noney well invested in the future to become affiliated with that TV will revolutionize teach- M's".

What's happened to Northville's city hall plans?

Shortly after voters in June, 1960 approved sale of the community building to the school district for \$145,000 the city council plunged into a project to erect a new city hall with the sale funds.

A silicanci addiscoveries of the communities to keep an anti-communities to keep an anti-c

acility on the present site. Subsequent council study sessions narrowed a field of prospective architects down to three or

proposal some two years ago because it did not feel that sufficient funds were available.

It has always been the opinion of this writer that the community college plan is extremely important to the assumance of an opportunity for education for present and future generations.

And I cannot agree that it is not our obligation to help provide this opportunity.

And I cannot agree that it is not our obligation to help provide this opportunity.

The hour may be late, but Northville can still vote itself into the community college district.

This might not win the Northville township site for the community college district.

This might not win the Northville ownship site for the community college, but it would indicate that the people of normal manually to the project.

**VOTE FOR GOP PRIMARY AUGUST 7** 

Paul Chandler Is Running On the Republican Ticket for Nomination as State Representative, 21st District and Earnestly Solicits Your Vote

PAUL M. CHANDLER

the man who will give our suburban area a strong voice and Real Representation in Lansing.

• the man known throughout Michigan for his Courage and Independence as a newspaper publisher and editor.

the man trained in government and politics, since college, through practik cal experience and education.

HIS PLATFORM

· Solve Michigan's financial problems by a tax plan based on actual ability to pay, Eliminate punitive, "nuisance taxes and all other taxes which injure the business climate, • Have a tough, searching inquiry by the State Public Serve ice commission into the rates being charged in the new suburbs by utility and telephone companies.

• Find a new "state aid" formula for schools which provides special help for exploding population areas, during their most difficult growth years. Support the new Constitution, and support George Romney ... In his drive to revitalize State government.

HIS BACKGROUND

\* Graduate, University of Michigan, BA in Political Science,

\* Pioneer in successful Community College project.

President of his own business; knows business problems. and business-like approach to government & management

would do well to heed the "voter revolution" that has taken place all around the local district and prepare for the day when Northville must appeal to the electorate for renewal or building additions that will require bonding). To date Northville can consider itself fortunate, indeed. A request for school millage has never been defeated.

But Plymouth, South Lyon and Novi had brighter days, 100. Then the tax-weary voter revolted. Novi finally won badly needed operating millage after

In South Lyon the situation is more critical. The system faces a \$32,000 deficit even after adoption of severe aut-backs - including reductions in teacher staff, elimination of athletics, reduction in textbooks and school supolies, elimination of a school librarian and elerical help. losing of a new school, half days for most elementar, and all junior and senior high school classes, curtailment of plant maintenance and bus transportation.

South Lyon voters have turned down three millage proposals — all renewal efforts. It's our opinion that the revolt will continue until true tax reform accompanied by a program of economy in government is passed at the state level. Meanwhile, voters will continue taking pot shots at

the only target they have left — the schools.

"Why don't you publish something about the propos ed new constitution in the paper?", Fran Gazlay asked the

He said, and we have to agree with him, that every voter should read the constitution and then decide just what they think of it.

"I've tried reading it and was amazed to find how easy it is to follow and understand," Gazlav pointed out. As a result of Fran's prodding, we're starting a series of reports (about a dozen) this week (page one) that was prepared by the information office of the constitutional convention. The series covers each of the articles of the new constitution and points out the changes. We hope other voters will join Gazlay in becoming
