

### What's Cooking

At Northville High School

Following is the Northville high school menu for the week of Monday, December 18-Thursday, December 21.

Monday - Chili, meat sandwich or bread and butter, molded fruit salad, pears and milk.

Tuesday - Meat roll and gravy, buttered corn, salad, muffin and butter, variety of fruit and milk.

Wednesday - Coney Island on bun, French fries, relishes, peaches and milk.

Thursday - Christmas dinner and all the trimmings.

Alternate menus for Monday-Wednesday are hamburgers on bun, French fries, salad, dessert and milk. Soups offered are chicken noodle on Monday, bean soup on Tuesday and split pea soup on Wednesday.

### Rings Stolen From Noder's

Twelve rings, valued at \$720, were stolen December 6 from Noder's Jewelry Store, 101 East Main.

The rings, described as men's white gold star sapphire rings, were taken from a ring showcase in the front of the store.

A black felt ring holder containing the rings was lifted out of the showcase. The only identification on the rings was the word "Dason" stamped on some of them.

Several smaller larcenies have occurred recently also. A battery was taken from a car owned by Gordon Coler, while the car was at the Phil's Pure Station December 2.

Several Christmas light bulbs were stolen from the outside of the Cecil Taggart home on 610 Oakland, and two wreaths were taken from the doors of the Presbyterian church.

An air-conditioner cover of canvas, valued at about \$20, was taken from the second floor apartment of Leo Matville on 132 East Main.

RECEIVES AWARD - At an evaluation meeting for top leadership of the Western Wayne community residential campaign, Mrs. Arthur Hemepe (left), unit chairman, presented a Torch Drive volunteer award to Mrs. David Vincent of 584 Reed for her outstanding efforts as a campaign region chairman. The evaluation meeting was held in Mrs. Hemepe's home, 46246 W. Fanner Court, Northville. The Western Wayne unit raised \$98,776 or 105.4 percent of quota in the 19th annual United Foundation drive. Benefiting will be nearly 200 health and community services in Wayne, Oakland and Macomb counties.

VACATIONERS - Mr. and Mrs. Harold Schmidt (left) and daughter, Barbara, 14, take time out during their visit to Marco Island, Florida, to pose with George Corcoran, resident professional at the Marco Island Country Club. The Schmidts, who live at 2017 Woodhill, have just returned from the 10,000-acre semi-tropical Marco Island located on the Gulf of Mexico.

### At Christmas Party Here Milky the Clown on Tap

MILKY THE CLOWN, star of "Milky's Party Time" on television, will appear at the children's Christmas party sponsored by The Cavern December 23. He will bring Gloria Peebles and her Busy B's to the party with him.

A children's Christmas party, sponsored by The Cavern, will be held Saturday, December 23 from 3:30 to 5:30 in the community building. Milky the Clown will appear with Gloria Peebles and her Busy B's (seven dogs and two monkeys).

Hank Kress will play the organ. Santa Claus may also attend for part of the afternoon.

Doors will open at 3 p.m. Cost per child will be 25¢. Children under five must be accompanied by an adult or teen.

Other Cavern news includes a Christmas dance this Saturday night from 8 to 11:30. Members will be admitted free, but non-members must pay \$1.50. Membership cards may be purchased for \$2. The card will entitle the new member to attend the Christmas dance for free and all other dances for 50¢ less than non-members.

The Vernor Highway Band from Detroit will be the featured band, with the Intrigue from Allen Park making a repeat performance.

### "Christmas Is In The Air Give Loved Ones A Special Care"

New ballet, tap, baton classes forming now for January 1968

Parades and programs will be coming up soon. Give your child or grandchild a chance to develop personality, poise and keep them busy with ballet, baton and tap lessons.

Call 349-0350 or 349-2215

Come on teenagers, it's never too late for the dancing and baton. Just work hard at it and you'll catch up soon.

## School Board Gives Green Light For Closed Circuit Television

An experimental closed circuit television setup for Northville high school opened reality Monday as the board of education authorized the administration to establish specifications and seek bids for the equipment.

Superintendent Raymond Spear, who recommended purchase of a "starter unit", estimated cost at from \$1,500 to \$2,000. It would include, he said, a video-tape recorder, camera, video-tapes, zoom lens, and a TV set.

"I am sure that the purchase of such a unit would create an excellent stimulant to our instructional program," he said. "and will facilitate an expansion and broadening of staff interest in providing a more challenging instructional program."

Miss Florence Panatoni, high school speech teacher, also recommended the purchase, noting that "if recent signs have any significance, there is definitely a quickening interest in the use of video in the speech classroom."

Board members also approved an insurance agreement that fulfills one of the concessions of the 1967-68 master teaching contract calling for \$1,000 of paid life insurance.

Fourteen firms bid on the life insurance program and the contract was awarded to Aetna Life and Casualty out of the Northville Insurance company at a cost of \$2,269.60 for life insurance and \$2,448 for an accidental death benefit rider covering 212 employees.

Board members passed over the three lowest bidders on grounds that the first did not meet specifications, the second showed a history of little discounts, and the third was a Canadian firm.

The remaining bidders, Business Managers East and West, were within \$245 of each other, and only Aetna were serviced through a Northville office.

