

SPEAKING for the Record

By BILL SLIGER

Meeting Chick Barber last week took us back (we won't say how many years) to a day in Jackson when a youngster from Battle Creek was burning up the fairways in the state open golf tournament. He set a national record in 72 holes that year and won a host of followers for his sensational play.

Chick was in his teens then and has dropped many a putt since that have won him countless titles including the national PGA championship.

Watching Chick play in Jackson (I must have been awfully young), we were just as sure as everyone else that here was a golfer who couldn't miss becoming great. It's gratifying to have been right on once.

Looking just as young (well, almost) as he did back in Jackson, Chick said he is planning on a full summer of tournament play. He had a successful winter which included a win and a couple of seconds in addition to a tour of Spain.

If you should be watching television, listening to the radio or reading your newspaper Wednesday evening and one of the advertisements instruct you to "run right down to the store and buy a jar of sauce," you can do it no matter how late it is.

Seventeen Northville merchants are staying open all night. To entice shoppers out after midnight they're offering extra special savings.

Wednesday is moving day in our household. With the paper out Tuesday and Thursday a holiday, I can't think of any more excuses that have thus far kept me out of the precinct. It will be nice to live in Northville, but somehow I can't look forward to the "holiday" with much enthusiasm. Already I've heard grumblings at the casual mention of a golf game.

Speaking of the holiday, don't forget the Memorial Day parade at 10 a.m. sponsored by the local American Legion and VFW organizations.

Michigan Mirror More School Funds

MICHIGAN HAS counted its blessings and recognized the progress of its state again.

Each of the state's 7,500,000 citizens could be his own public relations man from May 19 to 25, preaching the glories of living in Michigan to the world.

As the week started, engineers announced that the state's two penitentiaries had been planned for the first time in history by steel beams, the framework of the Mackinac Island Bridge.

With an overall length of 26,444 feet, the dream of linking the Upper and Lower peninsulas will be realized next November.

It is just one of the highlights of the week set aside each spring to advertise and promote Michigan.

The state's vacationland, surrounding more than 11,000 inland lakes, the growth of the resort industry to a \$500,000,000 business—plus other uncounted millions in tax money left in the state by restaurateurs heralded as a major factor in the economy.

CONTROL OF TB has received another prop in Michigan.

Under a new state law, local health officers may start action to seal carriers of the disease to state hospitals and, in recalcitrant cases, to a confinement center at Gaylord.

State health officials said the method is necessary to prevent patients from leaving hospitals before they are cured and infecting others with whom they come in contact.

Of the thousands of tuberculosis patients in Michigan, only about 150 who refuse treatment will be allowed by the law.

Roger Babson Better Service on Roller Skates

Babson Park, Mass.—One of the most helpful new movements today is a Club of One Thousand Members who have banded themselves together to help sell merchandise. They believe that the consumer is the ultimate determining factor in making business good or bad, and in regaining employment. Prosperity or depression depends not wholly on Washington or the nation's banks, advertising agencies, or even manufacturers. The humble consumer of every city, town and country crossroad also has the future of American business in his or her hands.

Results of Advertising Can Be Multiplied 300%?

American manufacturers are today spending billions to advertise their products in magazines, newspapers and through the radio and TV. These most attractive advertisements are read or heard by millions, usually in the evening or during work ends. The readers, and especially the followers of radio and TV, are not told the nearest store where they can quickly see, feel, and buy the product advertised.

These One Thousand Club Members, most of them living in humble homes, and many disabled, have joined forces to tell consumers by telephone the name of the retailer they should immediately contact. They then report to the manufacturer or his representative the name of the prospect making the inquiry. These One Thousand Club Members in one thousand cities, covering 100 per cent of the consumers in 10,000 communities, will operate under the name of United Information.

Cadillac

Friendly Welcome For a Total Stranger!

He's a "stranger in these parts"—just passing through on his way to some distant destination. But you wouldn't know it to look at the wonderful welcome he receives as he brings his car to a silent stop and his day's travels to an end.

For high on the hood of his motor car rides the beautiful crest of Cadillac—and hospitality just seems to follow a new Cadillac wherever it goes.

No man, you see, is ever without standing when he is in command of the "car of cars."

For it is a recognized fact that Cadillac owners—representing though they do such varying fields of endeavor and such widely separated parts of our world—also have a great deal in common. Invariably they are people of marked personal achievement—who have won for themselves a considerable measure of respect and recognition.

In brief, the driver's seat of the Cadillac car is the traditional dwelling place of the world's leading citizens. And people everywhere have found it safe to assume that whosoever they behold at the wheel is a worthy member of this great and distinguished company.

Of course, this is but one of the satisfactions of Cadillac ownership. In addition to inspiring beauty, luxurious Fleetwood coachcraft, superior performance and extraordinary values—

Have you as yet taken the wheel of a new 1957 Cadillac? If not, then you should visit your Cadillac dealer and spend an hour on the highway. Invariably they are people of marked personal achievement—who have won for themselves a

Rezoning Asked To Open East Novi For Home Sites

Four zoning changes that would open up a vast section of eastern Novi township for residential development will come before the township zoning board on July 2.

At the same time, the board will consider two previous rezoning requests that would allow construction of a trailer park and a shopping center in other parts of the township.

The four requests for residential rezoning involve more than two square miles on the eastern edge of Novi.

Specifically the area extends south from Grand River to a half mile north of Eight Mile, and west from Hagberry to a zig-zag western line.

This line runs south along Meadowbrook from Grand River to Ten Mile, then west to approximately the C & O tracks, then along the tracks to Nine Mile, then east to Meadowbrook, and finally south to a point one-half mile north of Eight Mile.

According to zoning board spokesmen, the changes are designed to provide room for the heavy residential growth which is expected to come to Novi within the next few years.

The area includes all of section 25 and parts of sections 21, 28 and 26. The entire area is presently zoned for agriculture.

The other two changes to be considered are:

- rezoning of a site on East Lake drive near New Center to allow establishment of a trailer park.
- rezoning of a site at Meadowbrook and 10 Mile for a neighborhood shopping center serving Willowbrook Village.

The trailer park rezoning request was tabled by the zoning board a week ago when 27 members of the area petitioned against it. Opinions expressed by township board members Monday night indicated the rezoning request would be denied because of the strong public opposition.

The second request would increase the commercial site southwest of Meadowbrook and 10 Mile from 450 to 490 feet by 450 feet so that it would be used for parking facilities for the proposed shopping center.

A spokesman for the Stephen Allen, Inc. said his firm will not build the shopping center for at least a year. He described it as a "typical neighborhood development," but nothing elaborate.

Wixom Boom On; Subdivision OK'd In Quiet Meeting

The building boom in Wixom is apparently underway.

The Novi township board gave tentative approval Monday evening for a 132-home subdivision southwest of Wixom road and Pontiac Trail.

The subdivision, known as "Wixom Manor," will be the first major home development in the vicinity of the village-to-be and the new Lincoln plan.

According to Maurice Fried, a partner in the Oxford Building company, the homes will cost about \$15,000. Construction will begin this summer if approval is given by county officials and later by Wixom officials, he said.

Approval had been denied earlier by the township zoning board on grounds that the site will soon be part of Wixom and that Wixom should have the say-so. But the township board gave its approval after Wixom officials at the meeting Monday indicated they favored it.

In other business, board members got along so well they talked until almost midnight before adjourning.

Unlike recent meetings in which the board has been concerned more with arguing than talking, the meeting Monday saw a full agenda come and go.

Discussing matters at length, the board:

- gave final approval for rezoning a site at Beck and Grand River to commercial and a site at Seeley and Grand River to multi-dwelling.
- tabled three bids for a new police car for further study.
- authorized attorney Renne to take action to reclaim a township-owned voltage meter from former building inspector Cameron Lodge.
- adopted the 1956 code of the National Electrical Association to replace the 1953 code.
- agreed to meet in closed session with the zoning board to discuss long-range zoning and planning problems.
- agreed not to charge the Northville school district for a building permit for the new American school addition.
- discussed revising the township sign ordinance to help local business developers advertise their subdivisions.
- decided informally to notify developers in advance if their projects seemed headed for non-approval by the board or zoning board.

Trustee Stan Balon referred in particular to a proposed trailer park which faces disapproval by the zoning board.

Whoever the Novi town plan may be, she will be crowned by the 1950 queen—Anne Williams of Willowbrook Village.

The judging will be held at Walled Lake Casino and will be followed by the dance music of Russ Curvite and his orchestra. Tickets may be purchased from Gordon Promo, at Trickey's Sporting Goods. At the Novi News office in Northville, or from any AMVET member.

Novi School Board Eyes Bond Issue Election Soon

The Novi school board moved this week to get a school bond issue proposal before the public as soon as possible, with hopes of seeing construction of a new elementary school begin this fall.

