**Pontiac Comm. Bank Takes Option In Novi**  
**Harrawood Discloses Deal To Bd. of Comm.: "Will Build...Someday," Says Bank Officer**  
A Pontiac bank has taken option on a building site in Novi, according to an announcement made last week.

The Community National Bank of Pontiac was named by Novi businessman Leo Harrawood as having taken option on a site owned by Harrawood on 11-Mile Rd. just east of Grand River.

Harrawood made the announcement at the monthly meeting of the Novi Board of Commerce. He cited the efforts of several other Novi businessmen in working out the transaction.

When contacted early this week, an officer of the Community National Bank of Pontiac confirmed the option story but said that he did not know any additional facts concerning the bank's plans.

"Presumably, we will build a bank on the site someday," he commented. "However, we will have no public statement to make at this time."

At present, merchants and residents of the Novi area must go to either Northville or Walled Lake for banking services.

**School Board OK's Record Budget**  
A record breaking budget of \$149,555 was adopted by the Novi School Board last night. The board also adopted a new salary schedule for teachers and also adopted a new minimum starting salary up to \$4,200 for a teacher with a bachelor's degree. An additional \$200 per year for each year of service was also approved with the minimum starting salary up to \$4,200 for a teacher with a bachelor's degree.

The board also voted to have Michigan State University make a "public building survey," a cost and efficiency study of building maintenance and upkeep.

Novi AMVETS held their 10th anniversary Saturday night, April 21 with a dance at their home in Wixom, Mich. The dance was held at the home of Mrs. L. J. Johnson and was a great success. The dance was held at the home of Mrs. L. J. Johnson and was a great success.

Novi Girl Scouts  
Brownie Troop 149 made a bird nest project. Treats were from Beechmont Cheering Gum Co. Mrs. Clara Willacker was special guest. They joined Troop 802 for a song session.

Intermediate Troop 492 learned more knots taught by Program Aide Claudia Mairs. This troop is registering and dues are \$1.00 are payable at this time. Treats were brought by Sue Feggeppert and Linda Bae.

Intermediate Troop 491 operated with the Girl Scout promise led by Robin Patrol. Both patrols worked on Mother's Day projects. Janet Race and Freda Angel brought treats. The girls discussed day camp and also their crest. The patrol leaders and secretary for Robin are Janet Race and Jo Ann Miller. For Thrifty Scouts, Virginia Ponder and Freda Angel. Meeting closed with songs, "Each Campfire Lights Anew" led by Thrifty Scouts Patrol.

Senior Scouts met at the home of Leader Mrs. Bassett. The meeting was called to order by President Carol Wendland. They served on cancer pads and planned a bicycle ride for June 11-13 at Island Lake.

May 5 is the date set for tree planting at Camp Nain. This is an inter-troop project for Girl Scouts and their dates. Time is from 10 a.m. to 2 p.m. and the girls are to bring lunches and supplies. This year over 1,000 seedlings have been furnished free by the Dept. of Conservation. The project is being carried out to beautify camp sites, check erosion in ravines, increase privacy at boundaries and add more habitat for more wildlife. If entire troops cannot come, a carload of two dads and daughters will be welcome. Anyone interested in this project let the Intermediate and Senior Scouts know.

Final plans are being made for day camp counselors to start training this week at Royal Oak. Any mothers interested please contact Mrs. Dora Bly, camp director.

## Annexation, Rights, Privileges Discussed

Twp. Board Seeks Bargaining Position; Citizens Question "Rights" and "Privileges"

A last minute verbal skirmish and a discussion on annexation enlivened an otherwise quiet township meeting Monday night.

The treasurer's report, a school tax breakdown, minimum lot requirements, reactivation of Novi civil defense and a possible reduction in fire rates were among the regular items of business discussed by the board.

**Request Annexation**  
Following a reading of the township financial report to Treasurer Charles Trickey, Jr., Supervisor Fraser Staman read the board a letter from the Northville Board of Education.

The letter requested permission to annex the City of Northville a tract of land in the northwestern portion of the tract in question.

The letter suggested that the Novi township board allow Northville school board members Nelson Schrader and Eural Clark to appear before them and present their case for annexation of the area.

After the letter had been read, Staman told the board he had found surveyors at work in the area of the tract in question, covering an area from Novi Rd. all the way west to Taft Rd.

Who's Business?  
Switching to another subject, Harrawood then said, "I have another list of two taxpayers who want to know the salary of the City of Northville, Staman said. He said that he had a report from exactly who was paid to set up township vehicles for the last couple of months."

Staman then said that "one bill has been received from Harvey Watson for \$71 and another one from Melt (Staman) for about \$100. That included a new set of tires."

"It was under the impression that the work was rotated around for the taxpayers," Harrawood countered.

"It's not required," Staman countered.

"It's just that certain taxpayers wonder," Harrawood explained.

"It's not that I care," he added. "New Business Discussed."

John Flannery, Walled Lake publisher, then asked for the board and inquired regarding who had the authority to set up new voting precinct boundaries and where they were set up.

"Right," Staman replied. "But the attorney general says they can't have any special election on this."

"One of their problems is the road (Center St. north of 8-Mile) . . . it is not wide enough," he continued.

**Time To Bargain**  
"Let's have our own school board sit in on the meeting. . . it might be good," Trickey offered.

"I believe it is a good idea," Clerk Hadley Bachert ventured, agreeing with Trickey.

"We could want something out straight from some of the school boundary lines," Trickey added.

He said that (annexation) should be done through the City of Northville, not the school board. "I believe I notice they are using the septic tank and well from the old post office. What I want to know is if I can't have the same rights?"

