

Obituary

IRVING J. SHOEBRIDGE
Living Northville resident, Irving J. Shoebridge of 619 Fairbrook, passed away suddenly January 18 while vacationing in Paradise, California. For time of funeral call the Casterline Funeral home, W-9-6161.

JOSEPH E. LAPHAM
Funeral services were held January 18 for Joseph E. Lapham, 76, of 4849 West Nine Mile road, who passed away January 15 at his home. Mr. Lapham was born August 9, 1883 in Novi township, the son of Allen and Sarah (Ely) Lapham. He is survived by his wife, Elizabeth; by two sons, Glen of Northville, and Floyd of Detroit; by two brothers, Luther of Northville, and

City Hall Gets New Phone

By Mrs. Charles Ware — Market 4-1601

The city of Wixom announced a change in telephone numbers this week. The two new numbers are MA-4557 and MA-4558. The old number, MA-4-0991 will be discontinued.

GEORGE G. CARPENTER
George G. Carpenter, 77, of 367 First street, passed away January 13 after a week's illness. Mr. Carpenter was the son of John and Edna (Dokay) Carpenter. He leaves his wife, Fannie, whom he married March 21, 1910; a daughter, Miss Margaret Carpenter of Grand Rapids; a son, Clarence of Commerce, and five grandchildren, Judy, Ronald, Sharon, Lena and Eric. Mr. Carpenter, a retired farmer, had lived in Northville since 1925. He was a past member of the First Presbyterian church of South Lyon. Funeral services were held January 16 at the Casterline Funeral home. Burial was in South Lyon cemetery.

Northville, Novi Mothers March Tonight

Nearly 250 Northville and Novi mothers will look for glowing postlights tonight in the annual Mothers' March for funds to fight polio, arthritis and birth defects.

They were determined to top last year's collection of \$2,207.06 which was further boosted by a summer emergency drive netting nearly \$2,000.

The Novi mothers conducted an emergency summer march in their initial effort and collected nearly \$800. Mrs. Marchetti will have 75 helpers calling on Novi residents.

The marchers will carry the familiar canisters, an official envelope and "door coupon" cards.

The latter is a questionnaire residents will be asked to quickly fill out. The "door coupon" will ask if any person in the household has arthritis; was born with a birth defect; has had polio; how many reside there; and how many have had three or more Salk polio shots.

The Mothers March is the biggest fund-raising event of the month-long campaign. It is supplemented by mail solicitation, canister collections in business places, school collections and "dime cards."

December, your lighted postlight means you wish to give. The marchers will be looking for your "welcome" beginning at 7 p.m. tonight (Thursday).

Improvement Group To Air Pros, Cons Of Annexations
The first annual membership meeting of the Novi Citizens Improvement association will be held at the Novi Community building Friday, February 5 at 8 p.m.

The organization, which recently lost its court battle to reverse the heavy-industry zoning classification on the Nine Mile road health property, has announced it will discuss the following topics:

— candidates for the village council to be elected in the spring;
— proposed amendments to the corporation charter of the improvement association;
— pros and cons of annexation of various portions of the village to the city of Northville.

Alert Policemen Nip Crime Wave In Single Week
At least a half-dozen Novi burglars were solved by Tuesday — less than a week after they were reported to local police.

The burglars, which included two service stations and four or more houses, occurred early last week.

Two Detroit men were arrested and jailed Wednesday within hours after they burglarized the service station and four youths were apprehended this week for breaking into Wallied Lake area homes.

Fire Damages Home
A defective fireplace resulted in considerable damage to the interior of a home at 4209 Grand River last week, Wednesday night.

According to firemen, the flames ate through the wall behind the fireplace into the kitchen. The total damage, which included water and smoke damage, was estimated at \$2,500.

The house is owned by John Cook-rum.

Good Planning Takes Money, Citizens Told
Novi cannot expect to have good village planning without paying for it.

That's the opinion of Lewis D. Cruse, president of the Novi Citizens Development committee, who spoke to nearly 150 village residents Monday night at the first general meeting of the committee.

Mysterious 'Wall' Built by Lost Race?

Many years before white man dreamed of building the long white ribbon of concrete between cities, the Indians of Michigan moved slowly but efficiently along their own expressways.

The Indian expressways were dirt paths which usually followed the shortest route between two given points. Like present day highways, the Indian roads usually had one or two "detour" routes for use while the low, wet areas dried.

One of the most famous stretches of Grand Rapids to Detroit. And the most popular "Howard Johnson" stop-off was at Wallied Lake. Early historians of the region reported that this highway was only secondarily a road. The section of the road through Novi was gravelled, beyond to the east it was plank.

Stage traffic increased rapidly along the highway, with two 4-

horse stage-coaches traveling between Detroit and Lansing (the new capital) daily. Frequently, "extras" traveled to the Wixom Tavern (Wixom road) and sometimes beyond to Brighton and Howell.

Twenty-four passengers were carried by each coach, and the coaches almost always traveled by a full freight each way. Sometimes, as many as nine passengers rode atop a single coach.

Flint recalls that the road company charged a fee for all persons using its highway. One of the toll gates set up by the company was located at the western edge of the township near Wixom road.

A stone wall, five feet thick and about four feet high, stretched along the shores of the lake. For many years local residents, who soon learned it Wallied Lake, believed the "lost race" had built the wall.

Geologists quickly discredited theories of a "higher race" and declared the walls were drift deposits, formed during the glacial period of the earth's history.

Others reported that the wall was formed by the action of the water and ice.

Novi — "Unknowns" Although there are numerous stories about the origin of the name Novi, there are three which seem to be the most likely.

The first — which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The second story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The third story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The fourth story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The fifth story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The sixth story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The seventh story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

The eighth story, which Flint and Steve Hicks, 80, Novi's oldest living resident believes to be the true origin — is that the name was derived from the name of the Roman numeral VII. In plating the county and planning the townships, surveyors referred to the township as number six in the township name.

KITCHEN DIARY

Meat-Cheese Casserole Makes Friends Fast

The Record will publish recipes of Northville-Novl area cooks every week of 1960. At the end of the year the recipes with the chef's byline will be published in booklet form and distributed throughout the Northville-Novl area.

Mrs. Robert Yoder's Beef Casserole has won repeated praise from friends who have sampled it at club potlucks.

The cheese-meat dish is tasty and easy to make, and a nice pick-up for lunch or dinner menus.

BEEF CASSEROLE

Mrs. Robert Yoder

8 ounces cooked flat noodles
1 lb. ground beef
1 cup cottage cheese
8 oz. cream cheese
1/2 cup sour cream
1/3 cup chopped onions
1/2 cup chopped green pepper
Brown beef in butter. Mix meat with tomato paste.

Blend cottage cheese, cream cheese and sour cream.

Add chopped onion and green pepper to cheese mixture.

In following order place in buttered casserole dish: first layer, half of cooked noodles; second layer, all of cheese mix; third layer, remainder of noodles, and top layer, beef and tomato mixture.

Bake 30 minutes in 350 degree oven. Serves 6.

Miss Lute To Marry

Alice M. Lute

The engagement of Alice LaVera Lute to Frank Caldwell of Righty Idaho has been announced.

The bride-elect is the daughter of Charles Lute of Newburg road, and the late Mrs. Lute.

Frank is the son of Mrs. William Caldwell of Kingston, Massachusetts, and the late Mr. Caldwell.

A career enlisted in the U.S. Navy, he is presently stationed at Newport, Rhode Island aboard the USS C. H. Roan.

No date has been set for the wedding.

BIRTHS

Mr. and Mrs. John C. Ledford of 10 Mile road announce the arrival of their second child, a son, Daniel Boyd, born January 21 at University hospital, Ann Arbor. The baby weighed seven pounds, four ounces.

Former Northville residents, Mr. and Mrs. Howard F. Meyer Jr. of Livonia announce the birth of a son, Timothy John, January 19 at St. Mary hospital, Livonia. The baby weighed six pounds, 15 ounces. Grandparents are Mr. and Mrs. Howard F. Meyer Sr. of Eight Mile road.

