Michigan Mirror
Time for Change

CHANGES on the political scene are nothing new in the year of an election and the following spring.

His successor, present Lt. Gov. John B. Swanson, naturally wants to place some of the people most helpful and friendly toward him during his primary and general election campaigns in positions of responsibility.

SEWAGE TREATMENT plant operators must be licensed to serve Michigan. Some 350 engineers have been certified to date by the State Health Department.

Apparently Gov. Williams will take several of his present key aides with him to Washington where he has a new job as an assistant secretary of state for Africa in the administration of President-Elect John F. Kennedy.

Julia Lawler, personal secretary to the Governor; executive secretary Sidney H. Woolner; and John S. Abernathy, an administrative aide, have been asked to make the trip to the nation's Capitol.

Others may find a place in Washington in a Democratic year. At any rate, Swanson will have to replace those who go by choice and those who must be expended to make room for those in favor.

While the personnel shift in most offices in the top reaches of government, where the eyes of the press and the state are mostly focused, changes are bound to occur right down through the reaches of state government and even trickle down to the local level.

NO FANFARE or civic celebration marks the departure of Michigan men for military service these days.

The local Blue Star Mothers or some such group quickly sets the inducements and enticements off at the bus. Sometimes there's a Gideon Bible and a sewing kit as a going-away present.

But they continue to go — some 451,795 of them since 1948.

A typical month sees roughly 800 men ordered by the State Selective Service through local draft boards.

Roger Babson
Don't Forget Will

Babson Park, Mass. — While Mrs. Babson and I were in Europe this fall, three of our intimate friends passed away. Two of these I knew had made no will, despite my urging. One had promised he would go so "when he had time."

In the first case, the man left a wife and three children, and several brothers and sisters who have children. The wife assumed she would get all of her husband's estate and then will it to their children. But she did not. Since her husband left no will, she was given only one-third of the estate.

The second man left no will, but two children as well as brothers, sisters and cousins. All of his estate went to his children outright, in equal proportions, or to their heirs. None went to the brothers or sisters or other relatives.

The third man left a wife but no children; he did have brothers and sisters and cousins. His estate escheated \$100,000. The wife will be given the \$100,000 which she would have received had she had a will.

Originally when a man died all his property went to the oldest son. He was supposed to take care of his mother and to secure work for any other children. Then land owners sometimes died without leaving any children; anticipating this, the father left a written document outlining his wishes or "will" at his death.

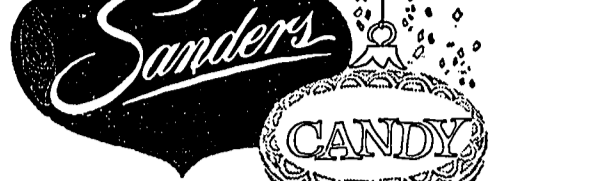

Besides qualified personnel to run municipal sewage treatment facilities and the plants at such institutions as mental hospitals, prisons and the like, many industrial concerns have their own treatment plants.

The reason behind the state certification is simple this: There is a danger of pollution to lakes and streams, contamination of widespread areas and epidemics of disease unless waste is properly handled.

More than 95 percent of the state's sewage treatment plants are now supervised by certified operators, and qualified personnel reportedly are being sought by the remainder.

LIFE'S LOTS MORE FUN when you've got Security plus 3%

Building and Real Estate
Looking back over the years that I have been making these Annual Forecasts, it seems that building and real estate have been the last to profit from a boom, and the last to suffer from the following reaction.

In addition to the natural growth to which new buildings were entitled, I was greatly encouraged by loans to veterans without any down payment, the acceptance of 29-year mortgages by banks in place of a maximum mortgage of five years, and by subsidies of various kinds.

I am especially troubled about the way the Communists are working into Central and South America. I know South America very well. It has virtually no "middle class". There are a few rich, but millions of very poor.

HAPPY NEW YEAR
Includes Whitmore Lake News
Record Publisher Buys South Lyon Newspaper

The South Lyon Herald and Whitmore Lake News newspapers were purchased this week by William C. Slinger, publisher of The Northville Record and Novi News.

The two newspapers, with a combined circulation of 3,300 are the official publications of South Lyon and Whitmore Lake. They are published in the Herald's commercial printing plant in South Lyon.

Slinger announced that operation of the Northville and South Lyon newspapers will be continued and that no changes will be made that would lessen the individuality of the community newspapers.

It is the fifth annual Northville First Baby contest which will be held on Saturday, January 1, 1961.

The race is on again! It's the fifth annual Northville First Baby contest which will be held on Saturday, January 1, 1961.

The Herald has a history of publication in South Lyon dating back to 1875. It has grown steadily by the community and averages 12 to 16 pages weekly.

It was purchased by the late Frank Freeman in May, 1958 from George H. Thurber. After Mr. Freeman's death in 1959 Mrs. Freeman continued active operation of the newspaper. This spring she took over publication of the Whitmore Lake News.

This summer Mrs. Freeman bequeathed the wife of Ivan V. V. Northville and now resides on Cedar Street in Northville. She has continued as editor and publisher and the newspaper and printing business has shown steady growth under her direction.

The Record and Novi News newspapers were purchased by Slinger from Glen Cummings in August, 1958. The publications have increased in circulation by more than 1,000 subscribers during that period.

Says Roger Babson
Don't Expect Boom in 1961

This year I have divided my forecasts into eight sections as indicated by the following eight headings. Instead of covering general business as a separate topic, I am sure that a reading of the following will give a clear idea of my thoughts on a general business.

Building and Real Estate
Looking back over the years that I have been making these Annual Forecasts, it seems that building and real estate have been the last to profit from a boom, and the last to suffer from the following reaction.

In addition to the natural growth to which new buildings were entitled, I was greatly encouraged by loans to veterans without any down payment, the acceptance of 29-year mortgages by banks in place of a maximum mortgage of five years, and by subsidies of various kinds.

I am especially troubled about the way the Communists are working into Central and South America. I know South America very well. It has virtually no "middle class". There are a few rich, but millions of very poor.

The Communists are organizing great strikes in Latin America. These strikes accomplish something for the wage workers; they give to Communists good ammunition for further progress. This situation has been intensified by the agents of Castro.

Another very sore spot is Africa, which I visited two years ago. South Africa will blow up of itself, without any help or hindrance from Russia. The Congo, however, which the United Nations is now trying to straighten out, is a serious problem, and the Congolese feel that they will be the next to go.

Political Contests Unlikely Here In Township Primary Election

With only one day remaining in which to file petitions of candidacy, it appears the primary ballfied in Novi will be little more than a peaceful passover.

Unless some unexpected petition is filed by the 4 p.m. deadline tomorrow (Friday), Novi voters will vote only on a single proposition come February.

In all likelihood there will be no political battles in the February primary — even though alternate township posts are up for election. In fact, there probably would be no primary election at all but for the proposition which will appear on the primary ballot.

Through Tuesday, only three persons had filed petitions with the township clerk. However, several incumbent township officials had indicated they would file before the proposed date.

Normally a primary election is held only if there is more than one candidate — of the same political party — for any one township office. For example, a primary election is necessary when two or more Democrats are seeking the township supervisor's post.

Members of the citizens committee will be asked to study the plans and return them with a report of suggested changes and criticisms within eight weeks.

Once the plans are back in the hands of the board, final planning, specifically master planning, will begin. Board Chairman Vincent Mikulic is currently reviewing the proposals.

