

New Planner Named Wixom Justice Resigns

While the single bid received for the road outfit contract was up two cents per foot over last year, discussion between McAtee and Councilman Gunnar Mettala brought out that road construction had reduced the surface area to be filled from more than 20,000 feet last year to the 14,200 up for bid this year.

The council indicated approval of contracting for garbage and trash pick-up services with the firm of G. R. Chapel and Sons of White Lake. Approval came following a report by DPW manager Robert Trombley that noted statements of satisfaction by other communities and agencies contracting with the Chapel firm.

The council listened to some criticism of Wixom ordinances governing building and development from Douglas Colwell, developer of Highgate on the Green subdivision.

Colwell's comments were directed at fees and charges imposed by ordinances that he contends might act as barriers to developers.

"If the intent is as the ordinance reads to defray costs of reviewing and recording plans, I think you will find that the fees will be far in excess of the costs," Colwell said.

He indicated that Dearborn and Southfield did impose such fees, implying that they were designed to act as a restrictive force. He said he thought time would prove the fees prohibitive to owners of smaller parcels who sought to subdivide into several lots, as well as to builders who would be attracted to Wixom in the immediate future.

Wixom city council filled a vacancy on the planning commission and accepted the resignation of the city's justice of peace during its regular meeting Tuesday night.

Elwood Grubb, Wixom postmaster and justice of the peace for the past four years tendered his resignation from the justice post effective June 30.

In his letter Grubb noted that this date would fulfill the term for which he was elected. Under provisions by the state to provide court service during reorganization of the lower courts, Grubb's elected term was extended to December 31.

In commenting to the council, Mayor Wesley McAtee said Grubb informed him that responsibilities of the postmaster's position led to his decision to resign.

An inquiry from Councilman Ray Lahti concerning the possibility of leaving the post open until court reorganization is completed by the state legislature brought a strong negative response from City Attorney Gene Schmelz.

Schmelz informed the council that Wixom police were issuing 60-70 citations per month and that to attempt to place the business of the city's court with a court in another community would not be in the best interest of the community.

Council action in accepting Grubb's resignation included an expression of thanks for services rendered by the city.

The council appointed James Lahti to fill a vacancy on the planning commission. Lahti, who lives at 2210 Orlando, is employed as a teacher in the Southfield school district. A resident of Wixom for the past three years, Lahti was appointed to fill a vacancy caused by the resignation of Lloyd Preston.

It was reported to council members that Lahti is following a program of study at the University of Michigan that leads to a masters degree in planning.

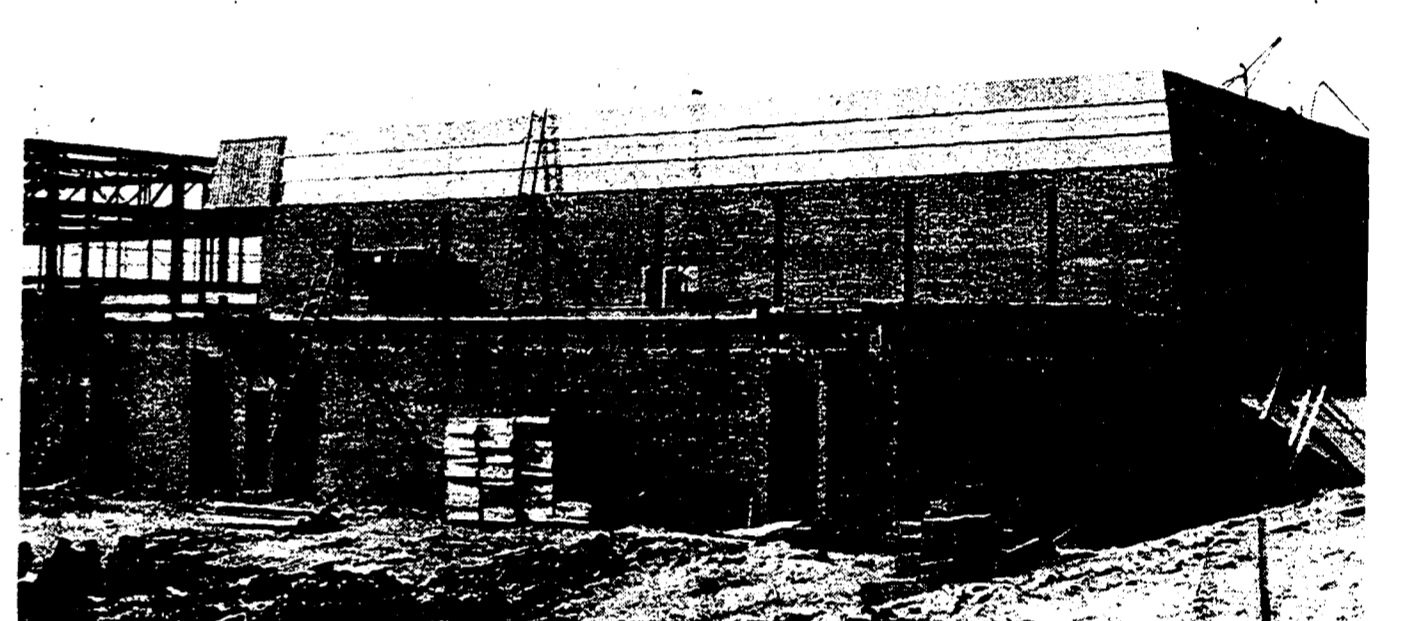

Opening of bids for construction of the DPW garage, was destroyed by fire last week, brought some questioning comments from Councilwoman Lottie Chambers concerning McAtee's procedures of asking for bids before council approved the projects.

McAtee explained that because the garage was destroyed during the construction would figure in planning for next year's budget, he had requested the bids in order to have firm and reliable estimated costs.

Chambers based her objection on a point of procedure, noting that bids for construction projects had not previously been requested before council approval of such projects. She said that such projects were far different from other bids opened during the evening that were concerned with necessary services such as road milling and garbage and trash service.

The mayor replied that requesting the bids first was not an extraordinary procedure and that it appeared to him that the \$3.75 spent for advertising for bids provided the most efficient means of obtaining cost estimates for an accurate base for budget planning.

He pointed out that the council was not being asked to approve a construction project but only to have the bids read. Councilman Charles McCall com-

NEW HIGH SCHOOL—Superstructure of the new Walled Lake high school, which will serve Wixom, is rapidly taking shape. Progress is rapidly taking shape. Progress is rapidly taking shape. Progress is rapidly taking shape. Progress is rapidly taking shape.

In Novi for Northville Developer Offers School Site

Another free school site is in the offing for the Northville school district.

That's the word from a Novi developer, who disclosed in a letter to the board of education that his firm's proposed subdivision on the north side of Nine Mile road, between Taft and Center street, calls for a 10-acre school site at no cost to the system.

If the free site becomes a reality, it will mark the second time in less than a year that a major developer within the Northville school district has "donated" a school site. The first—some 12 acres—is being turned over to the district by the Thompson-Brown company in development of property on the south side of Six Mile road, near Bradner road.

The latest offer comes from the West Ridge corporation and its principal officers, Marc Alan and William Rosnelly, developers also of the Novi subdivision on the west side of Novi road, just north of the Northville city limits.

According to Alan, the offer is "a firm one." It is based, he said, on the corporation's proposed plan of development of 143 acres—a proposal somewhat similar to the two unit development plans of Thompson-Brown in the city and the township of Northville.

West Ridge is seeking a hearing before the Novi planning board in an effort to gain approval for its preliminary plans.

In addition to the school site, the plan calls for park area of from 10 to 14 acres. The total development reportedly would consist of 550 units—a combination of single and multiple-family units.

School officials guess such a development would produce a school population of 478 youngsters. Total population was pegged at approximately 1,700.

According to Alan, the development will get underway next fall if plans are approved. Completion would require one mile in length, will cost a fortune, Sams reported. It was the only way to get to the landlocked parcel which the investors wish to develop as a trailer park.

Sams said if the 314 acres is eventually annexed, it will accommodate residential development of some kind. Multiple development might be considered next to the expressway, he added.

Many other details, besides annexation, remain to be worked out, he reported. There is the question whether or not present sewer lines and disposal plant are large enough to service what is now Lyon township property. If not, Sams said the possibility of financing plant expansion and such will have to be explored.

Annexation Still Sought

Plans for annexation of 314 acres of Lyon township property to the City of Wixom are moving ahead, although investors have yet to approve a new petition, a developer said this week.

"I haven't met with the investors," Carl Sams said, "but I'm going on the assumption they want to re-apply for annexation to Wixom."

Land being eyed for annexation and owned by some 10 investors is located north of expressway I-96, south of Pontiac Trail and adjoining the present city limits.

Original petition for annexation, submitted in January, was sent back to the investors for legal description clarification. "We are proceeding with drafting of a legal description," Sams said.

A survey of a proposed road, which will run over the property to be annexed, has been made, the developer said. It will provide access to a landlocked piece of city land designated for a trailer park.

The proposed road, approximately one mile in length, will cost a fortune, Sams reported. It was the only way to get to the landlocked parcel which the investors wish to develop as a trailer park.

Sams said if the 314 acres is eventually annexed, it will accommodate residential development of some kind. Multiple development might be considered next to the expressway, he added.

Many other details, besides annexation, remain to be worked out, he reported. There is the question whether or not present sewer lines and disposal plant are large enough to service what is now Lyon township property. If not, Sams said the possibility of financing plant expansion and such will have to be explored.

14 Seek Seats On Commission

Fourteen Novi residents have filed nominating petitions for the charter commission, Clerk Mrs. Mabel Ash revealed this week.

Names of these candidates will appear next to the May 20 city incorporation ballot.

The 14 candidates are:

William L. Dues, LaVerne DeWard, Edward Yabubosh, James Cheroff, Leo Yarrwood, Raymond Evans, Russell Burton, David Harrison, William Brinkner, Dorothy Farrah, Dennis Barry, J. F. Buck, Ed Presnell and Joseph Crupi.

STORM DAMAGE—Slashing rain and wind, whipped up by tornado-like clouds, swept across the community Tuesday afternoon. One pole of the 'victims' was this utility pole on 10 Mile road. See story on Page 5-A.

Cityhood Forum Why Incorporation?

EDITOR'S NOTE - Citizens of Novi with questions concerning the upcoming incorporation election may address their questions to the Novi Joycees, Novi, Michigan, and an attempt will be made to answer them in either this column or by return mail.

