

### News Around Northville

The October meeting of the Northville Methodist WSCS Tuesday in the church fellowship hall will feature a slide-talk by Mrs. Robert Willoughby of Dearborn, on the World Federation of Women meeting in London, which she recently attended.

### Flyers Explain 'Helping Hand'

Flyers have been distributed to Northville grade school and junior high students this week to explain to parents the "Helping Hand" program being sponsored locally by the Northville Jayettes. The Jayettes also are seeking parents who would be interested in displaying a hand sign in their windows.

Persons willing to display the symbol will be asked to fill out a questionnaire. These will be screened by Northville police.

A few hands already have been placed in homes. The Jayettes hope to have them throughout the area by Halloween.

The wordless symbol is intended to mean immediate help at the home displaying it for any child who is being approached by a stranger, bullied or who is injured or lost.

Pointing out that the program can be successful only if children understand, the Jayettes are asking all parents receiving the flyers to explain the meaning of the symbol to their children.

Chapel moments at noon led by Mrs. Francis Gow will precede the luncheon which will be served at 12:30 p.m. by the Lacy Filkins circle. The meeting is to begin at 1:30 p.m. with Mrs. Rachel Hinman leading devotions.

The WSCS has scheduled a rummage sale from 9 a.m. to 7 p.m. Friday, October 20 at the church. Members are asked to bring items to the church the evening of October 18 or the next morning. Mrs. Jack Stotnik, 349-1273, will arrange for pick-ups.

Guests of Dr. and Mrs. Stuart H. Campbell of Horton Street were Mrs. Campbell's brother and sister-in-law, Mr. and Mrs. Joseph H. Austin of Los Angeles. They visited here for a week.

A program on Australia and New Zealand will be presented at the dinner meeting of Alpha Nu chapter, Delta Kappa Gamma, at 6:30 p.m. Monday, October 9, at Hillside Inn in Plymouth. Speaker will be Miss Nancy Tanger, retired elementary principal. Hostesses will be Mrs. Luva Waterman and Mrs. Lucille McKinley.

The annual fall festival and bazaar sponsored by the Lapeer Parents' Association for Retarded Children, Incorporated, will be held Saturday, October 7, at the Detroit Orthopedic school, 10235 West Seven Mile road, Detroit. Lunch will be served from 11 a.m. to 1 p.m., and dinner from 4 to 7 p.m. There will be door prizes.

T. B. Thompson of San Jose, California, visited relatives and friends in Northville, Wixom, Farmington and Ann Arbor last week enroute home from a visit to Montreal and Expo 67. In Northville he visited his sister, Mrs. Stella Nelson, and brother-in-law, Cass Bolton, 240 South Wing street.

### Scouts Plan Uniform Sale

A Girl Scout uniform exchange and sale will be held from 2 to 4 p.m. October 14 and 21 at the Scout-recreation building, Brownie, junior and a few cadet uniforms will be available. Some of these uniforms are in extremely good condition, Mrs. James Conway, uniform chairman, reports. Mothers wishing to contribute uniforms are asked to call Mrs. Conway, 349-4774, or bring them to the exchange sale at 2 p.m. either Saturday. Used uniforms are sold for \$2 with 25 cents additional for accessories.

A CANDLELIGHT buffet dinner with smooth music by Hank Warren's orchestra seems at least a sound general idea removed from the psychedelic bands of Northville's teenage Cavern club.

The connection is that the annual candlelight buffet being given by Northville Mothers' club November 11 at Wyld golf club will be a benefit for the Cavern, which is just moving into its own quarters in the area that served as the lunch room at the old junior high.

Because the high school teenagers will be encountering many more expenses in connection with the operation of the club, the sponsoring Mothers' club decided to make the buffet dinner a benefit. According to Mrs. William Davis and Mrs. H. O. Evans, co-chairmen, the dance to which the community annually is invited "just for an enjoyable evening" this season will be for both fun and a good cause.

Tickets went in the mall this week to club members and are available in all subdivisions. Anyone interested is asked to call Mrs. William Wiley, 349-0255, ticket chairman.

Again this year Mrs. Edwin E. Mueller is designing the candle centerpiece for the tables. Both Mrs. Davis and Mrs. Evans are enthusiastic about the locale of the dance in the spacious crystal-chandeliered room at Wyld, which is located on Five Mile road in Livonia. Hours will be 7 p.m. until midnight.

### Dr. Murray Banks on Tap Town Hall Series Starts Next Week

Dr. Murray Banks will instruct Northville Town Hall's opening-series audience on "What To Do Until the Psychiatrist Comes" at 11 a.m. Thursday, October 19, at the P & A Theatre.

Dr. Banks has earned the reputation of being one of the few men in his field who "can make you think logic and laugh."

In his talk he promises to cover "all the panicky subjects we know so well, or thought we did, and which upset our equilibrium so easily: such things as marriage, children, mothers-in-law, mice, money, ambition, bed-wetting, ducktails, growing old — or young — with an odd few thousand words on sex just to cover everything."

As a scientist, Dr. Banks will explain why people do things — and why they don't do things. He illustrates his cases with a vast repertoire of jokes.

Many people have been introduced to Dr. Banks through his records, which are widely used in college courses. For those who have not heard his recordings, Northville Town Hall board explains that he basically is a serious speaker giving sound, almost homely advice on the emotional and psychological problems of modern life.

Dr. Banks says his purpose in his lectures is to "let us know ourselves and help us enjoy life to its fullest meaning." He has lectured and traveled through Europe and South Africa as well as in the United States.

A favorite expression of this psychiatrist's is "When life hands you a lemon, make lemonade." With this advice he is telling his audiences to face up to reality and to use what is available rather than to succumb to the "tough logic" approach.

Dr. Banks will answer questions at the celebrity luncheon at Meadowbrook country club immediately following the lecture. Luncheon checks for \$3.75 should be sent to Mrs. Duane Butler, Box 33, Northville Town Hall series, Northville. The deadline for reservations is October 13.

A "handful" of tickets still remain for the current Town Hall 1967-68 series of five lectures. For further information, call Mrs. Robert Brueck, 349-2250, Town Hall chairman.

country store bake sale at Northville Presbyterian church chaired by Mrs. William Dyke, center. Five homes will be open from 10 a.m. to 4 p.m. on the tour sponsored by the Presbyterian Women's association. Tickets are available for \$1.50 at the church.

**BIRTHS**

From Belleville, Illinois, comes news of the birth of a daughter, Catherine Ann, to Mr. and Mrs. Elwood Manning. She was born September 24 and weighed pounds, 5 ounces.

Mrs. Manning is the former Sherry Coykendall. Maternal grandparents are Mr. and Mrs. Guy Coykendall, 47150 Seven Mile road.

Mr. and Mrs. David Scott Owen, 21805 Conmemara drive, are parents of a son, Scott David II, born September 14 at St. Mary hospital. His birth weight was 6 pounds, 15 ounces. Mrs. Owen is the former Carolyn E. Forth, daughter of Mr. and Mrs. Arthur E. Forth.

Mr. and Mrs. Gerald J. Graham, 15039 Finch, Plymouth, announce the birth of a son, Gregg Clark, September 12 at St. Mary hospital. The baby, who weighed 7 pounds, 8 ounces, joins a two-year-old sister at home. The Gramhams are former Northville residents.

Enthusiastic about the programs available from the foundation, a Torch Drive agency, Mrs. Kelly offers to provide programs keyed to any local group. She reports that sound films, slides and informed lay and medical speakers are available for the asking for service or social, men's, women's teen-ager or mixed groups. Anyone interested may call Mrs. Kelly at 349-4179 or the foundation, LO 5-1440, public education.

NORTHVILLE COOPERATIVE nursery's opening fall mothers' meeting Monday night at the home of Mrs. Earle McIntosh on Woodhill road followed a full weekend for Mrs. Francis Gazlay, nursery teacher who was mother-of-the-bridegroom Saturday.

As the Gazlays' son, John Christopher, married Cheryl Ann Babbitt, daughter of Major and Mrs. Louis Babbitt and granddaughter of Mrs. K. H. Babbitt, it was the uniting of two neighboring families. Cheryl grew up across the street from the Gazlays' home on Rogers. Major Babbitt's great-grandfather, Hugh Babbitt, built the Gazlay home in the 1800's.

With romantic festivities over, Mrs. Gazlay and her co-teacher Mrs. Glenn Dabert welcomed 30 mothers and explained the full plans of the cooperative nursery. Co-hostesses for the evening were Mrs. William E. Schulz and Mrs. Daniel Swayne. Mrs. Robert Cartwright, new president, presided.

ALSO WORKING with creative hands is an informal group of six friends and neighbors who meet weekly at the home of Mrs. Duane L. Butler on Summerside lane to learn tailoring in an eight-week course. After sewing forums and date dresses for her colleagues, energetic Mrs. Butler contacted a teacher so that she could learn the art of tailoring — and formed the class.

She is juggling her new interest and the big job of handling Northville Town Hall celebrity luncheon reservations. Continuing the policy instituted last year of requiring advance payment reservations, TH board announces that the deadline for the opening luncheon program reservations is next Friday.

"RED CARPET TREATMENT" was the way Mrs. Donald Van Ingen and Mrs. H. Lorne Dyer assessed their adventures last week at Expo 67 in Montreal. They were guests of Mrs. VanIngen's brother-in-law and sister, Mr. and Mrs. Sneed Khan. He is chief of protocol of the United States pavilion at Expo.

Through the hospitality of Roger A. Provencher, assistant commissioner general, and R. Ellsworth Miller, acting ambassador of the U.S., they were shown sections of the fair unseen by the public. A highlight of their Montreal excursion was a "night-life" visit to the Moussé Spectacles, a discotheque. At Expo, they report, culinary delights were a Swiss dinner and an Iranian luncheon. Their headquarters were the new Bonaventure hotel.

A REPUBLICAN fund-raising event with a full quota of glamor is the luncheon-fashion show being given next Monday at Northwood Inn in Royal Oak by the Oakland County Council of Republican Women's clubs. Among the presidents of 12 local clubs who will model fashions is Mrs. George Merwin, president of the Novi club.

Michigan's First Lady, Lenore Romney, will model her inaugural gown at a climax to the show. Tickets are available through Oakland Republican headquarters in Birmingham.

MICHIGAN CANCER Foundation began its annual volunteer leadership training conference with "An Adven-

ture in Understanding" as its theme this week at the Kellogg Center on the Michigan State university campus. Attention removed from Northville was Mrs. E. C. Kelly, Jr., who has recently assumed the position of Northville branch chairman.

### Babbitt-Gazlay Speak Vows

Cheryl Ann Babbitt exchanged marriage vows with John Christopher Gazlay in an early fall ceremony at 2:30 p.m. Saturday in Northville First Presbyterian church.

The bride is the daughter of Major and Mrs. Louis A. Babbitt of Bunker Hill Air Force Base, Indiana. Her husband is the son of Mr. and Mrs. Francis P. Gazlay, 221 South Rogers.

The Babbitts are former Northville residents, and the bride's paternal

Mr. and Mrs. John Christopher Gazlay

grandmother, Mrs. K. H. Babbitt, lives at 306 South Rogers.

For the ceremony the petite bride wore a white silk organza gown over tulle. The deeply scalloped neckline was outlined with pseudo-pearl lace, beaded with seed pearls. Matching lace appliques adorned the dress and chapel train. A pearl crown held her fingertip veil, which also was edged with matching lace. She carried a bouquet of white roses and stephanotis centered with orchids.

She was given in marriage by her father at the altar decorated with candles and large bouquets of chrysanthemums and gladioli mixed with blue-tipped mums. The Reverend Lloyd Brasure officiated.

The bride's sister, Linda Lee Babbitt, was honor maid. Bridesmaids were Carole Decker, Diane Forbes and Martha Gazlay, sister of the bridegroom. They wore ming blue floor-length chiffon gowns, with matching headresses and shoes and carried nosegay arrangements of blue-tipped mums.

John Lovey was best man; ushers were Bill Lindemann, Fred Frank and Mark Gazlay, brother of the bridegroom. Mrs. Edwin R. Langtry was organist with W. E. Williams singing two solo arrangements.

A reception for 150 guests followed the ceremony at the church. Guests attended from Hinsdale, Illinois; Pittsburgh; Cleveland; and Indiana. Mrs. Gazlay's parents, Mr. and Mrs. J. S. Pettit, attended from Bemona, Michigan. Former neighbors Mr. and Mrs. Dewey Butt and their six children came from Wadsworth, Ohio for the festivities.

A buffet supper for the bridal party and relatives followed at the home of Mrs. K. H. Babbitt.

The bride's mother wore a gown of pale blue crepe with matching accessories. The bridegroom's mother was in a royal blue ensemble.

For a wedding trip through the Smokies the bride changed to a beige suit trimmed in suede with which she wore brown accessories and an orchid corsage. She attended Indiana University and Scholcraft college. Her husband was graduated from Kenyon college where his fraternity was Phi Kappa Sigma.

They will make their home at 19301 Shawwassee, Detroit.

### Candlelight Ceremony Unites Race-Scates

Virginia June Race became the bride of Robert Scates in a candlelight ceremony read by the Reverend Lawrence Kitchin September 2 at St. Matthew's Lutheran church, Walled Lake, at an altar decorated with large bouquets of white gladioli and mums.

The bride, the daughter of Mr. and Mrs. Gerald Race, 28000 Dixon road, Novi, was escorted down the aisle by her father. The bridegroom's parents are Mr. and Mrs. Edwin Scates of Livonia.

The bride's gown of white silk organza was fashioned with a lace bodice, its scalloped neckline embroidered with sequins and pearls. The skirt was styled with a lace front panel and a Watteau train. Her elbow-length veil was held by a satin headpiece bordered with sequins and pearls. She carried white carnations and sweetheart roses.

Deanna Bellinger was maid of honor in a royal blue chiffon gown over tulle with matching accessories. She carried blue-tipped carnations. Bridesmaids Brenda Stable, Dorothy Johnson and Elizabeth McFarland, also in royal blue sheath gowns, carried bouquets of yellow carnations. Patricia Johnson was flower

girl in a yellow gold gown with gold trim that was a replica of the bridesmaids'. Neal Johnson was ring bearer. David Hawkins was best man. Ushers were Lloyd Johnson, cousin of the bride; Howard Sherman, cousin of the bridegroom; and Gerald Race, Jr., brother of the bride.

For the wedding and reception for 275 guests following in the Wixom UAW hall the bride's mother wore a princess blue chiffon gown dress trimmed with lace and matching accessories. Mrs. Scates wore a pink silk crepe gown with matching accessories. Both wore pink rose corsages.

Guests attended from Detroit, Lansing, Bad Axe, Grand Rapids, Greenville, Birmingham, New Baltimore and St. Petersburg, Florida.

For a wedding trip to Northern Michigan the bride wore a navy linen suit with white accessories. She is a 1965 Northville high school graduate. He is a 1964 graduate of Calareville. Both attended Scholcraft college.

**Chief of Police answered question that Holman Pontiac is within 15 miles of Northville as required in specifications.**

City Manager recommended the purchase of 2 cars from Holman Pontiac Co. as lowest combined bid.

Present: Allen, Black, support by Nichols, to award contract for purchase of 2 - 1968 police cars from Red Holman Pontiac Co. in the amount of \$3422.00 plus 1966 and 1967 trade-in Ford cars. (This motion dependent on Holman Pontiac Sales Co. being within 15 miles of Northville). Unanimously carried.

Chief Elkins noted that service costs should not be greater and that if necessary he would drive cars to Holman Service garage on his own time. Mayor Allen requested that a log be kept on actual man-hours spent in driving cars to and from Holman Co. service station so as to determine the actual cost of out-of-town purchases.

The joint meeting between the City of Northville and Citizens' Advisory Committee began at 8:40 p.m.

(Citizens' Advisory Committee members present: Adams, Bask, Schoutz, R. Clarke, Nirdler, Rathert, G. Clark, Horner, Wagenschutz, Hart and Brasura.)

Mayor Allen welcomed the Citizens' Advisory Committee and turned discussion over to City Manager Olen-dorff. He outlined the following as committee's functions:

(1) Identify problem - using same method as in past year.  
(2) Recommend solutions and alternatives.  
(3) Present to council with recommendations.  
(4) Council to come back speedily with questions and their choice.  
(5) Planning implementation.

He stressed that committee's help is needed to bring about maintenance of a fine community and Council's responsibility of speedy answers and actions to Citizens' Advisory Committee.

Mr. Rathert reported that Citizens' Advisory Committee had met prior to joint meeting and elected following officials for 1967-68:

Chairman Rev. Lloyd Brasura; Vice-chairman Russell Clarke; Secretary Nancy Schoutz.

Mr. Rathert reminded Council that Citizens' Advisory Committee had recommended that council order engineering study on blue route for North-South Route.

After discussions on specific areas both Wayne and Oakland Counties' agreement on North-South Route, Mayor Allen promised that council would take action on Citizens' Advisory Committee's recommendation at October 2 meeting.

Mr. Rathert explained that the committee felt to further work could be done in the business district until North-South Route was settled. He also noted the need for final decision on the plan for Central Business district.

After Citizens' Advisory Committee left meeting, discussion was opened regarding contract for 2 police cars to Red Holman Pontiac Sales. William Silver raised several questions concerning the city's procedure in this matter and asked why the bid from John

Lapham was not considered. Councilman Lapham entered the meeting (9:45 p.m.). The city manager explained that he had not considered it since a complete bid had not been received, however, he noted the specifications did not make a two-car bid mandatory.

Following further discussion, it was moved by Black, support by Nichols to rescind previous motion awarding contract for purchase of 2 - 1968 Police cars from Holman Pontiac Sales. Ayes: Allen, Black and Nichols. Nays: None. Carried.

Moved by Allen, support by Black to accept bid for purchase of 1-1968 Police car from Red Holman Pontiac Co. for \$1110.00 and 1967 Ford Trade-In. Unanimously carried.

Moved by Nichols, support by Allen to accept bid for purchase of 1-1968 Police car from Red Holman Pontiac Co. for \$1110.00 and 1967 Ford Trade-In. Unanimously carried.

