

Eyes Zone Competition

Gary Becker Wins District Contest

Gary Becker of Northville won first-place in the American Legion's district oratorical contest Friday night in Livonia and, in doing so, earned a position in zone competition slated for Sunday afternoon.

Year-Round School

In addition to savings accomplished through using fewer teachers who are paid more for teaching a longer annual schedule, the Toledo report suggests that savings are also possible in districts having major bus transportation services. As with the teachers, fewer buses would be needed if enrollment was reduced 25%. While noting that fewer buses would be in service longer each year, the report comments that significantly less capital would be tied up in buses and that there might be advantages in steady and efficient utilization of mechanics and drivers if a bus operation is maintained on an 11-month basis.

Why Probation? It Deters Criminal Repeaters

EDITOR'S NOTE—The following article is the second written by Dennis R. Diddy, new appointed chief probation officer of the Northville Municipal Court. After a court finds any defendant guilty of breaking the law that falls in the jurisdiction of the Northville municipal court, the judge may refer the case to the probation department for one or more of its services. Two of the main services of the department are: to initiate a pre-sentence investigation of the offender in order to give the judge background facts upon which to pass sentence; and to work with individuals who actually have been placed on probation as opposed to the sentence, fine, or imprisonment as specified by law.

Sewer Connection Ushers in New Wixom Plant

Two major events in the life and growth of a community occurred simultaneously in Wixom last week when the first connection to the city's new \$4.5 million sewer system and treatment plant was made to new facilities of a major industry moving to Wixom from Warren.

BIG MOVE—Gunnar Mettala (right), plant manager for Micro-Poise Engineering and Sales, and Robert J. Lannen, president of the firm, stand in front of the huge metal case housing the new Wixom plant's control center for delicate balancing machines.

Wixom to Change Name It's 'Lincoln Town' For Millionth Auto

When the one millionth Lincoln automobile built by the Ford Motor Company rolls off the line at the Lincoln plant in Wixom Monday, March 25, the city will officially take the name "Lincoln Town" during programs that will mark the event. Official approval to rename Wixom "Lincoln Town" for the day was given unanimously by the Wixom council meeting in regular session last Tuesday night.

Speak Cookies

The junior class of Northville high school is planning a house-to-house bake sale next week. Students will take orders for cakes, cookies and pies from homes Tuesday after school for delivery Saturday morning, March 23.

6 Candidates Speak Tuesday

Next Tuesday night Wixom residents will have opportunity to hear and question the six candidates for council and the two for mayor who seek voter approval at the polls on April 1. All candidates have been invited to a candidates' night at the Wixom elementary school next Tuesday, March 19. The affair is scheduled to start at 7:30 p.m.

diary, Gibraltar Tool, began moving into new quarters at 51300 Pontiac Trail, from Warren. While describing the new plant and the firm's operations, Gunnar Mettala, president of Gibraltar Tool, drew relationships between industry and Wixom's new sewer system, Mettala also is a Wixom city councilman.

"Considering growth projections for southeastern Michigan, we think we have an excellent location near the heart of the automotive industry, with the sewer lines and treatment plant. They were not built just to attract industry, Wixom had a serious condition, we were contributing to pollution of the watershed."

Anderson Loses by 1 Vote

Duey, Evans Young Win

Two new council members were elected here Monday in a surprising upset that saw Novi's veteran official, Philip Anderson, losing his post by a single vote. Elected were Raymond H. Evans, who had been serving as a council appointee for the past several months, Donald C. Young, Jr., a former councilman, and William L. Duey, a newcomer to elective office.

William L. Duey, Donald C. Young, Jr., Raymond H. Evans

For Schools in Novi Northville Seeks 2 Sites

Northville's school administration received board authorization Monday night to begin negotiations for acquisition of two future school sites in the Nine Mile-Taft road area. Under consideration are two parcels of land either owned or held by Marc Alan developers on the north side of Nine Mile road on either side of Taft.

Jaycees to Field Cityhood Questions

Is Novi a city? Most people probably know Novi was incorporated as a village in 1958 and that the same community is also a township, but some newer residents are not aware of this fact. That's why the Novi Jaycees next week will begin a weekly forum in The Novi News to answer easy and not-so-easy questions growing out of interest in the May city incorporation election slated here.

Answers Wanted What's Your Position On Year-Round School?

A questionnaire concerning the Year-Round school concept subject of a series of articles published in this newspaper over the past several weeks, appears on Page 8-A of this edition. Parents are asked to fill it out and mail or bring it to The Northville Record, 101 North Center street, Northville 48167, no later than Thursday, March 21. Results of this survey will be tabulated and published in this newspaper on March 28. The results also will be turned over to the Northville citizens' committee currently studying the Year-Round school concept. It is also noted that Northville's study is exploratory only and does not imply that the board of education has plans to implement it.

precise control of inside plant environment. In this respect—lighting, low air velocity, and uniform temperatures—the Micro-Poise plant is a demonstration of the latest engineering know-how. With high-intensity lighting providing a major portion of the heating requirements, as well as illumination, additional heating is supplied with heat pumps and some supplementary electric units.