Members of the citizens committee will be asked to study the plans and return them with a report of suggested changes and criticisms within eight weeks.

Park Poses Puzzle

New fuel was added to the drive for a Novi park this week with a decision by the village planning board to meet with members of the Citizens' Development committee.

According to Board Chairman Vincent Mikulas a special meeting may be called in the event that early action is needed.

In discussing the matter Monday, the board members learned from Planning Commissioner Waldemar C. Johnson that the state is willing to purchase Novi property for park purposes with money from the will of the late Mrs. Mary McGuire Power.

The money, some \$68,000 now held by the state, resulted from the sale of Mrs. Power's 30-acre farm property. Her will stipulated that the property be used as a state park.

A tough legislative fight spearheaded by the Citizens' committee last summer resulted from S. James Clark's introduction of a state act requiring the state to use the money for purchase of park property.

Recently department officials agreed to this request. However, as pointed out at Monday's meeting several new problems have arisen. Among these are: — The money can be used only for the purchase of Novi park property, not for its development or maintenance.

The park will not be operated by the state, but will be deeded to the township. — If the property is located in Novi, which branch of local government — township or village — will have jurisdiction and which will maintain it.

The latter question seemingly is answered by the state act and by subsequent explanations of state officials. Since both have specified "Township of Novi". However, it was been the village — not the township — which has carried the fight for the park.

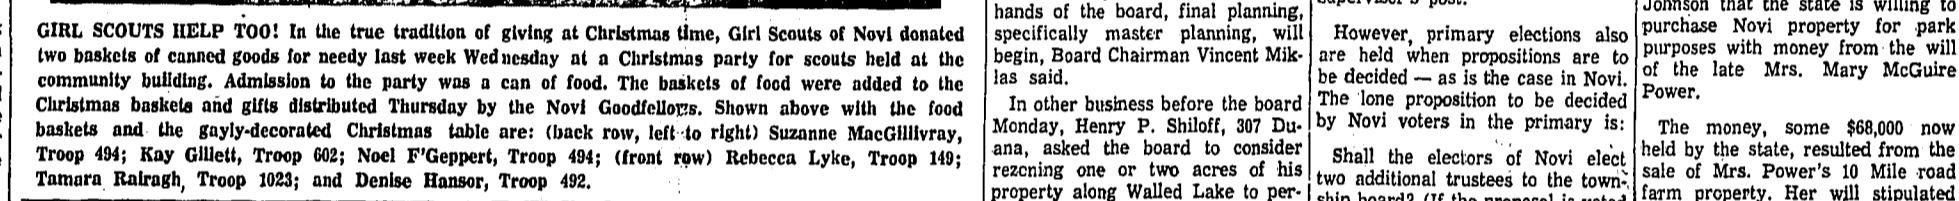

And presumably if property in the village is purchased for park purposes, the village will lose jurisdiction to the township, adding still another parcel of land to the township. For example, the present township park is an isolated parcel "outside" village boundaries.

Some village officials have indicated that township jurisdiction may be the wisest step, since the village apparently cannot afford to maintain the property under the present millage rate.

These are some of the "problems" that board and committee members will discuss and attempt to iron out before moving to purchase property. As yet no definite parcel of land has been considered for the park, although the planning consultant introduced a tentative plan Monday pinpointing a park site adjacent to the proposed (long range) multipurpose center, near the intersection of Novi road and Grand River.

Also, a Novi property owner Monday asked to sell some 10 acres of his property along Walled Lake, with approximately 700 feet of lake frontage, for \$1,000 per acre.

At 'Commerce' Meet
The Rev. George Nevin, pastor of Novi Methodist church, will be the guest speaker at the January 8th meeting of the Novi board of commerce. He will speak on "What Makes America Great?"

GIRL SCOUTS HELP TOO! In the true tradition of giving at Christmas time, Girl Scouts of Novi donated two baskets of canned goods for needy last week Wednesday at a Christmas party for scouts held at the community building. Admission to the party was a can of food. The baskets of food were added to the Christmas baskets and gifts distributed Thursday by the Novi Goodfellers. Shown above with the food baskets and the joyfully-decorated Christmas table are: (back row, left to right) Suzanne MacCallig, Troop 49; Kay Gillett, Troop 62; Noel F. Geppert, Troop 48; (front row) Rebecca Lyke, Troop 119; Tamara Ralragh, Troop 102; and Denise Hanson, Troop 42.

War on Cripple Starts Here Sunday

Novi's annual war on three crippling diseases through the March of Dimes campaign will start Sunday, General Chairman Mrs. Bernard Marchetti announced this week.

Men and women of both Novi and Wixom will shoulder an old but highly important weapon — in the form of education — in carrying the 1960 National Foundation campaign to the public this year.

"Of course we'll need the financial help of everyone," she said, "but our greatest efforts this year will be to inform the public about three cripples — birth defects, arthritis, and polio — that we can do something about."

The drive will continue through January, reaching its climax on January 31, with the traditional Mothers' March.

The Mothers' March chairman and her neighborhood captains have not yet been appointed in Wixom, which is part of the Commerce township March of Dimes campaign.

Working under the neighborhood captains will be over 100 house-to-house solicitors who will call at homes on January 21. To help solicitors visit every home in the community — despite weather conditions — the hours have been extended, 7 a.m. to 8 p.m.

Mrs. Doyle Ward will be in charge of the canister collections, and Mrs. Lester Ward will head up the speaker's committee.

This letter committee is charged with the responsibility of educating or informing the public about the "Big Three" diseases and how the National Foundation is combating them.

WIXOM CITY HALL. — The arrival and placement of windows in the new Wixom city hall during the past week has marked renewed construction progress. However, because officials are doubtful that the building will be ready for occupancy before mid-January, shown above is the interior of the building are (l. to r.) John Finlayson, city assessor; Police Chief Frank J. Jankala; and Mayor Donald Brooks. The men are standing at what will become the reception counter, looking into the main lobby.

# about WOMEN

## Family Gatherings, Parties Hail Christmas, New Year's

Dr. and Mrs. Stuart Campbell and family spent Christmas with the doctor's parents, Mr. and Mrs. Hugh Campbell of Detroit.

Mrs. E. B. Cavell of West street spent the Christmas week end at the home of the Sterling Eatons and the Richard Palmers of Plymouth Dr. and Mrs. Ted Cavell of Tawas City were also guests at the Christmas dinner at the home of Mr. and Mrs. Sterling Eaton.

Bill Juday, engineering school freshman at Vanderbilt university in Nashville, Tennessee; Carole Taylor, Western Michigan university freshman in business education; Curtis Kohn, first-year commerce student at Ferris institute;

Bob Pietras, freshman mathematics major at Michigan State university; Raymond Pahl, first-year pre-medicine student at Albion college; Mike Eastland, pre-law major at Stenger school, Evanville, Missouri.

To honor Dr. Stuart Campbell on his birthday, his brother, Mr. and Mrs. Hugh Campbell of Detroit will be dinner guests at the Campbell home on Horton street, New Year's day.

On Christmas Eve Mr. and Mrs. Don Miller held open house at their home on First street. Twenty-seven relatives gathered to greet their son, Gerald, and his bride-to-be, Linda Stillwell of Framingham, Massachusetts.

Henry McNeilly, whose sister resided last year with the Ed Welch family as an exchange student from Ireland, was a Christmas day guest at the Welch home on Wing street. Henry is an engineering student in Toronto.

