Recipe Clipping Pays Off

Few magazines or newspapers escape the scissors of Mrs. Harry F. Wagenschutz if there's a recipe tucked anywhere in their pages.

An avid collector who's found clipping recipes a mighty profitable pastime, especially when it comes to having the right recipe for the right occasion, Mrs. Wagenschutz has volunteered two of her favorite cookie formulas for this week's Kitchen Diary.

Both make good Christmas cookies, remarked Mrs. Wagenschutz. She bakes her Coconut Mer-meringues — colorfully dotted with candied fruits — in a very slow oven till they're lightly browned. (That's when they're best!) No baking is required for Mrs. Wagenschutz's Chocolate Bars. Just mix, pour and refrigerate. Several hours later... a melt-in-your-mouth confection.

COCONUT MERMERINGUES
Mrs. Harry F. Wagenschutz
1/2 cup egg whites and salt until stiff (not dry); add sugar tablespoon at a time. Beat mixture after all sugar has been added until mixture will crease and can be cut with clean knife. (If sugar is added too fast mixture will not be stiff enough.) Add vanilla and fold in coconut. Drop from teaspoon onto well greased baking sheet. Sprinkle with mixed, candied fruits (dried). Bake in a 225-degree oven about 45 minutes or until very lightly browned. Yields 7-8 dozen.

CHOCOLATE BARS
6 oz. pkg. semi-sweet chocolate
3 lbs. light corn syrup
3 cups confectioners sugar (sifted)
1 cup walnuts (chopped)
1 1/2 cups vanilla wafer crumbs (finely crushed)
1/2 cup orange juice
1 tbs. grated orange rind
Melt chocolate. Blend thoroughly with remaining ingredients. Pour batter into well greased 9-inch square baking tin. Sprinkle lightly with confectioners sugar. Refrigerate several hours. Cut into small (3/4"x1 1/4") squares with sharp knife. Yields five dozen.

Engaged

Mr. and Mrs. Harold Beauchamp of Rochester, and formerly of Segula, Texas, announce the engagement of their daughter, Dorothy (Dot), to Bruce Walter Folker, son of Mr. and Mrs. Owen Folker, of Northville.

Miss Beauchamp is a graduate of Segula high school and Southern Methodist university, where she was a member of Mortar Board and Alpha Lambda Delta. She was elected to Phi Beta Kappa and Who's Who in American Colleges and Universities. A member of Delta Delta Delta sorority, she received the National Tri-Delta Leadership award at the sorority convention in Lake Placid, New York, this past June.

Miss Beauchamp is currently a member of the teaching staff of Hillcrest high school in Dallas. Her fiancé is a graduate of Northville high school and the University of Michigan, where he was a member of Delta Tau Delta fraternity. He attended the Theological school of Drew university at Madison, New Jersey. At present he is assistant director of the Wesley foundation at Miami College of Ohio, and will return to Drew university next year to complete his bachelor of divinity degree. A summer wedding is being planned.

Mr. and Mrs. Folker will hold an open house Monday, December 25, from 4 to 9 p.m. for all their friends.

Fete & New Members At Christmas Tea
Eight new members were honored by the Women's club last Friday afternoon at a Christmas tea in the Northville public library, announced Mrs. C. E. Woodruff, club president.

They were: Mrs. Philip Chase, Mrs. John O'Brien, Mrs. John Robertson, Mrs. James Sample, Mrs. Robert Studer, Mrs. Fred Sieffels, Mrs. Gunnar Stromberg and Mrs. Don Young, Jr.

The Women's club will meet next on January 6 to hear a travel talk by Kurt Thun.

News Around Northville Christmas Parties, Open Houses Set Holiday Entertaining in Motion

The festive spirit of Christmas showered its merry mood on young and old alike here in a round of holiday parties held during the past week.

Even Santa Claus, that roly-poly, red-suited man from the North Pole, made some early stops in Northville. Saturday morning he handed out Christmas stockings to more than 100 Junior Police gathered at the PMA theatre on Main street for a special show in their honor.

The youngsters were treated to a screening of the full length feature "King of the Stallions" and a trio of cartoons. The sponsoring Northville Police department didn't spare the popcorn, either.

Later Saturday afternoon, Santa dropped in at a party for Eagles' children, and on Sunday afternoon he paid a visit to one for children of PVW members.

Northville's Business and Professional Women exchanged gifts at a Christmas party Monday night in the PVW hall. In a program led by Mrs. Lynn Sullivan, the women saw Marian Bower's slides depicting Christmas carols and listened to a talk by Beatrice Ware, a teacher of the blind in Detroit.

"THE NORTHERN LITES" of the Wayne County Extension service held their annual Cooperative Christmas dinner party last Monday evening, December 18, at the home of Mrs. Andrew Orphan.

Christmas decorations and appointments made by the members of the club at its recently held Christmas Craft show created a gala pre-Christmas atmosphere.

RIBBITZER 'N' CARD PLAYERS — Mrs. Ruth Ward (standing) looks in on bridge hands being played by (left to right) Mrs. Gene B. Cushing, Mrs. Earl R. Fleen, Mrs. Helen Adams and Mrs. Carol MacKinnon. The occasion — as suggested by the gay Christmas backdrop — was a holiday dessert-bridge party held by women of the Newcomers club last Thursday afternoon at Meadowbrook Country club.

spending last week end with his parents, Mr. and Mrs. Elden Biery.

Recent visitors of the J. E. Taylor in Rochester were Mr. and Mrs. C. Harold Bloom, Mr. and Mrs. Harry Wagenschutz, Mr. and Mrs. Del Hahn, Mrs. E. G. Goodman, Mrs. Vance Masters and Mr. and Mrs. G. V. Harrison.

Governor-elect and Mrs. John Swainson were guests of honor Sunday at an open house given by Mr. and Mrs. Orlow G. Owen, 3628 West Seven Mile road. More than 100 guests were on hand to meet the new governor and his wife.

Home from law studies at the University of Michigan is William Blake, son of Mr. and Mrs. W. A. Blake.

