Police are investigating the possibility that a Novi burglary last week-end and a recovery of a stolen car may be related.

MUSIC MAKERS for the Northville Optimist's annual rodeo will be the well-known "Western Ramblers," shown above. They'll present a two-hour show on Main street next to Northville Realty Saturday afternoon from two until four p.m. and also appear at the rodeo performance Sunday afternoon at the Downs. Music for the Saturday night rodeo will be provided by Bob Williams and his "Collegiate."

Dairy Project Wins Honors For Local Boy

Norman Balke of Northville has been accepted as a Junior Member of the Holstein-Friesian Association of America, Brantford, Vermont. Norman qualified for the Certificate of Merit and Junior Membership pin through successful dairy project work with registered Holstein cattle.

Novi Traffic Violations Up

The Novi police department handed a total of 223 complaints, ranging from robbery to violation of fire laws, during the month of July. Police Chief Lee BeGoale reported in the monthly department report.

American Legion

There is a new law that has been passed that will be of interest to disabled vets. This law provides raising monthly compensation for certain 100 per cent disabled vets from \$225 to \$355 as a house hold. It's up to the VA to determine exactly which vets come within this classification, however, if you feel you are a veteran that is entitled to more money you should let the new law be up to you to contact the VA and file your claim.

Obituary

ROBERT W. DEARING, 52, a Northville resident since 1948 and a World War II veteran, died Tuesday, August 16 at St. Joseph's Hospital in Detroit. Mr. Dearing, 1936 Caldwell, had been hospitalized periodically since April with leukemia. He was born October 5, 1907 in Albion, Michigan, the son of Henry and Leora (Rouse) Dearing. Survivors are his wife, Elizabeth; two sons, Larry, 15, and Donald, 14, of Northville; and his mother, Mrs. Henry Dearing of Highland Park, Michigan. Mr. Dearing had been employed as an electrical engineer with Detroit Edison company for 31 years. He was a graduate of Highland Park high school, Highland Park junior college and Michigan State university. His affiliations included the American Legion, the Veterans of Foreign Wars, the American Institute of Electrical Engineers and the Reserve Officers' Association, in which he was a major. A military funeral service under the auspices of Mr. Dearing's reserve unit, the American Legion, will be held at 10 a.m. tomorrow, August 19 from the Castellino Funeral home. The Reverend Albert Kees of the Highland Park Baptist church will officiate. Burial will be at 2 p.m. at Riverside cemetery in Albion.

HONORABLE MENTION — This drawing by a trio of LIT students was 824 in the Beautiful Northville redevelopment contest. It would call for complete leveling of the city's business district. The shops are creatively arranged. The tall structure is a hotel-office building, while the apartment complex building is the city hall. Judges called this entry "most creative and imaginative, but not economically feasible."

Good News For Township

Northville township residents will soon receive lower fire insurance rates as a result of new fire classification as determined by Michigan inspection Bureau.

NEWS FROM THE

LYOYD H. GREEN POST 117

The change should result in reductions in fire insurance rates of between 10 and 15 percent, Clark said. Industrial and commercial properties will also be individually reviewed.

MISCHIEF MANOR

Schoolmaster J. B. Preston told the Town Council of Hatfield, England he should build a house for child vandals to tear to pieces. "We would call it 'Mischief Manor,'" he said. "It would be left half completed and we would let the children roam through it, leaving a trail of havoc. Then having worked off their surplus energy, they would go home tired of the lust for destruction."

Mr. Preston seems to think that one day's use of surplus energy on the part of the child will rid him of his lust for destruction. There are too many incidents on record of young hoodlums carrying on their depreciable activities in the neighborhood before being caught by the police, to really believe that theory. A child should be taught the Holy Scriptures which reveal his responsibility toward his parents and the State and God.

Anderson Resigns But Council Balks

Catching his fellow councilmen by surprise, Councilman Philip Anderson submitted his resignation as a member of the Novi village body Monday night. The Eight Mile road fruit farmer wanted until a motion for adjournment before handing a letter to President Joseph Crupi and requesting the letter.

After more than an hour of council discussion, during which all members joined in asking Anderson to reconsider, President Crupi returned the letter.

But Anderson vowed that his mind was made up — and that he would re-submit the resignation at the next council meeting.

Without evidencing bitterness, Anderson told his fellow councilmen that they were "too far out of line with my thinking. I sit here like a toad on a stump."

Anderson pointed specifically to these reasons for wanting to quit the council: — dissatisfaction that the council had not adopted a road chloriding program; — that he did not think it would be fair to remain on the council while consideration was being given to hiring a new manager because he opposed such action; — general dissatisfaction with road conditions; — that he had from appeal board when his request to operate a gravel pit on his farm was denied.

A popular vote-getter, Anderson ran second to Walter Tuck in the election of the five original council members in September, 1958. His term does not expire until April, 1962.

Anderson has never hidden his unhappiness with matters as they developed in his term. He has threatened to quit the council because of dissatisfaction with former Manager Fred Olson and the budget. Fellow councilmen convinced him to reconsider and finally he announced that he would "stay on for awhile longer."

President Crupi at first declined to read Anderson's letter aloud Monday evening. "Do you really want me to read this," he asked Anderson, who replied that he did. "It's not signed," Crupi pointed out.