Meeting last night, the board was expected to name a date for the bond issue election and to specify the amount to be sought.

Superintendent William Medlyn said before the meeting that the board is striving for an election on June 25.

In addition, Medlyn said, the board was expected to seek a two-part bond issue of \$725,000 for the new school and \$150,000 for future sites.

Medlyn said the board learned that its attorney has secured an option in a 10-acre site for the new school. The property lies southwest of 10 Mile and Meadowbrook roads, near Willowbrook Village.

The school would be part of a complex which, under present plans, also include a new subdivision, a shopping center, and the new Willowbrook community center.

Medlyn said initial plans for the school still call for 13 rooms and multi-purpose room. It would have facilities for 450 students.

Medlyn noted that the board decided to locate the school near Willowbrook because of anticipated growth in the area, and that this decision was reaffirmed this week by the announcement that the Novi township zoning board plans to open up more than two square miles of the area for residential development.

(See other story, this page.)

Brook had met with some criticism from persons who claimed the school should be located near the intersection of 10 Mile and Meadowbrook roads to handle increasing growth there.

Medlyn said the board will prepare background articles to explain his reasons for the location. The articles, covering enrollment estimates, proposed facilities and cost estimates, will be published in The Novi News within the next few weeks.

1,000 Dial Phones Due Soon

Dial telephone service will come to some 1,000 Novi businesses and families a full year sooner than had been expected.

Michigan Bell Telephone company announced this week that a temporary self-contained mobile exchange unit is now being set up in Novi and will start operating this week.

The unit is the forerunner of dial service for the entire Novi-Northville area. Full service for the area will be ready by August, 1958, according to Michigan Bell officials.

The mobile unit was moved into its berth near the Novi township exchange building last week. Installation of dial phones will start this month.

The 1,000 new telephone numbers in the Novi area will bear the name "Fieldbrook".

These numbers will start in service even after installation of permanent facilities.

Michigan Bell expects to announce plans for the permanent telephone exchange building near Northville in several weeks, said Michigan Bell manager John Kamogee.

The Novi mobile unit outwardly resembles a conventional truck semi-trailer, but it is much different in the interior. Metal frames rest from floor to ceiling, holding the countless tiny parts and wires that make up a dial system.

The equipment includes the terminals to which every telephone line in the area is to be served by the trailer as well as the mechanical switches that link and route when someone spins a dial, and the machine that makes any telephone ring.

In addition, the unit also has its own standby battery power supply—although normally it will use Detroit Edison power and its own hearing and lighting systems.

The unit is the ninth of its type currently in use at various Michigan Bell exchanges. Built for use in fast-growing areas, the mobile exchange provides telephone service in far less than the normal one-to-two-year engineering and construction period.

Tip for Beauty Judges: It Ain't Gonna Be Easy

If quantity makes for quality, Novi should have a most beautiful new queen a week from tomorrow night.

More than 12 girls have cast their hears in the ring for the title of "Miss Novi AMVET" which will be awarded June 14.

Advance word from those in the know indicates that competition will be keener than ever—for the AMVETS have been highly selective in taking candidates for the crown.

The final decision, however, will be up to a panel of judges which will be named next week.

The new queen will represent Novi in the quest for the "Miss Michigan AMVET" title in Detroit and, if she is lucky there, will go on to seek that nationwide "Miss AMVET" crown later this summer.

Whoever the Novi queen may be, she will be crowned by the 1950 queen—Anne Williams of Willowbrook Village.

The judging will be held at Walled Lake Casino and will be followed by the dance music of Russ Curvite and his orchestra. Tickets may be purchased from Gordon Promo, at Trickey's Sporting Goods. At the Novi News office in Northville, or from any AMVET member.

In Willowbrook: Extension Club Election Held

New officers have been elected for the Willowbrook Extension Club.

The majority of the Willowbrook families took advantage of the beautiful weather on Memorial Day to work on their yards and gardens.

Low Chismark, Bob Anderson and Gordon Promo took time out however to march in the Novi Memorial parade.

Richard and Mary Raleigh of East LeBoist announce the birth of their second child on May 28. They have a seven pound, 13 ounce boy.

(Continued on Page 5)

Novi Highlights: Goodfellows to Sell Flares

The Novi Goodfellows plan to sell flares to be used for a Fourth of July display to help out the Christmas Goodwill fund. Representatives from all the organizations in Novi township are urged to pick up their share of flares at the township hall and sell them before the Fourth. The plan is for every family in the township to have a flare in their front lawn to be lighted promptly at 9 p.m. Fourth of July. The Goodfellow will meet at the township hall at 9 p.m. Monday, June 17. Two representatives from each organization are urged to be present.

Mr. and Mrs. Lester Ward were hosts to a group of friends and relatives Memorial Day. The occasion was also the fifth birthday of

Novi School Ends Era Tonight

An era will end tonight when some 24 Novi school eighth graders graduate in ceremonies at the Novi Community building.

Their class will be the last to go through school as a single unit, according to principal Mrs. Mary Atkinson. From now on, eighth graders in Novi will be split into two sections, then three and so on until students hardly know each other.

Even so, the class that will graduate tonight is not the largest in Novi history. In 1953, 32 students received their diplomas.

Spoken at the commencement exercises will be Dr. C. F. Lehmann, assistant to the dean of the school of education at the University of Michigan.

Dr. Lehmann will discuss the need for continuing education and the challenge that faces the graduating Novi class as it proceeds through high school and into college, the armed services or a vocation or profession.

Special praise will be conferred on valedictorian Linda Lyons and salutatorian Carol Simon, the two girls who led their class scholastically in the past.

After the exercises, the class will gather for a final party in the community building. Parents of the students will sponsor the farewell gathering.

At Northville high school, other Novi students will receive out four years of prep schooling with traditional commencement week activities. The Novi Piazzeria at 8:30. Business for the evening includes final preparations for the beauty contest to be sponsored by the post Friday evening. Delegates will also be chosen for the 13th annual convention scheduled for the Fort Shielby hotel on June 28, 29 and 30.

NOVI GRADUATES — Tonight is the big night for 24 Novi school students who will graduate from the eighth grade. Girls from left to right are: Neel F'Geeppert, Martha Goodfellow, Carol Simon, Linda Kalk, April Fay, Linda Lyons, Carol LaPlante, Doreen LaSalle, Ellen Parks, Louise Kalk and Karen Schneider. Boys in second row are, left to right: Robert Klein, Robert Smith, Oris Slader, Tom Darling, Bill Trotter, Michael Eby, Paul Dalley, Donald Coleman, Harry Schenckman and Robert Schneider. In the back row are Walter Deane, John Jackson and Jim Catlett. Class advisor is Robert McMillan. Exercises will be held in the Community building.

Northville to Name 2 to School Board

Northville school district voters will name two new school board members Monday and decide whether to give the board permission to negotiate a possible sale of school property to Wayne county for the proposed Eight Mile road cut-off.

Candidates for the board are Francis Garlitz, Clifton D. Hill, Dr. Walter F. Johnson and Adrian Willis. They seek seats vacated by retiring president Robert Goodwin and Donald Severance.

If the board is granted permission to sell the property, which lies in Novi township, Wayne county would then be asked to provide highway safety precautions, and pay a fair price for the cut-off land.

Wixom Association To Meet Tonight

The Wixom Civic Association will meet tonight to discuss the lack of a tax limitation provision in the proposed village charter which will face voters on July 25.

The association is expected to agree to back the present charter with the understanding that a tax limitation provision will be added as an amendment at a later date.

Registrations for the July 15 election will begin at the next meeting. Residents may register through June 17 at 131 North Wixom road, next to the post office.

AMVET Meeting

Novi AMVETS will hold their regular monthly meeting Monday evening at the Novi Piazzeria at 8:30. Business for the evening includes final preparations for the beauty contest to be sponsored by the post Friday evening. Delegates will also be chosen for the 13th annual convention scheduled for the Fort Shielby hotel on June 28, 29 and 30.

News Around Northville

Mr. and Mrs. R. W. Casady and boys, Warren and Brooks, left Northville Monday and motored home to San Diego, California. The daughter and son-in-law of Dr. and Mrs. E. B. Cavell, they were in Northville to attend the Cavell's 50th wedding anniversary celebration.

Mrs. R. W. Cavell of Dearborn and Mrs. E. B. Cavell will spend a few days this week at the Tawas City ranch of the latter's son, Dr. Ted Cavell.

News Around Northville

A miscellaneous bridal shower was given Miss June Roberts last week at the home of Mrs. Bertha Hodge of Dunlap street. Co-hostesses were Mrs. Virginia Lyke and Mrs. Don Holcombe. Thirty-five guests attended the shower.

Glenn Salow, Sr. of Taft road is home from Mr. Carruth hospital.

Rick and Rusty Atchison, sons of Dr. and Mrs. R. M. Atchison of South Rogers street, was a week end guest at the home of Mrs. Richard Horton of Grace street last Tuesday.

