SPEAKING for the Record

By BILL SLIGER

Councilmen got down to some plain talk last Thursday evening during the "public" hearing and approval of next year's budget.

Perhaps it was the complete stillness of the council chambers broken only by an occasional citizen looking for another meeting that stirred city fathers into a talkative mood.

Whatever the cause, before okaying the \$275,000 budget councilmen took a long look at the city's future and didn't like what they saw.

For one thing there would be no capital improvements under the 1957-58 budget. More alarming, race track revenues would have to be used to operate the city.

Councilman Allen said what the others were thinking: "If we use racing revenue for current expenses, what position would we be in without the track?"

The question is not unanswerable. The city manager warned that "we must stop doing everything for nothing... if we build streets, we must stop paying for sidewalks."

An increase in taxes was also discussed. Councilman Allen held that enough taxes should be collected to run the city without depending upon race track funds.

Next councilmen tossed around the idea of a bond issue. Some \$500,000 in street improvements face the city. As cost of labor and materials go up, each year this sum increases.

Most councilmen seemed to feel that a general bond issue was worth investigating. Councilman Reed pointed out that by doing the complete job in one program the city would save more dollars in the face of rising costs than the amount of interest on the loan.

White Welch agreed with this thinking, Allen took another view. He favored the slower, surer method. Get enough in taxes to operate the city and use track revenues to improve streets. This way, he reasoned, if anything happened to the track operation the city would not have a bond indebtedness.

Advocates of the bond issue pointed to the dollar saving and the increased cost of maintaining the present dirt roads in the city. Their plan was the same as Allen's; operate the city on taxes, but pay off a bond issue with the track revenue.

It all boiled down to the realization that if the city is to meet its improvement commitments, it must either (1) borrow money, or (2) raise taxes, or (3) do both. The fastest method—a bond issue—would take three to five years.

The final vote for approval of the budget, though unanimous, carried little enthusiasm. You could tell that by next year, there'll be some changes made.

Michigan Mirror

Constitution Vote

VOTERS WILL get a chance in 1958 to rewrite the constitution which has guided Michigan's state government since 1835.

Whether to call a constitutional convention will automatically go on the November, 1958 ballot.

Dozens of major amendments have been made to the constitution in the last 50 years, including state civil service, sales tax distribution, and reapportionment of the legislature.

The latter, adopted in 1923, is the crux of a new fight between political parties and will, in effect, determine the makeup of a constitutional convention if the voters order it.

Under another provision, a convention, a convention to write the basic law is composed of three delegates from each state senatorial district.

Democrats already are fighting for another system. The 1923 amendment created the "balanced legislature", with the House (110 members) representing people or population and the Senate (54 members) representing areas.

Democrats charge that a constitutional convention will be peopled by Republicans because traditionally, outstate voters send Republicans to the Senate.

Republicans retort that the voters approved the reapportionment amendment in 1952, thus tacitly agreeing to the procedure for electing delegates to a constitutional convention.

Despite their hold on the Senate and the makeup of a convention, the Republicans are fearful that any rewrite of the constitution might upset the reapportionment process.

Civil service, in effect since 1941, has a growing number of critics, and its champions fear the way Michigan hires its 27,000 employees would be changed.

Both parties agree that the voter has it in his power in 1958 to alter Michigan's government.

There have been numerous proposals in the past, including the adoption of the Nebraska system of a one-chamber legislature. Or a general convention could legislate bingo, propositionally deferring the 1958 election until a member of the Supreme Court to end 4 to 4 decisions.

One major point: No legislator may be delegate to a constitutional convention placing Michigan's government for a time squarely in the hands of the governed.

And, under the present constitution, the voters have a chance to vote automatically for or against convention—every 16 years.

Experts in Local Property Valuation Will Help Fix Property Tax Rates Next Year

Gov. Williams has signed into law a bill reorganizing the state board of equalization to include two new members, recognized experts in the fields of rural and urban property tax assessment.

The bill was sponsored by Senator John P. Smeekens (R-Coldwater), a former member of a board of supervisors who listened to the woes of local taxpayers.

"We will now have men on the board who know the local 'problem' as he said.

The two new members will replace the state auditor general and the director of agriculture.

Enactment of the law would take effect for the change to take effect this year. The board approved a 10 per cent across-the-board increase, totaling \$70,000,000 in new local property taxes.

The 1952 amendment created the "balanced legislature", with the House (110 members) representing people or population and the Senate (54 members) representing areas.

Democrats charge that a constitutional convention will be peopled by Republicans because traditionally, outstate voters send Republicans to the Senate.

Republicans retort that the voters approved the reapportionment amendment in 1952, thus tacitly agreeing to the procedure for electing delegates to a constitutional convention.

Despite their hold on the Senate and the makeup of a convention, the Republicans are fearful that any rewrite of the constitution might upset the reapportionment process.

Good Investments

Babson Park, Mass. — During the past winter I have used my spare time trying to decide what industries have the best opportunities.

Among these, the following seem to be the most promising: (1) The oil industry, supported by any of the large companies, The Chemical Industry, in which I consider the American Agricultural Chemical Co. of Florida one of the best.

Household Heating by uranium, with American Radiator and Standard Sanitary the most conservative and National U.S. Radiator perhaps the best speculation.

(3) Community Churches. The Church is the hope of America, but young people are giving less attention to formal creeds and the old religious dogmas.

MICHIGAN BELL TELEPHONE Lines

"MOM, can I stay at Tommy's for lunch?" Just a simple telephone message, but because of it Mom knows just where her youngster is. The telephone makes it easier to keep track of the children. Remind them to call you if they're going to be late getting home from school or if they stop off at a friend's house. And, Mom, you can check on Junior's whereabouts about just by calling the neighbor down the street. Why, not let your telephone help you all it can? It's always there, ready to serve you whenever you need it.

TELEPHONE OFFICES on wheels are being used in a number of fast-growing communities. Eight of these large trailers, carrying complete dialing equipment, are now in use. They were wheeled into rapidly built-up towns where the demand for telephone service increased faster than anyone could foresee. They serve up to 1,200 customers apiece. These trailers were put into operation in a matter of weeks. Michigan Bell was one of the first telephone companies to use this ingenious mobile central office to help provide service until telephone buildings can be enlarged to house permanent equipment.

BELL SYSTEM Credit Cards are now more convenient than ever. They make it so easy to telephone Long Distance when you're away from home. Just say to the operator: "I want to make a Credit Card call. My card number is..." Your call goes through and is charged to your own telephone. You'll find it comes in mighty handy when you're traveling or visiting in an area's home. So, if you don't already have a Bell System Credit Card, call our Business Office and ask for one. Credit Cards are furnished free of charge, of course.

Can Novi's Namesakes Shake that '500' Jinx?

Novi's two famous namesakes in the racing world will try again tomorrow to break the famous jinx that has kept them from victory in Indianapolis for 11 straight years.

Both Novi Specials — the most talked about jugs in the racing history — have qualified in the 33-car field that will roar around the old brickyard in Indianapolis in hopes of picking up a share of the \$300,000 that will go to the winning cars.

This year, as every year, the Novi "am" mis' Owner Lou Welch, a transplanted Californian who formerly lived in Novi and still owns the Novi Equipment company south of the township hall, has done everything possible to help the Novi's come home with the bacon.

He has two of the top drivers in the field — Paul Russo and Tony Bettenhausen, both of whom are veterans of 10 previous 500-mile classics. So far, it's paid off. Russo led all qualifiers with a near-record average of 141.8 mph for the 10-lap test, and Bettenhausen was close behind with 142.4.

Yet, the fact remains that the Novis are the all-time hand-luck machines of the classic. Despite their misfortune, however, the Novis have always been odds-on favorites to win the biggest of all auto races — even though they have killed two of the best drivers in the business, broken down seven times, crossed their own necks \$250,000, yet never won a race.

It all started in 1946. Driver Ralph Heppner had qualified at 134 mph — five miles an hour faster than any other car in the field. But on race day, it was a different story. Heppner started off fine, but at the halfway point, a piston and connecting rod disintegrated and as suddenly as it had swept around the track, the Novi was out.

The 1948 race was perhaps the most tragic of all, as the Novi's front end drive proved to be deadly. Heppner rejoined the Welch team for the race, and was lapping well in practice. Suddenly, the rear end began wiggling nervously, and as Heppner applied the power to bring it around, the car gave a lunge and hurled across the asphalt toward the retaining wall where it hit like thunder. Heppner, trying for the 16th time to win the big one, was dead.

But Duke Nalon, in the twin, was having better luck. Qualifying at 131, the fastest in the field, Duke was ahead at the 450-mile mark. But at 462 miles, as movie star Barbara Britton moved to victory lane to welcome Nalon, the Novi slowly slid to a stop. He was out of fuel.

More mishaps followed. In 1949, the Novi again was fastest in the qualifying field, but Nalon crashed and it came to a halt 300 feet away. Miller, his foot still jammed on the throttle, had died instantly.

The next week end saw the ill-fated Bill Vukovich win while Duke Nalon was making a hero of himself. On the northeast turn, another car careened crazily out of control in front of Nalon. To avoid a crash, he did the impossible — at 140 mph, he cut the wheels on the left, floored the throttle, braked across the infield, and came to a halt in a furrow of soft earth. All other cars were flung off the track and Nalon was given 11th place and the "Sportsman of the Year" award.

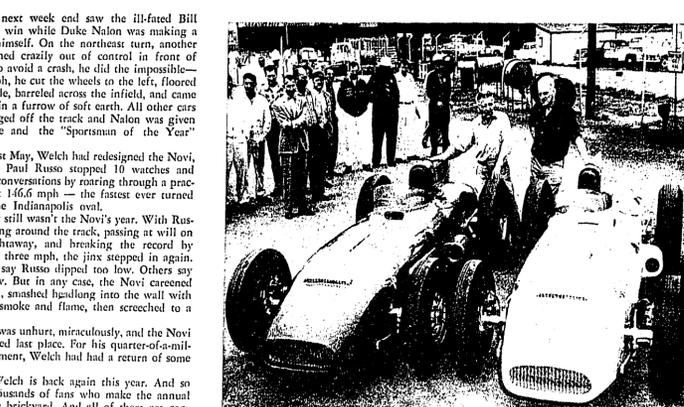

By last May, Welch had resigned the Novi, and in it Paul Russo stopped 10 watches and countless conversations by maring through a practice lap at 146.6 mph — the fastest ever turned out on the Indianapolis oval.

But it still wasn't the Novi's year. With Russo screaming around the track, passing at will on the straightaway, and breaking the record by more than three mph, the jinx stopped in again. Some say Russo dipped too low. Others say a tire blew. But in any case, the Novi careened into a spin, smashed headlong into the wall with a puff of smoke and flame, then screeched to a stop.

Russo was unhurt, miraculously, and the Novi was awarded last place. For his quarter-of-million investment, Welch had a return of some \$60,000.

Yet Welch is back again this year. So are the thousands of fans who make the annual trek to the brickyard. And all of them are confident that this is the year that the "car of tomorrow" will shake its jinx and come home with the roses.

The Novi's most powerful racers — The fabulous Novi Specials, which tomorrow will be out to show the racing world that they can beat the '500' jinx that has plagued them for 11 years.

WORLD'S MOST POWERFUL RACERS — The fabulous Novi Specials, which tomorrow will be out to show the racing world that they can beat the '500' jinx that has plagued them for 11 years.

Novi Highlights: In Willowbrook: Card Party Is June 11th

Twenty-one men enjoyed the Willowbrook Men's night, May 22 at the Novi Community building. The Novi showed movies of the Red Wings in action.

John and Ann Hallik of Moorhead announce the birth of seven pound, ten ounce daughter on May 19 at the Henry Ford hospital, Detroit.

Helen Bendle entertained her home on Border Hill. Her guests were Margaret Power, Helen Mitchell, June Synes and Margaret Locker of Royal Oak. Louise Baker of Pontiac, Sheila Blom and Elsie Garduski of Southfield township were also present. This is their 18th meeting of the year and they had as their guest, Florence "Dad" Dearborn, a former member.

Tom and Fay Dukes of Mplott flew to Pittsburgh over the week-end to visit the Don Cobleys, formerly of Willowbrook.

A bridge luncheon and fashion show at the Gross Pointe Yacht club was enjoyed Tuesday afternoon by Dorothy Fittery of LeBois. She attended the affair with her sister-in-law, Mrs. Harlow Stahl.