Sarah Cowden is home for the holidays from her freshman year studies at Winthrop college in Rock Hill, South Carolina. Her parents are Mr. and Mrs. Gilbert Cowden.

Mr. and Mrs. Elden Biery hosted a potluck dinner Saturday evening at their home at 217 Dunlap. Couples there included Mr. and Mrs. Paul Beard, Dr. and Mrs. O. J. Robinson, Mr. and Mrs. Jack Swain, Mr. and Mrs. William Weidner, Mr. and Mrs. Frank G. Paul, Mr. and Mrs. Lewis Alexander and Mr. and Mrs. Don Robinson.

Tom Weidner, a student at DeVry Tech in Chicago, is home for the Christmas holidays. Tom is the son of Mr. and Mrs. William Weidner.

Grandparents living in South Lyon are Mr. and Mrs. Garry Nice, former in Mt. Pleasant, and Raymond Bullard.

NEWCOMER'S CORNER

"I look upon every day to be lost, in which I do not make a new acquaintance." — Samuel Johnson

FROM ROYAL OAK — Newcomers Jim and Kay Arnold, 525 Langfield, lived a year in Royal Oak before moving to Northville in early November. Arnold is a graduate of Lawrence Institute of Technology's industrial management program.

New residents Kay and Jim Arnold. The baby will be the first child for the couple who moved to 525 Langfield in early November. Their new home was in Royal Oak.

An industrial management graduate of Lawrence Institute of Technology, Jim Arnold is a foreman at the Chevrolet Corvair plant at Willow Run.

His wife, Kay, a physical therapist, earned her diploma at the University of Michigan. She worked for the Detroit Cerebral Palsy Center and the Detroit Orthopedic clinic following graduation in 1956. Just last month she retired from her job with the Berkeley school system.

"Now I'm getting used to staying home," said Mrs. Arnold. While his wife sews and knits, Jim Arnold's been working on baby furniture. He's hoping for a boy, remarked Mrs. Arnold, adding that she doubts he'll mind if it's a little girl.

A Coast Guardsman for four years, her husband spends much of his spare time during the summer months, says Mrs. Arnold, in a boat or on water skis. Camping is a new recreation for the Arnolds. Their last trip was to Cadillac where they braved the elements from the shelter of a tent. They'll spend Christmas in Plymouth with his parents and her mother, said Mrs. Arnold.

In the writer's words, the far-away folk were sorry to think of the brownies, fairies and elves of the forest chattering under the snow-laden trees and in damp, icy caves. The gentle folk used to place great branches of hemlock and balsam fir, continues the story, in the corners of their houses so that the good little people might creep into the warm shelter.

It seemed to the people that their friends of the summer woods were saying "thank you" when the heat of the fire brought out the sweet smell of fir. They felt the wish to give, and soon began placing little gifts upon the green boughs for their unseen guests along with berries of holly and ash to make them bright.

And even the twinkling lights that later dressed the tree, the story goes on, may have been the work of some night hunter, who while crouching in the underbrush, looked up to the stars and wished he might bring their sparkling brightness on his tree.

In the prophetic silliness of the night before Christmas, when only the lights of the tree shed their warm glow throughout the room, the story almost seems true.

Coordinating Council Hears Community Hospital Story

At its regular meeting last Thursday 13 members of the Northville Coordinating Council heard Calvin Morfitt, administrator of Community General hospital, tell of the difficulty that the institution is having in trying to keep open.

Few area medical doctors use the facility, so the directors have decided to open the doors to qualified osteopaths, he said. Morfitt told the group that Community Hospital provides better food and care than any hospital in the metropolitan area.

One member present suggested that perhaps a Citizens Committee might be of use to contact the doctors in the city to find out their reasons for not using the hospital and what could be done to resolve the situation so that Northville can have an adequate hospital.

Representatives are urged to make a report of this meeting to their respective organizations and try to ascertain whether or not the citizens of Northville would like helping in this venture are asked to call Mrs. Donald Ware, FI-9-2222.

A letter from the Michigan Cancer Foundation stated that programs are available for any club wanting it. The chairman is Mrs. Lee Eaton.

For the January 19 meeting, a member of the Community Fund Drive committee of Plymouth will tell of the local drive that is carried out in that community.

A request was made by Mrs. Wayne McBride, chairman of the March of Dimes for donations of cakes by members of organizations to be served at a benefit Fashion Show to be presented by the merchants in January. The proceeds of this would go for the March of Dimes. Those who are interested in

helping in this venture are asked to call Mrs. Donald Ware, FI-9-2222.

Children's books are wonderfully simple in the way they tell big stories to little people.

This week we leafed through some of these volumes and discovered a poignant tale about the origin of our Christmas tree in "The Children's Book of Christmas", compiled by J. C. Dier.

The tale of "men of long ago" and the tender compassion that moved them to shelter the spirits of the woods is the prose of William S. Walsh, author of "Some Curiosities of Popular Customs".

In the writer's words, the far-away folk were sorry to think of the brownies, fairies and elves of the forest chattering under the snow-laden trees and in damp, icy caves. The gentle folk used to place great branches of hemlock and balsam fir, continues the story, in the corners of their houses so that the good little people might creep into the warm shelter.

It seemed to the people that their friends of the summer woods were saying "thank you" when the heat of the fire brought out the sweet smell of fir. They felt the wish to give, and soon began placing little gifts upon the green boughs for their unseen guests along with berries of holly and ash to make them bright.

And even the twinkling lights that later dressed the tree, the story goes on, may have been the work of some night hunter, who while crouching in the underbrush, looked up to the stars and wished he might bring their sparkling brightness on his tree.

In the prophetic silliness of the night before Christmas, when only the lights of the tree shed their warm glow throughout the room, the story almost seems true.

Joyous Christmas

We earnestly hope that you may enjoy all of the spiritual gladness that comes with the Christmas season.

Not Much Time Left

Prospective candidates for township office have only a week to file their petitions. Township Clerk notified residents this week. The deadline for filing petitions of candidacy for the township election is December 29 at 4 a.m.

Under state law, one percent of the registered voters — or about 23 persons — and not more than four percent must sign the petitions, which are available at the clerk's office.

