

a. Where express permission of the Board is required by this Ordinance for construction of a gas-line filling station, automatic car wash, motel or motor court, there must be filed with the application the written consent of the owners of 50% of the frontage of all property within four hundred (400) feet or immediately abutting or opposite from any part of the premises upon which such use is to be established, erected or enlarged.

b. Where express permission is required of the Board regarding the removal of sand, soil or other material, the Board shall insure that the land and excavations of such material is left in a usable state for which the land is zoned.

Sec. 13.08 Variance Where, by reason of exceptional narrowness, shallowness, or shape of a piece of property at the time of the enactment of this Ordinance, or by reason of exceptional topographic conditions or other ordinary and exceptional situations or conditions, the strict application of a regulation enacted under this Ordinance would result in peculiar and exceptional practical difficulties to, or exceptional or undue hardship upon, the owner of such property, the Board may adjust such provisions in harmony with the general intent and purpose of this Ordinance so that public health, safety and general welfare may be secured and substantial justice done. Increased construction cost or the possibility of increased financial return shall not be deemed sufficient cause to warrant a variance. In granting a variance the Board may attach thereto such conditions regarding the location, character and other features of the proposed building, structure or use as it may deem reasonable in furtherance of the purpose of this Ordinance.

In all cases where the Board of Appeals shall permit a variance in the use of land, such variance shall thereafter be extended, nor shall any buildings on said land be structurally altered, nor shall such use be thereafter changed by any other use or uses, without the approval of the Board of Appeals.

a. Where a district boundary line divides a lot of record at the time of enactment of this Ordinance, the Board may permit the extension of a use permitted in the less restricted portion of the lot to the portion lying in the more restricted district, provided that such extension shall be for a distance not exceeding fifty (50) feet into the more restricted district.

b. The Board may permit the erection of a dwelling on a single lot held under separate and distinct ownership from the adjacent lots

accessory building, when erected at the same time as the principal building on a lot and shown on the application thereof, shall not require a separate permit. Whenever the buildings, lands and uses thereon, as set forth on the application, are in conformity with the provisions of this Ordinance, it shall be the duty of the Building Inspector to issue a permit within ten (10) days after the receipt of such application. All permits, when issued, shall be conspicuously posted upon the premises.

Sec. 14.07 Application for Certificate of Occupancy The Building Inspector shall place his stamp of approval on the plans submitted to him with date of approval. One copy of the plans shall be returned to the applicant submitting such plans and the second copy shall be placed on file in the office of the Building Inspector. In all cases when the Building Inspector shall refuse to issue a permit, he shall state such refusal, in writing, with the cause and reasons for said refusal.

Sec. 14.08 Administrative Officer The provisions of this Ordinance shall be administered by the Building Inspector or by such deputies as he may designate for such general work. He shall make such general rules and prescribe the use of such forms and methods consistent with the intent of this Ordinance as may facilitate the administration thereof. With the approval of the Village Council the Building Inspector may employ expert service to aid in the administration of the Ordinance.

Sec. 14.02 Building Permits No building or structure shall hereafter be erected, moved, repaired, altered or razed until a permit shall have been obtained by the owner of said building from the Building Inspector. No such permit shall be issued for the erection, moving, repair, alteration, or raising of any building or structure or part thereof, which is not in accordance with the provision of this Ordinance. Provided, however, any repairs to an agricultural building or building, estimated to be two hundred dollars (\$200.00) or less in value, shall be exempted from the requirement of obtaining a permit.

Any Building Inspector issued under the provisions of this Ordinance shall be valid only for a period of six (6) months following the date of issuance thereof.

The inspection on small sheds and garages shall be called for as soon as wall studs are in place. In the case of land use or a change in use of a building one inspection shall be required when such land use or building has been completed.

Sec. 14.03 Application for Permits An application for a zoning permit shall be filed with the Building Inspector. Such application shall be accompanied by a plan in duplicate, drawn in scale, showing the dimensions of the land, the building to which the permit is to apply, the lines of all the lots or parcels under separate ownership contained therein, the width of and alignment of all abutting streets, alleys, easements and public places, the area, site, position and height of all buildings; duplicate plans, drawn to scale of the proposed building or alteration, showing such other information as may be deemed necessary for the proper enforcement of this Ordinance. An

Sec. 14.04 Schedule of Fees for Permits The Building Inspector may issue a Temporary Certificate of Occupancy for a part of a building prior to the occupation of the entire building, provided, however, such temporary certificate shall not remain in force for a period in excess of six (6) months nor more than five (5) days after the building is fully completed and ready for occupancy. A fee of twenty-five dollars (\$25) shall be paid with each application for a change of occupancy or amendment to this Ordinance. Said fee shall cover the cost of advertising and printing and shall be paid to the Treasurer to be credited to the general fund of the Village of Wixom.

Sec. 14.05 Inspection It shall be the duty of the holder of every permit to notify the Building Inspector, in writing, of the time when such building will be ready for inspection. Two such inspections shall be called for on all buildings, except sheds and garages of less than eight hundred (800) square feet area, and one inspection shall be called for on such buildings.

Sec. 14.06 Certificate of Occupancy No land or building hereafter erected or altered, shall be occupied, used or changed in use until a Certificate of Occupancy shall have been issued by the Building Inspector. Whenever the Building Inspector shall find that the land or use thereon is in conformity with the provisions of this Ordinance, and all other Ordinances of the Village of Wixom, and other applicable laws and regulations, he shall issue a separate permit, and no further, are hereby repealed.

Sec. 17.02 All other ordinances and parts of ordinances in conflict with this Ordinance, to the extent of such conflict and no further, are hereby repealed.

Sec. 14.07 Application for Certificate of Occupancy The Building Inspector shall place his stamp of approval on the plans submitted to him with date of approval. One copy of the plans shall be returned to the applicant submitting such plans and the second copy shall be placed on file in the office of the Building Inspector. In all cases when the Building Inspector shall refuse to issue a permit, he shall state such refusal, in writing, with the cause and reasons for said refusal.

Sec. 14.08 Administrative Officer The provisions of this Ordinance shall be administered by the Building Inspector or by such deputies as he may designate for such general work. He shall make such general rules and prescribe the use of such forms and methods consistent with the intent of this Ordinance as may facilitate the administration thereof. With the approval of the Village Council the Building Inspector may employ expert service to aid in the administration of the Ordinance.

Sec. 14.02 Building Permits No building or structure shall hereafter be erected, moved, repaired, altered or razed until a permit shall have been obtained by the owner of said building from the Building Inspector. No such permit shall be issued for the erection, moving, repair, alteration, or raising of any building or structure or part thereof, which is not in accordance with the provision of this Ordinance. Provided, however, any repairs to an agricultural building or building, estimated to be two hundred dollars (\$200.00) or less in value, shall be exempted from the requirement of obtaining a permit.

Any Building Inspector issued under the provisions of this Ordinance shall be valid only for a period of six (6) months following the date of issuance thereof.

CD Gets Badges, Goes Back to Work

A thorny problem over civil defense badges was settled Monday night, and everyone got a lesson in good civil defense organization in the process. The township board and civil defense leaders agreed that Novi's growing CD police auxiliary shall wear badges marked "auxiliary" rather than "police" which is illegal.

But if Police Chief Lee BeGoole needs to call out CD volunteers to assist his regular force, they shall wear "police auxiliary" badges while on duty. Board members feared that CD volunteers, if given police auxiliary badges to keep, might sometime put them on and perform police duties without authority. Two Oak Park civil defense volunteers were brought to the meeting by Novi Director Leon Dochot to plead the case for police auxiliary badges. They were successful, they did make the board sit up with their description of how civil defense works in their city.

In Oak Park, civil defense is integrated with the public safety department (which combines the police and fire departments). Some 60 CD police volunteers keep in training by spending four hours a week with the police department. If medical help is needed, Novi could respond with three doctors, two dentists, seven registered nurses, 11 nurses, seven practical nurses, and a medical technician.

Two reception centers are available in the Wallace B. Adams and Walled Lake Casino. Novi's four convalescent homes could care for other victims. Among vehicles that can be used as emergency ambulances and to haul equipment are 217 station wagons, 125 trucks, 31 bulldozers, seven wreckers and 105 tractors, and two regular ambulances.

In case of evacuation to Novi, the community could furnish emergency housing for 12,000 persons. If medical help is needed, Novi could respond with three doctors, two dentists, seven registered nurses, 11 nurses, seven practical nurses, and a medical technician.

Novi's Valuation above \$29,000,000

WAY DOWN YONDER AT NOV1 SCHOOL tomorrow night, these minarets will highlight the annual school play. They're fifty and sixth graders, and will be assisted in their show by the school principal, Mrs. Mary Ann Atkinson (above). The carnival begins at 7 p.m., with plate suppliers available at 6:30 p.m.

It's Fair Time Tomorrow

Don't board homemade cakes and black-faced minarets are ready to go for Novi's annual fair to-morrow night. The fair will be held at the school playground from 7 p.m. until the final weary step is taken, scores of parents and students are expected to jam the playground tonight. A greenhouse will sell corsages just in time for Mother's Day. Other events include a cake walk, fish farm and rooms for cartoon. Proceeds of the fair are used for new equipment for the school.