The Don Richmonds of McManis and four of their children attended the wedding Saturday of F. A. K. Koenig and Carmen Tafara at St. Mary Magdalen church, Dearborn.

Joe and Goldie McMahon of Westland are taking a trip to Cincinnati this week-end. They are going to have their son, Michael christened while they are there, and Patrick McMahon.

Mrs. Howard Stine of McManis entertained Mrs. Krywicki of Livonia and Leticia Callum of Dearborn for luncheon Wednesday.

Mike Bronstadter of West LeBois celebrated his fourth birthday May 18 with a family party. His sister, Connie, celebrated her ninth birthday Saturday with a birthday party. Her guests were her classmates from Olivet school in Northville.

New Residents Mrs. Gertrude Hennessey, aunt of Mrs. George Mairs, is expected to arrive at the Mairs' home home this week to attend the wedding. (Continued on Page 10)

Novi Parade to Honor War Dead

Novi township service and civic organizations will pay a special tribute to the nation's war dead in Memorial Day observances tomorrow.

Highlight of the occasion will be a mile-long parade from the Novi township hall to the Oakland Hills Memorial Gardens in the morning.

Novi Memorial Day observances will begin officially at 6 a. m. tomorrow with flag-raising ceremonies at the home of Art Trotter on Grand River. The flag has been donated by Trotter in honor of World War II veterans.

At 10 a. m., the parade — longest yet in Novi history — will leave the township offices and follow a path up Novi road to the cemetery. Climax of the ceremony will be special Memorial Day services at the beautiful veterans garden in the cemetery.

In the line of march will be members of the Kenner AMVETS Post 76, its color guard and color bearers, auxiliary, firing squad and membership.

Also marching will be the Novi Drum and Bugle Corps, Gold Star Mothers, Blue Star Mothers, Walled Lake Veterans of Foreign Wars, VFW Dads, and VFW Auxiliary, Novi Oddfellows and Novi Rebekahs.

The parade also will feature army and police equipment. Positions will be made for any other organizations which wish to march in the parade. Members need only to assemble at the township hall before 10 a. m.

Veterans who have recently moved into the area have been extended a special invitation to take part in the parade.

Immediately after services at the cemetery, Novi citizens will participate in the Walled Lake VFW parade.

Cars and buses will be available for persons unable to march in the parade. Cars also will return parade participants to Novi.

Set June 11 Date For Hearing Of Annexation Case

A suit brought by Novi township contesting the annexation of 82 acres by Northville will finally have its day in court.

June 11 was set as the date Monday by the Oakland county assignment clerk as the date for trial of the suit involving 82 acres surrounding the American school.

The case will be heard in circuit court by Judge Clark J. Adams.

Annexation of the land took place in an election held last August. Novi township filed a suit claiming the election invalid. The protest stated that all citizens of the township and not just residents of the area to be annexed, should have voted.

The case was first sidetracked by an effort on the part of Northville to appeal a decision of Judge Adams to fill the post of township attorney.

After the request was denied by the high court, Novi entered into a period without legal counsel. Two weeks ago Anthony Renne was named as successor to Arch LeBois.

Renne and Philip Ogilvie, Northville city attorney, appeared before the assignment clerk in Pontiac Monday. Both agreed the June 11 date.

In addition to the question of who should vote, Novi expects to contest the validity of the amendment to the statute allowing the secretary of state to call special elections.

It is possible that a decision will be handed down by Judge Adams on the day of the trial.

Northville recently lost an annexation case to Novi involving 100 acres north of Baseline and west of Novi road. The suit was brought by Warren Products. The Oakland county circuit court ruled the election invalid. The transaction is expected to be completed soon.

Juvenile Crack-Down in Store

Three weeks ago, a gang of young toughs broke into a car near Walled Lake, slashing its tires and smashing its windows in.

A month ago, a Northville youth was beaten on a lonely Novi township road. The school would serve some 20 youngsters.

Delroit or its immediate outskirts. Very low, BeGole said, are from Novi. All this makes for a busy summer for Novi police as well as for law officers throughout Oakland county.

What's more, the vast percentage of the troublesome youths are from Detroit or its immediate outskirts.

Many of the incidents were minor — just dirt work over applying to teenage drunkenness, bullying and chasing around.

Northville Woman Returns From Mission Tour of South

Recently home from a Friendship tour of the Presbyterian board of national missions is Mrs. Howard Meyer of West Eight Mile road.

Mrs. Meyer was one of five Michigan women chosen by the board to represent the Detroit Presbytery.

Other members of the group were Mrs. Bruce Fleming, president of the Michigan Synodical Society; Mrs. J. C. Conert, president of the Detroit Presbytery; Mrs. George Hawley, National Missions secretary, and Mrs. Philip Sherman, Presbyterial area representative.

The caravan visited Pikeville college at Pikeville, Kentucky to view the damage caused by the recent flood. In some places, the swollen river completely covered homes and business establishments.

From there they traveled to Barber Scavia college in Concord, North Carolina; to Harbison Junior college at Irmo, South Carolina; Boggs academy at Kewville, Georgia; and Gillespie-Selden at Cordale, Georgia. While in the Blue Ridge Mountain area, they visited the home of Billy Graham, evangelist.

The last stop for the travelers was Sunset Gap, Tennessee, where a September wedding is planned.

A program is being built around the many colored slides taken by the group, which will be available to churches in the near future.

At their last meeting, members of Troop 6 discussed more about the campout they will hold and also marching in the Memorial Day parade.

Mr. and Mrs. Paul Lemson of East Main street announce the birth of a daughter, Bonnie Lou, on May 17. She weighed seven pounds, one and one-half ounces.

What's Cooking?

FAVORITE RECIPES OF NORTHVILLE HOMEMAKERS

FINAL TOUCHES were put on her daughter's wedding cake three days after it was baked by Mrs. Guy Cockendall for daughter Marlene's wedding several weeks ago. The Cockendalls have another daughter, Sherry, who is 14.

Coming up is June, a month for weddings — and wedding cakes.

And Mrs. Guy Cockendall, who lives on Seven Mile road, recently proved that it's both possible and inexpensive to bake a wedding cake at home.

