persuasion, and interpretive dancing by Aleta Christie.

Those classes discontinued are: child development; reading, writing and arithmetic; silk screening; enamelled jewelry; plastic workshop; and chair caning.

Registration for the second semester will begin the third week in January. Classes get underway the week of February 4. For further information call the recreation office, Plymouth 885, extension 4 or 23.

Men's Club to See Slides of Missions

The Men's club of the First Methodist church will meet in the Fellowship hall at 6:30 p.m. next Monday, January 28 for dinner and a slide showing by Rev. Ivan Hodgson.

The pictures were taken by Rev. Hodgson last summer during a trip with a contingent of young people, visiting many of the home missions in the south and southwest United States. The group slept and ate in churches, parsonages, mission schools and similar institutions obtaining much knowledge of the workings of the missions and conditions in mission areas.

Dinner will begin at 6:45.

Rotary-Exchange Hosts Ex-resident Now Dow Executive

A former Northville man, Gene Perrin, will be guest speaker at next Wednesday's 9 o'clock meeting of the Northville Rotary and Exchange club at the Methodist church.

Perrin was recently promoted to staff assistant with the Dow Chemical company. He was a member of the Northville high school class of 1931, and is a graduate of Michigan State university. Perrin now lives in Midland with his family.

His father, E. E. Perrin of North Center street, was mayor of Northville in the early 1940's.

The Rotary and Exchange clubs combine their meetings four times a year, alternating as hosts.

Northville Schools Cited by Red Cross

The two Northville elementary schools recently received recognition in the American Junior Red Cross magazine for their part in holiday charitable activities.

According to Miss Ruth Knapp, R.N., Northville school nurse, the magazine noted the activities of three rooms in the schools.

Mrs. Edna Huff's fourth grade room at Main Street school was cited for making Halloween, Thanksgiving and Christmas favors for patients at Adickson Memorial and Seasons hospitals.

The second grade at Main Street school, under Mrs. Inabell Spooner, was recognized for providing special holiday favors for patients at Adickson Memorial and Seasons hospitals.

Kindergarten students at American school, under Mrs. Ann Chizmar, were cited for filling 30 evergreen boxes to be sent where needed by the Junior Red Cross.

Hot Rodders Ask for a Break

To many a mechanically-minded young man, there is no beauty like the beauty of a sleek and powerful automobile — especially if it has been designed and built by himself.

It is the beauty of a faultless machine... of a mass of metal functioning as near to perfection as he can make it... of controlled power ready to do his bidding.

But to many parents and neighbors, these young men — who in another decade may be designing the nation's autos — often are regarded as irresponsible hellions of the road. And to them is given, therefore, the overworked and oft-disgraced name of "hot-rodder."

Northville has a small group of "hot-rodders", and they too must face this uphill struggle to be recognized as sincere young mechanics and designers, rather than as upstarts who endanger lives and burn up the highways in a search for thrills.

The Northville Modified Auto Club, with 18 active members, is fully sanctioned by the Exchange club and the Northville Recreation Department. And working with the boys is officer Eugene King of the Northville Police department. The club is no haphazard group.

Faced with growing pains the past few years, the club is not yet fully in operation. There has been no organized competition, and only two cars are ready to roll.

But the club has made progress. Members meet twice a month in the Scout Hall. A set of by-laws (violation of which means expulsion from the club) has been drawn up. Officers of other non-by-club visit with the Northville boys, explaining how they might conquer problems that face them.

And whenever a club member sees a motorist in trouble on a Northville street or highway, he is duty-bound to stop, show his identification cards and do what he can to get the stranded driver moving again.

Meanwhile, club members are working on their cars — "snapping" up motors, "leading in" the bodies, "chroming" the engines, and turning chugging has-beens into perfectly tuned machines.

The day will come, they hope, when they can enter competition. But it won't be a drag-race down a Northville side street, or a manical joy-ride out on a highway. Instead, it will be a well-controlled test of auto against auto on a course that won't interfere with other drivers or cause mothers to gather their children off the streets.

The spirit of competition will be the same that thrills the flower-grower or the photographer, and — with its safeguards — will not be any more dangerous.

Says Officer King, their adviser: "All they need is a chance to show that they can and will live up to the true principles of hot-rodding. Those who race around city streets are only hot-rodders by name, not in principle."

Auto Clubbers to Sponsor "Poker Run"

A "poker run" will be sponsored Saturday by the Northville Modified Auto Club.