Hospital Employee Freed in Jury Trial

A 39-year-old male employee of Northville State hospital was found not guilty on a charge of carnal knowledge involving a 20-year-old female patient in a circuit court jury trial concluded Tuesday.

The charge was brought by the state after the employee's complaint was made by the patient. One other patient and several doctors and administrators of the hospital testified in the 2½-day trial conducted by Wayne County Circuit Judge George Bowles.

Library to Close

The Novi public library will be closed Saturday the day before Christmas, officials reminded local residents this week.

Normally, the library is open on Saturdays from 11 a.m. until 5 p.m.

The Crest club of Hickory Hills had their Christmas dinner Thursday evening at Capistrano's restaurant in Detroit and later went to the home of Mrs. Cal Stafford where they exchanged gifts.

Sunday, December 18, Mr. and Mrs. Charles Ware attended a mass at Ascension church in Warren and a reception at the Friendly Sons of St. Patrick hall honoring their chaplain, Father William Hanly, who is being transferred to Texas.

Over 200 guests attended the Christmas pageant which was held at Wixom Baptist church last Sunday. Slides were shown along with the singing of Christmas carols.

Mayor Sets TB Week

This is Christmas Seal Week in Northville and Wayne county.

This week you are asked to be mindful of the gigantic, never-ending battle against tuberculosis — the battle that, perhaps, may have made it possible for you to enjoy good health.

There are thousands of your neighbors in Detroit and Wayne county who are not so fortunate.

They include nearly 2,000 men, women and children in Herman Kiefer hospital and Northville's Maybury Sanatorium, victims of active tuberculosis.

Other thousands are attending outpatient clinics — their TB arrested or controlled.

But, whether these sufferers of the dread disease are in hospitals (voluntarily in most cases so as not to infect you) or whether they are in the process of rehabilitation, they all depend upon your generosity during the Christmas Seal campaign.

\$25,000 is sought this year to carry on the work of the Detroit Tuberculosis Sanatorium and the Tuberculosis and Health Society.

The money is raised through the annual sale of Christmas Seals.

Christmas Seals were sent to 350,000 homes in Wayne county this year. Some have not answered their letters — as yet.

A reminder has gone out to these persons.

Northville Mayor A. M. Allen has joined other mayors in Wayne county in proclaiming the period of December 19 through December 24, as Christmas Seal Week.

Keep in mind that none of the hospitalized TB patients will "go home for Christmas". Many of them won't even have visitors.

And, among the most pitiful of these will be the little children in Maybury Sanatorium — 51 of them between the age of one to 12!

The youngsters, for the most part, are children whose parents are also suffering from tuberculosis.

By necessity, these parents and children will be forced to spend this Christmas apart.

Thanks to the efforts of Mrs. V. George Chabot, Northville hospital, countless individuals and area organizations, these children will receive a present from "Santa Claus", however.

Their letters to Santa have been distributed by Mrs. Chabot and will be answered with personal gifts to 350,000 homes in Wayne county this Christmas morning.

The project is one that Mrs. Chabot has directed for 14 years.

Mayor Sets TB Week

This is Christmas Seal Week in Northville and Wayne county.

This week you are asked to be mindful of the gigantic, never-ending battle against tuberculosis — the battle that, perhaps, may have made it possible for you to enjoy good health.

There are thousands of your neighbors in Detroit and Wayne county who are not so fortunate.

They include nearly 2,000 men, women and children in Herman Kiefer hospital and Northville's Maybury Sanatorium, victims of active tuberculosis.

Other thousands are attending outpatient clinics — their TB arrested or controlled.

But, whether these sufferers of the dread disease are in hospitals (voluntarily in most cases so as not to infect you) or whether they are in the process of rehabilitation, they all depend upon your generosity during the Christmas Seal campaign.

\$25,000 is sought this year to carry on the work of the Detroit Tuberculosis Sanatorium and the Tuberculosis and Health Society.

The money is raised through the annual sale of Christmas Seals.

Christmas Seals were sent to 350,000 homes in Wayne county this year. Some have not answered their letters — as yet.

ORDINANCE NO. 46

AN ORDINANCE TO PROVIDE FOR CHILD AND YOUTH PROTECTION COMMITTEES, TO SET FORTH DUTIES AND POWERS AND TO PROVIDE A METHOD FOR GUIDANCE AND ASSISTANCE OF FAMILIES, CHILDREN AND YOUTH OF THE CITY OF WIXOM.
Whereas, there is being organized in the Walled Lake School District, a Youth Protection Committee; and Whereas, the Cities and Villages located in this School District are joining in a combined effort to promote such a Committee.
THEREFORE, the City of Wixom ordains:
SECTION I. That the City of Wixom shall participate in the Child and Youth Protection Committee of the Walled Lake School District, in pursuance of the Rules of the Oakland County Juvenile Court.
SECTION 2. This ordinance embodies and shall be known as the Child and Youth Protection Plan of the City of Wixom. Its purpose is to protect, safeguard and promote the physical, mental, emotional and moral welfare of all of the children of the area by strengthening and improving home and family and community living conditions. This program is also designed to assist in the prevention of delinquency and neglect.
SECTION 3. An Executive Committee and a Advisory Committee shall be appointed by the Juvenile Court of the County in the manner provided by the Juvenile Court Rules of this County. The needs of an individual child, youth or family may be called to the attention of this County by a written communication from the Police or Fire Chief, the School Administrators, Ministers or any Social Workers of the City of Wixom, or parent or relative of said child. Said communication shall be deemed a private communication as against all other persons other than Executive Committee members. Upon receipt of such information, said Committee shall investigate the facts through a trained social worker.
He may furnish necessary case work assistance or may refer the matter to the Committee. In their discretion, the Committee may require the child and his voluntary guardian or other custodian to appear before them in a private hearing at a time and place to be designated by them. Investigation of the fact of said child and family and to plan how said parents and the community may best meet the physical, mental, moral, emotional, social or behavioral problems. SECTION 4. Records of the proceedings before said Committee shall be kept confidential and the secretary of the said Committee shall keep the same confidential and destroy the same when the case is closed.
SECTION 5. The social worker or the Committee may request the parents of said child to do anything deemed necessary for the welfare of said child or family, may request the child and his voluntary guardian or other custodian to have any medical or hospital care or needs attended to, may outline a course of reasonable parental supervision and request the parents to abide thereby, may ask any community organization, either public or private, to render its assistance to said child, and may have further hearings at later dates to ascertain whether the referred program for said child has been effectively carried out.
SECTION 6. The program of said Committee shall be conducted with publicity or notoriety concerning any given child or family, and the attendance before said Committee shall be voluntary on the part of the child and the parents, provided, however, that it shall be the duty of said Committee to report any failure to comply with such program together with any emotional, social or behavior problems of said child to the Juvenile Court of Oakland County, if and when it shall appear that said child or said parents, guardian or custodians of said child are unwilling to or have failed to comply with such programs specified by said Committee for the welfare of said child. The purpose of said report is to aid the proper judicial action of the Juvenile Court to interfere in order to prevent further delinquency.
SECTION 7. The members of said Committee shall serve as volunteers without compensation; provided, however, that the reasonable cost of miscellaneous office supplies, clerical help and office space may be supplied by the City of Wixom. If first appropriated and provided for by specific ordinance, the resolution of the governing body of the City of Wixom.
EFFECTIVE DATE: This ordinance shall take effect ten (10) days from the date of its final passage by the City Council of the City of Wixom, Michigan.
Made and passed by the Council of the City of Wixom, this 8th day of December, A.D., 1960.

