Emergencies Only!

Wixom residents are reminded this week by Mayor Donald Brooks that the police and fire number for the city is MA-4-1111. This number is to be used only for fire and police calls and for no other purpose. Brooks told the council last week that on two consecutive lays last week during two grass fire calls, this line and the other two lines into the city hall were busy, thereby delaying

necessary calls during such emergencies. Brooks also asked the city officials to avoid using the num "This triber is only for incoming calls and that's all." Once again, the fire and police number for Wixom is MA-

for the Record

Every year about this time it has been our practice to remind parents and motorists that the warm days of summer bloom forth with more than flowers, green grass and leaves. This wonderful season is for children. And they spring up all around us - playing ball, skipping rope, fishing, running and experiencing exciting new adventures in the world of

ards of traffic, deep water, holes and caves, trees, rusty nails and the countless other possibilities that could bring injury or even death, accidents still happen.

And who can honestly expect their busy minds to remem ber that cars kill when there is something new and wonderfully fascinating - such as a tiny fish in a pail of water - to behold. The death of a six-year-old boy saddened Northville last week. There is no explanation for a tragic accident like this.