Mr. and Mrs. J. Alan Turner of Allen drive announce the birth of a son, Ronald Wayne, on January 23 at St. Carmel Mercy hospital. The baby weighed seven pounds, eight ounces.

NEWS AROUND NORTHVILLE

Sunday the Crispen Hammonds of Timberlane hosted an open house and sliding party at their home. Some 74 Northville families attended during the day.

Mrs. J. E. Strass of Beck road attended a bridal shower for Sharon Williams Saturday at the home of Mrs. James Robertson of Detroit. The Strasses were later joined by three couples for dinner. They will attend the wedding of Miss Williams Saturday at St. Mary's of Redford church.

Northville high senior class friends of Crispen Hammonds attended a party every week of 1960. At the end of the year the recipes with the chef's byline will be published in booklet form and distributed throughout the Northville-Novl area.

Helping the Hammonds serve were Mr. and Mrs. Hiram Pacific and Mr. and Mrs. Harold Hartley.

George Ballard of Tilbury, Ontario visited his uncle and aunt, Mr. and Mrs. James Spagnuolo of East Main street last week.

Mr. and Mrs. Larry Meyer (Peggy Hammonds) left Monday for Thomasville, Georgia where Larry will train for his job with the Messy-Perguson company. Traveling with them was Mrs. Matthew Nykes, sister of Mrs. Meyer Sr., who has been visiting the senior Meyers' from East Gales, Florida.

Mr. and Mrs. Michael Willing of Smock road celebrated their 25th wedding anniversary Sunday at an open house in their home. Some 70 friends and relatives attended.

The condition of Donald Merritt, Northville real estate agent, was reported improved this week. He is a patient at Community General hospital recovering from bronchial pneumonia.

Mrs. Robert Cole of Fairbrook street attended the funeral of Robert Humphrey, 29, son and stepson of Mr. and Mrs. George Humphrey of Detroit. Mrs. Humphrey, a former resident of Northville is employed at Northville State hospital.

Mrs. James Green of East Cady street was confined to bed with the flu. Mr. Green is still a patient at University hospital, Ann Arbor. He entered recently for a check-up.

Jim Hammond, son of the Crispen Hammonds of Timberlane, will be home tomorrow from Albion college for semester-end vacation.

The Rev. William Hornyak of Sacred Heart Byzantine Catholic church, Detroit, will speak on church unity and the coming Ecumenical Council at the monthly meeting of the OLV Mothers' club Tuesday.

The meeting, to be held in the social hall, will begin at 8 p.m. Hostesses for the evening will be Mrs. Frank Bosak, chairman; Mrs. Clifford Bunker, Mrs. Alfred Bush, Mrs. John Chodrick, Mrs. Edward Cheseman, Mrs. Lou Chismark, Mrs. Hugh Conser and Mrs. Joseph Crupi.

Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance."
— Samuel Johnson

THE ROBERT RICHARDSONS are December newcomers. The boys are (l-r) Todd, Marty and Robert, Jr.

New faces on Meadowbrook road are Robert and Norma Richardson and their three boys, Robert Jr., 11; Marty, 9, and Todd, 4.

The Richardsons moved into their home — on the corner of Meadowbrook and Seven Mile — early last month.

They came from Detroit.

Their two older boys are enrolled at American school, Robert in the sixth grade and Marty in the fourth.

Mr. Richardson is owner of Richardson and Sons Roofing company.

The family are members of Buhl-nell Congregational church, Detroit.

Area Red Cross Seeking More Volunteer Workers

"Good Things Happen When You Serve" is the theme for recruitment of volunteers, between February 1 and 15 in the metropolitan area served by Red Cross chapters in Grand Island, Wayne, Macomb, Oakland and Washtenaw counties.

Stressing the dependence on volunteers actually to help render the services and thereby stretch financial contributions to Red Cross through the United Foundation and gifts directly to local chapters, a committee of representatives from these chapters has planned the first joint project. Mrs. John F. Herbig and Mrs. Richard H. Hall Jr., chairman and vice chairman of various service committees, represented the Detroit chapter, which serves all of Wayne county.

Red Cross services are tailored to fit special circumstances in local communities, but all of them carry out the obligations the organization was assigned in a Congressional charter issued in 1905: to carry out the stipulations of the Geneva convention (assuring humane care of prisoners of war); to serve the men on military duty, veterans and their dependents; to provide care and relief for victims of disaster; Mrs. Herbig said. "In Wayne county each town (with the exception of the Grose Pointe), has a chairman of Red Cross and chairman of various service committees. Our activities reach across town geographical lines just as they do chapter and county lines to provide the best service to those who need it. Last year 6,785 1959.

Ladywood High School To Give Entrance Exams

Tomorrow and Saturday Ladywood high school will administer entrance examinations to eighth grade girls, wishing to enroll in the school in September, 1960.

The tests will be held from 10 a.m. to 1 p.m. A registration fee of \$5 is payable at the time of the test.

The examination paper will not necessarily qualify the students. Personality traits, report card and teacher's recommendations will help determine acceptance to the school. The curriculum most adaptable to meet the abilities of the student will be recommended.

Ladywood high school offers: college preparatory, business and general education curricula. Besides the required subject there are elective in art, domestic science and health. Co-curricular activities include: choral, sports, ballet and voluntary participation in various clubs; Social, Third Order of St. Francis, Cord Rosary Crusade, Missions, Student Council, Future Nurses and Future Teachers clubs.

TAKE A TURN IN THE TURBINE DRIVE BUICK '60 . . .

Turbine Drive® gives you the smoothest flow of power in any car today. No lag, no lurch, no click in a Buick . . . just a steady flow of power under your control at all times. Other automatic transmissions shift gears "ready or not", but when you put your Buick in "Drive", no gears over shift. And Turbine Drive saves you money because it stays smooth without adjustment.

Buick's superior brakes stop better and last longer because their unique design prevents dangerous heat build-up. All brake drums are lined and front drums, where up to 80% of the braking is done, are aluminum — get rid of heat much faster than ordinary drums. See your Buick dealer today and learn for yourself how exciting it is to drive this beautifully-built quality car.

*Optional at extra cost on LeSabre, standard on Invicta and Electra

P-TA to Hear Wayne Dean Tonight

Dean of Wayne State university college of education, Dr. Francis Chase Rosecrance, will speak at tonight's meeting of the Northville P-TA.

Dr. Rosecrance will discuss future development of the school and community. He will be the first in a four-lecture series scheduled for the local group.

Administrative Assistant Dr. Kenneth MacLeod will answer questions about the Northville school program, related to the talk.

Dr. Rosecrance was named dean of Wayne's education department in 1958.

A native of Illinois, he completed his AB degree at Lawrence college and PhD at Northwestern.

He began college teaching at Northwestern in 1937 after several years of high school administrative work. As professor of education his major field was guidance.

He has held positions as executive secretary of the Northwestern school of education and associate dean of the New York university school of education.

As Wayne's new dean he has been a consultant to the U.S. office of education, the Ford Foundation, the W. K. Kellogg Foundation and the Department of Defense.

For the past few years he has taken part in study and revision of the education curriculum and services of New York university.

Future speakers will discuss topics of science, mental health and children's literature.

Tonight's meeting will be held at 8 p.m. in the community building.

Dr. Francis C. Rosecrance

Plan Homemakers Course

Homemakers who are looking for better, easier ways of doing tasks about the house are invited to attend free classes in housework simplification financed in Plymouth by the Michigan Heart association. The series of four "Heart of the Home" classes are conducted in cooperation with Wayne State university and will be held weekly at the same time and place beginning Wednesday, February 3, 1 p.m. at the Dunning-Houch library.

The course was developed originally for women with heart or blood vessel disease who must "take it easy". While medical reasons make it necessary to take the drudgery out of housework for women with a disability, eliminating drudgery is every woman's dream.

Therefore the Michigan Heart association opened the classes to all women several years ago.

Homemakers may register for the free classes by calling the Plymouth Adult Education office at GL-3-3100, Ext. 4 or 28 or the Michigan Heart association, Temple 1-8550. The classes will meet on February 3, 10, 17 and 24 from 1 until 3 p.m.

No medical advice, diagnosis, treatment or examination is given in this youngsters' recovery.

