SPEAKING for the Record

It has been a general rule of the "Speaking" column to confine its comments to strictly local issues that by reason of direct contact a special knowledge has been gained to give qualification to our remarks.

This week, however, a release came to our desk that touched upon a subject close to our heart. It has no connection with any area organization.

But upon deeper consideration it is evident that this issue is local and as important to every single individual in the nation as it holds for the basic principles upon which our nation was built.

The release in part reads as follows:

The United States Catholic bishops have issued a statement after their annual meeting in Washington emphasizing the importance of the individual. The bishops say the great need of our country is to stress individual responsibility. The 227 Catholic leaders maintain that our national characteristics of individual responsibility and initiative are under heavy pressure. They say "uniformity of thought is too often encouraged and rewarded" in industrial corporations, labor unions, and political parties.

The bishops say a sense of personal responsibility comes from deep religious convictions. In appealing for action, the Catholic bishops ask the individual American to assume as his proud right the accomplishment of what he can do for himself and for others. Such an action — the bishops say — will cure the mental lethargy and inertia which permit organizations to usurp, mainly by default, the rights of their members.

These words "individual responsibility" and "initiative" — and "assume as his proud right the accomplishment of what he can do for himself" are terribly important. And I am heartened that Americans with the influence of these 227 Catholic bishops propose a program of action to restore virtues, which I fear have passed out of style.

I second their motion — and would call upon our political leaders at home, in Lansing and Washington, D.C., to conduct a "do for yourself" campaign with the same gusto the government has undertaken to sell its war, defense and savings bonds.

This is more important than all the money in the world; it just might ward off a decay from within that would leave us more horribly scarred and useless than the most deadly atomic bombs and missiles.

I cannot believe that we have become so helpless that both our major political parties must find it necessary to out-trump one another in social legislation to win our vote.

We have an obligation to help provide for those unfortunate who, for some reason or other, cannot provide for themselves. But it should not be our goal to build this minority into a majority and remove all desire or necessity for one to provide for one's self.

There are great areas in education, medical aid and research and assistance to under-developed countries where the federal government must play a key role and spend heavily.

But personal responsibility starts with the individual and should move from there to the head of the family, the employer, the local government, the state and finally the federal government.

I fear this order has been reversed.

And I cannot subscribe to the theory so often heard: "socialism is bound to come, there's nothing we can do about it."

As responsible individuals, we can fight it.

Michigan Mirror The State Issues

ANY NUMBER of issues could make the 1961-62 session of the Michigan Legislature the liveliest in years. Perhaps three stand out above the others: From where in the state to elect the entire Congress Michigan becomes an issue and holding a one-seat edge in the state house of representatives, this is unlikely.

Provisions to bring about a constitutional convention if one is approved by voters at the spring election. Add to these the routine and recurrent problems such as appropriations and pork barrel legislation and you have the makings of a session that could out-do the year-long "cash crisis" session of 1959 for fireworks.

Both Republicans and Democrats, of course, want the new Congressman to be of their political faith.

Because of Michigan's rural-urban split, the area which is given the right to elect the new Congressman can make a pretty good case for at least one or two areas where it is stronger.

One obvious solution would be to split one of the highly populous areas of Wayne county.

This would almost certainly give the seat to the Democrats.

Two other suggestions affecting southeast Michigan although not Wayne county would very possibly result in Republicans claiming the seat for one of their members. One plan would detach Macomb county which are imposed on special groups or special types of transactions. This would mean special interest forces would fight hard for advantage.

CON-CON PROBLEMS can be expected to haunt lawmakers for some time to come.

Not only must they provide for the means of selecting the delegates to a Con-Con, they must make provision for a place to hold one and vote the money to pay for it — estimated at better than \$2 million.

The thorny question of whether to nominate candidates for Con-Con delegates in party convention, party primary or non-partisan caucus could be itself be dramatic.

Recalcitrant lawmakers could, by dragging their feet, put a serious hitch in Con-Con plans even if voters give quick approval right down the line.

Other suggestions call for division of populous Oakland county, presently represented by Republican William S. Broomfield, into two parts.

While Democrats would stand a fairly good chance of electing a representative from a divided 18th, Republicans would almost certainly retain Broomfield and it seems likely a second Congressman of his party would sweep their feet, put a serious hitch in Con-Con plans even if voters give quick approval right down the line.

Theoretically, each Congressman should represent the same number of people.

Other suggestions call for division of populous Oakland county, presently represented by Republican William S. Broomfield, into two parts.

While Democrats would stand a fairly good chance of electing a representative from a divided 18th, Republicans would almost certainly retain Broomfield and it seems likely a second Congressman of his party would sweep their feet, put a serious hitch in Con-Con plans even if voters give quick approval right down the line.

THE NOVI NEWS TO BUY, SELL OR RENT FASTER TRY OUR WANT ADS Fieldbrook 9-1700

FLAMES engulfed the huge storage barn of a West Eight Mile road farm adjacent to Northville Estates Sunday afternoon. Damage was estimated at \$9,000. Apple crates and farm equipment were stored in the scotch destroyed. Northville and Novi firemen saved a cold storage section of the barn (at left) in which several hundred bushels of apples were stored. The farm is leased as an orchard, but no one resides there. Hundreds of residents from the area drove to the scene to witness the blaze.

Fire Destroys Huge Apple Orchard Barn

Fire completely destroyed a huge portion of a storage barn on a West Eight Mile road apple farm Sunday afternoon with flames attacking residents from miles around to the site.

Authorities estimated damage at \$9,000.

The 48-acre farm, was formerly the property of the late Paul Bayless family, but is now owned by a real estate firm, Coventry Corporation, of Detroit.

The orchard has been leased to Giuseppe Maiorana of Livonia and the barn was being used for storage of apples, crates and other equipment. No one resides on the farm.

Firemen from Northville and Novi fought the flames for nearly four hours after arriving at 4:30 p.m.

Although the south end of the barn contained 6,000 apple crates, a tractor, grader, apple duster and compressor burned to the ground, the cold storage section

containing some 400 bushels of apples was saved.

The farm is located on the north side of Eight Mile road just east of Northville Estates subdivision. It is a part of the 285-acre Novi area annexed to the city of Northville last spring.

Northville and Novi firemen were hampered somewhat in their task by hundreds of curious residents whose cars lined both sides of the highway for several hundred yards.

Because there are no fire hydrants at the site of the fire, the pumpers had to make several trips back to the city limits to reload their tanks at the city hydrant on Randolph and return to the scene.

Police worked at the scene directing traffic and maintaining clearance for the fire trucks.

Firemen were summoned by a neighbor in Northville Estates whose children noticed the flames from their backyard. Guess of the fire has not been determined. Northville high school, junior high school or Fire Chief William McGee is both.

Other matters on the agenda will include a report on the school libraries by Mrs. Verna Allen, school librarian, and information on tests for students. In addition bids are expected to be received for new lighting in the Novi school.

Representatives of an architectural firm are expected to be on hand to answer questions and provide details of the new school site. It has been suggested as a site for a new high school, junior high school or

Over the years, annexation, incorporation and disincorporation have reduced the map of Novi to a crazy patchwork of undulating boundaries.

And the "land grab" apparently is far from complete.

Just recently, the Novi village council learned that another local resident has petitioned the court for disincorporation from the village.

John Oslin has asked the court to disincorporate 189 acres of this property bordering on 13 Mile road, near East Lake drive. If he is successful he will become the fifth Novi resident to win disincorporation.

When property is disconnected from the village, it remains within the boundaries of Novi but only as a part of the township. And as a disconnected parcel, the property can be taxed by the township. Technically township services only are not entitled to village services.

Oslin, like the four other property owners who have won similar court suits, is seeking disincorporation under an old state statute which permits farm lands to be disconnected, provided the property meets the following requirements:

- the land is used for farming purposes only; - the land is located on the boundary of the municipality; - the land has not been subdivided or platted; - the land covers 10 acres or more.

Properties which have been disconnected from the village under this statute are 40 acres owned by Mrs. Clarence Welfare located at Beck road and Pontiac trail; 106 acres owned by John McGee on Higley near 13 Mile road; 156 acres owned by William Chase near Novi and Eight Mile roads; and 87 acres owned by Bert Welfare on 14 Mile

McCreey Gets 60-day Landfill OK

Landfill operator Gus McCreey grabbed up the "one last chance" offered him last week by the Novi village council and submitted a formal application Monday night to operate his 10 Mile landfill within the limitations set down by the village ordinance.