Wixom Campaign Starts; Candidates Speak, Page 20

Campaign for Wixom's May 19 city election got off to a brisk start Thursday night when 13 candidates for city office told why they deserve to be voted for. The same section includes Wixom's newly adopted zoning ordinance. Previous to the candidates' turn at the floor, the Wixom Civic Association witnessed a Michigan Bell demonstration of a high-speed telephone of the future.

Next One Balon's Lost?

The next Novi board meeting on May 19 may be a farewell party of sorts. It will be the last meeting of the board before the election. The board has considered stopping all parking to avoid congestion, but park officials complain it would mean a loss of 100 parking spaces.

Kindergarten Registration

Registration for kindergarten classes in Novi schools next fall will begin next Thursday (May 13) and last until June 4. To be registered for fall kindergarten, children must reach their fifth birthday by next December 1. Registration will be taken daily from 9 a.m. to 3 p.m. at the Novi school office. Parents should bring proof of their child's birth date.

Ralph Moore to Run For State House Seat

Ralph S. Moore, Jr. has announced that he will run on the Republican ticket as a candidate for the 4th district representative seat of the state legislature. Moore is a practicing attorney and was an assistant prosecuting attorney for Oakland County for a period.

But There's No Money To Waste

Novi's financial situation was momentarily tight this week as Treasurer Ray Harrison looked into the money barrel and found only some \$360 in cash on hand. Though not alarmed by the discovery, Harrison and other board members agreed they would have to tighten the line on expenses.

School Study Group Forms Committee

More than 30 parents turned out Tuesday night for the first general meeting of the newly-formed Novi School Study Group. Three committees were formed to study various programs and report back to the board. The committees are: curriculum committee, to determine how well Novi's curriculum compares with other schools; a study plan for having conferences as a supplement to report cards; and a finance and expansion committee, to look into such matters as a high school for Novi, special classes, and a new building.

Figure Is Up 50 Percent Over 1957

The increase will not change Novi's present financial picture, however, for it was already anticipated when township officials completed their budget earlier this year. The jump more than \$9,000,000 from last year's \$20,316,395 comes primarily from three sources: — an upward adjustment of farms, many of which have been under-assessed in the past; — the balance of the Lincoln plant, which was not completed when assessments were made last year. This alone accounts for about half of the \$9,000,000.

Board Lowers Fee For Park Trailers

Trailer fees at the Novi township park were lowered Monday night after having been raised two weeks ago to cover increased costs. In a split vote, the board set the rates at \$75 a day for parking trailers and \$25 a day for use of electricity.

Kindergarten Registration

Registration for kindergarten classes in Novi schools next fall will begin next Thursday (May 13) and last until June 4. To be registered for fall kindergarten, children must reach their fifth birthday by next December 1. Registration will be taken daily from 9 a.m. to 3 p.m. at the Novi school office. Parents should bring proof of their child's birth date.

Miss Lovewell Marries Robert Kirkey

In a gown that she had made herself, Miss Victoria Lovewell became the bride of Robert Thomas Kirkey.

The bride is the daughter of Drs. Paul and Victoria Lovewell, Main street, Northville, and the bridegroom is the son of former residents, Mr. and Mrs. Joseph Kirkey, now of Lansing.

The nuptial high mass was Saturday, May 3 at Our Lady of Victory church. Officiating before an altar decorated with white gladioli was the Rev. John Wittstock.

Given in marriage by her father, the bride's gown was princess style with short sleeves. Made of slipper satin the dress was floor length. The snug bodice was embellished with Chantilly lace and exquisitely embroidered with sequins and seed pearls. A veil of illusion edged in lace formed the bridal headpiece. It was floor length.

The bride carried Amston lilies and stephanotis.

Maid of honor was Miss Suzanne Francis of Croton Pointe and attendants were Mrs. Gilbert Black of Northville and Mrs. Robert Jilison of Ann Arbor.

All of the gowns were powder blue with sheath dresses with short sleeves, and matching full length floating panels of chiffon. The bridesmaids wore matching blue ribbons with a circlet of illusion. The attendants each made their own dress for the wedding and they carried pastel yellow carnations.

Best man to the bridegroom was David Kirkey, the bridegroom's brother. Ushers were James Kirkey of Lansing, William Kirkey of Jackson, Thomas Hespil and Earl Hollis of East Lansing.

For her daughter's marriage, Dr. Lovewell was dressed in a yellow lace covered tulle sheath dress with white accessories. Mrs. Kirkey's ensemble was a rose beige lace covered dress worn with light blue accessories. Both mothers wore white orchids.

Immediately following the ceremony a reception for 200 guests was held in the church hall with guests present from Northville, Plymouth, Ann Arbor, Detroit, Lansing, Marine City and St. Florian.

For their honeymoon trip to Ontario, Canada the bride was dressed in a coral tulle suit with white accessories and a tulle from the bride's bouquet pinned to her shoulder.

The new Mrs. Kirkey attended the University of Michigan. Both are currently students at Michigan State university.

Emily Beckel Wed Saturday Final Plans Made For Annual Bazaar

A final meeting to formulate plans for its annual luncheon and bazaar was held by the King's Daughters Tuesday.

The group met at the home of Mrs. George Melton, East Baseline, to draw up final plans for the annual event scheduled for May 13 in the Methodist church hall.

Named as general chairman this year was Mrs. Nelson Schroeder, Jr.

In addition to the luncheon, the bazaar will offer a large variety of home baked goods, hand-made aprons and many other articles for sale.

Luncheon will be served from 11:30 to 1 p.m. said Mrs. Elden Blavery, kitchen chairman.

Men's Club Honors Mothers at Dance

Mothers will be honored at a special dance in their honor.

The Men's club of Our Lady of Victory church is sponsoring a Mother's Day dance next Saturday night.

The dance will be held in the new church hall with an evening of round and square dancing. Refreshments will be served during the evening.

The club said that many gifts will be given away during the evening.

Students Win Awards At Detroit Science Fair

Six local students came away from the Detroit Science Fair with awards last week.

The six entrants were from Our Lady of Victory school and each one of them received an award for their research and building of an individual project.

Winners were Judy Zayt, weather station; Janet Pauli, the bee, outstanding awards; Pat Mulligan, oil, and Pauli Kahaly, hydrofoolitic plant, excellent awards; John Bertoni, nuclear power, and William Higgins, short wave receiver, honorable mentions.

WCSO to Install New Officers at Meeting

The Women's Society of Christian Service to the Methodist church plans to install new officers when they meet next week.

The group will hold their regular monthly meeting in the church house May 13 at 12:30 p.m. luncheon.

Officers to be installed at that time are Mrs. Mervin Elton, president; Mrs. Robert Beasley, vice president; Mrs. Andrew Orphan, secretary; and Mrs. Oscar Hammond, treasurer.

Betty Ports on Committee For U-M Fresh Air Camp

A Northville girl helped guide 700 fraternity and sorority pledges at the University of Michigan in their annual "Help Week" to prepare the U-M's Fresh Air Camp for the summer session held this week.

On the committee was Betty Lou Ports, daughter of Dr. and Mrs. P. W. Ports, 2120 Halsted, a freshman in the literature school at the university.

"Help Week" was instituted several years ago by the U-M Interfraternity, Council and Panhellenic Association to replace the traditional "Hell Week", when fraternity and sorority pledges were given unpleasant assignments to informally "initiate" them into the houses. All harsh types of hazing are now outlawed on the U-M campus.

Little Ones Take to Interpretative Dancing

It doesn't take a concert stage and a full orchestra to have ballet. We're not so much interested in teaching ballet as in helping the children learn graceful movement and in giving them some form of expression," said Miss Sparrow.

Miss Sparrow, who once studied under famed ballerina and dancer Martha Graham in New York, emphasizes interpretation rather than precise steps or routines.

Instead of practicing a pirouette, a young girl will do what a rippling piano passage makes her "feel like" doing. Perhaps she will emulate a waterfall, a spring day, or the wind.

Mothers and visitors watching the youngsters - they range from three years to about 10 - are amazed at the imagination shown in the planned productions.

Organizations in September by Mrs. David Fried and other Novi mothers, the class had its last get-together of the year Saturday. But if the kids have their way, it's a small intimate table groupings - refreshments served cabaret style - all are planned to enhance the delightful fun of hearing musical comedy and popular semi-classical music played by a 50-piece symphony orchestra!

Highlighting the program will be the voices of Rosemary March and Fred Kendall who recently charmed a large audience at the Stetler Hotel in Detroit with their "personal, showmanship and wonderfully satisfying voices" in this type of music - doing both solo and duet work.

Miss Emily Matter Adams, concertmaster of the Plymouth and Detroit Women's Symphonies, will also be featured, performing the gay, intricate "Gypsy Airs" by Sarasate.

The program, opening at 8:30 p.m. Saturday, will be divided into three sections with two intermissions.