1. Q-What are the basic reasons why we should become a city?

A-The following reasons are compiled from information from Michigan Municipal League technical bulletins:

(A) Boundary protection. Cityhood would establish city limits and enable Novi to plan its future development without the constant threat of annexation by surrounding communities.

(B) Tax base protection. Cityhood would prevent large tax-paying industries from being annexed, such as happened with the Ford-Lincoln plant now within the city of Wixom.

(C) Simplification of government. Cityhood would abolish the two forms of government now in Novi and thus eliminate some duplicating functions.

(D) Modernization of government. Cityhood would provide Novi with an opportunity to update its form of government, if believed necessary, through the blue-printing of a new charter.

(E) Removal of partisan politics in local government. Cityhood would abolish the custom of political affiliation at the local level. Under a city, no person would have to commit himself to a particular political party in seeking office as happens now in township elections.

2. Q-I hear much about the people supporting cityhood for Novi. Who are the people who oppose it?

A. This question was before the public on two previous occasions, namely September 15, 1959 and March 12, 1962. At that time advertisements were placed in The Novi News by the West Shore Community Association and the Novi Civic Improvement association.

In recent years the cityhood movement has seen a good deal of legal activity. Although individuals participated in this opposition, the court fight has involved basically two parties: the pro-cityhood citizens committee and the opposing township board. Although the village council has participated in some of the past court battles, not all of its members (since the last election) favor incorporation at this time.

3. Q-What about roads in Novi?

In Daugherty, Oklahoma to Charles and Maude Merriam.

He and Lida Jane were married in February, 1921. She and their three daughters survive. They are Mrs. Frank (Margery) Eaton of West Palm Beach, Florida, Mrs. Cleon (Sally) Newton of Franklin, Ohio, and Mrs. Greig (Bettsie) Chapman of Belleville, Michigan.

Other survivors include a sister, Mrs. Floyd Selby of Sapulpa, Oklahoma; a brother, Arch, also of Oklahoma; 11 grandchildren and one great grandchild.

A resident of Northville since 1946, he lived with his wife at 18910 Beck road.

Mr. Merriam was re-elected supervisor in November of 1965, defeating his Democratic opponent Joseph "Pro-rill", by a vote of 784-495. Two years earlier, he was re-elected without opposition, and in 1963, after the then supervisor, George Clark, decided not to seek re-election, Mr. Merriam topped Democratic Nominee Arthur O'Leary, 600-226.

Prior to seeking the supervisor's position, Mr. Merriam served as township trustee for 12 years. Following his election in 1963 as supervisor, he retired as project engineer for the Wayne County Road commission, thus ending 40 years of service with the county. Upon retirement he was not being asked to approve a construction project but only to have the bids read. Councilman Charles McCall com-

Deadline Near For Petitions

As the deadline nears for candidates to file for the Novi board of education, only two persons have taken out petitions for four vacancies.

Two of the vacancies are due to expiring terms of Board President Arthur Restip and Secretary Russell Taylor. Two additional seats must be filled as a result of the district re-drawing status as a kindergarten through 12th grade system. This last stage of growth requires the district to elect a seven man board.

Of the four seats to be filled by the June 10th election, two are for three years and two are for four year terms.

Superintendent Thomas Dale's office reports that petitions have been taken out in the names of Laverne DeWard, 24395 Willow Lane, and Mrs. Dorothy Frank, 4650 Grand River.

Petitions must be completed and returned to the board of education office by May 10.

Missing Name

A "letter to the editor" appearing on page 8-B of this edition was written by G. G. Davis II, a student at Wooster college in Ohio and the son of Mr. and Mrs. William Davis of West Main street. The signature was inadvertently omitted.

It expresses the young man's reaction to an earlier letter written by Ervin A. Sedlow concerning the hiring of Negro teachers in Northville. The student is astounded by the thought that "pigmentation could be the criterion for hiring our educators".

Stroke Takes Life

Northville's Supervisor Dies

Northville township's supervisor, Robyn D. Merriam, who died late last week Wednesday afternoon, was buried at Glen Eden cemetery following funeral services at the First Presbyterian Church of Northville Saturday afternoon.

The township's 68-year-old chief executive suffered a cerebral vascular attack early Wednesday morning at his home and died later that afternoon without regaining consciousness at St. Mary hospital in Livonia.

He had worked Tuesday and attended a meeting of the Northville Area Economic Development corporation Tuesday night. Members reported he appeared well at the meeting and participated in the discussions.

Follow-up township officials reported he appeared "fit" during the day Tuesday but did not complain of being ill.

Mr. Merriam, who was serving his third term as Republican supervisor of the township, was born June 1, 1899

In Our Town

By JEAN DAY

SPRING VACATIONS took many residents south each to eight days, visit families and just relax in the sun. For the Rolf Batzer family of North Center street an Easter week trip to Hawaii was for a very special purpose - to attend the wedding of daughter Lisa.

Mr. and Mrs. Rolf Batzer with Lauri, Joan and John left for Honolulu on Good Friday. Lisa who had just finished her studies at Western already was there making plans for the ceremony at Prince of Peace church where she became the bride of Andrew Kincaid, who is based on the island but whose home is Aladena, California.

Lisa previously had been a summer session student in Hawaii, so this was the Batzers' fourth trip to the Pacific islands.

WASHINGTON, D.C., was the setting for the 73rd National Convention of the Children of the American Revolution last week. With a Midland delegation going by chartered bus were Mrs. George Merwin with daughters, Mini and Jack, Terry Lapham, Tom Jordan, Philip and Wendell Wegeng and Larry Willoughby from Plymouth.

The David Blary family, 4715 Doris-a court, returned Sunday from a two-week visit with Mr. Biely's brother, Richard, and his family at Cocoa Beach, Florida.

Also back Sunday were the James McCurdy's with daughters, Cindy, Carolyn and Jimmy who flew south to join Mrs. Wright's parents, the C. E. Bakers of Indiana, who were sojourning at Venice, Florida.

The Samuel McSevny's with Susan and Brian went "down one coast and up the other" as they toured Florida attractions, including Silver Springs, the Ringling Brothers circus museum at Sarasota, St. Augustine, Fort Lauderdale, Cypress Gardens and Cape Kennedy.

Mr. and Mrs. George Zeuner with Carol and Ken drove south on a two-week trip to visit Mrs. Zeuner's parents at Jupiter, Florida. Enroute home they passed other Northville residents, Mr. and Mrs. Barry Smith, who had been at Cape Coral.

JUDGE AND MRS. Phil Oglivie with Gary and Janet and the Joseph Petrows with their daughter, Mary, and her friend, Jane Jerome, spent five days at French Lick, Indiana. The Oglivies then took a sightseeing side trip to Lexington, Kentucky, returning through the Daniel Boone forest.

Monday night Mrs. Gail was hostess for The Robert Froelichs with Heldt, Sue and Bob drove to New York City and Connecticut, where they visited friends near Darien. Mr. Froelich attended the national convention of the Associated College Stores in New York City. Mrs. Froelich reports a highlight for her was a side trip to Strubridge Village and a stop overnight enroute east

South Lyon Hosts State Violet Show

More than 200 people from all over the state are expected to attend the Michigan State African Violet Society's ninth annual show in South Lyon this weekend at the Community Center, North Lafayette street.

The free show will open to the public from 7 to 8 p.m., Saturday, April 27, and from 12 noon to 5 p.m., Sunday, April 28.

Mrs. Edwin Aldrich, show chairman, said many exhibitors are already registered, several from Grand Rapids, Jenisonville, and of course, the South Lyon-Northville-Novl area as well as others.

Awards will be made in three categories: advanced, amateur and novice. "Merit judging" will be on leaf pattern or form, floriferousness; condition; size of bloom; and color, according to variety. Judging on African Violet arrangements is by design, color, combination, distinction and originality, relation to container, condition, and suitability of combination of all material.

A wide variety of awards and prizes, including some door prizes will be presented during the show, Mrs. Aldrich said.

General information clinics will be offered for the public. African Violet Society members will meet at 10:30 a.m. Saturday for a business session at the Community Center. A luncheon at Jimmy's Restaurant is planned just prior to the opening of the show.

Orchestra's Final Concert Set at Plymouth

The last regular concert of the Plymouth Symphony Orchestra's season will take place Sunday afternoon at the Plymouth high school, 650 Church street.

Starting time is 4 p.m. The program will include the Overture to the "Marriage of Figaro"; Concerto No. 2 for Piano & Orchestra (Geminus De, soloist); and Symphony No. 7 in C Major.

Sunday's soloist was born in California and received his early training there. His major training was in New York during five years of Juillard Fellowship study under Alexander Siloti (who was the teacher of Rachmaninoff). He has given concerts and recitals in the United States, Canada, and the Orient. He has had many radio appearances, including NBC network programs. While stationed in Japan, he had his own program on Radio Tokyo and record for Columbia.

Dexter joined the faculty of University of Michigan in 1949. He had been chairman of the piano department since 1951.

New York to Town Hall

Richard Adler Discusses Theatre

"Richard Adler is one of those people who makes things happen," said Miss Florence Panatoni, curriculum coordinator for the Northville school system, as she introduced the famous composer to the Northville Town Hall, Thursday.

Adler was brought up in a musical atmosphere. His father had the Broadway agent, Somerset Maugham, who after retiring from the concert stage established a summer music colony—using a converted barn for a studio. Famous people were a part of young Adler's environment. "Professor Albert Einstein," Adler recalled, "used to visit us, and play his violin while my father accompanied him at the piano." Another good friend was the renowned pianist, Somerset Maugham, who wrote "Of Human Bondage".

Adler graduated from the University of North Carolina, majoring in dramatic arts. In 1950 he began writing musical composition and lyrics professionally. Among his hits are the musical comedies, "Pajama Game" and "Damn Yankees".

Adler was astonished to receive a call from President Kennedy back in 1962 asking him to stage the Birthday Salute to be held in Madison Square Garden. This was to raise funds for the Democratic Party treasury. He told about Marilyn Monroe's appearance in a gown that Adler said was "fresh with sequins sewn on it." She sang, in her inimitable style, "Happy Birthday, Mr. President!" For the next six years, Mr. Adler staged inaugural parties and various gala White House events. He concluded, "And that, ladies, is how I got into government—staging what I call my Presidentials. President Johnson autographed a picture for me." To Richard Adler, the President's Impressario!

He now is back in the business he really loves—show business and the world of music and entertainment. He is working on a musical at the present time and expects to have it open on Broadway in October. The name of this comedy is "Mother's Kisses", which is about the problems of a 17 year old son and his relationship with his mother and severing the silverscreen. It has a song that Adler says is very, funny even though it's title is, "I Hate My Mother!"

