

# SPEAKING for The Record

By BILL SLIGER

For nearly 350 weeks now I've tried through the prose of these columns to attract and hold the attention of our readers.

I've tried humor, suspense, criticism and praise. Then after a particularly newsworthy effort (in my opinion) I'll casually sneak the subject into a conversation with one of my loyal readers on the chance that he'll want to tell me what a fine job I've done.

Too often the "loyal reader" doesn't know what I'm talking about — but thinks it would make a good subject for an editorial sometime.

Well, I think I've finally discovered the trouble. Our type is too small. Like this *Spotlight* boldface.

Even this 10-point lightface is too difficult to read.

(You may not have noticed. And, as you can see, we've recently changed to have 9-point boldface to 9-point, like this for all our wide some contrast in our single-column news and want news columns, or to emphasize a point).

So now we're introducing 11-point, which like our 9-point, is from the "Corona" family of type faces.

We also have an 11-point boldface — but it's "Erbar", rather than "Corona", which we believe contrasts well with the lightface.

The 11-point will be used for all two-column material, for our cutlines under pictures, for "leads" into certain important front page stories, and for the weekly "Speaking" column.

So in the future (as one of my loyal readers has already said), this column may not be the most interesting you've read, but it will have the biggest type.

(If the 11-point doesn't work, I may have to switch to 14-point "Spartan", like this).

One of the best methods for increasing club membership that I've ever seen is currently being used by the Northville Jaycees.

It may be a little underhanded, but you can't argue with its effectiveness.

The club originally had 23 members when the membership drive began. It now has 18 new members. And number 19 is due to be signed up just as soon as Buzz Stone can find him.

Until he does, the outhouse pictured below stays on his front lawn at 635 Horton.

Buzz Stone ponders his "problem house".

### Buying in Florida

Babson Park, Mass. — I came to Florida 40 years ago when convalescing from tuberculosis (TB, not TV). I never got mixed up with the Florida boom as I then had neither ambition nor strength.

As this is the 40th anniversary of the beginning of the famous Florida boom, I want to invest that money in the stock of General Foods Co. or Coca-Cola Co. (which owns Minute Maid).

The young man who typed me showed me a check for \$100,000 which he had received as a commission; he immediately bought a Rolls-Royce with the money.

Very few people actually saw any money, or even the property they "bought". They were content to receive a "purchase and sale agreement" which they did not bother to file at the Court House. They merely gave their note for the sales agreement; then they sold this at a profit to someone else, who, in turn, sold it to another party. A man could build up to \$100,000 swapping one piece of paper for another. Finally the crash came, and the last party lost everything.

A portion that has appealed to friends of mine is Sanibel Island. A bridge to Sanibel is soon to be opened and a second bridge to Pine Island is under consideration. If prices have not increased too much in anticipation, seashore property on one of these islands might be attractive.

Sealed proposals will be received at the office of the Village Clerk, Village of Novi, 25850 Novi Road, Novi, Michigan, until 5:00 P.M. May 6, 1963. The bids will be publicly opened and read aloud at the Council Meeting which convenes at 8:00 P.M. of said date. The rates of bids for the different items will be noted for the construction of Bituminous Aggregate Surfacing located at Border Hill Road, Mill Stream Lane, LeBost Drive and Willow Lane, Village of Novi, Michigan.

The quantities involved in this work consist principally of the following: 6,911 Square Yards — Bituminous Aggregate Surface Course (2") and related items.

The contract documents, including plans and specifications, are on file at the office of the Village Clerk, 25850 Novi Road, Novi, Michigan, and at Johnson & Anderson, Inc., 2000 Dixie Highway, Pontiac, Michigan. Copies of the documents may be obtained by depositing five dollars (\$5.00) with the Village Clerk or Johnson & Anderson, Inc., for each set of documents so obtained. The amount of deposit for documents will be refunded to each bidder on return of said documents in good condition within 10 days after opening of bids.

A certified check or bank draft payable without condition to the Village of Novi, Michigan, or a satisfactory bid bond executed by the bidder and a surety company in an amount not less than five percent (5%) of the bid shall be submitted with each bid as a guarantee of good faith and the same to be subject to the conditions stipulated in the Instruction to Bidders.

The right to accept any proposal, to reject any and/or all proposals and to waive defects in proposals is reserved by the Village of Novi, Michigan. All bids are subject to the approvals of the Municipal Finance Commission and the sale of bonds.

By order of Mabel Ash, Clerk

### See Upswing of Declining State Birth Rate

Michigan's Birth Rate is bound to go up soon, according to State Health Commissioner Dr. Albert E. Heustis. The 1962 birth rate was 182.45, the lowest since 1952, and the fifth consecutive year to show a drop from the previous 12-month period. The births last year were nearly 10,000 fewer than in 1961, Heustis said.

Whether births continue to drop or remain on a plateau for the next few years anybody's guess. One thing is certain, however, they are bound to go up later," Heustis said.

The Health Commissioner's prediction comes from a look at most statistics of the past year. The majority of parents of babies born during the last few years were born during the 1930's and early 1940's, when births averaged around 29,000.

Within the coming five years most of the "War Babies," born from 1945-49 when births averaged around 25,000 per year, will be getting married and having babies of their own.

The newspaper you are reading now is an essential part of our free society although you might at first think of it as just a bill.

J. Montgomery Curtis, director of the American Press Institute at Columbia University, recently described the newspaper as "the most intimate, personal and effective form of communication."

Pointing to the New York newspaper strikes earlier this year, Curtis said, "the loss of a newspaper to a community leaves a vacuum that cannot be filled by any other means of communication."

Radio and television also contribute to the public's right to know. But both of these are immediate and not long lasting, said Curtis.