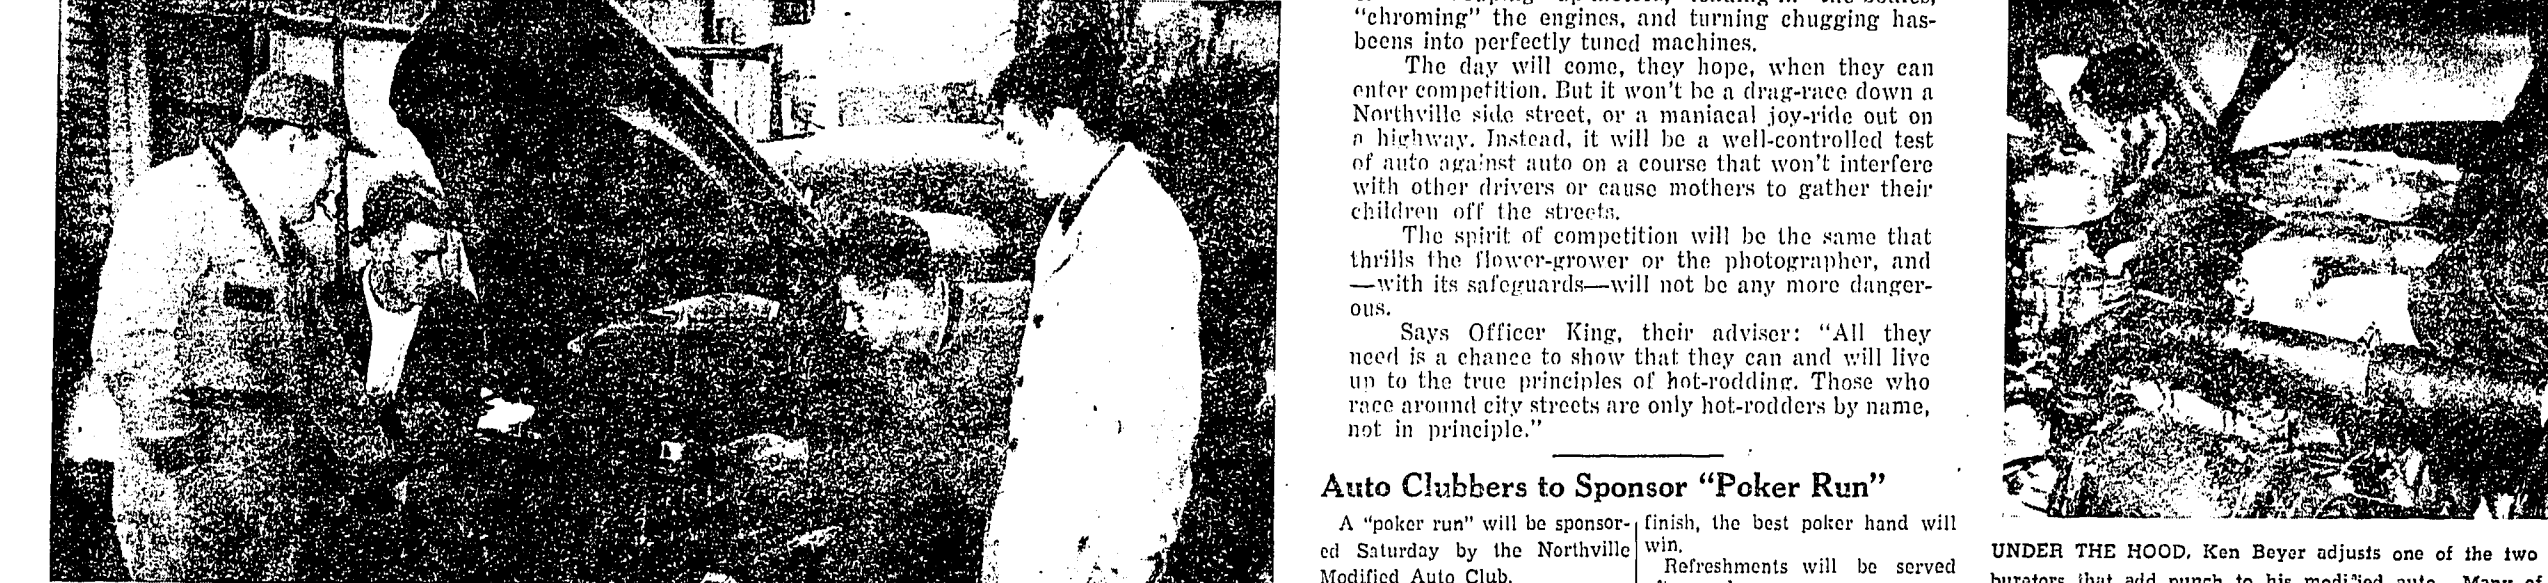

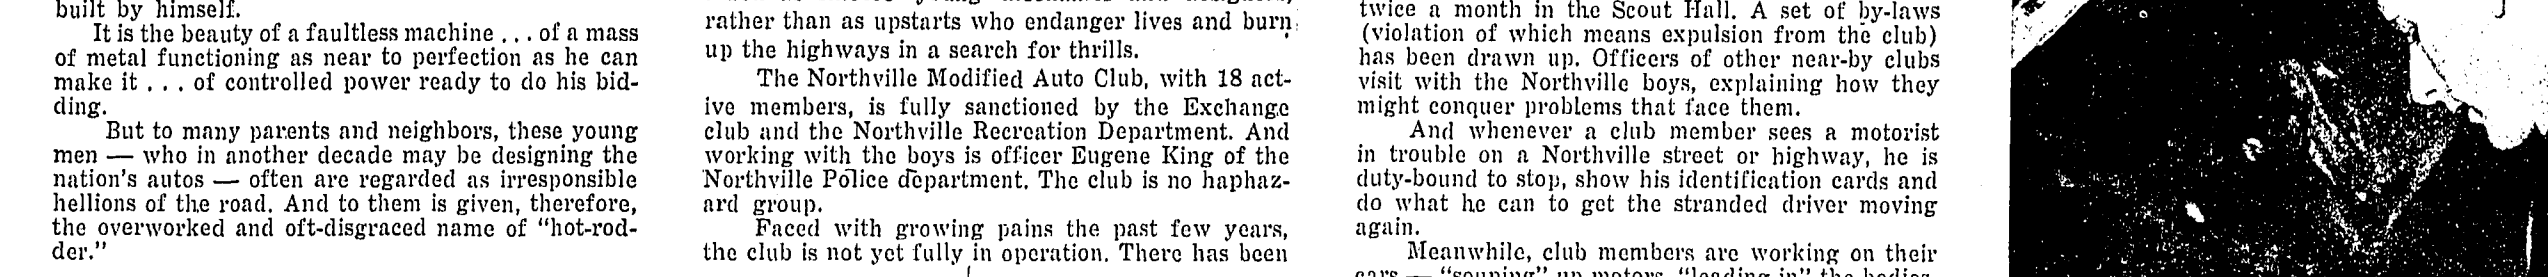

With four percent to a car, contestants will drive a supervised course, picking up playing cards at each of several stops. At the finish, the best poker hand will win.

Refreshments will be served afterwards. Those interested are to meet at the scout hall at 7 p.m., with warm clothes, flashlight, compass, crow bar and boots.

UNDER THE HOOD, Ken Beyer adjusts one of the two carburetors that add punch to his modified auto. Many of the engine parts are chrome-plated, not only for looks but also for durability and cleanliness. Modifying an engine is the most time-consuming job facing a hot-rodder.