The Northville Teachers association also served notice that it wished to open "items of concern" in the 1967-68 contract thus making an early effort to negotiate next year's contract. Preliminary negotiations are to begin in January.

Miss Panatoni will head up the teachers' bargaining team next year. Also approved was a proposal authorizing an administrator to attend each of the following out-of-state conferences: American Association of School Administrators at Atlantic City in February; National Association of Secondary School Principals at Atlantic City the same month; National Department of Elementary School Principals at Houston in March; and the North Central Association at Chicago in March.

### Voice of Democracy

## VFW Names Contest Winners

Local winners of the VFW Voice of Democracy contest were announced this week. Northville's VFW Post 4012 and Auxiliary #4012 sponsored contests at

both Northville high school and Ladywood High school in Livonia.

At Northville high, senior Pamela Smith was first place winner. Other winners were senior Claudia Nieber, second place; junior Meredith Hart, third place; and sophomore Dorothy Shipley, fourth place. Miss Florence Panatoni coached the students.

Ladywood first place winner was senior Cindy Farrell. Second place honors went to sophomore Denise Parry and third place to junior Laura Wallace. Sister Mary Janine helped the Ladywood students.

Both first place winners will now go on to compete in the Fourth District contest. For winning first place honors, they will be presented with a \$500 savings bond from the Post and an engraved trophy from the Auxiliary. A duplicate trophy will go to each school.

Second place winners will receive \$100 savings bonds from the Post, and all winners will receive engraved plaques.

Presentation of awards will take place in February.

## Oakland College Enrolls 5,455

Oakland Community college's fall enrollment of 5,455 includes 3,616 transfer students, 1,153 career students and 686 special students. S. James Mantila, director of educational services, revealed this week.

Transfer program students are those taking freshman and sophomore courses in business administration, education, engineering, math and science, and liberal arts prior to transferring to a four-year college or university for their baccalaureate and advanced degrees, Mantila said.

Career programs are those of one- or two-year duration which provide the student with technical skill needed to obtain immediate employment. Enrollments in some of the more popular career programs are:

- Accounting - 46; automotive technology - 66; commercial art - 109; data processing - 109; dental assisting - 38; drafting - 47; electronics technology - 72; executive secretary - 95; food service technology - 31; landscape technology - 34.
- Also, law enforcement - 109; library technology - 34; mechanical design technology - 52; medical laboratory technology - 32; medical office assistant - 18; professional nursing - 203; recreational supervision - 35; and retailing - 11.

According to Mantila, special students are those carrying less than seven credit hours.

Applications are now being accepted for the winter session which begins on January 8. Registration will be held at all of the college campuses on January 2-4.

Tuition is \$9 per credit hour for college district students and \$12 per credit hour for in-state, but out-of-district students.

Oakland Community college is presently operating three campuses: Auburn Hills in Auburn Heights, Highland Lakes in Union Lake and Orchard Ridge in Farmington township.

All Delta Gammas from Plymouth, Northville, Livonia and Farmington who are able to attend are asked to call Mrs. Richard Boyesen, 425-7999.

### Delta Gamma Plans Party

The Farmington Area association of Delta Gamma and their husbands will celebrate the holiday season with a Christmas Cocktail Party.

The party will be held at the home of Mr. and Mrs. Richard Boyesen, 16412 Ronnie Lane, Livonia, Friday, December 15, from 9 to 12 p.m.

Co-hostesses for the evening will be Mrs. Robert Jones, Mrs. Jack Sinclair, Mrs. Jerry Upp and Mrs. Dan Webster.

All Delta Gammas from Plymouth, Northville, Livonia and Farmington who are able to attend are asked to call Mrs. Richard Boyesen, 425-7999.

### GOP Sets Dinner Date

Republicans in the Wayne county section of the 2nd Congressional District are busy planning the annual Lincoln Day dinner to be held on Thursday, February 8th, at the Mayflower meeting house in Plymouth.

All Republicans in Northville township, Plymouth township and the city of Plymouth are being invited to attend the program.

# Mustang Five Zips Past Milford In Fired-Up, 77-60 Performance

Gregg Carr (30) and Doug Powers Soar High for Jump Ball

Like a jack-in-the-box, Northville's varsity basketball team bounced up from mediocrity to startle Milford in the opening quarter and then coast to an easy 77-60 victory Friday night.

The Mustangs piled up 25 points in that opening stanza - one of the best quarters ever turned in by a Northville squad.

And although their shooting spree cooled off in the remainder of the game - particularly in the second half, the Mustangs gave Coach Dave Longridge plenty to smile about.

"They played a much better game," commented Longridge who saw little to excite him in the earlier two games in which his team garnered triumphs.

"The boys came back after the exceptional first half with a hot-down. But it was really pleased with them."

The Mustangs commanded the boards in the first half, blistered the net with a variety of shots including a couple of dazzling hooks, and completely bedazzled the Redskins with a full-court press.

In the second half, with its shooting mark off, Northville had to fight desperately to maintain its comfortable edge as Milford sharpened its shooting eye and emptied the red.

Northville's 18-point half time edge (45-27) slipped to 13 points (63-50) at the three-quarter mark before the Mustangs pushed their lead to 17 points at the final buzzer.

Friday's victory gives Northville a 3-0 record (two triumphs over Wayne-Oakland League opponents) as they prepare for tomorrow's W-O contest at Brighton.