"Here, let me sign it," said Anderson. He quickly penned his name and handed the letter to Crupi and Councilman Dean Lensehner led the appeal to Anderson to reconsider.

"I thought everything was working out," Lensehner told Anderson. In answer to Anderson's charge that the budget was a "staggering mess" and that this was not so. "We've opened the books and the money funds for road improvements and we'd like to do more, but it just isn't possible," said Lensehner.

Anderson stated that the time was drawing near when the council would need more than his present budget limitation to operate the village. "If you'd do something to show the people we're giving them the best, we'll be glad to give you the money. But now it won't have any more chance than God's little green apples," Anderson exclaimed.

Lensehner then pointed out that the village is trying to pay up its bills and build up a little cash. "Surely the people would rather that we operate within our income than go out and spend more than we have," he added.

Anderson continued his list of complaints, which mainly narrowed down to consideration of a manager's salary and high administrative costs.

Biggest Enrollment Ever Returns in Two Weeks

This will be the year we hit the 1,000 total, Superintendent of Novi Schools William Medlyn predicted this week. Medlyn was referring to an anticipated record enrollment of 800 students in Novi's kindergartens through eighth grades and another 200 Novi students who will be attending Northville high school.

P-TA Ready For 1st Year

Novi's Parent-Teacher Association, which was organized only last May, will plunge into its first year of actively next month with high hopes for a large membership.

Throughout the summer months two committees, which were appointed at the group's first organizational meeting, have been busy drawing up by-laws and a slate of officer candidates.

Both committees will make their reports to the general membership at the second organizational meeting set for September 20. The election of officers will take place at that time.

Although the place of the meeting has not yet been set, it probably will be at either Orchard Hills or at Orchard Hills elementary school.

Plan Full Day of Fun At Novi Celebration

No doubt about it, Novi's second annual birthday celebration gets bigger by the day.

Just look at this list of attractions: — a team of sky-divers featuring nearly a dozen outstanding sport-landing divers including the Michigan Parachute team.

A white elephant sale is planned by the AMVETS auxiliary, while the women of the Willowbrook Community church will serve a hot supper.

Booths will be sponsored by the following businesses and organizations: — Detroit Dick Jockey Chuck Daugherty as MC; — helicopter rides;

— an old fashioned hillbilly band; — a turtle race and the traditional "greased pig chase"; — "Prize galore to be given away every hour — topping the list are a prize pony, television set, Polaroid camera, power mower, 28-trawls hot action shotgun and a bicycle.

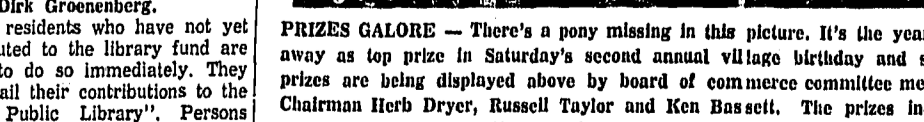

The entertainment will get underway at noon and continue until midnight. Festivities will be staged at the Novi Community school.

Sponsored by the Novi board of commerce, the annual event has the additional backing of the Novi Citizens' Development committee. General chairman of the program is Herb Dryer, president of the Novi board of commerce.

Tickets may be purchased from any board of commerce member or at the gate.

The celebration is planned so that there will be fun for everyone — old or young; besides games and plenty of refreshments a street dance will be staged with Frank Venice and his orchestra providing the music.

Members of the two committees include: — By-laws, Mrs. Henrietta Bernhardt, Mrs. Lee Pletch, Robert Schellenger, Kenneth Cookson and Donald Knodel, Novi school principal; — Nominating, Mrs. Henry Harris, Mrs. Robert Schellenger, Mrs. George Ciot, Al Harland and William Medlyn, superintendent of schools.

Recount Vote In Primary

The narrow victory of John A. Baker for the Republican nomination as state representative in the fourth district resulted in a recount of the August primary vote.

Canvassers for Oakland county are currently checking the ballots. The district includes voters in part of Wixom, Novi and the Oakland county section of Northville.

This was declared the winner by a 2,067 to 1,640 margin. According to the county clerk's office, the canvass will not be completed for another week.

Novi to Hear Youth Plans

A meeting to study the possible formation of a "Youth Prospective Services Committee" for Novi has been called for this evening at Saratoga Farms.

The program, founded by Oakland County Probate Judge Arthur E. Moore, is being encouraged by Alvin Herbert Koester. He has issued invitations to village and township officials to head James Van Leuven, assistant director of the Oakland county juvenile court, outline the plan.

Koester, who is a member of the board of directors of the Novi Citizens' Development committee, stated that if local officials approve of the program he will carry the idea to the citizens' group for action.

According to Koester, the plan is being successfully used in 17 communities to curtail juvenile delinquency.

Wixom Council Meets

The Wixom council will meet tonight to discuss the following matters of business: — A report on a proposed dog ordinance by City Attorney David Uley, legalizing the sale of liquor in Wixom; Birch Park subdivision roads, an ordinance requiring the posting of indemnity bonds in cases of demolition and movement of buildings, and curfew laws.

In new business matters the council will open bids on stabilizing of Potter road. The road is located between Wixom and Beek roads and the project calls for preliminary paving of about one mile. The bid is part of the city's 10-year, \$200,000 road program.

