A fine party! What's the occasion...fund raising, PTA, a school reunion? In any event, the hard-working committee that made the party a success deserves a round of applause. And don't forget, the telephone helped, too.

It was the telephone that helped settle hundreds of details—"Alice, will you take charge of the decorations?... Mary, will you arrange for the food?...Jane, will you get the extra tables and chairs?"

Let your telephone run your day-to-day errands, plan good times, keep you in touch with friends and loved ones. There's just no end to its usefulness. Your telephone is always at hand to work for you-quickly, tirolessly, 'every day of the year.

another year.

After the Willow Run game you could feel the tension creep away, As one person remarked, "You're worries are over." This is true, but, winning is a "worry" that you enjoy. Whether or not the season could be termed a "success" depends upon how the individual feels about the benefits of athletics. If you look at the season on the basis of our won and ost record (12 wins, 5 losses) you would conclude it was successful. If you use "championships won" as a measure then the campaign was obviously a flop. If you view all the games as something that teaches sportsmanship, team work,

theorize on your conclusion. During the year the coach and players were offered

air play and the spirit of competition then you'll have to

many "suggestions" which were, according to them, the salvation of our troubles. Many of them made sense, We would like to thank you and all of our loyal fans who traveled many miles throughout the season to support our team, win or lose.

When the team arrived in Northville after losing to Willow Run in the district finals; there were about 50 students on hand to cheer the boys as they got off the bus. We had lost but to these kids that didn't matter. Not that they didn't care whether we won or lost. It was just their way of telling the players that they appreciated their efforts. So do 1.

AMERICA-AND BACK-IN 41 HOURS **CHEVY'S NEW V8 LEVELS** THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,\* the tremendous flexibility of the new Turboglide transmission,\* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world - the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires - no chance to add oil or water or adjust carburetors

So the run began - across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes - and the engine was never turned off!

Cooking has always been difficult to master. But today's new Gas Range makes it simple and easy to become a good cook. A Gas Range with the gutomatic Top Burner makes every pot and pan you own an "automatic controlled heat utensil." Food won't burn, boil-over, dry out or stick to the pan. Top Burner is controlled . . . automatically. Oven turns "on and off," safely . . . automatically, even when you're elsewhere. You are freed forever from watching and waiting to see that nothing goes wrong. You'll enjoy cleaner and cooler automatic gas cooking. It means less work and more time for relaxation. And Gas Ranges cost less to buy, to use, and to install.

Northville Debaters Bow In Regional Finals Again

"The decision goes to Marshall." With those fatal words, the Northville high school debate squad was put out of the running for the state debate championship last week.

The Northville-Marshall quarter-final debate was argued by the NHS affirmative team of Lillian Zinnecker and Becky Coolman — the same team which carried Northville to its district championship two weeks.

The debater's restaurant in Marshall ight at Northville high school last week.

The debaters, coached by Miss Florence Panatonni, took the Wayne-Oakland league championship this year with a 10-1 record and went on to take the district title by winning over three Class A schools two weeks ago.

Other varsity debaters included:
