Nothing like a quiet week end in Northville. Just ask Tony Lema, current sensation of the professional golf tour, or his hosts Mr. and Mrs. Ed Adams of 2279 Hagerty.

An old friend of the Addises, Lema and his bride of six weeks were guests Saturday evening at the Addis home. Lema probably thought it would be nice to get "out in the country" after a trying time at the Buick Open at Warwick Hills in Grand Blanc.

Things hadn't been going best for Lema at Warwick. He had a fine five-under-par 67 washed out by rain on Thursday. And Sunday he faced two 18-hole rounds to make up the rain postponement.

Sp after dinner Saturday night at the Addis home, it was early to bed. Tee-off time was 7:20 a.m., which meant he must arise about 4:30 a.m.

At 2 a.m. the rains came. The storm knocked out all the electrical power at the Addis home — "and at our home, everything's electric," Mrs. Adams noted.

With alarm clocks stilled Addis proved he was the perfect host. He stayed up all night. He couldn't eat a cup of coffee, so he drove to a hamburger emporium to drink coffee and kill time. At 4:30 he awakened Lema, who had slept through the storm.

The golf pro was able to wash and brush his teeth with a small portion of ice water rescued from the refrigerator (Addis used gingerale). Sunday night the Addises tried to make-up for the inconvenience. They took the Lemas and Phil Rodgers, another young touring pro, out to Mario's for dinner. Another storm hit — Mario's was flooded and so was the expressway back home.

Monday morning Addis drove Lema and Rodgers to the airport so they could meet a public appearance obligation at Rockefeller Center — and get back to the peace and quiet of New York City.

To make the week end complete Mrs. Addis noted that son, Scott, brought home a classmate from Culver as guest, while on Sunday afternoon there were bacchante services at Country Day school to attend for son, Wally.

White on the subject of families (and as long as I've already wandered astray from the usual variety of subject matter dished up in this column) Northville will lose two fine families this week.

The Reverend Paul Cargio to Caro, and the Robert Beerbooms to Dayton, Ohio. Both families, youngsters as well as adults, have helped make our community a better place in which to live. Their presence will be missed.

The amazing genius of Henry Ford was recalled for a handful of guests of the Ford Wixom plant Monday night at a luncheon where "The World of Henry Ford" was shown on film.

The film is presented as part of the commemoration of the 100th anniversary of the birth of Henry Ford, which officially takes place in July.

Among those attending the preview were Wixom Mayor Wesley E. McAtee, Councilmembers Fred Beamish, Mrs. Lottie Chambers, Howard C. R. W. Lahti and Oscar Simmons, and Clerk Mrs. Pearl Willis and Judge William Welke. Clerk-Mrs. Mabel Ash represented Novi.

Hosts were R. C. Chinn, recently appointed Wixom plant manager, and Joseph Tighe, community relations director.

## Rules for Picking Real Estate Buys

Babson, Rock, Mass. — Last week I wrote about owning forest lands in Florida. This would be in terms of at least 10 acres, and presumably less than 250 acres. I like to have my readers buy real estate in general, such as house lots, and to buy forest lands in which this article appears.

Certainly one should not buy house lots in some distant state, nor buy anywhere, without seeing the property, and a great believer in Florida land. But I hate to see people buy real estate in Florida from maps which they are looking at hundreds of miles away.

When I am asked what is the best fertilizer for an orange grove, I reply, "The footprints of the owner."

This applies also to house lots, especially in subdivisions of some northern city. Now let me give some simple rules regarding the purchase of such house lots.

This latter is the subject of a very popular book entitled "Silent Spring" by Rachel Carson. This book should be read especially by those who are thinking of buying land near a stream. Despite this, land along streams is in demand — for homes, farming, and speculation in elevation. This is especially true if it is to the west of the sunsets. Remember that subdivisions which are near element districts or railroad tracks may not be as desirable as others.

Personally, I made a mistake in buying land in Westby fifteen miles from Boston under the direct route of the airplane's leading Boston for New York and elsewhere. I made this mistake many years ago, but those looking for subdivisions now should take this problem into consideration.

I do not like houses as an investment unless they are duplex houses where I can live in one half and rent the other half. As an investment I like something that does not need to be changed or painted, and that does not have windows that break. Even a new house depreciates from the very day it is completed, but the land, if in a proper neighborhood, gradually increases in value. You are not to the rear of your house.

When buying houses or land, this is the reason for buying an extra lot adjoining the one on which you will live. Also recognizing that all land and all houses are worth something, but the price should be considered according to the above

# Romney Can't Stall on Presidency

Appearance of Gov. George Romney in Washington on several recent occasions stirred up national interest in prospect of Michigan's chief executive in 1964 Republican presidential candidate.

Democrats felt they could use Romney's part in the national political arena as a tool to regain the governor's chair. With a number of potential winners in the party ranks, the Democrats would be very happy to accuse Romney of abandoning Michigan.

Romney has said time and time again he does not have political ambitions. Because of his firm remarks along the line many state GOP leaders feel he would be unwise to accept a nomination in 1964 if it were offered at the national convention.

Further, Republicans would be hard pressed to find a candidate who would keep the power within the state.

Those close to the governor say Romney is totally sincere in his current denial of having presidential aspirations. An observer notes, however, that Romney denied any intention to run for governor very close to his Feb. 10, 1962 announcement of candidacy.

Romney will be on the spot at home with the presidential nomination. Nominating petitions for governor must be filed with the Secretary of State about a month before the national political conventions are held.

Romney will have to make up his mind on whether to seek or accept the presidential nomination long before the convention.

Let us hope that Romney will have another candidate filing for governor. Romney is to accept a "draft" nomination, he will have to inform a number of state party leaders in advance so they can host the candidacy of a second governor candidate even if he files for reelection.

The Michigan Senate finally is planning to take advantage of a Ford Foundation grant designed to help the lawmakers study an opportunity to see Seaboard. There never will be any more of it; hence, if possible, it is well to own land as an investment on one of the other of these sea coasts.

Let me close by emphasizing the importance of diversification. Do not put all your money in any one thing — real estate, stocks, bonds, or bank accounts — and be especially cautious about investing in diversifying houses.

## Cottage 19 Holds Hope for Future

Cottage 19... a pioneering effort at Wayne County Training school.

Months, has been operated as a research center in an attempt to discover how best to train the school's youngsters in existing facilities and also to intensify staff members' education.

What is Cottage 19? It's a home for a select group of boys, those among the 650-member population considered "most likely to succeed."

Upon arriving at the Far East Island they will be re-designated the Second Battalion, Ninth Regiment.

Shortly after joining the Third Division, the unit will participate in mountain and cold weather training at Mt. Fuji, Japan. They will also spend a two-month training phase at the Seventh Fleet's floating training landing team with scheduled visits to Hawaii, Japan, Korea, the British Crown Colony of Hong Kong and the Philippines.

This unit transfer is part of the translocation system designed to keep the Okinawa-based division an effective part of the nation's "force-in-readiness."

Wayne County Training school is taking a long, hard look at itself and its programs these days.

Established in 1926, the school's philosophy remains basically the same — early admission, the ability to adapt, rehabilitation and early return to the community.

What has changed is the type of child referred to the school and its operation as a county agency.

Once, the school was a place where the mildly retarded boy or girl, the child with learning disabilities, the child with emotional problems in public school and today, the school, housing boys and girls as young as 7, is "so busy with discipline, there's little time left for training."

"It's obviously not serving its purpose," Dr. Alfred Y. T. Ching, the school's psychiatric consultant, explained. "The boys now charged with breaking and entering should be in a school like that in White Lake, not here. Those charged with something as serious as sodomy with a five-year-old belong in a state hospital."

The result? "The good kids, the mildly retarded that the school was set up to help are being kept away," said Dr. Ching, who is also affiliated with Hawthorn Center.

Aware of the hardware placed on the school by the increasing numbers of "disturbed" youngsters referred there, school officials two years ago asked the American Psychiatric Association to visit the Sheldon road premises and make recommendations.

The school, led by its medical superintendent, Dr. Pasquale Bantiocento, and with the support of his administrative board, is now in the process of implementing these long-term recommendations.

Because the school was set up to help Wayne county's mildly retarded and because 70 percent of new admissions today come from Detroit, the psychiatric association urged that the school remain a county, rather than a state, institution.

Did you know that many features included in the extra price of a Cadillac cost several hundred dollars above on some cars? Among these are Hydra-Matic transmission, power steering, power brakes, heater and, on some Cadillacs, power seats and windows, individual sport-type seats and leather interiors.

Well, we'll wager you guessed too high and we'll also bet that when you hear the actual price, you'll be ready to join the fast-growing Cadillac family right now. Go on in and see for yourself!

## Swim Program Starts Tuesday

Novi young folks, enrolled in the Youth Protective Association's summer recreation program, will be taking the plunge Tuesday.

Swimmers will be out for their first time Tuesday in the Novi township park. The arts and crafts program will also get underway Tuesday with the softball program scheduled to begin Wednesday.

As of this week, Program Co-Chairman Mrs. Allan Harter reports that some 129 youngsters have registered for the summer program with 70 boys and 59 girls.

Swim times Tuesday: 10 to 11 a.m., intermediate swimmers with the crawl and backstroke featured; 11 a.m. to 12 noon, advanced beginners, dog paddle; 1 to 2:30 p.m., second beginners, floaters, kickers; 2:30 to 4 p.m., first beginners or learners.

From 7 to 8 p.m. that day, those interested in arts and crafts will be making at the Novi school. Wednesday, girls will meet to play softball with the Novi girls' softball team at 6 p.m. in the Wixom Community Center.

Youngsters interested in golf will be making at the Novi school (GI 6-0803) who will then set up a meeting time. Field trips are to be announced later.

**Protective Group To Elect Officers**  
The Novi Youth Protective Association will meet Tuesday at 8 p.m. in the village hall to elect a chairman and a secretary.

The two positions were vacated last May by Dan E. Eby, chairman, and secretary, Paul Totter and Georgia Webb. The story hours, scheduled to run six Tuesdays from 10 to 11 a.m. are open to children four through eight.

**Church School Opens Tuesday**  
Hear ye! Hear ye! Church school will be beginning Monday at 1 p.m. in the Willowbrook Community church with each day's session continuing until 3:30 p.m.

Classes will be offered through July 3 in keeping with the past year's public school calendar. Kindergarten for those who have been in kindergarten; primary, grades four, five and six.

General theme of the vacation school is "Widening Horizons." Kindergarten children will be discovering the meaning of "Friends from Many Lands" while the junior children will be encouraged to "Meet Our Neighbors."

Registration fee of 75 cents will be charged to cover the costs of materials. The daily fee will be completely refunded to each participant. The cost of the program will be covered by the children's collection of the church library.

Reverend Marvin Bickert, pastor of the church, notes that parents are encouraged to send their children, not simply to get them out of the house for a few hours, but so that they may enter into the spirit of the school's program. The way of Christian friendship.

## School Voters Call for Recount

### Cite 'Irregularities' In June 10 Election

Eighty-one Novi voters filed a petition this week calling for a recount of the June 10 school district election in protest of "election irregularities."

The petitioners contended among other things, that ballots were removed from election headquarters and carried to another room before the counting was completed and that an unauthorized person handled and assisted in ballot counting.

Under state law, the school board is required to set a recount date which meets the approval of all candidates concerned and to stand any conditions involved.