By popular request, Adler sang a medley of his hit songs—"Whatever Lola Wants," "Rags to Riches," "Hey There," "Fernando's Highway," "Steam Heat," and "You've Got to Have Heart," and added his two well publicized advertising jingles, "Newport Filter Cigarettes," and "Let Hertz Put you in the Driver's Seat."

Later, following the luncheon at Meadowbrook Country club, a more serious Richard Adler answered questions about politics, civil rights, music and the modern generation. He proudly told of his two teenage sons who he has raised alone since the death of his wife.

Some of his observations were: "There is turbulence and unrest all over the world and Northville with its trees and grass and lovely landscapes can't be isolated from the problems that face us today."

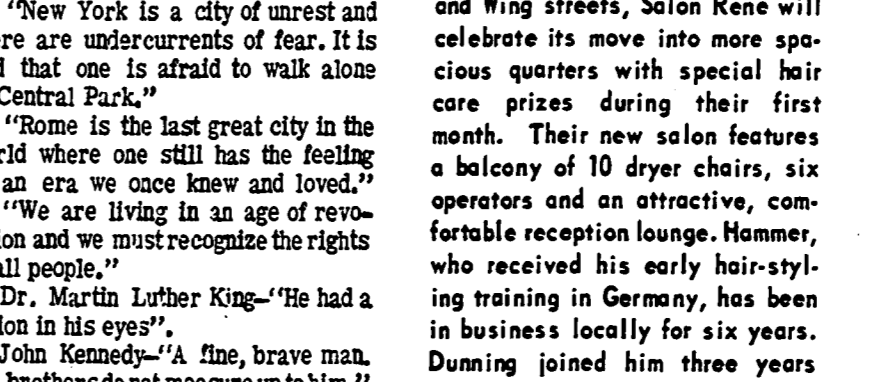

"New York is a city of unrest and there are undercurrents of fear. It is sad that one is afraid to walk alone in Central Park."

"Rome is the last great city in the world where one still has the feeling of an era we once knew and loved."

"We are living in an age of revolutionary change and we must recognize the rights of all people."

Dr. Martin Luther King—"He had a vision in his eyes", John Kennedy—"A fine, brave man. His brothers do not measure up to him."

Curriculum Study Set for Teachers

A curriculum development study session is planned for this Saturday in the Northville high school auditorium for all teachers in the district. The Saturday meeting will compensate for the teaching day lost during the teachers' strike at the beginning of the school year, according to Miss Flor-

ence Panattoni, curriculum coordinator. After coffee, teachers will be welcomed at 9 a.m. by Superintendent Raymond Spear. Miss Panattoni will discuss "The Why and How of Change." A video-tape presentation is to follow in "Into the Future With Our Changing Schools" with a panel discussion of reactions. Another video-tape presentation, "The Chemistry of Learning," also is scheduled. Small group meetings by teaching specialty and grade level are set for the afternoon.

VILLAGE OF NOVI NOTICE OF ENACTMENT Ordinance No. 46

TAKE NOTICE that on the 15th day of April, 1968, at a Regular Meeting of the Village Council, the 1965 Abbreviated Edition of the Fire Prevention Code prepared by the American Insurance Association, successor to the National Board of Fire Underwriters, was adopted by reference as the Fire Prevention Code of the Village of Novi.

The provisions of this Ordinance shall become effective immediately upon publication hereof.

Roy D. Harrison, President
Mabel Ash, Clerk

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Special Meeting of the Council of the Village of Novi will be held on

THURSDAY, MAY 9, 1968

at
8:00 P.M.

Eastern Standard Time, of said day, at the VILLAGE HALL, 25850 Novi Road, Novi, Michigan, for the purpose of holding a Public Hearing relative to the necessity of establishing a Special Assessment District to defray the cost of the construction of sewers and sewer laterals and water lines in that portion of Orchard Hills Subdivision not presently serviced with sewer and water; said subdivision located in the NE 1/4 of Section 26, T1N, R8E, Village of Novi, Oakland County, Michigan, at which time and place interested persons shall be heard.

Dated this 22nd day of April, 1968.

VILLAGE OF NOVI
Mabel Ash, Clerk

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Public Hearing on the Proposed Budget for the fiscal year July 1, 1968 to June 30, 1969, for the Village of Novi, Oakland County, Michigan, will be held on

WEDNESDAY, MAY 8, 1968

at 8:00 P.M.
at the Village Hall,

25850 Novi Road, Novi, Michigan.

A summary of the proposed budget is as follows:

ANTICIPATED REVENUES:	
Taxes	\$168,000.00

	\$493,440.00

NOTICE IS FURTHER GIVEN that a complete copy of the Proposed Budget will be on file for public inspection at the office of the Village Clerk at the Village Hall, 25850 Novi Road, during regular office hours, from May 1, 1968 to the date of this hearing.

Mabel Ash, Village Clerk

Municipal Court

Todd G. Van Avery, 42100 West 11 Mile road, Novi, charged by Northville police with permitting an unlicensed driver to operate a vehicle on March 9, in the area of the community building, pleaded innocent when arraigned on the charge March 13, and he was released on bond until trial. He was found guilty and drew a \$25 fine.

Robert D. Moore, 673 Randolph street, Northville, charged with being a disorderly person (drunk) March 10, pleaded guilty when arraigned March 11. He was sentenced to a \$50 fine and \$5 costs and 30 days confinement. Richard A. LaFontaine, East Windsor, Ontario, was arraigned April 11 on a charge of falsifying his age and attempting to purchase beer. The charge stemmed from a complaint brought by Joseph Nagy, proprietor of Joe's Little Bar, 157 East Main street. LaFontaine pleaded guilty. Sentenced to pay a \$50 fine and \$5 costs or spend 10 days in jail. LaFontaine was committed when the fine was not paid.

Alexander Strachen, 620 Horton street, was charged with being a drunk and disorderly person April 11 on Horton street on a complaint by Northville police. After pleading guilty at his arraignment April 12, Strachen was sentenced to pay a \$50 fine, \$5 costs and to spend 40 days in the Detroit House of Correction. If fine and costs are paid Strachen must serve 12 days, with the balance of jail suspended, and be on probation for one year. If fine and costs are not paid, the jail sentence is extended to 56 days.

Cancer Films Slated Tuesday

All women of the area are invited to see two films on breast cancer, "Breath of Fresh Air" and "A Habit for Life," to be shown without charge at the Penn theater in Plymouth at 1:30 p.m. Tuesday, April 30. Being shown by the Michigan Cancer foundation during April—designated as Cancer Control Month—the films stress the importance of early detection in the curability of cancer. Greatest stress is placed on breast cancer, which ranks first as a cancer killer of women, and uterine cancer, ranking second. Hostesses are branch chairmen of the foundation from Northville, South Lyon and Plymouth. They are Mrs. Edward Kelly, Northville, Mrs. James Lee, South Lyon, and Mrs. Lewis Dely, Plymouth. An area board member of the foundation is Mrs. Harry Smith, of Northville.

The color, sound movie is being presented during April through cooperation of theater managements and union locals.

KINDLY ASSIST—Dr. Georgine A. Moerke, retired principal medical technologist for Maybury Sanatorium who has battled some of her own serious illnesses in the

past year or two, received a kindly assist from Northville Joycees Saturday in cleaning up her yard lawns and flower gardens at Lake and Horton streets. It was the

Joycees way of saying thanks for Dr. Moerke's past service to mankind while demonstrating the club's participation in Northville's cleanup campaign.

For President Students Tap Tom Doyle

Thomas J. Doyle, a 19-year-old sophomore chemistry major who plans to transfer to the University of Michigan, was elected president of the Schoolcraft College Student Senate in balloting on April 2.

An honor student who has consistently made the dean's list and was an officer of Phi Theta Kappa, national scholastic honorary society for community colleges, Doyle lives in Taylor. He succeeds William J. Pfeiffer as Senate president.

Doyle defeated Ernest J. Allison of Plymouth, 258 to 138, in the contested race for Senate officers. Also elected in unopposed contests were Theodore C. Pfeiffer, Detroit, as vice-president; Angelina A. Antonelli, Livonia, secretary; and Alice Webster, Garden City, treasurer.

Pfeiffer is the brother of the outgoing Senate president, and recently succeeded his brother as president of the Schoolcraft Omicron Iota Chapter of Phi Theta Kappa.

SALUTE CHIEF—National VFW Commander-in-Chief Joseph A. Scerra (right, at mike), is welcomed to Northville by Ray Paquin, Post 4012 commander, during introductory ceremonies here Saturday morning. The post and its auxiliary hosted the top VFW dignitary and guests at a special breakfast program.

Elected from a field of five to fill four seats as Representatives on the Senate were Tina Pederson, Plymouth; Frederick Flynn, Detroit; Gary T. Greening, Livonia; and Ron Moscov, Livonia. Fifth candidate in the field was Mary Ann Loughman, Livonia. The new officers will serve a one-year term starting with the spring term, May 6.

Years 'Creep Up' For Centenarian

Because she is his only grandchild, Mrs. George White of Northville, her husband and two children, made a special trip to Millington to help her grandfather, Samuel Girard, celebrate his 100th birthday Sunday.

The open house Sunday was an informal celebration, Mrs. White says, because of her grandfather's failing health. He was able, however, to enjoy visits with many old friends who came for the day. He was born April 22, 1868, in Oswego, New York, and married Lillian Sharpe January 21, 1896, in Saginaw. At 91, Mrs. Girard still is in good health, Mrs. White reports, adding that the couple celebrated a 72nd wedding anniversary earlier this year. The couple lived in the Saginaw Bay area until 1964, moving then to Millington to live with a daughter, Mrs. Edith Hess, another daughter, Mrs. Clarence Sovey, lives in Saginaw.

The Girards have visited their granddaughter, her husband and their only great-grandchildren, David and Kathy, at their home here on North Center street. "When you have grown old gracefully, I guess 100 years sort of creep up on you sudden like," Girard commented as he entered his centennial year. He was the eldest child in a family of 13 and is the only survivor. His wife, who attended the last mother-daughter banquet at Northville Presbyterian church with Mrs. White, also is the only survivor of a family of eight. Mrs. White's grandfather always has been a horse-lover and recalls that when he was 15, his father gave

him his first team and that he had never been afraid of horses.