After lengthy discussion and deliberation punctuated by icy but generally polite conversation with the landfill operator — the council accepted the application and granted McCreey a limited license.

According to the ordinance passed by the council, McCreey has exactly 60 days to bring his landfill up to standards specifically laid out in five points tacked on to the conditional license.

Howard Road, village attorney, dictated Councilman Walter Turck's motion to Village Clerk Mrs. Mable Ash, stating that McCreey:

— Continue his operations so that final elevation of his landfill conforms to the existing land contours of the area and permit water under the age. The final elevation includes the final two-foot packed cover as stated in the village's landfill ordinance.

— Bring his cell-type operation in conformance with the standards defined by the ordinance within 60 days and interpreted by an acting village administrator.

— Clear, cover, compact and seed the C&O railroad right-of-way as soon as weather permits.

— Complete at least the first 100 feet north of the southern boundary of the landfill within the 60-day term of the limited license.

— Be granted a conditional license which will be subject to the conditions set forth in the ordinance.

— However, city officials will be hoping that the windows will arrive in time so that the building can be opened by Christmas. The building is located off Pontiac and is a five garage, fireman's office, firemen's quarters and offices for the police, clerk, treasurer and mayor.

Although no arrangements have been made, a grand opening ceremony is planned for the new building.

Brooks said, "Presumably, the grand opening will be at least as important as the cornerstone laying ceremony which was conducted more than 20 months ago.

At that time hundreds of Wixom residents and area visitors were present, as were several prominent area municipal and industrial leaders.

The \$48,000 city hall, when completed, will be a modern one-story structure, constructed of concrete blocks, brick and aluminum, and porcelain exterior facing.

By utilizing an existing concrete children cove, the basic 100,000-foot structure has appreciably increased in size at a minimum of additional expense, Brooks said.

According to Brooks, the council favored the addition to original plans because (1) more room was needed to accommodate department of public works offices and Storage and (2) the cost per square foot of the addition was only about half of the cost of the basic building.

"I'm very proud of the size of our building and its efficiency, and I think we got a wonderful bargain with the addition."

This addition is approximately 32x28 feet in diameter. Part of it will be used for a conference room, part for a DPW office, and part for storage of DPW equipment.

The remainder of the building (the entire building is officially called a "municipal building") will contain five garage, fireman's office, firemen's quarters and offices for the police, clerk, treasurer and mayor.

Other area chairmen include Mrs. Vernon Vandiver, Commerce township, and Mrs. Virginia Letring, South Lyon.

"These leaders were selected because of their intense enthusiasm for the work of the March of Dimes and because they previously have displayed leadership activities in other civic activities," said County Chairman George W. John.

Chairman Kuhn explained that the top leaders serve in two capacities. The first team is the area chairmen. These people, he said, are responsible for general campaign planning, and also provide the initiative and follow-up required to see that plans are carried to completion.

The second, he added, is called the "Mothers' March" chairman, whose responsibility is to build an organization which on January 31, will go door-to-door in a parish-style parade to accept contributions to the March of Dimes.

"The latter group is the real work force of the March of Dimes," John said, in giving credit to the force of approximately 10,000 volunteers whose goal in January will be to contact 100 percent of the Oakland county homes.

The Novi post office will remain open, beginning Monday, December 19 through 23, until 9 p.m. The office will close at the regular time the following day, Saturday, December 24.

Postmaster Herbert Abrams of Wixom announced similar hours. His office will be open from 8 a.m. to 4 p.m. on December 12 to 16. On Saturday, December 17, the office will be open until 5 p.m.

The Wixom office will be open from 8 a.m. to 5 p.m., December 19 through 22. Thereafter, regular office hours will resume.

Both postal officials reminded area residents that all post cards, sealed or unsealed, require 4-cent postage to Canada or Mexico. Cards sent to other countries require 6-cent postage for unsealed envelopes, 8-cent postage for sealed envelopes.

Novi Woman To Chairman 'Dimes March'

Fifty-five top leaders in the Oakland county March of Dimes drive, including several from this area, were named this week for the county-wide solicitation next January.

Mrs. Bernard Marchetti, 2825 West 14th, was named to chairman both the Novi area campaign and the all-important Mothers' March committee.

Other area chairmen include Mrs. Vernon Vandiver, Commerce township, and Mrs. Virginia Letring, South Lyon.

"These leaders were selected because of their intense enthusiasm for the work of the March of Dimes and because they previously have displayed leadership activities in other civic activities," said County Chairman George W. John.

Chairman Kuhn explained that the top leaders serve in two capacities. The first team is the area chairmen. These people, he said, are responsible for general campaign planning, and also provide the initiative and follow-up required to see that plans are carried to completion.

The second, he added, is called the "Mothers' March" chairman, whose responsibility is to build an organization which on January 31, will go door-to-door in a parish-style parade to accept contributions to the March of Dimes.

about WOMEN

3 Cities' Artists Sell Wares

The Three Cities Art club will hold its sale of art objects this Saturday from 11 a.m. to 3 p.m. and Sunday from 11 a.m. to 7 p.m. at the Northville community building.

Co-chairmen Mrs. Kathleen Edgerton and Linda Kate Edgerton have announced that both craft work and fine art objects will be placed on sale. Among the articles will be paintings, ceramics, jewelry, puppets, mosaics, Christmas cards and other craft work.

Artists from Northville, Plymouth, Livonia, Farmington, Walked Lake and Wayne will have work in this display.

Artists from the Northville area who will have work on exhibit are Mr. and Mrs. Don McKennie, Mrs. Harold Hartley, Mrs. Kate Edgerton, Miss Linda Edgerton, Mrs. Marjorie Becker and Mrs. Albert Spaeth.

News Around Northville

Mrs. Oscar Hammond will entertain the 12 women of her birthday club next Tuesday evening, December 13.

The regular meeting of the WOMEN'S NATIONAL FARM AND GARDEN association will be held on Monday, December 12, at 12:30 p.m. in the home of Mrs. Paul Scholz, 4675 West Seven Mile road. Women are asked to bring a pastiche dish, table service and a 50-cent gift.

Guests of Mrs. James Spagnuolo last week were her sister, Mrs. C. Lemieux of Stony Point, Ontario, and Mrs. Mary Kearns of Ylbury, Ontario.

Mr. and Mrs. Jack Maas, 128 Walnut, will be having house guests from Tillburg, Holland, during the next few months. Their guests are Mr. Maas's brother and sister-in-law, Mr. and Mrs. Jan Maas, who plan to make their home in the United States.

Bazaar articles remaining from the Methodist church's HOLLY MART will be sold in the church's fellowship hall from 1-8 p.m. this Friday.

Mother's Club Plans Christmas Party

Members of the Northville Mothers' club will meet at the home of Mrs. Wayne Wilcox, 4524 West Seven Mile road, next Monday evening, December 12, for a Christmas party. A potluck dinner will be served. Mrs. Grant Allen, Mrs. Fred Schwarz, Mrs. B. G. Elliott and Mrs. William Davis are hostesses. The party begins at 6:30 p.m.

Mothers are asked to bring a passing dish along with \$1 to donate to a fund that the club plans to give to a charitable organization.

Mrs. Everett Higgs of the Detroit Garden center and Mrs. George Jerome will round out the program. Mrs. Jerome will sing, and Mrs. Higgs will demonstrate how to make Christmas decorations and arrangements for the home.

New members will also be honored.

LaCelle-Tompson Vows Spoken in Novi Church

Miss Nancy LaCelle, daughter of Mr. and Mrs. Leo LaCelle of Redford, became the bride of Gary Tompson, USN, Friday afternoon at a two o'clock double ring ceremony in the Novi Baptist church.

Arthur George, Jr., was the groom's best man.

Doreen LaCelle was her sister's maid of honor.

The bride was gowned in white lace and her bouquet was made up of white mums. The maid of honor wore pink lace and carried a pink bouquet. The bride's mother's dress was also lace in royal blue. Only a small group of relatives were present for the ceremony.

The NORTHVILLE ADULT CAMERA CLUB will meet at 8 p.m., December 14 in the Northville library. Guest speakers that evening will be the Harold B. Putnam's program, "Michigan in Pictures".

