

SPEAKING for the Record

With May just a turn of the calendar away it's time for Northville residents to start thinking of such things as clean-up, paint-up and fix-up.

The local "Beautiful Northville" campaign came into being four years ago and has won the community national recognition. Three times Northville topped all other cities of its size in the nation for projects undertaken in the annual "clean-up" contest. Last year the township was awarded honorable mention.

It's our understanding that the driving force behind this project — the Coordinating Council — proposes to make this a year-long program.

The idea that everyone should always strive to improve the appearance of the community is, of course, a good one. But we fear that without a direct concerted effort during a established period, as has been the practice in the past, there will be no recognizable effort at all.

It was also suggested that the Junior Chamber of Commerce could take over the chairmanship of this year's campaign.

There's no question that under their guidance the drive would be successful. For proof take a look at their work on city-owned property between the Old Spring and the Ford plant.

But we still think a month-long, community-wide effort in early spring sparks best results.

Speaking of "cleaning-up", the city council learned what it might cost to "right up" the community a little more brightly in a special report from the city manager recently.

It revealed that the community is below recommended code in the residential part of the city, and at a "reasonable acceptable standard" in the business district.

Cost of brightening the residential area would be approximately \$10,000 annually. More critical areas could be improved, however, for a few hundred dollars.

To change the lighting in the central business district from incandescent to mercury vapor or fluorescent, as has been recommended by several mechanics, would cost about \$3,000 initially plus either \$700 or \$1,000 annually, depending upon choice.

Michigan's economic development department reports a definite upswing in inquiries by firms contemplating expansion or new plants this year.

It also reports new emphasis of attention on advantages offered by smaller communities and plans a series of meetings this year in small towns doing outstanding work in industrial development.

Northville's just getting started, but preliminary work has been undertaken with enthusiastic gusto. (Maybe Northville, as a beginner, could qualify as one of the sites where the state's industrial ambassadors meet to be informed of local advantages.)

Public hearings on the gravel pit issue in Northville township filled the township hall to capacity with interested citizens.

Saturday's annual meeting — a recap of the year's business and approval of the new budget — found eight officials facing an audience of 100 electors.

Every week through, they get the spending money anyhow.

My little girl (age 10) has some friends who get \$1.00 a week. When I was her age, I remember I got 15 cents. A dollar seems like an awful lot and those other kids don't have any duties to do at home either.

Every week through, they get the spending money anyhow.

Roger Babson JFK Faces Unemployment

Babson Park, Mass., President Kennedy is up against two and a resumption of the gold "sermonettes." The first is that the hour of a dilemma is at hand. The second is how the unemployment problem is met by inflationary spending.

Employment is increasing in practically all lines — manufacturing, building, merchandising, and other important segments. But unemployment continues to pile up, and no solution is yet in sight.

The President — in trying to boost foreign trade — is on the right track. But he will need to be a super-salesman to sell Congress on turning over to him dictatorial powers.

The President is anxious to establish the principle that wage and price controls are not to be used as a last resort.

Some administration officials are picking up big labor's theme that the government should do something soon to de-inflationary programs — possibly a national WPA.

So far, JFK has balked at radical proposals, mainly because they would be too costly and would flow federal budgets even further out of whack.

Public hearings on the gravel pit issue in Northville township filled the township hall to capacity with interested citizens.

Michigan Mirror

'Compromise' OK — If it's Kept Quiet

Republican delegates to the Constitutional Convention were sharply criticized recently when reports were published about a "secret trade" being made to assure agreement on several points of the document being prepared.

There were charges that "principles are being compromised," by naive supporters of some of the delegates.

It is a well known and hard political fact that the basis for most legislative action is compromise, although this word can be given a negative connotation by people seeking political advantages who can find no better issue.

It now appears the only great "deal" involved in the compromise worked out by differing viewpoints within the Con-Con's "GOY" ranks was that the "deal" was as openly made public.

At nearly the same time as the Con-Con deal was made known, another "compromise" was being worked out between Republicans and Democrats in the Legislature. The single issue was the federal aid program for the several constitutional provisions so it did not gain as much attention from the public or politicians.

A newspaper reporter who wrote that a "gentlemen's agreement" was being attempted, however, was severely criticized for putting the "deal" in print.

It appears inconsistent that all politicians freely admit, off the record, that they are willing to compromise for the public good, but they refuse to let the public know when they have reached a compromise. And it seems hypocritical for those who understand the value of compromise to rant and rave when it would be available to unemployed adults and farm families with incomes of less than \$12,000 a year.

Where does the money go? A study by the Michigan Citizens Research Council shows some \$250 million of Michigan's money during the past eight fiscal years went to create and pay for 60 programs which did not exist prior to 1950.

Included were 27 new programs in the general field of education and 29 in general government operations. New programs were also added during the period in public health, child welfare, public welfare, safety and defense, regulatory services, conservation, recreation and agriculture.

An indication of how the addition of relatively small, inexpensive programs add up is seen in the Council's first direct on traditional medical ethics. All efforts addressed to "Dr. Mudd" are delivered to him unopened for reply.

