Bumper Crop of Pupils Jams State's Schools

A "BUMPER-CROP" of Michigan students greeted school administrators as classroom doors swung open to greet the proverbial "eager new pupils."

Farm Progress

Every schoolchild learns of the industrial revolution—a revolution that utterly transform man's way of manufacturing goods of every kind.

A Boston bank sums up what has occurred in a single century. One hundred years ago two-thirds of all the workers in this country devoted their efforts to producing our food and fiber.

This almost unbelievable change has been brought about by better farming tools and methods. Among them, mechanized farm equipment dominates.

The industrial revolution continues, with ever-improving tools and techniques. So, in exactly the same way, does the agricultural revolution, thanks to farm equipment and the other aids.

Worth Repeating

PARK CITY, UTAH, RECORD: "There is no out and dried formula for a country newspaper. . . . We know papers that seldom print pictures on Page One.

WAVERLY, VA. DISPATCH: "We were at a fellow's house recently who boasted that he never had taken hand or rod to this three year old son.

Northville Lodge, No. 186, F. & A. M. REGULAR MEETING Second Monday of each month JACK G. LISS, W.M. R. F. COOLMAN, Secretary

Books at Glance From Northville Wayne County Library

The warmth of that well-tended heating system is mighty welcome during these early fall evenings. So why not curl up next to the radiator—or the fireplace, if you prefer the old-fashioned atmosphere—with a good book.

NON-FICTION Ten Years of Holiday, from Holiday Magazine. The editors have chosen from their magazine the finest travel pieces written in the last decade.

Men of Power, by Albert Carr. An analysis of the pattern of dictatorship from Richelieu and Cromwell to Franco and Mao Tse-tung in terms of the men who rose to power.

FICTION Great Circle, by Robert Carse. A tale of the last great days of the sailing ship—a whaling voyage in the 1840's.

CHILDREN'S BOOKS Let's Visit Formosa, by John C. Caldwell. Many photographs illustrate this account of the island home of the Chinese.

Experiments in Space Travel, by Franklin M. Branley. This book assumes that space travel is inevitable—but its scientific approach differentiates between science and fiction.

His Problem: Floods, Mud, and Rats

A Novi township man whose back property has been turned into a huge rat- and snake-infested swamp six times this year has asked the governor of Michigan for assistance.

The problem, Parkinson says, is that two culverts under the new Farmington-Brighton expressway bed are inadequate to handle a natural creek running in back of his house.

Others, water will continue to back up year after year. And the two existing culverts will fill up with mud and slime, just as they are now clogged to within inches of the top.

With registered-letter receipts to back up his claims, Parkinson says he has had the following lack of results: In the spring was told the commission has no jurisdiction below 12 Mile road.

He contacted Novi township supervisor Frazer Staman who says told him the township has no control over the drainage problem in the Oakland county district (which he says as far as it is concerned, it is strictly a state problem.)

He contacted Novi township supervisor Frazer Staman who says told him the township has no control over the drainage problem in the Oakland county district (which he says as far as it is concerned, it is strictly a state problem.)

Novi Highlights

Mr. and Mrs. Aaron Oliver of Eleven Mile road and Mr. and Mrs. Whitney Hume of Oakwood were Sunday dinner guests of Mrs. Cora McDonald and Mrs. James Lambert.

Mr. and Mrs. Roy Schram returned home Monday from a six weeks trip through the Midwest states going as far as the coast and from there they made a trip into Mexico.

Mr. and Mrs. Howard Greer entertained their pinocchle club at their home on West Grand River Saturday evening. First prizes went to Mr. and Mrs. Russell Rice and second prizes to Mr. and Mrs. Al Gow.

Mr. and Mrs. George Kahrl celebrated her birthday Saturday at the home of her sister Mrs. Jean Oliver in Plymouth. Other sisters present were Mrs. Nellie Tibble of Northville and Mrs. Edward Behrendt of Meadowbrook Rd.

Mr. and Mrs. George Kahrl were Sunday dinner guests of their son and his wife, Mr. and Mrs. Jack Kahrl. The occasion was to celebrate the birthday of Mrs. Lydia Ebersole of Northville spent last week at the home of the George Kahrls in Wall Lake.

