Ten Candidates File For Village Council Ten candidates will vie for five seats on the proposed village council in Novi's special charter election September 22.

Under the proposed charter, the village council would appoint a clerk, treasurer, superintendent of public works, etc., and hire a full time village engineer.

While the election draws near, charter commissioners began to worry about the feasibility of the plan.

Novi citizens will vote on the proposed charter on September 22. The candidates are: George Ames, 41088 Mooringside drive; Russell Butler, 41109 Grand River; Patrick D. Campbell, 120 Northville; David Fried, 41088 Hollydale drive; Dick Greenberg, 45205 Twelve Mile road; and Dieron Tafallian, 46153 Grand River.

Novi citizens will vote on the proposed charter on September 22. The candidates are: George Ames, 41088 Mooringside drive; Russell Butler, 41109 Grand River; Patrick D. Campbell, 120 Northville; David Fried, 41088 Hollydale drive; Dick Greenberg, 45205 Twelve Mile road; and Dieron Tafallian, 46153 Grand River.

School Study Group Ready to Report Findings in Novi

Results of a summer of research into Novi school problems will be revealed in two weeks by the newly organized Novi School Study Group.

The group, formed last spring, will make its first report at a public meeting in the Novi community building on September 16.

Election of officers is also tentatively scheduled for the meeting.

Three subcommittees will report on their summer studies: educational standards committee, under C. P. Campbell, which has compared the Novi curriculum with others to see in what ways it might be changed or expanded.

Financing and expanding committee, under George Ames, which has looked at such questions as a high school for Novi, special classes, and ways of financing new educational projects.

A conference committee, under Mrs. Barbara Rose, which has explored the possibility of having parent-teacher conferences as a supplement to report cards.

David Fried, acting chairman of the study group, noted that it is not a formal P-T-A organization.

Other groups, notably the Novi Mothers club, already are doing an excellent job with many projects usually handled by a P-T-A.

"The study group," he added, "is just basic in name. It studies basic school problems in detail. Their work will make recommendations to the board of education."

The study group was formally organized in May after meeting informally for several months. At that time, the three committees of 10 to 15 members each were appointed.

The Novi school board has endorsed the study group's aims and has evoked considerable interest - parent-teacher conferences, for example.

In a survey of some 200 families last spring, the group found that closer parent-teacher relations were often urged. The conference committee has explored the subject of private sessions between parents and teachers, and will include it in its report on September 16.

Novi's slow registration rate for the coming fiscal year election because of concern over the school's population commission officers.

With the registration deadline just two weeks away only 140 of Novi's estimated 2500 qualified electors have registered for the September 22 election.

Dirk Greenberg, who as clerk of the charter commission is automatically clerk of the election commission, said that if a definite pickup in registration did not occur this week steps would be taken to canvass the area.

"It may be that registrations are slow in starting because the registration cards are not being returned to call on residents and remind them to register," he said.

Deadline for registration is Monday, September 15. All qualified electors must be registered by that time. Registrations can be made at the township hall Monday through Friday from 4 until 8 p.m., or Saturdays from 9 a.m. until 1 p.m. Those who are unable to go to the township hall, someone will call at your home, or the township clerk will call at your home.

To qualify for registration you must be 21 years of age, have lived in Michigan for six months and Novi for 30 days; and be a resident of the proposed village area which includes all of Novi township except the parts now in Wilcox and Farmington. Registrations will be held at the Novi township hall, 41000 Grand River, from 9 a.m. to 5 p.m. on Monday, September 22. Registrations are free.

Northville Eyes Water Bonds

Northville's city council took definite steps this week to thoroughly review and map out its water system and undertake a major program of improvements.

In a determined effort to bring the water system up to date and provide for future needs, the council has approved a bond issue for \$1,000,000.

The council's action came after a study of the water system and its condition and capacities.

First Class Wednesday; To Use New Elementary

Novi students will return to classes in record numbers next week as the 1958-59 school year gets underway.

Part of them will attend Novi's new elementary school near Willowbrook, the first unit of which is now nearing completion.

Enrollment on the first day is expected to be 600 - up about eight percent over last fall - and should near 650 or 700 by next June.

The schedule for next week: Tuesday, teachers only report. Wednesday, grades four through eighth report in morning only.

Friday, first full day of school for all grades. The Wednesday and Thursday meetings are both scheduled for Novi school. At those times, students will learn what school they will attend and which bus to catch.

The new Orchard Hills school will have four rooms in use for the first week - kindergarten, fourth, fifth and sixth grades.

The rest of the first unit will open a week or two later, accommodating first, second and third grade students.

The Orchard Hills school will serve an area bounded roughly by Eight Mile on the south, 10 Mile on the north, Novi road on the west and Haggerty road on the east.

COMMITTEES are busily engaged in final arrangements for the annual flower show September 12, by the Northville branch of the Women's National Farm and Garden association. Pictured here are Mrs. D. Hurd Clark, vice-president of the Northville branch, and Mrs. Robert Nield, who heads the apron division of the ways and means committee, talking over details of Mrs. Nield's project. Co-workers on the committee are Mrs. Kan Jones, Mrs. Charles Ely, Mrs. Pasquale Bascunento, Mrs. T. G. Heger, Mrs. Ina Whipple, Mrs. Ellen Scott, Mrs. Elyr Ellison, Mrs. Mercer Elber and Mrs. Ralph Hay, Sr. The show will be held in the Community building.