An Editorial School Millage Vote Needs Novi Support

Novi has tugged at itself from many directions for many years. Monday it must stop and pull together. Its citizens have a responsibility to meet that is squarely theirs and cannot be avoided.

It is not the custom of this newspaper to unduly alarm its readers with screaming headlines or appealing editorials, but in this particular instance we harbor a frightening feeling of inadequacy — a feeling that our message will fail to arouse voters to respond.

Financially speaking, it is clearly evident that the Novi school district is on the brink of disaster.

It will soon complete its current year with a \$28,000 deficit. Its total accumulated deficit exceeds \$40,000.

The 1962-63 budget now under consideration by the board of education anticipates an additional deficit of \$51,000 — a staggering total of nearly \$100,000 by the close of the 1962-63 school year.

Without becoming involved in further discussion of the problems of the Novi school district (which are not unlike most other districts and which have been adequately covered both by this newspaper and the citizens finance committee), it is our studied conviction that:

— Novi's financial plight cannot be blamed on any school board, administrator or upon ill-management; it is due to inadequate operating millage;

— additional millage is the only solution and the six mill request is not excessive.

The outcome of Monday's election will be viewed with deep interest by agencies outside Novi. A request for a \$70,000 loan has already been reduced to a maximum of \$68,000 by the Michigan Municipal Finance committee, but still may hang on the vote results.

Northville has cancelled its registration session scheduled this week for eighth graders who would become high school students in that system next year. There is a matter of \$74,000 in unpaid tuition for this year. The Northville board wants its money plus proof of ability to pay next year's tuition.

A "yes" vote Monday will cost the average Novi taxpayer 75 cents per week.

The time for talk has passed. Novi must answer to its responsibility at the polls.

THE NOVI NEWS

Vol. 7, No. 48, 14 Pages, 2 Sections — Novi, Michigan, Thursday, April 12, 1962 — 10c Per Copy, \$4.00 Per Year In Advance

NEWLY ELECTED officials of the city of Wilson were sworn in by City Clerk Mrs. Lillian Byrd at special ceremonies in the elementary school Monday night. Being sworn in are, left-right, Incumbent Councilmen Raymond Lahti, Mrs. Lettie Chambers, Howard Coe and Mayor Wesley McAtee. Outgoing Mayor Donald E. Brooks introduced the officials to the spectators. Following the swearing-in ceremonies, the council put off official business until tonight's regular meeting. The evening was capped with the serving of refreshments.

Novi Group Makes Survey For Recreation Programs

Survey sheets about a proposed recreation program for Novi have caused some confusion, says Mrs. Richard Ritter.

The sheets have been circulated by the Novi Youth Protective Association in an effort to measure interest in a year-round recreation program, she explained. Mrs. Ritter is a member of a steering committee appointed to establish the program.

The survey and proposed recreation program have nothing to do with the proposed school millage increase in the Novi school district, Mrs. Ritter explained. Mrs. Ritter is a member of a steering committee appointed to establish the program.

School Electors To Settle Millage Issue on Monday

Novi school district voters will go to the polls Monday to decide whether the school board shall be given the power to levy a six-mill increase in school taxes over the next five years.

The special school election was set up last February with unanimous approval of the school board — one of the few occasions in the past two years when the board was in complete agreement on a "hot" issue.

The election followed receipt of a citizens study committee's report on the immediate financial needs of the school system.

In its final report, the finance committee recommended the board find means to increase revenues by \$73,000 — approximately six mills on the school district's tax base — to offset the deficit.

The biggest slice of the \$73,000 would go to cover this year's \$28-30,000 budget deficit. The finance committee has pointed out that this is a continuing deficit over the past several years.

Another \$10-15,000 would go each year toward retirement of \$40,000 in "unmanageable" deficits which have mounted up over the past several years.

Finance committee Chairman William Dean has explained that deficit financing Monday night by the Northville school district have resulted in a debt totaling nearly \$1 million.

While \$11,000 of this amount can be taken care of through regular financing, there is a \$60,000 debt which he said his committee feels must be retired in the next three or four years.

The approximately \$30,000 remaining would be used to cover increased operational costs and provide minimal curriculum improvements.

About \$20,000 of it would be needed to cover such unavoidable cost increases as teacher salary increments already contracted for, the addition of a classroom teacher to the staff and higher tuition payments to Northville to cover the growing number of high school students.

The curriculum subcommittee of the finance study group has recommended that half of the final \$10,000 be used to add a physical education program.

Novi schools will close their doors Thursday and Friday of next week and the following Monday for Easter vacation. Superintendent Tom Culbert reminded parents and students.

Wisnom elementary and Walpole Lake schools will be closed Good Friday and Monday, while Northville schools will close all of next week.

Our Lady of Victory will re-open for Good Friday until April 20.

Village Starts Budget - Making Process

Novi village councilmen rolled up their sleeves, split their hands, took a firm grasp on the shovel handle and began digging through the village's budget. He said he thought Harold Harrison and Councilman Donald C. Young, Jr., also elected last month, maintained that despite personal feelings, Staman is capable of doing the job. They said they doubted that another person who is as capable would take the position for such a low fee.

