

Michigan Mirror
Teacher Certification Code Studied

MICHIGAN TEACHERS and anyone else who is interested now have a chance to help write the requirements for becoming and remaining a teacher.

Don Weeks, director of the Economic Development Department, has appealed for a state-wide and citizen-wide drive to let other people about the advantages of living and doing business in Michigan.

At the same time, plans for the annual Michigan Week — the promotional high spot of the year — are being made.

A scheme as widespread as Michigan Week, set for May 21-27 in 1961, takes a huge amount of organizing.

It is the job of the Organization Board to handle it.

Woodward C. Smith, recently named chairman of the Organization Board, has the job of getting things ready to go.

A vice president of Central Michigan University, Smith has served as a regional officer of Michigan Week in the past and it was his suggestion that resulted in more regions of fewer counties.

There are now 16 Michigan Week regions compared with nine previously.

The simpler organization makes it possible to have more effective programs because each regional chairman is responsible for less territory and consequently can keep a better check on local Michigan Week activities.

The Organization Board of Michigan Week is just one of five actively engaged in the state and county institutions. The others are the Program Board, the School Activities Board and the Public Relations Board.

The Michigan Week Executive Council has supervision over the boards and also the various committees working in specific areas and responsible to the Board of Directors of Greater Michigan, Inc., which sponsors the celebration.

Furthermore, the high standards for teaching in Michigan are certain to be continued.

PEOPLE WHO MAKE a career out of promoting Michigan's advantages never slow down. They would also like to see more citizens join-

OK Osteopaths at Community Hospital

Invitations to area doctors of osteopathy to bring their patients to Community General Hospital were issued this week at the order of the hospital's board of directors.

The decision came as the Northville hospital struggled to keep its doors open until a definite program to determine the future of the facility can be outlined.

Obviously upset by the relatively small number of area MDs making regular use of the hospital, the directors voted to open the doors to osteopaths.

Six doctors were asked to set on the proposal at a meeting last week, but because a quorum was not present no vote was taken.

Board members decided to act upon the possibility that an area hospital authority may be formed. Many communities interested in joining such an authority are looking for candidates in the primary for the township primary election.

Incumbent officials whose posts will be up for election next April are: Frazier Staman, supervisor; Robert K. Anderson, justice; Robert K. Anderson, trustee; Leon Doehel and Robert Curtis, constables; Kenneth Cook, board of review; and J. P. Malley, highway commissioner — and not more than four percent must sign the petitions.

In addition to these offices, three committees are to be elected at the primary for each political party. Petitions for candidates in the primary are available at the township clerk's office. Under state law, one percent of the registered voters — about 26 persons — and not more than four percent must sign the petitions.

For the party committee petitions, at least 25 and not more than 50 signatures are required.

OK Osteopaths at Community Hospital

For the party committee petitions, at least 25 and not more than 50 signatures are required.

Goodfellows Stir Batter For Needy

With their annual newspaper sale behind them, the Novi Goodfellows plunged into a second project this week in a determined effort to carry out their motto, "No Child without a Christmas."

The small, but determined corps of Goodfellows are planning a pancake breakfast-lunch at the community building Sunday from 7 a.m. until 2 p.m. Members of the Civil Defense will assist the Goodfellows.

The plans currently underway, in fact, would mean that most of the Novi area in adjoining school districts would eventually be residential.

Miklas hinted — without suggesting — that some of these future problems might be avoided if changes were made in school district boundaries.

Another area of planning which probably was of prime interest to the school officials was the suggestion that Novi may eventually have to have one school for every square mile of residential area.

Still another area which drew attention from the officials was the suggestion that Novi parks should be located near schools so that school facilities could be utilized during summer months.

Such a plan suggests that school districts purchase school property with the park idea in mind, Miklas said.

Wixom to Form Youth Committee

Three ordinance amendments and a new ordinance establishing a youth protection program were adopted Thursday by the Wixom city council.

The latter ordinance, similar to the resolution recently adopted by the village of Novi, provides for child and youth protection committees, set down duties and powers, and provides a method for guidance and assistance of families, children and youth of Wixom.

The ordinance provides for the appointment of an executive committee and a citizen general committee by the county juvenile court under the provisions of the court rules.

Specifically, here is how the committee works:

The "offenses" amendment provides for an additional paragraph spelling out unlawful activities such as family neglect, prostitution, window peeping, etc. Persons found guilty of any of these offenses shall be deemed a disorderly person.

The "curfew" amendment includes 12-year-old youngsters within the ordinance regulating the hours that children may be in on public streets, highways, alleys and parks of the city.

The "zoening" amendment refers to the raising of fur bearing animals and to kennels.

In other business Thursday, the council heard a report from the new city hall contractor that the building will be ready for occupancy by January 1. Some of the interior work may be completed after that date, it was reported.

Tabled for future action was the subject of furniture for the lobby of the new city hall, and information concerning the annual regional meeting of the Michigan Municipal League.

Time Out For Readers

The threatened suit against the village of Novi by promoters of a proposed 12 mile road landfill apparently has not been started.

Village Attorney Howard Bond told The News Tuesday afternoon that he had received no word of such a suit. However, he added that the suit may have been started and that the information is slow in reaching him.

Officials at the village hall also reported they had heard nothing of a suit.

Although village officials feel sure that such a suit could be won by the village, they certainly would not be unhappy if the suit is never filed.

Bond also reported that he has asked the court to transfer the disconnection suit of John Olin of Novi to the "equity side" of the court. The hearing on this motion has been set for December 27.

Olin is attempting to win disconnection of some 150 acres of his farm land, located on 13 Mile road near East Lake drive, from the village. If successful he will become the fifth Novi resident to win disconnection.

Build Loading Dock At Wixom Auto Plant

Construction of a new railroad loading dock on the Wixom Lincoln plant property is expected to be completed by the end of this month, Ford Motor company officials said this week.

The dock will be located at the northern edge of the plant property near Wixom road.

Ford officials said the loading dock, which will necessitate the construction of a spur line from the existing C&O railroad and four branch rails.

The overall size of the loading dock area will be 700x100 feet. The contractor is Darin & Armstrong of Detroit.

With the installation of the dock, shipment of new passenger cars by rail is expected to increase, officials said. Two truck companies located near the plant have been unsupporting most of the cars in the past.

