

SPEAKING for the Record

By BILL SLIGER

I think it can be generally said that most people reside in Northville because it is a "quiet little community—a nice place to live."

You might call it Northville's "reputation." It has stuck. Without a question, it's a reputation to wear proudly... if it is deserved.

But somehow it takes on a hollow sound when you look closely at the community.

Did you ever take a good look at our Main street? Would you as homemakers allow rubbish and papers to be strewn about as they are on the sidewalks, alleys and streets of our business section?

What about other conditions downtown?

In the past three weeks four cases of children being molested by characters of various descriptions have been reported to police. It's a good bet that other incidents have gone unreported and in some known instances, parents have failed to sign complaints.

Fortunately, none of the children was criminally hurt. One little girl was asked to disrobe, another urged to get into a car. Others were "hugged" and fed candy.

In every case the children were downtown during early daylight hours when it should be presumed that in a "quiet little community" they were safe.

Who is responsible for these conditions?

The answer is easy. The police, the court, the city council, parents, businessmen, the newspaper, ministers, school officials, and every single person who calls Northville "home."

The drifters come to Northville to do their heavy drinking. Other perennial trouble-makers are local "regulars." They're all well-known to police and the justice court. Perhaps that's the trouble. They are too well known. They're excused or lightly fined because "that's old Joe, he wouldn't hurt anybody."

We remind every merchant (including ourselves) that dirty, unkempt walks and alleys are conducive to shady personal conduct. We remind bar owners that they are responsible to see that known trouble-makers do not over-indulge.

Other recommendations concern weights and measures, licensing improvements, cutting of Christmas trees, labeling and slaughter houses.

UNIVERSITIES and colleges are feeling the onslaught of a new flood of students loosed upon them by the expanding population and the demands that it be educated.

And we haven't forgotten the city council. On their shoulders rests the responsibility for the welfare of our community.

If we want a "quiet little town and a nice place to live," let's make it that.

No one businessman, city official, minister, parent, bar owner, retailer or what-have-you can be blamed for conditions. We have lowered our guard collectively and become accustomed to sleeping in a soiled bed.

Let's wake up, Northville. Even a quiet little community must be alert enough to detect decay.

Colleges Feel Pinch

1958's STATE AG program was formulated when representatives of the Michigan farm industries met with members of the Agriculture Commission to decide the issues, and later the same day with Gov. C. Messen Williams to present their ideas.

Greatest need, according to the group, seems to be for a law which has been proposed every session for nine years. The need is a method of grading and identifying top Michigan grades. This has been known as "Seed Quality" bill or "Michigan's Best."

Paras representatives were unanimous in their support of the idea, and a little frustrated that its provisions have not become law long ago. They seemed to think that the bill failed in earlier years for lack of lively support rather than active opposition.

Person after person stated that they believe the seed of quality idea had almost solid, if undermanned, backing in their particular branch of agriculture. All join in the hope that the bill can be passed this year without becoming involved in partisan politics.

Other important proposals include a law granting subpoena powers to the Director of Agriculture. At present a hearing can be called to investigate charges of dishonest or irregular proceedings and witnesses cannot be ordered to appear.

In several recent instances, the key witness in a case decided against testifying, and the whole issue had to be dropped.

Commercial sprayers would be brought under control by terms of another proposal. At present the Department of Agriculture cannot regulate those who hire sprayer weed killer, insecticide or pesticide.

Other recommendations concern weights and measures, licensing improvements, cutting of Christmas trees, labeling and slaughter houses.

UNIVERSITIES and colleges are feeling the onslaught of a new flood of students loosed upon them by the expanding population and the demands that it be educated.

The problem of money and space for higher education to cover the demands will be top priority in the 1958 legislature.

Nobody certain how many millions will be sought this year, but leading legislators who understand the situation believe the need will make a real problem.

Educators have been asked to present a united front to the legislature and Gov. Williams with its new organization of state university and college presidents and governing board members.

This group was organized after Williams asked them to come up with a total plan for higher education in Michigan.

The legislature has been studying the same subject for three years.

Another legislative plan has been to "decentralize higher education," providing two-year colleges at the local level — along the lines of the present community and junior colleges — and making the present four-year colleges into advanced state centers.

Michigan State university, governed by the state Board of Agriculture, was forced last fall to limit its enrollment to 22,300 because of overcrowding.

Babson Park, Mass. — The devaluation of the French franc and the threat of currency devaluation in other European countries have caused considerable concern here in the U.S. I am asked if foreign investments are safe or wise at this time. Of course, there is no simple answer to such a question, but I will try to explain my position.

Yes' Vote Urged in Wixom City Election

A political science expert and the Wixom Civic Association joined hands Thursday night in endorsing a "yes" vote on the incorporation of Wixom as a city.

Voters Have Til Sunday To Cast 'Straw Ballots'

Registered voters have until Sunday midnight to submit a ballot in the sample vote on whether Novi township should incorporate as a village.

Sample Vote On the Proposed Incorporation of Novi Township

If I were to vote today on the question of incorporating Novi township as a village, I would vote:

For it () For it ()

Against it () Against it ()

1) This ballot provides for a vote by both husband and wife, but single persons should check only one side of the ballot.

2) Do not sign the ballot, and do not vote more than once during the survey period (November 7-17).

3) Mail to: Box 283, Northville.

Printed again this week for those who failed to vote last week. But voters were reminded not to cast a second ballot if they voted last week.

Two Soloists to be Featured At Next Plymouth Concert

For its second concert on November 17 the Plymouth Symphony Orchestra under the direction of conductor Wayne Dunlap will present one of the more difficult works of the composer Mahler. "Das Lied von der Erde" requires a full orchestra and is a symphony with voices.

For this orchestra will be supported by two outstanding soloists — both on the music staff of the Methodist church in Plymouth, and directed the "Hymns of Faith" quartet for radio.

Miss Sollenberger, a native of Lindbergh, Kansas, already has a long record of concert and television performances in Detroit and Ann Arbor. Miss Sollenberger also continues her musical work each summer at Tanglewood, Massachusetts, and this year studied voice and opera in Munich with Herr Pittelner on a Fulbright scholarship. While there she appeared with the Munich Opera.