He tells the story of purchasing an old mare for \$25 because she was reputed to be the meanest horse in the area. The owner had locked her in her stall for six months as she kicked everything that crossed behind her. When he bought her, Girard recalled, he locked her in a barn, tied her down and washed her. "I soaked her and scraped her back. Then I gave her another dose, took her home and do you know, she wouldn't kick any more," he concluded, as he reminisced for a centennial story. On their Linwood, Michigan, farm the Girards raised horses, chickens and cows. Mrs. Girard said she tried to help with the milking until her husband informed her that she milked "too slow." Then she let him do it himself.

Storm Slaps Tree, Wires

Tuesday afternoon's brief storm caused a traffic stoppage on Ten Mile road in Novi as a telephone pole went down, and in Northville it necessitated a 15 and 20-minute delay in releasing Northville Junior and senior high school students, respectively, and stalled a tree at Grace and Maplewood streets.

The trees caused electrical back-out as it knocked down electrical wires. The fallen pole just west of Taft road draped guy wires from Detroit Edison power poles at car-top height across the roadway. Although an Edison crew promptly cleared wires from the pole, they left the telephone company pole over one traffic lane. The strike-bound Michigan Bell firm was contacted by Novi police, who remained at the scene directing traffic through the one open lane.

Hungry Thief Steals Watch

Thieves made off with a Northville family's keep-sake collection of old recordings and a man's wristwatch that had been a birthday present from his wife 25 years ago in one of two break-ins and entering cases last week.

Theft of about 40 older 78 rpm records and the watch occurred at the home of Cecil Taggart, 610 Oakland, between 2:45 and 11:30 p.m. last Thursday evening. The thief also eased his hunger, eating two sandwiches stored in the refrigerator.

In another entering case last Thursday night, someone entered the Jones Floral Shop at 417 Dubar street between 9:30 p.m. and 5:30 a.m. Friday. It appeared entry was gained through a broken window pane. About \$10 in change was taken from a cash register.

School Approves Building Leases

Renewal of leases to Schoolcraft college and The Cavern teen club for use of the former community building was approved Monday by the Northville board of education.

The leases extend to June of next year. Schoolcraft will pay \$350 per month for use of the gymnasium portion of the building, and the college will pay its own custodial services, with the Northville school system picking up heat and light costs. The Cavern will pay \$125 per month for use of the cafeteria side of the building, which members have completely redecorated and furnished at the club's expense, and it will pay \$20 for each dance that it holds in the gymnasium portion of the building. Club members also provide their own custodial services. The board also approved a resolution for an \$84,800 loan from the

State School Bond Loan Fund in accordance with its previous application. The money represents the difference between the district's 7-mill bonded indebtedness and the 9.7 mills the district would have had to levy to meet outstanding bond payments.

Plan Concert At Junior High

A spring band concert will be presented by the Ida B. Cooke junior high band and the Northville sixth grade band at 8 p.m. Tuesday, April 30, in the junior high gymnasium. Directed by George Berryman, the concert will include show tunes, marches, overtures and some popular pieces. There is no admission charge, but donations will be accepted at the door.

PREVIEW—In a special dress rehearsal, trained rats perform for Doug Slessor and Bob Ely as the critters get set for their public bow Friday at the Las Vegas party

in the VFW hall. It's part of a party night for adults, sponsored by the Junior Football association as a means of raising money for football uniforms.

Las Vegas Party Boosts Football

The Northville Junior Football association has captured the interest of about 155 boys in the 9-12 age brackets, ordered about \$5,000 worth of uniforms and equipment to launch the youngsters into a football program next fall, and is holding a Las Vegas party at the VFW Hall tomorrow night to raise money to help pay for the equipment.

The association made a big crack in that \$5,000 nut with the sale of Christmas trees last season. Now members are hoping to tap the gambling spirit of Northville sports, and their ladies, with an evening of party fun patterned after Nevada industry.

Two croqueters for the night, Bob Ely and Doug Slessor, will be mopping money rakes at the rat-race table. Both insist that, like all other games for the affair, the rat race is strictly on the up and up—that the rat training that has taken place in a garage on North Center street for the past month has been only to get the rats used to lights and people.

In any event, it's for a cause, and it will be the first event held in the newly-redecorated VFW Hall on South Main. It's described as a party for adults to have a good deal of fun while spending money to back a new program for Northville youngsters. It's scheduled to start at 8 p.m.

In Our Town

Continued from Page 2
cited a varied glass collection. Mrs. Wood also revealed that the white-shuttered yellow summerhouse behind the home was formerly a pig sty!

Members and guests heard a paper on Godey's Lady's Books presented by Mrs. George Miller, who owns several early copies. She related how the twice-yearly editions contained art lessons, recipes (for such items as lavender baskets) and health hints. Editorials took up such matters as the evil practice of wife-whipping.

Mrs. Miller and Mrs. Charles Ely, new president, will attend the national convention of the Quakers in Detroit May 1-2. Mrs. Robert Frootch and Mrs. Howard Meyer were appointed to head the arrangements for a Michigan Week historical display.

Wildcats Win Third Straight

The Novi Wildcats won their third baseball game in a row Monday night with a four-run surge in the seventh inning to take a come-from-behind win over Columbia Central.

The three wins, all over Lakeland C. Conference opponents makes it a notable season for the Wildcats as they play the first varsity baseball for their school.

A three-run double by Freshman Catcher Tom VanWagner after two were out in the seventh kept Novi hopes alive after Columbia Central built up a 4-1 lead.

Walks to Lee Snow and Steve Davey, followed by two outs, then another loaded the bases to set the stage for VanWagner. He drove the ball over the left fielder's head to clear the bases and pull the Wildcats into a tie. Garry Boyer then sent VanWagner across with the winning run with another two-base blow.

Fletcher Snow went all the way for the Wildcats, picking up his second win.

Col. Central 4 4 0 120010

The Novi High Wildcats won their second baseball game, taking an 8-2 win over Manchester on the Wildcats home grounds last Thursday afternoon. Coupled with the Wildcats' opening game win over Grass Lake, the two league wins by Novi's first varsity baseball team provided a measure of satisfaction for Wildcat followers, who were tormented by these same teams in basketball and football.

Lee Snow went all the way on the

Taylor's Back At Wolverine

Ted Taylor, the popular Ohio ragsman, is back at Wolverine Raceway after performing most of the winter at Florida's Pompano Park.

The 42-year-old Taylor, one of America's most popular and successful driver-trainers, is still pursuing a life-long ambition.

"One of these years I'd like to check in with 200 victories," he tells you with a smile.

Taylor got started on the right track last Saturday night when he won both features. He won the \$4,500 preferred trot with Sonny Fortune in Sonny's first start of 1968 and came right back with Sudan's Comet in the \$5,000 Open race.

Taylor thought he was on his way to his 200-victory season in 1967 but got caught in a November-December slowdown and wound up with 191 victories.

Although he had hoped the Wildcats would do better in a couple of the events, Hauer was far from disappointed, braced for Tuesday's contest with Columbia Central and tomorrow's battle here with Manchester.

The Friday meet will get underway at 4 p.m.

Grass Lake took advantage of its superiority in the running events and banked on its depth in the field category in putting together its relatively easy triumph.

Where Novi was able to grab some firsts in the field events, Grass Lake picked up the all-important first and second places thus collapsing the Wildcats advantage.

In all four of the events in which the Wildcats placed first, Jon VanWagner took the limelight. The high-flying junior won first in high jump, pole vault, and high hurdles and was a runner with Novi's first-place mile relay team.

His two firsts in the field events were not spectacular since he had not yet reached his peak. In high jump, he went 5' 7" and in the pole vault, 14 feet.

NOVI COMMUNITY SCHOOL DISTRICT OAKLAND COUNTY, MICHIGAN

NOTICE OF LAST DAY OF REGISTRATION

The Annual School Election is to be held in said school district on June 10, 1968.

THEREFORE, NOTICE IS HEREBY GIVEN, that Friday, **May 10, 1968**

up to 5:00 o'clock P.M., Eastern Standard Time, is the last day on which unregistered persons may register in order to be eligible to vote at said Annual Election.

Application for registration should be made to the Township Clerk at the Novi Township Hall. Applications will be received during regular office hours and also from 8:00 A.M. to 5:00 P.M. on Friday, May 10, 1968.

Persons already registered upon the registration books of the Township Clerk need not re-register.

G. Russell Taylor Secretary of the Board of Education

Dated: April 22, 1968

ground for Novi, holding Manchester to eight scattered hits and striking out eight. He had a contest until the Dutchman's mitering collapsed in the fifth and seven runs crossed the plate as 11 Wildcats went to bat.

Manchester scored one run in the first inning and held the lead until Novi tied it in the third. It stayed 1-1 until the big Novi fifth, when five walks and singles by Snow and Phil McMillan produced the seven Novi runs.

Coach John Osborn's squad takes on the Clinton Redskins today in another conference game that begins at 4 p.m. on Novi's diamond.

Novi Schedules 'Ruth' Tryouts

Tryouts for the Novi Babe Ruth baseball team will be held this Saturday at 2 p.m., and on Saturday, May 4 at the Novi high school.

Jeff Crawford and Bob Budlong, who are heading up the operation, said all boys who did not play on last year's team and would like to play must attend the tryouts.

Budlong said any boy who played last year and has his uniform should bring it with him Saturday.

For more information about the teams call 349-2712 or 455-1730.

Defeats Novi Thinclads, 81-37

Grass Lake's Too Powerful

"If we had met a weak opponent, I'd be disappointed. But Grass Lake was tough—probably the strongest in the league, so our boys didn't do too badly."

That's how Novi Track Coach Fred Hauer viewed his squad's 81-37 defeat at the hands of Grass Lake here last week.

Although he had hoped the Wildcats would do better in a couple of the events, Hauer was far from disappointed, braced for Tuesday's contest with Columbia Central and tomorrow's battle here with Manchester.

The Friday meet will get underway at 4 p.m.