(Councilman Lapham withdrew amendment to motion, stipulating that if 1968 car is not delivered within specified 45 days that a car will be available to Northville Police Department.)

In answer to Councilman Lapham's question, Police Chief Elkins, replied that he was not aware of any use of an unmarked police car.

City Manager suggested Council to waive notice on September 25 agenda and approve transfer of \$5,000 from General Fund to Water Fund. Council unanimously agreed to waive notice and signed waiver to this effect.

Moved by Nichols support by Black, to transfer \$5,000 from General Fund to Water Fund to pay interest on Water Bonds due September 30, 1967. This money to be paid back by October 31, 1967. Unanimously carried.

There being no further business, the meeting was adjourned at 10:45 p.m. Respectfully submitted  
Martha M. Milne, City Clerk

The regular meeting of the Northville City Council was called to order by Mayor Allen on Monday, September 18, 1967 at the Northville City Hall. Present: Allen, Black, Carlson, Lapham, and Nichols. Absent: Nichols. Minutes of September 5, 1967 regular meeting approved with 2 corrections: Page 2, 2nd paragraph, add "Letter to be answered by City Manager" and Page 2, 4th paragraph, and sentence with "delete 'ration' and delete 'also' and substitute 'Further'".

Moved by Carlson, support by Lapham to pay bills in the following amounts: General - \$70,754.77, (\$30,000 invested in O.S.) Water Fund \$30,791.84. Unanimously carried.

Communications:  
(1) Thank-you and letter of appreciation from the family of Richard Judy.  
(2) Letter from Senator Lodge regarding October 5th Public Hearing in Pontiac about Lower Court reorganization; Council recommended that Judge and City Attorney attend this meeting.  
(3) Resolution which they had adopted, received from City of Inkster, relative to Detroit Water Supply System being placed under Michigan Public Service Commission. This resolution and related matters not under study by Northville City Manager.  
(4) Received from City of Inkster, a Resolution pertaining to municipalities being authorized to declare State of Emergency in event of a riot or civil disorder, with authority to place bans on sale of alcohol and sale of arms, weapons and ammunition and to establish curfew and provide penalties for violations of such proclamations.  
(5) Moved by Carlson, support by Black, directing city manager and city attorney to endorse this resolution and send to proper authorities.  
(6) Communications from Citizens:  
(1) Charles Ely, Jr., representing Northville Junior Chamber of Commerce, presented the tabulated report of their recent survey of the city. Mayor Allen, on behalf of the council, asked Mr. Ely to thank the Northville Junior Chamber of Commerce for their work.  
(2) Mr. Sidney Frid, Oakland County Supervisor, spoke regarding Royal Oak City's proposal to provide a toll-free telephone number connected to Oakland County office building switchboard which would result in less cost to the taxpayers than the present system of making toll calls.  
(3) City Manager read a letter asking how close the city of Northville is to approving the water line, in the north end of Northville, to Novi. Novi stated it would take them 4-6 weeks to take bids and wanted a release from the City of Northville. The city manager does not feel at this time that the city is ready to give a release, but recommended giving Novi permission to go ahead with bids. Councilman Lapham suggested that city of Northville council ask Novi Village Council to have a joint meeting regarding the drainage problem and other mutual problems - ask for suitable date (possibly both bodies could appoint representatives from each group to meet).

Pontiac Co. of Westland. They have looked over and previously and their bid is to be awarded to Pontiac for the purchase of 1 - 1968 Police car with the 1966 trade-in; because of the low bidder change or withdrawing his original bid.

Moved by Black, support by Carlson, that due to the fact that the John Mach Ford Sales find it necessary to change and withdraw their bid on the purchase of one police car for the City of Northville, the next low bid of Red Holman Pontiac Co. of Westland be accepted to purchase 1 - 1968 Police car with 1966 trade-in in the amount of \$1911.00.

Ayes: Allen, Black, Carlson, Nays: None. Carried.

The city manager reported that the city attorney and two absent council members approved of this procedure. There being no further business, the meeting was adjourned at 1:50 p.m. Respectfully submitted  
Martha M. Milne, City Clerk

**Record Turnout Seen for Dance**  
With three featured bands Northville's teenagers' club, The Cavern, is planning for a record turnout this Friday. The dance will be from 9 to 11:30 p.m. in the Cavern headquarters on Main street.

The featured bands are "Soot Richard Case," "Our Mothers Children," and "The Unlows."

For the Soot Richard Case group, who produced the record, "I'm So Glad," this is a return engagement. When they played the Cavern previously, the Cavern had a record turnout. Our Mothers Children also is a return engagement. Prices for the dance are \$1 and \$1.50 for non-members.

OBITUARIES

FLORENCE A. HOLBROOK Mrs. Florence A. Holbrook of 16775 Franklin road, Northville township, died Sunday, October 1 at St. Joseph Hospital, Ann Arbor. She had been ill for only a short period. Wife of the late Mr. Frank Holbrook, she had been a resident of the Detroit area for nearly 21 years. Born in Detroit, she was a registered nurse. Mrs. Holbrook is survived by four sisters and two brothers. Three sisters and two brothers preceded her in death. Mr. Holbrook died in 1956. Funeral services were conducted Wednesday morning at Our Lady of Victory church, with burial at Mt. Olivet Cemetery, Detroit. Funeral arrangements were supervised by H. R. Pierce & Son Funeral Home, Detroit.

Livonia, Tuesday. Born in Northville, she was the daughter of Mr. and Mrs. Chauncey Shoebright of Northville. Surviving her besides her husband and parents are two sons, Kenneth and James; one daughter, Cheryl; and two sisters, Mrs. Jean Binley and Mrs. John Bering, both of Northville. Rosary will be said at 8:30 p.m. today (Thursday) at the Casterline Funeral home. Services will be held 10 a.m. tomorrow (Friday) at Our Lady of Good Counsel, Plymouth.

Mustangs Bounce Back In Thrilling, 19-13 Win

EASY FISHIN'-Fishermen picked themselves on the edges of Phoenix Lake for years for a nibble or two. Yet, Monday when an estimated 4-ton of fish were there for easy taking only a relative few were on hand. In cooperation with the Wayne County road commission, which nearly drained the lake during the past week, the State Conservation department poisoned it to kill off the existing fish in preparations for a restocking program aimed at replacing rough fish with game fish. While 99-percent of the fish were carp, netters were landing pike, bass and many panfish.

In the weatherman's estimation it may have been a cold September night, but the Northville Mustangs kept temperatures high from start to finish Friday in claiming a thrilling, 19-13 triumph over the Brighton Bulldogs. The victory, first this season for Northville, gave the local eleven a 1-1 split in the Wayne-Oakland League and sets the stage for tomorrow's invasion of Keego Harbor where the favored West Bloomfield Lakers will attempt to improve upon their 2-0 record.

Coach Al Klukach, who saw his players open the season against Plymouth with a fine performance followed by a poor one two weeks ago at Holly, was obviously pleased by his squad's showing here Friday. He praised the performance of End Mark Gazley, who repeatedly chopped down Brighton's runners, and had special praise for Gus Terry, a lusher on defense, over Ron Gjoetzer, Stan Nirdner, Terry Mills and Craig Turnbull. Klukach substituted more freely Friday, giving "more of them a chance to play. I think the rest was helpful."

DOWN HE GOES-Brighton Guard Jim Baker (68) hits Barry Deal after the Northville back made a short gain early in Friday's game.

FIGHTS BACK-Just after Northville evened the score at 6 points in the second quarter, Left Half Kevin Rosswurm swept wide around the right end as Brighton battled back in a futile effort before intermission.

Novi JV Eleven Tops Clarenceville

After a slow first half, 6-0 start, Novi's junior varsity eleven came back strong last week Wednesday to dump Clarenceville 27-12. They played a real first-half extra point and a safety. Novi lost its opener to Milan, followed up with a scrimmage against Northville, and then took on Clarenceville. Next up: Manchester at Manchester on October 18 beginning at 7 p.m.

Jack's Pike Cops TV Prize

That giant Northern Pike that Jack E. Morris, Jr. caught was the youth at prize in the annual "Michigan Outdoors" fishing contest co-sponsored by Leonard Refineries, Inc. and Auto-Owners Insurance company. Jack, who is the son of Mr. and Mrs. Jack Morris of 2914 Clark street, earlier had won a prize in a contest co-sponsored by Trickey's bait shop in Novi. Last week he was a guest with other top winners on the weekly "Michigan Outdoors" television show hosted by Mort Neff. He won himself a beautiful boat. Oh, yes, in case you forgot the size of Jack's giant, it was 45 1/2 inches long and weighed 25 1/2 pounds.

Runners Triumph

Northville's varsity and junior varsity cross country teams notched victories early last week over Dearborn Crestwood. The Mustangs edged the host team, 29-27, while the JV squad was less genteel, 39-19. Coach Paul Osborn, almost as elated over the victory as his runners, said "we've had so many losing teams that the win is welcomed by everyone. The boys looked good." Bill Harrison came across with a first-place for the Mustangs with a time of 10:57. In third and fifth places, with times of 11:18 and 11:32 were Greg Phil Kennedy and Greg Marshall, respectively. Notching seventh place was John Pauli.

