

Are You Ready For Spring?

In Grandmother's day this was the season for sulphur and molasses. The whole family would line up to swallow spoonfuls of the horrid medicine from the big brown bottle. This was supposed to build up blood thinned by the long winter and protect against the hazards of spring. Maybe a stiff dose of sulphur and molasses could temporarily jolt an adolescent out of the day dreaming that goes with the season. Probably it had no other useful effect. But Grandmother wasn't far wrong. Spring does have its special hazards, and stern measures are often necessary to deal with them, says the Tuberculosis and Health Society.

SATAN AND SCRIPTURE

Perhaps no living Christian could match the devil in scriptural knowledge. His diabolical mind has no doubt secured records to find ways to resist the truth.

It's a Hill! With the opening of the baseball season, we think it appropos to sit home the fact that every day is "Ladies' Day" at A&P. Yes, every day, we're in there pitching to please each and every lady shopper (and men shoppers too).

Our rules for making a hit? We simply offer all the quality foods a fan could wish—at more low prices on more items more often. And A&P's team always strives for well-organized, steady and friendly efficient service. Is it any wonder millions cheer?

40th Wedding Anniversary

Mr. and Mrs. S. W. Reed were honored on their 40th anniversary April 22 at a buffet dinner party held at the home of their daughter and son-in-law, Mr. and Mrs. Donald Lanning, 10029 W. 7-Mile Rd.

Twenty-nine relatives and friends from Detroit, Greenville, Hazel Park, St. Clair and Northville helped the couple to celebrate.

In addition to Mrs. Lanning, the Reeds have three daughters who live out of town.

While tasting one of Mrs. Reed's delicious casseroles, she told us she had also written down the recipe for a salmon loaf that has always been a favorite with her family. It is quite different from the usual salmon loaf because it contains vegetables and mushrooms. It is truly a mouth-watering casserole to serve your family or guests.

The Reeds reside in a new ranch house at 865 Grace St. They have two children who are both married. The daughter, Patricia, Mrs. Raymond Platts, was graduated from Northville high school. Mr. and Mrs. Fred are very proud of their five grandchildren and recently added another room to their two bedroom home so they have plenty of room for visitors.

News Around Northville

Mr. and Mrs. Walter C. Zakul of 11896 Morgan, Plymouth, announce the engagement of their daughter, Antoinette, to Bruce H. Butler, son of Mr. and Mrs. O. H. Butler of Northville. An October wedding is being planned by the couple.

Nealon Schrader and son, N.C., Bick Goodrich and son, Jeff, and George Clark found fishing hazardous in Leanington, Ont. last Saturday. They reported waves eight feet high washing over the pier.

Mr. and Mrs. Robert Campbell of Loveland, Ave., Livonia, entertained several Northville and former Northville residents for dinner Sunday evening. They included Mr. and Mrs. Robert Germain, Mr. and Mrs. Malcolm Pierce of Plymouth, David Postinger of Detroit and his fiancée, Miss Marilyn Christenson of Milwaukee, Wis. Dave and Marilyn will be married June 2 in Wisconsin. Mr. and Mrs. George Alexander attended the spring meeting and dinner of the Great Lakes Section, Institute of Food Technologists, at the Prince Edward hotel, Windsor, Ont., April 20. Mr. Alexander is chairman of this organization.

Mrs. Myrtle (Phillips) McLoughlin, is a resident at Eastlawn Resthaven. Mrs. Francis Kennedy of Buffalo, who has been visiting her mother, Mrs. Maude Harmon, and her sisters, returned home Sunday.

Hospital Corpsman James Willey and Mrs. Willey left Sunday after a three weeks visit with his parents, Mr. and Mrs. Otto Willey of 43000 8-Mile Rd. Willey was graduated Mar. 30 from the U.S. Naval hospital in Portsmouth, Va. and goes to his new base at Camp Lejeune, N.C. where he will work as a hospital corpsman in the marine hospital there.

Miss June Mayhew, representative from the J.L. Hudson Co., will present "Aides of Beauty". Instructions on speech, interviewing, salesmanship and telephone conversation will be given by another speaker.

High school seniors and juniors, EPW members and other interested women are invited to attend. Refreshments will be served following the speeches.

WORKING ON A CLASS PROJECT, Brian Tabor, Jimmy Beerbower, Jimmy Hill and Mary Lou Langray paint brown spots on the yellow paper-mache giraffe their class made. Their art teacher, Mrs. Betty Watson supervises. The children are members of Mrs. Barbara Wise's first grade class at the Main St. school. The children named the giraffe "Spoty". The runner-up name was "Leaf Snatcher". The class will now study a unit on animals and later make a visit to the zoo.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Sidney Freyd offered us two recipes this week and being unable to choose between them, we decided to give them both to our readers along with a menu for a full course meal.