"When it comes to depth, television and radio just aren't in the same league with the newspaper," he said. "The (New York) strike proved this point. The loss of newspapers resulted in a decrease in department store sales, as well as in food store sales, auto sales, and the stock market activity," he said.

The Everglades should be avoided on account of mosquitoes and other insects. The most attractive area at present may be the West Coast south of Sarasota — including Venice, Punta Gorda, Fort Myers, and Naples.

In Bad Weather

Michigan's highway system, which has been pulling down the state's economy, is now being pulled up.

This is one of the primary observations of the Consumer Protection Division of the Attorney General's office, which has been hearing complaints about these exceptions for nearly two years.

In this short time, the Division has processed more than 500 complaints involving frauds or cheats. The Division accepts only cases where facts show a violation of state law and a continuous pattern of operation sufficient to imperil the public interest.

The Division does not handle cases which can be handled exclusively by private counsel, but only those which involve a state question.

Deceptive or "bait" advertising, misrepresentations, referral sales and other deceptive buying, selling and leasing practices are the primary areas brought to the attention of the Attorney General's staff. Hopes are that both the continued existence of the Division's probing into complaints, and likely legislation to tighten laws governing possible areas of fraud will discourage such practices and cut the misery in the business world which falls short of honest dealings.

## Air Landfill Problem Before City Council

A petition brought a landfill nuisance problem to a head at Thursday's meeting of the city council.

Approximately 20 petitioners, residents of the 12 Mile road area, protested the unsanitary conditions near the landfill which is bounded by 1-96, 1-96 and 12 Mile roads.

The landfill is operated by Gus McCree.

City Attorney Gene Schelz was instructed to contact the city health inspector, Lawrence Lamont. Together, they will investigate and advise the council whether legal action can be taken.

Gravance of the petitioners was aired at the meeting by John Thompson of 4820 12 Mile road.

"When I returned from the north half of the route between Indian River and the nation, has received another honor.

The 330-mile Ohio-to-Mackinac freeway has been cited as one of the nation's most scenic freeways. This marks the second year in a row that portions of the freeway have received such a citation from the Better Highways Information Foundation.

Both sections cited for their scenic attractiveness are in the Foundation this year.

State highway officials fully expect the entire freeway, standing a good chance for honors from the Foundation this year.

Thompson said, "my property was littered with papers. I picked up bushes."

He added that when the wind was blowing from the west, the odor was bad and that there was a very serious problem. "They dug a drainage ditch but there's no place for the water to go," he said. "It goes through a culvert under 12 Mile road and there it ends. The water's stagnant."

Mayor Wesley McAtee replied that in his estimation the rules and regulations set down by the city of Wixom in the landfill contract were being violated.

He stated that he had been out to the fill and there weren't any dirt piles to cover the rubbish. They just dig holes, dump and fill over with the dirt they just removed, he said. And

he added, they don't seem to be observing sanitary control.

Also referred to Attorney Schelz for investigation was the proposed purchase of the Truck property for future development as a recreation and park area.

Schelz will determine whether the parcel — as outlined in a plan submitted to the council — does include beach frontage. He will also determine the water rights.

The 23-acre parcel is located on the southwest corner of a lot bounded by 12 Mile road and 12 Mile road. The parcel is given at an October meeting of the council was \$8,500.

Mayor McAtee said that development of the parcel would take place in the future, but was the time to buy. He added that the value of the land through appreciation would be much higher in the future.

After hearing a letter from city Engineer Herbert Munzel and the explanation of DPW Administrator Robert Trumbley, the council voted \$500 to repair Beck road.

Trombley explained that there were three bad spots on Beck road between West and 12 Mile roads. The road was damaged where cuts in the road went below the water table.

In other action: —Discussion of parking on the proposed widened section of Pontiac Trail through the Wixom business district was deferred until the next meeting. Reason given was that the Chamber of Commerce had not yet submitted a letter outlining desired parking conditions.

—Edwards Road Service of Detroit was awarded the contract for oiling 15,774 linear feet of roads in the city of Wixom. Cost of applying the 50 percent asphalt base road oil is 10 cents per linear-foot or about \$2,000 for 20,000 feet.

—The council agreed to pay \$73.25 to correct the traffic hazard at the corner of Beck and Pontiac roads as recommended by the Automobile club of Michigan. A street light will be installed free of charge with a rental charge of \$2.50 to the city.

—The council voted to permit the police department to exceed its gas budget. Reason for exceeding the budget was an increase in the price of gas.

—The council gave formal acceptance to the \$75,000 federal grant for road improvement.

—The council agreed to discuss a change of the bi-monthly meeting date of the council at the next meeting.

Novi Moms Slate Fair For May 11

Saturday, May 11, is the date set aside for Novi school's annual fair.

The fair, scheduled to run from 3 to 8 p.m. at Novi school, is sponsored by the Mothers' Club to raise funds for supplementary teaching tools.

Highlights of the day will include games and merry-go-round rides for the youngsters. Booths will include candy and cookie shops, ice cream parlors, gift shops and bake sales.

The Novi Friends of the Library will sponsor a special fire booth where they'll sell used library books. Proceeds will go to the operating costs of the library.

Rotting over Saturday's fair will be a king and queen coronation at a pre-dance Friday night for junior high students. The 7 to 10 p.m. dance in the community building is sponsored by the Junior High and its members. Dance chairman is Mrs. Don Kuck.

The fair will also feature a spaghetti supper from 5 to 7 p.m. in the school cafeteria. Chairman of the supper is Mrs. Floyd Darling.

General chairman for the festivities is Mrs. Fred Loyne. Assistant chairmen are Mrs. Orland Vannan and Mrs. Ward Warren.