The heat pumps provide for two-way transfer of heat, either removing heat from inside the plant to the outside air or from the outside air to the plant interior. It is capable of extracting heat from outside air at near zero temperatures. The plant contains 31,200 square feet of which 4,800 is for office and engineering work and 26,400 for manufacturing and assembling.

Northville Township Board Minutes

February 6, - Northville township held 10th Reg. Meeting which was held at 8:10 p.m. Present: Supervisor Merriam, Clerk Hammond, Treasurer Lawrence, Trustees: Armstrong, Tellam, Consultants: Attorney Ashton, Engineer Mosher. Absent: Trustees: Baldwin, Stromberg. Also present: 7 township residents, Planning Commissioner Klein, Thompson-Brown representatives. Minutes of township board meeting of January 9, 1968 approved. Treasurer's report for January 1968 read and accepted. As was the Office Receipts and Bills Payable for the township and for the Water & Sewer Department for January 1968 read and accepted, as was the current bills paid, moved by Tellam. The Clerk's quarterly budget report was read and accepted, as was the Building Department report. The Planning Commission minutes of December 28, 1967 and of January 10 and 30, 1968 and Water & Sewer Commission minutes of January 12 and 24, 1968 were received.

Novi Thief Jailed

Getaway Halted At State Line

The power of alert observation as practiced by a Novi service station operator extended down U.S. 23, almost to the Ohio border and landed two long distance truck drivers in jail.

Patrolman John Johnson took the complaint. Knowing only that it was a large moving van truck with an Ohio license headed west on I-96, Johnson alerted the state police at Brighton, who also notified the Erie post near the Michigan Ohio line.

'Hot Car' Suspects Placed in Cooler

Hot cars and young men were the objects of considerable activity for Novi police during the past week. In one case, Novi police action led to a Redford garage.

A complaint of attempted auto theft, Officer Biggs apprehended a juvenile from Detroit who eventually admitted having stolen "12 or 13" cars.

He Missed Talk But Not Fine

If Austin Kent of Inkster had attended the Novi Village council meeting last week he might have saved himself time, money and considerable inconvenience.

None Oppose Phone Switch

No one testified against the proposed transfer of a number of Wixom telephones from the General Telephone company to service by Michigan Bell at a public hearing before the state public service commission last week Wednesday.

Fill It Out! School Survey

Following is a questionnaire concerning the Year-Round school concept which has been the subject of articles carried by this newspaper over the past several weeks.

- 1. Do you live in the Northville, Novi, Walled Lake, South Lyon school District?
2. What is your occupation, your spouse's occupation?
3. How many children in elementary school, junior high school, high school?
4. Do you feel exploration of the Year-Round School concept is warranted?
5. What do you know about the Year-Round concept?
6. Have you discussed Year-Round School with anyone?
7. Is it your understanding that Year-Round means your child will attend classes 12 months, 9 months?
8. If you had a choice would you choose to have all your children attend school and vacation at the same time?
9. If you had a choice would you prefer to take your vacation in the Fall, Winter, Spring, Summer, No preference?
10. If you had children attending school during the summer, how would it affect your family life?
11. How many of your children work during the summer?
12. Would Year-Round School create job problems for your child?
13. What is the youngest age at which your child should graduate?
14. Do you feel your school facilities should be used more?
15. Do you think a Year-Round program would save tax dollars?
16. If Year-Round school would save tax dollars would you favor it?
17. If Year-Round school would improve quality of education would you favor it?
18. Would you favor Year-Round school if it improved quality of education but would not save dollars?
19. Would you favor Year-Round school if it would save tax dollars but not improve the quality of education?
20. Should teachers work year-round?
21. Do you feel your school facilities should be used more?
22. Would Year-Round School create job problems for your child?
23. What is the youngest age at which your child should graduate?
24. Do you feel your school facilities should be used more?
25. Do you think a Year-Round program would save tax dollars?
26. If Year-Round school would save tax dollars would you favor it?
27. If Year-Round school would improve quality of education would you favor it?
28. Would you favor Year-Round school if it improved quality of education but would not save dollars?
29. Would you favor Year-Round school if it would save tax dollars but not improve the quality of education?
30. Should teachers work year-round?

For 1968-69 Year 7 New Teachers Requested Here

Northville school board action on a recommendation that seven additional teachers be hired for the 1968-69 school year was delayed Monday for two weeks.

Board members decided to delay their action pending a work session slated for 7:30 p.m. Tuesday, March 19. The recommendation of Superintendent Raymond Spear calls for three additional high school teachers (two for swimming instruction), two junior high teachers, and three elementary school teachers.

