## SPEAKING for the Record

James W. Bushong is the superintendent of schools at Grosse Pointe, a man who many residents may remember as speaker at the dedication program for Northville high school two years ago.

He is a good friend of Northville's Superintendent Russell Amerson and described by Amerson as an outstanding administrator, a man of deep conviction, extremely steady and not easily shaken by adverse events.

Last week he spoke to members of the Northville Rotary club at the annual Ladies' Night banquet.

His subject was Russia.

And the events that Bushong observed during his months' stay there as part of a study conducted by a group of educators obviously stirred his very soul.

Bushong has a message for every American and he tells it with an urgency of a man who is deeply afraid that his audience might not listen hard enough, might not believe, might become too complacent, and finally, might not care.

"We must be determined REALLY that we would rather be dead than live!" Bushong said.

More than any super-bomb, Bushong said that he feared the Russian social system.

"Not because it is superior to ours — it is not. Their teachers do not compare to ours — they are forging a chain of half-face lies that are poisoning the minds of the students. He noted, ironically, that education — normally used to free the mind and permit it to make its own conclusions — is being used effectively to accomplish the very opposite.

Bushong quoted from Russian text books written in English in which the students translated the lessons into Russian.

Typical sentences included: "The struggle for peace by the Soviet Union is carried on all over the world"; and another, "Life of workers in capitalist countries is very hard."

One story for translation was entitled "The True Picture of Denmark, Michigan." It described Denmark as a city covered by the Ford Motor company. The lesson said that "Ford controls all jobs, movies, owns the newspapers, determines the hour of retirement for people of the community and employs conveyor belts of such high speed that men are greatly overworked and that at least one man is killed every day, but this is unappreciable because Ford controls the press."

Life in Denmark was described as an "inferno of fear."

Bushong spoke of religion in Russia. He called it a "religion of hate." He said that all school lessons were concluded with "and these are the words of Lenin."

"They have substituted Lenin for God — even the children sing 'Lenin loves me this I know for the party tells me so,'" he commented sadly.

But Bushong saw one ray of hope — beyond our ability to stand up against the Russian propaganda machine.

"If anything ever brings world peace, Christianity will lead the way," he said.

To support this Bushong described a Baptist church service — one of very few in a large Russian city he visited. He said that the church was filled to capacity and that some people even leaned through the windows to hear the services.

As he left the church with several other American educators, he said the Russians lined up outside and cheered "viva America" and "pray for us."

"They reached out and grasped our hands warmly and wept. And my religion was bolstered in a God-less country by people I couldn't understand."

But Bushong noted sadly that the young people were not at church. "They laugh at the capitalist idea that there is a God," he concluded.

James W. Bushong — "Better dead than red."

## Michigan Mirror See Busy Session

Election year in Michigan, usually brings forth an unpropitious non-controversial legislative session, but there are several indications that 1962 will be an exception.

Pressure to finance expanding government operations with increasing revenue grows hard or continuously. Attempts to remove the \$71.5 million-plus deficit also are being made.

Gov. John B. Swainson has indicated to the Republican-controlled legislature he is ready for a fight over ways to increase revenue.

The fight in the legislature this year could well center over the fact campaign for Governor Romney, a delegate to the Constitutional Convention and a likely 1962 Republican candidate for Governor, has spent considerable time in recent weeks hammering at Swainson's administration.

The Governor has said he was "too busy" to comment on Romney's charges of labor domination and general irresponsibility. Swainson says he is waiting for the campaign.

It would appear the 35-year-old Governor is playing a waiting game, but it is far from a quiet one. He is concentrating his efforts on legislative proposals which have some measure of bipartisan support — for example, a bill to create a state board of education.

While Swainson says he is waiting for the campaign to start, his lieutenants are spending considerable time in the corridors of the State Capitol, where he is directing the activities of his subordinates.

The Governor recently gave two prize dinners to members of his administrative board when former Auditor General Otis M. Smith replaced Adams as auditor.

Both Smith and Adams undoubtedly were well qualified for the bench positions, but ulterior motives, geared to the 1962 election, were seen behind the two appointments.

Adams had patiently been waiting for a judgeship at any level, and reportedly was ready to leave the state to accept a judgeship in the November election.