William Tell Overture, Rossini; Voices of Spring, Strauss; Sleeping Beauty Ballet, Tchaikovsky; Waltz of the Flowers, Tchaikovsky; Pleasure Train Polka, Sarasate; Jalousie Tango, Gade; Gaete Parisienne, Offenbach; Espagnolo Rhapsodie, Chabrier; Gypsy Airs, Sarasate; On The Mall, Goldman.

Selections from Carousell, Rodgers and Hammerstein; Seventy-eight Trombones; Stars and Stripes Forever, Sousa.

Potted geraniums and garden treasures used as decorations will be sold after the concert. All proceeds from the "Pops" concert evening are used to support the Plymouth Symphony in its program of free symphonic concerts during the winter. Table reservations may be made by calling GL-8-3521, although there is other available seating.

Legion Auxiliary Meets

Members of the American Legion auxiliary will meet Wednesday evening, May 14 for their regular business session. The group will meet at 8 o'clock in the Veterans' Memorial building, performing the traditional "Gypsy Airs" by Sarasate.

Mr. and Mrs. Jim Spagnuolo of East Main street attended the first communion of their grandson, Peterson, in Lansing on Sunday. They were also guests at the first communion of a nephew, Mike Pen-Bentley Ballet, Tchaikovsky; Waltz of the Flowers, Tchaikovsky; Pleasure Train Polka, Sarasate; Jalousie Tango, Gade; Gaete Parisienne, Offenbach; Espagnolo Rhapsodie, Chabrier; Gypsy Airs, Sarasate; On The Mall, Goldman.

BALERINA - No, Valerie Finner is just expressing herself and having a good time while she's at it.

OUT OF THESE CONFINING SHOES - Little Mary Ellen Reiss and Paula Schultze prepare for a session of expressive dancing. The youngsters take their dancing seriously and at the same time have a lot of fun.

NEWS AROUND NORTHVILLE

On Tuesday, May 13 Mrs. Alfred Farmer and Mrs. Edwin Lang will be co-hostesses at a special party honoring Mrs. Rano Pajuni who will be leaving with her family soon to live in Rogers, Arkansas. The party will be held at the First Presbyterian church in Ypsilanti Thursday, May 14.

Mrs. Howard Meyer of Eight Mile road will be guest speaker at the First Presbyterian church in Ypsilanti Thursday, May 14. Mrs. Meyer will highlight her talk by showing the group slides of a trip she took a year ago, that was sponsored by the Presbyterian church.

Mrs. Claude Cruse recently visited her daughter, Mary Ellen, in Milwaukee, Wisconsin, where she is a Junior at Marquette university. Mrs. Cruse was a guest at a special Mother's Day luncheon.

Visiting the Gil Glassons of Fairbrook road was Mrs. Glasson's mother, Mrs. James Burton. After spending the week here in Northville the Glassons drove Mrs. Burton to her home in Moran.

Mrs. James F. Green, 128 East Cady street, leaves this week for a two week stay in New York City. Mrs. Green will be accompanied by a friend, Mrs. Ann Hardwick of Port Huron.

Symphony 'Pop' Concert To Feature Detroit Duet

Proving that true artistry knows no boundaries, the Plymouth Symphony orchestra, having completed a successful winter symphony season, is now preparing its 2nd annual "Pop" concert.

"Springtime" is the theme, and flowers, fountains, trelises and refreshments served cabaret style - all are planned to enhance the delightful fun of hearing musical comedy and popular semi-classical music played by a 50-piece symphony orchestra!

Highlighting the program will be the voices of Rosemary March and Fred Kendall who recently charmed a large audience at the Stetler Hotel in Detroit with their "personal, showmanship and wonderfully satisfying voices" in this type of music - doing both solo and duet work.

Miss Emily Matter Adams, concertmaster of the Plymouth and Detroit Women's Symphonies, will also be featured, performing the gay, intricate "Gypsy Airs" by Sarasate.

The program, opening at 8:30 p.m. Saturday, will be divided into three sections with two intermissions.

William Tell Overture, Rossini; Voices of Spring, Strauss; Sleeping Beauty Ballet, Tchaikovsky; Waltz of the Flowers, Tchaikovsky; Pleasure Train Polka, Sarasate; Jalousie Tango, Gade; Gaete Parisienne, Offenbach; Espagnolo Rhapsodie, Chabrier; Gypsy Airs, Sarasate; On The Mall, Goldman.

Selections from Carousell, Rodgers and Hammerstein; Seventy-eight Trombones; Stars and Stripes Forever, Sousa.

Potted geraniums and garden treasures used as decorations will be sold after the concert. All proceeds from the "Pops" concert evening are used to support the Plymouth Symphony in its program of free symphonic concerts during the winter. Table reservations may be made by calling GL-8-3521, although there is other available seating.

Willowbrook . . .

The Robert Bernhards celebrated Sandra's first communion with a family dinner with the grandparents and aunts and uncles all present.

The John Williams served luncheon on Sunday to Mr. and Mrs. Steve Muth of Lincoln Park, Mr. and Mrs. Leonard Erikoff of Detroit and Mr. and Mrs. Z. Ochman of Gibraltar.

The Robert Driscolls of LeBost dined Saturday at Cliff Boyd's and attended a dance at the Elks club. The occasion was their 20th wedding anniversary.

Mike Barnes of Mooringside was eight years old on April 22nd and became a cub scout.

Three weeks in Clearwater, Florida were enjoyed by Burt and Betty Brundage of LeBost. They traveled through 14 states on the way down and back.

Bill and Kay Reis stayed overnight Wednesday in Saginaw and dined at the High Life Inn.

Lucille Heaver of Mill Stream spent last week end at her cottage on Blue lake with some of the girls from school. The week end before last Lucille was at Michigan State university making plans for her trip to Europe in June.

Robert and Saralee Miller of Willowbrook drive spent three weeks in Fort Lauderdale, Florida. Their daughter, Jeri Lee, spent the time in Pittsburgh visiting her grandparents.

The Willowbrook Pinocchio club met April 28 at Shirley Hurlbert's home on Willow Lane. Jean DeWard was the co-hostess. Don Larson and son, Louis, of East Troy, Connie Alkin, second; J. a n. Cramer, third, and Jean Huston, consolation prize. The group will meet again May 13 at Agnes Driscoll's home.

Zan Bronstedter of LeBost was hostess to her bridge club on Wednesday night. Dottie Flattery won the first prize and Marguerite Parant came in second. The consolation prize went to Agnes Driscoll.

Simmons to Head Hickory Hills Group

O. B. Simmons is the new president of the Hickory Hills Civic Association in Wixom.

Others elected to lead the association are: Gilbert Wallin, vice president; Mary Vallin, secretary; Paul Farley, treasurer; and Paul Salow and Robert Merkle, trustees.

Trustees Robert Smith and Billie Mills will continue in office.

Mrs. Wilhelmina Labi reported on the Hickory Hills swimming program for this summer. The association will pay half the cost, with students paying the other half.

It was the sixth annual meeting for the association, which covers the northern half of Loon Lake.

To Show Asia Slides At Democrats' Meeting

Residents of the Novi, Wixom and Walled Lake area will have a chance to see slides of the people of Pakistan, Cambodia, Viet Nam and other Asian lands next Tuesday.

Mr. and Mrs. Hugo Rolland, formerly of Commerce township, prior to a round the world tour, will be the guest speaker at the usual Democratic club meeting May 13. The meeting will begin at 8 p.m.

The Democratic club has invited Mrs. Rolland to show the slides. Primary aim of the pictures is to show the world people at work, and thus repeating the usual local attractions found on post cards.

News from Wixom

Boy Scout Troop 118 and their parents held an outdoor meeting at the home of Scoutmaster Howard Coe Monday, May 5. Two newly acquired tents, donated by the P.O.A. and a camp trailer, made by Mr. McCall, were on display. Plans for a canoe trip in June, on the Au Sable river were discussed. Several fathers will accompany the boys on the week end trip. Roasted hot dogs and marshmallows were enjoyed around a camp fire at the end of the meeting.

Twelve boys of Troop 118 accompanied by several dads took a rather damp but enjoyable canoe trip on the Huron river last Saturday. This was a conditioning trip in preparation for a much more thrilling adventure down the Au Sable river with an overnight sleep-out.

Homemakers in the Wixom area are observing National Home Demonstration Week May 6-12. The annual achievement day program was yesterday in Pontiac. Mrs. W. Berger and Mrs. E. Wolfers were among a group of women who completed beginners and advanced dressmaking workshops and modeled their garments.

Wallace Watt, consultant, mental health education, Michigan Department of Health, spoke on "Women and Mental Health". Bengt Swenson, interior decorator from J. L. Hudson's, spoke in the afternoon on "Decorating Highlights". The local groups attending were Wixom and Hill Pt.

Lt. Gunsell Heads Pusan Radio Station

First Lieutenant Richard M. Gunsell, of Northville, has been appointed the new officer-in-charge of Radio AFKN-Pusan in Korea.

He goes to AFKN (Armed Forces Korean Network) from the Far East Network (FEN) in Japan where he was the OIC for the FEN station at Nagoya for nearly nine months. He also was on the staff of FEN Headquarters in Tokyo prior to coming to Korea.