"Red Cross volunteers see good things happen as they serve, good things for the person needing the service, and for themselves as they reap the satisfaction of having rendered the service."

"We need volunteers in each community to carry on chapter services every day . . . and to be available in case of widespread emergency. People with special skills will be placed where their experience is especially helpful, and other volunteers will be given whatever training is necessary for them to perform the duties of the service they choose."

Appointments for prospective volunteers to talk with a volunteer service chairman can be made by calling the Red Cross Northwest Region office, GA-4-0220. This office is located at 2214 Plymouth road, reach across town geographical lines just as they do chapter and county lines to provide the best service to those who need it. Last year 6,785 1959.

Form Civic Club

Champions of a Novi Women's Civic Action club will see their idea set into motion next month.

The first organizational meeting will be held February 10 at 12:30 p.m. in the Northville community building.

Two meetings a month are tentatively scheduled.

The Novi women will be joined at the meeting by members of the Walled Lake Women's Civic club. Plans for the club have been under discussion for some time.

Spokesmen for the group issued an invitation to "Come and meet the women of your community".

Girl Scouts

Brownie Troop 209 held a special investiture ceremony for Patty Seetzer into motion next month.

The first organizational meeting will be held February 10 at 12:30 p.m. in the Northville community building.

Two meetings a month are tentatively scheduled.

The Novi women will be joined at the meeting by members of the Walled Lake Women's Civic club. Plans for the club have been under discussion for some time.

NOVI HIGHLIGHTS:

Cub Scouts Plan Blue-Gold Dinner

By Mrs. Luther Rix — Fieldbrook 9-2428

Cub Scoutmaster Wesley Krogg and the program committee are working on the Blue and Gold potluck dinner planned for February 12 in the community hall. It is the 20th anniversary for cub scouting and the 10th anniversary for Novi Cub Scouts. On the committee are Doris Callan, Ella Kowalski, Audrey Orwin, Elaine Harland and Mary Lou Taylor.

Mrs. Andy Kozak is recovering from a severe attack of bronchitis. Mr. and Mrs. George Kahrl and Mr. and Mrs. George Atkinson spent the week end at the Atkinson cottage near Lewisia.

William Hanson, Sr. is a patient in Aichison hospital, Northville. He is ill with pneumonia.

Mr. Glen Kozak, Sr. was called to Del Ray Beach, Florida by the illness of her son, Chester Proffit, three weeks ago. One week later Mrs. Kozak went to Florida for a two weeks stay. Mr. Proffit is now out of the hospital and the doctor expects to see him on Feb. 10.

Mrs. Ray Roberts has had her hands full for several days taking care of all five of her children who are ill.

Barbara Wallace and eight of her friends returned to the Wallace home for refreshments and games after their skating party at Willowbrook.

The Darling family spent the week end skiing at Kandahar Ski club at Macleay lake.

Members of the First Baptist church of Wixom held their annual meeting last Wednesday at 8:30 p.m. with a potluck supper.

The church society held its 20th annual meeting in the same evening in the National Home Building show. While in Chicago they stayed at the Palmer House.

The Crest club held its regular meeting Thursday. Eleven ladies attended.

A house warming was held for Mrs. Harry Shipley at her home.

The Wixom - Walled Lake Lions club held their regular meeting last Thursday at the VFW hall.

Mrs. Roy Burke has been in Osteopathic hospital, Pontiac, for the past eight days.

Mrs. Frank Pennell was the guest of her daughter, Mrs. Harry Bullmeyer, over the week end in Keego Harbor.

Thursday and Friday of this week will be vacation days for the Wixom school children as school will be closed for end of semester.

Cub Scout Troop 118 received their charter last Tuesday. Scoutmaster is Policeman D'Arcy Young. Twenty-five boys belong to the troop.

The Junior church department has purchased a new strip projector to show religious cartoons, parables on nature. Mrs. Jack Anglin is in charge of the Junior church.

The Novi chapter of the Blue Star Mothers will meet next Monday at 1 p.m. at the home of Mrs. Frank Pennell in Wixom. On the January trip to the Veterans' hospital in Ann Arbor the Mothers donated one-half dozen diabetic trays, two wheel chair pads and two pairs of socks.

They also stopped for the veterans and gave a party for 44 ward patients.

Novi Goodwillers Several Novi Goodwillers met at the home of Chairman Charles Wal-

The Senior Girl Scouts met Wednesday evening at the home of their leader, Mrs. Kriedeman. They worked on plans for their birthday party.

Brownie Troop 492 celebrated the birthday of Mary Holmes in the troop last week. This week the troop is busy preparing for thinking day program in February.

Mrs. Hanna's troop went tabogganing at Cass Benton park and had refreshments of hot chocolate and donuts. Transportation was furnished by Mrs. Beadle, Mrs. MacBride, Mrs. Needham and Mrs. Hanna.

Intermediate Troop 456 is planning a new girl in their room. All the children had a look through a magnifying glass to see the beautiful designs in snowflakes.

Mr. and Mrs. Sargent and his puppet friend, Jerry McSafely, brought a safety lesson to the children last Thursday, which they will remember for a long time.

The children are all having fun making giraffes, turtles and other animals out of scraps of wood that the lumber company gave them.

Novi Sure Shots Tuesday scores for the rifle club are as follows: for ten shots per target: Oris Stader 62, 68, 53; Larry Snow 76, 78, 89; Robert Smith 53, 58; Frank Mohrark 72, 82, and James Friske 61, 75.

Five five shots per target: Jim Hansen 40, 44, 30, 35; Larry Long 30, 18; Bill Hansen 33, 34, 35, 28; Mike Brady 43, 42; Keith Crawford 20, 40, 10; Diane Morse 31, 14, 16, 41; Jay Warren 41, 38, 34, 32, 35, 44; Gary Mohrark 20, 20; Susan Price 24, 35, 31, 31, 21.

The Sure Shots meet every Tuesday evening from 7 to 9 p.m. in the cafeteria of Novi school.

Novi Girl Scouts Troop No. 602, under the leadership of Mrs. MacGillivray, are preparing the program for their thinking day program in February. They have started their knitting project and are making afghans for a convalescent home or hospital and will be available to baby sit for mothers who will work on the coming book bank.

Open house was held honoring Charles Meyer Jr., son of Mr. and Mrs. Charles Meyer Sr., West 11 Mile road, at the home of his sister, Mrs. Robert Garvin, Malott drive, Willowbrook, Sunday evening. Approximately 45 friends and relatives were present. Charles Jr. received his BA degree in music from Eastern Michigan college in Ypsilanti and will teach at Southgate school near Trenton.

Saturday evening Mr. and Mrs. Royal McCormick and Mrs. Louis King and son Del, Rev. and Mrs. Arnold Cook and Jay Warren returned to Pontiac to visit Mr. and Mrs. Jack Eby formerly of 12 Mile road, Novi.

Lana Whitaker entertained a group of her friends from Novi and Northville at a hot dog and marshmallow roast Sunday afternoon.

Reform Church News The Junior church department has purchased a new strip projector to show religious cartoons, parables on nature. Mrs. Jack Anglin is in charge of the Junior church.

The Novi chapter of the Blue Star Mothers will meet next Monday at 1 p.m. at the home of Mrs. Frank Pennell in Wixom. On the January trip to the Veterans' hospital in Ann Arbor the Mothers donated one-half dozen diabetic trays, two wheel chair pads and two pairs of socks.

They also stopped for the veterans and gave a party for 44 ward patients.

DAVIS & LENT "Where Your Money's Well Spent"

Novi Auto Parts To Conduct Clinic For Mechanics

Automobile mechanics in the area will have an opportunity to attend a film clinic on all phases of ignition systems servicing Monday 8 p.m. in the Novi community building, 26350 Novi road.

The clinic is sponsored by Novi Auto Parts, Inc., in cooperation with Standard Motor Products, Inc., manufacturers of automotive electrical parts. Admission is free and open to all auto mechanics who are interested.

The films will deal with special problems in ignition servicing, recommended procedure for ignition tune-up and the manufacturing processes that are behind the increased performance of heavy-duty ignition parts. Tune-up manuals and other literature will be distributed free.

