

# SPEAKING for the Record

By Bill Slinger  
Commercially speaking, Northville might reasonably be compared to a mountain climber inching his way up a dangerous precipice toward an important plateau.

He could slip and plunge to his death; then again, he just might make it.

Much depends upon his determination to succeed. Outside forces could make his goal more difficult to reach. But when his life is at stake, he must use every resource at his disposal to combat the elements.

Among many merchants in our community there is deep concern over the future business prospects of the city. These merchants are ready and willing to do something to attract more customers.

They are convinced that their higher "plateau" can be reached only if we maintain our supermarkets within the downtown business district. They hope an increased interest in what subjects should be taught in schools.

With society getting more complex every year, there is a growing feeling among educators that the traditional three "R's" must be updated to meet today's needs.

Actually, Michigan has had a curriculum planning program for nearly 25 years.

The Michigan Department of Public Instruction (DPI) launched the "Michigan Curriculum Program" in 1936 in an effort to help schools improve their educational quality.

This committee makes recommendations to the State Superintendent of Public Instruction on areas ranging from agricultural education to foreign language instruction.

"Many educators have high praise for the DPI program and feel most shortcomings in planning are the fault of local school systems.

"Many schools simply haven't accepted the responsibility which is theirs," said CFC Chairman Perry Chatterton of Warren.

"They may think they have, but they haven't even established a policy for operation of a local curriculum planning program."

Have you noticed Gusell's new interior? He has brightened their interiors. Just a year ago modern fronts were installed at E.M.R., Ellis Electronics and Reviver's.

Sibley's and the Little People's shop can be added to this list, as well as others. Plans for more of the same are being considered.

It is not easy — either financially or physically — for the average small business to undertake major improvement projects to compete with new, multi-million dollar shopping centers.

But he cannot buckle under. Like the mountain climber, he's fighting for his life.

"I feel we have a great many closed minds in education — good people, well-trained and with lots of experience — who think that things must continue along a certain plane just because that's the way they've always been done," MacDonell said.

"I'm not for change for change's sake, but I do think we have to be open-minded if we are going to really study curriculum and instruction programs."

Accomplishments of Michigan Week since 1954 have been many, but one that stands out above all others is the tremendous interest it has created among Michigan school children for more knowledge about their active state.

Today's high school graduate knows more about Michigan and more reasons to be proud of Michigan than ever before.

## Michigan Mirror Open Mind for ABC's

IMPROVEMENT of the curriculum in Michigan schools is receiving more attention today than ever before.

Advent of the "space age", among other things, has resulted in increased interest in what subjects should be taught in schools.

With society getting more complex every year, there is a growing feeling among educators that the traditional three "R's" must be updated to meet today's needs.

Actually, Michigan has had a curriculum planning program for nearly 25 years.

The Michigan Department of Public Instruction (DPI) launched the "Michigan Curriculum Program" in 1936 in an effort to help schools improve their educational quality.

## Roger Babson There's Gold in Trees

Babson Park, Mass. — Every March, I go to the local nursery and purchase two super-noble trees about five feet high at a cost of about \$12 each. I like to get them in March before the new buds come out, and set them out on my grounds. I believe they are the best investment I could make for my grounds.

**Books Review Trees**  
In my winter home in Florida, I have a private library of 8000 books. These books were issued by the publishers during the past fifty years at about \$2.00 a copy. I doubt if any second-hand book dealer would buy my twenty cents a copy for the lot.

On the other hand, a sugar-maple tree constantly increases the value of your estate. In addition to the shade which they supply in summer and the ground moisture which they hold, children enjoy tapping these trees in the spring to get a little maple syrup. Hence, while most books are constantly decreasing in value, most trees are constantly increasing in value.

**Timberland Companies**  
Which Appeal To Me  
The Kimberly-Clark Corp. is a large producer of cellulose and a leading manufacturer of book and printing paper. It is said to control not necessarily own over 10,000,000 acres of timberland. Its stock sells, however, around \$8 a share and yields about 2 1/2%. Another favorite is the St. Regis Paper Co., third largest paper manufacturer in the U.S., holding over 3 million acres of timberland. Its stock is probably priced at 50 percent above its book value.

**World War III**  
I do not expect that for many years a nuclear war for many years will start by accident. We know that direct bombing could result in the death of millions of people. As to the effects of the "fallout", the experts are undecided. Fallout could contaminate all except underground water and the core-matter of most trees. And if agricultural products should be contaminated and hence dangerous to eat, people in some sections would be forced to live on water, wood pulp, salt, and certain oils. Thus, theoretically there is a possible defensive value to keep civilization alive.

With the large amounts spent on missiles and other forms of armament, I cannot understand why so little attention is given to protecting us from the eruption of World War III. I urge each of my readers to write the Governor of his State and ask the name and address of the State Director of Civil Defense.

Then write a letter to this Director asking him what he personally is doing in his home to protect his family in case of a nuclear war.

**Forests As An Investment**  
Probably the largest owners of forest lands in the United States are the Weyerhaeuser family. The

stock of the Weyerhaeuser company sells at a high price and pays a small cash dividend. When, however, your wife buys a package of "ready-mix" at a supermarket, the pastebord box was probably made from trees owned by the Weyerhaeuser family. I believe they are the best investment I could make for my grounds.

THE PRINCESS PHONE. It's not very often that we devote a whole column to a single subject, but it's a thrill to introduce to you the beautiful new Princess Phone. It's one of our most exciting new products and we want to tell you all about it!

WHAT'S SO WONDERFUL about the Princess Phone? Everything!

IT'S LITTLE! Small enough to fit easily on top of the narrowest night table (and leave enough room for the alarm clock, too!). The Princess Phone is the most compact telephone you've ever seen.

IT'S LOVELY! Five attractive decorator colors — white, beige, blue, pink, and a brand new color for telephones — turquoise. There's a pretty Princess Phone to go with every color scheme — in every room in your house.

IT LIGHTS! With a dial that glows in the dark so you can find it quickly, the Princess Phone lights up brightly when you lift the receiver.

THE PRINCESS PHONE with its glamorous new features costs only pennies a day after a one-time charge. It goes beautifully

- \* in the bedroom where the light-up dial is handy
- \* in the living room by your favorite chair
- \* in the kitchen to help you run your home
- \* in a teenager's room to give privacy

Order your new Princess Phone soon. Call or visit your telephone business office — or ask the man in the telephone truck.

**NOTICE**  
WIXOM CITY COUNCIL MEETING

The next meeting of the Wixom City Council will be held at the Wixom Elementary School on Monday, April 11 at 8:00 P.M. with the inauguration of the new city officials.

Public is cordially invited to attend.

LILLIAN BYRD  
CITY CLERK

**PARTING SHOT:** Here's one way for a husband to make his wife feel like a queen: give her a Princess Phone!

## Chief BeGole Will Return

Police Chief Lee BeGole will give up his Cheboygan post and return to Novi on or before May 1, the council learned last Tuesday night.

His decision to return was given to Village President Joseph Crupi by phone and relayed later to the other councilmen.

According to Crupi, BeGole has been given council assurance that he will "run his own department" but will be responsible to the manager as provided in the charter. He will stand responsible for the actions of himself and his men, in the eyes of the public and council, he said.

Since a specific operational policy of the department is yet to be "worked out" by the council and BeGole, councilmen will act as "referees" should differences come up between the manager and the chief during this interim period, he said.

Should a difference of opinion over a police matter arise, he added, the council will secure the opinion of officials in other municipalities if necessary.

The "hit" between Manager Fred Olson and BeGole, which led to the chief's request for a leave of absence, admittedly has been one of policy and not of personal enmity. Each claims the other as a friend.

Olson, on the one hand, has stated that BeGole is a "weak" administrator, unable or unwilling to demand the best performance possible from his officers and to maintain an orderly office. On the other hand, BeGole has stated that the manager unjustly demands a "clerical chief" as Novi has had the past and needs now, and that he (Olson) overplays the part of an ex-police man in establishing policy.

Nevertheless, both stated last week that they are "willing to cooperate."

Records are asked to be sent to Miss Julia Hunter, 4502 Cooper avenue, Royal Oak. Information should include: birth, location, owner's name, and when possible, the name of the tree.

Thompson has urged area residents to aid his organization in gaining new records for Michigan. The botanical club is particularly interested in securing information on the following species: Hickories, sumac, dog-woods, hackberry, ash, button-bush, bonelder, aspen, black spruce, tamarack, red pine and hemlock.

Measured and tagged, the tree was included in a recent supplement to the club's listing of "Big Trees" of Michigan, which includes 42 species which are new Michigan champions.

The national rating was made by the American Forestry association

The knarled maple, which is about to drop its summer dress of green, is located on the property of Claude A. Cruise, 4218 West Nine Mile road. It stands almost alone now. Its branches spreading low over the earth it has shaded these many years.

According to Paul W. Thompson, chairman of the Michigan Botanical Club "big tree" committee, the maple has a girth of 14 feet, two inches, stands 119 feet, and has a spread of some 50 feet.

The maple, or Acer nigricum, of the property owner, who at first thought the tree was a sugar maple. However, upon checking Thompson learned it was a black maple.

## Landfill Decision Imminent

The village council is expected to act Monday upon the application for a license which would permit a landfill on 12 Mile near Novi road.

Council members hope to reach a decision — reject or grant the license — after making a personal inspection of the proposed landfill site Saturday morning. Their decision presumably will be announced Monday.

Attorneys for the landfill promoters have requested the council to consider licensing in compliance with the recent decision of Circuit Court Judge Russell Holland.

In handing down his decision, Judge Holland said he believed the village board of appeals should have approved the decision in favor of the landfill. However, since the ordinance calls for final action by the council and the court should decide whether or not the license should be issued, he said.

According to Attorney David Fried, who represented protesting citizens in court, the judge's action in approving the application in place of the appeals board does not in any way suggest that the council must grant the license.

Records are asked to be sent to Miss Julia Hunter, 4502 Cooper avenue, Royal Oak. Information should include: birth, location, owner's name, and when possible, the name of the tree.

# Raging Grass Fires Sweep Across Novi

Raging grass fires, whipped out of control by high winds swept over wide areas of Novi Tuesday, destroying or damaging an estimated 100 pine, fruit and shade trees.

The fires — which occurred in five separate areas — threatened to destroy scores of homes and farm buildings as well as Orchard Hills elementary school east of Novi road near 10 Mile road.

The most destructive of all the blazes started shortly before noon of Tuesday on the 2000 Valley subdivision. It swept across broad acres of dry grass east to Beck road and south to Nine Mile road.

Firemen, who had been called out for three other grass fires earlier in the day, battled the blaze for four hours before it was finally quenched. Before it was out, however, the fire ate through the fruit orchard of J. E. Strawn, 2389 Beck road, and for a time threatened to destroy his home and barn.

Fire Chief Fred Loynes, who called it one of the worst grass fires in recent Novi history, said several pine trees were destroyed. The fire also damaged two bee hives. The bees, frightened by the fire and smoke, swarmed on one fire truck and made fire fighting even more hazardous.

Strawn, who said at least part of his 10-acre road near 10 Mile was destroyed, estimated the total damage to crop to \$2,000.

A similar but far less destructive blaze last Sunday and Tuesday's fire led him to believe "it was set by kids." He offered a \$25 reward leading to the apprehension of the guilty parties. Fire officers and police are investigating to determine the cause, tonight at the village hall.

The suggestion of Planning Consultant Waldemar Johnson is certain to be discussed.