Brighton schools were closed Tuesday afternoon and tomorrow's game with Northville was cancelled because of widespread flu sickness, David Longridge, Northville athletic director and basketball coach revealed. (See flu story on Page 1). Longridge said the Brighton game will be rescheduled later in the season. The next game for the Mustangs will be here against Clarkston on Tuesday.

# Northville Wrestlers Lose to Redford

The Mustang wrestlers tested a Class A high school, Redford Union, last Thursday night and came out on the short end of a 32-12 team score. The Northville grapplers won four matches and made a strong enough showing in other matches to ease, slightly, the sting of defeat. The record is now one and one.

Redford took the first four matches, winning by falls at 95 and 120 pounds and gaining decisions at 103 and 112. Early bright spots for Northville were evident in well-wrestled matches by an improving 112-lb. Bill Krist and Bob Baber, at 120, who got a first-round takedown on Redford's finest wrestler.

With his team down 16 points, John Tam, at 127, came out after six tough minutes of wrestling with a decision win to gain three team points for

Northville. Curt Olewuk, at 133, was next on the mat. Olewuk was after a win and the five team points that go with it, but emerged with a decision win after six minutes of wild action.

Marty Richardson, at 138, kept it going for Northville with a decision win in another action-filled match during which Richardson had his Redford man on his back but could not flatten him for the pin.

Redford came back strong, winning by a pin at 145 and taking decisions at 154, 165 and 180. Northville's heavyweight, Dan Conklin, brought the evening to an end on an upbeat by working to decision win.

Mustang Coach Jack Townsley is looking to tonight's dual meet at Dexter and a quadrangular meet at Crosse Saturday after continued improvement from his squad. Townsley

favors the four team affairs, where each man gets to wrestle twice the same day.

Clinton and Saline will join Dexter and Northville for the meet, scheduled to start at 2:00 P.M.

## Wrestling Schedule

December 16	Dexter Quadrangular (Dexter-Saline-Clinton)	Away
December 20	Farmington	Here 7:00 p.m.
December 22	Ann Arbor Invitational	Away
December 23	Novice Tournament	Away

January 20	Fenton Tourney (Fenton-Walled Lake-Grand Ledge-Okemos-Flint Northwestern-Clarencville)	Away
January 25	Flat Rock	Away 6:30 p.m.
February 1	Clarencville	Here 7:00 p.m.
February 6	Livonia Franklin	Away 6:30 p.m.
February 8	Clarkston	Here 7:00 p.m.
February 10	Northville Quadrangular (Royal Oak Kimball-Lutheran West-Livonia Bentley)	Here
February 15	Willow Run	Away 4:00 p.m.
February 24	League Tourney (Bloomfield Hills-Milford-Brighton-Clarkston-Clarencville)	Here
March 1-2	Regionals	
March 8-9	Finals	

# Red Hot Colts Eye 3rd Crown

Based on their performance in their first three games, the Northville Colts seem bent on grabbing their third straight championship.

That's the way Coach Bob Kucher sees his junior varsity basketball team - fired with enthusiasm and determined to win.

Last Friday against Milford, the Colts held a 52-23 lead at the three-quarter mark and then coasted to an easy 65-35 victory.

In its first two games, the Colts swept past South Lyon, 64-36, and then dumped Clarencville, 50-28.

Kucher has been placing most of the playing emphasis on six key cagers: Guards Rick Adams and Terry Mills, Forwards Fred Holdsworth and Ron Hubbard, Center Marc Sheffer, and alternate center-forward, Brian Myers.

Adams was spotlighted in the game with South Lyon, grabbing 20 points, Mills came up with an equal number against Clarencville, and five cagers shared scoring laurels in a balanced effort against Milford. Hubbard and Holdsworth each had 11 points, Adams 10, Mills 9, and Sheffer 8.

# Marshall Battles Frosh Five Today

Northville's freshman basketball team will take on Marshall this afternoon in its first home game of the season.

Game time: 4 p.m. in the high school gymnasium.

The local cagers will enter the game with two early season victories under their belts - a 58 to 27 romp over Milford Mid on December 1 and a 50-41 triumph over Pierce Junior high school last Thursday.

Coach Omar Harrison, obviously pleased with his players' successful start, said it's still too early to determine the real strength of his squad. The opening game was a runaway against a team with little cage ability and two Northville players played on the heels of a fu battle in the second contest, he explained.

A Milford, the frosh held a 42-12 lead at half, and Omar played his reserves throughout the second half. Top scorers were Bernie Bach and Steve Utley, forwards, with 22 and 16 points, respectively, and 6'3" Center Kerry Cushing.

Bach, Utley and Cushing took scoring laurels in the second game with 18, 15, and 9 points, respectively. The three cagers also performed well on the boards, with Bach grabbing 11 defensive rebounds, Cushing 6 and Utley 5.

The only pre-game information Harrison has concerning today's opponent is that Marshall slipped Lola Valley, 42-39, earlier in the season. Interestingly, Lola Valley is coached by Art Adams, father of the Colts' Rick Adams.

## '68 Football Receipts Down

Football gate receipts were down this year. Athletic Director Dave Longridge reported to the board of education this week - primarily because of "terrible" weather condition for the Brighton, Clarkston and Clarencville games.