Also home for the holidays were Mr. and Mrs. Carroll Benick, the Welch daughter and son-in-law from Grand Rapids; and their daughter, Mary, a junior at Hillsdale college.

Honoring the 17th wedding anniversary of Mr. and Mrs. James D. Mahoney of Northville road, Mr. and Mrs. Frank Paul entertained five couples at their home on Gardner last Friday evening.

Mrs. Molly Lawrence of Fairbrook and Mrs. Gladys Busch spent Christmas with Mrs. Lawrence's daughter, Mr. and Mrs. Ted Baughn and family of Ann Arbor.

Mrs. Ervin Marburger entertained her monthly bridge club with a Christmas party at her home on Thayer boulevard last Wednesday. Guests included: Mrs. Richard Ambler, Mrs. Alfred Parmenter, Mrs. Paul Perry, Mrs. James Mahoney, Mrs. Dayton Deal, Mrs. Edward Angove and Mrs. William Wagener.

Mrs. C. Harold Bloom, 710 West Main, will host the Kings Daughters' mid-winter luncheon next Tuesday, January 3, at 12:30 p.m. Members are asked to bring a passing dish and table service.

Michael and James Zayt are in Palm Beach, Florida visiting their father, J. J. Zayt, who is spending the winter months there.

The Fred Van Allen of Cady street spent Christmas in Lansing with their daughter and son-in-law, Mr. and Mrs. James D. Howick.

**Married**  
Mr. and Mrs. Henry Dahn of Milford in the U.S. Post Office at this county, Amy Marie Weeks, of Northville to Merle Gregory of Pontiac on Saturday afternoon, December 17, at the Pontiac home of the Rev. Lola Ma on.

Mr. and Mrs. Clarence Berry of Pontiac, cousins of the bride, were the attendants.

## A Letter from Rosemary McNeilly

### She's an Americanized Irish Lass!

NOTE: The following letter comes from Rosemary McNeilly in Ireland. I had a fast, Ireland, who was an exchange student last year residing with the Ed Welch of 222 South Wing street.

West Wing Royal Victoria Hospital Belfast, N. Ireland 9th Dec. 1960

Dear People of Northville, I don't know how you think of me, but I think of all of you as my very dear neighbors and I don't honestly realize that we are almost four thousand miles apart. I am constantly re-living my years experiences with you, by telling them to my family and friends. I get wrothy letters from Northville and other parts of Michigan as well as the Northville Record and Rotary News. I love receiving all of them. So despite the four thousand miles that separate us, we are still very close as far as I am concerned.

I miss Northville very much and am only cheered up by the thought that I am going back very soon - as soon as I can possibly gather together the money. Since I came home, I have done nothing but talk about America and I am surprised to find so many willing listeners - in fact I'm always answering questions about America.

In September I started my nurse training at the Royal Victoria Hospital, Belfast. I really love my work and I hope to be trained in three months.

Looking back on my year I realize that I was completely spoiled by a very generous people. I had a very smooth-running year full of fun, excitement and interesting new experiences. Besides the knowledge which I gained at school I learned a lot from your way of life. I describe you to my friends as generous, fun-loving, hard working people with a high standard of living (I hope you agree) and I want to thank you most sincerely for giving me the most wonderful experience of my life.

I often look at my slides, movies and scrapbooks of America and they always give me pleasure. This summer I enjoyed showing our American Exchange student around Ireland - if any of you ever decide to come to Ireland I will be just delighted to see you.

People here don't really think I am changed, but they called me American because I wear slacks, bobby socks, dirty tennis shoes and a sweat shirt with Michigan written across it. I drive a car - and I'm female! And I say "gee!"

I wish you all a very Merry Christmas and a happy 1961. Looking forward to seeing you all soon again.

Yours sincerely  
Rosemary McNeilly

Home Address: Ballybrally, Shaw's Road, Belfast, N. Ireland

## KITCHEN DIARY

### Start the New Year With These Treats

Looking for something special for those guests expected at your home during the New Year's week end?

If so, you might find one or both of the two favorite "entertainment dishes" of Mrs. Robert Regenhart, 4428 Cottisford, a delicious treat.

Both recipes make delightful additions to your holiday table - and your growing list of favorites from the Kitchen Diary.

**CHICKEN - CRANBERRY LAYER SALAD**  
Mrs. Robert Regenhart, 2 envelopes of Knox gelatin 1 lb. whole cranberry sauce 9-ounces of crushed pineapple 1/2 cup of broken walnuts

**FIRST LAYER** - Soften one envelope gelatin in 1/2 cup cold water. Dissolve over hot water. Add one pound cranberry sauce, 9 ounces of crushed pineapple, 1/2 cup broken walnuts, 1 tablespoon lemon juice. Pour into 2 envelopes of Knox gelatin and chill until firm.

**SECOND LAYER** - Soften one envelope in 1/2 cup cold water, dissolve over hot water. Blend in one cup mayonnaise, 1/2 cup water, 3 tablespoons lemon juice, 1/2 teaspoon salt. Add 2 cups diced cooked chicken, 1/2 cup diced celery, 2 tablespoons chopped parsley. Pour over first layer and chill until firm.

Requires 2 chicken breasts, serves 6 people.

**BEEF BURGUNDY**  
2 1/2 lbs. beef (cut into good sized chunks)  
1/3 cup peanut oil  
1/2 cup sherry wine  
1 1/2 lbs. can drained mushrooms  
1/2 cup chile sauce  
1 teaspoon sugar  
1 medium minced onion  
Dredge beef chunks lightly in flour. Brown very slowly in peanut oil. After browning, season with salt, pepper, garlic salt, paprika. Slowly add 1/2 cup wine (drained gradually over each piece of meat). Cover and simmer a few minutes. Add mushrooms (cut in half), in separate bowl combine 1/2 cup chile sauce, 1 teaspoon sugar and minced onion. Add to meat, cover and simmer until done (about 2 hours). Serves 4.

# Looking Back Through Our Pages —

**JANUARY**

**IN NORTHVILLE —**  
An outbreak of Asian flu prompted local doctors to admit that the area-wide illness had become a "true" epidemic.

Representatives of the Northville Estates Civic association — seeking annexation of their Novi township subdivision into the city of Northville — received moral support from three members of the city council.

**IN NOVI —**  
The circuit court suit brought against the village of Novi as a result of a Nine Mile road rezoning amendment was dismissed by Circuit Court Judge William J. Beers.

Novi cannot expect to have good village planning without paying for it. That was the opinion of Lewis D. Cruso, president of the Novi Citizens Development committee, who spoke to nearly 150 village residents at the first general meeting of the committee.

**IN WIXOM —**  
With the deadline for filing nominating petitions in Wixom

there were not enough candidates for mayor or justice of peace to warrant a primary election for those offices.

**FEBRUARY**

**IN NORTHVILLE —**  
A 20-member committee met in an organization session to launch a study for the proposed new city hall.

Signatures on petitions requesting an election to annex Northville Estates were declared valid by Secretary of State officials, who inspected registration polls in Northville and the township and village of Novi. The election was set for March 28.

For the second consecutive year Northville was awarded first place in its population category in the National Cleanest Town Contest.

**IN NOVI —**  
A home in fashionable Connemara Hills was used as the storehouse for stolen Detroit office equipment, Novi police disclosed.

Novi Police Chief Lee BeGole, who started with the department seven years earlier under the township, submitted a letter of resignation.