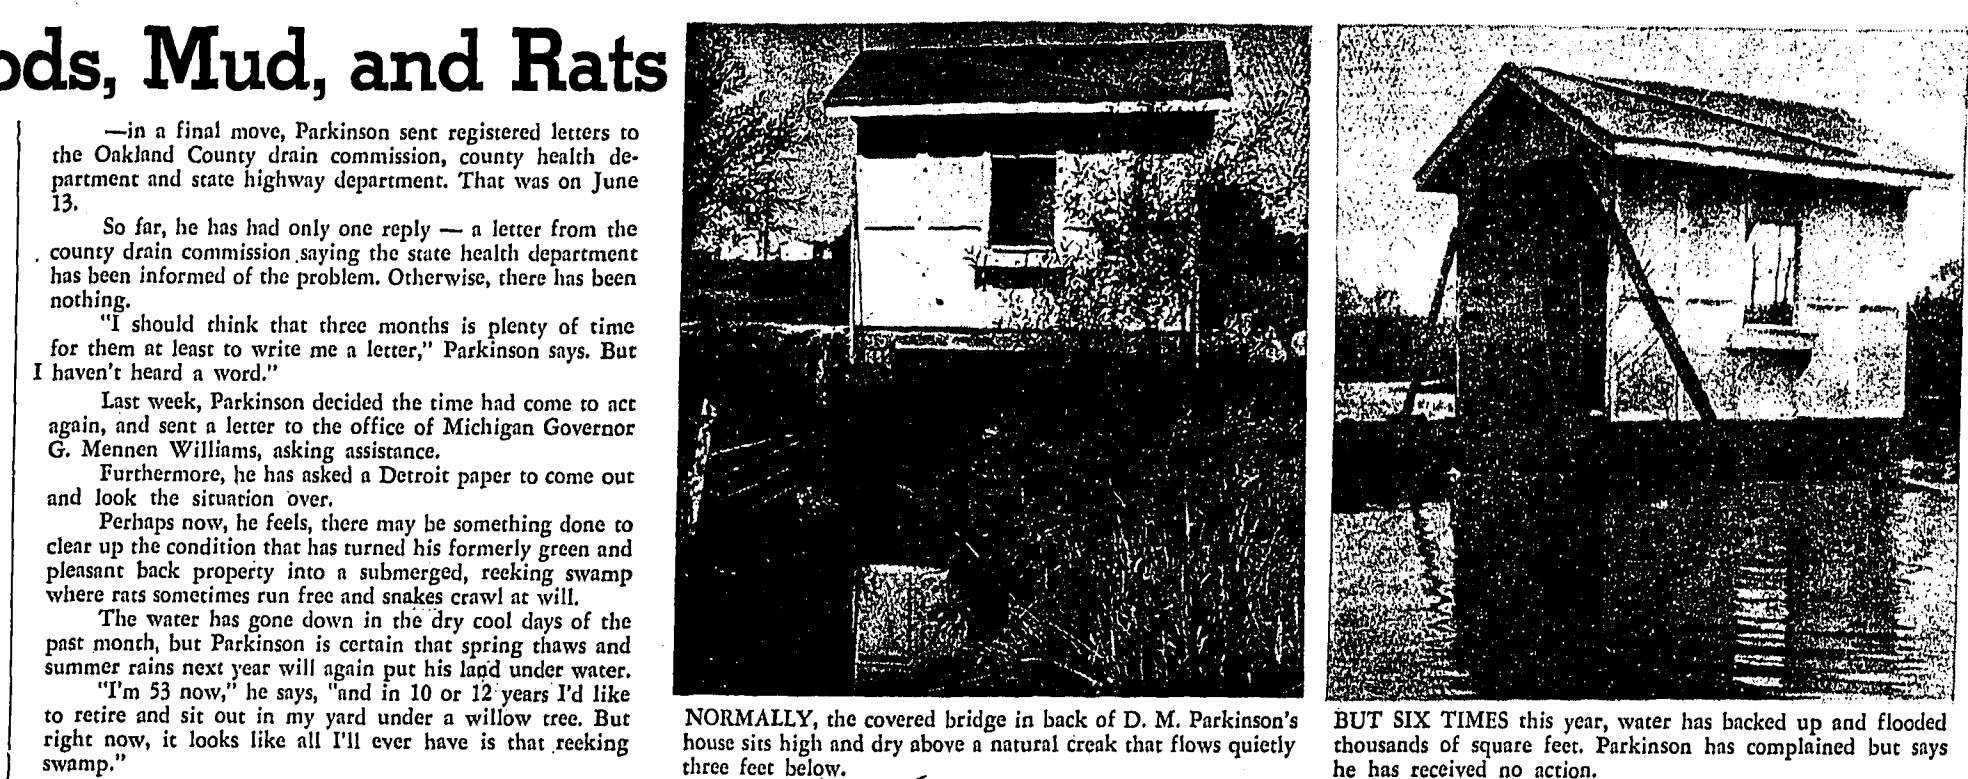

Mr. and Mrs. Floyd Darling spent the week end at Lewiston. They were guests of Mr. and Mrs. L. J. Putnam.

Mr. and Mrs. Donald Bingham and heavy duty new home, "Clarke" street this week. The Bingham's have two children, Coley and Robert.

Daphna Lyn, daughter of Mr. and Mrs. Andy Kozak celebrated her second birthday September 12 at the home of her mother, Mrs. Betty Kozak. Friends and neighborhood children attended.

Mr. and Mrs. Anthony Skeltis of Clark street will celebrate her second birthday on Friday of this week with a party.

Mrs. Marian Richards of Detroit was a Sunday visitor at the home of her sister, Mrs. Rex LaPlante.

NORMALLY, the covered bridge in back of D. M. Parkinson's house sits high and dry above a natural creek that flows quietly three feet below.

BUT SIX TIMES this year, water has backed up and flooded thousands of square feet. Parkinson has complained but says he has received no action.

THE NOVI NEWS Serving A Growing Community

Volume 2, Number 19, 16 Pages Novi, Michigan, Thursday, September 27, 1956 10c Per Copy, \$3.00 Per Year In Advance

Seek to Rezone Area for Track Site

Novi Group Forms Citizens Committee For Better Schools

A group of Novi township residents has formed a Citizens Committee for Better Schools, it was announced this week.

An organizational meeting of the committee was held September 19 at the home of Kenneth Bernard, treasurer of East Novi No. 2 school board.

Purpose of the group is to stimulate interest in community school problems and to provide a means of finding and offering solutions to such problems, a spokesman said.

The petition for the consolidation of four Novi township school districts has been submitted to the county school superintendent and that an election on the matter will be called next month.

It was urged that all members embark on a "get out the vote" campaign for the election.

The committee will meet again October 1 at 8 p.m. at the Novi Community Building. All interested persons in the area have been invited to attend.

4-H Club Formed In Novi Township

A new 4-H club, to be known as "Ivory Novi", was formed recently by a group of Novi township youths.

Members met September 15 and elected Miss Luana Darnell as president and reporter and Miss Ann Thamm as secretary-treasurer. The group is sponsored by Miss Sue Tobin.

Projects for the 4-Hers will range from cooking and making clothing to electrical projects and handicrafts. The projects will be exhibited at an achievement day in April.

Opposition Is Voiced By Public

Public opposition to the possibility of a race track in Novi township loomed larger than ever this week.

A group of 30 Willowbrook Village and other Novi township residents met Tuesday evening and denounced outright any steps that would lead to a track in the township.

That meeting followed by two weeks a similar meeting in which some 70 township residents signed a published statement that condemned any move toward establishing a track.

The three-hour meeting, held at the home of Democratic delegate Sylvia Klerx, included surprise visits by Novi Treasurer Charles Trickey who reportedly came as an interested party.

Trickey, according to length by township residents as to what steps have been taken to date. Trickey replied that he knows nothing more than the residents themselves, Mrs. Klerx said.

Asked if the overall tone of the meeting was in opposition to the race track, Mrs. Klerx said, "Absolutely."

"The problem now," she said, "is that we can't find out what has been done or what is under consideration. Consequently, we don't know what steps to take to express our opposition."

"All we hear is rumors," she continued, "and rumors aren't sufficient evidence for any sort of strong protest."

Mrs. Klerx said that township residents who are opposed to a possible track have inquired both officially and unofficially as to the status of a track, but that no reliable information has yet been gained.

"To complicate matters," she said, "we have been told that one can file any sort of petition until some action is taken. Yet we don't know what action is being taken, and apparently will not be able to find out until it happens."

Mrs. Klerx added, however, that she would not be surprised if a track were almost certain to move strongly if and when they are given the opportunity.

"Whether it's a public meeting or a matter of signing petitions, we should be kept in the know on this matter as far as we legally can," she stated.

Plan No Legal Action If Track Proposal Blocked

"There will be no legal fight if our request for rezoning to establish a race track in Novi township is turned down."

This statement, breaking the silence that has surrounded official description of the rumored race track plan, was made to The News Wednesday by George Kovacs, president of General Machine & Tool Works of Wall Lake.

He named George Lightner and Bram Gregoris as partners in the project that would cost "at least five and one-half million dollars."

Kovacs told The News that should the Novi township zoning board fail to designate the area under consideration as M-3, then his group will look elsewhere. "We proved this by pulling out of Farmington," Kovacs pointed out.

He outlined a plan for an ultra-modern track and recreation area that would include a canopy-covered to enclose the track and infield to allow sports activities in all kinds of weather.

"Recreational areas for children plus multiple sports facilities inside the track infield will be provided," he stated.

A resident of Novi for 40 years, Kovacs emphasized to The News that "we want to be welcome, or we won't come" to Novi. He stated that many years of planning had gone into the project and that he had become interested after others had laid the groundwork.

According to Township Supervisor Frazer Staman, the request for rezoning came from a three-man syndicate which seeks to develop a large tract of land north of Grand River from M-1 (light industry) to M-3 (heavy industry).

"The land lies between Grand River and 11 Mile road, and between Meadowbrook and Seely roads."

Staman explained that it was found recently that M-3 zoning will not permit establishment of a track and in the township rezoning Monday night at the regular monthly meeting of the township zoning board.

Staman explained that it was found recently that M-3 zoning will not permit establishment of a track and in the township rezoning Monday night at the regular monthly meeting of the township zoning board.

October 19 Hearing Set By Board

The Novi township zoning board soon will consider a zoning change that would permit the establishment of a multi-million dollar race track and sports place in the township.

The board will hold a public hearing October 19 on a request to rezone a large tract of land north of Grand River from M-1 (light industry) to M-3 (heavy industry).

The land lies between Grand River and 11 Mile road, and between Meadowbrook and Seely roads.

Recreational areas for children plus multiple sports facilities inside the track infield will be provided," he stated.