CHRISTMAS WORKSHOP — Among 40 Girl Scout and Brownie leaders attending a workshop at the home of Mrs. Edwin Langtry on Thayer boulevard last week were new leaders (l. to r.) Mrs. Charles George, Mrs. Robert Gettis, Mrs. George Zerbel, Mrs. Brand Elliott, Mrs. Chet Lipa, Mrs. Del Steigerwald and Mrs. Fred Stefanski. The all-day affair was held so leaders could become acquainted with the variety of Christmas projects Brownies and Scouts can make.

Garden Club Hears Conservation Talk

The Northville branch of the Women's National Farm and Garden association met at the Cambridge drive home of Mrs. Charles Walker on Monday, November 11.

A program on conservation was presented by Mr. and Mrs. Robert Merritt. Mrs. Merritt showed several arrangements of dried weeds, seeds and grasses. Mr. Merritt took the group on a picture tour, "Around the Year with Flowers", showing flowers and plants found in the Michigan area.

Hostesses for the tea were Mrs. Arlo Hauger, Mrs. Charles Allman, Mrs. Lee Heaton, Mrs. C. E. Ratliff and Mrs. Joseph Denton.

The Christmas party will be held Monday, December 9 at the American Legion Hall. Members are asked to bring a passing dish and table service.

Cristie Becker, daughter of Mr. and Mrs. W. C. Becker of Dubour street, celebrated her sixth birthday Tuesday with a party attended by seven friends.

Preachin' or Meddlin'

The colored preacher was speaking forth his message with a great deal of fervor. His congregation gave their loud approvals with lusty Amen's! A lady approved with her "Amen's" & I require only repeated. "That's preachin'!" However when the preacher got down to the subject of snuff-dipping, Mandy's fervid amens ceased and now she said, "He quit preachin' and gone meddlin'!" I'm afraid that old Mandy is not the only person who feels that the preacher has gone to meddling when he bears down on the sins and short comings of members present. Men of God, must, if they remain true to their calling, speak forth the truth about sins whether people like it or not. Too many people go to church to have their back scratched and ears tickled instead of desiring their hearts to be set straight. John the Baptist became very unpopular in Herod's courts when he told the King "It is not lawful for thee to have thy brother's wife." Elijah was also very unpopular when he said to Ahab—"I have not troubled Israel; but thou and thy father's house, in that ye have forsaken the commandments of the Lord." How much better to know the truth now while there is time to repent. If we judge ourselves, we need not be judged.

Cadillac
PROUDLY PRESENTS FOR 1958
MOTORDOM'S MASTERPIECE!

An entirely new Cadillac classic in styling, luxury and performance!

Seldom in Cadillac history has there been an announcement as significant as the message you are now reading. For this is the announcement that introduces the finest motor car ever to bear the celebrated Cadillac name. Certainly, one glance at its extraordinary grace and symmetry will tell you instantly that it is motordom's masterpiece in styling.

Its new sweep and stature, its remarkable new rear fender design, its dazzling new grille-and-four-headlamp system, and its tasteful use of chrome and color... all mark it as a singularly beautiful and majestic creation.

Surely, one look at its new Fleetwood coachcrafting will convince you that this is motordom's masterpiece in luxury. There are exciting new fabrics and leathers... wondrous new beauty of appointments... and a whole host of new passenger conveniences.

And, unquestionably, a single journey behind the wheel will reveal why this is motordom's masterpiece in performance. There is a spectacular new high-performance engine... an even smoother, more responsive transmission... and, as an option at extra cost, the marvel of Cadillac air suspension. It's all new—it's all wonderful—and it's all waiting for you today in our showroom.

We urge you to see and drive the 1958 Cadillac soon.

Obituary

ABNER J. GOODALE
 Funeral services will be held tomorrow (Friday) for Mr. Goodale, who passed away at his home, 613 Carpenter street on Tuesday. He was born January 2, 1893 to Michael and Julia Goodale. He had lived in Northville for 54 years, being employed as the miller at the Yerkess Mill for 50 years. Mr. Goodale was a member of the First Methodist church of Northville, the Novi Odd Fellows and the Modern Woodmen of America. He is survived by his wife, Bessie, and by a daughter, Mrs. Eva May Croft of Wixom. Also surviving are sons, Loren, James and Howard, all of Plymouth; 11 grandchildren and six great-grandchildren. Services will be held at 2 p.m. from the Casteline Funeral home, Rev. Paul Cargo of the First Methodist church officiating. Burial will be in Rural Hill cemetery.

VICTOR E. CASTERLINE
 Mr. Casterline passed away November 8 at Veterans' hospital in Saginaw. He was born 65 years ago in Hamburg, Michigan to George and Ella Casterline. He was a retired employee of the Exelco Products corporation of Detroit. Surviving are daughters Mrs. Virginia Smith and Mrs. Mary Jane Rush of Detroit, and sons, George of San Francisco and John of Garden City, Cal. Also surviving are sisters, Mrs. Nellie May Gibson and Mrs. Louella Kienbaum, both of Snover, Michigan, and a brother, George, of Detroit. Funeral services were held Tuesday from the Casteline Funeral home, Rev. P. A. Ollerans of St. Timothy's Episcopal church officiating. Burial will be in Rural Hill cemetery.

ALBERT A. STEGEMAN
 Mr. Stegeman, whose home was at 1322 Cambridge drive, Ann Arbor, passed away at Eastlawn Resthaven hospital, Northville, Michigan on Monday, November 11. He was born March 19, 1878 in Allegan, Michigan. He lived for many years in the Upper Peninsula of Michigan, being active in the lumber industry. For the past 25 years he made his home in Ann Arbor where he was a real estate agent. Surviving are a daughter, Mrs. Helen Post, and a son, John, both of Ann Arbor. Friends called at the Demsey B. Ebert Funeral home until last evening. Funeral services will be held at 11 a.m. Thursday at the First Presbyterian church in Ann Arbor. Burial will be in Allegan.