Romney's entry into the election picture raised hopes of fear on the backs of Democrats. Many thought he never would run and indications they have strong doubts that Swainson or Adams would be his opponent.

The American Motors Corporation which have been of use to a delegate to the Con-Con might give him a strong edge for the fall campaign.

Michigan motorists now driving on 80 miles of freeway linking 12 of the state's largest cities. This is among the reasons why the state highway department ranks among the top in the nation.

## Roger Babson Era of Big Labor Unions

Babson Park, Mass., One of the big developments in the Lake Wales, Florida is the Indian Lake Estates, which was started by Leon Ackerman. It includes 7,000 acres with hard roads, 6,500 residential lots, and a beautiful waterfront.

The original promoter "bit off more than he could chew" and either sold out or went into partnership with an Alaskan Company which was to furnish the money to complete the project.

Thus, Florida is going through a real estate cycle. First, it was the home of native persons, many of whom acquired and own property; then, middle-class people, especially from the Central West, began to retire in Florida; then followed the very rich who built up Miami and the Gold Coast; and now Florida is looking to the Labor Unions for its bankers!

The big men of Wall Street were originally such men as Daniel Drew, Jim Fisk, and Jay Gould. They were followed by the stocks of the leading railroads of that day. There was then no Interstate Commerce Commission, or Securities and Exchange Commission. It was "free for all" until Mr. J. P. Morgan came into the picture and brought order out of chaos.

These have grown greatly during the past few years since they have been sponsored by many of the best New York Stock Exchange houses which need a market for all over the country. Before the Mutual Funds became popular, the stock exchanges houses could not sell more than one or two percent.

These Funds now control \$24,000,000,000 in stocks and bonds. As their salesmen sell Mutual shares, the Mutual companies buy stock to protect the shareholders. As the Mutual companies sell, the Mutual companies must sell stocks if they are holding. During 1961 the Mutual companies were obliged to redeem 4 shares for every 10 shares.

Meanwhile, labor unions, with membership dues coming in every month, are building up large reserves and may soon become the leading banks of the U.S.

The finance committees of these labor unions have two purposes: (1) labor unions are the only corporations now exempt from the anti-trust laws; (2) labor unions have some advantage in connection with income and other taxes. Whether government ownership or something else will follow the labor unions, we do not now know, but history shows that "every dog has its day."

## Planners Discuss Rezoning Subs, Willowbrook Addition

Proposed rezoning of Conemaugh Hills, Salvo's Walnut Hills and Munro subdivisions brought into the planning board meetings at Monday night's Novi village planning board meeting.

Objections came from residents of Munro subdivision, located on the southeast corner of the 11 and 12 mile roads. They questioned the board's plan to hold a public hearing next month on the rezoning of Munro from its present agricultural district to a suburban residential district.

Planning Board Vice-Chairman Don Fuller explained that village Building Inspector Harold Akley had suggested rezoning of several subdivisions to provide protection of the residential character of the area.

Although Akley hadn't specifically mentioned Munro subdivision as among those he thought should be rezoned, Fuller said, the board had included it in the rezoning plan.

Fuller said that the board had included it in the rezoning plan because of its location on the 11 and 12 mile roads.

Fuller said that the board had included it in the rezoning plan because of its location on the 11 and 12 mile roads.

## Board Says "No" To Kennel Permit

The Novi Board of Appeals (every two acres) or raise small crops. But under the ordinance, a permit to construct a kennel on lands owned by townships is not permitted in the six and one-half acres of land, located on 11 Mile and a half mile east of Novi road, which is zoned R-1F (small farm), which Planning Consultant W. C. Johnson said ruled out the kennel.

Johnson said that by rezoning the lands, the village assessor would be required to pay the other type of restrictions. He said the property owner's costs and responsibilities for enforcing the regulations would be increased.

Johnson said that by rezoning the lands, the village assessor would be required to pay the other type of restrictions. He said the property owner's costs and responsibilities for enforcing the regulations would be increased.