Receipts hit \$2,695.39 this year while last year they hit \$4,294.57. Biggest revenue producer proved to be the Plymouth-Northville game which netted \$2007.35. Brighton was next at \$1,012.20.

Expenses this past season for football workers, junior varsity workers and officials for the two teams totalled \$922.50.

Longridge made the following recommendations: - Blanket insurance for everyone playing tackle football as given players in surrounding schools.

- Transportation must be more effective. - Improved supervision of younger children attending home football games.

- Seeding of the football field. The field is in poor shape because of bad weather this year.

- Open facilities at the junior high school for fans.

- Lights need adjusting and replacement. - Scoreboard needs complete overhaul.

- Practice areas are needed for all teams. The game field is used for practice.

## Wildcats Lose In Final Minutes

Leading by three points in the closing minutes of the game, Novi's varsity saw victory snatched away Tuesday night as Ypsilanti Roosevelt streaked ahead at the finish, 44-43.

Coach Jim Ladd, who noted an improved performance by his players, nevertheless was disappointed by a number of costly mistakes-particularly in those closing minutes.

High point scorer for the Wildcats was Mark Gilbert with 15.

The Novi junior varsity quieted also lost to Ypsilanti, 60-46, with Doug Schott taking scoring honors with 19 points.

Next game: Tomorrow night at Novi against Whitmore Lake.

News Briefs

Vietcong Shells Miss Senator

Senator Charles Percy, on a tour of Vietnam, escaped a Communist mortar barrage in the devastated village of Dakson Monday. Shells crashed within 15 to 20 feet of the Illinois Republican and four men with him, but no one was hit.

miles southeast of Bombay before dawn Monday. Many were killed when houses built of granite blocks collapsed on them as they slept.

Bowling Green State (Ohio) University launched a search for a new head football coach following the resignation of Robert Gibson, who had compiled a 19-9 record during his three years as head coach of the Falcons.

American Motors corporation and Culon Industries disclosed details of an electronic automobile, shaped like an arrowhead, that reportedly will have a cruising speed of 50 miles per hour and a range of 150 miles without recharging.

Justice Department efforts to smooth out differences between it and Selective Service Director Lewis B. Hershey collapsed as Hershey clung to his position arguing a drive to draft some anti-war protesters.

West Berlin Mayor Klaus Schuetz told his constituents that the Red wall separating East and West Berlin will not be opened for Christmas. East Germans blocked a citizens' agreement with the demand that West Berlin formally recognize the East German government and accept the eastern standpoint that West Berlin is an independent territory with no legal ties to the west.

Black Power Militant Stokely Carmichael arrived back in the United States after a five-month trip to Communist-controlled countries, and the United States promptly picked up his passport. Meanwhile, Congressman began consideration of possible penalties for U.S. citizens who travel to forbidden nations.

Anti-poverty boss Sargent Shriver was given congressional authorization to spend \$4.16 billion over two years in a bill sent to the White House Monday. However, because Congress appropriates on an annual basis, his agency may wind up with far less money.

Negotiators worked overtime this week as they attempted to reach a settlement between General Motors and the United Auto Workers union before tonight's midnight deadline. One of the major issues reportedly separating the two sides was that of working conditions at GM plants across the nation.

The Common Market's executive commission Tuesday defied President Charles de Gaulle of France and insisted the trade bloc must negotiate for British membership or face a "grave crisis".

Secretary of State Dean Rusk reportedly has flatly and finally refused to testify in public on Vietnam war policy. Rusk's position was announced Monday by Senator Albert Gore of Tennessee, a Vietnam policy critic and a member of the Senate Foreign Relations Committee, which has been pressuring the secretary to testify publicly before it.

The death toll rose to 115 Tuesday following an earthquake in southwest India. There were estimates that as many as 200 may have died. The quake rocked the Koyanagur area 150

Timeouts called for the sole purpose of showing commercials on television

THEY'RE COUNTERFEIT—Here's two sides of counterfeit ten dollar bills passed in Northville this past week.

Bogus \$10 Bills Show Up Here

Several counterfeit \$10 bills appeared in Northville this past week prompting police to issue a warning to businessmen to watch for others.

The first bill was noticed Saturday night at Northville General Drugs not long after the Northville police department had received a warning from the Wayne County Sheriff that counterfeit bills had appeared in the area.

Patrolman Roger Beukema, who has handled the case, reports that he was called to the drugstore Saturday where Manager Harry Watson told him that at about 8 p.m. a lone man had entered the store and made a purchase with a \$10 bill from the clerk, Kathy Lamont.

The clerk later described the man as about 6 feet tall, white, needing a shave, wearing a plaid shirt and blue jeans. Watson told Beukema that he suspected the bill was counterfeit because of its color and the creases in it, which differed from other \$10 bills.

Another bill was almost passed within minutes later that night when a man entered the Northville Hardware and attempted to pass a \$10 bill for hinges. Claude Smith, owner of the hardware, told police that he refused to take the bill because the man looked suspicious.

However, a cashier in the hardware accepted a counterfeit bill on Monday

Dead Ducks

Continued from Page One

water in Bassett Drain entered Mead-outlook Lake it could pass through the lake and eventually be carried into the trout plantings at Northville. Two years work could be wiped out," LeValley said.