It was expected that the board, after reviewing the petitions submitted to the superintendent, would set a recount date which meets the approval of all candidates concerned and to stand any conditions involved.

"There, with the door open, we attempted to discover the mistake," Mrs. Gladys Briggs, one of the petitioners, said. "We felt we had a right to know what was going on."

The one vote difference was later resolved by school board members when they called this one "questionable" vote.

Among those who signed the petition calling for a recount were two school board members, Arthur Hepler, and William MacDonnell, who were elected June 10. Also signing the petition was Mrs. Vern Grimes, one of the election inspectors.

Circulating the petitions were Mrs. Gladys Briggs of 2505 Beck road, Mrs. Gladys D. Earl of 4076 Ten Mile, Verne T. Orimes, of 4799 Dale Swegles, 28, of Lansing, and Mrs. W. L. Marchetti of 2822 Novi road.

Prison in Jackson just seven months ago. He stood mute and demanded a lawyer. Preliminary hearing was set for Monday in Northville justice court. The case will then be bound over to Wayne county circuit court. Unable to pay the \$5,000 bond set by Judge McDonald, Swegles is being held in Wayne county jail awaiting trial. Conviction carries an automatic life sentence.

Mrs. Miller was admitted to St. Mary hospital and released late in the day. Thirty stitches were required to close head-wounds administered by a tire wrench.

Mrs. Miller told police that she was in bed but not yet asleep when a man entered her room. She said that the man was going to attack her, so she grabbed and kicked him, police noted. The assault ant. hit her three times over the head with a lug wrench, then ran.

Police were called at 5:58 a.m. by a next door neighbor, Duane Briggs, Sergeant Frank Heitz investigated. Livenia police called at 8 a.m., reporting they had picked up a suspect answering to the name of Swegles. He later confessed.

According to police, Swegles said he had been drinking at 2:30 a.m., observed a woman in the house and assumed she was alone, police said. Swegles told police he wanted the money to buy a father's day gift for his father. He stole a total of \$9.13.

## Easements Delay Sewer

Both good news and bad greeted the village council Monday night.

Councilmen learned that plans to complete the village's first sanitary sewer system are at a standstill.

On the brighter side, they found that the village has a budgetary surplus of just under \$37,000, the largest in the village's five-year-old history.

Holding up the sewer line, which would give Novi 2,500 taps in the Wayne county Middle Rouge system, are easements.

To date, easements must be obtained for three parcels of land. Novi, three in the township and six in Northville.

The council accepted a recommendation from Ackley to complete for at least \$8 to \$9 per foot. Some \$5,000 was put in the building and land account, bringing that account up to \$8,000.

Stated for replacement are four Nine Mile road bridges: one just east of North Center on Nine Mile, one east of Novi road on Nine Mile and one on Nine Mile where the Wallied Lake branch of the Rouge River system crosses the road.

Only other major item of business to come before the council was the subject of giving the administrative assistant minor Novi roads.

Judge Attorney Howard Board recommended to the council that the administrative assistant, through a blanket resolution, be given power to enter some ordinances, particularly those concerned with building requirements.

Under the present charter, the administrative assistant (who also serves as building inspector) has no enforcement powers. All are vested in the council as director of public safety and that of president.

Chief of Police Lee DeGole noted, however, that he is a policeman, not a building inspector, and said he would be "happy" to be relieved of the responsibility of enforcing some of the village's building ordinances.

The council ordered Bond to draw up a resolution, giving the assistant power to enforce some ordinances, and bring it back to the council.

Bond said one possible way of circumventing charter revision in this matter would be to have the chief of police place the same ordinance in the new administrative assistant's ordinance-enforcement agency and give that person the necessary powers.

**Road Construction Underway in Wixom**  
As planned, Wixom and the federal government each contribute \$75,000.

The project, however, will probably cost more, in fact, anywhere up to \$174,000. The HIFVA because contractors must adhere to union scale wages and charge work that amount will come through the thrift of the city supervising officials, according to McAtee.

# News Around Northville

Eighteen members of Northville's First Presbyterian church spent two days this week—Tuesday and Wednesday—attending the annual church meeting.

Former Northville residents, the Charles Strautz's of Stratton, were visiting Mrs. Strautz's parents, Mr. and Mrs. A. W. Litsenberger of 572 Randolph this past week. Mr. Strautz was formerly manager of the Northville office of Manufacturer's National bank.

The three Merwin girls—Vicki, Mimi and Jacki—went

with their mother, Mrs. George Strautz, to Battle Creek on Saturday to attend the Ladies Aid society, C.A.A., installation of officers.

They were guests of Mrs. Edgar Strautz and son Fred at a luncheon at the country club with swimming after the meeting.

Mrs. Merwin was also hostess to a senior state officer board meeting in her home this past week. Luncheon was served to twelve guests, coming from Battle Creek, Lansing, Marshall, Plymouth and Saginaw.

It'll be a brief respite from studying for Samuel Chizmar son of the William Chizmar on Maxwell. He's home from the U of M, where he's a music major embarking on his junior last only until the summer session begins. Then, he'll be returning to his studies.

Mrs. William Richards began her summer travels last weekend. She left the Northville home of her daughter, Mrs. William Chizmar, for a brief stay at her son's home in Clarkson.

From there, she'll be proceeding to her Bay View cottage where she'll remain most of these warm days.

Ladies in the Presbyterian church's Circle 5 gathered Tuesday for their annual picnic at the Chubb road home of the Eddy Eareharts.

Leanna Collis, six-year-old granddaughter of the R. W. Lockens of Orchard drive, arrived from Alexandria, Virginia, Sunday at Willow Run airport, Ypsilanti. Leanna will be spending a month with her grandparents.