Prizes will be awarded and refreshments served.

Novi Cub Scouts Need Den Mothers An urgent appeal for "at least two den mothers" in the Orchard Hills school area was issued by Novi Cubmaster Wesley Krogg this week.

Mrs. Al Harland, the area's newest den mother, is "already swamped" with an application from neighborhood boys, Krogg said.

A committee meeting was held Tuesday at the Novi school. Cub scout leaders attended were Charles Russell Taylor, George Russell Taylor, Mrs. Callan, Mrs. Orwin and Mrs. C. Karshchick.

Preparations were made for the Blue and Gold dinner for cubs and their families to be held on Feb. 12, February 12 at the Novi community building.

Policemen are Human Beings Too

NOTE: This article was brought to our attention by Officer Gil Glasson of the Northville Police Department. It appeared in the November issue of the Michigan Police Journal.

Policemen, believe it or not, ARE human beings. They come in many shapes and sizes, but mostly male. They also come in various sizes. This sometimes depends on whether you are looking for one or trying to hide something.

However, they are mostly big. Policemen are found everywhere, on land or sea. In the streets and sometimes in your hair. In spite of the fact that "you can't find one when you want one," they are usually there when it counts most. The best way to get one is to pick up a phone.

Policemen deliver lectures, babes and bad news. They are required to have the wisdom of Solomon, the disposition of a lamb and muscles of steel, and are often accused of having a heart to match. It's the one who is looking for the door ball, swallows hard, and announces the passing of a loved one, then spends the rest of the day wondering why he ever took such a crummy job.

On TV, a policeman is an oaf, who couldn't find a bull fiddle inside a telephone booth. In real life, he's expected to find a little blond boy "about so high" in a crowd of a half million people.

In fiction he gets his help from private eyes, reporters, and "who-dunn-it" fans. In real life, mostly all he gets from the public is "I didn't see nothing."

When he serves a summons he's a monster. If he lets you go, he's a doll. To little kids, he's either a friend or a bogeyman, depending on how the parents feel about it. He works "around the clock" with shifts, Sundays and holidays, and it always kills him when a jester says, "Hey, tomorrow's Election Day. I'm off, let's go fishing." (That's the day he works 20 hours.)

A policeman is like a little girl, who when she was good, was very very good, but when she was bad, she was horrid.

When a policeman is good, he's a "graffer" and that goes for the rest of them, too.

When he shoots a stick-up man, he's a hero, except when the stick-up man is "only a kid, anybody could see that."

Lots of them have homes, some of them are covered with ivy, but most of them with mortgages. If he drives a big car, he's a chieftain. A little car, "who's he kidding?" His credit is good; that's very

1-CARD OF THANKS

I wish to thank all those who expressed their deepest sympathy in flowers, words and services rendered at the time my brother, Cleo Terline, passed away. Special thanks to Dr. Pettig, Leo Harwood, Rev. Cook, Betty O'Leary, Rev. Springer and the Southland Police Department.
Oral A. Stubbs

1-CARD OF THANKS

We wish to extend our sincere appreciation to those who gave comforting sympathy and help in our recent sorrow, especially Fred Capterline and Rev. Nieuwkoop for his comforting words.
Mrs. Raymond Adcox
Mr. and Mrs. Luray King
Mr. and Mrs. Talbert King
Mr. and Mrs. Dallas King
Mr. and Mrs. Porter King

1-CARD OF THANKS

This is to express my thanks to my family, friends, neighbors, Rev. Cargio, W.C.S. Neal Circle, WSG for the beautiful flowers and cards during my recent illness.
Irene Boyd

1-CARD OF THANKS

We wish to thank everyone for the beautiful flowers and acts of kindness, especially Mr. and Mrs. Fred Castner and Rev. Morris shown us during our bereavement.
The Family of
Betty June Neely

Meet Your Firemen

THESE TWO NORTHVILLE FIREMEN are also members of the Northville auxiliary police force. First Lieutenant Ward "Stub" Schultz joined the fire department 22 years ago. A cook at William H. Maybury restaurant, Schultz, 47, is married and lives with his wife at 310 South Rogers. He also is a relief dispatcher for the fire department. Irvin Ware, 46, of 620 Horton, has been with the department 15 years. An employee at Cadillac Motor Car company, he is married and has one daughter.

Local Men Assigned New Rambler Jobs

With increased Rambler sales and the growing number of dealers, American Motors corporation has divided the Parts and Service departments into two separate departments. In the reassignment C. M. Tilling, host of Detroit becomes general service manager, with direct responsibility for all technical service, service promotion and training activities. John S. Krider, 21412 Holmbury, License Suspended

The operator's license of Larry G. Putnam, 41083 11 Mile road, was suspended this month by the Michigan Department of State because his driving record has been declared "unsatisfactory."

Music Studio to Open Here on March 1

A music studio under the direction of G. D. Gardner will open here at 108 North Center on March 1. Gardner, who will be assisted by a teacher from the Detroit Conservatory, will give organ and piano lessons. The music instructor also will handle sales and rentals for the Hammond Organ company.

Krider

Buck

Northville, becomes general parts and accessories manager. Replacing Krider as service promotion and training manager is J. F. Buck, 24350 LeBois drive, Novi, former Central Division service manager. "This change is part of the expansion in parts and service activities made necessary by record Rambler sales," said Roy Abrahams, vice president of automotive distribution and marketing. "In other moves we are establishing parts warehouses in each of our 21 zones to provide 24-hour parts delivery service to all dealers, and only recently a fleet of five mobile service training schools was put into operation. Tillingham, general parts and service manager for the past five years, joined the company in 1943 as parts manager of the Atlanta zone. He is a 26-year veteran of the automobile industry. During World War II he served as a civilian automotive advisor in the U.S. Army. Krider, who entered the auto industry 20 years ago as a dealership parts manager, joined American Motors in 1947 as a parts and service representative in the Atlanta zone. He was transferred to Detroit headquarters in 1953 as assistant parts and accessories merchandising manager and has held several administrative positions in the Parts and Service department since then. During the war Krider served as a captain, operating an army ordnance automotive ship in the Pacific. Since joining the company in 1947, Buck has held service and promotion posts in the San Francisco and Detroit zones. In 1955 he was named assistant parts and service manager in charge of this western part of the country and was appointed to his former position in October, 1958. Buck was an officer in both the Coast Guard and Navy in World War II, two years of which were spent in marine engine work.

MEMBERS OF THE GYM CLASS at Northville high school put on a special jumping exhibition at half time during Friday's basketball game with Holly. Watching Joe Gots perform a "roll" are Walter White, Al Kern, Mike Zuhl, Tim Weiss, Russ Stevenson and David Clark.

Bowling Standings

Table with bowling league standings for Northville Lanes, Junior House League, and Senior House League.

Atchinson Hits 30 Points Late Mustang Rally Fails As Redskins Roll to 79-63 Win

Northville looked like a sure winner in the first round of a court battle with Milford Friday, but the Redskins came back with an amazing offensive in the final three frames to crash the Mustangs 79-63.

Despite the loss, the Mustangs themselves piled up their best individual and team scores of the season. The loss dropped Northville into a four-way tie for last place with two victories and four defeats. Milford, which up until two weeks ago had not notched a single win all season, is making a concerted bid to climb out of the league cellar with Northville, Clarkson and West Bloomfield.

West Bloomfield upset highly rated Holly, 58-55 Friday, and the Mustangs first win since losing to the Mustangs three weeks ago. Bloomfield Hills moved into fourth place by nipping Clarkson, 50-49.

The Bulldogs of Brighton copped the biggest upset of the week by rolling over first-place Clarenceville, the only previously unbeaten quintet, 58-46.

In the first stanza against Milford Friday, Northville scored 20 points to match its high individual quarter score with Brighton on December 11. The Redskins, on the other hand, failed to score a point until midway through the first quarter. When the first period ended, the Mustangs were out front, 20-11.

The Milford tide rolled in with the opening of the second quarter, completely swamping the cagers of Northville. At the half, the Redskins had climbed to within one point of their opponent after netting eight field goals and seven free throws.

