

With Hill and Johnson in Europe

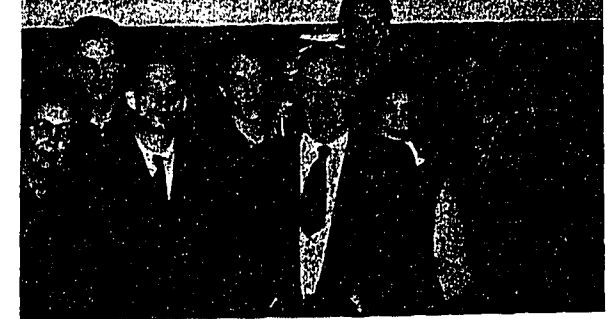

Russian Visit Highlights

Attorney Cliff Hill and Carl Johnson, owner of Johnson's Jewelry and Gift Shop, returned last week from a five-week tour of Europe.

The trip was Hill's idea and originally he had planned to travel alone. Johnson became interested in Hill's plan to talk with as many average citizens of Russia, Poland, Germany, etc., as possible and get their impressions of America. Hill believed, and still does, that if the peoples of the world could become better acquainted there would be less likelihood of war.

Finally, Johnson joined Hill and they were off by plane from Willow Run to New York (where they transferred from one airport to another by helicopter) and then to Copenhagen.

Johnson took hundreds of color slides, but Hill proved to be the hit of the continent with a Polaroid camera. No one

Hill visited an English class at Moscow university. Teacher is at far left. Several members refused to believe that a picture could be taken and developed immediately until this shot was taken with Hill's Polaroid camera.

had ever seen such a contraption and everywhere Hill demonstrated the camera crowds quickly gathered and gazed in amazement.

In addition Hill had a supply of small American flags and "I Like Ike" buttons which he pinned on several Russians. It was all in fun and Hill reports that the Russians were good natured and enjoyed the stunt.

In Russia Hill and Johnson had a regular guide, an employee of the government, who was their constant companion. His name was Tim and he had just graduated from Moscow university majoring in export and import techniques. Tim became their first friend and, perhaps because he was a brand new guide and did not intend to continue in the service, took them to many places they might not have visited with an older hand.

He told them that he was paid \$50 per month by the government while attending college.

Here Johnson was given an experience related by Hill and Johnson concerning their visit in Russia.

May Day parade was very impressive, especially the row

These youngsters were photographed by Hill in Moscow. He gave away many Polaroid pictures to crowds that gathered to see the "miracle" camera.

These youngsters were photographed by Hill in Moscow. He gave away many Polaroid pictures to crowds that gathered to see the "miracle" camera.

visited one collective farm but saw no tractors, but many horses. Farm homes were very impressive and beautiful. Approximately 300 feet below ground and has escalator entrance; Large pictures of Lenin and Marx were often seen in the May Day parade.

Poland was very depressing. Hill and Johnson report. Under strict Russian domination the Poles have no initiative and have done nothing to rebuild their war-shattered buildings.

Conditions are very bad in Poland and people stand in line constantly for portions of unattractive-looking meat cuts. Black market activity is high in Poland and most employees, such as street car conductors, show little concern whether fares are paid or not.

Both Hill and Johnson liked Switzerland for its beauty and gay atmosphere. Munich, Germany was completely rebuilt and had very modern shopping facilities. In Vienna they found spirits high, while in Finland the people were apparently under more tension and sensitive to world conditions. They were elated at the news of the launching of a "moon" in the United States.

Hill and Johnson also visited the World's Fair in Brussels. The U.S. building includes a soda fountain, theatre, hi-fi recordings and other displays typifying life in America. The Russian building is very impressive but places more emphasis on military might and the Russian Sputniks, they report.

Russia was, of course, the highlight of their trip. Hill visited with a group of attorneys and was presented with their complete set of (two) Russian law books. He also spoke to an English class at Moscow university.

While both Hill and Johnson found the people to be completely loyal to their communistic ideals, they were not unfriendly towards Americans. Apparently they are happy with what they have because they have no idea of how the average American lives," Hill pointed out.

Everything is government owned and there is no private enterprise. They saw several churches that had been converted to museums, etc.

Saw Stalin and Lenin in mausoleum where thousands stood in line. Guide took Hill and Johnson to head of the line. Bodies preserved to look completely natural. No cameras allowed, area heavily guarded.

Many buildings in Russia were impressive but inside conveniences were inferior. Hotel accommodations sub-par compared to average American hotels.

Soccer game between two best Russian teams was outstanding and attracted 100,000 people, but only 49 cars in parking lot.

Department stores look good on outside but have very little to sell inside. Not allowed to "shop" or handle merchandise. For example, to buy shoes clerk asks customer what size and whether you desire "black or brown" and then wraps the shoes and the sale is complete. Suits, dresses, etc. are sold in the same manner.

Famous Russian jet airliners apparently saved for high government officials. Russian airliner used by Hill and Johnson also carried foreign diplomat and was definitely a consolation.

"Hire Now" Campaign Gains Momentum in State

SMALLER PARTIES in Michigan's political platform are stirring up a bit of a stir on the 1958 state election ballot.

Only the most fervent of the faithful dream that any one of their candidates will win in November, but there is a principle to be pursued. They campaign on their beliefs every two years, select partial dates for the ballot and stay alive only by devotion to a cause, however unpopular.

The latest party organization, the "Tax Out Party," fell short of the Government subsidy yet other, more familiar names made it. They are the Socialist Workers Party, the Socialist Labor Party and the Prohibition Party.