**Colts Play Well With Handicap**  
 Ever hear of six-man football? Well, last week Northville's Junior Varsity Colts tried something new in basketball—a four-man cage squad.  
 It wasn't exactly by design, but the Colts had to play the last two minutes of their game with the Brighton Jayvees with only four men.  
 Coach Ron Horvath explained that three of his nine-man squad were ill and couldn't play Friday. So, when both Doug Bery and Jim Driscoll fouled out of the game, the Colts were left with only four players.  
 Even more amazing to fans and coaches alike is the fact that the four did better than they had done earlier with five players on the floor.  
 The Colts led through the first half and most of the third quarter. They ended the first quarter out front 8-6. At halftime, they were on top 18-10. Two minutes later, the public school Brighton squad to catch the Colts, and the quarter ended 22-22.  
 During the fourth quarter Brighton built and maintained a four and five-point lead until the end of the game.  
 When the Mustang squad was reduced to four, with only two minutes left, Brighton led 31-20. Two minutes later, as the final buzzer sounded, the junior bulldogs were on top of a very tight 33-32 score.

**17-Special Notices**  
 During the fourth quarter Brighton built and maintained a four and five-point lead until the end of the game.  
 When the Mustang squad was reduced to four, with only two minutes left, Brighton led 31-20. Two minutes later, as the final buzzer sounded, the junior bulldogs were on top of a very tight 33-32 score.

**City Boy Joins Wrestling Club**  
 Glenn Martin, son of Mr. and Mrs. Frank J. Martin of 3535 Hyman, is a member of the high school wrestling team at Kempter Military School. Wrestling coach Bob Feilich has credited Martin as a "valuable addition to our squad."  
 The wrestlers are 1-1 in competition thus far this year.

**OLV Wins Two Tilts**  
 Our Lady of Victory eagles, steam-rolling toward their second CYO grade school championship, continued on the victory trail with two wins last weekend.  
 First victim of the local club was Wayne St. Mary. OLV squeaked by their last year's co-champions with a 15-13 score on St. Mary's home court last Saturday.  
 On Sunday, the Northville squad played host to Inkster St. Norbert, winning 20-16.  
 Mike Turnbull led his OLV team mates by netting a total of 12 points in the two games. Close behind was Norbert Parrott, with eight points.

**Mustangs Nip Bulldogs**  
 A complete change of both offensive and defensive play characterized Northville's 64-47 win in Brighton last Friday night when the fourth place Bulldogs threw up an all-court zone defense in an unsuccessful attempt to knock-off the league-leading Mustangs.  
 For the first time in the season, Northville employed a zone defense, keeping Brighton on the outside during most of the game.  
 A quick Brighton change in the early moments of the game to an all-court zone sent the Mustangs into a wide open pass offense that allowed them to take the lead and hold it throughout the game.  
 Brighton scored first, on a free throw. But Guard Craig Bell soon sent the score, and Center Dan Brown dunked in a field goal to put Northville ahead, where they stayed until the final buzzer.  
 As the Northville lead grew with time minutes left, the Mustangs kept coming, but they were unable to catch the Mustangs and the quarter ended 22-22.  
 During the fourth quarter Brighton built and maintained a four and five-point lead until the end of the game.  
 When the Mustang squad was reduced to four, with only two minutes left, Brighton led 31-20. Two minutes later, as the final buzzer sounded, the junior bulldogs were on top of a very tight 33-32 score.

**W-O Standings**  
 In their league play, Bloomfield Hills led on Feb. 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

**Matmen Beat Farmington 46-6; Lose to Flat Rock**  
 Northville Mustang wrestlers least a couple of those decisions and the meet would have been ours.  
 It is interesting that when the Mustangs travel to Flat Rock in two weeks they will do better "if we shape up like we should."  
 Mustangs who pinned Flat Rock wrestlers include Brandon and heavyweight Jerry Johnson. The Mustangs gave up two decisions wins.  
 Pinning their opponents were 95-pound Mike Bradenburg, 133-pound Jim Higgins, 145-pound Jack Carter, 154-pound Gary Nichols, 165-pound Joe Hay and 180-pound Larry Spangler. Wins in decisions were Tom Swiss and Steve Judy.  
 Northville suffered its worst quarter of the game following the half-time layoff, trying 10-10 with Brighton for scoring. Northville players netted more than two points during the third stanza.

## NOVI HIGHLIGHTS . . .

Mr. and Mrs. Gene Van Gordon, of Pontiac — she's the former Marlene Muscat, of Novi township — had their son, Darin Gene, baptized this past weekend at St. William's church, Walled Lake.

