

# SPEAKING for the Record

By BILL SLIGER  
Last July 18 we devoted this column to taxes and attempted to clarify some of the misunderstandings and confusion that always exists between the city, county and school variety.

At best, it's an unpleasant subject. But like them or not, they're here to stay and we can't play "ostrich" and pretend they are not!

This week and next city and township residents will be receiving their SCHOOL, COUNTY and TOWNSHIP tax notices.

Following our lead story last week that tax notices were crisscrossing a 60 percent increase City Manager John Robertson received a number of inquiries seeking an explanation.

While John answered his callers, we were answering a few... mostly asking why we mentioned it at all! I don't think that this is a newspaper. We print the news... somebody else makes the news.

For the sake of clarity, however, it should be pointed out again that the winter taxes are SCHOOL, COUNTY and TOWNSHIP and have nothing to do with the city, where taxes are levied in the summer.

The city merely collects taxes for the county and schools. The township treasurer, Roy Terrill, collects township taxes, which are also payable this month.

Most residents want to know about the increase. They're not interested in anything but "how much," "why" and "what for."

It's at this point that the confusion enters. Our simple understanding of the subject may make an explanation clearer. Then again, it may add confusion to the confusion.

The biggest slice of winter taxes goes to our schools. The school budget this year totals \$892,277. About \$380,000 will be collected from taxpayers within the district. State aid, tuition, etc., makes up the rest.

Specifically, the school tax is 21 mills. Wayne county 6.8 mills (Oakland 5 mills), and the township about 1 mill.

Operating expenses consume 17.50 mills of the school tax, while 1.75 mills is used to retire the 1954 Amerasia school \$300,000 bond and 1.75 mills for this year's \$500,000 bond for the Amerasia addition and new high school site preparation and planning.

Another expense that the school board must pay back this year is \$87,000 in notes issued last year when state aid was cut off and operating funds depleted.

Last year the schools levied 22.45 mills as opposed to 21 mills this year.

But last year the state equalized valuation of the school district was \$10,000,000 compared to \$18,000,000 this year. Thus the state has said that the property in the school district is worth 60 percent more than it was formerly assessed.

This state "equalization factor" varies between counties and the city and township. Therefore, some property owners will have larger tax hikes than others.

In the township the equalization factor is 1.9; in the city (Wayne county) it is 1.75; and in the Oakland county section of the city it is 2.45.

For those who are interested, your winter tax may be figured by multiplying the assessed valuation of your property by the equalization factor that applies to your area and finally by the total millage that you must pay.

But whatever the total of the tax, take solace in the fact that local school taxes are not out of line with other communities. In fact they're lower than a great many and we haven't experienced half-day or extraordinary crowding of classrooms, yet.

It's true that some tax inequities do exist. Some residents pay more because others do not pay their fair share. These assessment short-comings will be corrected by the re-appraisal program recently completed in Wayne county and currently being conducted in the Oakland county section of the city.

## Michigan Mirror

### Taxes and Politics

MONEY TROUBLES will be the toughest problem faced by the 1958 legislature.

State agencies have asked for \$400,000,000 for the fiscal year 1958. This is about the same requested from the previous legislature, which cut \$80,000,000 from the combined proposed expenditures.

The problem is more compelling this year because last year lawmakers shopped a moratorium on "normal" expansion — but "normal" expansion — to the extension of services to cover population increases.

Gov. Williams, informed by his economic advisors that the state and the nation face difficult times ahead, is preparing a budget geared to holding expenses down.

Republicans are charging it is a political technique, demanding vast cutbacks in services to Rogers, Arkansas, next spring, blaming state taxes and the high cost of labor.

As they tackle the tax and revenue problem, legislators and Gov. Williams both will be measuring their views against next fall — the 1958 election.

Two tax committees are studying the state's tax structure but both say their reports and recommendations will not be ready until 1959.

Financial experts see a decline in the sales tax revenue this year, creating the necessity of augmenting school aid from "other" sources.

That is the dismal side of the picture. Even more dismal is the need for more facilities for higher education, mental health and other functions of government.

Williams is considering an extensive bond financing program for the colleges and universities. At least two Republican legislators are ready to go along.

Rep. George Sallade (R-An Arbor) has proposed a bond issue to build the needed buildings for higher education. Rep. William Bowman (R-Lansing) suggests liquidating the \$50,000,000 veterans' trust fund as a stop-gap measure.

The needs are imperative this year. The University of Michigan and Michigan State University have asked for a total of \$117,000,000 in new buildings for next year.

Russian development of their earth satellites and the consequent pressure on higher education in America has superimposed a sort of desperation over the picture.

State employees already are asking for another civil service salary increase.

More money will be sought to start construction of a new Boys' Vocational School, continue construction of a new medium security prison at Ionia.

Pressure groups are forming in ranks to demand more services.

The picture of another tag of war over how much citizens are willing to pay for government and its services is developing in Lansing while officials shudder at the thoughts.

Donsos of bond issues to build new schools and improve local services have been voted down in the past year and business and industry are up in arms over the state "tax climate".

The Dairy Manufacturing company of Plymouth said it would move to Rogers, Arkansas, next spring, blaming state taxes and the high cost of labor.

As they tackle the tax and revenue problem, legislators and Gov. Williams both will be measuring their views against next fall — the 1958 election.

OPPOSITION developed quickly to a plan by Secretary of State James M. Hare to start Michigan motorists using permanent license plates in 1959, with metal tabs for the ensuing two years.

Hare said the program would require an extra \$60,000 next year to add another cent point to the plates, but would save about \$200,000 over the three-year period.

First, law enforcement officials said the plates would become illegal and battered in the three years and the tabs would be easy to counterfeit.

Then, legislators said they doubted that Hare's plan would result in the savings he anticipated.

Best bet at present is that Michigan will go on using one-year plates.

## Babson Sees Good in Ike's Illness

Babson Park, Mass. — The and news about President Eisenhower should now be buried and we should approach a coalition government. This could be a silver lining to the dark cloud.

What May Happen To Khrushchev? We must not forget that Russians have their troubles as well as we. Khrushchev is not only vulnerable to similar misfortunes at any time but is also liable to be shot, a possibility which our political leaders need not fear today.

There is more or less talk about Mr. Eisenhower's resigning. As to his physical situation, I have no right to judge or forecast. I can not, however, imagine him quitting now. He himself will want to wait through the Christmas season and until Congress opens the first week in January.

At least a few can understand, even if he doesn't obey. But a jerk — he just sits there and harkens.

That's what confronted a Willoughby couple when their peppy pet got locked in the bathroom last Sunday. They always put him in there when they go out for a few hours. But this time the latch caught.

Denial storm windows and inside hinges on the door didn't help. Finally police came, armed for the occasion with kitchen knives and screwdrivers.

After a couple hours the latch gave, and out dashed the unhappy prisoner — more indignant than frightened.

"What's the big idea," he yapped at police. "A guy's not even a dog by himself without someone coming around and bothering him."

existed during the past few months, this should be some advantage over possible candidates of both the large parties. As to whether the present misfortune will help either party in the Congressional elections next year, no one would dare forecast at the moment.

In closing, let me say that President Eisenhower was trained at West Point to give his life for his country. He was always prepared to die on the battlefield. I know that when his time comes, he will be proud to die at his work or "with his boots on". The fact that he went over to the airport to meet his foreign visitor on a stormy day is true testimony to his courage, patriotism and fundamental beliefs.

I personally have great confidence in Vice President Nixon. If he handles himself well during the next few weeks, as I believe he will, he will be a great asset to the nation.

However, I will recall that the Dow-Jones Industrial Average on the morning of Tuesday, November 26, was 43.27, and closed that night at 43.34. As I am writing this release, the Industrial Average is 46.01. Readers can look up the latest figure in their daily papers when receiving this release. As to the future, we fear no crisis of public business on the market, but there will be a gradual sagging off. People will wait until they see what develops.

I feel certain that President Eisenhower's illness will tend to make the opposing parties unite on his foreign policy and on defense. The President never pretended to know much about money affairs or agricultural or many other domestic problems. The President, however, probably knows Europe better than anyone in Washington, and it is too bad that he has had such a struggle to put through his recommendations. With his Army record, the President should have his feet on the ground when making recommendations as to defense problems. Of course the situation has been changing so fast, from bombers to short-distance missiles to long-range ballistic missiles and now to satellites, that no one knows what the future will bring forth. Nevertheless, I repeat that any political bitterness which has

Broomfield Plans Social Security Bill

The plight of Oakland county's older residents will prompt U.S. Congressman William S. Broomfield to sponsor changes in social security laws in Washington in January.

