What Grades Reveal

Mrs. G. H. Wilton: "If an answer to a question is not on the list of possible answers, it is not a correct answer. We have had considerable discussion about just what the grades reveal about the child's progress in school."

There has been relatively little published dealing specifically with just what the grades really do indicate. That side of the personality and the child's progress in school has been generally ignored in favor of the more heated one of whether we should have report cards at all.

When a teacher gives a mark to a child as an evaluation of achievement—whether it be an A or B or C or D—he risks the inevitable possibility of error. It is time any one person regardless of

Babson Park, Mass. — As I look back over the sixty-odd years as a voter and try to interpret the Democratic landslide of the last election, I am forced to this conclusion: The average voter today is more interested in security than he is in freedom.

Tom and Joe appear from all available evidence to be almost identical in capacity and achievement as third graders. Tom is exceedingly cooperative, lively, friendly, dependable, and a leader in his group. Joe is a "glorious" boy who dislikes participating in group activities, is belligerent, and has few friends.

We're Coming Back From "Recession Hollow"

MICHIGAN IS recovering slowly but surely from the "great recession" of 1958.

Reaching to every corner of the state, the state's unemployment rate is dropping. Men are going back to work in the automobile factories, but it may be months or years before full recovery will result in full employment.

Hardest-hit of governmental functions was the public welfare system and taxpayers will be paying the bill for food.

That is the background, a partial picture, of the problem faced by the 1959 legislature, which is already in session.

CHRISTMAS AT EASTLAWN — Holiday decorations came to Eastlawn Resthaven Sunday evening as the Northville Presbyterian Ladies club made its fourth annual Christmas visit. The members decorated the home with gay ribbons, Christmas greens and table centerpieces. Later everyone enjoyed refreshments prepared by the club and joined together in singing Christmas carols. Shown in the midst of decorations are: Joseph Petreck and Philip Nauman, stretching to reach the high places; and at the table, Mr. and Mrs. Wynn Wakenhut and Mrs. Petreck. Wakenhut is president and Nauman, vice president of the club.

Local Kings Daughters "Lend a Big Hand"

Northville's Mitaph Circle of the International Order of the King's Daughters and Sons, an interdenominational service organization, is well known in this area for its many charitable works, among them, the annual distribution of Christmas food baskets to needy local families. With preparation of the organization's Christmas activities underway now, the time seems appropriate for a review of its history and work.

The "King's Daughters Circle" was formed in January, 1886, by a group of 10 New York women. Today it has expanded to international proportions, numbering 41 branches in the United States and Canada — each made up of many circles — and with a membership now including men.

Although the Order has a religious foundation — advocating foremost among its objectives, development of spiritual life through Christian living — it has been interdenominational from its origin.

As the name indicates, the Order accepts and teaches the "Fatherhood of God and the brotherhood of man" thus recognizing no division among men by race, creed or social condition.

Individual circles vary in activity. Chapters throughout Detroit, partially affiliated with the United Foundation — as is the Northville circle — conduct services which include hospital and clinical work, distribution of medicine, monetary aid to disaster victims, and various kinds of aid to needy families.

The Mitaph Circle was affiliated with the national organization in 1930.

Present officers are: Mrs. William Walker, Jr., leader; Mrs. John Lisenberger, vice leader; Mrs. Merritt Meaker, recording secretary; Mrs. G. F. Tull, financial secretary; Mrs. Del Hahn, treasurer, and Mrs. Clifford Rollings, publicity chairman, who handled the information for this article.

The motto: "Look up, not down; look forward, not back; look not in, lend a hand", adopted at the first meeting, has proved a definitive expression of the Order's growing community activities throughout the years.

Commemorate UN Declaration Of Human Rights

In commemoration of the Tenth anniversary of the United Nations Universal Declaration of Human Rights the Northville - Plymouth branch of the Women's International League for Peace and Freedom has presented a copy of "Rights to Freedom" by Martin Luther King to the Wayne county library of Northville.

Several members attended the metropolitan community-wide celebration of Human Rights Day and the tenth anniversary of the declaration at the Detroit Institute of Arts recently when Dr. Frank Graham, UN representative to India and Pakistan, and former president of the University of North Carolina, spoke on "Human Rights at Home and Abroad."

Those attending from the local WILPF were Mrs. Cy Frid, Mrs. Rodney Grover and Mrs. C. E. Woodruff of Northville and Mrs. Anthony Frank and Mrs. Paul Kauffman of Plymouth.

Hours at the Northville library will be altered temporarily for the holiday.

During Christmas week, hours will be: Monday and Tuesday, December 22 and 23 — 11:30 a.m.-8 p.m.; Wednesday, December 24 — 11:30 a.m.-4 p.m.; Christmas day — closed; Friday, December 26 — closed; Saturday, December 27 — 10 a.m.-5 p.m.

KING'S DAUGHTERS again prepare food baskets for needy families in the Northville area. This annual Christmas-time project of the organization gets underway this year as members (left to right): Mrs. Mark Gardner, Mrs. Eural Clark, Mrs. O. F. Rong and Mrs. William Canfield arrange plates of fruit. Other committee women absent from the picture are Mrs. Ray Matheson, Mrs. James Congo and Mrs. Philip Anderson.

Retirement is an Art For Two Former Nurses

Their many friends in Northville, Michigan, will be happy to hear of the creative retirement — according to a recent article about them in the Milford, New Hampshire "Cabinet" — being spent by Mrs. Edna Fogg and Miss Alice Hunter.

Formerly nurses at Maybury sanatorium, Mrs. Fogg and Miss Hunter moved to New Hampshire several years ago, and have been enjoying their common interests in painting while making their home together in Greenfield.

Until last year, Mrs. Fogg had worked as a nurse for Greenville

The paintings of both ladies reflect their love of the sea, the seagulls, and the water. Mrs. Fogg's recent work, "Cabinet", is a miniature cottage made of pebbles — on display in their living room.

Mrs. Fogg also makes water color sketches for stamp covers, used by the National Postal Administration.