When Harrison suggested that Staman had his treasurer-assessor job shortly after the village was formed because of differences with the village manager, council President Joseph Crupi pointed out that Staman has had two years since the manager was fired in which to settle differences.

Crupi said that from the same thing in previous budgets, he and the council had agreed that the council had been going on the philosophy that a 15-cent increase in the millage rate would be best for the village to employ full-time help. He suggested the council plan to consider during the next year or so.

Wixom to Fete Mayor Brooks

Wixom will feté outgoing Mayor Donald E. Brooks Saturday afternoon at a dinner to be sponsored by city hall employees and Wesley McAtee, the city's new mayor.

The dinner, scheduled for 7 p.m. Saturday in the Wixom UAW union hall on Wixom road, will be open to the public at \$5 per plate.

Notorious for the bad luck it brings, the thirteenth can be your luckiest if your birth-day happens to fall on the thirteenth day of a month.

And speaking of nine, you'd better start warding off those evil spirits before their hey-day. By all means let out that purring black cat before the stroke of midnight. Should you cross your path tomorrow only a pinch of salt thrown over your left shoulder will keep the devil at a distance.

As for tomorrow, steer clear of mirrors — cracking one could be catastrophic — and it might be safe to bypass that morning cup of coffee — a burst of bubbles rising to the top is a sure sign of an evil omen.

Maybe you should forego salt on your breakfast eggs, have stepped on that crack in the sidewalk — lucky you took along some salt to toss over your shoulder — now don't spill it. Lucky there aren't too many of these unlucky days.

Little League Try-Outs Set

Novi Little League try-outs will be held every next week at the Novi school, says Little League Secretary Lester Ward.

All boys who will be nine years old before or 12 until August 31 and are interested in playing ball should plan to report at 5 p.m. Monday through Friday.

Crupi said that from the same thing in previous budgets, he and the council had agreed that the council had been going on the philosophy that a 15-cent increase in the millage rate would be best for the village to employ full-time help. He suggested the council plan to consider during the next year or so.

She'll Be June Bride

Mr. and Mrs. Otto Schoch, of Van Wyke, announce the engagement of their daughter, Patricia Irene, to Alfred Earl Pearson, Jr., son of Mr. and Mrs. Alfred Pearson, of Plymouth.

Miss Schoch is a graduate of Northville high school. Her fiancé graduated from Plymouth high school.

A June 23 wedding is planned.

Here's a Strawberry Pie With Built-in Ala Mode

Just in case the mild weather whole strawberries fresh Michigan strawberries (fakes & grape nuts flakes) turely before your mind's eye, here are a couple of dessert recipes to tease your appetite and imagination until the real thing arrives.

CREAM PIE SHELL

4 cups cereal (crushed corn flakes & grape nuts flakes) 1 tablespoon flour 1 cup sugar 1/2 cup melted margarine

Crush cereal until fine. Add flour and sugar to crushed cereal. Add melted butter. Press on bottom and sides of pie dish, making bottom flatter. Bake in moderate oven (350-degree) for 7-10 minutes. Cool.

For filling, add water to gelatin and stir until dissolved. Cool. Whip ice cream into gelatin. Add crushed pineapple. Spread in shell and top with whole berries.

CHERRY CREAM DESSERT

1/2 pound margarine 4 tablespoons powdered sugar 1/2 to 2 cups graham cracker crumbs 1 pint Dream Whip 1/2 cup milk 1/2 cup boiling water (1 cup hot, 1/2 cup cold) 1 pkg. strawberry flavor gelatin 1 pint vanilla ice cream crushed pineapple

Melt margarine in saucepan. Add powdered sugar. Stir until smooth. Add Dream Whip and milk. Beat until stiff. Add boiling water. Beat until stiff. Spread in shell and top with whole berries.

Cancer Drive Team Needs White Goods

Northville women teaming up with the Michigan Cancer Foundation in its April cancer control crusade have issued another request for donations of salvage materials.

General Chairman Mrs. Raymond Nast said parents may send salvage white goods to school with their children. Accepting salvage materials for the committee in town are the Detroit Edison office, Ritchie Bros. Laundry and Dry Cleaning, and Freydl Cleaners and Men's Wear.

Mrs. Nast again reminded area residents that the crusade she and her committee are spearheading is an educational campaign. The Michigan Cancer Foundation, she points out, is a Torch Drive agency and as such receives monies from the yearly United Fund effort.

all sorts of things

By SHARON MAZANEC

Margaret Mairs and Grace Driscoll were old friends before they ever met.

Quite an accomplishment, you'll have to admit, for two women who live an ocean apart.

With Mrs. Mairs' home in Devon on Tyne, England, there were no quick conversations over the back fence or a fresh pot of coffee. Even photos that were out of the question. After all, how much can you say in three weeks of a second-hand, and trans-Atlantic call cost money.

Despite the geographical barriers, their friendship flourished. How it did is a story that almost eclipses their first post-40-person meeting last month.