Lillian Byrd, Clerk

ORDINANCE NO. 41A

CITY OF WIXOM
OAKLAND COUNTY, MICHIGAN
AN ORDINANCE TO AMEND ORDINANCE NO. 46, BEING AN ORDINANCE REGULATING THE HOUSING THAT CHILDREN UNDER THE AGE OF 17 YEARS MAY BE IN OR ON THE PUBLIC STREET, HIGHWAYS, ALLEYS AND PARKS OF THE CITY OF WIXOM; AND TO PRESCRIBE PENALTIES FOR VIOLATIONS OF THIS ORDINANCE, BY AMENDING SECTIONS III AND IV THEREOF.
THE CITY OF WIXOM ORDAINS:
SECTION I. That Sections 3 and 4 of Ordinance No. 46 of the City of Wixom, entitled "Curfew for Minors of the City of Wixom," are hereby amended to read as follows:
SECTION III. MINORS UNDER 17. No minor under the age of 17 years shall loiter, idle or congregate in or on any public place, highway, alley or park in the City of Wixom between the hours of 12 o'clock midnight and 6 o'clock A.M., immediately following, except where the minor is accompanied by a parent or guardian or some adult over

HAPPY HOLIDAYS

Basketball fans take notice! Plans are underway for a stam-
ping case performance between
Northville coaches and alumni at
Northville high school.

According to Dutch Van Ingen,
he and his fellow coaches, along
with several alumni coaches, will
debate with the alumni of North-
ville at the high school on De-
cember 23.

Van Ingen needs say it, but
you can bet your bottom dollar
that there will be as much slap-
stick comedy as fine ball playing.

Penitentiary plans call for a pre-
liminary game before the 8 p.m.
"classic". An admission will be
charged with proceeds going to
the Northville athletic department.

Baptists Clip Catholics

The Baptists of Wixom and West
Bloomfield overcame St. William's
Catholic in overtime Thursday, 67-
62, to move into a tie for second
place in the Inter-Lakes Church
league.

The 62-62 going into overtime, the
Baptists poured 9 points through the
hoop to clinch the game. Meanwhile,
the league-leading Methodists slapped
St. Matthew's Lutheran, 62-46.

Doug Hallert led the Baptists in
scoring with 19 points, while Dick
Ding was the high-scoring Catholic.
A regular with the Junior Varsity Colts last season, Busch has
held down positions at both forward and center. Besides basketball,
Busch plays football and leaves the shot in track. The son of Mrs.
Dorothy Busch, 280 South Center, Busch is a member of the student
council, was a chairman of the recent J-Top, and he collects slush
and show music records as a hobby.

Mustangs Win! Crush High-Riding Wolves Here, 49-43

Trojans Here Tonight

There was plenty of surprise written into the faces of the fans
Friday night as Northville's winless varsity quizz bounced from the
canvas to sock high-riding Clarkson, 49-43.

The resounding Northville victory pumped new life into the
Mustangs and set the stage for a wide-open scramble for the Wayne-
Oakland league championship.

With the loss, Clarkson was toppled from a league-leading tie to
a three-way tie for second place.
Northville, on the other hand,
moved a step closer to the first
division, grabbing a piece of a
three-way tie for third place.

Although many basketball follow-
ers felt Clarkson was as ripe for
defeat as Northville was for vic-
tory, the Mustang win was no frim-
when they take the floor tonight.

The everything-to-gain, nothing-
to-lose Trojans were able to cap-
sure their first game in five starts
when they take the floor tonight.

Last week, the 1959-60 ex-cham-
pions lost to Bloomfield Hills, 66-
and two weeks ago they were
ground underfoot by a rampaging
Clarkston squad, 108-62.

Nevertheless, Coach Dave Schae-
fer, a newcomer at Clarkston this
season, is far from discourag-
ed. He promises a real battle to-
night.

Predictable Clarkston starters:
Veteran Tony Giacchizzi, who
picked up 22 points against North-
ville last season, will anchor the
team at center; Bill Wheeler
and Jim Yates at forward; and
Dewey and Ron Bivert and Jerry
Dowdy at the guard. Ron Bivert
and Bruce Froese may also see
plenty of action at the guard pos-
itions.

Wrestlers Drop Match To Flat Rock

Two draws cost Northville its third
wrestling match last week Tuesday
as Flat Rock clipped the Mustangs
30-20.

"We might have won the match,
but two of our boys were forced into
draws as a result of riding time,"
Northville Coach Dave Longridge
explained.

Despite the loss, Longridge was
impressed by his squad's improve-
ment over the previous two meets.
The score was the closest this sea-
son. In previous meets, Garden City
won 42-10 and Cranbrook won 41-5.