Thanksgiving dinner guests of Mr. and Mrs. Clifford Stevens of High street were Mr. and Mrs. Keith DeSoyler and their daughter, Susan, of Detroit, Mr. and Mrs. Spencer Van Valkenburg and their daughter, Cecilia and Donna, of Vicksburg, Mr. and Mrs. Glenn Gordon and Mr. and Mrs. C. R. VanValkenburg of Northville.

Plymouth Chorus-Symphony Present The Messiah Sunday

The Plymouth Civic Chorus will join the Plymouth Symphony orchestra for the presentation of "The Messiah" Sunday at 4 p.m. in the Plymouth high school auditorium.

Four popular Detroit area artists, Eleanor Burton, soprano; Shirley Love, mezzo soprano; Fred Kendall, tenor, and Nat Sibbold, bass, will be featured soloists with the chorus.

Wayne Danlap, conductor of the Plymouth Symphony, has announced that "The Messiah" will be performed in its original form — equal balance of orchestra and chorus — as it was conceived by Handel. The chorus will be under the direction of Fred C. Nelson.

Additional selections for the third concert of the season will include "Fanfare for a Festive Occasion" by Grand Englishman, former resident of Plymouth and winner of the 1950 George Gerwin Award for Young Composers. Beglarian currently lives in New York where he is music director of the educational book division of Prentice-Hall Publishing Company.

Wed Here

Carol H. Dodd of Plymouth and Donald Roy Sierwala of South Lyon were married Saturday evening, December 3, by Justice E. M. Bogart. Mr. and Mrs. Howard Houghton of Plymouth were the attending witnesses.

Clifton Ann Caudle of Walked Lake and Cecil Molands of Northville were married Monday evening, December 5, by Justice E.M. Bogart.

Attending the ceremony as witnesses were Mr. and Mrs. Charles Nichols of Northville.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance."
— Samuel Johnson

FROM BERKLEY — The new family at 2149 Summerside lane is Ed and Ruth Zywice and their children — Eddie 8, Karen 5, and Rose 10 (l. to r.). Before their October move, they lived nine years in Berkley.

"There are lots of square dances around here. We have a book that shows you where to find one almost every day of the week."

Ruth Zywice was speaking of the hobby she and her husband Ed enjoy so much, the entertainment they like because they can do it together. They still belong to the Duttons and Bows square dance club in Berkley.

Ed and Ruth Zywice (they pronounce it zy-wice) have lived at 2149 Summerside lane since early October. Berkley used to be home for the couple and their three youngsters — Rose 10, Eddie 8, and Karen 5.

Their move here eliminated Ed Zywice's daily driving work. He used to have a trek traveling from Berkley to Michigan Seamless Tube in South Lyon, but now, noted Mrs. Zywice, "the even has time for a second cup of coffee after the kids have gone to school."

Rose, Eddie and Karen all go to American elementary.

Zywice is a graduate of Purdue university. He majored in mechanical engineering.

Besides "Spook" and "Maple", their pet kittens, the Zywices also have some unidentified supplies.

Sing 'The Messiah' Here December 18

The Northville Community chorus will herald the religious solemnity of the Christmas season Sunday, December 18, when it presents a 7:30 p.m. performance of Handel's "Messiah" at the First Presbyterian church.

Leslie Lee will direct.

Arthur Pipok, Methodist church organist, and Mrs. J. K. Bosch, pianist, will accompany the singers.

Four Ann Arbor soloists from the University of Michigan school of music — Joanne Wiseman, soprano; Mary Ellen Henkel, alto; Walker Wynn, baritone, and Millard Cates, tenor — will join the chorus.

Woman Here Accepts State Auxiliary Post

Mrs. C. Oscar Hammond has been appointed to a two-year term on the American Legion Children's Outer Lake Billiet committee. Mrs. Hammond, local child welfare chairman for the Lloyd H. Green auxiliary, will now serve the Legion on the state level.

The main objective of the children's billiet, which is comprised of 77 acres of wooded land in Lapeer county, is the emergency care of children 5-14 years of age. These are children of veterans living in Michigan. The billiet is a licensed child care agency recognized by the state's Department of Social Welfare.

The committee to which Mrs. Hammond has been named is directly responsible for the operation of the billiet, now housing 32 children.

KITCHEN DIARY

Ice Water Helps Cake Stay Moist

Getting ready to prepare a buffet luncheon or an evening snack for a Friday night card party? Mrs. Edward J. Musoff, 522 Fairbrook road, may have just the recipes to round out your menu.

Her chicken salad, she notes, is even a hit with the men. Served in a lettuce cup it's ideal for entertaining on a small or grand scale.

Mrs. Musoff brings something new to the cake eating clique — an "ice water" fudge cake. It's the ice water in this recipe, she says, that keeps the cake moist and fresh for 7 to 10 days.

CHICKEN SALAD

- Mrs. Edward J. Musoff
- 2 cups coarsely diced chicken
- 2 tablespoons lemon juice
- 1 teaspoon salt
- 1 cup diced celery
- 2 cups seedless, white grapes
- 2 hard boiled eggs, chilled
- 1/2 cup salad dressing
- 1/2 cup halved or sliced, blanched almonds, toasted

Scrubble chicken with lemon juice and salt; chill over night. Add celery, grapes, chopped eggs, salad dressing and almonds; toss lightly. Season salad with Worcestershire sauce. Serve in lettuce cups.

ICE WATER FUDGE CAKE

- 2/3 cup soft butter or margarine
- 1/2 cups sugar
- 2 eggs
- 1 teaspoon vanilla
- 2 1/2 one-ounce squares unsweetened chocolate
- 2/3 cups sifted cake flour
- 1/4 teaspoon soda
- 1/4 teaspoon salt
- 1/4 cups ice water

Cream butter, sugar, eggs and vanilla until fluffy (beat five minutes at high speed on mixer), scraping bowl occasionally. Prepare ice water making sure there is a very thin layer of fat on water's surface. Blend in melted and cooled chocolate. Sift together flour, soda and salt; add alternately with ice water to creamed mixture. Beat batter well after each addition; bake in two paper-lined, inch cake tins for 30-35 minutes in a 350-degree oven.

NO-COOK CHOCOLATE ICING

- 2 1/2 one-ounce squares unsweetened chocolate
- 2 cups sifted confectioners sugar
- 3 tablespoons hot water
- 1 egg
- 1 teaspoon vanilla

Melt chocolate in mixing bowl over hot water. Remove from heat; blend in sugar and water. Beat in egg, butter and vanilla. To thicken icing, place bowl in ice water, beating legs until it reaches spreading consistency.

Double Ring Ceremony Unites Couple

Mr. and Mrs. Rollin Gaub

St. Ambrose Catholic church, Ironwood, was the setting for a nuptial High Mass uniting in marriage Miss Barbara Jean Rasmussen, daughter of Mr. and Mrs. Gordon Rasmussen, Sutherland street, Ironwood, and Rollin Gaub, son of Mr. and Mrs. William Gaub, 105 Fairbrook, Northville.

The Rev. Edward Wenzel officiated at a double ring ceremony preceding the celebration of the Mass. The marriage took place at 11 a.m. November 30.

Michael Myette was Mr. Gaub's best man and Clement Vira, the bride's cousin, was groomsmen. Seating the guests were ushers William Gaub, brother of the groom, and Richard Ray, cousin of the bride.

A wedding dinner was held at the Elks club, where the bride and groom later greeted 150 guests.

The bride, a 1950 graduate of L'Her Wright high school, was employed by Michigan Bell Telephone company. The groom works out of the telephone company's Livonia office. He is a 1950 graduate of Northville high school.

The couple will reside in Northville.

Local guests included Mr. and Mrs. William Gaub, Sr. Mrs. Doris Busch, Mrs. Vera Tullis, Mr. and Mrs. Gordon Norris and Robert and Mrs. Thomas Stammak of Plymouth as bridesmaids, and Mr. and Mrs. Artias Laue.

Their ideally styled gowns of coral silk organza featured lace-trimmed bodices, slightly scooped necklines and bracelet length sleeves.

The gowns' full gathered skirts were accented by subtle draping at the waistlines and touched with tailored self material bows. Seed pearl-embellished crowns held their short veils, and short white gloves and clear vinyl slippers completed their attire.