Girl Scout Board To Meet Sept. 4

The first fall meeting of the board of directors of the Southern Oakland Girl Scouts, Inc., will take place at 9:30 a.m. Thursday, September 4. It's pointed out that there will be a new location for the meeting: an auditorium in the Consumers Power company, 303 Williams (corner Third), Royal Oak, according to Mrs. Paul Carey, president.

Walled Lake Couple Married Here Saturday

Miss Barbara Jane Grissom and Ronald Dale Perkins, both of Walled Lake were united in marriage Saturday afternoon, August 23 by Justice E. M. Bogart.

Married Here Wednesday

Ruth Elaine Danough of Highland Park and Donald Wayne Moore of Plymouth were united in marriage by Justice E. M. Bogart on Wednesday evening, August 20. Elton Johnson and Miss Lois Coffey of Detroit were the attending witnesses.

Knowing the "Background" of a Trial

It is possible to take a familiar institution so much for granted that we don't even get to know it? When it comes to the familiar subject of jury duty, voters may suddenly find themselves meeting with the paradox.

What would it mean, for instance, for a Northville voter suddenly to be called to sit in the jury box? For two Northville women, Mrs. Roy Stone and Mrs. Lucille McKinney, who both happened to be named for jury duty throughout July, it had its light and its serious side.

"Most people know generally what jury duty is," Mrs. Stone says, "but I suppose the greater number of voters don't have much idea about what it involves and how it operates."

The Stones were planning a vacation when the call came. For a month and a half Mr. Stone demonstrated his good citizenship by baby-sitting their five children, while Mrs. Stone drove off with Mrs. McKinney to Detroit circuit court early every morning.

Mrs. McKinney, who is a home teacher in Wayne community schools, also forsook a July vacation.

Both women served on "standing juries" that is, were available for any trial during July that might need them.

Mrs. McKinney served on a jury for condemnation proceedings. Mrs. Stone served in the widely-publicized criminal trial of River Rouge constable, M. Warren Duncan, and an accident case.

Despite their short-changed vacation plans, they stressed the value of the experience.

Mrs. Stone pointed out the importance of understanding the "background" of trial proceedings. "New insights are gained, she explained, through deliberating a verdict with persons from different walks of life."

Not least of all, she added, jury service provides a personalized lesson in democratic processes and appreciation of our democratic heritage.

Mrs. McKinney said, "Everyone should have the experience of serving on a jury. It's a wonderful education. You think you know how the courts operate, but you don't really know until you see it from the jury box."

Some 25 school friends attended the surprise 14th birthday picnic given for Bob Bate Friday night at Casa Benton Park. Bob is the son of the W. A. Bakes of Main street.

Jan Van Alts, Jerry Dresselhouse and Carolyn Van Alts drove to Mio last week as guests at the L. M. Germain cottage on Perry lakes. On Saturday they crossed the Straits Mackinac and spent the day at Mackinac Island.

Westside Shore Group To Meet Today

There will be a meeting and potluck supper of the Westside Shore association at the home of Roy Crites, 120 Rexton, today (Thursday). The association is working to improve the Westside Shore area. Residents of West Lake drive or West Shore, are especially encouraged to come.

Those attending are asked to bring their own table service and passing dish.

Mrs. John Fields, 204 Faywood, is social chairman for the occasion.

Phone local news items in to the Society Editor, FI. 9-1700.

IF TODAY WERE YOUR LAST

Sometimes a question was posed in a Midwest paper: "What would you do with your day if you knew it was the last one for you on earth?"

The Nov magazine reports that there were answers to the question. One was to go to the eye bank and donate their good eyes to a blind person to see the world.

Novi Highlights

Mrs. David Stewart of Philadelphia is visiting her brother and sister-in-law, Rev. and Mrs. Arnold Cook, this week.

Rev. and Mrs. Cook had company last Tuesday from Lookout, Wis. They were accompanied by Mrs. N.A. Fiszwater and daughter Florence, also James Fitzwater and children from Toledo, Ohio.

Sunday dinner guests of Mr. and Mrs. George Waite were Miss Marjorie Power and Mrs. Esther Gow of Northville.

Mr. and Mrs. Luther Rix attended the Rix reunion in Webberville on Sunday.

Mrs. Mike Rackow is spending several days of this week visiting friends and relatives in Detroit.

Week and guests at the Russell Place home on 12 Mile road were their son and family, Mr. and Mrs. Russell Race, Jr. and daughter Linda, from Greenville.

The Alfred Gows of Novi road were hosts to members of their pinocle club of 12 Saturday evening.

Mr. and Mrs. Howard Swick have left Willowbrook to move to their new home in San Francisco, California.

Mr. and Mrs. J. W. Galvin are happy to announce the birth of a son, Daniel Patrick, at St. Carmel hospital on August 17.

Mr. and Mrs. Robert McKee spent last Friday in Toledo when they attended a tool show.

Douglas Gardella of Detroit is having a two weeks vacation visit with his grandparents, Mr. and Mrs. Joe Gardella.

Leslie Clarke has returned from his two weeks training period with the National Guard at Grayling.

Rebekah and IOOF The Rebekah Independent club will meet at the home of Pearl Parnum Wednesday, September 4 for a 12 o'clock pot-luck dinner.

The Novi Odd Fellows will resume their regular meetings beginning September 2 after which they will meet every week on Tuesday.

Novi Baptist Church Sunday evening the final vesper service was held at the church, 7307 of Detroit, was the speaker.

Novi Methodist Church Nov. Methodist had a sacred concert at the church Sunday evening, George Kelly of Nova Scotia, Canada had charge.

Buets were sung by Mrs. and Mrs. Frank Campbell, George Kelly and Mrs. Button and Mrs. Sharpe and Mrs. Button.