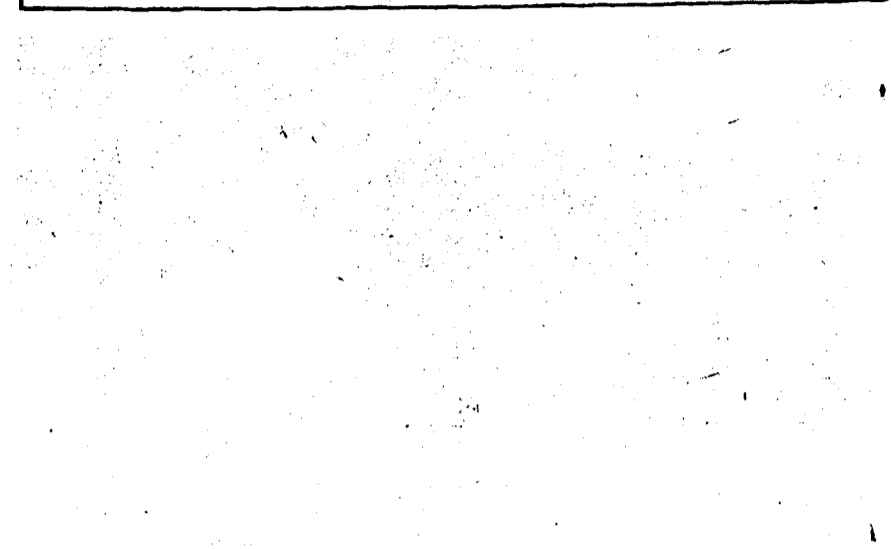

Grass Lake took advantage of its superiority in the running events and banked on its depth in the field category in putting together its relatively easy triumph.

For Mustangs' 4th Win Holdsworth Fires 2-Hitter, Fans 15

Northville's varsity nine dumped Brighton 10-3 Monday for its fourth straight victory without defeat this season.

Following league victories last week over Holly and West Bloomfield, the Mustangs are 3-0 in the Mustangs league and will play this afternoon for a game that will clearly establish the favorite for the championship.

It was Sophomore Fred Holdsworth who hurled for the Mustangs against the Bulldogs. The curveball specialist, who served up a string of stinging fast balls, went the seventh inning route in picking up his second win. He fanned 15 batters in the process.

Holdsworth's performance on the mound has been a highly pleasing development for the Mustangs' coach, Dick Willing. With Holdsworth and senior Bill Skelly boasting 2-0 records in early season performances, Willing feels that he has the nucleus for the mound corps he needs for the three-games-per-week part of the schedule that lies ahead.

Against Brighton the Mustangs picked up a run in the first inning, three in the third, and six in the sixth. The big sixth inning push came after Brighton made it a 4-3 ball game in their half of the sixth inning, taking advantage of three miscues in the field.

In the hitting department Randy Pohlman, Stan Nirider, and Bob Hubbert are emerging as a power trio. After four games Pohlman is hitting .308, Nirider .394, and Hubbert .400.

Hubbert and Pohlman each received credit for two runs batted in, as did shortstop Dennis Primeau.

In the pinch-hitting department, Barry Deal is two for three. He converted a single and scored a run in the big sixth inning that helped to make it a long ride home for Brighton.

Fleeting their hitting muscles Thursday afternoon, the Mustangs unleashed an 11-hit attack that staggered the West Bloomfield nine, 15-3.

The third-straight Northville victory was the best performance at the plate for the local nine, which had batted out only eight hits in the previous two games.

Northville's ace hurler, Bill Skelly, went the distance for the Mustangs Thursday afternoon.

The third-straight Northville victory was the best performance at the plate for the local nine, which had batted out only eight hits in the previous two games.

PERFECT SMILE—James Rozek's 300 game at Northville Lanes Monday night was worth \$100.

That's Angie Gadioli, proprietor, presenting the \$100 bill to Rozek

(right), while Charles Hook (left) is probably thinking about those 13 pins he left standing in a 287 effort.

First 300 Game Bowled at Angie's

The pins were falling like flies Monday night at Northville Lanes.

First James Rozek, a 180-average bowler from Livonia, rolled a perfect game, the first sanctioned 300-game ever bowled at the 28-year-old local alley.

Then Charles Hook of Northville tossed a 287 game to help his Northville Lumber company team to a 1104 game, a new record for a single team game. The Northville Lumber quintet racked up a high series of 2957 with

the following individual scores going along with Hook's 633 series: Buck Rubenbar, 634; Don Yerkes, 593; Bud Blake, 579; and Carl Dyar, 518.

Rozek's 300 game boosted him to a series of 688. It also bolstered his wallet by \$100. The money was presented to Rozek by Northville Lanes' Owner Angie Gadioli, who noted that area alleys usually award \$25 for perfect games. "But we've never had any so I increased the prize to \$100."

Also available during the April 27-September 8 season are Coho, Chino, and Kokanee.

Saturday also marks the opener for Muskegon, Northern Pike and Walleyes in trout lakes and streams. In non-trout lakes and streams, the opener for Muskegon and pike is May 27.

Only a month away is the black bass opener—on May 30. Bass fishing in Lake St. Clair doesn't begin until June 15.

Pan Fish—including bluegill, sunfish, crappie, rock bass, and perch—may be taken any time in all waters but trout lakes and streams. And they may be taken in the latter waters beginning Saturday through September 8.

Trout and salmon fishermen are reminded that they need both the regular \$3 resident license plus the \$2 trout and salmon stamp.

Another Ace At Bob-O-Link

With the season just getting underway it appears that the 11th hole on the north course at Bob-O-Link has something special about it this year.

The second hole-in-one of the season was scored on the 145-yard 11th last Monday afternoon.

Edward Nithe, 25687 Monroe, Novi made it in one stroke Monday, duplicating an achievement of Peter Tabara of Detroit on April 7.

Applications are being accepted for the Northville Junior Rifle Club's next series of classes slated to get underway next week Thursday. Classes are open to all boys and girls ages 10 to 18.

Persons interested in participating in these classes are asked to call Prom, 349-2287. Adults interested in coaching or managing summer baseball teams also are urged to contact the director.

An orientation meeting is slated Saturday morning for Class F evening baseball and morning knothole baseball hopefuls, according to Prom.

Youngsters are asked to report to the large baseball diamond in Cass Benton Park beginning at 9 a.m.

Here is the age qualification for boys 10 years old before September 1, 1968 and who will not have reached their 14th birthday before September 1, 1968.

for a triumph. Actually, Northville iced the game in the first inning, pushing four runs across the plate on only one hit as the starting and losing hurler, Fukes got off to a shaky start. He was lifted in the fourth with the bases loaded when Primeau stepped into the batter's box.

Best hitting performance of the game was turned in by Stan Nirider who collected three hits in three trips to the plate. Bob Hubbert and Randy Pohlman each picked up two hits.

One of the 11 Mustang hits was a pinch hit triple by Barry Deal.

Big gun of Thursday's defeat of the Lakers at Keego Har'or was Dennis Primeau, shortstop, who blasted a grand-slam homer over the left-field fence in the top of the fourth.

It was only Primeau's second hit of the season. His first also was a four-bagger.

He took two balls before the Lakers' hurler "put one down the pipe"—just right for the shortstop's big bat. The smash all but ended the Lakers' hopes.

Golf Squad Defeats Holly

Golf Coach Al Jones and his covey of linksters prefer to forget Monday's opener and look ahead instead to tomorrow's match at Milford.

Despite the 186 to 220 win over Holly at Meadowbrook Monday, neither coach nor players were satisfied. In fact, says Jones, "we looked pretty bad."

Jones' two key players, Tom Fagan and Billie Thomas, who were expected to lead Northville's delegation, found themselves behind Dan Condon, a transfer student who only recently took up the game. Condon, a junior, carded the lowest score of the afternoon—a 44.

Tomorrow's match with Milford isn't expected to be an easy one. Milford, Bloomfield Hills and last year's Wayne-Oakland League champs, the Bulldogs of Brighton, share the favorite roles in competition this year.

Other players for Northville include Jim Penrod, Jerry Asher (the only Mustang senior), John Eberhart, Kenny Neisich, and Jack Jones.

Jones expressed the school's appreciation to Meadowbrook, Brae Burn and Brookline for permission to use their facilities.

A Bird in Hand

The hands are gentle and deft... the bird-landing process painless and quick. Soon the bird will fly off, safe and unharmed, unaware that it has become another link in the chain of research concerning the migratory habits of birds.

Our feathered friend has no interest in the fact that his experience ultimately will help chart the flight lines of all migrant birds. With heart beating wildly in its soft, downy throat, it longs only to be free.

Sometimes people are like that bird. Caught in circumstances beyond our control, we flail and thrash about. Fear and doubt overwhelm us and we fail to realize and acknowledge the loving arm of God that is present and sustaining in every situation.

Place your faith and trust in God and His Church. In times of need, strength and help are yours for the asking.

Orchard Hills Baptist Church To Sponsor A Crusade

The Orchard Hills Baptist church, Northville, will be engaged in a New Life Crusade beginning Sunday morning, May 5. The time will be 7:15 evening throughout the week.

Rev. Jay Dannelley, Sr. will be the special speaker. Mr. Dannelley of Midland is presently serving as superintendent of missions in the Midland area. Mr. Dannelley's son, Jay, Jr., will be presenting the message on Saturday evening, May 4 at the Orchard Hills Baptist church observes Youth Night. Refreshments will be served following the messages.

Special music and congregational singing will be under the auspices of Mr. Bill Valade, music director of Orchard Hills. The church's organist, Ken Scheuer and the pianist, Mrs. Bill Valade will be at the instruments. Nursery facilities will be provided for every service.

Everyone is welcome to attend this New Life Crusade at the Orchard Hills Baptist church on Novi road between Nine and Ten Mile roads, according to the pastor, Fred Trachsel.

Rev. Jay Dannelley, Sr.

You'll buy a new furnace maybe once in your life. Here's how to do it right.

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable.

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

Backed by UAW College Offers Labor Study

A college level program in labor studies leading to an associate degree will be offered for the first time at Schoolcraft college this fall, it has been announced by the vice-president for instruction, John H. Brian.

Approved by the college board of trustees, the curriculum is intended primarily as a non-accrual-career program and is arranged over a four-year period to accommodate part-time students.

The program was developed with the assistance of a five-member advisory committee that included Carroll M. Hutton, director of education for the United Auto Workers, and three members of the UAW education department: William Hardy, Al Albert, and Paula Paley. Dr. Larry Rogin, professor of labor studies at American University, Washington, D.C., was the fifth member of the committee.

The new program, believed to be unique at the community college level, has been endorsed by Walter P. Reuther, UAW president, and by Leonard Woodcock, UAW vice-president who is also an elected member of the Wayne State university board of governors.

Reuther hailed the long-range goals of the program as "nothing less than a new era in the relations among labor, management and the communities that nurture them."

"This is a program to add new dimensions to the historic contributions of the American labor movement to American society. It will enable workers to extend their horizons to the wider boundaries of a metropolitan, complex civilization, to apply a rounded view to the solving of the many problems they face both as participants in a technological revolution, and as concerned citizens in a changing world."