"It's a matter of survival now. The MDs have had more than a year to put their best foot forward and they haven't. We feel that we cannot limit the hospital to their use, especially when any handball choice to use it," Board President Allen stated this week in commenting on the decision to open the hospital to both MDs and osteopaths.

Girl Scout Party Slated Wednesday

Novi girl scouts will combine a Christmas party with charity at a community building next week Wednesday.

According to Mrs. John MacFarland, chairman of the event, scouts attending the party are asked to bring along a can of food. The canned goods will be added to the special Christmas baskets that Novi Goodfellows will give to needy Novi families at Christmas time.

MAKING CHRISTMAS BRIGHTER — Like hundreds of other Novi residents, Mrs. O. H. McCollum, 41181 Duron, is shown playing a Goodfellow edition of The Novi News. Ederick Fletcher, 2333 Valley road, (above), is one of the many Goodfellows and helpers who sold newspapers Friday and Saturday to help raise money for purchase of Christmas baskets for needy Novi families.

Roger Babson
The Hope in Cuba

Babson Park, Mass. — The Cuban situation has reached a point where it is affecting certain investments in the field of insurance. Therefore, I feel that my readers are due an impartial summary of the situation. I have always watched Cuba critically as it is so close to Florida, where I have spent over 30 winters.

I feel that the Cuban situation will come out satisfactorily due to the influence of the Catholic church. The Cuban people, with their Spanish blood, are emotional and enjoy political and physical fights.

They, however, are deeply Roman Catholic in faith. Hence, there is a church safeguard which does not exist in Russia or in any of her satellites.

The Communist Government in Russia has been brutal to the Christian church, due largely to its inheritance of the former Czarist domination which controlled and worked through the orthodox church. The situation in Cuba, therefore, is entirely different from the situation in Russia and its satellites.

Cuba is rich in soil, rainfall, sunshine, and warm temperatures. It is a land which has been cured by wrecked and unjust government.

Castro thinks it necessary only to nationalize the farms, businesses, banks, and the few manufacturing establishments in order to have a better life.

Cuba's natural market is the United States (which Castro is abusing and doing his best to alienate). This same trading principle is true for the countries of Central America, and even South America; they have the land but lack the marketing facilities for their fruits, coffee, and even minerals, including oil.

This is another reason why I feel investors should have the larger proportion of their common stocks in marketing — rather than in farming, mining or manufacturing — propositions. Whatever the future may bring as to the ownership of

ONE-STOP SHOPPING FOR A NEW CAR at your Chevrolet dealer's!

Now you can make your car-shopping rounds the easy way—all under one roof! For '61 your Chevrolet dealer offers nearly any type of car you could want—at the kind of price that'll make you want it all the more. There's a whole new crop of Chevy Corvairs with lower priced sedans and coupes and four wonderful new wagons unlike any ever built before in the land. There are new Chevy Biscaynes—the lowest priced full-size Chevroleets, beautiful Bel Airs, elegant Impalas, six easier loading Chevy wagons, including three 9-passenger models.

New '61 Chevrolet NOMAD 9-PASSENGER STATION WAGON
 There are six easier loading Chevrolet wagons for '61—ranging from budget-pleasing Brookwoods to luxurious Nomads. Each has a cave-sized cargo opening measuring almost five feet wide by heavy taxation or by guerrilla warfare such as is taking place in Africa.

New '61 Chevrolet IMPALA 2-DOOR SEDAN
 Here's a new measure of elegance from the most elegant Chevrolets of all. There's a full line of five Impalas—each with sensible new dimensions right back to an easier-to-pack trunk that loads down at bumper level and lets you pile baggage 18% higher.

New lower priced '61 CORVAIR 700 CLUB COUPE
 There's a whole crew of new Chevy Corvairs for '61—polished and perfected to bring you spunk, space and savings. Lower priced sedans and coupes offer nearly 12% more room under the hood for your luggage—and you can also choose from four new family-lovin' wagons.

New '61 Chevrolet BEL AIR SPORT SEDAN
 Beautiful Bel Airs, priced just above the thriftest full-size Chevies, bring you newness you can use: larger door openings, higher easy-chair seats, more leg room in front, more foot room in the rear, all wrapped up in parkable new outside dimensions.

New '61 Chevrolet 4-DOOR BISCAYNE 6
 NOW—BIG COMFORT AT SMALL CAR PRICES—Chevy's new Biscaynes, 6 or V8, are built to save in a big way. They offer a full measure of Chevrolet quality, roominess and proved performance, yet they are priced right down with many cars that give you a lot less.

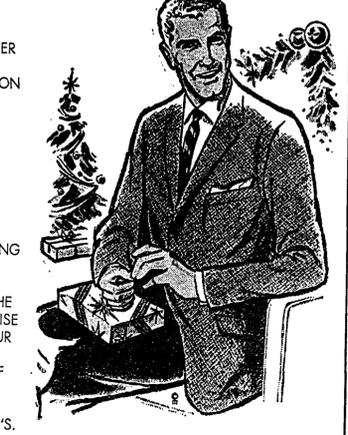

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Newcomers Marian and Betty Szczepanski and their eight-year-old son, Victor, have lived in the United States just short of four years, but already they've toured 43 of the nation's 50 states.

KITCHEN DIARY

Guests Like These Best

Guests at Mrs. Paul H. Schulz's home at 4675 West Seven Mile road can expect some mighty delicious dessert specialties when the hostess whips up her popular Devil's Food or Forgiven cakes.

The Devil's Food recipe has come down through generations of family cooks, remarked Mrs. Schulz. If you're out on the look-out for a nice holiday dessert, she suggests giving the Forgiven cake a whirl.

Mrs. Schulz recommends an uncooked chocolate icing or a caramel frosting for the Devil's Food cake, and notes that ice cream, strawberries or hot fudge go well served with the Forgiven cake.

NOVI HIGHLIGHTS . . .

By Mrs. Luther Rix — Fieldbrook 9-2428

"Dear Santa . . ."

All over America, boys and girls are eagerly awaiting the coming of Christmas . . . looking forward to the toys for which they've asked in their letters to Santa. It's a big job for Santa — keeping all these boys and girls happy — but he has a big helper in the trucking industry. The hundreds of thousands of trucks and trailers that all year long bring Americans everything they eat, wear, or use are kept extra busy at Christmas. From factory to warehouse to Santa's pack, the toys and other gifts that bring so many happy smiles on Christmas morning depend on trucks to get where they're going . . . Merry Christmas, everyone!