Michael Myette was Mr. Gaub's best man and Clement Vira, the bride's cousin, was groomsmen. Seating the guests were ushers William Gaub, brother of the groom, and Richard Ray, cousin of the bride.

A wedding dinner was held at the Elks club, where the bride and groom later greeted 150 guests.

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

Mr. and Mrs. Homer Kent are expected home sometime this week after two weeks vacation with the latter's sister and her husband, Mr. and Mrs. Maynard Goff, in South Carolina.

Tom Ritter spent the week end with his parents, Mr. and Mrs. Richard Ritter, on West Grand River. Tom is attending Ferris Institute in Big Rapids.

Mr. and Mrs. J. Holmes and son, Jim, and daughter, Mary, spent Thanksgiving with their daughter, Mrs. Joseph Tarantowski in Wayne.

Mr. and Mrs. Joseph Tarantowski, Bob and Dick Barber and Omond Yerkes spent the deer hunting season in the Upper Peninsula with Dr. and Mrs. Bill Barber at Pickford.

Mrs. Clyde Johnston returned last Wednesday evening from Ormond Beach, Florida. She was with her sister, Mrs. Belle Walter, while she was recuperating from an operation.

Mr. and Mrs. Charles Atkins and their daughter's family, Mr. and Mrs. Archie Richardson and children, visited their daughters, Mrs. Louis Hunyadi and family in Flint Sunday.

Sunday dinner guests of Mr. and Mrs. George Kahri were their son and daughter-in-law, Mr. and Mrs. Jack Kahri and daughter, Sharon, from Livonia.

Rev. and Mrs. Dean Parker of Yassar were guests of the latter's parents, Mr. and Mrs. Fred Garlick, for a few days last week. Saturday evening Mrs. Parker was the guest of her parents at the fellowship turkey dinner in the community hall.

Miss Lucaine Darling left last Saturday for Los Angeles, California.

Mr. and Mrs. Glen C. Sallow made the trip to Manitoa Beach to visit Mrs. Sallow's brother, Louis Rimer, this past Sunday.

Mr. and Mrs. George Atkinson were Sunday visitors at the home of Mr. and Mrs. Kenneth Atkinson in Detroit.

Nancy Hanson, 15-year-old daughter of Mr. and Mrs. William Hanson, Jr., who has been studying ballet for ten years had the honor of dancing at the Ballet Teachers convention in Detroit Sunday, November 20. She will continue her ballet studies and has started teaching a class in ballet.

Mrs. Eleanor Brown and Miss Grace Bogner of Mt. Prospect near Chicago returned home last Saturday after visiting several relatives here and attending the funeral of their aunt, Mrs. Howard Green, last Thursday.

Cpl. Jerry Webb of the U. S. Marines, is home on a two weeks leave

with his parents, Mr. and Mrs. George Webb. He will be leaving Saturday for his base at Lake Meade, Nevada.

Mr. and Mrs. J. W. Erwin are attending the Fruit Growers convention in Grand Rapids this week.

The Baptist Church News

The Baptist Church News will meet at the parsonage (Thursday). Miss Mary Flint has charge of the program.

The Workers Conference met in the Fellowship Room of the church Tuesday evening. Christmas program plans were formulated.

At the new church, underground plumbing has been completed and the workers are getting ready to pour the floors. The windows are coming this week.

Approximately 150 attended the Fellowship supper in the community hall Saturday evening. After a turkey dinner the male quartet from the First Baptist church in Northville entertained with three selections. They were George MacDaniels, Norman Sanford, Donald Gardner and Don Zanger with Dewey Gardner of Gardner Music Studios accompanying them. The speaker of the evening was Rev. Henry Love pastor and present state youth and camp director for the Conservative Baptist Association of Michigan.

Rebekah News

The Past North Grands will have their Christmas party next Thursday, December 15. The place is a secret.

The Rebekahs and Oddfellows had a potluck supper at the hall Monday evening. After supper they put on a skit after which they played cards and danced.

Mrs. Pearl Tammi provided the chicken for the Rebekah club dinner at the hall Wednesday of this week.

Farm Bureau News

Farm Bureau plans have been completed for the Farm Bureau Christmas party Saturday, December 17 in the Masonic Temple on West Lake road, Walled Lake.

Members who missed the November meeting are to contact Mrs. Clyde Wyatt or William LaSalle for complete details. Dinner promptly at 7 p.m. followed by a program of carol singing and entertainment by the children. Santa has promised to make an appearance to highlight the evening. Exchange of gifts among members and guests in keeping with the true spirit of Christmas. A gift collection will be presented to Cottage 21 at the State Home and Training school at Leper.

This bit of Christmas giving has become a project of which the group is both happy and proud.

Novi Girl Scouts

Brownie Troop 402 made Christmas presents for their mothers at their troop meeting on Saturday. Mrs. Willaker furnished cookies for treats.

Intermediate Troop 456 met at the home of committee member, Mrs.

Donald Kuick, and worked on their Christmas projects. Work on the dabbler badge was turned in by Pam Keir, Becky Kuick, Susan Morse, Kathy Erwin and Marty Hanna. Nancy Schingek furnished treats for the troop.

Anyone desiring transportation to take leader training in January must be registered with neighborhood chairman by Dec. 19. Any mother of a third grade girl who has any suggestions for leadership of the two new troops now in formation are urged to contact either the neighborhood chairman, Mrs. MacDermald, or Mrs. Skellenger, troop consultant.

Also mothers of second grade girls are urged to refer potential leadership possibilities to these two people as troops of this age level will be formed as soon as leadership can be found for the third graders.

Intermediate Troop 193 is working on their good grooming badge. Mrs. Robert Skellenger visited the troop and spoke to them regarding correct wearing and placement of insignia.

Neighborhood chairman, Mrs. William MacDermald, attended the Farmington - Novi district meeting December 7 at the home of Mrs. Louise Martin in Farmington. Novi neighborhood meeting is scheduled for Thursday, December 16 at the Novi community building at 9:30 a.m.

Seniors 'On Stage' Next Week

CURTAIN UP! — The cast of Northville high school's senior class play moved into the final scenes of rehearsals this week before presenting "The Curious Savage" next Wednesday and Thursday evenings December 11 and 15 in the high school auditorium. Sam Chizmar, Sharon Johnson, Mike Goodrich, Uta Rosenbrock, Sharon Hensch, Carolyn Langtry, Mike Adams and Kent Fild (l. to r.) here rehearse their parts in the comedy which contrasts "the same, peaceful world inside a mental institution with the mad outside world." Tickets for either 8 p.m. performance may be obtained from any senior or purchased at the door. Miss Florence Pantalone is the faculty director.

CITY OF NORTHVILLE ORDINANCE NOTICE

THE CITY OF NORTHVILLE ORDAINS:

1. That, pursuant to the provisions of Section 15.3 of the Charter for the City of Northville, the method of compensation for the Justice of the Peace for the City of Northville shall, beginning July 4, 1961, be changed from a fee to a salary basis.
2. That beginning July 4, 1961, the annual salary for the Justice of the Peace for the City of Northville shall be the sum of \$2,400.00.
3. That the above annual salary shall be in lieu of all fees, costs and charges to which the Justice of the Peace would ordinarily be entitled and that said fees, costs and charges, together with all fines, penalties, forfeitures and monies collected or received by the Court shall, after July 4, 1961, be turned over to the City Treasurer in accordance with the provisions of Section 15.10 of the Charter for the City of Northville. Provided, however, that the above provision shall not apply to any fees collected by the Justice of the Peace for the performance of marriage ceremonies.

PASSED BY THE CITY COUNCIL ON DECEMBER 5, 1960. THIS ORDINANCE SHALL TAKE EFFECT 10 DAYS AFTER ITS PUBLICATION.

Rummage Sale Friday

By Mrs. Charles Ware — Market 4-1601

The Walled Lake chapter of the O.I.S. No. 511 will hold a rummage and bake sale Friday, December 9, from 11 a.m. to 9 p.m. at Stone Crest.

The regular meeting of the city council will be held tonight (Thursday).