Local Military Students Win Special Recognition

Two local youths attending military schools have won special recognition from their respective institutions. They are: Bill Hills, son of Mr. and Mrs. Lawrence Hills, 4601 West Main, who was named to the dean's scholastic honor roll for the third grade month of the first semester at Kemper military school, Booneville, Missouri. The Christmas luncheon for Kemper cadets began yesterday and continues through January 4. The other student is Cole James Lawrence, son of Mr. and Mrs. Alex M. Lawrence, 1977 Meadowbrook road, who has been elected a member of the Table Organization at Western Military Academy, Alton, Illinois. The Table Organization is an honor society that has been formed within the corps of cadets to recognize those cadets who have shown themselves outstanding in loyalty, service to the corps, department and scholarship.

DON'T JOIN A CHURCH

Yes, you read that title correctly! I repeat, "Don't join a church" and will add, "Unless you are a born-again believer in the Lord Jesus Christ." In Acts 2:41 we read: "Then they that gladly received his word were added to the church." Here we find the scriptural order for membership in any local church. First, they received the Word. "That is they repented of their sins and believed the gospel, putting their trust in the Lord Jesus Christ." Second, they were publicly baptized as a confession that they were through with the old life and from henceforth would place their lot with Jesus Christ. Third, they were added to the already existing body of believers known as the Church. The modern trend of getting people into the membership of the Church and then influence them to be converted never originated in the scriptures. This method has led many Churches into apostasy and shall condemn many souls for all eternity. The words which join the Church. As one has said, "It isn't the water on the outside of the ship that sinks it, it is the water that gets on the inside." The local church of any denomination should consist only of truly converted people.

IN WILLOWBROOK: Attend SPEBSQSA Parade

By Mrs. George Ames — Greenleaf 4-0830

Mr. and Mrs. Tom Dukes attended a barber shop quartet parade in Pomona Saturday evening. Afterward they went to an "Afterglow" party of quartets and their guests. Mrs. Dukes is an enthusiastic member of the "Sweet Adelines," women's auxiliary of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (SPEBSQSA).

Gerardine Marie Laub daughter of Mr. and Mrs. Gerald Laub of South McKean, was baptized Sunday, December 7 at Our Lady of Victory Catholic church in Northville. Her godparents are Dr. and Mrs. Donald Ling of Toledo, Ohio. After the ceremony the Laubs served a buffet dinner to about 40 friends and relatives. Among those attending from Willowbrook were Mr. and Mrs. Robert Vivian, Mr. and Mrs. John Jamison, Mr. and Mrs. Robert Sales, Mr. and Mrs. Dale Henry and Mr. and Mrs. Wayne Eddy.

Mr. and Mrs. Robert McKee attended the Christmas South Sea Island show last Thursday evening. The women's auxiliary of Holy Cross Episcopal mission held its December meeting at the home of Gayle Smith last Monday evening. Mrs. Dwyer of Whitehall Convalescent home was the speaker. Fay Dukes, Betty Johns, Barbara Galt, Maribah Garbin, Mary Frutcher, Mary Ann Farrington and Mrs. Agnes Helgeson were among those attending the meeting.

Lincoln Executive Gets Ohio Position

James Crow, 4901 Mayo drive, began duties this week in the new position of director of industrial relations for the Ohio Injector company of Wadsworth, Ohio.

The firm manufactures valves for the construction, petroleum, chemical and shipbuilding industries.

For the past 8 1/2 years Crow has been associated with the Lincoln division and, until accepting the position with Ohio Injector, had been industrial relations manager at the Lincoln assembly plant in Winton.

The Crows moved to Northville from Livonia two years ago. They have four children. They will remain residents until summer to allow their children to complete the school year.

Wins Club Membership For Creative Writing

Mrs. Myrlan Lyke, 8909 Six Mile road, has been accepted for membership in the National Writers club, Denver, Colorado in recognition of "consistently good work in creative writing."

The club's council includes Gene Fowler, William E. Barrett, Thomas W. Duncan, Palmer Hoyt and Clyde Brian Davis.

Former Resident Assigned to Texas

James Shrake, son of Mr. and Mrs. George Shrake, formerly of Northville, now living in San Pedro, California, has been assigned to the medical training center at Port San Houston, Texas.

Shrake, who recently finished basic training at Fort Ord, enlisted in the airborne service last August and is scheduled to go to jump school after medical training.

The paratrooper expects a holiday leave and hopes to spend Christmas at home. He attended San Pedro high school and expects to attend medical school upon discharge.

Shrake and his parents moved from Northville about five years ago. Mrs. Shrake worked at William H. Maybury sanatorium, and the soldier's father was an employee of West Brothers in Plymouth.

Plan Two Services For Christmas Eve

To afford more room for Christmas worshippers, two Christmas eve services will be held at St. Paul's Episcopal Lutheran church, High and Elm streets.

The first service will begin at 6:30 p.m. in which Sunday school children will recite and sing the Christmas story.

At the second service at 8:30 p.m. the Christmas hymns will be read and Christmas gospel and carols sung. The public is cordially invited.

Social Security Agent In Area December 23

The social security representative of the Detroit-Northwest office will be at the Michigan Employment-Security Commission Office, 897 Lillie road, Plymouth, on Tuesday, December 23 between the hours of 1 p.m. and 4 p.m. The representative will not make the scheduled visit on Thursday, December 25 due to the Christmas holiday.

Residents of the Plymouth and Northville area who have social security matters to discuss should call at the Plymouth Employment-Security Commission office during the above hours.

More than 20,000 students from throughout the state visit the University of Michigan museums each year.

Northville High Graduate Gets College Scholarship

Karl H. Wursching of Northville is attending Western Michigan university, Kalamazoo, with a scholarship granted by the State Board of Education, university controlling board.

Wursching, a freshman secondary education student, is majoring in history. He is the son of Mr. Karl Wursching, Germany, Karl, Jr., who is attending Michigan State university from Northville high school.

Miss Benjamin Sings In Opera Production

Patricia Anne Benjamin, daughter of former Salem residents, Mr. and Mrs. William P. Benjamin of Ypsilanti, appeared recently in the Bob Jones university opera association production of "The Barber of Seville" at the University of Michigan.

Miss Benjamin was one of six students chosen for minor roles. Her leading roles were sung by members of the university music faculty.

Ex-Blue Star Mothers Have Christmas Dinner

Seventeen former members of the Northville Blue Star Mothers organization gathered at the home of Mrs. Elsie Larson for a Christmas dinner last week for a Christmas dinner.