Visiting from Albion this week is Mrs. Don Harrington who is spending some time with daughter, Mrs. R. M. Atchison.

Entertaining approximately 100 guests at a tea Tuesday afternoon was Mrs. R. T. Martin of Novi avenue.

Mrs. John Robertson was guest of honor at a surprise steak dinner given at the home of Mrs. Richard Horton of Grace street last Tuesday.

Mrs. Arthur H. Carlson

Janice Mae Owens Wed To Arthur H. Carlson

In a candlelight ceremony May 23 in the First Presbyterian church of Northville, Janice Mae Owens became the bride of Arthur H. Carlson.

The former Miss Owens is the daughter of Mr. and Mrs. Elmer L. Owens of Northville road. Her husband is the son of Mr. and Mrs. Arthur Carlson of Fairbrook avenue.

The Reverend John O. Taxis performed the ceremony in a church decorated with white mums and gladioli. Singing "Bedeaux" and "The Lord's Prayer" was William G. Williams.

The bride's gown was of white tulle and tulle lace, a panel of the lace gracing the front of the gown. Of simple design, it featured a small round collar and long, pointed sleeves.

She carried a bouquet of white orchids and lilies of the valley on a white ribbon. Around her neck were pearls, a gift of the bridegroom.

Maid of honor Miss Shirley Rodgers of Detroit, a friend of the bride, wore a ballerina length gown of mist green fashioned of lace and chiffon. Her bouquet was of yellow carnations.

Miss Evelyn Clark and Miss Carolyn Burkman, both of Northville, were bridesmaids, wearing similar gowns of pale yellow and pale blue, respectively. Miss Clark carried red carnations and Miss Burkman's bouquet was of string carnations.

As junior bridesmaids for her sister, Miss Patricia Owens wore a pink dress with flowers of blue and white carnations.

Mr. Carlson chose James Bonar of Northville as his best man. Other friends of the groom, Rodney Dohinger, Tom Wick, John Boyer, all

Janice Mae Owens

of Northville, and Clifford Henderson of Plymouth, were ushers.

Mrs. Owens, mother of the bride, wore a gown of beige chiffon and lace highlighted with pink accessories. A blue lace gown with white accessories was chosen by Mrs. Carlson, mother of the bridegroom. Both wore orchid corsages.

A reception was held in the church hall immediately following the ceremony. Two hundred guests from Northville, Plymouth, Detroit and Texas City and Minnesota attended.

For her wedding trip to northern Michigan, the new Mrs. Carlson wore a navy blue dress with navy and white accessories.

Both are graduates of Northville high school. Mr. Carlson is employed by the Ford Motor company, and his bride is now attending beautiful school.

When they return they will make their home on West Six Mile road in Northville.

SEE ADDITIONAL WOMEN'S NEWS ON PAGE 4

Mrs. Howard Meyer of Eight Mile road recently returned from Oklahoma City, Oklahoma after accompanying her future daughter-in-law, Miss Charlotte Sutherland, to Oklahoma City. Miss Sutherland is engaged to Howie Meyer, now a naval cadet at Pensacola, Florida.

Sikkila-Tuck Rites Read In Walled Lake Saturday

The first day of June was chosen as her wedding day by Violetta Sikkila, who was married last Saturday to Donald Tuck, son of Mr. and Mrs. Walter Tuck of Grand River avenue, Novi.

Violetta is the daughter of Mr. and Mrs. John Sikkila of Walled Lake.

The ceremony was performed in the Walled Lake Lutheran church by Reverend Gerkin. The bride was given in marriage by her father in a church decorated with white gladioli and mums.

The bride's gown was of ballerina length, white lace over tulle. She carried a nosegay bouquet of white gardenias and stephanotis.

Decorating IDEAS No. 3
Member of the Grand Rapids Furniture Makers Guild
BEDROOM UNDERSIZED?
Don't get the idea that the extremely small bedroom is hopeless, decoratively speaking — that all you can do is crowd in the necessary furniture and let it go at that. With good planning it can be lovely to look at, easy to care for, and give you the ultimate in comfort.
Today the majority of us share a mutual problem: how to stretch space to accommodate our needs. If you'll like some new space-stretching ideas, do come in and have a visit with one of our trained decorators. We are always happy to be helpful. No appointment is necessary.
USE SPACE-WISE FURNITURE . . .
that will help you make the most of every inch of space, and which, preferably, serves more than one purpose. Decorative headboards that combine cabinet, shelf and table facilities are excellent space-savers. Use small-patterned wallpaper on one wall to add color interest, and paint the other walls a light color to make room appear larger.
Today's trend toward more casual living in smaller homes has inspired a whole new concept in purposeful furniture. We are proud to offer you our new selections of Modern and Traditional pieces. So come in soon and let us help you select the pieces that will blend happily with what you already have.

FOOT-SAVING EDUCATION By JIM HOUK

HOW LONG SHOULD A LEATHER SOLE LAST?

The perplexing aspect of the life of a sole is that it wears out so fast. In fact, shoes last six months, a year, or more while children who are sitting in school much of the day can go through a good leather sole in four weeks.

Recent studies show that sole leather does not wear out — it washes away. When leather gets wet the oils that lubricate and hold the fibers together ooze out of the leather, leaving the sole soft and sticky.

Silicone Shoe Saver developed by the Dow Corning Chemical Co. renders leather water repellent and is supposed to add 30% to the life of the soles. A one dollar bottle will waterproof three pairs of shoes.

AGENT CHANGE FOR THE NORTHVILLE STANDARD OIL BULK PLANT

Clayton Myers

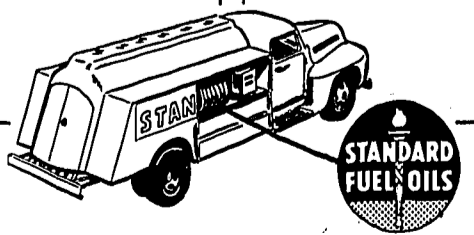

Dear Friends:
I would like to take this opportunity to thank all of my loyal customers and friends for their patronage during my 25 years as Standard Oil Agent in the Northville area.
My sincere wish is that the same patronage will be extended to my successor, and loyal employee for 7 years, Mr. Clayton Myers.

Sincerely yours,
Don Hamilton

Hello Friends:
I am happy to be able to introduce myself as your new Standard Oil Agent.
I have met many of you as customers during the time I have worked for Mr. Hamilton. My desire is to give prompt, efficient and dependable service in the coming years. It will be a pleasure to be of service to you.

Sincerely yours,
Clayton Myers

Clean Carpets Save You Money

IF RUGS and carpets are to wear well and stay attractive they must be kept clean. Dirt on the surface dulls the color of the rug. Embedded grit wears and cuts the fibers. Damage from clothes moths and carpet beetles is less likely to occur when rugs are kept clean. The time to spray rugs against these insects is after they have been thoroughly cleaned.

Minor League Calls Tryouts Saturday

Novi boys between 8 and 12 years old who did not qualify for the Little League baseball teams will meet Saturday afternoon at 2 o'clock at the Novi school for minor league practice. Youngsters will be issued shirts and caps.

Willowbrook ...

Orlo and Betty Johns of Coral Lane had a picnic supper on Memorial Day. Their friends Mr. and Mrs. Jack Miller of Redford and Mr. and Mrs. Ray DeSantos and Gary and Cheryl of Detroit, joined them.

A trip to the Arboretum in Ann Arbor and a picnic at Kennington park was enjoyed on the holiday by the George Ames family of Mooringside.

The Cliff Brodersons of Mendonbrook went on a picnic and enjoyed water skiing Thursday with Betty and Bud Smith of Redford.

Bud and Virginia Barnes of Mooringside and their six children attended the first communion Thursday at St. Agnes church in Detroit. They dined afterwards at the home of Mr. and Mrs. Charles Roberts. They spent the evening at Mr. and Mrs. John Clark's home in Detroit where they celebrated Nancy Barnes' 11th birthday.

Louise Ranno and her son, Gregory, of McMahony have returned from a week's visit in New York. They stayed with Louise's parents, the F.V. Voikers of New York.

Errol and V. Myers of Border Hill spent the week end before last at their cabin in Paradise, Mich. They have been pleasantly busy this past week entertaining their granddaughter, Cherry Luce, and Ann Ewing of Kentucky for their houseguest for three weeks.

Ed and Mike Tietron of LeBoist had a family reunion Memorial Day in honor of their father's birthday. Peter Tietron, thirty-two of the family gathered for a turkey dinner. Entertainment included ping pong, pool and pinocle. Chet and Ruth Tietron of LeBoist helped with the preparation. Other guests were Peter Tietron and Jeanette, the Casimir Tietrons, the Peter Fryczpels, the Peter Alex's, the Ed Hebbel's and the Ken Bishings of LeBoist.