State Law requires them to get three per cent of the total vote to automatically stay on the ballot. In the past few years none has, so they return by petition.

One state election division official mused on a mystery last week: "Why is it that these minority parties can obtain so many more signatures to place their names on the ballot than they get votes in the election?" he asked.

The answer, of course, has to do with the nature of the man who signs the petitions and working for their own beliefs, some go on record and fulfill their own philosophies, but as citizens, there is a strong tendency to cast a vote for the candidate who has a better chance of winning. Others sign petitions as the line of least resistance at the time; forget or ignore the action at voting time.

Michigan has never discouraged minority parties, but rather, has encouraged them. The same election officials had an explanation: "Even the majority parties were once minority factions."

THE HIRE NOW! CAMPAIGN, launched earlier this month by the Michigan Employment Security Commission, cannot help but have value to the state's economy. Aim of the program is to remind employers that there is now an unusual good source of skilled workers, and to encourage them to hire as many as they can use.

Obvious benefit, of course, is a job for an unemployed person. Indirect benefit means that the worker and his family will stay in Michigan rather than move to another industrial area.

Economically it means that one more worker will start receiving wages he earns and be taken off the list of those who receive unemployment compensation. Drain of the recession on this fund is tremendous. If strained sufficiently, it could be completely depleted, and cause still

another serious problem for state government. . . . Success marked the start of the campaign. Before noon the first day, MESC offices had 40 new requests for workers. The real results cannot be measured until June 30, when the promotion draws to a close.

Employers seeking skilled or unskilled workers for full or part time jobs are urged by Max Horton, director, to contact the nearest office of Michigan Employment Security Commission. Theme of the Hire Now! campaign is "If he works, you profit."

MICHIGAN'S RICH TOURISM industry is expected to feel the first searings of the economic slump this summer. Thousands are expected to attend parades of the celebration, with major events at St. Ignace and Mackinac Island.

Roger Babson Sees Threat of '48-Hour War

Babson Park, Massachusetts — I present stalemate will resolve itself by Russia becoming more conservative and the U.S. and Great Britain becoming more socialist. Logically, such a course would result in these three nations federating. It all sounds fantastic to me. If it ever comes, I forecast that such a "federation" is far in the future.

Another alternative to war would be the emergence in Russia of a less ruthless, though probably still leftist, form of government. In my opinion, there is no immediate hope of this happening. Still a further alternative to war would be the appearance of a strong coalition of nations other than Russia and the U.S. as a third formidable world force. Nasser's federation of Arab states is not nearly big enough for such a task, but it is possible Britain, France and West Germany together might eventually exert a new commanding influence.

Period of Uncertainty Will Persist None of the alternatives to World War III or a 48-hour Russia-U.S. War, or to a continued "cold war", are likely to happen soon. So we must be prepared to make the best of what will be a more or less prolonged period of uncertainty in international affairs. At home, I predict we shall endure more inflation, with the value of the dollar trending steadily, though not rapidly, downward toward 25 cents.

In the light of these conditions, I favor wide diversification in stock market investments at this time. Certain retail chain store securities look good to me due to geographic distribution; but I would hold only two or three of the big transcontinental railroads. Railroads generally are fairly poorly and will

probably do worse except, of course, if war comes, I expect doubling of electric power output in coming years. But I would not care to invest heavily in public utilities stocks because they could suffer from inflation and/or war.

Glenn Miller Band to Choose AMVET Queen Tomorrow

With the music of the renowned Glenn Miller orchestra in the background, 13 pretty misses will compete tomorrow night for the annual Nov. AMVETS beauty crown.

The winner will go on to a state and possibly a national judging. The Miller orchestra will play for dancing from 8 p.m. to 1 a.m., with the contest to begin shortly after 10 p.m.

The 13 contestants will appear first in evening gowns and then in bathing suits. Three finalists will be selected from the 13, and the queen will be chosen from among the three.

The Miller orchestra, under the baton of Ray McKinley, will judge the contestants. McKinley himself will serve as master of ceremonies. The 13 contestants include: — Jo Ann Lambert, a senior at Northville high school. — Betha Stewart of Livonia. — Barbara White of Garden City. — Carol Ann Speck of Dearborn.

Renae Wasserman, Shirley Colter, Marlene Brochure, Joanne Barr, Ursula Kemnia of Royal Oak, Patricia Piarce, Eleanor Yalton, Phyllis Stanke and Joyce Johnson, all of Detroit.

Though Novi and Northville girls have usually been outnumbered in the contest, they have fared well in the judging. Two years ago, the crown went to Anne Williams of Willowbrook Village and last year to Betty Wilson of Northville.

Each contestant will receive a corsage and three pairs of shoes, with the winner receiving a \$50 bond in addition. The queen will compete in the Washington, D.C. contest this summer and in the national contest still later.

Tickets are good for both the dance and the contest.

Novi Highlights: Bible Schools Start Soon

By Mrs. Luther Rix - Fieldbrook 6-2423 Daily Vacation Bible school will be held at the Nov. Baptist church at Cedar Grove, Tennessee June 22-27. Mrs. Louis King will be visiting relatives.

Schools Face Financial Squeeze

Budget Up For Action In Wixom

After a year and a half of changing from township to village to city status Wixom appears ready to settle down and begin the business of running its community tonight.

The new council will hold its first official meeting and begin a newly adopted schedule calling for sessions to be held on the second and fourth Thursdays of each month.

First order of business is almost certain to be the adoption of the proposed \$1,062,322 budget.