It is in final action the council decided to pay for chloriding a stretch of road in front of the George Fisher residence on Beek road where application of gravel to fill holes had covered off this creating dust conditions.

Trailer Park Zoning Killed By Council

The village council took care of the on-again, off-again trailer park issue in rapid fashion Monday night.

By a 3-2 vote the 108-acre parcel owned by Glenn Buffinger, on Potomac trail was returned to agricultural zoning from R-3 (which permitted trailer park construction).

The action was taken after Village Attorney Howard Bond said the council could legally repeal the ordinance that amended the zoning.

Philip Anderson, resigned his resignation calling for an election in November. President Joseph Crupi voted against this motion, although it had been legally determined that an election on the trailer park zoning would not be held in conjunction with the present election.

Then Anderson, with support from Chequet, moved to repeal the ordinance that had repealed the zoning. R-3-Den Leisner joined Crupi in voting against the motion, but Walker, Tuck joined with Anderson and Chequet.

This was the end written to the proposed trailer park zoning that caused area residents to petition for a vote on the issue after planners had permitted the zoning — and Crupi's victory changed his mind and decide he did not want to oppose residents and permit the zoning to be used as a trailer park.

In other business Monday night the council: — adopted a resolution agreeing to pay the Oakland county department of public works \$40,000 for the preliminary survey for sanitary sewers; \$45,000 of the money has been contributed by area contractors and developers, while the village will take \$1,500 from the general fund for the project; the resolution also provided for a reimbursement of the village and individual contributors in the event a system of sanitary sewers is obtained with reimbursement coming from bond issue money.

warned Gus McCreeley to improve his operation of a dump north of 10 Mile road adjacent to the C&O railroad and instructed Village Coordinator Harold Aulley to investigate the status of McCreeley's application for a dump license; reportedly McCreeley paid some \$68 in fees for an appeals board hearing and license to operate the dump but no action was taken; the council took the position that McCreeley should be operating under a license so that if his operation does not comply with the ordinance action to close the dump can be taken; McCreeley operates a commercial rubbish recycling plant and has been ordered to dump rubbish without charge, but the council reported that garbage is also being dumped on the site.

In final action the council decided to pay for chloriding a stretch of road in front of the George Fisher residence on Beek road where application of gravel to fill holes had covered off this creating dust conditions.

Wixom Dance To Aid Needy

A chance to raise funds to provide food and toys for area needy children will be held Saturday at the VFW hall on Loon Lake in Wixom.

The dance is sponsored by the Wixom Goodwillers and will begin at 9 p.m. Art Peltier and his orchestra will provide the music.

Northville Schools Set

School days are just two weeks away for a predicted student population of 1,800 in the Northville public schools.

First classes begin September 8 when all junior and high school students report at 8:30 a.m.

Elementary students report the next day. In addition to a host of new students, Northville will have 22 new teachers for the elementary schools. All teaching positions have been filled with the exception of a first grade teacher for the Mark school.

Superintendent of Schools Russell Amernan said it was anticipated that the vacancy would be filled this week.

Three new teaching posts have been added to the system, a librarian for the elementary schools, a speech coordinator and an additional school teacher for the high school.

Margaret DeKett, formerly a fifth grade teacher in the Northville system, will take over the library job for the grade schools. Mrs. William Brygofski, whose husband is a science-math teacher in the junior high school, handles the speech coordinator position. Last year the school was unable to obtain a teacher for the post.

A breakdown of Northville's enrollment by schools shows an anticipated student population of 488 at Amernan elementary, 450 at Main street, 238 in the junior high school and 553 in high school. Approximately 200 of the high school students will come from Novi.