CHECK PRESENTATION—Willowbrook Community association gave Novi's library a check for \$300 last week for the library's operating costs. From left, George Ames, association president, presents the check to Mrs. William Paquette, retiring librarian. The library, which will not receive township support until January, now has sufficient funds to operate through September.

## Two School Seats On June 10 Ballot

Petitions for two school board vacancies have been taken out for William MacBride and Bruce Simmons of 4650 Stassen and 46200 West 10 Mile.

As yet, no petitions for the three-year term have been filed in the office of Superior Exhibitor — Third graders in the Orchard Hills school have been spending spare moments during the last few weeks manufacturing a giant wall map, "Around the World in 80 Days." Among the makers were, from left, David Koopman, Bob McCallan and Gary Stroutos.

The map was exhibited Tuesday evening in Orchard Hills school as part of a "Creative Classrooms Display," sponsored by the P-TA, students and staff of Novi schools.

Neither Dr. Walter Ambinder nor John MacBride, whose terms expire this June, have indicated whether or not they'll file a petition for re-election. Dr. Ambinder is currently

Acting on the applications will be the library's new board of directors soon to be appointed by the township board.

Qualifications for the positions, as set down by the current board of directors, include a sense of a library's purpose and need in the community; ability to keep records, type, write letters and select library materials; and an ability to improve job performance.

The current board asks that applicants be between the ages of 21 and 60 years and noted that Novi residents will be given preference.

\$1 an hour with the librarian working 20 hours a week; the assistant, four hours. The board notes that hours will be extended after September 1.

He noted the week that the Commerce Board's third annual parade should be the biggest and best ever.

Dyer said the board will be awarding prizes for the best float and the best decorated vehicle. He added, "Everybody's welcome to join in the fun."

## Set Hearing Tuesday

# Village Budget Hits \$212,320

Village councilmen gave preliminary approval to a balanced \$212,320 budget last week and set May 7 as the date for a public hearing.

The \$212,320 proposed increase over last year's \$187,500 budget is primarily eaten up by the addition of one salary and several increases.

Included in the new budget is a \$5,000 fund for the hiring of an "administrative trainee" to relieve the burden being put upon Novi's administrative assistant, Harold Akeley.

Unofficially, councilmen have said they favored hiring Patrolman Earl Bailey for the job. This week, the police department began advertising to fill a department opening.

In the proposed budget, \$100 to \$400 raises are slated for all members of the police department. Other full-time employees of the village, with the exception of Akeley, are scheduled to receive raises averaging \$200.

Akeley explained that the council has proposed the raises in an attempt to "establish a maximum for all village employees with a yearly cost-of-living raise."

Some \$5,000 has been earmarked for engineering costs in the proposed budget, giving the village the first such fund in its history. Previously, any engineering bills were paid from the legal fund, often bringing it more in line with costs.

Another \$7,000 has been set aside for the village's share in the Oakland County DPW survey of sewer possibilities in the Willow Lake area.

The proposed budget shows an increase of approximately \$23,000 in general fund revenues as compared to last year's budget. Specifically, expected increases are listed as liquor license fees, \$300; sales tax diversion, \$7,000; intangibles taxes, \$1,000; justice

Another \$7,000 has been set aside for the village's share in the Oakland County DPW survey of sewer possibilities in the Willow Lake area.

**Club Notes**

**O.E.S.**  
Laurel chapter of Toronto, Ontario, will be the guests of Orient Chapter 77, Order of Eastern Star, in the Northville Masonic temple Friday.

"A Story of Ruth" will be part of the entertainment, following a 6:30 p.m. dinner.

The King's Daughters will meet Tuesday at 2 p.m. in the home of Mrs. Donald Severance, 352 Fairbrook. Members are asked to bring their discarded jewelry, wrappage.

**Mothers' Club**  
The Mothers' Club will elect officers for the coming year at the club's annual business meeting May 13 at 8 p.m. in the home of Mrs. William Wilcox of 1185 Eight Mile.

Hostesses for the evening are Mrs. William Davis, Mrs. B. W. Secord and Mrs. Al Wister.

**Wixon Extension Group**  
Chairman of the Wixon Extension group for the coming year will be Mrs. Seth Monroe.

Other new officers elected at a recent meeting are Mrs. John Gibson, vice chairman; Mrs. Daisy Wigent, secretary; Mrs. William Wellens, treasurer; Mrs. Howard Oie, project leader; Mrs. Robert Rickard, reporter; Mrs. Arthur Cox, recreation chairman; and Mrs. George Morris, community chairman.

In other business, the group changed the regular meeting date to the third Tuesday of each month. Mrs. Berle Dean led the lesson for the day. Hostesses were Mrs. Ray Nelson of Walled Lake.

**OLV Ladies Guild**  
Election of officers will highlight the 8 p.m. Tuesday meeting of Our Lady of Victory Ladies guild in the church hall.

**Newcomers Club**  
Sunday, the Newcomers Club will elect and install officers for the coming year at an International Potluck supper.

The supper, due to begin at 6 p.m. in the OLV hall, will feature favorite dishes of members' ancestors.

A program of games will follow the supper. New residents are "especially welcome" to attend the festivities, according to club officers, and may contact Mrs. James Tellam (FI 9-2441) for information concerning the club.

Mrs. Donald Lane Crabtree

**Novi Couple Wed In Saturday Rites**

Marietta Lee Vekly was united in holy wedlock to Donald Lane Crabtree in an afternoon ceremony Saturday in the Ward Memorial chapel, Livonia.

The bride was given in marriage by her parents, Mr. and Mrs. Michael W. Vekly of 2246 Summit drive, Novi. Parents of the groom are Mr. and Mrs. H. Lane Crabtree of 28375 Summit drive, Novi.

Tail line arrangements of white snapdragons and mums adorned the altar where Dr. Bartlett L. Hess united the pair. Sing during the ceremony were The Lord's Prayer and Because.