A public hearing on the 1958-59 budget was held last Thursday with less than a dozen citizens attending. No major changes were made in the budget.

Actually the city's first budget represents a two year's accumulation of expenses. Wixom started doing business as a village last July. Bills incurred by two charter commissions, the cost of operating as a village during the past year, and the anticipated expenses during the coming year are included in the first budget.

Wixom taxpayers can expect to get their first tax bills shortly after the first of July.

The budget calls for a maximum of eight mills, which Mayor Joseph Stanik points out is necessary to provide for the city's first year needs and pay off last year's bills. Nearly \$1,000,000 in accumulated expenses are included in the budget.

Some of the major expenses listed under the budget include: — \$700 planning consultants and commission. — \$10,000 police department; — \$500 fire department (for protection from Commerce and Novi townships); — \$200 street lighting and public removal services; — \$40,000 department of public works for employees, maintenance of roads and parking lots.

Based on an eight mill levy against the \$9,264,000 assessed valuation of Wixom the general property tax will provide \$74,112.32 of the budget. The remaining receipts will come from state taxes, licenses, permits and fees.

Some 38 students received diplomas in graduation exercises Thursday night and heard Dr. Ray Kehoe, director of school services at the University of Michigan, deliver a commencement address.

Mr. and Mrs. Lillian Rackow, both members of the eighth grade class, were honored as the outstanding citizens of the graduating group and received plaques from the Perry Kenner Post 75, AMVETS.

The end of school marked the beginning of retirement for Mrs. George Atkinson, principal of the school, and Mrs. Douglas French, fifth grade teacher.

It also marked the last year in which Novi would have all its elementary students under one roof. Next fall at least part of the elementary school—Willowbrook Village will be ready for classes.

Last night, a number of Novi students will be among seniors who will graduate from Northville high school. Commencement exercises will begin at 8 p.m. in the Northville community building.

Goodfellow Flares Go on Sale Sunday Flare flares will be sold by Novi Goodfellow's starting Sunday to help raise funds for their Christmas charity program next winter.

The flares, which burn when a cap is removed, are designed for use by motorists when changing tires or waiting for road aid. They will be on sale in Novi business establishments.

Plan Study of Speed Limit On 10 Mile and Lake Drive A higher speed limit around Wall Lake and a lower limit on 10 miles through Willowbrook Village were recommended this week by Police Chief Lee BeGole.

BeGole said he has been making a study of the road to determine exactly what speed is recommended.

The limits are actually set by the county. But BeGole's recommendations probably would go a long way toward helping the county determine the limit.

"The speed limit around the east shore of Wall Lake is 35 mph, which is too slow for thoroughfare," BeGole said. "It probably should be 30 or 35 mph."

"On the other hand, the 60 mph limit on 10 mile is a residential area," he added. "A limit of 50 would be better."

May Cut Down Services Or Request Tax Increase

A squeeze on Novi school district finances developed last week and may force either a curtailment of school services next year or a request for additional tax money from residents of the district.

Superintendent William Medlyn said the district appears to be about \$18,000 shy of meeting its already-tightened 1958-59 budget.

The school board was to meet last night to ponder whether the budget could be tightened still further or whether additional millage should be requested in the July 14 school board election.

The squeeze developed last week when the county tax allocation board authorized the Novi district to levy 7.88 mills next year — nearly three mills less than the 10.61 on which Medlyn had based the budget.

The authorized millage is, in fact, nearly a mill less than the 8.81 mills levied for the current year.

Medlyn noted that an unexpected jump in the district's state equalized valuation would offset part of the difference. In computing the budget, he estimated the valuation at \$10,500,000 but it has turned out to be \$11,000,000.

This would reduce the shortage by about one mill, Medlyn said, but still leaves the budget \$17,000 short.

Roughly two-thirds of the proposed \$22,200 budget will come from non-tax revenue, primarily state aid payments. The difference is paid for by local taxes.

Medlyn could not say whether the answer to the dollar shortage would be to cut in services or to ask for additional tax money. "We learned about the county authorization only last week and so far the school board hasn't had a chance to study it," he said Wednesday.

But he indicated that since the new school would be hard to reduce any further, the night might go to a millage request.

Some 38 students received diplomas in graduation exercises Thursday night and heard Dr. Ray Kehoe, director of school services at the University of Michigan, deliver a commencement address.

Mr. and Mrs. Lillian Rackow, both members of the eighth grade class, were honored as the outstanding citizens of the graduating group and received plaques from the Perry Kenner Post 75, AMVETS.

The end of school marked the beginning of retirement for Mrs. George Atkinson, principal of the school, and Mrs. Douglas French, fifth grade teacher.

Plan Study of Speed Limit On 10 Mile and Lake Drive A higher speed limit around Wall Lake and a lower limit on 10 miles through Willowbrook Village were recommended this week by Police Chief Lee BeGole.

BeGole said he has been making a study of the road to determine exactly what speed is recommended.

The limits are actually set by the county. But BeGole's recommendations probably would go a long way toward helping the county determine the limit.

"The speed limit around the east shore of Wall Lake is 35 mph, which is too slow for thoroughfare," BeGole said. "It probably should be 30 or 35 mph."

"On the other hand, the 60 mph limit on 10 mile is a residential area," he added. "A limit of 50 would be better."

BeGole said he would use the so-called "80 percent" method in determining the proposed new speed limits. This means checking traffic

to see what speed 80 percent of drivers can maintain. This presumably is the best and safest speed.