**IN WIXOM —**  
Plans for the establishment of a volunteer Wixom fire department gained momentum with the announcement of appointment of the city's first fire chief — Robert Potter.

Despite fair weather and an increased number of registered electors, only 289 Wixom voters turned out in nominating eight council candidates for the April 4 election.

**MARCH**

**IN NORTHVILLE —**  
Fifteen infants and toddlers were the first patients to move into the new Plymouth Home and Training school for the mentally retarded on Sheldon and Phoenix roads.

Faced with new state fire regulations that required 13 changes or installations, the board of directors of Adichson hospital voted to "temporarily suspend operations" of the 10-year-old institution.

**IN NOVI —**  
The village council decided to carry its fight against the annexation of its property to Northville to the supreme court.

In a surprisingly strong protest vote, three village councilmen

were turned out to pasture Monday as three Novi Civic Improvement association members were swept into office. The three winners were: Miss Eugenie Choquet, Joseph Crupi (elected president), and Dean Lenehiser.

**IN WIXOM —**  
Grand Trunk railroad leased its depot to the city for a token fee of \$1 as a possible fire station structure.

Eleven of the 12 Wixom candidates for city office spoke briefly at a meeting of the Civic association.

**APRIL**

**IN NORTHVILLE —**  
Dr. V. George Chabut, who had practiced medicine in Northville for 18 years, died suddenly at St. Joseph's Mercy hospital, Ann Arbor.

AN OLD NOVI bank building was repaired and decorated during the summer and became Novi's first public library.

Northville's football coach, Ron Schipper, accepted the head coaching position at Cass A Jackson high school.

Preliminary tabulations of Northville's city population showed a gain of 17 percent (3,865) over the 1950 census count of 3,297.

**IN NOVI —**  
Novi's building official, Harold Ackley, 54, was elected to the Walled Lake council.

Police Chief Lee BeGole will give up his Cheyebogan post and return to Novi, the village council learned.

Raging grass fires, whipped out of control by high winds, swept over wide areas of Novi, destroying or damaging an estimated 100 pine, fruit and shade trees.

**IN WIXOM —**  
Donald Brooks was elected mayor of the city, replacing Joseph Stadnik who did not seek reelection. Councilmen elected were: Gunnar Mettala, Fred Beamish, Oscar Simmons and Howard Coe.

**MAY**

**IN NORTHVILLE —**  
The board of education approved its proposed operating budget for the 1960-61 school year. The budget totals \$333,291, an increase of \$22,868 over the previous year.

Northville township recorded an 80 percent population increase during the past 10 years, census officials announced the new township population: 7,548.

The filing of candidates for the Northville board of education "narrowed down" to 13 at the deadline for filing petitions.

**IN NOVI —**  
A Novi budget study session marked by bitter criticism from Councilman Phillip Anderson concluded with a declaration by the

with many uniforms of his band members "near shreds", Band Director Robert Williams announced plans for a candy drive to help raise money or new uniforms.

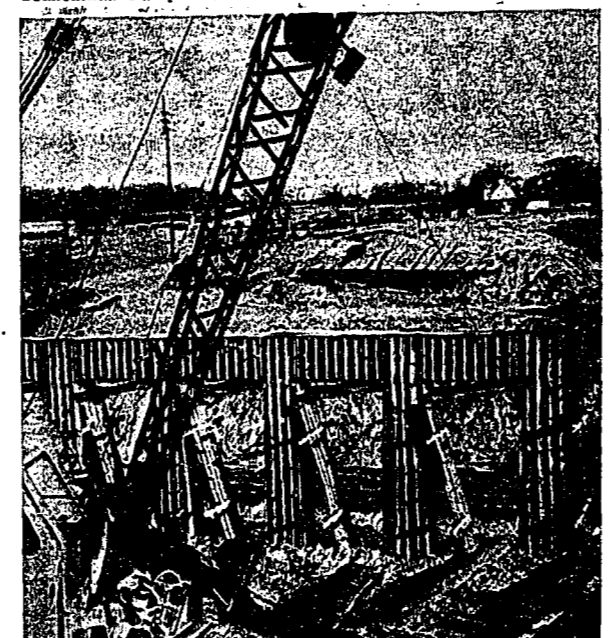

With the formal dedication of its handsome new addition, the First Baptist Church of Northville celebrated 125 years of continuous service to Christ.

Northville's varsity football team lost its annual homecoming game to West Bloomfield, 20-0. Sharon Hensch was elected queen of the homecoming.

**IN NOVI —**  
In an effort to curb illegal and dangerous shooting in and near populated areas, the Novi village council took steps to prohibit hunting in several subdivisions.

Novi officials interested in establishing an area park learned that the state conservation department had announced that money was available for park property purchase here.

**IN WIXOM —**  
Hundreds of Wixom residents and area visitors and officials were on hand for the cornerstone laying ceremony on the site of the

THE LONG AWAITED Eight Mile road cutoff was finally completed, along with this bridge over the C&O railroad tracks.

councilman that his resignation was forthcoming.

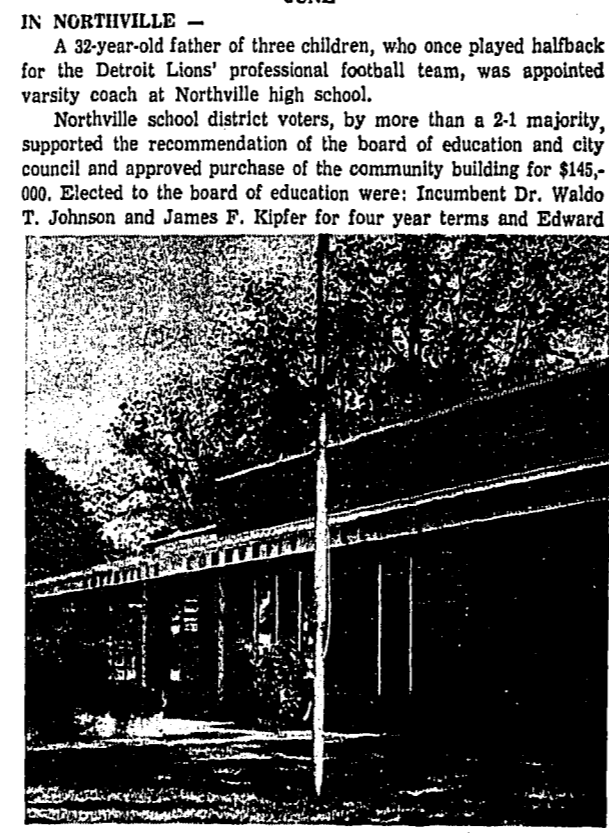

The final Novi township division of assets payments to Northville and Wixom were made last week.

**IN WIXOM —**  
Wixom councilmen learned that their city was equalized to a valuation of \$18,294,134 from \$11,237,155 assessed. This made Wixom's county equalization factor 1.64.

**JUNE**

**IN NORTHVILLE —**  
A 28-year-old father of three children, who once played halfback for the Detroit Lions' professional football team, was appointed varsity coach at Northville high school.