LOTTE B. HOHENBERGER
 Mrs. Hohenberger, a former Northville resident who lived in Saline, passed away Tuesday at her home. She was born on April 16, 1889 in Vassar, Michigan to James and Clarendia Bernis. Her husband, John, preceded her in death on December 12, 1947. Surviving are a son, Jack, of Walnut Creek, California, and two daughters, Mrs. Wanda Norton of Flint and Mrs. Beulah Kellogg of Saline. Also surviving are eight grandchildren. Funeral services will be held today (Thursday) from the Lockwood Funeral home in Saline, Rev. J. A. Ollerans of St. Timothy's Episcopal church officiating. Burial will be in Forest Lawn cemetery.

BOLD NEW PONTIAC **BOLDEST ADVANCE IN 50 YEARS!**

Circles-of-Steel SAFETY
 Pontiac's completely new body construction surrounds you and your passengers with girder-steel protection—above, below, fore and aft. You drive with wonderful new peace of mind!

Ever-Level Air Ride*
 The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

Aero-Frame STABILITY
 Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Tempest 395 PERFORMANCE
 Try the jewel-like response of Pontiac's brand-new engine! Scores of exclusive engineering innovations make this hefty power plant a miracle of smoothness... choose from four horsepower ratings—including the "Four-Carburetor" and Full Injection 2.

Quadra-Poise ROADABILITY
 Lean back and relax—only the wheels know where the bumps are! Pontiac's new chassis geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

New Direction STYLING
 Here's a fresh new look in automobile styling—and only Pontiac has it! From classic grille to bold rear end, Pontiac has a decisive break with the fads and frites! Despite its 4 1/2 inch lower silhouette, there's more room inside than ever!

FOOT-SAVING EDUCATION By JIM HOUK My son's new shoes are size one and his old ones are thirteen. Can he wear the old shoes for a while to play in?

It would be safer to shine up his old shoes for Sundays and let him wear the roomier new shoes for school and play. Parental pride tells us that children must look their best when we take them to church but hurt pride heals quickly. Deformed bones are extremely difficult to straighten and that is an understatement if there ever was one.

Fisher's Your Family Shoe Store in Plymouth

SURPRISE FOR MOM AND DAD — At Novi school's American Education Week open house last week, probably the most surprised parents were those of Mrs. Leo Gross's third graders. When the class and adults entered the room, they saw paper likenesses of their sons and daughters sitting at the desks, each wearing a shirt or blouse which had mysteriously disappeared from home. Here (left to right) present Billy Groves, secretary Kathleen Erwin, treasurer Lynn McCormick and vice president Susan Wharton look over the "paper class."

In Willowbrook: Church Youth See Ice Follies

By Mrs. John Parent — GRNovel 4-2060

Enjoying the Ice Follies in Detroit Saturday night were a group of young people of the Willowbrook Community church. They were Kathy Bentley, Don Swenson, Jim and Don Neuham, Sharon Hamilton, Jim, Nancy and Vaughan Schilling, Brad Gintner, Sheryl Snyder, Clark Ball, Ralph and Randy Calkins, Vickie Burgess and Sandy Grant.

Also attending the Ice Follies Saturday were Mr. and Mrs. Al Bar and Mrs. Charles Ojala, Mrs. Martha Wuebber and Randy and Janine. Betty LeBout of Meadowbrook spent all day Friday working at the girl scout Christmas work shop at the home of Jean Langtry in Northville. Betty has a Brownie group in Northville.

Irene McCormick and Eleanor Frey are taking the Brownie training course in Farmington. They both have a group at Novi school. We are glad to hear Ken and Nancy Million of South McMillan have moved back to Willowbrook from Atlanta, Georgia. A fifth wedding anniversary was celebrated November 1 by Mr. and Mrs. Robert Bamford of Meadowbrook. They dined at Saccas with Mr. and Mrs. James Tense and Mr. and Mrs. Robert Hoye. David Chapman of Border Hill is home from the hospital. We wish him a speedy recovery. Bonnie Boretti of Border Hill was pleasantly surprised on November

2 with a combination Halloween and high birthday party given by Mr. and Mrs. James Furze of Detroit. The guests all wore costumes and Bonnie wore an authentic Japanese costume. The group played games, danced and made recordings. A birthday cake and a luncheon was served later in the evening. The guests presented Bonnie with a fine piece of white luggage. Those who were present were Mr. and Mrs. Al Boretti and Christine, Mr. and Mrs. James Furze and Don, Mr. and Mrs. Wesley Anderson, John Luoto, Lee Everett, Grace Miller, Bill Parrault, Ann Chapman, Joe Marmon, Don Marson, Kay McLaugh, Rita Chapman, John Chapman, Larry McNeil, Jim Swalos, Rosemary Marmon, Mickey McGuire, Dave Lukarim, Marilyn Drew, Rose Aho and Janet Dunlop. A luncheon and bazaar given by the Monica Guild at the North Congregational church was attended Saturday by Mrs. Campbell of McMillan and her guest Ginny Nelson. Maurine Stine of McMahon has been ill the past week with a strep throat and the flu. Mizil Olson of Coral Lane was assistant teacher at the City and Country school in Bloomfield Hills. Her daughter, Greta, attends kindergarten at the school. Eleanor Foley of East LeBost served luncheon Thursday to Jean McClelland and her boys. Afternoon club was held Thursday afternoon at Betty LeBout's home on LeBost. The girls who attended were Bea Dean, Pat Pinner, Jean Rankie and Mrs. Ganter.

A dinner party at the home of Mr. and Mrs. Robert Reese of Detroit was attended Saturday by Herb and Ann Schmitt of Milot. Cam and Miss Campbell of Milot attended the Michigan-Iowa game with Mr. and Mrs. Blake Couss of Northville. They dined afterwards at the home of the Cousses. Armed with their bows and arrows, Jackie and Ray Freer of LeBost spent five days hunting in South Branch. Dick Miller of LeBost accompanied them. The Philip Ramos of McMahon flew to New York for five days to visit with Mr. and Mrs. Morris Messing of Short Hills, New Jersey. Mr. and Mrs. Charles Ojala of Northern Michigan are house guests of their daughter and son-in-law, the Al Boretta of Border Hill for two weeks. Thursday afternoon, Marilyn Vykval of West LeBost entertained Marilyn Jamieson, Evelyn Alexander and Jackie Morse. Howard and Jane Swick of Meadowbrook visited Art and Anne Muller of Dearborn Saturday and Dick and Gini Garrett of Dearborn Sunday.