Studies of speed limits were included in a recent course in traffic management which BeGole took at Michigan State university.

Friday Deadline For School Board

Candidates for the Novi board of education have until tomorrow (Friday) at 4 p.m. to file for the July 14 election in which two board positions will be filled.

Petitions must be filed with Mrs. Georgia Larson and must be signed by 50 qualified electors. Forms are available at the Novi school office.

The petitions open are those of President James Mitchell and Mrs. Larson, secretary of the board. Neither intends to run for reelection.

Candidates will run for positions on the board, out for the two offices. The board elects its own officers.

Broomfield Seeks Re-election in Fall

U.S. Congressman William S. Broomfield has announced he will seek reelection on the Republican ticket this November.

Broomfield said he will continue to seek "responsible, energetic action by our federal government in solving the problems of our nation."

A Royal Oak resident for all his 38 years, Broomfield and his wife, Jane, have three daughters. He has had 10 years of legislative experience in federal and state government, including six years in the Michigan house of representatives where he served as the youngest speaker pro tem in Michigan history during two years in the Michigan senate.

He was appointed to replace Balon, a Wixom resident, after Wixom was incorporated as a city.

Promo to be in Office Three Years, Not One

Trustee Gordon Promo will be in office longer than The News stated last week.

He will serve for the three unexpired years of former Trustee Stan Balon's four year term. The News stated Promo would serve for only one year.

Promo was appointed to replace Balon, a Wixom resident, after Wixom was incorporated as a city.

Board Meeting Postponed

The next regular meeting of the Novi township board has been postponed from next Monday night to the afternoon of June 25.

It will begin at 2 p.m. in the township hall.

The postponement was made primarily to allow time for study of two matters: fire protection fees to be charged to Wixom, and proposed ordinance setting up specifications for sewers, water systems and streets in new subdivisions.

Other regular business will be conducted at the meeting.

about WOMEN

Coordinating Council Meets Next Week

The June meeting of the Northville Coordinating Council will be held in the city hall next Thursday (June 19) at 8 p.m. The business of the evening will pertain to the annual citizenship banquet, sponsored by the organization, scheduled for September 10. Ed Welch is to be general chairman. Officers for the council as elected at the May meeting are: president, Mrs. W. H. Condit; vice president, Joseph Crupi; secretary, Mrs. Peter Cucchetti; treasurer, Miss Ruth Knapp. Members of the board of directors are Mrs. Samuel Geraci, Ed Welch, John Canterbury and Mrs. Essie Nordin.

Award Murray Lyke \$250 Scholarship

For the second consecutive year Murray Lyke was named winner of the annual scholarship awarded by the Northville Branch of the Woman's National Farm and Garden association.

Announcement of the award was made by Mrs. N. K. Pattison, club president. Lyke is an education student at Eastern Michigan college and will begin his sophomore year this fall. He was graduated from Northville high school in 1957. He is the son of Mr. and Mrs. Myrtle Lyke of Six Mile road. The annual award totals \$250.

Degrees from Eastern For Julia Hammond

Julia Hammond, daughter of Mr. and Mrs. Crispin Hammond of Timberlane, will graduate this Saturday from Eastern Michigan college. She majored in art and will teach next year. Saturday night she will have open house for her friends.

Observe Anniversary

Mr. and Mrs. Gil Glasson of Fairbrook celebrated their 18th wedding anniversary with a party at their home on Fairbrook last Saturday night.

Among the guests were Mr. and Mrs. Alvin Ernst and Mr. and Mrs. Arnold Ash of Plymouth; Mr. and Mrs. Don Harton, Mr. and Mrs. Forrest Winters and Mr. and Mrs. Clarence Lyman of Wayne; Mr. and Mrs. Peter Ehler of Allen Park; Mr. and Mrs. Art Hayes of Farmington. Other guests were Mr. and Mrs. Vera Biddle, Mr. and Mrs. Harry George and Mr. and Mrs. Sam Stahler.

HONORED STUDENTS — Three of Our Lady of Victory girls were honored last week at a graduation breakfast when Miss Ruth Knapp (left) presented them with an award for excellence in social studies from Sarah Cochrane Chapter, Daughters of the American Revolution. The girls, from left to right, are Judy Zayil, Janet Paull and Sandy Brounsteiter. With them is Sister Anita Marie, seventeen students graduated from the school.

48 Graduate at Ladywood

Baccalaureate Mass and commencement exercises for Ladywood high schools 48 graduates were held last Sunday at the Pelican Sisters convent chapel in Livonia. Mass was celebrated by a Passionist priest, after which Rev. Paul Zelazki conferred diplomas. Rev. William Davidson, assistant pastor, read Our Lady of Fatima parish, delivered the graduation address.

Students receiving Magna Cum Laude honors were Patricia Alexander, Jackie Cleary, Trudy Klach, Kay Miller, Mary Murphy, Anne Ringbelle and Mary Schlichter. Carolyn Sopher received a Cum Laude honor.

The following awards were also presented: student council — Trudy Klach and Carol Biddinger; Journalism — Jackie Cleary; history — Trudy Klach; commercial — Joanne Monge and Rachel Rahaim; typing — Joanne Monge.

The following college scholarship winners were announced: Trudy Klach to the University of Michigan; and Pat Alexander, Mary Schlichter and Marjorie Sprague to Madonna college, Livonia.

The following college scholarship winners were announced: Trudy Klach to the University of Michigan; and Pat Alexander, Mary Schlichter and Marjorie Sprague to Madonna college, Livonia.