Frank's O Lord Most Holy, Mendelssohn's Song Without Words, Bach's Arioso and Schumann's Träumerei completed the musical setting of the wedding.

The bride chose a pearl de robe gown to be wed in. The gown featured a bell-shaped skirt, scoop neckline, kabuki sleeves, nelson lace-trim at the neckline and empire bodice and was completed by a chapel train.

The bride carried a crescent of stephanotis and ivy with white callieya orchids, carnations and snowdrift mums.

Maid of honor was Mrs. Frances B. Gibbs while the best man was Richard Crabtree. Bridesmaids were Mrs. Harman Nine, Mrs. Robert Grady and Miss Michelle Vekly serving as junior bridesmaid. Flower girl was Debra Crabtree, the bridegroom's niece. Ushers were Harmon Nine and John McChesney.

The matron of honor was seated in an aqua silk organza dress with a bell-shaped skirt, elbow-length sleeves and scoop neckline. She carried a crescent of yellow snowdrift mums and yellow roses.

The bridesmaids wore dresses styled like that of the matron of honor. They carried bouquets of white snowdrift and yellow mums.

The flower girl also wore a light aqua dress and carried a small basket of yellow rose petals which she scattered in the aisle's path.

For her daughter's wedding, Mrs. Vekly chose a regal blue sheath dress with a matching jacket and a floral hat. The groom's mother wore a three-piece beige shantung dress with pink accessories.

Following the wedding, a reception for 125 was given at the Torunda Inn on Pine Lake, Orchard Lake. Dinner and dancing followed.

Mrs. Crabtree chose a pink silk shantung sheath dress with a tuckled front for her wedding trip to Florida and Nassau.

The bride holds an A.B. degree from Eastern Michigan University and was a graduate student at Purdue university. She is a member of Kappa Pi.

Her husband is a former student at Detroit college of applied science.

The newlyweds will make their home in Rossville.

**about WOMEN**

The Northville Record—Novi News—Thursday, May 2, 1963  
Section One — Page Two

**News Around Northville**

Donna Richardson of 814 West Main street held an open house punch party at her home last Friday night before the senior picnic, "Twilight in San Francisco." All seniors were invited.

Celebrating their 18th wedding anniversary Saturday evening were the Edgar Proms of 4600 Neeson.

The couple went to Saratoga Farms for dinner and dancing. Mr. and Mrs. Prom were married April 30, 1945 in Detroit.

Guest of honor at a post-confirmation dinner Saturday was 10-year-old Michele Morrison, Michele, the daughter of Mr. and Mrs. George Morrison, was confirmed in Our Lady of Victory church. Friends and relatives of the family then feasted Michele at a dinner party in the family's Butler street home.

Former Northville residents Mr. and Mrs. Leslie Nagy and family have just returned from a month's trip to California.

The Nagys, now of Livonia, visited the Richard Woods, formerly of Plymouth, and stopped in Illinois to see the Keith Simmons.

A two months' tour of Europe has just started for Sarah Schriber, daughter of Mr. and Mrs. Nelson Schriber, Jr., of Orchard drive. Sarah's now on a French Riviera. She's traveling with her aunt, Mrs. Mr. and Mrs. H. C. Walker of Gaylord, her aunt and uncle, Mr. and Mrs. Prentiss Brown of St. Ignace, and Mrs. Paul Ivey of Los Angeles. They crossed the Atlantic aboard the French liner, the S.S. France.

A visitor last week of the Charles Elys, 247 West was Mrs. Harold S. Goldstein of Miami, Florida. Dr. Goldstein was attending the musical setting of the national sixth grade division, The University of Michigan medical school. The Elys met Dr. Goldstein last summer on a vacation cruise from New York to the Caribbean.

From East Lansing and Michigan State university comes word that Carl E. Janzick was among the 220 students honored at a dinner yesterday for having an all-A record during the winter term.

Miss Janzick, a sophomore in business studies, is the daughter of Mr. and Mrs. Arthur Janzick of 373 N. Rogers.

The Whipple Estates Property Owners' association elected new officers at the annual meeting Sunday at the home of the Richard Martins.

Elected were Richard Martin, president, Robert Matthews, vice president, and Mrs. Daniel R. Brown, secretary-treasurer.

Several new residents of Whipple Estates were introduced and welcomed. Among them: Mr. and Mrs. Howard Hendrian, Mr. and Mrs. Raymond Heyman, Mr. and Mrs. Samuel McSevery, Mr. and Mrs. Charles Guider and Mr. and Mrs. Steve Morski.

In Bonville, Missouri, Terrence P. Meyer won a place in the General Honor society at Kemper Military school and college for his scholastic achievement.

Recently cupping an athletic medal at Roosevelt Military Academy was Mike Zayil, son of Mrs. Margaret Zayil of 43555 Six Mile road.

Cadet Zayil received a bronze medal in special ceremonies at the Alton, Illinois, school.

David E. Ryder, a senior at Eastern Michigan university, will participate in a military review Monday in Briggs stadium at the university.

Cadet Ryder is the son of Mr. and Mrs. Earl A. Ryder of 412 Randolph.

Northville delegates to the Michigan State Employees association's 13th annual general assembly this weekend in Lansing will be Miss Marion Young of 2823 Russell, Francis Collins of 1924 Marilyn road and Mervin Greener of 350 Wing.

Visiting Mrs. James Spagnolo of Main street last weekend was Mrs. Charles Lemieux of Stony Point, Ontario.

The groom is the son of Mr. and Mrs. two doctor brothers and two sisters and proceeded to Mason where they threw a surprise party for Mrs. Spagnolo's sister, Sister Helen, O.P. of the St. James convent.