Vandals Steal Tombstones

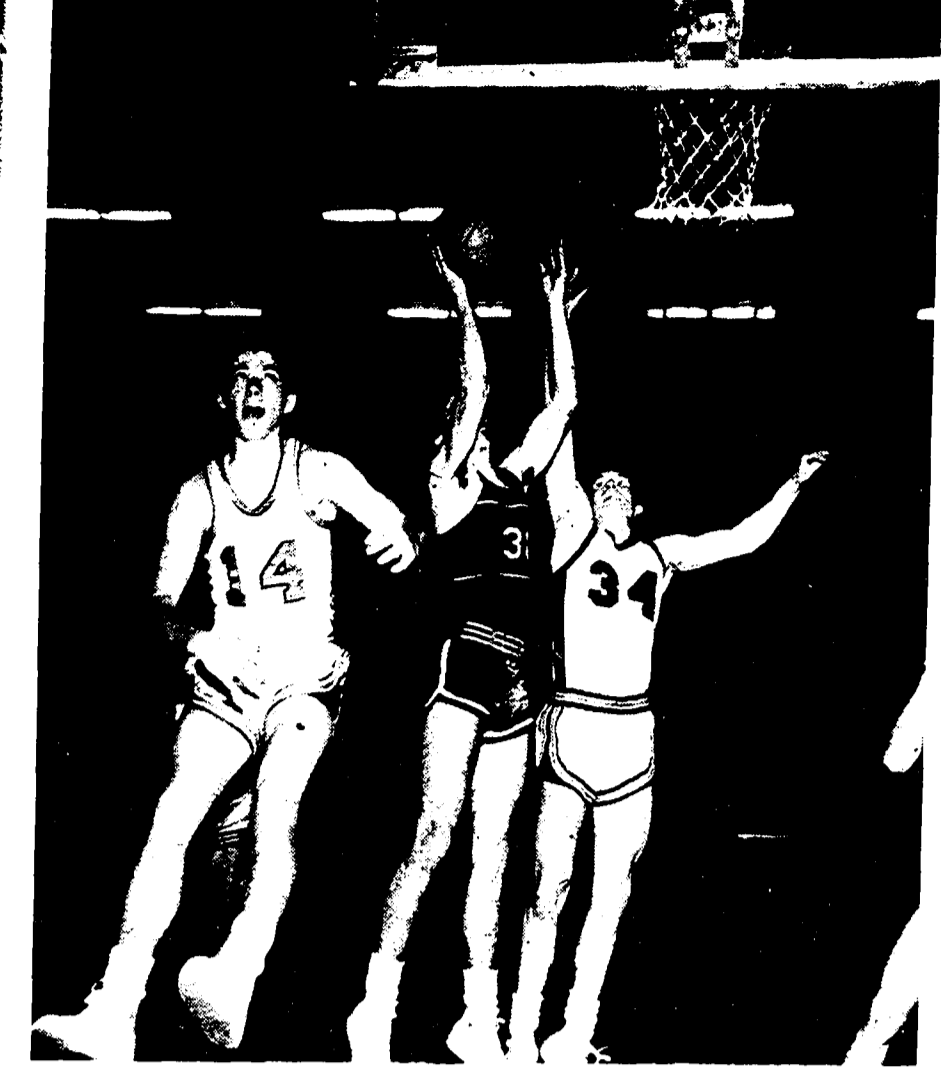

Vandals caused several hundred dollars damage to monuments in the private Verkes Cemetery on Eight Mile at Meadowbrook roads last Friday night.

WAIT A MINUTE-His forward momentum carrying him past the action, Joe Andrews tries to halt a Riverside shot with facial expression while Jim Peterson (34) tries unsuccessfully to block it.

Mustangs Lose In 'Flat' Effort

What was predicted as fairly easy competition turned out to be plenty stiff Friday as Northville's varsity quintet lost to Riverside in the District B tournament semi-final at Clearcreek Thursday.

"Our boys were flat. It's as simple as that," said Coach Dave Longridge in commenting on his squad's 72-65 defeat at the hands of the Rebels, who went on to defeat Lutheran West for the district championship.

Novi's 'Best' Game Narrowly Misses

"It was their best showing of the year. They really played their hearts out." That's how Coach Jim Ladd described his varsity Novibasketball players who Friday lost by two points in their quarter-final bid for the Class C championship at Eastern Michigan university.

Ypsilanti Roosevelt, which posted two regular season triumphs over the Wildcats, gained a 56-55 victory in the final three minutes of play lost out to St. Thomas in the finals the following night, 61-41.

Actually, the Wildcats had a one-point edge through the first and second quarters before closing the third locked in a tie with Roosevelt.

Playing a superlative defensive game, the Novi cagers managed to steal the ball several times. But where they might have turned this edge into some important points, the Wildcats choked up and missed a couple of easy layups.

Adult Softball Meet Planned

Despite snow early this week, there's talk of softball in the air. Recreation Director Robert From announced that a meeting will be held on Tuesday, March 19 for all representatives of the men's softball league.

Purpose of the class, he explained, is to teach children safe handling of guns and use of them for shooting competition and/or hunting.

2 Place Third in Tourney Local Wrestlers Win at State

Dan Conklin and Marty Richardson picked up third place medals at the Class B state wrestling tournament last weekend to give Coach Jack Tomlin's Mustangs a fair measure of success in the grueling two-day wrestling war at Wyoming.