She recently baked the cake that was served at the wedding reception of her daughter, Marlene, and Clifford Shoebright, who were married May 18.

Her cake was made in four tiers, one layer each measuring 14 inches, 12 inches, 10 inches and 8 inches.

—Topped with her own special butter cream frosting, the result was a cake as glowing as the face of the new bride.

A departure from the traditional plain butter wedding cake, this recipe includes ground cherries, apricots and black walnuts.

FOUR TIERED WEDDING CAKE
Sift together:
3 1/2 cups sifted cake flour
2 cups sugar
1 teaspoon salt
5 teaspoons baking powder

Add:
1 cup soft shortening
Four 1/2 cups milk (half water)
2 teaspoons almond flavoring

Add:
6 egg whites (unbeaten)
Beat mixture two minutes

Add:
1/2 cup ground maraschino cherries
1/4 cup ground dried apricots
1/2 cup ground black walnuts

DAR Installs New Officers

At their annual meeting held May 20 at the home of Mrs. Earl Maslun, members of the Daughters of the American Revolution elected officers for the coming year.

The new regent is Mrs. Walter Gempeliner. Other officers include Mrs. Ernest Shave, first vice regent; Mrs. Robert Willoughby, second vice regent; Mrs. Harry Dolson, chaplain; Mrs. Carl Bryan, recording secretary; Mrs. Edwin Zipes, corresponding secretary; Mrs. Sherwin A. Hill, treasurer; Mrs. Claude August.

New directors of the group include Mrs. J. Rusing Cutler, Mrs. Kenneth Hulsting, Mrs. David Mathor and Mrs. Harry Deyo.

In addition to hearing annual reports, the group decided to send Miss Olivia Bell, second grade teacher at Smith school in Plymouth, to the conservation school at Higgins Lake for one week in August.

DON'T HIDE BEAUTY
Are you keeping priceless heirlooms — prized collector's pieces of fine china and rare colorful glass hidden away behind cupboard doors, because the house looks cluttered if you spread them around? True, no one wants a cluttered-looking room, but you don't have to spread them around; mass them into one unit and

BRING THEM TO LIGHT
By displaying them in either a large buffet, glass enclosed hutch, a smaller china cabinet or a corner cupboard, depending upon the size of the room, door opening, wall space and other considerations.

At the store we can show you these pieces in Modern, Traditional, or Early American to fit any decor or personal preference. Prices cover a range to fit any budget.

We like to feel that in some small measure we are helping you make your home more livable, attractive and comfortable. With this in mind, we have chosen every piece of furniture in store with the utmost care. So pay us a visit soon, won't you?

Visit our display at the Builders Show — Detroit Race Course — May 23 thru 26th. FREE Decorator folders at the show and at our store.

Notice of Last Day of Registration
OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT
WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

To The Qualified Electors of Said School District:

PLEASE TAKE NOTICE that the Annual School Election of the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan will be held on MONDAY, JUNE 10, 1957.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides..."

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Annual Election to be held on Monday, June 10, 1957, is FRIDAY, MAY 31, 1957. Persons registering after 5:00 o'clock p.m., Eastern Standard Time, on the said Friday, May 31, 1957, are not eligible to vote at said Annual Election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

ROBERT H. SHAFER
Secretary, Board of Education

The Rev. Peter Nieuwoop, Pastor
First Baptist Church, Northville

LOVING GOD
Loving God, as far as most folks are concerned, is having some kindred sentimental feeling of admiration for a Higher Being of whom they know little. I'm sure that if we could read Dr. Gallup under taking a poll on the subject we would discover that most folks will say that they love God. I wonder just what they mean when they say they love God?

The Scriptures tell us plainly that the greatest commandment of all says, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind." It follows that if this is the greatest commandment, then the greatest sin we can commit would be our failure to love God.

If we would know our responsibility then we must define the word 'love'. We must define it in the sense that it is used in the holy scriptures. Since the Bible is its own best commentary let me call your attention to two verses from which we shall be able to determine what loving God means. I John 5:3 "This is the love of God, that we keep His commandments." And again in John 14:15 "If ye love me keep my commandments."

"If ye love me keep my commandments." Love toward God is synonymous with obedience to God according to these scriptures. So then love is more than words. Though a man

WHERE'S ELMER?

Northville trokmen put on the final touches to one of their best seasons in recent years last week when they set two records and went to a string second-place finish in the Wayne-Oakland League meet.

NHS Thinclads Take Second

Northville's 36 points. Two of the performances broke W-O records. Wagenschlut's shot putt of 48' 7" bettered the former record.

On to the Relays

Northville will be represented tomorrow in the University of Detroit relays for the first time. Track coach Charles Yahnke said earlier this week that the Mustangs have been invited to send its track stars to the class-against-event.

Geraci Gets Award For Sportsmanship

The annual "Good Sportsmanship" award was presented to Samuel Geraci Friday night at the Northville Lanes men's league bowling banquet at the VFW hall.

Mustangs Could've Used A Couple More Tallies

A certain big league team in Detroit has nothing on the Northville Mustangs when it comes to heart-breaking one-run losses.

Pethers, King Pace Mustangs

Cap Pethers and Aubrey King took hitting and pitching honors for the Northville Mustangs this year.

Prep Golfers Find a Pal: Idyl Wyld's Don Patterson

Don Patterson smiled and looked out across the fairways at the sprawling groups of young golfers.

Golfers Take 4th In League Meet

Northville high school golfers came through in the clutch last week to place fourth in the Wayne-Oakland league meet.

Rotary Banquet To Honor Teams

A Rotary club banquet Tuesday evening will honor members of Northville high school's spring sports squads.

Merchants Share Inter County Lead

Northville Merchants were in a three-way tie for first place in the Inter-County League this week after handing Plymouth Elks a 10-2 spanking Sunday.

Night Racing

42 NIGHTS OF RACING—NIGHTLY EXCEPT SUNDAY
Post 8:30 p.m.

Racing Ends Saturday!

June 1st Is The Final Night Of The Downs' 38-Night Season

Wolverine Gets Award For Sportsmanship

Alma Woman Dies At Son's Novi Home

Mrs. Gertrude Thompson, 62, a resident of the Mission Home in Alma, died suddenly Sunday morning while visiting at the home of her son, Walter E. Thompson, 4002 West 10 Mile road.