Mrs. Carter did, however, take time out last weekend to

travel to Mackinac bridge with her husband and guest, Mrs. Rita Rutan of Toledo, Ohio.

Home in Rose City for the summer is one of the Northville school system's librarians, Miss Ada Fritz. She'll be living with her mother, Mrs. Joseph Fritz, in the family home.

Miss Sharon McKarns who graduated last weekend from Michigan State university with a B.A. in elementary education, will be teaching fifth grade next fall in Wausau, Wisconsin.

Her parents, Mr. and Mrs. Donald McKarns of West Six Mile road and her sister, Lawrence, attended her graduation ceremonies at State last weekend.

Miss McKarns' fiancé, Dennis Labrey, also graduated last weekend from MSU with a B.S. in mathematics marketing management.

In Michigan for the Armistice nuptials were Mrs. Robert A. Nemi, her son, Bill, and his friend, Miss Martha Hohart.

The vicinis, former Northville residents now living in Long Meadow, Massachusetts, and Miss Hohart have been the houseguests of the groom's parents, Mr. and Mrs. James C. C. Horton, for the past two weeks.

For her walk down the aisle escorted by her father, the bride chose a gown of pearl de soie with a modified cathedral train. Inserts of red-embroidered alencon lace graced the bodice and belted waist.

The bride wore a bouffant veil of illusion held in place by a tiera of seed pearl flowers. Her flowers were gathered in a cascade with ivy and included white roses, lilies of the valley and an accent of blue delphinium.

Standing with the bride as honor attendant was Miss Elizabeth Kiefler of Hillsborough.

Following the ceremony, a wedding reception was held in the church. Assisting at the reception were Miss Bonnie Glass of Bloomfield Hills, Mrs. Arthur P. Grosop of Farmington, Miss Melinda Harrison of Battle Creek, Miss Elton Hogsten of Birmingham, Miss Thomas Horn of Detroit, Mrs. Guy Jensen of Birmingham and Miss Priscilla Shafer of Bay Village, Ohio.

Out-of-town guests attending the wedding and reception included Mrs. William M. Dickey and Mrs. D. D. Guyer of Chicago, Illinois; William Frey of Indianapolis, Indiana; Mrs. and Mrs. James Rufon Harrison and the Misses Melinda, Ann and June of Battle Creek; Dr. and Mrs. M. J. Loveland of Morro Bay, California; Mrs. Frank C. Lynch and Miss Eselle Lynch of Detroit; Mrs. Anna, Miss Vera Pissarski of Gary, Indiana; Mr. and Mrs. Richard Showers of Shelbyville, Indiana; and Mr. and Mrs. C. William Shafer and Miss Priscilla Shafer of Bay Village, Ohio.

Northville's Jayettes will sponsor a rummage sale this Saturday from 9 a.m. to 5 p.m. in the former Villa Dress shop, corner of Main and Center.

Sale chairman is Mrs. Robert Pratt.

Dr. Robert J. Jaslow, Medical Superintendent of Plymouth State Home and Training school, Northville, has been elected to membership in the specialty Section on Child Development of the American Academy of Pediatrics, Canada and Latin America. Its work is dedicated exclusively to the improvement of child health and welfare, Dr. Christopherson added.

Students leave here by bus on the morning of the 16th. They stay overnight in local homes, where they are given breakfast and, if possible, a box lunch for aboard the bus.

Residents willing to accommodate one or more youngsters for the evening of the 17th are asked to contact Robert Lyon, FI 9-2522 or Phillip Ogilvie, FI 9-2600.

## Crockett-Ritter Nuptials Spoken

Catherine Lynn Crockett became the bride of Richard Quinton Ritter, Jr. Saturday afternoon in the First Presbyterian church, Birmingham, in a double ring ceremony.

Dr. W. Glen Harris performed the marriage ceremony before 300 guests.

Parents of the bride are Mr. and Mrs. Clarence Vail Crockett of Bloomfield Hills; the groom, Mr. and Mrs. Richard Quinton Ritter of Novi.

For her walk down the aisle escorted by her father, the bride chose a gown of pearl de soie with a modified cathedral train. Inserts of red-embroidered alencon lace graced the bodice and belted waist.

The bride wore a bouffant veil of illusion held in place by a tiera of seed pearl flowers. Her flowers were gathered in a cascade with ivy and included white roses, lilies of the valley and an accent of blue delphinium.

Standing with the bride as honor attendant was Miss Elizabeth Kiefler of Hillsborough.

Following the ceremony, a wedding reception was held in the church. Assisting at the reception were Miss Bonnie Glass of Bloomfield Hills, Mrs. Arthur P. Grosop of Farmington, Miss Melinda Harrison of Battle Creek, Miss Elton Hogsten of Birmingham, Miss Thomas Horn of Detroit, Mrs. Guy Jensen of Birmingham and Miss Priscilla Shafer of Bay Village, Ohio.

Out-of-town guests attending the wedding and reception included Mrs. William M. Dickey and Mrs. D. D. Guyer of Chicago, Illinois; William Frey of Indianapolis, Indiana; Mrs. and Mrs. James Rufon Harrison and the Misses Melinda, Ann and June of Battle Creek; Dr. and Mrs. M. J. Loveland of Morro Bay, California; Mrs. Frank C. Lynch and Miss Eselle Lynch of Detroit; Mrs. Anna, Miss Vera Pissarski of Gary, Indiana; Mr. and Mrs. Richard Showers of Shelbyville, Indiana; and Mr. and Mrs. C. William Shafer and Miss Priscilla Shafer of Bay Village, Ohio.

## Hair Do's and Don'ts...by Rene

Brushing the hair is one of the most important facets in keeping your hair beautiful. Do brush your hair and here's how to do it properly. To keep your set looking neat, brush your hair back from the forehead keeping the brush on the scalp all the time. This smooths the hair, eliminates tangling and keeps you a good base for re-combing your style.