"They're looking better all the
time. After Christmas we ought to
pick up a few wins," the coach pre-
dicted.

The draws (which made up four
of Northville's points) last week
were wrestles in by Rick Rehrize
in the 120-pound class and Jim Truck
who wrestles in the 180-pound class.

Two other Mustangs each picked
up five points in pinning their op-
ponents. They were Joe Hay, a 105-
pound wrestler, and Jerry Biddle,
who wrestles in the unlimited class.

Doug Nichols won a decision for
Northville in the 103-pound class.
The Mustangs' next match will be
at Warren Lincoln on January 4.
Despite the layoff, Coach Longridge
has plans for grueling practice ses-
sions for the remainder of this week
and for at least three days during
the holiday vacation.

HE SCORED ONLY 4 POINTS, but Right Forward Don Busch played a fine game Friday in his first season with the Northville varsity quizz.

The 17-year-old junior was particularly effective as a defensive cager in the 3rd period he played before he was sent to the bench on fouls. A regular with the Junior Varsity Colts last season, Busch has held down positions at both forward and center. Besides basketball, Busch plays football and leaves the shot in track. The son of Mrs. Dorothy Busch, 280 South Center, Busch is a member of the student council, was a chairman of the recent J-Top, and he collects slush and show music records as a hobby.

Colts Slap Clarkston Here, 46-36

Northville's junior varsity quizz is
batting .500 again as a result
of its 46-36 win over Clarkston here
Friday night in a preliminary con-
test.

Stan Galenka's Northville five had
little difficulty winning its second
game of the season. Off to a 4-0 point
lead at the close of the first quarter,
the Colts increased their edge to 8
points by intermission.

Forward Tom Daniels led the first-
half attack with five field goals and
13 points at the three-quarter mark,
then dropped to 10 points in the
final stanza. The quarter scores
were: 12-0, 25-10, 41-10 and 46-36.

The leading Northville scorer was
Daniels with 16 points. Guard John
Kahler was second high for North-
ville with 11 points. High-point cag-
ers for Clarkston were Forward
Roger Rolfe, 14, and Guard Mike
Simmons, 4.

At the free throw line, Northville
fired 20 shots, made 10, while Clark-
ston shot 31 times and made 10.

Friday's victory was the second
of the season. Previous games in-
clude a 55-54 loss to Brighton, a 48-
39 loss to Plymouth and a 44-35 win
over Milford.

30-Game Streak Ends

A 30-game victory streak came to
a screeching halt last week as both
Clarkston and Plymouth lowered the
boom on the Northville freshman
quintet.

In the first game, played here
Wednesday, Clarkston bounced from
behind, 28-20, to edge Northville,
50-48.

Ron Rice, who netted 13 points in
the first quarter, came up with a
game total of 23 points to take scor-
ing laurels for Northville.

Plymouth swept to a relatively
easy 52-36 victory after battling to
3 in the half, 22-22.

Jim Mead and Ron Rice were
high-point cagers for Northville,
while Vic Egloff paced Plymouth.

Northville will invade Clarence-
ville tomorrow and then host Wil-
low Run on January 6. Tomorrow's
game will get underway at 4 p.m.

MERRY CHRISTMAS TO ALL
 The secularization of Christmas has tended to cover-up its real meaning. "Giving" has become, for some, a matter of respectability. There is always the temptation to yield to the motivation to give because one is going to receive.

Santa Claus, not Christ, has become, for all too many, the image of Christmas. Even the design of compact, fireproof heating systems has not deterred some adults from continuing to perpetuate upon their children the false idea of Santa coming down and going up a chimney.

This is even a grosser sin when one recalls that this is done at a time when the real meaning of the season is to honor one who loved children in a way in which no one ever loved them before or since. Could it be that kind of adult dishonesty and exploitation of children could, when discovered by the beginning of child delinquency simply through loss of faith in adult honesty and fair play? Why so much of our observance of Christmas so revolve around the poem, "Twas The Night Before Christmas" rather than around the coming of the Christ-child can be explained, in large measure, in terms of the impact of secularism—the materialistic exploitation of the spirit of giving.

An even deeper tragedy lies in the fact that so many have completely overlooked the distinctly Christian message of the author of "Twas The Night Before Christmas" when he has Santa say, as he makes his departure, "Merry Christmas to all!" It is possible that it was not the intent of the author to make Santa Claus the "he-all and end-all" of Christmas. Rather, by putting these parting words on the lips of Santa, he strongly suggests that Santa's generous giving was motivated by the giving spirit of God personified in Jesus Christ and now resident in Santa's heart.

May you and yours have a Merry Christmas!

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (10:25): "Led by a solitary amid the darkness, the Magi of old foretold the Messiahship of Truth. In the wise man of old-day believed, when he beholds the light which heralds Christ's eternal day and describes its effulgence?"

Official Minutes of the Novi Board of Education

November 9, 1950
 The regular meeting of the board of education was called to order by the president, Mr. Heslop, at 8:07 p.m. on November 9, 1950.

Present were Mr. Heslop, Mr. Erwin, Mr. Taylor, Mr. MacBride, Dr. Ambinder, Dr. Medlyn, the attorney, Mr. Paul Meredith, and a number of guests.

The minutes of the October 12th meeting were approved as presented; the minutes of the October 17th meeting were approved as presented with the following correction: the statement in which Mr. Heslop qualified his vote was corrected to read "he felt the board could not justify the expenditure of an additional \$20,000 at this time"; the remainder of the paragraph was to be deleted.

The treasurer's report of fund balances, which was approved as read, follows:

General Fund	\$21,282.01
Lunch Fund	\$2,125.29
Payroll Fund	\$400.00
1957 Building and Site Fund	\$185,075.48
1955 Debt Retirement Fund	\$17,515.16
1957 Debt Retirement Fund	\$18,298.28
1958 Debt Retirement Fund	\$5,816.57

Dr. Medlyn reported he had as yet no candidates for the remedial reading position. The teaching institutions were being contacted personally.

Mrs. Allen, the librarian, will report at a later meeting on the condition of the libraries in our schools.