Several Democratic candidates for public office are expected to attend.

Three More Mortorboards Go to Novi's Nine Heslips

Three more caps and gowns for the Heslip family in Novi. With eight sons and a daughter, Mr. and Mrs. Arthur Heslip of Nine Mile have been attending graduation exercises with clockwork regularity for the past few years. Last week and three more Heslip received diplomas. Son Tom completed his veterinary work at Michigan State university and was awarded a degree as doctor of veterinary medicine. Robert received a bachelor of science degree in horticulture with honors and was awarded an assistantship to work on his master's degree. And Patrick graduated from Our Lady of Sorrows in Farmington, where he received awards for the most valuable player in football, loyalty in basketball, school athlete of the year, and perfect attendance. Pat plans to enroll at St. Benedict's college in Kansas. Tom and Bob, along with their brothers Jim, Jack and Bill, all attended Northville high school.

Mr. and Mrs. Morse's Sister Dies in Hollywood

Mrs. Laura Morse of 682 North Center, recently received word of the death of her sister, Catherine White Doty in Hollywood, California. Mrs. Doty is survived by a son, William, also of Hollywood, two brothers, William White of White Lake and Harry of New York City. Mrs. Doty came by plane last fall to visit her sister and other relatives and went on to New York before returning to her home in December.

Young Cellist Is Best in Virginia

A young cella virtuoso whose parents formerly lived in Novi, last week won an all-state music contest in Virginia and a scholarship for further study. He is Leon Rix, 16, son of Mr. and Mrs. Victor Rix and grandson of Mr. and Mrs. Luther Rix of First street in Novi. Leon, who has played the cello since he was 10, has won several other first-place awards in the past few years. He studies under the first cellist with the National Symphony orchestra. Leon's parents called Mr. and Mrs. Rix in Novi from their home in Falls Church, Virginia, last week to tell them the news.

An Arty Afternoon in the Park

"It's wonderful — it reminds me of shows in San Francisco," said a delighted newcomer from the west coast at the annual Three Cities Art Club outdoor show in Plymouth Saturday.

"I'd say the works were generally better than those I saw recently at shows in Birmingham and Royal Oak," said another.

They and more than 300 other visitors spent the morning and afternoon strolling through Plymouth's Kellogg park, studying some 60 paintings and a choice display of unframed and matted works.

The paintings were the work of professional and amateur artists from Northville, Plymouth and Livonia who put on the show to promote interest in creative original art in the communities.

Many visitors cast ballots for their favorite paintings after studying the extensive display. The results: First place: "After the Storm" by Mrs. Mabel Bacon of Plymouth. Second place: "Autumn in New England" by Mrs. Marjorie Becker of Northville, art coordinator for Livonia schools. Third place: "Geddes Bridge" by Mrs. Myrtle Fishbeck of Plymouth. Other Northville artists included Mrs. Harold Hartley, Mrs. Donald McKenzie, and Mrs. Albert Spaeth.

"HILLS NEAR MADISON" by Jack Van Haren, art teacher at Northville high school, is studied by Mrs. Robert Webb, 316 Griswold, one of the many Northville residents who attended the show.

YOUTHFUL CRITICS — David and Christine Yancey of Plymouth discuss the fine points of a work by Mrs. Marjorie Becker (above) of Northville, who took second place in popularity judging.

NEWS AROUND NORTHVILLE

Visiting Mrs. Mark Gardner of Randolph street the past two weeks has been Mrs. Hazel Lindsay of St. Petersburg, Florida. Before Mrs. Lindsay's return home last Monday they took a trip through northern Michigan.

To celebrate her birthday, Mrs. Leslie Ginnell of Eight Mile road had a luncheon at the Mayflower hotel before attending the last play of the season. . . .

Mr. and Mrs. James Taylor of Chubb road announce the birth of a son, Paul William, born June 8 at the Highland Park Osteopathic hospital. Mrs. Taylor is the former Marilyn Angel of Eight Mile road.

On Thursday, June 4, Mr. and Mrs. Eugene King of South Rogers licensed. It is available to anyone who wants it. There are no age restrictions, and no questions of supervision. "About the only problem we have this summer are the people who think they are safe from paralytic polio because many other people, especially their own children, have been vaccinated. This is a mistake," he said.

Polio vaccination is especially important to those parents and young grandparents who are in daily contact with small children, he said. Dr. Owen said that it has been suggested by Wayne county doctors who are members of the society that a maximum fee of \$3 which includes cost of the vaccine be charged for the inoculation. Special consideration may be given where several members of a family are involved.

Mr. and Mrs. William Noutilla of Brighton announce the birth of a son, James Paul, born June 7 at St. Joseph hospital, Ann Arbor. He weighed seven pounds and 13 ounces. Mrs. Noutilla is the former Shirley Carlson and Mr. Noutilla is the son of Mr. and Mrs. Emil Noutilla of Plymouth road. They have another daughter, Carol Lynn, age four.

Mr. D. Grayson will be the new president with Mrs. A. Bertoni serving as vice president; Mrs. B. Moisan, secretary; Mrs. B. Turnbull, assistant vice president; Mrs. M. Kenney, treasurer; Mrs. R. Van De, assistant treasurer, and Mrs. J. Reynolds, secretary.

are you waiting for what I was?

Let me tell you what I saved when I drove a new Plymouth... then bought one!

Just like a lot of other people, I was putting off buying a competing "low-price" car. . . even though we sure needed one. Then I found out what my Plymouth dealer was offering in the way of low prices and really big trades.