Sponsors were Mr. and Mrs. Victor J. Muscat, of Novi township.

A smorgasbord style dinner was served by the Muscats following the baptism in their home at 210 Walnut street.

Attending were grandparents Mr. and Mrs. Victor Muscat, of Walled Lake; Great-grandmother, Mrs. Connie Poindan, of Flint; Mr. and Mrs. Robert Poindan and family, of Pontiac; Mr. and Mrs. A. Agus and daughter, of Detroit; and Diane Leach, of Farmington.

Howard Greer is back at his home again on West Grand River after several weeks at St. Marys hospital in Livonia.

Mrs. Joe Taramowski and son, Ricky, of Wayne, spent Saturday with her parents, Mr. and Mrs. Hiram Holmes.

Mr. and Mrs. Harold Orbin of Station street are the parents of a son, Mark Brian, born January 23 in the Pontiac Orthopaedic hospital. The Orbins have two other children, Delbert, 11 and Cindy 10.

Weekend guests at the home of Mr. and Mrs. Philip Peterson were their children, Mr. and Mrs. Ronald Anderson and family from Columbusville, Ohio; Mr. and Mrs. Stewart Thibault and family of Leper.

Anthony LaFond, son of Mr. and Mrs. Howard LaFond, nine year old Sunday, he celebrated at a party with some friends. His two grandmothers were also present.

The church board held its monthly meeting Sunday evening at 8 p.m. A general discussion centered around the need of a greater spiritual commitment of all church officers, occupied the major portion of time. A pledge of daily prayer for the church was made by the pastor, Rev. J. P. Peterson.

The staining and varnishing of the laminated arches in the new church will be completed by Wednesday, January 23.

Methodist Church News  
The study course group held their meeting at the home of Evelyn Coffey last Wednesday. No meeting this week because of the "Lunchonette" served.

Hazel Mandlik is spending her mid-semester vacation this week with her parents, Mr. and Mrs. Fred Mandlik. This is Miss Mandlik's third year at Eastern Michigan university in Ypsilanti.

For the past ten days Mrs. Hazel Mandlik has been the guest of her sister-in-law, Mrs. George Schwarz in Detroit.

### JC's Score with Styles, not Baskets

Northville faculty members proved that they were better basketball players than the Junior Chamber of Commerce in the March of Dimes benefit game last week, but the Jaycees took all honors for half-time entertainment.

In rather easy fashion the teachers downed the Jaycees, 58-50, on the court. And while play may have been a little ragged at times, some 200 fans seemed to enjoy the evening — especially the show between halves.

This is when the "ladies" look over. Actually, it was the brainchild of the Jaycee wives (auxiliary). But they stayed behind the scenes creating the "latest fashions" that were modeled by their husbands.

It isn't likely that the show will ever be repeated. As one Jaycee flirty put it: "only my wife could have talked me into that, but she couldn't do it again!"

Chairman William Bingley reported that the event netted \$67.90 for the March of Dimes campaign.

Novi Cub Scouts Pack 44 had its January Pack meeting at the Novi Community building. The Cubs followed the theme "Knights of Yore".

The following pledges with the law on their awards at the "Knights of the Round Table" with cubmaster Mr. Krogs as King Arthur. Bob cat Jim Robertson; bear badge, Doug Brooker; Wolf badge, Len, Doug White and Gary Gillett and class in personal work, Dennis Fritz 1 silver arrow; Dave Bumann 1 silver arrow; Levan Trafalini, 2 silver arrows; Pat Dye 1 gold arrow; Jay Hansor 1 silver arrow.

One year pins, Tom Frutcher, Doug Brooker; two year pins, Al Harland, David Kahler, Ed Frutcher, Pat Callan; graduation certificate, Ed Frutcher; Bob to had their own "Knights of Yore" in their den and became "knights of the round table". They also made helmets, shields and swords and lances. Mrs. Orlando Bumann is their den mother.

Den 4 won inspection at the nextest cubs in uniform.

Den mothers meeting was held at the home of Mrs. Virginia Nelson, Monday, January 22 and the committee will meet at the home of Mr. Donald Parrott, Monday, January 22.

All new parents should attend this meeting on February 13 at 8 p.m.