Mr. Paul Meredith of Pontiac, the attorney representing the board of education, reported on the status of the options on the high school sites. Options of the Forest and Waite properties had been extended to November 23rd. The Slaw-Rock option which had met with an indefinite period by deposit of an additional \$100, and the owner notified in writing that the option sale had been mailed with the \$100 check, and their attorney had replied, suggesting modifications to the agreement of sale. Dr. Ambinder questioned the seriousness of the modification to the agreement of sale. Mr. Meredith felt they were not of great seriousness, not involving a very large sum of money. The modifications proposed were:

1. Owner to have the right occupancy until Sept. 1, 1961. Taxes to be prorated until Sept. 1, 1961, insurance to be paid by former owner.

2. Refractories also situated, doors, etc. not to go with building; heating plant to remain.

Mr. Meredith continued that the agreement of sale had been accepted because of the requested modifications. He also explained that use and occupancy of the dwelling were part of the original contract. The modification dealt only with the proration of taxes and the payment of insurance. In dollars and cents the amount involved was small.

Mr. Heslop presented a letter from Mr. Roland Heston requesting a public meeting to discuss the choice of a high school site. Since the board had voted to purchase the Rood-School property at their previous meeting, there was a discussion regarding whether the meeting should be held before proceeding with the agreement of sale.

Dr. Medlyn recommended that the board allow \$2.00 per day for a family requiring transportation for children to a special education classroom, and that he be allowed to write a general fund check periodically at the time of the next regular meeting. The board was to be reimbursed by the state. This plan was agreed to by the board.

A communication from the Novi Township board was read and placed on file.

Mr. Erwin reported the east bank along the Orchard Hills property was rough and eroded but was not too steep to be moved. His recommendation was that the bank be graded in the spring and kept mowed to present a better appearance in the neighborhood.

It was agreed that the board should meet with the Northville board of education to discuss future plans for the education of secondary school students. Dr. Medlyn stated that the year 1954-55 appeared to be a problem year for Northville. Dr. Trullinger asked whether there had been an attempt to set up a board of appeal of the property. Mr. Heslop answered that a number of properties had been offered to the board varying in price from \$1200 to \$4250 per acre, also that an attempt to adjust some differences in land values in the area were known to the board. Mr. Taylor answered that an appraisal of the property had been made for the owner by Nation.

A meeting was to be arranged to discuss the property with the board of education. A meeting may be held on Nov. 16 or Nov. 23.

Mr. Taylor read a communication which stated that \$17,000 in state aid had been mailed to the treasurer. The State Aid had been received. Dr. Medlyn read a letter from the Fire Marshal in which approval for the installation of exit door from the cafeteria was given. The Fire Marshal also requested discontinuance of use of chains as locking devices and cleaning of storage and furnace rooms in the Novi building; both of these requests had been complied with.

Mr. MacBride questioned the afternoon kindergarten starting time in the Novi School, since some children usually nearby 1:00 P.M. It was agreed that another bus could be used in order that the children could be brought in earlier.

Dr. Ambinder moved that, after perusing the bills, and on the recommendation of Dr. Medlyn that the materials were needed, he recommended that current bills be paid as presented. The motion was supported by Mr. MacBride, and carried. The bills included were: General Fund bills—\$4,282.51; Lunch Fund bills—\$1,147.33; 1957 Building and Site Fund bills—\$178.00; 1957 Debt Retirement Fund, Interest, \$15,483.92; and 1958 Debt Retirement Fund, Interest \$4,704.75.

The meeting was adjourned at 11:10 p.m.
 Respectfully submitted,
 Russell Taylor, Secretary

SPEAKING for the Record

By Bill Slinger

Last week State Senator Raymond Dzendzel spent an evening with Northville councilmen discussing area problems and possible forthcoming legislation and how it might affect our community.

The 18th district senator represents the Wayne county residents of the city and the entire township in the state senate.

Dzendzel is interested in becoming better acquainted with his constituents and their problems and also bringing them up to date personally on bills under consideration in the state senate.

He proposes to spend one evening a month in Northville doing just this. The meetings will be open to all residents — one or 100. Dzendzel will introduce his get-acquainted meetings after the first of the year. The evening will always be a Friday, the day he returns from Lansing after the week-long session.

The idea, we believe, is a good one. It should help residents become better informed and give them a closer understanding of what's going on in Lansing.

It should also enable Senator Dzendzel to have a more complete realization of the wishes of the people of this area and therefore better equip him to represent our community.

What happened to the "stop" sign arms that extended from the sides of school buses whenever the vehicle was about to let children out?

Nelson Schrader and Stan Schaefer asked me this question recently — and I hadn't realized that they are no longer in use. They point out that these signals served a definite purpose and that without them a hazard is created.

On the new buses, I am told, light signals are used on the rear of the bus to warn motorists that the bus is going to stop.

Schrader and Schaefer claim that these lights are difficult, if not impossible, to see if a large truck, for example, happens to be directly behind the school bus. The truck blocks the school bus signal and the motorist behind the truck is likely to pull out and pass the truck and bus.

If the signal was extended, it would be quickly visible to motorists in the rear, they contend.

It's a good point and one that should be considered by school officials in charge of the buses. Especially now during the winter months when traffic accidents are at their highest.

Needless to say, an accident that can be avoided — particularly involving children — is well worth the expense or trouble of installing another warning signal.

Speaking of winter, it started officially yesterday, the 21st. To be exact, it arrived on the shortest day of the year at 3:27 p.m. when the sun reached its most southerly position in its yearly journey around the earth.

And if you're shivering now, brace yourself for the worst.

According to a Michigan State university ecologist, the weather's due to turn colder.

He says average temperatures will drop over the next 50 years to what they were in the 1850's.

Weather, he says, runs in cycles lasting about 50 years. It seems the "warm" phase of the present cycle reached its maximum in the past 10 years.

On this note I'll end with a wish from all of us on the staff of the newspaper that your Christmas and New Year will be a most happy one.

Time for Change

CHANGES on the political scene are nothing new in the year of an election and the following spring.