Initiation Set At Legion Hall

Joint ceremonies for the initiation of new American Legion (Post 147) members and auxiliary members will be conducted here Saturday evening. The program will get underway at 7:30 p.m. in the Legion hall. Members, particularly new ones, are urged to attend.

Specifically, male members of the post and new auxiliary and junior auxiliary members are involved. Initiation of the post members will be performed by a team of past commanders of the post.

Following the ceremonies refreshments will be served.

Speeder Jailed By Novi JP

A high-speed chase by Novi police early Friday morning terminated with a Novi man pleading guilty in justice court to driving while his license was suspended and facing examination on charges of fleeing from a police officer.

The arrest of Kenneth P. Little, 21, of 303 Duana, Novi, stemmed from a drag racing incident on Novi road. Cruising southbound on Novi road about 1 a.m. Friday, Patrolman James Gross observed what appeared to be two off-bound cars lining up as though to race. As the police car neared the vehicles, one accelerated while the other slowed. Gross pursued the fleeing car at over 100 MPH.

The other car and driver escaped, Little was taken into custody, after objecting to arrest, when police caught up with him at 303 Duana, near 13 Mile road.

Arraigned on the driving charge Friday morning, Little pleaded guilty and was sentenced by Justice Emery Jacques to pay a \$50 fine, \$10 costs and to spend three days in jail. Little stood mute to the charge of fleeing from a police officer. A plea of innocent was entered by the court. Examination on the charge will be held today in Novi justice court.

Homeowners Elect Seven

Seven persons were elected Friday to the board of directors of the recently organized Northville Civic association.

Holding two-year terms will be Paul Varson, John Bock, Art Adams and Pete Voigt. Elected to one year terms were Bill Johnson, Al Pfeiffer and Dolores Prom.

The election meeting was held at Amerman school.

Election of the new executive board was in keeping with the association's newly changed by-laws. Quarterly general business meetings were another change effected by the membership in place of an annual meeting of the general membership.

A third item of business receiving the membership's attention was the ratification of the association's proposal for the city well site property. It is to be presented to the council upon final drafting by the association's attorney, Rodney Kroft.

County Denies Budget Hearing

Another Supervisor, Alexander Perinoff of Southfield, asked the board to recognize the spokesman "... in fairness, and in support of our beliefs in democratic practices." A voice vote again failed to get permission.

In a recent letter to the board of supervisors, Glenn Swindler, president of the taxpayer group, stated, "It is neither fair nor ethical to drain money out of the 15-mile property tax for capital programs without submitting those capital programs to the voters for approval. If he continued, 'you Supervisors can't sell airports and buildings to the people, then you shouldn't expect the people to pay for them.'"

Swindler said his group is asking that the 1969 budget be adjusted to include as revenue the "almost \$2 million surplus." The group also requested that the State Income rebate for 1968 either be included as revenue or allocated to the Road Commission for use on county roads.

The next step, said Swindler, is to find out "what rights citizens have to be heard by the Tax Allocation Board." This committee will study the budget between now and the end of June.

To speak or not to speak. That was the question at the April 15th meeting of the Oakland County Board of Supervisors. And it wasn't a 500 question, either. It was a \$1.8 million question about county surplus funds.

The Oakland County Homeowners and Taxpayers association wanted to ask the board of supervisors where that surplus figure is shown in the county's tentative budget and, "And, if not in the budget," they asked, "where is this money?"

On April 9 the group was denied a public hearing on the tentative budget when county legal advisors ruled that a hearing is unnecessary until a final budget is adopted in the fall. Monte Gerald of Madison Heights then suggested that the board allow a representative of the group to speak to the board at its next meeting, when the tentative budget would be presented.

Vance C. Fouts, Hazel Park city manager, cast the one dissenting vote. In spite of a plea from Mrs. Marguerite Simson of Pontiac, the group's spokesman was not allowed to be recognized. She said that "... this is a democracy—word that comes from the Greek 'demos' meaning 'people,' and these people should be heard."

Tuesday—chili, bread and butter or meat sandwich, relishes, peach pudding cake, milk.

Wednesday—potato salad, ham slice, tomato on lettuce, rolls and butter, plum bar, milk.

Thursday—Swedish meat balls and gravy, mashed potatoes, corn, rolls and butter, applesauce and cookie, milk.

Friday—tuna noodle casserole, banana, apple, lettuce salad, bread and butter, cherry cobbler, milk.

Soup menu course alternates are: Monday, mushroom and dice potato; Tuesday, bean; Wednesday, beef vegetable; Thursday, chicken noodle; Friday, vegetarian.

NOVI HIGHLIGHTS

Mrs. H. D. Henderson - FI-9-2428

Mr. and Mrs. Arthur Antilla of Republic in the Upper Peninsula are visiting their daughters and families, Mr. and Mrs. Robert Erwin and children and Mr. and Mrs. Peter Gatter and children.

Mrs. Ada Schulte, while on her way to visit her niece, Erma Palmer in Humboldt, Tennessee, met with a fatal automobile accident just thirty-five miles from Humboldt. Mrs. Schulte, who was the sister of Arnon Barton of Ten Mile had been teaching school on Duck Lake road since September. She was taken back to her birthplace at Overland, Missouri for interment.

Returning Sunday night from a winter at Bradenton, Florida were Mr. and Mrs. Russell Race of Twelve Mile road. Their son and daughter-in-law, Mr. and Mrs. Gerald Race and sons, Ronald and Gerald Jr., flew down to spend Easter with their parents and they all came back to Michigan together.

Cathy, seven-month old daughter of Mr. and Mrs. Tony Olivich, Jr., of Novi road, underwent major surgery on Monday. She is on the critical list for the next few days.

Tim and Tom Bell came back home on Tuesday by plane after spending ten days with their grandparents, Mr. and Mrs. Charles Trickey Sr., in Florida.

Mr. and Mrs. Charles Trickey Sr. are driving back to Michigan this week. For the past six months they have been at Dunedin, Florida.

Mr. and Mrs. Lawrence Boyd Sr. went to Ann Arbor on Sunday to help celebrate the birthday of their granddaughter, Kate Marie, daughter of Mr. and Mrs. Lawrence Boyd Jr. Kate Marie is the first girl in the family for 37 years. Others present for the occasion were grandparents, Mr. and Mrs. Marvin Harnden, and great-grandmother, Mrs. Etta Harnden.

The Lawrence Boyds received word from Arizona that their son William has taken a job for the summer as attorney for the Supreme Court judge of Oregon.

Mr. and Mrs. Donald Tuck and daughter Lori and son Dennis and Diana Denmore spent the weekend camped at Proulx Lake.

Friday of Garland Killen will be from his home to the Veterans Hospital, Ann Arbor.

On Saturday, Mr. and Mrs. Harold Sigbee and their children, Mr. and Mrs. Robert Starr of Southfield visited the Novi Boy Scouts at the Holly Recreation area. Mr. Sigbee was presented with a pair of binoculars by the scouts for his work with the scouts in Michigan.

Mr. and Mrs. Louis Clarke returned last Thursday from a week of vacation in Kentucky. They made the trip down with friends and visited friends and relatives while there.

Mr. and Mrs. Jene Van Stickle and son Tommy and daughter, Mary Lynn spent ten days in Rio Hondo, Texas, where they visited Mrs. Van Stickle's brother, James Munro and family.

Visiting last week at the home of Mr. and Mrs. Brent Munro were the latter's sister and her husband, Mr. and Mrs. Paul Wolters of Renton, Illinois.

Mr. and Mrs. Lawrence Smith and family spent the weekend at their cottage at Lake Agnes near Lake Huron.

Mr. and Mrs. Floyd Darling made a trip to Mt. Pleasant on Sunday to visit the former's brother and his wife, Mr. and Mrs. Harold Darling.

Rev. and Mrs. John J. Fricke were the guests of honor at a housewarming at their new home in Echo Valley Friday evening, April 19. Under the auspices of Mrs. Jewell Radcliffe and Mrs. Wilma Young invitations were sent to all the members of the church. The end result was that 84 guests were present at the party.

Mr. and Mrs. Errol Myers have been entertaining for the past week the latter's sister and her brother-in-law, Mr. and Mrs. Wilfred Clark of their granddaughter, Susan Guttas of Mundelein, Illinois.

For the Easter weekend, Mr. and Mrs. Robert Wilkins and family visited their parents, Mr. and Mrs. W. E. Wilkins and Mr. and Mrs. G. A. Sieg at Pittsburgh, Pennsylvania. While there Mrs. Wilkins and her mother and a friend, visited the glass factory at Morgantown, West Virginia.

They are crossing a Parent-Youth dinner and program for Sunday evening, May 5.

Tuesday, April 30 the Willowbrook-Novi Methodist church merger study group will meet at the Novi Methodist church at 8 p.m.

Adult choir rehearsal as usual will be held on Wednesday evenings at 8 p.m. Novi Methodist church.

Sunday evening members of the church and the choir attended a sing-along at South Lyon Presbyterian church.

Mission Commission meeting at the church Monday evening at 7 p.m. Education Commission at 8 p.m. the same evening.

Wednesday at 7:30 choir rehearsal. Thursday night a church workshop for commission chairman, superintendents, workers with adults, youth and children will be held at 7:30. Rev. Mitchell will be one of the leaders.

Confirmation class Saturday at 10 a.m. Sunday April 28 ushers will be Jim and Nancy Rogers.

Novi Chapter 47, Blue Star Mothers will meet at 1:30 several will have charge of services at Whitehall.

Monday April 15 a Stanley Party was held at the home of Dorothy Scheindler. Approximately 225 from the party will go to the camp Sunday.

April 30 at 6 p.m. Novi Methodists will be hosts to the E.U.B. Willowbrook for a merger study meeting.

HOLY CROSS EPISCOPAL CHURCH will be celebrating the 100th anniversary of church services this past Sunday. Missed were those of town and those who played with the flu.

Every effort was made to contact the youth group to tell them the meeting for Thursday, April 25 was canceled. The meeting will be held Sunday April 28 at St. Martha Church in Detroit. All who would like to furnish transportation meet at the church at 6:30 p.m., especially those who have station wagons. It was just a short while ago that St. Martha church, 15801 Joy road was a small mission church like Novi. It will be interesting to those who attend to see what a few years can do in building up a church.

Prayers were said for Mr. and Mrs. Lee Atkins who were united in Holy Matrimony at Novi Holy Cross Mission church Saturday, April 20.