Lt. Gunsell is a 1955 graduate of Michigan State university. While there he gained experience working at WKAR-TV at East Lansing.

Lt. G. Gunsell attended Kemper Military academy at Boonville, Missouri for his first two years of college. He will have approximately one year to serve in the Far East on his present overseas tour.

A career soldier, Lt. Gunsell is a Signal Corps officer. Lt. Gunsell came on active duty in May, 1955. He is not married.

Men and Women In Uniform

John P. Fisher, son of Mr. and Mrs. Philip A. Fisher, 2191 Currie road, completed recruit training recently with the Marine Corps Depot in San Diego. Upon completion of the training he will be assigned to a unit for further infantry training, or to one of the many Marine Corps units.

County Declares 'Stop Polio Week'

William H. Swartz, 21, 3010 Woodlawn, Walled Lake, is participating in a field training exercise in Hawaii. The exercise will conclude in mid-May.

A tank crewman in the 69th Army, Swartz entered the Army in January 1956. He completed basic training at Fort Ord, California and arrived in Hawaii in November 1956. Swartz attended Walled Lake high school.

Girl Scouts

Girls in Scout Troop 15 heard Miss Ruth Knapp, of Northville, discuss the history, work and financing of the American Red Cross. They were also told of the activities of the Junior Red Cross. Under the leadership of Mrs. Frederick P. Tanner, the Plymouth troop met at the Presbyterian church on Thursday evening for the informal talk.

Troop 19 met last week to make plans for summer camping after school is out. They also discussed the recent 7-A carnival. The meeting was closed with the traditional "circle".

A graduate of Northville high school, Nash studied on scholarship at Michigan State for two years.

TUESDAY BOOK CLUB

The Tuesday Book club met this week at the home of Mrs. J. R. McCall, Meadowbrook road. "The Heart Has Its Reasons" — the memoirs of the Duchess of Windsor, was discussed by Mrs. C. E. Woodruff.

BIKE CHECK — These youngsters are riding safe bicycles this week thanks to a "bike clinic" held in conjunction with the Optimists Bicycle Safety campaign. Youngsters' bicycles were checked at the city hall Saturday by Chief Joseph Denton, Paul Rehtzke and Paul Folino. Above (foreground) Folino is shown taping reflector tape on Kenneth Puff's bicycle, while in the back row looking on (l. to r.) are: Chief Denton, Connie Shoner, James Stubbs, Judy Shoner, Bill Milne, Kip Keen, Jeff Stubbs and Rehtzke.

Name Chairmen For Torch Drive
Chairmen for the 1958 Torch drive community campaign in the Northville and Novi areas were named this week.

Mrs. Worth Kramer of Dearborn will head the western Wayne county unit which serves Northville, while Mrs. Victor H. Marsh, of Royal Oak will lead the Oakland county unit, serving Novi and Wixom.

The 1958 organizational plan calls for division of the entire Detroit metropolitan area into five units. In each, the community campaign division will solicit all residents and community-identified business places. In previous years, the community campaign — then known as the women's division — solicited only homes and smaller business places.

The community campaign is the only division of the Torch Drive which will be concerned with geographical limits.

Obituary

ARTHUR L. JUNOD

Mr. Junod died at Beyer Memorial hospital on April 29 after a lingering illness. The son of the late Frank and Glenn Junod, he was born June 1, 1892 in Topeka, Kansas. Mr. Junod married his wife, Alice, who survives him, on November 14, 1911. The couple have lived in the Northville area for 45 years. They made their home at 402 Plymouth avenue. Mr. Junod is also survived by four children: Mrs. Mary Jane Rayser of Lockport, New York; Jack, of Royal Oak; Ned and Sidney, both of Northville. There are 15 grand children. The deceased was preceded in death by a son, Dick. Mr. Junod was retired from the Ford Motor company and an active member of Lodge 186 F. & A. M. Arrangements were under the direction of the Cassarine Funeral home and burial was Saturday, May 3. The funeral was under the auspices of the local Masons. Rev. Paul C. G. officiated at the rites. Interment was at the Oakland Hill Memorial Gardens.

Readers Speak - On Schools

SCHOOL BOARD CRITICS UNINFORMED

The Editor: I attend all the regular meetings of the Northville Board of Education... I would venture to say that if the attendance had been one hundred rather than two, the almost slender statements that were heard last night would never have been made. In contrast to the brickbats being thrown at the Board, I believe we have an excellent school system run by a good Board and well-qualified superintendant and principals. We can make many improvements, but only if we are willing to do a little less unfounded criticizing and a little more spade work.

NEW BAND UNIFORMS?

To the Editor: All glory, laud and honor to the Northville high school and Community Band for their splendid performance at the State Festival held in East Lansing. No doubt there is an article elsewhere in today's paper telling about the Number One Ratings that our band received in this competition. This feat was achieved because of many hours of hard work and loyalty on the part of the band members and Bob Williams who directed them. It was achieved by SWEET OP the many thread-bare, shiny-seated, too short and obviously outgrown and outworn uniforms. The small handful of a dozen Northville-ites who watched and heard not only our band but several from other schools were much impressed with the fine groups of boys and girls that were participating. What a pity that so few adults care to share in this glorious experience.

ON SCHOOLS AND VILLAGE

To the Editor: There are times one would like to see a little less clearly. We would like to wear dark-colored glasses to obscure some of the things that are facing the citizens of Novi. Nevertheless we have no choice but to face things honestly as they are. But a minority group which sees things they prefer, and does not look beneath the surface, is not beneficial to the township as a whole. We are at the present faced with some important problems that will decide the destiny of Novi as a village charter and school problems. Schools, we all know, are necessary. But selfish and interested groups should not be tolerated with as in the case of the last school bond issue. Had my request for a recount been granted by the school board, it would have revealed that Willowbrook was the interested group that wanted a school in their community. It was brought out that Lincoln Village was the proper location because of its potential growth, but the school board yielded to pressure groups.

Morality vs. Christianity

Christianity is moral, but not all morality is Christian. There are a number of people who believe that if they lead a reasonable respect-ful moral life, they will be fit to enter on the basis of their moral goodness. Nothing could be further from the truth. Surely the virtues of honesty, generosity, philanthropy, pity, love, etc. are morally good graces found in many a person of high moral character and these are approved by Christian teachings. These graces of conduct overlap in the lives of a morally good person and a Christian. There are two very real differences, however. The Christian has been born again, regenerate by the Holy Spirit of God, without which man cannot enter into the Kingdom of God (See John 3:5) and, he has a Saviour who died for his sins and short comings. Here the moral man is found lacking. Even though his moral character makes him a good neighbor and a good citizen down here, he still lacks the life needed to live with the redeemed in eternity. Since he has not humbled himself and received Christ as Saviour, his sins are still charged against him.

Bible School... 10 A.M. Morning Worship... 11 A.M. Evening Worship... 7:30 P.M. Peter F. Nieuwkoop, Pastor First Baptist Church NORTHVILLE

NEW UNIFORMS - Northville fliers are now fully outfitted in new uniforms. Funds to purchase the uniforms came from a benefit sponsored by the fire department. Pictured above (top row, l. to r.) are: Clarence Selwag, Harvey Van Valkenburg, Pete Gross, Alex Lyke; (middle row) Roy Matheson, Warren Bogart, Charles Freydl, Jay Leavenworth, Ervin Ware; (front row) Stanley Smith, Clayton Walker, Chief Bill McGee, Ward Schultz. Missing when the picture was taken were Charles Buttermore and Arthur Mitchell.

Tickets Still Available for Mother-Daughter Dinner

A limited number of tickets are still available for the annual mother-daughter banquet at the First Presbyterian church. Scheduled for May 16, reservations can be made through Mrs. Ed Langtry at Northville 1419.

Urges Heavy Watering To Save Trees, Shrubs

Thorough watering of transplanted trees and shrubs was urged this week by John Miller, city forestry consultant, to avoid heavy losses. Miller, owner of Green Ridge Nursery, noted that extreme dry weather and high winds this spring make it necessary to water all plants, new and old. "Most sewer trees and shrubs must surely be given heavy and regular watering to live under present conditions," Miller stated.

Flags Cleaned Free

As a special offer for Memorial Day, Freydl's Cleaners of Northville announced that all American flags would be dry cleaned free of charge. The offer is being made in cooperation with local veterans' organizations. Freydl's asks that all flags be brought to their store, 115 East Main, within the next 10 days.

Happy thoughts for Mother's Day

It's often our privilege to serve Mother when she shops for herself. That's why we feel we know the fashions she likes, the gifts she wants... and why we've taken special care to collect all her favorite for Mother's Day gifting.

Sibley's Style Shop 135 East Main Street. Advertisement featuring various clothing items like blouses, handbags, and hats with prices.

Citizens to Hear Mental Health Talk

The Citizens Auxiliary Committee for Northville State hospital is sponsoring a special meeting on mental health. The group will meet May 14 at 8 p.m. in the Veterans' Memorial building, Detroit. Guest speaker for this event will be Abraham Brickner, executive director of the Michigan chapter of Multiple Sclerosis society and president of the south Oakland Child Guidance Clinic board.