But Michigan may see some kind of a record for personal shifts among party people, despite the fact that Democrats will be holding the executive office for the seventh straight term.

Gov. G. Mennen Williams is stepping down after 12 years as top man of state government.

His successor, present Lt. Gov. John B. Swainson, naturally wants to place some of the people most helpful and friendly toward him during his primary and general election campaigns in positions of responsibility.

He would also like to retain some of the people from Williams' staff who have the know-how needed. Indications are Swainson will have a measure of both types of people.

Apparently Gov. Williams will take several of his present key aides with him to Washington where he has a new job as an assistant secretary of state for Africa in the administration of President-Elect John F. Kennedy.

Julie Lawlor, personal secretary to the Governor; executive secretary Sidney H. Woolner; and John S. Abernathy, an administrative aide, have been asked to make the trip to the nation's Capitol.

Others may find a place in Washington in a Democratic way.

At any rate, Swainson will have to replace those who go by choice and those who must be expended to make room for those in favor.

While the personnel shifts in most offices in the top reaches of government, where the eyes of the press and the state are mostly focused, changes are bound to occur right down through the reaches of state government and even trickle down to the local level.

NO FANFARE or civic celebration marks the departure of Michigan men for military service these days.

The local Blue Star Mothers or some such group quietly send the inductees and enlistees off at the bus. Sometimes there's a Gideon Bible and a sewing kit as a going-away present.

But they continue to go — some 451,795 of them since 1948.

A typical month sees roughly 800 men ordered by the State Selective Service through local draft boards.

Roger Babson Don't Forget Will

Babson Park, Mass. — While Mrs. Babson and I were in Europe this fall, three of our intimate friends passed away. Two of these I knew had made no will, despite my urgings. One had promised he would do so "when he had time." He begrudged the expense and felt it really was not necessary. Let me discuss these three cases.

In the first case, the man left a wife and three children, and several brothers and sisters who have children. The wife assumed she would get all of her husband's estate and then will it to their children. But she did not. Since her husband left no will, she was given only one-third of the estate, the remainder being divided equally among the children.

Nothing was available for the deceased's brothers or sisters or cousins. This is as it should be.

The second man left no wife — but two children as well as brothers, sisters and cousins. All of his estate went to his children outright, in equal proportions, or to their heirs. None went to the brothers or sisters or other relatives. One child 23 years of age received the money outright; since the other was a minor, his share was entrusted to the guardian appointed by the Court.

The best way to assure distribution of your property exactly as you wish is to have your will drawn now by your lawyer.

This also enables you to make some donations to your local church and hospital, which everyone should do. To provide for the carrying out of your wishes, your will should name an Executor in whose efficiency, stability and responsibility you have confidence.

Includes Whitmore Lake News Record Publisher Buys South Lyon Newspaper

The South Lyon Herald and Whitmore Lake News newspapers were purchased this week by William C. Slinger, publisher of The Northville Record and Novi News.

Beginning with next week's editions Slinger will take over publication of the neighboring community weekly newspapers from Mrs. Erna Freimund Ely.

The two newspapers, with a combined circulation of 3,300 are the official publications of South Lyon and Whitmore Lake. They are published in the Herald's commercial printing plant in South Lyon.

Slinger announced that operation of the Northville and South Lyon newspapers will be continued and that no changes will be made that would lessen the individuality of the community newspapers.

"It is my belief that the Oakland-Walpole-Livingston county area served by the Herald and News has many of the same problems that confront our communities," Slinger pointed out.

The plan of the Herald and News expands the area served by Slinger's newspapers to the residents of adjoining corners of four counties — Wayne, Oakland-Walpole and Livingston.

Combined paid circulation of the newspapers in the communities of Northville, Novi, Wixom, South Lyon and Whitmore Lake totals more than 7,000.

The Herald has a history of publication in South Lyon dating back to 1875. It has grown steadily by the community and averages 12 to 16 pages weekly.

It was purchased by the late Frank C. Freimund in May, 1959 from George H. Thurber. After Mrs. Freimund's death in 1959 Mrs. Freimund continued active operation of the newspaper. This spring she took over publication of the Whitmore Lake News.

This summer Mrs. Freimund became the wife of Ivan Ely of Northville and now resides on Cedar Street in Northville. She has continued as editor and publisher and the newspaper and printing business has shown steady growth under her direction.

The Record and Novi News newspapers were purchased by Slinger from Glen Cummings in August, 1958. The publications have increased in circulation by more than 1,000 subscribers during that period.

Says Roger Babson Don't Expect Boom in 1961

This year I have divided my forecasts into eight sections as indicated by the following eight headings. Instead of covering general business as a separate topic I am sure that a reading of the following will give a clear idea of my thoughts on a general business.

Building and Real Estate Looking back over the years that I have been making these Annual Forecasts, it seems that building and real estate have been the last to profit from a boom, and the last to suffer from the following reaction. Readers all know from its World War II low point new building, especially of homes, gradually rose to an all-time high in 1950. Part of this growth has been due to increased population and higher incomes.

In addition to the natural growth to which new building was entitled, it was greatly encouraged by loans to veterans without any down payment, the acceptance of 29-year mortgage by banks in place of a maximum mortgage of five years, and by subsidies of various kinds. Like all stimulants, however, these have gradually become less effective. Hence, a decline in new building and new home construction is only natural to expect in 1961.

I do, however, forecast that a move for urban renewal will be urged and secured by the new President. This means pulling down the slums of large cities and substituting brick apartment houses with piety programs. Any new building is built, it increases the value of the adjoining land and increases real estate taxes.

Therefore, 1961 may see real estate prices hold their own and even rise in certain sections. Small farms and rural areas will continue to increase in price, and this will be true of most well-drained suburban property.

Political Contests Unlikely Here In Township Primary Election

With only one day remaining in which to file petitions of candidacy, it appears the primary battle in Novi will be little more than a peaceful pass-by.

Unless some unexpected petition is filed by the 4 p.m. deadline tomorrow (Friday), Novi voters will vote only on a single proposition come February.

In all likelihood there will be no political battles in the February primary — even though alternate township posts are up for election. In fact, there probably would be no primary election at all but for the proposition which will appear on the primary ballot.