Broomfield said he learned how serious the situation was on his two-month trailer tour of the 11th Congressional District.

"At almost every stop, there were complaints that the present social security system isn't doing the job. It was designed to do," said Broomfield.

One of the chief complaints was that those receiving social security benefits are having a hard time making ends meet. And the present \$1,200 limit on outside work is hampering others from improving their standard of living.

"Therefore, I am going to sponsor a bill in January which will increase the \$1,200 ceiling on outside earnings for those receiving social security payments," said Broomfield.

## New Expressway Opens Tomorrow

Tomorrow is another milestone for Novi and Wixom. The multi-million dollar Farmington-Brighton expressway, the newest thoroughfare in the state, will be officially opened to traffic.

Ribbon-cutting and dedication ceremonies at both ends of the 23-mile route will mark the occasion. Between a canopy of state, county and local officials will stop in both Novi and Wixom to honor the two communities.

The expressway, started in November, 1955, extends from Brighton to the Farmington cutoff and gives Novi and Wixom motorists non-stop driving past Kensington park on one end and almost to Detroit on the other.

Eventually, the expressway will be part of a 200-mile superhighway from the Ambassador Bridge in Detroit to Lake Michigan at Muskegon.

The expressway cost \$120,000,000, including \$10,000,000 for construction, and has 16 bridges up and down its length. Some 6,400,000 cubic yards of earth was moved, and 445,000 square yards of concrete was poured. A total of 6,400 tons of steel went into its bridges.

According to plans recently revealed by the state highway department, the Farmington-Brighton route is only the first of three expressways which very likely will intersect in Novi.

The second is the 11 Mile expressway to James Couzens highway, and the third is a north-south belt line connecting the Monroe county area with the US-10 expressway to the Straits.

The new route will not be without its drawbacks. Some Novi merchants, especially those whose trade depends on transient traffic, expect a decline in their business. Many of them, however, have already made plans to compensate for the loss of cars by increasing sales by their front doors.

The initial ribbon-cutting at Brighton at 9:30 a.m. tomorrow will be followed by a parade through Wixom route, a 10-15 ceremony with village and Lincoln officials. It will proceed to the Novi pick-up truck bridge at 10:45 for a tribute to Novi and Walled Lake.

From there, the caravan will drive to a final ribbon-cutting ceremony at Farmington and a dedication luncheon.

Guests will include lieutenant governor Philip A. Hart, state highway commissioner John C. Mackie, and speaker from Ford Motor company, county, village and township officials.

The council agreed to study village traffic and prepare recommendations for the city council should any new ordinances or specific suggested speed controls within the village.

Tonight (Thursday) a meeting of the planning commission is scheduled at the Village Hall. Meanwhile, regular meetings of the nine-member charter commission are being held each week to draft a new charter for the city of Wixom.

The dance begins at 9 p.m.

Firemen Plan Dance Here Saturday Night

Novi firemen will stage their fourth annual benefit dance at the Novi Community hall Saturday night.

Music will be furnished by Herma Shields and his orchestra. Reservations will be served and the public is invited to attend. Tickets are available from any fireman and at the door. Wayne McClure is the ticket chairman for the event. The dance begins at 9 p.m.

Novi Highlights: Santa Claus Coming to Novi

By Mrs. Lather Rix — Farmington, 94925 The Russell Races spent last Wednesday with their son's family, Mr. and Mrs. Russell Race, Jr. at Greenfield.

Mrs. Phyllis Pierce of Dearborn is spending a few days with her sister, Mrs. Fred Mandlik on West street.

Mr. and Mrs. Lather Rix attended the funeral of the latter's cousin at Bill and Donna Cowell of Mead at Highland Park General hospital and attended the Holiday House party of Our Lady of Victory church.

Mr. and Mrs. Joseph Cicirelli of Ypsilanti are the parents of a son, weighing eight pounds and ten ounces. He was born at Ridgewood hospital, Ypsilanti, Wednesday, December 4. The Cicirelli's also have a daughter, Julie Ann, 17 months old. The maternal grandparents are Mr. and Mrs. William J. Stansler, Sr. of West Grand River.

## File Petitions for Village Incorporation

Petitions calling for incorporation of Novi township as a village were filed last Friday.

Unless irregularities are found, an election on the question will be set for sometime early next year, possibly in February.

The proposed village includes all of the Novi township except four areas: Wixom, Northville Estates subdivision, Brookfield Farms No. 1 and one part of the city of Novi.

The area covers some 21 of Novi's original 36 square miles and has a population of nearly 5,300 persons. Filing of the petitions ends six months of preparation by the Novi incorporation committee, a citizens group composed of chairman Walter Tuck, Keith Metcalf, Russell Button, Diron Trafzallan and Dirk Groenewegen.

The petition filed Friday with the Oakland county clerk, will go before the county boundaries committee and then to the county board of supervisors at their December 23 meeting. That board must approve them before an election can be scheduled.

The incorporation committee had no choice but to exclude the four areas. Wixom is now a village. The Novi subdivisions did not have the necessary signatures on the petitions. And the Northville area is either part of the city or up for annexation to the city.

But at least two of the areas may yet find their way back into Novi if it becomes a village.

One is Brookfield Farms No. 1, a small subdivision directly west of the original Brookfield Farms which faces on Novi road north of Nine Mile. As petitions now stand, that subdivision would be an island in the Novi village, completely isolated from any other governmental unit.

Metcalf said the board of supervisors has the power to include it in the proposed village.

"Tomorrow, quite a few drivers will probably miss Novi," he said. "So we have no idea of what we might collect."

All money will be used to buy Christmas gifts for the poor in the village, more than 30 were delivered.

They will be stationed at Novi road and Grand River, Novi road and 12 Mile road, and possibly near the Lincoln plant.

Miller said the Goodfellows already have heard of a number of families which will be hard-pressed for Christmas this year.

"But if anyone knows of a needy family which we may not have on our list, they should call the township hall," he said. "We don't want anyone in Novi to go without a Christmas."

Last year, Goodfellows collected upwards of \$800. One year, the sale topped \$1,000. Miller said no goal has been set for this year, however.

Plans were made to train a police auxiliary to serve the township in case of such natural disasters as floods and tornadoes. It will be headed by Henry McCalla, a veteran of 34 years of police work, and will be supervised by the Novi police department.

The plans were laid at a meeting last week of civil defense volunteers under director D'Arcy Young, in an effort to revitalize the program.

Young said another meeting will be held next Wednesday at 7:30 p.m. in the township hall to discuss setting up a fire auxiliary and welfare unit to provide food, shelter, supplies, rehabilitation and Red Cross coordination if disaster should ever hit Novi.

Herbert Koester, chairman of the landowners group which had scheduled the meeting, and Vern Johnson, vice-chairman of the group, repeated many of Savage's reasons for opposing incorporation, and which opposes incorporation, and which members of the Novi incorporation committee.

In the meantime, a number of public meetings will be called to debate the pros and cons of incorporation. One such meeting was held last Monday night. (See other story, this page.)

"I'd like to see Novi stay as it is," said Johnson, one of Novi's remaining full-time farmers. "We're still a rural community, and we should stay that way until we have to change."

Koester then turned the floor over to incorporation officials.

Chairman Walter Tuck said his group's main concern is that choice tax plumbs will be annexed or incorporated into other areas, leaving the rest of the township penniless.

Stamper, 23, was shot in the neck when the gun of his companion, Russell D. Morris, 27, of Walled Lake, accidentally went off.

Stamper is survived by his wife, Ruth Ann, and an infant daughter, Deborah, which was found Monday morning along a stream in Northville less than 30 feet from the site. He was employed by the Young Door company in Novi. A complete obituary will be found on page 5.

Stamper, 23, was shot in the neck when the gun of his companion, Russell D. Morris, 27, of Walled Lake, accidentally went off.

Stamper is survived by his wife, Ruth Ann, and an infant daughter, Deborah, which was found Monday morning along a stream in Northville less than 30 feet from the site. He was employed by the Young Door company in Novi. A complete obituary will be found on page 5.

PROPOSED VILLAGE OF NOVI — Shown here are the approximate boundaries which Novi will have if incorporation is approved. The village would include some 21 square miles (shaded area). Excluded are: Wixom (A), Northville Estates (B), the city of Northville (C) and a new section recently annexed to Northville (D), and Brookfield Farms No. 1 (E).

## To Incorporate or Not? Pros, Cons Are Studied

The pros and cons of incorporating Novi as a village were looked into by some 50 Novi residents Monday night.