Staman's face reddened and his voice raised as he told Trickey, "Because the Oakland County Dept. of Health won't OK it, because the State of Michigan won't OK it, because the FHA and Veterans Administration won't OK it, and because it doesn't conform with our own township requirements. What more do you want, Ernie?"

**Cites Letter**  
After Pritchard began to protest again, Staman grabbed a letter from his portfolio and announced it was a copy of a letter from the Oakland County Dept. of Health to Ernest Pritchard, 1387 E. Walled Lake Drive. He read the letter.

"It's impossible to provide individual septic tank sewage disposal and well water supply in this site that would comply with FHA or VA standards, or the recommendations of the Michigan Department of Health, or this rummage sale, also dishes for the nickel loss game."

Exhibiting a piece of paper, Harrawood then said, "I have a program based on their pioneer project."

The fourth and fifth graders took a trip to the Planetarium at Cranbrook, Birmingham, where they saw the planets and stars up on the screen with lights. Each child brought home a souvenir.

Mothers furnishing transportation were Mrs. Harrawood, Mrs. (Continued on Page 8)

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Cheese cake with graham cracker crust — is our recipe for this week furnished by Mrs. William Knapp. This cake has a delicate flavor and is good to the last crumb — especially since the crumbs are rich with melted butter, sugar and cinnamon.

This inexpensive dessert, made with cottage cheese, provides 15 generous servings. It keeps well in the refrigerator, but don't expect it to be there long — it's much too good.

The Knapps lived in Detroit before moving to their home at 42700 E. 8-Mile Rd. Their two sons, Bob and Bill, are married and live in Dearborn. Their daughter, Mrs. Wilbur Dillingham lives in Belleville. The Knapps have two grandchildren.

### CHEESE CAKE

23 graham crackers, rolled fine and sifted  
1/2 cup sugar  
1/2 cup melted butter  
1 teaspoon cinnamon  
Mix the above ingredients together. Line a pan with the crumbs and set aside one cup of crumbs to sprinkle on top of the cake. Fill the lined pan with cottage cheese, sprinkle with crumbs and place in the refrigerator to set about 10 to 12 hours.

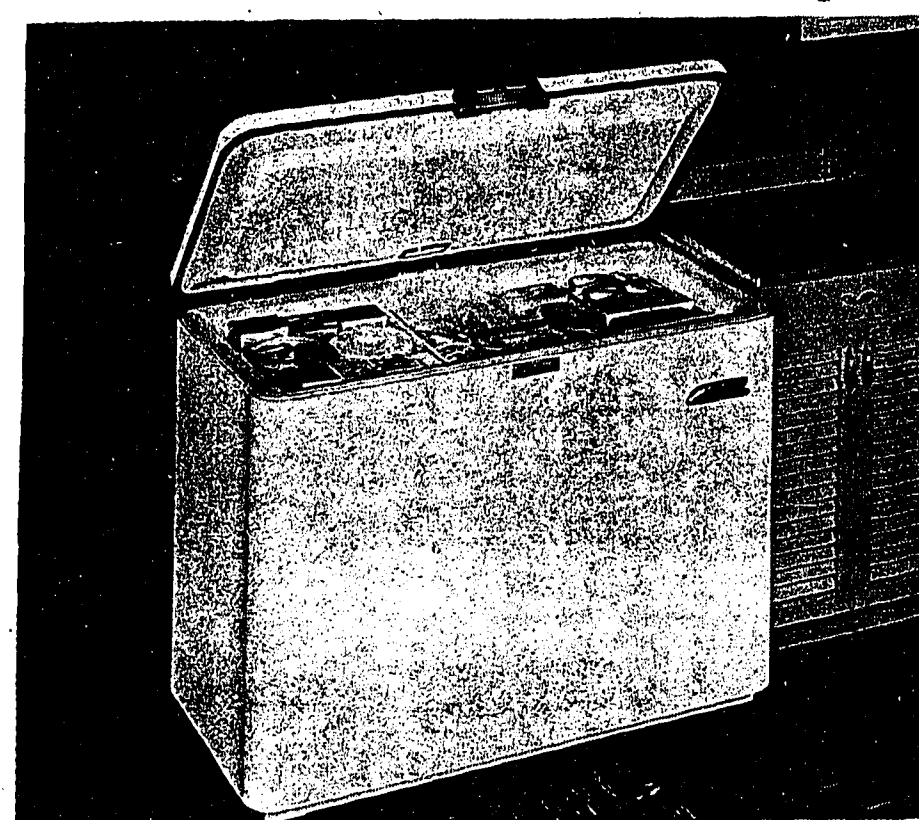

**FILLING**  
2 tablespoons Knox Gelatin  
1/2 cup cold water  
2 eggs  
1/2 cup milk  
1 cup sugar  
1 lb. cottage cheese  
2 teaspoons vanilla  
1 pint whipping cream  
Pour cold water in a bowl and sprinkle with gelatin. Beat egg yolks slightly and add milk, sugar and salt. Cook until the consistency of custard. Add gelatin to hot mixture and stir until dissolved. Cool until mixture begins to thicken then add cottage cheese, which has been rubbed through a strainer. Add vanilla and beat with egg beater until light and fluffy. Whip the cream and egg whites. Fold separately into the mixture and pour into the pan. Sprinkle some of the graham cracker crumbs on top.

## 2 Local Women Attend D.A.R. Meet In Wash.

Two Northville women are attending the 65th Continental Congress of the National Society of the Daughters of the American Revolution in Washington, D.C. this week.