She was pronounced dead, presumably of a heart attack, by Dr. Malcolm Delaney, Oakland county coroner.

Clean Carpets
 Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

New Pastor Assumes Duties At Novi Baptist Church

Reverend Arnold B. Cook began his duties as pastor of the First Baptist church of Novi last Sunday. He replaces Reverend J. A. O'Neill, who is now visiting relatives in Canada.

Reverend Cook was graduated from the Southern Bible Institute in 1938. While a student there, he sang in a male quartet which travelled several thousand miles during the school year. He also played in a trumpet trio.

Upon graduation, he became assistant pastor of the First Baptist church of Whitesville, West Virginia. The following year, he became dean and professor of Bible survey and analysis.

In 1952, he became pastor of the First Baptist church of Lookout, West Virginia, where he remained until the present time.

Reverend Cook is 29, is married, and is the father of three young daughters.

UF Group to Name Campaign Head

A new volunteer campaign chairman of the Oakland county United Fund drive is expected to be named soon.

A nominating committee was appointed this week to select candidates and report back to the UF advisory committee next month.

The subcommittee is headed by Robert Clark of Farmington.

At the same meeting, the advisory committee named Clarence Bates of Commerce as its representative to the Detroit United Foundation. His alternate is Vern Willard of Farmington, past president of the Oakland county United Fund.

Novi representatives on the advisory committee are supervisor Frazer Staman, Duane Bell and Russell Taylor.

Brice Godfrey, Bob Wetterstrom and Dan Collins were hosts to the eight graders of Our Lady of Victory school for an evening of dancing and fun last week end.

Forensic Club Holds Banquet

The fourth annual banquet of the Northville high school Forensic club was held last Thursday at Black's White house. Bernard Muller was master of ceremonies, and Roseanne Perrault delivered the invocation.

Following the dinner, a review was given of the activities during the past year by Gleanne Bertoni. Dorothy Welch introduced the present guests. Pins were presented by president Suzanne Dewsbury to members who had been in the club for three years. These included Gleanne Bertoni, Phyllis Buzolicco, Rebecca Coolman, Nancy Lawrence, Roseanne Perrault, Lois Roddy, Sandra Strassen, Barbara Weiss and Dorothy Welch.

After the pins were presented, officers for next year were announced. They include Lillian Zimmerman, president; Rebecca Coolman, vice president; Julie Older, secretary, and Fred Schwarz, treasurer.

Suzanne Dewsbury announced that this year's delegates to the Michigan State university speech institute were Rebecca Coolman and Sandra Strassen.

"Mustang Hoof Prints" is prepared and written by the Northville high school students under the supervision of Miss Florence Pasanoni.

Now-see camera-eye proof Dodge trucks lead the low-priced 3!

Special cameras like this new high-speed "Hulcher" 70" designed to take rapid-contrast photos of quick missile launchings, were used to record tests. Electrically operated, the Hulcher "70" shoots 22 pictures a second.

Actual road tests . . . like the one photographed at the right . . . prove beyond question that Dodge Power Giants outclass all competition. This rugged hill climb is just one of a whole string of tests comparing all three low-priced trucks.

See certified test results of the entire series—actual unretouched photographs—at your own local Dodge dealer's. These tests, plus 15 minutes behind the wheel, will demonstrate to you that today's Dodge Power Giants lead the low-priced three in every measure by which you judge a truck.

You get the most V-8 power of the low-priced three . . . up to 232 horsepower. This gives you snappier performance to save valuable trip time . . . extra power to take steep climbs with less engine strain. And Dodge gives you extra payload capacity, too. For instance, the test pick-up shown hauls as much as 27% more than the other two low-priced makes.

Check today's low Dodge prices. You'll find eleven Power Giant models, in the low-tonnage field alone, that are actually the lowest priced of the low-priced three. Why not see for yourself? Your dealer will gladly bring a Dodge right to your door.

DODGE THE WINNER BY FIVE LENGTHS—and still gaining!

The Dodge Power Giant outdistanced both truck "C" and truck "D" from the start. This is just one of a complete series of actual road tests that prove Dodge the outstanding leader of the low-priced three.

DODGE PowerGiants

MOST POWER OF THE LOW-PRICED 3

TOP AWARD

for driving skill at the Teen-Age Road-E-O last Sunday was presented to Dave Dahl by Junior Chamber of Commerce president Fred Kester. It is a winner at the State Road-E-O in Detroit. Dahl will go on to the nation's finals in Washington, D.C. on August 15.

This Year's Toga Fashions Shown at Roman Dinner

On Wednesday, May 8 in the Community Center, the Northville high Latin I and II classes held a Roman Cena (Roman dinner) with authentic trimmings. Every student took part in the colorful festivities, during which all wore appropriate Roman costumes.

The banquet began after a ceremony in which the second year Latin students, dressed as Roman nobility, were pulled about in wigs and serving as chariots by the first year students, who were garbed as slaves.

A seven course meal, consisting of ham, peas, cooked cabbage, bread, fruit, nuts, deviled eggs, tomatoes, figs and grape punch, was then served.

In order to complete the picture of ancient Roman times, everyone, including the Latin teacher, Mrs. Bradford, reclined on lounges for the duration of their repast.

Final Edition

This is the last issue of "Mustang Hoof Prints" for the 1957 school year.

To members of the staff, most of whom are graduating, we say, "a job well done."

We'll be looking forward to beginning volume two of "Hoof Prints" next fall when school activities get under way again.

Disc Jockey Dance Friday Night

An evening of dancing fun is coming up Friday night at the Community building when members of the freshman class stage their second disc jockey record dance from 8-11:30 p.m.

Clare Field, of radio station WJMK will spin the records and bring with him a guest recording artist. He'll award prizes for the best dancing to the music of both platters and the high school dance band.

The freshmen extend a special invitation to parents to attend. Tickets are available from class members and at the door.

PERFECT ATTENDANCE — Debra Harrowood, daughter of Mr. and Mrs. Leo Harrowood, looks over her attendance record and finds that she has not been absent or tardy in five years of classes at Novi school.

New Camp Fees To Begin June 1

Increased camping fees will be in effect June 1 at Michigan's state parks and recreation areas. All camping permits issued on or after June 1 will require campers to pay 75 cents per day, plus 25 cents for electrical services, if used. Permits are issued at the individual parks.