His suggestion, arrived at after an analysis of what the trailer park would mean in population and traffic, is simply that the size of the trailer park itself be restricted to possibly a 10-acre site.

If the entire area is developed for a trailer park, he pointed out, it would mean some 300 mobile homes and an elementary population of 317. He estimated the total population of the trailer park — if developed over the entire 108 acres — at 2,448 persons.

Justice of Peace William Welke was sworn in as chief of the department by Mayor Brooks.

Department heads and officers who were reappointed to their jobs by Brooks included: Lillian Byrd, city clerk; David Utley, city attorney; Frank Jadiniski, police chief; Robert Trombley, department of public works head; Everett Pearsall, city treasurer; John Piatkowski, head of the fire department and assistant to mayor; Robert Clark, auditor, and Robert Potter, fire chief.

Final Payments of Assets Division Near Says Township

Arrangements for the final division of assets payments to Wixom and Northville are nearly completed, it was revealed at the township meeting Monday night.

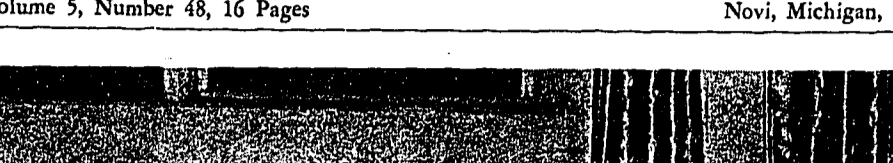

The township officials said, have only to receive a certified copy of a resolution from Northville before a payment of \$1,541.01 will be paid to that city.

Wixom, which was a part of Novi when Northville annexed a section of Novi, must pay part of that \$1,541 bill.

Once the Northville payment is made, the township board authorized Baebert to purchase 25 picnic tables for the township park near Walled Lake. It also authorized payment of \$150 to Stann and \$80 to Treasurer Ray Harrison for clerical help used for tax collection and assessment roll work.

The board was informed by the Michigan inspection bureau of fire insurance ratings that all areas within five miles of the Novi fire hall will be reclassified from a "10" to "9" rating. The change probably will result in a small reduction of fire insurance rates for property owners, officials said.

Fire Bogs Look Out!  
Police and fire officials of Novi, Wixom and Northville this week issued warnings to violators of municipal fire ordinances.

TRADE PLACES — Outgoing Wixom Mayor Joseph Stankis (dark glasses) is shown above presenting the new mayor, Donald Brooks, with the traditional sword. Others in the picture are Mrs. Lillian Byrd, city clerk (left), and Councilwoman Mrs. John Chambers; (standing, l. to r.): Gunnar Mettala, Oscar Simmons, and Fred Beamish, newly elected councilmen; Justice of Peace William Welke, Councilman Ray Lahli and newly elected Councilman Howard Coe.

## Wixom Officials Take Office

A new mayor, four new councilmen along with a handful of other city heads were sworn into office in an impressive orientation meeting

held Monday at the Wixom council Monday at the elementary school.

The well-attended meeting, which included formal administration of the oath of office to the new mayor, Donald Brooks, drew a new capacity crowd of townspeople and visitors.

The first to be sworn in by outgoing Mayor Joseph Stankis were the four new councilmen. They are: Ered Beamish, Ford Motor company employee; Howard Coe, a foreman for Lincoln Mercury; Oscar Simmons, a process engineer for Ford Motor company; and Gunnar Mettala, a tool company employee.

The newly sworn councilmen then replaced outgoing councilmen, Stankis, Bilton (deceased), and George (deceased) for mayor) and Gerald Richards at the council table.

Justice of Peace William Welke was sworn in as chief of the department by Mayor Brooks.

Department heads and officers who were reappointed to their jobs by Brooks included: Lillian Byrd, city clerk; David Utley, city attorney; Frank Jadiniski, police chief; Robert Trombley, department of public works head; Everett Pearsall, city treasurer; John Piatkowski, head of the fire department and assistant to mayor; Robert Clark, auditor, and Robert Potter, fire chief.

## Cynthia Gates and James Darling Married in Salem Lutheran Church

Marriage vows were exchanged by Cynthia Kay Gates and James Darling at the Salem Lutheran church, the Rev. St. Joseph's hospital in Ann Arbor. Mr. Darling owns and operates two gas stations in Ann Arbor. They will make their future home at Independence Lake.

Mrs. James Darling

### News Around Northville

John A. Cruse, liberal arts student at Marquette university, Milwaukee, Wisconsin, is visiting his parents, Mr. and Mrs. Claude A. Cruse, 4318 West Nine Mile road during Easter vacation.

The Past Matrons club will meet Wednesday, April 20 at 7:30 p.m. at the home of Mrs. J. L. McKinney, 1311 Rayson. Miss Elaine Woodruff and Mrs. N. K. Pattison will assist the hostess.

Dr. and Mrs. J. K. Boach of Thorapple Lane returned home Sunday after a ten day vacation in the Smokies at Gatlinburg, Tennessee.

Mrs. Anna V. Atchison of Wallaceburg, Ontario is visiting the R. W. Amblers of Carrington drive this week. Mrs. Atchison is Mrs. Amblers' mother.

Mrs. E. B. Cavell entertained her Bolivar club at her home on West Main Street last Saturday night.

Mrs. E. E. DeKay of Yerkes spent last week at the cottage at Hille lake. Mr. DeKay and Mr. and Mrs. N. K. Pattison joined her over the week end.

Mr. and Mrs. H. F. Wagenschlut of Beal street spent last week at their cottage at Hille lake.

Mr. and Mrs. L. M. Eaton of Eaton drive spent Palm Sunday in Toledo with Mrs. Eaton's sister-in-law, Mrs. George Conolly.

Sunday dinner guests of Mr. and Mrs. Glenn Cummings of West Six Mile road were Mr. and Mrs. James Adams of Rhode Island, Mr. and Mrs. Cecil Cummings of Detroit, Dr. and Mrs. John Cummings and family of Sulfur, New York, Mr. and Mrs. Forest Birchfield of Plainville, Michigan and Mr. and Mrs. T. N. Cummings of Northville.

Mrs. B. W. Clute of West Main street is entertaining eight ladies at a luncheon at Saratoga Farms Thursday noon. Her guests will include Mrs. E. B. Cavell, Mrs. Luke Batley, Mrs. Ernest Miller, Mrs. R. H. Johnson, Mrs. Mabel Miller, Mrs. T. J. Knapp and Mrs. Helen Chapman.

The workshoppers of the National Flower and Garden club met in the recreation room at the home of Mrs. Paul Schuch of West Seven Mile last Monday afternoon. They made decorations for the flower show which will be held Saturday, June 4.

Mr. and Mrs. Clarence Jerome and Jerry, of Dubarr street, visited friends in Pittsburgh, Pa. last week end.

## Newcomer's Corner

"I look upon every day to be lost, in which I do not make a new acquaintance." —Samuel Johnson

FROM ANN ARBOR — John and Della Gustaf and their three children, Cynthia (far left) and Johnny and Chester Lynn (right), assistant chairman. Awaiting their turns in the background are Martin Mueller, James Zylt and Robert Clarke. The annual event will again be staged in the community building, Junior high school and Main street elementary.

The friendliness of new acquaintances and neighbors has made the John Gustaf's introduction to Northville a happy one.

John and Della Gustaf and their three youngsters: Diane, 17; Cynthia, 13, and Johnny, 9, moved into their Debra Lane home the first of the year. They are former residents of Ann Arbor.

Diane is a junior at Northville high school. Cynthia is a seventh grader in Junior high and Johnny, a third grade student at American where one of his favorite subjects is Spanish.

Gustaf is a salesman for the Noma Lites company and sells Christmas lights and decorations throughout Michigan.

Hobbies in the Gustaf household are pretty numerous. Dad refinishes furniture. A recent example is the antique Victorian chest he just completed. Cynthia's a hand at making sea shell jewelry. Diane likes music, and Johnny, especially is an all-around sports enthusiast. Mrs. Gustaf enjoys gardening.

The Gustafs are members of Our Lady of Victory church.

Northville Mothers' club will hold its second annual Spring Fantasy dance April 23 at Meadowbrook Country club.

Ralph Anthony's orchestra will provide music from 9:30 to 1:30, said Chairman Mrs. Robert Yeager.

Tickets may be purchased from any member from Mrs. Yeager, FI-9-0980. The dance is open to the public.

### Plans Underway For 'Spectacular' Novi School Fair

Preliminary plans for the annual Novi School Fair next month are nearing completion this week, Chairman Mrs. Lester Ward announced Tuesday.

Always a popular event here for both adults and children, the fair this year is going to be "even more spectacular." Mrs. Ward and her co-chairmen, Mrs. Gerald Rees and Mrs. James McCormick, promise.

"Plans are being made so that there'll be something new and exciting for everyone who attends," they said. The fair is set for Friday, May 13.

In preparation for the fair, a rummage sale and "white elephant" sale will be held at the community building during the first week in May. Proceeds from the sales help defray costs of the fair.

The sales will start May 2, from 12 to 9 p.m., then continue on May 3 from 10 to 5 p.m. and through out the remainder of the week during regular school hours. The fair will feature:

A special display by the United States Air Force.

A complete fair midway with rides and games, including Dave Carp and his palomino, booths by Walley Lake amusement park proprietors.

Dinner at 5:30 p.m. in the community building.

Ricky the Clown with his 50-minute show for children of all ages.

A "teen room" in the cafeteria with a live combo, local talent, the Lancers, dancing, pop and snacks.

Millionaire party for adults, as well as a gift, apron and candy shops, a greenhouse and a bake sale.

Fish pond, rifle shoot, bow and arrow, bean toss, and bingo, and an unusual "sucker tree".

Clothing, white elephants and any other items for the fair may be sent to the school at any time. For pickup, call GR-4-465, FI-9-0346, GR-4-7533 or MA-4-3087.

The fair is co-sponsored by the Novi Mothers' club and the school system.

GETTING PRACTICE for the May 6 P-TA carnival is Kathleen Gillham, Main street kindergarten. She's learning the "Toddler's Test" from Ivan Ely, who is general chairman of this year's carnival, and Chester Uyla (right), assistant chairman. Awaiting their turns in the background are Martin Mueller, James Zylt and Robert Clarke. The annual event will again be staged in the community building, Junior high school and Main street elementary.

### Talks Keep Her Busy

Northville junior high librarian Ione Palmer has kept up an "around the world in 80 days" pace for the past two weeks presenting no less than a dozen travel talks to local groups based on her recent globe-circling tour with an anthropological study group.

Monday, wearing the flowered kimono made for her in Kyoto, Japan, she entertained members of Alpha Nu chapter, Delta Kappa Gamma and Kappa chapter groups with colored slides of Japan, Hong Kong, Cambodia and Thailand.

A sampling of Japanese folk tunes (on record) and two Eastern handicrafts illustrated her report.

Friday, she gave a similar program for the Grass Lake Tourist club, and during the week, treated junior high classes to short talks on Hawaii, Burma, India, Iran, Israel and Turkey.

The workshop in social anthropology was conducted by Dr. Ethel Alpert of New York university and professors from the various countries visited.

OES Plans Spring Luncheon, Card Party. On Thursday, April 21, Orient Chapter No. 17, Order of the Eastern Star will sponsor a Spring Luncheon and Card Party at the Northville Masonic Temple.

Those wishing to attend the luncheon only may secure tickets for a lesser fee. Luncheon will be served at noon.