Although the club has been inactive for several years for several years, the group meets yearly for a holiday get-together.

Mrs. Elsie Larson read a poem she had composed for the occasion.

Average Savings Shows Big Jump

Not only has the number of people who are saving money increased, but the amount the average individual is saving has increased.

James A. Allbar, vice president of First Federal Savings of Detroit, cites as proof the gains in the average size of First Federal's savings accounts in the past five years.

"The average savings account five years ago was \$1,500; today it is \$2,172," an increase of 45 percent in the period since 1953. An interesting sidelight, which is not the major cause of the increase, is that one-third of our 113,000 savings customers are housewives."

Allbar said there was a net gain of \$2,500,000 in First Federal savings accounts in November, after deducting all withdrawals. This compares with a net gain of \$9,000,000 in November last year.

First Federal has 11 offices, including a branch on Pennington near Main in Plymouth.

Search For Suspect's Knife, Gun Futile

Army personnel working with a mine detector joined local, Berkley and state police this week in a search near Walled Lake for a blood smeared knife and a .38-caliber revolver.

But all they found were discarded beer bottle caps.

The search for the weapons started Friday after Walter H. Budry, an attempted robbery suspect captured a week ago by Novi police, told authorities he tossed the knife and gun into the brush near the amusement park.

Discovery of Budry's glasses at the scene led police to believe his story about the knife and gun. Budry stood mute on advice of counsel Monday when arraigned at Pontiac on a charge of assault with intent to do great bodily harm. Circuit Court Judge William J. Beer, who set bond at \$20,000, ordered Budry to appear for a sanity commission hearing Monday.

According to Berkley Police Chief Peter Sykes, Budry has admitted slugging a woman employee of a Berkeley cleaning establishment. After beating the woman to unconsciousness with his gun, he reportedly hid her up inside the shop.

He told police he then went out to the Walled Lake amusement park area, slashed his clothes and threw away the knife and gun so police would believe he was a robbery victim.

Authorities, who used scythes, brooms and bow torches to clear away the snow and brush, were anxious to find the knife because a similar weapon is believed to have been used in the brutal slaying of seven-year-old Barbara Gaca in 1955.

The 25-year-old Budry crematory worker denied he had any part in the Gaca killing.

However, Sykes said Budry confessed to an attack on another Berkley woman four years ago. He reportedly told state police that his "occasional urge" to attack women goes back to his youth. He couldn't remember the name of the "other women I have bothered."

Budry was arrested a week ago by Officers Vern Ledford and Doc Arzy Young of the Novi police department after they received a tip from Vic Vickers, park superintendent, that a suspicious man had entered the park wearing blood-spattered clothing. Budry made no attempt to escape.

Budry shows Berkley Police Chief Peter Sykes the spot where he allegedly threw a knife and gun.

NEW ATTORNEY — Herman Mochman, shown above (at left) with Northville Attorney Clifton D. Hill, became a full-fledged associate in the law offices of Hill at 127 East Main street this week. Mochman, a graduate of the University of Michigan law school, passed the bar December 6 and was sworn in by Judge Thomas Murphy of the Wayne county circuit court last Monday. Mochman was graduated last June and was employed during three summers by the Michigan Bell Telephone company and Regional National Labor Relations board in the labor relations department. He is a resident of Detroit.

Local Woman Injured in Accident

Mrs. Esther Mary Geokas of Carpenter street, was injured slightly last week when her car skidded and ran into a tree as she turned off Horton street.

She applied brakes, but due to slippery road conditions, was unable to bring the car under control. She was treated for bruises on her leg and chest at Alchison hospital.

Personal Property Date Change Noted

A change in the declaration date for personal property was noted this week by City Manager John Robertson, who also doubles as city assessor.

Previously, personal property assessments — which apply to business and industrial firms but not general home-owner's possessions — have been based on inventories and equipment possessed January 1. This year, however, the state legislature took action to change the date to December 31.

A twist to the new ruling is the fact that this year it will enable businesses wishing to do so to declare personal property tax deductions twice.

Teen Hop Saturday To Be Holiday Dance

This Saturday's Teen Record Hop, sponsored by the navy recruiter, will be a Christmas dance.

To be held, as usual, in the American Legion hall, the dance is scheduled for 1:30 to 5 p.m.

Early Deadlines Coming Up

Because of the Christmas and New Year's holidays, the next two editions of The Northville Record and Novi News will be published early.

Consequently, all deadlines — for news and advertising — must be advanced for the weeks of December 22 and 23.

So that readers will have their newspapers before each holiday, all copy must be submitted not later than 5:00 p.m. on Monday for the next two weeks.

Cold Viruses a' Coming!

Cold viruses are on the march! That's the word from Dr. Joseph G. Molner, Wayne county health commissioner, who says cold viruses find increasing numbers of victims during the first weeks of fall.

There also are two other "peak periods" for colds. They occur in January and later March or April. According to Dr. Molner, colds are dangerous chiefly because they lower resistance of the breathing passages to germs. These germs, he explains, often are present in the nose and throat, but cause illness only under conditions which permit them to multiply. This fact is one reason why a cold often precedes pneumonia, sinus infection or ear infection.

The common cold, which is spread from person to person, is caused by one of a dozen or more viruses, Dr. Molner says.

These viruses are not destroyed by any drug or remedy known at present. However, infections which may follow a cold may respond to treatment with antibiotics, he added.

Dr. Molner suggests the following precautions for avoiding colds:

- (1) Whenever possible, stay away from anyone who has a cold, and be especially careful to protect young children from anyone who coughs or sneezes carelessly.
- (2) Get enough sleep to wake refreshed; get enough rest.
- (3) Wash your hands thoroughly with soap and warm water before eating or handling food.
- (4) Eat meals that are well balanced.
- (5) Avoid overfatigue, but do plan some recreation.
- (6) Dress according to the weather. Wear light clothing when doing hard work and keep extra clothes ready to put on when you are fatigued.

'Translate' Yule Cookie Treats

SPRINGERLE ROLLING PIN—Ilka smiles at the gay impressions — fruits, birds and flowers — produced by the special rolling pin made in Germany and designed for decorating popular holiday-time Springerle cookies.