Both Conklin and Richardson lost by decisions in the crucial second round. Richardson almost made it into the championship flight, losing 8-6 to a Flint Bentley wrestler who went on to win the 127 pound state championship.

New League OK A Month Away

Formal approval of Northville's withdrawal from the Wayne-Oakland League and its participating in a yet unnamed league is expected within a month.

The board of education Monday delayed formal approval pending some official statement from participants of the new league that all activities carried on within the W-O will be provided in the new conference.

According to Athletic Director David Longridge and Principal Fred Leones, formation of the new league awaits only formal approval of the boards of education involved. If approved the league would be launched in the 1969-70 school year.

The proposed new league includes these schools: Waterford Mont, Walled Lake Western (under construction), Livonia Churchill, Plymouth (old school), Farmington Harrison and Northville.

Although apparently nothing in writing had been secured by Monday night, both administrators emphasized that existing intra-league activities would be continued in the new organization. In fact, several additional activities such as swimming, are promised, they said.

The new conference is strongly favored by both men because of the closer proximity of the participating schools, because a six-team league is generally favored over an eight-team setup—as exists in W-O, and because of the similarity of sizes of the participating schools.

Longridge, who noted that sports competition may be stiffer in the new conference, said that with fewer teams in the league Northville will have more opportunity to compete against non-league schools.

Holdsforth, commenting on a concern of Curriculum Coordinator Miss Florence Panattoni that non-sports competition, such as debate, become an integral part of the organization, emphasized that these activities definitely will be continued.

Board Secretary Glenn Delbert expressed hope that plans to enter a new league was not sparked by a desire to place the school in a better competitive situation. Furthermore, he wondered aloud if travel to distant schools might not represent a good experience factor for students.

Boat Safety Classes Set

The first series of classes in an educational program on boat safety and operation will be held from 8 to 5 p.m. on three successive Monday afternoons, beginning March 25, in rooms 15 and 16 of Cooke junior high school, Northville.

The three-week classes have been set up in accordance with the boat safety law passed in 1967 which requires all young people between the ages of 12 and 16 who have occasion to operate a boat with its outboard motor or more to participate in the educational program.

Applications for enrollment have been distributed at the junior and senior high schools and still are available. A second series of classes will be set up if needed.

Friday night. Conklin lost a 4-0 decision to the big boy, but a gritty performance won the crowd's admiration. Conklin looked far better than most heavyweights his size appeared against Taylor. He was on the offensive at the whistle, shooting for the takedown. But the big fellow dropped his 395 pounds on Dan and the effort to raise the weight time and again eventually took its toll.

Conklin's match with Taylor also brought what was, up to that point, the most unpopular referee's decision in the tournament. Late in the third round, after Conklin had already supported the 395 pounds longer than any other wrestler to meet the big boy, the referee called stalling on Conklin.

After that ordeal, Conklin dropped into the consolation bracket and won three straight matches to finish third. After pinning Roger Hunt of Harper Creek in 2:00, Conklin defeated a Harper Springs heavyweight 3-2, which set him up for the Saturday night consolation final match with the 345 pound O'Neil.

John Tam, the Mustangs' entry in the 120-pound class lost his first-round match to a strong wrestler from Holt, 5-2.

The Mustangs tied for seventh place in team point standings. The tournament reflected the growing numbers of schools having varsity wrestling as a varsity sport. No one team dominated the tournament, and the point spread in team points was extremely close.

OBITUARY

HARRY CLARK
A lifetime area resident, Harry Clark, 76, 204 West Liberty street, South Lyon, died March 5, in Carmel, California.

The son of James and Edith Lewis Clark, he was born October 9, 1891 in Washtenaw county. He and Vera Olivia Dennis were married in Northville April 18, 1914.

Mr. Clark had lived in the City of South Lyon for 15 years. His last occupation was operating a farm on Eight Mile road.

Survivors are: four daughters, Mrs. L. J. (Edith) Johnson of San Jose, California; Mrs. Walter (Betty) Holman of South Lyon; Mrs. Vera (Mary) Lavasseur of Northville; and Mrs. Edward (Jeanette) Shrike of Carmel, California; two sons, Henry Clark of Northville and Dr. H. Dennis Clark of Beloit, Wisconsin; 18 grandchildren; eight grandchildren; two sisters, Mrs. Bessie Bulmon of South Lyon and Mrs. A. A. (Dawn) Holcomb of Northville; and two brothers, Jay and Lewis Clark of Northville.

Funeral services were held Saturday, March 9, at 1 p.m. at Phillips Funeral Home with Gary L. Herne, pastor of the Salem Congregational Christian church, officiating. Burial was at Oakland Hills Memorial Gardens.

Nearly Doubled in Novi 'Dimes' Collections Top 1967 Mark

Northville has completed its 1968 March of Dimes campaign with a total of \$1,905.96 being sent into the Wayne county Detroit office this week by Chairman John Steimel.