THE NOVI NEWS

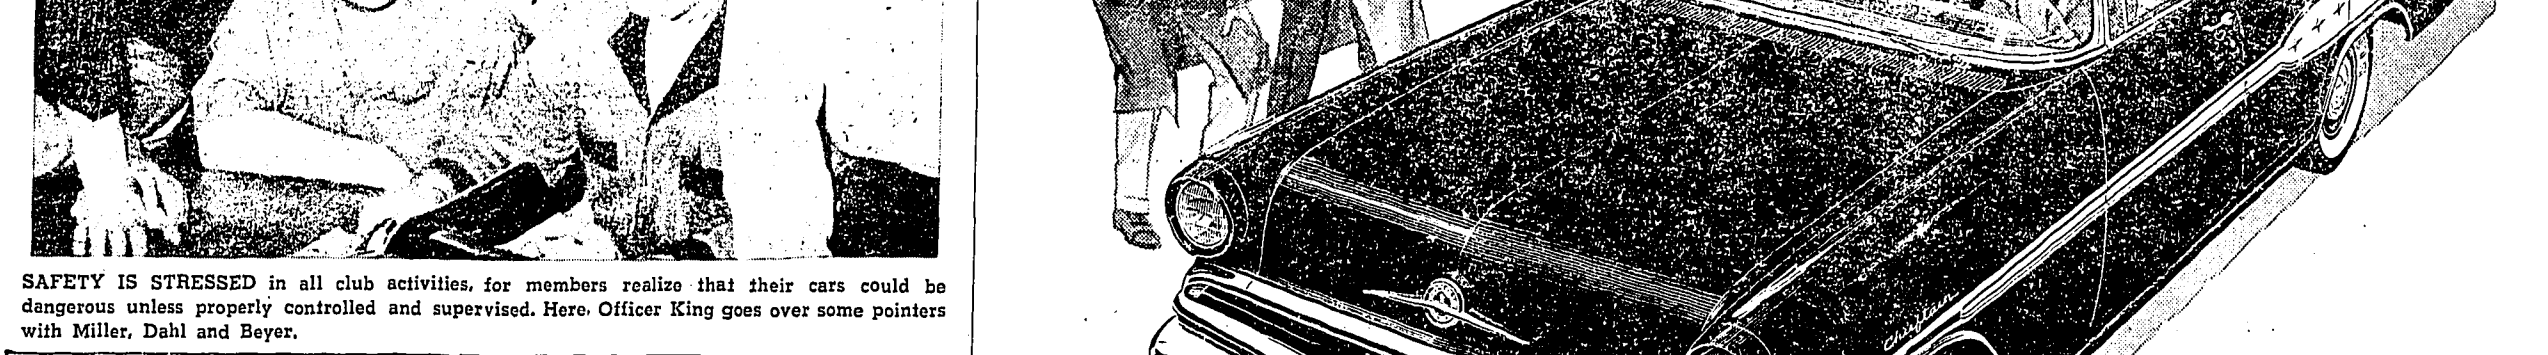

SPRINGPORT BINDERY SPRINGPORT, MICH

TRIM LINES AND POTENT ENGINE of one of the Northville Modified Auto Club's cars are examined by three members and Officer Eugene King, the club's adviser. Left to right are King, Ken Beyer (owner of the car), Dave Dahl (painting) and Vic Miller. By comparing notes experimenting, club members learn how best to improve their own cars.

SAFETY IS STRESSED in all club activities, for members realize that their cars could be dangerous unless properly controlled and supervised. Here, Officer King goes over some pointers with Miller, Dahl and Beyer.

NO WONDER **Most Guesses are Hundreds Too High!**

If you think this Chieftain Pontiac looks out of place in the low-price field, you've got plenty of company. But there it stands... in solidly with the so-called low-priced three—a big, bold, beautiful eye-opener with not a thing to remind you of its very modest cost. Start with looks. Here's the distinction of clean, unfrenzied, straight-to-the-point Star Flight lines that are built in, not improvised. But it's in the performance department that the price guesses really run wild! Drive it and see for yourself. Pontiac's big 347 cu. in., 10 to 1 compression ratio V-8 doesn't know what strain is, no matter what you demand of it. New precision-touch handling makes "driving effort" a term only for your memory book. And the Chieftain's 122-inch-wheelbase Level-Line Ride is so smooth that only the passing road signs remind you that you're earth-bound. In fact, nothing in the low-price field even comes close to matching the Chieftain in power, wheelbase or features! But if you think all this is beyond your reach, a visit to your Pontiac dealer for a talk about price will put you in that wonderful club of new-car owners who have discovered that Pontiac's rewriting the book in the low-price field!

Blades to Flash at Skating Races Sunday

Speed skaters in Northville will keep anxious eyes on the skies and thermometers this week end as time nears for them to show their skills in the annual Northville skating races Sunday. The yearly event, one of the most popular of the year, will be held at the Northville skating rink at 1 p.m. at the Northville skating rink. Co-sponsored by the Northville Optimist club and the Northville recreation department, the races will draw skaters beginning in age at six years. In all some 40 races will be staged at the rink. The complete list of events for boys in Sunday's skating races: —6-7 years: 50 yards, 100 yards, 220 yards. —8-9 years: 50 yards, 100 yards, 220 yards. —10-11 years: 100 yards, 220 yards, 440 yards. —12-13 years: 100 yards, 220 yards, 440 yards. —14-15 years: 100 yards, 220 yards, 440 yards. —16-17 years: 220 yards, 440 yards, 880 yards. —18 and over: 220 yards, 440 yards, 880 yards. The complete list of events for girls: —6-7 years: 50 yards, 100 yards, 220 yards. —8-9 years: 50 yards, 100 yards, 220 yards. —10-11 years: 100 yards, 220 yards, 440 yards. —12-13 years: 100 yards, 220 yards, 440 yards. —14-15 years: 100 yards, 220 yards, 440 yards. —16-17 years: 100 yards, 220 yards, 440 yards. —18 and over: 100 yards, 220 yards, 440 yards.

Caper of the Week

NELSON SCHRADER holds down a center spot on the high-flying Mustangs basketball squad this year. Standing 6' 4" and weighing 210, "N.C." also was a standout at tackle on the championship Northville football team last fall. Only a sophomore, Schrader will have two more full years of scholastic competition in Northville before going to Michigan State University. He is the son of Mr. and Mrs. Nelson Schrader, Jr., 118 Orchard drive.

