

SPEAKING for the Record

by Bill Slinger

An interesting difference of opinion that would require an expert with crystal ball to settle developed at the city council last week.

A proposal to adopt a resolution of cooperation with the county in its expansion of the Middle Rouge interceptor sewer project was before the council.

Under the terms of the \$18 million project each of the 22 participating communities is allocated a certain portion of the sewer use.

With the exception of a few minor details Northville council members are unanimous in their desire to go ahead with the project and thus bring about the lifting of a building ban currently enforced in the 22 communities by state health department edict.

That it was that a resolution of intent to accept the terms of the proposed sewer project was quickly adopted without objection.

The city's allocation as proposed by the county is enough to serve a city of 8,000 population. This ultimate figure compares with the present population of 3,000.

While the cost to the city is approximately \$150,000, financed over 40 years it will run to about \$8,000 per year.

The difference of opinion evolved when Councilman Richard Ambler proposed an amendment to the resolution.

He wanted the city to buy a larger allocation — enough for a city of 10,000.

His amendment lost, 3-4, with Councilmen John Canterbury, Beatrice Carlson and Richard Judy lining up against Mayor A. M. Allen and Ambler.

It was Ambler's reasoning that there is no assurance that in 20 years a sewer allocation for 9,000 population will be enough. He pointed out that the community needs industry and that industry needs sewer service.

He reminded council members that the township was buying only about a third of its allocation in the sewer.

Ambler didn't say it, but the inference was that if industry should settle anywhere in the school district — including the township — it might have to look to the city for its sewer service.

Further he argued that in 20 years — when sewer facilities would again be expanded — the cost would be much higher. At that time new sewer disposal plant facilities will also be needed.

"These sewer taps are cheap," declared Ambler, who suggested that if the city had too many taps it could sell part of its assets and make money in future years.

Councilman Canterbury led the opposition. He refused to get into the crystal ball or help buy extra capacity because an argument might be made that the area within the school district could do it itself.

"I don't want to be heavy handed," said Canterbury, adding that he'd like to explain to taxpayers that they were being charged for something we might never need.

He wasn't convinced, either, that the 9,000 capacity wouldn't be ample.

Canterbury's arguments are the most difficult kind to dispute. And I'm sure he had little reason to doubt but that he could gain majority support.

To one who has covered hundreds of council meetings his argument came as something of a surprise. Generally, Canterbury does not display such conservatism.

We cannot say that Councilman Ambler was correct in his argument. But if the press could have voted, it would have been a 3 to 2 tie.

Maybe in 20 years we'll know the answer.

Roger Babson Supreme Court And Our Times

Babson Park, Mass., is a study in Wall Street. It is a study in gold. This was accompanied by some speculation in Government Bonds. Prices were based on most reports from London. There were then no cables.

Following the Civil War from 1875 to 1900, most of the speculation was in railroad stocks. Now miltage was constantly being built, due to the large immigration and cheap labor, accompanied by good crops, which helped railroad earnings. The Northern Pacific stock sold at \$1,000 a share. There was much talk about national consolidation and the stock market was especially bullish over a proposed merger of the Northern Pacific, Great Northern, and Burlington railroads.

Then, suddenly, the Supreme Court issued a decision preventing this consolidation. Gold, railroads, and stocks in 1907. This caused a quick drop in all stocks in 1907. A member of the N.Y. Stock Exchange invited me to come on the floor of the Exchange and help him. I actually saw men's hair turn gray within 48 hours.

Following the boom in railroad stocks there developed an interest in consolidations and big trusts. This began late in the 1920's. Then were formed the Tobacco Trust, the Standard Oil Trust, and other great trusts. During these years, the New York Stock Exchange took a great interest in industries.

It was then that Moody's Manuals and Babson's Reports were started, and investment services began to be popular.

Although the above-mentioned Supreme Court Decision directly referred only to railroads, it indirectly brought an end to this consolidation and Trust Era. Hence, the panic following affected both railroad and industrial stocks.

There were no big electric utilities in those days.

The fourth era of glamour stocks centered around companies producing and distributing electricity. From 1907 to 1912 great speculation took place in these electric stocks. This was the heyday of the electric utility industry. In 1912 the Supreme Court decision, followed by Congressional legislation. If Democracy is to survive and dictatorship be prevented, such a Court Decision can come some day. Then, the situation of the present is a language is this: Liquor dealers were assessed the nuisance tax on their floor stocks when the tax went into effect.

It would be equitable, they say, to refund a similar amount on the floor stocks on hand when the taxes come.

While the proposal, may be a sound logical position, needless to say it is not the best. There is great show of enthusiasm when mentioned on the floor by Sen. Charles S. McNary, D-Detroit, during the last days of the regular session.

The tax on tobacco products was not assessed on floor inventories when passed, so these dealers do not have the problem.

The Liquor Control Commission says it is powerless to refund the tax without action by the Legislature. Lawyers can't get to the printer with the 1962 session, and by that time, the whole thing may be forgotten and better left dead.

Just for the record, labor unions weren't the only ones to applaud Gov. John B. Swainson's veto of the controversial Unemployment Compensation bill passed by the 1961 Legislature.

A recent issue of the Michigan Food News, a publication for retail grocers, in a column signed by editor Willis T. Keasey, also said the people were better off with the bill inoperative.

Said Keasey: "The bill is one of the biggest monstrosities ever passed by the Legislature."