Mr. and Mrs. Robert Byrd announce the birth of their sixth child June 4 at St. Joseph's hospital in Pontiac. Patricia Sue weighed seven pounds and five ounces.

Eleanor Freytag of LeBoist served luncheon Wednesday to Ben Diem, Jackie Morse, Betty LeBlut and Pat Piner.

Mary Ann Brower of East LeBoist was loosed to her bridge club on Tuesday night. Pay Dukes won first prize and Mary Ann Brower won second prize. Charlotte Anderson took home the consolation prize. Mizzi Olson was a guest player.

Staman to Head County Assessors

Novi township supervisor Fraser Staman has been named president of the Oakland County Assessors Association for 1957-58.

In that post, Staman will guide the group in seeking to answer assessment problems which confront county townships and cities. The association also makes its findings known to the municipalities so that they may correct problems before they actually arise.

The association is composed of Oakland county township supervisors and city assessors.

Staman recently returned from a four-day Washington conference of the National Rivers and Harbors Congress, to which he was appointed last fall. The congress investigates flood control, irrigation and navigation problems.

L. D. Crusoe Retires As Ford Executive

The retirement of L. D. Crusoe of Northville as a Ford Motor company executive vice president has been announced by the company.

Crusoe had been vice president of the car and truck divisions. He will continue as an active member of the board of directors.

Democrats to Join In Northville, Novi

Northville Democrats will join with the Novi township Democratic club next Monday night in an effort to solve some of the differences between the two communities.

Some 30 Northville residents are expected at the Novi Community building meeting, but club president Herbert Koester has estimated that Democratic ranks in the Northville area may reach as high as 250.

Koester said it is the first time that Democrats have joined hands across both township and county lines on a local level. Special permission was granted by state Democratic chairman Neil Staveland.

Representative of the new Novi-Northville group plan to attend Northville city council meetings as well as Novi township board meetings, Koester said.

THE NORTHVILLE SCHOOL BOARD NEEDS

- Members who are tax conscious
- Members who have had experience in money-management
- Members who have a deep, personal interest in education and children

ATTORNEY CLIFFTON D. HILL has had years of experience in the tax divisions of the State and U.S. Internal Revenue. He has served as an advisor to citizen organizations and governmental groups. He strongly advocates the "most education per tax dollar" type of administration.

HILL has served as tax counsel and budget advisor for corporations whose annual expenditures range from \$50,000 to \$200,000,000.

HILL has three children attending our schools. He has taken active interest in the welfare of our school children and is well known for his counseling and assistance to the students of Northville. Hill's office and business activities are located in the city of Northville where he would be available every day.

HILL has strong convictions concerning better cooperation between township, city and school board governmental bodies. He advocates this means towards better area planning and resulting tax savings.

Your Government Is Only As Good As Your Vote

DeKay Electric 401 YERKES NORTHVILLE TRINKETS FOR YOUR SOUL

A missionary traveling in Peru related the following experience. After going through the Peruvian customs they boarded the train. As the train began to move away a Jewish salesman discovered that his overcoat was left in the customs house.

Fortunately the train stopped for 15 minutes at the main station and he was able to take a cab back to get his overcoat. He left all his luggage on the train unguarded to recover one cheap overcoat. When the train returned he learned why he was so upset. He had some inexpensive sample rings in the coat pocket that had caused all his concern. How foolish he was to risk losing all his luggage for a cheap overcoat and inexpensive trinkets. I wondered as I read this, how this is so true of many people in this world. How they are neglecting the eternal welfare of their own soul because they are occupied with trinkets that will some day perish with the using. They are saying in their hearts, "I hope the train to glory will wait while I am occupied with the temporal trinkets of this life." We are reminded of that great question that Jesus asked, "What shall I gain if I should gain the whole world and lose his own soul?"

VOTE YES TO ENABLE THE SCHOOL BOARD TO NEGOTIATE WITH ROAD COMMISSION OFFICIALS SO THAT:

- ADEQUATE SAFEGUARDS FOR SCHOOL CHILDREN MAY BE ASSURED
• PROPER STORM DRAINAGE FROM THE HIGH SCHOOL SITE WILL BE PROVIDED
• TRAFFIC CONGESTION MAY BE AVOIDED AND EASY ACCESS TO SCHOOL ASSURED.

We Urge All Voters To Vote YES - Monday, June 10

'Bandits' Take Early Lead With 2 Little League Wins

The National Bank Bandits grabbed an early lead in the Novi Little League last week by blasting their way to two decisive victories.

The Bandits rolled over Praying Doves, in the league's opener and repeated with a 12-0 win over Young Door. In the third game last week, Fiberglass blanked Young Door, 10-0.

Young Door pulled the switch about the week. The Tigers, after collecting only two hits against Fiberglass, turned around and went right down to the wire against National Bank before tumbling.

The standings as of last Saturday:

National Bank	2 0
Fiberglass	2 0
Paragon	0 2
Young Door	0 1

Summer Activities Lined Up for Kids

A summer full of swimming, baseball, arts, crafts and special events for Northville area youngsters was outlined this week by Northville recreation director Stan Johnston.

Johnston noted that the program will offer several new features this year — including expanded facilities and a new location of the day camp.

New activities center around baseball and softball — with two new mid-level baseball teams and a full softball league scheduled to be organized. Johnston urged parents to encourage their sons to take part in these programs.

The day camp will be located at Ford Field this year because of new construction at Amerman school. The full program for this summer:

SWIMMING
SCHEDULE
Every boy who wishes to play softball or softball will have a chance to do this summer.

Four baseball teams have been entered in the Inter-City League sponsored by the Livonia Recreation Department, for teams from Northville, Plymouth and Livonia.

Two mid-level baseball teams for boys 12 years and under have been formed. Tryouts and practice will be held at Cass Benton park every Saturday from now on, beginning at 9:30 a.m.

The two other baseball teams — Class 2 for boys under 10, and Class 3 for boys under 14 — will begin practice as soon as they finish high school schedules.

Each of the four teams, under league rules, will be allowed 15 players.

SOFTBALL
Since there will be more candidates for the four baseball teams that can be signed up, the recreation department and Northville Optimist club will co-sponsor a new softball league for younger boys who do not qualify for a hardball player as yet.

Four teams of 15 players each will be formed. The league is primarily for boys 8-10, though some older boys may be assigned.

Team shirts, supplied by the Optimist club, will be given to each player as he is named to a team.

Games will be played on the park diamond at the end of First street each Monday and Wednesday morning beginning June 24.

An organizational meeting will be held at the school hall June 19 at 10 a.m. followed by a rules and regulation discussion at the diamond.

At season's end, a winner's trophy will be presented to the league champion and individual trophies will go to each player on the team.

Johnston has urged parents to encourage their boys to participate in the softball program.

"Softballs will be used, so that the game will be slowed down and the risk of accidents will be lessened," he said. "In addition, an organization of this type builds confidence in his physical ability at this age — especially since he will be playing with youngsters close to his own age."

ZOO TRIPS
Four trips to the Detroit Zoo will be offered this year — on June 27, July 11, July 23 and August 8.

Both parents and children may take part. Children under five must be accompanied by an older person.

Buses will leave the Main street school playground at 9:15 a.m. and will arrive back in Northville about 9 p.m.

A charge of 25 cents will cover train rides and chimpanzee show.

Children may bring their lunches or buy them at the zoo.

SPECIAL EVENTS
Trips to Detroit Tiger games and the Detroit Police Field Day will be scheduled this summer.

In addition, the annual turtle race, pet and doll parade, and other traditional events will be held.

Dates and other information will be announced later.

To Stage 50-Mile Auto Race at Downs July 4

\$3000 Purse to Attract Top Drivers in Midwest

Plans for a 50-mile new stock car race at Northville Downs on July 4 holiday were announced this week. The event is being promoted by Mel Larson of Plymouth, a professional driver, and is being sanctioned by the Midwest Association of Race Cars.

According to Larson, the 100-lap race will attract approximately 25 professional drivers who will compete for a \$3,000 purse.

Larson stated that arrangements for the proposed race had been cleared with officials of the Downs and the city and that only driving club approval was still needed. The race was expected to be approved at the meeting of the board of directors of the Driving club this week.

Larson outlined elaborate plans for the event which include selection of a Miss Northville Special, an afternoon sport car show, and three special races preceding the 100-lap main event at 8:30 p.m.

He emphasized that only new cars compete in the race and that all recognized safety precautions are taken in preparing the track for the race. "This includes testing the surface to prevent excess dust," Larson pointed out.

One of the extra features of the event will be a 3-lap race between a Class 2 for boys under 10, and Class 3 for boys under 14 — will begin practice as soon as they finish high school schedules.

Each of the four teams, under league rules, will be allowed 15 players.