Stereo Hicks, 11 Mile road, celebrated his 50th birthday last Saturday, December 10. He received many gifts and cards from friends. Sunday company at the home of Mrs. and Mrs. Charles S. Crawford of South Lake drive were Mrs. John Wisner and Miss Geneva Wisner of Detroit and Mr. and Mrs. Doran Prince and their two daughters of Van Dyke.

Mr. and Mrs. Russell Banks and children and Mrs. Earl Banks are moving from their place on 11 Mile this week to their farm near Easton Rapids. Miss Mary Flinn and Mr. Will Flinn attended the Plymouth Symphony concert Sunday afternoon to hear the Christmas section of the "Messiah". Mrs. Kenneth Cook entered St. Mary hospital in Livonia last week Thursday.

Mr. and Mrs. Andrew Childress moved from their home on East Lake drive in November. Now Mr. and Mrs. John French are living in the house on East Lake drive.

Mr. and Mrs. Edwin Putnam celebrated their Silver Wedding anniversary December 7 at the home of Mrs. Putnam's brother-in-law and sister, Mr. and Mrs. Lawrence Hornfall in Farmington.

Mr. and Mrs. Larry Putnam have moved into their new home on Meadowbrook road this week.

Mr. and Mrs. Russell Taylor, Jr. were dinner guests of the former's uncle and aunt, Mr. and Mrs. Edwin P'Gepert last Sunday.

Mr. and Mrs. Russell Taylor and Mr. and Mrs. Edwin P'Gepert recently attended services at Roseland cemetery in Berkeley for an aunt of Mrs. Taylor and Mrs. P'Gepert.

Friends of Mrs. Cora MacDonald will be happy to learn that she is rapidly recovering from her recent illness.

Mrs. Marguerite Schauer of Capac visited her sister, Mrs. Gertrude Lee, last Sunday.

Mr. and Mrs. Russell Race entertained the former's relatives, Mr. and Mrs. Clark Race of Milford and Mr. and Mrs. Hazen Race of Birmingham last Sunday.

Mr. and Mrs. Rex LaPlante and daughters, Carol and Vickie, attended a family gathering at the home of Mr. LaPlante's brother and his wife, Mr. and Mrs. George LaPlante in Detroit.

Mrs. Russell Race served dessert to the Blue Star Mothers who met at her home Monday evening to plan the coming year's activities.

Novi Baptist Church News: The Baptist Sunday school and BYF will have their Christmas program and tree at 7:30 p. m. Friday, December 23 at the church.

Anyone who would like to come is welcome. There will be recitations by the children and the Nativity scene by the teenage group.

The Unity Circle had their annual Christmas get-together by having dinner at the Sno-White in Detroit Monday evening. It was the evening light for the judges.

Mrs. James Wilentz entertained her Sunday school class, "The Bible Believers" at a Christmas luncheon and party at her home on Clark street Saturday afternoon.

The Mothers club will meet in the community hall Monday evening, December 19 at 8 o'clock. The

Notville high school choir, under the direction of Leslie Lee, will present a Christmas concert at the beginning of the meeting.

Backs will be available for canned goods to help the Goodfellows and there will be a \$100 gift exchange for members.

Mrs. Jean Muscat will have charge of the dinner arrangements.

Novi Methodist Church News: The Novi Methodist WSSS will meet next Wednesday, December 21 in the church basement. Everyone is to bring a gift for Marietta Gobel. The potluck dinner will be served at 11:30. Bring a passing dish and table service.

Everyone thanks the Youth Fellowship for decorating the Christmas tree.

Sunday, December 18 the Christmas program will be held in the community hall at 7 o'clock in the evening. The program will include a pageant "Story of Christmas" and recitations.

The Church school choir will sing at the 9:45 a.m. Worship service on Christmas and New Year's.

The Sunday school party was held Wednesday evening.

Novi School News: Mrs. Lewis' grade five and Mrs. Penhale's grade six enjoyed a trip to Greenfield Museum November 30. They were accompanied by the following mothers: Mrs. C. Brown, Mrs. Harbin, Mrs. Zielinski, Mrs. Davis, Mrs. Skellenger, Mrs. Cook and Mrs. Krist. Many thanks to Mrs. Doan for driving the bus and assisting the mothers and teachers.

Mrs. Selow's history classes made resource maps of the United States for their workshop. Jack Anglin and Stanley Gillet's maps were judged as superior in section 82.

Charles Van Every's Dennis Brandenburg's and Kenneth Little's maps were chosen as superior in section 81.

Novi Girl Scouts: Intermediate Troop 149 worked on their Christmas project of making door wreaths on Monday for their homes. Mrs. Paul Patterson was special guest and Noel P'Gepert working as senior aide with this troop.

Intermediate Troop 456 had their regular meeting at Orchard Hills. Kathy Erwin was in charge of the flag ceremony. Nature reports were given by Nancy Schlegel and Susie Moore on grapes. Betty Kwiatkowski and Mary Hanna turned in a similar report on pears. The girls continued work on their Christmas projects. Treats by Evelyn Budione.

Brownie Troop 302 presented the evening light for the judges. The "Sunday evening" film strip will be shown on "We see the Light". There will also be special music and recitations.

Mrs. James Wilentz entertained her Sunday school class, "The Bible Believers" at a Christmas luncheon and party at her home on Clark street Saturday afternoon.

Novi Mothers Club: The Mothers club will meet in the community hall Monday evening, December 19 at 8 o'clock. The

Salem Official Wins Area GOP Award

Harlow Ingall, Republican treasurer for Salem township, was awarded a cup last week Wednesday for accomplishments by GOP leaders in the November election.

The award was presented to Ingall at a GOP honoree banquet at the American Legion hall in Ann Arbor by the Washburne prosecuting attorney.

Ingall is chairman of the area Republican organization in Salem, Superior and Northfield townships.

At the banquet, it was pointed out that although voters of the nation and state gave Democrats the majority, Washington county became more strongly Republican, with Salem, Superior and Northfield townships gaining 60-percent over the opposition.