The Northville postmaster reports he is well pleased with the collection which topped last year's figures for the same events. He added he already has volunteered to chairmen the campaign next year.

The collection included \$1,269.24 from the Mothers' March, a donation of \$500 from the Cavern (netted at benefit dance), \$49.87 from a junior high

faculty basketball game, and \$86.75 from the jazz concert.

Novi area returns still are being received in the Oakland county office with the total already well past last year's collection of \$325.88. The Novi Mothers' March yielded \$543.72 with an additional \$75 having been received in citizen donations for a total of \$618.72. Returns from Commerce township, in which Wilson and Walled Lake participated, also exceeded last year's collection with \$1,135.28 collected in the Mothers' March and other donations of \$203 bringing the total to \$1,338.28.

Top '68 Product Sought in Contest

Search is on for Michigan's product of the year, and counties have until April 13 to pick their winners for entry in regional competition, state Michigan Week awards chairman John Calkins, formerly of South Lyon, announced this week.

Regional contests will be completed April 26. The state winner will be chosen during Michigan Week May 19-23 at Northland Center, Detroit. This will be the 15th Michigan Week.

School Accepts 5 Resignations

Resignations of five teachers, one effective February 15 and the others at the conclusion of the school year, were accepted by the Northville board of education Monday night.

Mrs. Joyce Peterson's February resignation was a closed personnel matter.

Two high school teachers, Edward Moilema and Charles Yahn, indicated their plans to retire after more than 40 combined years of teaching, and Mrs. Molly Shop and Mrs. Judith Wady of the junior high school will leave the system in June for reasons related to their families.

and the 10th in which the state has picked a product of the year.

Any consumer product manufactured in Michigan is eligible so long as it is relatively new, possesses demonstrated sales potential and shows promise of bringing economic gain to its section of the state.

State Chairman Calkins, who is chief deputy director of the Michigan Department of Agriculture, urges manufacturers and others to contact local Michigan Week chairmen immediately about possible entries. There are no entry forms to be filled out. Each county Michigan Week organization beats the bushes for entries and conducts a contest to pick the county's product of the year. The search for entries and the contest arrangements are usually in the hands of a county awards chairman. He is appointed by the county Michigan Week chairman and works closely with the regional awards chairman.

Counties and regions are expected to see that their winning products are companies receive recognition in numerous ways.

The state committee asks counties to keep their contests open for entries until Monday, April 8 and to finish their judging by Saturday, April 13.

Regional contests must remain open for entries until Monday April 22 and finish their judging by the following Saturday, the 28th. Each of the 16 Michigan Week regions enters the state contest by submitting a scrapbook on its winner by Thursday May 2 to the state committee at the office of the Greater Michigan Foundation, 970 Center street, Lansing.

A panel of judges will choose the state winner entirely through examination of the scrapbooks.

Regions will be invited to display their winning products at Northland Center during Michigan Week. The exhibit will include most of the past state winners.

Michigan's 1967 product of the year was the portable schoolroom Aaa-Class, manufactured by Divo-Wayne Industries at Mariette.

Phi Kappa Taps Steve Jordan

Steven P. Jordan, 215 Hill street was among the 71 students at the University of Wisconsin who were recently pledged to the Wisconsin chapters of 23 different fraternities on the University's campus in Madison.

There are a total of 93 social and professional sororities and fraternities which have chapters on the Wisconsin campus, whose programs include social and professional activities of interest to their members in their various fields of educational training. Of the total social and professional organizations on the campus, 55 are fraternities and 38 are sororities.

Steven pledged Phi Kappa Theta social fraternity.

Sp/4 Jerry E. Lyke

Specialist Four Jerry E. Lyke, after a year with the 43rd Army Signal Battalion near AnKhe, Vietnam, spent a 30-day furlough with his parents, the Russell C. Lykes of 21550 Napier road. His address is now: H.L.P., 4th Battalion, 62nd Artillery, Fort Bliss, Texas. The soldier is a 1965 graduate of Northville high school.

Forrest L. Pretzer, son of Mrs. Therese Kohler of Northville received the bachelor of aerospace engineering degree at graduation exercises on March 14, at Auburn university, Auburn, Alabama.

Pretzer, after leaving high school before graduation, enlisted in the Air Force 11 years ago. After obtaining his high school diploma at night he began college work at San Antonio junior college while stationed there with the Air Force.

He was selected for the Air Force Institute program at Auburn and has since distinguished himself by being elected to Sigma Gamma Tau and being nominated for the outstanding graduate for the school of engineering. After graduation he will attend officers training school at Lackland, AFB, Texas, and upon completion of the program be commissioned a Second Lieutenant in the Air Force.

Upon returning from his two-year tour of duty with the United States Army veterinary corp, Dr. Joseph Svoboda, Jr. has now begun his veterinary practice, limiting his practice to horses. His office is located at 41267 Crestwood drive in Plymouth.

Dr. Svoboda is a native of Plymouth and a 1965 graduate of Michigan State university.