Mrs. Claude Cruse of E. 9-Mile Rd., Regent of the Sarah Ann Cochran chapter, and Mrs. Ernest Shave of the Board of Directors, left Saturday to attend the week long conference. The event is being held in Constitution Hall, Mrs. Robert D. Willoughby of Plymouth, state treasurer and second vice-president of the local chapter and Mrs. Harry Devo of Plymouth, state honor roll chairman and chapter past regent also attended.

Herbert A. Philbrick, former county spy for the F.B.I. and author of the book, "Lead Three Lives", and Admiral Arthur W. Bradford, chairman, Joint Chief of Staff, will be the principal speakers. Other addresses will be made by the national president of the D.A.R. and SAR.

### APOLGY

Our sincere apologies to Mrs. Jim Martin of 24450 Willow Lane. Last week her recipe for Bavarian "GUGLEPUH" was featured in our "What's Cooking?" column. We were so intent upon spelling GUGLEPUH correctly that through the entire story we referred to Mrs. Martin as Mrs. Margin.

Sally has selected her wedding attendants. Mrs. John Winkler is to be maid of honor. Bridesmaids are Mrs. Bruce Wagenschutz and Miss Marilyn McCarthy. The bridegroom has asked his brother, Arland, to be best man. The ushers will be Bruce Wagenschutz, Lyle G. Jensen of Inkster, John Severance of Melvindale and William Crandall of Beloit.

Sally's week ends from now until her wedding date are filled with parties. The first on the list is a kitchen shower April 21 with Mrs. John Winkler and Mrs. T. N. Kumpf, Jr. as hostesses at the Schroeder home on High St. Mrs. Jack Burkman and Mrs. T. N. Kumpf, Jr. are entertaining Sally and her friends for a "Round the Clock" shower at the Burkman home April 27. The following evening, Apr. 28, Mrs. Alex Lawrence and her daughter, Nancy, are honoring the bride-to-be with a personal shower. May 12, Mrs. Del Hahn is giving a tea honoring Sally and Nancy Harrison, who is also being married in June. Mrs. Alan Buckley, Mrs. C. M. Ely and Mrs. ...

### Program Change for Camera Club

According to the Camera Club president, Mrs. Betty Dearing, the speakers scheduled for the April 19 meeting will not be available. In their place, ten club members will each show ten slides. The remaining members will be asked to offer constructive criticism.

The meeting will be held in the Scout Bldg. at 7:30 p.m.

### Gayle Ashburn Receives Prize At Univ. of Michigan

Gayle Ashburn, valedictorian of the senior class of 1956, was one of 282 University of Michigan students to receive the Oren E. Scott Freshman Prize for outstanding scholarship.

This was the first year for these prizes to be awarded at U-M. Dean Walter B. Rea, chairman of the committee on University Scholarships, announced Mar. 23.

### New Nursery School Willowbrook Area

In Sept., 1956, we plan to open a fully licensed Nursery School at 47300 W. 12-Mile Rd., corner of Beck, on the grounds of our Day Camp. 11-acre site, ample buildings, modern sanitation. High level program and well-qualified staff. Boys and girls 2 1/2 thru 4. Limited pick-up service.

We will be pleased to hear from interested parents in Willowbrook Village and adjacent areas.

Mrs. D. C. Young of W. Nine Mile Rd. will review "The Dinner Party" by Grochen Finkler at the Northville Review club April 26. The story, written in diary form, concerns the amusing results and far reaching effects of the party. Mrs. Maxwell Austin, 132 Walnut St., will be hostess.

Mrs. Flora Maloin is home from a visit with her brother.

### White-Light Vows Exchanged At O.L.V. Church April 14

Eleanor Elizabeth White was married to Frank Michael Light Saturday, April 14 at Our Lady of Victory church. Father Anthony J. Heraty performed the ceremony.

The bride is the daughter of Mr. and Mrs. Arthur Ash of 114 W. Dunlap St. Mr. Light is the son of the late Mr. and Mrs. John Light.

Eleanor chose a lace and net floor length gown with Queen Anne collar and long tight sleeves. A half crown of white stones secured her fingertip veil. White orchids formed her bouquet.

The bridesmaids and honor attendant were gownned alike in ballerina length gowns of nylon chiffon. Bridesmaids of cousins, dressed to match their gowns, crowned their hair. Claudette Algero of Detroit, maid of honor, wore an orchid gown. The bridesmaids, Lena McArthur of Northville, wore a pale green gown. Louise Smith of Dearborn wore a yellow gown, and Ruth Ann Perry of Plymouth wore an aqua gown. The girls carried bouquets of pink carnations.

Mrs. Ash wore a navy blue gown with white accessories and a white carnation corsage.

William Light, brother of the bridegroom, was best man. Ushers were Lawrence McArthur and Fred Robinson of Northville, and Michael Kaniicki of Carleton, Mich.

A wedding breakfast for the immediate families was held at the VFW Hall and a reception for 400 guests followed the breakfast at the same place.

Mr. and Mrs. Frank Light drove to Florida for a two weeks honeymoon and will make their home in Northville following their return.

Mrs. Light attended school in Florida and her husband attended Northville schools.

Gayle Ashburn, valedictorian of the senior class of 1956, was one of 282 University of Michigan students to receive the Oren E. Scott Freshman Prize for outstanding scholarship.

## Banquet To Honor Retiring Teacher

Mrs. Ida B. Cooke, teacher in Northville schools for the past 38 years, will be honored at a banquet in the Lutheran church Tuesday, May 8 at 6:30 p.m. Mrs. Cooke will retire this year following 42 years of teaching.