The strong voice which undoubtedly caused Swainson to veto the bill came from the unions. Equally vocal were the forces pleading with the Governor to sign the bill, or let it become law without a signature. These included many big and small employers and those interested in the "economic climate of the state."

Keasey's point, on which he could find much agreement, was that a percentage of small business would have to pay higher rates under the bill.

Merits of the bill, which had as its chief aim the heating up of the Unemployment Compensation Fund, and its drawbacks were debated almost to the point of tedious repetition. Swainson vetoed the bill on totally

Michigan Mirror Hard to Believe: Tax Meets Death

The certainty of death and taxes is widely publicized in story and song, but the deadly "temporary" in nature, is a more insidious foe. The death of the so-called "nuisance" taxes which were passed to ease the Cash Crisis of 1959 this June 30.

Most susceptible age group authorities say, are children five years and under. They are the most susceptible of the paralytic cases. In addition, they are the worst sufferers of the disease and thus constitute a danger to others.

While much talk has been devoted to late to the oral vaccine developed by Dr. Albert Sabin of the University of Cincinnati, Americans are cautioned not to wait for this type of protection but to take advantage of the paralytic cases. In addition, they are the worst sufferers of the disease and thus constitute a danger to others.

Dr. Sabin maintains that his oral vaccine is virtually 100 per cent effective and offers a better protection than the injected form of the disease.

No definite figures are available.

Beat the Polio Season— Get Vaccine Shots Now

There's still time to get those polio vaccine shots to protect you and your family before the polio season begins in earnest. This is the word from Oakland and Wayne county health authorities who are keeping a wary eye open for any outbreak of polio which normally begins its season in the northern sections of the country around July 1.

Authorities say that Johnny-come-latelys are getting a break from nature in being able to get some degree of protection from the disease.

While they point out that the incidence of paralytic polio is falling behind last year's rate which was a record low since 1954, they say it is still possible the unusually cool weather may have delayed the onset of the real polio season.

Estimates are that about 92 million Americans have received at least one shot of the Salk vaccine and that there are some 85 million yet unprotected.

Three of four doses of the Salk vaccine, each about six weeks apart, are required. The Salk shots can be taken on a "vacation" schedule, cutting to two weeks the interval of one month between the first and second shot and seven months between the second and third shots.

While this does not provide complete protection, health authorities say it is better than no protection at all.

Both counties will operate mobile units through the summer battling the disease. Time and place will be announced on a phone call to the county offices will give the information. Family physicians also have a supply of the vaccine on hand and can give the shots.

But regardless of who administers the shot and what type of protection one gets, by needle or orally, the important thing is to take advantage of the easy and cheap protection against polio this summer.

A Glorious 4th— Board Begins Search

Novi's school board, faced with the opening of school some two months away without a superintendent and county placement officials this week to find a candidate.

Dr. William Medlyn announced his intention to resign at the June 21 meeting and will begin a new role in the placement offices of Indiana University August 1.

The board was to meet with Oakland County and University of Michigan placement officials last night after meeting with Carroll Munshaus, director of placement at Wayne State University last Wednesday.

Representatives were directed to contact other Michigan universities to let them know Novi was in the market for a new superintendent and invite them to a meeting with the board also.

Munshaus, before presenting his candidate to the board, discussed setting up job specifications and hiring procedures.

The meeting was a closed one because, as President Dr. Walter Ambler stated, it concerned a discussion of personnel. But the press was invited to attend.

After almost three hours of discussion, the board decided to look for a curriculum leader with some business experience in contrast to a strong business administrator.

As for a date when the final choice might be made, board members said they would start July 10. But they thought a week later. Others thought a week earlier to get the office filled.

THIS LITTLE fly was probably the content of all as it waited from a vantage point atop his father's spigars. Its saw cars, a hand, spigars, bikes and fireworks, games, rags and afterwax. But through it all, he remained cool, calm and collected.

THEY WATCHED — Mr. and Mrs. Herbert Koester were among many Novi residents who went to Northville for the parade. With them to their grandchildren — Linda Lee Lawson, 5, of Tampa, Florida, and Gary Koester, 5, of Harper Woods.

Novi Police Arrest 'British Agent'

Detroit's fiscal patient, he was on his way back from claiming to be a British Intelligence agent was arrested by Governor Swainson. Police, county Novi police early Saturday morning on a disorderly conduct charge.

Douglas H. Gilder, 47, was taken in by police outside a local restaurant after he had offered a drink couldn't pay over the weekend. His father, fat, it, and then told the bar tender that he would not be leaving. He was waving a 15-year-old girl.

When he did leave, he pulled his car down to the restaurant entrance and walked.

Gilder later told police that since June 25 from in front of his home, it is valued at \$300.

Also Saturday afternoon, Edward M. Stuck of Wayne, reported his car missing from in front of Nick's Grocery on Novi Road. His five-year-old son was in the front seat.

The car was found on Austin Drive. Apparently, the boy had shifted the car out of the "park" gear and the vehicle rolled back down Novi road, crashed through a fence and rose bushes before coming to a stop.

He pleaded guilty to a drunk on driving charge before Justice Lee Welke last Saturday and paid fine and costs of \$115.

THE NOVI NEWS

Board Begins Search

Novi's school board, faced with the opening of school some two months away without a superintendent and county placement officials this week to find a candidate.

Dr. William Medlyn announced his intention to resign at the June 21 meeting and will begin a new role in the placement offices of Indiana University August 1.