Mrs. James Junod Rysor

**J. Rysor Weds California Girl**

Ariene Rosemary Svoboda became the bride of James Junod Rysor, a former Northville resident, at the altar of the First Presbyterian church, San Bernardino, California, March 16.

The groom is the son of Mr. and Mrs. Bernard J. Rysor of Burt, New York. He is the grandson of Mrs. A. L. Junod of 223 High street with whom he resided before moving to California in 1961.

Mrs. Junod attended the wedding with the Rysor family.

The bride, daughter of the H. W. Svoboda of Rialto, was escorted to the altar by her father. The ceremony was performed by Reverend Dr. Richard M. Mussen.

"I Love Thee" and "The Lord's Prayer" were featured.

**- BIRTH -**  
Proud grandparents of a new girl, Colleen, are Mr. and Mrs. Thomas Campbell of Wing court.

The baby, weighing seven pounds, three ounces, was born to Mr. and Mrs. Robert Campbell of Livonia April 20 in St. Mary hospital.

The Campbells have two other children, Robbie, 5, and Heather, 2.

ONE'S AWAY — Mr. and Mrs. Russell Baker, Bruce and Janet relay on a Sunday afternoon. Missing is David, who was on the move, relaxing at the golf course.

Crossroads of life for the away from Royal Oak two months ago.

Now, Mr. and Mrs. Baker have to travel approximately the same distance to work. She is a secretary at the Cranbrook Foundation in Bloomfield Hills.

A marriage and two children later, the Bakers moved to Royal Oak. Then came the move to Novi.

Their three children travel, too — to school. David, 14, is a freshman at Northville high school. Bruce, 12, is a seventh grader at the Novi school, and Janet, who is nine is in the third grade at Orchard Hills school.

Nights and weekends the family is together in its new home however. Even then, the Bakers are active.

They all attend the Presbyterian church in Northville. "We intend to join the church in the near future," said Mr. Baker. "When we were very active in church affairs," he added.

His son, David is also active. He's a hurdler on the Northville high school track team. On weekends, he catches at a golf club.

"Although we're on the go, we like this area and our new home," said Mr. Baker. "We like the country atmosphere and we've got a little more room here to move about," he noted.

**Long-Shultz Vows Said At Our Lady of Victory**

Betty Jean Long became the bride of Dale Gordon Schultz Saturday afternoon in Our Lady of Victory church before an altar banked with red and white roses.

Reverend John Wittstock, pastor of the church, officiated at the double ring ceremony.

The bride's brother, Robert Long, escorted her to the altar.

For her wedding, the bride chose a street-length white lace and satin gown with a scoop neck and three-quarter length sleeves. She wore a wrist corsage of white carnations.

Attired in a lavender gown, Susan Sieger of Detroit acted as the bride's maid of honor. Attending the groom as best man was Peter Marosse of Detroit.

Music for the wedding was done by Miss Karen Wetterstrom.

Following the ceremony, wedding guests attended a breakfast in the church social hall.

The bride, daughter of Mrs. Carl Yurgalite of Livonia, is being attended by American Motors company. The groom, son of Mr. and Mrs. Harold Schultz of 4854 West Seven Mile, is a private in the United States Army stationed at Fort Knox, Kentucky.

Mr. and Mrs. Dale Gordon Schultz

**Pops Concert Going 'Out of this World'**

Wayne Dunlap, Conductor of the Plymouth Symphony Society, has again come up with some unique and unusual features for the annual Plymouth Symphony Pops Concert on Saturday, May 3.

Several objects, familiar but unusual in a symphony orchestra, will be used during the concert.

Starting at 8:30 p.m. in the Plymouth High school gymnasium, this entertaining spring program has become a high light of the musical and social events in this area. Sponsored by the Plymouth Symphony League, all proceeds are given to the Plymouth Symphony Orchestra.

The theme will be "Out of this World" and will include the "Grand, Grand Overture" by Malcolm Arnold, utilizing three vacuum cleaners, a floor polisher and a hair spray.

Mr. Sibbold, a professional with a professional background, will again be a soloist. Sibbold will sing a number called "All Points West" by Rogers and Hart in which the singer portrays a train caller and tells of the various points of interest and individuals he encounters enroute.

Like former Pops Concerts, the audience sits around tables and can purchase refreshments. Tickets for table reservations are \$1.50 per person and are now on sale at Melody House in Plymouth. The public is urged to make their reservations now to avoid disappointment as tickets are going rapidly. No phone reservations will be taken.

**Card Party**  
Novi's Farm Bureau will hold its annual benefit card party Saturday at 8 p.m. in the community building.

Door and table prizes will be given with coffee and homemade cake served after the evening of cards.

**Kitchen Diary For Casserole Lovers**

A casserole collector is this week's Kitchen Diary contributor.

She's Mrs. Robert Hallam of 2168 Summerside, who says she became a combination recipe hunter soon after she married.

My husband is casserole-minded, Mrs. Hallam explained.

She theorizes that her husband's taste for casseroles probably originated back when his mother was doing the cooking.

"In those depression days, my husband said his mother threw everything together to make it go a little further," Mrs. Hallam recounted.

Mrs. Hallam's contributions:

**CHICKEN CASSEROLE**  
3 cups cooked rice  
1/2 cup stuffed olives chopped  
1/2 cup walnuts broken  
2 cups cooked chicken cut in large pieces  
10% ounce can of condensed mushroom soup  
1 can chicken broth.

Add the rice, olives and walnuts, letting the rice cool first so it won't cook the olives and walnuts. Toss lightly. Put 1/2 of the mixture in a greased 1 1/2 quart casserole dish. Combine chicken and mushroom soup. Spoon 1/2 of the mixture over rice. Add remaining rice mixture, top with remaining chicken mixture. Add broth. Bake covered in a 350 degree oven for one hour. Makes 6 servings.