The meeting came just as Novi incorporation officials announced they have filed petitions calling for incorporation of Novi as a village.

Though most of the facts and factors had been brought out before, they got a good airing for the first time in several months.

Guest speaker Gilbert D. Savage, an architect and chairman of the Southfield planning commission, stressed the path open to Novi and validated the area for incorporation.

But to get into the proposed village would mean that Novi would be completely isolated from any other governmental unit.

"We didn't worry about including this area in our petitions," said Tuck, "because it would have delayed the filing of the petitions until the path open to Novi was closed. And if we had included the area, and the court ruled it into Northville, we would have to start all over with the petitions."

Northville Estates poses a third knotty problem. Since the subdivision is not adjacent to Northville, it cannot be annexed to the city. Consequently, as things stand, Northville Estates and Brookfield Farms No. 1 would be islands in the Novi village and would have only the Novi township board for a governing body.

As for advantages of becoming a village, he noted that Novi could protect its borders, avoid future division of assets, get more state tax rebates, have direct administrative control over many governmental functions, and levy property taxes up to 20 mills.

On the debit side, he said, Novi would eventually have to pay more for government, hire extra personnel, and construct municipal buildings, yet possibly does not now have the industrial tax base to support these expenses.

The meeting also heard from members of the Novi Farmers and Landowners Protective association, which opposes incorporation, and which members of the Novi incorporation committee.

In the meantime, a number of public meetings will be called to debate the pros and cons of incorporation. One such meeting was held last Monday night. (See other story, this page.)

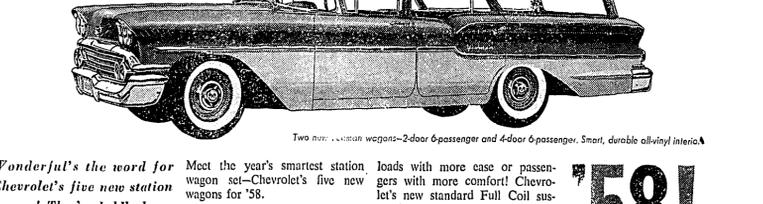

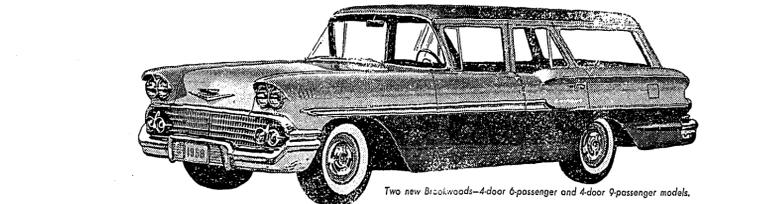

"I'd like to see Novi stay as it is," said Johnson, one of Novi's remaining full-time farmers. "We're still a rural community, and we should stay that way until we have to change."

Koester then turned the floor over to incorporation officials.

Chairman Walter Tuck said his group's main concern is that choice tax plumbs will be annexed or incorporated into other areas, leaving the rest of the township penniless.

Stamper, 23, was shot in the neck when the gun of his companion, Russell D. Morris, 27, of Walled Lake, accidentally went off.

Stamper is survived by his wife, Ruth Ann, and an infant daughter, Deborah, which was found Monday morning along a stream in Northville less than 30 feet from the site. He was employed by the Young Door company in Novi. A complete obituary will be found on page 5.

## Married at Our Lady of Victory

White carnations and stephanotis blanked the altar of Our Lady of Victory church on November 30 for the marriage of Mary Louise Reynolds to George T. Gomolak.

The former Miss Reynolds is the daughter of Mrs. Loretta Reynolds of Fry road. Her husband is the son of Mrs. Anne Gomolak of Ormond Beach, Florida.

The morning ceremony was read by Rev. Father John Wittstock.

For her wedding the bride chose a floor length gown of white chrysolite and lace. Her fingertip length veil was held in place by a small heart-shaped crown studded with pearls. She carried a bouquet of white carnations and stephanotis.

Wearing rainbow-hued gloves were matron of honor Mrs. Catherine Weese, sister of the bride, maid of honor Gail Reynolds, the bride's cousin, and bridesmaids Louise Smith, Valerie Hrubicki and Joanne Beuchamp. Their dresses were light blue, turquoise, orchid, rose and green, respectively.

Best man for Mr. Gomolak was Gerald Smith, who is attending Eastern Michigan college. Murray and his mother were luncheon guests of the club.

Members enjoying singing Christmas carols under the direction of Mrs. Francis Jennings with Mrs. Carl Brown at the piano. Girl Scout Troop 15, sponsored by the club, entertained the group with folk dancing after which they all enjoyed two puppet skits presented by Mrs. J. D. Wades of Livonia and Mrs. George Kols.

A wedding breakfast was held immediately after the ceremony at Hillside Inn in Plymouth.

A reception for 400 guests was held that evening at the American Legion hall in Northville. Richard Drew provided music for the occasion.

Out-of-town wedding guests included Dr. and Mrs. L. Mika, sister and brother-in-law of the bridegroom from Maryland, Mr. and Mrs. Saint-camp and Victor Saintangelo from New York City, Mr. and Mrs. Jack Smith of St. Thomas, Ontario, and Dr. and Mrs. D. Morrison of Lansing.

The newweds are making their home on Ann Arbor Trail in North-township.

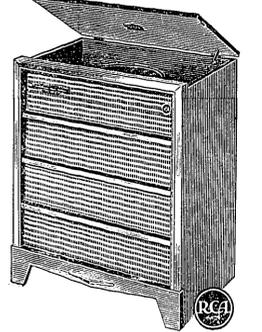

Mrs. George T. Gomolak

## Scouts Entertain At Garden Club

The Christmas party of the Northville branch of the Woman's National Farm and Garden association was held Monday in the American Legion building.

Hostesses were Mrs. Paul Schulz, Mrs. Robert Nisim, Mrs. R. D. Morrison, Mrs. E. O. Whittington, Mrs. N. W. Hopkins, and Mrs. J. R. McCann.

Mrs. Glenn Cummings, president, mentioned the Plymouth "greens market" to be held December 13 at West Branch in Plymouth. She also introduced Murray Lyke, recipient of the Garden club scholarship, who is attending Eastern Michigan college. Murray and his mother were luncheon guests of the club.

Members of Troop 15 picked working on their Christmas presents and elected their new officers for the month. They are Linda Russell, president; Debbie Burr, secretary; and unit leaders, Marilyn Puhanz, Linda Nagy and Enid Penn.

The troop put up Christmas decorations in the Scout Hall for the younger troops so they can have parties for Christmas.

Members of Troop 15 picked working on their Christmas presents and elected their new officers for the month. They are Linda Russell, president; Debbie Burr, secretary; and unit leaders, Marilyn Puhanz, Linda Nagy and Enid Penn.

## NEWS AROUND NORTHVILLE

Mrs. J. E. Straus was completely surprised last Tuesday night when she went to Saratoga Farms for dinner with Mr. Straus. Mr. Straus had invited three other couples to help celebrate her birthday.

The Past Matrons club will hold its annual Christmas party Saturday, December 21 at the Masonic Temple. A cooperative dinner will be at 6:30 and a social evening will follow. Guests will include the past patrons and their wives and also the husbands of the past matrons.

A personal bridal shower was held December 4 for Gloria Anilla at the home of Mrs. Mary Anderson of West Elvies Mile road. Hostesses included Alysne Austin, Mrs. Lois Green and Mrs. Marion Kahler. Gloria will be married on December 20 to Robert Erwin.

Murray Lyke and his mother, Mrs. Myrian Lyke, were guests of the Northville branch of the Woman's National Farm and Garden association Monday at their Christmas party. Murray is a student at Eastern Michigan college.

Last Saturday night Mr. and Mrs. Robert L. Cantrell of West Nine Mile road gave a buffet dinner honoring Mrs. Sue Cantrell and Rodney Dahlgger. Guests included Mr. and Mrs. Vern Biddle and family, Mr. and Mrs. Stanley Dahlgger, Mr. and Mrs. C. Noble Dahlgger, Mr. and Mrs. Larry Burnette, Mr. and Mrs. James Tidwell and family of Plymouth.

The November meeting of the Keweenaw fire-bureau group of South Lyon and Novi was held at the J. E. Straus home on Beck road.

Last Sunday night the congregation of the First Baptist church in Plymouth gathered to honor the coming wedding of Miss Sue Cantrell.

Waltz Me Around Again SANTA!

The soft speech of the Albert Speth family of Northville Estates reveals time spent in the south — Kansas City, Missouri, to be exact, the city they left to move to Northville last May.