Clubs Mizil Olson of Coral Lane was hostess to her bridge club Thursday night. The winners were Jane Corssadden, first, and Penny Adickes, second. The consolation prize went to Irene McCormick. Three guest players for the evening were Ann Hawley, June Anderson and Penny Adickes. Pinochle club was held Monday night at Marie Good's home on LeBost. The winners were Kay Buck, first; Marcella Ferguson, second; Phyllis Berardi, third, and Clara Miller, booby. Guests for the evening were Gladys Earl and Marcella Ferguson. The next meeting will be at Shirley Hurlbut's home on November 18.

Novi Highlights: Oddfellows Hold Teen Dance in Novi

By Mrs. Luther Rix — Fldbrook 9-8128

The Novi Oddfellows will sponsor a luncheon and cards on Monday of the week. Her guests were Mrs. Kenneth Cook, Mrs. Vincent Hayes, members for the party will be Mr. Al Pritchard, Mrs. J. D. Mitchell, Mrs. Willam Paquette and Mrs. Wali Tuck. Mrs. Mabel Graham of Santa Ana, California will be the houseguest of Mrs. and Mrs. Al Pritchard until and children will stay with his mother, Mrs. Joe St. Orge, until the cin find a place for them to live. Mrs. Jack Morris is ill with the flu at her home on Clark street. Mrs. LaPlante accompanied his grandfather, Elmo Richards, and his uncle, Ed Richards of Detroit, to a hunting trip to Frederick, Md. The Russell Buttons and J. D. Michells left their homes on Whipple street on Wednesday bound for the Upper Peninsula where they will be deer hunting at Norway lake near Ralph. Mrs. and Mrs. Russell Race were dinner guests of their niece and her husband, the Rolie Harbers, at Col. Carr's office October 28. Mrs. Mrs. Carl Leavenworth is recovering from the flu she caught weeks with her daughter, Mrs. Gerald Farmstrom near Oxford in England.

On Friday, November 22nd a Harvest Home supper will be served in the dining room of the church. A service will follow the banquet in the nature of a musical. A film, "Man Who Forgot God" will be shown. On November 23 the adult fellowship monthly meeting will be held at the home of Roy McCormick on Inlander road. On November 27, Pastor Harry J. Simms of Rosemont Baptist church, Winston-Salem, North Carolina will be guest speaker. His talk will be in connection with slides which he will show on the Holy Land where he recently visited. Special notice to all girl scout leaders. There will not be any girl scout or Brownie meetings on November 27 because of the Thanksgiving vacation. The Rebekahs will meet Thursday evening for their regular meeting. At this time there will be second nomination of officers. The degree team will have practice after the meeting. Brownie Troop 9 took last Thursday Troop 9 took little baskets with their surplus Halloween candy to the patients at Eastlawn Sanatorium. They also sang songs for the patients. Tuesday morning Mrs. John Stubbennell, co-leader of the troop, had coffee hour for the Brownie mothers, Mrs. Fred Stefanick is the troop leader.

Several mothers will go to the Veterans' hospital in Ann Arbor on Thursday of this week. Methodist Church News The WCSS of the Novi Methodist church will have their regular monthly meeting next Wednesday, Nov. 20. Bring your own dishes for the 12 o'clock pot-luck. Hostesses are Mrs. V. Gillett and Mrs. Robert Kirkwood. The WCSS bazaar and luncheon last Wednesday was a huge success. Approximately 105 luncheons were served. Mrs. John Klatsner, bazaar chairman, wishes to express her appreciation to all who helped to make the bazaar a success. Baptist Church News The Mission Band will meet at the home of Mrs. Clyde Johnston on Thursday of this week.

Two Expressways Coming

Two broad new superhighways probably will sweep through Macomb and Novi within the next 10 years, tying this area into a vast network of expressways covering the entire southeastern area of Michigan. The new routes were revealed last week by state highway commissioner John C. Mackie and other state highway officials contacted by The Record-News. Mackie, in ceremonies opening the new-completed John Lodge-James Couzens and Farmington-Brighton expressways, probably following the present 11 Mile road — a toll-free connecting the Detroit-Toledo and Farmington-Brighton expressways, and presumably running through — or at least near — Novi and Northville. — an 11 Mile road expressway joining the John Lodge-James Couzens and Farmington-Brighton expressways, probably following the present 11 Mile road. Following Mackie's presentation, The Record-News contacted Albert C. Sherman of the highway commission's planning office and was told that both expressways probably would be extended even further, linking the Novi-Northville area to the interstate route to the Straits of Mackinac and to Lake St. Clair. Sherman said preliminary plans call for: — the beltline to be extended north past the Farmington-Brighton expressway to the new interstate US-10 expressway to the Straits. — the 11 Mile expressway to be extended east past the James Couzens expressway all the way to the Edsel Ford superhighway along Lake St. Clair. — the 11 Mile expressway to be extended further north to the Farmington-Brighton route. The new 11 Mile will join with the Farmington-Brighton expressway out far from the Grand River-Nowi road intersection, giving Novi residents a clear shot into downtown Detroit. The other routes are still uncertain, said Sherman. "As for the north-south beltline, we know only that we want to construct a new route for 'Telegraph road traffic,'" he said. "It is not practical to improve the present 'Telegraph,' so we are looking for a route to the west, where new population will create a great need for traffic relief." Since 90 percent of the expressway costs will come from the federal government, he said, they must meet U.S. interstate standards (limited-access, certain width, certain grade.) The expressways also will be designed for the optimum traffic value and the least property loss, he added. Sherman said the highway department will make intensive origin-destination studies and population surveys before deciding on a final route. "All this is dependent on our getting anticipated revenue," he said. "The state police, public utilities, bus lines, and other agencies are competing for state funds, and we can only hope we get what we plan on." "In addition, there'll be the right-of-way problems," he added. "We should have a revolving right-of-way fund so that we could purchase property before its price-skyrockets."