Richard Willis and Bride Honeymoon at Niagara Falls

The Outer Drive United Presbyterian church in Detroit was the scene of nuptials uniting in marriage Averill Ann Wing, the daughter of Mr. and Mrs. Avery

Wing of 1920 Litchfield street, Detroit, and Richard Willis, son of James Willis of 12101 Cardwell, Livonia, at 8 o'clock Friday evening, September 21.

More Students . . .

We missed a few college students last week—and have heard that Bob Heslip and Lillian Mair are returning to MSU; Norman Romers to Ferris Institute in Big Rapids and Pat Benjamin to Bob Jones university in Greenville, South Carolina.

Given in marriage by her father, the bride wore a satin, floor-length gown with lace embroidery edging the square neckline and wrist-point sleeves. The full skirt swept into a chapel-length train. Her fingertip veil of illusion was caught by a crown of rhinestones and seepers. The bride carried a bouquet of white

roses surrounded with stephanotis.

Chrysanthemums, palms and gladioli decorated the church altar for the rites. Selections on the church organ preceded the ceremony which was officiated by the Reverend C. Downey.

Betty Wing was her sister's maid of honor and wore a cullilian blue velvet dress of princess lines with off-shoulder neckline. Her flowers were yellow and white carnations.

Carol Wiles and Rosemarie Willis, bridesmaids, were also dressed in cullilian blue velvet of identical styling.

Assisting the bridegroom as best man was Robert Shock, while ushers were Marion Kwak, William King and Gilbert Black.

Mrs. Wing selected a cullilian blue satin sheath dress with matching hat and shoes for her

daughter's wedding. Mrs. Willis chose a princess-styled dress of pink brocaded taffeta with scalloped neckline and black accessory accents. Both wore white orchid corsages.

Approximately 200 attended the reception held in the church parlors following the wedding ceremony. The out-of-town guests list included those from Walled Lake, Wayne, Dearborn, Jackson, Somerset and Detroit.

For going-away, the bride changed to a navy blue sheath dress trimmed in white with red accessories. A trip to Niagara Falls and the eastern states was planned for the honeymoon.

The bride is a graduate of Mumford high school, Detroit, while her husband graduated from Northville high school. Both attended Alma college.

The couple will reside in Detroit.

Mr. and Mrs. Richard Willis

OLV To Plan Holiday Party

Mrs. Lewis W. Alexander, president of Our Lady of Victory Holiday House party, has announced a workshop meeting for the annual Holiday House party. The meeting will be at 8:30 p.m., Tuesday, October 2 in the Church Hall.

Mrs. Hugh G. Godfrey, Holiday House party general chairman, has asked that members be prepared to discuss and display, unusual articles or plans for the November 23 affair.

Arrangements for the workshop meeting will be handled by Mrs. Alfred Bush, Mrs. L. G. Byrd, Mrs. Patrick Carroll, Mrs. Edward Cheesman, Mrs. Joseph Kruppi and Mrs. Joseph Dunnabick.

John Gotlow, formerly of Fry road, is still at Mt. Sinai hospital in Detroit, where he's been since August 8. He expects to be able to be home soon.

BPW Past President Interviewed on Radio

Mrs. Bea Carlson, first president of the Northville Business and Professional Women's club, and Mrs. Florence Frostie, chairman of the Committee for Program Coordination for the state of Michigan, appeared as interview guests on WJL's "Topic for Today" program Wednesday, September 25.

With Jim Garrett as moderator, Mrs. Carlson and Mrs. Frostie discussed issues pertaining to the Business and Professional Women's Federation. Their participation on the program was arranged through the Public Affairs committee of the Northville BPW.

Mr. and Mrs. Howard Fuller of Seven Mile road just returned from their vacation in New Orleans and Texas. On the trip they visited Mr. Fuller's brother, G. H. Fuller.

Walter Gales To Celebrate Golden Wedding

On Wednesday, September 26, the Walter Gales of Ypsilanti, formerly of this vicinity, celebrated their 50th wedding anniversary.

Mr. Gales was born December 2, 1881 in Superior township, and Mrs. Gales in Salem township on September 20, 1880.

They were married in Salem township in 1908 and lived on a farm in Plymouth until 1917 when they moved to another farm in Superior township.

The Gales have been Grange members for 45 years and are also members of the First Methodist church in Ypsilanti.

The couple has six children: Mrs. Leona Meeks, Clinton; Curtis, Mrs. Hiltsdale; Mrs. Leona Gardner, Ypsilanti; Walter Edwin, Farmington; Lawrence, Pontiac; and Mrs. Edith Hansen, Whitaker.

Mr. Gales will hold an open house at their home, 115 East Ainsworth, Ypsilanti, Sunday, September 30 from two to six o'clock. There will be no written invitations mailed, but all friends and relatives are here invited to drop in.

Wayne Professor To Address Woman's Club

Dr. Margaret Sterne of Wayne university will be the speaker at the opening luncheon of the Northville Woman's club at Meadowbrook Country club October 5 at 12:30 p.m.

Dr. Sterne is assistant professor of history and has taught in Europe under a Fulbright scholarship. Her subject will be "Are European Women Different?"

The opening meeting of the club will honor past presidents and life members.

Miss Jean Purdy of Lathrop, Michigan, will provide music for the meeting. Miss Purdy was a winner of the Belle Isle Audition, has been a soloist with the Detroit Symphony, and is now studying to appear with an opera company in Italy.

Mrs. William Horsfall and her niece, Mrs. Everett McGray, of Walled Lake, left for Bay City Tuesday to visit Mrs. Horsfall's niece, who is seriously ill.

Carol Lemon Weds Joseph Forgette

Miss Carol V. Lemon, daughter of Mr. and Mrs. John Lemon of South Rogers street, was married last Saturday to Joseph Forgette, son of Mr. and Mrs. Arthur Forgette of Farmington.

The bride was gowned in white net over taffeta, and wore a lace jacket. Her veil was fingertip length, and she carried white carnations.

Gowned in dress of net over taffeta were maid of honor Bessie Janet Lemon, in teal blue, and bridesmaids Janet Jones of Walled Lake in yellow and Joan Lemon in baby blue.

The flower girl, Linda Lemon, wore pink.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."
—Samuel Johnson

Mr. and Mrs. Kermit Brooks of South Rogers street with their daughters, Veronica and Kay

Hobbies are one of the best ways of relaxing there is—and the members of the Kermit Brooks family, 724 Horton street, all have enjoyable activities with which to spend their spare hours.

Mr. and Mrs. Brooks and daughters, Kay and Veronica, have been living here for about a month now. They moved here from Newberry, Michigan, leaving 17-year old Roger with an aunt and uncle so that he could finish his last year of high school.

But those leisure hours are few for both—who are employed at the state hospital—he in the maintenance department and she as an attendant nurse.

News Around Northville

The Get-Together club will meet this evening at 8 o'clock at the home of Mrs. W. L. Howard on Eight Mile road last Wednesday.

Dr. and Mrs. W. L. Howard were hosts last week to Dr. and Mrs. David Gray of Melbourne, Australia. After visiting Maybury Sanatorium in Northville, Dr. and Mrs. Gray left for Rockefeller institute in New York where he will continue his six month visit to the United States for scientific research.

Mr. and Mrs. A. Russell Clarke of Fairbrook street, took their son, John, to Rutgers university in New Jersey last week and visited relatives on the trip.

Obie Butler of Neeson street is now recovering in University hospital, Ann Arbor, from a recent attack of pneumonia.