Young Sonny, 11 years old, attends American school and is now very interested in science.

Mr. Speth was transferred to the local Burroughs plant after being in Kansas City for 21 years. He is a manager of product specifications in the research and development department of Burroughs. He is a graduate of the University of Kansas.

Since moving to Northville, Mrs. Speth has joined the Three-Cities Art club. She attended the Kansas City Art Institute and enjoys oil painting.

As friendly as the rest of the family is their four-year-old Dalmatian, Duchess.

## Plymouth Symphony to Present Overture by Local Composer

The Plymouth Symphony has a rare treat in store for concert goers on Sunday, December 15th. The orchestra will present for the first time the "Overture For Brass For A Future Occasion" by Grant Deglarian, written for and dedicated to Wayne Dunlap and the Plymouth Symphony orchestra.

A member of the symphony and resident of Plymouth, Mr. Deglarian is not a newcomer to the field of music. His compositions have been played in several major cities all over the country, including New York, Chicago, Detroit, Ann Arbor, Louisville and Austin, Texas.

Also of special interest will be the Bach Cantata No. 142 — "Unto Us A Child Is Born" — performed by the Eastern Michigan College choir, under the direction of Robert Waterstrip, who teaches both voice and choir at Eastern Michigan college. He is a member of the University Quartet for radio, soloist at First Church Scientist in Ann Arbor and has made several appearances in oratorio in this area.

The grade school choirs which will sing four numbers with the orchestra have been trained for their part in the program by Merry Lynn Johnson, Maude Laney, Ann Walkowski and William Grimer. The high school choir which will present two Christmas numbers, all so will sing the orchestra, is directed by Fred Nelson.

Girl Scouts of Troop 6, under the leadership of Mrs. Donald Graham and Mrs. George Hudson, will have a nursery room at the high school for "baby sittings" service during the concert.

Other selections on the program include Concerto Grosso number 8 by Corelli and the Watercress Suite by Tschalkowsky.

There will be no admission charge for the concert.

The symphony society is also making plans for their annual Plymouth Symphony Ball to be held Saturday, December 21. Robert Jenkins of Livonia is the symphony board member in charge of the affair. Tickets are now available at the Northville Record office, the lobby desk of the Mayflower Hotel in Plymouth, Cassady's, and both Fryer's drug stores in Plymouth.

Announcement of the marriage of Beverly Ann Angell to Paul D. Shewchik is made by her parents, Mr. and Mrs. Charles Angell of West Seven Mile road.

He is the son of Mr. and Mrs. G. W. Shewchik of Walnut Lake. The ceremony was performed November 26.

They had as dinner guests Sunday, Art and Ann Miller of Dearborn and Jan.  
Pinocchio club was held December 2 at Sophie Martin's home on Willow Lane. Gladys Earl, a guest, won first prize, and Clare Miller took second. The third prize went to Jane

**Obituary**  
BARTON L. GRAVES  
Funeral services were held yesterday for Mr. Graves, who lived at 110 Wixom road, Wixom. He passed away December 8 at Pontiac General hospital after an illness of one and a half years. Mr. Graves was born May 27, 1900 in Branch County, Michigan. He had lived in Wixom for the past 29 years, making his home in Novi previously. He was a member of the Novi Oddfellows. He is survived by his wife, Leone; his mother, Mrs. James Fry of Sturgis, and two daughters, Mrs. Forest Hinkle, Wixom and Mrs. John Romberg, also surviving is a brother, Clayton of Albion, Mich.  
Mrs. William Rackow of the Richardson-Bird funeral home in Walled Lake, Rev. Edmund Honoring of the Wixom Baptist church officiating. Burial was in Wixom cemetery.

**Novi Highlights...**  
Marsha, 2 1/2-year-old daughter of Rev. and Mrs. Arnold Cook, is ill in bed.  
Mr. and Mrs. Rex Dye, Jr. have a new son, John Kenneth, born on Tuesday, December 3 in Ann Arbor hospital. The Dyes have two other daughters, Mrs. Forest Hinkle, Wixom and Mrs. John Romberg, also surviving is a brother, Clayton of Albion, Mich.  
Mrs. William Rackow of the Richardson-Bird funeral home in Walled Lake, Rev. Edmund Honoring of the Wixom Baptist church officiating. Burial was in Wixom cemetery.

**WILLIAM STAMPER**  
Services were held Wednesday for Mr. Stamper of 630 North Center street who died December 8 from injuries received in a hauling accident. Mr. Stamper was born on September 11, 1894 in Kentucky, the son of Lerkin and Rachel Stamper. He had been living in Northville for one year and was employed as a mill operator at Young Door company in Novi. He is survived by his wife, Ruth Ann, whom he married on October 20, 1956, and an infant daughter, Beverly Ann. Also surviving are his parents, brothers Leon of Rochester, Thomas and Herbert of Wixom, John Henry of Indiana, James and Charles of Milford, and Edward and George of Kentucky. Also surviving are sister, Mrs. Callie Sponsaker and Mrs. Lillie Aldre of Walled Lake and Mrs. Mary Vires of Mrs. Arthur Ketchum of Brighton. Funeral services were held from the Richardson-Bird funeral home in Walled Lake, Rev. John Williams officiating. Burial was in Oakland Hills Memorial Gardens.

**MRS. CLAUDIA HOUSLEY**  
Mrs. Housley, a former resident of Plymouth who had lived in Lantana, Florida, passed away December 10 at her home of a stroke. She had been ill for one year. Surviving is a daughter, Mrs. Jack Mollot, of Lantana; two nieces and two grandchildren. Funeral services and burial took place in Florida.

**BLUE STAR MOTHERS**  
Novi Chapter 47, Blue Star Mothers numbering 14, met at the home of Mrs. Helen Hallman on 12 Mile road Monday evening.  
The annual report of the treasurer, Miss Betty Dyer, showed a net of \$10,011.18 is the amount earned by the chapter since they organized 15 years ago.  
The Mothers will visit Ann Arbor Veterans' hospital Tuesday, December 17 and remember 22 patients at Maybury Sanatorium before Christmas.  
It was voted to serve the Board of Commerce dinner Thursday evening.  
The following officers were elected for 1958: president, Thyra Grandella; vice president, Lottie; financial secretary, Stella Walker; recording secretary, Helen Hallman, and Gerlie Lee, treasurer.

LEARNING THE FUNDAMENTALS of sketching and drawing are Ellen Thomas, Fern Mitchell and Betty Kinnaman, all members of a Monday evening art class sponsored by the Northville recreation department. Teachers for the class is Jack VanHaren of the Northville high school art department, who takes a look at how his students are progressing with free sketching.

### All Night Parking, Snowy Walks to Bring Fines

Northville residents had better watch out or they may be ticketed for snowy walks . . . or parking on the street. Both conditions are punishable and will be enforced this year by the council. Policemen are already giving "courtesy reminders" to property owners whose sidewalks have not been cleared of snow. The ban against all-night parking will be adopted officially Monday by the council. The motion to stop parking on any city street between 2 and 6 a.m. has already been adopted by the council. An ordinance will be presented for approval Monday.

The sidewalk ordinance has been and also prevent them from making a "clean sweep". The ordinance hardships which may be imposed upon residents without driveways must be directed to the city council. After the ordinance is adopted, no exceptions will be made and cars parked on the streets will be ticketed, the council has warned.

Check Your Supply of Printing Needs BEFORE You Run Out! No parking at night has been enforced by councilmen to allow public works employees to properly clear the streets of snow and debris. Parked cars delay street sweepers and also prevent them from making a "clean sweep".

Chief of police Joseph Denton urged parents this week to warn their children of the danger of playing on this ice at the mill pond and other nearby bodies of water. At the recommendation of the Northville recreation committee, there will be no skating on the mill pond. City manager John Robertson and recreation director Stan Johnston are investigating two alternate possibilities for public skating: the fish hatchery on Seven Mile road and the infield of Northville Downs race track.

AMVET AUXILIARY The Novi AmVet Auxiliary will have their annual Christmas party next Tuesday, December 17 at the home of Mrs. Charles Trickey, Sr., East Lake drive, Walled Lake. Mrs. Danna Bell and Mrs. Trickey will act as hostesses.

Mrs. H. C. Diersson of West Dunlap street returned home Monday from St. Petersburg, Florida. She was called south due to the death of an aunt, Mrs. Edward Smith.