The three-township gain was the top in the out-county Washburne area.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Northville is scheduled for Monday. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Maybury Men's club, FI-9-2822, or call the operator for toll-free Enterprise 702.

THEY WORK HARDER BECAUSE THEY RIDE EASIER!

Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel light, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

1-Card of Thanks

My sincere thanks to Dr. Dyer and to the nurses and aides of Community General Hospital for their many kindnesses and care during my recent illness.

Mrs. Theresa Sprenger

We wish to thank the two little girls who were so thoughtful in bringing try favors and singing to us on Thanksgiving eve.

Patience A. Community General Hospital

I'd like to thank all those people in the Northville area who have been so darned wonderful to me in the past few months and wish them the very best for the coming year.

Ed Matallai

Obituary

HARRY A. SEURH
Harry A. Seurh, a Wisconsin farmer who had lived in the area 31 years, died Monday, December 12, at the Pontiac Osteopathic hospital following a brief illness. Mr. Seurh had lived at 3025 Wisconsin road with his wife, Emily S., who survives him along with a daughter, Mrs. William Newbound of Milford; one sister and one grandchild. Mr. Seurh was born December 22, 1888 in Ottawa, Illinois. Funeral services were conducted yesterday (Wednesday) from the Richardson-Bird Funeral home in Milford. The Rev. John Hour, St. William's church of Walled Lake, officiated. Interment was to take place today in Ottawa, Illinois.

READERS SPEAK:

Teachers Club Thanks Salary Committee

To the Editor:
We realize the great amount of time and effort which has been expended by the members of the special salary committee who have worked so faithfully in cooperation with the Board of Education. We sincerely appreciate this expenditure of time and effort and should like to express our gratitude to these committee members. We are also very grateful for your kind consideration.

Yours sincerely,
(Miss) Ada W. Fritz
President
Northville Teachers Club

Police Catch Gas Thieves In the Act

The quick thinking of Northville Police Sergeant Leonard Masuchowski was responsible for the apprehension Sunday night of two Plymouth youths siphoning gasoline from a fuel tank parked at the Standard Oil bulk plant, 215 Railroad street.

Complaints of gasoline looting in the area have plagued police for several months. Until Sunday night, no on-the-spot arrests had been made.

While making a routine property check at the bulk plant, Masuchowski noticed a fresh wet spot on the ground and left his patrol car to check out the trucks.

Finding two five-gallon fuel cans next to a truck — one linked to a hose slowly siphoning gas from the truck tank — Masuchowski stepped out in a spot close to the scene and arrested the youths when they returned to collect their loot.

Both offenders were placed on one-year probation by Justice E. M. Bogart in court action Monday. Other penalties levied were — for one, restitution for stolen property, \$25 fine with court costs and a mandate to attend church 52 consecutive Sundays; for the other, suspension of driver's license, night confinement at home for six months and an order to attend church 52 consecutive Sundays.

In other police action this week, Chief Eugene King reported that stop signs for north and southbound traffic on Center street at Baseline road had been removed.

He attributed the move to two factors — increased truck traffic at the intersection as a result of the recent posting of no commercial vehicles signs on Randolph and Rogers streets and the difficulty that faced trucks in negotiating the Center street hill after a stop.

King said state police traffic officers had been consulted before the signs were removed.

He warned motorists that enforcement of speed limits in that area would be stepped up.

No parking signs were posted this week on the west side of South Rogers between Seven Mile and West Main and on East Main between Church and Park Place, the chief said, in order to relieve traffic hazards in these areas.

TREES FOR SALE — Scouts of Northville Troop 755 hoist that they have one of the finest selections of Christmas trees ever this year. The scouts have their lot on Church street directly behind the First Presbyterian church. It's open daily and Sunday from noon until 9 p.m. Assisting the scouts above is Ed Langtry of the Presbyterian Men's club and the scout-salesmen Gary Davis, Mike Mahoney and Bob Langtry.

HE'S HELPING — Keith Mildenberger stopped at the Christmas Seal stand in the Northville post office this week to buy a few seals and do his part toward helping the annual drive to prevent TB. Ready to give Keith his seals is Mrs. John Blackburn of the Northville Woman's club. Mrs. Harvey Whipple is chairman of the Woman's club committee handling the Christmas Seal sale and has volunteers of the club stationed in the post office and the bank selling TB seals.

Santa Stops Here

Santa Claus has slated two big stopovers in Northville this week and he'll drop in Saturday afternoon at the annual Christmas party for the children of the Eagles lodge and auxiliary, and Sunday he's pay a visit to youngsters of VFW members at a party in the post hall at 438 East Main.

Old St. Nick's visit with Eagles' children will be during a 2 1/2 p.m. party at the hall on Main street above the bakery. There'll be plenty of games and refreshments.

The VFW party will feature films and refreshments and last from 3 until 5 p.m.

Your Psycho-Analysis

I was rather amused the other day to read a statement made by a former movie star. She said to reporter William Hickey, a Free Press writer, "I don't know exactly what has changed me — except perhaps the fact that I'm not a movie star any more. I've had four dangerous years of that nonsense and I've never met crazier people than my analysts. Maybe it was seeing how mixed up they were that made me realize how well integrated I am." Like most of us when we get steamed up about something we overstate our honest estimations. However, in an age that frowns on the Word of God and worships at the altars of the men in white coats, it's rather refreshing to hear such a frank statement. If a psycho-analyst is honest and knows what he is doing he will place his finger on what is wrong in this person's life and say, "This is the trouble." Now if a person will take his Bible, open it up to the Gospel of John and continue to read a small portion each day, he will soon find out what is wrong and what is missing in his life. The major root of men's difficulties is being out of adjustment with the Holy God.

Florida Bound? Try This New Turnpike Route

A newly-recommended route from Michigan to Florida, utilizing the maximum mileage of four-lane highways, has been logged by Automobile Club of Michigan.

Auto Club Touring Manager Jerry E. Fisher has traveled the route that uses the Ohio and Pennsylvania turnpikes to reach Florida. Fisher found this route excellent throughout its 1,206 miles from Southeastern Michigan to Jacksonville, Florida.

Traveling along toll roads and straight, fast conventional highways in the eastern United States, it incorporates 540 miles of four-lane roadway. Total behind-the-wheel time, Detroit to Jacksonville is 23 hours, 41 minutes.