The banquet is being sponsored by the Northville Teachers' Club and the Board of Education and will be open to the public. Admission to the banquet will be by ticket. Tickets may be purchased in the high school office or from the Northville District Shop. Only 200 tickets will be available and they must be purchased before May 6.

Although the banquet itself will be limited to 200 persons, an additional 100 may attend the program following the dinner. Former and present students are urged to attend the banquet and share in honoring Mrs. Cooke.

Started Teaching At 17  
Mrs. Cooke was born in LaChute, a province of Quebec, but her first experience teaching was in Free Soil, Mason county, Michigan at the age of 17. Due to the fact that she was not 15 until January, she received no salary until that time. Her first check was for \$150—for five months of teaching! Mrs. Cooke remembers the responsibility of carrying that check, thinking it a huge sum of money, and how scared she was that she might lose it.

Parents Advised Her  
Mrs. Cooke received her teacher's life certificate from Mt. Pleasant Normal. Following her three years of teaching in Free Soil, she went to the twin cities of Port William and Port Arthur, Ontario where she taught one year in each city. She then decided to take nurse's training and came to Northville to visit her parents who had moved here from Mason county and to tell them of her decision. They advised her not to become a nurse. Taught Here Since 1917  
While she was here she applied to the superintendent of North-

Mrs. Ida B. Cooke

ville schools, Mr. Meisner, for substitute work. In 1917 she was asked to accept a full time teaching position which she has held for 38 years.

Only One Desire  
Mrs. Cooke has never desired anything except to teach young people. She says it is his always been a thrilling moment each day to walk into a classroom and say "Good Morning" to her pupils. Many of her former students return to see her and she regrets that she doesn't always recognize them when they grow up. She has taught many children of her former pupils but says, "so far no grandchildren."

Mrs. Cooke feels that she has been greatly blessed, having the privilege of teaching and knowing so many young people through her 42 years of teaching.

The first salary Mrs. Cooke received in the Northville schools was \$50 a month.

Mrs. Cooke owns her own home at 518 Rouge and plans to remain in Northville upon her retirement in June. She may even do as she started out to do in 1917—substitute teaching.

## License Service Started In Twp.

D. J. Stark, Northville township clerk, said this week that through the cooperation of Andrew C. Baird, Wayne County Sheriff, and the Northville township board, a representative of the sheriff's office will be at the Township Hall, 10800 Franklin Rd., each Tuesday at 1 p.m. to give road tests and renew driver's licenses and issue original licenses.

Applicants for original licenses will be accepted between the hours of 1 and 4 p.m. and renewals will be issued until 5 p.m.

This service is to begin April 24. Stark said that this service has been arranged for all residents of the township and makes it unnecessary for them to go outside the limits of the township for this service. Previous to this arrangement, township residents had to go to Inkster for their licenses.

## Storm Sewer To Be Constructed Soon

Completion of plans on the proposed 8-mile cut-off and the storm sewer on Cayle St. is expected to be completed at the end of this week according to Mr. Jagow, city engineer.

The storm sewer, which will service Oakwood subdivision, will be constructed this summer.

Jagow said that after he talked to the county road commission they agreed to make some changes in their plans which will make the construction cost less than originally proposed.

## Northville State Hospital To Hold Open House April 29

Citizens of Northville are invited to Northville State hospital's fourth annual open house to be held Sunday, April 29 from 9:30 a.m. to 5:30 p.m. when tours of the hospital will be conducted by members of the staff and patients acting as guides. This will be the feature event to take place during National Mental Health Week which runs through May 5.

Wards will be included in the tour as well as electric shock treatment areas and occupational therapy shops and classes which will be in progress for observation.

According to Abraham Bricker, coordinator of public relations for Northville State hospital, it may be the psychiatrist or the psychiatric social worker. However, other members will be added. Certain inefficient buildings, the hospital staff works as a team toward the latest and most progressive treatment in modern and efficient buildings, the hospital returns to his own home and responsibility does not end when the patient leaves the hospital.

Bricker said, but is shared with a newly added team member, the community.

Many Northville citizens and numerous clubs have taken some responsibility within the hospital by volunteering of their time to help service the patient in the wards by bringing out various items for our patients. This is one of the many ways a volunteer can participate in the hospital's program.

In talking with Dr. Philip N. Brown, medical superintendent for Northville State hospital, the patient leaves the hospital, some members of this team will continue to be active with the patient. It may be the psychiatrist or the psychiatric social worker. However, other members will be added. Certain inefficient buildings, the hospital staff works as a team toward the latest and most progressive treatment in modern and efficient buildings, the hospital returns to his own home and responsibility does not end when the patient leaves the hospital.

These are just a few examples of the manner in which people in the community play some part in the continued therapeutic efforts as they pertain to the individual patient, who has experienced a mental illness, has recovered, and now is in the process of rehabilitation.

The staff and patients at Northville State hospital invite everyone to visit the hospital April 29 to see and hear how mentally ill patients are helped to get well and return to the community.

## Petitions Ready For Bd. Of Ed. Candidates

Nominating petitions for election to the board of education are now available through R. H. Amernan at the board of education offices during office hours.

To qualify as a candidate for member of the board on the June ballot each petition must be signed by not less than 50 registered school electors of the school district and filled with the secretary of the board of education.

Mrs. E. Jane Wagenschutz, secretary of the board of education, advises that there will be two vacancies on the Northville school board to be filled at the June election. Both she and Nelson Schrader have completed their three-year terms at that time.

Eligibility to membership on the board of education consists of the following: must be a qualified elector, a resident of the district, and the owner of property (husband or wife) within this school district.