**GOURMET PORK CHOPS**  
Melt 3 Tbs. butter or margarine in a skillet. Brown 6 center cut pork chops on both sides in fat. Remove chops and add to drippings. Add and crush 2 bouillon cubes, stir to onion.

1 1/2 cup celery  
1 1/2 ounce can sliced mushrooms drained  
Cook vegetables until tender or about 5 minutes. Add and crush 2 bouillon cubes, stir to onion.

# SPEAKING for The Record

By BILL SLIGER

There's a chimpanzee down at a Wayne State university laboratory who has become an adept cigarette smoker. He's been taught to inhale and now enjoys the habit at the rate of a pack-a-day. He's also developed lung cancer.

And if we want to adopt an ostrich attitude on the subject, we can pretend there's no connection between the two aforementioned facts.

I'd also suggest that you don't read "Cigarette Smoking and Cancer," a new booklet issued by the American Cancer Society.

The facts aren't pleasant. Certainly no cigarette advertisement can boast: "smoke our brand, they're good for you."

It isn't my intent to spoil the pleasure a confirmed cigarette smoker gets from "dragging a tag." I have my own problems in this regard. Cigarette smoking is a personal habit and the risk involved is the option of the individual.

But I believe the risks should be made perfectly clear to our teenagers so that they may reach an educated decision.

This is the position the American Cancer Society has taken. A filmstrip, "To Smoke or Not to Smoke" and a movie, "Is Smoking Worth It?" have been made available by the Society and shown in thousands of high schools (although not locally, I am told).

The number of cigarette-smoking teenagers is unbelievable.

An administrator of our local school system estimates that 20 per cent of the youngsters in grades nine through 12 smoke cigarettes.

An official of the American Cancer Society would like to bet him a package of chewing gum he's wrong.

Here are the figures gathered by the Society in a study taken at Highland Park high school:

- 12th grade—50.60 per cent;
- 11th grade—45.50 per cent;
- 10th grade—40 per cent;
- grades 7 through 9—over 20 per cent.

And these youngsters are not "smoking one out behind the barn." They're smoking at least one pack of cigarettes per day.

One million of these youngsters will die from lung cancer. That's not a figure at random—it's an inescapable statistic.

Here are a few more:

- Lung cancer is rare among non-smoking males and practically non-existent among non-smokers living in rural areas;
- 41,000 Americans die yearly from lung cancer: 35,000 men, 5,500 women—10 times the rate of 30 years ago;
- The likelihood of death before 65 for men aged 35 is nearly twice as great for heavy smokers as non-smokers;
- Cancer of other sites besides the lung is far higher in cigarette smokers than non-smokers;
- Lung cancer is increasing more rapidly than any other cancer in the body—paralleling the consumption of cigarettes;
- Lung cancer death rates are lower in ex-cigarette smokers than in persons who continue to smoke cigarettes, and except for individuals who have prolonged occupational exposure to certain dusts, fumes, or gases, lung cancer is rare in persons who have never smoked cigarettes.

The American Cancer Society believes that cigarette advertising today is directed to a large degree at teen-agers (65 per cent of the TV cigarette ads appear before 9 p.m.).

But take away the pretty girl walking beside a rippling stream, the rugged mountain climber scaling a peak, or the handsome athlete rounding third...

...and you still find more than 10 cancer producing agents in cigarette smoke.

## Roger Babson Employers Rank Drop-Outs Low

Babson Park, Mass.,—In important only through perfect teamwork can employers, employees, and stockholders get the most out of any operation. A man who makes a tiny error in his part of the team job very unimportant when contrasted with that of a brilliant scientific engineer who does not afflict all workers, but I do think that far too many employed men and women could fall at take-off, could plunge into the ocean, or could just plain blow up if anything should go wrong with that tiny switch.

So, if you happen to be the man making that small switch, don't think that you are less important than the big-salaried engineer. If you are not responsible on your part of the team, it won't do the engineer any good to be brilliantly responsible on his part of that team.

A good many young people today are not naturally aware of the necessity of discipline, and unfortunately their families and school teachers often fail to make this need plain to them. That is the reason for the innumerable dropouts from junior high schools and high schools throughout the nation. If these children have no sense of responsibility toward their own education, it is not likely that they will assume any when they go into the business world. Such children grow into adults who consider their jobs of no real value, who do not take the meaning of the word "responsibility."

Let me warn the parents of today's youngsters that employment agencies are dead-end agencies hiring school "dropouts."

This is a time of specialization. There is 20% less demand right now for common labor than in 1950; and certainly no body can expect any rise in the going wage rate for those checking in the "common labor" categories. Best opportunities are in engineering, advanced mathematics, physics, electronics, data processing, and communications.

If you let your children or your grandchildren drop out of a company's prestige is the school, they will probably never acquire any needed responsibility; and they will never get the training that will make them prospects for the big jobs—perhaps even for any job at all—tomorrow. Don't let your child become a "dropout."

# Michigan Mirror

## State Studies Delta Plan

Controversy over creation of a junior-senior year college in the Saginaw Valley rages on despite a blue ribbon committee's recommendations.

Now the interests seeking some method of providing the senior college facilities for students at Delta College are hoping that a blue ribbon committee appointed by Gov. George Romney will solve the problem.

A legislative committee which undertook an extensive study of the needs of the Saginaw Valley population last summer thought its conclusion was a valid one. It sponsored and gained House approval of a measure to create a two-year state-supported institution in the area.

The college would have been established in the same way Grand Valley College was created two years ago, with an initial \$1 million coming from individual and group contributions.