Once the Pennsylvania Turnpike is left at the Breeswood Interchange, motorists head southward via Winchester and Roanoke, Va.; Greensboro, N.C. and Orangeburg, S.C. Several worthwhile side trips are possible: one to Washington, D.C. and another to Shenandoah National Park, and Jekyll Island off the coast at Brunswick, Ga.

Fisher reports that accommodations are excellent along the route. However, he issued several words of caution.

"In the dead of winter, it may be advisable to veer south as soon as possible by another route. There is the danger of the turnpikes being snowed or iced in several times during the winter. However, this route is safe virtually all year round."

Fisher also warned of "water of the law" enforcement in Virginia.

"When speed signs say 55 or 60 miles an hour, that's exactly what they mean. Even if there is little traffic and conditions are generally good, drivers should adhere to the speed limit. The Virginia State Police enforce the speed laws strictly."

Fisher says the new route offers an extra bonus to antique collectors. "There are more good antique shops in the Shenandoah Valley area than just about any other place I've seen."

Fisher suggests this route as a possible alternate to other popular routes either on the trip to or from Florida.

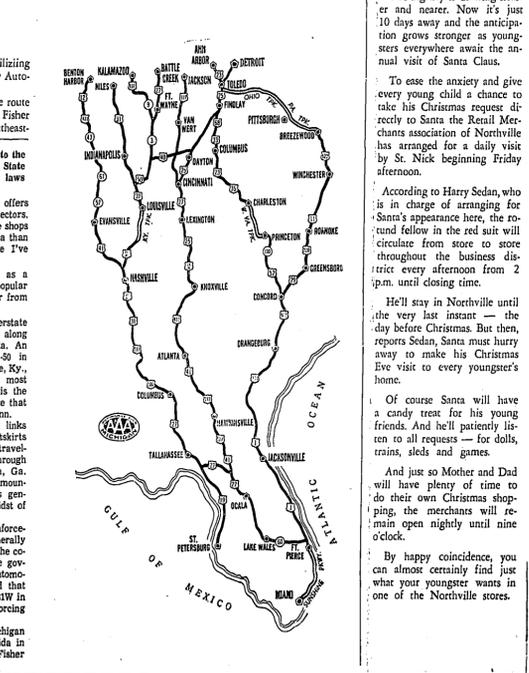

Scattered stretches of Interstate super roads will be available along two popular roads to Florida. An Interstate road between US-50 in Southern Indiana and Louisville, Ky., will speed traffic along the most popular Florida route. This is the western non-mountainous drive that passes through Nashville, Tenn.

Another Interstate highway links Dayton and the northern outskirts of Cincinnati another heavily-traveled route, that continues through Knoxville, Tenn., and Atlanta, Ga. This route travels through mountainous terrain that travelers generally will avoid in the midst of winter, Fisher says.

Fisher adds that vigorous enforcement of Georgia speed laws generally have been eliminated through the cooperation of the Georgia state government and the American Automobile association. He cautioned that several small cities along US-31W in southern Kentucky are enforcing speed laws strictly.

An estimated 350,000 Michigan residents will journey to Florida in 1961, about 75 percent by car, Fisher said.

Pontiac trims side overhang to give you a new Wide-Track...greater stability

Notice that the sleek lines of the body are closer than ever to track width. We've trimmed side overhang. Every inch and ounce of this '61 Pontiac travels with steadier footing. The change is also noticeable inside. We've increased seat height and allowed more headroom, legroom and footroom. Clearance between steering wheel and seat is 12 percent more than before. Doors are wider, swing open farther.

More balanced in motion. More comfortable inside. That's the Wide-Track way to travel. And there's only one place to try it... in a '61 Pontiac! Take a deciding drive soon.

Methodists Smother Baptist Cagers 123-44

With the Inter-Lakes Church league competition having ended, the Walled Lake Methodists are already carving themselves an enviable basketball record.

Last week the league-leading Methodists topped a 123-44 victory over W.B. Baptist (Wisom and West Bloomfield cagers) as Jim Horwin and Bill Ligon scored a combined total of 57 points.

Horwin picked up 31 points, Ligon 26 points. High scores for the Baptists were Harold Rander and Jim Johnson, who both scored 14 points.

The one-sided victory gives the Methodists a 3-0 record, a full game better than second-place St. Matthew's Lutheran.

In their game last week, the Lutherans edged St. William's Catholic, 56-54. Jerry Long led the victors under the nets with 10 points. Dick Dewling was high for St. William's with 23 points.

Tonight St. Matthew's will take on the Methodists and St. William's will clash with the Baptists. The first game will get underway at 7 p.m., the second at 8:30.

AWARD WINNERS—The Northville Exchange club sponsored its annual football banquet for Northville gridirers, coaches and fathers Thursday at the Methodist church. A capacity crowd was on hand for the dinner program, highlighted by the appearance of two Detroit Lion football stars. Varsity letters were awarded as were trophies. Winners of the top awards are shown above with the Northville coaches. They are (left to right): Dave Longridge, Al Callahan, Jerry Blidde—elected co-captain, Fred Steeper—sportsmanship award winner, Steve Juday—elected co-captain, Head Coach Ron Horwath, Assistant Coach Dutch Van Ingen, Dave Hay, most valuable player award winner, and Athletic Director Al Jones.

Frosh Win 46-23; Stretch Record

Northville's freshmen quintet stretched its undefeated string over three years to 30 victories here Friday by crushing Brighton in the season opener, 46-23.

The freshmen, coached by Ron Horwath who replaced the late Joe Wilkinson, led throughout Friday's game. The quarter scores were: First 16-7, second 24-12, third 40-14, and fourth 46-23.

High scorers for the Northville cagers, who were scheduled to meet the Methodists and St. William's at the Methodist yesterday, were Dave Jerome and Jim Briscoe, each with 12 points.

Bulldogs Nip Icy Mustangs

Co-Champion Brighton clamped a lid over the Northville nets Friday, piled up an early lead, and then walked to an easy 50-37 victory over the Mustangs.

The victory was the third in a row for the Bulldogs, who last year shared the Wayne-Oakland basketball title with Clarenceville, and the defeat was the third straight for the Mustangs, who wound up in last place last season.

Offensively, the Mustangs were as effective as a shotgun without a shell. Loaded for bear, the Northville cagers triggered only 22 points in the first three periods as Brighton piled up 16 points in the first quarter.