SOFTBALL
Since there will be more candidates for the four baseball teams that can be signed up, the recreation department and Northville Optimist club will co-sponsor a new softball league for younger boys who do not qualify for a hardball player as yet.

Four teams of 15 players each will be formed. The league is primarily for boys 8-10, though some older boys may be assigned.

Team shirts, supplied by the Optimist club, will be given to each player as he is named to a team.

Games will be played on the park diamond at the end of First street each Monday and Wednesday morning beginning June 24.

An organizational meeting will be held at the school hall June 19 at 10 a.m. followed by a rules and regulation discussion at the diamond.

At season's end, a winner's trophy will be presented to the league champion and individual trophies will go to each player on the team.

Johnston has urged parents to encourage their boys to participate in the softball program.

"Softballs will be used, so that the game will be slowed down and the risk of accidents will be lessened," he said. "In addition, an organization of this type builds confidence in his physical ability at this age — especially since he will be playing with youngsters close to his own age."

JCC Cancels Golf Tourney

Plans for a Northville Junior Chamber of Commerce golf tournament next week have been cancelled because of the possibility that Northville high school athletes competing in the tourney might be ineligible for future pro competition.

Local JCC officials said they cancelled the tournament because most of the expected contenders are still in high school here.

Top state athletic officials told the JCC spokesmen that the students would be ineligible for all sports if they took part in the tournament — which has at stake a \$200 scholarship for the national winner.

The Northville winner would have competed in the district match with a possibility of going on to state and national tournaments. The local tournament was to be held next Wednesday at Brae Burn golf course.

Former Detroit Forward Appears at Sports Banquet

Jimmie Peters, former forward for the Detroit Red Wings, was guest of honor Tuesday night at a banquet for members of four Northville high school sports teams.

The banquet, sponsored by the Northville Rotary club, paid tribute to the Mustang track, baseball, tennis and golf squads.

The program included film highlights of the 1957 Detroit Red Wing Stanley Cup playoff games, followed by a round-table discussion.

Peters' appearance was part of a state-wide tour designed to encourage sports enthusiasts concerning the world's fastest game.

Leland Smith, Rotary president, was chairman in charge of the arrangements for the special sports program.

Peters, now a Detroit businessman, was an outstanding defensive forward during his 10 years in the NHL, playing with Montreal, Boston, Detroit and Chicago.

A right wing, he played on two Stanley Cup teams with the Wings and one with Montreal. Since his retirement in 1954 he has kept an interest in amateur hockey, coaching the Windsor Seniors and more currently refereeing. In addition he has been extremely active in encouraging the bantam hockey program in the Detroit area.

Triple Play, Rally Brighten JV Year

The Northville junior varsity didn't chalk up an imposing record on the diamond this spring, but for a couple of brief moments in one game the Colts really looked like champions.

Against South Lyon, Northville scored itself on the short end of the score for most of the game. But suddenly, the Colts came alive and blasted across seven runs in the last inning to win, 9-8.

As if that wasn't enough, the Colts started everyone — themselves included — by clipping a Lion rally short with a brilliant triple play.

In the other half, coach Jack Van Haren's own squad had few bright moments as they compiled a 1-4 season's record.

The single victory went to pitcher Jim Strange, while leading batters were catcher Bill Juday, with a booming 368, and pitcher Bob Stuber, with 333.

Others on the Colt nine were Blaine Ashby, centerfielder; Bill Hill, second; Mike Janickich, first; Charles Parton, shortstop; Dave Thayer, Doug Ware and Dennis Wilson, all outfielders.

Our parishioners and their friends are invited to gather at Bishop's lake near Brighton for a parish picnic following the services at the Church. Please bring your own food and table service. Treats will be provided for the children.

St. Paul's Announces Plans For Vacation Bible School

Vacation Bible school will be conducted at St. Paul's Lutheran church in Northville from June 17-28 for children of elementary school age and those awaiting kindergarten this fall. The school will be held Monday through Friday, from 9 to 11:45 a.m.

Parents may enroll their children in the Sunday school office before or after Sunday school on the next two Sundays. (Sunday school begins at 11:45 a.m. and closes at 12:15). Children may also be enrolled on June 15 from 10 a.m. to noon in the Sunday school office.

The theme of this year's vacation Bible school is "Our Beautiful Savior." The program includes songs, devotions, Bible stories, visual aids and memory work.

The daily schedule also provides for art projects related to the lessons, group discussion and supervised play. Children will learn to pray together and play together. The scenic playground area was increased last year when additional lots were purchased.

The vacation Bible school pupils will sing a special hymn in the regular church service on June 23, and June 30.

As in past years, the children will participate in a closing service on the last day of school, June 28 at 7:30 p.m. to which all parents and friends are invited. In connection with this service there will be a display of the children's handi-craft projects.

There will be no tuition charge, but freewill offerings will be received every day during the chapel in the Sunday school office before or after Sunday school on the next two Sundays. (Sunday school begins at 11:45 a.m. and closes at 12:15). The school will be held Monday through Friday, from 9 to 11:45 a.m.

from the PASTOR'S STUDY

The Rev. John O. Taxil, Pastor
First Presbyterian Church, Northville

"LO, I AM WITH YOU!"

I am sure that everyone of us has some favorite poem, story or Bible verse, that is particularly significant to you. Perhaps it came to you when you felt you most needed it, and it has been stamped upon your memory for all time. I too have had such things happen, and would like to share with you a brief passage that has served me in times of stress. Here it is:

"No temptation has overtaken you that is not common to man. God is faithful and He will not let you be tempted beyond your strength, but with the temptation will also provide a way of escape, that you may be able to endure it."

Now read this passage over once or twice and you will feel the nearness of God in the prosaic duties of everyday living. Further, you will feel that God is not removing those things from our lives by which we grow stronger in our spirits, but rather He is concerned to help us to do just that. His aim in our lives is that we might not be "broken."

How very revealing about God!—He is near! concerned! faithful! strong! and dependable. This is what makes Him so real to each of us, because it shows us that He has not set the world to spinning then removed Himself to watch our struggling, but He has done enter into the very situations of life that we often say are too small for Him to concern Himself. Thus it becomes suggestive that with the dawn of each new day, this passage of promise can be for each of us our guide and stay; and makes a reality the promise of Jesus and Christ when He said, "Lo, I Am With You Always."

Christian Scientists Gather in Boston For Conference

Gratitude for the healing power of the Christ, Truth was the keynote as more than 5,000 Christian Scientists from many parts of the world met Monday for the annual meeting of the Mother Church, The First Church of Christ, Scientist, in Boston.

Humanity is gaining freedom from the bondage of sickness, sin, and limitation through growth in spiritual understanding. The Christian Science board of directors declared in a special statement.

World conflicts and upheavals are caused by resistance to the Christ, Truth, the directors told the gathering. They said that the "light of the Christ is today dispelling the darkness of material sense and its fear, ignorance and superstition."

Commenting on the phenomenal progress mankind has made in breaking the barriers of limitation in all fields of thought and endeavor, the directors emphasized that "true progress can be measured only by growth in spiritual understanding and by the demonstration of spirituality."

Bearing witness to the healing power of prayer were the TV and radio programs in the series "How Christian Science Heals" which were carried by over 1,000 stations during the year, it was announced. The programs included firsthand accounts of the healing of alcoholism, drug addiction, cancer, duodenal ulcers, rheumatic fever, typhoid fever, broken bones, burns, deafness, blindness, etc.

The worship most acceptable to God comes from a thankful and cheerful heart.

Notice of Annual Election

MEMBERS BOARD OF EDUCATION

Notice is hereby given that the Annual Election of members of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, will be held

MONDAY, JUNE 10, 1957

at the

NORTHVILLE COMMUNITY CENTER

Polls open from 7:00 o'clock a.m. to 8:00 o'clock p.m.

Two vacancies on the Board of Education to be filled; and the following proposition to be determined:

Shall the School Board be authorized to negotiate with and convey to the proper road authorities such portion of its school site located in Section 34, Novi Township, Oakland County, Michigan, as may be required for the purpose of opening up and constructing the proposed Eight Mile Road Cut-off?

The following electors have legally qualified for nomination as candidates for election to the three year terms to the Northville Board of Education ending in June, 1960, and their names will appear on the official ballot for said election:

Francis P. Gazlay
Clifton D. Hill
Dr. Waldo T. Johnson
Adrian Willis

This notice is given by order of the Board of Education, Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

Dated this 15th day of May, 1957.

DETROIT SYMPHONY BEGINS CONCERTS

The Detroit Symphony orchestra, under the baton of Valter Poole, will open its summer series of free concerts next Tuesday in the music shell at the Michigan State Fairgrounds.

The featured soloist will be Claude Sorel.

The concert will be the first of 27 to be presented Tuesday, Thursday and Saturday evenings through August 10.

Poole's overall plan for the summer calls for soloists on Tuesdays, programs featuring full symphonies on Thursdays, and lighter programs including music from the new Broadway musical shows for Saturdays.