BIRTHS

A son, Steven Allan, was born September 15 to Mr. and Mrs. Frank J. Dr. of Carpenter street. He was born at New Grace hospital. There are two members of the Heintz family with the same birthday now—Mr. Heintz was also born September 15.

King's Daughters Meeting Changed

The King's Daughters will meet October 9 at the home of Mrs. William Walker, 3900 East Eight Mile road, at 12:30 p.m., instead of October 2.

The bride's mother wore a brown taffeta gown with beige accessories. Her flowers were carnations, as were those of the bridegroom, who wore a turquoise dress with black accessories.

Twenty-five guests attended the wedding breakfast, and 150 were present for the reception. For traveling the bride wore a grey linen suit with black accessories.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Fresh peaches and pears are still available for home canning, but instead of canning them plain, Mrs. Howard Atwood of High street suggests that you try this fruit cocktail.

FRUIT COCKTAIL
1 peck peaches (sliced)
1 peck pears
2 large cans pineapple (chunk)
2 large cans apricots (sliced)
2 pounds white grapes
1 pint maraschino cherries (optional)
6 cups sugar
Use juice from fruit and 3 quarts water.

Cook pears and peaches separately, then combine with other fruit and cook all together. Seal in jars.
Unless a large quantity is desired, one half of the recipe is sufficient.

Minutes of the Board of Education

September 14, 1956 The meeting was called to order at 7:40 p.m. by Mr. Shafer, president and vice-president.

Present: Mr. Shafer, Mr. Severance, Mr. Clark, Mrs. Schrader (came at 7:50).

Absent: Mr. Coolman. Others Present: Mr. Ellison, Mr. Smith, Mr. Kay, Mr. Mason, various parents, Mr. Webb of the Northville Record, Mr. Frank Lodge of aerial map company.

Mr. Severance moved that the reading of the minutes be dispensed with and that the minutes be accepted as published in the paper. Mr. Clark supported. Motion carried.

Communications: 1. Several verbal complaints from parents affected by the Board's decision of not to transport children living within one mile of the school.

2. Elmer M. Smith Associates, re defective boilers at Amerman School. The Willis Company, who made the boiler, has instructed

Mr. Shafer to proceed with re-rolling the leaking tubes. The Willis Co. has also advised Orr & Sembower that the owner will pay for the repairs, inasmuch as there is some doubt as to the guarantee period.

3. The Fidelity and Casualty Co. of New York, report on their inspection of the school boilers for insurance purposes. The steam boiler and water heaters were found to be in satisfactory condition.

Superintendent's Report: 1. Enrollment figures as of today: 923 in the Grade Schools, a decrease of 28 under last year at this time; 728 in the high school, an increase of 71 over last year.

2. East Novi's special millage election to provide funds to pay their tuition will at Northville passed overwhelmingly.

3. Special Education program at Wayne County Training School, Progressing — Have run into a problem on financing and this is being worked out by C. E. Brake.

4. Tree at Amerman School, M.S.U. cannot help but Mrs. Geraci has taken on the project of landscaping and planting of trees.

5. Mary Jean Madigan - tuition at Rackham School in Ypsilanti. State will reimburse us for board, room and tuition under special education act.

6. M.A.S.A. conference at MacKinnon Island 9-25-56. Mr. Clark moved that Mr. Amerman be sent to this convention, Mrs. Amerman accompany him, all expenses be paid. Mr. Shafer supported. Motion carried.

Unfinished Business: 1. New High School — Mr. Ellison briefed the board on the progress being made on specifications for the new high school as follows:

A. Minimum of 850 sq. ft. per classroom

B. Have visited several high schools to check on science needs, auditoriums, cafeterias, home economics, shop and other special facilities.

Board then considered total enrollment figures for 1960, and moved to be levied for construction and site purposes and other aspects of the total school needs.

New Business: 1. The problem of parents whose children are deprived of bus-riding privileges because they live within one mile of the school was taken up first by the Board and then by Mr. Shafer.

Mr. Shafer reported that he had given an opportunity to explain the difficulties of their position. In most cases the hardship to the children is due to traffic hazards existing in the areas in which they live. Various solutions to these problems were discussed.

It was agreed that parents in the areas affected would assume the responsibility of providing either transportation for their children. Mr. Ellison will assist.

2. Frank Lodge appeared before the Board and moved to give the Board a price of \$400 on an aerial survey map of the school district. The Board decided to table this matter for the present.

3. Transportation Director: Mr. Amerman proposed a straight salary for Mr. Ellison of \$1,000, for which we can be reimbursed by the state, with no extra compensation for driving. Mr. Severance moved that this plan be adopted. Mr. Shafer supported. Motion carried.

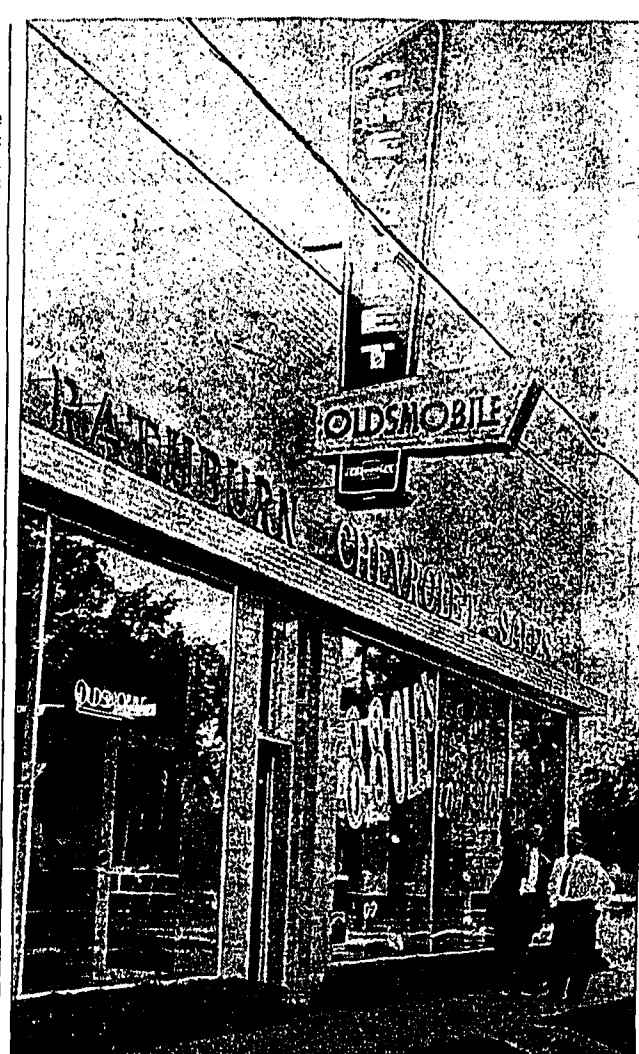

4. Mr. Littell reported that he has engaged the firm of Van Dusen & Van Dusen, Detroit, Mich., to survey the proposed site for the new high school. Cost of this appraisal will be approximately \$840. Mr. Littell also briefed the board on his conferences with Mr. Perry Manning relative to the purchase of the site. In the interest of time and other factors it was moved by Mr. Severance that Mr. Littell be authorized to investigate condemnation proceedings at his discretion in negotiating for the school site. Mr. Shafer moved that an additional seven (7) acres on the Northwest corner of the property also be included to provide access to "T" Rd. Second by Mr. Clark. Carried.