Navy Offers Grants Electronic Career

Many electronics schools prepare Naval personnel to operate and care for the 3700 different types of electronic equipment used every day aboard ships and at shore stations. The electronics equipment used by the Navy to send and receive messages, detect planes and ships, and determine distances of targets needs constant testing, repairing, and maintenance to keep it in top operating condition. Further information on the electronics field may be had by contacting Chief William E. Walker at the Plymouth Chamber of Commerce on Mondays and Wednesdays from 9:30 a.m. to 1 p.m. or by calling PA-1-7529.

Phone local news items - parades, dinners, trips - or just a friendly get-together with the neighbors - to the society editor, Northville 200.

Carnival Was More Darn Fun

The Northville P-T-A Fair was its usual big, bustling success Friday night.

From late afternoon until nearly midnight, hundreds of boys and girls and their parents packed the midway at the community building, high school, and Main street school.

Ticket sellers were besieged, and turned over a tidy pile of dollars.

The carnival was a success due to the efforts of so many Northville individuals, businesses and organizations," said Gazlay. "Listing them all is impossible, but special mention must be made of Ed Amey, Dayton Deal and Joe Peterson."

"Northville can take real pride in this annual cooperative effort to provide our students with equipment and scholarships and to bring informative programs to the parents."

Chairman Fran Gazlay and Mrs. and Mrs. Ken Conley, outgoing presidents of the P-T-A — won't be far from the carnival — will be a lot.

"The carnival was a success due to the efforts of so many Northville individuals, businesses and organizations," said Gazlay. "Listing them all is impossible, but special mention must be made of Ed Amey, Dayton Deal and Joe Peterson."

MACY'S BASEMENT? Nope, just the junior midway at the P-T-A carnival. No one thought of it as such, but the 1958 carnival was probably the largest mass-gathering in Northville history. How many were there is anyone's guess — but it was packed.

BUSY MAN — Fran Gazlay (left) had 1,601 things to do as chairman of the carnival, including helping determine the winners of several prizes. Dayton Deal gets ready here to announce the names.

STEP RIGHT UP — Clayton Myers turned "hawker" for a night at the carnival and manned one of the nearly 20 game booths that lined the midway. Dozens of other parents took turns at various jobs.

55 Local Students Take Tests For College Merit Scholarships

Some 55 students at Northville high school took the National Merit Scholarship test last week.

An estimated \$5 million in Merit Scholarships and other awards are at stake in the national competition now beginning its fourth year.

Merit Scholarships are provided by some 80 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself, which conducts the competition.

The National Merit Scholarship Qualifying test is a three-hour measure of educational growth and aptitude. Emphasis is on broad intellectual skills and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Last Thursday, Elia Couze, Dick Stuber, Ray Dahl, Corrine Bertoni and Mary Long attended the league council meeting at West Bloomfield. Dick Biery has been appointed Junior Rotarian for May.

Seniors' Big Night Tomorrow

The social event of the year comes in Northville high tomorrow night when the class presents its annual Senior Prom.

The dance will be from 9 p.m. to 1 a.m. in the community building tomorrow (Friday).

Music will be furnished by Jack Braun's orchestra.

In the planning stages for months, this event promises to be the best in years due to the hard work of all the senior class members.

Those on the advertising committee are Mike Willis, Alice Sutton, Jacqu Campbell, Susan Clarke, Sally Lenke, Laura Bell, Judy Boyd, and Ann McKel.

The decoration committee under the direction of James Hammond and Lil Binschler, includes Eileen Gallagher, Elia Couze, Ardyce Alwood, Dick Stuber, Jurgen Hamacher, Mike Pez and Bessie Merriam.

They will not tell the theme of the prom, however, as it is to be revealed tomorrow night.

Council Paints Barrels, Handles Refreshments

Student council members were busy last week painting the barrels for "Beauty Northville" week and manning three refreshment booths at the P-T-A Carnival.

The council is also busy electing new officers and re-writing its constitution, which will require two-thirds vote of the student body for adoption.

Twenty-one students from the Northville Future Teachers club went to Ebersen Michigan college for the "F.T.A. Day" last Thursday.

The students were divided into groups and went on tours by college bus.

Lunch was served in the McKinley hall ballroom. The trip was sponsored by Mrs. Bradford.

Injuries Still Hamper Thinclads

Northville's track fortunes took a turn for the better last week, but the injury-ridden Mustangs were still not up to full strength.

Two of the Mustangs' biggest point-producers were out of action Friday when Northville placed third in a triangular meet with Clarenceville and Brighton.

Clarenceville took the meet with 35 points, while Brighton netted 47 and Northville 32.

Dick Biery, returning to action after being sidelined with an old nose injury, led the way for Northville. Biery won the broad jump and 440 and was on the Mustangs' first-place 800 relay squad.

But Bill Yelms, out with a pulled thigh muscle, and N. C. Schrader, still undergoing observation for a bad shoulder, had to sit it out.

Other point-getters for Northville were: Dick Ritter, first in the mile; Roger Cheseman, Hugh Crawford and Hank Bathey, who with Biery made up the winning 800 relay team; Dick Stuber, second in broad jump; Crawford, second in the 100 and third in the 200; and Ron Loynes, third in the 800 and fourth in the shot put.

The Mustangs' last-place finish was nevertheless their best showing in three meets this year.

Northville was in for another tough meet last Tuesday night against Milford and Waterford. The

EASY MONEY — Dave Hamilton didn't expect much when he tried to "tote the bag" Saturday at Shay's Shell station in Northville. But, with (left to right) Kit Shay, Lynn Warner and Frank Konopack calling encouragement, Dave made the one-mile haul along South Main without dropping the heavy bag once. For his 10 minutes work, Dave got a \$50 prize, a kiss from his fiancée, and a work robe down from his mother, Mrs. Frank Hamilton, 458 South Main. The bag-tote will go on for two more week ends.

Baseball, at West Bloomfield

Redskins have breezed through league competition, while Class A Waterford has lost only to powerful Pontiac this year.

Last night, Northville was scheduled to meet West Bloomfield and Bloomfield Hills in a triangular meet which Coach Charles Yahnke thankfully called "more in our class."

Results of these two meets were not available at press time.

Next event for the Mustangs is the regional meet on May 17.

High team series: C. Pontiac 2302, Gutterbells 2173, Hooligans 2168.

Colts Bounce Back With Two Victories

The Northville Colts picked up their second win of the year with a 5-0 win over Oak Park Monday.

Bob Stuber backed by three hits and was laddered up by errorless play in the field.

Dave Hay, Dennis Laroque, Bill Trotter, Dick Kermozek, Jim Peterson, Dick Stuber all singled for Northville. The defensive work of Butch Willing, Fred Steeper and Summer Gorn earned Coach Jack Van Haren's applause.

Two One-Hitters Add Up To Win and Loss for NHS

A pair of one-hitters were in the Northville Mustangs' record book this week — one in the win column, the other in the loss column.

Jeff Goodrich handcrafted Clarenceville with a single hit Monday afternoon to give Northville a 2-0 win. Sharing his best game of the year, Goodrich struck out 10 and was in control all the way.

The win put Northville's league record at 3-2 and gave the Mustangs a share of the lead in their division.

Northville itself managed only three safeties, but two of them came at the right time. After Rog Atchison and Joe Kritch walked, John While singled Atchison home and sent Kritch to third. Cap Pethers then squeezed Kritch home with the insurance run.

But last Thursday, the one-hit business went against the Mustangs. Kritch, the Mustangs' most effective pitcher so far this year, limited Milford to four weak hits but they added up to enough runs for a 5-1 win.

Kritch himself kept the Mustangs from being blanked with a no-hitter when he pitched Northville's only 272 Pacific, Plymouth.

Golfers Take 2 Seconds

Northville's golfers took two seconds in triangular matches Friday and Monday.

Led by Bill Chizmar's 45, Northville had 192 against Holly's 199 and Clarenceville's 198 at Meadowbrook country club.

Mike Eastland and Fred Schwartze tied at 45 to lead Northville to its second-place 193 score against Milford (171) and West Bloomfield (158) at Pontiac country club.

First Ace at Fox Hills

Cliff McGrew, Detroit, made the first hole-in-one at Fox Hills country club Saturday.

He made it on the 163-yard sixth hole, using a 6 iron. He had an 18 hole score of 76.

He was playing with Don James of 272 Pacific, Plymouth.

Wixom's Babe Ruth Team Finds Two Benefactors

Thanks to a couple of baseball fans, Wixom's Babe Ruth team will have new baseballs and bats for spring training.

For awhile, it looked as if the team might have to use cracked bats and threadbare balls during workouts leading up to their opener on June 8.

But Monday night, William Richards, 2809 Wixom road, and Elmer Burnstrom, 4390 12 Mile, agreed to split the \$30 cost of new equipment.

Both the Babe Ruth and Little League team are still holding thrills weekly tryouts and practice sessions in preparation for the coming season.