Northville was so cold in the first quarter that Coach Dutch Van Ingen emptied the bench in an attempt to uncover someone with an aereatic arm. And it wasn't until the last quarter, with most of the starters resting on the bench, that the Mustangs finally began to warm up.

Except for a few individual defensive maneuvers—mostly by second stringers—the Mustangs simply were no match for the title contending Bulldogs. Poor shooting, fumbles and inability to grab rebound marked the Northville performance.

Northville was still in the game when the Mustangs finally began to warm up. Except for a few individual defensive maneuvers—mostly by second stringers—the Mustangs simply were no match for the title contending Bulldogs. Poor shooting, fumbles and inability to grab rebound marked the Northville performance.

Northville was still in the game when the Mustangs finally began to warm up. Northville was still in the game when the Mustangs finally began to warm up. Except for a few individual defensive maneuvers—mostly by second stringers—the Mustangs simply were no match for the title contending Bulldogs. Poor shooting, fumbles and inability to grab rebound marked the Northville performance.

UP 'N' AT 'EM—Danny Brown, Northville center, (in black below the ball) leaps high to grab a rebound as two Brighton players, Jim Armstrong (59) and Lloyd French (52) grab air. At left is Northville's Dave Filkin and at right (51) is Don Beach.

Stall Fatal for Colts

A stall in the final minute of play Friday proved fatal for the Northville junior varsity quintet which lost to the Brighton Bulldogs in the last 10 seconds of the game.

The Colts held a three-point lead when they set up a stall as the game neared completion. Brighton quickly trimmed the lead and then flashed out front in the closing seconds to win 55-4.

Northville was in the lead throughout much of the game. The two teams battled to an 8-8 tie in the first quarter, then Northville bounced ahead 24-17 at the half. By the end of the third period, Brighton had chipped the Northville lead to 55-41.

Then in the all-important fourth quarter, six Brighton players teamed up to score 20 points to Northville's 14.

Forward Tom Daniels led the Colts in scoring with 16 points. Teammate Dan Pattison, center, was the runnerup with 13 points.

Guard Dennis Hartman mended seven field goals and four charity tosses to lead the Bulldogs' attack. Forward Louis Williams was second high with 10 points.

Northville's wrestling team was to invade Flat Rock yesterday (Wed. night) after dropping its second match of the season last week Tuesday to Cranbrook, 4-1-5.

Despite the one-sided defeat last week, Northville Coach Dave Longridge appeared satisfied with the performance as his cover of wrestler Gary Nichols picked up the 5-14 pound Cranbrook opponent. Other close matches were turned in by Ron Walters, forward; Harold Weston and Mike Applegate, guards. Powell, Walters and Weston are returning lettersmen.

Northville Recreation Director Ken Conley reminded area residents this week that open adult recreation is held each Tuesday night at the community building between 7:30 and 9:30 p.m.

Indoor sports include volleyball, badminton, shuffle board and ping-pong. The men's basketball practice sessions are held on Thursdays from 7 to 9 p.m. and on Saturdays from 2 to 4 p.m. More men are needed to start team competition, he added.

NORTHVILLE Telephone Lines

By HUGH C. BRONAUGH, Manager

Manufacturers National Bank

"Manufacturers, that's our bank!" say thousands of electricians, and other craftsmen who find Manufacturers Bank helpful in many ways. They know it pays to save where they can borrow, if necessary. Personal loans for any worthwhile purpose—automobile and boat financing—home improvement loans—or, loans for their children's college education. You, too, will find it is wise to establish your bank credit at any of the many Manufacturers Bank offices in the tri-county Metropolitan area. May we serve you?

129 Main Street, E., Northville.

Minutes of Northville City Council

A regular meeting of the Northville City Council was held at the City Hall Monday evening, Dec. 5, 1960 at 8 p.m.

Present: Councilmen Canterbury, Judy, Reed and Welch.
Minutes of last regular meeting and intervening special meeting were read and approved.

The following bills were presented for payment:
General Fund \$41,268.05
Water Fund \$1,856.07
Water Construction Fund \$145.50

Moved by Welch, supported by Judy, that these bills be paid. Carried.

Letter was read from Woman's Club expressing their interest in the new City Hall. Mr. Robertson was instructed to write them a letter.

BRADER'S... Where Christmas Shopping also Means Savings

141 EAST MAIN STREET * NORTHVILLE * WE'LL CASH YOUR PAYROLL CHECK

HONORED — Harvey Van Valkenberg, a Northville volunteer fireman for 30 years, was awarded the annual Claude Ely Memorial Fund last Thursday night at the recognition dinner for the city's unpaid and volunteer employees. He's shown above (at left) receiving a \$50 check from Councilman John Canterbury, who took over duties as the principle speaker for Mayor A. M. Allen who was ill and unable to attend. Seventy-three persons who either serve the city as non-paid members of boards or commissions or work as paid and volunteer employees attended the dinner (see photo at right). Each councilman and department head spoke briefly and commended the various units for their contribution to the operation of the city. Record Publisher William Stiger acted as toastmaster.

BEHIND THIS WINDOW at Northville State hospital are three members of the Northville high school art class of Miss Betty Pierce. The girls spent last Saturday painting Christmas wreathes, holly and a Santa Claus on the hospital window. A little difficult to see, but there nevertheless, are: (l. to r.) Donna Richardson and Debrae Winters. Ed Asselin, not shown, painted the Santa Claus.

SPEAKING for the Record

By Bill Slinger

Board members and school administrators from Northville and Novi sat down together last week to discuss the future of the two school systems.

In particular they attempted to reach a mutual understanding on the matter of Novi students attending Northville high school.

It would be accurate to report that the meeting was successful and the two groups agreed upon a plan that satisfies the interests of both.

At the same time an issue was raised by two newcomers of the Novi board that wrinkled a few brows and lifted an eyebrow or two.

The result was a fruitful meeting, better understanding of the problems at hand and perhaps a fresh outlook with an alternative or two to consider.

Basically, Novi and Northville are in agreement on a plan that would have Novi students in grades 10-11 and 12 only attending Northville high school beginning in 1964.

Under this plan Novi would concentrate on establishing a new junior high school that would provide for its 7th, 8th and 9th graders. Presently, Novi grades nine through twelve come to Northville.