A combination of events complicated the situation. According to LeValley, lower temperatures at the time of the accident provided something of a natural dam, as ice-covered grasses and brush among swampy areas near the accident site held the oil in a drainage ditch about 600 feet long that runs along I-96 near Nov Road. Rain and rising temperatures melted the ice barriers and contributed a flow of water that started the oil on its journey along the water network.

When Mrs. Luke found her stricken ducks, the task became one of locating scattered pools of oil, holding it, and removing it from the waters. Knowledgeable manpower, hoses, straw, and a pumper truck dispatched to the scene by the Gulf Oil company were the primary tools.

The straw bales were used to erect a series of baffles at several key points along the wandering route from I-96 to Nine Mile road. The series of straw baffles acted to retard the oil while filtering water through. The pumper truck then pumped from pools of oil-covered water that formed behind the straw baffles.

There was much wet, cold work involved in tracking down the patches of oil, erecting the straw baffles, and disposing of dead fish and the ducks near the Lake property. Total extent of damage has not yet been determined.

Doors Damaged At Moraine

Vandals broke into Moraine elementary school early Tuesday morning. Business Manager Earl Busard reported, but nothing was taken.

Entry was gained by breaking a glass sliding door, he said. Once inside, the vandals broke open the office door and a door to a storage room. The latter room contained valuable audio visual equipment.

Apparently they were just interested in wrecking things or were scared off before taking anything, Busard said.

"N" CLUB INITIATES—Mazing is a poor description of what happens to the nearly 30 initiates of Northville's "N" club because these young fellows, under the direction of their club tutors, combine fun with service to win their laurels.

They're not saying specifically what they have in mind, but the record shows they're planning to come away with this sneak preview.

Last year, the teachers' authority met with the school board to discuss the possibility of an even better performance, one that's sure to please the whole family, Boosters note.

amusement of young and old. Proceeds from the game will be used by the school for purchasing an all-sports basketball court.

Practice sessions were being conducted in private, but a spokesman for the school board said that planning a major athletic event and offensive attack that's aimed at cutting the school's budget down to size.

"Okay, hotshots, we're ready for you."

That was the word from Northville Boosters last week as they lined up for their first contact with the Northville Diplomats.

Sponsored by the Northville Boosters, the 8 p.m. classic will be staged in the high school gymnasium for the

SPEAKING for The Record

By BILL SLIGER

When the state of Michigan switched to the new system of photographing driver's license applicants...

The expense and additional help required to provide the service caused many police departments to stop issuing driver's licenses.

Northville's city council took the opposite view. The members agreed that issuing driver's licenses was a service to citizens and that, despite the expense, should be provided.

It's done more than that. Because it is one of the few license stations in the area, it has attracted more customers than the police chief thinks the department can handle.

Meanwhile, the state has come to the conclusion that it should take over the business exclusively.

A newly established state facility in Livonia is sufficient to serve the area, the state maintains.

And so it will probably be. The station cannot be operated locally exclusively for Northville residents...

But even as one understands, it is not easy to accept. It makes the removal of another local convenience and promises to create still another huge governmental station...

To purchase license plates Northville area residents must go to Plymouth.

New Range Rider

A LOOSE LEAF

By ROLLY PETERSON

Movies are meant to entertain. Beyond this rather obvious observation, however, are the ingredients that make a movie "hit"...

"Banning", starring Robert Wagner, an actor distinguished for his non-acting, barely misses the trash category. The story is weakly conceived...

"Banning", as you may have guessed, is none other than Wagner himself. His first name is Mike, a name that conjures up a range of wily villains...

Mike is one of those gorgeous creatures—broned, built manured, magnetic, like a woman's fantasy...

At least that's the opening gambit as Wagner walks onto the scene, straight out of Hollywood Romance magazine...

The most interesting room—and the most unbelievable—is the Palace of Joy, the recreation room. In it are carnival games, a shooting gallery...

Right away, you know "Banning", the movie, is a winner. Successive episodes confirm that suspicions as Mike blackmails his way into a job as assistant pro...

"Banning" is fashioned in the modern vogue. It is an exposé with one appeal—sex in the country club. As we all suspected, the country club sets odious of money can lead only to decadence, a decline of morals...

These are the filthy rich bored by life and looking for a twist which will drop of excitement. The treatment is very bizarre, very revealing and very boring...

Surprisingly, the ending is quite good. Rather than walking off with the misty eyed beauty who deserves something better than this, Wagner actually

Readers Speak Slaps Parking Ban

To the Editor: It's a little before 5:00 a.m. Sunday morning and I could not sleep. We have a small place of business here in Northville and are very well known throughout the community.

\$5.00 parking ticket for parking in front of our place. During the past two years we have been up to the City Council meeting three times expressing the need for parking in front of our business.

EDITOR'S NOTE: This newspaper welcomes letters to the editor. We ask that they be received of this office by Monday noon for publication the same week and that they be limited to 500 words.

He Questions 'A Just War'

To the Editor: As an agnostic I enjoy the Christmas story as a delightful, seasonal myth.

As a human being I see in the life and teachings of Jesus of Nazareth a clear path and pattern for living with my fellow man.