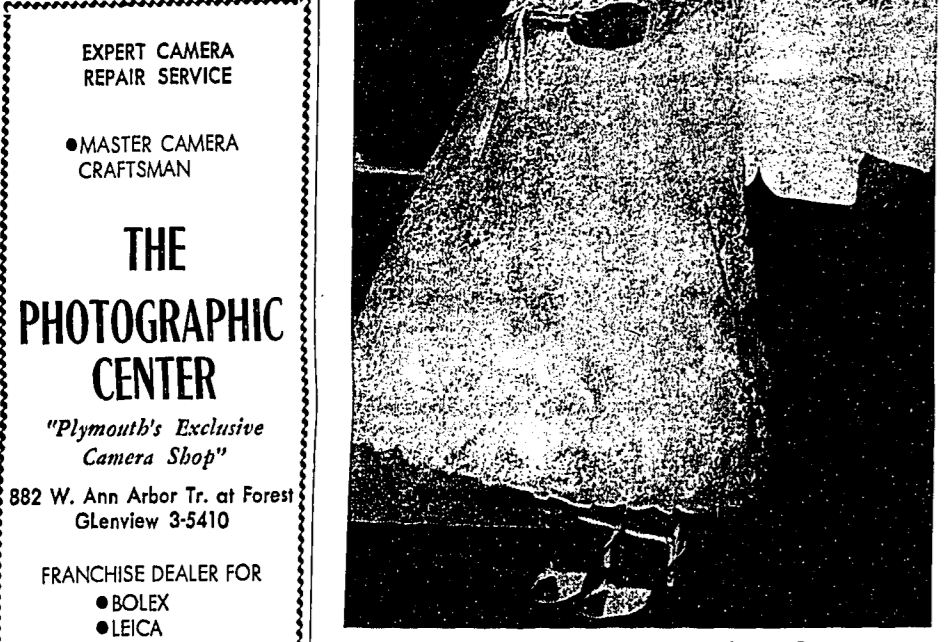

about WOMEN

Linda Joyce Hicks Weds Jerrie Jaris, Jr. in Salem

Linda Joyce Hicks, daughter of Mr. and Mrs. Blaine D. Hicks, 10336 West Seven Mile road, and Jerrie Warren Jaris, Jr., son of Mr. and Mrs. Jerrie Jaris, Sr. of Plymouth, were married August 13 at the Salem Federated Church in Salem. The Reverend Richard Burgess officiated at the 7:30 p.m. ceremony.

The bride, wearing a white length gown of white lace and nylon and a fingertip orange blossom veil, was given in marriage by her father. She carried a pearl-covered Bible, a gift of the groom, adorned with white gladioli and daisies.

Attired in mint green nylon and carrying a bouquet of daisies, Sue Ellen Hicks attended her sister as maid of honor. In identical mint green dresses and holding matching bouquets of daisies were bridesmaids Janet Parto and Mildred Lusk of Northville. Debbie Wilson was the flower girl.

Mr. and Mrs. Jerrie Warren Jaris, Jr.

The groom, whose light blue with white accessories, followed the wedding, 200 guests from New York, Ohio and several Michigan communities, including Northville and Plymouth, attended a reception held at the church. Light blue with white accessories was the bride's going away outfit. The couple chose northern Michigan for their wedding trip.

This fall Mrs. Jaris will resume studies at Northville high school as a senior. Mr. Jaris was graduated from Plymouth high school in 1956. For her daughter's wedding Mrs. Hicks wore navy blue with white accessories. Mrs. Jaris, mother of the groom, chose light blue with white accessories.

Of what honorable intentions fall by the way in the face of getting done today what has to be done. We're looking specifically at reading, and even more specifically reading some of the great books which maintain their greatness over the centuries. Well, help is on the way.

A new idea is gaining momentum (and follows) around Detroit. It's called "Great Books Discussion Group." Membership is open to all adults in a community, no special educational background is required and no tuition.

The groups meet every other week for a two-hour discussion of a great book. The meetings are not billed symposiums that tax a reader's patience or spawn his boredom. Rather the thoughts and observations of what has been done, the greater will be his power of knowing what to do.

Catherine (Mrs. Harold) Hartley is working on a series of oil paintings of familiar Northville buildings. So far she's done several churches and the city hall. Mrs. Hartley portrays the buildings on a masonite composition and uses wood frames. The paintings will be displayed soon in the record window. She intends to sell them.

It's not too long before Torch Drive volunteers will be calling on local residents in their annual fundraising campaign. Mrs. Harold L. Wright, 1986 Westhill, will supervise some 125 helpers as division chairman in charge of Northville.

Individual School Meetings To be Introduced by P-TA

In an attempt to facilitate a closer contact between a parent and the teachers and school directly serving that parent's child, the meeting schedule and structure of Northville's Parent-Teacher association will be revamped this year, reports Mrs. Robert Beerbower, co-president of the association.

Previous years have seen the P-TA holding consolidated meetings once each month with teachers and parents of children from all four schools attending. The P-TA executive board over the past few months, says Mrs. Beerbower, has been making final arrangements whereby every other month a meeting will be conducted at one of Northville's four schools. On alternate months the meetings will be general consolidated gatherings at the Community building.

The new "building meetings," says Mrs. Beerbower, should enhance parent interest and boost attendance because they will furnish parents the opportunity to meet with teachers and school officials particularly involved with the education of their children.

At the first meeting Thursday, September 22 the new organization of the P-TA will be explained, teachers will be introduced and other general business will be followed by a social hour. The meeting is scheduled for 8 p.m. at the Community building.

KITCHEN DIARY

Make Mine A Hamburger

What's more popular with everyone and easier to prepare than a good, juicy hamburger? Mrs. Frank Oglesby of 6230 Fairway Three drive this week gives readers a recipe for open-face hamburgers which she says "has been our favorite for over 20 years." "It's surprisingly simple," she notes, "but so delicious."

And for dessert Mrs. Oglesby shares her recipe for Sour Cream Banana Cake. A banana flavored cream cheese frosting is especially good, says Mrs. Oglesby, but her family usually prefers a plain topping. To insure a real banana flavor, she suggests using real ripe fruit.

OPEN-FACE HAMBURGERS

Mrs. Frank Oglesby

- 1/2 pound hamburger
- 1 small onion, finely chopped
- 3 tablespoons chili sauce
- 3 tablespoons Worcestershire sauce
- 2 tablespoons milk (approx.)
- salt and pepper

Mix ingredients and spread evenly to edges of hamburger buns to allow for meat shrinkage during broiling. Dot with butter and place under broiler until brown.