While tasting one of Mrs. Freyd's delicious casseroles, she told us she had also written down the recipe for a salmon loaf that has always been a favorite with her family. It is quite different from the usual salmon loaf because it contains vegetables and mushrooms. It is truly a mouth-watering casserole to serve your family or guests.

The Reeds reside in a new ranch house at 865 Grace St. They have two children who are both married. The daughter, Patricia, Mrs. Raymond Platts, was graduated from Northville high school. Mr. and Mrs. Fred are very proud of their five grandchildren and recently added another room to their two bedroom home so they have plenty of room for visitors.

Butter a casserole, place half of the vegetables in bottom and sprinkle entire lot of the salmon broken in small pieces. Add half of the lemon juice and sprinkle half the crumbs over this. Pour one half of the cream sauce. Bake three-quarters of an hour at 350 degrees. This makes six good servings.

Barkers, Concessions, Prizes and Music Promise Enjoyment At The P-TA Carnival

Northville's annual P-TA Carnival, an affair that has gained increasing popularity, will open Friday, May 4 at 6 p.m. The grade school, high school and Community Bldg. on Main St. will house the various activities.

Some of the many attractions for the children will be the Midway in the Community Bldg. sponsored by the Optimist and Rotary clubs; four (4) fish ponds sponsored by the Red Cross American Legion Auxiliary, Girl Scout Troop No. 11 and the high school teachers. One of these will be a "Walking Fish Pond".

The VFW Post 4012 is sponsoring a new attraction "The Red Ball Express". The Cub Scouts are having an "Air Rifle Range" with cork pellets. Cartoons for the children will be shown at intervals by the Presbyterian Men's club.

An annual feature, "The Cake Walk" will again be presented by the Business and Professional Women and the VFW Auxiliary. Carnival-style snapshots will be available through the Camera club. The Cooperative Nursery school will have "Cookie Booth" and the Northville Mothers' club will offer home-made candies. There will be a corner of the high school gym for Tee-Leaf reading and the general P-TA will sponsor its usual "white elephant" sale.

A baby orchid booth is endorsed by the Northville Branch of the National Farm and Garden Ass'n. The state police will be present with a display of weapons and a career board.

A new feature this year in the food department makes it possible to obtain a wider selection of club for the evening meal. "Sleepy Joe's", baked beans, cole slaw, cake, ice cream and coffee will be on sale in the Community Bldg., with tables and chairs available for the comfort of the diners. The Northville Women's club will prepare the cake, ice cream and coffee. Other food will be solicited from the general P-TA through the Room Mothers organization.

Junior high students will sell popcorn, home economics students with their teacher will make and sell candied apples with the assistance of Girl Scout Troop No. 13. The Student Council will have hot dogs and pop and the ever-popular cotton candy will be available. It is necessary to depend on a strong arm to carry it. Its case should be sturdy and compact and it should be easy to remove and replace the machine.

The Exchange club will set up an archery range outdoors where EXCHANGE CLUB members are going to sponsor an archery booth at the P-TA Carnival May 4. Shown checking the arrows and target for their club's project are Charles Freyd and Ernie Ebert.

Engagement Announced

Former Northville residents, Mr. and Mrs. Ernest H. Wood, now of Hollywood, Fla. announce the engagement of their daughter, Beverly Jane, to Andrew Coulbrough, Jr., son of Mr. and Mrs. Andrew Coulbrough, Huntington Woods, Mich. The bride-elect attended Sullins Junior college and Michigan State university. She is now a stewardess with Eastern Airlines, Miami, Fla. Mr. Coulbrough attended Michigan State University and is a sales engineer with Manegold Equipment company, Detroit. Sept. 15 has been set for the wedding.

Miss Buttermore's marriage to Pamphile Rosette will be solemnized Saturday at Our Lady of Victory church in Northville.

If you are considering buying a portable sewing machine, remember it needs to be light enough in weight so you can move it. It loses its function as a portable if it is necessary to depend on a strong arm to carry it. Its case should be sturdy and compact and it should be easy to remove and replace the machine.

At What Age Should SAVING Start?

Many, many First Federal customers have had savings accounts for their children, opened soon after the youngsters were born. They start with a small account for the new baby. Then, it's surprising how such savings grow with money gifts for Christmas and birthdays. Later, the child's own after-school earnings are added. Besides offering important training in thrift, this plan builds savings for college, or for a start in business. Savings here are insured to \$10,000.