Blue Star Mothers 214 place announced later.

The Novi Chapter 47 will have their monthly business meeting at the home of Mrs. Fred Mandlik on West road Monday, February 5. Mrs. Mandlik.

Novi Rebekah Lodge will have full degree practice on Thursday, February 1 at the home of Mrs. M. J. Mairs. Regular members and any one interested please make a special effort to attend. Initiations have been set for February 15 and some replacements are necessary.

The Independent Rebekah Club will have potluck Monday, February 5 at the home of Margaret Mairs. Let us have a good attendance.

The IOOF are starting a series of potluck suppers for members and their families. The B.Y.F. teen group selected their new officers at their meeting Tuesday night at the church. They planned future work programs.

### LET'S TALK CARS

Advertisement —  
A MID-WINTER CHECK-UP  
If your car is going to give you trouble this is usually the time of year it picks to do it — when driving conditions are at their winter worst.

A weak battery and an unattended engine usually show up with the first really cold spell. Plugged by carbon and weakened by a run-down battery, an engine is unable to spark itself to life.

Any automobile will start reliably all through the lowest temperatures Winter can throw at you if you keep the ignition mechanism in top condition.

An exhaust system that is about to go usually picks this time of year. A faulty exhaust system is hard on gas, cuts performance and can endanger your life. Have it checked if it begins to sound louder than usual.

Proper headlight aiming is doubly important now when reaction times to avoid accidents are more than cut in half due to poor driving conditions.

Analysis of stopping distance on snow and ice show that it takes better than from two to three times the distance to stop on snow and ice than on dry pavement. Snow tires reduce the difference 28 percent, tire chains 40 percent and reinforced chains almost on par with dry pavement in effectiveness.

There was never a better time than now, with the new year just getting underway, to get service work done. Our service shop is in a traditionally slack period and our untrained mechanics will give your car prompt attention.

## THE NOVI NEWS

Thursday, February 1, 1962 Section Two — Page One

### Dr. Mudd Replies

Dear Dr. Mudd: My twin boys have been brought up exactly alike. They are so much alike their teachers can't tell them apart except that the older one (12 minutes) sucks his thumb.

They are now in the first grade and I get so embarrassed, I have tried everything. I put some medicine my doctor gave me on his thumb. I've tied his hands to the side of his crib. I've put adhesive tape around it. His father and I have made fun of him, punished him, but he still sucks his thumb.

As you can see, I'm "Desperate!"

Dear "Desperate": Four identical twins are identical in appearance and biological constitution only. In every other way each is an individual who became the kind of person he is because his life experiences have been unique. Only appears, and then only if one does not require into what the boys have been "brought up exactly alike."

This is the physical world not the two objects (even relatively un-complicated ones like snowflakes) are ever exactly alike, how could two human beings ever be considered so?

The manner in which you make your inquiry implies that there is something different and unusual about one of the

### Twins Only Look Alike

My twin boys have been brought up exactly alike. They are so much alike their teachers can't tell them apart except that the older one (12 minutes) sucks his thumb.

Impala 6-Passenger Station Wagon Chevrolet, wagging at its most elegant. Has power-operated rear window, rear-ventilated seat.

Bel Air 6-Passenger Station Wagon Roomy hauler with rich appearance. Even has a 10.5-cu.-ft. compartment for valuables.

Bel Air 9-Passenger Station Wagon Popular priced Jet-smoothie with a tailgate opening that's almost 5 feet wide.

Biscayne 6-Passenger Station Wagon Lowest priced Jet-smooth Chevrolet wagon. All-vinyl interior is so easy to take care of.

Chevy II 300-3-Seat Station Wagon America's lowest priced 3-seat station wagon. Includes a power-operated rear window.

Chevy II 100 Station Wagon Lowest priced Chevy II wagon. Your choice of a rugged 4- or frisky 6-cylinder engine.

Corvair 700 Station Wagon Thrifty sporty hauler. Rear engine design leaves extra load space in trunk up front.

Corvair Greenbrier De Luxe Sports Wagon Inside, there's up to twice as much space as regular station wagons.

Corvair Greenbrier Sports Wagon Corvair's rare-footed traction with a big load space. Low price includes second seat.