### Do You Have "Half Faith"?

A letter came to my desk this morning with a quotation of D. L. Moody printed across the bottom of the stationery. It said, "Oh, the foolishness of a 'half faith'! What did this mean? Simply this, a faith that believes but not to the extent of doing something about it. For example, a man who sees the warning on TV that a hurricane is approaching his area, he hears the blast of local warning system, but does nothing about it. How foolish is this man's 'half faith'. Now it appears to me that a good many people have 'half faith' concerning Christianity. If you ask them if they believe the Bible, or if they believe that Jesus Christ died for them that they might be saved, or that He arose from the dead, or in the reality of heaven and hell, to all of this they would answer — surely I do. But the sad part of it — they have only a 'half faith' because they do not put their faith into action whereby they receive the Lord Jesus as Saviour and take their stand on His side. Such 'half faith' is no better than no faith at all unless it is acted upon by obedience to God's command, 'Call upon the name of the Lord.' ## "Dear Santa Claus: I'd Like..."

## THE NOVI NEWS

In Northville and Novi this week, scores of little children bit the end of their pencils, thought hard, and carefully wrote down their heart's dreams.

Then they tucked their letters into envelopes and sent them off to Santa — usually in care of "North Pole, U.S.A."

In their own way, the letters are masterpieces — whether they ask for a gun, a doll, lined cardstock jenns, or even a doll "with layette and a tele with a 5 stories."

Dear Santa,  
I am in the second grade and am 7 years old. My father said I was good this year. I would like the following things. PLEASE: Dump truck, STEAM SHOVEL, gun set, fire engine, SHIRT, and I would like this best a camera, GAS STATION, good shoes, a wagon — Give to Gary Raynor, Northville.  
\* \* \* \* \*

Dear Santa Claus,  
I have been a good little girl and for Christmas I would like a Tiny Tear doll and a horse. I will leave some milk and cookies on Christmas Eve. I am four years old.  
\* \* \* \* \*

Dear Santa Claus,  
I have been a good girl too and are two years old. For Christmas I'd like a gun and horse. I will leave you some oranges.  
\* \* \* \* \*

Dear Santa Claus,  
I want a tiny tears doll, a bride doll, and a musical teddy bear. Some unbreakable dishes and whatever else you want to bring me.  
—Love, Adelaide Brown, Northville

Dear Santa Claus,  
I would like a Betsy Wetsy doll with a layette and a tele with a 5 stories.  
—From Claire Wilson, Northville

Dear Santa,  
I would like a flash camera, and I would like some blocks, and I would like some skis, and I am 7 years old, and my mommy would like a cheese cutter, and my daddy would like a pool table, and my baby sister would like a pull toy, and my sister Linda would like a nurse kit.  
—From Frank Wilson, Northville

MEANWHILE, OUT IN THE SNOW — While the Christmas season was a time of hoping and dreaming for the children, their parents had to face up to the realities of ice and cold. Despite the first big snow of the year, shoppers trudging along the streets of Northville managed to come up with a warm smile of seasonal greetings for one another.

JUST TO MAKE SURE — Many Northville and Novi kids made certain that their requests reached Santa by taking them directly to him themselves. Here, Tracey and Linwood Star double-check their lists with Santa during his stop-over at the Gamble store in Northville last Saturday night.

**MICHIGAN BELL**

**TELEPHONE lines**

IT IS OFTEN SAID that the best gifts you can give are those you'd like to receive yourself. Wouldn't you like to receive, as a Christmas present, a bedroom or kitchen phone, or a phone for the den or workshop? Then wouldn't they make great gifts for Mother, Dad or the teenagers in your family? Extension telephones (in any of nine decorator colors) cost only about \$1 a month after a one-time installation charge. So order your gift telephones now. It's easy: just call our Business Office.

\*\*\*\*\*

CHRISTMAS IS GETTING closer and closer and you probably have a hundred and one things to do — presents to buy, holiday parties to plan, and lots of errands to run. Just the spot for your telephone to come to the rescue. You can shop around by phone and find out if certain items are still available and what they cost. And for planning holiday get-togethers, there's no faster, easier way than doing it by phone. Holidays and every day, there's just no end to your telephone's usefulness.

\*\*\*\*\*

**NEWLY-DESIGNED** equipment is being used to bring telephone service more quickly to fast-growing sections of town. Called Cable Concentrator, it lets as few as 16 pairs of telephone cable wires do the work of 36. In a new and heavily built-up area, where the Cable Concentrator is most useful, it means more phones can be installed without waiting for additional lines to be built. And it means more people there can have single or two-party lines. The development of these concentrators is one more milestone in Michigan Bell's continuing program to bring you more and better phone service.

Come try the quickest combination on the road!

# CHEVY'S TURBO-THRUST V8 WITH TURBOGLIDE

Chevrolet's radical new Turbo-Thrust V8 and honey-smooth Turbo-Glide\* automatic drive form a performance team that spells action. At all speeds, under all driving conditions, they give you the quickest, smoothest response of anything going.

There's never been an engine-drive combination like this one! Chevrolet's Turbo-Thrust V8\* introduces a radical new slant on engine efficiency. The combustion chambers are located in the block rather than in the head, and chamber surfaces are precision machined. The result is a wonderfully smooth and even flow of power.

Turbo-Glide\*—the other half of the team—is the first and only triple-turbine automatic drive in Chevy's field. It takes you from a standstill through cruising in one continuous sweep of motion, without even a hint of a shift or lag. Harness these triple turbines to a 250-h.p. Turbo-Thrust V8—or the 230-h.p. Super Turbo-Thrust—and you step out instantly in any speed range. Nothing else on the road turns your touch into action so quickly, so smoothly. Your Chevrolet dealer has the combination!

\*Optional at extra cost.

### Pity the Poor City Councilman! He, Too, Underpaid Study Shows

Salary is not a major factor in candidates for council in Michigan cities, but almost half feel they are underpaid for their services to the community.

These are the findings of a survey recently conducted in both major council and council-manager cities above 4,000 population in the state by the University of Michigan.

Questioned on whether they thought salary an inducement for seeking office, only three percent voiced agreement compared to 60 percent who did not consider it a major factor.

What, then, does attract men to council posts? About 90 percent of those polled checked the desire to help people and to render a public service.

Other reasons: Persuasion from friends and neighbors (50 percent); interest in politics (46 percent); desire to support a specific program (24 percent), and desire to bolster representation of their own attitudes or political parties on their councils (20 percent).

The UM researchers also found that very few persons considered political careers, business and social contacts, and prestige or self-expression as motivations for running for council.

The main reason for desiring an increase, according to the \$1 council men (41 percent of the total) who favored a raise, is because of the fact that their present salaries do not recognize time spent outside of regular meetings.

Percentage-wise, the average suggested raise amounted to 210 percent. This would mean a jump from an average in the cities polled of \$442 annually to \$1,045.

### Cars Damaged In Accident

Damages amounting to \$35 were done to a parked automobile belonging to Dale Richmond of 423 Beal street on November 29.

Richmond's car was parked on Orchard drive when Harry D. Kienstiver of Port Huron backed into it from a driveway across the street. Damages to Kienstiver's car totaled \$60.2.

### King's Daughters Seek Needy Families

The Michigan Circle of the King's Daughters is asking help of Northville residents in seeking out needy families for Christmas food baskets.

Names may be given to Mrs. Clifford Winter, Northville 373; Mrs. Nelson Schrader, 515.

### King's Daughters Seek Needy Families

The CAR Christmas meeting and party will be held at the home of Mrs. Walter Gemperline, regent of the DAR, at 4747 Territorial road, Plymouth. New junior members are also invited to attend.

Four members and three adults of the Plymouth Corners Society of the Children of the American Revolution attended the CAR board meeting in Lansing last Saturday.

My baby draws up her feet when I try to put her shoes on. Any suggestions? I have heard of one "sure cure." It works — sometimes. Holding the leg straight by grasping the knee, your fingers behind the knee cause the foot to relax in much the same way as placing your finger under your nose stops a sneeze. That doesn't always work either.

In the store we find that most shoe-fighting babies stop fighting when we put on larger shoes. It is not the shoes that babies dislike but the smallness of them. Your baby can't explain reasons for disliking her shoes but they are her feet and she is probably a good authority on the question of whether or not her toes are cramped.

10—Thursday, December 12, 1957—THE NOVI NEWS

### Kensington Offers Studies of Nature

The nature center is open daily and is featuring exhibits appropriate to the changing seasons. Currently on view are mounted ducks typical of those migrating through the park, an exhibit of bird portraits by Rexel Kayton, and a 50-gallon aquarium containing small specimens of the fish inhabiting Kent lake in the park.