The regular meeting will be held this Friday at 7:30 p.m. and will feature a club artist, refreshments and a social hour will follow the meeting.

### KITCHEN DIARY

## Try These Two Dessert, Breakfast Treats

Here are two taste-treat favorites of the Dr. Joseph Ziskowski family of 4600 Stratford court near the family.

The "birds nest" cookies are golden brown with jelly in the middle and Mrs. Ziskowski says she'll be baking a big batch for the cookie booth at the annual P-TA carnival next month.

For breakfast the apricot and walnut coffee cake is just right—not too sweet.

Next, fluffier balls and make a deep indentation in center with a thumb. Bake at 350 degrees for 15-20 minutes.

To serve, fill centers with delectable jelly or jam.

APRICOT AND WALNUT COFFEE CAKE. 1 cup lukewarm milk, 1/4 cup sugar, 4/8 cups sifted all purpose flour, 2 cakes yeast.

Next, fluffier balls and make a deep indentation in center with a thumb. Bake at 350 degrees for 15-20 minutes.

To serve, fill centers with delectable jelly or jam.

APRICOT AND WALNUT COFFEE CAKE. 1 cup lukewarm milk, 1/4 cup sugar, 4/8 cups sifted all purpose flour, 2 cakes yeast.

# The Northville Record

IF IT'S NEWS... AND IT HAPPENS IN NORTHVILLE... YOU CAN READ IT IN THE RECORD

## Uncertainty Surrounds June School Board Vote

Unless Michigan's house of representatives pulls a rabbit out of the hat (a trick that could happen at Easter), Northville's board of education will be expanded from five to seven members this June.

Superintendent of Schools Russell Amerman stated that petitions are now available at the board of education offices for June candidates. The petitions are due May 14 at 4 p.m. and must contain 50 signatures of registered qualified school electors from the district.

The new law requires that all fourth class school districts operating a full 12 grade program be required to have a seven-member board.

A further requirement of the new law is that terms of office on the board shall be four years, instead of three. In the first election under the new system candidates will have a choice of running for either a three-year or four-year term. The present two seats which expire in June will be open for three-year terms, while the two new seats will be for the four-year term.

In a second election voters will then elect not more than two new members each year for terms of four years. Under the seven-member board set-up for three years out of four, two terms of office will expire and on the fourth year a single seat will be up for election.

Other board members are: Donald D. Lawrence, whose term expires in 1961; and Robert H. Shafer and William B. Crump, whose terms are up in 1962.

House Bill number 51 — a measure that would have modified the new seven-member board law to require that the school district must vote for the larger board — was re-referred to committee Tuesday. Normally, this means that the bill is dead.

But the intent of the measure could pop-up again as part of another house bill. There is strong evidence that this measure is being tried. If successful, instead of electing a seven member board, local school district voters would vote for the regular five-member board in June and at the same time vote for expansion of the board. If voters favored a seven-member board, it would become effective in June, 1961.

As matters now stand, however, it must be assumed that Northville school district voters will elect four board members at the June 13 election — two for three years and two for four-year terms — bringing the board to seven members.

Two members of the present board will complete their terms this June. Nelson C. Schrader has indicated that he will not seek re-election. He has been a member of the Northville board for 10 years. Dr. Waldo T. Johnson said he will run again.

## Churches Celebrate Holy Easter Season

The Resurrection of Christ will again be celebrated in area churches where throngs will gather Easter Sunday to conclude Holy Week observances.

Many of the churches will also hold Maundy Thursday services in the evening.

On Good Friday business firms will close from noon until 3:00 p.m. Most churches will conduct services during these hours.

A Presbyterian and Methodist Union service will be held at North-Country Methodist church Friday at 1:30 p.m. with the Rev. Dr. Samuel Carson Weir of the Littlefield Presbyterian church in Dearborn as guest speaker.

Highlights of area church services during Holy Week are as follows: (complete information may be found on page 12) —

The Northville First Methodist church will hold Maundy Thursday services at 7:30 p.m. with the sacrament of Holy Communion. Easter services will be held at 8 a.m. in Fellowship hall.

St. Paul's Evangelical Lutheran church — Maundy Thursday services at 7:30 p.m. with Holy Communion; Good Friday services at 1:30 p.m. The Christian Day School choir will sing at Good Friday service at the church Sunday 8 a.m. service. The adult choir will sing at other services.

Eight p.m. services will be conducted Maundy Thursday by the First Presbyterian church with Holy Communion in the Sanctuary. The Communicant's class will receive their First Communion. Easter Sunrise service will be held at 7 a.m. with Easter Fellowship breakfast at 7:45 a.m.

At Our Lady of Victory, Low Mass will be held at 8 a.m. with Holy Communion and High Mass at 9 p.m. with Holy Communion.

Good Friday liturgical services will be held at 2 p.m. with Holy Communion and Adoration of the Cross.

Holy Saturday services will be held at 7:30 p.m. Public Way of the Cross. Holy Saturday services will be held at 11 p.m. and at midnight Easter Mass with Holy Communion. Confessions will be held at 9:30 a.m. on Good Friday from 10:30 a.m. to 11:30 a.m. and on Holy Saturday from 10:30 to 11:30 a.m.; 3:30 to 5 p.m. and 7:30 to 9 p.m.

The First Baptist church of Northville will hold Good Friday services at 7:30 p.m. with Pastor William Bennett of the Grace Bible church of Ann Arbor as guest speaker. The senior choir will sing at Good Friday services and regular Sunday service.

Special Easter services will be held Friday and Saturday evenings at 8 p.m. by the Full Salvation Union with Sunday afternoon services at 3:30 p.m.

Willowbrook Community church in Novi will hold an Upper Room service at 8 p.m. Thursday. Good Friday the Rev. Marvin E. Rickett and members of the congregation will participate in three-hour services at the Methodist church in Farmington. An Easter breakfast will be held at 7:30 a.m. sponsored by the Youth Fellowship.

In Warren the First Baptist church will hold a Union service on Good Friday at the First Methodist church. A Sunrise service and breakfast will be held at 6:30 a.m. Easter Sunday.

In Salem the Congregational church will hold special Easter services at 10 a.m. Sunday with a school hour motion picture in color depicting the Easter Story immediately following. An Easter Egg Hunt will be included with the youngsters' Easter party.

The Salem Federated church will hold Good Friday services at 1:30 p.m. with special musical numbers. Easter Sunday Sunrise service will be held in the Salem school yard at 9:30 a.m. with Easter breakfast following in the church basement. Sunday evening a film, "King of Kings", depicting the life of Christ will be shown at 7:30.

Novi's First Baptist church will have special numbers presented by their senior and junior choirs at Sunday's 11 a.m. service.

Good Friday services will be held from 12:30 until 1:30 p.m. at the Novi Methodist church. On Easter Sunday services will be conducted at 8:30 a.m. and 9:45 a.m.

## Mrs. Buonicontino, Wife of WCTS Head, Dies Suddenly

Funeral services for Mrs. Pasquale Buonicontino, wife of the medical superintendent of the Wayne County Training school, were held last Saturday from Our Lady of Victory church in Northville.

Mrs. Buonicontino was 43 years old. She died suddenly Tuesday, April 5 in Detroit where she had been shopping.

Dr. and Mrs. Buonicontino moved to Northville in 1955 from Delaware where he had been superintendent of the Delaware State Training school. He succeeded Dr. Robert Haskell at the local school.

In addition to her husband Mrs. Buonicontino is survived by a daughter, Phyllis, who is a student at Purdue university, and a son, Mark, nine.

Mrs. Buonicontino was a member of Our Lady of Victory church, the Northville Women's club, the Garden club and the National League of Catholic Women.

She was born on August 20, 1916 at Chequamegon, Massachusetts, the daughter of Herman and Ida Tillier for Cabana.

The Buonicontinos reside at 2365 Sheldon road at the Training school site.

A rosary was said at 9 p.m. Friday at Caterline Funeral Home. Father John Wittstock officiated at Saturday morning services at Our Lady of Victory. Burial was at Sault-Au-Recollet cemetery in Montreal, Canada.

## Board Awards Bids For Athletic Field, School Landscaping

The Gerald F. Tait company of Northville was awarded a contract to install the asphalt-type track bed at the new high school, provide an access road and build a track around the football field.

The Tait bid of \$59,228.85 was low among 14 bidders on the alternate which provides for a bituminous asphalt track. The board decided to install the asphalt-type track because of its maintenance-free characteristic. Some money was saved, also, by the narrowing of the track from 24 feet to approximately 18 feet at certain points.

The low bid for the work with a tender track was \$49,504.00 by Novi Building Service.

Specifically, the project includes grading and providing drainage for the football field which will be north and west of the high school across the relocated Eight Mile road. An access road from Tait road to the athletic field and the new cut-off will also be included. This road will be closed when not in use for athletic contests. A parking area will also be provided.

Work on the athletic field does not include stands, lighting or fencing. Bond issue funds are available to provide only basic development of the athletic field.

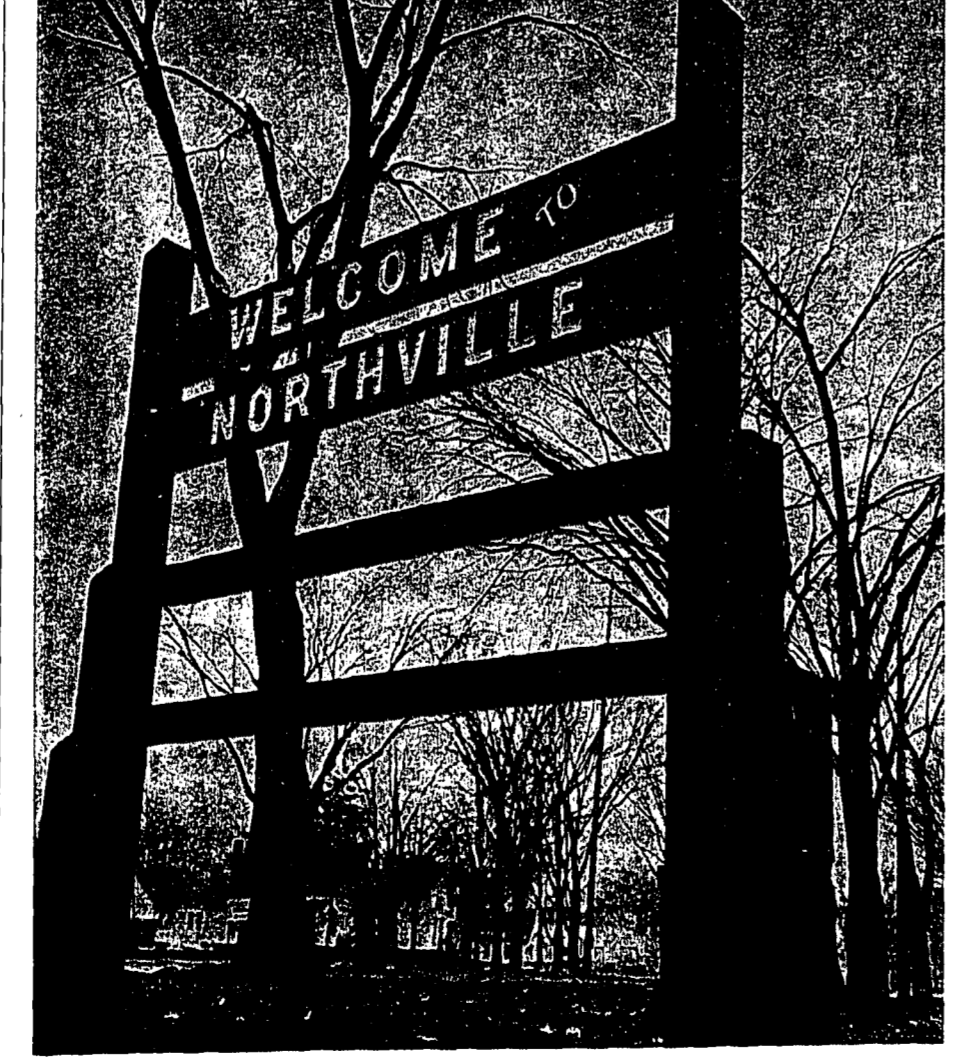

In other business Monday night the board also gave Green Ridge Nursery the green light on completion of landscaping in the high school area. Some study and consideration of plans presented by the nursery remains for Principal E. V. Millon and Superintendent Russell Amerman to approve, but in general the plan calls for planting of 81 ornamental and shade trees, 40 flowering shrubs along the glass corridors of the school to provide shade and a decorative touch, reseeding and fertilizing of the lawn area and planter boxes in the court areas.

