Ask yourself these 6 questions before buying a low-price car—and you'll switch to Plymouth!

(There's a 118% increase in the number of people who are switching to Plymouth from other makes!)

Plymouth holds official NASCAR records for speed in its class (124 mph); acceleration, all stock cars (82 mph).

Which low-price car is biggest? Plymouth wins again, inside and outside. Roomier, longer, heavier. More trunk space. More everything.

And how about styling? No contest here either. Plymouth's really new, while other low-price cars look about the same as last year.

More than ever-Plymouth. New seat belts, door latches, headlights. Plus many exclusives, like Safety-Rim wheels.

At your Plymouth dealer's now. You'll get a generous trade-in allowance and money-saving financing. See him today.

PLYMOUTH COSTS LESS From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

IT'S TELEPHONES three to one! Back in 1946 there was one telephone for every five persons in the U.S. Today there is one phone for every three. Why the boost in phones? Because the public wants more and

more telephone service Telephone growth also reflects the general prosperity and an increasing dependence on fast communica-tions. Incidentally, in ratio of telephones to people, the U.S. ranks first. Sweden, Canada, New Zealand, Switzerland and Denmark follow in that order.

AN All-Gas Home is an **ALL-WEATHER HOME**

Gas is an ideal fuel with a dual personality ... one for winter heating and one for summer cooling. A Gas air-conditioner gives the utmost in year 'round comfort.

In sizzling summer weather, a Gas unit wrings gallons of water out of the humid, sticky air. And in the cold of winter, it adds moisture to the air to prevent dry, parched heat. A Gas air-conditioner gives perfect all weather temperature control.

Officials said only that Archie Leonard, township attorney, had been instructed to prepare for a legal battle on the annexation question.

The election is to be challenged, township officials stated, on the grounds that the law allowing such annexation of the property is "unconstitutional". They cite the fact that the assets of the township must be proportionately divided with any area voting to withdraw from

the township. The township hall is now debt free, they point out. However, if much land is taken away from the township, the required division of assets would force the township to mortgage the township hall and once again go through the process of paying