# Novi Approves Record Budget

The largest school budget in the history of Novi school district was adopted last week Wednesday night without a single local taxpayer present in the audience.

And a pile of printed budgets, showing a record anticipated expenditure of \$727,943, prepared by School Superintendent Thomas Dale for interested citizens, was returned hardly dented to his office.

Only representatives of the school faculty, The News and four of the five board of education members were present. President Arthur Heslip, who recently underwent surgery and is now recuperating at home was the lone missing board member.

The 1967-68 budget shows anticipated revenue exceeding the \$727,943 outlay by \$2,040.

Tied to a state equalized valuation of \$23,684,800 and an estimated student membership of 1,800, estimated revenue represents \$204,394.64 produced from 8.63 allocated millage and \$236,842 from 10 voted mills; \$257,837 in state aid, and \$30,800 in special allowances such as transportation, tuition, driver education and two federal aid programs.

A chart prepared by the superintendent to illustrate the ratio of income based on local taxes and state aid showed that last year about 57-percent of the revenue was produced by local taxes and 43-percent by state aid. For the 1967-68 fiscal year about 60-percent will be produced by local taxes, 40-percent by state aid. "This does not mean," Dale emphasized, "that there has been a decrease in state aid."

Part of the explanation for the change in the ratio is because of the larger local tax base. The equalized valuation of the school district took a substantial increase this year, partly because of the growth in industrial and residential areas and partly because of reassessment of property.

Biggest increase in anticipated expenditures, accounting for the jump in the 1967-68 budget over the previous one from \$626,397 to \$727,943, was in the instructional areas. The anticipated expenditure for K-6 increased from \$248,060 to \$277,452, and on the 7-11 instructional level from \$161,191 to \$232,869.

One reason for the jump in instructional outlay, of course, is the recently approved increase in the teachers salary schedule, which sets a starting \$A salary at \$8,175, the maximum at \$9,153, a starting MA salary at \$6,575 with a maximum at \$9,760, and an MA plus 30 salary of \$6,975 to a maximum of \$10,423.

Still another reason for the increase on the 7-11 instructional level is the addition of an 11th grade to the school's curriculum. Another increase

will occur next year when Novi adds a 12th grade to its curriculum.

Administrative outlay increased from \$27,302 to \$31,950, although the superintendent's salary remains at \$14,000. Biggest increase in this category is for custodial salaries, which jumped from \$22,507 to \$36,500.

Other major category outlays, together with corresponding expenditures of last year, include:

Maintenance, \$8,614 to \$11,500; transportation, \$45,632 to \$53,292; and fixed charges, \$4,612 to \$6,900.

Supplemental expenditures, which include tuition, health services, etc., showed the only significant decrease. Anticipated expenditures here show a drop from \$50,884 to \$25,600. Decrease in tuition expenditures is explained by the addition of an 11th grade, where last year juniors attended school at Northville.

Superintendent Dale's budget report also spelled out expenditures for bonded indebtedness. It shows a mill rate of 2.6 for 1966 bonds, 2.6 for 1965 bonds, .5 for 1958 bonds, and 1.3 for 1957 bonds. The total 7.0 mills, the report shows, will produce a debt levy of \$165,789.40 of which \$80,000 will be applied to the principal and \$86,789 for interest.

Voted millage for operational purposes — 4.50 in 1966, 3.00 in 1964, and 2.50 in 1963 — will produce \$106,576.50, \$71,032.50, and \$59,210.50, respectively. The 8.63 county allocated millage will produce \$204,394.64.

# No Employees, But Kroger Keeps Going

When Edward Barnes, manager of the Northville Kroger store, said he operated on a shoe string this past week he isn't far off base.

Despite a strike by some 20 local employees who joined Kroger company employees throughout the metropolitan area in walking off their jobs, Barnes and a student assistant managed to keep the store operating Friday morning and all day Saturday.

The store was closed Monday but reopened with a skeleton crew Tuesday in an effort to sell meats and goods subject to spoilage.

Although patrons were "discouraged a little" by local pickets, Barnes said "we haven't had any trouble at all. I was over in Plymouth while and they had to call the police. The striking employees here are a good bunch," he added.

The union reportedly seeks an 80-cent per hour increase over a three-year period, including fringe benefits such as a paid pension program, paid sick days and an additional paid holiday.

Presently, base wage per hour for Kroger employees is \$2.15. Ceiling is \$2.47 per hour, with time and one half for overtime and double time for Sundays.

# Public Meeting Called To Hear Youth Report

A report to the community will be made by the Youth Services Committee Tuesday evening, October 12 at the Northville high school auditorium.

The committee has stated that the results of the report should determine whether or not there is sufficient community interest to continue.

Several hundred concerned parents first met last winter at the high school following incidents involving drugs and vandalism among teenagers.

At this initial committee meeting a study committee composed of High School Principals Fred Holmworth, City Manager Frank Oltendorff, Recreation Director Robert Prom, Police Chief Sam Elkins and Mrs. Gordon Forrer and the Reverend Timothy Johnson was formed. In June the committee made recommendations to the citizens group and was instructed to investigate means of implementing specific programs and procedures spelled out in the report.

The committee recommendations included the establishment of a permanent forum by the school district "for the exchange of ideas relating to Northville's changing patterns of social behavior. Such a forum should include all community leaders ... and should convene often and regularly."

Employment of a consultant to attend the forums, guide discussions and relate experiences of other communities with similar problems was also recommended.

# 'Skip City' Plan

Continued from Page 1

non-profit research organization, Metropolitan Fund Inc., and its president, Kent Mathewson. The October issue of Nation's Cities magazine will contain an article by Mathewson on "skip annexation" in which he advocates it as a means of "halting proliferation of local units of government while giving big cities an effective means of solving some of their problems of crowding and decay."

Mayor Cavanaugh was quoted in the News story as stating that the proposal "would be easier to achieve today than it would have been 10 or 15 years ago. This is because today Detroit occupies a key position in its predominant control of sewer and water facilities."

Further, he said, "with the expansion of the plant there was to be a five-week delay before new employees would go to work. Detroit people didn't want to wait, while unemployed from the South were willing to hire-in and wait until production began."

Unlike Detroit area employees who generally prefer to commute to their jobs in Wixom, he said, the people from the South preferred to commute locally. These, he said, had difficulty finding housing because it wasn't available. No out-state recruitment has taken place since the expansion, he added.

A number of concerned citizens contacted The Record this week after reading of the satellite city plan. Several asked that the names of their state representatives be published so that they might register their feelings on the matter.

In the township residents may contact their supervisor, at FI 9-1600, Senator George W. Kuhn, 7222 Cottonwood Knoll, Birmingham 46101, and Representative Louis E. Schmidt, 20405 Antago, Livonia 48152. City residents may call the city manager at FI 9-1300, Mayor Allen, FI 9-0770, or the same state officials as in the township.

# Eastern Star Has Birthday

The 76th anniversary celebration of Orient Chapter No. 77, Order of the Eastern Star will be held in the Northville Masonic Temple tomorrow (Friday) at 6:30 P.M.

The evening will begin with a dinner honoring the Past Masters, Past Patrons, Life Members and Honorary Members.

Despite the presence of workmen, incomplete facilities, shortage of some equipment, and expected confusion over location of classrooms, Northville's new junior high school opened Monday with a "minimum" of problems. Students who have awaited the long delayed move opened their books in the new building. Regular classes were started on Monday. Classes were shortened the first two days but returned to the regular 8 a.m. to 2:40 p.m. schedule on Wednesday.

# Municipal Court

Four drunk-and-disorderly and four minor-possession of beer charges led the list of 20 cases brought before Northville Municipal Judge Philip Ogilvie September 26 and October 3.

Roger John Bosca, 41160 Russet Lane, Plymouth, 18, was found guilty of being in possession of beer September 15 at Taft gravel pit. Sentence was suspended with costs assessed at \$25. He was sentenced September 23 with a parent present at Judge Ogilvie's request.

Gary Nelson Buck 7245 Porter, Grand Blanc, 19, was found guilty of being in possession of beer September 24 at North Center and Dunlap streets. He was fined \$40 and \$4 costs. James T. Pease, 17585 Fielding, Detroit, 13, was found guilty of possessing beer at Seven Mile and South Center September 22. He was fined \$50 and \$5 costs. Greg Oliver, 36906 Am Arbor Trail, Livonia, 19, was found guilty of being in possession of beer on South Center at Seven Mile September 19. He pleaded guilty with sentence deferred until October 3 for a parent to be present. He was fined \$30 and \$3 costs.

Drunk and disorderly charges were filed against Walter R. Sivanowicz, 3777 West Commerce, Milford, 39, who was found guilty and fined \$50 and \$5 costs; Doyle V. Rowland, 13909 Gotschkaik, Plymouth, 60, who was found guilty with sentence suspended and \$40 costs assessed; Daniel C. Richter, 8689 South Main, Plymouth, 19, who was found guilty and fined \$40 and \$4 costs; Robert Fred Evans, Jr., 14720 Hubbard, Livonia, 39, who pleaded guilty and was fined \$50 and \$5 costs. All offenses were in the city area.