School Supply Fee is Six Dollars

The school supplies fee for grade school children will be \$6 this year for grades 1-6, American School Principal Richard Kay announced.

Kindergarten children are asked to pay \$4 a semester. The fee covers the cost of workbooks, text books and general supplies for first through sixth graders, and milk, rest mats, and other school supplies for the kindergarten children.

One of These Days, Right in the Kisses! It took Edward Robinson of Taft road a couple of sports Monday to do what usually remains just a pipe-dream with some downtown workers.

Robinson pleaded guilty and was fined \$25 and court costs for "unlawful destruction of property," after he pulled a loose parking meter out of the sidewalk and gave it a good smash in the coin box.

He will have to pay another \$40 to replace the fractured meter head or spend 45 days in Detroit, Judge E. M. Bogart decided.

In Wixom Village: Tell Sewage Requirement

At the Wixom planning meeting held August 18, the commission voted to recommend 15,000 square feet minimum lot requirement when the subdivision uses septic tanks and individual wells.

The Birch Park Hunt club had a picnic last Sunday. Over 150 guests were present.

Mr. and Mrs. Fred Wagnitz and Mrs. Marvin Wagnitz and daughter spent the week end at Marine City, Mr. and Mrs. David Revitzer, formerly of Hickory Hills, are the proud parents of a new daughter, Carrie Ann, weighing six pounds, ten ounces.

Mr. and Mrs. Robert Tomsett of Indiana will be guests of their parents, the Julius Nelsons. They will bring Jackie Nelson back with them.

Henry Madigan has returned to Wixom after spending the summer months with relatives in Belmont, Massachusetts. Henry's aunt and uncle accompanied him home to Wixom and returned August 25 to Massachusetts.

Mayor Joseph Stadnik of Wixom is in Pontiac General hospital for surgery.

Mr. and Mrs. Henry Scott of St. Petersburg, Florida and Mr. and Mrs. Charles Ware were Wednesday evening dinner guests of Hilda Purman.

Last Thursday dinner guests of the Charles Wares were Mrs. Ware's sister, Mrs. Abigail Sullivan of Detroit and her nephew and his wife, Dr. and Mrs. Maurice Sullivan of Richmond, Ohio.

Sharon Helker of North Farmington has returned home after spending a week with her grandparents, Mr. and Mrs. Richard Banfield of Wixom.

Celebrate Two Birthdays

Mrs. Harper Dunlap - Market 4-3200 Cindy Flick, daughter of Mr. and Mrs. George Flick of West Lake drive, was the guest of honor at a party August 15 celebrating her fifth birthday.

Last Saturday Mr. and Mrs. John McGuire of Faywood had their dinner guests Mr. and Mrs. Charles Tomlin of Pontiac, and Mr. and Mrs. Jack Shackelford of Indiana.

Mr. and Mrs. Carl Wade of West Lake drive took her granddaughter, Denise, to the Detroit Zoo and for a boat ride at Kennington park last week. They were accompanied by Mrs. John Altma and son, Johnny.

Donald Branch, four-year-old son of Mr. and Mrs. Joseph Brandt of West Lake drive, fell from the porch of his home last Tuesday and broke his arm.

Mr. and Mrs. John McGuire of Faywood had as their guests last week end Mr. and Mrs. Jack Shackelford and their family of Indianapolis, Indiana.

Mr. and Mrs. Carl Wade of West Lake drive entertained at a birthday celebration last Saturday for their son, George Wade. Guests were Mr. and Mrs. John Altma.

Northville Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Aug. 18, 1958 at 8 p.m.

Present: Mayor Allen, Councilmen Canterbury, Subenivoll and Welch. Absent: Councilman Reed. Minutes of last regular meeting were read and approved.

Letter was read from Geo. Weiss of 925 Grace Ave., complaining about a situation existing around his house due to the installation of sewer on Hill St. Mr. Robertson reported that the work being done by the City in this locality is practically completed and that the condition described by Mr. Weiss will be corrected in the very near future. Mr. Weiss will be so informed.

Referring to the resolution adopted at the last regular meeting to institute a pension plan for all eligible city employees effective Aug. 2, 1958, Mr. Robertson stated that he was informed by the Michigan Municipal Employees' Retirement System that the effective date should be Aug. 1st, 1958, and that the resolution should be amended to read Aug. 1, 1958. Moved by Subenivoll, supported by Canterbury, that the resolution be amended to be effective Aug. 1st, 1958. Carried.

Under new business, Mr. Robertson introduced to the Council Mr. Pollock, financial consultant, who talked with them about Water Revenue Bonds. He was recommended to the Council by the Municipal Advisory Council. Mr. Pollock outlined his qualifications and explained what would be involved in the procurement of Water Revenue Bonds.

A meeting held Tuesday morning, Aug. 19th, 1958, to go over this matter further, after which Mr. Pollock will make a proposal as to what it would cost for his services.

Mayor Allen reported that Frank Hill had made the City an offer as to what he would sell his property for which located at 114 W. Main St. Moved by Subenivoll, supported by Canterbury, that Mayor Allen and Atty. Ogilvie negotiate further with Mr. Hill. Carried.

There being no one present at the public hearing held at this meeting to object to the passage of the amendment to the Water ordinance as published in the Northville Record on Aug. 7th, 1958, it was moved by Allen, supported by Welch, that same be adopted. Carried.