The present camping rate is 50 cents daily, plus 20 cents for electricity.

All campers receiving permits during May will be charged the old rate, even if the camping permit period extends into June. This will allow Memorial Day visitors to camp through the holiday week end at the old rate, if they obtain a permit before June 1.

The boost in fees, approved by the state Conservation Commission at its May meeting, will provide additional revenue of approximately \$100,000 per year — based on attendance figures for the 1955-56 fiscal year when camping revenues totaled \$200,000.

Revenue from camping fees is used for operation and maintenance of the state's 30 parks and recreation areas.

SPEAKING for the Record

By BILL SLIGER Meeting Chick Harbert last week took us back (we won't say how many years) to a day in Jackson when a youngster from Battle Creek was burning up the fairways in the state open golf tournament. He set a national record, 72 holes that year and won a host of followers for his sensational play.

Chick was in his teens then and has dropped many a putt since that have won him countless titles including the national PGA championship.

Watching Chick play in Jackson (I must have been awfully young), we were just as sure as everyone else that here was a golfer who couldn't miss becoming great. It's gratifying to have been right for once.

Looking just as young (well, almost) as he did back in Jackson, Chick said he is planning on a full summer of tournament play. He had a successful winter which included a win and a couple of seconds in addition to a tour of Spain.

If you should be watching television, listening to the radio or reading your newspaper Wednesday evening and one of the advertisements instruct you to "run right down to the store and buy a jar at once," you can do it no matter how late it is.

Seventeen Northville merchants are staying open all night. To entice shoppers out after midnight they're offering extra special savings.

Wednesday is moving day in our household. With the paper out Tuesday and Thursday a holiday, I can't think of anything more that we should do for the day.

Speaking of the holiday, don't forget the Memorial Day parade at 10 a.m. sponsored by the local American Legion and VFW organizations.

LOCAL BUSINESS BRIEFS

City Councilman Ed Welch has changed jobs. Formerly advertising consultant for Brown & Bigelow, Welch is now a sales representative for Berry Dots of Pontiac.

Clayton Myers has replaced Don Hamilton as manager of the Standard Oil agency in Northville. Hamilton, who has retired, was given a farewell party last week.

Novels Lumber is doing some extensive remodeling of their own. The office is being turned into a carefully designed sales display room that allows the browsing shopper to pick out whatever material they desire and see it as it would actually appear on the finished product. An entire assembly of pre-cut kitchen cabinets is also being set-up complete with range, oven, sink etc. According to Harold Church, manager, the whole idea comes from National Lumber Dealers association model display plans.

More School Funds

MICHIGAN HAS counted its blessings and recognized the progress of its state again.

Each of the state's 7,500,000 citizens could be his own public relations man from May 19 to 25, preaching the glories of living in Michigan to the world.

As the week started, engineers announced that the state's two penitentiaries had been planned for the first time in history by steel beams, the framework of the Mackinac Island Bridge.

With an overall length of 26,444 feet, the dream of linking the Upper and Lower peninsulas will be realized next November.

It is just one of the highlights of the week set aside each spring to advertise and promote Michigan.

The state's vacationland, surrounding more than 11,000 inland lakes, the growth of the resort industry to a \$500,000,000 business—plus other uncounted millions in tax money left in the state by restaurateurs heralded as a major factor in the economy.

CONTROL OF TB has received another prop in Michigan.

Under a new state law, local health officers may start action to seal carriers of the disease to state hospitals and, in recalcitrant cases, to a confinement center at Gaylord.

State health officials said the method is necessary to prevent patients from leaving hospitals before they are cured and infecting others with whom they come in contact.

Of the thousands of tuberculosis patients in Michigan, only about 150 who refuse treatment will be allowed to leave the hospital.

Better Service on Roller Skates

Babson Park, Mass.—One of the most helpful new movements today is a Club of One Thousand Members who have banded themselves together to help sell merchandise.

This humble group, however, is not satisfied with the work above. They believe that the consumer is the ultimate determining factor in making business good or bad, and in regaining employment.

Property or depression depends not wholly on Washington or the nation's banks, advertising agencies, or even manufacturers. The humble consumer of every city, town and country crossroad also has the future of American business in his or her hands.

Results of Advertising Can Be Multiplied 300%? American manufacturers are today spending billions to advertise their products in magazines, newspapers and through the radio and TV.

These most attractive advertisements are read or heard by millions, usually in the evening or during work ends. The readers, and especially the followers of radio and TV, are not told the nearest store where they can quickly see, feel, and buy the product advertised.

These One Thousand Club Members, most of them living in humble homes, and many disabled, have joined forces to tell consumers by telephone the name of the retailer they should immediately contact.

They then report to the manufacturer or his representative the name of the prospect making the inquiry. These One Thousand Club Members in one thousand cities, covering 10 per cent of the consumers in 10,000 communities, will operate under the name of United Information.

Check Your Supply of Printing Needs BEFORE You Run Out We Print Them All PHONE 200

A second "must" in the case of large stores — especially the leading "Dime Stores", and all others using self-service — there should be a number hanging over each counter, with a bell. This bell would be for customers to ring, so they could ask for help and direction to counters carrying the articles they desire to buy.

The Club Members are certain that these bells would materially increase sales in all stores and that they will be a necessity in the new large stores being built in shopping centers.

Use of Roller Skates I will not blame this final thought on the Members of the One Thousand Club, but will take the responsibility for it myself. It is this — that clerks in large stores should wear roller skates. Soon after birth the baby has a ride in an automobile and uses it more every year until death. The entire nation is going to wheels. Most retail clerks come to the store where they work either in an automobile or on a bicycle.

They know it saves time and is more efficient. Why then do they not return to the "horse and buggy" era and depend upon walking as soon as they enter the retail store at which they work? I am convinced that roller skating is coming back into general use.

I forecast that not only will we see clerks in stores on roller skates, but also a majority of pedestrians on roller skates on sidewalks. Expenses of retailers are constantly advancing. The continual marking up of retail prices ultimately retards business. Clerks must do more to help retailers make a fair profit or the stores will close and they will be out of a job. This means that clerks must do more to promote sales, and especially speed up their travels about the store. The entire nation is growing on wheels. This movement must be capitalized by retailers. However, please do not blame this last suggestion on the Club of One Thousand.