Despite the popularity of traditional holiday cookies, there are still a few American Christmas cookie shoppers who approach their bakery during the holiday season with mixed emotions.

Encouraged with sugar-powdered trays of Pfefferkuchen, anise-flavored Springerle, chewy honey cakes or Lebkuchen, and brittle Spritz, a sweet-tooth is often soured by the problem of ordering the cookies by their proper names.

The dilemma recalls that most of our favorite commercial Christmas cookies are of German origin.

Northville homemakers are lucky this Christmas to have the willing assistance — both in pronunciation and recipe — of our German exchange student, Ilka Hartmann, and her American "mother", Mrs. Drake Older.

Mrs. Older, who is now studying for a degree in home economics, has been trying her hand at German dishes ever since Ilka arrived this July from Hamburg.

Throughout the summer — "We had German meals every Saturday," says Ilka — she and Ilka collaborated on such projects as Weiskohle (white cabbage), Sauerfleisch (pickled meat) and Pfannkuchen (pancakes).

In preparation for this Christmas, Mrs. Older made some Springerle Saturday.

Other popular holiday treats in the Older household, such as pecan balls and stuffed date butter cookies, although of unknown ancestry, also have their German counterparts, and have been adopted by families the world over.

Here are the recipes on which Ilka and Mrs. Older have compared notes. Mrs. Older, it should be pointed out, has tested each recipe.

Recipes for Christmas Cookies

- STUFFED DATE BUTTER COOKIES**
- 1/2 cup butter
 - 1 lb. soft pitted dates
 - 48 walnut halves
 - 1/2 cup brown sugar, firmly packed
 - 1 egg
 - 1/2 cup thick sour cream
 - 1/2 teaspoon vanilla
 - 1 1/2 cups sifted all-purpose flour
 - 1/2 tsp. baking powder
 - 1/3 tsp. soda
- Stuff each date with a walnut half. Press to hold in shape.
- Cream butter and sugar. Beat in egg, sour cream and vanilla. Stir in sifted flour, baking powder and soda. Fold in half the stuffed dates. Use a teaspoon to dip out batter-covered dates. Place on cookie sheet. Continue to dip out date cookies. Add remaining stuffed dates to the cookie batter to make these date-centered cookies. Bake in hot oven, 400 degrees, for 10 minutes. Cool. May be topped with butter icing if desired.
- PECAN BALLS**
- 2 cups flour
 - 1 cup butter
 - 1/2 cup sugar
 - 2 cups chopped pecans
 - 1/2 cup sugar
- Cream shortening. Add sugar, salt and vanilla. Add flour and pecans. Roll balls 1 inch in diameter. Bake in slow oven, 325 degrees, about 15 minutes. Do not brown. Roll in confectioners sugar.
- SPRITZ**
- 1 1/2 cups All-Sweet margarine
 - 2 egg yolks
 - 1/2 tsp. almond extract
 - 1/2 cup sugar
 - 2 1/2 cups sifted flour
- Cream margarine and sugar until light and fluffy. Add unbeaten egg yolks and mix well. Stir in flour and flavoring. Push through cookie press into desired shapes, on ungreased cookie sheet. Bake in slow oven about 15 minutes. If desired, dust with colored sugar.
- PFEFERNUESSE**
- 1 pint corn syrup
 - 1 pint New Orleans molasses
 - 1/2 lb. shortening, butter or fat
 - 1/2 lb. brown sugar
 - 2 1/2 lbs. flour
 - 1 tsp. soda
 - 2 tps. cinnamon
 - 1/2 tsp. cloves
 - 1/2 lb. citron, cut fine
 - 1/2 lb. almonds, chopped fine
 - 1 lemon, rind and juice
- Warm syrup, add shortening and lemon juice and remaining ingredients in order given, soda mixed with flour. Almonds and citron may be omitted. Roll into little balls, size of a marble. Brush with white of egg and bake until brown, 350 degrees F. Dust with powdered sugar. Will keep indefinitely.
- SPRINGERLE**
- 2 eggs
 - 2 1/2 cups sifted flour
 - 1/2 tsp. baking powder
 - 1/2 tsp. salt
 - 1/4 cups sugar
 - grated rind of one lemon
 - 1 tsp. oil if desired
- Sift and measure flour, add baking powder and salt. Sift again. Add to egg, sugar and lemon rind mixture. This is a very dry dough. Roll to 1/4 inch and press Springerle rolling pin into the dough. Cut apart and let dry overnight in a cool place. Bake in 300 degree oven for 25 to 30 minutes. Should be stored in tight container for a few days, to age.
- Lebkuchen Frosting**
- 1/3 cup boiling water
 - 4 cups sifted confectioners sugar
 - 1/2 tsp. almond extract

"WEIHNACHTSBACHERLE" — The beginning of Advent, four Sundays before Christmas, heralds Christmas-baking ("Weihnachtsbäckerei") time for many homemakers. Here Ilka lights the third candle on the Advent wreath — a German home holiday decoration — she made for her Christmas at the Older's. Mrs. Older arranges one of the apple-faced St. Nicholases which joined the centerpiece on Kris Kringle day last week.

CLIMAXING THRILLS — Star Northville gridders, Bob Starnes, is shown above experiencing a final high school football thrill as Coach Ron Schipper hands him the honorary captain's football at last week's annual football banquet. Looking on (left to right) are Bert Smith, Michigan State university football coach; Fred Schwarz, Northville player who was awarded the sportsmanship cup; (foreground): Albert Wister, former All-American tackle from the University of Michigan; Michigan State All-American Ed Sam Williams; Bob Place, University of Michigan star quarterback; and Don Duke, University of Michigan football coach. Missing from the picture is Spike Walker, who was awarded the "outstanding player of the year" trophy.

Gridders Take Bow

Gridiron talk was the main course served up at the 15th annual football banquet held here last week under the sponsorship of the Exchange club.

More than 110 high school football players, fathers, club members and college football grid stars and their coaches were on hand for the dinner and program activities at the Methodist church.

A total of 34 Northville players received letter awards and a picture of the 1938 championship team. Head Coach Ron Schipper and his Assistant Don Van Ingen made the presentations.