The Little Leaguers, under Bob Hughes, work out at 9 p.m. on Monday, Wednesday and Friday. Babe Ruth tryouts are held Tuesday and at the association's May meeting.

The Rev. Peter Nieuwkoop, Pastor
 First Baptist Church, Northville

WHY GO TO CHURCH?

Perhaps you will be surprised to learn that the scriptures do not command people who are not Christians to go to church. There is no merit before God for non-Christians to attend the services of some church. He is neither any better before God, or any worse, whether he stays home or attends. The value of attending a church where the whole counsel of God is preached is that he hears the Gos- pel of Jesus Christ which is able to save his soul. If he obeys this Gospel by receiving the Lord Jesus Christ as his Lord and Saviour, then his church attending is worthwhile. I would like to suggest six reasons why Christians should regularly attend the services of a true Gospel Church.

A CHRISTIAN SHOULD GO TO CHURCH TO WORSHIP GOD. The Lord Jesus said, "For where there are two or three gathered together in my name, there am I in the midst of them." It is true that God is everywhere present. It is also true that God is pleased to meet with His people in a special way when they are gathered together.

A CHRISTIAN SHOULD GO TO CHURCH BECAUSE IT IS IN KEEPING WITH THE HOLY DAY. All our days belong to the Lord, but only one day is set apart as "the Lord's Day". From the beginning of the Christian church the believers have voluntarily set aside the first day of the week for rest and worship.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH because it is his opportunity to be instructed, exhort- ed, encouraged and if need be rebuked from the Word of God. When Phillip the Evan- gelist said the Ethiopian in Acts 8, "Un- derstandest thou what thou readest?" He re- plied, "How can I expect some man to guide me?" Pastors, who are true to God and called of God, are men selected for that very purpose.

A CHRISTIAN SHOULD ATTEND THE SERVICES OF THE CHURCH because it is the only way the testimony can be main- tained in a community. It is only when Chris- tians combine in unity and joint effort that the work of Christ goes forward. Very little is accomplished by individual efforts of Christians. It takes a united family to send forth missionaries and maintain a sound Evangelistic center.

THERE IS NO POST-EASTER SLUMP AMONG GENUINE CHRISTIANS.

NORTHVILLE TOWNSHIP FIRE ORDINANCE

AN ORDINANCE TO REGULATE GRASS, WEED AND BRUSH FIRES WITHIN THE TOWNSHIP OF NORTHVILLE
 The Township of Northville Ordains:
 Section 1. No person shall willfully ignite, kindle or start in any other manner a fire in any uncut grass, weeds or brush without first obtaining a permit from the Township Clerk. The Township Clerk shall issue such a permit if in his opinion the fire will be burned in the presence of and under the control of at least two persons of lawful age.
 Section 2. Any person who shall neglect or refuse to comply with the provisions of this ordinance shall upon conviction be subject to a fine of not more than One Hundred (\$100.00) dollars, or to imprisonment for a period not to exceed 90 days, plus court costs, or to both such fine or imprisonment at the discretion of the court.
 Section 3. This ordinance shall take effect 30 days from and after its first publication.
 Made and passed by the Township Board of the Town- ship of Northville this first day of April, A.D., 1952.

CLEAN-UP CREW — These Explorer scouts of Post 242 are helping in the "Beautiful Northville" campaign and hoping to take a trip to Yellowstone National Park this summer as a result. Presently the boys are helping Paul Palmer clean up the area around his recently-purchased home on Thayer boulevard. The money they earn doing odd jobs will be saved for the trip. Shown above leading crews are (l. to r.): John Baggot, Jay Leavenworth, Advisor Leon Baggett, Crew Leader Woody Aeschbacher and Paul Palmer; (on the truck): Chip Ely, Kerry Madigan and Sumner Gow. The boys are looking for more work. Got any clean-up jobs?

Building Down in Detroit Area
 The first-quarter building lag in the Northville-Novi area was repeated throughout metropolitan Detroit, figures released this week indicate.

Domestic Harmony
 Best way for a couple to develop harmony and compatibility is to take on some household remodeling chores together.
 The husband can feel superior doing the heavy work, and the wife can get her kicks in when it comes to the decorating — selecting the color scheme and doing the painting.

Lawn Hard to Handle?
 Do you have a rocky yard that just refuses to grow a proper lawn? Then, maybe you need to install a patio deck of durable two-by-fours. There is no further upkeep and no record of a wood deck ever having to be mowed. Just be sure you have a sturdy foundation of larger dimension pieces as a frame to hold the two-by-fours. Leave drain space between each one of about a quarter inch.
 Don't paint or stain, just let the wood weather to an attractive gray.

Worthy of our acclaim...
 It's time we were telling the world about Michigan. We certainly have plenty to brag about. In fact, we take for granted things that other people would cherish.
 Take our great fresh water supply, for instance. There are few people that don't envy us for that. Michigan is bordered by four of the five Great Lakes, has 11,087 inland lakes and 36,000 miles of streams. This gives us the greatest fresh water supply in the world for industry, transportation, health and recreation.
 Michigan's great educational system is another outstanding asset. Its centers of research are distinguished. The University of Michigan was the first state university with a governing board elected by popular vote. Michigan State University was the first land grant college. Michigan was also the first state to have a Superintendent of Public Instruction and the first to assure each child a high school education at public expense.

Fire in Your Home: It Need Not Happen

With Northville well into its month-long clean-up campaign, Chief William McGee this week issued some timely tips about fire prevention.

At the same time, he reminded Northville families that they can safeguard their homes against fire by taking advantage of a free safety check-up during May.

A call to the fire department (phone 61) will bring a qualified safety consultant to your home.

In the past, such safety inventories as these have been given credit for removing many unnoticed fire hazards and for probably preventing loss of both property and life in Northville.

Chief McGee's suggestions for insuring that fire won't strike your home and family:

Watch for potential hazards during your regular housekeeping.

Clean out leaves from gutters.

Keep leaves and dried grass away from building foundations.

Burn trash in a special isolated area, with an attached hose always nearby.

Give particular attention to clearing out attic and basement, garage and closets of old clothing, furniture, piles of newspapers and magazines.

Never keep flammable liquids such as gasoline in the house.

Only rigs should be thrown away or closed in metal containers, or they may show up with plenty of air circulating around them, preferably outside.

Install a heavy, tight-fitting door at top of basement steps to check possible fire's spread.

Check and clean heating plant.

Dust fixtures and lights.

Replace frayed electrical cords.

Have an electrician check wiring to determine adequacy.

With trash, flammable liquids, oily rags cleared out, spontaneous ignition is practically eliminated, Chief McGee said.

And should fire start from an uncontrollable source, it will not have the ready fuel of papers, rags, old mattress, and the like, to feed on.

"Check-up, Clean-up, Paint-up, Fix-up and defeat a stubborn foe — fire," the Chief said.

Michigan Mirror State GOP to Back Ike

REPUBLICANS IN MICHIGAN will assert their 1958 campaign for congressional and state office by supporting the often criticized policies of President Eisenhower.

"We intend to make certain that the patient gets every dollar's worth of care for every dollar we appropriate to the purpose."

Visits to the institutions will be conducted and hearings held during the summer, with a report due for the 1959 legislative session.

Party leaders are pushing for support of the president's decisions in the Defense Department shakeup, the veto of the rivers and harbors bill and other hot issues.

"The switch back to conservatism has been quite the surprise," said the party to develop its own issue.

Most of the sentiment was centered in the Senate. There Senator John P. "Joe" Smeekens (R-Battle Creek) and state party chairman, J. Edgar "Red" Pennington, along the same line.

"The right-to-work bill may never be enacted by the legislature, but it would make a wonderful campaign issue," said another member of the group.

At the same time Republicans in the legislature were backing Eisenhower's "New Deal" program, which conservative critics call "modernism."

It was no secret that some of the party's top leaders wanted to pass House bill H.R. 8200, which would raise tax rates but lacked the votes.

"The fact that even Republicans took positions to give the Eisenhower administration a long-term reorganization plan was not lost on those checking the political winds for 1958. The reorganization is considered an efficiency move and worthy of non-partisan support even though it increases the power of the governor."

Another waystation in the short trip of the rebels was the 44th Congressional district organization in Wayne county, which formally urged a return to conservatism.

The group in Detroit, and it left its mark.

Into this cauldron of intra-party dissent came Paul W. Bagwell, a Michigan State university professor, as a party candidate for governor.

Another candidate may be standing in the wings, his party support is questionable, Bagwell has the organization to sweep the state in a victory, having introduced an efficiency move and worthy of non-partisan support even though it increases the power of the governor.

But, the pre-primary squabbles over the state have not been cleared up. History tells the story. Republicans have been known for their divisions over the candidate for governor. History tells the story. Can a Republican beat Williams this year? Time will tell.

MICHIGAN'S DAIRY Princess for 1958 was selected last week in East Lansing.

A 2-year-old cow, Judith Mae Dammon, was picked from a field of 36 county princesses in competition for the state honor. The winners were Owen Oswald of Vicksburg and Jean Ann Parish of Fairgrove.