## Bike Safety Day

Saturday is "Bike Safety Day" in Northville.

The annual safety check of local bicycles is sponsored by the Optimist club and this year is chairmaned by John Mack.

Youngsters are urged to bring their bicycles to Northville Downs at 9 a.m. Paul Rabitzie will inspect the bicycles and suggest any needed repairs and Police Officer Cliff Glasgow will install a safety reflector on the bikes following the inspection.

WELCOME MAT — Eventually, the Northville Rotary club hopes all entrances to the city hall will have masonry welcome mats like this one at South Main street near Seven Mile road. When completed, this initial sign will include all of local service clubs and church organizations. A project of the Rotary club, the work has been largely provided by club members. John Miller of Green Ridge Nursery designed and constructed the sign, while the letters were sand-blasted at A. M. Allen's monument works. The letters are yellow and the sign itself a red-wood color. The Exchange club plans to landscape the area.

## Meet Your Firemen

THESE TWO FIREMEN have served a combined total of 33 years with the Novi fire department. Both are lieutenants. Donald Walters, 45, joined the force 10 years ago. For the past eight years he has held the secretary's post for the department. Married, he lives with his wife and two children at 4011 11 Mile road. He is a Standard oil truck driver. Mike Smith, 41, a village department of public works employee, has been a Novi fireman for 14 years. A life-long resident of Novi, Smith is married and lives with his wife and two children at 4975 11 Mile road.

The scores for ten shots were as follows: Billy Mairs 76, Bob Sprenger 78.51, Jack Anglin 85, Marilyn Bowen 81, Orin Stader 73.42.

The scores for five shots: Don Doolen 37-84.1, Billy Mairs 49-55-11, Tom Barbara 42, Bob Sprenger 41, Bert Bowen 47, Jim Needham 18, Philip Preston 23, Marilyn Bowen 33.

In connection with the study of Japan the eighth grade had the opportunity of listening to Mrs. Frank Delsen, principal of New Hudson elementary school, tell of her visit to Japan. Mrs. Delsen taught fourth grade children a year at the American Army base at Sendai, Japan. She had many interesting slides to show us of life in Japan.

We saw pictures taken in sequence showing the raising of rice, the silk industry, lantern making, umbrella making, as well as showing of the Methodist orphanages in Korea. All area residents are invited.

The Novi Methodist church is now sponsoring the Novi boy scouts. Five children were baptized and five adults were received into the Methodist church on Sunday, April 10.

Good Friday services will be held at 8:30 to 1:30 in the Methodist church.

ORDINANCE NO. 18.03 AMENDMENT TO THE ZONING ORDINANCE OF THE VILLAGE OF NOVI

PART I. That Ordinance No. 18, known as the Zoning Ordinance of the Village of Novi, is hereby amended by amending the Zoning Map as indicated on said Zoning Map No. 4, attached hereto and made a part of this Ordinance.

PART II. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of any Ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

PART III. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect ten (10) days after final enactment and publication.

JOSEPH CRUPI, PRESIDENT MARY WALLACE, VILLAGE CLERK

I, Mary Wallace, Clerk of the Village of Novi, do hereby certify that the above Ordinance was approved and adopted by the Novi Village Council at a regular meeting thereof, duly called and held on the 31st day of March 1960, A.D., and was ordered to be given publication in the manner prescribed by law.

MARY WALLACE, VILLAGE CLERK

At a special meeting of the Wixom Planning Commission which was held at 1200 West Wixom Road on Tuesday, April 7, 1960. The commission recommended that the property on Wixom Road, 1200 feet back from Wixom Road to US-10 be zoned to M-2 from R-1. There will be a public hearing on this matter at the council session which will be held April 6 and 7.

The commission also voted to recommend zoning additional property lot 39 for the Handing industry on Pontiac trail and Wixom Road. The commission also voted to recommend zoning additional property lot 39 for the Handing industry on Pontiac trail and Wixom Road.

The commission also voted to recommend zoning additional property lot 39 for the Handing industry on Pontiac trail and Wixom Road.

Regular Meeting April 4, 1950 Report showing was called to order at 7:30 p.m. by President Nelson C. Schrader.

Present: Mr. Nelson C. Schrader, Mr. Robert H. Shafer, Mr. William B. Crump, Mr. Donald B. Lawrence, Absent: Dr. Wadde T. Johnson.

Others Present: Supt. Amerman, Supt. MacLeod, Principals Ellison, Smith and Kay; Mr. Harold Penn...

The minutes of the last regular meeting were read by the secretary and there being no corrections or additions to the minutes, they were approved as read.

Communications: 1. Wayne County Board of Education, school membership audit report...

2. Michigan Association of School Boards, legislative bulletin dated March 28, 1950...

3. Wayne County Department of Health, recommending various changes in facilities in the Junior High School and Main Street Elementary School...

4. University of Michigan, Bureau of School Services, announcing Twelfth Annual Conference for School Board Members and School Officers, March 31st.

5. Schoolmasters' Day Supt. reported annual request for closing of high school on May 13 in order that high school teachers may attend Schoolmasters' Day conferences and workshops at University of Michigan...

Report of Auditing Committee: Auditing Committee approved bills and payrolls for payment as follows: General Bill, \$12,238.72; Payrolls, \$51,882.04; Building and Site Fund, \$22,202.94; Cafeteria Account, \$6,651.76.

1. Paving of Center Street: City's proposal to pave North Center Street in the American School area at a cost of \$8,000.00 to the school had been referred to Mr. Little for legal opinion.

2. Teachers' Salary Proposal: Mr. J. Petrock appeared before the board as chairman of a committee of the P.T.A. to offer the services of the P.T.A. in publishing any material before the board which would be in the nature of a salary increase.

3. Landscaping at High School: Mr. John Miller of Green Ridge Nursery brought the Board proposals for seeding and planting on the north side of the access road. It was decided to hold a special meeting on Monday, April 11th, for the purpose of deciding on this and several other matters.

1. Athletic Field: The Secretary opened and read the bids on construction of the high school athletic field. Fourteen bids were received ranging from \$69,584.00 to \$72,152.30.

2. High School Mathematics Curriculum: Mr. Ronald Schipper and Miss Diane Lantz, of the high school mathematics department, presented a recommendation from the department for a change in the math curriculum which they feel will better meet the needs of all students.

3. Budget: Estimates prepared by Supt., together with superintendent's salary schedule suggestions, were discussed at some length, but final decision was postponed until the special meeting to be held April 11.

4. Insurance: Supt. reported that almost all insurance policies are due for renewal in April and Mr. Carrington, our Agent-of-Record, is preparing to meet with the Board, or a committee, to review our insurance needs.

5. Cafeteria Account: \$7,244.81 Total Funds on Hand \$34,296.84 It was moved by Mr. Crump, supported by Mr. Shafer, that the report of the treasurer be accepted as given. Motion carried.

Obituary GRANT H. POWER Grant H. Power, 68, of 524 West Seven Mile road, passed away April 11 at his home. He had been ill for the past four years.

HARRY MILLINGTON Harry Millington, 47, of 220 Lake, died suddenly April 8 at Community General Hospital after a brief illness. He was born in Philadelphia, Pa., on August 11, 1892.

ACCELERATION PLAN FOR FAST STUDENTS

This is another in the series of articles on education prepared by W. C. Becker and John W. Swain, Jr., both members of Northville's Citizens Curriculum Study Group.

Acceleration is a word that educators use to describe what used to be called "skipping". But acceleration today, while it is a method for more rapid advancement, covers more than just skipping.

Simple skipping is no longer considered good practice. Formal acceleration or skipping as we now know it, consists of additional tutoring by the teachers before and after the change of grades involved.

Unless acceleration is used in conjunction with enrichment and/or special grouping, little is accomplished. It must be recognized that acceleration is a device to be substituted for a skilled, highly educated, devoted teacher.

Another form of acceleration is early entrance into the elementary school for more capable children. It has long been recognized that the chronological barrier of admission creates problems.

NOVI FIFTH graders in Mrs. Glen Salow's classroom staged a style show last week to demonstrate the "right" and "wrong" way to dress. The show concluded a study of fibers, cloth and fabrics by one of the

class reading units. The show was planned and written by the pupils with the entire class taking part either as models, narrators or backstage workers. Above (at left) the "wrong" styles for classroom wear are modeled by Herbert Harsh, Carey Joe Harrison, Bruce Burgdorf

RIGHT

and Wayne Wolverton, while Billy Bailey narrates the scene. At right proper church clothes are modeled by Rita Ciot, Sammy Button, Sharon and Penny Marchetti, Billy Groves and Karen Tucker. The show was held in the Novi community building with many parents attending.

TOP GAL BOWLERS — Winning teams in Northville high school's Girls' Athletic League bowling leagues were awarded their trophies last week at Northville Lanes. Shirley Dichen, Judy Loan and Rita Rattan (r. to l.) were members of the Wednesday night winning team, the "Busy Bowlers". Pictured next is Mrs. Charles Tremar, who served as adult secretary for the leagues. Her daughter, Gail, was student manager but was not present when the picture was taken. The next four girls (l. to r.) are Linda Bell, Lauren McKerns, Linda Lepper and Edith Witt, members of the top Thursday night bowlers, the "Alicy Cats".

**In Golf Opener Mustangs Tee Off Today at North Hills**

Northville's all-veteran golf team will tee off for its first match of the season this afternoon at Bloomfield Hills. The Mustangs face Mill Ford Monday.

The season opener scheduled last Monday with Redford Union was postponed because Redford was unable to make arrangements for a course.

Today's match will be played on the North Hills course in Bloomfield Hills.

Coch M. P. Meaker will send an experienced back-up four to the team in an effort to grab honors in the

club's opening meet with the Barons. They are Mike Etzeland, Bill Fensfield, Dean Herman and Mike Slattery. Mike's brother, Tom Slattery, an alternate, is battling hard for a starting berth.

Although there will be plenty of pressure riding on starters, particularly in light of limited spring practice because of weather conditions, optimism is high.

The Mustangs ended the season last year in a blazing finale, firing a 185 total to place second in a triangular. The second place finish gave Northville a commendable 8-3-2 record for the season.

Only Bill Chizmar of the 1959 squad was lost through graduation.

In its opener with Brighton last year, Northville was forced into a tie on the ninth hole at Meadowbrook Country club. Both teams fired total scores of 187. Brighton's Bidwell fired a 49 on the par 35 hole, nine to take individual honors. His birdie on the ninth salvaged the tie.