The bride is the daughter of Mr. and Mrs. E. H. Arndt of Allentown. The groom is the son of Mr. and Mrs. James Cowie of 845 Horton.

Following a wedding trip to Quebec, the newlyweds will reside in Mt. Pleasant where they will enter Central's graduate school.

## Kitchen Diary

### Pineapple Cake

A pinch of ingenuity, plenty of fruit, and a heartwood drive cook found herself with a couple of recipes suited to her needs.

Faced with the sweet tooth of five grandchildren and a husband on a medical diet, Mrs. Gordon Deming said she needs "quick" recipes.

Finally, she says, I've found two that satisfy the children, keep my husband on his fat-free diet and delight my guests.

Her recipes:

**DELICIOUS SALAD**  
1 cup pineapple tidbits  
1 cup diced pears or fruit  
1/2 cup raisins  
1/2 cup mandarin oranges  
1 pkg. miniature marshmallows  
Mix all fruit well, mix together with one cup sour cream, chill in refrigerator three hours before serving.

**PINEAPPLE CAKE**  
1 box pineapple cake mix  
4 eggs  
1/2 cup salad oil  
Mix well and add one box pineapple pudding. Frost with whipped cream mixed with crushed pineapple. For less calories, dress whip works as well.

Places for the marathon may be reserved from now through August by calling Mrs. Wiley or her committee which includes Mrs. Gordon Frier, Mrs. William Siger and Mrs. Harold Wright.

# Club Notes

AAUW

Two area residents left this week to attend the national convention of the American Association of University Women in Denver, Colorado.

They are Mrs. A. D. Postma of Northville, first vice president and program chairman of the association's Plymouth-Northville branch, and Mrs. Richard Fritz of Plymouth, branch president.

This is the first time the local branch has been able to send delegates to a national convention. The convention, which began yesterday and will end tomorrow, is particularly important because program changes which would affect all local branches will be voted upon.

Principal convention speakers are John D. Rockefeller III and Congresswoman Edith Green.

O.E.S.  
Marion and Donald Green, worthy matron and worthy patron of Great chapter will be hosts at an ice cream social in their home at 615 Evergreen, Plymouth, Sunday from 3 to 7 p.m.

### REPORT From LANING

By PAUL CHANDLER  
State Representative, 2nd District

LANING — With the current session of the State Legislature having concluded, it seems a good time for your local State Representative to report to all the Councils, Township Boards, School Boards, and Commissions in the area about what he has done with their work.

These are new laws, all signed by Governor Romney by now, most of which never made headlines in the past. They are laws which affect your life in one way or another. We're using our newspaper space to try as a service to the public to tell you what they are and what they should be interested in the legislation.

## Hospital Honors Its Gray Ladies

Northville State hospital honored its Red Cross gray ladies and auxiliary at a luncheon and picnic last Wednesday. During the annual auxiliary picnic, held at the home of the Crispin Hammonds on Timber Lane, the hospital was presented with a \$500 check from the auxiliary for the indigent patient fund.

The 100-member auxiliary was thanked by hospital officials for its \$30 donations each month to the indigent patient fund. The generous contributions, the officials noted, are made possible by patronage of the auxiliary's lobby gift shop and special fund-raising events each year.

Hospital staff members praised the gray ladies for "very fine work" and thanked them for a decade of service to patients.

Detroit guests of honor at the luncheon were Mrs. Cameron Hyckman, a member of the metropolitan Detroit Red Cross chapter; Mrs. Donald O'Donnell, chairman of that chapter's gray ladies; and Mrs. Frank Hoster, vice chairman.

## - In Our Justice Courts -

### NORTHVILLE

A Wanted Lake man was arrested in Northville justice court Monday on a charge of assault and battery.

Charles Patten was found guilty and fined \$25 and \$10 costs or 10 days. The decision will be appealed by Patten's attorney.

Victim of the reported May 21 assault was Lawrence Pattery, Jr., at Lavan, a guard at the Northville Ford plant.

Accused to police, Lawrence Patten said that he had been threatened by Patten when he reported that Patten, also a Ford employee, was drunk on the premises.

Pattery said he was driving down Northville road later that night when Patten finally succeeded on the third try to pull him over to the side of the road, police noted.

Half an hour after Pattery had been stopped, and after several threats, Pattery drove away unharmed, he told police.

Lennie Watts of Ypsilanti, guilty of driving without a driver's license June 8 on East Cady street, was fined \$5.

### NOVI

Three persons, who were involved in a disturbance May 30 at the Derby Bar, corner of Novi and 13 Mile roads, were fined \$25 apiece Thursday in Novi justice court.

Claude Section of Dearborn was cited for being drunk and disorderly and his wife, Marilyn, and Hugh Conley of Inkster were guilty of disorderly conduct.

Three motorists were also arraigned before Judge Roy Russell McMillen of Wayne County on charges of driving with defective equipment.

The incidents took place June 8 and June 9 on Novi road. Duncan Tucker of Detroit, guilty of speeding June 8, 75 in a 55 miles-an-hour zone, was fined \$35.

Departing from the Northville school system this year are two high school coaches who significantly have much in common.

Stan Golonka and Keith Krause have taught in Northville for five years. Each spent three of those years as head coach in baseball and tennis, respectively.

In their wake, they leave winning records which will be hard to beat.

At the baseball helm, Golonka led his charges to their first Wayne-Oakland and Pontiac Press tournament titles, and they were runner-up in the conference the following two years. Over-all, Stan can boast of a 43-13 win-loss state.

Krause has no less a sparkling record. His teams compiled a 34-18 record, including three consecutive W-O conference and one regional crown.