Seek to End Pond Skating; Bar Novi from Program

The Northville recreation committee voted last Thursday to request the city council to close the Northville mill pond to ice skating this winter.

At the same time, the committee delegated recreation director Stan Johnson to find another area or areas which might be flooded for safe skating.

"We're just lucky that no serious accident has occurred at the mill pond," said Johnson. "The open channel in the middle is a constant hazard, and even with pond supervision we were taking a risk."

"The \$300 it cost us for supervision last year might better be used for creating a safer place to skate."

The committee also voted not to allow Novi township youngsters to participate in Northville recreation activities unless Novi reimburses the committee for expenses.

At present, the entire program is borne by Northville and Novi townships, and committee members feel that Novi's share of the annual \$10,000 budget should be somewhere around \$500,000, based on enrollment figures from the summer recreation program.

Johnson approached the Novi township board for support last spring, but was told the township cannot contribute to an activity which serves only part of the township.

Registration for recreation league basketball is still being taken at the school hall each Saturday morning from 9 a.m. to 12 noon.

Leagues will be organized for all boys in the fifth through twelfth grades except those playing on Northville varsity and junior varsity teams.

The recreation committee also is studying plans for an "Over 65 Club" to provide recreation for senior members of the community.

Novi Gridders Tie Dublin, 6-6

Novi school's young football team came within slightly more than one minute of winning its first victory of the season last Wednesday.

But with 1:13 left in the fourth quarter, Dublin pushed across a touchdown to knot the final score at 6-6.

Coch Gail Perkins' Novi gridders led twice the second quarter, when tackle Bill Kirk smashed through to block a Dublin punt and recover it in the Dublin end zone.

But late in the fourth quarter, Dublin moved 50 yards in sheer power plays and finally crashed across on an end sweep. The conversion was missed.

With time for only three plays, Novi took the kickoff and moved to the Dublin 45 before the final whistle sounded.

Novi was to meet South Lyon eighth-graders Tuesday evening in its last game of the year.

It Was a Cold, Strange Night

SHORT-LIVED WARMTH—Gary Kohn was probably the warmest person for the shortest time at Holly Friday night. During halftime, he was all but lost in a pile of coats, robes and blankets. But when the Mustangs came out for the second half, he had to hop to it in his job as a student manager.

COFFEE BREAK—As the snow swirled over Northville fans at halftime, at least a dozen thermos bottles came out of hiding. Here, Dayton Deal pours a cup of coffee for Ward Riley while Jim Riley frigidly takes a sip himself.

Holly 5 Yards from Title As Northville Holds, 14-13

Time was on the side of the Northville Mustangs Friday night.

With a heavy snowstorm pelting them from all sides, and a hand-charging Holly team only five yards from the Wayne-Oakland league championship, a motley, miserable crew of Mustangs held tight for the final whistle and went home with the title all but theirs.

The score was 14-13, but could easily have been 20-13 had not time run out on Holly.

For the third straight week, Northville built up an early lead, and then fell fast in the second half. As did Clarkson and Milford before them, the Hollys stormed back to tie the game at 13-13 with two touchdowns and a while completely outplaying Northville in every department.

But as was also the case the previous two weeks, it wasn't quite enough.

Had Holly won, it would have taken the Wayne-Oakland title out of the Mustangs' hands. Only one point to catch up. But by dumping Holly, Northville became the odds-on favorite for the championship. Only two losses in their final two games can keep them from it.

How the Mustangs did it was hard for fans to tell. The second half was a snowy nightmare in which downs markers were obliterated by the storm, and no clock ticked off the final seconds.

With the Mustangs' backs to the wall, fans surged to the end zone for a good look. Scrambling for Northville to hold and taking wild guesses as to how much time was left.

And suddenly, as the Mustangs rode a Holly back to the ground on the five, an official signalled the end and Northville trotted off for its robes.

In the stands, fans finally knew what was what, and the cheering of "That's all... it's over..." "Northville won..." "The title!" "They held them on the five!"

Cheerleaders and other students thrashed through the snow back to their buses, finding the Mustang fight song and still not quite believing that their team had come out on top in the stormy night.

For dramatic impact, the final two minutes on that snow-swirling night were a blur.

But for close calls, it was the stormy night as the past two weeks. Holly dominated the game, but Northville held out for 40 yards and in the last they lost four.

Not a pass was completed by either team as the numbingly cold quarterbacks elected to go on the ground and keep control of the ball.

Though the Mustangs were all but helpless in the second half, the first was all theirs. Criticizing on two Holly fumbles and some hand-rimming by Starnes and fullback Spike Walker, Northville made it 14-0 by halftime.

The first Mustang touchdown came after a Holly fumble on its own 20. The third quarter was a bit of a struggle, but Northville held out for 40 yards and in the last they lost four.

The Coach's Corner

By ROX SCHIPPER
 Northville High School Football Coach

The 1957 football season is rapidly drawing to a close as new champions are crowned and the all-star teams are being chosen. By this time next week the Mustangs will have completed their 1957 season, and hopes are high for a repeat of their 1956 league championship.

The game this week with West Bloomfield is a must if we are to clinch the league title before our make-up game with Clarenceville next week.

For the many seniors, some of whom have played two or three years of varsity football, it will be their last home game. The many thrills and disappointments that have occurred while playing football will never be forgotten. This last home game could be a tremendous thrill for the entire school if the Mustangs could win their second consecutive league title.

To top off the game tomorrow night the Dads of the players will be guests of honor and sit on the bench with a number card representing the jersey number of their sons. I believe a special tribute should be given that night not only to the Dads of all the players but also to the Mothers for their contribution they have made to the success of our football team. Without their loyalty and support there would not be a football team at NHS.