The board was to meet with Oakland County and University of Michigan placement officials last night after meeting with Carroll Munshaus, director of placement at Wayne State University last Wednesday.

Representatives were directed to contact other Michigan universities to let them know Novi was in the market for a new superintendent and invite them to a meeting with the board also.

Munshaus, before presenting his candidate to the board, discussed setting up job specifications and hiring procedures.

The meeting was a closed one because, as President Dr. Walter Ambler stated, it concerned a discussion of personnel. But the press was invited to attend.

After almost three hours of discussion, the board decided to look for a curriculum leader with some business experience in contrast to a strong business administrator.

As for a date when the final choice might be made, board members said they would start July 10. But they thought a week later. Others thought a week earlier to get the office filled.

SMALL WORLD — 11-year-old Roger Bidwell found a little bit of Northville on a Little League diamond in Blackfoot, Idaho, Saturday. It was the 50th parish held east by the old American Bell Foundry of Northville. Roger is the son of former Novi resident, Ralph Bidwell, now editor of The Blackfoot News.

Northville Bell Found in Idaho

An appropriate connection by the Old Spring Well.

The bell founding started in Ponton, owners of the property, located on the east side of Novi road, the parcel is directly across Novi road from Northville city limits and is presently zoned R-1-F, small farms.

The vote by the planners came nearly two hours of discussion in 40-degree temperatures in the second floor township hall council chambers.

Chairman Vincent Miklas gave the development company an opportunity to be heard before calling a vote.

He also presented a comprehensive report by Ward and Johnson, Novi's planning consultants, which outlined the plan for the Northville-Novi trading area population is insufficient to support such a center.

Which probably explains how Bidwell found a Northville bell in Blackfoot, Idaho. A city employee there recalls that the bell was used for fires and the 8 in. curfew to warn children that they should be home.

For Editor Bidwell, the bell rang (parson the pun) with a note of nostalgia. As he put it: "We live in a small world."

Council Tables Action Planners Okay Shopping Center C-2 Rezoning

Disregarding the advice of its planning consultants, the Novi planning board Friday night voted five to one to rezone 24 acres on Novi road near High Mile road C-2 (commercial) from residential to shopping center.

But village council members, meeting in joint session with the planners, tabled action on the recommendation until the next regular meeting, July 17.

The request for rezoning came last month from the Pacific Development Company of Ponton, owners of the property. Located on the east side of Novi road, the parcel is directly across Novi road from Northville city limits and is presently zoned R-1-F, small farms.

The vote by the planners came nearly two hours of discussion in 40-degree temperatures in the second floor town-

ship hall council chambers. Chairman Vincent Miklas gave the development company an opportunity to be heard before calling a vote.

He also presented a comprehensive report by Ward and Johnson, Novi's planning consultants, which outlined the plan for the Northville-Novi trading area population is insufficient to support such a center.

Which probably explains how Bidwell found a Northville bell in Blackfoot, Idaho. A city employee there recalls that the bell was used for fires and the 8 in. curfew to warn children that they should be home.

For Editor Bidwell, the bell rang (parson the pun) with a note of nostalgia. As he put it: "We live in a small world."

Planner A. J. Heslop finally forced a motion calling for adoption of the commercial zoning. He prefaced his motion by stating that he did not believe the area was suitable for small farms or residential use—and that he realized that some people might be hurt by the rezoning. But he did not believe the area was suitable for small farms or residential use—and that he realized that some people might be hurt by the rezoning. But he did not believe the area was suitable for small farms or residential use—and that he realized that some people might be hurt by the rezoning.

Manager Leaves Post In Northville

John C. Robertson, Northville's first and only city manager, resigned his position August 1 he will become city manager of Ferguson, Missouri, a city of 22,000 near St. Louis.

The council was informed of Robertson's decision by letter. Because of the July 4th holiday the council does not meet again until July 10.

Manager Robertson came to Northville in 1958, and nearly a year after the village had voted to become a city and took over as first city manager.

It was Mayor Allen's opinion that the council would begin immediately to seek a replacement. He estimated that this might take two months.

During his years in Northville the community has undertaken a re-assessment program of property values, making assessments more equitable and eliminating a glaring difference between assessments in the Wayne and Oakland county sections of the city; two annexation votes involving Novi were staged; a \$300,000 water improvement program was completed; and a public works building was constructed.

The city also sold the community building to the school district and is currently planning construction of a new city hall.

In addition to his duties as manager, Robertson has been active in community affairs. He is a member of the board of directors of Rotary club and also member of the First Presbyterian church (along with his wife).

Council Takes A Holiday

The naming of a new policeman for the Novi police department was tabled at the July 4 meeting Monday night when the council adjourned for lack of a quorum.

His reassignment terms will be an action on a proposed full-time fire chief.

The candidates, as presented by Chief Leo Beale at the June 19 meeting, are Leon Doehot, of 727 South Lake Drive, Richard Faulstich, of Howell, and John Jamieson, of 2381 West LeBois.

They had qualified after successfully completing a series of tests and interviews given by the Novi school district and the Ann Arbor police department.

Planning board terms expired June 30 for three members, Chairman Vincent Miklas, vice-chairman Donald Miller, and Alex Moxon. The council accepted the resignation of Guy L. Stevens June 11.

Chairman Stevens made the recommendation of present Fire Chief Fred Loyon for full-time duty at a salary of \$4,200.