The similarities don't end there, however. Each is the father of two children. Stan's two "active" sons are Glen, one and a half years old, and Stanley, Jr., (Chipper), who is two and one-half years old. Keith has a five-year-old girl, Linda, and a future tennis hopeful in David, four.

Both men agree that the biggest reason for their success in their coaching is his relationship with the boys.

"Just working with them and watching them develop is the most important thing," noted Stan. "Winning, you come to realize, while it is important, is really secondary. It was nice working with the boys, and I'll miss coaching here."

Keith, who has taught 12th grade English, is moving on to greener pastures at state college of law in Cedar Rapids, Iowa. There, he will study, instruct and do research.

A school board decision, stating that grade school teachers can not coach spring high school sports, prompted Stan to make the move. A fifth grade teacher at the American Indian school with a master's in education, he hopes to continue his coaching and elementary teaching but has not yet decided upon a school system.

### Good Rules To Teach Your Child

Do you know a child between one and five years old? These are the most critical years for children's accidents.

Consider this safety check recommended by the Michigan State University Cooperative Extension Service:

1. Teach your child to use car safety belts. Never allow a child to stand on the front seat of a car along side the driver.

2. Teach your child how to cross the street, but don't expect a child under three to know enough to stay out of the street.

3. Have someone watch to see that a child does not dart behind your car while you are backing from a driveway.

4. Keep matches and hot liquids beyond the child's ever-growing reach. Turn pan handles toward the back and center of the range.

5. Never let a young child play unsupervised in wading pools or even in filled bathtubs.

6. Never let a child play with a plastic bag.

7. Keep all poisons on very high shelves or in a locked cabinet. Common household poisons are aspirin, iron pills, ammonia, insecticides, turpentine, laundry bleaches, furniture polish and cosmetics, including perfume, nail polish, remover and hair lotions.

8. Never let a child play with a plastic bag.

9. Keep all poisons on very high shelves or in a locked cabinet. Common household poisons are aspirin, iron pills, ammonia, insecticides, turpentine, laundry bleaches, furniture polish and cosmetics, including perfume, nail polish, remover and hair lotions.

10. Never let a child play with a plastic bag.

11. Keep all poisons on very high shelves or in a locked cabinet. Common household poisons are aspirin, iron pills, ammonia, insecticides, turpentine, laundry bleaches, furniture polish and cosmetics, including perfume, nail polish, remover and hair lotions.

### Local Boy Awarded Evans Scholarship

A 1963 graduate of Northville high school was awarded a four-year Chick Evans college scholarship this week by the Golf Association of Michigan. Announced George H. Webb, Delroit, chairman of the college scholarship committee.

Gary Gryswiewicz, 17, of 131 Ely drive, who will attend Michigan State University this fall, was one of 27 winners in Michigan. He is the son of Mr. and Mrs. Ted Gryswiewicz.

Value of the scholarship, which is renewable each of the four years, is valued at excess of \$2,500. Gryswiewicz qualified for the scholarship by carrying more than two years at G.A.M. member club, the Farmington Country club, and graduated in the upper 25 per cent of his class.

The nation-wide Evans program is supported by more than 45,000 golfers, including 10,000 in Michigan. It was initiated in 1930 by Chick Evans, veteran amateur golf star.

Class of 1963 Bids Farewell

FULL HOUSE — The Northville high school gymnasium was filled to capacity with 155 graduating seniors and proud parents and friends last Thursday evening. They heard Russell Wentworth, assistant director of Michigan State university's admission office, give the commencement address, "Spring House Cleaning". It was the 94th class to be graduated from Northville high school.

Community College OK's New Library Plans

The Board of Trustees of Schoolcraft College, working with the architects and college librarians, have approved preliminary plans for the redesigned library.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the city of Detroit, on the Third day of June, in the year one thousand nine hundred and sixty-three.

Ernest C. Boehm, Judge of Probate. I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record. Dated June 3, 1963.

Township Pursues Planning Program

Application for 701 planning assistance was formally approved in special session Tuesday night by the Northville township board.

Supervisor R. D. Merriam pointed out that the township should not be entering into a contract, but would merely make a request for the program. He added that the township's plan for development had been delayed six weeks already.

Under the 701 program, the federal government would furnish 75 per cent of the \$25,000 of planning funds. The program would be supervised by township planning consultants Villan-Lemen Associates.

Ghost of Dixboro Secret Haunts Settler's Wife

EDITOR'S NOTE: This is the first of six articles dealing with the once famous ghost of Dixboro. The articles are taken from a historical research paper authored by Russell E. Bidlack of the University of Michigan, and it comes to us through the courtesy of Mr. Bidlack and his friend, Clarence Mulholland.

Such was the interest in the Dixboro Ghost that the first newspaper published in Council Bluffs, Iowa, devoted one-fourth of its first issue to an article on the subject.

The village of Dixboro, though founded some 136 years ago, has rarely been the subject of national attention. In fact, the only time that most people lacking a Washenaw name, but rather by initials followed by dashes.

FAMILIAR LANDMARK — One of the familiar landmarks of the village of Dixboro is this general store, located at the corner of Plymouth and Cherry Hill roads. It may have been standing when the famous Ghost of Dixboro made its appearance more than 100 years ago.

Art Around Us

Women, on the whole, have contributed very little to the history of art. I mean, when you consider that art goes back to the stone age some 25,000 years ago, and went through all its various stages and developments right through the Renaissance without one woman's name appearing in the history of art than woman painters are a spinoff.

On the national scene more women are emerging every year. Some, such as Kay Sage and Georgia O'Keefe, are known in Europe also. On the names are numerous with Louisa, Miss Valdon, mother of Bigler, Barbara Dorr, being representative. Most regional and local shows are dominated by women artists.