Under the general school laws of Michigan, candidates for election to the board of education must file their nomination petitions 30 days prior to the date of the election. The 1956 deadline for filing such nomination petitions for the June 11 election is 4 p.m., Saturday, May 12.

## Jrs. Present Class Play April 19 - 20

The Northville high school junior class will present their class play, "The Bishop's Mantle", at the Community Bldg. April 19 and 20.

Under the direction of their teacher, Alvin Skow, the play gives every promise of being one of the highlights of the school season.

The three-act play includes drama, comedy, romance and suspense.

"We're practicing and working very hard," the juniors said, "and we'd like everyone to attend."

## New Supt. Named At Ford Motor Co. Waterford Plant

Appointment of D. W. Backoff as superintendent of Ford Motor company's Waterford plant has been announced by Paul A. Miller, general manufacturing manager of the Parts and Equipment Manufacturing Division.

The Waterford plant, located between Northville and Plymouth, produces gages and special tools. Born in Detroit, Mr. Backoff was graduated from Eastern high school (Detroit), Henry Ford Trade school and the Ford Apprentice school. He joined the company in 1933 as a draftsman.

Mr. Backoff held supervisory posts at the Wyandotte plant and with the Parts and Equipment Manufacturing Division before his present appointment.

Mr. Backoff is married and has two children. He lives at 233 Houghton St., Milford.

## OLV Mother's Club Sponsors Square Dance April 28

Plans have been completed by Our Lady of Victory Mother's Club for a square dance to be held April 28 in the Knights of Columbus Hall, 200 Union St., Plymouth, from 8 to 10 p.m.

Square dancers in this area will be happy to know that Bob Carson will be calling. Mr. Carson will walk through the dances before calling them.

Mrs. Arthur Heilip, dance coordinator, has appointed Mrs. Richard Jones as ticket chairman. Tickets are \$1.50 per couple and may be secured from any member of the Mother's club or by contacting Mrs. Jones at 439-M. Eugene Kampmann is chairman of refreshments which will be sold by the Men's club.

## U-M Specialists Attend Curriculum Meeting At NHS

Four representatives from the University of Michigan attended the public meeting on curriculum in the high school Wednesday night, Leslie Trowbridge and Mrs. Lois Sebastian, science consultants; Dr. Robert Hutchofs, industrial arts, and Ray E. Keon, assistant director of the Bureau of School Services, were the representatives.

The consultants spent the day at the high school and met with the high school staff at a faculty meeting. They had a dinner meeting with the Board of Education at 6:15.

## Comm. Appointed To Study Financing

Mayor Claude N. Ely appointed and instructed Councilmen Allen, Canterbury and Reed to obtain parking information and meet with the Northville Improvement Committee and A. Russell Clarke, budget director, to discuss the financing of two parking projects presented to the council at the Monday meeting.

The mayor made the appointments after a discussion with members of the improvement committee who described the parking problem in Northville as a detriment to city growth.

Forrest Doren, the chairman, said that it was the committee's opinion that "...there will be a great deal of expansion in this area and we should get a share of the business or at least keep what we have."

Noy Stone said, "We're on the verge of getting an outside shopping center if we don't provide parking. There will be a drive-in bank, a new hardware store, a super market...you know how it goes."

Noy Stone Schrader mentioned that the parking problem is no longer a merchant's problem. "It is a municipal problem."

In general, it was the feeling of the more than 20 persons at the meeting that Northville needed some additional parking space immediately.

The improvement committee presented two parking plans to the council:

Project 1: Parking space for approximately 15 cars. Cost of land approximately \$45,000. The property would be 250 feet deep and very close to the city provided the other property designated is purchased for parking purposes. Schrader said that both projects are a necessity, but not the answer to the problem. "We need 100 spaces over and above this."

The committee said that parking capacity in Project 2 could be increased by building an upper deck, making a 2-story parking lot with entrances on Center St. and Main St. and a connecting ramp between the two levels. This additional deck would furnish parking for another 100 cars at an additional cost of approximately \$110,000.

Project 2: Parking space for approximately 15 cars. Cost of land approximately \$45,000. The property would be 250 feet deep and very close to the city provided the other property designated is purchased for parking purposes. Schrader said that both projects are a necessity, but not the answer to the problem. "We need 100 spaces over and above this."

The committee proposed that both projects be paid in their entirety by the city. Project 2 possibly through the sale of revenue bonds.

Councilman Canterbury asked Schrader if it was the committee's thought that the merchants might benefit more than the taxpayers and whether the committee felt that merchants should share any of the expense.

"Absolutely not," Schrader said. "I can't speak for the committee, but the parking area would take commercial vehicles."

## American Legion Ordering Flags

The Northville American Legion Post Commander John Chedrick, said this week that the post is ordering American flags for merchants and residents at a 25 1/2 percent discount.

"We're not making a cent," Chedrick said. "All we want from the deal is to see the flags displayed."

Chedrick said that flags should be ordered now to arrive in time for Memorial Day.

YUM, YUM, YUMMY. John Archer, 13, (left) and Jon Batzer, 13, were caught this week practicing for the pie eating contest which will be held at the Northville P.T.A. Carnival May 4. The contest is limited to 25 boys in the 7th and 8th grades. Interested pie-eaters can register with Mrs. Ida B. Cooke at the high school.

## 2 from Area Attend National Boy Scout Meeting In Chicago

Cris Hammond, 4700 Timberline, and Arthur C. Carlson, 201 Fairbrook Rd., attended the Regional annual meeting for Scouts at Edgewater Beach hotel in Chicago last Saturday.