The two started out with one thing in common — both are homemakers. Both, moreover, are students of homemaking. Consequently, they joined extension groups in their hometowns.

It was at one of these extension sessions that Mrs. Mairs learned of a pen pal program whereby homemakers in one country shared ideas with homemakers in another country. The Novi housewife, who likes to write anyway, signed up. She got off her first letter March 2, 1952. Its destination: Mrs. Burt Driscoll, Dayton on Tyne, England.

In the intervening 10 years the homemakers have learned much from each other.

Meanwhile, the homemakers have promised to keep writing. In fact, Mrs. Mairs, who says she has always wanted to write a book, may get started on that monumental project.

She's got quite a story to tell. It's about a dream trip that came true.

News Around Northville

Mr. and Mrs. Graydon Idema and daughter Janet, of Grand Rapids, were weekend guests recently of the Lawrence McCarty's, of Clement road.

Returning last week from a trip to Forest City, Arkansas were Dr. and Mrs. Wilbur Johnson, of Orchard drive. While in Forest City they visited Mrs. Johnson's relatives and en route home stopped at Danville, Illinois to see Dr. Johnson's sister.

5 GOOD REASONS FOR VOTING YES APRIL 16th.

Girl Scouts Revamp Age Groups for '63

Officers of the Huron Valley Girl Scout council met last week to initiate formal preparations for a change in the Girl Scouts throughout the country.

Mrs. Carter Ekemann, Ann Arbor president of the council, said that beginning next year scouting's present three age-level groups — Brownies, Intermediates and Seniors — will be dropped in favor of four age-level groups.

The new groupings will be: Brownies, ages 7 and 8; Juniors, ages 9-11; Cadettes, ages 12-14; and Seniors, ages 15-17.

The present three age-level structure was established in 1938. The recent national studies conducted for the Girl Scouts of the U.S.A. by the University of Michigan's Survey Research center prompted the pending revision. The studies dealt with the needs and interests of adolescent girls and with the attitudes of Girl Scouts and their leaders towards the existing program.

Mrs. Ekemann said the local change-over will be gradual. By September of 1955 all troops should be participating in the new program, she stated.

"Neighborhood service teams" composed of three volunteer workers: the neighborhood chairman, troop consultant and troop organizer will be the transition. Consulting with the service team will be a professional staff member from council headquarters.

The new age levels will be implemented simultaneously with the issue of four new handbooks for Girl Scouts in September, 1955.

While groupings and their names are being modified, there will be no change in the fundamental elements of the Girl Scout program, which were shown by the U.S.A. study to be "as valid today as they were 50 years ago."

One of the primary goals of the new program is to make the scouting program of informal education a more effective complement to the modern school curriculum.

To facilitate the change-over, a member of the training team will go to Purdue University this fall for several days of classes.

NHS Seven Cops Honors In Forensics

Northville high schoolers flexed their forensic muscles last weekend, earning seven places at the district contest held at Milford.

Coach Florence Panatoni took seven students to the competition and all placed. Those going in the six-school meet from Northville and their colleagues were:

Terry LaRue, first, Sheila Sandrock, second, declamation; Ed Austin, first, Grace Brinson, second, humor; Manfred Bartlett, first, Phil Simenton, third, oration; Dave Lane, second, Freda Anger, third, interpretive; and Gilbert, first, extemporaneous.

Miss Panatoni said the students will now go to regional competition to be scheduled sometime between April 15 and May 5 at Southfield high school in Southfield.

Junior High Great Books Co-Founder Celebrate

Northville Junior high school Library club, The Bookworms, has jumped on the National Library week bandwagon with the issue of four new handbooks for Girl Scouts in September, 1955.

Stressing the value of libraries, books and reading have been club officers, Margaret Godley, president; Lynn Tilkka, vice-president; Rachel Carver, corresponding secretary; and Mary Horsfall, recording secretary.

Capping the junior high library week observance is a special meeting today (Thursday) at which the 26 members of the library staff will receive the orange and black Bookworm pin. Mrs. Donald Van In will address the group.

The club is also planning a tea to recognize the Northville Mother's club for the hundred plus hours of volunteer work its members have given to library work.

Sponsor of the club is Miss B. Ione Palmer, librarian, who last week attended the Michigan Association of School Librarians Spring meeting at Ann Arbor.

Demonstrate Goodwill Pick-Up Mosaic Art Scheduled Monday At Gallery

The next visit of Goodwill Industries scheduled for Monday, Goodwill trucks collecting household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Monday afternoon, April 13, ask the operator for toll-free Enterprise 7902.

A sampling of Mrs. Hudson's paintings in oil, watercolor and acrylic, silk-screen and woodcut, prints and some sculpture is also planned.

A reception marking the opening of this varied exhibit is slated Sunday from 2 to 6 p.m.

Mrs. Hudson, who is to graduate with a degree in fine arts from Eastern Michigan University in June, will be on hand for demonstrations from 1 to 5 on April 19, 21, 26 and 28. Her other works can be seen at the gallery weekdays 10 a.m. to 6 p.m. and on Fridays 10 a.m. to 9 p.m.