Three Mustangs drew special recognition. These included Robert Starnes, who was presented with the honorary captain's football; Spike Walker received the coveted "outstanding player of the year" trophy; and Fred Schwarz was given the sportsmanship cup.

A special plaque honoring the 1938 undefeated Northville team was presented to Athletic Director Al Jones for placement in the new high school. The plaque, first of its kind in Michigan, was the gift of an anonymous fan.

Albert Wister, former All-American tackle from the University of Michigan's 1942 team who later played nine years with the Philadelphia Eagles, was guest speaker. The former football great, who was named all-pro tackle six times, recalled some of his college and professional grid experiences, analyzing them for possible guides to success in and out of the game.

One formula for success, he told the young football players in the audience, requires a man to first walk for himself, to work manfully and physically toward the goal to maintain self confidence, and finally, trust in God.

Coach Bert Smith of Michigan State university and his All-American Ed Sam Williams and Coach Don Duke of the University of Michigan and his squad's star quarterback Fred Schwarz were special guests. Each gave short addresses.

The two coaches from the Michigan universities narrated a color film of this year's Michigan-Michigan State football thriller which ended in a 12-12 tie.

In addition to the regular program, special awards were given to various members of the football team by the Exchange club. They went to Freddie Sleeper as the "largest" player; Jeff Goodrich and Nelson Schrader for being the "shorties"; James Strang and Hugh Crawford for being the team's "mudders"; and Starnes and Coach Schipper for being the biggest eaters.

Mustangs Beat West Bloomfield In League Opener Here, 62-50

Despite an occasional fluke note, Northville's varsity basketball squad managed to come up with a winning combination here Friday, defeating West Bloomfield, 62-50.

The Mustangs combined height and charity to outscore their opponents 10 out of 16 for a 62.5 percent record.

Ten of Northville's charity tosses came in the first half of the game, but the boys played "only a fair game."

"We just were not getting down the floor fast enough. Starnes, who normally leads the way, wasn't feeling well — couldn't move too fast. It slowed the whole team."

On the credit side, however, the Mustangs took advantage of their height, hawking the ball from the boards at every opportunity. Only one West Bloomfield player tops the six-foot figure, while eight local

cagers measure six-foot or better.

Actually, the game was won at the free throw line since both teams pumped in 20 free shots. Northville sank 22 of 29 attempted charity tosses for a striking 76 percent average, while West Bloomfield netted 10 out of 16 for a 62.5 percent record.

Two West Bloomfield players, Forward Demie Aik and Barry Johnson, were forced from the game after taking five fouls. Northville Forward Nelson Schrader also was removed after accumulating five fouls.

Jeff Goodrich, who didn't see action in the second quarter after being charged with three quick fouls, captured scoring honors with a total of 24 points. The 9' center netted four free shots in the first half, six more in the second. He also hit four of seven free throw attempts.

Right Guard John Lucadam, West Bloomfield's All-State quarterback, won scoring laurels for his squad with a total of 15 points.

Other scorers for Northville were Bob Starnes, 13; Fred Schwarz, 11; Roger Johnson and Wade Deal, 6, and Schrader, 20.

While Northville was taking its 1938-39 season with a winning record, the championship, title-hungry Holy Trinity, little-known Holy Trinity, captured the Milford Redskins; 87- victory during the overtime period.

Northville, West Bloomfield, Holy Trinity and Milford are all members of the Wayne-Oakland League.

Clarkston, Brighton, Clarenceville and Bloomfield Hills are members of the other division. In league openers in that division last night, the each, while Don Bush and Dan Wolves trounced Clarenceville, 50-20, and the Brighton Bulldogs edged Bloomfield Hills, 24-20.

The quiet sporting life best record of the two divisions at the end of the season will be declared in league champion.

Tomorrow, Northville will clash with Clarkson, 1937-38 champion. The Mustangs lost out in their bid for the crown last season, dropping three games while Clarkson, which shared the crown with Northville in 1936-37, was losing only two.

The local squad best the league change in the final game last season, marking the first time the Wolves had lost on their own court in 20 games. Clarkson is certain to remember that last game when it goes into action tomorrow.

THE NOVI NEWS—Thursday, December 18, 1938—11

Colts' Rehearsal Improves, But Lakers Steal Show

Northville launched a much improved junior varsity football Friday, but the team fell inches short of the winning target.

West Bloomfield handed the local squad its third straight loss, 34-8. The Colts bowed to Willow Run in the opener two weeks ago, 35-31, and to Plymouth 42-25.

Despite the latest loss Coach Don Van Ingen can find consolation in the fact that the Colts showed signs of becoming a polished more coordinated team.

"They were improved offensive — and looked a lot more organized," Van Ingen said. "But we were still weak on defense, giving them a lot of easy shots."

Both squads battled hard to the final buzzer, with West Bloomfield out front throughout the free-for-all contest. Only 14 fouls were called all night — and the officials drew stinging blasts from protesting fans on both sides. The Colts drew four penalties, while West Bloomfield piled up 10.

West Bloomfield netted six floor shots to the Colts' four baskets and one free shot in the third quarter.

The three-point first stanza head was the high water mark for West Bloomfield, as Northville clipped away at the lead until they came within a single point in the next three quarters. The score was 16-17 at the half and 26-27 at the end of the third quarter.

Only occasionally did the luckless Colts lose the self-confidence and floor finesse they completely lacked in their first two games.

Although Northville's floor shot record continued to gather steam, the Colts sank six of their 10 charity tosses for a 60 percent average.