Home matches this year will be played at Meadowbrook. Practice sessions, however, are held at Bras Burn.

**Northville to Race Trojans Wednesday**

Northville's track team will step up to the starting line of another season Wednesday when it clashes with Clarenceville.

The meet will be held on the Trojans' track beginning at 4 p.m.

Coch Ralph Redmond, assisted by Dick Rusche, is looking forward to a "good season" even though he won't predict one.

"I just don't know what they (the tracksters) can do. We've got a younger team than last year, a lot of freshmen and sophomores who may help out," Redmond said.

"There's plenty of spirit on this team," he added. "The weather hasn't been good for practicing, but the boys are really trying. They deserve a lot of credit."

Close to 30 players, including about 12 varsity lettermen, will travel to Clarenceville for the opener. The traveling team may be cut later.

Speaking from Redmond's cuff: "Tom Darling, a good dash man; Phil Jerome will make a good distance runner, mile and 800; Darrell Pilon looks pretty good in the hurdles and high jump; Jerry Biddle looks in shape for the shot put; "Bill Krist, a strong boy who may give us some help in the shot; Dick Bathey looks good for the half mile; Jim Petrock, another sprinter who may work out in the relay races along with Tom Ritter and Dick Kernosek."

**Coach Eyes 'Rosy' '60 Tennis Season**

Ron Schipper is not optimistic, but he's doing his best to paint a rosy picture of the 1960 tennis season.

The tennis coach admits his squad has a tough schedule ahead—probably tougher than last. Nevertheless, he's putting a lot of confidence in some 28 boys fighting for the starting berths.

Much of Schipper's optimism is based upon the steady improvement of one or two veterans and the addition of at least two stellar potentials from the freshmen class.

Veterans back from last year's team are: Tom Long, sophomore; Jon Rodgers, junior; Bill Scherkey, senior; Mike Januchick, senior; Jim McCarthy, sophomore, and Mike Goodrich, junior.

The two freshmen, according to Schipper, who have shown an unusual amount of tennis skill during spring practice are Dikran Ornekin and Jim Higgins.

Last year, the Mustangs ended the season with a 3-0 record. Two of its victories were won in the closing week of play after the squad stumbled through most of the season.

**Martin Wins Award For Mat Performance**

Glenn Martin, son of Mr. and Mrs. Frank J. Martin, 4332 Bryhe drive, has been awarded a high school wrestling team squadman certificate for outstanding performance on his team this season at the Kemper school, Booneville, Mo. He was given high recognition for his wrestling ability by his coach, Dick Bathey.

"The Kemper wrestling team placed second in the Missouri military schools competition, held recently at Missouri Military Academy, Weston, Missouri."

**Studebaker Economy Proved Again In Mobilgas Economy Run!**

**THE LARK V-8...REPEATS FOR SECOND YEAR**  
23.28 miles per gallon with automatic transmission!

Minnneapolis, Minn. (Special). For the second year in a row, the amazing Lark V-8 lives up to the compact car's outstanding record every V-8 car in the rigorous 5-day official mileage test. All cars entered were stock cars. The entire Mobilgas Economy Run was closely supervised by the United States Auto Club. The results? Look at the economy figures.

**THE HAWK V-8...SWEEPS ITS CLASS**  
22.99 miles per gallon out-economizes all Low Medium Price cars made!

A smashing victory by The Hawk—over more than a dozen other cars—some costing hundreds of dollars more. And it made this impressive mileage record equipped with automatic transmission, power brakes, power steering. The Hawk by Studebaker is designed for sport—with new greater V-8 power.

**THE LARK SIX...SAVES YOU MONEY TOO!**  
21.88 miles per gallon...but that's only 1/4 of the story.

Gas mileage is just one way you save with The Lark. Save on minor repairs, parts replacement, major collision work, insurance, high trade-in value. Look! Total Economy saves you four different ways!

## from the PASTOR'S STUDY

By The Reverend Paul M. Cargo, First Methodist Church of Northville

### AN EASTER MESSAGE

Only Easter, whose radiance shines brightly in time as well as forward into the future, has caused the Friday just passed to be called Good Friday.

It seemed to the disciples and the friends of Jesus gathered at the foot of the cross that sin had done its worst and succeeded.

Looking up at Him they could see the blood on him, the crown of thorns, the death in his eyes, the agony of his face. They had expected to see Jesus ascend to a throne; instead, they had seen him nailed to a cross.

Then . . . the resurrection! Easter is a day of resurrection, a day of joyous singing and ringing declaration of faith. Worship services in large churches and small throbs with life and light and God's love.

Disciples who were grief-stricken at the foot of the cross are now filled with joy as they see an empty tomb and behold a risen Lord.

When we list the stories of the Resurrection steel over our minds with the sincerity and simplicity of their telling, an Easter glow steals over us and we share St. Paul's grateful feeling that "Christ Jesus abolished death and brought life and immortality to light."

Easter tells us that God is at the heart of life. Evil will not triumph ultimately. Life has meaning. God is not indifferent to justice or suffering.

Beyond the cross God had a morning in view. He had a revelation to make, an empty tomb to disclose. "Ia, he is not here. He is risen!" and through the ages we have heard Him say, "Ia, I am with you always." Let your heart and your spirit respond to Easter.

Christ who brought life and immortality to light sends faith to probe the future. Without God you may be sure that the future is not worth having. But with God the future holds great marvel and surprise. True to his character and "for His Name's sake," God is a rewarder of good and truth and faith.

You won't find proofs on Easter Day of the kind used in mathematical problems. What you do find is a "deep persuasion." Where love is abundant, life is triumphant.

This is the significant faith that has given to many not only a sense of meaning at death, but a strong purpose for constructive living day by day.

Easter island is a speck of land 2,000 miles from the coast of Chile. It was named on Easter day in 1722 by a Dutch navigator, Admiral Roggeveen.

This is the way many people treat Easter. Like an island. Not so. Easter is part of the mainland of our faith. Let the song and the joy of the resurrection be yours.

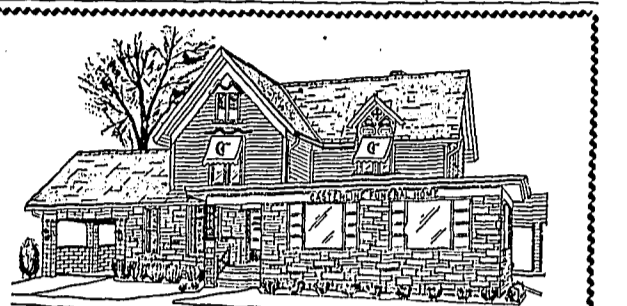

## King of Kings' Film To Be Shown at Salem

Good Friday services at the Salem Federated church will be held at 1:30 p.m. The service will consist of congregational singing, special musical numbers and a message by the Pastor, Rev. Richard Burgess.

The services on Easter Sunday will begin at 6:30 a.m. with a Sunrise service which will be held in the Salem school yard. Following this, a breakfast will be served in the church basement. The Worship service and Sunday school will be held at the regular hours. A special feature for the Sunday evening service at 7:30 will be the showing of the film, "King of Kings". This is a 90-minute film depicting with dramatic reality the life of Christ with special emphasis on His suffering, crucifixion and resurrection.

The public is cordially invited to attend these services.

## NOTICE VILLAGE OF NOVI

A PUBLIC HEARING IS CALLED FOR THE PURPOSE OF CONSIDERING THE ADOPTION OF AN ORDINANCE REGULATING SUBDIVISIONS, STREETS, SANITARY SEWERAGE, DRAINAGE, PUBLIC FACILITIES, AND OTHER SAFETY, HEALTH AND GENERAL WELFARE MATTERS ON MONDAY, APRIL 25, 1960 AT 8:00 P.M. IN THE COUNCIL CHAMBERS AT THE VILLAGE HALL.

PLANNING BOARD OF THE VILLAGE OF NOVI  
MARY WALLACE, CLERK

**UNITED FOUNDATION** - Members of the United Foundation Women's Organization are shown above making final arrangements for the organization's "Spring Tonic" program. They are (l. to r.): Mrs. George F. Mervin, Northville committee representative; Mrs. William E. Wilson, Northwestern regional chairman; and Mrs. Irving Imobersting, operating committee chairman for all of western Wayne county.

## Area UF Women to Meet

The Northwest branch of the WYCA and a stimulating program are the key ingredients in the "Spring Tonic" being brewed by the United Foundation Women's Organization in northwestern Wayne county.

Ward McCain, Dearborn, a member of the United Foundation speakers' bureau, will present the principles of the United Foundation and its relationship with the US health, character-building and welfare agencies supported by the Torch Drive.

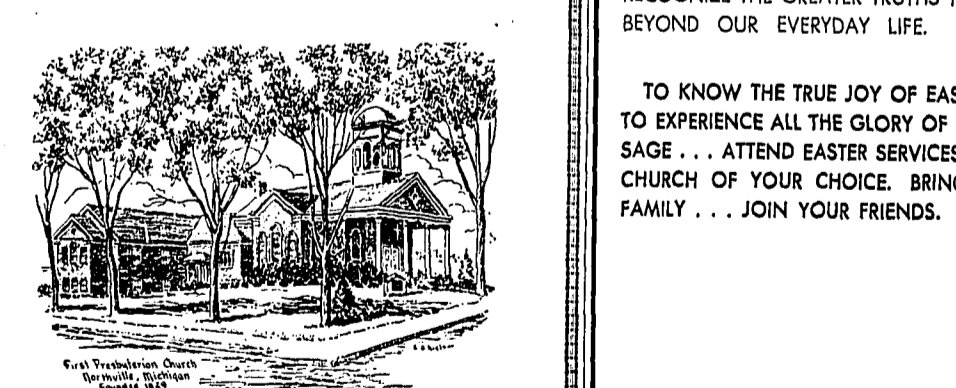

The May 5 meeting, which is invitational, is part of a tri-county program being sponsored by the United Foundation Women's Organization. Thirty-one meetings will be held during the last two weeks of April and the first of May throughout Wayne, Oakland and Macomb counties.

According to the committee's Northwest representative, Mrs. George F. Mervin, 4945 Cottiford, the "informational evening" is only the first phase of a newly launched public relations and education program to acquaint each community with the basic philosophy of the United Foundation and the many services made possible by their efforts in the Torch Drive.

"Our first step in accomplishing our mission is to inform our key Torch Drive and community leaders. This will be done at the May 5 meeting," Mrs. Mervin said.

**DOG SCHOOL** in Rochester, a Torch Drive agency, will discuss the many services the school makes available to the blind citizens of metropolitan Detroit.

Ward McCain, Dearborn, a member of the United Foundation speakers' bureau, will present the principles of the United Foundation and its relationship with the US health, character-building and welfare agencies supported by the Torch Drive.

The May 5 meeting, which is invitational, is part of a tri-county program being sponsored by the United Foundation Women's Organization. Thirty-one meetings will be held during the last two weeks of April and the first of May throughout Wayne, Oakland and Macomb counties.

## EASTER

Greetings and Good Wishes

AS WE CELEBRATE A GLORIOUS EASTER, WE TAKE THIS OPPORTUNITY TO GREET YOU AND YOUR FAMILY WITH EVERY GOOD WISH FOR YOUR HAPPINESS AT THIS HOLY SEASON. OUR EARNEST HOPE IS THAT THE GLAD THINGS OF EASTER MAY GUIDE AND STRENGTHEN ALL OF US, HELPING US TO ENVISION DEEP SPIRITUAL GOALS AND TO RECOGNIZE THE GREATER TRUTHS THAT GO BEYOND OUR EVERYDAY LIFE.