Enrollment projections (which could change, of course) indicate that Northville can accommodate the tuition students until the beginning of the 1964-65 school year, when the ninth graders would have to be withdrawn.

Beyond that it is difficult to predict. But the school officials seemed to agree that a Novi high school might be eight years away.

When Novi does provide its own high school, the students would be taken from Northville a year at a time so that the impact would be gradual—and any student having started as a tenth grader at Northville high school would continue and graduate without having to change to a new building.

Thus it would appear that Novi will now concentrate its efforts on a new junior high school—to be located presumably on the new 40-acre site at Exit and 11 Mile roads.

But while there was agreement on the immediate future, two members of the Novi board suggested that a consolidation (or annexation) of the two school districts might be the long range answer.

Walter Ambinder and John MacBride, both newcomers to Novi and the school board, tossed this suggestion into the discussion.

Arthur Heisl, Novi school board president, said he didn't believe there was any feeling for this proposal in Novi, that in fact, it would not be a popular idea.

Northville schoolmen also pointed out that such a plan had been tried in 1954 with no success and some ill-feelings.

But George Mairs, a longtime Novi resident and member of its citizens' school study committee, stood up to say he favored consolidation—even though he topped it at 64 years ago.

Ambinder said he favored larger systems because he is convinced that high school students receive a better education. In a high school supported by a larger tax base it is possible to provide a wider curriculum benefiting both college or non-college students, he argued.

It was finally agreed that such meetings are worthwhile and should be held more often.

But a suggestion by Ambinder that a study committee to consider consolidation be formed was left hanging.

Roger Babson Kennedy Unhappy

Babson Park, Mass.—This is not an article on the election, as its outcome has been covered fully by the newspapers, the broadcasting companies, and the magazines during the past two or three weeks. This is a column strictly on the personality of Senator Kennedy.

His influence with Congress will be much less than if he had won with a fairly good popular margin and were taking office with a mandate from the people.

Since December, with its Christmas and New Year's holidays and greatly increased travel, is always one of the worst months for production of the news.

Bad weather and bad holiday driving habits could produce an even bigger rash of deaths.

REGULATION OF EGG NOG may seem less than vital concern to Michigan motorists—except at Christmas time.

But, application of a law passed by the 1960 Legislature which sets standards for the traditional drink is one of the jobs of the Agriculture Department.

It is, however, just one of many facets of the department's year-around activities in protecting consumers from adulterated or unwholesome food, and from being victimized by faulty or maldesigned weighing and measuring devices.

The egg nog law sets higher minimum standards for butterfat content in the Christmas drink.

The Agriculture Department's dairy division said butterfat now must be at least 6 percent and egg yolk solids have to be increased to 1.1 percent.

Artificial color or flavor is added to the label on the container must say so, the department said.

For the uninitiated, egg nog is usually flavored with nutmeg spice, sugar syrup, vanilla and dried egg yolks. This is mixed with milk and cream.

Some people add a spot of spirits to give a warming touch to the drink.

However, it is against Michigan law to sell egg nog to which alcoholic beverages have been added.

Whatever the reason, if you're not used to exercise or working hard, take it easy, the department said.

Anyone who has had a heart attack should check with his doctor before even attempting to shovel the walk, and even previously healthy men are apt to take the attitude that it can't happen to them.

It shouldn't be too hard to find a neighbor to do the shoveling for a dollar or so, the department said.

And if you feel you really should get out in the crisp winter air, you can always supervise the job.

Two services will be held at St. Paul's Lutheran church on Christmas Eve, announced the Rev. B. I. Pankow, church pastor.

Children of the congregation will tell the Christmas story at 6:30 p.m. A Sunday school program of recitations and a presentation of the Nativity by the intermediate Baptist Youth Fellowship will be held at 7:30 p.m.

The First Baptist church of Novi will hold a Christmas Eve service at 7:30 p.m. on Christmas Eve.

Michigan Mirror Traffic Deaths Run High in December

MICHIGAN HIGHWAY safety officials are still very concerned by traffic accident statistics for 1960. The Agriculture Department's dairy division said butterfat now must be at least 6 percent and egg yolk solids have to be increased to 1.1 percent.

However, police expect the toll to exceed November, 1959, when delayed reports of deaths are in. As it stands using the provisional figures for November, 1959, the state traffic toll is running some 9 percent ahead for the whole year.

Some 1,415 persons have died this year compared with 1,311 in the comparable period last—an increase of 104.

Virtually complete figures for October show 168 deaths, 43 to 34 percent, higher than October, 1959. The cumulative 11-month total for injuries is also up as is the number of accidents.

Latest figures available show estimated travel for the first nine months of the year to be 23.9 billion miles, an increase of 3 percent. The death rate of 4.6 per 100 million vehicle miles was up 2 percent, State Police said.

Area Church Services Hail Christ's Birth

The story of Christ's birth will be retold in area churches this week, as congregations take part in Christmas programs of worship and song.

Two services will be held at St. Paul's Lutheran church on Christmas Eve, announced the Rev. B. I. Pankow, church pastor.

Children of the congregation will tell the Christmas story at 6:30 p.m. A Sunday school program of recitations and a presentation of the Nativity by the intermediate Baptist Youth Fellowship will be held at 7:30 p.m.

The First Baptist church of Novi will hold a Christmas Eve service at 7:30 p.m. on Christmas Eve.

Speech choruses of high school and college youth from the congregation will read portions of scriptures that announce the birth and second coming of Christ at 8:30 p.m.

On Christmas Day a festival choral service will be held at 10:30 a.m. at St. Paul's. Both the adult and children's choirs will sing.

Mr. and Mrs. Ed Welch, acting for the Session of the Presbyterian church, will be taking part in an 11 p.m. Christmas Eve candlelight service at the First Presbyterian church.

Families were invited to worship together at an 11 a.m. service on the morning of the 25th. No church school is planned.

Mr. and Mrs. Ed Welch, acting for the Session of the Presbyterian church, will be taking part in an 11 p.m. Christmas Eve candlelight service at the First Presbyterian church.