What's more, I got the car that proved it can save me gasoline, by winning the 1958 Mobilgas Economy Run. A car with Silver Dart Styling that is so far ahead right now it will still be worth more when I trade. With the kind of easy handling that makes every minute of driving a downright thrill! The stamina to stand up without sagging adjustments and big repairs . . . a car as much better built as it is better looking!

Any wonder I quit waiting? Take my tip . . . get your Plymouth bargain right now.

Today's best buy...tomorrow's best trade... **Plymouth**

The Rev. Peter Nissaukoop, Pastor First Baptist Church, Northville

PAGAN: RELIGIOUS OR CHRISTIAN?
 I would like to have you draw a large circle in your imagination. I would have you label this circle "Pagan" or "heathen." This circle represents the thousands of people in our world today who have no religion whatever. It takes in the naked, unlearned heathen of the bush, and the highly educated in the chair of learning.

Then I would like to have you draw a much smaller circle within this large circle and mark this, "Religious" and "Moral." This circle represents the variety of religions of the world. It includes the Buddhists, the Hindus, the Moslems, the Protestants and the Non-Protestants. It includes the many men and women of high moral standards. Men of integrity, of honesty and principle who are worthy citizens no matter where they may be found.

This one principle requirement draws a sharp line between Christianity and the other religions of the world. This new life is the gift of God to all who will unconditionally surrender to Jesus Christ. This requires a determination to turn from a life of sin to live a life of righteousness. It requires a willingness to yield to God's will in their lives. It requires a personal trust in the work of Jesus Christ on the cross of Calvary. The Bible calls Christians "peculiar people." This does not mean that they are odd or funny. It means that God has set them apart from all others.

Thank you for your time. Now, let me ask you a question— to which class do you belong? Pagan—religious or Christian?

Bible School Schedules Set
 Vacation Bible school begins at two Northville churches next Monday, with the two other Protestant churches planning similar programs later this summer.
 — St. Paul's: June 16-27, 9 to 11:45 a.m. daily.
 — First Presbyterian: June 16-27, 9 a.m. to 12 noon daily.
 — First Baptist: June 23-28, 9 a.m. to 12 noon daily.
 — First Methodist: August 11, 9 to 11:30 a.m. daily.
 (Note that St. Paul's and the Presbyterian schools run Monday through Friday while the other two will be held Monday through Saturday.)

Full Program Is Planned At St. Paul's Bible School
 There will be no tuition charge, but freewill offerings will be collected during chapel services. For further information, call Rev. B. J. Panikow, at 151.
 The summer schedule:
 — St. Paul's: June 16-27, 9 to 11:45 a.m. daily.
 — First Presbyterian: June 16-27, 9 a.m. to 12 noon daily.
 — First Baptist: June 23-28, 9 a.m. to 12 noon daily.
 — First Methodist: August 11, 9 to 11:30 a.m. daily.
 (Note that St. Paul's and the Presbyterian schools run Monday through Friday while the other two will be held Monday through Saturday.)

CHRISTIAN SCIENCE CHURCHES
 Main and North Streets
 Plymouth, Michigan
 Man's God-given safety and protection will be emphasized at Christian Science services Sunday in the Lecture-Sermon "God the Preserver of Man."
 The Apostle Paul's healing of Elychus, the young man who fell down from the third floor, and was taken up dead (Acts 20), will be included in the Scriptural readings.
 — St. Paul's: June 16-27, 9 to 11:45 a.m. daily.
 — First Presbyterian: June 16-27, 9 a.m. to 12 noon daily.
 — First Baptist: June 23-28, 9 a.m. to 12 noon daily.
 — First Methodist: August 11, 9 to 11:30 a.m. daily.
 (Note that St. Paul's and the Presbyterian schools run Monday through Friday while the other two will be held Monday through Saturday.)

 Degrees and certificates will be granted to 85 students at Western Michigan university Saturday morning.
 Among them will be Sharon K. Teskha, 215 Main, who will receive a bachelor of science degree and elementary teaching certificate.
 Dr. Finis Engleman, executive secretary of the American Association of School Administrators, will discuss "On Being an American."
 Arthur Wesleyan
 Dr. Arthur S. Fleming, who will become U.S. Secretary of Health, Education and Welfare this summer — spoke for the 11th commencement exercises at Ohio Wesleyan university Monday.

there's always plenty of hot water
 the new electric water heater way
 House cleaning is so much easier, so much faster when there's plenty of hot water.
 You can be confident that an electric water heater, plus Edison's Super Supply Plan, will provide round-the-clock hot water for cleaning and all the rest of the family's needs, too.
 Here's the convenient, modern way to GET IT HOT... GET A LOT for an operating cost as low as \$3.88 per month.
 Only electric water heaters give you all these important advantages:
 Efficient—the heat goes into the water
 Fast—new, more efficient heating units
 Outer shell—cool to the touch all over
 Edison maintains electrical parts without charge
 Safe—clean—quiet—modern