 "As the Cracking of Thorns..."
 The joy of the unbelievers, the non-Christians can be superficial and of short duration. Although they may appear ever so joyful, their happiness is not very robust. Inwardly they are the most unhappy. Boisterous mirth and slapstick comedy cannot give lasting joy to a man who is not right with his God.
 "As the cracking of thorns under a pot, so is the laughter of the fool. This also is vanity." (Ecclesiastes 7:6). A very fitting comparison. The laughter of a fool is similar to the burning of thorns under a pot, which produces a great noise and huge flames but contributes a heat that is negligible, for soon the blaze is gone, and only a few scattered ashes remain. So is the laughter of a fool, which produces a momentary glow, but soon it is extinguished, leaving only a few scattered ashes behind.

More people named Jones own Chevrolets than any other car!
 *Of course we haven't actually counted all the Joneses. But it seems a safe guess. Because this year—as they have year after year—more people are buying Chevrolets. And 2 million more people drive Chevrolets than any other car. Maybe you ought to come in and see why this is so.

HERE ARE THE FACTS ABOUT THE MILK STRIKE!
 The ill-advised milk strike, in which organized labor unduly insisted on a higher price for their product, Detroit milked, proved one thing: That labor union practices and the business of independent farmers don't mix.
 It became evident from the start that the inspectors were not striking the dairies for a higher price. They had, in fact, agreed with dairies they would take the prevailing market price for farmers' milk!
 Instead, they directed their attack against the dairy farmers' own organization, the Michigan Dairy Producers Association, which they aimed to control or destroy. In this attempt, forces within organized labor sought to capitalize on the economic plight of the farmer and exploited a minority group of farmers to their own ends.
 There should be no misunderstanding that the fact that MMPA is a dairy farmers' cooperative, operated by the farmers, for the farmers, to cooperatively market their milk and protect their economic interests. It was the propaganda line of the strike leaders to mislead the farmers and the public in this respect.
 The obviously false claim of strike leaders that they won a price increase was a part of this propaganda technique. Actually, nothing good for the dairy farmer resulted from the strike. Rather, only harm was accomplished, the seeds of dissension were sown, and the real issues and facts were willfully misrepresented.

What Caused the Strike?
 The strike stemmed from the ambition of a few within organized labor to control the Detroit milk market and to collect votes for their own political party. It was their market. To accomplish this, the strike organizers turned former against former in their drive to destroy his cooperative organization.
Who Were the Strike Leaders?
 Major leadership and direction came from organized labor. Joined with these professionals were a former union organizer and a small group of dairy farmers who have consistently opposed the methods and policies of MMPA and sought the means of imposing their will on the MMPA membership.
What Were the Real Issues?
 This was not a strike for a higher price for milk nor did it accomplish any economic advantage for farmers. The real issue was recognition of the so-called Fair Share group, organized labor's "free" for the purpose of class collection and checks. By this tactic the strike leaders sought to gain control of the assets and functions of MMPA.
Who Won the Price Increase?
 The bargaining power of MMPA, carried out in an ultimatum vote at the March 20 delegates' meeting, was alone responsible for the price increase gained on April 1. The Class 1 price of \$5 would have been achieved sooner and without ultimatum if constructive tactics of strike leaders and others had not blocked price negotiations carried on by the MMPA Detroit sales committee.

What Are the Economic Facts?
 The increased price of \$5 per cwt. applies only to that portion of the milk used for bottling and fluid purposes. It is not a net price to the farmer, who must pay marketing and shipping costs. Only part of the milk can be sold at this price, the rest must be used for manufactured products at the prevailing market price.
Outside Milk a Problem
 Another factor not to be overlooked is the deluge of milk which results in any market where a higher than average price prevails. Competition from outside the milk shed can cause havoc for regular producers, even to the extent of losing their market.
 No one realizes more fully the serious problems of the dairy farmer than does the MMPA, whose affairs are directed by those self-same farmers. The present farmer price squeeze is the nation's Number One problem. It cannot be solved by mob action nor by looking for help from agitators outside the ranks of agriculture. They have their own axe to grind.