No further business appearing, meeting was adjourned at 11 p.m. (Signed) Mary Alexander

Still Seeking "21-ers" for Citizenship Banquet

NEW VOTER — Twenty-one-year-old Karen Austin made sure she'll be able to vote this November for the first time by registering this week at the city hall. Like all other new "21-ers" in the area Karen will be a guest at the annual Citizenship Banquet September 10. City Clerk Mary Alexander registers Karen while Mrs. Peter Cucechil (standing) looks on. Mrs. Cucechil is a member of the Coordinating Council's committee arranging invitations.

The guest list is still open for invitations to the 18th annual "21-ers" citizenship banquet September 10, sponsored by the Northville Coordinating Council.

Any Northville resident who has just become 21 years old and eligible to vote, and all newly naturalized citizens are encouraged to attend. Although the invitation committee has means of checking names of eligible guests, some names can only be supplied by word-of-mouth.

Anyone knowing of persons eligible to attend the banquet are asked to call Mrs. Samuel Geraci, chairman of the invitation committee, at FI-9-3119, or one of her committee members: Mrs. Peter Cucechil, Mrs. Nelson Schrader or Neal Anderson.

Secretary of State James Hare will be guest speaker. The bigger the turnout, the better.

Get Eastern Michigan Degrees, Certificates

Among 405 receiving degrees and teaching certificates in the Summer Convocation ceremonies at Eastern Michigan college, were five Northville residents.

Helen M. Baitzer received a state limited teaching certificate.

Gladys Coralie Bush received a B.S. degree; she obtained her certificate earlier.

Richard Allen Gray received a B.S. degree and elementary professional certificate.

John Henry Heard received a B.S. degree and secondary provisional certificate.

Obituary

MRS. ELLA G. NICHOLS
Mrs. Nichols, a life-long resident of Northville, died August 24 of a heart disease at the Wayne County General hospital where she had been a patient for five years. She was born in Northville May 10, 1870, a daughter of the late William and Phebe Clark, and was married here to the late Arthur Sherwood Nichols. In Northville she was an active member of the Baptist church. Two step-sons, Garfield and Seward Nichols, survive her. Funeral services were held at the Caldwell funeral home in Garden City August 26, conducted by the Rev. F. Rose of the First Baptist church of Garden City. Interment was in the Clark family plot at Rural Hill cemetery, Northville.

OTTIS J. COMER
Otis Comer, 2363 Novi road, passed away August 21 in Aitchison Memorial hospital. He was born in Richmond, Indiana January 12, 1888, the son of Joseph and Sophrona Comer. He is survived by his wife, Laura, two daughters, Mrs. Jack (Helen) Crawford of Novi, and Mrs. Jack (Anna) Cohoon of Oceanide, California; a son, John Comer of Detroit; a brother, Ervel Comer of Richmond, Indiana; a sister, Mrs. Sadie Caroline of Aurora, Illinois, and grandchildren: Hugh, Jeff and Jack Crawford, and Steven and Scott Cohoon. Mr. Comer moved to Northville from Detroit last year. He was retired from Giffels and Valet, architect and building firm. He was a member of the Novi Methodist church and Bedic Lodge No. 408, F.A.M. Funeral services were held August 25 from the Casterline funeral home, Rev. George Nevin of Novi Methodist church officiated. Interment was in Oakland Hills Memorial Gardens, Novi.

PHILIP A. BOYER
Philip A. Boyer, 18494 Winston, Detroit, passed away August 20 at Detroit Osteopathic hospital. He was born September 1, 1902 in Detroit Lakes, Minnesota. His parents were John P. and Etta Boyer. He is survived by his wife Florence. They were married November 26, 1923. He also leaves two daughters, Mrs. M. J. Boyer and Mrs. M. J. Boyer.

Michigan's 59 state parks and recreation areas host as many as 18,000,000 visitors in a single year. This total includes campers, hikers, swimmers, and others.

New Schools for the New Year

READY IN FEBRUARY — Northville's new campus-style high school will look something like this when it is opened for students in February. Buildings one, four and five are academic wings, while two has a library, cafeteria and study hall on the upper level and home-making, commercial courses and art on the lower floor. Building three houses the auditorium, music department, industrial arts, driver education and the boiler room. Number six is the gymnasium. The buildings marked "X" signify future expansion possibilities.

NHS Students to Move in February

February 1, 1959 Northville's new campus-style high school will be ready for students. The school room which will be greatly relieved. According to Superintendent Russell Amerman, Northville's new two-million-dollar high school will be open for second semester classes. All junior and senior high school students will then be moved to the new Center street high school. "This will allow us to remodel the present high school into a junior high school. Then in the fall of 1959, we'll move all seventh and eighth graders, and perhaps the ninth grade as well, back to the 'new' junior high," Amerman explained. The new campus-style high school will offer modern teaching facilities with six wings separated for liberal arts, sciences, commercial, home economics, industrial arts, music, etc. It will provide a 650-seat auditorium and gymnasium and introduce to the Northville school system a complete cafeteria service. Although the cafeteria will not be open for general use until September of 1959, plans are already being formulated for the huge undertaking. One plan being considered by administrators is the use of the cafeteria kitchen as a central kitchen for all the schools. Hot lunches would be prepared at the high school and delivered to the other schools in the system each noon. This would enable all grades to have hot lunches available, if desired. By purchasing their foods from Federal surplus schools are usually able to provide a hot lunch and milk drink for 25c to 35c, Amerman pointed out. Administrators are now planning to have complete use of all the new high school facilities except the cafeteria in February. The gymnasium will probably be used for varsity basketball games during the second half of the 1958-59 season. Final plans for outdoor athletic facilities, such as tennis courts, a track, football stadium, have not been completed. A baseball field is currently being leveled and sodded, however. Funds for a football stadium are not available under the bond issue for the new high school.