INVESTIGATORS have broadened their check into charges of alleged brutality to patients in the state mental hospital.

The patient, Dr. J. Edgar "Red" Pennington, was severely beaten at Coldwater home and training school.

There was a hearing in the last days of the 1958 session at which some details emerged. The patient, Dr. J. Edgar "Red" Pennington, was severely beaten at Coldwater home and training school.

The hearing ended with the hospital system generally cleared of the charges, but with a number of questions unanswered.

The House organized an interim committee to follow up.

Rep. Harry J. Phillips (Port Huron) was named chairman. He conducted a similar investigation a decade ago and has been a leader

On Tour with Hill and Johnson

Stockholm Breakfast Is Fine - - If You Like Eggs

(Editor's note: Northville's CHIEF Hill and Carl Johnson report again on the latest developments in health care in the capital of Sweden.

When we left, the waiter tried his English on us, "Americans in Sweden like eggs."

Prices here are much higher than in Copenhagen. It is interesting to observe that many women on the streets wear sack or chemise coats and chemise and trapeze dresses.

The police here walk the best in the world. They are well equipped with the latest in police equipment.

Dinner at Rick's — Stockholm's most famous restaurant — was a very smug lawyer in a small room. He was puzzled because Benson had been in Detroit for 12 years and he was sure everyone of any importance knew him. I explained I was going to Russia. I will write from there when I have the time.

Another Swedish man (they represent being referred to as "Swedes") inquired if I knew one Archie Benson, a Detroit policeman. When I admitted my lack of acquaintance, he was puzzled because Benson had been in Detroit for 12 years and he was sure everyone of any importance knew him. I explained I was going to Russia. I will write from there when I have the time.

Zoning Ordinance No. 34 for the Village of Northville

The Village of Northville Ordinance No. 34, Zoning Ordinance, is hereby adopted and shall take effect on the 1st day of June, 1958.

ARTICLE I - PURPOSE The purpose of this Ordinance is to provide for the health, safety and general welfare of the inhabitants of the Village of Northville, Michigan, by providing for the proper use of land and buildings.

ARTICLE II - DEFINITIONS For the purpose of this Ordinance, certain terms and words are hereby defined as follows: "Building" means any structure, other than a mobile home, which is used for the housing of human beings.

ARTICLE III - ZONING DISTRICTS The Village of Northville is hereby divided into the following zoning districts: R-1 District - Single Family Residential; R-2 District - Residential; R-3 District - Agricultural; R-4 District - Local Business; R-5 District - General Business; R-6 District - Light Manufacturing; R-7 District - Restricted Manufacturing; R-8 District - Zoning District Map.

ARTICLE IV - REGULATIONS The regulations for each zoning district are as follows: R-1 District - Single Family Residential: Each lot shall have a minimum area of one acre and shall be used for the single family residence.

ARTICLE V - MISCELLANEOUS Provisions regarding the enforcement of this ordinance, including provisions for appeals and penalties for violations.

ARTICLE VI - AG DISTRICTS, AGRICULTURE Regulations for agricultural districts, including provisions for farm buildings and structures.

ARTICLE VII - C-1 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE VIII - C-2 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE IX - C-3 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE X - C-4 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XI - C-5 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XII - C-6 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XIII - C-7 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XIV - C-8 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XV - C-9 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XVI - C-10 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XVII - C-11 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XVIII - C-12 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XIX - C-13 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XX - C-14 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XXI - C-15 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XXII - C-16 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

ARTICLE XXIII - C-17 DISTRICTS, LOCAL BUSINESS Regulations for local business districts, including provisions for commercial buildings and structures.

These 13 Want Your Vote for Wixom City Office

Wesley E. McAtee
Village president candidate in 1957. P-T-A past president, city charter commissioner, village incorporation committee. Member of Wixom Civic Association, Masons, Salesmen for printing and book-binding firm. Lived in Wixom for four years. Married, three young children. 3022 West Maple.

Lawrence R. Schardt
First bid for public office. Born in Pennsylvania, lived in Detroit area for 28 years, including 15 years in Novi-Wixom area. With General Motors for 17 years, Ford for nine years, is now in quality control at Lincoln plant. Member, Lutheran church, Masons, Oddfellows. Married. Lives at 4668 Twelve Mile Trail.

Joseph T. Stadnik
Incumbent councilman. Past president, P-T-A. Secretary, citizens school committee, Wixom Civic Association. Village incorporation committee. City charter commissioner. Director of Waller Lake Methodist church and member of its organization. Has auto dealership in Plymouth. Married, one son. 4838 Pontiac Trail.

Gerald O. (Bill) Abrams
Incumbent councilman. Village incorporation committee, village and city charter commissions, Wixom Civic Association (founder), past president of Birch Park Association. Chief engineer for Paramount Engineering. Lived in Wixom four years. Married, seven children. 1418 Flamingo.

Fred Beamish
Incumbent councilman. Village incorporation committee, village and city charter commissions, Wixom Civic Association (founder), past president of Birch Park Association. Chief engineer for Paramount Engineering. Lived in Wixom four years. Married, seven children. 1418 Flamingo.

Jesse R. Birchard
Incumbent councilman. Village incorporation committee, village and city charter commissions, Wixom Civic Association (founder), past president of Birch Park Association. Chief engineer for Paramount Engineering. Lived in Wixom four years. Married, seven children. 1418 Flamingo.

James Sereno
Village council candidate in 1957. Member of Wixom Civic Association, member of Birch Park Association. Recreation director. Plumbing and heating trade. Resident for 8 years. Married, four sons. Wixom resident for three years. 3009 South Wixom.

William Welke
First bid for public office. Was Detroit policeman for 25 years, including four years as officer in recorder's court of Judge Frank Murphy. For eight years, has been protection man at Novi Equipment. Member, Wixom Civic Association. Married, four sons. Wixom resident for three years. 3009 South Wixom.

Mayoral Candidates Speak Up

Joseph T. Stadnik
Almost a year ago, a new village was born. We didn't just set up an existing organization. We had to build a new one. We established a planning commission which, with expert help from a planning consultant, has striven to plan our community so as to keep taxes as low as possible and yet provide the best services possible.

We set up a building code and zoning ordinance to keep Wixom's development orderly. It will be thoroughly reviewed in time.

We adopted a no dumping ordinance and cleaned up dumps along the roads.

We took over our gravel roads and have kept them in good condition. We negotiated \$18,000 from the state last year and will receive \$17,000 this year for road work. No local tax money went into road work or into our new road grader. We established a volunteer police department, based on a policy not of writing tickets but of education.

seamant. We must continue this practice so as to encourage industry to come into Wixom.

Our road program should be started within 30 days after the election. Actual construction could begin by next spring. By using general tax money, the cost would not hurt the individual as would special assessments.

If re-elected, I will re-appoint all present officers and I appoint such new positions as a youth commission, road commission, and public works administration.

Where Are All the Beauties?

Everything's all set for the Novi AMVETS annual beauty contest. The state winner will then enter the national contest.

So far, entries have been slow. Probably because potential contestants haven't realized that the time is slipping by.

Chairman Stan Balog suggested the girls who wish to enter the contest fill out an application form immediately and submit it to an AMVETS member.

"And remember that you don't have to be a professional model to stand a chance in the contest," he added. "In fact, last year a Northville high school student won over 12 others in the contest even though two models were entered against her."

Contestants do not necessarily have to be from Novi or Northville.

Anyone who knows of a possible candidate, whatever her home town, was asked to contact Balog at 27-6222.

The contest, to be held June 13 at the Waller Lake Casino, will feature the In-person Glenn Miller orchestra, led by Ray McKinley. The Miller orchestra will play for dancing both before and after the judging.

The winner of the Novi contest will go on to seek the State AMVETS title. The state winner will then enter the national contest.

To enter, candidates must be residents of Michigan, unmarried, and between 17 and 26. Photographs must accompany applications.

Application blanks and contest tickets are available through Balog, The Record office, or any member of the AMVETS.

Village Clerk

Election Sidelights

Water Tuckman
Incumbent councilman. Manager of Little League and Babe Ruth baseball teams for total of five years. Born in Detroit, lived in Wixom for 18 years. Employed by Michigan Bell Telephone company for 21 years. Is married and has four children. Lives at 1465 Nightingale.

Robert Wagnon
Incumbent councilman. Born, raised in Wixom, graduated from Waller Lake high. Was in Marine Corps for two years, now in reserve. Active in Wixom Baptist church. His production enterprise for Fullerton Manufacturing in South Lyon. Married, two young children. 302 North Wixom.

West Shore Begins Clean-Up Campaign

An intensive campaign to "clean up and fix up" the West Shore area of Novi township will begin a week from Monday, May 19.

Burt Fisher, president of the West Shore Association, said the clean-up drive will last until May 25.

He urged residents of the three subdivisions in the area to trim grass and weeds, mend fences, get rid of rubbish, paint their homes and garages and make needed repairs in general.

Fisher said that he expects the best-looking area around Waller Lake, he said. "Through the drive we will have two more chances to write an excellent document. But few chances are being made against the charter at this moment."