The summer concert sponsors are giving Detroit an outstanding reputation in the field of summer music. Few cities offer as much to the public at no charge.

What about these new electric water heaters?

They're the safest you can buy and Edison's new Super Supply Plan gives you all the hot water you want!

Edison's new Super Supply Plan

SOMETHING NEW IN ELECTRIC WATER HEATING!

Only electric water heaters give you all these important advantages:

- Safest water heater built—flameless
- Plenty of hot water—24 hours a day
- Install anywhere—no flame, no flue
- Efficient—no heat wasted up a flue
- Cleanest—no soot, it's all-electric
- Cool to the touch—top to bottom
- Long lasting—built to rigid Edison standards

Whether your hot water needs are large or small... you can depend on Rheem... the Big Champ in water heaters.

CHEVROLET TURBOGLIDE

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector to "CR" (Grade retarder) and Turboglide helps slow you down.

Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.

In Honor of the Fallen...

A solemn procession of veterans moved silently across the grounds of Oakland Hills Memorial Gardens Thursday to pay tribute to Novi townships war dead in traditional Memorial Day ceremonies.

Marching from the township hall and down Novi road to the cemetery, the parade was the longest in Novi annals.

In addition to Novi AMVETS and Walled Lake Veterans of Foreign Wars, the parade included a host of township organizations and youth groups.

Represented were the two town auxiliaries, Gold Star Mothers, Blue Star Mothers, Novi Oddfellows, Novi Rebekahs and the VFW DADS.

Also in the parade was the moving Novi school drum and bugle corps, the Walled Lake high school band, Boy Scouts, Girl Scouts, Cubs, Brownies and the new Novi Little League.

At Oakland Hills, the parade halted at the veterans plot and gathered around the grave of AMVET Hamilton Snyder.

WREATH-BEDECKED GRAVE of AMVET Hamilton Snyder of Novi was decorated by AMVET district commander Fred Solomon, Rev. Bryan Chapman of Willowbrook Community church then admonished the hushed gathering to remember the meaning of Memorial Day.

STACCATO DRUMBEATS herald an approaching color guard as it moves quietly across Oakland Hills Memorial Gardens to the veterans plot.

TRIBUTE TO SAILORS who gave their lives is paid by Northville veterans by dropping a wreath into a stream during their march between cemeteries.

Quiet ceremonies high above a creek and in two cemeteries last Thursday marked Northville's annual tribute to its servicemen who died helping defend their city and country.

The quiet salute began with a parade to the Northville Community building where special services were conducted by local religious and civic leaders.

Rev. John O. Taxis of the First Presbyterian church delivered the main address, while chaplains of the American Legion and Veterans of Foreign Wars spoke in behalf of their organizations.

Northville students also addressed the gathering, and others played the solemn tones of "Taps."

From the Community building, the marchers moved to Oakland cemetery where a volley was fired in honor of the deceased veterans. Reassembling, the group marched on, passing high over a creek to drop a wreath in tribute to Northville sailors who perished.

Then the parade marched to Rural Hill cemetery for final ceremonies at the veterans plot there.

THREE VOLLEYS are fired in honor of the thousands of American soldiers, sailors, marines and airmen who died in battle in two world wars and Korea. Here, the Novi AMVET firing squad, commanded by Charles Trickey, Jr., aims and fires its tribute amid the silence of the veterans plot at Oakland Hills Memorial Gardens.

COLOR GUARD of Northville Veterans of Foreign Wars and American Legionnaires precedes the parade that moved quietly through Northville streets last Thursday. After ceremonies at the Community building, the marchers moved on to two cemeteries for traditional observances.

Northville Boys Can Apply for YMCA Camp

Northville boys may take part in an organized camping program through the Ann Arbor YMCA, it was announced today.

The 'Y' operates Camp Birket on Big Silver Lake, south of Pinckney, for boys from 8 through 15 years of age. It is not necessary to be members of the Ann Arbor YMCA to enroll for the camp.

The program starts Sunday, June 10. There are four 12-day periods and two 6-day periods.

Program staff and cabin counselors will be carefully selected from mature young men who like boys and are interested in helping them to have a worth while camp experience.

Registration blanks, and additional information may be secured from Arnet J. Cole, camp director, Ann Arbor YMCA.

SPEAKING for the Record

It's been either nine or 12 years, Bob Coolman can't remember which, that the retiring president of the Northville school board has served as a member of the school governing body.

Throughout his terms he has been especially concerned about one problem peculiar to the local school district. Along with Bob Shaffer, Coolman has spent many hours searching for a way to make up for the big loss in revenue resulting from large areas of state and county owned property within the school district.

Coolman points out that more than 20 percent of the Northville school district is owned by the county or state. Large institutions like the Northville State Hospital and the Training School are tax free, yet lie within the district. Industry, or even homes, within this area would lend financial support to the schools, Coolman states.

"I don't know how it would work, but we believe the state should create a rebate system for school areas in which more than 10 percent of the land is state owned," Coolman remarked. Loss revenue could be determined by figuring the area as being residential, he added.

His thinking makes sense. Especially in the light of the trouble that state agencies are finding in locating institutions such as the Boys Vocational School, now planned for Whitmore Lake. Residents there have been violently opposed to it. Perhaps a compensation plan would relieve the problem.

Northville is surrounded by institutions. Scarcely a resident of the town of Northville does not realize the advantages of location and facilities that exist in Northville.

Final approval of funds for the proposed 550-bed hospital for mentally retarded children on Wayne county Training School property at Shelton and Phoenix brings the subject into sharper focus. The hospital, desperately needed by the state, is being built on Northville township land turned over to the state by the county.

Some months ago we carried a story which first revealed details of the proposed hospital and its location. We wondered then how this Northville township institution got its name: the "Plymouth" State Home and Training School. Mr. Coolman wondered, too. Got any ideas?

The Plymouth Symphony Society has passed along some information which we feel deserves the attention of the whole area. It's a summer concert series to be presented out of doors on the Plymouth Colony Farm of Dr. Ralph Pino. The 85-piece orchestra plans three concerts on June 30, July 21 and August 11.

The farm is located at the intersection of Ann Arbor road and Ann Arbor trail. Its appearance from the road is highly deceiving. On the 75 acres of the farm are green-covered rolling hills, a natural lake with a small island, a well-kept white barn and several homes. Dr. Pino has turned it over to the symphony orchestra for the summer project and site preparations are already underway.

Conductor Wayne Dunlap and a host of helpers are carefully planning a professional series of concerts which they hope will gain the support that may lead to greater understandings in the future.

Backers of the project are quick to recognize the possibilities offered by the farm. What's more, Dr. Pino is enthusiastic in his support and can even envision a future summer program offering plays, concerts and art exhibits.

Next Monday is school board election day. Voters should acquaint themselves with the proposition on the ballot which requests authorization to negotiate a sale of school board property for the proposed Eight Mile cut-off. City council members were concerned enough Monday evening to adopt a resolution urging the passage of this proposal. (See story on page one.) They fear any break in negotiations between the school and the road commission would leave the city holding the bag on drainage and road improvements for the new high school.

Michigan Mirror

More Heating Gas?

TAX BILLS, which usually mean losses to pay more, brought relief to financially-distressed taxpayers this session of the legislature.

Under the bills, any bus company which uses more than 94 percent of its income to pay expenses, will get at least a partial waiver of gasoline, weight taxes and a state fee.

The tax issue became entangled in a dispute between Williams and Republicans about the "tax climate of the state" and its effect on the sending industry out of the state or attracting it to Michigan.

Republicans said Williams proposed to impose more taxes on industry would drive factories out of the state. They came up with evidence of recent departures to prove their point.

Williams replied that a survey showed that taxes are "relatively important" in choosing a factory site, and disputed claims that some industries had left Michigan.

Michigan's state government will get a new office building west of the state capital within three years.

The legislature authorized a special corporation organized for the purpose to file a revenue bond issue and construct the building estimated to cost \$8,000,000.

State government, with more than 21,000 employees, has been growing out of its quarters for years. The crisis became acute in 1951 when fire damaged what is now the Cass building.

Later, the Stevens T. Mason building was constructed, but a number of agencies still are operating in other buildings while the state pays rent to private landlords.

The new building will also be the first permanent home for the state library since the fire.

TAXPAYERS will get a better look at their financial future in a series of hearings scheduled by legislators this summer to study how the state gets its money.

Legislators, still smarting from controversies of the 1957 session, have ordered an investigation of the tax structure.

Senator Clyde H. Geering (R-Holland) chairman of the taxation committee in the Senate, said the special committee would check "every phase" of the system.

"There may be some inequities and some new sources of revenue, but, at any rate, we want to make a complete study," he said.

Geering and other Republicans held the tax line during the 1957 session against new levies for general fund purposes despite heavy pressure from all sides for more spending.