A full-court press failed to stop the Redskins in the third quarter as Milford matched its second period barrage to jump into the lead at the three-quarter mark, 57-47.

Partisan fans roared their approval in the final quarter, as the Mustangs whittled a 16-point Milford lead to a scant one point with little more than four minutes remaining in the game. The score was 63-61. Two minutes later the score was 68-61.

But the cheers quickly died as the Redskins rose to the occasion. With two Northville cagers, Jim Patterson and Wade Deal, benched by fouls, Milford took command under the leadership of head coach, Dick Whitman. The Mustangs were completely out of the Mustangs' reach.

Roger Atchinson, Northville's 5'10" guard, turned in his finest game of his high school career—and one of the best scoring performances in recent high school cage history. He poured in eight field goals and six charity shots in the first half; then added eight more points in the final half for a total of 30 points.

Teammate Wade Deal matched his previous high scoring record with Farmington by hitting in five field goals and five free throws. Gene Schuett of Milford led his squad in scoring with 15 points. Two of his teammates, Dick Whitman and John Sheffer, were close behind with 17 points each.

Altogether, Northville scored 21 field goals and 11 charity shots, while Milford piled up 28 field goals and 23 free shots. The Mustangs averaged 60 percent of its free shots, Milford averaged 62 percent of its shots.

League Standings
Clarenceville 5 1
Holly 4 2
Brighton 4 2
Bloomfield Hills 3 3
Northville 2 4
West Bloomfield 2 4
Clarkson 2 4
Milford 2 4

Hungry Wolves Eye Northville
A pack of victory hungry Wolves will invade Northville tomorrow anxious to jump back into the first division of the Wayne-Oakland basketball league. After whipping second-place Brighton two weeks ago, the Clarkson Wolves narrowly lost to Bloomfield Hills, 59-59 to slip into a four-way tie for last place. John Parks, rated by league coaches as one of the finest guards in the league, will be back in uniform against Northville after a long absence because of a head injury. The second game between the two clubs has been set for February 28.

ICE CAPADES — Irma Thomas and Orrin Markins, the beloved Old Smootheries, are doing their lustrous waltz for the 18th straight season in the 20th birthday edition of the Ice Capades which will be at Olympia Stadium from February 25 through March 13.

Matmen Cop First Win In Farmington OLS Meet

The drought ended Monday evening for Northville's wrestling squad as the Mustangs posted their first victory this season over Our Lady of Sorrows of Farmington, 28-13. Coach Chuck Shonta, who took the reigns of Northville's first wrestling team this season, was a happy man Tuesday morning when he exclaimed: "The boys are getting better all the time." Wrestling experienced, "Class A" teams, the Mustangs had dropped their first five matches. In winning Monday, Northville gained 20 of its points through forfeits, while Farmington grabbed 5 points by forfeit (no opponent available in a particular weight class). Bob Stuber, wrestling in the 127-pound class for the Mustangs, pinned his opponent in 1:02 seconds of the first period in the quickest victory of the night. Doug Tyler, 135-pound Mustang, also pinned his opponent in the first period after gaining 2 points for a takedown. Northville Captain Blain Ashby, 65 pounds, was ahead of his opponent, 7-0, when he gained a pin in the second period. Terry Cherno, wrestling in the 165-pound class, was behind by one point going into the third and final period when he came off the mat to score a reversal (2 points) for the winning edge. Victors through forfeit for the Mustangs were: Tom Stietzky, 101; Charles Summers, 112; Fred Mitchell, 110, and Bill Judy, unlimited. Most sections of the individual matches against Garden City last week Wednesday (Northville lost, 40-49) was the last card of the night. With a team score of only 3 points going into the final match, football's all-state Bill Judy pinned his opponent in 5:10 seconds of the third period to upset Garden City's highly favored mat man in the unlimited class. Both men were tied going into the final period. Weaver took one-point in the second period on an escape, Judy scored a point on a reversal and an escape. Ashby was the only other Northville winner. The 165-pound wrestler earned 3 team points on two escapes and two takedowns. His opponent, Bucky Sakana, managed a reversal and an escape. Garden City will host a return match with the Mustangs Tuesday beginning at 7:30 p.m.

Cager of the Week
BUT HE MAKES 'EM — Gary Morgan, 6'4" cager for the Mustangs, has a peculiar habit of scoring many Northville points while shooting from an unorthodox position. In a drive under the basket he may flip the ball through the net while turning, twisting or falling. Northville coaches are quick to comment, "but he makes 'em". The 19-year-old senior is also a stellar member of the Mustang football and baseball squads. An avid hunter and fisherman, Morgan is a member of the high school "N" club.

Colts Spot Milford 8 Points Then Streak to 58-51 Victory
One of Al Jones' favorite comments during a particularly exciting game is "here we go down ulcer lane". His words struck pretty close to home Friday as the junior varsity quintet came from behind in the final period to whip Milford, 58-51. The Colts, who now hold a 4-4 record, scored more points Friday than in any of their seven previous games. The quarter scores were 12-11 and 25-11, based down "ulcer lane" in the third frame and the Milford quintet quickly piled up an 8-point lead. With the start of the final quarter, Northville regained its feet and peppered the nets until Milford's lead was whittled to 2 points with less than six minutes to play. After tying the score on a tip shot by Center Dave Filkin one minute later, the Colts quickly swept into the lead as Guard Tom Daniels pumped in four free shots and an equal number of field goals. Daniels' 22-point barrage was the best individual performance for the Colts this season. The 5'10" sophomore scored all but 8 points in the second half. Filkin was the second highest scorer for the Colts with 13 points. The Colts, who now hold a 4-4 season record, scored more points Friday than in any of their seven previous games. Rowe Hurls for Leaders In Winter League Kenneth D. Rowe, 26, of 358 Beal street, is playing winter baseball in Panama, now pitching for the Marlboro team. The winter season will close February 2. The Marlboros currently are in first place. If his squad wins the playoffs, Rowe will hurt in the Caribbean Series — World Series of winter baseball. Fourteen teams from Puerto Rico, Venezuela, Cuba and Panama are in the series. Rowe, playing for the first time in the winter series, is a member of the Los Angeles Dodgers farm club. He played for the Detroit Tigers two years. Northville high school graduate, Rowe was a star player with the Mustang nine.

SUNDAY — THE HOLY DAY
 There seems to be an increasing demand for stores to remain open on Sunday. In some places Super-Markets and Department Stores are opening their doors for the convenience of the Lord's shoppers, especially in the Shopping Centers. What difference does it make? Let me say on the basis of God's Word that Sunday business, Sunday work (with exceptions of acts of mercy and acts of necessity) is a moral wrong. It is as much a sin as stealing or committing adultery.

TRACING THE SABBATH
 In Genesis 2:3, we read "And God blessed the seventh day, and sanctified it; because that in it he had rested from all his work which he had created and made." In Exodus 20:10 God included it in the Moral Law given to Israel when He said, "Remember the Sabbath day to keep it Holy. Six days shalt thou labour, and do all thy work; but the seventh day is the Sabbath of the Lord thy God, in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy maid servant, nor thy maid servant, nor thy cattle, nor thy ass, nor thy mule, nor any beast that thou hast, nor any man that is within thy gates." Under the economy of Grace in the New Testament we find that Christians began observing the first day of the week as their Holy Day since it commemorated the resurrection of the Founder of their faith. No specific laws were given as to its observance and the keeping thereof was a moral matter, an act of love toward God. History shows however, that the early Christians ceased from their labors on that day and used the day for assembling for worship and a resting of their hearts.

Newburg Methodists to Hold Dinner-Play for Building Fund

Saturday, the oldest church in this intended city of Livonia, the Newburg Methodist church, located on the corner of East Main and Church roads and Ann Arbor trail, will feature "dinner-out and the theater".

In keeping with tradition of long standing the ladies of the Women's Society of Christian Service of the church, under the chairmanship of Mrs. Verne Nyman, will prepare and serve an old-fashioned ham dinner the like of which you have never eaten. All you can eat, with reason, is what the menu provides, and dessert feature will be apple and cherry pie.

The proceeds from the play are to be directed to the new church building fund, ear-marked for the new organ.