Great Books Co-Founder Coming to Detroit Monday

Interested Northville persons should contact Mrs. George Weiss, 925 Grace, FI 9-3100, or Mrs. Rhea Wilcox, Northville public library, 107 South Wing, FI 9-3020. In Novi inquiries can be directed to the public library, Novi road, FI 9-0720.

Author of "How to Read a Book" and the "Synoptic" Dr. Adler is co-founder of the International Great Books Discussion program and a member of the Great Books Foundation's board of directors.

He recently collaborated with the foundation in selecting and editing the readings for Junior Great Books for students in grades five through twelve. This program, pioneered in Southfield at the high school, attended the 77th anniversary convention of the American Association for the Advancement of Science and being formulated to make it nationwide.

Sell Rummage

Reorganized Church of Jesus Christ of Latter Day Saints, Schoolcraft and Drainer roads, is sponsoring an all-day rummage sale Saturday.

Author of "How to Read a Book" and the "Synoptic" Dr. Adler is co-founder of the International Great Books Discussion program and a member of the Great Books Foundation's board of directors.

He recently collaborated with the foundation in selecting and editing the readings for Junior Great Books for students in grades five through twelve. This program, pioneered in Southfield at the high school, attended the 77th anniversary convention of the American Association for the Advancement of Science and being formulated to make it nationwide.

Gym Teachers Attend Convention

June King, junior high physical education teacher, and Paul Babel, physical education teacher at the high school, attended the 77th anniversary convention of the American Association for the Advancement of Science and being formulated to make it nationwide.

Conference seminars, workshops, clinics and assemblies were devoted to issues dealing with the nation's physical and mental well being. Reflected in all the meetings was the work of administrators and educators as they continue to implement the President's mandate to develop a stronger, healthier nation.

"I Think My Car Needs
A Spring Tune-up"
This is a statement quite often made when people bring their cars in for service at this time of year. Yes, after the winter we have just experienced, your car most likely could stand a Spring Tune-up. We might also suggest a brake inspection, too. It is true, "you never can be too safe", and brakes that operate properly, are one of the best safety devices on your car. Be sure yours are safe!

Conservation Officials Issue Fire Warnings

Michigan landowners are urged to take every safety precaution possible before they start burning leaves, other debris this spring, following a rash of forest and grassland fires which damaged 488 acres in the lower peninsula during the week ending April 1.

Last week's toll reflects concern in the southern part of the state, which have all the elements of a dangerous spring fire season. The recent lack of rain, combined with a high temperature and a strong wind, has made the situation very dangerous.

Landowners are reminded they must get burning permits from the Department before starting open fires, regardless of where they plan to burn. Permits are free and available at all Department district and office locations.

at all Department district and office locations and from any conservation officer, fire officer, or foreman, other than the one who issued the permit.

Nearly 400 acres burned in the southern lower peninsula during the March 26-April 1 period. Another 28 acres were burned in Baldwin and Gladwin districts of the northern lower peninsula. No fires were reported elsewhere in northern Michigan where snow is temporarily holding off the spring fire threat.

Danger Signs Of Cancer Noted

Cancer took 3,375 lives in Detroit in 1961 according to a report, notes Dr. Joseph G. Molner, City-County Health Commissioner, states. This is 115 more persons than during the preceding year in its early stages.

Cancer was second among the leading causes of death last year, notes Dr. Joseph G. Molner of the county health department.

Power tools valued at \$572 were taken from Jones Bump Shop, 128 West Main, sometime Monday night. Intruders who forced their way into G. E. Miller Sales and Service, 127 Hutton, Saturday night left empty-handed.

Chief Eugene King said entry in both cases was made by using bolt cutters to sever door locks.

The W. W. Nichols, whose home at 219 Ely drive was broken into Monday night, could find nothing missing. They said a connecting door between the house and adjoining garage had been opened.

Prompt treatment by a competent physician will cure most cancers. Only a physician has the knowledge, skill and experience to be able to diagnose and treat cancer. The best defenses for yourself or members of your family are as follows: Have a yearly examination by a competent physician. Know how cancer develops. Learn the danger signs and get medical help at once if any of them occur.

People of any age can be the victim of cancer. Among the causes of death from diseases it ranks highest among children. Some persons think of cancer as a woman's disease. This is far from being the truth because since 1949 more men than women have died of cancer. The proportion is about 50 men to every 47 women. The chief cause of cancer death among men is lung cancer.

The danger signs of cancer are:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Persistent change in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in wart or mole.

Radium, surgery and x-ray used independently or in combination are recognized treatments for cancer. There are no home remedies which can cure or alleviate it.

Teen Driver Eludes Police—For a While
 A teenage driver who eluded pursuing Northville police and ran a roadblock set up by Farmington police at Eight Mile and Farmington roads has been ordered to appear in Detroit juvenile court, reports Police Chief Eugene King.