Mrs. Lillian Byrd and Mrs. Lotie Chambers attended a luncheon at Mrs. Kenneth Burt's home in Farmington Monday, November 28. On Sunday, December 4, Mrs. and Mrs. Charles Ware were guests at a silver wedding anniversary dinner in Detroit honoring Mrs. and Mrs. P. Devine of Dearborn. Instead of gifts the guests were asked to contribute to the Columbian Sisters of Korea to provide a Christmas for some Korean orphans.

Larry Moore of Potter road is in Pontiac General hospital suffering from a fractured spine as a result of an automobile accident Saturday night.

Roger Latham, who became five years old, was honored at a birthday party Saturday afternoon. Ten little friends helped him celebrate.

Mr. and Mrs. Donald Caravaggio have moved from Birch Park to their new home in Millford.

The Loon Lake coffee league bowled at Millford Lanes Saturday evening and later enjoyed refreshments at the George Turin home.

Mr. and Mrs. Robert Smith and Mr. and Mrs. Robert Merkel attended the second annual chapter dinner of the Wixom - Walled Lake Lions club held at Loy's in Plymouth Saturday, December 3.

Mr. and Mrs. Kenneth Burden honored their son, Russell, with a birthday party Wednesday, November 30. Russell became seven years old.

The Crest club held their regular meeting December 4 at the Curly Abbott home. They wrapped packages for Novi Convalescent home. Hilda Purman was hostess to seven friends at a dinner in her home and then took her guests to hear "The Messiah" rendered by the Chancel choir of Kirk in the Hills church.

There has been a club for the aged organized at St. William's church of Walled Lake. Any person over 60 is urged to attend. They

Youth Protective Group Picks Committee Heads

The heads of five sub-committees for the citizens division of the Novi Youth Protective association were Dr. Richard Henderson and Dr. Lyle Pettig, health and welfare; Fraser Staman, finance.

The citizens group met with the citizens committee of the association, announced the appointment of: George McCollum and John T. Court, and John Dumas.

Councilman Earl Reed Won't Seek Re-Election

Councilman Earl Reed, a member of the Northville village commission and charter commission and the city council for the past seven years, announced this week that he will not be a candidate for re-election in April.

READERS SPEAK: Koester OK To the Editor: I am a little sick of the way the Northville Record-Nov News seems to belittle Herb Koester in their paper.

Due to the pressure of business I find it impossible to devote the necessary time to fulfill my obligations as councilman of the city of Northville. Under these circumstances, I have decided to stop a car, had a run on major or minor matters, Herb was the first man out of the car. When you worked with Herb you felt as though you had a person who was beside you in any kind of trouble that might come up.

However, I am leaving you with a feeling that I always tried to serve you to the best of my judgment, and never tried to shirk my duty even though it may have been a hardship. If my judgment has been wrong I am truly sorry. If I have been of any help, individually or as a councilman, I am proud of it. I am happy to have contributed in behalf of my fellow citizens.

New Travel Owner Cites Speedy Service The Northville Travel Center, 135 West Main street, is now privately owned and operated by Johnnie Tackett, who formerly managed the office as a branch of Vacationland Travel Center.

Graysen is agency manager for United Airlines in Detroit and had passed that were due to expire soon. So he decided to "again" was made. This newspaper has never "belittled" any citizen, much less Mr. Koester who has frequently been commended for his attendance and interest in Novi affairs.

Presbyterian Men Hear Speaker Tonight The Presbyterian Men's club of Northville will hear Raymond H. Hensel of the Dale Carnegie organization discuss "Rehabilitation of Prisoners" at its regular monthly meeting tonight (Thursday) 7:30 p.m.

Is Atheism A Blessing Did you ever hear anyone say, "I was wrecked and miserable, and then I got hold of one of Voltaire's volumes & through it I found peace?"

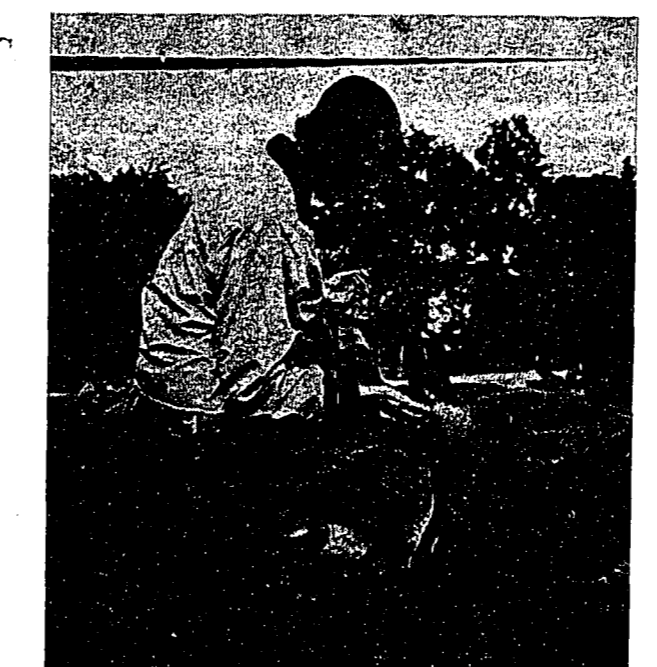

Join our 1961 Christmas Club Now! This is the time to start your planning for a merry Christmas in 1961. And the way to do it is to open a 1961 Christmas Club account at any of National Bank of Detroit's 66 offices.

NO COMMENT — Beatrice Putnam caught the interest of this friendly fellow at the Blaney park game preserve in the Upper Peninsula. She gave him a bite to eat, but lost his avid interest once the morsels had disappeared from her hand.

NORTHERN SUNSET — The Harold Putnams have met little difficulty finding subjects for their pictures and pen in their several trips to the Upper Peninsula. Putnam will stay in one place for days waiting for nature to strike the right pose, such as that shown in this picture.

They Repeated Vows; Now Take Bows for Publications

"You should always see a salesman," photographer Harold Putnam laughingly advised. "You never know just what he might have to offer."

Drinking coffee over a sun-bathed breakfast table off the kitchen of their New England farm house at 4089 Seven Mile road—Harold and Beatrice Putnam, a photographer-author team with two books already credited to their by-line, were explaining how their partnership was first formed almost 23 years ago.

Back in 1938 both Harold Putnam and Beatrice Morgan were making headway in Detroit advertising circles. Miss Morgan, an enterprising ad woman trained in the University of Wisconsin Journalism department, had taken up the promotional reins of a

Her husband's articles furnished the pictures for an article published in a national magazine on the landscaping which they had incorporated in their own yard. The Putnams' recently published "North to Adventure" book followed on the heels of their picture-narrative on the Keweenaw, which was commission-

from the PASTOR'S STUDY

The Rev. Peter Nieuwkoop, Pastor
 First Baptist Church, Northville

THE SAME AS PATHER
 "What will you have?" said the waitress to a man who had just entered a cafe with his son. "A glass of beer," replied the gentleman. "And what do you want for the little boy?" "Same as father," the lad replied quickly. "Wah," said the father, "I will not take the beer."
 Whether you are a father or mother, yours is the responsibility to God for your children. In the formative years of their lives they shall look to you and imitate you. You are their champion. Later on they shall strike out on their own, do their own thinking and go on their way. But the training of the former years will have left its mark upon them. The wise king said by Divine Inspiration, "Train up a child in the way he should go; and when he is old he will not depart from it." An elder in one of my former pastries once said, "The children of Godly, praying parents have a hard job going astray!"
 It should be the joy of the parents to lead their children to the saving knowledge of Jesus Christ. To do with them as they start in the Sunday school. To introduce them to the services of the church. Somewhere I read this bit of information. When a father and a mother, or either one, are Christians, 11 out of 12 of the children become Christians, too. Where neither parent is a Christian, only 1 out of 12.