Officers Elected At Co-op. Nursery
 The election of officers and a while elephant sale highlighted the April 9 meeting of the Northville Cooperative Nursery school.
 At the end of the regular business meeting a state containing names of officers to be voted upon was presented by President Mrs. William Secord. Those who were elected to hold office for the remainder of 1956 until May 1957 were: president, Mrs. Irving Starbarger; secretary, Mrs. Robert Lawson of Plymouth; treasurer, Mrs. Gordon Forrer.
 Mrs. Paul Gerhardt of Plymouth was auctioneer for the while elephant sale held after the regular business meeting. A profit of \$50 was realized and has been designated for equipment.
 Refreshments were served by co-hostesses Mrs. Robert Edwards, Mrs. Arthur Gotts and Mrs. Jack McCrum.
 A board meeting was held at the home of Mrs. William Secord April 16. Newly elected officers were present to hear the annual reports from outgoing chairman.
 Two birthdays were celebrated in the nursery school: Jane, the daughter of Dr. and Mrs. Gordon Forrer, celebrated her birthday April 6 with her four year old mother, and David, son of Mr. and Mrs. Charles Hall, were guests.
 Refreshments were served by co-hostesses Mrs. Robert Edwards, Mrs. Arthur Gotts and Mrs. Jack McCrum.
 The public is invited to attend this meeting which begins at 8 p.m.
 On display the same evening will be works of art by the students of Wisconsin school. Installation of the newly elected officers for the coming year is also on the agenda.
 Refreshments will be served by the fourth grade room mother, Mrs. Thomas Wiles.

Lincoln Div. Man To Speak at Wixom PTA
 James L. Crow, industrial relations manager of the Lincoln Division, will speak at the Thursday meeting of the Wixom P.T.A., according to Wilhelm Lahti, publicity chairman.
 Mr. Crow is a native of Flint and a graduate in industrial psychology from the University of Michigan. He resides with his wife and four children in Livonia.
 The public is invited to attend this meeting which begins at 8 p.m.
 Cole graduated from Northville high school in 1937. He was a member of the Michigan House of Representatives soon after and the following session he served as an assistant bill clerk. He attended Hillsdale college, Michigan Normal college and the University of Michigan graduating with AB and MA degrees.
 His military career began in 1942 when he entered the Michigan National Guard as a private. Two years later he was commissioned and served with the 1st Cavalry Division in the Pacific Theatre. He was discharged after World War II, but in late 1946 was recalled to active duty. He served with the 1st Cavalry Division again in the Korean action.
 His decorations include the Purple Heart, Bronze Star, two presidential citations and the Silver Star. His military career was terminated in Michigan after service as Intelligence Officer of the Military District of Michigan.

Methodist Mens Club To Receive Charter
 The Methodist Men's club of the First Methodist Church of Northville will be presented its charter Monday evening, April 30 in the church house.
 Paul McKeever, Ann Arbor District Lay Leader, will make the presentation and be the principal speaker for the evening.
 The Methodist Men's club movement received its start in 1942 when six clubs organized. Since that time it has grown to include 10,000 clubs across the country. Four thousand clubs have been added in less than three years.
 Members of the First Methodist Church of Ann Arbor which helped organize the club in February of this year will be guests at the presentation.

Letter To The Editor
 To the Editor:
 The letter pertaining to double parked commercial vehicles was very timely and interesting to me. While on our lunch hour several weeks ago, myself and several other people in the car found ourselves penned in at the curb by a double parked truck when we were ready to return to work. We were only able to get out of the parking space when a car behind us pulled out and we were able to back up and pull around the truck....
 We asked (the police) if it was not a state law that it was a violation for any vehicles to be double parked on a public highway, for deliveries or otherwise.
 What is the answer

Detroit Man Is Suicidal In Cass Benton Park

A man identified by police as Edward Schmitt, 1808 Harlow Detroit, committed suicide in Cass Benton Park Tuesday by asphyxiating himself with carbon monoxide fumes from the exhaust of his car.

Who's Laughing? Joke Backfires On Flip Proprietor

In last week's copy of the Record certain members of the Northville Improvement committee were quoted as saying that Angelo Gadiola would donate his Main St. property to the city for parking purposes.

Mayor's Ex. Day 300 Expected For Dinner

A community-wide citizens' dinner is planned for Mayor's Exchange Day as a feature event of Michigan Week.

F.B.I. Alerted

Approximately two hours after the case began, Police Chief Joseph Denton was telephoned by the Detroit F.B.I. Three men were sent here and after they identified themselves, seven additional F.B.I. men were dispatched to Northville.

Co-ord Council Celebrates Birthday; Elects Officers

The meeting of the Co-ordinating Council April 19 in the City Hall, marked the retirement of Mrs. Jennie Geraci as president, the election of Ed Welch as president for the coming two years and the 16th anniversary of the organization of the council. Other elected officers are Mrs. William H. Canfield, vice-president; Mrs. Ernest Shavo, recording secretary, and Dr. Wilbur Johnson, the re-elected treasurer.

The council table was covered with a lace cloth and centered with a beautifully decorated cake to commemorate the 16th year of the council's activities. Cookies, candy, sandwiches and coffee were served following the business meeting with the commitments of Mrs. Geraci.