TO KNOW THE TRUE JOY OF EASTER . . . TO EXPERIENCE ALL THE GLORY OF ITS MESSAGE . . . ATTEND EASTER SERVICES IN THE CHURCH OF YOUR CHOICE. BRING YOUR FAMILY . . . JOIN YOUR FRIENDS.

**Fisher's**

## OUT OF THE PAST

**ONE YEAR AGO** . . . The controversial Cady street rezoning request made its first appearance before the city council and if first reactions are any indication of things to come the proposal may have more bumpy sessions ahead.

The Northville board of education approved basic plans for remodeling of the junior high building at a special meeting with architects.

Groundbreaking ceremonies for St. Paul's Lutheran Christian Day school will be held Sunday. The \$400,000 level structure planned to serve grades one through eight, is scheduled to open in September, Pastor B. J. Pankow said.

The kids that Northville's retiring Police Chief Joe Denton loves so much will have a park to play in named in his honor. Next week city councilmen will probably announce their choice of a new police chief.

The first full week end of spring athletics at Northville high school will get underway today with action in baseball, golf and track.

**FIVE YEARS AGO** . . . With only five weeks to explain to Northville residents the merits of changing to a city form of government, the Citizens Committee on City Incorporation is planning an intensive educational program to favor a favorable vote at the special election to be held May 23.

A committee headed by Dr. Walter Belasco, John Miller, Gary Niece and Roy Stone will decorate the community building for the Rotary Golden Anniversary dance Saturday celebrating the club's 50th anniversary.

Frank Heinz of the police department sustained a strained ligament on the middle finger of his right hand last Thursday when a dog clamped his teeth on Heinz's gloved hand.

Some \$8,800 worth of furniture for the new \$30,000 Russell H. Armerman elementary school is ready for shipment upon request of school authorities.

The Northville Garden club hosted the annual Tri-Club luncheon of the Northville, Plymouth and Roseville Garden clubs at the community building here.

**FIFTEEN YEARS AGO** . . . A village budget of \$90,000 was announced by Mayor Walter Belasco and if first reactions are any indication of things to come the proposal may have more bumpy sessions ahead.

The Northville board of education approved basic plans for remodeling of the junior high building at a special meeting with architects.

Groundbreaking ceremonies for St. Paul's Lutheran Christian Day school will be held Sunday. The \$400,000 level structure planned to serve grades one through eight, is scheduled to open in September, Pastor B. J. Pankow said.

The first full week end of spring athletics at Northville high school will get underway today with action in baseball, golf and track.

**TWENTY-FIVE YEARS AGO** . . . A new Ford plant for Northville which may employ as many as 1,000 men became a possibility this week after a visit by Henry Ford and a party of engineers. If the plan is put into operation it is believed that all values for all Ford cars will be manufactured here. Showing the plant he constructed, the depression for Northville, will be over.

The spirit of spring and Easter held at the post office Wednesday morning as 5,000 baby chicks arrived for local farmers. The White Leaborn and Starred Plymouth Rocks bring prices of 84 cents and represent a total investment of \$500. Their chorus of rattles was heard throughout the building.

Dr. Robert H. Haskell and A.H. Steel of Wayne County Training school assisted recently in experiments that proved the power of a new anti-toxin to detect, and in most cases cure, spinal meningitis.

Plans for a campaign to beautify Northville with flowers, narcissus as the dominant note, were outlined by the Exchange club.

**WIN SCHOLARSHIPS** - The three Northville teachers pictured above have been selected from thousands of applicants to receive National Science Foundation scholarships, granted each year by the Foundation for the purpose of increasing the caliber of science instruction in high school and junior high schools, entitles the three teachers to a tuition-paid course at colleges and universities selected by them. They are (l-r): Gene Quay, Carleton college, Northfield, Minnesota; Richard Rusche, Purdue university, and Ron Schipper, Hope college.

## St. Mary Hospital Guild News

St. Mary Columbian, administrator, and Mrs. Mary Calanetta, moderator of St. Mary hospital, met with 15 board members of the guild Tuesday evening in the hospital guild room.

Several items came under discussion. The smocks for the volunteer workers have arrived and are ready to be picked up at the hospital gift shop or guild room. The reduced price for volume buying, places the cost at \$3. After May 1, all volunteers must wear the regulation smock while on duty. Orders may be placed at the hospital desk or guild room.

The following new board members were appointed committee directors: Marian Ceyne, ways and means; Hazel Watson, library; Marty Lynch, sewing; Beatrice Hogarth, financial secretary.

The following committee was formed to make plans for National Hospital Week: St. Mary Calanetta, guild moderator; Margaret Kalin, president; Shirley Barnes, membership; Patricia Robinson, public relations; Phyllis Robinson, publicity.

Shirley Barnes was happy to report that renewals to date number 495, with more to be processed.

The names of the chairmen of the various committees were submitted by the directors for consideration and approval.

The board members are confident of a successful year for the Guild.

Decorations Committee

Despite poor weather, 27 members of the decorations committee met at Ladywood cafeteria April 4.

Madeline Enteline, chairman, introduced Marie Sattler as her new co-chairman.

A vote of thanks was expressed to Helen Brooks of Livonia, Florist, for flower arrangements for the general meeting March 29.

Isabelle Guigley will direct the purchase of materials for use in decorations.

Refreshments for the next meeting will be under the competent hands of Elnedra Truer. Ann Ratiann also handled refreshments for this meeting.

Delores Weinburger is doing the reporting for the decoration committee.

Easter trays at the hospital will be sprinkled with favors made by members of this committee.

**WIN SCHOLARSHIPS** - The three Northville teachers pictured above have been selected from thousands of applicants to receive National Science Foundation scholarships, granted each year by the Foundation for the purpose of increasing the caliber of science instruction in high school and junior high schools, entitles the three teachers to a tuition-paid course at colleges and universities selected by them. ### 3 Area Students Graduate at MSU

Michigan State university has graduated its second largest winter class in March 1960.

The 538 graduates included 370 students who received bachelors degrees and 160 who received advanced degrees.

Commencement speaker was Dr. Victor F. Spatoff, president of Ferris institute. The degrees were conferred by MSU President John A. Hannah.

Size of the winter class was exceeded only by that of the graduating class of winter 1959.

Graduates of this area include: Louis Donald Larson, son of Louis A. Larson, 4233 Grand River, B.S. dairy manufacturing.

Hugh Elvin Lockhart, son of George Lockhart, 618 Orchard drive, M.S. forest products.

Priscilla Ann Blackburn, daughter of John W. Blackburn, 456 Orchard drive, B.S. child development teaching.

### NEWS FROM THE AMERICAN LEGION

POST 147

The appraisal of child welfare events in and out of the American Legion over a period of four decades is an awesome experience. For the welfare of children is inseparably interwoven in the welfare of the nation and the society of which they are a part.

The lives of children, which are the seeds of the future, are nourished for better or worse by events and forces over which neither they nor their parents have much individual control.

From the very beginning, the Legion has been a pioneering voice and influence in child welfare. This was reflected during the 1920's and 1930's in the adoption of mothers' aid and mothers' pension laws by most states and in the aid to dependent children provisions of the Federal Social Security Act and supplementary legislation in all the states.

In 1945, the Legion and its auxiliary made a \$50,000 grant to a very small, struggling organization, The American Heart Association. The gift, together with additional contributions influenced by the Legion, vitalized the organization and made possible a reorganization and reorientation to present day needs.

Just nine years ago the Legion made another contribution of \$25,000 — this time to the field of mental health with the provision that the major national mental health organizations then in existence be amalgamated into one organization. These organizations accepted the provision and did join forces.

The Legion joined with many others in support of the National Foundation for the Prevention of Blindness at the end that a tremendous "breakthrough" in the control of virus diseases was accomplished by the development of Salk vaccine.

Late in 1959 the Legion called attention to another matter having to do with the physical and moral health of our children — the use of narcotics by juveniles. In June 1961, the Legion threw a national spotlight on the problem through a special narcotics clinic held in New York City.

Founded in 1954, the American Legion Child Welfare Foundation, Inc. has already spent over \$100,000 in pursuit of a national spot light, to add to the sum total of a man's knowledge about children and youth through research, second, to help distribute knowledge that society already possesses about children so that the information will be more widespread and effective.

Early in 1961, the Legion asked Congress for the first time to make the "G.I. Bill" available to the children of men who were killed in service and thus unable to take advantage of that opportunity. In 1959 those benefits did become available to those children through the passage of the "Minor G.I. Bill" — officially known as the War Orphans Education Assistance Act.

As of June 30, last year, 13,312 students had entered training. The allowances paid amounted to \$7,663,340.

There is real need for the American Legion to continue its deep, community-centered interest in children to find a new and perhaps presently unthought-of approach to child welfare programs. None of us know what perils and trials lie ahead for the individual, the nation and humanity. But all of us know that survival may well depend on the quality of care, education and training which we as parents and citizens provide for all children.

Child Welfare is the many things your Legion card pays for. Join the American Legion.

was impossible to establish a separate child welfare program at that time.

Mrs. MacRae, however, enlisted the interest of the Forty and Eight to take over child welfare as its primary responsibility until the American Legion could do more.

Since that time, both the Forty and Eight and the American Legion auxiliary have been staunch supporters of the Legion's child welfare program.

From the very beginning, the Legion has been a pioneering voice and influence in child welfare. This was reflected during the 1920's and 1930's in the adoption of mothers' aid and mothers' pension laws by most states and in the aid to dependent children provisions of the Federal Social Security Act and supplementary legislation in all the states.

In 1945, the Legion and its auxiliary made a \$50,000 grant to a very small, struggling organization, The American Heart Association. The gift, together with additional contributions influenced by the Legion, vitalized the organization and made possible a reorganization and reorientation to present day needs.

Just nine years ago the Legion made another contribution of \$25,000 — this time to the field of mental health with the provision that the major national mental health organizations then in existence be amalgamated into one organization. These organizations accepted the provision and did join forces.

The Legion joined with many others in support of the National Foundation for the Prevention of Blindness at the end that a tremendous "breakthrough" in the control of virus diseases was accomplished by the development of Salk vaccine.

Late in 1959 the Legion called attention to another matter having to do with the physical and moral health of our children — the use of narcotics by juveniles. In June 1961, the Legion threw a national spotlight on the problem through a special narcotics clinic held in New York City.

Founded in 1954, the American Legion Child Welfare Foundation, Inc. has already spent over \$100,000 in pursuit of a national spot light, to add to the sum total of a man's knowledge about children and youth through research, second, to help distribute knowledge that society already possesses about children so that the information will be more widespread and effective.

Early in 1961, the Legion asked Congress for the first time to make the "G.I. Bill" available to the children of men who were killed in service and thus unable to take advantage of that opportunity. In 1959 those benefits did become available to those children through the passage of the "Minor G.I. Bill" — officially known as the War Orphans Education Assistance Act.

As of June 30, last year, 13,312 students had entered training. The allowances paid amounted to \$7,663,340.

There is real need for the American Legion to continue its deep, community-centered interest in children to find a new and perhaps presently unthought-of approach to child welfare programs. None of us know what perils and trials lie ahead for the individual, the nation and humanity. But all of us know that survival may well depend on the quality of care, education and training which we as parents and citizens provide for all children.

