So, while it's true we handle hundreds of thousands of calls every day of the year, you can be sure the one you're going to make next will—as always—get the same careful attention that's become a Michigan Bell tradition.

THESE TWO TELEPHONES may look alike, but they aren't. One is a private line and the other is a party line telephone, and there's quite a difference. A private line telephone is always ready for you to use. And friends can reach you when they want you. And though it may seem hard to believe, in town a private line costs only pennies a day more than a party line does. It's a down-to-earth blessing at a down-to-earth cost. If you live in town and now have party line service, why not call us about getting a

PASSING THE BUCK usually refers to letting "George" do something nobody else wants to do. But that's a far cry from the reason why your telephone company arranges with others to accept payments for phone bills. Since many people like to pay bills in person, we had to find a way of making this possible at a reasonable cost. So, at no extra cost to you, we've arranged for several conveniently located banks and other businesses to accept payments for us. It all helps keep your phone bills low, while making sure you get the service you want.

Even in Defeat Cagers Gave Fans Big Week End

It was a new experience for Northville. Never before had a local basketball team won its way to the state championship playoffs in Lansing.

Fresh from a 57-55 quarter-finals victory over Elkton-Pigeon-Bayport in Flint Wednesday night, the unbeaten cagers of Coach David Longridge departed for the state capital Friday. The whole town was caught up in the excitement. And the team

had a royal send-off. Their opponents were old hands at such things. And for the second year in a row (and fifth time in nine years) River Rouge breezed to the Class B title.

But Northville was still proud of its champions. Just as they had wished them well and followed them to the game, many — at least 100 — were on hand to welcome the team home at midnight Sat-

Lansing at last and food and relaxation (team managers Jim Ber-... toni, Jerry LaRoque, Artie Forth and Dennis Phillips indulge in a friendly game of cards, below).

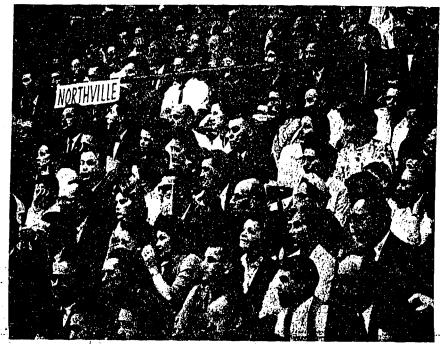

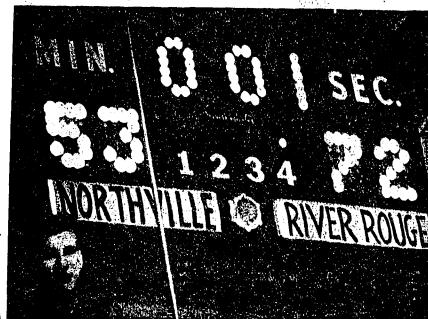

Then the game — and it seemed that whenever the Mustangs looked up, "Jumping Jack" Willie Betts would be coming down — with the ball. It's all over — even the shouting — as Guard Craig Bell dresses slowly.

THE NOVI NEWS

The kids keep up the "pepper" (above) . . . but faces of the fans reflect little to cheer about (below).