Wants Prices Cut for Movies

To the Editor: I would like to comment on the price of admission to movie theaters.

I have four children, two are young and they decide to attend the movie, nearly all their allowance goes for price of admission.

Bulb Snatcher Gets Greetings

To the Editor: We wish the person who stole the light bulbs off our Christmas Tree a Merry Christmas and hope they enjoy the lights very much.

Christmas is an extra special time for children—even those confined to a hospital bed.

So it was for a youngster named "Mike" who last year felt the growing excitement of the holiday season despite his arduous surroundings.

Christmas was coming and he worried. "How will Santa Claus find me here?" he asked his parents.

The natural parental explanation is obvious. But what does a parent say when medical bills have trimmed the family budget to the bone?

You stutter a little, maybe, and tell your son that perhaps, because of the big Christmas list, Santa Claus won't have enough presents for every child who wants one.

So you worry, too. You worry about a sick boy and his special Christmas problem. And then, several days before Christmas, your worries increase.

Now, another Christmas is approaching and in at least one home, both children and parents are believers.

It's a little shattering to hear your son say, "Santa Claus said he'd give me the tractor."

Your own best Christmas present is delivered just before the big day when Mike comes home, well and happy but still believing. And now his sister believes, too.

Self Analysis Quiz A Quiz For Ship Travelers

Planning an ocean cruise? Don't be a land lubber on the sea—the reverse of a fish out of water! Try this quiz.

1. How do you know when a ship is about to leave port? 2. When on shipboard, how do you refer to the front and rear sections of a ship? 3. What are the sides of a vessel called? What colored lights designate each?

ANSWERS: 1. When a ship is about to leave harbor, a blue flag with a white center is hoisted. This is called the "Blue Peter," a corruption of the French verb parit, meaning to leave.

Soldier Thanks GOP Teens

To the Editor: I am one of the many in the U.S. Army that is in the Republic of Vietnam.

Often of much greater value and of durability beyond the Christmas Season itself are worthwhile gifts to ward areas and hospital departments—Gifts which make much more effective our efforts in patient care and treatment.

As an agnostic I enjoy the Christmas story as a delightful, seasonal myth.

Christmas morning comes and a knock at the door wakens the still believing children. They came thundering to the door and there, with Mike's tractor and a gift for sister, is Santa.

So you worry, too. You worry about a sick boy and his special Christmas problem. And then, several days before Christmas, your worries increase.

Now, another Christmas is approaching and in at least one home, both children and parents are believers.

STRICTLY FRESH

The fellow least likely to stumble is one who is honestly humble.

Strange, isn't it, how much more active youngsters are when you're grandparent than when you were a parent?

When they talk about a household's free time, they mean she does her work for nothing.

If you can recall vividly the good old days, chances are you're mistaken about a lot of other things, too.

Teen-agers are in a constant state of perpetual ennui.

No matter the state of their personal fortunes, all

The Northville Record The NOVI NEWS NATIONAL NEWSPAPER ASSOCIATION PUBLISHED WEEKLY

Michigan Mirror State Tourism Down 5-Percent

LANSING — Shattered hopes for a record spring-summer tourist season came with the announcement that Michigan's tourist industry suffered a five percent drop from 1966's record high year.

Questionnaires covering autumn and annual tourist sales are being prepared. Seasons are classified in three categories: winter, December through April; spring-summer, May through August; and autumn, September through November.

ADVERSE factors which caused the 1967 decline are mostly uncontrollable, the council feels. Effects of bad weather, strikes and riots cannot be overcome by advertising and promotion.

The sleazebag die-off, which received wide-spread publicity, is expected to be a less severe problem next year. McGraw stated that many out-of-state vacationers did not realize the sleazebag problem affected only parts of Lake Michigan beaches.

Success of introducing Coho salmon to the Great Lakes has already stimulated some tourist business and more jobs, he said.

James Hall, council chairman, feels independent businessmen must play a bigger part in tourist promotion. He notes that competition from other states and Canada was a major factor in the 1967 business decline.

Hall also notes that the council requested a \$2 million appropriation from the Legislature, almost double the present figure, for increased advertising and promotion.

All of these, to one degree or another, can be developed by most drivers. With more and more cars on the road, it is necessary that all of us work at it.

IT IS NOT enough to want to be a good driver. Anyone who has driven behind "a woman driver," watched a "draggin'" teenager, or waited for an unsure person to drive into an intersection knows it.

It takes Competence, Consideration, Care, Caution, and sooner or later Cash.

# Churches to Recall Miracle of Christ's Birth

Local churches will recall the miracle of the first Christmas in special holiday services and programs this weekend and on Christmas Day. Most churches will celebrate the Nativity Sunday on Christmas Eve, but some have also planned Christmas Day Services.

And a few have already announced plans for their New Year's services.

The First Methodist Church of Northville will hold 8:30 and 11 a.m. services Sunday featuring Christmas carols sung by the congregation. The traditional Christmas Eve service will be held from 7 to 8. The Christmas Story will be presented in readings, music and drama.

A New Year's Eve service has also been planned. Since New Year's Eve falls on Sunday, there will be only one worship service at 11, instead of the usual two Sunday services. It will be "Student Recognition Sunday". High school students will fill the choir loft and the service will be led by college students.