Two charges of driving under the influence of alcohol came before the court with James Blackburn, 19540 Gerold, 39, pleading not guilty to the charge but guilty to the added charge of reckless driving. He was fined \$100. Richard Luttman, 9517 Sunnyside drive, Lakeland, was found guilty and fined \$100 with his license revoked for 90 days.

David P. McCram, 17806 Asbury Park, Detroit, 18, was found guilty of speeding 60 miles per hour in a 35 mile zone on South Main September 12. He was fined \$40. David W. Barstad, 47655 West Nine Mile, 25, was found guilty of speeding 40 miles per hour in a 25 mile zone on Randolph September 13. He paid a \$15 fine.

Michael G. Mosdy, 128 Rayson, 18, was sentenced Tuesday on three counts: He was found guilty of reckless driving August 15 and fined \$50 and 30 days in jail, which was suspended with defendant receiving credit for 14 days in Wayne county jail while awaiting trial.

Two out-of-town boys were found guilty on charges of disorderly person-offenses at the fish market. Eric M. Johnston, 34960 Am Arbor Trail, Livonia, 17, and Charles Lee Backus II, 33038 Sandra Lane, Westland, 17, each was fined \$20 and \$2 costs.

— ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## from the PASTOR'S STUDY

Rev. Robert Beddingfield  
First Baptist Church of South Lyon

It is a common experience to find souls kneeling at the altar and calling upon God with apparent great anguish of heart, but fail to receive anything. Why does the young Christian dedicate that life over and over to Christ, but remain powerless? The answer is sin. Sin confessed is not necessarily sin forsaken.

David said, "If I regard iniquity in my heart, the Lord will not hear me." Isaiah declared unto the people, "Behold, the Lord's hand is not shortened, that it cannot save; neither His ear heavy that it cannot hear; but your iniquities have separated between you and your God, and your sins have hid His face from you, that He will not hear."

The righteous Pharisee thanked God that he was not like other men; extortioners, unjust, adulterers, or even as the Publican. As the Pharisee stated in his prayer, it is true that most Christians do not intentionally lie, steal, bear false witness, or commit adultery. What sins then does the Christian commit?

The Pharisee was filled with pride in his self, and contempt for his neighbor. Self-glory and vanity will separate us from the goodness of God as quickly as anything. Some Christians do not know anyone that can pray as well, speak as well, or teach as well as they can. Pride and jealousy are common Christian sins which so easily beset us. Another sin that will destroy communion with God is gossip or criticism. The childish taunt, that "sticks

## Pioneer Girls Get Awards At Salem Bible Church

An awards program was the highlight of the first fall meeting of the Pioneer Girls club at the Salem Bible church September 19.

Advanced Pilgrims receiving awards for work accomplished during the summer were: Outdoor Badge, Karen Mitchell and Dona Goodell; Kitchen-craft, Chris Owens; Discoverer Rank, Lois Hamilton and Karen Mitchell; gold stripe for one year perfect attendance, Robb Hanson.

The Pilgrims were guests of the Jack Rendicks for a hot dog roast and campfire September 26.

Three members of the Colonist group earned the following awards: Baby sitting, Donna Wolfgang and Elaine Wilson; First aid and beginner swimming, Elaine Wilson; Special recognition membership pin, Monica Rohraff.

The Pioneer Girls meet every Tuesday from 7 to 9:30 p.m. at the Salem Bible church with the stated aim of stimulating the girl's desire to know God and providing purposeful activity, full of fun and fellowship. Pioneer Girls is a national organization with 90,000 members.

Local leaders are: Third and fourth grade Pilgrims, Mrs. Clara Dickerson, Chet Guide, Mrs. Doreen Lawrence and Mrs. Iwene Speight; helpers; fifth and sixth grade Advanced Pilgrims, Mrs. Janet Renwick, Chief Guide with Mrs. Betty Bare and Mrs. Maule Davis, guides and Miss Pauline Graham, helper; seventh through ninth Colonists, Miss Joyce Carroll, Chief Guide with Miss Roberta Hunter, guide, Mrs. Esther Johnston and Mrs. Jane Edwards, helpers; tenth through twelfth Explorers, Mrs. Lorraine Speight, Chief Guide.

# You'll buy a new furnace maybe once in your life. Here's how to do it right.

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable. (And, right now, each will give you a \$150 trade-in on your old furnace if you convert to electric heat.)

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

## Of Ely's Vintage House History Survives Beautification

**EDITOR'S NOTE:** Following is the last of a series of articles on the Vintage Homes to be visited today, October 5, during a tour sponsored by the Women's Association of the Northville Presbyterian Church.

President Lincoln probably had not yet begun his famous debates with Stephen A. Douglas when the hand hewn timbers were hoisted into place forming the superstructure of the Charles Ely home at the southwest corner of West and Randolph streets.

Today, 21 presidents and well over a hundred years later the house still stands. Years and periodic alterations and additions have erased its original appearance and its early Cape Cod lines have disappeared, but a hard to describe quality remains, despite its modern-day beauty, that is reminiscent of an era long past.

It may be the setting beneath towering pines, its simplicity, or its blown glass windows, but whatever, it radiates untold history of the many families who have made it their home for more than a century.

Records show that Alvah Smith first owned the farm in 1831 on which the house later was built. The Smiths soon sold the property to John Miller, Northville's first settler, who in turn sold it to William Dunlap and Daniel L. Cady. Still later it became the property of William Hay.

The Elys, who have called the house their home for 22 years, can only look at the original timbers and guess the home's age. Nor can they be sure who built it. Any one of the early property owners may have been instrumental in its birth.

## Two Students Cited For Scholarship

Letters of commendation honoring them for their high performance in the 1967 National Merit Scholarship Qualifying Test (NMQST) have been awarded to two students at Northville, Principal Fred Holdsworth has announced.

Those named "Commended" students are Gary Becker and Michael Conley.

They are among 40,000 students in the United States who scored in the upper 2 percent of those who will graduate from high school in 1968. The commended students rank among the 14,000 Semifinalists announced in September by the National Merit Scholarship corporation (NMSC).

John M. Stalaker, president of NMSC, said: "Although commended students advance no further in the Merit Scholarship competition, their outstanding record in a nationwide program deserves public recognition. Their significant academic attainment gives promise of continued success in college."

"The commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Our nation will benefit from their continuing educational development."

The commended students' names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices at the time they took the NMQST. The reports include home addresses, test scores, anticipated college majors and career intentions of the commended

students. NMSC encourages these students to make every effort to continue their education.

## News Around Schoolcraft

A schedule of test dates for the Schoolcraft college counseling tests has been announced by Director of Admissions Barbara Gell.

"If a student has not been formally admitted to the college, he is urged to contact the Admissions Office to make an appointment," said Miss Gell. "Failure to take the counseling tests may prevent the student from taking the course of his choice during the winter term."

Three of the test dates are scheduled for Saturday mornings at 9 a.m. They are: October 14, November 4, and December 2.

The other two dates are scheduled for evenings at 7 p.m. They are: Tuesday, October 24 and Wednesday, November 15.

The first of three concerts on the Schoolcraft college fall semester Humanities Series will be presented at 11 o'clock Thursday morning, October 12, when Flutist Marilyn Jones and Pianist Barry Wood will present a program of Music for Four Flutes from Three Centuries.

The concert, to be performed in the library, is open to the public. There is no admission fee.

The program takes its title from the fact that Mrs. Jones has scheduled her work for the treble recorder, the German flute, the flute and the alto flute. Works by Purcell, C.P.E. Bach, Telemann, Brahms and Martin are on the program.

One of the works is "Piece for Alto Flute and Electronic Tape Recording" by Feldman. His performance will be contingent on whether the work is completed in time for performance on Oct. 12. The piece was commissioned by Mrs. Jones' husband, David, as a birthday gift for his wife. It will be receiving its first public performance at Schoolcraft.

Schoolcraft College President Dr. Eric Bradner will head a delegation of four Schoolcraft administrators attending the 24th annual convention of the Council of North Central Junior Colleges in Cleveland, Ohio, October 1-3.

Dr. Bradner, a member of the council's executive committee, will serve as chairman of a group discussion for administrators during the afternoon session on Monday, October 2. The convention will be headquartered at the Pick-Carter Hotel in Cleveland.

Theme of the convention is "Creativity and Diversity for the Seventies."

# SPEAKING for The Record

By BILL SLIGER

Northville made the front page of The Detroit News Sunday ... and Detroit's Mayor Cavanagh made the front pages of The Northville Record and Novi News today.

According to the Sunday story, the mayor is toying with the idea of creating a "satellite city" in Northville and Plymouth townships. It is suggested that "little Detroit" would extend from Detroit House of Correction property on Five Mile road to Detroit-owned Maybury Sanatorium property on Eight Mile road. The mayor's satellite city would have a population of up to 100,000.

It's stories like these that shake your confidence.

Maybe the "alarmists" are "realists"; maybe there is a plot to abolish self-rule; maybe there is an extension of Detroit utility services with the monster of long tentacles is being created that will squeeze its customers until they succumb to the will of Big City.

I'd rather not hold to those theories. But it would seem the height of naivety not to heed the mayor's satellite plan as a warning.

Better described, the "skip annexation" idea that has now caught Mayor Cavanagh's fancy smacks of a promotion to satisfy central city needs that it has failed to provide for itself.