Dr. Svoboda and his wife, Jane, are residing at 41267 Crestwood drive.

In Northville Township Detroit Edison Vote Coming Up April 29

Northville township voters will have their first opportunity to tryout new polling places Monday, April 29 when a rare "franchise election" will be held by the Detroit Edison company.

Both township precincts are now located in the old junior high school gymnasium.

The Detroit Edison election date was approved by the township board last week. The company operates under a 30-year franchise provision which gives it authority to run electrical power lines over property within the township.

The first franchise was granted locally in 1936 and the last such election was held in 1958.

In other business at its regular March meeting the board approved sale of some \$135,000 in special assessment bonds to provide water lines for residents of the Marilyn, Maxwell, Fry and Park Lane area on Five Mile road.

A water and sewer department recommendation was adopted raising charges for water use during construction periods from \$3 for single family units to \$10 and to \$6 per unit for multi-

ple family dwellings. A standard fee for rezoning requests of \$150 plus \$5 per acre or fraction thereof was also adopted by the board. It was noted that the fee would be refunded if a public hearing was not granted, but the fee is retained by the township whether or not the rezoning is approved.

A check of \$26,810.58 was deposited by Thompson-Brown company for inspection fees for its Northville Commons subdivisions one and two on Bradner road at Six Mile. The firm was granted permission to start installation of sewer and water mains before final plat approval, providing easements were granted to the township.

"Settlement Day", when the board puts its final touches on its new budget, was set for March 19 at 8 p.m. and the annual meeting for Saturday, March 30 at 1 p.m. Both meetings will be held at the township hall.

Clerk Eleanor Hammond announced that a joint city-township dog clinic will be held at the city hall fire department on May 11. Dog licenses and vaccinations may be obtained at the clinic.

8 Youths Arrested For Liquor Violations

The lamb-like March weather, a popular band for the Cavern dance and a crowd of youngsters reported in the neighborhood of 900 combined to produce increased business for the Northville police last weekend.

Reports for the weekend show eight youngsters from Detroit, Livonia, Inkster, and Belleville were booked for being minors in possession of alcohol, one Inkster man charged with contributing to the delinquency of a minor, two Redford township youngsters charged with curfew violations, and another youth facing arraignment on charges of being a disorderly person for fighting.

In another incident, a Northville youth was taken to the police station following apprehension for driving without having a driver's license.

The police report notes that the boy's father leveled charges that the police were "biking" his son after being called to the station to pick up the boy. The youngster was taken into custody after being approached by officers supervising traffic in the parking lot near the community building. The report says the youth left from the vehicle

and denied he was driving it.

Because his car is equipped with an electric fuel pump, and an auto thief could get only as far as the street with it, Charles Harrison, found his 1960 model auto intact Tuesday morning.

Sometime Monday night, after Harrison left the car in his drive at 373 Linden, a would-be thief was able to turn the ignition on but did not operate a separate switch to turn on an electric fuel pump. Harrison found the car in the street nearby Tuesday morning.

Sergeant Jack O. Boyd of the Wayne county sheriff's department had a different experience when his car was selected as a target for theft the same night.

Boyd, who lives at 531 Linden court, noted that his 1964 model compact was missing when he left in another car early Tuesday morning. Returning home about 7:00 a.m., Boyd saw his car parked on Randolph street.

Boyd's car suffered front-end damage, a broken accelerator, and records and materials the officer uses in teaching water safety classes were missing. Northville police are investigating the cases.

Amerman P-TA Slates Early Afternoon Meeting

Morale elementary school's next P-TA meeting will be an afternoon session beginning at 1:30 p.m., Thursday, March 28, in the multi-purpose room.

It is to be a discussion of modern math presented by Mrs. Patti Flaagan, Moraine staff member.

A slate of P-TA officers for next year will be presented. Voting is to follow in approximately 30 days at the next open meeting.

Child care services will be available at the school during the meeting for children three years or older.

LATEST REPORTS FROM THE PHOTO WORLD

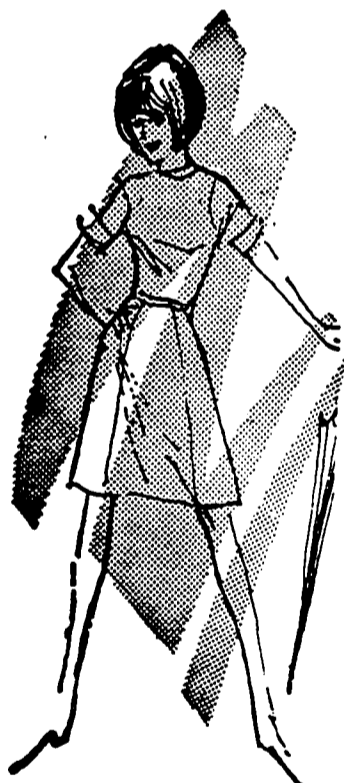

One camera: two meter systems

LOS ANGELES—A first: the 1000 DTL; Mamiya/Sekor designers claim to have "resolved" conflict between averaging and spot-metering advocates by offering a 35-mm SLR with both features. Users of new 1000 DTL flips a switch to take either full-field, or six-degree area reading; a pointer inside finder indicates whether camera is set for averaging or spot measurement (latter's field is delineated). Present look-alike model 1000TL takes ten-degree area reading only. New DTL employs two photo-cells, bordering its pentaprism, for full field; and single, independent photocell back of its reflex mirror for spot readings.