On Monday, April 22, eleven women from Holy Cross attended the Trinity church in Farmington for the Grand River Convocation annual meeting. Rev. John Fricke, who is the dean, gave an informal talk during the session. It was thought provoking and gave rise to many questions and answers. Mr. Kaye Patton presided as president, then retired after a very successful year, turned the gavel over to Mrs. Ruby Comfort of St. James church in Birmingham.

Mr. Bob Huber met with the Acolytes on Tuesday April 23 at 7:30 p.m. at the church for a practice and teaching session. All boys and young men of the church were invited to attend this meeting.

Please continue to give Betty Crocker coupons and stamps to Mrs. Irene Price. Hope to have the kitchen outfit soon.

Next big event for the adults of the church and their friends will be a square dance at the Novi Community hall May 3. Contact committee for tickets.

FIRST BAPTIST CHURCH OF NOVI

Friday, April 26 at 7:30 p.m. a delegation will be attending the Highland Park Baptist church, Southfield, Michigan to observe the graduation of Mr. and Mrs. John Maxwell, missionary interns. Over 100 interns will be graduating each wearing the different costume of the country where they will be going for missionary service.

Rev. Fred Renick from Missionary Internship in Farmington will bring the message of the evening.

Saturday, April 27 at 5:30 p.m. the bowling league will meet for their last night of bowling at Farmington Lanes. Also some of the young people will be attending the YCY in Detroit to hear Jim Ditraddo. The Sunday school contest "April Advance" is in full swing. Team 1 has 287,200 points. Individuals in each department are working hard for the special camp prize.

Sunday April 28 at 9:45 a.m. Mr. Felix Lorenz the "Gospel Magician" will again present a program at the opening assembly of Sunday school. At 11:00 a.m. worship service Pastor Clark will speak on the subject "Our Heritage". The training union meets at 6:00 p.m. with session for ages six through adults. The Jet Cadets topic is "Happiness Highway". The adult group is studying "Major Bible Themes". At the 7:00 p.m. service Pastor Clark will bring the message from Revelation Chapter 9. Special music will be provided by Mrs. Charlene French, vocal solo, and a tenor sax instrumental number by Steve Lorenz accompanied by Miss Sue Pressnell on the organ.

Registration for Camp Barakel and Camp Hiawatha are still being accepted at the church office. Word was received from Camp Barakel Monday saying there are still a few openings for the junior week and the junior high week.

Tuesday April 30 at 9:45 a.m. the ladies of the church will meet in Flint Hall for a day of sewing for a Missionary doctor in Africa. Men's used

white shirts will be made into hospital gowns, men's old argyl socks will be made into baby shirts. Baby gowns will be made from flannel material and bandages from used sheets.

Tragic news was received this past Monday from the Gerald Reimers in Austria, a missionary couple serving under Greater Europe Mission. They were in Novi church a few weeks ago before sailing for Austria. Their four year old son Myron was killed when he ran out of the church right into the car and died almost immediately. Prayer is requested for the family.

NOVI REBEKAH LODGE

Six Novi Rebekahs attended the visitation at Brighton last Tuesday evening. Full degree team practice is scheduled for Thursday, May 2 at the hall. Don't forget the rummage sale sponsored by the Rebekahs Friday, May 3 from 9 a.m. to 4 p.m. They will have a bake sale and lunch will be served.

NOVI BLUE STAR MOTHERS

Novi Chapter 47, Blue Star Mothers will meet at 1:30 several will have charge of services at Whitehall.

Monday April 15 a Stanley Party was held at the home of Dorothy Scheindler. Approximately 225 from the party will go to the camp Sunday.

A coffee hour will follow the concert. Tickets are available from the bandmen at the door.

NEWS ITEM

Mr. and Mrs. James Little and daughter, Laura left last Monday for a week of vacation in the upper peninsula. They took their trailer up and left it on their property at Manistique for the summer months. From there they went small fishing with good success. Later in the week they visited Mr. Little's father, James Little Sr. at Iron Mountain.

NOVI BOY SCOUTS

Novi Boy Scout Troop #54 had a campout at the Holly Recreation area this past weekend. The big feat of the weekend was the 22 mile Wilderness Trail hike which they made in 10 hours. Leaving at 7:30 a.m. and returning at 5:30 p.m. Awards were given to the scouts by the Wilderness Trail Committee which were neckerchiefs and medals. The adults were William Balko, Robert Wilkins, Fred Goertitz and Robert Robertson. The scouts were: Tom Wilkins, Doug Balko, Robert Brown, Rick Gault, Dave Bumann, Mark Bumann, Butch Meyers, Tom Meyers, Bob Robertson, Tim Skelits, Jim Skelits, Ron Buck, Charles Howison, Steve Bell, Joe Laub, Sean O'Brien, Dave Winkler, Stefan Wratthill and Ron Frisbie and Jeff Pelchat.

Spring Forensics Turn to Regional

Northville high school was to be represented in five categories at the Regional Spring Forensics Contest Tuesday at Ypsilanti.

Northville garnered entries to the Regional Contest with first places in multiple reading and humorous reading; and with second places in Declamations, Girls' Extemporaneous Speaking, and Girls' Oratorical Speaking.

Seniors Diane Holdsworth and Jan Brown finished second in the Girls' Extemp and Girls' Oratory Contests respectively.

According to Mrs. Frances Chambers and Miss Barbara Le Bouef, teachers in charge of the NHS contestants, "All Northville students made the final rounds in Ypsilanti."

Other NHS contestants included Scott Berge and David Kenger. Serious debaters were Scott Berge and Bill Yerkes. Radio; Carol Rathert, Declamations; Stacey Evans, Girls' Oratory; Virginia Round, Girls' Extemp; Terry Fraser and Joe Hines, Boys' Extemp; and Bob Shaler, Humorous Reading.

According to Miss Le Bouef, "Both Mrs. Chambers and I have enjoyed our first year in Forensics. We were pleased with the results, but we're not so pleased that we haven't voted to win more places next year."

"It's a tremendous experience for the students involved, and we were delighted to see that such a great number participated."

Miss Le Bouef also commented on the spring forensics contest as a whole: "Although the results aren't always agreeable to us, the contest itself motivates a student toward a goal. Even if one has not made it to the top of the ladder, he should realize that he's certainly worked his way upward."

In the political-security committee, questions such as the admissions of Red China, Germany and Nepal, and the problem of arms control and disarmament were debated.

Mike Conley, a senior in his third year in United Nations study, was the Uganda representative on this committee.

Delegation Chairman Leo Cherne, also a senior and on his third year, was on the special political committee where the topics for debate were the Vietnamese War, the Arab-Israeli War, Cyprus, and aspects of national sovereignty.

Scott Berge, who has had two years of U.N. study and is also a senior, was on the social-economic committee, where U.N. finances including the regular budget and peace-keeping funds and economic programs; such as population, world trade unions, and further assistance to developing nations were discussed.

Mike Beard, a rookie freshman, was the representative on the colonial-humanitarian committee. The questions which appeared before his committee were the problems of racial governments of such areas as the Republic of South Africa, Southern Rhodesia, Angola, and Mozambique.

Early last Wednesday, April 17, Mike, Leo and Mike Beard drove to Washington in order to do some sight seeing in the Nations capitol during Thursday when Scott arrived.

Friday afternoon was spent talking to the Ambassador of Uganda and preliminary meetings.

Saturday morning the General Assembly was called to order in what Leo Cherne called, "The greatest collection of students dealing with the great conflicts of man - hatred, friendship, violence and benevolence."

During most of Saturday the group

RIGHT IN STEP with the theme of the upcoming P-TA fair, these two youngsters, Mary Westervelt, 5, and Joe Beltz, 6, are churning up some advance publicity for the fun and adventure slated for next month.

Cavern Spotlights The Blue Magoos

"We're anticipating it as the biggest bash to ever hit the Northville area," stated a Cavern official, referring to Friday night's Cavern headlining The Blues Magoos, backed by Poor Richard's Almanac and The Stuart Avery Assemblage.

The Blues Magoos are making their only Detroit Area appearance in nearly a year.

The Magoos are renowned nationally for single hits including "Pipe Dream," "We Ain't Got Nuthin' Yet," and "Tobacco Road."

The Detroit group also has two record albums to its credit titled "Psychedelic Lollipop" and "Electric Comic Book."

Aside from hosting a nationally exposed group, The Cavern features two popular bands to back up The Blues Magoos.

Poor Richard's Almanac is a group from the Detroit area which has performed at The Cavern in the past, and enjoys popularity at The Fifth Dimension and The Grande Ballroom.

From the Birmingham and Southfield area comes The Stuart Avery Assemblage to once again play at The Cavern. The Assemblage has also performed at The Fifth Dimension and The Grande Ballroom.

Admission to Friday night's special bash is \$2 for members, \$2.75 for Northville teens without a Cavern membership, and \$3.25 for Cavern patrons residing out of town.

According to Director Mr. Donald Valentine and Student-Director Penny Anchors, "Mr. Roy Pederson, the art teacher, and many students gave up parts of their vacation to work on set construction and rehearsals."

The major portion of construction work was made up of platforms, a bedroom set, and a big Telephone Hour set.

Mr. Valentine defines the Telephone Hour set as "A set made up of compartments for each actor to simulate teenagers talking to one another from their separate bedrooms."

The performance for "Bye Bye Birdie" is currently scheduled for May 18.

In Washington, D.C. Students Attend Assembly

During the past weekend four Northville high school students attended the National Invitational Model General Assembly on the Georgetown University Campus in Washington, D.C.

Leo P. Cherne, Mike K. Conley, Mike Beard, and Scott F. Berge represented the delegation of Uganda in the program which included many other students from across the United States, Mexico and from Puerto Rico.

Due to late communications, Gary Becker, J. David Kenger, and Robert Shaler were unable to attend.

Upon being asked how the model general assembly operated, the group explained, "The MGA was, of course, only a replica of the operations of the real United Nations. We find what the problems are, we understand their meanings, and we find how they are to be solved."

"Because of the great number of people and ideas that are in conflict, preliminary meetings are held so that unwanted draft resolutions can be removed. From the preliminary meetings the resolutions which were accepted in committee go to the general assembly floor, where debating and voting is held."

NIMGA representatives were sponsored by the Northville Rotary club.

Individual prizes are \$5, \$3 and \$1.

According to Assistant Principal Richard Norton, "Trips for the show were held Monday and Tuesday to eliminate some kids who aren't so good, so the better ones will be in the show."

Mr. Norton also points out that this is the first time a contest of this type has been launched at the JH level, and that it's being spearheaded by Mrs. Susan Sysma.

"It may be the last time," he speculated, "but I don't know. We'll have to wait and see how it works out."