Chevy II Nova Station Wagon Cleanest of new Chevy II wagon crew. Rich appointments and a spunky six bring a new kind of snap and aplend to low-cost wagoning. Packs plenty, too—76.2 cu. ft.

See the new Chevrolet, Chevy II and Corvair at your local authorized Chevrolet dealer's One-Stop Shopping Center.

### Bank Report Includes City Seal Display

In a rather unique annual report, Manufacturers National Bank of Detroit salutes the 15 communities in which its branch offices are located by displaying their official seals.

The seals of these Wayne, Oakland and Macomb county communities are reproduced on the bank report's cover. Inside, the seals are reproduced again, and are accompanied by a brief description of each community.

The use of the seals and descriptions provides shareholders with information of the markets being served, and it points out the strength of the bank's representation in the suburban areas, where there is an expanding demand for banking services.

The seal for the city of Northville is reproduced below. Accompanying the seal in the report is a description which reads:

### Democrats Plan Party

The fifth annual 11th Congressional District Democratic dinner honoring Governor John Swainson will be held Saturday, February 10th at Six, Constantine and Helen Nov Community Center, 4801 Oakman Boulevard at West Chicago.

Leading National and Local Democrats will attend, and the guest speaker will be Congressman Martha W. Griffiths. Included in the list of guests will be Detroit Mayor Jerome P. Cavanagh, Wayne County Circuit Judge James Canham who will serve as toastmaster.

Ticket information may be obtained by contacting area ticket committee member Mrs. C. E. Woodruff at FI 9-1644.

Other active Democrats who plan to attend the gala affair are Mr. and Mrs. Charles Bartolo, Mr. and Mrs. John Scott, Mr. and Mrs. Robert Dwyer, Mr. and Mrs. Jack Roland, Mr. and Mrs. Thomas Foley, Dr. and Mrs. Sanford Bloomberg, Dr. and Mrs. Albert Klein, Dr. and Mrs. George Bennett, Dr. and Mrs. C. E. Woodruff, Mr. and Mrs. James Hughes, Mr. and Mrs. Charles Root, Mr. and Mrs. J. Howard Munzer, Mr. and Mrs. Orville Tunkate, Mr. and Mrs. Anthony Frank, Miss Helen Elmer and Mr. and Mrs. Thomas Range.

Now you can RENT SOFT WATER the carefree way! Now for the first time, you can RENT a famous multi-purpose REYNOLDS Fully-Automatic Heavy-Duty Water Conditioner... the softener that removes iron from the "carefree" way.

### Little League Plans Dance

A dance, sponsored by the Novi youth and little leagues, is being planned for February 10, a spokesman for the Little League association announced this week.

Both square and ballroom dancing will be available at the Novi community building from 8 p.m. to 11 p.m. with music furnished by a Plymouth dance band.

Proceeds from the 51-person admission donation will be used to purchase equipment for the Little League. Tickets of information may be obtained, and tickets will be available at the door.

# SPEAKING for the Record

Recently I had the opportunity to read an address given by George Champlin, chairman of the board of directors of Chase Manhattan Bank entitled "Trust and the Government Debt: A Plan for the Sixties". He was talking before a convention of bankers.

Frankly, I was surprised—and pleased—by his straightforward remarks. I don't know what I imagined a New York banker would say to a convention of bankers—but Mr. Champlin left little doubt about his position:

The Federal Government could be of greater help to state and local units (and individuals) by reducing its own debt and by cutting taxes.

This opinion is shared by many able students of finance, government and just plain businessmen. And right now it seems to be gaining momentum steadily.

In this regard R. T. Martin, co-owner of Northville's Warren Products plant, supplied us with a copy of the Henry-Baker Federal tax rate reform bill—sponsored by Rep. A. S. Hart (D., Fla.) and Rep. Edward H. Baker (R., Tenn.), both members of the House Ways and Means committee.

It's objective: release of capital to permit greater growth in private economy. This would be accomplished by use of the gain in revenue derived from economic growth. The bill proposes reducing the income tax rate, plus depreciation changes over a five-year schedule with a safe-value feature which would permit postponement of rate reductions to protect military spending needs.

Specifically, every personal taxpayer would get a minimum reduction of 25 per cent. Corporations would come down from a top rate of 52 per cent to 47 per cent at a rate of one per cent reduction per year.