Cadillac

Friendly Welcome For a Total Stranger!

He's a "stranger in these parts"—just passing through on his way to some distant destination. But you wouldn't know it to look at the wonderful welcome he receives as he brings his car to a silent stop and his day's travels to an end.

For high on the hood of his motor car rides the beautiful crest of Cadillac—and hospitality just seems to follow a new Cadillac wherever it goes.

No man, you see, is ever without standing when he is in command of the "car of cars".

For it is a recognized fact that Cadillac owners—representing though they do such varying fields of endeavor and such widely separated parts of our world—also have a great deal in common.

Invariably they are people of marked personal achievement—who have won for themselves a considerable measure of respect and recognition.

In brief, the driver's seat of the Cadillac car is the traditional dwelling place of the world's leading citizens. And people everywhere have found it safe to assume that whosoever they behold at the wheel is a worthy member of this great and distinguished company.

Of course, this is but one of the satisfactions of Cadillac ownership. In addition to inspiring beauty, luxurious Fleetwood coachcraft, superior performance and extraordinary values. Have you as yet taken the wheel of a new 1957 Cadillac? If not, then you should visit your Cadillac dealer and spend an hour on the highway. Invariably they are people of marked personal achievement—who have won for themselves a

Rezoning Asked To Open East Novi For Home Sites

Four zoning changes that would open up a vast section of eastern Novi township for residential development will come before the township zoning board on July 2.

At the same time, the board will consider two previous rezoning requests that would allow construction of a trailer park and a shopping center in other parts of the township.

The four requests for residential rezoning involve more than two square miles on the eastern edge of Novi.

Specifically the area extends south from Grand River to a half mile north of Eight Mile, and west from Haggerty to a zig-zag western line.

This line runs south along Meadowbrook from Grand River to Ten Mile, then west to approximately the G & O tracks, then east to the tracks to Nine Mile, then east to Meadowbrook, and finally south to a point one-half mile north of Eight Mile.

According to zoning board spokesmen, the changes are designed to provide room for the heavy residential growth which is expected to come to Novi within the next few years.

The area includes all of section 25 and parts of sections 21, 23 and 26. The entire area is presently zoned for agricultural.

The other two changes to be considered are: rezoning of a site on East Lake drive near New Center to allow establishment of a trailer park.

Rezoning of a site at Meadowbrook and 10 Mile for a neighborhood shopping center serving Willowbrook Village.

The trailer park rezoning request was tabled by the zoning board a week ago when 27 members of the area petitioned against it. Opinions expressed by township board members Monday night indicated the rezoning request would be denied because of the strong public opposition.

The second request would increase the commercial site southwest of Meadowbrook and 10 Mile from 450 to 490 feet by 450 feet. It would be used for parking facilities for the proposed shopping center.

A spokesman for the Stephen-Alen, Inc. said his firm will not build the shopping center for at least a year. He described it as a "typical neighborhood development, but nothing elaborate."

The official fix-up period will last until June 15, but Mrs. Watson hopes Novi residents will be a member to keep their mailboxes in order all year 'round.

In Willowbrook: Extension Club Election Held

New officers have been elected for the Willowbrook Extension Club. Mrs. George Mairs is the new chairman and Mrs. Robert Nelson is the vice chairman.

The majority of the Willowbrook families took advantage of the beautiful weather on Memorial Day to work on their yards and gardens.

Low Chismark, Bob Anderson and Gordon Promo took time out however to march in the Novi Memorial parade.

Bill and Janet Rikley of Mooringside celebrated the holiday with a steak roast. Their guests were Mary Lou and Bob Keating of McMahon and Peggy and Bob Gordon of Farmington.

Richard and Mary Raleigh of East LeBost announce the birth of their second child on May 28. They have a seven pound, 13 ounce boy. (Continued on Page 5)

Novi Highlights: Goodfellows to Sell Flares

The Novi Goodfellows plan to sell flares to be used for a Fourth of July display to help out the Christmas Goodwill fund. Representatives from all the organizations in Novi township are urged to pick up their share of flares at the township hall and sell them before the Fourth. The plan is for every family in the township to have a flare in their front lawn to be lighted promptly at 9 p.m. Fourth of July. The Goodfellow will meet at the township hall at 9 p.m. Monday, June 17. Two representatives from each organization are urged to be present.

Mr. and Mrs. Lester Ward announced a birthday dinner for the latter's brother, Philip Meadows, in Ferndale Sunday. The occasion was also the fifth birthday of

Novi graduates — tonight is the big night for 24 Novi school students who will graduate from the eighth grade. Girls from left to right are: Neel F'Geeper, Martha Goodfellow, Carol Simon, Linda Kalk, April Fox, Linda Loyens, Carol LaPlante, Doreen LaSalle, Ellen Parks, Louise Kalk and Karen Schneider. Boys in second row are,

left in right: Robert Klein, Robert Smith, Oris Slader, Tom Darling, Bill Trotter, Michael Eby, Paul Dalley, Donald Coleman, Harry Schenckman and Robert Schneider. In the back row are Walter Deans, John Jackson and Jim Catlett. Class adviser is Robert McMillan. Exercises will be held in the Community building.

Trio of AMVET BEAUTIES — Last year's "Miss Michigan AMVET" was Lorraine Krawick (center) but runner-up Anne Williams (left) of Willowbrook Village gave her a run for the money. In third place was Carol Hall of Mt. Clemons. Miss Williams will crown her successor to the "Miss Novi AMVET" title next week.

Tip for Beauty Judges: It Ain't Gonna be Easy

If quantity makes for quality, Novi should have a most beautiful new queen a week from tomorrow night. More than 12 girls have cast their hears in the ring for the title of "Miss Novi AMVET" which will be awarded June 14.

Advance word from those in the know indicates that competition will be keener than ever — for the AMVETS have been highly selective in taking candidates for the crown.

The final decision, however, will be up to a panel of judges which will be named next week.

The new queen will represent Novi in the quest for the "Miss Michigan AMVET" title in Detroit and, if she is lucky there, will go on to seek that nationwide "Miss AMVET" crown later this summer.

Whoever the new Novi queen may be, she will be crowned by the 1956 queen — Anne Williams of Willowbrook Village.