The youth, 15-year-old son of a Plymouth couple, speeded away from police about a mile south of the roadblock. The chase took place shortly after midnight Friday when Northville officers were called to investigate what appeared to be an attempted tire theft near Ely and North Center.

As they approached the scene they observed the youth and three companions driving away and took out after them. A check of the license plate number revealed the owner of the car, who said his son had taken it without his knowledge.

Masons to Install New Commander

L. Clay Weathers is the new eminent commander of Northville Commandery No. 39, Knights Templar. He will succeed George J. Anderson during the 75th annual installation rites in Northville Masonic Temple, Saturday evening. The ceremonies are public.

Others to be inducted for the next year are Lawrence M. Miller, generalissimo; Edward D. McCarthy, captain general; Walter D. Hutchins, senior warden; Earl K. May, junior warden; Wilfrid J. Lusier, P.C., prelate; John S. Battle, associate prelate; Eldred H. Huff, treasurer; C. Ray VanValkenburgh, P. C., recorder; Herman A. Wedemeyer, standard bearer; George W. Sroch, sword bearer; Ernest R. Gartz, warden and Ward A. Cook, sentinel. Also to be installed as guests are William A. Bush, Clarence G. Spear and Kenneth J. Sieath.

Charles S. McIntyre, P.C., Monroe Commandery No. 19, R.T., a right eminent past grand commander, Grand Commander of Knights Templar of Michigan, will officiate as installing officer with Clifton C. Gray, P.C., as aide.

Roland H. Stuech, P.C., as grand marshal; Harrison H. Caswell, P.C., acting grand prelate, and G. Louis Blach, P.C., director of ceremonies, will assist McIntyre in the impressive Templar Rites.

The Markhams purchased the business from Arthur and James Ramsey.

Markham is a former manufacturer representative for hardware items. Mr. and Mrs. Markham will move to Northville in June.

Markham stated that Mr. and Mrs. Vern Jordan, formerly of Grand Rapids and now residing at 330 West Main, would be employed at the bar. The business name will remain the same.

Disbanded Auxiliary Shares Its Wealth
 Three hospitals serving the Northville area have received gift donations totalling \$78,044 from the now disbanded Community General hospital auxiliary.

The money represents the auxiliary's treasury balance when bankruptcy forced Community General to close last summer. It was split among St. Mary hospital, Livonia, Plymouth State Home and Training school and Northville State hospital.

Each institution has a functioning auxiliary, which in almost every case includes women who work with the Community General group.

LET'S TALK CARS...
It's INCOME TAX TIME Again
 If you use your car only for pleasure and personal driving you can't deduct a portion of the operating expenses and depreciation as business users can, but there are still many deductions you should be aware of.

This is the time when you receive an additional benefit for purchasing a time payment plan. The interest applied to the payments made within the year is deductible.

So are state and local taxes applied when you bought your car, your annual registration fee, driver's license and property tax. If your car was stolen or damaged in an accident and the loss wasn't covered by insurance, then that loss is deductible.

Federal taxes at the time you purchased your car or that you paid on gas and oil are of course not deductible, but state and local taxes are providing they are accompanied by proof in the form of sales slips, etc.

The Internal Revenue Service is scrupulously fair and they want only the money they are entitled to. They can often be exceptionally thorough in their checking, so if there is serious doubt about some items it would be a wise investment to set you straight. Especially if business and personal use are combined.

Four Fires Hit Area

The Northville fire department answered four calls during the past week. A faulty thermostat in a wall oven at the home of Edwin Langtry, 718 Thayer boulevard, caused a grease fire Friday afternoon. The oven and cabinet were damaged.

The other calls were for grass fires. The first was Saturday afternoon on Eight Mile road. There were also grass fires Sunday evening, at Five Mile and Maxwell roads, and Tuesday afternoon between Allen Drive and Novi road.

THE NOVI NEWS

Dream Homes Come True in Spring

Spring is the time when a young man's fancy traditionally turns to other things. But spring is also the time when married couples, young and old, start dreaming of that new house.

Spring construction in the Northville/Novi area is a combination of boom and bust.

Novi construction is at a literal standstill because Oakland county's spring load limits on the roads make it impossible to bring in heavy equipment, explains Willowbrook developer Paul Lebst, who plans to start soon on a 10-home addition to the subdivision.

In Northville, Trend Homes, Incorporated, developers of the Village Green subdivision, is busy getting started on this season's construction, and builder John Northup has plans for opening another section of Taft Colony.

There are two patterns generally followed by prospective homeowners in picking a lot and deciding on a house plan.

One is to choose a house style and find a lot which will complement it, and the other is to purchase a lot and choose a house that fits in with the surroundings.

There are many considerations which make the difference in deciding which process prospective homeowners follow.

Some want a place which has one specific asset, one builder said. For instance, they may want a setting which has trees, and this may be all they have in mind when they start hunting.

Another important consideration is location. If the family is young, it may base its decision on nearness of schools.

Older couples whose children have moved away, for example, may want a two-story house designed so they can live on the ground floor. The rest of the house may then be shut off until they have guests.