IN THE GALLERIES: Hartley-Powers Gallery, 116 E. Main street, Northville, three men, three women, all expert in their fields and whole new school. Her first gallery hours 12:00 to 5:00 p.m. on Friday, 9:00 to 12:00 p.m. on Saturday.

Telephone Lines

FOR MOST OF US, communicating with others is as natural as breathing. But what about the person who can't speak due to surgical removal of his larynx? Or those with impaired hearing, or those who have come up with these and other special telephone services offering encouragement for a better way of life to many persons handicapped by physical disabilities.

WELCOME TO SUMMER!

It's the happy time for vacations and weekend trips to your favorite pleasure spots. Remember to go first by Long Distance. This is the busy season for motels and hotels, so be sure to call ahead for reservations. And when you arrive, call the folks back home to put everyone at ease. A Long Distance call costs so little... in fact, after 9 p.m. you can make a 3-minute toll-free call to any place in the continental United States for \$1 or less, plus tax.

## from the PASTOR'S STUDY

By Rev. John L. Witscock  
Our Lady of Victory Church, Northville

The Fifth Commandment, "Look at the poor fellow, suffering from cancer in its last stages. He can anticipate pain only a few months of life. It would be merciful to put him out of his misery. That is what we do when a dog or a cat is hopelessly diseased or in pain. We would consider it cruel to let it go on suffering. Is it not cruel to permit a human being to linger on in pain? Why be more merciful to a dog than to a man?"

Questions of this kind are not uncommon. They are asked not only by extremists but by reputable people. Hitler and his gang favored killing of the incurable and soon went further, to include the deformed, the insane — then the "socialists" and the "inferior" people who got in their way.

Who can decide when an incurably diseased person has the right to put to death? That is suicide. The State? It may never put to death an innocent person whose God-given right to life has not been forfeited by an intolerable crime.

Execution is a social remedy for a social disease, it is an act of defense of society but only after a just trial has been given the accused. Lynching is murder. Killing by soldiers in a just war is not murder. The State has a right to defend itself from unjust aggressors. This happens in the line of war.

But there is a murder that rarely gets the headlines of our press. It is abortion — a vicious type of murder but which human beings are gravely tempted when in trouble. Some seem to think that to escape the shame of having begotten an illegitimate child... or to avoid the inconvenience of an unwanted baby, they are justified in ridding themselves of the infant before it has a chance to see the light of day. They destroy an innocent human being whose life had begun at the moment of conception.

Man is also responsible for his bodily welfare. Not only is his life sacred but also so his whole person. He must use ordinary means to preserve his life. He can, therefore, submit to the surgeon's knife in order to save his health and life.

## Rev. Webster Elected To Conference

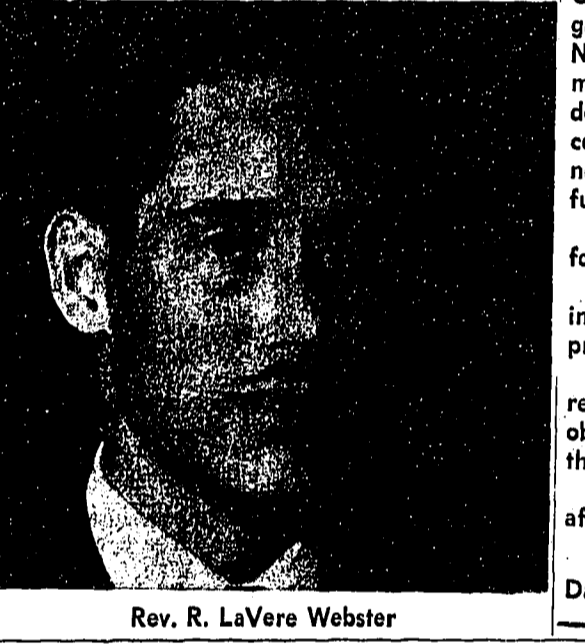

Rev. R. LaVere Webster, minister of the New Hudson-Novi Methodist church, since November 1962, was elected to full membership in the Detroit Conference of The Methodist Church at the 122nd annual session now being held on the campus of Adrian College, Adrian.

He was ordained an Elder in the Methodist Church by Bishop Marshall R. Reed at the closing session of the Conference to be held in the newly consecrated sanctuary of First Methodist Church, Adrian, on Sunday afternoon, June 9.

Son of Mrs. Oscar K. Kendrick of Kilde, Michigan, Rev. Webster was graduated from Owens High school in 1951; from Olivet Nazarene College, Kankakee, Illinois, with a Th. B. degree; and from Garrett Theological Seminary, Evanston, Illinois, with a B.D. degree.

Before being assigned to his present position, Rev. Webster served Methodist churches at Indian River, Michigan, Centerville, Michigan, and St. Mark's, South Bend, Indiana.

He received an Oakland County Juvenile Court appointment to Protective Service Program.

Rev. R. LaVere Webster

Yes, honestly, most accidents happen to people just like you!

Contrary to popular opinion, the record shows that all types of people are involved in highway accidents. It isn't just a drinking driver or joy-riding teenager... even though they cause more than their share.

A thoughtless moment, by good solid citizens like you and neighbors on your street, is the heaviest contributor to the increasing toll of deaths, injuries, and damaged cars.

Don't count yourself out. Making Michigan's streets and highways safer is a job for all drivers. Drive even more carefully... for your own sake, and to help make motoring safer for everyone.

## Official Minutes of Northville Township

The regular monthly meeting of the Northville Township board was called to order by Supervisor Merriam on Tuesday, June 4, 1963 at 8:15 p.m.

Board members present: R. D. Merriam, Margarette N. Young, Alex M. Lawrence, Donald E. Robinson and Wilson D. Tyler. James Little, legal counsel and L. W. Mosher, Township Engineer, were attending.