The Northville Record

THE OLDEST WEEKLY NEWSPAPER IN WAYNE COUNTY — EST. 1868 Thursday, August 28, 1958—9

FAST WORK IN NOVI — Only five months after ground was broken, Novi's new Orchard Hills elementary school is nearly ready to receive its first students. The unit in foreground will open next week for 120 students. Multi-purpose and office unit in center and other classroom unit in distance will open later this fall. Crews are now putting in a driveway. (ional and international exhibits, including one at national headquarters of the American Institute of Architects. Situated on rolling land adjacent to an extensive apple orchard, the school has three units connected by enclosed passageways. Another classroom unit of six rooms may eventually be built to the rear of the school.

BOARD OF EDUCATION

Northville, Michigan
August 28, 1958

To The Citizens of Northville:
In just a few days classrooms of the Northville Public Schools will again hum with activity of education. The 1958-59 school year promises to be a memorial one in our history for several reasons. First of all, our enrollment will be at an all time high. And, of course, more pupils mean more teachers, and therefore, our staff has also grown. Secondly, during this school year we will open our new senior high school. This event is of particular importance, not only to those who have worked closely on its development and planning, but also to the residents of the school district who have made its construction possible. The use of the new high school in February will also make available the present high school building for junior high school students. Thus our plans, made possible by your support and encouragement, will soon come into being... enabling us to continue to provide our children with full-day sessions, modern facilities and competent teachers.

Northville Juniors Score High In National Scholarship Tests
If tests mean anything, Northville can consider itself well above average in national scholastic standings. At least the results of a national test taken by junior high school students the nation over show that 90 percent of the students taking the test scored average or above. Along with 470,000 second semester juniors and first semester seniors, 55 Northville high school juniors took the National Merit Scholarship Qualifying Tests last May. The Northville juniors who took this test volunteered. The test was administered by NHS Principal, Erroy V. Ellison, and immediately forwarded to Science Research Associates, Inc. of Chicago for scoring, analysis and interpretation. The NMQST is a test of educational development selected for use because it measures the fundamental skills which are essential in varying degrees to any productive effort in our society. The test questions require the student to critically evaluate and interpret reading material, to solve problems by quantitative reasoning and to demonstrate effectiveness in verbal expressions. Social studies reading, natural sciences reading, word usage, humanities composite, science composite, and total composite. The results of the tests were analyzed by Dr. Kenneth M. MacLeod. He reported pupils who scored in the 50 percentile or above, other things being equal, should be successful in college work. Students in the 50 percentile to 75 percentile can be successful in college if they choose the proper curriculum, are sufficiently motivated, have better than average high school grades and apply themselves. Dr. MacLeod noted that in the total composite of the 55 Northville high school juniors who took the test 23, or 42 percent, scored in the 75 percentile.

**Novi Plans Class
In Modern Dance**

A class in modern interpretative dance for Novi youngsters will be held again this fall.

Group lessons and performances are scheduled for Saturday mornings at the Novi community building.

Exact time and starting date will be announced later.

The dance classes are primarily for girls, but boys also may enroll. Children from four years through the early teens will be accepted.

Miss Nancy Sparrow, well-known Detroit danseuse who taught the 30-member class last year, has accepted a position teaching dance in New York. A new instructor will be named soon.

For further information about the classes, contact Mrs. David Fried at GR-4-8384 or Mrs. Walter Pinner at GR-4-2202.

**Northville Man
Is Hines' Taster!**

George W. Book of 8155 West Six Mile road, has been appointed a field inspector for the Duncan Hines Institute.

The announcement was made by Roy H. Park, vice-president of the Duncan Hines Institute. They are one of 21 field inspectors and three supervisors now covering 48 states, Canada and Mexico for the Institute. His territory includes Alabama, Georgia and Mississippi.

According to Park the increased staff is the result of plans to step up field inspections by 50 percent this year.

"It is also part of the Institute's program," Park said, "for regular inspection of all places 'Recommended by Duncan Hines' and listed in the three guide books — 'Adventures in Good Eating', 'Lodging for a Night' and 'Vacation Guide'.

In addition, he noted, there will be special inspections of establishments nominated for listing.

**School Construction
Progresses on Schedule
During Vacation Months**

Vacation time for Northville students was no vacation for construction workers at the new high school, who have managed through the summer months to keep up to the building schedule.

Principal Elroy Ellison estimated that building is about 40-50 percent complete to date.

Most of the steel work has been put in through the summer, Ellison reported, and the rest of it should be finished this week.

Floors and ceilings are in throughout the school, except in the office. All walls are now up, except in the gym office unit.

**St. William's School
Opens September 4**

St. William's Catholic school in Walled Lake will begin classes September 4, Principal Sister Cecilia Marie, O.P., has announced.

Enrollment is expected to be around 475.

**Novi School to Serve
200 Lunches a Day**

More than 200 Novi students will receive hot lunches at the school cafeteria each day this year.

The meals, under the supervision of nutritionist Mrs. Doris Darling, assisted by Mrs. George Kahrl and Mrs. Eva Behrendt, cost students 30 cents.

The cost is kept down through the federal government's school milk program and through the sale of surplus farm commodities by federal agencies.

Students attending Orchard Hill school must bring their own lunches. Milk will be available to them too.

The new school's cafeteria is not scheduled to open until later this fall.

**Ethel Mugler Named
Wixom School Principal**

An expected 220 children will be marching to classes at Wixom grade school next Thursday (September 4).