A "fresh start" may look inviting, but the basic problems will hang new city that exist for the old. Planning experts admit that balancing residential and industrial growth is an impossible task - and Detroit residents may be surprised to learn that school taxes in the suburbs are higher than in Detroit, where taxpayers steadfastly refuse to vote urgently sought increases.

Beyond this, however, the belief here is that Northville residents are better equipped to rule themselves and determine the future development pattern of their community than the mayor of Detroit.

This column was sympathetic to Cavanagh's income tax proposal and supported his theory that the central city contributes significantly to welfare of the suburbs. His tax on non-residents working in Detroit passes the test of reason - at least from this unaffiliated viewpoint.

But to quote George Villan, planning consultant for Northville township, the skip annexation plan would open a "Pandora's box" for every city of any size in the state to reach outside its borders and attempt to create a new economic base that it failed to do in the first instance!

There were a few statements in Sunday's satellite plan story that were particularly disturbing:

--that the underlying reason (for opposition to Cavanagh's plan by Northville-Plymouth residents) would be race;

(there have been other politicians who have claimed that anyone who doesn't like apple pie is a communist; it's just possible that the community of Northville will manage to face up to its responsibilities in the area of civil rights with greater expertise than the central city);

--that "skip annexation" is advocated as one means of halting proliferation of local units of government while giving big cities an effective means of solving some of their problems of crowding and decay;

(this is the kind of talk that breeds suspicion, destroys cooperative, inter-community and metropolitan planning and adds fuel to the fire of those who claim a master plot to destroy suburban home rule);

--that while the plan is sure to spark controversy, it probably will be easier to achieve today than it would have been 10 or 15 years ago - because today Detroit occupies a key position in controlling suburban growth through its dominant control of sewer and water facilities.

Suddenly, everyone forgets - even the audit that six months ago he couldn't retire to the man's room without one of them asking, "Are you a candidate?" And negative answers seemed only to generate still more questions until even those in his corner chorused, "Announce now and enhance your chances."

So now he's a Has Been who is about to pop the late answer that came too early, who has ended a tour of the States' slums that's too late, and who soon will launch a parade abroad that's too early because his answer is late.

"Frankly, I admitted to the woman on the other side of the newspaper, 'It's

The latter statement, attributed to Cavanagh, is most aggravating. Northville Mayor A. M. Allen bluntly described it as a threat. And, of course, this is exactly what it is.

The mayor's press secretary denies that Cavanagh made such a statement and discarded it with the old line about not being able to believe what you read in the newspapers (and from an ex-newsman, too).

Gerald Remus, manager of the Detroit Water Board for the past 12 years, flatly denied any such pressure motives. He points out that the water department operates completely independent from city government and even charges the city for its use of water.

Personally, I believe Remus when he says there is "no politics" in his department. And he further added that Mayor Cavanagh had never given him reason to believe otherwise. The Detroit Water Board has operated under Remus as a private utility - seeking new customers to expand its system and improve its efficiency. It has been successful and is the only profitable operation in Detroit city government.

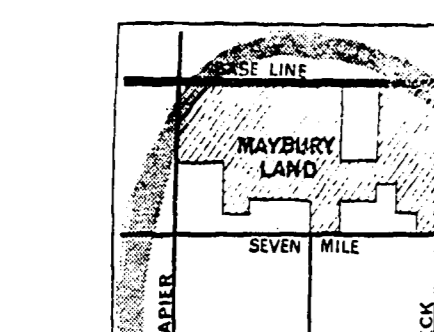

Continued success of the system depends upon continued confidence in its operation. Remus knows this. He's "selling" water. And customers are buying at fair prices.

The "control" of suburban growth still rests with the governments of the suburbs - not with any hand on a faucet in Detroit.

It's just possible that our community owes Mayor Cavanagh a debt of gratitude for reminding us that his city owns several large tracts of land in the area - and that he may have designs on acquiring more.

Coincidentally, the city and township have just begun a study on the feasibility of unification.

It may be advisable for the committee and its hired consultant to toss the Cavanagh "satellite city" on the table and see how a city of Detroit fits into the long range development plan for our community.

This map appeared in Sunday's Detroit News and was described as land that might be annexed by Detroit.

Poor Governor Romney.

hard for me to decide which is worse: to be too late in making an early start or too early in making a late start."

"That's because," she said, "no matter how early you start you're always late. You were late for supper again."

"Madam," I said as gently as my naturally mild manner would permit, "could we once discuss a topic intelligently without the little asides?"

## Readers Speak Refutes Manager

(NOTE: The following letter was addressed to City Manager Frank Ollendorff with a copy to The Record. It concerns the city's answer to the writer's charge that sale of his Main street building had been blocked by the city).

Thank you for your letter which was received following publication in the Northville Record.

We note you mention the conversation related by you never took place, which completely amazes me coming from you.

According to records the party interested in purchasing the building located at 141-43-45 East Main street desired information relative to the future status of the building and called at your office at the City Hall.

This map appeared in Sunday's Detroit News and was described as land that might be annexed by Detroit.

Editor's Note: The manager has stated that the conversation did take place, but the content differed than previously described by Smith and not detrimental to the sale of the building.

Editor's Note: This newspaper welcomes letters to the editor. We ask that they be received at this office by Monday noon for publication the same week and that they be limited to 500 words. All letters must contain the signatures of the writer, but names will be withheld on request. A LOOSE LEAF  
By ROLLY PETERSON

Money speaks louder than words. This is the case apparent with respect to Channel 50, WKBD, which is abandoning its claim as a sports channel. Since its debut in January of 1965, fewer and fewer sporting events are being televised, much to the chagrin of this writer and many others with a penchant for sports.

Television of college sports, likewise, has been hit by athletic rules. Not until last year did the NCAA lift the ban on collegiate commercials, and even then the announcer must make it distinctly clear that the commercial is not connected with the athletic event. That's why the commentator interjects, "now, back to our station for a word from our sponsor." The NCAA has not lifted the ban on beer commercials.

And there's further complications in televising college games. First there's the television blackout, wherein there can be no coverage within a 50-mile radius of a game being played. Second, films of the U of M and MSU games, now disbanded by channel 50, could be shown only 11 p.m. the day of the game or after.

But the prime concern of Channel 50 is the money angle. "The cost of covering games is high," the spokesman said "maybe \$1,000 or more for an announcer, two engineers, a truck and one camera. Still, we were backing the other networks, and they were killing us."

What about getting prime sports entertainment? Again, expense, and furthermore, other channels had exclusive rights to top sporting events. A new station, one of five owned by Kaiser Aluminum, infant channel 50 has limited funds.

"Give me unlimited funds and my choice of coverage," the spokesman said enthusiastically, "and I could ...." (his voice trailed off in a dream.)

Perhaps the most successful sports channel is WFLD, Chicago. It's the only station owned by Marshall Field, and that means money, big money to buy top sporting attractions. WFLD can and is vying successfully with the big networks.

Meanwhile, WKBD continues to slip. Only 13 Piston games will be televised this winter, and fewer high school basketball games.

Since Red Wing hockey draws, channel 50 will carry a schedule of 30 or 31 games, with competing networks picking up the remaining six or seven.

The spokesman said college basketball coverage will also be stepped up. Small solace.

## Michigan Mirror Hospitals Feel Pinch For Registered Nurses

LANSING - "About 100 nurses are needed, right now, at Sparrow Hospital," notes Roger Busfield, associate director of the Michigan Hospital Association.

Sparrow is a 465 bed hospital in Lansing. Its cry for registered nurses is echoed throughout the state. Urban and rural, large and small, many hospitals in Michigan are feeling the pinch of the R.N. shortage.

William Bresler, business manager of the Michigan Nurses Association, says, "It's not so much a shortage of registered nurses as it is a shortage of working registered nurses." So many nurses have left the profession that there are just not enough to satisfy the demand, he points out.

Young, graduate nurses are soon lost to marriage and family. Many who return to nursing do not return to general duty in hospitals. Instead, they enter private, industrial or school practices. The pay is better and the hours more stable.

The nurses association and the Michigan Employment Security Commission have set up five-week refresher courses for "retired" registered nurses, hoping to attract those who have raised their families back into the general duty field.

The course runs eight hours a day, five days a week and combines classroom instruction with hospital duties. There is no tuition and a small stipend is paid to those who qualify. Legally,

any registered nurse who stays registered with the state can practice nursing without taking a refresher course no matter how many years she has been away from the profession. However, most nurses returning after long absences want to be brought up to date, Bresler said.

ECONOMIC security of nurses is also undergoing a change, Bresler says. It wasn't until February of this year that nurses were brought under the Federal Minimum Wage & Hour Act. Until that time, some hospitals didn't pay overtime, he maintains, although policies varied from hospital to hospital.

Wages are just now beginning to reflect the years of education and training required, Bresler maintains.

Busfield, reflecting hospital views, feels that nurses' wages are generally in line with other skilled professions. He agrees there are too many exceptions where pay is still low. He points to a recent survey published by the hospital association which lists the "average starting monthly salary" for general duty nurses in Michigan at \$410, up from \$390 in 1965. Maximum salary for general duty is averaged at \$481 monthly.