Beale said that his police duties do not permit him to give sufficient time to fire department matters and that a 12 man on full-time duty would be an asset as regards department efficiency.

His recommendation was tabled to study where additional funds might be appropriated to meet the need for a salary.

Also action is expected to be taken on granting a Class C liquor license to either Otto's Bar at 15 Mile and Novi roads or Duke's Tavern at 801 South Lake Drive.

Loon Lake Off Limits To Police

Wisnom police have no authority to patrol the private beach of Loon Lake except on a complaint. Police Chief Frank Jadzinski told the Birch Park Improvement Association last Saturday.

Invited to the annual meeting, Jadzinski took the audience through regular patrols are made in the subdivision streets which were dedicated to the city about a year ago but not in any private area.

He said if violators of the association rules are creating a disturbance that residents, instead of trying to handle the situation themselves, should immediately contact the police.

Regarding two yield-right-of-way signs that were put at the Planning and Metropolitan Drive intersection, Jadzinski said the recommendation to replace the stop signs was made after a traffic study.

Some subdivision residents felt that speed had increased with the yield signs.

Association president, Ray Burke, said that Jadzinski's answers satisfied residents and clarified the situation for them.

Birch Park's annual picnic August 12 was announced at the meeting. It is sponsored by the Birch Park Hunt Club.

Wixom Flag Once Flew The Capitol

This July 4, Wixom was flying a 50 star flag that had flown over the United States Capitol from its city hall pole.

The flag was a gift from the Novi News. Bidwell is a Michigan, Patrick McNamara, but it took a little help from a local resident who was a secretary of the Democratic senator's Washington office.

She is Lucille Wendt, daughter of Mr. and Mrs. E. Wendt of 980 Wixom road. She has worked there for three years.

While home recently, she noticed the absence of a flag flying before the city hall and told Mayor Donald Brooks that she would get one for the city. Brooks said go ahead.

And last weekend, the flag arrived by mail along with three letters certifying that the flag had been flown over the Capitol.

One was from Senator McNamara to J. George Stewart, architect of the Capitol, making the request, the second from Stewart, certifying that he was able to plan for the request, and the third, from McNamara to Brooks presenting the flag to Wixom.

Mailbox Fad Goes On as 3 Are Tipped

Three more mailboxes were knocked down over the weekend at the crash of mailbox destruction continues in the area.

All three reported were on 12 Mile road. They belonged to Mrs. H. Schneider at 4090 12 Mile, R. J. Stellingma at 4771 Mile and W. Lutz at 4684 12 Mile road.

Early Saturday morning, Wixom police with the cooperation of Novi and Farmington police, captured Earl Smith on 12 Mile road, on the expressway near a fence and rose bushes before coming to a stop.

The car was not damaged while property damage amounted to \$50.

On Trial for Hitting Ex-Union Official

A Lincoln plant maintenance man will be tried before Justice of the Peace William Welke at 10 a.m. tomorrow in Wixom for hitting a man.

The charge against a former union financial secretary, Russell Bane, of Davison, was made after a public works building was constructed.

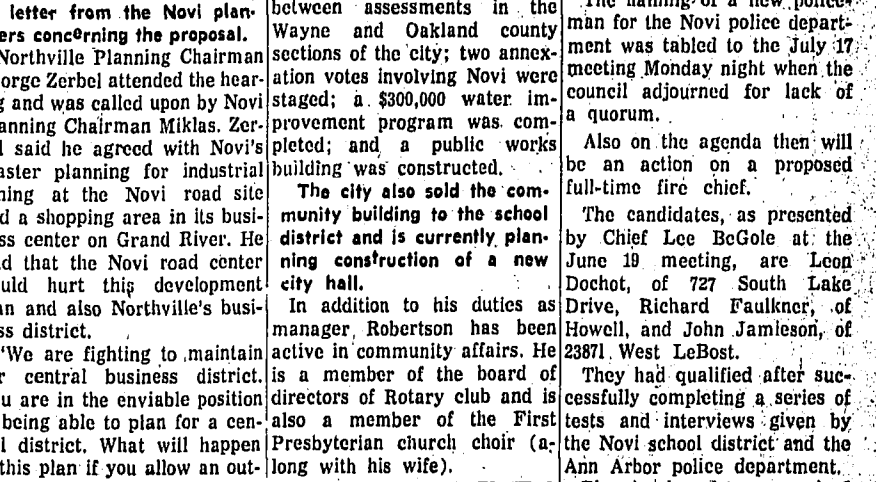

The city also sold the community building to the school district and is currently planning construction of a new city hall.

In addition to his duties as manager, Robertson has been active in community affairs. He is a member of the board of directors of Rotary club and also member of the First Presbyterian church (along with his wife).

Speeder Pays \$115

Early Saturday morning, Wixom police with the cooperation of Novi and Farmington police, captured Earl Smith on 12 Mile road, on the expressway near a fence and rose bushes before coming to a stop.

The car was not damaged while property damage amounted to \$50.

LARGEST CLASS — The Novi Baptist Church's vacation Bible school had 173 registered for this summer's classes, which ended last Friday with a final assembly. The enrollment was the largest ever. Pastor and Mrs. Arnold Cook and women of the church taught classes and handouts in the basement of the new Baptist Church at Taft and 11 Mile roads.