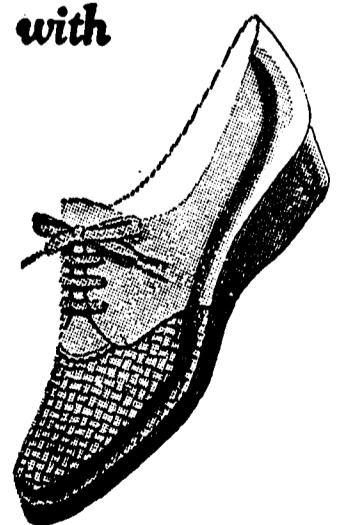

Both metering systems are cross-coupled to camera shutter speeds and diaphragm mechanism for all automatic lenses with Praktica-Mamiya/Sekor mounts. Film-advance lever switches metering system on. Lever is pushed back flush with housing when camera is not in use. Its electrical circuit interrupted to save drain on silver-oxide battery (Eveready 5-76). Finder has micro-diaphragm center spot, surrounded by groundglass, with Fresnel outer field. Shutter speeds range from 1 to 1/1,000 sec; self-timer offers a variable delay.

'Knuckles Down' Shot: A Lost Art

That's one reason for Ron Cade's facial expression as he tries the unfamiliar "knuckles down" shot just to satisfy the photographer's curiosity. He is smiling, but he is not smiling at the camera. He is smiling at the old game of chess.

Moms everywhere know spring's just around the corner when their youngsters start arriving home with muddy shoes and baggy pants. But nowadays you can't always blame it on a game of marbles.

SAFETY WINNERS - School was not in session, but winners of the safety patrol boys and girls awards for the month visited Northville Police Chief Samuel Etkins' office Friday. They are (l. to r.): Donno Grigg, Amerman; Carol Bellenir, Main Street; Suzie Evans, Moraine; Jim Dales, Amerman; Robert Foust, Main Street; Reid Ording, Moraine.

Out of THE PAST

5 YEARS AGO...
The city council set about preparing itself for "the big move" from the present Northville city hall to temporary quarters on Wing street while a new building was being built.

A new dialing procedure to safeguard telephone users from accidentally misdialing long distance calls went into effect for Michigan Bell Telephone company. Under the new procedure, callers were asked to first dial the numeral '1'.

The flow in Northville's historic well was down to a mere trickle, prompting Mayor A. M. Allen to instruct the city engineer to check the drastic reduction.

Area municipalities adopted resolutions supporting Detroit's bid for the 1968 Olympics.

The nervous teams plunged and reared through the first game of the district tournament as the Northville Mustangs nosed out spirited Howell, 46-42.

A proposal to classify some 500 acres of Detroit-owned Maurey and tortum property as "surplus" and offer it for public sale was revealed by the Detroit planning commission.

10 YEARS AGO...
The 13 candidates for the Novi village charter revealed why each was seeking election in the village election slated for March 17. The candidates were Philip Anderson, Hadley Bachert, Mrs. Guy Boatman, Russell Butten, Robert H. Davey, David M. Frid, Dirk Greenberg, Herbert Koester, Brian LeBout, Archie L. Marsh, Dieron Talarian, Walter Tuck and Harry Watson.

Novi was threatened by another court suit - this time over a proposed new drive-in theater near the northwestern shore of Walled Lake led by Robert Buttmeyer, owner of the Lakeside Packing House and of considerable property near the drive-in site, the delegation of opponents charged that the theater would lower property values, cause traffic congestion and be a poor business risk.

Wixom's cub scout Pack 118 was declared the winners of the window display competition in the Ottawa District.

Becky Coleman, Jim Hammond, Lillian Zimmerman and Charles Hix participated in the "Quiz 'em on the Air" show, finishing second to Fitzgerald high school. The four Northville students brought home a television set for their efforts.

65 YEARS AGO...
Honorable George S. Wheeler of Salem died at his home of grip after a week's illness. He was a well known and highly respected citizen, not only in his own community but in the state. He was elected to the Michigan house of representatives in 1899 and served his constituents with ability and honor.

November 5? 'Home Rule' Vote Asked in Wayne

The question of whether to move toward home rule county government in Wayne county may be before the voters in the general election next November 5.

A policy advisory body of the county board of supervisors, the committee of chairmen of standing committees, recommended March 6 that the board of supervisors put the question on the fall ballot.

It is expected to take until some time in May to complete the technical studies which must be made before the board of supervisors acts.