IT'S ALL NEW... READY FOR YOU
Cleary College Winter Term Starts January 4
 Start your success in the beautiful new surroundings of Cleary College. Choose from a full slate of programs in Cleary's day classes. Accounting, Shorthand, Typing, Business Machines, Management... the choice is wide, varied and practical. There are evening classes for those who must keep working while learning. Cleary also offers full nine-month, two-year or four-year programs...or special single classes to develop special skills. Come out and see us. Talk it over. Take a personal tour of our ultra-modern campus.
 An approved college, Cleary is recognized by the U. S. Office of Education, the Michigan Department of Public Instruction, and the Michigan State Board of Accountancy. It is also approved by the U. S. Department of Immigration and the Veterans Administration.
 Call, wire or write for an appointment, or just drop in. We're anxious to show you all that we have to offer.
Cleary College | SPECIALISTS IN BUSINESS EDUCATION SINCE 1883

Minutes of Northville Board of Education
 Special Meeting - Nov. 28, 1960
 Meeting convened at 7:30 p.m.
 Present: Members Angove, Becker, Crump, Kiefer, Johnson, Lawrence and President Shaffer.
 Others Present: Supt. Amerman, Asst. Supt. MacLeod, Principals Ellison, Kay and Smith, Mr. Frank Cochran, Mrs. Weiss, Mrs. M. Ross, Mrs. Angle, Mr. Gazlay and Mr. E. Hanson.
 1. Mr. H. H. Hanson, C.P.A., distributed copies of "Report on Audit of Receipts and Disbursements for the Fiscal Year ended June 30, 1960". Mr. Hanson reviewed the audit and answered questions.
 Mr. Hanson complimented Miss Alice Hodson for her cooperation and excellent reports.
 Mr. Hanson then distributed copies of "Report on Audit of Cash Receipts and Disbursements for School Activity Funds". Mr. Hanson explained the Activity Fund audit and complimented the use of the "tag-board" system of keeping records. Several Board of Education members asked questions regarding procedure and administration.
 Messrs. Amerman and Smith will study specific recommendations and will report to the Board of Education.
 Motion was made by Crump and supported by Lawrence that the reports by the auditor be accepted. Carried unanimously.
 2. Mrs. Marie Ross, chairman of the Citizens' Curriculum Study Committee, reported that only seven persons have indicated a willingness to work on the "Community College Study". Mrs. Ross assured the Board of Education that the committee would be pleased to continue on the proposed "Community College Study" if it were possible to do so without having 25 members present representing a cross section of the community.
 3. It was moved by Becker and seconded by Crump that the committee be named "Community College Survey Committee". Carried unanimously.
 It was agreed that the questionnaires, prepared by the Northwest Community College Committee, will be secured and administered to the members of the eleven and twelve grades at Northville High School. Questionnaires will then be given to the members of the eleven and twelve grades to complete and return to the Survey Committee.
 Messrs. Ellison and Cochran reported on the purchase of a tractor. Questions were received as follows:
 Broquel-Ford - \$3,224.83
 Arms-Ford - \$3,840.00
 Kirchoff-International Harvestor - \$4,450.00
 It was moved by Angove and seconded by Lawrence that a No. 240 International Harvestor, tractor, with equipment as noted, be purchased from the Kirchoff Implement Co., Plymouth, for \$9,428.00. The bid price less the cost of wheel spacers which it was decided were not needed, or they may substitute a different mower if desirable.
 4. Mr. Ellison then reported that the Middle Bus Co. will transport students to athletic contests in other league communities for a flat rate of \$1.00 per round trip, regardless of distance.
 It was agreed to table the matter until a "Transportation Policy" has been prepared and accepted.
 5. Dr. K. M. MacLeod presented statistics pertaining to possible growth in the secondary schools, and possible organizational patterns in 6-3-3 and/or 6-2-4.
 6. Superintendent Amerman presented two Financial Studies. Part I included: tax receipts, state aid, state equalized valuations, millage divided into General Fund and Debt Retirement, and total millage, for the years 1952-1961.
 Part 2 included: teachers' salaries, general operating expenses, debt payments and total expenditures for the years 1952-1961.
 Superintendent Amerman also stated he was making a budget survey and would make budget available soon.
 7. Mr. Lawrence described a School Board Association meeting which he and Supt. Amerman attended November 18th at Southfield. The group is seeking new tax sources and a broader tax base for schools. Four committees were selected and Mr. Lawrence is secretary.
 8. Mr. Crump reported that the Board of Education's request to close West Street from Main to City was not approved by the City Council because of the objections of one resident. The matter has been postponed until the next meeting in January. In the meantime, representatives of the City Council will consult with the Board of Education at a meeting on December 15, 1960.
 Mr. Crump also announced a meeting of the Novi Planning Board for December 12. Since this date conflicts with the regular Board of Education meeting, another meeting date will have to be arranged.
 9. President Shaffer announced (a) That, since there seems to be a great deal of interest in the December 12 Board of Education meeting, the meeting will be held in the meeting room at the Community Center. (b) Appointed Mr. E. Angove to be chairman of the committee to study administrative organization. Messrs. Becker and Kiefer are the other committee members.
 10. It was moved by Crump and seconded by Lawrence that the meeting be adjourned. Motion carried.
 Meeting adjourned at 11:45 p.m.
 Donald B. Lawrence, Secretary

Gifts
 while GAS takes the work out of housework.
 GAS does the 7 big household jobs - automatically. For less and conveniently there's nothing like gas equipment. And it's so economical. Gas house heating, cooking, air conditioning, water heating, incineration, clothes drying and refrigeration cost less - buy, less to install and less to operate year after year. Gas gives you more free time, through modern, fast, clean, dependable, silent, safe service.
 Your appliance dealer will gladly show you how easily you can enjoy the perfect service of modern gas equipment.

Let's Save City Hall Site
 To the Editor: Northville Record
 Subject: Location of the New City Hall.
 If there remains any doubt in the minds of our councilmen regarding the practical advisability of retaining the park area south of the present City Hall as such, I respectfully call their attention to the article in the November issue of the Readers Digest entitled "Good-bye to Our Public Parks".
 Let us, therefore, not make the expensive mistake of many municipalities in destroying the parks which are providing such an excellent service.
 L. M. Eaton
 For the irreplaceable benefit of both present and future generations of our citizens the conversion of this park to a commercial use would, in my opinion, constitute a glaring example of a "penny wise, pound foolish" decision.
 From experience of 15 years as a realtor I am certain that the natural beauty of our city has been a most important factor in the decision of a majority of both old and new residents in making their homes here.
 Also, if anything has been impressed on me as a long time member of the Northville Planning Commission it is that the retention and development of park and/or recreational facilities is an essential consideration in sound community planning.

The Cooks and the Customers

Northville's American Legion past served up its annual Hunters' Dinner last Saturday evening to nearly 100 local men in honor of their service to the community. Following the venison, raccoon and beef dinner a film was shown which portrayed communist activities at the un-American Activities committee investigation hearings in San Francisco last spring. Pictured above waiting to serve their guests are Legionnaires: (l. to r.) Dave McElravy, Robert Wren, John Stinson, Donald Moore, John Goss, Howard Wright and Hunters' Dinner Chairman James Madigan. At the right, enjoying the food, are (l. to r.) John Canterbury, Sherwood Stevens, Kenneth MacLeod, Eugene King, William Crump, Mike Alexander, E. V. Ellison and Mitchell Gabbard.

Wixon Extension Plans Annual Christmas Party

Good lighting means having the right kind and right amount of light at the right place, this was the lesson which the Wixon Extension group received from their leaders, Mrs. Berle Dean and Mrs. Ray Nelson at the last meeting.

There were 12 members present. The next meeting on December 13, which is the Christmas party, will be held at 10 o'clock. After a planned potluck dinner Christmas wreaths will be made.

College Representative Interviews Local Girls

Miss Beatrice Patterson, traveling enrollment counselor at Casenovia Junior College, Casenovia, New York, will visit Northville senior high school Monday morning.

She will interview students interested in attending a two-year college for women and describe curricula offered at Casenovia and student life at the college.

Honored

Named to the Dean's list at Mercy College in Detroit this week was Elythe Anne Bosak of 4300 Nine Mile road.

The Dean's list is a quarterly posting of the names of all students who achieve a 3.25 average out of a possible 4.00 - a B plus or better mark.

NEARLY COMPLETED - Officials of UAW Local 28 predicted this week that the new \$10,000 64-level union hall building, under construction across from the Lincoln plant in Wixom, will be completed and ready for use within 10 days to two weeks. The brick and concrete structure houses a huge auditorium, numerous offices and a kitchen. Plans also are underway for a \$20,000 credit union building to be located on the same property, but construction is not expected to begin until sometime in 1962.

why there's no water heater like an ELECTRIC WATER HEATER

YOU CAN PUT IT ANYWHERE—even in an air-tight closet. Because there's no flame, an electric water heater doesn't need air flow to support combustion, or a vent to carry off fumes. There's even a table-top model you can put under the counter in the kitchen or utility room. Here's the only heater you can always place close to point of greatest hot water use.