Swimming Starts Next Monday

Another phase of the Northville summer recreation program will get underway next week. Day and night swimming trips to Whitmore Lake begin.
 Buses leave at 6:30 p.m. from playground behind high school. If less than 20 swimmers turn out, the Class E baseball will start and registration will be taken for the newly-expanded girls' recreation program.
 The remainder of the summer program will begin within the next two weeks. (See below for schedule of times and coming events).
 Day swimming starts Monday with daily trips Monday through Friday planned until August 15. Buses will leave the high school on Caday street at 1 p.m.
 A beach charge of 15 cents will be made, but bus transportation will be free.
 The swimming trips are for youngsters eight years or older. Younger ones may attend if accompanied by a person of at least high school age.
 Registered life guards will be on duty, and four to six members of the recreation staff will attend. Swimmers must bring their own suits and towels.
 Night swims start Tuesday and Wednesday evenings at 7:30 p.m. from behind school on Caday street. For children 8 and older. Beach charge 15 cents. Bus ride free.
 Night: Tuesday and Thursday, 6:30 p.m. from high school playground. Children 12 and older. Beach charge 15 cents. Bus ride free.
 Registration
 Daily, 8 a.m. to 1 p.m. at Northville township center; otherwise, 88 for year.
 Information
 Call scout hall at 507 or Stan Johnson at 576-J.
 Northville Middle School
 Monday through Thursday, 6:15 to 8:15 p.m. at park, when at home.
 Northville Class D

 Northville Senior Girls
 Friday, 6:15 p.m., Diamond 2 at park when at home.
 Little League
 Monday through Thursday at 6 p.m. on Novi.
 Wixom Little League
 Monday through Friday at 6 p.m. and on Saturday afternoons at Walled Lake.
 Wixom Babe Ruth
 Tuesday and Thursday at 6 p.m. and Sundays at 2 p.m. on Walled Lake Junior high diamond, when scheduled.
 Doubleheader farm team game. Sundays at 2 p.m. on Little League diamond and single games at Walled Lake Junior high diamond, when scheduled.

Braves Win 2, 18-0, Including No-Hitter Orioles Victorious

Craig Bell and Dan Brown joined together for a no-hitter last week as the high-flying Northville Braves beat the Orioles 18-0 in their winning streak to nine games in midweek play.
 The Braves have held their opponents to four runs in the last four games while stamming out 89 themselves.
 Meanwhile, the strong Northville Orioles edged the Police White Sox, 5-1, to run their season's record to 7-1 and more close to league leading Roseale.
 The Braves, in winning their two 18-0 contests, had plenty of help in the way of walks and errors by their opponents.
 In the first win, the Braves collected their 18 runs off the Wayne County Training School Phillies by rapping up 14 runs and 11 errors of them were two triples and a double by Fletcher Brown.
 Braves again nailed only eight hits in their 18-0 defeat of the Wilcox Redlegs. Craig Bell, on the mound again, allowed only three hits.
 The Orioles, who had won five straight before losing their first, named an early lead when Tom Swain and George Hammond both stole second and later scored. Swain added the lead when he singled, and again stole second, and scored on a passed ball and an error.
 Swain also started on the mound, allowing only two hits in winning his first game.

Paragon Takes 2 Big Ones To Gain on National Bank

Home runs by Jim Masi panned the Paragon Steelers to two impressive wins last week as they moved up to challenge league-leading National Bank in Novi Little League play.
 Masi homered in both games as the Steelers downed York Door, 18-0, and dropped Fiberglass, 16-1.
 Meanwhile, National Bank held on to the league lead by taking two more victories: 18-2 over Fiberglass and 16-13 over York Door.
 Jim Driscoll and Jim Schlegel picked up the victories for the Paragon. Driscoll's was a sparkling one-hitter, in which he whiffed eight Young Door batters.
 Mike Goto and Bill Bailey were the winning pitchers for National Bank, which already has won more games than it did in the entire 1957 season.
 Though York Door lost to National Bank, the Tigers had some of the best hitting of the year. Gil Vanan pounded out a homer and triple while Jim Bertoni added another triple to the losing cause.
 The standings as of last Friday:
 National Bank 5-1
 Paragon 4-2
 Fiberglass 2-3
 York Door 1-7
 National Bank schedule: National Bank, Tuesday; Paragon-National Bank, Wednesday; Paragon-Fiberglass, tonight; York Door-National Bank, Thursday. All games 6 p.m.

Little League, Babe Ruth Open Seasons in Wixom

"Play ball" sounded in Wixom this week as nearly 50 Little League and Babe Ruth youngsters got ready for a summer of action.
 The Little League squad, champions of the Walled Lake leagues last year, opened its season last Sunday against Multi-Lakes.
 The Babe Ruth team, out to improve on its 1957 caliber finish, will kick off its 1958 year against Union Lake at 2 p.m. Sunday on the Walled Lake Junior high diamond.
 In Little League play, Wixom will field both a regular and a farm team. Both will play in six-league leagues.
 League games will be played Monday through Friday at 6 p.m. and on Saturday and Sunday afternoons.
 Sunday play at the Little League diamond will feature a doubleheader preceded by a farm team game, while a single game will be played at the Multi-Lakes diamond.
 The Wixom Little League team, for boys 9-12, will be managed by Bob Hughes and coached by Bob Rickard.

CONVERTING MORE PEOPLE TO CHEVY!

This superbly fashioned Impala Convertible is making new friends for CHEVROLET faster than you can say TURBO-THRUST V8.* Here's the car that puts you in a top-down, fun-hearted, go-places mood!

Once you've been infected by the fun of driving this Impala Convertible, no other car can take its place. Whisking along with the top down holds that same extra something as cooking in the open, dancing under the stars or just relaxing in a lawn chair - with only a cloud or two and the sweet smell of summer between you and the sky.

Delayed Payment Plan Keeps State Solvent

MICHIGAN'S TREASURY is solvent as 1957-58 enters its last days. It is temporary respite from poverty that can be attributed to Rep. Rollo G. Conlin (R-Tipton) whose talents as chairman of the House Taxation committee are sometimes not appreciated by all.