This is an eventful year for the school, with its first woman principal, Miss Ethel Mugler, and its first afternoon kindergarten class. Miss Mugler taught fourth grade at the Union Lake school before her appointment this year.

Afternoon kindergarten will now be offered in addition to the regular morning class.

Three new teachers have been added to the faculty: Miss Marilyn Kurtz, fifth grade; Mrs. Barbara Fulton, morning kindergarten; Mrs. Grace Jewett, second grade; and Miss Hazel Underhill, first grade.

Returning teachers are: Miss Chambers, teaching first and third grade; Mrs. Henry, fourth grade; Mrs. Sharp, fifth grade; and Mrs. Chenoweth, afternoon kindergarten.

**Wixom P-TA to Meet
September 25**

Wixom P-TA will hold its first regular meeting Thursday, September 25 at the Wixom school, president, Mrs. Eleanor Bourgeois announced.

The program will include: presentation of the Cub Scouts charter; film on savings stamps; and discussion of the Wixom P-TA fair October 4.

Officers this year are: Mrs. Bourgeois, president; father vice-president, Oscar Simmons; mother vice-president, Beth Norei; Mrs. Barbara Stasnik, secretary; Mrs. Helen Walter, treasurer; and Mrs. Hazel Burns, parliamentarian.

how
to
fit
a
college
education
into
your
budget

Now, through National Bank of Detroit's College Education Plan, the broadening, enriching benefits of college are more easily and readily available to young people. Now, thousands of deserving high school students in the Metropolitan Detroit area who could not have gone to college can go. And many students already in college can be relieved of the threat of staggering financial difficulties!

The plan in a nutshell: NBD advances payments, covering the student's major college expenses, to any accredited college or university.

The payments, which become a loan to the student's parents, guardian or sponsor, are repaid in installments over a period of up to 6 years. So by budgeting the cost of the education over a longer period of time, you never face a large cash outlay and the plan enables you to guarantee completion of the college program.

How do you get details? Just call the manager of your nearest NBD office or, better yet, drop by and talk with him. He'll be glad to show you how the National Bank of Detroit College Education Plan puts higher education within your reach right now — simply, inexpensively and conveniently.

More friends because we help more people

CHAMPS' TREAT — The champions of Northville's knot-hole baseball league picked up their rewards last week at Cloverdale Farms dairy. The winning Yankees are shown enjoying banana splits purchased by their sponsor, Roy Stone of Gambleus Stone, standing at the end of the bar, looked at the huge, creamy nut-covered treat and declined to join the feast.

GRINNING GRIDDERS — While organized high school, college and professional football teams go through rigorous drills and calisthenics to prepare for opening games, it only takes a ball and a gang of boys to start a neighborhood game. In Willowbrook this week the season got started with (l. to r.) Jeff Crawford, Jim Ditzel, Cliff Hawley, Ted Banker, Jim Schlegel and Paul Banker lining up for the fan!

AMERICA'S MOST VERSATILE HORSE — THE MORGAN

Buckley Off to Hope
A former Northville griddler is among 422 students who will begin their freshman year at Hope college in Holland this fall.

He is Dick Buckley, scrappy first-string guard for the 1956 and 1957 championship Mustangs.

Hope is the alma mater of Coach Ron Schipper.

Want Ads bring results.

**Local "Morgans"
To Compete Sunday
In Annual Show**

The sixth annual Morgan Horse Show will be held this Sunday at the Walter Kanes' Woods and Water Farm on Pontiac Trail between Eight and Nine Mile roads.

Two Northville residents will show famous Morgans in the event. G.P. Tait's state champion "Quicks" will be retired as champion. The 12-year-old will be officially retired in a ceremony at 1 p.m. (See pictures, page one).

"Micky Finn," outstanding ribbon winner of Mr. and Mrs. Milo Dugan of Eight Mile road, will also enter the competition.

The Morgan is the oldest American breed of horse. Competition is held in both harness and saddle events. The show will begin at 9 a.m. with breed classes.

Trout usually lie in the water with their heads facing the current, therefore bait drifting down on them appears natural and is more effective.

**Expect Over 100 Grid Hopefuls
At Opening of Drills Monday**

Labor Day will be exactly that for more than 100 candidates for Northville high school's varsity and junior varsity football squads.

Coach Ron Schipper expects the largest turn-out of gridlers in recent years Monday as drills begin at 9 a.m. at Cass Benton park.

Twenty-one letter-winners from last year's once-beaten team will return. The Mustangs have run up a string of 17 consecutive league victories and their only losses in the last two years have been to Plymouth.

September 19 the Mustangs open against the highly rated Plymouth team that topped Northville 19-12 in last year's opener.

The gridlers will work out twice daily all next week with Coach Schipper emphasizing running and fundamentals, Dutch Van Ingen will assist Schipper, while the JV's will be coached by Joe Wilkinson, who was junior high school coach last year.

The Mustangs' nine-game schedule offers five home games, but opens in Plymouth. The first home game is with Holly September 28.

The Schedule
September 19—Plymouth (A)
September 26—Holly (H)
October 3—Bloomfield Hills (A)
October 10—Milford (A)
October 17—West Bloomfield (H)
October 24—Brighton (H)
October 31—Clarkston (A)
November 7—Open
November 14—Howell (H)
November 21—Clarensville (H)

**from the
PASTORS STUDY**
The Rev. Peter Niewkoop, Pastor
First Baptist Church, Northville

WORRY, WORRY, WORRY!
Worry is the human failure that sends thousands to mental institutions every year. It plagues the human mind and body until it is not worth living. It causes a multitude of ailments. Dr. David Seabury, consulting psychologist in Portland, Oregon, said that unless mental illness was checked it would make a mad-house out of United States and England within the next 200 years. Now we can worry about that! Dr. Seabury gave six rules for anti-worry which would help stem the tide of insanity.

