What does this mean? Just this: All savings account deposits made by the 10th of the month at National Bank of Detroit earn interest from the 1st at the 3% annual rate. Who makes up the difference? We do. It's one of the many advantages that we offer our savings customers—and we have more savings customers than any other bank in Detroit. Another advantage: You can watch your savings account grow swiftly and surely by using our Automatic Savings Plan. Just tell us the sum you'd like to save each month (\$10 or more) and we'll transfer that amount from your checking to your savings account automatically. Remember, you can open a 3% savings account with as little as \$1. Interest is paid quarterly. So stop in at any of our 68 neighborhood offices any time before closing time Monday and let your idle dollars collect some back pay.

There are spiritual riches to be found in life-by those with the determination to seek them. But don't make the common mistake of assuming that one Sunday in Church should satisfy the search. Spiritual riches come gradually with religious growth. As a family makes worship and religious study part of everyday living, the treasures of God begin

to accumulate in the character and experience of that family. You'll probably be disappointed if you merely give religion a try. But your earnestness will be rewarded when you make Christianity the foundation of your