With his plan to postpone payments for liquor purposes, Conlin has again stymied Gov. Williams and the Democrats, and has given a special research project on revenue time to go.

Williams predicted in January and in March that the state would go broke again this year.

Conlin's idea was to extend the normal 30-day payment for purchases by the state's liquor monopoly to 90 days. In effect, the state would pay its bill as it sold the goods.

It went into effect almost unheralded after still debate in the legislature.

There were dire predictions that the plan would open the gates wide to bootlegging from the rest of Michigan; that distillers would demand extra compensation and other benefits.

Other agencies are leaving positions vacant and curbing travel which they considered necessary in other years. State government is trimming its sales to weather the economic storm.

Michigan's schools remember him as the "Conlin Plan" in 1954. Upon then, state school aid was based on collections two years before. His plan put school aid on a current-year basis.

"It wiped out the 'time bomb' created by fluctuating sales tax collections," Conlin's latest idea helped wipe out the threat of poverty this year. It will give a special revenue study a year in which to revise the state's tax structure and achieve permanent reform.

Republicans realize that the new Conlin Plan is not alone responsible for the rare feat of governmental solvency.

Williams weeks ago passed down an order to the dozens of state agencies to cut financial corners wherever possible to save money.

The highway department alone reported that it had saved more than \$1,000,000.

Other agencies are leaving positions vacant and curbing travel which they considered necessary in other years. State government is trimming its sales to weather the economic storm.

Novi Township Ordinance 42

ORDINANCE NO. 42

CONTRIBUTION OF PRIVATE SWIMMING POOLS

An Ordinance for the protection of the public relative to the use of private outdoor swimming pools.

IT IS HEREBY ORDAINED BY THE PEOPLE OF NOVI TOWNSHIP:

Section 1
It is hereby determined that outdoor swimming pools may endanger the public safety unless carefully regulated and supervised.

Section 2
The term "swimming pool" as hereinafter used shall mean any structure or container, either above or below grade located either in part or wholly outside a permanent enclosed and roofed building, designed to hold water to a depth greater than twelve (12) inches when filled to capacity, intended for immersion of the human body, whether for swimming or wading or both.

Section 3
The term "person" shall include all individuals, groups of individuals, co-partnerships, associations, firms or corporations. The singular shall include the plural and the masculine and the feminine.

Section 4
It shall be unlawful for any person to construct or maintain an outdoor swimming pool without first making application to the Township Building Inspector and obtaining a permit therefor.

Section 5
Application for such permit shall show the name of the owner, the location of the proposed swimming pool, the manner in which its use shall be supervised, the safety precautions to be made to protect those making use thereof, or who might be endangered thereby, information showing the size, depth and capacity of such swimming pool and shall be accompanied by such other information necessary for the protection of the public health and safety as may be required by the Township Building Inspector and the Public Health Officer. There shall also be filed with the Township Building Inspector a plat plan of the property showing the location of such swimming pool hereof and a detailed plan for such swimming pool, which shall contain full information as to the type, height and location of the fence surrounding said swimming pool, and the number of gates therein. Applicants for permits shall submit the sum of Twenty (\$20.00) Dollars with their applications. Said sum to be used to defray any expenses incurred by the Township in the enforcement and administration of this Ordinance.

Section 6
No outdoor swimming pool shall be built, constructed or assembled on any lot or parcel of land which is less than four thousand (4,000) square feet in area.

Section 7

Section 8
No person shall maintain an outdoor swimming pool on his premises without providing adequate supervision at all times when the swimming pool is in use so that no person may be injured by or drowned therein.

Section 9
Any outdoor swimming pool shall not be used unless adequate public health measures are periodically taken to insure that the use thereof will not cause the spread of disease. The water in such pools shall be disinfected by chlorinated water or filtration. The current standards set by the State Department of Public Health and the Oakland County Department of Health to protect to public health in the use of such swimming pools are hereby adopted and made part of this Ordinance.

Section 10
Any person violating any of the terms or conditions of this Ordinance, shall on conviction thereof be punished by a fine not exceeding the sum of one hundred (\$100.00) dollars, or by imprisonment in the county jail not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

Section 11
Each day on which any such violation may occur shall constitute a separate offense. Any such swimming pool, installed, operated or maintained in violation of provisions of this Ordinance shall constitute a nuisance and the Township may, in addition to the penalties herebefore set forth, maintain any proper action in any court of competent jurisdiction for the abatement of such nuisance.

Section 12
Existing swimming pools which do not conform to the fencing requirements of Section 7 of this Ordinance shall be brought into compliance therewith within sixty (60) days of the effective date of this Ordinance.

Section 13
This Ordinance shall be effective when adopted by the Township and when so adopted after thirty (30) days have elapsed after the first publication of said Ordinance.

Section 14
Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not effect the validity of the Ordinance as a whole or any part hereof other than the part so declared to be invalid.

Section 15
Fraser V. Staman, Supervisor
Hadley J. Bachert, Clerk of the Township of Novi do hereby certify that the above Ordinance was approved and adopted by the Novi Township Board at a regular meeting thereof, duly called and held on the 2nd day of June A.D., 1958, and was ordered to be given publication in the manner prescribed by law.

Hadley J. Bachert, Clerk

Gulf INSURES*

your family's home heating oil requirements

INSURED BUDGET PLAN OFFER

NO EXTRA CHARGE for Gulf's Insured Budget Plan!