BESIDES nursing has become the job of nurses' aides and practical nurses, while registered nurses are now bookkeepers. Busfield and Bresler stress this is undesirable.

Although both men agree that R.N.'s are trying to correct the situation, they

do not agree with what caused the trend. Busfield feels that the nurses, by constantly upgrading their profession, "up-graded" themselves into keeping records and leaving routine nursing tasks to those less qualified.

Bresler maintains that "It just kind of happened." Nurses were always held responsible for patient records, he says. As "red tape" increased in hospitals, nurses were assigned more of the paper work. "It just grew like Topsy," he said.

There are three ways to become an R.N. in Michigan. Some community colleges offer an associate degree in a two-year program.

A three-year program is offered by many hospitals. Instruction takes place in hospital classrooms and students pay tuition the same as college students.

A four-year college program leads to a Bachelor of Nursing Science. Graduates of all three programs must pass state exams to become licensed.

Higher pay and more respect for professional abilities must be apparent, says Bresler, before the current shortage of nurses improves.

The state-backed program is expected to entice some 700 nurses back to duty. Hospitals and colleges will graduate several hundred more. These will help, but they cannot fill the need nor solve the problem.

## Roger Babson Panama, Suez Canals Ripe for War or Peace

BABSON PARK, Mass. - Neither the Panama nor the Suez Canal is top news at the moment. But perhaps they both ought to be, for there are rumblings concerning ownership and operation of these international waterways which could tip the scales for war or peace on some tomorrow.

For many months past, the governments of the United States and Panama have been trying to reconcile their differing views on the ownership and operation of the present canal. They have been exploring also the pros and cons of a new, more modern waterway between the Atlantic and the Pacific within present Panamanian borders.

A point at issue is whether we shall remain sole owner of the present canal and continue to exercise sovereign rights over the bordering strip of land known as the Panama Canal Zone. Pressures from many sources are being exerted to persuade the U.S. to relinquish sovereignty over this area, and it is widely believed that President Johnson may already have decided to do so.

It is easy to sympathize with the burgeoning nationalism of Panama and other Latin American countries, and to understand why their people can so easily be led to believe that the United States is the great colossus to the North - looks down its nose upon the nations of Central and South America.

Perhaps in another burst of misguided generosity we are about to make a strategic withdrawal from a situation and a posture that we had hitherto regarded as inviolable and unassailable. If we do relinquish our sovereignty of the Panama Canal Zone, and make other concessions regarding the operation of the canal itself and the disposition of the remaining territory, we must first have our altruism misinterpreted as a sign of weakness. Hence, in following such a course, we might be inviting outbreak of fresh "brushfires" in Latin America and perhaps ultimate closure of the canal by insurgent elements in Latin America backed by Castro and financed by Moscow.

THE PROBLEM of what to do about the Suez Canal, on the other side of the world, is equally grave. It is four months now since the end of the Arab-Israeli conflict, and the Suez still remains closed. Apparently, President Nasser of Egypt and his Russian mentors and benefactors feel that closure is hurting the Free World more than it is hurting the Egyptian economy, though it is hard to follow this line of reasoning.

Quite obviously, Cairo and Moscow expect the world to believe that closure of the canal will impel Western interests to put pressure on the Israelis to withdraw their troops from the east bank and, ostensibly, leave the way clear for reopening. Whether Nasser and Koygyn believe it themselves is another matter. Meanwhile, there is the real possibility that Israel might seize the canal if hostilities with the Arabs should be resumed.

Despite the ineptness of Secretary-General U. Thant in prematurely recalling an UN initiative, the \$3,400-million U.N. peace-keeping force which had been guarding the Sinai desert frontier between Israel and Egypt - a move which many observers believe triggered the East War - the dream of international accord lingers. Disillusioned we may be, but still we hope for peace in our day.

The time is not yet. But one day, perhaps, the UN will reach closer to its full potential as a peace-keeping organization. When that time comes,

hopefully a meaningful accord on the use and operation of international waterways like Panama and Suez can be arrived at. Meanwhile, we must grope for partial solutions compatible with our own sovereignty and national interests - and with our sense of international responsibility and fair play.

WELCOME HOME—You do a lot of worrying when you only son, a 21-year-old Marine sergeant, spends nearly all of his 13 months in Vietnam in combat. So when he finally comes home, safe and unharmed, you're mighty happy. And you'll do just about anything to show him how happy you are. Like having a professional painter come up with...

# About Our Servicemen Twice Wounded Marine Back on Duty

Marine Sergeant Robert Elwell, a twice-wounded former Northville high school student, has returned to duty in Vietnam following a month of hospitalization. One of three children of Mr. and Mrs. Charles Elwell, former residents of Northville now living in Farmington, Sergeant Elwell was first wounded in both legs during the bombing of his air base at Dang Ho over the Fourth of July weekend — just a month after re-

turning to duty, he was again wounded during the Labor Day weekend — this time when struck in the head by shrapnel. Six of his close friends were killed in the attack. Mrs. Elwell, an employee at the A&P store in Northville, credits Robert Piser, The Detroit News correspondent in Vietnam, with saving her son's life. "Bob was running from the radar tower for the bunkers with his buddies when he was hit," she explains. "Mr. Piser grabbed my boy, dragged him to the bunker and gave him first aid and then later took him to the hospital. He saved my boy's life, I'm sure." Ten days after reaching his 20th birthday, the young Marine was decorated with his second Purple Heart and received his sergeant's stripes. Sergeant Elwell has a little more than a year of his four-year enlistment yet to serve.

Ft. Knox, Kentucky — Army Privates Samuel J. Chizmar and Shurt J. Schiller are assigned to Company A, 16 Battalion, 4 Brigade, here in the United States Army Training Center, Armor (USATCA).

They will spend the next two months learning the fundamental skills of the soldier in today's, modern, action Army — firing live ammunition under simulated combat situations, learning productive maintenance and first-aid for chemical, biological and radiological attacks, as well as being schooled in the use of modern arms.

Interspersed with constant emphasis of proper physical conditioning, diet, rest and health habits, will be ample opportunity to utilize USATCA's many and varied recreational and religious facilities.

Following the completion of basic training, Private Schiller, the son of Mr. and Mrs. William F. Schiller, of 43540 West Six Mile and Private Chizmar, son of Mr. and Mrs. William Chizmar of 19360 Maxwell, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify them in a specialized military skill.

Ft. Knox, Kentucky — Thomas E. Green, 21, son of Mr. and Mrs. Victor Green, 770 Wolverine Drive was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Knox, Kentucky. The promotion was awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.

As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

During advanced individual training, also of eight weeks duration, those who receive a promotion to E-2 may be eligible for another "accelerated" promotion to E-3 (private first class).

Army Private John R. Baldwin, 23, son of Mr. and Mrs. John R. Baldwin, 945 Hugo Reid drive, Arcadia, California, was assigned to the 39th Engineer Battalion in Vietnam, September 5. Baldwin, a combat engineer with Company B of the battalion, entered the Army in April of this year and was last assigned at Ft. Leonard Wood, Missouri.

His wife, Elizabeth, lives at 219 Elly drive, South, Northville.

James Honsinger, son of Mr. and Mrs. Dean Honsinger, 9884 Currie road, entered the service September 20 and is now enrolled in Army basic training at Ft. Knox, Kentucky.

Ft. Benning, Georgia — Michael D. Williams, 23, son of Mr. and Mrs. Raymond O. Williams, 4665 Stratford court, Northville, was commissioned an Army second lieutenant after graduating from the Infantry Officer Candidate School, Ft. Benning, Georgia, September 14.

During the 23-week course, he was trained in leadership, tactics of small infantry units and use of infantry weapons. He also received instruction in map and aerial photograph reading, guerrilla warfare and counterinsurgency operations.

Lt. Williams, a 1963 graduate of Bloomfield Hills high school, entered the Army in August 1966.

He received his B.S. degree in zoology in 1966 from the University of Michigan, Ann Arbor.

Ft. Monmouth, N.J. — Private First Class Kenneth C. Allio, 23, son of Mr. and Mrs. Howard C. Allio, Route 1, Leeper, Pa., completed a fixed plant carrier equipment repairman course September 22 at the Army Signal School, Ft. Monmouth, New Jersey.

His wife, Janet Lee, lives at 321 West Walled Lake drive.

Kevin J. Ling  
Great Lakes, Illinois — Seaman Recruit Kevin J. Ling, USN, 18 son of Mr. Waio A. Ling of 315 North Center street, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Pleiku, Vietnam — Army Private First Class Joseph G. Durham, 20, son of Everett J. Durham, 2716 Woodvane road, Walled Lake, was assigned to the 4th Infantry Division in Vietnam, September 5.

Private Durham, a mechanic in Headquarters Troop, 1st Squadron of the division's 10th Cavalry near Pleiku, entered the Army in August 1966 and was last stationed at Ft. Ord, California.

Great Lakes, Illinois — Fireman Apprentice Gary L. Summerfield, USN, son of Mr. and Mrs. E. L. Summerfield of Ypsilanti, and husband of the former Antoinette Williamson of 515 West Dunlap, has completed the basic Engineeman School at the Service School Command of the Great Lakes, Illinois Naval Training Center.