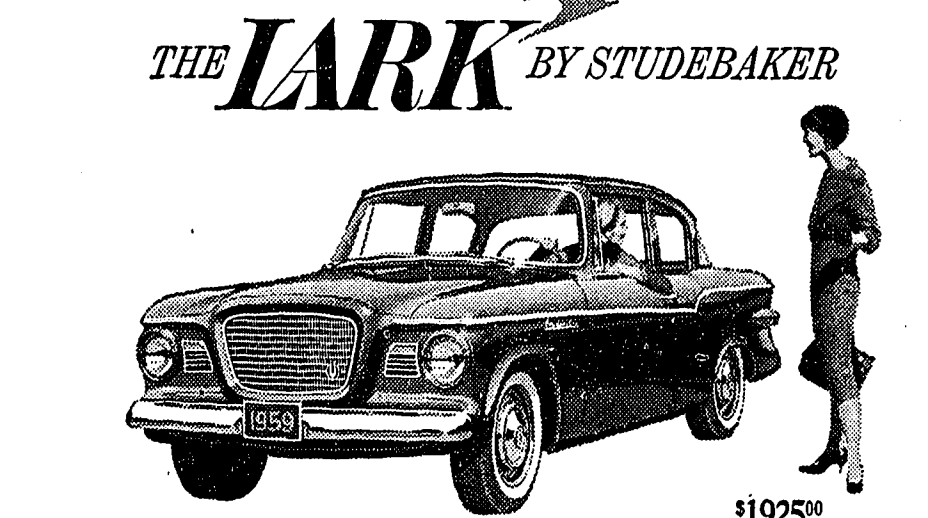

West Bloomfield connected only once in four tries for a 25 percent average.

Guard Gary Lee was high for the winners with 17 points.

Center Jim Patterson led the way in his team's losing effort, scoring five floor shots and one free shot. Jerry Forbes racked up eight points, while Tom Schwarz netted seven, Bill Judy, five; Bob Stuber, two, and Dave Hay, one.

JUNE and FRED MAC MURRAY say:
Make this the Merriest Christmas ever
give her an automatic GAS CLOTHES DRYER!

DEADLINE PRESSURE
Just hours left before Christmas. And still a paean of pressure to buy. You're on the spot. But don't panic. Now's the time for e... a... l... m... thinking and definite action.

We suggest a visit, posthaste, to our shop. For a camera is the best gift idea a hurried, last-minute shopper ever had. Look at how easily you'll be able to cross those last names off your list.

A camera is sure to get a warm welcome from recipients young and old and there are no sizes to worry about. No colors to match. And prices? You can pick them to match the remainder of your shopping budget. As a matter of fact, you can pick up a genuine Kodak-made Brownie Star Camera for as little as \$5.95.

So hustle down to our shop with your gift list. We'll help you cross the last name off in time to make the deadline.

And we'll make this little wag-er with you.

Although a camera may be one of the last gifts you buy, it's sure to be the first one opened. We'll supply you with a tag for your Kodak gift camera that reads, "Open Me First!"

Your last-minute gift will be out of the box to capture all the fun of Christmas for years to come!

EVERYONE WANTS IT — Three cagers are shown here walking on air in an attempt to get their hands on the ball. Seconds later Northville's Center Jeff Goodrich (84) brought the ball back to earth just long enough to fire another two-pointer. John Lucadam (51), West Bloomfield's right guard, manages to get his hand on the ball while an undersized teammate's reach falls short. Waiting for the ball to come down is the Mustangs' Bob Starnes (22).

Chick's Hot
Northville's Chick Harbert turned in a striking final nine 29 for a total of 273 total in the Stanford (Fla.) Open golf tournament last week end to top the \$1,500 second prize.

The former PGA champion fell one stroke short of catching George Boyer, winner with 272. Harbert 273 is a record since total for this year's professional golf tour.

READERS SPEAK: \$100,000 BUS RIDE

To the Editor: Read Rev. Taxis' attack on Northville School Board for driving Parochial school children to St. John's Seminary in city school buses. This was on the occasion of a letter from Edward Cardinal Mooney—a great religious and civic figure in this territory. My children have never attended public schools — my last this year includes some \$500.00 for the Northville school system and my school taxes to Wayne County system are over \$3,500.00 per year. For past 30 years this amounts to over \$100,000 I have contributed to Public school system in Wayne County. For this, during all these years, all I have received is a 3 mile round trip bus ride for my daughter to St. John's Seminary, Rev. Taxis. It is my estimate that members of the Parochial school in Northville contribute approximately \$100,000 per year to the Wayne County school system — yet receive not one cent for this support of their own school. I commend Mr. Schrader for his justifiable action in this instance. Signed TOWNSHIP TAXPAYER

Now You Can Borrow \$4 Million, If You Need It!

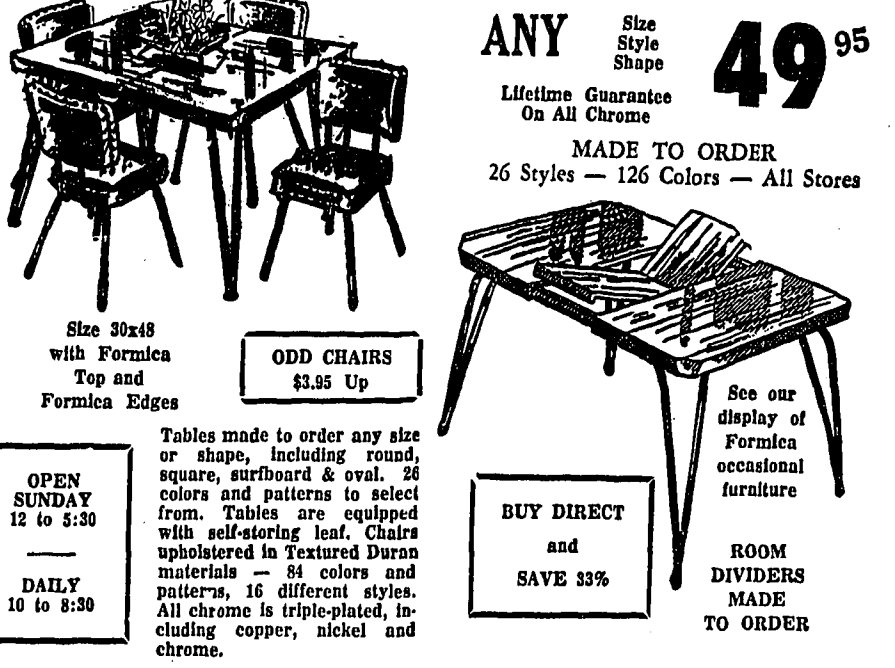

Directors of Manufacturers National Bank of Detroit today approved the transfer of \$4,000,000 from Undivided Profits to the bank's Surplus Account, it was announced by William A. Mayberry, president. As a result of this transfer, the new loan limit for a single borrower — 10 percent of Capital and Surplus — is raised to \$4 million. This is an increase of \$500,000 from the former limit. Capital Funds of the bank now exceed \$52 million.