Never worry in bed if you can do something about it, get out of bed.
Never worry when depressed.
Never worry about a problem more than a half hour without starting to do something about it.
Never worry when someone is trying to hurry you.
Never bow to rage, fear, jealousy and other worry producers.
This is some pretty good advice that Dr. Seabury gives us but the difficulty is that he does not tell us about the source of power needed to observe these half a dozen "Never's". The will to stop worrying is often present but somehow they do not possess the ability to carry out that desire. It's like a Chinaman trying to pull himself out of the mud by tugging on his pig tail.

The source of power we need can be secured from God through faith in Jesus Christ. When a sinner repents of his sins and obeys the Gospel, God gives that person a new life. It is called the new birth in the Bible. At the same time God sends the Holy Spirit to dwell in the present body of the individual. The Holy Spirit gives that one the ability to do what he cannot normally do. He will help the believer to "Cast all his care upon Him —" making plain to his heart that God cares for him. (1 Peter 5:7). He will aid the believer to keep looking to the Lord in every situation and thus experience the promise which says, "Thou wilt keep him in perfect peace, whose mind is stayed upon thee, because he trusteth in Thee." (Isaiah 26:3).

He will make plain to the heart of the believer the great truth that God is now his Heavenly Father in truth. He will show him that "If ye being evil know how to give good gifts unto your children, how much more shall your heavenly Father give good things to them that ask Him" (Matt. 7:11). I would like to close this thought today by giving you this gem entitled "Overheard in an Orchard" by Elizabeth Cheney.

Said the robin to the sparrow,
"I should really like to know
Why these anxious human beings
Rush about and worry so."
Said the sparrow to the robin,
"Friend, I think that it must be
That they have no heavenly Father
Such as cares for you and me."

Ladies Auxiliary Says "Wonderbar!"
It's pretty common knowledge among the ladies here that Mrs. Emily Bernhardt is a jewel in the kitchen. Mrs. Bernhardt, who is a member of the Northville Church Ladies' Auxiliary and Ladies Aid group, helps out with meals for the Opti-
mist club meetings every week. "She works circles around all of us," one auxiliary member commented.
The noteworthy fact is, here that Mrs. Bernhardt was 82 years old Tuesday.
Mrs. Bernhardt, who was born in a German settlement in Lipno, Poland, says that in earlier days on the farm, "meals at breakfasting time used to knock me number."
Presumably the Optimists number no less than a husky threshing team, but Mrs. Bernhardt says it's not so hard these days.
"It is not me, but the Lord, that gives me ability to work hard," she says simply, "that's what keeps me up."
Commenting on her work at the church she says, "I love my friends, so I like to help them as much as I can."
Mrs. Bernhardt came to the United States when she was 19. She married in 1899, and lived for three years in Lansing before coming to Northville. She's been a Northville resident ever since.
Mrs. Bernhardt's husband died in 1934. Two of her sons, Henry and Fred Bernhardt, live on Nine Mile and Beck roads.
She lives with her daughter, Mrs. Earl Foreman, of Norton street.

shower after shower after shower
there's always plenty of hot water
the new electric water heater way

GET IT HOT . . . GET A LOT every time. A new electric water heater provides plenty of hot, hot water for showers and all the family's needs. Detroit Edison has a new Super Supply Plan which makes heaters even more efficient and economical.

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- Efficient—the heat goes into the water
- Fast—new, more efficient heating units
- Install anywhere—need not be near a chimney
- Long life—meet Edison's rigid standards
- Automatic—all the time
- Safe—clean, quiet—modern
- Edison maintains electrical parts without charge
- Safe—clean, quiet—modern

NATURAL GAS... WHAT A BARGAIN!

Yes, Natural Gas Service is one of today's greatest household bargains. Gas can cool or heat your home, cook food to perfection, supply a plentiful amount of hot water, keep food fresh, dry clothes, consume garbage and trash—all automatically. Gas is convenient—makes housework easier, more efficient. Gas is dependable—on duty 24 hours a day. Gas is economical—it doesn't cost . . . it pays! This silent wonder-fuel will provide greater comfort and more leisure hours for every member of the family. No other modern service in the home today does so much, yet costs so little. You'll agree that Natural Gas Service is truly a great household bargain.

Enjoy the Best... WITH GAS THE SILENT WONDER-FUEL

Drivers Now Must Stop Both Ways for Buses

A new state law requiring drivers to stop both ways while a school bus is loading or unloading passengers will go into effect September 13.

Previously, only drivers approaching from the rear had to stop.

Now drivers approaching from both the front and back must come to a halt and wait.

The law, following the national uniform traffic code which has been adopted in 48 other states, requires that:

- drivers must stop in no less than 10 feet from a bus when it has stopped to load or unload children.
- drivers must wait until the bus starts up or until the bus driver gives a signal to proceed.

— the bus driver, on the other hand, must signal traffic to proceed before starting the bus, and must drive so as not to congest traffic.

— passengers must cross in front of the bus when going across a street after alighting.

— bus drivers must not stop on a highway unless the bus can be seen for at least 500 feet each way.

The stop-both-ways law does not, however, apply within the boundaries of a city or village unless the municipality has a local ordinance in effect. (Neither Northville nor Wixom does.)

There are two other exceptions to the law.

If a bus stops along a divided highway, oncoming cars in the opposite lanes (across the divider) need not stop.