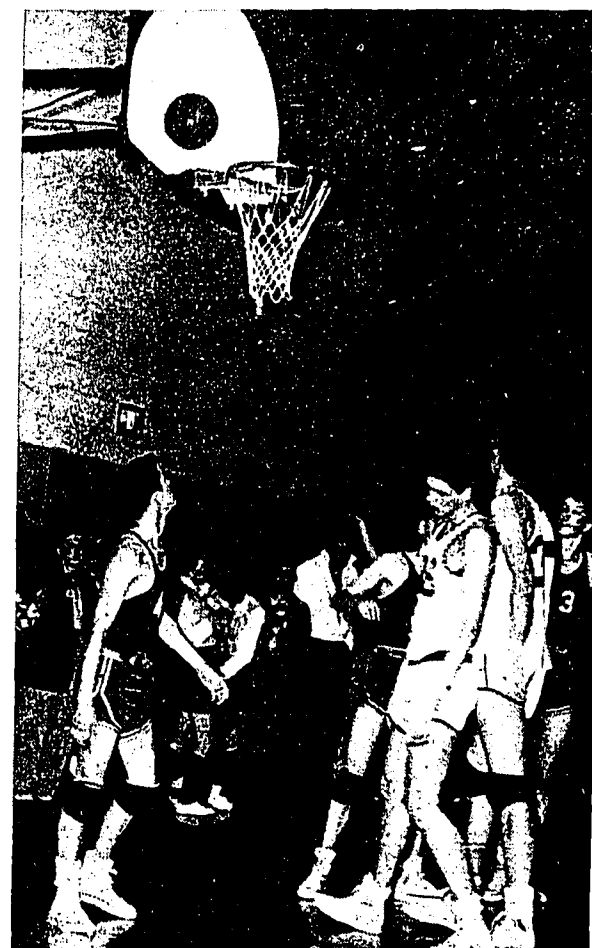

Even 3-Point First Quarter Can't Stop Victory Streak

Mustangs Bump Clarkston In Sluggish 43-37 Contest

In some respects it was their worst game of the season, and in others it was their best. But the net result of Northville's 43-37 win over Clarkston Friday night was the same as it has been after each of their league games so far this season: another stride toward the Wayne-Oakland championship. With it, Northville became the odds-on favorite for the title, and only a major disaster now seems capable of stopping them. After an incredibly slow start against Clarkston, in which the Mustangs blazed into life and ended the game with their hottest shooting yet. During the first half, Northville hardly seemed like the same team that at one point in the season had bucketed 30 points in a single quarter. Primarily, their slow-down was due to unbelievably inaccurate shooting — as they sank only one basket out of 18 shots and made but one free throw in the first period. Their shooting percentage for the quarter, a lowly 5.6, certainly the worst mark in the league this year. But after warming up slightly in the second quarter and going off the court with the halftime score at 14-14, the Mustangs came on like a house afire and topped Clarkston with ease. Asked before the start of the second half what his strategy would be for the rest of the game, coach Stan Johnston replied: "The only strategy we need now is hitting the basket. If they will end it the same way they are going into it — solidly in first place. And in the fourth quarter, despite the Wolves' determined and dogged pursuit, Northville hit on an amazing 70 percent of its shots to take the contest. The Mustangs' proved Johnston's word good. During the third quarter, they sank 56 percent of the shots to build up a 28-20 lead. And in the fourth quarter, despite the Wolves' determined and dogged pursuit, Northville hit on an amazing 70 percent of its shots to take the contest. The Mustangs' proved Johnston's word good. During the third quarter, they sank 56 percent of the shots to build up a 28-20 lead.

SOMETIMES THEY JUMP — as they are doing here, with Northville forward Jeff Goodrich and a Clarkston caper going up for the ball in the game last Friday, won by the Mustangs.

AND SOMETIMES THEY DON'T — as they are doing here. But the reason wasn't discouragement or lack of hard play. Instead, the final buzzer had just blown, giving Northville its 7th straight victory and a firmer-than-ever grasp on first place.

Colts Split Two For 500 Mark At Mid-Season

Paced by forward Bob Starnes, the Northville Colts brought their season record up to an even 500 Friday night by rolling over the Clarkston junior varsity, 45-27. Starnes, a consistent high-scorer for the Colts, tallied 10 points in leading Northville to its fourth win against four defeats.

The Colts won the game by getting off to an early start and then holding their own in the second half. They were ahead 8-4 at the quarter and then zoomed to a 25-8 halftime lead. From then on, Northville and Clarkston played an even ten. Coach Al Jones called the performance "very pleasing" and "one of their best games yet," noting that the Colts ended the game with a 60 percent scoring average for the contest. Aside from Starnes, highest scorers were Fred Schwartz (8), Dennis Fallon (7) and Ed Willenberg (6). The previous week, Class A Thurston's reserve put on a third quarter spurt to win a tight game, 49-41. The two teams played neck and neck for most of the game, but crucial baskets by Thurston's Walkover wrapped up the game for the host team. Schwartz, with 14, and Starnes with 12, again led the Colts. Scoring for the game: NORTHVILLE 2 8 15 8 14-45 Clarkston 4 2 7 14-27

Keep Off the Ice!

Skaters have been asked not to use the mill pond until Sunday's skating races so as to allow it to harden after the warm weather earlier this week. Recreation director Stan Johnston had hopes that the melted surface would refreeze "like glass" but noted that premature use of the pond would be likely to ruin it for the races.

LOOK! ... more than a car ... more than a truck

LOOK again! IT'S THE NEW FORD RANCHERO

Looking at the boldly modern styling of the new Ford Ranchero, you may find it hard to believe that it's actually a man-sized truck. But, you'll find there's a lot of belt behind the glamour. It carries more than half a ton. That's more capacity than many standard pickup trucks offer you. Leading height is less than any pickup. No matter how you look at it, the new Ford Ranchero is a real workhorse. And it's a show pony, too! The Ranchero looks, rides and handles like a passenger car. Its low, crisp lines have a wonderful way of saying how progressive you and your company are. The new Ford Ranchero is surprising in many ways. Never has so much style and luxury been packed into so rugged a vehicle at such a low price.