As a city township would be completely independent of Novi and Commerce townships and would have the latest Lincoln plant all to itself after the current fiscal year runs out.

In Willowbrook: 45 Attend WSCS Meeting

The Women's Society of Christian Home Judo. The final destination was a dance at the Red Run Country Club. The meeting was presided over by Mrs. Dick Spence and demonstrated floral arrangements and centerpieces. About 45 members and guests were present.

Rev. Byron Chapman of Bordenfield left yesterday to attend the annual conference of the Evangelical Union at Brethren church at St. Joseph, Mo. Mrs. Douglas Foley of East LeBoist announced the birth of a son, Terry Lynn, on May 8 at William Beaumont hospital. The baby girl weighed eight pounds, three ounces.

The evening of May third will hold fond memories for the members of the Willowbrook Dance club, for it was this night when their "graduation" or destination unknown party was held. Rumors had been the rounds with everyone trying to guess where the party would be held. The first stop turned out to be a dinner at Northwood Inn. Here, they were given instructions for the next stop which was a cocktail party at the Berkeley home of former mayor, Mr. and Mrs. Wil-

Car Leaves Road, Novi Man Injured

A Novi township man was seriously injured Saturday afternoon when his car went out of control and smashed into a tree on South Lake drive.

Ray Menard, 623 South Lake drive, was taken to Beaumont hospital in Royal Oak with face, chest and internal injuries.

Police Chief Lee Bechler said Menard, an employee of Novi Equipment company, is still unable to talk and cannot explain how the accident occurred.

Delay Lincoln Village for Year

Novi's proposed village charter will come in for a second and more detailed public hearing next Thursday.

The hearing, scheduled to begin at 8 p.m., will be held at the Novi Community Center, 10000 Wixom Road, Novi, Mich.

Hundreds of voters are expected to go to the polls to decide whether a proposed city charter should be accepted.

Who will end up as the city's first mayor, council and justice of the peace.

Odds are that Wixom will approve the charter by a wide margin. It has been thoroughly aired at public meetings, and has incurred little opposition.

But who will end up as the mayor and council seats is not clear by any means.

Spirited campaigning by the three mayoral candidates - incumbent Village President Joseph Stadnik, Wesley McAtee and Lawrence Schardt - has been going on for some weeks and probably will continue through election day.

But who will end up as the mayor and council seats is not clear by any means.

Wixom Set For Election On Monday

Wixom will determine Monday whether the once-obscure crossroads community shall become the state's newest city.

Hundreds of voters are expected to go to the polls to decide whether a proposed city charter should be accepted.

Who will end up as the city's first mayor, council and justice of the peace.

Odds are that Wixom will approve the charter by a wide margin. It has been thoroughly aired at public meetings, and has incurred little opposition.

But who will end up as the mayor and council seats is not clear by any means.

Spirited campaigning by the three mayoral candidates - incumbent Village President Joseph Stadnik, Wesley McAtee and Lawrence Schardt - has been going on for some weeks and probably will continue through election day.

Questions and Answers About Proposed Charter

The 100 or more persons who attended Thursday night's charter hearing had some penetrating questions on their minds. Here are some of the queries asked at the charter commission and some of the answers which it in turn tossed back.

Q. Should not the elected, treasurer and possibly other officers be elected rather than appointed? Wouldn't this make them more responsible to the public?

A. This would be unwise. Such officers then could be removed only by a lengthy, expensive public recall rather than simply by firing them. In addition the public has control over them through the elected council. Besides, these officers should be directly responsible to the council.

Q. Shouldn't all appointees be residents of Novi?

A. Some appointed jobs (attorney, public works superintendent) require special training. What if no one in Novi has the requirements? And what if no one in Novi wants the job?

Q. What does a village manager do?

A. He handles everyday village business, carries out the council's decisions, and generally does what the township supervisor now does - with approval of the council.

Q. Why not elect commissioners by districts or wards instead of at large, so as to prevent the more populous areas from controlling the council?

A. It would be hard to tell where growth is coming and where improvements are needed. Representation will take care of itself. If candidates get out and campaign as they should. (An informal show of hands favored a large majority by about 25-6.)

Q. Why not have an elected president instead of appointing him? Wouldn't an appointed president be subject to water in a dispute?

A. No. Once he's appointed, he can't be ousted from the two-year term.

Q. As for roads, wouldn't a lot of the expected income have to be spent on equipment?

A. Yes, but it could be spread over a period of years. Technically, the money can't be used for buying equipment - only maintenance. But the village could buy it out of general funds and then rent it to itself, paying the rent out of road money. It all amounts to the same thing.

Q. Wouldn't the township lose the \$70,000 in road money that it now gets?

A. Yes, but the village would gain it - plus another \$40,000 from the state.

Q. Wouldn't there be a dual government and dual taxation if Novi becomes a village?

A. Yes, there would be governments and taxes for both the township and village, but the township's role would be so limited that it wouldn't cost much. Duplication would be avoided by having the village take care of some matters, and the township handle others.

Q. Shouldn't the charter set the percentage of true value at which assessments are going to be figured? Otherwise, taxes could be increased simply by raising the percentage and the millage rate would be meaningless.

A. State law says property must be assessed at true value. Traditionally, of course, assessors figure it at 40 or 50 or perhaps 60 percent, but to write this into a charter would be an open violation of state law, and the charter would be refused by the governor.

Q. If the charter fails to pass, what happens?

A. The commission would write a new one. We have three chances to get a charter passed - over a period of two years. If all three fail, the issue is dead.

Economic Slowdown Is Blamed

Construction of the proposed 2,000-home Lincoln Village development in western Novi township has been delayed "nine months to a year" because of the current recession.

A spokesman for a Thompson-Brown company which plans to build the \$40,000,000 subdivision, said Lincoln Village "definitely has not been abandoned."

"The only change in our plans is the timing," said Ross Campbell, vice president of Thompson-Brown. "Except for a delay of a few months we intend to follow our original plans to the letter."

Those original plans call for some 200 homes to be built within the next five year on a 70-acre site immediately south of Wixom, straddling Wixom road. It would eventually include a shopping center, apartment house area, and community water and sewer system.

Lincoln Village would be one of the largest developments in Detroit history, and the biggest boon yet to Novi's growth.

Campbell said the decision to delay construction is based on "current unsettled economic conditions, especially in the automobile industry."

He said Thompson-Brown is not concerned with the possibility that many potential home owners would be connected with the auto industry, but more with the fact that the auto industry determines the Detroit area's general economic situation.

"It wouldn't be good business to invest this much money until we see signs that Detroit is getting back on its feet," he said.

Plans for that huge development were announced last November, shortly before the recession began taking shape. At that time, Thompson-Brown hoped to have several hundred homes built by the end of this year.

So far, no work has been done on the site except for the drilling of one well.

Campbell revealed that plans for a revolutionary new sewage disposal plant have been dropped. The plan, which would have cost \$10 million, failed to get approval of the state health department.

"The health department has completed engineering plans for a new type of plant, and are in the process of getting their approval," he added. "It's four years on a staggered basis with the present serving a two-year term."

Day-by-day business would be handled by a full-time village manager, who would be hired by the township and would be subject to its orders.

All other officers (treasurer, clerk, public works superintendent and justice of the peace) would be appointed.

Meetings would be held twice monthly, but special meetings could be called.

Special Assessments
In general, capital improvements (sewers, water, and so on) would be paid for by special assessment by homeowners who benefit.

Action may be started either by petitions signed by homeowners or by action of the council. The latter would require approval of at least 60 percent of the persons fronting on the improvement area.

A public hearing on the special assessment would have to be held.

Wixom Council Bows Out; \$104,000 Budget Studied

Wixom's village council probably conducted its last meeting to consider the state maintenance revenue will be used to pay for this service.

Discussion of the proposed post office site resulted in a council opinion that, although the site was not considered desirable, a building permit would be issued upon request. An official of the post office department indicated that the Wixom-Wixom road location could be changed if a more suitable site comparable in cost, could be suggested.

The council considered the possibility of conducting a poll among residents on whether they preferred the post office north or south of the C & O railroad crossing.

Another Meeting Next Thursday

Novi's proposed village charter will come in for a second and more detailed public hearing next Thursday.

The hearing, scheduled to begin at 8 p.m., will be held at the Novi Community Center, 10000 Wixom Road, Novi, Mich.

Hundreds of voters are expected to go to the polls to decide whether a proposed city charter should be accepted.

Who will end up as the city's first mayor, council and justice of the peace.

Odds are that Wixom will approve the charter by a wide margin. It has been thoroughly aired at public meetings, and has incurred little opposition.

But who will end up as the mayor and council seats is not clear by any means.

Spirited campaigning by the three mayoral candidates - incumbent Village President Joseph Stadnik, Wesley McAtee and Lawrence Schardt - has been going on for some weeks and probably will continue through election day.

West Shore Begins Clean-Up Campaign

An intensive campaign to "clean up and fix up" the West Shore area of Novi township will begin a week from Monday, May 19.