"In time, too, the Post Office's little idea will inevitably reach the manufacturers of parking meters. When your time expires, the meter will not be content with simply holding a red flag; it will also put its fingers in its mouth and whistle for a cop. "I can hardly wait for the day I put a dime in a candy machine and the thing falls to produce. 'Heh, heh, heh,' it'll laugh nastily, 'see me! I just may!'"

bridge, Mrs. Lois Sebastian and Dr. R. Hutchcroft, participated in a panel discussion April 15 at the Community Bldg., which revolved around Northville's curriculum needs. Four school board members and approximately 40 P-TA members and interested persons attended the meeting.

President Robert Coolman had opposed the 30-member committee as being too large, was unable to be present at the April 15 meeting.

Nelson Schrader, who also had expressed opposition to the committee, said at the conclusion of the talk with the U. of M. people that after becoming better informed as to the curriculum committee's job he could vision the need for a larger committee.

The Northville curriculum committee submitted a list of questions which were answered by Dr. Keehoe.

Committee members said that the meeting was very helpful and the committee received some very valuable information in regards to organization and methods of obtaining information to conduct a study. The committee has not yet been given formal approval by the school board.

R. H. Amerman said that the school board might possibly have an informal meeting this week to talk about the committee and membership; however, formal approval, if given, will be done at the regular meeting May 7.

Trustee Frank Clark, township supervisor for several decades, had very little comment. "I suppose they're within their rights," he ventured. "...I'm not going to battle it... (I think) it's a piece of monkey work."

Two elections will be held on the annexation question June 5, one for the people of Northville, and a second election for the handful of Novi township residents in the area considered for annexation.

A majority vote in both elections is necessary before the annexation becomes a reality. However, informed sources expect little opposition to the move, either on the part of the few Novi residents involved or the people of Northville.

Special Election...

"Naturally I don't like the idea... where will it stop... I understand they want the (American) school property on the other side. As far as I can see, they might be able to go all the way to Grand River."

Staman, no political novice, commented, "That's only the beginning... pretty soon they'll be in our backyard. I suspected something was up when I found them (Northville) surveying the half-mile line from Novi Rd. to Tait (Rd.)."

No Comment

Charles Trickey, Jr., township treasurer and an outspoken critic of Northville's actions, said he had no comment for publication. Upon second thought, he said that if the annexation continues further, he "will stage an active campaign to see it halted."

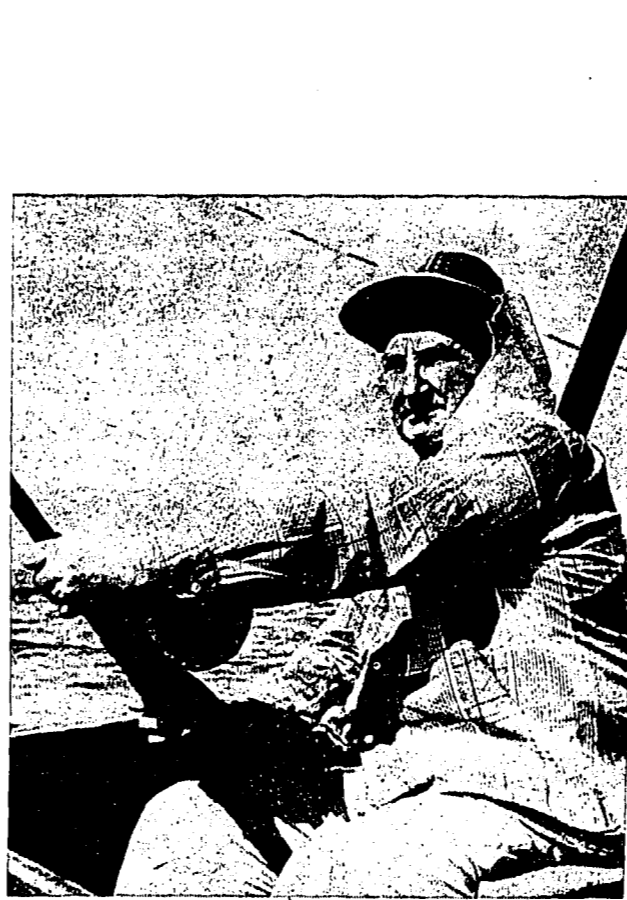

Trustee Harold Miller, when informed Tuesday evening of the recent developments, said he had not yet heard of the special election. "Well I'll be damned," he said. "I've got to have time to think this over. They sure are a bunch of grabbers over there (in Northville)... but it doesn't look like we have much to say about it."

3 Local Men Go Fishing In Acapulco

Three Northville men recently returned from a ten day trip to Mexico where they reportedly enjoyed themselves touring, shopping and, as the pictures on this page indicate, fishing.