CHAMPS AGAIN — This quietest of Northville High school cheerleaders remained true to the pattern set by last year's squad and came home with prizes galore from the Camp All-America cheerleading workshop in Hartland, Michigan. Responsible for the repeat championship performance were: (l. to r.) Diane McCollum, Vicki Stroh, Karen Peterson (holding team champion trophy), Rita Rutan (individual best), Gayle Leedham and Dawn McCollum.

NHS Cheerleaders They're the Winningest!

Northville high school has All-America Friday with two about the winningest cheerleaders trophies — team and individual — and head of the five-girl team came home laden with prizes from a week-long stay at Camp All-America, Michigan Sunday to Wednesday, July 6, 1961.

For the grand championship trophy which was won by Northville cheerleaders last year. Coached by Miss Patricia Corran, high school English teacher, the winning quintet included: a sister-combination of Diane (junior) and Dawn (sophomore) McCollum, daughters of Mr. and Mrs. H. McCollum of Novi; juniors Vicki Stroh, daughter of Mr. and Mrs. W. Stroh; Karen Peterson, daughter of Mr. and Mrs. Allan Peterson; Rita Rutan, daughter of Mr. and Mrs. Emerson Rutan; and sophomore Gayle Leedham, daughter of Mr. and Mrs. Albert Leedham.

Their spirit, leadership, fitness and cooperation won the team championship for the Northville squad. Rita Rutan was the judges' choice for the most outstanding individual. In addition to the trophies, Northville will place in the most original cheer contest, third place in most original rhythm cheer composition and an honor banner for maintaining the best cabin during the session.

The camp session attended by the local team was the third of four held at Hartland. The girls won the opportunity to bid for the grand championship by topping all other teams in their session.

Camp All-America, a workshop for cheerleaders, is conducted by Miss Pauline Hess, president of the United States Cheerleading Association (USCA), Michigan State university cheerleading coach and coach of the Michigan State team. It is attended by high school cheerleaders from throughout the United States.

Kitchen Diary To Tempt Every Palate

Lending her culinary know-how to this week's Kitchen Diary is Mrs. Ruth D. Starkweather of 4625 West Seven Mile road.

PRUNE CAKE
1 cup white sugar
1/2 cup calumet
1/2 cup cooking oil
1/2 t. soda
1 egg
1 t. salt
1 t. cinnamon
1/2 c. cloves
1 t. baking powder
1 cup chopped, cooked prunes
1/2 cup nuts
2 cups flour
1 cup sour or buttermilk
1/2 cup sugar, oil and egg
Add nuts and baking powder and soda mixed alternately. Add prunes and prunes. Bake in greased, flat pan for 30 minutes at 375 degrees.

CINNAMON COFFEE CAKE
Mrs. Ruth D. Starkweather
1/4 cup shortening
1 cup milk
2 cups flour
3 t. baking powder
1/2 t. salt
Cream shortening and sugar add egg and milk. Stir flour, baking powder and salt together and combine with other ingredients.

TOPPING
1/4 cup sugar
3 t. cinnamon
2 T flour
2 T shortening
Mix with fork until crumbly. Pour half of cake batter into flat, greased, baking pan. Sprinkle half of topping mixture over batter. Add remaining batter and cover with remaining topping. Bake in 400 degree oven 20 minutes or until browned.

News Around Northville
A fifteenth anniversary open house will be held from 3 to 5 last weekend at the 9400 Tower p.m. Sunday, July 9 in honor of Mr. and Mrs. Fred Hicks' 35th wedding anniversary and daughter-in-law, Mrs. Mary.

Friends from Northville, White Lake and St. Thomas, Ontario attended the reception.

Donna Baum of 56475 West Nine Mile road fell and broke her ankle recently. Mrs. Baum was sent to Mount Carmel hospital for surgery and is now confined to a wheelchair while she recuperates.

James L. Wisner of Northwest Detroit was a mid-week guest. **NORTHVILLE ADULT CAMERA CLUB** will present their annual color slide program "Tops of 1961" in Wayne County Training school auditorium.

about WOMEN AAUW Closes Season

Three study groups from Northville-Plymouth branch of the American Association of University Women (AAUW) closed their season's activities by attending programs in Ann Arbor and Detroit during the month of June.

The Drama Study group, under the chairmanship of Mrs. L. T. Schorren, presented the play "The Poet" in Ann Arbor. Preceding the performance the group met for dessert at the Corner House.

By special invitation from Wayne State university, Mrs. Sidney Cady and Mrs. John Hasz, outgoing and incoming Legislative chairmen for AAUW, attended a Con-Con seminar which was under the leadership of Dr. L. L. Friedland of Wayne State university's Political Science department.

To further inform themselves before election time, Mrs. John Moelle hosted a coffee in her home June 29 for AAUW board members and friends to meet and talk with candidates Ann Conklin and Paul Chandler.

Mrs. John Robertson, chairman of the International Relations Study group, and six from her group attended the 32nd Alumni University Program at U. of M. dealing with "Tribute to Africa". The group has been studying the African problems this past year and will continue the study in the fall.

Mr. and Mrs. Noel V. Reed, 33666 Alta Loma, Farmington, formerly of Remond, Essex, England, announce the engagement of their daughter, Patricia, to William P. Connelgan of Farmington, formerly of Stenhouse, Sillingsbury, Scotland. Miss Reed, whose family used to reside in Novi, is a 1958 graduate of Northville high school.