SOUR CREAM BANANA CAKE

- 1 1/2 cup sugar
- 1/2 cup butter
- 2 eggs
- 1 teaspoon soda
- 4 tablespoons sour cream
- 1 cup mashed ripe bananas
- 1/2 cup pastry flour
- 1 teaspoon vanilla
- 1/2 teaspoon salt

Add soda to sour cream. Cream butter and sugar and beat on lightly. Add sour cream mixture and beat well. Mix in bananas and vanilla. Pour into a buttered oblong pan at 350 degrees for about 45 minutes.

"I look upon every day to be lost, in which I did not make a new acquaintance." —Samuel Johnson

HAMILTON, ONTARIO was the last home for newcomers Mr. and Mrs. Douglas M. Park of Thornapple lane. They lived in the Canadian city for over 20 years before moving to Northville.

This week's newcomers, Mr. and Mrs. Douglas M. Park, live at 4800 Thornapple lane with a felicitous friend named "Boots" that Mrs. Park fondly calls an "only cat". The Parks came to Northville from Hamilton, Ontario, where they had made their home for over 20 years. In that time Mr. Park worked for the Association Spring corporation and he and his wife formed a very close friendship which they renew in the summer when they return to Hamilton's familiar lake to visit and vacation.

After residing in one community for such a creditable length of time, Mrs. Park (Alice) said she and Mr. Park did some careful shopping before settling in Northville. Besides caring for her husband and home, Mrs. Park gardens. She plants, weeds and enjoys all kinds of flowers and vegetables. Eventually she says she will return to volunteer work which occupied much of her time and interest in Hamilton. Both she and Mr. Park golf and play bridge. And like so many other men, Mr. Park enjoys dropping a fishing line into a well-stocked lake or stream.

OUT OF THE PAST

ONE YEAR AGO . . . Recording was perfect scores, the Northville Topnotchers Equestrian team won the major honors of the International Junior team trials conducted over the two-mile circuit at the Bloomfield Hunt Club.

Oakland county road officials notified the village that it plans to start rebuilding Novi road early next spring.

New delays in renovation of Community General hospital (formerly Sessions) brought a sudden postponement to plans for an open house this week end.

However, the new owners — hurrying to complete improvements totaling \$100,000 — announced definite plans for a public showing September 6.

Northville's board of appeals granted exceptions to the city building code to four applicants but rejected another in a special meeting last week.

The city council will open and award — bids for the sale of 200,000 gallons of water system improvement bonds tonight (August 27) at the city hall.

It is expected — presuming the interest rates are acceptable — that funds to permit work to begin on the project will be available within 30 days. The entire project will take 120 to 200 days.

In Uniform

Long Beach, Calif. — Don W. Belinger, guided missileman, USN, son of Mr. and Mrs. William Belinger of 8925 Chubb road, is serving aboard the Pacific Fleet guided missile light cruiser USS Providence which arrived in her new homeport of Long Beach, California July 29 after commissioning and outfitting in Boston, Mass. While in transit from Boston to Long Beach visits were made to Charleston, S.C., Houston, Texas, and Mexican and Central American ports. The Providence will provide fire-power for the fleet in air defense.

Great Lakes, Illinois — Ray F. Hood of 829 Grace, and Ronald F. Lahr, son of Mr. and Mrs. Fred W. Lahr of 816 Carpenter street, both of Northville, graduated from recruit training August 6 at the Naval Training Center, Great Lakes. The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries. In nine weeks of instruction, the "raw recruits" is developed into a Navy Bluejacket, ready for duty with the fleet.

Law Requires Shots for All New Students

Michigan has a new immunization law which requires that all students enrolling in any of the state's schools for the first time must show a statement signed by a physician that they have been immunized against smallpox, diphtheria, lockjaw, whooping cough and polio.
In case of religious or other objections to immunization, the school will need a statement to that effect signed by one parent or guardian.
The new law also provides that a parent or guardian may sign a request authorizing the local health department to give the needed injections.

Police Pursue Driver, Look For Thieves

Property theft and damages and a traffic mishap were major cases investigated by Northville's police department during the last several days.
On August 19 a yet unknown subject or subjects unsuccessfully attempted to enter the city's new water tower by prying the lower door. The trespassers apparently tried to force the door with an iron bar which officers found nearby.
Lumber valued at \$200 was removed from a house under construction for Edward Willenborough on Chigwinde drive. Three days before the owner's August 20th report to police, neighbors said they saw and heard a truck on the Willenborough property in the early morning hours.
Last week owners of the MacDonald Valley View farm, 4600 West Eight Mile, reported that a large amount of produce had been stolen from their property by someone who smashed a gate to enter the farm.
Two policemen, Sergeants Frank Heintz and Leonard Mazuchowski, were needed to apprehend a Detroit resident, Robert Lashbrook, the morning of August 21, when Lashbrook lost control of his car. He slid through the Seven Mile-Northville road intersection, crashed into a mailbox, drove across the lawn of Emil A. Novitski and continued traveling on Seven Mile. Sgt. Heintz, patrolling the area, pursued Lashbrook. The Detroitier refused to pull over and Heintz called for the assistance of Sgt. Mazuchowski. The two officers finally forced Lashbrook to a halt. He was fined the next day on two counts — driving on a suspended license and doing so under the influence of alcohol.