The bill has the backing of some 30 to 35 state chambers of commerce—including Michigan. Martin is so enthusiastic about the plan that he has ordered numerous copies containing full details that are available to any interested persons.

### Two Roads to \$\$

Economic development, mental health, education, and revenue line up as the spotlight focuses in both the 1961 political football game and the legislative agenda for the current session.

Each was the subject of a major message to the Legislature by Gov. John B. Swainson and each was emphasized in programs he sponsored since the 1961 session.

The answers to problems in the first three areas are, in order of importance, a minimum reduction of 25 per cent from a top rate of 52 per cent to 47 per cent at a rate of one per cent reduction per year.

## Roger Babson Newspaper for Dinner?

Babson Park, Mass., I have always loved trees, and have invested in forests. Natural resources such as oil, iron, copper, etc., do not reproduce themselves; forests are the only natural resource which does. More over, most forest land is now protected against fire by watch-towers and other means.

Of course, you must pay taxes on an individually owned forest; hence you may prefer to hold stock in companies which own large forests. Among such companies would mention Crown Zellerbach, Rayonier, Georgia-Pacific, and Weyerhaeuser.

De-linking and Radio Television. Instead of burning old newspapers, Boy Scouts and others collect them for purposes above by passing a solution of it through spinners to form threads ready for weaving. Its latest development is the making of synthetic leather for the soles of shoes. This is becoming so important that the best commercial artists are being employed to design these packages.

I understand that the American Viscose Corporation is now using the cellulose of trees and dissolving same into a chemical and selling the product to manufacturers of "non-fatening" foods.

Later, newspapers may be used for food.

## Personal Holdings

I once had a large interest in the APW Paper Company of Albany, New York. This company had considerable forest acreage and a pulp mill in Sheet Harbor, Nova Scotia. I sold the stock of the company to Mr. Francis Dougherty and his brother of Old Town, Maine, I sold this Canadian acreage to William Randolph Hearst. I share always regret this sale, especially as it resulted in my selling the paper mill at Albany.

I later invested the money in several thousand acres of wood-land in New Hampshire. This consists of various kinds: not much spruce, but some yellow pine and much second-growth hardwood. I am obliged to pay taxes on this acreage and do not expect to get much profit, but it should be a good hedge and I love to see the trees grow and mature. I winter, holidays and Sundays, whenever the weather and without any labor unions to supervise.

## Power Park Plans Outlined by Jacques

The possibility loomed brightly for development of a power park in Novi, Mich., when the city council last week approved a plan for a 10-mile and Wisconsin roads to the state as the site of a park that was to be named for park development.

Township Trust Emery Jacques reported Monday that there is still a good chance Novi will be able to obtain for its own use lands now owned by the state highway department.

Jacques has been carrying on a determined struggle for an establishment of a Novi park ever since the state made known its intention to sell the Proud Lake recreation area where Mrs. Power's interests were.

The state, however, has not budged from its position that

## Seek Acceptance Of Religion Policy

A new policy governing religious matters in Novi public schools will be submitted to the school board at its regular meeting Wednesday evening by a group of Novi residents.

Superintendent of Schools Tom Culbert confirmed that the petitions proposing the policy have been listed as among the items on the meeting's agenda. He said the group has sent copies of the petition and policy to his staff members of the school board, asking that the matter be scheduled.

The group's action in proposing the policy and circulating it is a direct result of the school board's decision to discontinue the policy of allowing members of families that differ widely in their religious beliefs. Accordingly, the public schools may not properly attempt to indoctrinate students in the tenets of any particular religion. The responsibility for any such indoctrination lies with the parents.

The proposed policy states: "The Novi Public Schools are operated for the benefit of all the children of school age in the district, regardless of race or creed."

"Students in the public schools should be free to practice their own religious beliefs. The responsibility for any such indoctrination lies with the parents."

"In spite of the foregoing, virtually all of the members of the community acknowledge and worship one God. The existence of that God and prayer to Him have traditionally been recognized in the public schools through the observance of a weekly holiday and the annual Thanksgiving holiday and by the singing of songs such as 'America the Beautiful,' 'America,' and 'God Bless America.'"

"The Christian holidays of Christmas and Easter may be observed in the schools and the music, decorations, and symbols commonly associated with these holidays may be used."