Child Welfare is the many things your Legion card pays for. Join the American Legion.

Bob Colacetti — Reporter

It was impossible to establish a separate child welfare program at that time.

Mrs. MacRae, however, enlisted the interest of the Forty and Eight to take over child welfare as its primary responsibility until the American Legion could do more.

Since that time, both the Forty and Eight and the American Legion auxiliary have been staunch supporters of the Legion's child welfare program.

From the very beginning, the Legion has been a pioneering voice and influence in child welfare. This was reflected during the 1920's and 1930's in the adoption of mothers' aid and mothers' pension laws by most states and in the aid to dependent children provisions of the Federal Social Security Act and supplementary legislation in all the states.

In 1945, the Legion and its auxiliary made a \$50,000 grant to a very small, struggling organization, The American Heart Association. The gift, together with additional contributions influenced by the Legion, vitalized the organization and made possible a reorganization and reorientation to present day needs.

Just nine years ago the Legion made another contribution of \$25,000 — this time to the field of mental health with the provision that the major national mental health organizations then in existence be amalgamated into one organization. These organizations accepted the provision and did join forces.

The Legion joined with many others in support of the National Foundation for the Prevention of Blindness at the end that a tremendous "breakthrough" in the control of virus diseases was accomplished by the development of Salk vaccine.

HAPPY YOUNGSTER — Thanks to Northville Local 886 Larry Crowell, high school senior, has a new electric guitar. The surprise presentation was made Saturday at the conclusion of the regular membership meeting by Bill Wilson, the union local president (shown above at left handling the guitar to Larry). Larry also won several prizes at the meeting with two parties on the 20th. The first, at the home of her grandparents, Mr. and Mrs. Lloyd Bray, Mrs. Hilda Bray and her Uncle Alan as guests. The second party, at the home of her grandmother, Mrs. Ruth Rasmussen, was attended by Mr. and Mrs. H. N. Pirok and their children, Chris and Carla. Bruce Scott Rasmussen enjoyed the parties with her sister.

IN WILLOWBROOK:

### Easter Egg Hunt Saturday

By Mrs. George Ames — Greenleaf 4-0830

The Willowbrook Community association is sponsoring an Easter Egg Hunt Saturday at Cass Benton park. Watch for a bulletin in your mail with the exact time and place. Donations of dyed eggs are needed. Mrs. Clifford Farrington will be glad to hear from anyone who is willing to contribute eggs to the fun.

Mrs. Ethel Newman of Muncie, Indiana is spending the week here with her daughter and son-in-law, Mr. and Mrs. John Bauer.

Mary Beth Zavlic celebrated her fifth birthday Saturday. Mrs. Charles Faybik and her daughter, Dorothy, Richie Ambinder, Beth Clismark, Peggy Barnes and John Zavlic were guests of the party.

Ann Gallagher, daughter of Mr. and Mrs. William Gallagher of Ten Mile road, was admitted to Children's hospital last Sunday for surgery Monday morning.

Mr. and Mrs. Joseph Crane of East Leebost have just returned to Willowbrook after spending a week in Acapulco, Mexico.

Afternoon pinocchia was at the home of Ann Halleck last Thursday. Ann won first prize, Gladys Earl second, Virginia Conrad third and Kay Buck, consolation. Millie DeHayes won the door prize.

Mr. and Mrs. William Reiss and Mr. and Mrs. Frank Nelson spent a long week end in New York City. Highlights of their visit were dinner at Sardi's and the play, "Flower Drum Song".

Corrine Tucker, Marion Davies and Sue Rogers enjoyed luncheon and a fashion show at Stouffer's in Northland last Wednesday.

Yola Bontecoe of San Juan, Puerto Rico is here for a visit with Mr. and Mrs. Howard Smith. She will be returning to Puerto Rico this week.

**Consumers President Dan Karn to Retire**

Dan E. Karn has announced that he will retire April 30 as president of Consumers Power company.

The board of directors has elected two other officers to top executive positions, effective May 1.

Alphonse H. Aymond, Jr., now executive vice president, will be elected chairman of the board and chief operating officer. The company has had no chairman of the board for several years.

James H. Campbell, now senior vice president, will become president and chief operating officer.

Karn will be retained by the company as a consultant. He will be chairman of the finance and budget control committee, succeeding Justin C. Whiting, former chairman of the board and president, who will retire from this chairmanship.

Barnes' son is co-manager of the Farmington store, while his daughter is a freshman at Eastern Michigan college.

Karn, born on a farm in Miami County, Indiana, joined Consumers Power company in 1915 following his graduation from Purdue university with a B.S. degree in mechanical engineering. His first job with the company was as superintendent of steam heating in Grand Rapids. In 1919 he took on the additional work of power equipment.

Later that year he was called to Consumers headquarters in the Jackson and assigned to the rate department. Two years later he became assistant to the general manager. He was appointed division manager of the company's Kalamazoo division in 1927, succeeded by Jackson as assistant general manager in 1931, and elected vice president and general manager in 1933. He was elected first vice president in 1939 and president in 1951.

Aymond, a native of St. Louis, Missouri, was graduated from Northwestern university with a bachelor of arts degree in 1936, and from the law school of the University of Michigan with a juris doctorate in 1939. After five years with a Chicago law firm he spent two years as a supply corps officer in the navy during World War II. He then joined the legal staff of the Commonwealth & Southern corporation in New York City, leaving it in 1947 to become a Consumers Power company attorney.

He was appointed general attorney for the company in 1951 and general counsel in 1952. A short time later the board of directors elected him a vice president of the company. He became executive vice president in 1957 with responsibility for the company's gas, legal and accounting operations.

Born in Jackson, Campbell joined Consumers in 1933 following his graduation from Purdue university with a B.S. degree in mechanical engineering. He was power and lighting sales engineer in the company's Lansing division until 1939 when he received an Alfred P. Sloan fellowship which took him to the Massachusetts Institute of Technology for a year of graduate study. He then went to Youngtown, Ohio as a power sales engineer for the Edison company.

He was in the army from 1942 to 1946 and went through the Italian campaign with the Fifth Army. On his discharge from active service with the rank of lieutenant colonel he rejoined Consumers as assistant to the division manager of the Grand Rapids division. He was appointed division manager in 1947. Two years later he was called to Jackson as assistant to the president and was elected vice president in 1950 and senior vice president in 1956.

**Talbot Hopper Honored For Academic Distinction**

Northville high graduate Talbot Hopper, son of Mr. and Mrs. Robert Hopper of West Seven Mile road, has been named to the Dean's List at Massachusetts Institute of Technology for "academic distinction".

The 1959 Northville salutatorian is a freshman at MIT, majoring in aeronautical engineering.

Dallas Leach came to the Northville store three years ago from Farmington. He is a meat cutter and has been with the company for 10 years.

Mrs. Forrest (Dunies) Hill is the "scale girl" at Kroger's meat department — she weighs all the meat before it is displayed. She has been with Kroger for seven years. A resident of Plymouth, she has one son and three grandchildren.

### State-Owned Lands On Sale this Month

The Conservation Department will hold four public auctions this month at Detroit, Pontiac, Flint and Kalamazoo for the sale of 571 small, state-owned land units.

Any person, firm, corporation or association authorized to acquire property in Michigan may bid for these small parcels which have reverted to the state through default of tax payments.

The first auction will be held April 19 in the old city hall at Detroit for the sale of 100 parcels in Lenawee and Wayne counties. On the following day, 132 units in Jackson, Livingston and Oakland counties will be auctioned in the county office building at Pontiac.

Another 141 units will be offered for sale April 21 at the Flint courthouse involving lands in Saginaw, Tuscola and Genesee counties. The final sale will be held April 22 at the county courthouse with 128 parcels in Allegan, Barry, Berrien, Calhoun, Cass, Muskegon, Ottawa, Van Buren and Kalamazoo counties to be offered.

All four auctions will begin at 10 a.m. E.S.T. All money will be returned to the counties in which the auctioned lands are located.

### Northville City Council Proceedings

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Apr. 11, 1960 at 8:00 P.M.

Present: Mayor Allen, Councilmen Canterbury, Judy, Reed and Welch. Minutes of last regular meeting, special meeting of Mar. 29th, 1960 and the results of the election held Mar. 29th, 1960, were read and approved.

The first auction will be held April 19 in the old city hall at Detroit for the sale of 100 parcels in Lenawee and Wayne counties. On the following day, 132 units in Jackson, Livingston and Oakland counties will be auctioned in the county office building at Pontiac.

Another 141 units will be offered for sale April 21 at the Flint courthouse involving lands in Saginaw, Tuscola and Genesee counties. The final sale will be held April 22 at the county courthouse with 128 parcels in Allegan, Barry, Berrien, Calhoun, Cass, Muskegon, Ottawa, Van Buren and Kalamazoo counties to be offered.

All four auctions will begin at 10 a.m. E.S.T. All money will be returned to the counties in which the auctioned lands are located.

**Atty Ogilvie Presented the Agreement with the Methodist Church Regarding the Clock Tower which he had prepared, and it was moved by Welch, supported by Reed, that same be accepted and signed by the proper city officials. Carried.**

The City Council will meet with the codifiers of the City ordinances on April 19th, 1960 in the office of Atty. Ogilvie.

An amendment to City Ordinance No. 74 (the Sewer Ordinance) was presented by Atty. Ogilvie providing that septic tanks and drain fields meeting the requirements of Article No. 3 of the Oakland Department of Health Sanitary Code shall be permitted in Northville Estate Subdivision. It was moved by Allen, supported by Welch, that this amendment be published in the Northville Record and that public hearing on same be held Monday Eve., April 18th, 1960, at 10:00 P.M. at the City Hall. Carried.

Mr. Robertson reported that the C&O R.R. is now ready to sell the land at the entrance of the land fill at the City of Northville at the agreed purchase price of \$1,500,000. The Council authorized the City Manager and Attorney to complete the sale.

No further business appearing, meeting was adjourned at 10:30 P.M.

(Signed) Mary Alexander, Clerk

New Buick "Easy-Ownership Plan" tailors terms to your budget

YOUR NEEDS COME FIRST! You set the monthly payment and it's up to the Buick "Easy-Ownership Plan" to make your dream come true. With it, your Buick Dealer will compare all the ways to put you behind the wheel of a proud new Buick '60. You can't lose—it doesn't cost you a penny to find out. And, it may well be the most rewarding few minutes you've spent.

**JACK SELLE BUICK** 200 ANN ARBOR ROAD, PLYMOUTH, MICHIGAN

# SPEAKING for the Record

This month local members of the Michigan Cancer Foundation are doing their part to educate area residents on the facts about cancer.

The April Cancer Crusade is headed by Mrs. L. M. Eaton, Northville branch chairman, and her education committee chairman, Mrs. Wilbur Johnson.

They have a simple message they're trying to get across to the people which they believe is the solution to cancer prevention: see your doctor at least once a year and stop the disease before it is apparent by any symptom.

Then, and only then, experts say, can you be assured of cure. Cancer MAY be cured at a later stage — many cases have been, but the best time to be assured of cure is to detect it when it is microscopic in size.

In connection with this educational drive it should be pointed out that the Michigan Cancer Foundation is not conducting a fund-raising campaign. Their funds were derived from the United Foundation Drive.

This situation has brought about some confusion — and, as is pretty generally known now — a split between the American Cancer Society and the MCF. The latter is holding firm in its position that it will not seek more funds. Meanwhile, the ACS has set-up a competing branch in southeastern Michigan and its campaign literature says "Fight Cancer with a Checkup — and a Check."