Sing, Counsel for Exchange Program Youth for Understanding Pair Fly South

Her family and a "chaperone" Secretary of State Dean Rusk's friends were out of Willow Run airport last Thursday night when Northville high school graduates Carol Jones and Tom McGuire were tapped to travel with day night when Northville high school senior Carol Jones boarded a midnight flight bound for Miami, Florida.

That Carol's stomach may have felt like a throng of fluttering butterflies as she boarded the airplane would be altogether surprising. After all, not only was the 19-year-old school girl embarking on her first plane ride, she was also starting out on the first leg of a two-month ambassadorial assignment. "Ambassador Jones," as she might call her, is not one of

Most of the singers are 1961 high school graduates except for a few, like Carol, who finish school next year. Privately sponsored by the "Youth for Understanding-Peace Exchange" program of the Michigan Council of Churches, the choral's youthful voices are under the careful tutelage of Conductor Lester McCoy, one of 67 who are combining vocal talents to spread goodwill under the banner of the "Michigan Choral".

As of this writing, Carol whose parents are the Al Jones of 781 Horton, and her fellow high school graduates, will return to Detroit Metropolitan airport August 20. In each city, the choral will give a series of concerts ranging from programs in factories and schools to formal performances in major music and opera centers. The singers' repertoire is as ambitious as the scope of their trip. It includes selections running from Bach to Stephen Foster to George Gershwin.

Choral members will have a chance to practice diplomacy in homes as well as concert halls. In each city they will be the houseguests of Latin American families. This year's tour comes on the heels of the overwhelming success enjoyed by the 1959 choral. In keeping with the exchange idea, 121 high school students from Latin American countries came to Michigan to spend a year living and going to school here. The program will be continued during the 1962-63 academic year.

Tom McGuire left for Mexico City Tuesday to start his 55-day assignment as a counselor for the "Youth for Understanding-Peace Exchange" program of the Michigan Council of Churches. Tom, whose parents are Mr. and Mrs. John McGuire of 240 Orchard drive, is one of three constant-in-chargé of 30 American students who range in age from 12 to 15 years.

A fourth-year seminarian at Sacred Heart Seminary in Detroit, he applied for the assignment in January after hearing about it through a friend and was accepted after careful screening.

a bottle full of faith...
When you have a prescription filled what do you get? You're not SURD, are you?
All you're sure of is the FAITH you have in the pharmacist who filled it. When your doctor hands you his written prescription you receive it with FAITH in his knowledge and professional integrity.
The same is true of the pharmacist to whom you surrender that piece of paper in exchange for your bottle of medicine. You must receive that medicine with FAITH in your pharmacist's knowledge and professional integrity.
How can you have this FAITH? By knowing your PHARMACIST and his proven performance in serving you. YOUR PHARMACIST is the ONLY person legally responsible for the quality of medication he dispenses to you. Visit your family pharmacist, whom you know and TRUST.
In sickness and in health—YOUR PHARMACIST SERVES YOU!!

12 Knothole Squads Start Diamond Play

The Knotholes got off their double-pronged activities last week with both baseball and softball leagues registering lots of action.

In baseball, the Dodgers were only the only double winners, catching let a pop fly fall safely and before the dust cleared, there were three runs home.

They scored all three runs in their first win in an inning. Although getting just four hits, including a long two-run single by Robert Moo, the Angels blanked the Giants 5-0.

Jim Gettewer was the winning pitcher, giving up two hits. The Indians hit the dust when the Athletics won an 8-2 ballgame. Greg Reifers, Kenil walks.

Smith's Win Big, 22-6 - In Practice Chicago Trotters Race at Downs

It was a so-so week for Smith's Products' women's softball team - so good and so bad.

But the so good game didn't count. It was a 22-6 practice victory over the Detroit team last Friday night.

Big home runs were hit by Jane Blough (she had a grand slammer) and Morrison and Joan Barber.

Last Wednesday, Ypsilanti Moore's Olds walloped the local girls, 23-3, with a hit parade of 6-15, plus a homer against Wayne.

Tom adult chaperone a red needed for the two trips. Interested adults should call FI 9-1076 any week day morning.

From 8 a.m. to 11:45 a.m. beginning tomorrow in the scout hall. One hundred will be allowed for each trip.

Tom adult chaperone a red needed for the two trips. Interested adults should call FI 9

She Visits On Campus

More than 2,200 freshmen who expect to enter Western Michigan University for the first time next fall are spending two days this summer in visiting the campus.

Dean Paul L. Griffith and his staff of counselors have arranged an intensive program of counseling, advance registration including the payment of a part of their fall fees, and a bit of social life.

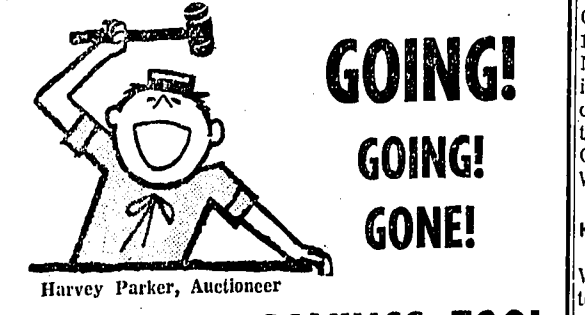

Laurie Bogart, Northville, is one of those visiting the WMU campus this summer.