Local Group Counts 42 Species During Christmas Census

Local members of the National Audubon Society counted a total of 1,619 birds of 42 different species during the 99th National Christmas Census of Birds.

Conducted January 2 during a temperature range of 30 to 33 degrees, cloudy, rain with very little snow on the ground.

The area extended approximately 15 miles in a diameter from the center point on 10 Mile road and 155 road, between Northville and Kensington park. The area included farms, woods, open fields, parts of Kensington park, Proud Lake Recreation area and Northville.

Birds sighted: Great Blue Heron 1, Canada goose 29 to 400, mallard 54, black duck 44, blue-winged teal 6, lesser scaup duck 4, golden eye common 10, bufflehead 1, red-tailed hawk 1, red-shouldered hawk 1, sharp-shinned hawk 1, marsh hawk 1, sparrow hawk 4, ring-necked pheasant 18.

Herring gull 1, mourning dove 1, yellow-shafted flicker 1, red-headed woodpecker 1, hairy woodpecker 3, downy woodpecker 12, horned lark 16, blue jay 22, common crow 115, black-capped chickadee 27, tufted titmouse 22, white-breasted nuthatch 7, red-breasted nuthatch 1, robin 1, eastern bluebird 5, golden-crowned kinglet 5, ruby-crowned kinglet 2, northern shrike 1, starling 17, house sparrow 80, eastern meadow-lark 1, cardinal 50, American goldfinch 34, slate-colored junco 76, tree toad 45 and song sparrow 2.

Participating in the Northville area census were John Begle, Luck Beigel, Jack Cross, Lewis Cruise, Catherine Hartley, Harold D. Hartley, Harold S. Hartley, Thomas Healey, Ronald Lahr, Frank Muller, Donald Riddering, Emily Riddering, Hannah Riddering, Julie Riddering and Allie Riddering.

Novi Methodist Church Plan Farm Program At MSU Feb. 1-5

The Department of Agricultural Economics will host a special farm program at East Lansing, Michigan State University campus.

Programs to be offered include:

1. Opportunities in Agriculture for Young Folks.
2. How Effectively Can Farmers Budget?
3. Issues Facing Consumers.
4. State Milk Control (will a state milk price help you?)
5. Who Will Lead the Way — U.S. or U.S.S.R.?
6. Can You Afford to Mechanize Feeding Operations?
7. Annual Meeting — Michigan Farm Managers and Rural Appraisers.
8. Dairy Farm Adjustments for the 60's.
9. Farm Management Banquet.

For additional information about Farmers' Week, farmers may write to John C. Donoh, agricultural economics department, Michigan State University, East Lansing.

Future Hope for Novi Rests in Ballot Box

To the Editor: We the plaintiff in the case of the Novi Civic Improvement Association vs. The Village of Novi have technically won our case. Practically, however, the case has been lost. We must face up to the fact that the property remains zoned industrial and there appears to be no immediate legal remedy.

The sustaining of the rezoning of the Heslip property, of course, throws out of kilter all predictions of the future growth of Novi. When a large developing residential area such as all of the area south of Ten Mile road is suddenly blighted by the intrusion of heavy industry the progress of that area is certainly cast in doubt. Who can believe that the land developers will continue their interest or will pour money into such a questionable area? But if the residential developers fail to come, what then? What will be what can be the future of this beautiful country-side which was recently recognized by Howard Keating as the "hottest residential property" in all of the Detroit suburban area? Obviously, it can only be main idle or deteriorate thereby killing off the growing tax base which Novi could have enjoyed.

The planter had been acquainted with the Court when it was clearly acknowledged by the Court that the properties of the planter had been acquainted. (Tax Assessor please.)

The purpose of this letter, however, is not to discuss the merits of the "Heslip" case as much as to point out to the voters of Novi the serious implications of the ruling of the Court which affects us all.

Basically, the Novi Civic Improvement Association felt compelled to withdraw in light of a recent State Supreme Court ruling which clearly states that zoning actions are a function of the legislative arm of government and that the courts usually do not have power or authority to alter legislative actions pertaining to zoning. In the face of that decision the Association had no alternative but to withdraw.

The imposition of the ruling of the Court which must forcefully strike us all, then, is this: If residents who are aggrieved in matters

Northville City Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday evening, January 18 at 8 p.m. Present: Mayor Allan, Councilmen Canterbury and Welch. Absent: Councilmen Jusky and Reed.

Minutes of last regular meeting were read and approved. Bills amounting to \$17,102.12 from the General Fund, \$120,000.00 from the Other Government Fund and \$517.83 from the Water Fund, were presented for payment. It was moved by Canterbury, supported by Welch, that these bills be allowed and paid. Carried.

A letter from Forrest L. Doren was read offering to sell the Silver Springs property to the City of Northville for \$10,500.00. Council took the letter under advisement.

A letter was read from Mr. Armerman, Supt. of Northville Public Schools, regarding the installation of a marking space in the Athletic Field at the new high school.

The matter was set aside until further investigation can be made. Atty. Gen. Mr. Robertson presented a sketch showing proposed alterations to Community Bldg. for city offices, in case same is not sold to the Northville Public Schools. Council requested that a letter be written to the School Board to ascertain the purchase of the building on the June ballot.

John H. Bagle, President Novi Civic Improvement Association

Dear Sir: Oh how much has been written about where Novi got its name, and how erroneous is the assertion that Novi was station No. 11 on the railroad. There was no railroad through Novi until after the Civil War.

There is a small book in Northville Public Library which tells where Novi got its name, and my Father who was born in 1881 told me the name. It seems that a Mr. J. C. Emery was going to a meeting called to name this acreage which was to be the site of the "Novi".

Community Plan Should be Tailor-Made

EDITOR'S NOTE — The following address was made by Lewis D. Crouse Monday night at the first general meeting of the newly formed Novi Citizens Development Committee. Crouse is president of the group's 13-member board of directors. The committee prepared for its first of 12 monthly meetings by distributing 1,500 questionnaires to a group of 75,000 people.

This is the first in a series of monthly meetings at which you will expect the directors of your Citizens' group to bring you up to date on the thinking and the plans of the officials of the village of Novi, especially by the work of the Planning Board.

The sequence in which the improvement program projects will be undertaken will be developed and proper priorities will be determined. It is a laborious task because there are so many factors to be considered, and each of these factors must be weighed together in an assembly and see what the picture looks like. Most all of us have a vested interest in our person. They run well and do not seem to have any extra pieces left over. But if we take these wishes apart and put them back together again I am sure that we would have enough money left over to do some more wishes. This village cannot be built properly on a "do-it-yourself" program. I saw a sign which said "Do it yourself, then bring it on."

Now let's take a look at the fact that we are providing that we can look at the critical financial soundness of the plan, because we are not in that position. So every avenue must be explored to find a way to pay this bill, to get some good money, to get some good money, to get some good money.

Now let's take a look at the fact that we are providing that we can look at the critical financial soundness of the plan, because we are not in that position. So every avenue must be explored to find a way to pay this bill, to get some good money, to get some good money, to get some good money.

SPEAKING for the Record

By Bill Slinger

Until recent years community planning was something left to happenstance. Towns were permitted to grow like a creeping vine spreading in all directions with little concern for proper land use or zoning.

Supposedly, we have learned by the errors of our ways. The tragic results are visible everywhere—and the huge sums of money being spent by the federal government for redevelopment projects serve as a painful reminder.

Yet planning is still an infant business and, as such, often regarded with suspicion. And because the business of planning is highly specialized and time consuming its initial studies are likely to be considered "too expensive."

There should be no question, however, that good planning is important to both new communities and to those older towns seeking to correct previous errors and avoid compounding them.

This is evidenced by the fact that while the infant incorporated communities of Novi and Wixom are currently studying original plans, Northville is completing a revised zoning ordinance as a "stop-gap" while a long range master plan is prepared.

Monday night a throng of Novi residents were given an appraisal of the planning chore ahead for their community by Lewis D. Croso, newly elected president of the Novi Citizens Development Committee.

The former Ford Motor company vice president, who retired from the auto company's board of directors last fall, has been a Novi resident for 10 years. He has tackled the job of community planning with the same gusto that earned him his high standing in the Ford.