A FOOLISH PATIENT

Suppose a man afflicted with a heart disease would consult a doctor who, after a thorough examination, prescribed medicine for him and advised him to take things easy and, after paying the doctor, would leave the doctor's office and forget all about the diagnosis that were given him. Would that not be a foolish thing to do? It would be a waste of time and money. Yes, it is not like so many people do with the Gospel?
They go to a church, perhaps contribute freely, they hear their condition diagnosed in the light of the word, they hear of the remedy (how to be saved) and go away from the church without ever intending to do anything about it. People may be classed in three ways — First, the man who does not know his lost and undone condition but refuses to accept the means of grace provided, and Third, the man who realizes his lost condition and accepts the Lord as Savior. The first man has our sympathy for he is not informed — but the second class that do not do anything about it are certainly not behaving themselves wisely. For the eternal welfare of your undying soul do not delay to accept God's means of Grace.

Clowns, Rides, Pie, Prizes Spell Fun

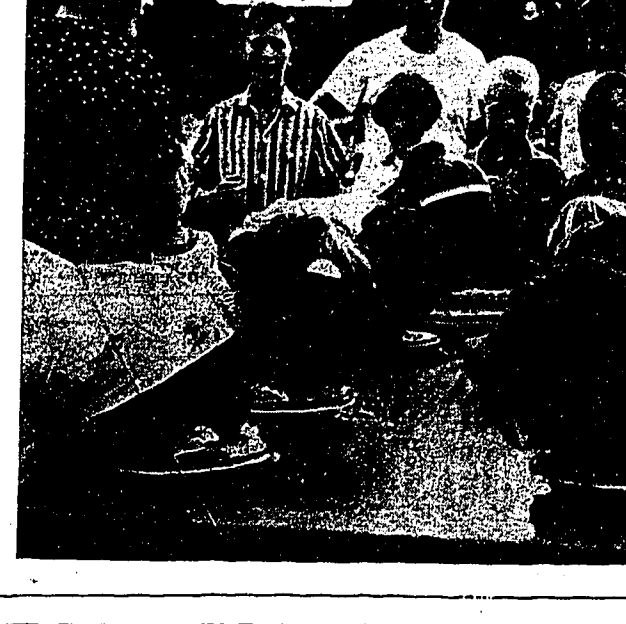

THE NOVI NEWS

Robert Miller, chairman of the Legion's Homecoming celebration, gives Jean Malloy a silver dollar as winner of the girls' pie-eating contest.

Hands behind their backs, boys and girls plunged their faces into cherry pies in the Legion's pie-eating contest. Winners received a silver dollar and a tummy full of pie.

FASCINATING FACTS ABOUT NATURAL GAS

"REBELLION" — Mother of Invention
In the early 1800's a Gas water heater (though manually-operated) was a very popular addition to any household. But in 1899 Mr. Robertshaw, a busy man with a large family, rebelled against constantly heaving to the ceiling to turn the water heater on and off. He therapeutically developed a thermostat which automatically regulated the flow of the Gas and maintained water temperature.
Today millions of consumers enjoy the benefits of Natural Gas through the invention and perfection of many wonderful, time-saving, automatic-controlled Gas appliances. Constant research and expense have resulted in the development of millions of dollars more life more pleasant and work more efficient wherever this dependable "wonder fuel" is used to heat, air-condition, cook, refrigerate, dry clothes, heat water and incinerate.

*Gas Service is both reliable and automatic — always responds silently, accurately and safely to all thermostatic settings on any modern, automatic Gas appliance. Call or write Consumers Power Company and learn how many ways Gas can serve you.

Rodeo favorites were the clowns and their trick performing donkeys. In between calf-roping, horse riding and bull-dogging acts the clowns kept the crowds laughing.

One of the busiest men at the Optimist Rodeo was Roger McClain, general chairman.

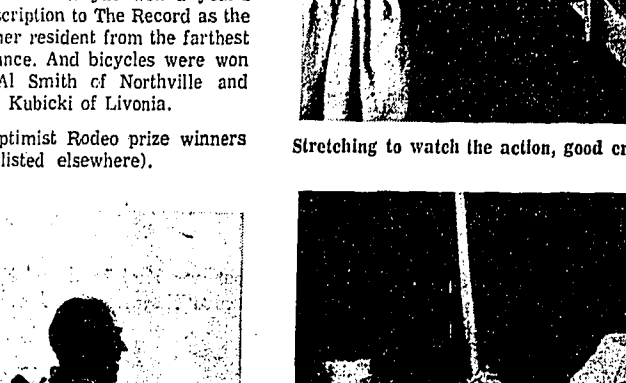

See cold pop! Optimist Dempsey Ebert sold his soft drinks to thirsty rodeo fans in the stands.

Shower Saturday afternoon interrupted the Homecoming program, but they were resumed as planned.

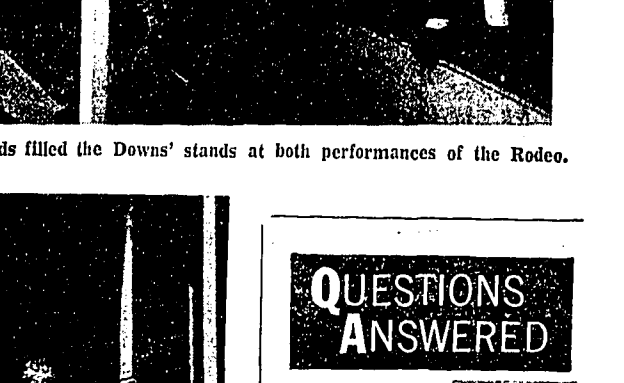

Big crowds attended both performances of the rodeo on Saturday night and Sunday afternoon.