Approximately 1,000 Scouts from Indiana, Illinois, Wisconsin and Michigan attended.

According to the reports, scouting in this region gained 20,352 members in the last four years. There was an increase of 2,602 units in the same period, making a total membership of 608,000 clubs, scouts and explorer scouts.

The Northville scouting program is on the upgrade, according to Hammond and Carlson. A fact survey is being conducted in the schools to determine how many boys 8 or 10 years of age are eligible for cubing.

## Organic Gardeners Invited To Meeting

LaRoy Miller of Dexter, Mich., who is Research and Development chairman of the State Federation of Organic Clubs, will be moderator of a round table garden discussion at the April 21 meeting of the Wayne County Organic Farming and Gardening Club.

Meeting place is MacH. Flowers, 608 S. Meridian Rd., one mile west of Middlebelt, and one-half mile south of Ecorse Rd. in Romulus township at 7:30 p.m.

Mr. Miller will offer information on good garden practices, and suggest varieties of seeds to use, including a kind of carrot with a low sugar content. Those who plan to attend are asked to bring their spring garden problems to this meeting.

Lester Swan of Royal Oak, newly re-elected president of the State Federation, will be present to give a few highlights of the annual meeting held last month at Hot. The meeting will close at 10 p.m. and lunch will be served. Everyone is welcome.

## NOT FOR THE RIDE!

Next time you see a truck on the road, remember—it's not there just for the ride. It's loaded with cargo bound for some important destination—and ultimately that destination is you.

Yes, the economy of Michigan—and of every other state, in fact—is geared to motor transport.

Trucks are the key to our great achievements in production. They have made possible new products and new marketing methods. They've enabled us to go out into the rural and suburban areas and build homes and business projects.

It's no wonder that trucks have increased in number in Michigan from 150,190 in 1941 to 351,337 in 1954. Their popularity has grown because they've done such a magnificent job—for manufacturers, farmers, retailers, the public—everyone!

OFF WITH THE OLD, ON WITH THE NEW... and here's what's new in the line of sports around Northville high school! It's rah rah rah for the tennis, track, baseball and golf teams. The boys on these teams have been in spring training, getting in shape for their opening games. The track team has had four meets, their fifth will be April 25 at Walled Lake. The baseball team had their opener Monday at Holly; the golfers opened at Bloomfield Hills Tuesday, and the tennis team will start their schedule with Birmingham Thursday, April 19. In the above photos are the following NHS sportsmen: Harold Wilson, swinging his golf club; Bill Yahnke, jumping over a low hurdle; baseball men Buddy Bell, batter, and Ben Mosher, catcher; and tennis player Jim Hammond, ready to serve. The high school sports department has league games scheduled until June 6.

### NHS Track Team In Good Form At First Two Meets

The NHS track team started their season in good form and seem to be improving as they go along.

The first meet, at Clarencville April 11 saw Bill Yahnke take third place in 880 and high jump. Greig Chapman and Dick Biery tied for fourth place in the 100-yard dash.

At the second meet held in Thurston April 13 the team had a better showing. Bob Wagners was first in the shot put; Dick Biery was first in 440; Greig Chapman was second in 100 and 220; Bill Yahnke was third in 880 and high jump and Tom Hestley was fourth in 880. According to Coach Charles Yahnke, boys who haven't broken into the scoring column, but who are improving steadily include Gary Holman, Roger Rathburn and Dick Slubner.

### Ball Team Looking for Practice Game

Any softball team wishing for a practice game... wish no longer, just call Northville 400 and ask for the Morgan or Tom Budby who will arrange a game time and date between your team and the newly organized Maybury softball team.

The Maybury team was organized with the cooperation of the executive board Local 209 AFL at Maybury Sanatorium.

The team will be entered in Detroit Parks Recreation softball league. Uniforms and entry fees are being supplied by the executive board.

Manager of the team is Ike Morgan. Jimmy LaRue is the captain. Team members are E. Owens, C. Thaxton, A. Lee, J. Witt, A. McLachlan, W. Walton, S. Harrison, A. Erhart, J. LaRue, T. Buddy, W. White, R. Bloomhuff, W. Morgan, C. Billingsley, D. Patterson, D. Fenton, R. Shinn, G. Gorzany, B. Richardson and J. Dirickson.

### Red Pine Trees Available Free

Lansing, April 18 — About 5,000,000 young trees are still available from Conservation Department nurseries for reforestation plantings.

Red pine seedlings and transplants, two to eight inches in height, are available for large and small reforestation plantings. Full information and order blanks may be obtained by writing the Department's forestry division at Lansing 28.

"Hold still, dear, I just want to practice a little discrimination taxation!"

### How to have an air conditioned baby

He'll eat better, sleep better, enjoy better health in an air conditioned home. Now you can air condition your entire house for only a few dollars down. And you have a choice of easy monthly terms. The job will be done quickly, economically — by the people who know air conditioning best.

As little as \$500 down for a 5-room house

### Giving In...To His Practical Side!

We will tell you, in all honesty, that this gentleman was a little dubious when he first walked into the showroom.

There was no question, to be sure, about his wanting a Cadillac.

But, quite frankly, he wondered whether or not he was in a position to purchase a motor car as wonderful as the 1956 Cadillac.

But now he is learning some facts about this distinguished motor car that are removing the doubt from his mind.

First of all, he is learning that a Cadillac is relatively modest in its initial cost.

He is finding out about Cadillac's extraordinary dependability and freedom from repairs.

He is discovering the remarkable facts about

Cadillac's traditionally wonderful resale value.