His approach to the job is realistic, and unique. Like a factory, car or home, building a community requires not one plan, but several. And, he points out, the first job is to determine what kind of a "home" the people of Novi want—then let them choose from a variety of "mock-ups" according to what they are willing to pay in taxes.

Naturally, to do this properly from the beginning and avoid "redevelopment" later it will require an initial expenditure far beyond the normal figure budgeted.

His remarks (carried on page 15) are as applicable to Northville as they are to Novi.

Northville's planning commission has a \$150,000 budget to revise its zoning ordinance and prepare a master plan. Even this expenditure brings raised eyebrows from some council members.

Croso has estimated it will take \$30,000 the first year to do the job right.

This may be more than the community is willing to spend. Again, it depends on what kind of a "house" the buyer wants.

His recommendations—which come supported by years of successful planning in industry—certainly bear careful study. And they make interesting comparisons.

Michigan Mirror K-12 Bill May Return

THE AX is poised again over more than half of Michigan's school districts which offer incomplete education programs. Whether the bill is passed depends on the Legislature. About 1,500 of the state's 2,200 school districts are eligible for a full "K-12" — kindergarten through 12th grade — program.

The K-12 bill that would have forced consolidation of these districts passed the House last year but died in the Senate. Another bill is expected to be introduced before there is legislation to clarify tax millage disputes that would develop out of the consolidation.

Big bills will be presented to taxpayers for education. Even if there is no change in the state school aid formula — and there probably won't — the bill for \$25 million to \$30 million for \$14 million. This much will be needed to pay out in full the amount that is currently being paid under the present formula.

State assistance for school building construction has been proposed by Gov. M. G. B. Bartlett, superintendent of public instruction. He said state would distribute between \$8 million and \$25 million to local school districts on a per capita basis.

Barlett says Michigan needs at least 5,000 new classrooms. Community Colleges appear to have an increasingly brighter future in Michigan. Bartlett tries a 10 percent increase in enrollment next fall. Currently, there are 17,000 students enrolled in the state's 16 community colleges.

Although they had slices of state aid, community colleges are primarily through community effort. They have had little, if any, direction from Lansing, Bartlett says. It is about time Michigan had a Community College Development Commission to serve in a civil capacity.

Barlett says Michigan also should be giving serious consideration to the extension of free public education beyond the 12th grade. This would be a bold and controversial step.

The decade ahead offers major challenges in education. But urgency of school problems is sometimes hard to market among those who don't have school-age children, or who haven't gotten them. The Michigan Congress of Parents and Teachers and the Michigan Association of School Boards are trying to stimulate interest in school issues at a series of 13 regional conferences.

All taxpayers will find them worthwhile. A STAR IN THE RACK. That's what township officials are trying to avoid these days. The Michigan Township Assn. has adopted a series of resolutions aimed at preserving the status quo in the structure of local government.

An underdog complex has developed among township officials in the inter-governmental struggle. Parisi called for help from the Governor and Legislature "to assist us in gaining first class citizenship for the residents of our townships."

Roger Babson Factories on Wheels

Babson Park, Mass. — The so-called "trailers" are enjoying great growth in every state of our country. This especially applies to Florida and this, including Texas; and to California and all the Pacific Coast.

Mobile Homes Described These average about 35 feet in length and sell, fully equipped, at about \$100 per foot. There are larger ones, 40-50 feet long and 9-10 feet wide, usually with two complete bedrooms, a studio couch in the living room, and ample bathroom and kitchen. They are heated and air-conditioned, and have food refrigeration and every other convenience.

They are usually located in a pleasant parking lot, at a charge of about \$50 per month. Some have adjoining cabins with porch furniture. They also may have private pools. In desired, there is no grass to cut, and there is no care of, and milk is delivered.

Many Other Advantages Those who visit the same trailer park each winter, or who leave their trailer there the whole year, are getting a great deal. They are also more friendly and helpful to one another. They watch out for one another in case of illness. They often invite their trailer friends to their permanent northern homes.

Those who are able to see much of the country—having an advantage over those who buy small permanent homes or stay at motels by the way, I should mention that the largest trailers must be hauled by tractors; but these are used only to get to the trailer park and then to be towed by private auto.

Rules When Buying Property In Another State (1) Be sure you see the property before buying. Do not buy from a blueprint, "right answer." (2) Try to get the earliest buyer and see what kind of people your neighbors would be. (3) Buy the land only for cash—then go to a local bank to get help in building a house. (4) Observe, buy or rent a trailer and rent a lot for your trailer with an option to buy later on if you wish.

Mobile Factories Are Coming Many young people—after they have learned a trade—are anxious to go into business for themselves, but fear the competition which the big corporations could give them. I forecast that the mobile small factory will be a great help to such young people.

One Operate the Factory, The Other Sell the Product One of the owners would operate the "factory" with two or three local assistants, while the other would sell the product. There would be no labor unions to struggle with. The factory would not be big enough to cause concern to any large corporation.

Recent Congressional action authorizes formation of "small business investment companies" which could help finance just such new small concerns in many fields. For

the address of the office nearest to you, see your local chamber of commerce or contact your regional Small Business Administration office.

National Cooperation Possible The companies making these mobile factories might agree to sell only one of a kind to each city (depending upon the size of the city). Then all the mobile factories could form an association to buy their supplies cheaper than it would cost the independent units. A similar plan could be followed by the mobile candy factories, etc.

Not only could such a plan be set up to give qualified young people a chance to go into business profitably for themselves; but any mobile factory could easily be moved to another city or sold. This would be an especially valuable feature not enjoyed by fixed factories. In fact, it is possible that these mobile factories will have a great growth during the "Wonderful Sixties" ahead of us.

Wins Insurance Award D. J. Cort, 6844 Six Mile road, has been awarded one of 25 top prizes by State Mutual Insurance Company for his outstanding record in 1965. Cort won the prize, a sport coat for the amount of new insurance business he wrote during the year. He was in competition with the company's 350 Michigan agents. State Mutual agents sell all forms of property and auto insurance.

Karl Wursching Named To Honor Society Karl H. Wursching, 120 North Center, was recently inducted into Phi Gamma Mu, national social fraternity at Western Michigan University, Kalamazoo. Membership requirements include 21 hours of school science with a B grade average and no E grade recorded in any subject.

A graduate of Northville high school, Karl is a sophomore student at Western. He is also active in Gamma Delta, organization for Lutheran students, and History club.

Novi Druggist Given 'Honor Store' Award The Rexall Drug Company of Los Angeles, California recently designated Novi Rexall Drug of 43035 Grand River as an "Honor Store" in accordance with the provisions of a special program instituted by the Rexall Drug Company. The program is designed to aid druggists in their effort to provide better public service by improving the appearance, efficiency and professional character of their pharmacies.

Novi Rexall Drug is owned by George McCollum.

Any recital of Michigan's eminent demands mention of our Indian heritage. Copper-belted warriors, trappers and hunters who roamed the Michigan wilderness long before the arrival of the first whites were well aware of the region's natural attractiveness which later appealed so strongly to French explorers.

Michigan was inhabited by Indian tribes long before Columbus discovered America in 1492. The Petawatomis were in the lower peninsula and on Isle Royale sites to prehistoric Indian habitations.

Three great tribes once shared dominion over Michigan territory. The Petawatomis were in the lower peninsula and on Isle Royale sites to prehistoric Indian habitations.

Largely because of the influence of General Cass, Michigan was ready for admission to the Union in 1837 — the 26th state, represented by the 26th star in the flag of the United States.

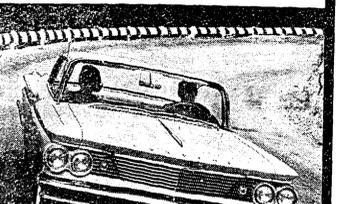

The young and more vigorous Brig. Gen. Lewis Cass. After Hull's ill-fated leadership of American forces in a short skirmish with British troops in the War of 1812 — during which he surrendered Detroit to the British — he was replaced on October 12, 1813 by the younger and more vigorous Brig. Gen. Lewis Cass.