Shopping

Sid Frid, Cliff Hill and Earl Reed bought purses, dress goods, leather goods and other things while shopping in Mexico City. "We had to bring something back for our wives," they said.

Touring

According to the men, one of the unique cities they visited was Taxco. They arrived there at the beginning of a week-long Easter celebration. "One night there were 4,000 people marching in a parade at 11 a.m.," Reed said, "and that was a sight to see." According to the men, "Taxco is a very different city. The streets are as wide as our alleys and the buildings are hundreds of years old. There is a law in Taxco that prohibits the erection of new buildings."

Fishing

The three men spent several days fishing in Acapulco. Frid and Reed caught one sailfin each; Hill caught two. The average weight of each sailfin was 100 pounds.

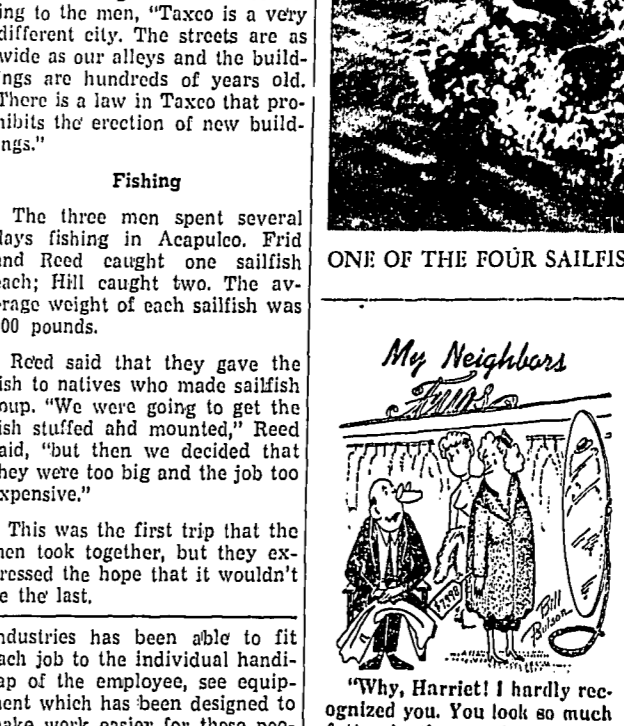

Reed said that they gave the fish to natives who made sailfin soup. "We were going to get the fish stuffed and mounted," Reed said, "but then we decided that they were too big and the job too expensive."

This was the first trip that the men took together, but they expressed the hope that it wouldn't be the last.

Industries has been able to fit each job to the individual handicaps of the employee, see equipment which has been designed to make work easier for these people, and see the handicapped help themselves to a better life.

IS TRUTH RELATIVE?

A fairly new device in thinking is threatening the very foundation of our standard for "Truth." Those who advocate this line of thinking say that "Truth" is relative since it is determined by localities, nationalities & the ages. What may be regarded as true by one nation may be regarded as false by another. What may be highly esteemed in one age is abhorred in another generation. Whereas this may contain an element of truth yet it contains also conclusions that lead to serious error. For example, the Kinsey report proved that a lot of people are guilty of the sin of adultery, but this does not change the seventh commandment which says, "Thou shalt not commit adultery." Adultery was a moral wrong then, and it is now. It's just as wrong in the sight of God for an African to commit this sin as it is for educated America. All Christians regard the Bible as an authoritative book and accept it as a rule for faith and practice. When the Bible speaks, no opinions are needed. When the Bible is silent, our opinions are to be based upon reasoning which would be in line with what God has declared. "Yes, let God be true, but every man a liar." GOD'S WORD IS TRUTH!

"I figure the first place to save money is in the bank"

Investments are fine, if you can afford to tie up your money for future profit. And certainly everyone with dependents should have life insurance. But as I see it, the first line of defense against need or worry is having cash in the bank. It's safe...it's handy...it's convenient...it's profitable.

Sixty-nine and a half million Americans evidently feel that way. Their banked savings now average around a thousand dollars and total well over seventy-three billions...the largest reserve for personal security ever accumulated anywhere.

Wolverine Mgr. Anticipates Big Season

Orlow G. Owen, vice-president and operational manager of the Wolverine Harness Raceway, said this week that he anticipates big things in the 40-night trotting season at Detroit Race Course from May 9 through June 23. Owen said that the 1956 Wolverine harness season promises to be the best ever. "The finest standardbreds, the best drivers and the best stables will take part in the meeting which will open on the harness racing year in Michigan," he commented. Owen was one of the pioneers in the establishment of part-time harness racing in Michigan at Northville Downs in 1945 and he has been one of the primary architects of the amazing popularity which harness racing has achieved in the Wolverine State. In his first year in harness racing at Northville, Owen served as an assistant and track announcer.