Wed Here

Wednesday, June 28 Justice E.M. Bogart officiated at the marriage of Louise Trezoff Wayne to Harvey Gignere of Dearborn. Charles Davis and Doris Gentry, both of Dearborn, were witnesses.

Delores Virginia Gadberry and Howard Alfred Neubert, both of Farmington, were married Sunday, July 2 in a ceremony before Justice Bogart. Witnessing the ceremony were Mr. and Mrs. Kenneth W. Gardner of Farmington.

ITCHY SKIN HOW TO CHECK IT. IN JUST 15 MINUTES. After using ITCH-EM-NOT, get your 48c back at any drug store if the itch NEEDS SCRATCHING. Apply instantly. ITCH-EM-NOT day or night for eczema, insect bites, ringworm, itchy, other surface rashes. NOW at Gunstetter's Drugs.

For an Entertaining Value Packed Evening See Us At

AUCTION CITY

Grand River at Pontiac Trail - New Hudson

You get proof of quality with every Carrier Room Air Conditioner

All Carrier Room Weathermakers are thoroughly tested to insure peak performance, high capacity and long life.

They all have the new "Weather-Armor" finish that gives extra protection both to the case and internal parts. Remember, about 75% of the average room air conditioner stays outside the house—so Weather-Armor is important.

Check the Quality Control Test Card on our showroom floor. Then discover for yourself that extra-value Carrier quality costs no more.

WILL IT BE CLOSED?—This is the harsh reality facing the Plymouth State Home and Training School because of a cut in 1962 budget appropriations for mental health. Scheduled for completion by the first of the year, lack of funds will not enable the institution to adequately staff the 220-bed facility.

- OBITUARIES -

GEORGE J. GLEASON June 28 from G. R. & R. G. resident who died Saturday, July 1. Burial at Novi cemetery. Services 10 a.m. Monday at St. William's Catholic church, 10000 Woodward, Detroit. Interment in the Holy Sepulchre cemetery, Detroit.

JESSIE ZENTZ Burial at Marble Park cemetery, Milan, followed funeral services in that city Monday for Jessie Zentz, 58, Northville.

KENNETH ALBERT WILCOX The Reverend Father John Wittstock, Our Lady of Victory church, officiated at private services from Castlerine Funeral home for Kenneth Albert Wilcox, of 2739 Third Avenue, Detroit. The body was interred at Rural Hill cemetery.

MARTHA MORGAN Martha Morgan, 73, of 515 West Dimpal died Saturday at Whitehall Convalescent home. Funeral services were held from Castlerine Funeral home yesterday with the Reverend C. T. Nevin, Novi Methodist church, officiating. Interment was at Novi cemetery. A native of Fravere City, Mrs. Morgan was born November 21, 1885 to Henry and Christa (Durga) Wilher. She was preceded in death by her husband, Rodrick, and is survived by six children, Mrs. Evelyn Mumford, Grand Rapids; Mrs. Edith Hutchinson, Carmichael, California; Mrs. Eva Soper, Plymouth, Mrs. Genevieve Hampton, Fullerton, California; Claude and Vernon Morgan, Northville; sister, Mrs. Edna Sald, Royal Oak; six grandchildren; and eight great-grandchildren. Mrs. Morgan was a retired Ford Motor company employee, had lived in Northville since 1914.

ETHEL GREGORY Funeral services were held at First Baptist Church, Northville, Monday, 7:30 p.m. Morning Worship... 11 a.m. Bible School... 10 a.m.

And Expensive, Too! Raising Thoroughbreds Is Tough Job

EDITOR'S NOTE: Area horsemen contend that our neighboring community of South Lyon is the horse capital of the state. They estimate there are some 500 horses within a five mile radius — and that these horses and ponies are championship caliber. The following article concerns the Peter Kosiba farm on West Eight Mile road, well known to Northville residents for its beautiful horses, rolling fields divided by white fences and immaculate white farm house and buildings.

Two years ago, they explain, the state passed a bill that will give Michigan breeders some \$60,000 this year to encourage "homegrown" thoroughbred breeding. Although the Kosiba section stipulates that at least one race each day in that state must be for Florida-breds on the track.

Suppose you have a couple of good mares and are ready to pitch your spurs into the breeding ring. There's the all-important task of mating the mares with "just the right" stallion. Blood line, conformation, racing records are all important factors to consider.

Once this decision has been reached, the breeder must plunk down from \$300 to \$10,000 for a single stud fee. Chances are you'll have to settle for a lesser-known stallion because the "big names" in the stud field are syndicated. A syndicated horse is one whose stud services are booked solid — usually for the life of the horse. Your chance of breeding one of these stallions is next to impossible even if you have plenty of cash to dish out.

THE NOVI NEWS

Serving a Growing Community Thursday, July 6, 1961

NOW WHAT'S HE UP TO? Curiously brave under the protection of his mother, this young colt on the Grace Kosiba thoroughbred farm takes a close look at the camera. The colt is just one of the 17 foals that are kicking up their heels on the 80-acre farm — one of the largest thoroughbred farms in Michigan.

from the PASTOR'S STUDY

A YOKED FELLOWSHIP
Among the many illustrations which Jesus used to describe what the Christian life and fellowship is like was to speak of it as being similar to the use of a yoke. Most everyone knew in Jesus' day that, as oxen were hitched to a plow or found pulling a cart, they were harnessed together by a yoke. This was a moderately-sized piece of timber which was placed across the neck of one ox and another as long as the yoke is affixed to their necks. It is good to know that, as one gives himself to Jesus Christ, he comes into a relationship with Christ which will never separate himself.