Going up soon are a display of bird nests to be seen during the winter, a pictorial exhibition of how to build a winter bird feeding station, and an exhibit of animal tracks in plaster of paris.

Naturalists Bill Hopkins and Charles Damm, keep the nature center open from 2 to 4 p.m. Mondays through Fridays, from 10 a.m. to 4 p.m. Saturdays, and from 11 a.m. to 4 p.m. Sundays. It is open by appointment from 10 a.m. to 2 p.m. on Mondays through Fridays.

### It's Official: Biery's All-State

The last of the all-state football rankings came in this week, and Northville's Dick Biery was officially listed as an all-state half-back.

Biery, named all-league, all-suburban, and all-state in other media last week, was chosen to the Detroit Free Press' Class B second team — the same ranking earned by center Bob Wagenaar last year.

The Free Press teams, chosen by a poll of some 675 state high school coaches, are generally considered official.

Somewhat, the Associated Press all-state ratings completely overlooked the Mustangs even though four other Wayne-Oakland league players were cited. The AP gave first-team, second-team and honorable mention ratings, but nowhere in the 150-all names was there a Mustang.

The four W-O players were Mike Ford and Terry Anderson, West Bloomfield quarterback John LeCant, Holly tackle Phil Tisman, and Holly back Bob Letson. All received honorable mention.

## Rocks Tarnish Mustangs' 'Golden Year'

### 46-23 Rout Staggers Northville

As did a certain well-publicized rocket last week, Northville's "perfect" season ended Saturday night almost before it got off the ground.

The Mustangs fell completely dead, victims of their own pressure, and watched helplessly while the arch-rival Plymouth Rocks victoriously ground out a 46-23 victory.

The stunning collapse of the heralded Mustangs brought many a post-mortem. Most fans agreed that Northville simply had buckled under the weeks of pressure that normally goes with a Northville-Plymouth game in any sport.

"They clutched," said one fan succinctly. "They're still going to have a great year but when you clutch, a head-up team like Plymouth is going to slaughter you."

What would have happened if the Northville had been "up" for the game?

The Mustangs, according to pre-game dope, could have won and might even have been the favorite. They had the height of a college team, were experienced, and knew their basketball.

Plymouth, despite its opening 60-40 loss to Ypsilanti, showed itself to be well practiced, aggressive and cocksure. And the Rocks were a spiffier name Hubbert who will prove a headache to many more teams this season.

On paper, it should have been a good, fast ballgame.

But from the start, Northville was unsure of itself while Plymouth came steeper with each play.

Against the Rocks' increasing confidence, the Mustangs' nervousness turned into a 15-man inferiority complex.

Seizing on this, the Rocks contained themselves with ball control in the first period and settled for a meager 83 lead.

Then in the second quarter, with Northville waiting for some formula to make them start clicking, the Rocks took to the offense. Knipschild drove in for three quick buckets, and by halftime Plymouth had soared to a 20-1 lead.

After the half, the Rocks quickly squelched a brief Northville spur by again going after the ball. With Hubbert dribbling, feinting and stalling like a veteran Harlem Globetrotter, and with Dave Walshaw bottling up Northville drives before they crossed mid-court, the Rocks destroyed any hope that the Mustangs had left.

By the fourth quarter, Northville was routed. Even experienced players began diving for the ball. They threw it out of bounds. One free throw missed the rim and net completely. Backboard control was gone, and passes were tossed obligingly into Plymouth hands.

Couch Stan Johnson, whose bag of tricks was empty, sadly turned the game over to the second-stringers. At the final buzzer the Mustangs' starting lineup of six starters had been replaced by a squad on which not one player stood over five-feet.

For Northville, it was admittedly a miserable way to lose "the big one". For the Rocks, it was a thorough, well done 1957 continuing their jinx-like mastery over the Mustangs.

With that out of the way, Northville can get down to business again. That's one consolation.

END OF THE AFFAIR — So stunned were the Mustangs by their complete collapse against Plymouth Saturday night that many of them hardly noticed the final seconds ticking off. Even as coach Stan Johnson got up sadly to offer congratulations to Plymouth officials, the Mustangs continued staring glumly at the floor, wondering what had gone wrong.

### No Surprises in W-O Openers

The 1957-58 Wayne-Oakland basketball season got underway last Friday and things went pretty much as expected.

Co-champions Northville and Clarkston each picked up where they left off, and Holly kept pace by breezing to its first win.

Only Milford failed to make the grade, losing to Clarkstonville in the Rockets' second defeat of the season.

While Northville was polishing off West Bloomfield, 56-37, Clarkston managed to get by Brighton, 67-52. All-league Leroy Parks had 29 for the winners, while Brian Watson sunk 18 for Northville's next foe.

For non-league games earlier last week, see below.

### But at Least They Beat The Lakers

Northville started its current basketball campaign last Friday exactly as it finished its regular schedule last year—by dropping West Bloomfield after spotting the Lakers an early lead.

The Mustangs saw Bloomfield build up a 9-0 lead before forward Cap Pethers sunk a 30-footer, then went on to defeat the Lakers easily, 56-35.

It was a hot and cold night for Northville. At times, the Mustangs were completely out-dazzled by West Bloomfield, and at other times they worked with the precision of a pro club.

West Bloomfield jumped off to its early lead on the strength of some sharp shooting by all-league John Luciani. But once the Mustangs struck, they moved quickly. By quarter's end, the 9-0 score had become 13-12 in their favor. From then on out, they had little trouble. Pethers took charge of the pivot spot, sinking enough shots to show that he didn't lose his eye during last year's lay-off. Bill Zahne took near-complete control of the back-boards and came through with a series of tip-ins and lay-ups that brought a heavy round of applause when he finally led the court.

West Bloomfield, with little material other than Luciani, was spent after the first quarter. Had not Northville offered an assist in the form of 10 fouls, the 15-15 Lakers points, the contest could have been a rout.

### Deal Dunks 46 As Colts Split 2 Hair-Raisers

Northville fans had little to cheer about this week when it came to their Mustangs, but they could find some consolation in the work of a scrappy, spirited junior varsity squad.

The Colts, thanks to dazzling work by guard Wade Deal, came through with a 1-1 record for the week end.

Both went down to the wire, with the winning goals coming in the last few seconds.

Against West Bloomfield, the Colts scored in and out of the lead as Deal put in 21 points. But, leading 41-40 with seconds to go, the Colts saw a Lakers slick 50-footer just as the final buzzer went off. Final score: West Bloomfield 41, Northville 41.

The Colts' fortunes took a turn for the good against Plymouth the next night, when Deal totaled 25 points and held the squad together just as it seemed out of contention.

Behind 47-35 at the start of the fourth quarter, the Colts came to life. Deal intercepted a Plymouth pass for the tying count, then took a long pass from Joe Goto to give Northville a final 55-50 score with :05 left to play.

Northville 7 13 7 14-41  
W. Bloomfield 10 8 11 13-42  
Plymouth 6 19 10 30-55

Nuclear powered merchant ships will not be economically feasible within ten years, a University of Michigan marine engineer believes.

## The Coach's Corner

by STAN JOHNSON  
Northville High School Basketball Coach

I experienced about every emotion possible last Saturday night — frustration, anger and disappointment, just to mention a few. I hardly can remember any of the things I said to the boys during time outs and at half-time.

I kept telling myself, "This can't last. The boys will come back and win this game." It never happened. Plymouth 46, Northville 23. We netted eight points in the first half. We were completely out-played and out-hustled by a smaller and more organized ball club.

After such a dismal performance it's difficult to believe that we did win over West Bloomfield the night before. Of course, this was the game that really counted. The Plymouth game was a blow to our prestige.

All is not lost. We WILL come back and defend our league championship. A bad contest is out of our system, and in the long run it might be the thing to set straight our attitude in our drive for the league title.

Our journey to Brighton this Friday for our second league game, Brighton has veteran Brian Watson to lead their team in scoring. If he has a good night they will be tough. Many of the Brighton coaches and team members saw our game with Plymouth. I'm sure they found out that we could be beaten.

Little was said about the Plymouth game at practice this week. The boys didn't have to be told how badly they performed. We didn't have time to mourn over our mistakes. All used the time in trying to correct them.

Our loyal Northville fans turned out in good numbers last week. The coach and team appreciate this more than you realize. We need your continued support whether we win or lose.