The three-month course covers the operation, maintenance and overhaul of diesel engines, gas turbines and other machinery used on the ships of the U.S. Navy.

# Northville Woman Sells First of Her Many Songs

Years of writing finally paid off for Grace S. Miller, 410 Center street, when the lyrics to her song, "Lonely Rider," was purchased by Music City Songcrafters of Nashville, Tennessee last week. A country music song, of the "song poem" variety that can easily be set to music, "Lonely Rider" is but one of hundreds of songs written by Mrs. Miller, wife of the late Mr. George W. Miller. It is the first she has sold, however. It was prompted by a remark of a son who said he was considering riding one of his horses to Colorado. "He said it would be a long trip and I added, 'Yes, and lonely, too.' That got me thinking and I started writing."

# Bird Hunters Beware! Novi Law Bags Firearms

State Hunting licenses are not automatic permits to hunt in Novi, Police Chief Lee BeGole warned this week as he and his police force braced themselves for the pheasant season that opens October 20. To prove his point, the chief noted the arrest this week of a duck hunter who was caught with two ducks shot before Monday's 11 a.m. duck season opener. Not only was Danny L. Deaton, 19 of 301 South Lake drive arrested for illegally shooting ducks several hours before the opening, he was charged with violating Novi's "back-door" "no-hunting" ordinance.

The ordinance, explained BeGole, does not prohibit hunting but it does prohibit use of firearms — except by special permit — and thus, in effect, makes hunting illegal "unless you want to hunt birds and rabbits with a knife." Under the ordinance, adopted in 1961, only owners of five acres or more of property and their friends who have 60-day permits, are allowed to hunt with firearms during hunting season. And only qualified property owners may apply for the permits for themselves and their friends, the chief explained. Unfortunately, biggest violators, said BeGole, are property owners, who mistakenly believe that they may hunt on their own property provided they have only a state hunting license.

Furthermore, the ordinance prohibits use of firearms in non-hunting seasons as well, he added. BeGole said that his department occasionally grants individual permits, particularly for hunting in the Walled Lake area, because there are few property owners with five acres in that vicinity. But these permits, he emphasized, are granted only to "persons we know will use firearms in a safe and reasonable manner."

Noting that the community cannot prohibit hunting, except by a special act of the legislature — as was done last year in Northville township, BeGole said the village no-firearms ordinance nevertheless has been just as effective in silencing the number of "hunting complaints" received by the police department. Less than half the number of complaints are received now as were received before the ordinance was enacted, he said.

China Painter Mrs. Daniel Latchford

# Poor Health Tonic Sparks 'New Life'

What started as a tonic for poor health a dozen years ago is today "a way of life" for an active Novi housewife who next week will direct one of the nation's largest hand-painted china shows. Poor health, recalls Mrs. Daniel Latchford, who lives at 46881 Grand River, prompted her doctor to suggest a hobby as a "cure" back in 1955. Now that "cure" is almost a full-time occupation.

The suggestion led to an adult education class in China painting at Walled Lake. But two years of this training would not suffice and Mrs. Latchford turned to private instruction. Lessons followed with Nora Lene, Emma Begun and Wilfred Bruce, three renowned teachers in the field.

One thing led to another, she said, until she had established a studio in her home and started teaching china painting. Along with this, she became active in several professional organizations and eventually became an officer for a number of them.

A past vice-president of the International China Painting Teachers organization (1962-1964), she currently is president of the Michigan China Painting Teachers association and acting chairman of the North Central Region of the International China Painting Teachers organization.

It is in this latter capacity that she will serve as exhibit chairman October 20 and 21 of a major exhibit and sale of hand-painted china at the Holiday Inn in Dearborn. She has personally arranged many of the pieces that will be shown as well as participating in floor demonstrations and lectures.

"It's a fascinating field," explains Mrs. Latchford, who has produced many internationally recognized china paintings, "you meet people from all over the world." Actually, painting had interested her prior to those initial classes 12 years ago. Earlier in her life she studied drawing and water color techniques but eventually had to give up

the campaign general chairman, Robert B. Semple, Wyandotte Chemicals corporation president, and United Foundation president Wendell W. Anderson, Jr., president of Bundy corporation, will be given. Anderson also will signal the opening of the campaign by passing a lighted torch to Semple and challenging chairman to meet or surpass the goal of the victory drive.

Principal speaker will be Joseph L. Hudson, Jr., former TD chairman and UF vice-president, also chairman of the new Detroit committee. Guest artist will be native Detroit Margaret Whiting. Also coming for the campaign will be Miss America of 1968, Debra Dene Barnes of Pittsburg, Kansas.

Northville and Novi quotas for the 1967 Torch Drive were received this week by residential and business campaign chairmen as preparations near completion for launching the United Foundation campaign next Tuesday.

Northville residential quota is \$2,536 with the business quota set at \$1,195. In Novi the residential quota is \$3,110 with a business quota of \$3,171.

Frank Ollendorf, Northville city manager, heads up the business area solicitation. Members of his committee who have been assigned specific businesses to call upon are Del Black, Charles Freydl, Jr., Stanley Johnston, Charles Lapham, Al Laux, Richard Lyon, Philip Ogilvie and William Sliger.

Northville residential district chairman is Mrs. David L. Longridge, Jr., 323 Reed. Another Northville woman whose husband's business is in Novi, Mrs. John McGuire, 240 Orchard, is now Novi residential chairman. Robert Hart, president of Lakeland Window & Etamulac company of Novi, is Oakland county regional chairman for the area that includes Novi, South Lyon, Wixom and Walled Lake.

Novi and Northville leaders report to Oakland and Western Wayne county chairmen, respectively. Oakland county goal is \$295,517 in house-to-house solicitations with the commercial and business goal set at \$69,609.

Western Wayne County residential unit chairman Mrs. Arthur R. Hempel, Jr., of Northville, has the goal of \$94,136 for home solicitations. Quota for the Western Wayne community business campaign is \$37,345. Directing the canvas of neighborhood businesses, offices, stores and plants in Oakland county is Edward J. Blanch, assistant comptroller of Ford Motor company.

Area contributions will go towards the overall goal of \$26,360,595 which is to underwrite operating costs of nearly 200 local, state and national community services. Of this total nearly one million is to be raised through residential solicitations in the tri-county area. The business target is \$501,246.

More than 130,000 volunteers will call on neighbors and fellow workers for contributions during the 1967 annual drive. It will be the UF's first campaign not headed by the retiring Walter C. Laidlaw. Laidlaw is relocating from recent surgery. In founding the TD in 1949 and directing each of its record-setting campaigns he established a pattern for more than 2,000 other unified campaigns in communities throughout the country.

The campaign becomes official at noon Tuesday when 500 Torch volunteers will gather for a kick-off of the Torch in the grand ballroom of the Sheraton Cadillac headquarters. Messages from the church supports 20 different mis-

aries and mission projects around the world. Presently, due to lack of space in the present building, the church has had to rent facilities of Wixom elementary school where 14 classes are held each Sunday morning.

The church's history can be traced back to 1838 when a dozen families settled in Michigan and organized, under the leadership of Rev. C. P. Goodrich, the First Free Baptist Association of Commerce. They met in homes until 1854 after which they met in a red frame school house that stood near the road in the present cemetery.

Eventually, this building was outgrown and a red brick building was placed just north and back from the road. Game time: 4 p.m. According to Osborn Tackie Dan Douglas suffered a smashed elbow and Dave Adema, halfback, was hit in the arm by a helmet injuring a muscle in last week's 35-7 whipping at the hands of league-leading Clinton.

Neither is expected to play tomorrow, Osborn said. However, the coach said Jon VanWagner, who played periodically last week, has apparently fully recovered from his pre-season leg injury and is expected to see action throughout tomorrow's contest.

Although Osborn had little reason for optimism following his squad's lopsided loss to Clinton, he praised the performance of his quarterback, Gary Boyer, who scored Novi's lone touchdown and extra point. Boyer, who gained 125 yards on the ground, "played a fine offensive and defensive game, showing plenty of spirit and drive," the coach said. The quarterback scored his touchdown in a fourth-down late situation in the first quarter. He started the left end and galloped 64 yards for the TD. The extra point put Northville into a 7-6 lead—but only briefly as Clinton quickly regained command and began adding insult to injury.

Tomorrow's Novi opponent, Columbia Central, last week edged Whitmore Lake, 12-6. And it was the Trojans who defeated Novi in its first home opener. Nevertheless, Osborn is not giving up. He says he'll field a much-improved team than the one that lost to Whitmore.

The two-story Sunday school will be 90 feet long, 40 feet wide. Remodeling work also will be done on the front of the present church sanctuary built in 1950.

Carl Gaiser of Birmingham is the architect, Forrest Hubbell of Walled Lake, the contractor. Completion of construction is set for March, 1968. The Wixom church experienced phenomenal growth during the past four years as attendance of the Sunday school climbed from 201 in 1963 to last year's high of 308 per Sunday. Last March the Sunday school reached an all time record high of 489, and officials have set a goal of 500 for this year.

First Baptist of Wixom also has grown financially, according to the pastor, Robert V. Warren. Receipts in 1963 totaled \$25,000, whereas the receipts in 1966 totaled more than \$47,000.