At Romney's urging, however, the Senate refused to approve the House-initiated bill. Romney said he wanted his committee on higher education to come up with a comprehensive plan for the state rather than to continue patchwork development of college units in single areas as the need arose.

Eventually, all 600,000 copies of the map printed this year will find their way into the glove compartments of cars throughout the nation, and many of these will return to Michigan as the heavy tourist season approaches.

Swindle schemes designed to rob senior citizens of their life savings are many, warns Gary D. Hansen, director of the Michigan Commission on Aging.

Hansen urges retirees "to be on the alert against promoters and salesmen who offer 'get-rich-quick' investments and 'cures' for various diseases, such as arthritis."

Among the major frauds being perpetrated on senior citizens:

- TB is not licked although great strides in detecting and curing the disease have been made in recent years, says State Health Commissioner Albert E. Heustis.
- Still have a lot to be concerned about," Heustis said. "There were 2,314 new active and probably active cases of tuberculosis reported in Michigan last year."
- Since the introduction of new drugs in the early 1950's, however, the death rate from tuberculosis has been dramatically reduced. As a result, the length of hospitalization has also been reduced. Most patients to return home after a relatively short period of isolation and treatment in sanatoriums.
- New advances in treatment are continuing, Heustis noted, with the prospect of reducing the number of beds needed for tuberculosis care will continue to decrease, but this is no indication that the disease is on the way out.
- We need a new yardstick to measure the importance

# School Board Okays New Screening Plan

Some of Novi's pre-kindergarten youngsters will have a sneak preview of school late this summer.

The youngsters will be participating in a screening program approved last week by the board of education.

The program, which is being set up for children whose birthdays fall between September and December 1, will actually get underway May 20 with regular kindergarten registration falling on May 24.

Superintendent of Schools Tom Culbert explained that the one-week, pre-kindergarten session scheduled for this summer is being set up "to observe and evaluate" the younger group.

Consultations, he said, will then be made with the parents and a recommendation given as to the child's readiness for kindergarten enrollment.

The program idea originated, according to Culbert, because many teachers and school authorities had "some children encounter difficulties all through school since they enter school before they are ready."

He stressed that it is not the intent to exclude any child from enrollment. If he showed evidence of school readiness, rather, he added, the parents of children who are doubtful about the readiness of their child or who may not realize that in comparison to the group he will be attending in school, he is immature.

Pre-kindergarten youngsters not scheduled to participate in the screening program will be registered on Friday, May 24, at either the Orchard Hills or Novich schools.

Registration that day will be limited to those children who have a birth certificate for verification of the child's birth date. Available for consultation that day will be the school nurse, kindergarten teacher and principal.

Parents are asked to bring a birth certificate for verification of the child's birth date. Available for consultation that day will be the school nurse, kindergarten teacher and principal.

# Council Appoints Bailey 'Trainee'

Earl Bailey, a Novi policeman for two years, was officially appointed "administrative trainee" at a meeting of the village council Monday night.

Bailey will assume his new position as trainee under Harry Ackley, administrative assistant, immediately.

Program chairman for the approval or disapproval of the appointment was Councilman Philip Anderson, who moved that Ackley be given the position of acting manager "in order to give him some authority."

The motion failed for lack of a second.

Ackley assured the council that he would "just as soon continue under the current manager." The problem, he said, is that he is sometimes forced to make decisions that he feels he can't make for himself.

"Probably," he observed, "the fire department and other departments realize my authority is limited, and suggestion doesn't always work."

Councilman Donald Young agreed that the administrator does sometimes lack authority. But, he added, "I think a little more cooperation among departments would actually serve the purpose better than trying to establish more authority."

Saragota Council President Joseph Cruppi told the council he was not adverse to acting on the request to promote Ackley. "I will act on the request," he announced that this village can't get along without a manager or doesn't have one.

Also coming before the council Monday night were three requests for licenses under a new ordinance 31, dubbed the dance hall ordinance.

The council granted a license to Walled Lake Casino, Inc. for operation of a dance hall and one to Walled Lake Park company to operate an amusement park.

The council refused to act on a request from the park company to operate a dance hall on park premises. The reason for the refusal was that

# THE NOVI NEWS

Vol. 8, No. 52, 14 Pages, Two Sections  
Novi, Michigan, Thursday, May 9, 1963  
10c Per Copy, \$4.00 Per Year in Advance

# Village Budget Holds Tax Line

Unanimous approval was given a record \$212,520 village budget Tuesday night following a public hearing.

Councilmen made no changes in the budget Tuesday.

In dollars, the budget is up \$24,820 over the 1962-63 budget with the general fund estimated at \$146,920 and the highway fund, \$66,000.

An increase in general fund revenues such as liquor license fees will offset increased expenses, holding the tax levy at five mills for the coming fiscal year.

Approximately \$8,000 of the total increase in the budget is earmarked for one additional salary for an administrative trainee and several increases in salaries in line with those in surrounding communities.

Council President Joseph Cruppi explained Tuesday night that the salary increases, particularly those in the police department, are part of a long-term plan to bring Novi's salaries in line with those in surrounding communities.

Cruppi said that the council will try to start all policemen at \$4,000 a year, rather than at the current rate of \$3,200.

Our plan, he continued, is to give policemen \$400 a year in merit raises yearly, until they reach a top salary of \$5,200. After that, he added, police raises will be at the order of \$100.

Councilmen used the plan in determining police raises for the coming year. Gilbert and Sullivan, who were granted \$400 raises; At the top, the police chief received a \$100 raise, bringing his salary up to \$6,000.

The council briefly discussed including provision for a police life insurance policy in the new budget, but decided to investigate insurance possibilities before taking action.

Currently, the village carries no life insurance on its policemen, but does provide a \$500 benefit for firemen.