If a bus stops at a country inter-

All in a Day's Mail

Mr. Samuel Wilhelm Rosen of Boston would like the floor for a moment.

We have a note from him — one that he apparently sent to hundreds of newspapers across the country.

He refers to the Declaration of Independence, and particularly to the part that reads:

"We, therefore . . . solemnly publish and declare . . . that all political connections between the United States of America and the State of Great Britain, is and ought to be, totally dissolved . . ."

Then Mr. Rosen asks:

"REPEAL IT PLEASE — legitimate all political connection with the English in the UN and NATO. Thank you."

Well, Mr. Rosen, we can't do any repealing ourselves. But there's your message anyway — and who knows, it may be a good idea.

Changes at Burroughs

Two management appointments have been announced at the Burroughs manufacturing and engineering division in Plymouth.

R. C. Jendron has been appointed manager of industrial and community relations, while J. P. Eckhold has been named assistant to the general manager.

Jendron joined Burroughs Corporation in 1951. Eckhold has been a Burroughs employee for 24 years.

Today 400 voluntary and governmental agencies provide the blind with a great variety of specialized services, according to a report released by the American Foundation for the Blind.

BY LES WILSON ANY ONE FOR FREE ADVICE?

Let's face it, I'm frustrated. The pictures that I take are not the pictures that I actually see. Things are not what they seem. I don't know what's wrong with my camera. I've tried everything. I've read the manual. I've asked the dealer. I've watched a stranger change to pass along a good tip. For instance, the other day a young fellow was looking over his sunglasses near the cash register. A big frown on his face. "Funny," he said to himself, "those clouds looked so fat and while that afternoon yet they've so washed out here." I couldn't resist the opening.

"Excuse me," I said, "you need a Kodak Cloud Filter to make those clouds look natural in your pictures. They're only \$2.15."

"That's got me," he said. And I had to agree with him.

On Friday afternoon at the store I volunteered another bit of advice to a guy sitting next to me. He was fiddling with his camera and squinting at the sky. "Cloudy bright or hazy stuff," he said. "I've had a lot of trouble with that. I've tried everything. I've read the manual. I've asked the dealer. I've watched a stranger change to pass along a good tip. For instance, the other day a young fellow was looking over his sunglasses near the cash register. A big frown on his face. "Funny," he said to himself, "those clouds looked so fat and while that afternoon yet they've so washed out here." I couldn't resist the opening.

ALBION BOUND — This is only part of the delegation of Northville students who will be entering Albion college as freshmen this year. Five of them got together this week to look over an Albion yearbook so they might know what to expect when they arrive on campus. Shows (l. to r.) are Rick Atchison, Frances Waller, Jim Hammond, Ardyce Atwood and Bob Baker. Four others who will join this quintet in the Albion freshmen class are Elia Couze, Sally Lemke, Roberia Schroeder and Brenda Sealey.

Readers Speak Up: NOVI NEEDS STABILIZED GOVERNMENT

It appears to me that there are those who are trying to mislead the voters in Novi Township, either deliberately or otherwise. I am a life long resident of Novi Township. This is where I was born, where I raised my family, and have my business. I have been closely identified with our township government in the past, having served as Township Treasurer for 12 years, and since then have served as a member of the Township Zoning Board.

I am greatly concerned about what might happen to us, under our present Township Government, with no way of protecting our boundaries against annexation by cities surrounding us on all sides.

The proposed charter clearly sets a limit on the amount of tax that may be levied and this cannot be increased without a vote of the people. If we examine our tax receipts we will find that by far the greatest amount of our tax is for schools. This, of course, is of our choosing as we voted for the bond issues and the new schools. Very few people will argue against the necessity of adequate schools.

The boundary lines of our school district are pretty well established and cannot easily be encroached upon. We have, within the boundaries of our school district, great potential for industry, with the C&O Railroad passing through. We believe that several millions of dollars will be invested in industrial development in Novi, if we can give any assurance of a stable government. This is what is needed to support schools.

To me the most important factor of our proposed new charter is that we would be able to control our boundaries. If we stay as we are, it is certain that we will lose more area on practically all sides, and undoubtedly have cities within our township.

With these uncertainties facing us, I strongly urge you to vote "yes" on the adoption of the charter and vote for the candidates of your choice.

Machines Line Up For Lunch Room Duty District Has More Students But Fewer Pre-School Tots

Soup and milk dispensing machines will again be waiting to serve students of the three Northville schools during lunch hours. American School Principal Richard Kay said.

As usual, students eligible for lunch room privileges are those living more than a half-mile from their school.
All high school students can look forward to new cafeteria facilities a year from now, High School Principal Elroy Ellison said.

The Northville school district has 65 more children of school age this fall than it did last year.
But the number of pre-school children dropped slightly from 1957. The 1958 census shows that school-age children jumped from 1,697 last year to 1,733 this year — an increase of about six percent.

At the same time, the pre-school group (one to five years) dropped from 645 to 627. This is the first time since 1943 that the below-five group decreased.

The census, taken in May by Mrs. E. Clark, Mrs. H. Whipple and Mrs. F. M. Heaton, does not include students who have moved into the district since June 1. The census files will be corrected in September and kept up to date.

Further plans for music classes and possible choir and orchestra will be made after school opens.

Classes in vocal and instrumental music will be included in the Novi school curriculum this year for the first time.

Music has been taught before, but only on an extra-curricular basis. The music program will be directed by Don Hansen, who taught part-time last year.

Further plans for music classes and possible choir and orchestra will be made after school opens.