One thing nearly every family wants now is a basement, reports Mrs. Betty Tam, secretary in charge of sales for John Northup company.

She said basements are in demand for such uses as recreation, work shops, storage and more-even heating of the rest of the house.

She said they are experiencing less interest in one-level homes, partly because they are the most expensive. She explained that it costs more per room for plumbing, electricity, heating and some other items to build a ranch-type house than to build two-story houses.

The most popular style house in Taft Colony is the colonial. It is the choice of active, growing families, Mrs. Tam said.

Nearly as popular as the colonial is the cape cod style. Both can be varied a great deal, she explained, and are therefore common choices.

Road load limits have also slowed work on new homes in Northville. But Northup will have about eight homes going up by the end of this week.

The colonial is also the top seller in Village Green, said Sales Manager Dale Kirn. He estimated that it offers about the most square footage of floor space for the dollar and is traditionally the best seller as a used home.

The bi-level is next in popularity of Trend's four models, he said. It also offers a good price for footage bargain.

Trend has about a dozen homes going up now and has room for about 50 more on its presently opened sites. They plan to open "Verde" Estates subdivision, number five, to the north of present building, later this year.

LOT LOOKERS — Mr. and Mrs. Steve Morski of Redford township have chosen a West Main street lot for their future home. Now they must decide upon a house to meet their needs and complement the surroundings.

HOME TO BE — In a very few weeks Mr. and Mrs. Patrick Montano of Ann Arbor will be living in this Taft Colony home in Northville township. With Builder John Northup they're discussing final details that must be "just right" to truly complete the dream of the new home buyer.

DETROIT EDISON GUARANTEES ELECTRIC WATER HEATER SATISFACTION.

Or Your Money Back Buy the flameless electric water heater that fits your home. Call on it for shower after shower, for wash after wash, for all the hot water you need. If, any time within a year, you're not satisfied with the heater's performance, call us. We'll remove it and return the full purchase price, including any installation cost!

Other exclusive electric water heater advantages:
 • Long life—no hot spots • Install anywhere—no flue needed • Free Edison service for electric operating parts when manufacturer's warranty runs out.
 162,000 of your neighbors throughout S. E. Michigan enjoy the benefits of electric water heating. You can join them by shopping for your new flameless heater where you see the H.O.T. emblem—the symbol of an electric water heater retailer.

DETROIT EDISON

AgriCo Certified for Lawns in NORTHVILLE and vicinity

Looking to get outside? Fertilize—the time is right!

Cure your indoor fidgets and get your turf ready to produce a beautiful green lawn in early spring by applying AgriCo Grass Food now! The plant food in the free-flowing granules of this nutrient packed fertilizer work deep into the soil with spring thawing. AgriCo Grass Food encourages vigor, root development and supplies the right combination of plant nutrients essential for healthy grass growth and color. The 60% organic nitrogen with Urea-Form in AgriCo Grass Food gives grass long, steady nourishment. Remember, AgriCo is a partner with any spreader—settings are on the bag.

50 lb. bag (covers 5000 sq. ft.) \$4.75
 25 lb. bag (covers 2500 sq. ft.) \$2.35

You can conquer Crabgrass! Apply...
AgriCo Pre-Emergent CRABGRASS CONTROL

Now is the time to deliver the death-blow to this monster that destroys lawn beauty. Apply AgriCo Pre-Emergent Crabgrass Control—it sets up a preventive barrier in the soil that kills Crabgrass, Goosegrass, Foxtail and similar seedlings as they sprout. The dry granules can be effectively applied up to the 2-leaf stage (when Crabgrass is about 1" high). What's more, AgriCo Pre-Emergent Crabgrass Control is beneficial to mature lawn grasses and it's safe to use on flower and shrub beds, too!

25 lb. bag treats 2500 sq. ft. \$4.95
 5 lb. bag treats 500 sq. ft. \$1.95

Teen Driver Eludes Police—For a While
 A teenage driver who eluded pursuing Northville police and ran a roadblock set up by Farmington police at Eight Mile and Farmington roads has been ordered to appear in Detroit juvenile court, reports Police Chief Eugene King.

The youth, 15-year-old son of a Plymouth couple, speeded away from police about a mile south of the roadblock. The chase took place shortly after midnight Friday when Northville officers were called to investigate what appeared to be an attempted tire theft near Ely and North Center.

As they approached the scene they observed the youth and three companions driving away and took out after them. A check of the license plate number revealed the owner of the car, who said his son had taken it without his knowledge.