It was pointed out that should the council decide to purchase police insurance, such insurance could be paid for out of a \$2,800 unexpended contingency fund.

Other major budget increases include \$3,000 earmarked for engineering costs; \$2,000 for the legal fund to bring it more in line with costs. Another \$7,000 has been set aside for part of the village's share in the Oakland county DPW survey of Walled Lake sewer possibilities.

Expenditures:  
Administrative \$7,300  
Police department \$2,125  
Fire department \$2,130  
Highway department 200  
Village hall expense 5,850  
Unknown contingencies 2,054  
Street construction 2,775  
Engineering fees 7,000  
Total \$146,920

# Youth Protective Members Plan Summer Fun for 300

Summer's drawing closer. And so is a new recreation program designed to keep the hands of some 300 Novi youngsters busy during the summer.

The program, sponsored by the Novi Youth Protective committee, will run for nine weeks, beginning the week of June 23.

On the agenda are classes in arts and crafts, canoeing, golf, physical fitness, swimming, and tennis. Also tentatively scheduled are field trips to ball games and for nature study.

Program registration is planned for the first week in June.

Committee officials note that registration will keep the amount of time which can be devoted to each activity.

Program limits will be set, according to a committee spokesman by "the amount of volunteer help we receive."

As of this week, the committee has employed a swimming instructor and a field day coordinator. The committee is still looking for an arts and crafts instructor.

Volunteers have been found to head the golf, softball and canoeing programs. Chairmanships in the other areas are still open.

Facilities the committee will be using for the program include Novi Township's beach, the community building and schools.

Bob O'Leary, Golf course and Kensington Park.

The committee has budgeted \$375 for the program—money earned last year by Youth Protective benefits. "It's a tight budget," the spokesman said, "but we feel we can successfully provide a program with it."

Plans are to close the program with a public swimming regatta and field day. At that time, the committee expects to summarize the accomplishments of the recreation program.

Co-chairmen of the program are Mrs. Allen Harrington and Mrs. Richard Ritter. Other committee members include Mr. and Mrs. Charles Cometo, Earl Dorsey, Emory Jacques, Leon Drolet, Mrs. Frank Moberg, Mrs. Carl Rowley, Charles Stewart and Edward Vasch.

# Council Okays Raises For Police Department

Unanimous approval was given a record \$212,520 village budget Tuesday night following a public hearing.

Councilmen made no changes in the budget Tuesday.

In dollars, the budget is up \$24,820 over the 1962-63 budget with the general fund estimated at \$146,920 and the highway fund, \$66,000.

An increase in general fund revenues such as liquor license fees will offset increased expenses, holding the tax levy at five mills for the coming fiscal year.

Approximately \$8,000 of the total increase in the budget is earmarked for one additional salary for an administrative trainee and several increases in salaries in line with those in surrounding communities.

Council President Joseph Cruppi explained Tuesday night that the salary increases, particularly those in the police department, are part of a long-term plan to bring Novi's salaries in line with those in surrounding communities.

Cruppi said that the council will try to start all policemen at \$4,000 a year, rather than at the current rate of \$3,200.

Our plan, he continued, is to give policemen \$400 a year in merit raises yearly, until they reach a top salary of \$5,200. After that, he added, police raises will be at the order of \$100.

Councilmen used the plan in determining police raises for the coming year. Gilbert and Sullivan, who were granted \$400 raises; At the top, the police chief received a \$100 raise, bringing his salary up to \$6,000.

The council briefly discussed including provision for a police life insurance policy in the new budget, but decided to investigate insurance possibilities before taking action.

Currently, the village carries no life insurance on its policemen, but does provide a \$500 benefit for firemen.

# Hospital Drive Halts Briefly

The Novi portion of the Huron Valley Hospital Association's fund-raising drive has come to a temporary standstill.

The professional fund-raisers conducting the drive said this week that they were instead concentrating all efforts on raising money in Milford where the proposed 100-bed hospital will be located.

The plan, according to a campaign spokesman, is to return to the Novi area after the campaign "gets rolling" in Milford. At that time, a campaign will also be set up in Walled Lake.

To date, \$3,104 has been raised in the Novi drive which began March 2, according to local Chairman Mrs. Florence Harris.

No announcement of amounts raised in the entire drive will be made, a spokesman said this week, until 15 to 20 per cent of the \$75,000 goal is reached.

However, the spokesman added, pledges are coming in with a high level of giving, a low level of refusal being evidenced.

# Bloodmobile In Northville

Tomorrow's the day the Red Cross bloodmobile will be visiting Northville.

The bloodmobile will be at the Northville Methodist church, 189 Dunlap, from 9 to 5 p.m. on May 10. The Red Cross is inviting to visit the bloodmobile.

# Clubs Meet To Discuss Publicizing

Representatives of 22 Novi Rotary clubs have accepted a Rotary invitation to talk about "mutual publicizing" and "possible coordination" of activities.

The representatives will be meeting today (Thursday) for a 7 p.m. dinner in Saragota.

Purpose of the meeting is to get acquainted and perhaps talk a little about publicizing according to the chairman, Marvin Rickett, pastor of Willowbrook Church.

Other chairman is Leo Hill, former president of the Novi Governing division, Continental Motors corporation.

Organizations sending a representative comprise more than half of the area. They include the Blue Star Mothers, Board of Commerce, Board of Education, Boy Scouts, Civil Defense committee, Farm Bureau, Girl Scouts, Goodwill, Little League, March of Dimes, Methodist church, Novi club, Oddfellows, PTA, Public Library, Rebekahs, Republican Club, Township Board, Village Council, Willowbrook Community association, Willowbrook Community church and the Youth Protective committee.

# 1963-64 Budget

# Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater torque, but more balanced weight distribution. And that's what makes the steering so completely effortless.