Northville school district voters, by more than a 2-1 majority, supported the recommendation of the board of education and city council and approved purchase of the community building for \$145,000. Elected to the board of education were: Incumbent Dr. Waldo T. Johnson and James F. Kipfer for four year terms and Edward

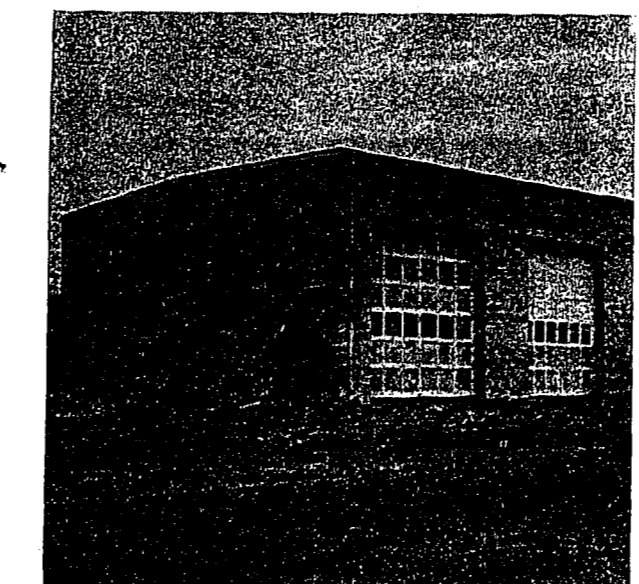

NORTHVILLE VOTERS approved the sale of the city-owned community building to the Northville school system.

# These Events Made Area News in 1960

Robert H. Shaffer, a four-year member of the Northville board of education, was elected president of the enlarged seven-member board.

**IN NOVI —**  
Novi Village Manager Fred Olson withdrew his two-week-old resignation before a capacity crowd at the community building — but before the meeting ended he was forced to resign in the face of outright dismissal.

Two psychology experts from Willowbrook subdivision, Walter

A NEW BUILDING for the Northville department of public works was constructed on the city dump property.

Amblinder, Ph.D., and John MacFride were swept into office as 580 residents went to the polls to vote in the Novi school district election. Arthur J. Heslin, 4280 Nine Mile road, was re-elected president of the Novi school board.

**IN WIXOM —**  
GAY Local 36 President Sam Fishman announced immediate construction of a \$10,000 bi-level union hall at Wixom, across from the Lincoln plant.

A two-year-old Wixom youth was killed when he ran into the side of a car while playing near the driveway of his home at 4750 11 Mile road.

**JULY**

**IN NORTHVILLE —**  
Cheerleaders from Northville high school won top honors at a cheerleading camp at Hartland, Michigan.

A former Northville mayor and village councilman, Elmer E. Perrin, 73, died following a brief illness.

**IN NOVI —**  
Rev. Marvin Rickert, 52, pastor of the Willowbrook Community church, was elected president of the Novi Rotary club.

A three-alarm Novi fire destroyed farm buildings and equipment worth more than \$20,000 and then crept back to lap up the rubble hours later on the farm of Vincent G. Rivard, 4679 11 Mile road.

**IN WIXOM —**  
Joseph Stadnik, former Wixom mayor, announced his candidacy for the state senate in the primary election.

**AUGUST**

**IN NORTHVILLE —**  
Joseph Wilkinson, 46-year-old physical education teacher here, died suddenly at Pontiac St. Joseph's hospital four hours after undergoing surgery.

Carl R. Ely, pioneer Northville businessman and former village councilman and justice of the peace, died at the age of 70.

**IN NOVI —**  
Novi voters surprised most township officials in approving the proposition abolishing the annual township meeting.

The village council returned a 108-acre parcel of proposed park land back to an agricultural classification by a 3-2 vote.

**IN WIXOM —**  
Citizens of the city learned that it may have a new city hall by December or January, as the council voted unanimously to purchase seven acres of land located south of Pontiac trail, east of the C&O railroad, at a cost of \$17,000.

**SEPTEMBER**

**IN NORTHVILLE —**  
A raging wind storm swept down out of the north on the heels of sweltering heat, leaving a wake of uprooted trees, broken branches, and dangling power lines in the Northville-Novi area.

Twenty-three new teachers joined 65 returnees on the staff of the Northville public school system. They greeted a record enrollment of 1,900 pupils.

The community building was purchased by the Northville school system at a total cost of \$145,000.

**IN NOVI —**  
An estimated 3,000 Novi and area residents swarmed to the community, making the second annual village birthday celebration a whopping success.

The dream of Novi citizens became a reality when the community's first public library officially opened.

**IN WIXOM —**  
Wixom councilmen approved preliminary plans for a multi-purpose city hall and instructed the architect to go ahead with final plans on the layout.

A second place award was presented to Wixom officials for the city's "outstanding" annual report booklet.

**OCTOBER**

**IN NORTHVILLE —**  
With many uniforms of his band members "near shreds", Band Director Robert Williams announced plans for a candy drive to help raise money or new uniforms.

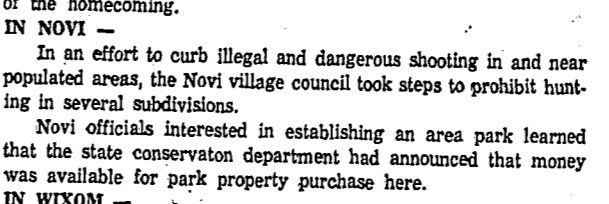

With the formal dedication of its handsome new addition, the First Baptist Church of Northville celebrated 125 years of continuous service to Christ.

Ann Arbor-by-pass is typical of Michigan's modern freeways

## Again Michigan leads the Nation! 500 miles of freeways now open to traffic in Michigan!

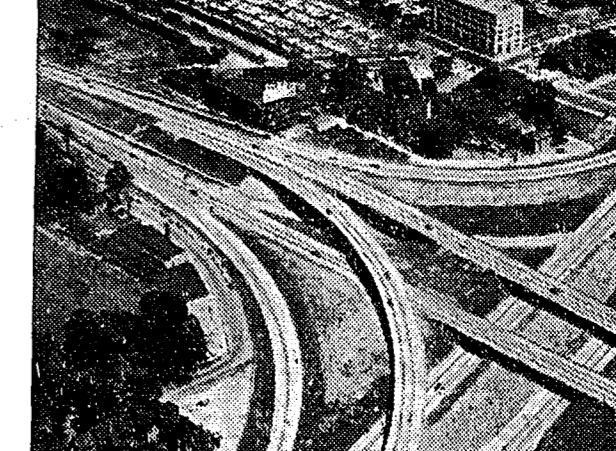

A record-breaking 500 miles of modern freeways—easier driving and four times as safe as conventional highways—are now in use by millions of Michigan motorists and thousands of vacation travelers. One highway alone—Interstate 94—runs 208 continuous miles from downtown Detroit to St. Joseph. It's the longest stretch of toll-free, limited access highway in the United States!

Today, Michigan holds 1st place in Interstate System construction—up from 36th place just 3 years ago. Since 1957, Michigan's freeway mileage has increased 5 times! You can thank your capable state highway engineers, backed by efficient contractors and crews.

You can be glad, too, that more than 99% of these beautiful new freeways are paved with concrete. Its lower cost and proven performance save tax money. Concrete highways and streets outlast asphalt almost 2 to 1 and cost up to 60% less to maintain. Add greater safety. Concrete gives more skid resistance, wet or dry, and better nighttime visibility.

In front-running Michigan and other progressive states, highway engineers choose concrete to save money and provide motorists with the safest, smoothest-riding, longest-lasting highways.