NHS Track Team Adds Points In Last Two Meets

The Mustang track team picked up 37 points in a meet with West Bloomfield and Bloomfield Hills April 17. Going Chapman won both dashes; Dick Biery took first and Joe Maw third in the 440; Bill Yahn was first and Tom Henley third in the 880. Gary Holman came in fourth in the mile. Bob Wagenchuta made his best effort, 43 feet 4 inches to win the shot put. Dick Biery, trying the broad jump for the first time, took second place. Dick Stuber and Roger Rathburn improved on their previous performances in the mile and 880. In a meet at Oak Park April 20 the results were even better. Again Chapman won both sprints. Biery won the 440 and Yahn the 880.

In the mile, Holman was second and Stuber broke into the scoring column by placing third. Yahn won the high jump and Heatley was second in the 880. The makeshift (and unofficial) 880 relay team also finished first from May 9 through June 23.

Wille Mays has been with the Giants only four seasons, says The Sporting News, but already he is the team's second ranking home run hitter with 116. Hank Thompson leads with 721 homers in eight seasons.

His zeal for harness racing continued unabated and he rose steadily to the post of manager of Northville Downs. In 1952 Owen was offered and accepted his present post at Wolverine Harness Raceway.

Owen lives at 50005 W. 7-Mile Rd., Northville.

The Teens Speak Up

DELORES KAY MARJORIE

JIM SHARON HUBERT

According to NHS students we interviewed recently it takes more than money to term a person "successful". It is interesting to note that without exception the youngsters believed that money isn't everything.

The question this week: "In your opinion, what makes a person successful?" "Can you give us an example of a successful person, living or dead?"

MARJORIE LEE, 16, junior, bubbled forth her answer. "A successful person is the person who is willing to try and has the will to do whatever he wants to do. He sets his mind on a certain thing and sees it through. You don't need money to be successful," she said, "you should have a little, but you don't have to be rich." Marjorie gave her sister as an example of a future success. "She wants to be a beautician," Marjorie said. "She's working now and has enrolled in a school in Detroit. With her determination she will be the success that she wants to be."

SHARON BUDD, 16, sophomore, said, "To be a success you've got to work and not be afraid of it." Other factors that go along with success, according to Sharon, are cooperation, an education, and friends. "Every one can be successful if they want to be," she said, "you don't need money." Sharon listed her cousin as a successful person. "She graduated from high school last year, got a job at Burroughs, and is now head of the girls in her department. She knows what she wants and she works toward her goal," Sharon said.

JIM HAMMOND, 15, sophomore, told us his ideas without a moment's hesitation. "To be successful a person needs an education," he said, "not too many are successful without one. Good grooming is important too." Jim continued, "and ambition. A person has to go out and work for what they want. Money doesn't mean a person is successful because some people inherit wealth." Jim named Al Kalline a success. "He doesn't let it go to his head and he doesn't stop working."

HUBERT BLACK, junior, said that success depends upon "will."

Local Girl On MSU Handbook Staff

Miss Marilyn Joyce McCarthy, daughter of Mr. and Mrs. W. B. McCarthy, 531 W. Main St., was recently appointed to the staff of "Folio," the student orientation handbook at Michigan State University, sponsored by the MSU student government, associated women students and Blue Key, men's honorary.

Miss McCarthy is a graduate of Northville high school and is now a freshman at MSU.

ingness and ability to gain knowledge on all aspects of life. A person has to work toward a goal continuously," Hubert said that his parents were successful. "My folks worked for 15 years with 'The Golden Sun' and 'The Hiking Song'." We are planning to have a court of awards. Parents will be invited. We are going to Mrs. Millington's house for a showing of nature films. We had a play called 'Homework' given by the Dramatic Patrol. Scribe, Karen George

Makes Friends with the Meanest Roads

(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads is something you find nowhere else on wheels.

Capricious roads that twist and turn — unruly roads that rock and roll — tired roads, battered and beaten — they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior — the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER.

No other car matches the firm, true tracking of Buick's own ride foundation — buttressed by brassy X-braced frame and torque-tube drive — cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of wheelbase within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other name plate promises the soaring sweep of power that wells from the big 392-cubic-inch V8 beneath every new Buick bonnet.

No does any other automatic drive put power to its car's rear wheels with the swift, unruffled pace of Variable Pitch Dynaflow™ — and that goes double every time you "switch pitch" for whip-quick, snafu passing.

Why? Why stop to count reasons — when results are what you're after? Wouldn't you rather really feel Buick's new "sense of direction" on straightaways, curves and corners?

Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel?

Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road — and get first-hand figures on prices that make Buick owning a more positive pleasure.

**New Advanced Variable Pitch Dynaflow is the only Division Buick feature. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

WHAT DO YOU have planned for say, next week end? Perhaps a drive to see some friends or relatives in the next town. Or maybe you're going to spend a quiet two days at home. Either way, the telephone can help you enjoy your week end. If you're planning a visit, call ahead and let the folks know just when you'll be there. And if you're just going to loiter around the house, wouldn't that be a good time to talk to those out-of-town friends or loved ones? Telephone calls cost so little and they are so appreciated.

BREAKFAST IN BED is one good example of luxurious living. But that's a luxury most of us can't often afford. A bedside phone on the other hand is a very inexpensive "luxury." For about \$1 a month you enjoy the comfort and convenience of an additional telephone at your finger tips. It will mean the end of stumbling around when you make or get calls at night—you just reach for the phone. To order your bedside telephone, call our Business Office.

CAN'T LEGALLY HOLD ELECTION, NOVI SAYS

For every man who lives to be 85, there are 7 women—but by that time, it's too late!

"IT FITS . . . and only two bits," exclaims Shirley Coleman (picture at left) as she holds up a dress being offered for sale at the annual Novi School Fair. Casing an appraising eye at the bargain is Freda Angel, while classmates J. R. Barton helps unload a box of toys and games to be sold at the fair.

Novi officials have announced that they cannot legally hold an election on May 16, the date set for the proposed special annexation election.

The Novi School Fair, held at the Novi High School on Thursday, April 26, was a success. Shirley Coleman, a Novi resident, was seen holding up a dress she had purchased at the fair. Freda Angel, another Novi resident, was seen appraising the dress. J. R. Barton, a Novi resident, was seen helping to unload a box of toys and games to be sold at the fair.

Farm Bureau Holds Square Dance May 5

A square dance, sponsored by the West Farmington Farm Bureau, is scheduled to be held at Grammer's Dance Hall, 27450 11-Mile Rd. May 5. The public is invited and all proceeds will be donated to the Sister Kenny fund, a spokesman for the organization said.

Democrats Challenge Voting Locations

The Novi Democratic club has gone on record as challenging the polling booths for the newly formed special voting precinct in the Community Bldg., the club secretary stated early this week. Representatives of the group plan to ask the township board to review the problem at the May 7 meeting, she added.

Consolidation To Be Decided At Amerman School May 16

What portion of the Novi No. 6 (Dunfee) school district is to join the Northville school district and what portion is to enter into a consolidation with three other Novi township districts will be decided at a special meeting of all Dunfee residents in the Amerman elementary school at 7:30 p.m. May 16.

Mrs. Paul Ginste entertained Sunday evening the Michigan Pointer club following the spring field trials during the day.

Mrs. Luther Rix left by plane Friday evening for Falls Church, Va. to visit her son's family, Mr. and Mrs. Victor Rix and children, for a few days.

Mrs. Jerry Sarstrom is busy with plans for sailing to England May 11 to join her husband who is in the service at Oxford. Her mother, Mrs. Carl Leavenworth, accompanied by another daughter, Mrs. Pat Willis, and her father-in-law, James Leavenworth, will drive Mrs. Sarstrom to New York for sailing.

Little Rose, daughter of Mr. and Mrs. Russell Burton, was on the sick list last week.

Clyde Johnson underwent minor surgery last Thursday and is recuperating at his home on West Grand River in Novi.

Mrs. Clyde Johnson and Mrs. Belle Walker spent Thursday and Friday with the former's daughter, Mrs. Ted Reinlein in Farmington.

Several Novi Babababs visited Pontiac Lodge Thursday evening.

Insufficient Notice, Twp. Attorney Advises

Novi Evidently Overlooked In Confusion On Setting Date of Annexation Election

"Well, what's the City of Northville going to do now?" While not the exact words used, the question typifies the slightly amused attitude of Novi officials as they sit back this week and wait for further developments south of the border.

Thanks to an apparent oversight by the City of Northville and the Secretary of State, Novi officials advised the Secretary of State's office Tuesday, May 1 that they have insufficient time to legally prepare for the proposed special annexation election June 5.

Need 40 Days
The attorney says we must have written notice from the Secretary of State's office informing us of any election and that, to comply with Michigan law, we must then have 40 days to legally advertise and prepare for the election. Novi Township Supervisor Frazer Staman said, "We had less than 40 days," he added, "in Novi if we don't vote, and, delivered the opinion at a special meeting of the township board held Monday night to discuss the annexation of the 70-acre 'Yerkes Farm' plus additional Novi land to the city of Northville."