See 'em soon! First of a great new line of FORD TRUCKS for '57 Marr Taylor Ford Sales 117 WEST MAIN ST. NORTHVILLE PHONE 1320

SENIORS COMPETE FOR SCHOLARSHIP
Preliminary examinations in connection with the Sixteenth Annual Science Talent Search were held Wednesday, December 30 at Northville high school under the supervision of E. V. Billson, principal.
Students taking the science aptitude test were Bernhardt Mueller, Gary Holman, Murray Lyke and John Schwartz.
Forty boys and girls who lead in the preliminary examinations will be the topic of a lecture on the scholarships. One contestant will be selected by a board of judges to receive a Westinghouse Grand Science Scholarship of \$2,800 (\$700 per year for four years). One contestant will receive a Westinghouse Grand Science Scholarship of \$2000 (\$500 per year for four years) and 2000 additional in scholarships will be awarded.

from the PASTOR'S STUDY

AS I LISTENED...
Along with millions of other people, I witnessed the recent inauguration of our President. The simplicity of this ceremony often betrays the depth of its significance. At times it seems almost profane. Yet, there is a dream for us too. Our dream must harmonize with God's dream. Retreating to the time to find out what God's dream is made; what we are trying to do in life; and why we are failing.
Perhaps the part that thrills me most is the simple, yet powerful statement of supplication... "So Help Me God." Recently, I read an article about the historical and present-day significance of this phrase, and as I read I was reminded of the oath of office, but was added by our first President... not in a mandatory way... but as a prayer of supplication.
Each of us can sense the emotional implications of this prayer... "so help me God." In it we pray for wisdom and for strength.

Christian Science Lecture Scheduled
How spiritual understanding of God brings freedom from sin, disease, and discord of every kind will be the topic of a lecture on Christian Science to be given Thursday evening, January 31, by Louise S. Karpen of New York City.
Open to the public without charge the lecture will be sponsored and offered by members of Fourth Church of Christ, Scientist, 5246 West Chicago Boulevard at 8:00 p.m. The lecture will be given in the auditorium of the church, 7:30 p.m. Chancel Choir, 7:00 p.m. Cub Pack.

200,000 Teachers Needed Each Year, Says U-M Educator
Northville is not alone in its school problems, it appears. Schools will have to enlarge their teaching staff more in the next 10 years than in the previous 10 years, says a study by the University of Michigan.
"To find an adequate supply of teachers involves a task that will tax our wisdom and our means, but it most certainly will not exceed our powers," he says.
Mrs. Karpen is currently on an extended tour as a member of the Christian Science Board of Lecturers. Prior to entering the public practice of Christian Science healing, she was engaged in the teaching profession for many years. She is authorized teacher of Christian Science.

MARCH OF DIMES
In developing the circus theme, the Symphony will take its listeners to a day of the circus, from dawn on the great day, the welcoming of the circus train, the parade, the menagerie, the circus, and the adults in our community. We are especially concerned with this time with encouraging capable young people to consider open. Children of all ages are urged to attend.

FIGHT INFANTILE PARALYSIS
JANUARY 2-31
Never absent from your post, never off guard never ill-humored, never unready to work for God—is obedience; being "faithful over a few things."
—Mary Baker Eddy

don't dread WASH DAY
EVER THINK HOW convenient public telephones are? They're your phone away from home. When you're out shopping or traveling, the public telephone is the best way for you to keep in touch. Call home if you've forgotten something you want to check on the children. Call ahead to let folks know if you're going to be late. Public phones, whether in convenient outdoor booths or in the stores where you shop, are ready to handle your calls. Let them help keep your mind at ease.

Get a GAS clothes dryer
END CLOTHESLINE CONFUSION
Don't suffer through another winter of hanging your clothes in a crowded, damp basement. Don't make the family dress and dryer soggy laundry. Make up your mind to dry clothes the modern, convenient way. Get an automatic Gas clothes dryer today and enjoy perfect drying conditions always. A Gas dryer dries clothes in minutes, eliminates the extra work and inconvenience of old-fashioned clothesline drying.

MICHIGAN BELL TELEPHONE LINES
SNOW IS FUN FOR THE KIDS. But it sure can be disappointing for grown-ups, especially when it means that trips to visit friends and relatives have to be called off. Don't let the miles keep you apart when blizzards blow and the weather isn't fit for man or beast. Get together by telephone. Long Distance rates are low and you can talk as long as you want. Remember, when Old Man Winter spoils your trip, enjoy a visit the comfortable way—by telephone.

Handwriting Course Begins In February
Registration for an eight lesson course in handwriting analysis at Northville high school will be held January 29 from 7:30 to 8:30 p.m.
Cost for the one night a week course beginning in February will be \$10. Registration will be in Room 1 at the high school.

Goodwill Pick-up Scheduled Tuesday
The next visit of Goodwill Industries pick-up trucks to Northville is scheduled for Tuesday, January 29. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.
To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Miss Edith Sorenson, telephone number 871.

A PROMISE KEPT—Recently I announced that one of my initial efforts in the 86th Congress would be to establish a permanent standing Senate Committee on Veterans Affairs. I introduced a resolution to accomplish that last week. Did you know that our 22 million veterans, their families and dependents constitute almost half the population? Surely we owe this large segment of our nation prompt and full consideration of its problems. The often neglected problem because of rising newspaper costs. Small businesses are being forced to curtail advertising. The Federal Trade Commission, at my request, is checking the situation. When a date is set for a Senate hearing, my body I have in mind would devote itself exclusively to veterans' matters: pensions, life insurance, compensation, vocational rehabilitation, hospitals.

INVESTIGATE!—That's what I've asked the Committee on Interstate and Foreign Commerce to do. I am urging a public hearing on the latest price hike by the newspaper industry. Within the past few years the price of newspapers has tripled. Profits of Canadian companies who supply 90 percent of our newspaper newsprint in some cases jumped 50 percent this past year.
American newspapers especially smaller ones, face a serious financial problem because of rising newspaper costs. Small businesses are being forced to curtail advertising. The Federal Trade Commission, at my request, is checking the situation. When a date is set for a Senate hearing, my body I have in mind would devote itself exclusively to veterans' matters: pensions, life insurance, compensation, vocational rehabilitation, hospitals.

TAX REBATE—When Uncle Sam moves into a community, local citizens usually are proud as punch. But when budget time rolls around, Mr. and Mrs. Taxpayer discover that distinguished company can be costly. Federal property is tax-exempt and that places a bigger share of the cost of local and state government on individuals and businesses. For some time I have been concerned over the amount of federal property which has been removed from local tax rolls in Michigan. The answer, I hope, lies in passage of a bill I co-sponsored last week. It provides for local governments to receive certain payments "in lieu of taxes" on federal property. Each case would be carefully screened, of course, but the net result should be relief for Mr. and Mrs. Taxpayer.