The judging will be held at Walled Lake Casino and will be followed by the dance music of Russ Curvite and his orchestra. Tickets may be purchased from Gordon Promo, at Trickey's Sporting Goods, at the Novi News office in Northville, or from any AMVET member.

Wixom Boom On; Subdivision OK'd In Quiet Meeting

The building boom in Wixom is apparently underway.

The Novi township board gave tentative approval Monday evening for a 132-home subdivision southwest of Wixom road and Pontiac Trail.

The subdivision, known as "Wixom Manor", will be the first major home development in the vicinity of the village-to-be and the new Lincoln park.

According to Maurice Fried, a partner in the Oxford Building Company, the homes will cost about \$15,000. Construction will begin this summer if approval is given by county officials and later by Wixom officials, he said.

Approval had been denied earlier by the township zoning board on grounds that the site will soon be part of Wixom and that Wixom should have the say-so. But the township board gave its approval after Wixom officials at the meeting Monday indicated they favored it.

In other business, board members got along so well they talked until almost midnight before adjourning.

Unlike recent meetings in which the board has been concerned more with arguing than talking, the meeting Monday saw a full agenda come and go.

Discussing matters at length, the board: gave final approval for rezoning a site at Beck and Grand River to commercial and a site at Seelye and Grand River to multi-dwelling.

tabled three bids for a new police car for further study.

authorized attorney Renne to take action to reclaim a township-owned voltage meter from former building inspector Cameron Lodge.

adopted the 1956 code of the National Electrical Association to replace the 1953 code.

agreed to meet in closed session with the zoning board to discuss long-range zoning and planning problems.

agreed not to charge the Northville school district for a building permit for the new American school addition.

discussed revising the township sign ordinance to help local business developers advertise their subdivisions.

decided informally to notify developers in advance if their projects seemed headed for non-approval by the board or zoning board.

Trustee Stan Balon referred in particular to a proposed trailer park which faces disapproval by the zoning board.

Michigan Bell expects to announce plans for the permanent telephone exchange building near Northville in several weeks, said Michigan Bell manager John Kamogoe.

The Novi mobile unit outwardly resembles a conventional truck semi-trailer, but it is much different in several ways, said Michigan Bell manager John Kamogoe.

Michigan Bell Telephone company announced this week that a temporary self-contained mobile exchange unit is now being set up in Novi and will start operating this week.

The unit is the forerunner of dial service for the entire Novi-Northville area. Full service for the area will be ready by August, 1958, according to Michigan Bell officials.

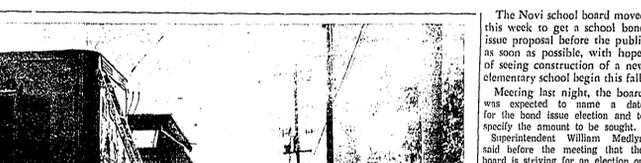

The mobile unit was moved into its berth near the Novi township hall last week. Installation of dial telephones will start this month.

The 1,000 new telephone numbers in the Novi area will bear the name "Fieldbrook".

These numbers will start in service even after installation of permanent facilities.

Michigan Bell expects to announce plans for the permanent telephone exchange building near Northville in several weeks, said Michigan Bell manager John Kamogoe.

Novi School Board Eyes Bond Issue Election Soon

"NUMBER PLEASE" will be thing of the past for 1,000 Novi telephone users when these men finish installing a mobile dial exchange unit near the township hall. The unit, set up in a semi-trailer van, is the first step toward dial service for the entire Novi-Northville area.

The Novi school board moved this week to get a school bond issue proposal before the public as soon as possible, with hopes of seeing construction of a new elementary school begin this fall.

Meeting last night, the board was expected to name a date for the bond issue election and to specify the amount to be sought. Superintendent William Medlyn said before the meeting that the board is striving for an election on June 25.

In addition, Medlyn said, the board was expected to seek a two-part bond issue of \$725,000 for the new school and \$150,000 for future sites. Medlyn said the board learned that its attorney has secured an option in a 10-acre site for the new school. The property lies southwest of 10 Mile and Meadowbrook roads, near Willowbrook Village.

The school would be part of a complex which, under present plans, would also include a new subdivision, a shopping center, and the new Willowbrook Community center.

Medlyn said initial plans for the school still call for 13 rooms and multi-purpose room. It would have facilities for 420 students.

Medlyn noted that the board decided to locate the school near Willowbrook because of anticipated growth in the area, and that this decision was reaffirmed this week by the announcement that the Novi township zoning board plans to open up more than two square miles of the area for residential development.

(See other story, this page.) Medlyn said the board had made a decision to build near Willowbrook had met with some criticism from persons who claimed the school should be located near the school site to handle increasing growth there.

Medlyn said the board will prepare background articles to explain its decision to build near Willowbrook and will also prepare a pamphlet to explain the school's location. The articles, covering enrollment estimates, proposed facilities, and cost of taxpayers, will be published in The Novi News within the next few weeks.

Northville to Name 2 to School Board

Northville school district voters will name two new school board members Monday and decide whether to give the board permission to negotiate a possible sale of school property to Wayne county for the proposed Eight Mile road cut-off.

Candidates for the board are Francis Garvey, Clifton D. Hill, Dr. Walter F. Johnson and Adeline Willis. They seek seats vacated by retiring president Robert Goodwin and Donald Severance.

If the board is granted permission to sell the property, which lies in Novi township, Wayne county would then be asked to provide highway safety precautions, and pay a fair price for the cut-off land.

The Wixom Civic Association will meet tonight to discuss the lack of a tax limitation provision in the proposed village charter which will face voters on July 7.

Though the charter has no such provision, taxes would be limited by state law. The association is expected to agree to back the present charter with the understanding that a tax limitation provision will be added as an amendment at a later date.

Registrations for the July 15 election will begin at the next meeting. Residents may register through June 17 at 131 North Wixom road, next to the post office.

AMVET Meeting

Novi AMVETS will hold their regular monthly meeting Monday evening at the Novi Pizzeria at 8:30. Business for the evening includes final preparations for the beauty contest to be sponsored by the post office Friday evening. Delegates will also be chosen for the 13th annual convention scheduled for the Fort Shelby hotel on June 28, 29 and 30.