HOTTER HOT WATER WHENEVER YOU NEED IT. Some laundering requires very hot water to get clothes really clean. Dishwashers, too, need water that's very hot. Remember, an electric water heater can keep on and on, delivering the extra-hot water needed without burning out.

OPERATING COSTS ARE AMAZINGLY LOW. The popular 50-gallon heater will meet the needs of 8 out of 10 families. Using estimated operating costs for this size unit, a plentiful supply of hot water for all family needs should cost you less than 15¢ a day!

MAIL COUPON FOR MORE INFORMATION

DETROIT EDISON, ROOM 390, 2000 SECOND AVENUE

Here's Expert's Advice on Winter Driving

A University of Wisconsin research professor who has conducted winter driving tests on Wisconsin's ice and snow for the past dozen years has revealed that some winter tire advertisers occasionally "get carried away and present misleading information which is unfair to the majority of companies which stick to factual information."

He calls attention to a national safety committee resolution warning that "misleading advertising concerning non-skid properties of tires can become an indirect cause of accidents by leading motorists into taking risks of which they are not fully aware."

He is Prof. Archie H. Easton, director of the Motor Vehicle Research Laboratory at the University of Wisconsin, who points to results of comprehensive tests by the National Safety Council's Committee on Winter Driving Hazards. He is chairman of the committee and is described as the outstanding authority on "coefficients of friction as related to winter road surfaces."

Prof. Easton's favorite subject, when he isn't teaching his regular classes at the university, is to talk about the facts of safe winter driving. He points out that during snow-free months road traffic death rates are three times higher than in urban areas.

Having risked his limbs and life time and again in winter test driving, Easton can tell hundreds of test surfaces are 3 to 12 times as great as those on bare pavement:

- Tires and traction devices listed in the approximate order of increasing effectiveness on winter surfaces are as follows:
 - Smooth tires - very poor in cornering. Should not be used.
 - Regular tires - inadequate under many winter conditions.
 - Winterized tire (tread treatment or breakout material) - provide better traction on ice, not much improvement in snow over regular tires.
 - Mud-snow modern design - provide better snow and ice traction than regular tires.
 - Embedded metal coils, serpen-

line ribs - provide better snow and ice traction than regular tires. Effective on wet ice.

F. Sanders - performance outstanding in traction on ice only.

G. Regular round wire chains - Good snow-and-ice performance on ice and snow. Side-skid resistance low compared to reinforced tire chains.

H. Reinforced tire chains - best in overall performance on both ice and snow.

WHAT TO DO - 1. A driver should select the tire that best suits his situation and supplement it by always having reinforced tire chains available in the car trunk. They are often needed for severe conditions.

OUT OF THE PAST

ONE YEAR AGO... A circuit court trial to settle a long-standing claim over the remains of the Arthur Heslop property on Nine Mile road has been set for next Thursday.

Judge William J. Reers, who last month denied a request for an injunction to prevent commercial or industrial construction on 120 acres of Nine Mile road property while the legality of the village zoning ordinance is being questioned, will hear the case.

The announcements that Northville Downs will have a total of 30 racing nights next year - three more than in 1959 - brought little joy to John Carlo, executive manager of the track.

The first step in undertaking an addition to the First Baptist church, Wing and Randolph streets, began last Wednesday. The church parsonage was sold and the new site on Beck road just north of 11 Mile road.

Northville's new high school gymnasium got its varsity baptism last Friday night when the Northville cagers faced Clarenceville. Incidentally, Northville lost the game 55-48.

"A great crowd that never" expected Monday for the second general meeting of the giant Novi citizens committee at the community building.

The sixth annual firemen's dance will be held at the Novi community building next week.

The offices of the Northville city clerk have been expanded and brightened providing both more working area and storage space.

FIVE YEARS AGO... It's official now. They've started work.

Details of a multi-million dollar "modern, efficient plant, to meet a growing demand for Lincoln automobiles," were disclosed in Novi December 7 during ground-breaking ceremonies for the new national headquarters and plant of the Lincoln division of Ford Motor company.

The Northville village commission on the occasion of its last official meeting announced publicly that its recent reorganization of the Lawrence property for truck use had unwittingly violated the village charter, and therefore was probably illegal.

The eight candidates for the Northville council in the first city of Northville election were: Claude N. Ely, mayor; A. Malcolm Allen, John S. Canterbury, Alton Peters, Earl L. Reed, John Suberwal, Ed C. Welch, E. M. Bogart was a candidate for justice of peace.

A letter to Novi township board members from Ernest C. Pritchford of East Walled Lake drive touched off "fireworks" as Pritchford charged that he had been refused a building permit on a piece of property plotted in 1913, a 30-foot wide lot in Chapman subdivision near Pritchford's home.

Building permits for construction totaled nearly three and one-half million dollars during the first 11 months of the year in Novi, according to Cameron Lodge, building inspector.

The Mustangs opened their 1955-56 basketball season with a disappointing loss to Plymouth by the score of 42-23. Northville's line up: Bell, Skow, Palmer, Teskha, Newkirk, Dick Blary, Waterloo, Yahn, Dave Elery, Burns and Hollis.

FIFTEEN YEARS AGO... The Record office received a telegram Wednesday from Mrs. Chester Whipple of Long Beach, California, which read "This is to notify friends and former schoolmates that Wallace Whipple USSS Edsel, has been officially declared lost by the Navy Department."

The edition of April 3, 1942 of The Record contained a story reporting him "missing in action" in the battle of the Java Sea.

The Northville Canteen Corps has been placed on an inactive status, after three and a half years' of volunteer service, during which time 32 local women have given a total of 3,268 hours.

Members of the Ladies Aid Society of St. Paul's Lutheran church, which sponsored a banquet, were: Mrs. Selma Meiser, Mrs. Tillie Heit, Mrs. Martha Martens and Mrs. Caroline Newton.

At a ceremony November 30 at the Federal building in Detroit, Mrs. Catherine McFarland received the Bronze Star, an honor most recently awarded her husband, First Lieutenant James E. McFarland, Jr., infantry.

The Hope in Cuba

Babson Park, Mass. — The Cuban situation has reached a point where it is affecting certain investments in the field of insurance. Therefore, I feel that my readers are due an impartial summary of the situation. I have always watched Cuba critically as it is so close to Florida, where I have spent over 30 winters. I feel that the Cuban situation will come out satisfactorily due to the influence of the Catholic church. The Cuban people, with their Spanish blood, are emotional and enjoy political and physical fights. They, however, are deeply Roman Catholic in faith. Hence, there is a church safeguard which does not exist in Russia or in any of her satellites. The Communist Government in Russia has been brutal to the Christian church, due largely to its inheritance of the former Czarist domination which controlled and worked through the orthodox church. The situation in Cuba, therefore, is entirely different from the situation in Russia and its satellites. Cuba is rich in soil, rainfall, sunshine, and warm temperatures. It is a land of opportunity for the Americas; but it has been cursed by wrecked and unjust government. Castro thinks it necessary only to nationalize the farms, businesses, banks, and the few manufacturing establishments in order to produce a market. Cuba's natural market is the United States (which Castro is abusing and doing his best to alienate). This same trading principle is true for the countries of Central America, and even South America; they have the land but lack the marketing facilities for their fruits, coffee, and even minerals, including oil. Hence, we investors in the U. S. should be especially on the watch. With only 6 percent of the people of this world, we have nearly half the production of the world's wealth.

SPEAKING for the Record

By Bill Silger

Final census tabulations for Michigan and its communities reveal considerable gains from figures released last May for the area.

In Novi township for example, (unless the printers of the census bureau's booklet have erred) the final population figure is 6,454. Last May census takers reported that Novi's estimated population was 5,423.

The bureau's final report would give Novi an increase of 57 percent over the 1950 census figure of 4,088.

In the city of Wixom the final census tabulation is 1,531. Being a newly incorporated community, it has no previous record for comparison.

Northville township is listed with a population of 7,673. Last spring the enumerators said the 1950 population was 7,846, so the township has gained over 100 residents in the final count.

In 1950 the township population was 4,284. Much of the gain, however, is due to the state and county institutions. Census takers say that about 4,400 of the township's population are institution residents.