5. Insurance on Driver Training: Mr. Clark moved that the Superintendent be authorized to buy insurance on this equipment up to standard. Mr. Shafer supported. Motion carried.

Treasurer's Report: Mr. Shafer moved that the treasurer's report be accepted and bills and payrolls be paid. Mr. Clark supported. Motion carried.

Adjournment: Mr. Clark moved the meeting be adjourned at 12:10 a.m. Mr. Shafer supported. Motion carried.

R. H. Shafer, Secretary

Readers Speak Up! Seeks Transportation For School Children

The last issue of The Northville Record contained a front page article concerning the existing school bus problem.

It is history that the Citizens' Committee, I would like to present the parent's view on the matter.

Today, it seems, open stretches of roads just invite a bit more pressure on the gas pedal, and everyone is on their own.

Another bus owner gave our committee-man the ridiculous price of \$108.00 for the same service, for the same average family, two trips per day.

Each Mother must send her children to school each day, not knowing his or her fate.

Mustangs Finally Taste Revenge in 6-0 Triumph over Howell

Northville Halts HHS Streak In Brusy Defensive Game

Revenge came sweetly for the Northville Mustangs last Friday night as they dumped a highly-regarded Howell team 6-0 to hand the upstate griders their first loss in 12 games.

Last year, Howell beat Northville 7-0 on a fluke pass interception and went on to an undefeated, unscathed season.

Northville's victory Friday night was far from a fluke, however, as the Mustangs outplayed Howell in every offensive and defensive department. Only in the third quarter did Howell give Northville a few uneasy moments.

The game's lone score resulted from a second quarter Howell fumble on its own 25 yard line. Quarterback Bud Bell ran for five yards and passed to end Bill Yahnke for 20. Left half Dick Bieri then crashed through tackle for the touchdown.

A Bell-to-Yahnke pass for the extra point fell incomplete, however.

Statistically, the Mustangs rolled up 210 yards on offense as against 124 for Howell. Northville completed six of 14 passes, while Howell let all but two of 15 passes fall dead.

As against Plymouth, fullback Gary Holman called a smooth set of signals, mixing passes and running plays to give Northville an effective ground and air attack.

Big gun for the Mustangs was Bieri who ran steadily for 78 yards in 18 carries and scored

Scoring

two passes for a total of 39 yards.

Bell, who seems to have answered Coach Ron Schipper's worries at quarterback, once again came through as a passer, completing six tosses for 98 yards.

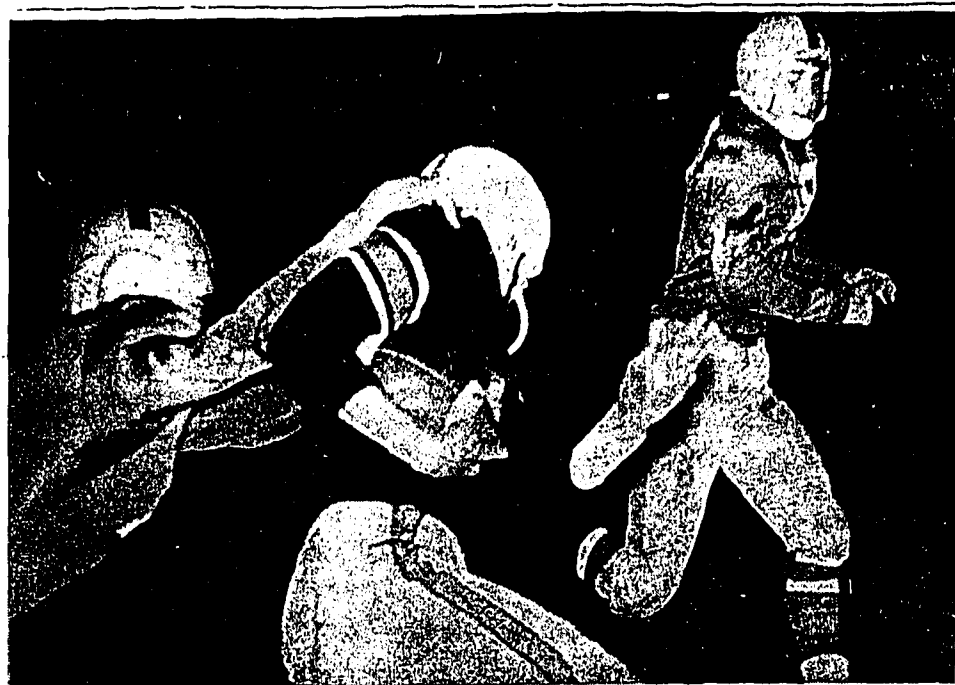

Three passes went to Yahnke, who now has hauled in a total of five passes for 120 yards to rank behind Bell as the Mustangs' leading ground gainer.

But the real story of the game was in the line, where two huge forward walls crashed against each other repeatedly and turned the affair into primarily a defensive contest.

For Northville, 235-pound center Bob Wagenschütz consistently bottled up Howell attacks and helped make holes through which Mustang runners scooted easily.

"The defensive play in this game was as good as I've ever seen in high school football," said Schipper.

Upon the exception of Northville's touchdown, most of the first half was played between the 30-yard lines. Neither team could

OFF AND RUNNING—Northville left half Dick Bieri slips away from a Howell tackler as he moves for 15 yards in Friday night's game. Moments later, Bieri scored from the 5 to give Northville a 6-0 victory and snap Howell's win streak at 11.

Cap's Injury Improves Mustang-Rock Relations

Though no one would wish for a recurrence, the unfortunate injury to Northville end "Cap" Peters two weeks ago has apparently had at least one beneficial result.

According to Northville Athletic Director Al Jones, the injury has brought Mustang-Plymouth relations to a new high of respect and friendship.

Peters, whose leg was broken by a Plymouth blocker in a game two weeks ago, is still in the hospital, where doctors say he is progressing well.

Among his most frequent visitors since the game have been members of the Rock team and their coaches. Last week, Plymouth Coach Mike Hoben and Athletic Director John Sandmann stopped at the hospital and gave Cap a sports encyclopedia on behalf of the team.

"And that's only one sign of the new harmony between the schools," Jones said. "The Plymouth coaches have called us from time to time to see how Cap is, and they have even offered us movies of the game to use in our training," he added.

W-O Standings

With only two Wayne-Oakland League games played so far this season, Milford and Howell lead the standings with one victory each.

Milford dropped Clarenceville, 18-13, and Brighton took Gladstone, 6-0. Both scores were regarded as "surprises" by observers.

Northville opens W-O League play, this Friday against Milford.

Northville Man Has First Hole-In-One

A Northville man who has been playing golf for 25 years made his first hole-in-one last week.

Douglas Bahay, 4309 West Six Mile, scored the 130-yard fourth hole at Northville Golf course on September 18. He used a nine iron.

Bathie, president of Bathie Manufacturing company of Plymouth, had a 38 for nine holes.

His foursome included his father, Luke Bathie, founder of the company; Einar Larsen, vice-president, and Glenn Steele, chief engineer.

Registration Notice

FOR THE

General Election

TUESDAY, NOVEMBER 6, 1956

TO THE QUALIFIED ELECTORS OF THE CITY OF NORTHVILLE, Counties of Oakland and Wayne, Michigan.

Pursuant to the "Michigan Election Laws", PLEASE TAKE NOTICE that the office of the City Clerk, 102 S. Wing St., Northville, Michigan, will be open daily from 9:00 A.M. to 5:00 P.M. Monday through Friday and on Saturday from 9:00 A.M. to 12:00 noon.