A reception for all students, their friends and the congregation will follow at 12 in the Fellowship Hall. Refreshments will be served by the Women's Society of Christian Service. Mrs. Essie Nirdler is chairman of the program.

Our Lady of Victory church will have a co-celebrant midnight Christmas Eve mass Sunday. Father Tom McGuire will be the main celebrant, assisted by Father John Wittstock and Father Francis Wojcik.

Preceding the mass at 11:30, school children will sing carols. They will also sing during the mass.

On Christmas Day, masses will be said at 8:30, 10:30 and 12:15.

Regular services will be held Sunday at 11 a.m. and 7:30 p.m. at the First Baptist Church of Northville.

Last evening, Wednesday, the Sunday school held its Christmas program at 7:30. Mrs. William Sauber directed it.

The First Presbyterian Church of Northville will hold a Christmas Eve service from 11 to 12. Music will be provided by the choir, under the direction of William Williams.

St. Paul's Evangelical Lutheran church will have regular services at 8 and 10:30 Sunday. A Christmas Eve candlelight service will be held at 7:30 p.m. with the junior and senior choirs participating.

Festival services will be held at 10:30 Christmas Day.

The Evangelical Lutheran Church of the Epiphany, 41650 Five Mile, will have regular 9 and 11 a.m. services Sunday, and a Christmas Eve service.

Continued on Page 12-A

## Richard Erwin Scholarship Established

A continuing high school scholarship fund, first in the young school's history, has been established in the memory of a 12-year-old Novi boy who died in an automobile accident early this year.

Official establishment of the fund came with the board of education's approval last week of a special resolution. According to Principal Gerald Hartman, the scholarship fund was established by Mr. and Mrs. Edward Erwin, 40401 Ten Mile road, in memory of their son, Richard, who died January 21.

a band member and an honor student. His parents, well known in the Novi-Northville-South Lyon area, are owners of Erwin apple orchard, corner of Novi and 10 Mile roads.

### Richard Erwin 41 Children Feted Here

Forty-one children were feted at a special Jaycee Christmas party here Saturday following a children's shopping tour under the auspices of the Novi Rotary club.

The underprivileged youngsters, selected by churches and the school system, were taken shopping by Rotarians early Saturday afternoon and then returned to the First Methodist Church where Novi Jaycees and their wives staged their gala Christmas party.

While shopping, the children purchased gifts for their family with money provided by the Rotary club. At the party later they enjoyed refreshments, movies and games, and Jaycees presented each child with a gift.

The joint Christmas party was the first of its kind in Novi.

Dr. Robert Siles, Rotary president, was in charge of Rotary's share of the project, while Douglas Thrush was the Jaycee chairman.

# THE NOVI NEWS

OFFICIAL NEWSPAPER OF THE VILLAGE AND TOWNSHIP OF NOVI, AND THE CITY OF WIXOM  
Vol. 14, No. 31, 24 Pages, Two Sections • Novi, Michigan - Thursday, December 21, 1967 • 10c Per Copy, \$4 Per Year In Advance

## Wixom Council OKs New Fence Ordinance

A large and vocal audience of citizens strained seating and standing capacity at Wixom City Hall Tuesday, December 12, as the city council passed an ordinance regulating construction of fences and walls on residential property and denied a request for zoning change that would have permitted construction of multiple dwelling units on about 40 acres of land at the northwest corner of Beck road and I-96.

While an interested audience had many questions about the fence and wall ordinance, most were seeking clarity not to oppose. The ordinance passed with no opposing vote. It sets a maximum height of three-and-one-half feet for fences, walls, or hedges in front yards, with the additional restriction that all such construction must be completely non-obscuring to vision.

On the requested zoning change, many Wixom residents spoke out strongly against granting the request. With several expressing concern that a series of one-story, rectangular structures, each containing several apartments, would be erected on the land. He displayed an artist's drawing of a series of one-story, rectangular structures, each containing several apartments.

The request was denied with no opposition from councilmen present.

Among other business, the council agreed to provide \$3,000 to cover costs for additional part-time clerical help to relieve the present staff from a heavy and growing work load resulting from an increase in traffic violations handled by the justice court.

The council denied a request for zoning change that had been recommended earlier by the planning board. The request sought to apply residential zoning to parcels of land along a strip of land near the C & O Railroad tracks, extending from the Detroit Edison property to Beck road.

A citizen's complaint about a large elm tree, about three-feet in diameter, that is growing through a grave in the Wixom cemetery brought an opinion from City Attorney Gene Schmeiz that the city was not legally responsible for any disturbance growth of the tree caused to this or surrounding graves. Schmeiz added that removal would be an extremely costly operation and would probably involve considerable disturbance to other graves, due to the large stump and extensive root network.

Schmeiz was directed to explore other possible solutions to resolve the complaint.

In other action the council tabled a proposal to join an ambulance association. Mayor Wesley McAfee and Schmeiz commented that membership provisions could place the city in the position of paying fees for calls the association could not collect. Both officials assured council and the audience that Wixom does have adequate ambulance service without the membership.

The council rescheduled Lloyd Croft to a three-year term as a member of the board of review. Croft has served as chairman of the board for the past year and one-half.

An invitation was extended to the public for candidates for an appointment to fill a vacancy on the board of canvassers. The appointment, in accord with state law, must be a Republican, and application must include written statement to that political orientation.