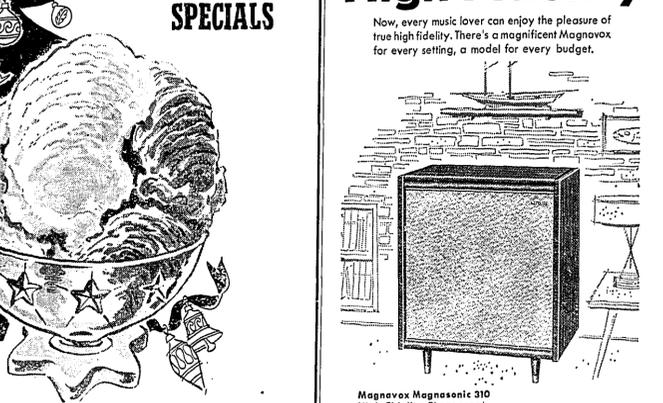

### Game Time

Unless otherwise stated, game time for Northville varsity and junior varsity games will be 7 p.m. on week ends and 6:30 p.m. during the week, both home and away.

The JV game will begin promptly at those times, and the varsity game will follow immediately. That means that week night varsity games will start around 7:30 p.m. and week end varsity games will begin shortly after 8 p.m.

As the Colt-Mustang schedule unfolds, all games this year will follow this pattern. Changes if made, will be announced later.

## CHRISTMAS ICE CREAM SPECIALS

Now, every music lover can enjoy the pleasure of true high fidelity. There's no magnificent MAGNAVOX for every setting, or model for every budget.

**Magnavox Magnasonic 310 High Fidelity Phonograph.** Shows in hand-rubbed mahogany finish. Also in oak or cherry colors. as shown

• 10-watt high fidelity amplifier  
• Diamond Stylus pick-up  
• 3 speakers—12" bass plus two 5" high frequency

# from the PASTOR'S STUDY

The Rev. John O. Taxis, Pastor  
First Presbyterian Church, Northville

**CHRISTONIC POWER**  
With the successful launching of Sputnik I and II, there arose in the minds of a great many people a wave of restlessness. Indeed, one might say a furore! Many questions challenged our minds and occupied our thoughts—What does this portend? Are we in danger of annihilation? Do we in our nation have the same "know-how"? What about the future of our homes, our nation? And many others. All of which adds up to a rather unsettling experience in our lives.  
Of course these events were accepted with mixed emotions and mixed ideas—but to one very large and important group of people—the Christians of this world—it served to prompt us to re-evaluate the "powers" available through the Christ.  
I like to think of this power as "Christonic Power"—the power of the spirit which flows out of this affirmation of the Master when He said, "All power hath been given unto me in Heaven and on earth... and Lo, I am with you always even unto the end of the world."  
This power, I submit, is greater than the power of the atom, it surpasses the pow-

# 3 from Plymouth Get Legion Posts

Some 115 Legionnaires from Michigan have received appointments to national committees of the American Legion for 1957-58.  
The appointments were made by national commander John S. Gillespie of Chicago, with the approval of the National Executive Committee, governing body of the Legion.  
Plymouth appointees are: Irving D. Geer, 8800 Wayne road, transportation committee; Robert Wilson, 810 Sheldon road, membership and post activities committee.

# NHS Graduate Heads Toy, Clothing Drive

All boys and dolls will go to U.S. missions in the south, and clothes will go to needy college students in Asia, Africa and India, said Emilie Seguin, a 1956 graduate of NHS and a resident of Novi.  
She heads the drive as campus chairman for the social service commission of the National Federation of Catholic College Students.

# State Traffic Deaths Lower This Year

Michigan traffic deaths are 13.8 percent lower than last year, state police reported this week.  
As of December 5, 1,294 persons have been killed this year as against 1,487 last year during the same period.  
State police will apparently reach their goal of 10 percent fewer deaths this year than last.

# OUT OF THE PAST

ONE YEAR AGO... Elections were in the news as voters were reading themselves to go to the polls to elect the first permanent board of education for the newly formed Novi Community school district.

and the fate of the proposed new Northville high school was the subject on December 10 when voters were to cast ballots for or against a \$3 million bond issue.

With election date more than three months away, Northville's city and township elected officials and prospective candidates were picking up positions that were to be filled by December 31.

Stockholders of the Depositors State Bank of Northville and Manufacturers National Bank of Detroit gave approval to the proposed merger of the two institutions.

Arrangements for moving the Northville Record into larger quarters in a three story building at the corner of Main and Center streets were completed and moving day scheduled to be on Nov. 25 after Christmas as possible.

Besides nurses, doctors and attendants, it took a large crew of volunteer workers to handle the crowd of 142 persons who donated blood when the Red Cross bloodmobile visited the village.

The Northville Mustangs were scheduled to play their first Wayne-Columbia league game against Milford on the home court on December 12, 1952.

Shirley Snow of Novi was named as one of our senior Girl Scouts in the state to represent Michigan at the All-States encampment at Buffalo Bill city camp near Cody, Wyoming in August of 1953.

TEN YEARS AGO... Hans Teisloff, a German refugee, and her family of four children arrived recently directly from a refugee camp in Copenhagen, Denmark. The family lived temporarily at the home of the Alfred Glassers with the hope that a home might be built for them later.

FIFTEEN YEARS AGO... With brief but appropriate ceremony the employees of the Northville plant were presented with the coveted Bull's Eye flag on the anniversary of Pearl Harbor.

Harvey Porter left for Great Lakes Naval Training station, having enlisted in the Navy.

Funeral services for Rev. Howard Chapman, pastor of the Northville Baptist church, were held in Detroit.

Julius Nagy spent three days with his parents, Mr. and Mrs. Mitchell Nagy of Baseline road on leave from duty aboard a destroyer.

E. C. Mollenka of the high school faculty spoke before the Rotary club on the history and development of tools.

Mr. and Mrs. Leslie G. Lee, Mrs. and Mrs. Sherill Ambler and Mrs. Jean Cole attended the annual Christmas concert of the Michigan State Normal college choir in the choir at the time were three Northville girls: Evelyn Ambler, Mary Louise Boykin and Edith Parley.

Mrs. Charles F. Murphy was honored at the American Legion Auxiliary luncheon at the first Michigan American Legion Auxiliary president.

The Harvey Cole house on First street was destroyed by fire. TWENTY-FIVE YEARS AGO...

The newly organized Service League held a bake sale at Frey's store.

Floyd Salow and his wife were Sunday school teachers at the home of their mother, Mrs. Carl Salow. Freddie Casteline brought a

### Novi Girl Scout and School News

#### NOVI SCHOOL NEWS

Prize winners in the poster contest sponsored by the Novi Goodfellows are as follows: first prize of \$1 each went to Claud Earl, Keith Crawford and Zeola Neely; \$1 prizes went to James Hanson, Pam Harnden, Violet Johnson, Diane McCollum, Christine Martin, Tommy Doan, Charles Van Every, Sharon Garrett, Suzanne MacGillivray and Nancy Hanson.

Sixty-nine posters from grades six, seven and eight were entered. The judges were Roy A. Peterson, elementary art teacher, Northville, and Julia E. Vanfuren, high school art teacher, Northville.

The posters are now on display in Novi business places.

The Novi school lunchroom has just purchased a commercial mixer. Now the children are enjoying more home made goodies.

Mrs. E. Derendil has returned from a two week's vacation in Florida. During her absence Mrs. Irene Frost assisted in the lunchroom.

A large turkey dinner was served Tuesday before Thanksgiving. During that week 600 lunches were served.

#### NEWS IN THE GRADES

Mrs. Hart's and Mrs. Sharpe's kindergartners went to the Methodist church Thursday to see and hear an organ. Mrs. Sharpe played Christmas carols for them.

Mrs. Hamill's first grade children wrote letters to Santa Claus on Thursday and received letters in reply from Santa.

Mrs. Power's third graders are planning to write their own newspaper and Mrs. Crane's third graders are busy decorating their room for Christmas.

Mrs. Coe's fourth grade pupils are making Christmas decorations of paper cups, foil and colored balls fastened on a gilded branch. They plan to visit the Ford Rotunda on Monday.

The fifth grade in Mrs. Pleisch's room wrote a Christmas poem and will draw pictures to illustrate. Friday, December 6, Mrs. Pleisch's room and Mrs. French's fifth grade took the trip to the Ford Rotunda in Dearborn and saw the beautiful "Christmas Fantasy" which was voted the most popular holiday attraction in Michigan.

Judy Dye, in Mrs. French's fifth grade has a new baby brother born Wednesday.

Mrs. Salow's fifth and sixth graders two-one club have chosen as a Christmas project sending a gift to the hospital in Dearborn.

On December 4, Mrs. Salow's class and Mrs. Penhale's sixth grade class went to see the Christmas play at the Ford Rotunda. They took their lunches and ate them in the bus.