Through Tuesday, only three persons had filed petitions with the township clerk. However, several incumbent township officials had indicated they would file before the proposed date.

Normally a primary election is held only if there is more than one candidate — of the same political party — for any one township office. For example, a primary election is necessary when two or more Democrats are seeking the township supervisor's post.

Members of the citizens committee will be asked to study the plans and return them with a report of suggested changes and criticisms within eight weeks.

Once the plans are back in the hands of the board, final planning, specifically master planning, will begin. Board Chairman Vincent Mikulic is expected to announce the date of the election.

Stork Awaits Contest

The race is on again! It's the fifth annual Northville First Baby contest with a host of prizes awaiting the first new arrival of 1961.

The rules are simple — and there's absolutely nothing to buy! All you have to do to qualify is to be a resident of the area and have a Northville or Novi mailing address.

It's also necessary, of course, that your newly born baby is the first born in 1961 and that you report the birth to this newspaper no later than January 6. (See complete details on page 8).

First Baby 1961 will break a "stork" between the sexes in the First Baby contest.

To date there have been two boys and two girls "First Babies". Starting in 1957 the "First" First Baby was Ruth Ann Edgin, born on January 1, 1957 at 8:09 a.m. in the home of Mr. and Mrs. Charles Edgin of Northville.

First Baby number two was Stacey Copeland, born January 6, 1958 to Mr. and Mrs. Keith Copeland of Novi.

Finally the boys began to win. On January 2, 1959 at 4:25 a.m. Timothy Michael McDonald, son of Mr. and Mrs. Charles McDonald of Northville, was the winner.

This year the earliest First Baby to arrive was Danny Ralph, son of Mr. and Mrs. George Ralph, who was born at 1:50 a.m. January 1 at Community General hospital.

War on Cripple Starts Here Sunday

Novi's annual war on three crippling diseases through the March of Dimes campaign will start Sunday, General Chairman Mrs. Bernard Marchetti announced this week.

Men and women of both Novi and Wixom will shoulder an old but highly important weapon — in the form of education — in carrying off the 1960 National Foundation campaign to the public this year.

"Of course we'll need the financial help of everyone," she said, "but our greatest efforts this year will be to inform the public about three cripples — birth defects, arthritis, and polio."

The drive will continue through January, reaching its climax on January 31, with the traditional Mothers' March.

The Mothers' March chairman and her neighborhood captains have not yet been appointed in Wixom, which is part of the Commerce township March of Dimes campaign.

Working under the neighborhood captains will be over 100 house-to-house solicitors who will call at homes on January 21. To help solicitors visit every home in the community — despite weather conditions — the hours have been extended, 7 a.m. to 8 p.m.

Mrs. Doyle Ward will be in charge of candy collections, and Mrs. Lester Ward will head up the speaker's committee.

This letter committee is charged with the responsibility of educating or informing the public about the "Big Three" diseases and how the National Foundation is combating them.

"We don't have any funds as yet for patient care of victims of arthritis or birth defects," Mrs. Marchetti pointed out, "but the National Foundation is doing all it can in the way of research."

The Oakland county chapter continues to provide aid for more than 100 victims of paralytic polio from all sections of the county.

Park Poses Puzzle

New fuel was added to the drive for a Novi park this week with a decision by the village planning board to meet with members of the Citizens' Development committee.

The board decided to meet with Emery Jacques and one or two other members of the committee at its regular meeting (last next Monday) to air legal aspects of the proposed park.

According to Board Chairman Vincent Mikulas a special meeting may be called in the event that early action is needed.

In discussing the matter Monday, the board members learned from Planning Commissioner Waldemar C. Johnson that the state is willing to purchase Novi property for park purposes with money from the will of the late Mrs. Mary McGuire Power.

The money, some \$68,000 now held by the state, resulted from the sale of Mrs. Power's 30 acre farm property. Her will stipulated that the property be used as a state park.

A tough legislative fight spearheaded by the Citizens' committee last January. State Representative S. James Clouston led a state act requiring the state to use the money for purchase of park property.

Recently department officials agreed to this request.

However, as pointed out at Monday's meeting several new problems have arisen. Among these are: — The money can be used only for the purchase of Novi park property, not for its development or maintenance.

The park will not be operated by the state, but will be deeded to the township.

— If the property is located in Novi, which branch of local government — township or village — will have jurisdiction and which will maintain it?

The latter question seemingly is answered by the state act and by subsequent explanations of state officials. Since both have specified "Township of Novi". However, it was been the village — not the township — which has carried the fight for the park.

And presumably if property in the village is purchased for park purposes, the village will lose jurisdiction to the township, adding still another parcel of land to the township. For example, the present township park is an isolated parcel "outside" village boundaries.

Some village officials have indicated that township jurisdiction may be the wisest step, since the village apparently cannot afford to maintain the property under the present millage rate.

These are some of the "problems" that board and committee members will discuss and attempt to iron out before moving to purchase property.

As yet no definite parcel of land has been considered for the park, although the planning consultant introduced a tentative plan Monday pinpointing a park site adjacent to the proposed (long range) multipurpose center, near the intersection of Novi road and Grand River.

Also, a Novi property owner Monday said he had some 10 acres of his property along Walled Lake, with approximately 700 feet of lake frontage, for \$1,000 per acre.

At 'Commerce' Meet

The Rev. George Nevin, pastor of Novi Methodist church, will be the guest speaker at the January 8th meeting of the Novi board of commerce. He will speak on "What Makes America Great?"

Installation Date

Novi, Oddfellow Lodge 487 will hold its annual installation of officers on January 3 at the Oddfellow hall beginning at 8 p.m. Among the officers to be installed will be: Noble Grand Roger Peckham, president; Leslie Mitchell, Robert Franck, vice noble grand; Walter Dorn, recording secretary; Conrad 20m, financial secretary; and Hadley Bacher, treasurer.

The Oddfellow auxiliary, the Rednecks, will install its officers on January 14. On January 21, the Novi school installing staff will proceed for its installation of Milford officers the following day.