Proposed State Tax Revisions Explained

Michigan's study of representatives taxation committee is currently holding the report for tax revisions in the state as submitted by the Citizens' Advisory Tax Committee.

This week Speaker of the House George M. Van Pelt reviewed the recommendations in his weekly newsletter.

Because of the widespread interest in this effort to revise Michigan's tax system, we are presenting Speaker Van Pelt's report in full.

Besides the well-publicized "income tax," the report includes many other features that directly affect every taxpayer. In particular, Northville residents should note the suggestion that state refunds on cities racing pari-mutuel funds be discontinued. Cities where tracks are located would be allowed to levy admission taxes, however.

The report follows.

At the outset, the Advisory Committee emphasized strongly that it felt it had developed "a balanced program for tax reform, each component of which is to be viewed as an integral part of the whole."

They further stated that, "with some minor exceptions, rejection of the individual elements in the program would be tantamount to a complete repudiation of the remaining recommendations."

The 25 men Citizens' Committee, which has been working since July, 1957, had set for itself three major goals. The first of these was more equity in the overall tax structure.

Encouraging economic growth was listed as a second committee aim. Taxes that in effect impose direct penalties upon business expansion and improvement "should be minimized," the committee said.

Other committee goals were to provide the revenue needed to liquidate the state's mounting deficit, finances for existing and expanding services, and increased aid to school districts and municipalities.

Taking these factors into account, and noting Michigan's rapid population growth as well, the committee designed a tax program which could add \$137.7 million to the state's revenues in 1959-60.

The main part of the new program is a graduated personal income tax with rates ranging from three to eight percent. Under the income tax proposal, the first \$1,000 of income or the sum of itemized deductions allowed under federal law would be exempt from taxation.

The tax would be 3 percent of the first \$2,000 of taxable income, 4 percent of the next \$2,000, 5 percent of the next \$2,000, 6 percent of the next \$2,000, 7 percent of the next \$6,000 and 8 percent of any income over \$15,000. (See attached income tax table.)

However, each person would receive a tax credit at \$40—that is, the income tax would be reduced by \$40 for the taxpayer and each dependent. Thus, a married man with two children earning \$5,000 a year would compute his tax at \$160, but the 4 credits of \$40 each would wipe out his tax liability.

The committee further recommended that federal guidance on figuring income tax be followed closely in state law, and that withholding and quarterly features be adopted.

Estimated revenues from the proposed income tax are \$220 million a year.

The second major feature of the tax report is the corporate income tax.

The committee recommends that a 5 percent corporation profits tax be tied in with the present corporation franchise fee. At present the franchise fee is four mills on net worth. This would be reduced to two mills which corporations would pay unless the 5 percent tax on net income is greater.

This 5 percent profits tax is expected to yield \$110 million in 1960, but the franchise fee changes would reduce revenues by \$45 million, leaving a net gain to the state of \$65 million.

The third — a financial institution tax — a new tax on banks, building and savings and loan associations, sales finance corporations, small loan companies of 7 percent of net income. Credit unions would be exempt. This would yield \$115 million.

Fourth — repeal of the intangibles tax in that this would be covered by income taxes. This would result in a revenue loss of \$24 million, including \$9.5 million to local governments to be replaced by the general fund.

Fifth — exemption of machinery and equipment from local personal property taxes. To make up to local governments for the revenue loss of \$120 million a year, the committee suggested direct payments from the state's general fund.

Sixth — changes in the Business Activities Tax — that is, to change the formula to help small business; to include rent, interest and depreciation as part of tax base; raise public utility rate from 1.5 mills to 6.5 mills because the franchise tax would be changed. This would result in a net revenue gain of \$5 million.

Seventh — changes in insurance taxes. A new tax to be added on all foreign insurance company premiums at 3 percent; impose 1 percent on domestic company premiums; tax non-qualified annuities at 1 percent; exempt premiums on private hospitals and medical plans; repeal franchise tax on domestic companies. The net revenue gain would be \$8.9 million.

Eighth — sales tax. The committee proposed that the

Revisions Explained

first \$300 spent by each person for the "basic necessities of life" be exempt from the 3 percent sales tax. This would mean \$9 for each person, to be rebated at the end of the year. Lost revenue to the state would be \$63 million.

In addition to the \$9 rebate the committee recommended repeal of the exemptions for processing commercial radio and television programs, and for commercial advertising; repeal exemptions for sales to contractors for federal government, and for equipment used up in single contract with government; impose sales and use tax on telephones, telegraph and leased wire service. Net revenue gain would be \$18 million.

Ninth — 20 percent tax on the wholesale price of tobacco products other than cigarettes, for a net gain of \$4 million.

Tenth — a change in beer taxes was recommended. Change the present \$1.25 per barrel tax with 7 percent tax on the brewery's price, for a net gain of \$4 million.

Number 11 proposes replacement of the present inheritance tax with estate and gift taxes at rates from 6 to 22 percent. This should net some \$75 million per year.

The committee recommended raising the tax on racing to 7 percent, and harness racing to 4.5 percent. They further suggested discontinuing sharing pari-mutuel tax with cities, but authorize cities to levy admission taxes. Net gains would be \$22 million.

The committee's thirteenth proposal recommended continuation of the 4 percent luxury tax, but suggested the state stop earmarking it for schools. This would not affect the amount of money available for the schools.

In its last recommendation, the Citizens' Advisory group proposed the repeal of the chain stores tax, for a net loss of \$500,000 revenue.

The committee concluded its report by stating that of the \$137.7 million net gain, "individuals, for the most part in the higher income groups would contribute \$168.7 million more in taxes than they do now, while total business tax liabilities will, if this program is implemented, be reduced by \$31 million."

MERRY... AND SAFE

The trucking industry of Michigan is again working hand in glove with Santa Claus in an effort to insure all Christmas gifts arriving at their destinations on time... It's just one of scores of ways in which trucks serve the people of Michigan.

Transporting everything you eat, wear, or use, trucks play a vital role in running of the home, the operation of business, the provision of roads, public utilities, and facilities for national defense.