## OUR CREED...

The word "Customer" has always had a pleasant connotation, but I am afraid that during the past some people have rather lost sight of its full significance. So by way of reminder, I give you a few brief answers to the question... "WHAT IS A CUSTOMER?"

A Customer is the most important person in this store — in person or by telephone.

A Customer is not dependent on us — we are dependent on him.

A Customer is not an interruption of our work — he is the purpose of it. We are not doing him a favor by serving him — he is doing us a favor by giving us the opportunity to do so.

A Customer is not an outsider to our business — he is a part of it.

A Customer is not a cold statistic — he is a flesh and blood human being with feelings and emotions like your own, and with biases and prejudices.

A Customer is not someone to argue or match wits with. Nobody ever won an argument with a customer.

A Customer is a person who brings us his wants. It is our job to handle them profitably to him and to ourselves.

## Minutes of Northville Board of Education

Regular Meeting December 12, 1960

The meeting was called to order by President Robert H. Shafer at 7:40 p.m. Present: President Shafer, Messrs. Crump, Johnson, Lawrence, Kiefer, Angove and Becker.

Absent: None.

Others Present: Mr. James Littlell, school attorney; Supt. Amaranth; Asst. Supt. MacLeod; Principals Ellison, Smith and Kay; various interested members of the teaching staff and townsmen.

II. The minutes of the last regular meeting and one special meeting were read by the secretary. Mr. Littlell mentioned a correction, the substitution of the name "Kiewit-McArthur" for the name "Pitney-Snow" in the minutes of the meeting of November 14th. The words "and Washburn" were also added to Paragraph 2 of New Business, referring to an annexation matter which concerns Wayne, Oakland and Washburn's Council.

In the minutes of the meeting of November 28th a correction of a typographical error was made in Paragraph 3, the price of the tractor having been given as \$2,420.00. Correct figure is \$3,420.00.

In Paragraph 4 Mr. Crump's name was erroneously given as announcing a meeting of the Novi Planning Board. It was Mr. Shafer who made the announcement.

The minutes of both meetings were approved with the corrections noted.

III. Communications:

- Owens-Illinois Glass Co., advising that Toplite Panels at the Amersman School have now been adjusted and fault corrected.
- General Motors Corporation, expressing appreciation for Dr. MacLeod's contribution to the educators' conference sponsored by the Corporation.
- John Robertson, City Manager, advising that the City will again handle snow removal for the year.
- Report of the Superintendent:
  - Teacher Certification: Dr. MacLeod explained to the Board and to the faculty members present, some of the provisions of the new code for certification of teachers in Michigan.
  - GMC Educational Conference: Dr. MacLeod gave the Board a report on his attendance at this conference, which gave the educators an opportunity to observe the educational program at General Motors Institute and the Technical Center. Dr. MacLeod had found the conference extremely interesting and informative.
  - Secondary Principals Conference: Mr. Ellison reported to the Board on his attendance at the conference of Secondary Principals at Grand Rapids. He reported great concern on the part of the principals regarding some requirements of the new certification code. He also reported considerable interest on the part of the junior high schools in accreditation for their schools with the North Central Association of Secondary Schools and Colleges.
  - Band Uniforms: Mr. Ellison reported for the committee for collection of funds and selection of uniforms. Enough money has been collected to purchase 100 uniforms and bids have gone out today (the 12th) to 14 prospective bidders, three of them local. These bids will be received and opened January 20th.
  - The thought was expressed that this parents' committee might become a permanent stand-by or booster committee for the band.
- Report of the Secretary: Secretary Lawrence reported the following monies received during November:
  - Delinquent Taxes — Novi Township, \$953.02; Lyon Township, \$201.71; Northville Township, \$2,022.50; N.D.E.A. Reimbursement — \$705.81; School Lunch reimbursement — \$1,051.22.
- Report of the Treasurer: The Treasurer reported the following balances in the various accounts as of November 30, 1960:
  - General Fund \$174,567.77
  - 1960 Debt Retirement Fund \$2,418.22
  - 1961 Debt Retirement Fund \$1,026.74
  - 1957 Debt Retirement Fund, Series A \$12,264.65
  - 1957 Debt Retirement Fund, Series B \$29,143.54
  - 1957 Debt Retirement Fund, Series C \$14,559.58
- 1957 Building and Site Fund \$17,759.78
- Cafeteria Account \$4,287.57

It was moved by Mr. Angove and supported by Mr. Lawrence that the report of the Treasurer be accepted as given. Motion carried.

VII. Report of Auditing Committee: The Auditing Committee reported bills and payrolls approved for payment as follows: General Fund Bills \$10,559.66; Payrolls, \$68,110.81; Building and Site Bills, \$2,026.99; Cafeteria Bills, \$5,072.64. It was moved by Dr. Johnson and supported by Mr. Lawrence that the bills and payrolls be paid. Motion carried.

VIII. Unfinished Business:

  - Vacation of West St.: The Secretary read a letter from the school board to the City, assuring the City officials that it is not in the present plans of the school board to close off pedestrian traffic between Cady and Main Streets.
  - Snow Removal: Moved by Lawrence, supported by Mr. Crump that we contract with the City for snow removal at the High School on the same basis as last year. Motion carried.
  - New Business:
    - Salary Study Committee: Mr. Vayne, Chairman of the Salary Study Committee, presented the report of the Committee to the Board of Education. Mr. Kiefer moved that the report be accepted and the salary committee be thanked by individual letters for its efforts. Mr. Angove supported the motion, which was carried unanimously.

## THE NIGHT AFTER CHRISTMAS

'Tis the Night After Christmas and all through the house not a creature is stirring—not even a mouse. The housework is finished—all shining and neat—our household appliances just can't be beat! The stockings still hang by the chimney with pride; St. Nicholas came and slipped gifts inside. (Our chimney is used mainly for show—the heat's Automatic you'd certainly know!) The children are nestled all snug in their beds, dreaming of Santa—their dolls and their sleds. While Mom in her kerchief and I in my cap are just sitting down for a long winter's nap. As I leave the light burning by the stairs in the hall, I think of our servants who don't sleep at all. Automatic appliances that help to perform such duties as keeping the family warm. It's a cinch that they're needed by all the folks here—not only at Christmas but all through the year! Now, our joys all around us, good will be burning bright—we say Merry Christmas—and to all a Good Night!

**BEST WISHES FOR THE NEW YEAR**

## Babson Not Optimistic Over 1961 Business Outlook

(Continued)

their condition would be improved by Russia's help. The great African continent should be developed, Babson said.

He predicted that the new countries which have been given their independence from the colonial system they were under for 100 years. Here, Russia, Belgium and France are playing a waiting game to see if the new nations can make good on their selves.

I cannot imagine the Russians now going to war over Berlin. I am more disturbed about the gains in the Communist vote in European countries. For instance, the Communists in Italy received only 19 percent of the vote in 1948, but 28 percent in 1950. Even in France, the Communist vote is again increasing. The money interests of France want the Algerian rebels stamped out for good, while the farmers and small businessmen want DeGaulle to give Algeria its freedom. When I was in France a few weeks ago, it was generally conceded that if DeGaulle should suddenly drop dead, chaos might reign.

I dislike to end this forecast with these pessimistic comments; but even if our country is going along on an even keel, some occurrence in some other part of the world could upset all our plans. HENCE, BE SURE YOU HAVE MADE A WILL.

My favorite municipalities are those of the capital cities in the interior of the country; in fact, growing interior cities should be a high-grade investment. These bonds may pay their interest interest-free, under the best conditions. The capital cities are especially helped by having the payroll of the state governments.