4. Consideration of Social Security.  
Supervisor Merriam asked the board to pass on a resolution authorizing the clerk to enter into an agreement with the Old Age and Survivors Insurance System to cover Margaret H. Tegge ONLY, with Social Security, explaining that it would cost the township government 3 1/2% or approximately \$145 per year.

Supervisor Merriam moved, supported by Robinson, that the Northville Township Board pass a resolution authorizing the clerk to enter into an agreement with Old Age & Survivors Insurance, thereby covering Margaret H. Tegge, full time employee with Social Security. Motion carried.

5. Supervisor Merriam informed the board that he had contacted George Bingham of the Wayne County DPW regarding purchase of an additional 1 c.t.s. in the Middle Rouge Interceptor and had been advised that there was a possibility that the township might purchase this for \$30,000. The Planning Commission minutes of May 28, 1963 were read by the clerk.

1. Letter from Waring & Johnson, advising that materials belonging to the township could be picked up at any time, was read by the clerk.

Supervisor Merriam informed the board that Mr. Stromberg was taking care of the matter.

2. Letter from the Clark Insurance Agency advising that the representative of Aetna had given them incorrect information concerning the matter of audit public coverage as it applies to Public Office business, was read by the clerk.

Supervisor Merriam suggested to the board that inasmuch as the price of the bonds were in the neighborhood of \$5,000 per year, Merriam was of the opinion that the township could afford this by watching their budget carefully. He was asking for authorization from the board to continue negotiations with the Wayne County DPW.

Robinson moved that Supervisor Merriam be authorized to negotiate a contractual proposal for additional c.s. to be installed in the Middle Rouge Interceptor and that the township be authorized to obtain a contract from the Wayne County DPW if they are prepared to give a contract for 1 c.f.s. of capacity in the Middle Rouge Interceptor. Young supported the motion. Motion carried.

6. Mr. Mosher presented the board members with copies of a proposed schedule for collections to be made by the township on individual homes. He suggested that the board consider adopting this schedule along with the Table of "units" for sewage service charges to customers having private or un-metered water supply.

7. Supervisor Merriam reported to the board on the status of the proposed water main installation in the Five Mile Brainerd road area, stating that three copies of the property descriptions with attached petitions had been taken by the citizens to be signed and when they were not in favor of the proposed action would be taken.

Robinson moved, supported by Lawrence, that the meeting be adjourned. Meeting adjourned at 10:05 p.m.

Marguerite N. Young, Clerk

# Burglars Loot Local Pro-Shop

Burglars broke into the pro-shop of the Bob-D-Link club house June 4 and stole well over \$1,000 worth of golf equipment.

Novi police discovered the theft of approximately 3 a.m. According to police, when they arrived at the golf course to make the usual check, the burglars made a clean getaway.

Police explained that the burglars knew the club house and the police check route very well. Police said that apparently two cars were parked behind the row of trees and shrubbery on the south side of Grand River across from the club house.

They had a going-away party for Nancy Cotter who is leaving town with her family, also a going-away party for Sue P. Coppers who is planning to attend college.

Mr. and Mrs. Larry Smith and family, Mrs. Edith Smith, Ralph and Ethel, and Ralph Smith made a trip to Lyons, Ohio Sunday to visit Mrs. Edith Smith's twin sister, Mrs. Edith Stoney. Mrs. Stoney will remain at the McCallie home until the fourth of July.

# THEY'RE NOT PICKETING—It's all part of the Girls' Athletic League

Initiation. Approximately 30 girls were initiated June 4 and new officers were installed at a banquet last night. Pledges of the day and why the girls want to join the GAL are printed on their signs.

**SAFETY PRECEDENT**—No, you're not seeing double. Although assistant bank manager of Manufacturers National Bank, William Keith, was seemingly in two places at once June 5, at the Amerman and Main street schools, he set a precedent by awarding for the first time in the state, patrol boy of the year awards. At left the award was presented to Brian Myers at Amerman school, then, Robert Wood at Main street school. The boys' names will be the first inscribed on each plaque.

## GAS YARD LIGHT Special Offer

SAVE \$20.00 ON INSTALLATION FOR LIMITED TIME

An aahd "glow-in-the-dark" is given to family fun when you protect the enjoyment of a pool, garden or patio with a gas yard light. Outdoor lighting has so many advantages. It makes it possible to entertain outdoors after dark. Glow just the right light for patio cooking and dining. With a soft, mellow glow, gas lighting serves as a softy feature too. It illuminates steps and walkways through the night. It decorates a flower garden, accents a well-landed tree, or a path in a rock garden. The gas yard light is gaining widespread popularity among homeowners because it lends a pleasant note of grace and charm to even the most informal occasions.

SEVERAL STYLES TO CHOOSE FROM. Styles range from Old Colonial to ultra-modern. Choose the style that is in keeping with the architecture of your home.

# WSU Begins Summer Term

When Wayne State university launches its summer quarter on June 19, the final segment of her newly adopted year-round operation will be under way.

Wayne's 12-month operation began last September to provide more efficient use of plant and staff and a more flexible method of handling expected increases in college students.

The summer quarter will, for the first time in history, extend beyond Labor Day, ending on September 7. Final registration is scheduled for June 19 to 21. Classes will begin June 24.

**WELCOME BACK**—For the past year Melvin Smith has served as a traffic guard for elementary youngsters at the Main street school. Two weeks before school closed this year he was hospitalized. But his young friends didn't forget him. They made nearly 100 cards and mailed them to Mr. Smith in the hospital. He's back home now and is shown surrounded by a few of his admirers, who are displaying some of the cards that Smith will save and cherish. Pictured (l. to r.) are Debbie Flynn, Tracey Snow, Smith, Ricky Bingley and Sally McBride.