NOTICE IS HEREBY GIVEN THAT I WILL BE IN MY OFFICE Saturday, October 6th, 1956 and MONDAY, OCTOBER 8th, 1956, THE LAST DAY FOR REGISTRATION, from 8:00 o'clock A.M. to 8:00 o'clock P.M. on said day for the purpose of reviewing the Registration and Registering such of the qualified electors as shall properly apply therefor.

PLEASE NOTE THAT MONDAY, OCTOBER 8, 1956, at 8:00 o'clock P.M. IS THE DEADLINE FOR REGISTERING FOR SAID ELECTION.

(signed) MARY ALEXANDER, City Clerk

Dated September 24th, 1956

WINNER OF BRAE-BURN'S Northville-Plymouth city golf tournament Sunday was Elton McAllister, center, shown receiving the championship trophy from Jerry Walsh, tournament manager. Looking on (left to right) are Roy McLeod, third flight winner, and Northville's Bob Morse (far right), winner in first flight competition. Al Jones, also of Northville, won second flight honors, but was unable to attend the awards' ceremonies.

Morse, Jones Win, Too Elton McAllister Tops Golfers At Brae-Burn City Tourney

Winning golf championships is strictly a family affair for the McAllisters of Plymouth.

When the final putt was dropped in the Northville-Plymouth city golf championship at Brae-Burn Sunday, Defending Champion Elton McAllister was still clutching the winner's trophy—but he was holding it for his brother, Elton.

Shooting steady, middle-of-the-fairway golfer, the smallest of the golfing McAllister brothers stood off a threat by sharp-shooting Tom Lock to come in winner by two strokes.

Lock and McAllister, playing in the same threesome, started the final 18 holes just three strokes apart. Matching shot for shot, McAllister failed to give ground scoring a safe 76 to Lock's 74.

Caddying for his brother, the defending champion was far off form and decided not to play the final round.

Northville golfers won top honors in two of the other three flights. Bob Morse turned in fine rounds of 83-84 to take first flight laurels. Sudden death play-offs will be conducted Saturday to determine both second and third places in the first flight. Tied are Emery Kimball and Russ Egloff, and Harold Wilson and Lynn Mitzen.

Northville's Athletic Director Al Jones shot sparkling golf Sunday to run away with second flight honors. Jones shot a 70 to go with an earlier 65. Chris Collins, Craig Rockett and Doug Blank finished behind Jones. Third flight winners were Roy McLeod, Bud Garchow, Doug McLaren and Lester Wick.

In addition to individual trophies, the winners shared more than \$400 in golf prizes. A special winners' banquet followed the tournament in the club house. Tournament Manager Jerry Walsh acted as toastmaster, while Bill Farwell presented the awards.

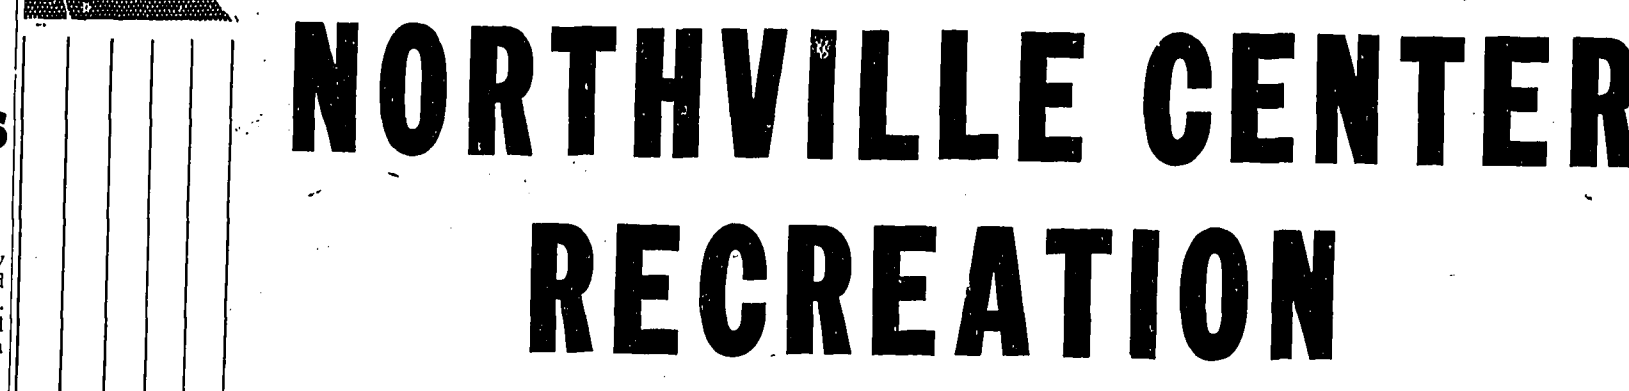

The tournament proved to be an exceptionally well-run affair, which, coupled with the fine condition of the course, made the event one of the most successful staged in recent years.

A new "inner car" gives you a NEW KIND of FORD for 1957! Coming October 3rd

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car really new in design from crest to trunk lock. This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because... This is Where Tomorrow Starts... with a Big New Kind of Ford!

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, high-beat hearted ride—a car is responsive, nimble, agile, with a proud easy movement through traffic and away to the head of the turnpike.

The New Ford Choice

Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

The New Ford Performance

If you're a bug on horsepower and like it big, the new Silver Anniversary V8's are for you. You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor. It's the honey of them all.

For "six" lovers, we've got a beauty, too—the 144hp Mileage Maker Six. Whether you choose six or V8, the going is great!

Here is where your own tomorrow starts

It starts at the nearest Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

They will be standing still on the floor—but they will seem to be moving for they have a quicksilver kind of beauty that just doesn't stand still.

Every line has a "machined rightness" to it, the sharp clear-cut stamp of beauty wrapped around power.

These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

1957 came early this year.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

High School News

NHS Begins Year by Electing Class Officers

With a new year getting underway at Northville high school, students recently elected full slates of class officers to lead them through the wide variety of activities that will fill many hours during the next nine months.

New class officers are:

Senior Class: president, Harry Watson; vice-president, Wanda White; secretary, Betty Wilson; treasurer, Gary Holman; and sponsor, Edward Moltena and Hossie Lee.

Junior Class: president, Dick Sluber; vice-president, Bill Yahn; secretary, Mary Hill; treasurer, Eddie Wittenberg; and sponsors, Al Jones and Donald Van Ing.

Sophomore Class: president, Bob Neimi; vice-president, Fred Schwarz; secretary, Jean Mack; treasurer, Jim Strang; and sponsors, Ronald Schipper and Clarence Mason.

Freshman officers will be elected soon.

Northville Graduate Begins Fresh Year

Among students beginning freshman studies last week at Kalamazoo college in Kalamazoo was Lance E. Molander of Northville.

He is the son of Mr. and Mrs. Norris J. Molander, 53633 Nine Mile road.

The school year opened with a campus orientation period and a special convocation that was followed by a reception for new students and their parents. Classes began last Friday.

Forensic Club Offers Dramatic Experience

Drama and the theatre! These two words are the magic key to a world of lovely fantasy.

It is a broad-based world in which the individual struggles and sweats to make a success of the starring role, or the most insignificant little place of stage business.

N-Club Established For Letter Winners

To become a member of the N-Club students must have earned a varsity letter in any of the six major sports which Northville has to offer. New members must also go through a two-day initiation requirement.

The N-Club elects a president, secretary and treasurer, who handle all the business brought into the club.