 Christian warfare, in which
 spiritual good overcomes the
 evil in human thinking, is the
 theme of the Lesson-Sermon to
 be heard Sunday at Christian
 Science church services.
 Scriptural selections will in-
 clude Paul's declaration: "The
 night is far spent, the day is at
 hand; let us therefore cast off
 the works of darkness, and let
 us put on the armour of light"
 (Romans 13). "Arise, O God, and
 doth not slumber" is the title
 of the Lesson-Sermon.
 This citation from "Science
 and Health with Key to the
 Scriptures" by Mary Baker E-
 ddy will also be read: "Christi-
 anity must take up arms against
 error at home and abroad. They
 must grapple with sin in them-
 selves and in others, and con-
 tinue this warfare until they
 have finished their course. If
 they keep the faith, they will
 have the crown of life" (p. 29).

from the PASTOR'S STUDY

Rev. Lloyd Brasure
 First Presbyterian Church
 In another week the Chris-
 tian world will turn its eyes
 to the hill where the three
 crosses were placed long
 years ago. In the past few
 weeks much of Christendom
 has spent time in special de-
 votions and services con-
 templating the meaning of
 their faith and church. With
 something over half of this
 nation making a confession
 of faith in God's revelation
 through Jesus Christ, this
 should become a world shak-
 ing event. We should prop-
 erly see a change in the con-
 duct of the citizenry at large
 because of this overwhelm-
 ing response to the will of
 Almighty God.

The period of Lenten ob-
 servance to have true merit,
 ought to involve all of us in
 honest examination of the
 soul's inner desire. There-
 ought to be a form of con-
 fession and cleansing. This
 would be good for us individu-
 ally — and it could
 mean, if applied with care,
 courage and vision, a new spirit
 of unselfish living on a com-
 munity basis right here in
 Northville. This is where pur-
 faith gets its first test — at
 home and in the neighbor-
 hood which is the communi-
 ty.

In Willowbrook

 Thursday were Helen Brooks,
 drive, accompanied by Mrs.
 Washburn and Gene Palmer.

Chesty Robin

Michigan's proud and cheery
 Robin struts his stuff every
 year this time as he heralds the
 coming of Michigan Week and
 proclaims to the world this year's
 slogan — "Michigan Marches
 Forward."
 For the eighth successive
 year the robin, which is the
 official bird of Michigan, is the
 symbol of Michigan Week,
 which will be observed May 20-
 28.
 The robin is the center atten-
 tion in this year's celebra-
 tion in the state's emblem.
 He has been ever since he was
 selected in the second Michigan
 Week back in 1955. He appears
 on all pieces of advertising and
 promotional materials used in
 connection with the celebration
 and letters, envelopes, and
 in advertisements and articles
 appearing in publications of all
 types.
 This year Proud Mr. Robin
 wears a high drum major's hat
 which more aptly suggests a sym-
 bol presenting science and tech-
 nology, which is the special em-
 phasis subject for the 1962 Michi-
 gan Week. He holds high
 bright colored banner showing
 the state's two peninsulas
 Michigan Week is over the radio
 and slogan will be seen on mil-
 lions of pieces of advertising
 materials and in practically
 every publication within the
 state as well as many national
 publications. He will also be on
 television.

Novi Rotary Introduces Community Businessmen

Eighty-four representatives of Novi business firms were entertained last Thursday evening at Saratoga Farms by the Novi Rotary club. The "get acquainted" dinner was the idea of Rotarian Leo Harwood, who served as co-chairman of the program with George Keown.

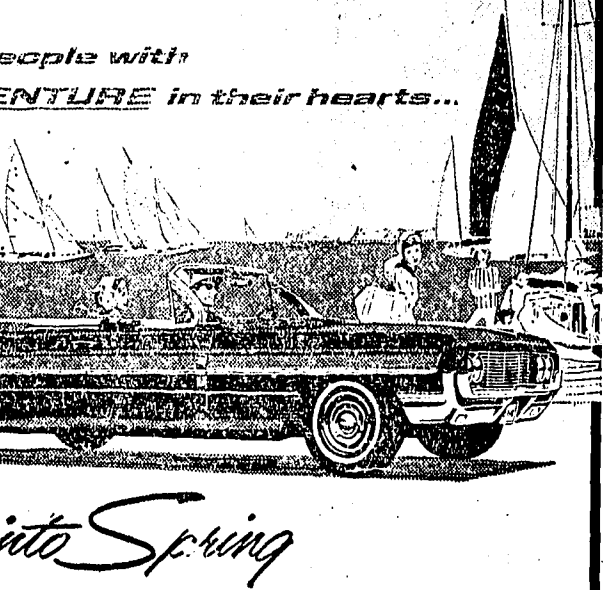

Joseph Brady, vice president of Citizens Mutual Insurance company, lives at the meeting with his humorous talk.

Good food, fellowship and entertainment marked the gathering of 81 Novi businessmen last Thursday, an event arranged at Saratoga Farms by the Novi Rotary club.

For people with ADVENTURE in their hearts...

Every one of Oldsmobile's five fiery new convertibles packs a handling V-8 power plant. Every one sports a fast wheel-drive that makes you want to leave your garage door open! Every one is plainly labeled "Oldsmobile"—as fine a sign of quality craftsmanship as you can find. Pick one... make a top-down test today!

Friendliness a Wonderful Thing

I wish to express my appreciation for being extended the privilege of attending the dinner presented by the Rotary Club, at the Saratoga Farms on the evening of April 5. I want to thank Leo Harwood and his associates for the fine dinner and splendid evening, and especially Leo for the way he presented it, and the welcome feeling he extended to everyone.