In Northville, says Mrs. Eaton, you can forget the check.

T. R. Carrington, longtime area resident, says that years ago the Record conducted a contest at census time. Cash prizes were awarded for the best estimates of the population.

It sounds like it might be interesting. So let's set down the rules, very informally, for a private game for the readers of this column.

We'll use the estimates (not the final figures) that will be available in early May. Send in your estimate for the city and also the township (remember, the institution population is counted) on a postcard together with your name and address to "Census Estimate", Northville Record.

Let's do the same thing in Wixom and Novi (entire township) and send replies to The Novi News.

Cards should be postmarked by April 25. Also, it seems reasonable to make census enumerators ineligible.

Now for the prizes. To the best estimator in each community will go a dictionary. Second place will be worth a box of personalized stationery.

We'll have to get the cooperation of each local government. Only by calling the area census bureau sometime during the first week in May can government units under 20,000 population receive the preliminary figures.

## FASCINATING FACTS ABOUT NATURAL GAS

From Rags to Riches

Amazing things have happened to Natural GAS — it is no longer an out-of-the-way flame to cook food — but wonder-ful fuel for energy, laundry, for cooking, refrigeration, laundry, water heating, home heating and indoor drying of trash and woodwork.

Natural GAS is clean, safe and economical. It's the "livin' easy" and housework fun!

This "stored sunshine" is one of America's favorite fuels — seven out of ten homes built today use Natural GAS for heating. Call or write your Heating Equipment Dealer or Consumers Power Company for information about inexpensive, automatic GAS heat.

GET THE FACTS — BETTER YET — GET GAS! PG-7001-21

## Roger Babson Tells Best Investments

Babson Park, Mass. — I am often asked what are the best types of investments for those whose funds are limited and who need steady income to help develop, expenses or to provide a major part of such expenses. Here is my answer to those people and to others in similar circumstances.

Some of these turnpikes may get into financial trouble because of competition with each other or from airplane and helicopter facilities, but at present most of them are doing well. Of course, they are affected in case of war, particularly if such a conflict should force a return to gasoline rationing.

Some other Good investments Government, turnpike and municipal bonds are not, by any means, the only investments today which offer safety of principal plus a good return. Most Mutual Funds offer good opportunities for income. They provide diversities for those whose limited savings would not permit them to buy many different stocks. Remember, however, that these Mutual Funds are only as good as the investments in which they invest.

Do not put all your investment funds into any one basket, whether it be individual bonds, stocks, or Mutual Funds. Also, do not forget that one of the better investments for a retired person or for one with limited income is to buy a two-family house in a good residential area and to live personally in one half while renting the other half. This house should have a backyard with two or three trees.

State law, and probably lack of interest on the part of the voter, prevent many persons from even voting for these county convention delegates. In the first place the names of the candidates for delegate to the county convention don't appear on all ballots. If you vote on a voting machine as your voting number do, you have to vote a separate printed ballot for this office.

In any case, you have to write in the candidate's name or use a stick or a presidential reference primary. But in Michigan the average voter has very little say in nominating delegates to the national convention of both parties will be elected by a special state convention later this spring. The delegates to that state convention will be selected by the delegates to each county convention.

Notable stories Forrest covered included the New London (Texas) Consolidated School explosion of March 18, 1957, in which 294 students and teachers lost their lives; the death of Henry Ford April 7, 1947; and 115-day General Motors strike of 1945-46.

At the Moscow exhibition, he supervised the installation and operation of display material for eight passenger cars, a truck, tractor and farm equipment, as well as directed the distribution of 1,500,000 pieces of Ford literature to the Russians during the 42-day run of the show.

Forrest was present during the famous "model home debate" between Vice President Nixon and Soviet Premier Khrushchev and will tell the Optimist club of his impressions of everyday life in Russia today.

## Optimists to Hear Ford Staff Member

Roy J. Forrest, member of Ford Motor company's public relations staff, will speak to members of the Northville Optimist club and their wives Wednesday, April 20 on his experiences in Russia as Ford's representative to the American National Exhibition in Moscow.

Forrest spent two and a half months in Russia last summer operating Ford's automotive and farm equipment division. He is a native of Louisiana and is an ex-newspaperman. He worked for the Arkansas Gazette in the early 1930s and later was a manager for United Press in Texas, Illinois and Michigan before joining Ford in 1949.

### Party Rules Limit Representation

Why don't more people take an active part in politics — or vote? It doesn't seem likely, but part of the answer is that many of us know how they can. Party rules, customs and state laws so regulate and restrict the activity of both citizens and political parties that many people are left out.

In Michigan, for instance, the method of choosing delegates to the national political conventions effectively prevents all but a handful of people from sharing in the nomination of a presidential candidate.

Registration laws also act to keep people from taking part in politics. You can't sign a nominating petition, or a referendum petition, or vote unless you are a registered voter.

Essential requirements for registration are that you be 21 years of age and a resident of Michigan. But you must vote or your name may be stricken from the registration list. State law says your name can be removed from the registration list if you do not vote.

To win a place a student must have at least 14 hours of work and with only one grade of B. Wursching lives at 120 North Center. He graduated from Northville high school.

And you will have to register at least 30 days prior to the election in which you want to vote. For instance, final registration date for the August 2 primary is July 5. Final registration date for the November 6 election is October 10.

In his fight to secure a state party for Novi, Rep. Clark scored a partial victory last Tuesday when the House of Representatives passed the 1960-61 capital outlay appropriations bill, which included an amendment for \$68,555 to be spent for a new school building in Novi.

The bill is now being considered by a senate committee. Clark drew up his amendment to force the conservative department to comply with the will of the late Mrs. Mary McGuire Power, which provided that her two farms located on 10 Mile near Wixom road be turned into a state park in memory of her son and daughter, J. Louis Power and Ella M. Power.

"It is my understanding," Clark said last month, "that consideration is being given to using the money (resulting from the sale of the farms) for a state park at East Tawas. Such a move by the Conservation Department would certainly abrogate the will of Mrs. Power, who left the money in the first place."

"It is my feeling that this money should not be used unless it is used for a park in the Novi area." Other park developments this week included a letter from the Governor's office in reply to a letter from the village which asked the Governor to look into the village matter. An official said the village letter had been referred to the conservation department, but indicated the Governor's staff would conduct an investigation.

In still another move to insure a park for Novi, Village Attorney Howard Bond petitioned the state probate court for a rehearing on the matter, arguing that the township was not properly notified of the impending sale of Mrs. Power's farm.

## Grid Coach Schipper Taking Win Streak to Class A Jackson

Northville's football coach, Ron Schipper, will accept the head coaching position at Class A Jackson high school, it was revealed this week.

The Jackson school board voted to appoint the highly rated Northville coach this week.

However, in a statement to this newspaper, Schipper expressed surprise at the "sudden" appointment. He said he had made no definite commitments, although he admitted he would "more or less likely" accept the position tomorrow.

Athletic Director Al Jones, who has tossed repeated prizes in Schipper's direction, said he has no idea who will be appointed head coach here if Schipper signs the Jackson here.

Schipper, who also teaches mathematics at Northville, the appointment would mean a "considerable" increase in salary and would also mean a giant step forward in his coaching career.

Schipper, who started his coaching career at Northville, will carry one of the most successful football records in the state to Jackson. Since 1955, he and his assistants, Don "Dutch" Van Ingen, have turned out four championship teams in seasons of 7-1, 8-1, 9-0 and 8-1.

With the conclusion of the grid season last year, Northville had stretched its string of league victories to 23 games. The "Grid" has been rated among the top eleven of the state since Schipper's arrival.

## School Shoots For More Mills In New Budget

Cash-conscious Novi school officials crossed their fingers last week after submitting a record budget to the Oakland county allocation board for study.

William Medlyn and approved the life school board, the 1960-61 school year budget calls for an outlay of \$322,000.

If approved by the allocation board, the budget, which is approximately \$30,000 higher than the current budget, would mean an increase of approximately 1.62 mills in the district's share of winter taxes.

The proposed budget is based upon the 1959-60 figure of \$1,414,000. The school superintendent indicated that a proposed addition of at least four more teachers and normal increments of salaries are the prime reasons for the increased budget. All other general fund expenditures will remain about the same.

Medlyn emphasized, however, that the increase is definitely needed to carry on the operation of the school system. "We'll be hard pressed if we have to raise the increase," he said.

Last year's budget called for an increase of 1.8 mills, but the allocation board decided to pay the total school millage remained at 7.58. In 1955, Medlyn pointed out, the total millage was 9.31.

The Novi school system, which has faced a cash shortage throughout this fiscal year because of the "hold the line" decision and tardy releases of state money, has been able to squeeze through up to now by cutting back on some expenditures (such as school bus purchase), Medlyn said.

The superintendent also indicated that an increase of approximately \$10 per child of state aid helped on 10 Mile near Wixom road be turned into a state park in memory of her son and daughter, J. Louis Power and Ella M. Power.

"It is my understanding," Clark said last month, "that consideration is being given to using the money (resulting from the sale of the farms) for a state park at East Tawas. Such a move by the Conservation Department would certainly abrogate the will of Mrs. Power, who left the money in the first place."

"It is my feeling that this money should not be used unless it is used for a park in the Novi area." Other park developments this week included a letter from the Governor's office in reply to a letter from the village which asked the Governor to look into the village matter. An official said the village letter had been referred to the conservation department, but indicated the Governor's staff would conduct an investigation.

In still another move to insure a park for Novi, Village Attorney Howard Bond petitioned the state probate court for a rehearing on the matter, arguing that the township was not properly notified of the impending sale of Mrs. Power's farm.

Supplemental disbursements, which this fiscal year includes \$55,000 of borrowed money, decreased from \$41,500 to \$33,800 in the new budget.

The county, which ultimately determines the millage, can levy the rate before the village which asked the Governor to look into the village matter. An official said the village letter had been referred to the conservation department, but indicated the Governor's staff would conduct an investigation.

## Artists Hail Northville Show

Although the "proof of the pudding" is still two days off, professional and amateur artists are hailing the upcoming Northville art show as one of the most exciting exhibits ever held in the Detroit Metropolitan area.

Much of the enthusiasm for the show has been generated by the ambitious desires of a Northville art student and her classmates at the Detroit Society of Arts and Crafts.

Medlyn emphasized, however, that the increase is definitely needed to carry on the operation of the school system. "We'll be hard pressed if we have to raise the increase," he said.

Last year's budget called for an increase of 1.8 mills, but the allocation board decided to pay the total school millage remained at 7.58. In 1955, Medlyn pointed out, the total millage was 9.31.

## Novi Women Plan Charter Meeting

Plans for the May charter meeting of the Novi Women's Civic organization were launched here last week.

The club decided Wednesday to grant charter memberships to all women who attend the May 11 meeting.

At the request of the club, attorneys for the proposed landfill property owners and the Wayne District Engineer will be invited to attend the meeting.

Robbins at first declined to submit an engineering study on grounds that the club and community will be asked to fill out cards listing the type of services.

The club also received an invitation from the Northville State hospital to attend its open house Sunday, May 1. Tours of the hospital have been arranged in conjunction with Mental Health Week.

Women wishing to attend the open house are asked to call Mrs. Emory Jacques, GR-4-1010, or Mrs. Alma Klasmeyer, FI-9-2795.

Miss Eugenie Choquet will be the volunteer for the landfill work before the landfill.