At the end of each football season the N-Club sponsors a queen contest, in which one of the local high school girls are chosen through a vote of the students.

Some of the activities of the club are going to hockey and baseball games during the school year. They also have pot-luck dinners for themselves, in which the gym is at their use.

Pep Club Helps Stimulate the School Spirit and Loyalty

What is it that strengthens school spirit and loyalty? What makes kids go out on a cold, rainy November night to cheer a muddy team to victory?

Why, it's pep, of course! And what better way to keep a study hall? Such a sign will be school full of enthusiasm than to have a Pep club residing within its realms?

Northville high school is fortunate in having a Pep club whose sole existence is for the preservation and betterment of that virtue called "stick togetherness".

This year, the club, under the co-direction of Miss Florence Dorrian and Alvin Skow, started off with a bang, or rather cheer! Pep club members began the season with the erection of a huge, catchy slogan-sign in the elevated every Thursday night after school. In addition a special committee is assigned weekly to plan skits for the Friday pep rallies.

Another objective of the club

Editor's Note

With a new school year now in full swing, the Record this week resumes publication of a full page of news devoted to activities of the more than 700 students at Northville high.

To paraphrase some famous words, the page will be "of the students, by the students and for the students."

It will cover everything from club activities to features on interesting experiences. It may include an occasional editorial. All in all, it will keep the students up-to-date on what is happening around their school.

Material for this page was written by Nancy Morrison, Judy Leavenworth and Emille Seguin. By next week, those and other students — primarily from the speech classes of Miss Florence Panatoni — will have organized a staff and chose a name for the page.

From then on, they will be on their own — with an assist from Record staffers. They will write stories, create headlines, take pictures and possibly even do the makeup. They will have "beats" to cover. And some even will be designated as editors.

It is thus hoped that the school page not only will help inform students, parents and townpeople of happenings at NHS, but that it also will give students a deeper insight into the field of journalism.

FTA Encourages Students To Prepare for Teaching

The purpose of the Future Teachers of America is to provide organization in which young people planning to go into teaching may meet in a group for fellowship and for the encouragement of the desire for the teaching profession.

Also, it develops leadership and a professional attitude among all young people interested in becoming teachers. A third principle of FTA is to encourage careful selection of persons admitted to clubs which prepare teachers, with emphasis on both character and scholastics.

Its many activities include cadet teaching, guest speakers, movies of great value, visits and trips. Another activity is the money-making projects for a \$200 scholarship which is given to a deserving senior who has been an FTA member for at least a year. One project planned for this year is a dance scheduled for October 5. FTA is also planning to sell Christmas cards.

Besides learning how to develop pictures, the students pick up many other useful pointers. Mr. Reimer, himself a rabid camera fan, teaches the whys and wherefores of photography.

Many students are interested in photography but feel they cannot participate in such a club because the expense would be too great. But dues and other fees are no different from those of any other club and Mr. Reimer is willing to loan or help a student obtain a camera cheaply if that student expresses a sincere desire to do so.

In the very near future, the club will be meeting to start the year rolling on its way. Morning bulletins will give the time and place.

Photography Club Is Just the Thing For Camera Bugs

Every year, there flows forth from the dark depths of Russell Reimer's developing room a small but able number of "camera bugs".

These "bugs" are seen every where snapping pictures of anything and everything. After the fun of taking the pictures, the members develop them in the dark room.

Besides learning how to develop pictures, the students pick up many other useful pointers. Mr. Reimer, himself a rabid camera fan, teaches the whys and wherefores of photography.

Many students are interested in photography but feel they cannot participate in such a club because the expense would be too great. But dues and other fees are no different from those of any other club and Mr. Reimer is willing to loan or help a student obtain a camera cheaply if that student expresses a sincere desire to do so.

In the very near future, the club will be meeting to start the year rolling on its way. Morning bulletins will give the time and place.

Business Students Requested to Join Commercial Club

The Commercial Club was designed for the purpose of furthering students' interest in the commercial world. The one requirement for joining this organization is that a person belong to a commercial class, which includes typing, bookkeeping or shorthand.

Meetings are held twice a month with dues of 50 cents a semester. Last year, the club took trips to the Burroughs Corporation and the Detroit Bank. Even more is in store for this year.

Miss Mary Giltner is the club's sponsor. A meeting will be called soon and all persons interested in joining are welcome to attend. New officers probably will be elected at this meeting.

Students should check up on subjects and see if they have a commercial class among them. If so, they are eligible to join this interesting and instructive organization.

Band Has Annual Tryouts; Head Majorette is Chosen

The Northville high school and community band is holding its annual tryouts in all sections of the band.

The French horn section had tryouts last week. Don Gardner was selected to play solo chair; Betsy Merriam, second chair; Priscilla Clark, third chair; Marrian King, fourth chair, and Dorothy Sutherland and Steve Willis, assistants.

The judges were Janice Howarth, bassoon player; Judy Leavenworth, cornet player; Mike Willis, trombone player; Ed Proctor, bass player and Dewey Gardner, baritone player.

The majorettes held tryouts for head majorette last week. Sandy Caty was selected to be the head majorette for the remainder of the marching season. The band as a whole was chosen to judge. The four contestants were Elsa Cause, Sandy Caty, Jay Ann Whitteberg and Alice Sutton.

The band will march this Friday at Millford under the whistle guidance of Sandy and her assistants.

Newly Established Thespian Club Furthers Dramatics

Newly established in Northville high school, the National Thespian Society, is a non-profit, non-social dramatics club connected with the Forensic club.

It differs from Forensics in that it is devoted to the further advancement of dramatics. To become a member of Thespian, one must be or have been a member of Forensics, and must have earned a certain number of required points through active participation in dramatics.

A highlight of the club is that one can obtain the privilege of becoming a life member for the sum of \$1.50. From this, a year's subscription to the National Thespian Dramatics magazine is also received.

The society's meetings are conventionally timed to follow the bi-weekly meeting of Forensics. Like Forensics, the club is sponsored by Miss Florence Panatoni.

The officers are Bernhard Mueller, president; Suzanne Dewbury, vice-president; Dorothy Welch, secretary, and Nancy Lawrence, treasurer.

There are many sports presented to girls who are interested, including basketball, speedball, volleyball, tennis, baseball and bowling.

Upon joining the club, a girl is required to make a certain number of credits before becoming a full-fledged member. Girls interested in joining should see the sponsor, Miss Patricia Buhle, or the vice-president, Elsa Cause.

High Sports Ideals Fostered by G.A.L.

The one requirement for the Girls Athletic League is to have a C or above average. The purpose of the club, known as G.A.L., is to foster good sportsmanship among the girls while participating in activities.

As mayor, Janice heads the student council at its Tuesday meetings and acts as a liaison between the student body and faculty. In addition, she works with Assistant Principal Fred Stefanski in solving school problems, helps run refreshment booths at athletic events, and attends the bi-weekly meetings of the Wayne Oakland League student council.

But her activities don't end there. Janice also plays bassoon in the school band, switches to drums for football games, and is a member of several clubs in the community.

Being an officer is nothing new for Janice. Right now, she serves as president of the Future Teachers of America — the same post she held as a junior. And in previous years, she held positions as secretary and vice-president.

Students should check up on subjects and see if they have a commercial class among them. If so, they are eligible to join this interesting and instructive organization.

PUTTING THEIR HEADS TOGETHER to solve a knotty school problem at Northville high school are Janice Howarth, student council mayor, and Assistant Principal Fred Stefanski. Janice is the first lady mayor in more than 20 years.