A Report to the People
EDITOR'S NOTE: It is the general practice of most elected officials to send regular newsletters to newspapers in the areas of their constituencies. As those items of state and national affairs are received by The Record, they will be published under the general heading of "A Report to the People."
A HEFTY SLICE of federal riders and harbors money is tagged "Michigan." Last week when President Eisenhower sent his Budget Message to Congress, it was a slice to note that our efforts for more improvements have been successful. I counted no less than 40 projects for our state, costing \$21,000,000. Smallest item is an investigation of the Augus River crossing \$4,000. Largest is \$10,000,000 for construction at the Great Lakes connecting channels. Other projects span the State from Keweenaw River Bridge and from South Haven to Au Sable. The Michigan State University, by the President of course, is a subject to Congress on individual Michigan projects as we take U.S. Senator Charles E. Foltz Republican

Bowles, a resident of Plymouth, was recently appointed to the circuit court by Governor G. Mennen Williams. Bowles has served as state chairman for the Labor-Mediation Board since 1951. His experience in mediating labor disputes dates back to 1922. He has engaged in general law practice in Detroit and Plymouth since 1945 and was associated with the law firm of Trentis M. Brown until 1947.

Plan Testimonial Dinner To Honor Judge Bowles
Invitations were being extended this week to civic leaders in Western Wayne county communities to attend a testimonial dinner in Plymouth for Judge George E. Bowles of the Wayne Circuit Court.
The dinner, slated for Tuesday, February 5 at the Mayflower hotel, will honor Bowles as the outstanding resident serving on the Wayne Circuit Court.
The program, under the direction of Nat Sibbold of Plymouth, will feature the Honorable Talbot J. Smith, justice of the state supreme court as speaker.
Invitations, limited to 125 for the dinner, will be extended to representatives of civic, educational, fraternal, religious, service and veteran organizations of Plymouth, Livonia, Northville, Bellefontaine, Redford, Canton, Nankin and Wayne. According to Sibbold, accommodations for nearly 200 will be available following the seven o'clock dinner.

Let's see the decisive factors in the '57 Inner Ford
They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!
The secret of Ford's nationwide success is this: it's a new kind of Ford... new from the wheels up... more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious, rock-solid unit. That's why, when you examine the new Inner Ford, you find a car that's new... clear through!
If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the loveliest, liveliest car in the low-price field is the completely new Ford. For the decisive factors, see your Ford Dealer.

Students Are Guest At Rotary Meetings

Many might be interested to learn that among the community organizations, the Northville Rotary club, as well as other Rotary clubs throughout the state, has a student present at each meeting to give him the opportunity of learning the group's purpose.

Plenty of Laughs At N-Club Initiation

Strange creatures invaded the halls of the high school last Thursday and Friday. No, they weren't from outer space, but they were just some of our athletes dressed in burly underclothes, trousers and tie all backwards, unmatched socks and shoes, they carried sacks containing candy, gum, onions, garlic and shoe polish.

Casting Begins For Junior Play

The junior class play was chosen by a committee of four juniors and Mr. Skow. The play they chose was "One Foot in Heaven" by Hartwell Spence which is about a minister and his family and the problems they encounter when they move into a new community.

Tuesday night, the 15th of January there was a meeting of those girls wanting to try out for the play.

Thursday, January 17, Mr. Skow held try-outs for some of the girls parts in the play. Three of these parts were cast, those of the mother, Mrs. Sandow and Molly.

American farmer. The program was broadcast on Saturday, January 12. On Thursday, January 17, Bernhard Muller, who debated negative on the farm in the Farm Price Support Program and Soil Bank, and want to compliment the high school students that took part first for the very capable way they put the questions; and second the general knowledge of the subject was

equal to or above the boys and girls in our Iowa State College course.

My question is 'how did and where did you get all this knowledge in a city school?' (twice and let me know briefly). I was very much impressed with the facts given by scholar and student Muller. He had the true and 'American Way' approach to his problem. I wish all politicians in Washington had the same convictions — we would soon get rid of the mess that should have been dropped in 1945 when the war was over.

By way of introduction I suppose I am classed as one of your 'efficient' small farm farmers and you, Muller did a very good job of defending efficient farming as it is.

Strange creatures invaded the halls of the high school last Thursday and Friday. No, they weren't from outer space, but they were just some of our athletes dressed in burly underclothes, trousers and tie all backwards, unmatched socks and shoes, they carried sacks containing candy, gum, onions, garlic and shoe polish.

They had to do whatever the present members of the club told them to do, such as transporting books from place to place, walking on hand and knees, chewing bits of onion or garlic, polishing shoes, washing blackboards and your thinking thrills all good Americans and you're just as popular in their sight as Trotsky is in the sight of certain teachers.

These lines are not for flattery but for encouragement.

POLISH JOB for Northville football coach Ron Schipper's shoes is applied by two neophytes at the recent initiation ceremonies of the "N" club. Giving a gleaming finish to the coach's shoes are (left) Dennis Fallon and David Ryder.

Many Scholarships Available To Reduce College Expenses

About this time of year, prospective college students begin to seriously ponder over the matter of what school to choose for the furtherment of their education. In the course of their planning, a big item enters the picture: expense and how to reduce it.

Lots of young people have found a scholarship to be the answer to such weighty problems. However, scholarships do vary from the entire cost of an education to a minimum of fifty dollars, none are too "petty" to be considered.

The State of Michigan offers a large number of scholarships to students planning to major in teaching. The most rigid requirement? Only those who will attend college in Michigan are eligible.

Miss C. Kay Clark, home economics teacher, recently received some application blanks for home economics scholarships to Michigan State University.

The widely-known Ford scholarship can also be considered by NHS students whose parents are employees of Ford Motor Company.

Michigan State University, University of Michigan and Wayne State University applications are available in the high school office all the time. Their scholarships, by the way, are very substantial and might prove worthwhile to look into.

The American Legion is sponsoring scholarships for boys only. The race for scholarships will really get under way in March for their personal use.

At the staff meeting Tuesday, a deadline was set for a contest that is to be held in the library. Each librarian is to compete against the others in the design of a new decorative book mark.

After the winning book mark is selected, it will be mimeographed and passed out to the students who are now ready for students!