"Students and employees of the school district may desire to observe recognized religious holidays, or church specified religious exercises, other than those mentioned above, may be excused for the purpose on request, without penalty. Employees will be paid for the time of such excused holidays."

"Teachers may offer non-sectarian prayers in the classroom at meek."

"Teachers may explain the significance of the holidays of various religions to their students in order to expand the knowledge and understanding of the student body, but any such discussions shall be purely educational and in no way promote or condemn the religious principles involved."

"Participation in any religious observance, such as singing Christmas carols, will be compulsory for any student who is present at the time of the school board meeting which is held on Wednesday at 8 p. m. in the school building."

## Three Children Bitten By Two Dogs In Novi

Two dog bite cases were reported recently, says Novi Police Chief Leo Begole.

The more serious of the two was a bite received by nine-year-old Gerald Hase, son of Mrs. V. Race, of 2800 Dixie road, who was bitten on the nose by a dog owned by Ray Garcia, of 2820 Dixie road.

Begole said Mrs. Race told investigating officers that her son had fallen while skating on the pond next door, and the dog had then bitten him. He was treated by a Northville doctor, who reported that seven stitches were needed to close the wound.

The dog is under observation by the Oakland county dog warden, Begole said.

The second case was the biting of Jimmie and Ronnie Williams, seven- and six-year-old children, by a dog owned by Mrs. J. Williams, of 2886 Clark street. Jimmie was bitten on the left arm while playing with their own dog, Begole said.

He added that Mrs. Williams said the boys were playing roughly with the dog. She asked that the dog warden hold the dog for observation.

Recovering earlier this week was rushed last Thursday after his mother found him slumped over a heating pad in a rooming house. He was taken to the hospital where he was treated for a broken arm and a broken leg.

The Northville high school senior was expected to return home later this week from St. Mary hospital, Livonia, where he had been hospitalized.

Earl Clappison said his son had been using the heating pad Thursday morning to combat influenza chills, and had apparently fallen asleep with the pad beneath his back.

He said the boy had been in bed for several days when he was hit by the pad. He said the pad had become so hot that it had burned his back and some of his arms.

Mrs. Clappison rushed into the room and unplugging the heating pad after hearing her son cry out in pain.

Police Officer Ralph Arthur, who assisted the fire department's resuscitator team of Chief Fred Layman and crew members Duane Bell and William MacDermid, said the boy was unconscious until several minutes after they reached the hospital.

Bill, who suffered polio when he was a youngster, is chairman of the Novi chapter of TAPS, a teen-age program to develop interest in the National Foundation.

## Novi Strengthens 12 Mile Landfill Fight; Approves Munn Contracting Permit

Two landfill operations highlighted discussion at Monday evening's meeting of the Novi P-T-A executive committee. One of the village's Supreme Court cases with Daniel Kenny and Leo G. Russell to prevent dumping of refuse on 12 Mile road lands located on 12 Mile road lands, received the most speaker participation.

The issue was opened when village attorney Howard Bond reported that the appellants' brief had been filed, and it was now up to the village to enter its answer.

Charles E. Goers, a 12 Mile road resident, asked Bond whether new evidence concerning the P-T-A's case was being developed. The proceeds will be used for a later project. The event was such a success, says Mrs. Don Kucik, wife of the P-T-A president, that it may become an annual project.

### NOVI ROSA DANCE

Novi chapter of TAPS added over \$100 to the community's contribution to the March of Dimes, says Mrs. Bernard C. Marchetti, local chairman of the campaign.

She explained that the more than \$100 was the amount the newly-organized group of teens made by sponsoring a dance last Saturday evening. The event was the first project of the Novi chapter.

"Their total was over \$100," she said. "We had hoped for \$75. Marchetti said that the total was more than \$100 higher than a dance we held last year made."

She said about 75 persons attended the dance, which was held in the Wixom union hall. There were expected, she said, but that weather and a late start on publicity probably contributed most to keeping the total down.

Those who attended had a good time, though, she added. They enjoyed lively entertainment from singers and musicians, and had plenty of room for dancing.

The latter two groups are made up mainly of boys from this area, Mrs. Marchetti said. The receipts from the dance bring to nearly \$900 the amount