Secondly, the purpose of an oxen yoke is to make it possible for two oxen to pull a load. The yoke of relationship with Christ, also has a purpose. That purpose is to help the individual to learn more about Christ. How else can any one expect to learn about Jesus except he be close to Him at all times. And third, Jesus said that His yoke is easy. It is a significant fact that the weight of the oxen yoke on the oxen's necks loses its heaviness as the oxen put themselves into the combined effort of pulling their load. If and when the load of life becomes heavy for us, it is good to know that if we will yoked along with Christ, our load becomes easier and we are able to accomplish many things for the good of His cause.

Many a sincere Christian has been able to say out of his personal experience of "yoked fellowship" with Christ: "His yoke is easy; I've found it so." Have you? Why not try it and see?

With this figure in mind, Jesus one day said to those gathered around Him, "Take

LEGAL NOTICES

Whitehall Open House Sunday
The two Whitehall Convalescent Homes at Farmington and Novi are planning big open house parties on July 9 and 16. The Whitehall Convalescent Home at Novi located at 4345 W. Ten Mile, 300 feet west of Novi Road, is having their party on July 9. Whitehall - Farmington at 4078 Grand River, Farmington will be the host on Sunday, July 16. Both are from 2-5 p.m.

Shepherd pony rides for the children will be provided and old fashioned pink lemonade, ice cream cones, coffee and cookies will be served from a circus style tent on the front lawn.

The public is invited and special rates of both Nursing Homes will be provided for all those wishing to become acquainted with these community facilities.

Lloyd Johnson, owner and director of the Whitehall Convalescent Homes says, "We are hoping to have 700 or more people attend each of these affairs. This party is strictly for the enjoyment of our patients and their families and friends in this community."

The two Whitehall Convalescent Homes had similar open house parties in 1958, but they are endeavoring to make these parties bigger and better affairs. Special invitations are being sent to local city and township officials and to all local clergymen.

Mrs. Ruth Madigan, administrator of the Whitehall Convalescent Home at Novi, says, "We feel that many people know very little about the skillful nursing Home serving their community and they are sure to use the Nursing Home Service in an emergency. We hope that, through these open house parties, many people who are not normally visit a Nursing Home until they had a friend or relative who was a patient will attend and become familiar with our type of service."

The Whitehall Home at Novi has 60 patients housed in a 6,000 square foot building on 7 acres of land. The building was constructed in 1956 and was designed especially as a Nursing Home.

Many families in this area have been served by the Whitehall Convalescent Homes since 1951 when the original Whitehall at 4078 Grand River was started by Mr. and Mrs. Lloyd Johnson. The Johnsons also own the Whitehall Convalescent Home at Ann Arbor, a 60-bed facility.

Whitehall Open House Sunday

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the eighth day of July, 1961, the year one thousand nine hundred sixty-one.

Present, Ernest C. Boehm, Judge of Probate.

In the Matter of the Estate of ELIZABETH CLARK, Deceased.

Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon Elizabeth A. Teich, administratrix of said estate, at 127 Rayson, Northville, Michigan on or before the fifth day of September, A.D. 1961 and that such claims will be allowed or disallowed by said Court.

It is Ordered, That the ninth day of July, next, at ten o'clock in the forenoon, at said Court Room be appointed for hearing said petition, and that all persons interested in said estate appear before said Court at said time and place to show cause why a license should be granted to said co-executors to sell real estate as prayed for in said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Northville Record, a newspaper printed and circulating in said County of Wayne.

Ernest C. Boehm, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of said original record.
Dated June 28, 1961
Joseph A. Murphy, Jr., City Clerk
City Building in the City of Detroit, in said County, at the fifth day of September, A.D. 1961 at 2:30 o'clock in the afternoon.
Published in Northville Record on each week for three weeks previous to the date hereof.

HOW MANY CANDLES?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Eccl.astes	11	1-8
Monday	Psalms	27	1-6
Tuesday	Romans	8	1-8
Wednesday	Romans	8	9-18
Thursday	Psalms	94	13-19
Friday	Philippians	3	12-16
Saturday	Luke	12	22-34

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
Do you count the candles on your birthday cake? Why bother? Once you're past sweet sixteen, it doesn't matter how many candles you're entitled to. What counts is what you're doing with those years.

The years that are past have burned themselves out. Perhaps they have been all you've wanted them to be—but, if you're like most of us, maybe you could have made them a little better.

One of God's greatest gifts is the marvelous fact that it's never too late to begin again.

Birthdays remind us of the passing of time, of a new life. Celebrate your birthday by giving. Give something of yourself, by going to your church and taking part in its activities, especially those that help others. Next year, the added candle on your cake will burn with a special brightness!

PUBLIC NOTICE
Proposals will be received at 8:00 p.m., E.S.T., Wednesday, July 19, 1961 at the Board of Education office, 561 West Main Street, Northville, Michigan, for the construction of an existing boiler at the American Elementary School, 807 North Center, from hot water service to low pressure steam addition of heat exchanger and revisions of hot water heating system piping.

Plans and specifications may be secured from the Architect, H. E. Reyster and Associates, Inc., 8512 Woodward Ave., Detroit 2, Michigan.

The Board of Education, Northville Public Schools, reserves the right to reject any or all bids, and to waive any informalities therein.