"Hoof Prints"

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Panatieri. Editor — Emilie Segula Associate Editor — Michael Parr

Staff: Nancy Morrison, Margie Bondy, Phyllis Buonico, Nancy Lawrence, Roseanne Perrault, Brenda Wortman, Mary MacDermid, Gary Holman, Penny Niece, and Wanda White.

The Commercial club has been very active this past year. A journey to Depositors State Bank held many interests for the members. New things were explained and general business procedures were shown.

A dance, the "Santa Claus Hop", was held by the club on December 21, 1956 and was enjoyed by everyone.

The club is planning more trips in the near future.

This club encourages persons who are interested in the business world.

Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 6 o'clock p.m. of said day of election.

HADLEY J. BACHERT, Township Clerk

Men and Women in Uniform

DAVID L. LOULTON
Pvt. David L. Loulton, son of Mrs. Marjorie Loulton of 504 1/2 Plymouth Avenue, Northville, is participating in "Operation Ski-Jump" with the 1st Marine Division during the period January 7-23.

"Ski-Jump", a large scale maneuver utilizing land, sea and air forces of the Marine Corps and Navy, is taking place at Camp Pendleton California, and at sea employing over 50,000 men and more than 100 ships.

The 1st Marine Division, supported by the 3rd Marine Aircraft Wing, has been storming the beaches of the Camp Pendleton reservation since January 17 and will continue to maneuver ashore until January 23.

Both conventional land and air craft and the Marine conception of "vertical envelopment" by the use of transport helicopters are being utilized.

Practically all versions of modern warfare are being put into use: naval bombardment, amphibious landing, close air support, scout-borne infiltration, and mass evacuation and replacement.

One must not look far to see that this is an interesting and dangerous and should never have been allowed to go unprotected while children are going to and from school. Certainly this is one of the main duties of a police department — the protection of life and property.

I suggest without any loss of time, that the police officer and the fireman on duty go together in a radio police car and protect the crossing during school hours. One man should remain in the car to receive radio emergency messages, while the other directs the children safely across the intersection. Further, there should be safety patrol boys on all four corners to assist. But at no time should this crossing be unprotected by either a police officer, fireman or a school guard. I might add that speed control through Novi would be helpful.

Herbert Koester, President
Novi Township Democratic Club

Specialist Culp is a cook in Battery C of the division's 88th Field Artillery Battalion. He entered the Army in August 1956, was last stationed at Fort Chaffee, Arkansas and arrived in Europe in March 1956.

The 20-year-old soldier attended Bentley high school.

WANTS POLICE AT CROSSING

TO THE EDITOR: In reference to your recent article concerning school crossing at the corner of Grand River and Novi roads, it is being acted on by the Mother's club headed by Mrs. Royal Snow, president, with considerable back cooperation from our township officials.

One must not look far to see that this is an interesting and dangerous and should never have been allowed to go unprotected while children are going to and from school. Certainly this is one of the main duties of a police department — the protection of life and property.

I suggest without any loss of time, that the police officer and the fireman on duty go together in a radio police car and protect the crossing during school hours. One man should remain in the car to receive radio emergency messages, while the other directs the children safely across the intersection. Further, there should be safety patrol boys on all four corners to assist. But at no time should this crossing be unprotected by either a police officer, fireman or a school guard. I might add that speed control through Novi would be helpful.

SPEAKING for the Record

By BILL SLIGER

Probably one of Eisenhower's biggest boosters for re-election last fall was Charles Trickey, III. His father, Novi township treasurer, promised him a trip to the inauguration if he won. Young Chuck wasn't disappointed.

If you hear strains of Hawaiian music when you pass Northville Refrigeration these days, it's because Owner Chuck Hall is conditioning himself for a visit to the islands. His salesmanship won an all-expenses-paid trip for he and his wife in a contest sponsored by a national appliance manufacturer. The Halls leave February 1.

Since its first tumble to Plymouth, Northville's local lads will march easily to the Wayne-Oakland league title. Meanwhile, Plymouth is also leading its league and should finish on top. A return game between these two friendly rivals seems like a natural for some worthy charity. Perhaps a banquet for the teams could climax the game.

What's more, if we are inclined to play a small war, we'd bet that Coach Stan Johnston's boys would vindicate themselves for their season opening "off-night."

Employees of Northville's downtown area who are tired of feeding nickles into meters every hour or so can look for relief. Commissioners have decided to install a number of all-day meters (the 25c variety) at lots on Dunlap and on Center at Dunlap.

C. N. Dickey of Five Mile road was surprised one recent evening when he answered the door to find a teen-age boy, fighting back tears, holding a dead dog in his arms. The boy had struck the dog while driving past the Dickey residence. It turned out to be a neighbor's pet, but, said Dickey, "it proved to me that all teen-age drivers are not irresponsible, as we are sometimes led to believe."

18.17 miles per gallon
on North America's toughest truck run!

That's the gas mileage reported by the **Chevrolet** after covering the entire length of the **Alcan Highway** in less than 45 hours! All six new **Task-Force** trucks that made this run turned in scores for performance and economy!

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the **Alcan Highway** in less than 45 hours! This is a record—more than a full day of the average running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run is that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to prove their power up, high-climbing grades and through washouts. Frames and suspensions flexed their muscles over all-day runs and miles of punishing grade. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its frugal ability to stay on the job! Stop by, we'll talk about it.

Proved on the Alcan Highway
Champs of every weight class!

Michigan Mirror Births Lead Deaths 3 to 1 in Michigan

DO YOU HAVE more neighbors now than you did 15 years ago? It's entirely probable according to statistics released by Dr. Albert E. Heustis, state health commissioner.

Michigan's population passed the 7 1/2 million mark in 1956, says Dr. Heustis. What's more, the 3 million mark should be reached by 1960.

More births — less deaths are the biggest factors in the state's spectacular population increase. For each recorded death there are now more than three new babies entering the world in Michigan. In 1936 the birth rate was approximately 27 for every 1,000 residents. At the same time deaths continued below nine per 1,000.

The birth rate continues to grow according to Dr. Heustis. In 1941, the report states, "births surpassed 100,000 for the first time."

Medical advances continue to make inroads in the death rate. Maternity deaths decreased 90 percent in the past 20 years. The death rate for newborn infants is down 53.8 percent.