Optimist Rodeo prize winners are listed elsewhere.

Stretching to watch the action, good crowds filled the Downs' stands at both performances of the Rodeo.

Sisters Debbie and Cathy Nunery rode the merry-go-round, traditional favorite of youngsters.

BEST TIME OF YEAR TO BUY!! THE YEAR'S BEST SELLER

CHEVROLET

You couldn't pick a better time to buy your new Chevrolet (or Corvair) than right now when more people are buying them than ever before. Chances are good you're going to like what Chevy's got just as much as everybody else. (Especially the money you'll save.) Check your dealer on the details while there's still a wide choice of models.

CHEVY'S CORVAIR THE YEAR'S AWARD-WINNING CAR

Corvair—already proud winner of Motor Trend magazine's Car-of-the-Year award for engineering advancement—now walks away with another one: the coveted Industrial Designers Institute Gold Medal. The award was presented to William L. Mitchell, General Motors vice president in charge of Styling Staff, in recognition of Corvair's "finely scaled proportions, with a minimum of ornamentation." Your Chevy dealer's waiting to show you Corvair's everything the experts say it is.

LIVING IN THE IMPERATIVE

The world has moved forward little by little by imperatives. These are the commands that have come from others, or from above, or from within, that have prompted action. Of all the moods we have, the imperative has in it the most urgency and hope. Take it out of life and there would be such an easy-going, wish-washy way of living that we would soon grow weary of its lack of drive.

At the age of twelve years Jesus showed that he was living in the imperative. He went with his parents to the Festival of the Passover in Jerusalem. Seated among the teachers of the Temple, He listened to them and asked them questions. With the eagerness of an open mind and with simplicity of spirit the maturing mind of Jesus was thrilling to the insights of his elders. Beyond the call of home was the call of One above whom He called Father. To His parents who came for Him, Jesus said: "Did you not know that I must be in my Father's house?"

We find his imperative quality of Jesus at He moves into the ministry of preaching and teaching. It seemed as though He was in a race against time. He did not want to waste any precious hours, but He wanted to glorify them by a perfect obedience to His Father's will.

There are two things that have meant everything to the Christian faith, both at the outset and now. One is the message and the other is the man. The Christian imperative is a combination of both. It is the word made flesh. What makes the Christian faith imperative and compulsive is that a powerful message was met by a powerful life. Jesus calls us through the centuries, and the answer to an imperative message is an imperative life.

The message of God as taught by Jesus is comforting, saving, challenging and revolutionary. Peter preached it and when he had finished the people who heard him were cut to the heart. They said to one another, "Brethren, what shall we do?"

This is the truth for which you long. It is music to your ears, a symphony from above. It is bread to the hungry and cool water to quench the thirst. What shall we do with the message? Live it. Put it in your life. Make it work. Let God work in you, until the accomplishment of His designs. Living in the imperative is to give your all to God. It reminds me of a modern parable.

Once upon a time there was a church down by the sea, whose members prided themselves on keeping the whole law. They met their missionary appointments in full, and when a plea came from famine sufferers in China asking them to send a gift, they did not know that it was the Lord writing. They thought it was the district superintendent. They wrote back that they would like to help, but that they had given all they could this year for foreign missions.

The Lord uses strange instruments to open blind eyes. That same summer a ship was wrecked off the coast where this church stands, and there were friends and loved ones of the church members on the sinking craft. High on a chair on the beach sat a life guard. While anxious souls crowded the beach, the life-guard launched his boat into the sea and battled his way to the rapidly sinking ship. Ten drowning men the guard brought to loved ones on the shore. As he lay panting for a moment on the beach, one of the church members cried, "Don't stop! Don't rest! My boy's out there! Hurry!"

"I'm a tither," said the guard. "There were only one hundred out there. I brought in ten." The church members could not believe their ears. Some swore. Some prayed. Many threatened the man. They cried, "You're not fit to be a life-guard. A life-guard must keep going out till every man is saved, or until he loses his own life."

The guard, who knew the people well, and loved them all, smiled and plunged his boat again into the seething waters. Long afterward, when he had brought everyone safe to land, and hovered between life and death himself, from exposure, the tithing church members recalled a truth wrong from their own lips in the hour of need — "A life guard must keep going out until every soul is saved." When they tried to thank him he said, "That's all right. I did only that which it was my duty to do."

The church members bowed humbly, remembering the appeal which they had turned down, and said to one another, "It is the Lord speaking to us." Living in the imperative is to do always what it is our duty to do in the spirit of Christ.

These Kids Took A Back-to-School Shopping Tour in Northville

An orlon bulky knit sweater with matching skirt catches the eye of Grace Brinson at Villa Dress Shoppe. The sweater is priced at \$6.95 and the skirt \$6.98. Shop Owner Mrs. Gladys Wallace is shown with Grace.