Last May the city of Northville's population was estimated at 3,865. The final tally is 3,967. In 1950 the city population was 3,297.

According to the latest census report the city has 2,982 residents living in the Wayne county section and 985 in the Oakland county section.

And speaking of the Wayne-Oakland sections of the city, while there's no comparison population-wise, the two sections are about the same size in area.

It's surprising, but with the annexation of the Eight Mile road area including Northville Estates the Oakland and Wayne county areas of the city each equal about one square mile.

Next Monday night the results of the committee study on teachers' salaries will be made to the school board. Because of widespread interest in the report, the board has decided to hold the meeting in the community building to better accommodate visitors.

The study began last July with a 21-member committee composed of teachers, school administrators, PTA members and city residents. The study was headed by Charles Yaine, a teacher, was elected chairman of the group.

The school board directed the committee to design a salary schedule and recommend a method of financing — a neat trick, indeed.

Monday night the board, and the public, will learn what the committee has to suggest.

Michigan Mirror

Teacher Certification Code Studied

MICHIGAN TEACHERS and anyone else who is interested now has a chance to help write the requirements for becoming and remaining a teacher.

The Department of Public Instruction plans a revision of the Teacher Certification Code. Action will be delayed in making the changes final until anyone with a stake in schooling, and that includes just about everybody, has had a chance to have his say.

Another series of meetings have been tentatively scheduled in late January or early February, officials said.

Dr. Lynn M. Barlett, the state superintendent of public instruction, said he wanted to make sure that "all interested groups, organizations and individuals" could make suggestions, and these ideas would be considered by the department before any final action is taken.

He also invited written comments on the proposed changes before the final draft of the new code is submitted.

Six regional meetings were held between November 8 and 22. Nearly 1,000 persons attended the meetings, the Department of Public Instruction said, and the breakdown on attendance was just about what could be expected: Fifty percent were teachers and another 25 percent were school administrators.

The remainder was made up of some 20 percent college or university professors, representing both teacher education and the liberal arts, and 5 percent interested parents and other citizens.

The document that finally comes out of the research and discussion should therefore reflect, in greater or lesser degree, the thinking of those most vitally concerned with teacher certification.

Furthermore, the high standards for teaching in Michigan are certain to be continued.

PEOPLE WHO MAKE A career out of promoting Michigan's advantages never slow down. They would also like to see more citizens join

ing the move to boost the state's economic, cultural and natural advantages.

Don Weeks, director of the Economic Development Department, has appealed for a state-wide and citizen-wide drive to tell other people about the advantages of living and doing business in Michigan.

At the same time, plans for the annual Michigan Week — the promotional high spot of the year — are being abraded.

A scheme as widespread as Michigan Week, set for May 21-27 in 1961, takes a huge amount of organizing.

It is the job of the Organization Board to handle it.

Woodward C. Smith, recently named chairman of the Organization Board, has the job of getting things ready to go.

A vice president of Central Michigan university, Smith has served as a regional officer of Michigan Week in the past and it was his suggestion that resulted in more regions of fewer counties.

There are now 16 Michigan Week regions compared with nine previously.

The simpler organization makes it possible to have more effective programs because each regional chairman is responsible for less territory and consequently can keep a better check on local Michigan Week activities.

The Organization Board of Michigan Week is just one of five actively working in the state and county institutions.

The Michigan Week Executive Council has supervision over the boards and also the various committees working in specific areas and responsible to the Board of Directors of Greater Michigan, Inc., which sponsors the celebration.

IT'S C-C-COLD — To many Novi residents the bottom appeared to have dropped out of the thermometer this past week. Actually, they were not too far off, as the mercury dipped to near zero in the area, recording one of the lowest temperatures in several years.

The school district representatives in evaluating the plans, generally they welcomed the opportunity to inspect the plans and team of future development.

With their annual newspaper sale behind them, the Novi Goodfellows plunged into a school project this week in a determined effort to carry out their motto, "No Child without a Christmas."

The needs of an individual child, youth or family may be called for by the committee by letter from the police, fire, child-welfare administrators, child-labor workers and parents or relatives.

Three ordinance amendments and a new ordinance establishing a youth protection program were adopted Thursday by the Wixom city council.

Village Airs Novi Plans For Future

Preliminary plans for the development of Novi were unveiled Monday for inspection by officials of local and neighboring school boards.

The "test inspection" was conducted by the village planning board, who along with the planning committee, created the long range, but still preliminary plans. Its purpose, according to Board Chairman Vincent Miklas, was to explain the thinking of the board and elicit favorable and unfavorable comment in the areas where planning is being initiated.

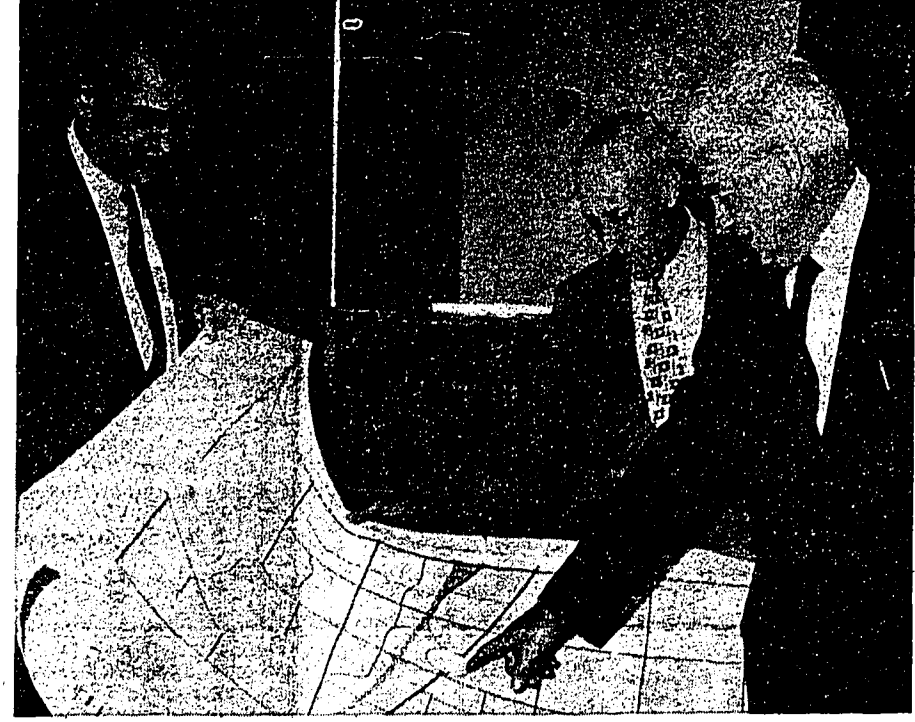

Wallace explained that an increased number of needy families in Novi necessitated two fund-raising projects. "There are more needy families this year and we expect to have more than ever," he said.

Goodfellows are planning a pancake breakfast-lunch at the community building Sunday from 7 a.m. until 2 p.m. Members of the Civil Defense will assist the Goodfellows.

NOVI PLANNING — Members of the Novi village planning board met with area school boards Monday to explain and plan the long-range development plans of the community. Looking at the Novi town plan above are (l. to r.): Planning Chairman Vincent Miklas, Lyon School Board President Donald Smith and Novi School Board President Arthur Heist.

Directors Take Action As Area MD Use Lags

Invitations to area doctors of osteopathy to bring their patients to Community General Hospital were issued this week at the order of the hospital's board of directors.

The decision came as the Northville hospital struggled to keep its doors open until a definite program to determine the future of the facility can be outlined.

Obviously upset by the relatively small number of area MDs making regular use of the hospital, the directors voted to open the doors to osteopaths.

Staff doctors were asked to set on the proposal at a meeting last week, but because a quorum was not present no vote was taken.

Board members decided to act upon the possibility that an area hospital authority may be formed. Many communities interested in joining such an authority are being sought by the hospital.

Another factor in the decision arises from the possibility that an area hospital authority may be formed. Many communities interested in joining such an authority are being sought by the hospital.

Cold Snap Sparks Jump In Novi Fires

As temperatures nosedived this past week, fire calls shot upward in Novi.

Fire Chief Fred Lyons, noting a direct relationship between the increased number of minor fires and the sudden drop in temperatures, cautioned homeowners to use special care in dealing with heating units, particularly old furnaces.