Among adults, heart disease and cancer continue as the No. 1 and 2 killers.

The "up-and-down" of medicine's fight against disease are recorded in the report. On the "good" side of the ledger, the fight against infantile paralysis makes the most dramatic showing. With the first full year of immunization this year, past, present and future, the Conservation Department asked Michigan State University researchers to conduct an extensive survey. The MSU study showed that 85 percent of the users were willing to pay a fee.

Yearling stickers are finding the most favor within the Conservation Commission. Wayland Ogden, deputy director of the Commission, states that stickers would entail less administrative costs. Individual fees would require that collectors be on hand at all state parks.

The Automobile Club of Michigan was one of the first groups to support the Conservation Department on their fee program. The Michigan United Conservation Clubs also are backing any plan the legislature adopts.

A jammed playground areas are forcing a decision. Park attendance swelled alarmingly after World War II and now reaches 12 million patrons yearly.

In Willowbrook: Hope to Begin Nursery

By Mrs. John Parent — Greenleaf 4-2080

Mitzie Olson of Coral Lake is interested in getting a co-operative nursery school started here in Willowbrook. The group would meet in different homes and work on their projects. If anyone is interested, please call Mitzie at GR-4-1369.

Mardi All Through With Washers Now

Little Mardi Hansen, 5, knows now that washers really do make very good gifts.

She thought so the other day, though, and slipped one on her finger. But after admiring it, she discovered it was there to stay.

Her father, George Hansen, 282 East Lake Drive, Walled Lake, tried everything but a Tupper jar to get it off Mardi's badly swollen finger.

Finally, Novi police took her to a garage and managed to get it off with a hacksaw. Mardi's finger was injured, but her curiosity in old washers was not.

Porchlights to Glow for Mothers' March Tonight

Porch lights will glow throughout Novi township tonight as a small group of women go out on their annual "Mother's March" against polio.

Flashers Okayed At School Crossing; Speed Limit Stays

The struggle for a safer school crossing at Novi road and Grand River ended in a draw this week with state officials approving safety flashers but refusing to lower speed limits.

The decisions came at a meeting last week between Novi Mother's club representatives, Novi supervisor Frazer Staman, school superintendent William Medlyn, and state police and highway officials.

"This isn't completely satisfactory," said club president Mrs. Royal Snow, "but we have done everything we can."

The state officials indicated that a new survey might even show need for a higher speed limit on Grand River. But they added that the whole situation may change when Grand River becomes a county road after the new expressway is opened.

Mrs. Snow expressed her thanks to the township board, school officials and everyone else who has helped in this matter.

The club will now investigate financing of the flashers, half of which cost will be paid by the state highway department.

Planning their march, the mothers will return to the Novi school building to turn in the petitions and join in the march on the same time in the afternoon.

Volunteers of other township women's organizations might join with the Mother's club to assure that the entire township be canvassed.

WIXOM INCORPORATION VOTE TUESDAY

When Wixom residents vote on incorporation as a village Tuesday, they will be making a decision that could vitally affect the growth and development of Novi township for years to come.

The question on the ballot is simple enough, but its implications are much larger.

Approval of the proposal could mean that Novi eventually would lose its most promising industrial area — including the vast new Lincoln plant. And with that area would go thousands of dollars of tax revenue.

If that happens, it is feared, the township would face a higher tax rate. As world headquarters of the firm, it very likely will attract other industry and possibly hundreds of homes to the area.

Observers think, however, that it will go through. They say Wixom residents have not discussed incorporation regardless of the hardships that may occur.

What's more, they point out that the Commerce side of Wixom has enough voters (some 400 or

MOTHER'S MARCH — Scenes like this will be repeated all over Novi township tonight when a score of mothers set out on their annual drive against polio. Here, Mrs. Jack Morris accepts a contribution from Mrs. Harold Jack.

Novi's Stake in Wixom Vote

When Wixom residents vote on incorporation as a village Tuesday, they will be making a decision that could vitally affect the growth and development of Novi township for years to come.

The question on the ballot is simple enough, but its implications are much larger.

Approval of the proposal could mean that Novi eventually would lose its most promising industrial area — including the vast new Lincoln plant. And with that area would go thousands of dollars of tax revenue.

If that happens, it is feared, the township would face a higher tax rate. As world headquarters of the firm, it very likely will attract other industry and possibly hundreds of homes to the area.

Observers think, however, that it will go through. They say Wixom residents have not discussed incorporation regardless of the hardships that may occur.

What's more, they point out that the Commerce side of Wixom has enough voters (some 400 or

Also to Name Commission For Charter

Wixom residents will go to the polls Tuesday to decide whether their community shall be incorporated as a village.

In addition, voters will elect a five-man incorporation commission which will draw up a village charter if incorporation is approved. There are nine candidates for the posts.

The election brings to a climax a quiet drive toward local rule that began last summer when residents signed petitions calling for a vote.

Included in the proposed village is a 10 square mile area in the east, and what would be an extension of Napier road on the west.

Some two square miles of the proposed village lies in Novi township and about eight square miles in Commerce township.

Observers report, however, that the election probably will carry. Since Staman doesn't need to depend on his salary for an income, he can afford to take the job regardless of his pay.

'Railroading' Charged at Novi Meeting

Heated charges of "railroading" and "election" should be "legitimate" and "flaming."

Bachert asked why such slight changes could not have been made without a special meeting. Staman replied that changes should be taken before the election.

Trickey claimed later that Mrs. Woodworth told him Staman had called her earlier that evening to offer her the job, and that she herself had not sought it.

"If that is so," said Trickey, "why didn't he call Hansor too? It looks to me like that job is just a political football in Staman's eyes."

No Action Planned By Detroit Paper

The Detroit News said this week it plans no action against Novi township candidates for using copies of its paper for campaign purposes.

Copies of the paper were reportedly distributed Sunday by the township with campaign material stapled to them.

The material was said to be in the hands of the township board and campaign manager.

Novi will vote February 18 on a rezoning proposal that would allow construction of a truck plant in Novi. Already approved by the township board, the proposal faces a public vote because of petitions submitted last December.

Willowbrook Church Plans Guest Speaker

The Rev. Norman Klump, superintendent of the East district Michigan conference to the Evangelical United Brethren church, will be the speaker at the Willowbrook Community church Sunday.