The voters would ballot on whether to establish a charter commission to draft a proposed county charter. A partisan primary election would be held at the same time to select nominees from 25 to 35 districts for seats on the charter commission.

If the voters approved establishment of a charter commission, a final election to select its members would be held within two months. The charter commission would have six months to prepare a charter for submission to the voters.

A citizens committee, the Committee of 99, completed a year-long study of the home rule question last month and recommended that the board of supervisors give the voters the opportunity to vote on the question "as soon as practicable."

The committee concluded that home rule would make possible "significant improvement" in the structure and functions of Wayne county government.

The Pointer entries of Mr. and Mrs. J. P. Malley, 21633 Beck road, took top honors in the junior judging contest at the Dog Show in Detroit.

The zoning ordinance for Northville township was published in The Record.

The 1948 American Red Cross drive got underway in the community, under the chairmanship of George A. Locke.

25 YEARS AGO...
Servicemen named as American heroes in The Record were Charles Bishop, Harold C. Jordan, and Arthur E. Butler.

Fire destroyed five cottages on the east side of Walled Lake, driving four families into the snow in near-zero weather. Loss was estimated at \$25,000.

Mrs. Roland Morris, the former Katherine Duguid, daughter of Mr. and Mrs. William Duguid, with whom she resided at the family residence, 741 Grace street, was fatally injured in an automobile accident in the driveway of the Phoenix Ford plant.

Northville public schools had trained 61 people for jobs in war production plants, 42 of whom were women.

Plans for a state-wide rural scrap collection drive were launched. Emphasis was to be placed on the heavier melting scrap available from area farms.

65 YEARS AGO...
Honorable George S. Wheeler of Salem died at his home of grip after a week's illness. He was a well known and highly respected citizen, not only in his own community but in the state. He was elected to the Michigan house of representatives in 1899 and served his constituents with ability and honor.

School Loses Money

Trailer Park Value Questioned in Novi

Trailer parks are not good school tax producers - at least that's the conclusion of Novi school officials who recently were given an analysis of two Novi mobile home parks by Superintendent Thomas Dale.

According to Dale's analysis, which was to be presented to the village council because some of its members have contended the two parks represent a large tax base in the community, the Novi school system actually lost tax dollars because of the two parks. Specifically, Dale contends that in one year the district lost \$22,730.71 in support of schools because of two parks, one located on Seeley road and the other on Haggerty road.

The Seeley road court reportedly has 40 Novi elementary pupils, 27 Novi high school students, and one Northville high school student, while the Haggerty road student population is seven Novi elementary, two Novi high school, two Northville high school and two Lutheran school students.

The tax loss, described by Dale, is based upon the following computations: In the area of school operation - Cost for the park students for transportation (\$37.08 x 81) is \$3,003.48; for tuition (Northville's tuition rate of \$457.66 x 5), \$2,288.30; and per capita cost (Novi \$507.25 x 76), \$38,551. These costs total \$43,842.78. Less state aid

per child (\$199.50), the cost is \$28,680.78.

Property taxes from the parks, based upon the 18.63 total operational millage levy and the two parks' combined valuation of \$410,600, is \$5,337.49 for the Seeley and \$2,311.98 for the Haggerty. In addition to this income, the district receives \$9,553 from Seeley and \$981 from Haggerty through taxes on individual trailers.

Thus, concludes the analysis, the two parks produce \$12,583.47 in tax support for operation of the school, but because of the \$28,680.78 cost involved with school children of the parks, a net loss of \$16,097.31 is incurred.

In the area of debt retirement (payment for school buildings and property) - annual cost per child is \$125.10 and the total annual cost for 76 park children, \$9,507.60. Debt retirement income from the two parks, based upon the district's 7-mill levy and the park valuations, was put at \$2,005.50 from Seeley and \$868.70 from Haggerty for a total income of \$2,874.20.

Thus, cost exceeds debt retirement income by \$6,632.40, the analysis shows.

Total net loss for one year (\$16,097.31 in operation and \$6,632.40 for debt retirement) was put at \$22,730.71.

With Our Servicemen

With U.S. Combat Air Forces, Vietnam - Staff Sergeant Burton D. Shoebridge, son of Mrs. Helen M. Shoebridge of 9751 Six Mile road is on duty at Cam Ranh Bay AB, Vietnam.

Sergeant Shoebridge, an aircraft electrician, is a member of the Pacific Air Forces.

Before his arrival in Vietnam, he was assigned to Travis AFB, California. The sergeant attended Northville high school.

His wife, Joyce, is the daughter of Mrs. J. D. Everett of 49506 Oak street, Plymouth.

FT. POLK, Louisiana - Army Private Henry J. Walters, 20, son of Mr. and Mrs. Robert E. Walters, 1172 Pontiac Trail, completed nine weeks of advanced infantry training March 1 at Ft. Polk, Louisiana. His last week of training was spent in guerrilla warfare exercises.

During his guerrilla training, he

lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on "enemy" villages. He was taught methods of removing booby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-14 rifle, M-60 machine gun and the 3.5-inch rocket launcher.