Roger Babson New Age Beckons Graduates

Babson Park, Mass. Skyrocketing labor costs have forced employers to turn to unprecedented technological research. This research is teaching employers that they can get more out of their employees. Even with the present high employment level, this should sound a warning note to high school and college graduates.

Out of electronics has come the basis for vast new developments in automation. A simple example of what I mean is the "electric eye" which opens doors at the proper moment without being actually touched by anybody.

Character Will Tell I predict that the above changes will mean that young graduates will get good character more than ever before. Better training in homes, churches and schools will be absolutely essential in this new electronic push-button age. Wise are the young people who take evening courses now to prepare them for the better jobs ahead.

The typical salesgirl in the process of becoming obsolete. Before long she will be replaced 90 percent by self-service counters, 15 percent by push-button vending machines, and 25 percent by highly paid, intelligent salesmen whose job will be to secure new customers. New qualifications are a must for the dull graduates who hope to get good jobs. The field of advertising and selling is still in its infancy, and numerous opportunities exist for those willing to train properly for it.

What The Changes Mean (1) Manual and routine labor will gradually become obsolete. (2) Those who cannot readily learn new skills will be kept on at reduced hours, but with the same take home pay. This will boost the Do-gooder industries! (3) Only the serious and intelligent employees will get raises. There will be no limit on salaries for those with the necessary character.

New Approach To Warfare Russia has always thought in terms of massed armies to overrun Europe when the time seemed ripe for an attack. However, with the Free Nations of Europe learning to use nuclear weapons, wars are swiftly moving onto a push-button basis. The great masses of Russia, China, and the Moslem nations will be only a nuisance to cluster up a battlefield under such conditions.

NATURAL GAS to heat more homes in outside Michigan is a growing possibility. Panhandle Eastern Pipe Line Co. said it can divert its supplies from Detroit, it will be able to transport enough outside to serve 175,000 new customers.

The extra gas for outside would go to retail outlets, like Consumers Power Co. Panhandle declared that Detroit has enough gas supplies from other sources to meet its needs.

Michigan Consolidated Gas Co., the principle Detroit area retail outlet, will oppose the transfer, claiming it needs all the gas it can get.

Supplies of the Upper Peninsula. Some of the present ideas are to tap the Trans-Canada pipeline, encourage Michigan distributors to sell a new market, or help build a pipeline to the Upper Peninsula.

Legislators are considering their investment toward getting natural gas supplies for the Upper Peninsula.

Senator Clyde H. Geering (R-Holland) chairman of the taxation committee in the Senate, said the special committee would check "every phase" of the system.

"There may be some inequities and some new sources of revenue, but, at any rate, we want to make a complete study," he said.

Geering and other Republicans held the tax line during the 1957 session against new levies for general fund purposes despite heavy pressure from all sides for more spending.

Look at the Figures Shows School Need

Editor's Note: This is the first of two articles in which Novi school officials will explain the background of their request for a \$825,000 bond issue for a new school and new sites. Next week's article will tell how the bond issue would be financed and what it would mean to the individual taxpayer in terms of dollars and cents.

One simple reason stands behind the request of Novi school officials for more than \$800,000 to build a new elementary school and buy sites for future buildings.

That reason, brought down to plain language, is that Novi is getting larger than ever... and at a faster rate than ever.

And when there is growth, there are families. Where there are families, there are children. And where there are children, there is a need for schools.

During the past year, Novi was fairly well set as far as its schooling was concerned. In its single 18-room school some 300 students — slightly better than the desired standard of 300 students per classroom.

But when enrollment projection charts are brought out, the rosy picture begins to cloud... and rapidly.

Next year, the elementary student population will jump by about 20 percent — to some 610 pupils. At that point, Novi school will have passed into the overcrowding stage—though by adjusting and rescheduling, the one-classroom shortage can be temporarily overcome.

But look at what is expected to happen then. In 1959, the student population will reach 700. In 1960, there will be 790 students. And by 1962, it will soar to 1,050.

To those who shake their heads at these figures, school officials reply that their estimates are actually somewhat on the conservative side.

To back up his stand, Medlyn points out that the bond issue proposal includes some \$100,000 for acquiring future sites.

One site would be for a high school, and junior high. The second is for still another elementary school — wherever it is most needed. And the odds are that, by that time, the Lincoln area might get the first of these buildings.

School officials point out that they have kept their plans for the new school down to a common-sense level.

On one hand, they have not added frills just for the sake of saying that Novi schools have "everything". But on the other hand, they have not sacrificed the facilities that are needed to insure a well-rounded education.

The proposed building is of striking design, but Novi officials point out that a pleasing design is the mark of a good architect — and not an indication of excessive cost.

These are some of the things that Novi school officials hope the voting public will keep in mind when they vote on the bonds on June 26 to make their decision on the \$825,000 bond issue.

Furthermore, they know there are no false claims. Novi's fastest growing residential location is in the vicinity of Willowbrook Village. Already there are scores of homes there, and in them are some 200 children of school age.

What's more, Novi township is getting ready to open up even greater areas for residential development. Nearly three square miles are expected to be rezoned for homesites next month.

All in all, there's every reason to believe that Novi's greatest residential trend will be out 10 1/2 miles.

And that's right where they hope to build the new school — just off 10 1/2 Mile near Meadowbrook. That way, they feel, the school will be in use where it's needed most at the present time.

It's true that other parts of Novi are growing, and will continue to do so. But Superintendent William H. Medlyn, Willowbrook, we can actually see the homes. They aren't just plans on paper. When the day comes for a school near the Lincoln plant or elsewhere, they'll be ready to expand that way."

Novi Highlights: Novi Faculty Has Luncheon

By Mrs. Luther Rix Phone Northville 741
The Novi Faculty club held their annual luncheon at the Novi Pizzeria in last Thursday noon. At this meeting, 14 faculty members from the Novi school system are honored guests. Mrs. Elsie Garner is retiring from the profession and Mrs. Betty Hood will not be teaching next year. Both were presented with gifts by the group.

Novi Faculty Club members: Mrs. Elsie Garner, Mrs. Betty Hood, Mrs. Mary Leifer, Mrs. Helen Groenewald, Mrs. Russell Race, Mrs. Lorraine Kowalski, Mrs. Helen Groenewald, Mrs. Russell Race, Mrs. Lorraine Kowalski, Mrs. Helen Groenewald, Mrs. Russell Race, Mrs. Lorraine Kowalski.

Novi Withdraws Suit against Northville To Vote on Bond Issue June 26

A possible era of new harmony between Novi township and Northville may have dawned Monday when Novi suddenly withdrew its long-standing suit against the city's annexation of township acreage.

As a result, Northville is larger — and Novi is smaller — by some 82 acres surrounding the American school.

The suit, which had lingered in litigation since shortly after the annexation election last August, was settled within a two-hour period Monday.

In return for withdrawing its suit, Novi gained Northville's agreement to drop the county claim to a division of assets on the 82 acres involved.

The case of Novi versus Northville was officially closed Tuesday when Oakland county circuit court Judge Clark J. Adams issued a consent judgment which legally nullified the city-township agreement to vacate the suit.

The action came on the very day Novi and Northville attorneys were to appear before Judge Adams and argue their cases.

Novi attorney Anthony Renee began the process when he informed members of the township board that he had changed his mind and withdrew the suit. Board members agreed unanimously with his proposal to drop the suit if Northville would give up its case.

Renee then presented the proposal to Northville attorney Philip Ogilvie, who contacted city councilmen and got their consent.

The drop-out litigation was first sidetracked last fall when Northville challenged Novi's right to bring the suit. The state supreme court ruled that it was properly brought.

Then Novi entered a month-long period without an attorney, and it was not until Renee was appointed that the suit was brought.

Novi had challenged the election on the grounds that the entire township had not been permitted to vote, and that the special election had been improperly called by the secretary of the village.

As a result of the withdrawal, neither of these key questions — which would affect virtually every township and every annexation in the state — will come to a court decision.

Novi has broken even — on its win, a loss and a draw — as its three suits against so-called encroachment on its boundaries. It won an earlier suit against another annexation of township territory by Northville, and then lost a suit aimed at stopping the incorporation of Wixom as a village.

There now appears to be a possibility that Novi and Northville may negotiate over the first city-township annexation case.

Though Northville has decided not to appeal the court decision on that question, it is known that the city wants the land — some 85 acres on which a 250-home subdivision will be built. In return, Novi wants to let the Middle Rouge sewer system which extends into Northville.