The slavery issue was resolved by balancing the admission of Michigan as a free state with Arkansas as a slave state. Michigan lost the wedge-shaped boundary strip (including Toledo) to Ohio, but was compensated by Congress with a grant of the 16,538 square-mile, heavily timbered upper peninsula with its later-owned fabulous wealth of iron, copper and other minerals.

Police Chief BeGole Submits Resignation

Novi Police Chief Lee BeGole, who started with the department here seven years ago under the township, submitted a letter of resignation Monday night, effective February 15.

His letter was not received by the village clerk until minutes before Monday night. BeGole, however, and until his resignation was accepted, he will continue to perform his duties as chief of police.

BeGole's resignation was accepted by the board of trustees Monday night. He will be succeeded by William J. Harrison, who was appointed police chief on Monday.

BeGole, who holds a law degree, was instrumental in organizing the Novi Police Department back in 1953, after giving up his position as clerk and attorney for the city of Plymouth.

He was appointed police chief in September of 1954 by the township. In December of the same year he was given an additional title of director of public safety. He holds the same two positions under the village.

BeGole was paid \$4,000 annually, furnished his own uniforms and used his own car. He was instrumental in the purchase of a new police car for the village.

A graduate of the University of Detroit law school, BeGole was a member of the Michigan Bar and the Michigan State Bar. He is a veteran of World War II and the Korean war, currently holding the rank of first lieutenant in the U.S. Army reserve.

Last month he was elected vice-president of the Michigan-Ontario-Juvenile Officers association after serving one year as the association's financial secretary and treasurer.

He was instrumental in the purchase of a new police car for the village. He was instrumental in the purchase of a new police car for the village.

Ford to Employ 800 More in Wixom Assembly Plant

The area's economic outlook was given a bright new prospect with the announcement by the Ford Motor company that its Wixom assembly plant will add 800 jobs.

White rumors of new production plans for the Grand River-Wixom road plant have been circulating for months. The plant itself, however, has been one of the Ford Motor company's best kept secrets.

Wixom Mayor Joseph Stadnik told his council last week that the company had revealed plans for constructing another building on the site. He reported that a building permit in the amount of \$100,000 had been obtained by the company.

It is understood that the new building will be a warehouse. Opened in April, 1957 as the national headquarters for the Lincoln division, the plant originally included executive offices for the division. Reorganization within the company and eventual creation of the M-E-L division brought about the transfer of these executives and closing of the office building.

The plant itself, however, has been one of the Ford Motor company's best kept secrets. Manufacturing prestige automobiles, in addition to the plant and office building, it includes a test track and power plant on the 325 acre site.

Work during the past few years. Currently production is averaging about 400 autos per day. More than 210,000 cars have been assembled in the plant since its opening and during 1959 alone production totaled 75,721 Thunderbirds and 30,375 Lincolns and Continentals.

The modern plant has been hailed as "the finest facility in the world for manufacturing prestige automobiles." Its location to the plant and office building, it includes a test track and power plant on the 325 acre site.

Blood Needed! Find Stolen Goods Here

All is in readiness for the life-saving emergency blood bank to be held here Monday. Red Cross officials and nurses and approximately 25 volunteers are poised, with hopeful expectations of another successful blood bank.

The bank will be conducted at the community building between 1:7 p.m. on Monday. Mrs. Gaila Fried, representative of the local blood bank committee said her group is hoping to collect as many pints of blood — 121 — as was collected here last August.

Workers handled some 197 registrants in collecting the 121 pints last summer. Seventy-six donors had to be turned down for various reasons. Even so, Red Cross officials had high praise for the local project.

In the summer bank, some local industrial firms and businesses will permit workers to leave work to contribute blood and assist in providing transportation. Any person in good health between the ages of 18 through 59, and weighing at least 110 pounds, is eligible to donate blood. Persons between the ages of 18 and 21, except those who are married or in military service, are required to have the consent of parents or guardians.

Innocent looking, but — This 1948-her home located at 43145 Mayo drive in Connemara Hills was the storehouse for stolen Detroit office equipment, police authorities charged this week.

Police arrested two men on charges of stealing and estimated \$20,000 worth of equipment and storing it in a garage at 43145 Mayo drive. The men are John LaPointe, 26, and Charles Pilate, 27.

LaPointe, who resides with Pilate at the Novi residence, was arraigned Tuesday in Detroit on a charge of breaking and entering at night. He pleaded innocent, waived examination and was bound over for trial. He also pleaded innocent and was freed pending trial.

Pilate was arraigned before Novi Justice of the Peace Robert E. Anderson Monday on a charge of receiving and concealing stolen property. He also pleaded innocent and demanded an examination, which was set for Monday. He was released on \$500 bond set by Judge George Murphy and was freed pending trial.

He also pleaded innocent and demanded an examination, which was set for Monday. He was released on \$500 bond set by Judge George Murphy and was freed pending trial.

Pilate was arrested before Novi Justice of the Peace Robert E. Anderson Monday on a charge of receiving and concealing stolen property. He also pleaded innocent and demanded an examination, which was set for Monday. He was released on \$500 bond set by Judge George Murphy and was freed pending trial.

Wixom Appoints Fire Chief, Buys Depot for Fire Truck

Plans for the establishment of a volunteer Wixom fire department gained momentum this week with the announcement by the township board of the city's first fire chief.

Robert Potter, 29, of 3027 Potter Road, was appointed fire chief by Mayor Joseph Stadnik. With his appointment, Potter began immediately to arrange for a today basic training program under the supervision of fire fighting officials at the Lincoln plant.

The training program is expected to start within the next two or three weeks. Applications of eight Wixom men have been accepted and approved, while six others are being processed. This giving Wixom an initial force of 14 members.

Meanwhile, the city has secured final approval for the purchase of the railway depot owned by the Grand Trunk railroad for use as the first city fire station.

According to the mayor, Grand Trunk has agreed to sell the depot to the city for \$1 and has signed a lease turning over the depot property to the city for \$1 per year. The lease calls for renewal options every five years.

Council members inspected the depot Sunday to determine how much remodeling is necessary to make the building serviceable. The council will decide at its next meeting whether to ask for bids on the remodeling or subcontract the work.

Stadnik told the News that an estimated remodeling work would cost at least \$1,100 — not including heating, plumbing, and an estimated \$2,000. "But with the total investment," he added, "the city will be able to use the building for other municipal purposes."

With the acquisition of the depot, delivery of the first city fire truck is forthcoming — perhaps by the time the depot remodeling has been completed, officials believe.

Mothers' March Nets \$800 Here

Novi citizens helped boost the March of Dimes collections over a "unofficial" goal of \$800 Thursday night as close to 75 mothers carried the crusade against disease to the door steps.

"I'm very happy with the response," Novi Chairman Mrs. Bernard Marchetti said this week. "We didn't have an official goal here, but we had hoped we would do as well as we did during the emergency drive last summer."

With the addition of \$37 contributed by the Mothers' club and with the help of the community, the total collection is now estimated to be close to \$1,000.

Stolen were several typewriters, an adding machine, a checking machine, and an estimated \$7,000 worth of office stock, including ribbons, assorted ink ribbons, carbon paper and master units.

Detectives learned from Walter Carub of Detroit Thursday that he had observed an old powder blue truck parked in the rear of the Seven Mile road property. The truck — the same one found here — was owned by the Catalina Pool company next door. The business was operated by Frank and John LaPointe.

After receiving the report, the detectives drove to Novi, observed the truck parked next to the Catalina Pool company, and searched the area. They searched the garage and discovered the stolen articles. LaPointe admitted several hours later in Detroit.

Police reported that LaPointe said he "needed money," broke into the building, ransacked the three offices and took the office equipment.

Township Adopts Rule Curbing 'Unofficial' Talk

Township officials, adopted a "new policy" for keeping board minutes Monday night in an apparent attempt to curb dissemination of township board matters.

Under this new policy, the township clerk will keep a record of only those "unofficial" board discussions and conversations which result in some formal action by the township officials.

The clerk is authorized to make public only those discussions which appear in his minutes. All other matters which do not appear in the minutes will be unofficial and not for publication, board members