The council will hold its next regular meeting at 8:00 P.M. Tuesday, December 26 at the city hall.

A special meeting has been scheduled for 8:00 P.M., Tuesday, January 2. Purpose of the special meeting is to review proposed ordinances affecting operation of the new sewage disposal plant and system, and the operating agreement between Wixom and the Oakland county department of public works.

## To Keep Budget Solvent School Supplies Sliced

The 1967-68 Novi school district budget, which at the time of its adoption earlier this year was considered a "tight" one in living up to expectation and then some.

Members of the board of education, upon the recommendation of Superintendent Thomas Dale, trimmed the budget by \$3,300 in an effort to bring "expenditure in line with income."

With the budget amendment, together with estimated and still unrecieved income, board members are hopeful that they can meet district obligations without further reductions.

Reductions were made in three major areas:

Teaching supplies, cut from the budgeted \$25,000 to \$22,500; operational supplies, cut from \$8,000 to \$7,500; and maintenance supplies, cut from \$3,000 to \$2,800. In addition, another \$100 savings is anticipated in continuing expenditures.

The superintendent outlined several areas in which expenditures have exceeded budgeted estimates, thus prompting reductions elsewhere. These include extra curricular activities, \$1,140; noon hour supervisors, \$6,480; an additional fifth grade teacher, \$5,139; added fixed charges \$1,500; and additional tuition, \$9,968.

These, plus other anticipated expenditures, total \$751,870 as compared to the earlier estimate of \$727,943. With estimated income pegged at \$748,575, a resulting \$3,295 could be expected. This deficit, then, is what board members erased by approving the reductions.

In other business last week, the board approved a preliminary application to the state for its proposal to conduct a bonding election for an addition to Orchard Hills elementary school. The application will be submitted along with a very rough architectural sketch of what the addition will look like.

While no date for the election has been set, Superintendent Dale predicts it probably will be held in late February or early March. At that time taxpayers will be asked to approve a \$480,000 issue that includes \$20,000 for a possible future school site.

Should voters approve the issue, the addition reportedly could be completed in time for the opening of school in 1969, which Dale has emphasized may be too late to meet projected student enrollment increases.

A special meeting of the board was to be held yesterday to consider a number of proposed equipment purchases with the estimated \$80,000 remaining in the high school additional account.

Approval of at least several items of priority need was expected.

## Police Seek Fire Cause, Investigate Tool Theft

Novi police, in cooperation with Michigan State Police, are investigating the cause of a fire that seriously damaged the interior of a home at 182 Penhill, Monday, December 11.

The owner, Mrs. Despie Middleton, was on a journey out of the state and no one was occupying the dwelling during her absence.

Novi police and fire departments, along with fire fighting equipment from Wixom and Walden Lake, responded to the alarm call that came in at 6:09 A.M. The fire, which was well developed when fire fighters arrived, was confined to the interior of the single-story home.

Novi police also are also investigating the disappearance of precision measuring devices valued at about \$700 from the Vicoite Tool Company property at 4241 Grand River. The items, including indicators and stands used in close tolerance machining operations, were reported missing last Thursday shortly after 8:00 A.M.

Board of Commerce's Nativity Scene Emphasizes True Meaning of Christmas.

## Village-Township Pact Advances

A police and fire protection agreement between the village and township of Novi moved a step closer Monday night as the village council authorized its attorney to negotiate a formal document for approval.

Specifically, the council went on record as favoring the township's recent 5-percent of county allocated millage proposal but it directed Village Attorney Howard Bond to remind township officials of a still unpaid 1966 fiscal year bill of \$1,530.

Councilmen suggested that the township's recent formula for footing its share of police and fire protection is different than originally discussed.

However, they noted, too, that the newer formula results in "about" the same amount of money.

In a letter from Township Attorney Emery Jacques, Jr., councilman learned that 5-percent of the township's 1967 share of county allocated millage would produce \$1,850.

In addition to payment of \$1,850 to the village for its share of 1967 fiscal year police and fire protection, the township indicated it would continue to pay insurance for fire department equipment.

Under the township formula, the payment to the village could either increase or decrease annually, depending upon the millage allocated to the township each year and upon township valuation.

While discussing the matter of police protection for township areas, Attorney Bond reminded the council that under the law village police must act carefully in policing township areas. He said that in cases of misdemeanors, police should first obtain warrants before making an arrest, and in felony cases arrests can be made, particularly if committed in the presence of an officer, but where time permits a warrant should be obtained.

He pointed out that village ordinances, in supporting village police in making village arrests for particular violations, such as illegal booties, are not effective in township areas.

Councilmen suggested that perhaps the township could enact its own policing ordinances under which village police could act to enforce.

## Novi Heights Taps Killeen

Garland Killeen has been elected president of the Novi Heights Community association for 1968.

Other newly elected officers include: Brent Canup, vice-president; Arthur Karschnick, treasurer; and Ella Karschnick, secretary.

Members of the board of directors are: Leo Tymensky, William Lovett, past president, James Mitchell, Lawrence Boyd, and Louis Gombasy. Committee chairman are John Tymensky, restriction committee; Signa Schell, membership committee; Jack Morris, public works committee; and Pat Kozak, program committee.