And, lastly, he is being told that, at this time of the year, his dealer is able to make Cadillac ownership even more practical than usual.

That's why we suspect that—having given in long ago to his heart—he is now giving in to his practical side. And that's a combination no man can resist!

If you have considered Cadillac the car in your future—but have postponed making the move for reasons of economy—we urge you to stop in soon.

As an experienced Cadillac dealer, we have established a wonderful relationship with fine-car motorists throughout the community. Our reputation for integrity is positive assurance of your satisfaction as a customer.

#### Girl Scout Troop 14

Friday night was our second Girl Scout dance. It was held at the Scout Bldg. from 7 till 9. We danced all kinds of dances and played games.

Our leaders, Mrs. Muller and Mrs. Knight, were our chaperones. Each girl brought their own refreshments.

It was a very enjoyable evening. Scribe, Muriella LePore

### N.H.S. Band To Perform In Festival At M.S.U April 21

The Northville high school band under the direction of Leslie G. Lee will participate in the annual Michigan School Band and Orchestra Festival Saturday, April 21 at Michigan State University.

More than 4,000 young musicians will take part in the all-day festival on the East Lansing campus. They are members of 73 bands and orchestras which earlier earned the right to compete in the "finals" by top performances in district music festivals throughout the state.

Four auditorium centers are required to accommodate all the performances between 8 a.m. and 9 p.m. The University Auditorium will be supplemented by the use of Jonson gymnasium, the Music Building auditorium and East Lansing high school auditorium.

The Northville high band will perform at 10:25 a.m. in the Music Building.

In most cases the bands and orchestras will have about one half-hour to perform. Each group will do a warm-up march, a "re-quickened" or assigned selection and a free selection. They will also play two sight-reading numbers—music the members have not seen before the performance.

To attain Division I status a band must do extremely well in six performance factors—tone, technique, intonation, general effect, interpretation and rhythm. Three adjudicators will evaluate each performance before agreeing upon a final rating. Judges have been drawn from Ohio, Illinois and Oklahoma in addition to Michigan.

Michigan judges are Norman Dietz, Central Michigan college; William Fitch, Michigan Normal college; David Matern and Emil Raab, University of Michigan; and Leonard Meretta, Western Michigan college.

The student bands and orchestras all are given a final rating based upon their Saturday performance, ranging from the top Division I rating down to a Division V grade.

JOAN PERRY, 17, senior, is amused easily. "I just like to have fun," she said. Joan likes drive-in movies, parties, bowling, football and roller skating. "I like to single date," she said. "When you double date you feel like someone's staring at the back of your head and usually you have to carry on a conversation."

DAVID BERRY, 17, senior, likes to go to the movies and sporting events. He enjoys swimming dates in the summertime. David said that he doesn't care much for dancing, but if his date prefers to dance David said, "I dance." David likes double dates.

RICHARD BONDY, 15, freshman, smiled and said, "I like to be alone with a girl best." Richard likes dancing, baseball games and movies. "I like to single date most of the time," he said.

SUZIE MAIRS, 17, senior, said "It depends, but I like to go to the show and then stop somewhere for pizza." Suzie also likes dances and parties. "It's fun to double," she said, "it's a lot gayer, but sometimes it's more fun to be alone."

DON POUNDER, 16, junior, laughed and said, "You shouldn't ask those kind of questions. It depends on the girl, but we usually go to the movies. I like to swim in the summertime and

**In Performance**

At NASCAR's Speed and Safety Event at Daytona, Ford won the "Motor Trend" trophy for best all-around performance. And Ford's 283-hp. Thunderbird Special V-8 in one day smashed 30 world speed records at Kingman, Arizona. No wonder Ford is the world's largest-selling eight.

**In Safety**

When the editors of "Motor Trend" unanimously voted Ford's safety program "the top car advance" of 1955, they had in mind Ford's Lifeguard Design...a whole family of safety features, including a deep-center steering wheel and double-door door latches, to help protect you in case of accident.

**In Economy**

In this year's Mobilgas Economy Run, a Ford Customline V-8 with Funtomator won over all cars in its class. The sturdier, heavier Ford carried more weight with greater gas mileage and less wear than any competitive car... "slues" as well as "lights." Ford proved itself a regular gas miser.

The way a Ford performs, the way it saves, the way it protects you, go hand-in-hand with the way it looks and lasts. Ford's look was inspired by America's most exciting car, the Thunderbird. Its rugged K-bar frame and carefully-built body give it the endurance and reliability traditional with Ford. These are the facts behind Ford's reputation as the car that's worth more when you buy it...worth more when you sell it, too! Come in and let us show you!

good thief" in his misery, as He might not have touched it otherwise. During Our Lord's earthly ministry, think of the hundreds who went out of their way to meet Him because they were in dire trouble, and from their meeting received not only healing for their bodies but grace for their souls. Ask yourself if they would have bothered about Christ had things been going well for them.

Remember how St. Paul gloried in the trials and tribulations he had to undergo. They were his only consolation. With what immense satisfaction the Blessed Mother must now recall the grievous sufferings and sorrows of her life on earth! She fondles the memory of them now as a wealthy woman might fondle her precious jewels. Many would not part with a single carat of all her suffering; not a sign, not a tear, not a stab of the heart. It was in suffering that she came most to understand her Son; it was in suffering that their hearts were best welded together. Suffering, for those who bear

## Are You Ready For Spring?

In Grandmother's day this was the season for sulphur and molasses. The whole family would line up to swallow spoonfuls of the horrid medicine from the big brown bottle. This was supposed to build up blood thinned by the long winter and protect against the hazards of spring.