... Trucks set a pattern for safety, too, and the State's thousands of truck drivers, in wishing you and yours a Merry Christmas, pledge to do their part to make 1959 a safe and happy New Year.

Chats with Parents

Protecting our Children

Mrs. L. R. and Mrs. K. L. write: "Last night a speaker at our Child Study Club said most mothers protect their children. We wonder how a mother can tell if she is 'hovering' over a child too much."

It is difficult to say when a particular mother is over-protecting a given child when the parent asks questions about the mother or the child. The child's personality is an important factor in determining how much protection he needs, and when parents have reached the point of overdoing it. The shy, nervous, tense child often feels a greater need for protection than does the extroverted one who enjoys being entirely on his own in meeting difficulties with people and things. On the other hand, the sensitive child is likely to suffer more from the ill effects of over-protection — is more likely to react by becoming over-dependent upon the parents.

Some children will develop better if they are protected from all situations which threaten their security until they have developed a personal desire to be independent of parental concern and protection, except in circumstances in which mature judgment must intrude to protect them from harm or injury. Some authorities express concern about the tendency of too few parents, especially older parents, to encourage children from birth to accept more responsibility for their own welfare and development. Dr. Edward C. McCarran, dean of the University of North Carolina school of public health, recently expressed the view that parents shielding children from emotions and feelings resulting in a populace susceptible to mental illness when it is exposed to shock in later life.

The over-protected child usually sound the alarm when over-protection reaches the danger point, but unfortunately, over-protective parents usually do not recognize themselves as such and are not likely to recognize the child's resistance to parental domination, or over-dependence and alarm usually appears in the form of outward resistance to parental domination, or over-dependence and complete surrender to the domination of parents.

Let's examine some of the common symptoms of the over-protected child.

HIGHWAY SAFETY experts are getting worried about the killer that is taking the lives of two motorists every day. He is not legally intoxicated but he is in a state of "bad luck," a series of well being, coincidence or power, transmits itself to the accelerator and makes him a menace on the highway.

State traffic officials are taking the emphasis from the "Drunk Drivers Go to Jail" slogan and applying it to drinking drivers. They are concerned about research which shows that more than half of all traffic accidents in the country involve either a drinking driver or a drinking pedestrian.

Judges could help by making voluntary surrender of the driver's license a 30-day period the condition for releasing on probation a drinking driver convicted of reckless driving.

Children, whose troopers have conducted a continuing all-out war against drunk and reckless drivers, believe added enforcement is the complete answer.

The driver should be educated and warned again and again, that even a few drinks makes him less alert and more prone to take chances behind the wheel, he said.

AS THE MIRROR anticipated months ago, Michigan is headed for a state income tax.

The details of the plan have been announced and it will become law in the fall of 1959. A legislative session which convenes January 14, one Michigan newspaper noted, will be the "poor people" of society and the politicians.

It is said that the Democrats have gained ground economically and are certainly among those who would rather see the burden of the tax shifted to the state's 70th legislature.

The best bet in Lansing is that there will be some form of an income tax within two years.

List of Candidates Grows in Township

Political activity in Novi drew fresh steam this past week, with the announcement of candidacy of six more township officials.

Latest to indicate plans to seek re-election are: Eraser Staman, supervisor; Frank Watz, trustee; Charles Trickey, Sr., board of review; William MacDermaid, justice of the peace, and Donald Arcene, constable.

Hedley Bachert, township clerk, tipped his hat last month. However, none of the township officials whose terms expire in April, has filed petitions.

Deadline for filing petitions for the township clerk's office, Understate law, one percent of the registered voters — or 23 persons — and not more than four percent of the township population. For the party committee positions, at least 25 and not more than 50 signatures are required.

The only incumbents still under consideration are Constable Vern Loeffler and Treasurer Raymond Harrison. Most of the Republican township board members will be unopposed in their bids for re-election unless more Republicans and additional Democrats enter the ring before the December 29 deadline.

Neither major party has announced a slate of candidates.

Although unconfirmed, several other township residents are planning to seek office. Latest reports indicate that a Democrat may become a candidate for supervisor, and that two Republicans may seek the treasurer and constable positions.

Only three Democrats have announced their candidacy. They are Herbert Koester, seeking the justice of the peace post; Robert F. Norton, for treasurer, and John Kuback, for trustee.

Koester, Democratic nominee for justice of the peace, is the only one of the three who has been in the political ring. The other two are newcomers.

Norton is a 58-year-old carpenter contractor. He is married, has nine children and has lived in Novi township 32 years. His home is at 409 Burk, near Walled Lake.

Kuback is also from the Walled Lake area. He has lived in Novi since 1927. A township resident for the past 13 years, 60-year-old Kuback is a machine shop inspector.

Four other Democrats have indicated they will seek three party committee posts at the primary. They are: Mrs. Walter M. Klerks, William Brian, Warren Schoenberger and Archie M. Balon.

The three member committee are official voices of the political party. Mrs. Klerks, president of the Democratic club, said last week she knew of no one else who planned to seek election under the Democratic banner. Nevertheless, she indicated confidence that the three announced candidates will crack Novi's traditionally Republican stronghold.

Mrs. Eugene J. Choquet, secretary of the Republican club, said this time to report a Republican slate. He said the key of no other Republican candidates.

The February primary and the April election are not expected to give us much of an excitement around here. The election was held two years ago when a slate of Republicans led by Charles Trickey, Sr., sought to oust Staman. Bachert and Harrison were elected members of this slate with Harry Balon, recently appointed township clerk, as the constant troupe.

Staman is seeking his fourth consecutive two-year term as township supervisor. His bid for re-election is met by the local municipality of Republicans led by Charles Trickey, Sr., who sought to oust Staman. Bachert and Harrison were elected members of this slate with Harry Balon, recently appointed township clerk, as the constant troupe.

Re-appraisal Complaints Heard By Wixom Council

Wixom's "deputy assessor" drew fire from council as well as from citizens' group last Thursday night. Complaints were heard at Kenneth Warren, who has been retained at a reported \$8,000 to reappraise Wixom property.

Two citizens reported Warren had told them that their upcoming taxes would increase sharply over last year's tax while another said Warren told him he would have to pay \$400.00 for purchase of a parcel of land from one road to another.