So, to you Moms and Dads of the players at NHS, may we of the coaching staff say "thank you" for work well done.

FOOTBALL CONTEST

IT'S FUN — IT'S EASY — ANYONE CAN WIN — NOTHING TO BUY!

\$10.00 FIRST PRIZE **\$5.00** SECOND PRIZE

EVERY WEEK

HERE'S ALL YOU DO:

In each of the 14 spaces provided below place a circle around the team you believe will win. Be sure to check a winner in all 14 games. Note that in one game it is necessary to pick the probable score. This will be used only in case a tie occurs and then the contestant whose score is closest to the actual score will be declared the winner.

All entries must be postmarked not later than 5:00 P.M. Friday. Entries may also be brought directly to the Record office before 5:00 P.M. Mail your entries to: Sports Dept., The Northville Record, Northville, Michigan.

Enter just once each week, but you may enter as many weeks as you desire. In case of ties, prize money will be split. Be sure to write your name, address and phone number plainly in the space provided. Free entries are available at the Record.

Employers of the Record or sponsoring merchants are not eligible to enter.

Ex-College Griddler Calls 'em Right

In Football Contest

Two games blocked any perfect entries in last week's Football Contest, but aside from these Herbert M. Schultz of Willowbrook Village had all the right answers.

His accurate forecasts won the \$10 first prize, while second place money was split. Al Jones, Northville high school griddler, and Bill Boyd, a high school griddler, each missed three games and were only two points from predicting the Detroit Lions outcome.

Schultz is an accountant for the Ford Motor company and an avid sports enthusiast. He played football in high school, the service and Kansas State college until an injury forced his retirement.

Much frequently missed game was the Illinois win over Michigan. Jones saw this upset, but also thought Purdue would down Ohio State. Boyd missed only the Michigan game in addition to the two ties.

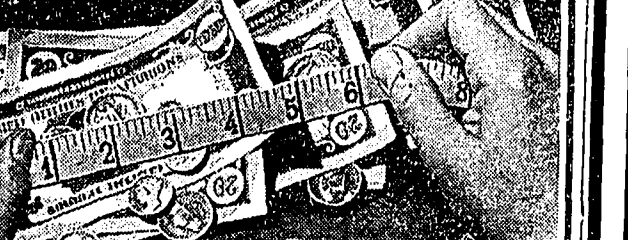

With a rough schedule coming up next week, Ye Olde Contest Editor will give out a few of his excellent tips for the week end.

PRESENT DAY TRENDS

The History of the Church records many conflicts in doctrine and practice. Like the History of Israel, so the History of the Church is one of apostasy and revival. It will be helpful in understanding the day in which we live if we understand the transition taking place now.

The term "Modernism," or liberalism, is a term used to describe those in the professing Church who have departed from what they originally believed true. It originated among the "Higher Critics" in Germany and thus transmitted through Colleges and Seminaries into the pulpits of the world. In a word we could say that emphasis was placed upon man's relation to man instead of man's personal salvation in his relation to God. The Doctrines of the Christian Faith became secondary or discarded altogether. The Social Gospel took the place of the Gospel of the saving grace of God.

The term Fundamentalists was given to those who did not drift with the trend of Modernism. These stalwart soldiers were men of conviction who retained their faith in the inerrancy of the Scriptures, the Deity of Christ, justification by Faith, The Virgin Birth, the Reality of heaven and hell and many such foundation facts of the faith. Since the term Fundamentalists was given to those who did not drift with the trend of Modernism, it is a revolt against Modernism and yet has no certain standard in itself. Neo-Orthodoxy is not orthodox. It is merely liberalism in a new cloak.

The major denominations became controlled by Modernists, many of the Fundamentalists were ruled out of their pulpits. Hundreds of Churches in practically all denominations succeeded from their Conferences, Conventions and Synods. These formed independent societies for the purpose of maintaining the original foundation doctrines of the faith.

The term Neo-Orthodox is used to describe the present trend back in the direction of "orthodoxy." Modernism fell into disrepute when two world wars in one generation shattered their contention that peace on the earth had been attained by means of the Social Gospel. Churches became empty and many buildings were abandoned. The experiment of Modernism had failed. The Neo-Orthodox movement has its roots in the works of Karl Barth, Emil Brunner, Reinhold Niebuhr and Edwin Lewis. Neo-Orthodoxy does not accept the authority of the Bible as the Word of God. It does not accept the Genesis creation as a fact but prefers the theory of evolution. It does not accept the NT teachings concerning Christ. Actually it is a revolt against Modernism and yet has no certain standard in itself. Neo-Orthodoxy is not orthodox. It is merely liberalism in a new cloak.

I trust this defining of the terms and trends of the day will help you understand the differences in Churches today.

Minutes of the Board of Education

November 4, 1957

The regular meeting was called to order at 7:30 p.m. by Vice President Waldo T. Johnson, in the absence of President Schrader.

Present: Waldo T. Johnson, Board Chairman; Robert H. Shaffer, Board Secretary; William Tierney, Superintendent; R. H. Amernan.

Absent: Nelson C. Schrader.

Others Present: Various people having business with the Board.

The minutes of the last regular meeting were read by Secretary Shaffer. There being no additions or corrections to the minutes, they were announced approved as read.

Communications:

- G. F. Taff, submitting proposal for grading on new high school site, \$12,050.00.
- Change order on American School addition, regarding footing in Corridor No. 49, change approved by architect.
- Solomon Construction Company, advising of unavoidable delays in construction which will delay opening of American School addition until approximately November 11.
- Principal E. V. Ellison, advising that William Tierney has completed the work required for graduation from the Class of 1958 to make a delay trip to Washington, D.C., and New York City, in May, 1958. It was moved by Mr. Shaffer and supported by Mr. Willis that this request be granted. Motion carried.
- Granting at new high school site; Superintendent was instructed to communicate Mr. Taff's proposal and associated figures to the architect.