Maybe a stiff dose of sulphur and molasses could temporarily jolt an adolescent out of the day dreaming that goes with the season. Probably it had no other useful effect. But Grandmother wasn't far wrong. Spring does have its special hazards, and stern measures are often necessary to deal with them, says the Tuberculosis and Health Society.

This is the season of spring colds, brought on by man's eternal optimism. We all know that beautiful April skies can turn gray and pour down dreaching rain within an hour. We know that temperatures can go up and down like a see-saw. But who prepares for such weather? We expect and dress for nothing but the best. Women shiver in their new spring coats and slosh through puddles in their new shoes. The farmer can't stop his ploughing and run for cover with every shower. The small boy loses his rubber. His older sister wouldn't be caught dead with an umbrella.

Neither can spend all her time chasing after these delinquents. She might as well take it for granted they will be foolish, and try to build up their natural resistance to colds. She can see to it that every member of the family is getting a proper diet, replete with the "protective" foods: milk, eggs, meat, green vegetables. She can make sure that everyone is getting enough sleep. If any member of the family seems "run down" and complains of tiredness, a visit to the doctor is in order. Children with colds should be kept at home. A day of quiet rest will usually ward off serious developments.

And while you are about it why not plan to have all your family older than 15 years. X-rayed for any signs of chest disease. There is a free mobile unit or X-ray clinic near you wherever you live. Call the TB and Health Society at Woodward 1-1697 and find the location of your most convenient chest X-ray service.

Too soon spring will pass. We owe it to ourselves to be in condition to enjoy every minute of it.

## SATAN AND SCRIPTURE

Perhaps no living Christian could match the devil in scriptural knowledge. He knows the Bible as well as we do. He knows the Word of God as well as we do. He knows the Word of God as well as we do.

He is an artist at twisting the words of God and making them say what he never intended. Satan quoted the Word of God to Eve, God said that they may eat of all the trees except one. He said that they may eat of all the trees except one. He said that they may eat of all the trees except one.

Satan said: "Yes, hath God said, 'ye shall not eat of every tree of the garden'?" It seems but a small difference. However, God emphasized the fact that He gave permission to eat of all except one. Satan's emphasis was to the effect that God had forbidden them to eat of the tree of life. He attempted to make them dissatisfied with God's gracious dealings with them.

Satan again quoted scripture in the temptation of our Saviour. My reason for calling this a matter to your attention is that many people are so gullible these days. If a speech, a paper, or a book contains a scripture quotation, and often people accept it as good and true when the truth may be just the opposite. Test what you read by the whole scripture.

Lincoln Man To Address Wixom P-TA

James L. Crow, Lincoln industrial relations manager, will outline his company's plans for the Nov-Weekam at the April 28 meeting of the Wixom P-TA.

Crow, manager of the newly-established industrial relations office of Ford's Lincoln Division, has been doing personnel work at Ford since 1950.

In 1954 he became staff assistant in the office of the executive

Verne Loeffler, well known Nov-Weekam and policeman, was taken to a Northville hospital Saturday suffering from what doctors term a mild heart attack.

At last report, he was listed in fair condition.

Owner and operator of Verne's Welding Shop and manufacturer of Ritecraft plastic boats, Loeffler lives with his family at 4382 West Rd.

In addition to working for the Nov-Weekam, he has served as township constable for many years since 1950.

He is chairman of the Nov-Weekam P-TA.

Table prizes, door prizes, a free drawing, refreshments and lots of fun are in store for Nov-Weekam Saturday evening at the Nov-Weekam P-TA April 28 card party, according to Mrs. George

Waiter, who is in charge of the party.

"Plans are now complete," Mrs. Waiter added, "to make this the biggest and best card party of the season. Everybody is invited and all proceeds will go to the Cancer Drive."

Assisting Mrs. Waiter on the card party committee are Mrs. Charles Trickey, Sr. in charge of ticket sales, Mrs. Clarence Orwin in charge of refreshments, Mrs. Thekla Doan in charge of fund raising and Mrs. Frances Staman, assistant chairman.

The time and place: Nov-Weekam Community Bldg. Saturday, 8 p.m.

Special Election Called To Annex Property In Novi Twp.

"Everybody has ways of annexing property, but nobody has ever tried to pull this!"

Novi Township Supervisor Fraser Staman uttered these words early this week shortly after hearing that the City of Northville, by means of a recently passed legislative amendment, had succeeded in calling a special election for the purpose of annexing the 70-acre "Yerkes Farm" at the southern edge of Novi township.

The property lying north and east of Northville's Oakwood Subdivision, is now owned by Detroiters Richard Benicke and Robert Krue and is the proposed site for a 250-home subdivision.

Council Refused

Early last year, Benicke and Krue requested annexation of their property to Northville in an effort to secure city water and sewerage facilities needed for their homes. The Northville council had previously refused to furnish the water and sewer connections for the entire project unless the property to be annexed was in two counties.

The special election, originally set by the Secretary of State's office for May 19, was postponed until June 5 at the request of Northville officials who said they did not have sufficient time to prepare for the election.

Special Act

"A special act of the recent legislature amended the statute pertaining to annexation proceedings in two counties," Staman said. "This act allows the city of Northville to annex property, Northville seeks to annex a triangular strip to the east of the railroad, north of the intersection of the railroad and the 8-Mile Rd. track, Novi Rd. and 8-Mile Rd. Two lots at the northern end of the triangle, west of Novi Rd. and south of the railroad, have not been included in the request. Ogilvie said these residents were not in favor of the annexation."