Merry Christmas THE NOVI NEWS

Volume 6, Number 32, 16 Pages Novi, Michigan, Thursday, December 22, 1960 10c Per Copy, \$3.00 Per Year in Advance

Lights Shed Christmas Warmth

THE WARMTH of the Yuletide season is personified by the reflection of brightly lit decorations upon the blanket of snow that arrived in time for Christmas. These area homes are typical of thousands throughout the world and quietly express the universal wish for Peace on Earth, Good Will to Men. Most area churches will hail the birth of Christ with special Christmas Eve services.

School Board Votes 4-1 to Buy \$80,000 Site

The preliminary purchase agreement involving a 30-acre site located at the southeast corner of Taft and 11 Mile road was finalized by the Novi school board last week Wednesday.

Members of the board voted 4-1 in favor of the \$80,000 purchase following a public discussion at Orchard Hills school. Board President Arthur Heisl was the lone dissenter.

Although plans are still indefinite, it has been generally considered that at least part of the site would eventually be used for a Novi high school. However, construction of a junior high school on the site may precede the high school some officials feel.

Presently, Novi teaches only through the eighth grade, sending its high school students to Northville.

The parcel selected by the school board was one of three given serious consideration. It was owned by Mrs. Glenn Salow, Jr.

Other sites considered were a 3-acre parcel on 11 Mile road just west of Clark subdivision, priced at \$750 per acre.

A letter to the board from Roland Heaton asking that a public meeting be held before closing the transaction almost succeeded in delaying the original purchase action last month.

Heaton's letter suggested that the board was being too much for the property.

Board President Heisl asked for a vote on the public meeting, but only he and Edward Erwin voted for such a meeting before finalizing the purchase.

Finally after the board decided by a 3-2 vote to sign the purchase agreement, the board voted to hold a public meeting to explain the details of the purchase. This meeting was held last week Wednesday.

In explaining his reason for voting against the purchase, Heisl said the Novi board should investigate the merits of a village water system after learning local utility officials are planning to build a water system over the Novi area.

The meeting was also prompted by a report that at least part of the 30-acre parcel would be used for a school.

Actually, the contributions probably will swell to close to \$1,000 before the week is out, Wallace said.

Anderson explained that he had no interest in the Van Every business, but Koenen persisted.

Sealed bids were then requested. And to prevent any future squabbles, Anderson abstained from voting on the matter. Councilwoman Eugene Choquet cast the only dissenting vote.

Miss Choquet said she didn't care who was given the contract, but that she was against stock piling of gravel.

"I think we should pay for only what we need."

Other council business included: a request by Village Coordinator Harold Ackley that the Greater Grand River Businessmen's association be contacted for the county's share of the cost of the placement of village signs on main roads and has secured a promise that such signs would be erected.

Authorized purchase of two truck tires at a cost of \$200; authorized repair of one of the fire department's Scott Air Packs; a rescue unit.

Van Every Gravel Bid Wins Vote

The much discussed matter of gravel purchase for Novi roads presumably came to an end Monday night as the village council voted to accept the low bid of Charles Van Every.

Van Every was one of five companies which submitted sealed bids. His bid of 50 cents per ton or 50 cents per yard was the lowest.

Road officials expect to use at least 20,000 yards of gravel during the ensuing year. This amount will be stock-piled at the gravel pit.

The village originally planned to purchase its gravel from Van Every after obtaining comparison bids several weeks ago.

However, the council ran into a snag over discrepancies in the bids. Furthermore, Herbert Koester, a Novi citizen, objected to the council because it was operated by Van Every and a gravel pit on Councilman Philip Anderson's property.

Anderson explained that he had no interest in the Van Every business, but Koenen persisted.

Sealed bids were then requested. And to prevent any future squabbles, Anderson abstained from voting on the matter. Councilwoman Eugene Choquet cast the only dissenting vote.

Miss Choquet said she didn't care who was given the contract, but that she was against stock piling of gravel.

Other council business included: a request by Village Coordinator Harold Ackley that the Greater Grand River Businessmen's association be contacted for the county's share of the cost of the placement of village signs on main roads and has secured a promise that such signs would be erected.

Authorized purchase of two truck tires at a cost of \$200; authorized repair of one of the fire department's Scott Air Packs; a rescue unit.

Additional insurance, life and injury for members of the volunteer fire department; to permit the Novi police department to join the Novi police radio network, on a trial basis, at a cost to Novi of \$100 per month.

Learned from Police Chief LeBeGue that a request for a driver's license bureau in Novi may be approved soon by the state.

Goodfellows Cheer Hearts

Close to 50 baskets of food and dozens of gift-wrapped books of toys and clothing are to be delivered today — thanks to the response given to the sixth annual Goodfellow Christmas project.

The food, clothing and toys will be delivered to needy Novi families by the annual Goodfellow Christmas project.

The annual newspaper sale was conducted two weeks ago with nearly 3,000 special copies of The Novi News being sold, while the pancake breakfast — the first conducted here to help the Goodfellow cause — was held at the community building Sunday.

The baskets of food were purchased with the contributions, and the clothing and toys were donated by Novi residents. The packages were stored at the office of Frazee Staman and wrapped by members of the Goodfellows.

Food baskets were purchased from grocery stores throughout the Novi area.

Actually, the contributions probably will swell to close to \$1,000 before the week is out, Wallace said.

Anderson explained that he had no interest in the Van Every business, but Koenen persisted.

Sealed bids were then requested. And to prevent any future squabbles, Anderson abstained from voting on the matter. Councilwoman Eugene Choquet cast the only dissenting vote.

Village to Consider Water System Step

Village officials may decide next month whether or not Novi should plunge into the municipal water business.

A meeting to discuss the merits of such a step is slated for January 22.

Attending the meeting will be members of the council, the village attorney and engineer, and representatives of the state health department and the Oakland county department of public works.

Council members decided to investigate the merits of a village water system after learning local utility officials are planning to build a water system over the Novi area.

The meeting was also prompted by a report that at least part of the 30-acre parcel would be used for a school.

Actually, the contributions probably will swell to close to \$1,000 before the week is out, Wallace said.

Anderson explained that he had no interest in the Van Every business, but Koenen persisted.

World's easiest way to say "Quality!" In any company—in any land—there is one word that is instantly recognized and understood. The word is "Cadillac"—and the meaning, of course, is "quality." And it is understandable, we think, that Cadillac should have become a part of the universal vocabulary.

For its devotion to excellence has been of such a degree—and of such a tenure—that the car has become the world-wide symbol of everything good and desirable in a manufactured product.