Mrs. Dean drove the bus and assisted at the Rotunda. Mrs. Cummings also assisted.

### State Parks Eye More Campsites

Michigan State park officials are looking for a place to pitch a tent. In fact, they are looking for hundreds of camp sites to accommodate the growing army of resident and tourist campers.

A record number of campers used state park facilities during 1957, amassing a total of more than 1,750,000 camper-days of use.

### AMENDED ZONING MAP No. 3

TOWNSHIP OF NORTHVILLE  
WAYNE COUNTY, MICHIGAN  
ADOPTED BY THE TOWNSHIP BOARD.

MOLLIE LAWRENCE SUPERVISOR  
D. J. STARK CLERK

PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1940 OF THE STATE OF MICHIGAN, AS AMENDED TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TEXTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREINAFTER ERRECTED, THE LIGHT AND VENTILATION OF SUCH BUILDINGS, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1940 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TEXTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREINAFTER ERRECTED, THE LIGHT AND VENTILATION OF SUCH BUILDINGS, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I. That the Zoning Ordinance of the Township of Northville, as amended, is hereby amended by amending paragraph (f) 1 of Section 10.1 of Article XIII to read as follows:

Section 10.1 (f) 1. All uses permitted in R-2 Districts and single family terrace dwellings of not more than eight (8) housing units each, when all are erected at the same time.

PART II. That the Zoning Ordinance of the Township of Northville, as amended, is hereby amended by amending paragraph (a) 4 of Section 13.01 of Article XIII to read as follows:

Section 13.01 (a) 4. That the area of the tract in any R-1 or R-2 District, excluding street area, but including the area devoted to parks, parkways, and other open spaces,

#### PART I. THAT THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE IS HEREBY AMENDED BY AMENDING THE AMENDED ZONING MAP No. 3 ATTACHED HERETO AND MADE A PART OF THIS ORDINANCE.

PART II. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict herewith are hereby repealed, in whole or in part, as to the Township of Northville, Michigan.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately effective on the 3rd day of December, 1957.

PART V. PRESERVATION OF THE PUBLIC PEACE, HEALTH AND SAFETY AND TO PRESERVE THE BEST INTERESTS OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN.

D. J. Stark, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Township Board of Appeals on the 3rd day of December, A.D., 1957, and was ordered to be given publication in the manner prescribed by law.

D. J. Stark, Clerk

will provide the minimum lot area per family, counting all families to be located under the Unit Development Plan, which is required for the most intensive use normally permitted in the R-1 and R-2 Districts.

In the area of the tract in the R-1-E District, a variation of the lot area may be permitted, but in no case shall such variation decrease the area of any lot to less than sixty (60%) per cent of the lot area as specified in the District Regulations.

PART III. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART IV. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict herewith are hereby repealed.

PART V. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately effective on the 3rd day of December, 1957.

PART VI. PRESERVATION OF THE PUBLIC PEACE, HEALTH AND SAFETY AND TO PRESERVE THE BEST INTERESTS OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN.

D. J. Stark, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Township Board of Appeals on the 3rd day of December, A.D., 1957, and was ordered to be given publication in the manner prescribed by law.

D. J. Stark, Clerk

will provide the minimum lot area per family, counting all families to be located under the Unit Development Plan, which is required for the most intensive use normally permitted in the R-1 and R-2 Districts.

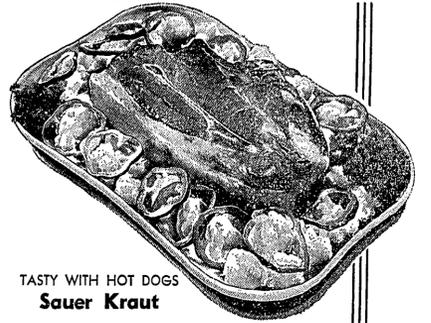

In the area of the tract in the R-1-E District, a variation of the lot area may be permitted, but in no case shall such variation decrease the area of any lot to less than sixty (60%) per cent of the lot area as specified in the District Regulations.

PART III. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART IV. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinances in conflict herewith are hereby repealed.

PART V. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately effective on the 3rd day of December, 1957.

**Rixes Visit Washington D.C.**

Editor's Note: Mrs. Luther Rix, who writes the news from Novi, has become our "Washington" correspondent for this week and here tells the story of a recent vacation trip she and her husband made to Washington, D.C.

We made one of our many trips to Washington, D.C. for the Thanksgiving holiday by automobile. Only ten hours actual driving time via the Ohio and Pennsylvania Turnpikes to the home of our son's family in the historic town of Falls Church, Virginia, just across the Potomac river from Washington.

We have visited during our trips to Washington, D.C. most of all the national governmental buildings and sites, including the Capitol, Mt. Vernon, FBI building, Supreme Court building, Library of Congress, Washington monument, Lincoln and Jefferson memorials and Arlington cemetery.

This year, we concentrated on the wonderful Smithsonian Institute

**College Students Attain "B" Averages**

Two students from Northville at Central Michigan college in Mt. Pleasant were among 235 students who received a B average or better during the last spring semester. They are Kathleen Healey, the daughter of Mr. and Mrs. Alfred Healey of West Dunlap street, and Carol Sparling, daughter of Dr. L.L. Sparling of East Main street.

**Principals Visit Students at MSU**

Northville and Walled Lake high school principals last week interviewed 10 former students now attending Michigan State University. Purpose of the 21st annual MSU high school-junior college follow-up conference was to improve the understanding, cooperation and articulation between high schools, junior colleges and senior colleges.

Northville high school principal E. V. Ellison interviewed Philip Hanola, Barbara Archer, Karl Hoffmann, Susie Dewsbury, Judy Jund and Priscilla Blackburn.

Former Walled Lake students interviewed by principal E. V. Agres were Karen Nelson, Sally Parent, Patricia Mercer and Dawn Menon.

**Future Drivers See Safety Films**

Last Wednesday the students of All Jones' driver education classes were visited by two state troopers who showed them the film, "Death on the Highway."

The movie was shown to try to teach the future drivers what could happen if they were not careful.

**Novi Highlights**

BAPTIST CHURCH NEWS

The Youth Fellowship of the Novi Baptist church had a special youth speaker Sunday evening. He was Roger Palm from the Covenant Baptist church in Detroit and a student at Wayne State university.

The Baptists have taken an option on five acres of property at the corner of Novi road and Tom Mile, across from the Erwin Farms, for a future church site and parsonage. The Baptist Mission band will meet this week on Thursday at the home of Mrs. Rex LaPlante, Sr. for a potluck luncheon and Christmas party. Bring a 50¢ passing gift and meet promptly at noon.

METHODIST CHURCH NEWS

The WCS of the Novi Methodist church will have their regular monthly meeting next Wednesday, December 18. There will be a potluck luncheon and a passing gift. Mrs. Cooley, district secretary of missionary education, will be the guest speaker. Also present will be Mrs. A. McCollum and Mrs. Siamee Lees and a piano duet by Shirley Coleman and Diane McCollum.

The "Crusader Visitors" are all out working on the building fund drive with large measure of success. Rev. Grant Dunlap of Detroit is chairman of the drive. Monday evening at 7:30 p.m. the service will be held at the church.

The Methodist Christmas program will be held in the Novi Community building at 7 p.m. on December 22. Everyone is welcome.

**Novi Highlights**

NOVI REBEKAH & ODDFELLOW NEWS

The Novi Oddfellows will have a pancake supper Saturday, December 14 at the Lake Service building from 5 to 8 p.m. Adults \$1, children 50¢. Tickets are available from members. Wise Men, carolers, stars, bells and many other Christmas cut-outs. It's fun when you use sturdy, weather-resistant Masonite "Tempered Presswood". It's easy to saw and nail, easy to paint. For inside or outside display. Come in and see our display, then get your free Masonite plans.

The next regular meeting of the Rebekahs will be this week, Thursday, December 12 with a collection of officers.

Lunch will be served after the meeting by Mrs. Louise Bell, Mrs. Lillian Trickey and Mrs. Alice Hopkins. This will be a Christmas party with an exchange.

The Oddfellows entertained members of their district Tuesday evening, December 10. Mrs. Wesley Burt was chairman of the lunch committee.

Mrs. Kathryn Bachert attended the Past President's Christmas party on December 4 at the home of Mrs. Alice Browne in South Lyon. Mrs. Margaret Marshall and Mrs. Kathryn Bachert served refreshments on Monday evening, December 2 for the Nursing Homes' Association. The meeting was held at the Oddfellows Hall.