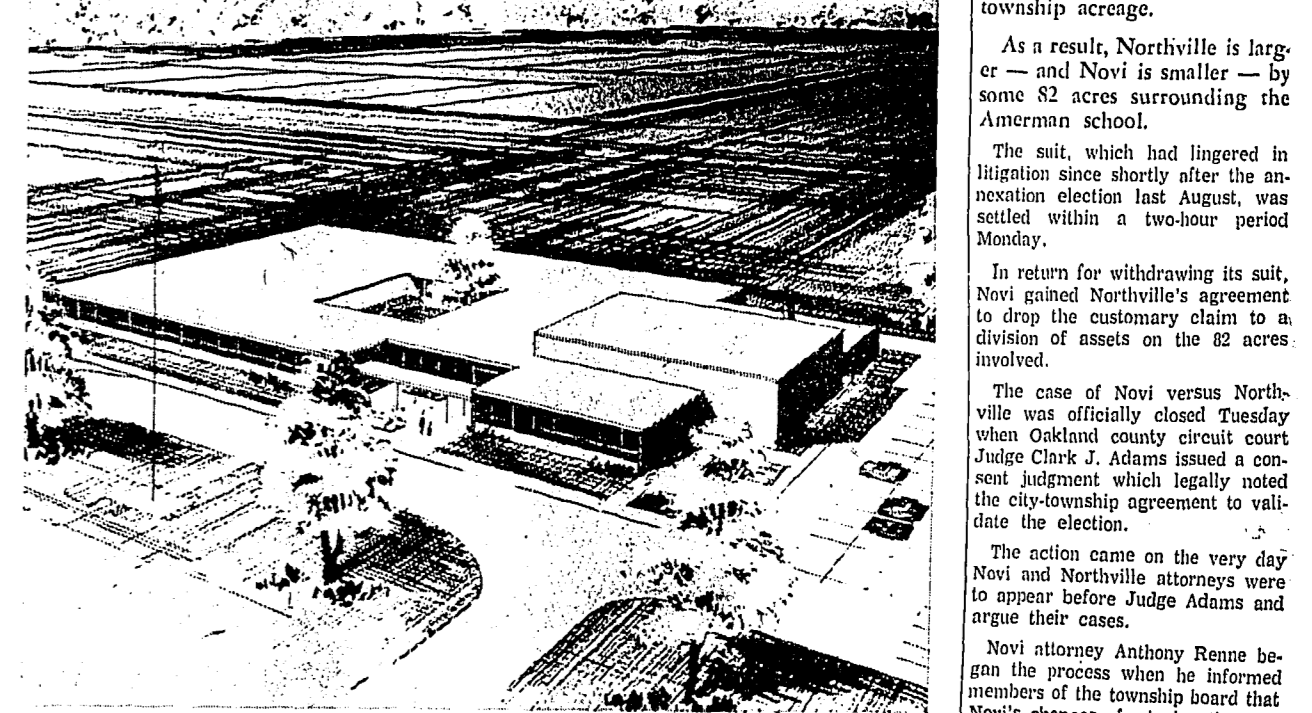

As a result of the withdrawal, Novi will be able to proceed with the \$825,000 bond issue for a new school and new sites for future buildings. The bond issue will be voted on June 26.

The bond issue will be voted on June 26. The bond issue will be voted on June 26. The bond issue will be voted on June 26.

The bond issue will be voted on June 26. The bond issue will be voted on June 26. The bond issue will be voted on June 26.

The bond issue will be voted on June 26. The bond issue will be voted on June 26. The bond issue will be voted on June 26.

The bond issue will be voted on June 26. The bond issue will be voted on June 26. The bond issue will be voted on June 26.

PROPOSED NEW SCHOOL — According to preliminary architect's drawings, the new Novi school near Willowbrook would have this functional modern design. Meadowbrook road would run along the bottom of the drawing, about a quarter mile from the school, and 10 1/2 mile would be located to the right, about 300 feet from the building. Voters will decide on June 26 whether to float a bond issue for the new school.

Wixom Charter 'Amended'

Wixom's proposed charter has a proposed amendment even before it is adopted.

At a meeting before some 150 members of the Wixom Civic Association last Thursday evening, the village board voted to amend the charter brought about by the suggested change.

The Civic Association voted 63 to 13 to amend the charter and set a tax limitation of 8 mills. To avoid delaying passage of the charter, which has already received state approval for a July 15 vote, the group proposed to circulate petitions for the amendment after the election providing the charter was approved.

Thus the newly drawn Wixom Village charter will go to the voters in its present state, but will undoubtedly face an amendment within 10 to 90 days following its adoption.

Controversy over the tax limitation arose when three members of the five-man citizen commission favored permitting the 20 mill state tax limitation stand as the only check to the rate.

It developed, however, that the two-man minority favoring a stipulated tax limitation had the backing of the majority of the people.

The meeting reflected two theories of government and proved that the will of the people eventually prevails. Chairman Everett M. Pearson first called upon the three

Members of the commission favoring the 20 mill limitation to present the "future, why not adopt the state limit," argued Lahl. He stressed the fact that the council cannot inflict a higher tax rate than the budget approved by the people would demand.

Commissioner Rochester emphasized that the people would have to pay taxes in relation to what their demands might be and could not expect "Lincoln to pay for it all."

Richardson echoed these thoughts and called the charter "a good one."

The minority got in their licks when Herbert Abrams pointed to the village's first "fork in the road."

"Every man on the charter commission knew that a tax limitation clause was wanted," he stated. Abrams added that the commission should be expected to act just as a council and provide a document that "meets the desires of the people."

Richardson closed his appeal for change with the point that became more apparent as members of the village board were asked to leave the charter pass unless the tax limitation change is provided, he concluded.

Joseph Stankin, secretary of the Civic Association, backed up Abrams' statements and said the commission had not "kept promises" about providing a tax limitation. Stankin also warned against "taking out industry before it even arrives."

Following the one-sided vote of the membership, the group voted unanimously to support the charter in the election.

'Doctor' Medlyn To Receive PhD At U-M Saturday

It will be "Doctor" Medlyn from Novi.

Novi school superintendent William H. Medlyn will receive the end of a long educational road Saturday when the University of Michigan confers upon him a Ph.D. in community education at Michigan Stadium.

By his degree, Medlyn studied 20 years and wrote a 140-page dissertation on "A Cost Analysis of the Novi School Transportation in Michigan for which he surveyed some 215 state school districts.

Medlyn, 32, is married and has three children. At present he lives in Plymouth.

Who'll Get the Crown? 14 Pretty Girls Seek It

Atlantic City will have nothing on Novi tomorrow night when 14 lovely teen-agers vie for the crown of the "Miss Novi AMVETS."

Two former beauty queens and a renowned band leader will be on hand to make the spectacle even more colorful.

The annual pageant will be held at the New Casino in Walden Lake and will feature the dance music of Glen Phillips and his orchestra. Sponsored by Perry Kenner Post 76, AMVETS, the contest has become one of the most popular annual events in the area.

The two queens who will preside at the pageant are Anne Williams of Willowbrook, last year's "Miss Novi AMVET," and Lorraine Kowalski, the stunning blonde who barely won to oust out Miss Williams for the state crown and then went on to become "Miss AMVET" in the nation-wide contest.

Miss Williams will crown her successor tomorrow night. Carolyn's job will be to hold the baton long enough to act as master of ceremonies for the judging.

Contestants will be judged first in evening gowns at 10 p.m. They will return at 11 p.m. for bathing suit competition. Because of the early start, the pageant will be held before the final judging.

The pretty winner of the "Miss Novi AMVETS" title will go on to contest for a try at the national crown. She will also win the \$500 prize and will be crowned "Miss Michigan AMVET" in Detroit. If she wins it, she will then journey to Boston for a try at the national crown.

The new Novi queen will have more than a title to show for her efforts. Presentation of a \$50 savings bond and other gifts will round out her evening.

Novi Incorporation To Be Discussed
Incorporation will be the topic of discussion before the Novi Board of Commerce this evening. The business organization will meet in the Community building at 8 p.m.

William H. Medlyn

Monday Deadline For Registration

Wixom candidates and voters have until Monday, June 17 to file petitions and become registered voters of the village.

All residents in the new village must register in order to vote in the July 15 election. Previous Wixom registration does not apply to the village.

Registrations are being received at 121 North Wixom road until 10 a.m. and 1 p.m. and 4 p.m. to 8 p.m. on Saturday from 10 a.m. until 5 p.m. The office will be open from 8 a.m. until 8 p.m. Monday, the final day of registration.

Candidates for council or presidency of the village may secure petitions at the post office. Six councilmen and a president will be elected.

There now appears to be a possibility that Novi and Northville may negotiate over the first city-township annexation case.

Though Northville has decided not to appeal the court decision on that question, it is known that the city wants the land — some 85 acres on which a 250-home subdivision will be built. In return, Novi wants to let the Middle Rouge sewer system which extends into Northville.

As a result of the withdrawal, Novi will be able to proceed with the \$825,000 bond issue for a new school and new sites for future buildings. The bond issue will be voted on June 26.

The bond issue will be voted on June 26. The bond issue will be voted on June 26. The bond issue will be voted on June 26.