Living Costs and Inflation

Living costs may rise somewhat during 1961 due to the increase in population and the desire for greater comforts and convenience. A person like myself, who has had children and grandchildren, knows how each succeeding generation considers as necessities what the parents considered luxuries. This, together with the higher cost of labor, is the main reason for today's record-high (127.5) cost of living.

As there is only so much land available, rents will increase slowly. There, however, need not be a higher cost for food. The farmers are constantly raising the greater crops which are being processed in more economical ways. The only reason for the cost of food to increase is the dependence of so many households on package "mixes". Usually all vegetables will be raised and partly cooked and purchasable in containers.

Wages will hold up although there will be more unemployment in 1961. This means that take-home pay will be less for most families.

Inflation is not to be feared during 1961. With this small-population plurality, Mr. Kennedy will have to slow to do anything to hurt the purchasing power of the dollar. During World War III, I believe that the dollar will be just as sound a year from now as it is today. Our U.S. dollar is looked upon by the world as a standard.

Farm Income and Prices

Good crops and moderate prices indicate a fair year in 1961 for farmers. I, therefore, look for a reasonably heavy volume of the things farmers buy during 1961, including equipment for getting on with less help. The farmers cannot expect very boom, but profits, on average, should be at satisfactory levels. My forecast, in detail, is: Larger volume of marketings should more than offset any reduction in farm prices. Therefore, 1961 cash receipts for farmers should be slightly higher than 1960's \$11,000,000,000 net. I furthermore learn that the intelligent farmer is reducing his indebtedness, which is always an optimistic sign.

As I dictate this forecast, I am told that growing conditions are favorable in most sections, with sufficient moisture in the ground and other seasonal optimistic factors. The prices which farmers will receive in 1961 for crops will, of course, depend upon weather; but, each year, agricultural science is helping the farmers to avoid early frost losses and to secure needed moisture.

Employment, Wages and Taxes

Strike activity may well be at a postwar minimum during 1961, with any disturbances limited to independent separate companies. First important industry negotiations will come in the auto industry, but not until September, 1961. Railroad

workers cannot strike until November 1, 1961 at the earliest. Most steel contracts hold until June 30.

The average employment in 1960 was about 67,000,000 workers. I forecast that 1961 will average 4 million fewer wage workers. Country-wide, unemployment reached as high as 4 1/2 million in 1960, and for 1961 may hit 5 1/2 million. The basic difficulty is that while industry is cutting back, the labor force is becoming larger. This means that it will be more difficult for those getting through schools and colleges to get positions in 1961 unless they are well trained in business mechanics or electronics.

Certainly, the demand for executives will be less in 1961 than it has been for some years. Those executives who now have positions should stick to their jobs. Labor leaders hope to have a key to the White House with Mr. Kennedy as President. This may apply to the settling of strikes and contract disputes.

The AFL-CIO will influence more notes in Congress in 1961 than in 1960-61. The conservative Southern Democrats, however, will unite with Republicans to block real legislation.

Congress certainly will not outlaw the "right-to-work" legislation which has been passed in certain conservative states, nor will labor get a revision of the Taft-Hartley Act. It is probable that the Federal Government will not increase income taxes during 1961; but may close some loopholes and increase excise taxes.

Politics and the New President

I do not expect any big changes under President Kennedy. If he had more time to hold his own during 1961 and secure some small increases in wages, pensions, and improved working conditions; but this may be what labor expects to get out of the election of President Kennedy.

The Federal Government will not increase income taxes during 1961; but may close some loopholes and increase excise taxes.

Politics and the New President

I do not expect any big changes under President Kennedy. If he had more time to hold his own during 1961 and secure some small increases in wages, pensions, and improved working conditions; but this may be what labor expects to get out of the election of President Kennedy.

such legislation was passed; but if this subsidy would come off as the price of gold rises.

Stocks and Bonds

It is unpopular for me to take a bearish position in my Annual Forecast. Most of the newspapers and my readers like optimistic forecasts. In all the years I have been making these forecasts, last December was the first time that I refused to take a definite position. At that time the Dow-Jones Industrial Average was 670 and today it is fluctuating around 600.

Corporation earnings reports now coming out are not good. In many cases the gross is kept up or perhaps increased, but the net is off.

Many companies will show a decline in 1961 compared with 1960. Prosperity has continued so long that most manufacturers, retailers, and consumers are assuming it will last at least another year. I cannot honestly agree with this.

Therefore, I feel that 1961 will see lower prices for the Dow-Jones Industrial Averages. I hope that many readers with small businesses are showing a profit. Those who are not should begin to reduce their loans and "trim their sails".

In many cases good bonds now yield more than good stocks. This is unfavorable to the stock market and favorable to the bond market. Therefore, I believe that bonds will

**DRAFTING WINNER** — Douglas Tyler, son of Mr. and Mrs. Wilson Tyler, 1972 Meadowbrook road, has been awarded a first prize in the 1960 Detroit metropolitan contest sponsored by the American Society of Body Engineers. Tyler, a senior at Northville high school, won the award for his drawing of a cam-tailgate hinge torsion bar. Arnold Anderson, drafting and shop teacher at Northville, is shown above presenting the certificate of award to Tyler.

**READERS SPEAK:**

**Shows Appreciation**

How does one truly express what is in his heart when there are so many wonderful people to thank for help and support they so freely gave?

This help enabled the Novi Goodfellows to make their slogan, "No Child Without a Christmas", a reality for many little boys and girls.

If only all the people who worked so hard were able to have seen the joy in the eyes of the children when the baskets and packages were delivered! It would have filled their own hearts with joy. This alone would have repaid them over and over again for any time and energy they might have given.

To thank each individual for the part that he or she played in our success would be almost impossible because of the large number of people who donated time or helped us financially.

From the Girl Scouts who have made all our posters for various projects; to the men and women who stood out in zero weather selling papers; from the women who investigated all the calls for aid to the ones who did the shopping for clothing and toys and delivered the baskets; and from the six little girls who did the caroling to all the organizations and individuals who gave assistance in one way or another.

I would like to take this opportunity to personally thank each and everyone of you who have made it possible for us to reach and go slightly over our goal which was set earlier this year.

God Bless All of You,  
Charles Wallace  
Novi Goodfellow President

**Rotarians To Breakfast Together**

An annual tradition will be observed again this year by Northville Rotarians when they sit down together for the first meal of the new year.

Actually, it will be one day late this year — Monday, January 2.

As in years past, Rotarians and their wives will meet at the home of Dr. and Mrs. Walter Belasco on West Main street for New Year's day breakfast. Some years nearly 100 have been guests of the Belascos for the event.

Breakfast will be served from 8 a.m. until 11 a.m. There will be no regular meeting of the club next week.

**Girl Scout Leader Wins Area Salute**

A Novi girl scout leader was selected from among 300 registered adults in the Farmington-Nowi District to be honored on radio station WKMH yesterday.

Mrs. Daniel MacGillivray, 4411 Stassen street, was saluted for her "unselfish contribution to your community. Your name was selected by Southern Oakland Girl Scouts to show their recognition and appreciation for your work with Troop 602".

Mrs. MacGillivray, a grandmother, received a bouquet of flowers.

Among the qualifications for the honor were these contributions to the community:

Day camp director for two years; day camp counselor for two years; camper, troop leader for five years; Goodfellow representative; numerous neighborhood; completed training programs for intermediate and brownie leaders and for day camp; and participated in several girl scout workshops.