News of Northville High School

"Know Your School" Tonight

"Know Your School" night will be held this evening for parents of students in the "day of school" class. Parents will meet at the Community building gym for announcements from 7:30 to 7:45 p.m. From 7:45 to 8 p.m., they will meet in classrooms where they will receive their children's schedules. Beginning at 8 p.m., they will be in a "day of school" class. Class periods will be ten minutes long. In between classes they will have five minutes to get to the next class. Fourth and fifth periods will be combined.

From the school building, parents will return to the community center for refreshments. Members of the National Honor Society will act as student guides.

Pep Club Rouses Spirit With Orange and Black Day

Last Friday the Pep club had an Orange and Black Day to get up the school team spirit.

Orange and black bows were on sale to the students who hadn't worn orange and black could do so.

In addition to the Orange and Black Day, the Pep club gave out small pep signs for the students to wear.

Notes, telling the players that they had the Pep club and the cheerleaders behind them, were placed on the individual players' lockers. Signs saying, "Back Up," were pinned on each player's back.

At the pep meeting, the Pep club presented coach Ron Schipper with a scroll saying that "the whole school was behind him and the team."

Eight Attend Engineering Meet

Eight students from Northville high school were among 1,000 students from metropolitan Detroit who attended the Engineering Society of Detroit's 25th annual engineering and science vocational guidance meeting yesterday.

Attending were Dick Harty, Bob Baker, Dave Janctka, Mike Peiz, Joe Krieh, Pete Gross, Dick Buckley and Jim Hammond.

The conference was held at the society's headquarters, in Detroit.

The conference is sponsored in cooperation with the Engineering Society of Detroit, and is planned to further the interest of high school students in the profession of engineering.

Engineers Club Has 20 Members

This year a new club has been organized at Northville high school - the Engineers' club.

Sponsors are Mr. Quay and Mr. Anderson.

The purpose of the club is to create interest in science and engineering and to help prepare for college engineering. There are approximately 20 boys in the club.

On November 6, Bob Hart, director of the evening school at Chrysler Institute, gave a speech to the club concerning engineering and courses taken for college engineering.

Future plans are for each member to work on the special phase of engineering that interests him.

Sophs to Sponsor After-Game Dance

On November 15, the sophomore class is sponsoring an "after game" dance that will last until 11:30. The music will be provided by the Northville high school dance band. Tickets may be purchased at the door.

Band Working For Next Game

Northville's marching band is back to work again after a week's vacation.

Although they didn't march at the Holly game last week, they have been working toward Friday's game with West Bloomfield.

Last week was spent in practicing for their coming concert on December 10.

U-M Freshmen Meet with Ellison

Two former Northville high school students now attending freshmen classes at the University of Michigan talked with principal E. V. Ellison at the annual principal-freshmen conference last week.

They are Bernhard Muller and Roseanne Perrault, who graduated from NHS last June.

Speaker for the conference was William E. Sturton, vice president of the University.

SPEAKING for the Record

By BILL SLIGER
While most of the community's sportsmen moved north this week in search of the buck, Roy Stone is enjoying larky 72 degree weather in Florida. He invited both Otis Tewksbury and myself to join him for a day or two of deep sea fishing. Otis, who was smart enough to snap-up the invitation, returned last week end. His fan, plus a "good fishing" report, didn't help our Monday morning.

Postmaster Leland Smith tells this sad story of the "one that got away". Along with his son, Steve, and Bruce Turnbull, Smitty went deer hunting with bow and arrow last week. With Steve behind a tree and unable to take a shot, Smitty was caught crowding on his hands and knees by a goat-sized buck not 50 feet away. Both Steve and Smitty were afraid to move. Finally, after what seemed like minutes, the buck bolted away leaving two sad and sick hummers. (Where was Turnbull all this time?)

Last week's column brought strong response from many readers in the form of phone calls and personal visits. We're sorry that one reader failed to identify himself. His note taped to the front door of our office early Friday morning was signed only "Honest Citizen". It read, "look at your own windows before looking at the city alleys..." While we haven't much to say for "Honest Citizen's" course, we'll have to admit that his criticism was constructive.

Local businessmen had some good questions about the AAA parking survey report made last week. In general they were dissatisfied with the findings and still believe Northville lacks sufficient offstreet parking. (See story on page 11).

LOCAL BUSINESS BRIEFS

H. Holmes, 2320 Novi road, has introduced a new service to go along with his tarpane repair. It's monoxide gas detection. Working with special equipment, Holmes says he has discovered three cases of monoxide gas leakage caused by faulty heating equipment recently. Health department officials have warned to watch for symptoms which may indicate monoxide gas — mild headaches and nausea.

C. Old Talla, vice president of the Detroit division of the Kruger company, says excellent buttermilk in supermarkets may be a thing of the past. A new device now being tried in a Clemtown, Ohio Kruger store fills bags automatically either check-out time or third.

THEY'RE CATCHING ON, BUT THEY CAN'T CATCH UP.

That's how lots of people feel about the "new 1958" cars that are trying to knock the Dodge Swept-Wing look. These other cars have been lowered some, but still seem high and loopy by comparison. A few are "catching on" to fins, but they're years from "catching up." And the air suspension offered by some cars (at well over \$100 extra) can't compare with the sway-free, dip-free ride of Dodge Torson-Aire (standard equipment on all models). So on your way home from someone else's new car showing, stop in and compare it with Swept-Wing '58 by Dodge. You'll see what we mean.

MOTORISTS WILL GET A free trip across the Mackinac Straits bridge in 1997 if everything works out. This is a plan to supply pure drinking water to areas hit by disaster. In brief the idea involves an agreement by dairies to fill paper cartons, usually used for milk, with water. The filled cartons can be readily transported to the stricken areas for distribution through Red Cross or Civil Defense representatives.

Conceding that every county in the state were on hand to make the first official crossing November 1, in the 10 hours after Gov. Williams paid the first toll, \$300,000, he would have to pay for the bridge, refinancing, lower interest rates, and extra traffic make it possible.

Terminated, accidental industrial pollution, atomic attack or other emergency conditions can create a vital need for pure water. This was the case in Utah last year when it discovered that waste materials discharged into the water supply made the water unfit for consumption.