Like many other youngsters, Debbie Hines carries her lunch to school. She's looking at a lunch box and thermos at Northville Hardware specially priced at \$1.88. With Debbie is Estie Ninder.

Tom Daniels visited Tewksbury Jewelers to see the Shaeffer Snorkel pen and pencil set. The set sells for \$22.75, or individually the pen is \$15.50 and the pencil \$7.25. Helping Tom is Otis Tewksbury.

A notebook and paper will be important items to Brian Tabor as soon as school starts, so he checked the supply at the D&C store. He found a host of school supplies there including tablets, rulers, erasers, pencils, etc. Esther Osborn shows Brian the popular two-ring notebook.

The highback orlon pullover sweater by Ruby is admired by Bob Nauman at Freydl's Cleaners and Men's Wear. Charles Freydl is showing him a pair of olive-colored matching slacks by Van Heusen. The sweater sells for \$10.95 and the slacks are priced at \$8.95.

Little Betty Jo Terry went right to The Little People Shoppe to look at school clothes. She selected a Royal O washable jumper, blouse and matching hat priced at \$12.98. Other back-to-school dresses are priced from \$4.98 in sizes up to 8. Mrs. Donald Ware helps Betty Jo.

Janet Wilson will be a freshman at the University of Michigan this fall so she's interested in the Lighthouse study lamp at \$22.95 at Schrader's Home Furnishings. Harry Sedon is also showing Janet a blond mahogany student desk with Formica top at \$59.95 including chair.

This dress at Brader's brought a smile to the face of Maureen Pauli. It's a cotton wash-and-wear modal priced at \$3.98. Other back-to-school dresses in sizes up to sub-teen are priced from \$1.98 to \$5.98. Mrs. Leo Mainville is waiting on Maureen.

It didn't take Jim Patrick long to make up his mind about this McGregor "Sunberg Zip Showl", zipper front sweater with shawl collar. Jim Patrick shows him the popular model. Prices range from \$8.95 to \$15.95.

PEEPERS - Pet chickens are not unusual, but Peepers, a pet owned by Ken and Bill Sproule, 4700 West Six Mile road, isn't just any chicken. He's smart, tame and lots of fun, the boys explain. Peepers is such an interesting chicken, the boys were prompted to write a story about him, which they sent to the newspaper office. Peepers is shown above sitting on Bill's hand.

Twins' Pet Bantam Rooster Is Short-Story Subject

Two Northville township youngsters, who probably have their eyes on a good grade in English next fall, brushed up on their writing last week.

Bill and Ken Sproule, 11-year-old twin sons of Mr. and Mrs. F. R. Sproule, 4700 West Six Mile road, wrote "a story about a pet chicken named 'Peepers' and sent it to the newspaper office.

Although this story was not a school assignment, youngsters in area schools probably will be asked to write about similar summer experiences - and Bill and Ken will have a head start.

Here's a sample of what a teacher might expect:

Peepers is a bantam rooster and he belongs to William Sproule and Kenneth Sproule on 6 Mile road. Peepers was hatched in a one egg incubator, in the house. All he did was peep, until he was old enough to be put outside with the rest of the chickens. He is now about five months old, and is getting along fine with the rest of the chickens. He is the smallest rooster in the barnyard, but he can run faster than any of them. Peepers is black and light brown with white speckled spots and has some green on his tail. He doesn't peep any more and can crow a little bit."

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at City Hall Monday evening, Aug. 15th, 1960 at 8:00 P.M.

Present: Mayor Allen, Councilmen Canterbury and Welch.
Absent: Councilmen Juday and Reed.

Minutes of last regular meeting and of Special meeting of Aug. 8th, 1960, were read and approved.

Bills amounting to \$18,788.73 from the General Fund, \$2,560.74 from the Water Fund and \$40,083.00 from the Water Construction Fund were presented for payment, and it was moved by Allen, supported by Welch, that same be approved. Carried.

With reference to administrative salaries, it was moved by Canterbury, supported by Welch, that the City Manager salary be increased \$300 annually, retroactive to July 1st, 1960. Carried.

A lengthy discussion was held regarding the hospital authority proposition. Mayor Allen, who has attended the community meetings with reference to this matter, stated that a number of the communities vitally interested in forming such an authority are desirous of having Doctors of Osteopathy included as staff members, which is against the regulations of an accredited hospital. The next meeting of this group will be held at Millford High School Friday, Aug. 26th, 1960. It was moved by Canterbury, supported by Welch, that Mayor Allen be appointed to represent the Council of the City of Northville in connection with the meetings and appeals being made by the various communities looking toward the formation of a hospital authority. Carried.

Mgr. Robertson reported he had attended a meeting of the Wayne Co. Board of Public Works last week. He came to the decision that the best way to get the sewerage plan before the Council is to get a representative of the Wayne Co. Public Works Committee to come out to talk to a joint meeting of the Township and City, which meeting will be arranged for Aug. 29th or 30th.

There being no further business to come before the meeting, same was adjourned at 10:45 P.M.

Explosive Cuba

Babson Park, Mass. — There are several "volcanoes" throughout the world which may erupt at any time. My travels to Berlin last year taught me that the situation there could be the most serious. The one nearest home, however, is Cuba. Both Mr. Nixon and Mr. Kennedy should visit Cuba at once.