As leader of Troop 602, Mrs. MacGillivray has attended overnight camping trips, completed a roller skating course with the girl scouts, taken her girls on tours of various businesses and industries, and supervised troop members in baby sitting for the community blood bank, serving dinners for cub scouts, church groups and other Novi organizations.

**Obituary**

**CELIA K. RIDER**

Funeral services will be held today (Thursday) at 2 p.m. from the Dempsey B. Ebert Funeral home for Mrs. Celia K. Rider, a resident of Salem for 64 years.

Mrs. Rider died Monday at the Clarke convalescent home in Wayne. She was 91 years old.

Born in Hand Station, Michigan on December 22, 1869 the daughter of Henry and Mary Cook Long, she was married to Fred Rider on June 23, 1879. Mr. Rider died in 1950.

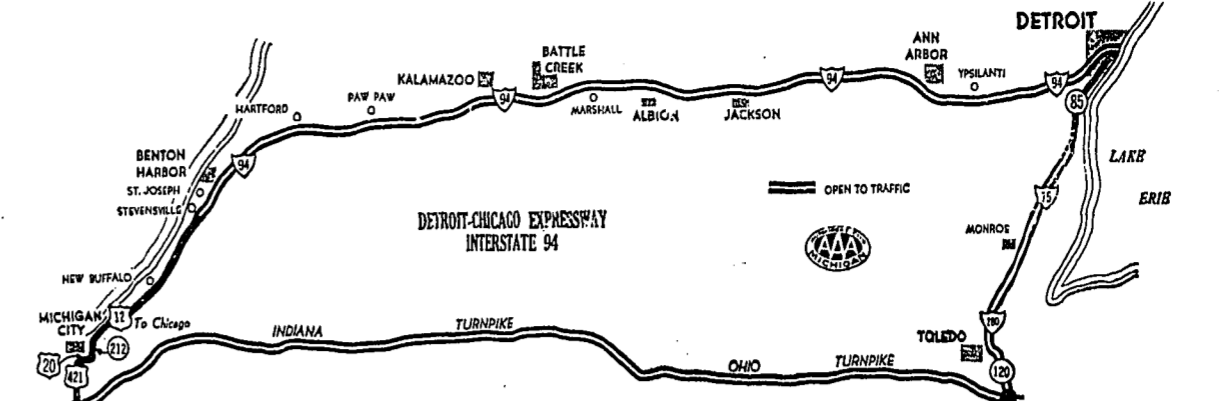

She is survived by four daughters: Mrs. Elsie Hartman of Stockbridge; Mrs. Marie Wooster of Detroit; Mrs. Genevieve Ringel of Wayne; and Mrs. Florence Lewis of South Lyon; two sisters, Mrs. Minnie Ringel and Mrs. Katherine McKee of Wayne; and one brother, Edward Long of Ida. Eight grandchildren and 19 great-grandchildren also survive.

The Rev. Harry C. Richards of Salem will officiate at the services with interment at the Salem Walker cemetery.

**Here's New, Faster Route to Chicago**

**Novi Resident Opens New Business Here**

A new business, called Northland Pasty and Pizza Center has opened in Novi.

Located at 43089 Grand River, east of Novi road, the business is owned and operated by Al Boretti of 24520 Border Hill, Willowbrook subdivision.

In announcing the opening this week, Boretti pointed out that the Novi outlet is an expansion of his Detroit business which he has operated for the past 17 years.

"Increased demands for our product, particularly west of Detroit, necessitated an outlet in this area," he said.

Like his Detroit establishment, the Novi business will feature carry-out pasties (beef and vegetable turnover pies) and pizza. The business also will provide delivery service.

Eventually, frozen products also will be sold here, he said.

Boretti has leased the building, formerly a restaurant and vacant for more than a year, from Russell Button. The interior has been completely remodeled and the exterior redecorated.

The pasty and pizza center will be opened daily from 10 a.m. to 3 a.m., with delivery service at specified times each day of the week.

**Veterinarian Urges Calfhood Vaccinations**

Most of the replacement calves in Michigan's cattle herds will be eligible for calfhood vaccination against brucellosis within the next four months, according to the Michigan Department of Agriculture.

"Dr. C. H. Failing of Route 2, Oxford, who is the Federal-State Department of Agriculture veterinarian in the Wayne, Livingston, Oakland and Macomb county area, urges calfhood vaccination.

Brucellosis is a highly contagious disease of cattle and has cost Michigan cattle owners millions of dollars over the years in loss of calves, sterility and reduced milk production. Under certain conditions man may contract the disease through infected animals. This is sometimes known as undulant fever.

The Automobile Club of Michigan has officially recommended a new route for motorists between Detroit and Chicago that saves one-third of the cost of the trip, plus at least a half-hour in time each way. It is the new Interstate-94 (I-94) freeway, which replaces US-12 as the Chicago road with the opening of the 18-mile stretch of the new highway between Ann Arbor and Jackson. The new route recommended by Auto Club utilizes I-94 from Detroit to Stevensville, where motorists will pick up the remnant of US-12. Stevensville lies seven miles south of St. Joseph, and leaves but 43 miles of old US-12 to be traversed before picking up the Indiana Turnpike at the Michigan City, Indiana, interchange. The distance from downtown Detroit to downtown Chicago is shaved to 291 miles, a saving of 30 miles over the previously recommended route that utilized the Detroit-Toledo Freeway and the Ohio and Indiana Turnpikes. Use of I-94 will also save a minimum of one-half hour in behind-the-wheel time between Detroit and Chicago. The new route also saves motorists \$2.70 in tolls, as well as time and gasoline. Completion of I-94 from Stevensville to New Buffalo, at the Michigan-Indiana boundary, is scheduled for next summer, and this will further enhance the newly-recommended route. This stretch is currently 4-lane, undivided highway.

**First Baby**

(Continued)

parents can expect to go along with the "newest in 1961" title: 24 cans of baby food from EMB Market; a bottles and diapers bag from Novi Rexall Drug; shoes from the D&C store; a blanket from S. L. Brader's; 15 half-gallons of milk from Cloverdale Farms Dairy; a duet set from the Little People Shoppe; a toiletries kit from Gunsell Drugs; a two-piece baby set from Tewksbury Jewelers; and a bouquet of flowers for mother from Jones Floral company.

So there you have it. Keep your eye out for the stork. If he's hovering around your house on New Year's Eve — just suggest to him that he continue circling until after midnight.

**MONEY PROBLEMS?**

Well, cheer up — most folks have money problems. It seems there is quite a gap between what we take in and what goes out which causes us no little concern. People start going to church or giving to benevolent causes in the hope that this will resolve their financial problems. Frankly, I know of no scriptural verse which would serve as a basis for such beliefs. Christians have money problems as well as people who are not Christians. However, there is this difference — if a Born-Again believer will honor God by the giving of the tithes and offerings, then he has placed himself in that place where God can and will bless him. This does not mean that God will make him a millionaire, but it does mean that he will have the financial status that is best for him according to the wisdom of God. We have no such promises extended to those who are not in correct adjustment to God because of their sin and unbelief. Jesus said that it was difficult for a man who possessed riches to enter into the Kingdom. If you are poor, then this is not an obstacle in your way. Through one need or another the Saviour draws men to see their own insufficiency and to seek the help of God by means of the Saviour.