There have been dreams of such a bridge for more than 100 years — since Michigan obtained the Upper Peninsula from the Northwest Territory in negotiations following the Toledo war.

CD for CD is a program embraced by the Federal Civil Defense Administration. PCDA is recommending that other states follow Michigan's lead.

LOCAL OFFICIALS are urged to start training schools for bad drivers held in their courts. The new law authorizing the local schools became effective September 27.

Highway Commissioner John C. Mackie inherited the job of finding work for the men. As the bridge opened, fewer than 100 of the 475 in the fulltime and parttime complement were still unemployed. A special staff in Mack-

Bank Stocks Offer Good Investment Return

Bank Stocks Give Local Prestige
It seldom helps one's credit or social standing in the community to own stocks listed on the New York Stock Exchange, even if they are of the highest grade. It, however, does help one's credit and standing to be a stockholder in the local bank. I especially advise young people — men or women — to acquire a few shares of their local bank stock every year.

Bank Earnings for 1957
So many readers are today seeking the safest good-yielding investment that it is a pleasure for me to suggest that it may be in their own city. I refer to your local bank stock as an investment. Your local bank will probably show an increase of 10 percent in 1957 earnings, compared with 1956.

March of Dimes Director Named
The Oakland County Chapter of the National Foundation for Infantile Paralysis has announced the appointment of Stanley C. Colby as field director of the chapter. The announcement was made by the Rev. G. Burton Hodgson, chapter chairman.

Careful Examinations
Banks are not only audited by their own committees, but also by state or national examiners, or perhaps by both. Stockholders can at any time get a financial statement, free of cost. You, therefore, can keep a constant watch on your bank's financial condition.

Residential Growth In Future for Novi

Editor's Note: This is the sixth in a series of articles on the history of Novi township, originally written and edited by William O'Brien, a Southfield high school teacher who lives in Willowbrook Village.

PRESENT LAND USE
In the Detroit metropolitan area, growth and expansion have generally followed the railroad and arterial highways as Woodward, Grand, Michigan and Grand River. Since Novi township not only lies on one of these arteries, but also on the only railroad which crosses or follows Grand River between here and Detroit, growth of the township is certain.

And, since a recent study has shown that the average worker travels only five miles to work and spends less than 30 minutes doing it, it can be expected that increased industry will mean even more residential growth for Novi.

Industrialization creates rapid change, and rapid change creates problems. But this will be discussed in a later installment.

For one, it reviews and later tabled a swimming pool ordinance that would require permits showing location and design of all pools in the township. The ordinance also requires pools to be fenced in, to have lockers, gates, unchlorinated or filtered, and to have adequate supervision.

FROM NOVI INTO NORTHVILLE — As a result of Tuesday's annexation election, Mr. and Mrs. Harold Hartley, 602 Randolph, and a group of their neighbors will now officially be residents of Northville rather than Novi. Hartley, shown above with Novi township clerk Nancy Bachert, and other voters in the affected area favored coming into Northville by a 9-3 margin.

The proposed 2,000-home development in western Novi has been named "Lincoln Village". It will honor both the Civil War president and the famous automobile produced nearby.

The city of Northville became 220 acres larger this week, while the size of Novi township was decreased by the same amount. Voters in the city and those residing in the township area approved the annexation by a large majority Tuesday. The vote in the city was 150 YES to 32 NO. Registered voters in the 220-acre township site voted nine to five for annexation. It marked the second annexation of Novi township proper into Northville this year. Eighty-two acres surrounding the American elementary school became a part of the city when a vote contesting last year's annexation election of the area last year and a reversal of the vote in circuit court. Specifically, the new 220-acre section of Northville lies between Novi road and a line 1000 feet west of Novi road. It extends north to the 8 1/2-mile line. The area includes the new D & R subdivision which has begun development at Baseline and Novi street. Northville Lumber company and Warren Products. Warren officials had opposed a similar annexation election of the area last year and a reversal of the vote in circuit court. R. T. Martin, partner in the firm, stated that he still considered the annexation a "mistake". He did not indicate that Warren Products would take legal action, saying that an investigation of the results and procedures would be made. Referring to the tax problems that arise between the Oakland and Wayne county sections of the city, Martin said that the city had taken "a short term gain that will become a long term administration headache." "In my judgment, there should have been a referendum on the city of Oakland and one in Wayne county. Each would be governed by the same slight adjustments, but remain separate for tax purposes," he stated. "It would be very much like two corporations within the same company," Martin concluded. The annexation will become official after construction of the disposal plant by the Wayne County Board of Conservators. Any action protesting the election must be brought within 30 days. "We intend to have homes started next spring," he said, "but they can't be occupied until the plant is ready for use. So it's imperative that we get the plant finished as soon as possible." Thompson-Brown officials presented their plans to the Novi school board last week in an effort to make the assimilation of some 3,500-4,000 children into the Novi school system over the next five years as smooth as possible. Superintendent William Melnyk said afterward that the development does not pose any immediate problem. "About 100 acres of the 700-acre site are in the South Lyon district," he said. "And as for our own area, the new Willowbrook school should handle an additional 300 students without being strained." "But it won't be long before we have to start thinking about new schools," he added. The Novi township board and Novi school board were to meet last night to review their agreement on operation of the Novi community building. The groups also were expected to name a new member to the three-member committee which runs the building. Looking back through the files of The Novi News this week, hints that something big was brewing could be found as far back as the middle of July. At that time, a photo feature on building activity in this area said, "Other subdivisions — glint ones — are in the air." On August 8, The News' lead story was headlined, "Novi May Have Sewer System Soon" and reported that the "initial system will center around a new subdivision to be built in western Novi. Plans are expected to be announced soon." The same story stated that the sewer system and disposal plant would cost \$300,000 and that wastes would be deposited into a nearby stream. In October, The News reported the township board "agreed to take over the sewer and water systems of a new subdivision if they are up to standard." On November 7, a story related that the board "agreed to meet with representatives of a Detroit land development firm to discuss a new subdivision in western Novi." So, though plans for the huge development were known to only a few persons in Novi, it could have been learned by a careful reading of that small space between the lines.