Lady Mayor Is the First In Many, Many a Moon

Those who advocate a woman for president have only to look to Northville high school for ammunition for their attack, for there they'll find a young woman who can handle a gavel as effectively as any male in the school.

She's Janice Howarth, a bright-eyed senior who now serves as the first "lady mayor" of the school since . . . well, no one is quite certain how long it's been.

Janice, 17, was elected to the office last spring and is now fully immersed in a variety of activities that includes everything from presiding over assemblies to representing Northville at inter-school conferences.

For awhile, it looked like Janice might be the first lady mayor in Northville's history. But then Superintendent R. H. Amerman recalled that back in 1955 or thereabouts, another prodigious female held the post.

As mayor, Janice heads the student council at its Tuesday meetings and acts as a liaison between the student body and faculty. In addition, she works with Assistant Principal Fred Stefanski in solving school problems, helps run refreshment booths at athletic events, and attends the bi-weekly meetings of the Wayne Oakland League student council.

But her activities don't end there. Janice also plays bassoon in the school band, switches to drums for football games, and is a member of several clubs in the community.

Hunters, Trappers Get Record Bounty

Lansing — Hunters and trappers received \$8855 in bounty payments during July, \$3560 more than was paid out by the state for the same period last year.

The increase was due to a large fox kill during July of this year, when 1299 were bountied. The figure for the same month last year was 876.

Two wolves, taken in Iron and Luce counties, were the first presented for bounty this year. Bounty totals also included 109 coyotes and 44 bobcats.

All of the bobcats and all but three of the coyotes were taken in the upper peninsula. Foxes were bountied generally throughout the state.

NORTHVILLE TOWNSHIP REGISTRATION NOTICE

OCTOBER 8 IS THE LAST DAY THAT QUALIFIED ELECTORS MAY REGISTER FOR THE NOVEMBER 6 ELECTION.

The Township Hall, 16860 Franklin Road, will be open daily except Saturday and Sunday between the hours of 1:00 and 5:00 P.M. and on October 8 between the hours of 8:00 A.M. and 8:00 P.M. for the purpose of receiving registrations.

I will also be at my office in my home, by appointment, to register any Township resident unable to get to the Township Hall on the above schedule.

D. J. STARK, CLERK

THE OLD AND THE NEW

"It's in the Bible!" says the stalwart defender of his convictions. He thinks thereby to quell all arguments by his unbelieving foe. But wait a moment, have you considered that while "All the Bible is for us, not all the Bible is to us..."

Chances are that the approaching political campaign received more than casual mention in conversations of this quarter of leading Republicans. Guests of C. E. Langfield (seated at right), president of Northville Laboratories, last week aboard his 43-foot Constellation were Donald S. Leonard and George Boos, former Detroit Police Commissioners (at left) and Sterling Eaton, former publisher of The Plymouth Mail. Boos is candidate for state senator and Eaton state representative from this district. Leonard, Republican nominee for congressional last term, was an unsuccessful candidate this year.

DRIVE SAFELY

County road officials and highway representatives took a look this week at D. M. Parkington's drainage problem but there was no indication of what might be done to settle it.

Drainage Problem Still Up in the Air

County road officials and highway representatives took a look this week at D. M. Parkington's drainage problem but there was no indication of what might be done to settle it. Meanwhile, spokesmen for both agencies denied jurisdiction over the problem and said the other should handle it.

Driver Tests Given At Township Hall

Examinations for drivers licenses were offered at the Novi Township Hall yesterday for the first time. Under a new program, examinations will be given every other Wednesday from 10 to 6 p.m. by representatives of the Oakland county sheriff's department.

Zoning Board to Hear Race Track Opponents

Novi township residents who wish to voice an opinion on rezoning land for a proposed race track should raise the matter at the October 10 zoning board meeting rather than at the following township board meeting.

Civic Association On Track Questions

The Novi Civic Association is feeling out its members as to their opinions on the proposed million-dollar race track in Novi township. At a meeting last week association directors agreed to question members on their viewpoints in order to indicate public opinion on the growing controversial matter.

Candidates to Speak To Republicans

William Broomfield, Republican candidate for Congress, and other Oakland county officials and candidates will attend a meeting next week at the Novi Community building, according to Club President Dirk Groeneweg.

AmVets Post Dance At Wixom Plan Home

The Perry Kenner Post No. 76, AMVETS, will hold its first dance of the fall season October 13 at the post home in Wixom, it was announced this week. Modern and square dancing will be offered from 9:30 p.m. to 1:30 a.m. The dance is open to the public. Tickets may be bought at the door.

THE NOVI NEWS

Serving A Growing Community

Novi, Michigan, Thursday, October 4, 1956

10c Per Copy, \$3.00 Per Year In Advance

Novi Highlights

Lynn MacDermid, daughter of Mr. and Mrs. William MacDermid of Clark street, celebrated her ninth birthday Tuesday, September 18 with a party. Attending the party were Kay Gillett, Judy Dye, Helen Noble, Carol Wicka, Dixie Dague, Chuckie Trickety, Danny Griffith, Eddie Karschnick and Susie MacGillivray.

William MacDermid, Novi justice of the peace, performed the wedding ceremony for the marriage of Bertha Green of Livonia and Kenneth Messer of Farmington at five o'clock Saturday evening. Relatives from Livonia witnessed the ceremony and were present for the reception at the MacDermid home.

Steven Watson, son of Mr. and Mrs. Douglas Watson, is patient at Mt. Sinai hospital for plastic surgery resulting from burns sustained recently.

Mrs. Luther Rie, visited her mother, Mrs. George Tobias, and other relatives at Williamston last week.

Mrs. Earl Banks and Miss Mary Flint were the Sunday dinner guests of Mr. and Mrs. Will Flint.

Mr. and Mrs. Russell Raer attended the wedding of Miss Barbara Parsons and Mrs. Charles Raer at the Calvin Presbyterian church in Detroit Saturday evening. The Raes also attended the reception following.

Miss Betty Halliday of Los Angeles, California is the house guest of Mrs. Gertrude Lee.

Mr. and Mrs. R. Remen entertained at a dinner Sunday the night of the Novi anniversary of the Johnstons and the birthday of Ted Remen.

Mrs. Martha Gildemeaker of Detroit was the guest Sunday of Mr. and Mrs. Joe St. Onge.

Mr. and Mrs. Laron has just recently been asked as garden guest of Mrs. Northland Garden Center.

School Vote Set for October 30

MECHANIZED HEADACHES — Residents of Taft road and other township roads feel that something should be done about these construction trucks that rumble past their homes on the way to and from the Brighton-Farmington expressway. But county road officials say the trucks must have an access to the site if the super highway is to be built.

Three Proposals Placed on Ballot

Voters will decide on October 30 whether four Novi township school districts should be consolidated into a single district. The election was called last week by the Oakland county superintendent of schools after petitions for the vote had been submitted several weeks ago by residents of the districts.

Citizens Committee Plans to Campaign For Consolidation

The Novi Citizens Committee for Better Schools is undertaking an intensive campaign to explain to voters the probable effects of the proposed consolidation of four school districts.

Novi Board Studies Need For Full Time Assessor

Novi township board members failed to get a full day Monday night in a discussion of whether to hire a very full time assessor for the township.

Zone Change Asked For Drive-In Theater

A request to rezone land at West and Pontiac trails to allow establishments of a drive-in theater will be heard at the October 19 meeting of the Novi township zoning board.