"The enthusiasm is great. The kids are really up in the air about it, but I'm not sure how many are entering."

Mr. Norton hinted that some teachers may enter, but he added that "they may just be fooling around though."

Students Prep For Musical

Stage construction for Northville high school's production of the Broadway musical, "Bye Bye Birdie," has been going strong this past Easter vacation.

According to Director Mr. Donald Valentine and Student-Director Penny Anchors, "Mr. Roy Pederson, the art teacher, and many students gave up parts of their vacation to work on set construction and rehearsals."

The major portion of construction work was made up of platforms, a bedroom set, and a big Telephone Hour set.

Mr. Valentine defines the Telephone Hour set as "A set made up of compartments for each actor to simulate teenagers talking to one another from their separate bedrooms."

The performance for "Bye Bye Birdie" is currently scheduled for May 18.

Admission to Friday night's special bash is \$2 for members, \$2.75 for Northville teens without a Cavern membership, and \$3.25 for Cavern patrons residing out of town.

Kent Park Birthday Near

In just a few weeks - Memorial Day of 1968 - Kensington Metropolitan Park near New Hudson will mark the 20th Anniversary of its opening to the public.

"We have made no plans for any special celebration," said Kenneth L. Hallenbeck, director of the Huron-Clinton Metropolitan Authority, the regional agency which developed Kensington Park as its first major recreational site in its present chain of eight parks throughout the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

Shortly after an enabling act passed the Michigan State Legislature in 1939 and the voters of the five counties approved the creation of the authority in the general election of 1940, Huron-Clinton officials selected Kent Lake site as a major project.

A spadeful of Huron River bottom land, turned at a dedication ceremony on August 9, 1946, marked the first construction project of what was then referred to as Kent Lake park project.

But the name Kensington remains, where perhaps it has become more famous than ever before. For today, Kensington Metropolitan Park is considered one of the finest playgrounds in Michigan and recognized by park planners throughout the country as a model park of excellent design.

"One of the surprising features about Kensington Park is that it has been developed fairly close to the master plan of design made over 25 years ago," remarked David O. Laidlaw, park superintendent.

"People coming to the park this spring can hardly realize what visitors found 20 years ago," said Laidlaw. He pointed out that then Kent Lake had just been opened for use and the park had just one bathing site, with the bathhouse and toilets constructed from rough-hewn oak from trees removed in the lake-bottom clearing operation.

"Even the fact that the roads were dirt and half the park was under preliminary construction did not keep visitors from using the park," remarked Laidlaw.

Kent Lake plus the wonderful rolling hills of the area add an unmatched scenic appeal. Facilities now include a nature center, nature trails, boat rental service, launching sites, two bathing beaches with bathhouses, playground areas, an 18-hole golf course and several large picnic sites.

"Some of the early sites had just basic facilities, but refinements in design and landscape work have transformed these into first-class facilities, with many of the product of 23 years of improvements. Much of the work has been done so gradually that few people notice the improvements made from year to year unless a major new facility such as a nature center, golf course or new boat rental harbor are developed," said Laidlaw.

Kensington Metropolitan Park, which provides 4,300 acres, is the largest of the Huron-Clinton chain of eight parks throughout the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne. It was the site first opened and with attendance at the 2 million mark serves more people than any other HCMA park.

Other major HCMA sites include Metropolitan Beach near Mt. Clemens, Stony Creek Metropolitan Park near Rochester, Hudson Mills Metropolitan Park near Ann Arbor and Lower Huron Metropolitan Park near Belleville plus three small parks, Marshbank near Pontiac and Delhi and Dexter-Huron.

The first step in this gigantic undertaking was the building of a dam, on land leased from the State Conservation Department, which was completed in 1947. It stretches 290 feet across the Huron River and helped transform the then small Kent Lake into 1,200 acres of sparkling waters, which has since become a major attraction for fishermen, boaters and swimmers. One important step was the removal of thousands of trees from the new, enlarged lake bottom, which was flooded in the spring of 1948.

One of the predictions concerning park attendance came from the late George W. McCordic, then engineer-director of the HCMA, who said, "We should be able to accommodate 50,000 persons a day." The record day use for the park is over 51,000 which was established on June 30, 1963. Annual use has climbed from 94,000 in 1948 to an average of 2 million persons for the past six years. McCordic, who died in October 1950, was among a group of citizens, commissioners and staff who made an early contribution to making this park system one of the best in the country.

Since 1951 Hallenbeck has been director of the Authority. He pointed out that the aim of the HCMA is still to build recreational sites in the valleys of the Huron and Clinton Rivers within easy reach of the citizens of the five counties comprising the Detroit Metropolitan Area. The Authority and its projects are supported by 1/4 mill tax on the assessed valuation of the general property of the area. "To the average home owner this means a tax of \$1.50 to \$2.00 per year," said Hallenbeck.

The name "Kensington Metropolitan Park" was officially adopted by the Board of Commissioners on March 14, 1947, upon the suggestion of the late R. Bruce McPherson, Howell resident and Livingston county's representative on the HCMA Board from 1941 to 1953.

The park is named after the historic town of "Kensington," which was notorious for its wildcat bank and for its merchants who had a propensity for not paying their bills. When the merchants couldn't collect their bills, they often said, "the goods have gone to Kent!"

Commenting on the selection, Bentley said, "The choice of Mr. Porterfield for a scholarship by Albion college results not only from the attainment of an excellent academic record, but also from his achievement in extra-curricular activities, which exemplifies the ideals of the scholarship policy of the Foundation."

The Bentley Foundation is currently contributing \$50,000 for scholarships for the academic year 1967-68. Its commitments for the school year will bring total contributions to \$477,000 for the seven years the foundation has been in operation.

Traces of the foundation determine each year which Michigan institutions will benefit from the foundation's program "to administer funds for science, education and charitable projects." The Institution itself determines who will receive the individual scholarships, which may amount up to a maximum of \$500.

Local Youth Wins Stipend

Lee A. Porterfield, son of Mrs. W. Frances Cawthey, 46950 Timberlane Drive, has been named winner of the Alvin M. Bentley Foundation Scholarship Award for Excellence to Albion college for the academic year 1968-69.

Commenting on the selection, Bentley said, "The choice of Mr. Porterfield for a scholarship by Albion college results not only from the attainment of an excellent academic record, but also from his achievement in extra-curricular activities, which exemplifies the ideals of the scholarship policy of the Foundation."

The Bentley Foundation is currently contributing \$50,000 for scholarships for the academic year 1967-68. Its commitments for the school year will bring total contributions to \$477,000 for the seven years the foundation has been in operation.

Traces of the foundation determine each year which Michigan institutions will benefit from the foundation's program "to administer funds for science, education and charitable projects." The Institution itself determines who will receive the individual scholarships, which may amount up to a maximum of \$500.

With Our Servicemen

U.S. Army, Vietnam - Army Private First Class Michael E. Sidor, 20, son of Mr. and Mrs. Mieczyslaw Sidor, 3811 Theodore street, Wixom, was assigned as a mortarman crewman in the Headquarters Americal Division in Vietnam, April 2.

William Beadle, C.S. 3, son of Mr. and Mrs. William Beadle of Border Hill road, Novi, is enroute to third tour of duty in the Vietnam (West Pac) area, aboard the Survey Ship, U.S.S. Maury, under the command of Captain Monson. He is stationed in Pearl Harbour, Hawaii.

Signalman Seaman Apprentice Kevin J. Ling, USN, son of Mr. Waldo A. Ling, 313 N. Center, is serving aboard the USS Carronade in the West-Pacific.

The Carronade is the only inshore fire support ship in the U. S. Navy. As a member of the crew, he participates in naval gunfire support operations off the coast of Vietnam. The ship carries a battery of rapid-firing rocket launchers, a 5-inch gun and two twin 40mm gun mounts.

The Carronade is a unit of the Seventh Fleet and is homeported in Yokosuka, Japan.

Ft. Knox, Kentucky - Army Private Gary C. Brown, assigned to Company C, 13th Battalion, 4th Brigade, here in the United States Army Training Center, Armor (USATCA).

He will spend the next two months learning the fundamental skills of the soldier in today's modern, active Army. During live ammunition under simulated combat situations, learning protective measures and first-aid.

Following the completion of basic training, Private Brown, who is the son of Mr. and Mrs. Edward Brown of 40085 Ten Mile, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

According to Ronald G. Simmons, former project engineer with the State Highway department, who is instructor in the highway technology program both the Wayne County Road Commission and the SHD presently have openings for prospective students for a fall start in the cooperative program.

News Around Schoolcraft

Schoolcraft college has been approved for a matching grant of \$5,670 under the Vocational Act of 1963 for the acquisition of instructional equipment for use in the college's technical programs.

Notification of the grant was received from Ira Polley, state superintendent of public instruction. The federal funds used to match college funds on a dollar-for-dollar basis are allocated for administration to the State Department of Education's division of vocational education.

Schoolcraft Dean of Technical-Vocational Instruction, Tom P. Adams said the grant makes possible the purchase of \$11,340 worth of laboratory and field testing equipment for the college's highway technology program.

Adams said the equipment will be used by second-year students in the program, which the college inaugurated last year in cooperation with the State Highway department and the Wayne County Road Commission.

Students enrolled in the unusual program are first hired as civil service employees by either the state or the county highway departments and then alternate semesters working in the field and attending classes.

According to Ronald G. Simmons, former project engineer with the State Highway department, who is instructor in the highway technology program both the Wayne County Road Commission and the SHD presently have openings for prospective students for a fall start in the cooperative program.

NOTICE

EFFECTIVE MAY 4, 1968, THE MUNN CONTRACTING COMPANY LANDFILL LOCATED AT 50250 EIGHT MILE ROAD, VILLAGE OF NOVI, WILL BE CLOSED FOR AN INDEFINITE PERIOD OF TIME.

VILLAGE OF NOVI

REQUEST FOR BIDS

The Village of Novi will receive bids for a 1968 Police Car with the trade-in of a 1967 Chevrolet Biscayne, 4 door sedan, which can be inspected at the Village Hall, 25850 Novi Road, Novi, Michigan.

Bids should be submitted to the Village Clerk, 25850 Novi Road, Novi, Michigan 48050, with the envelopes plainly marked "Police Car Bid" on or before 5:00 P.M., May 6, 1968. Bids will be publicly opened and read at the Regular Council Meeting which will convene at 8:00 P.M., May 6, 1968. The Village of Novi reserves the right to accept or reject any and/or all Bids and waive any irregularities, at the office of the Village Clerk.

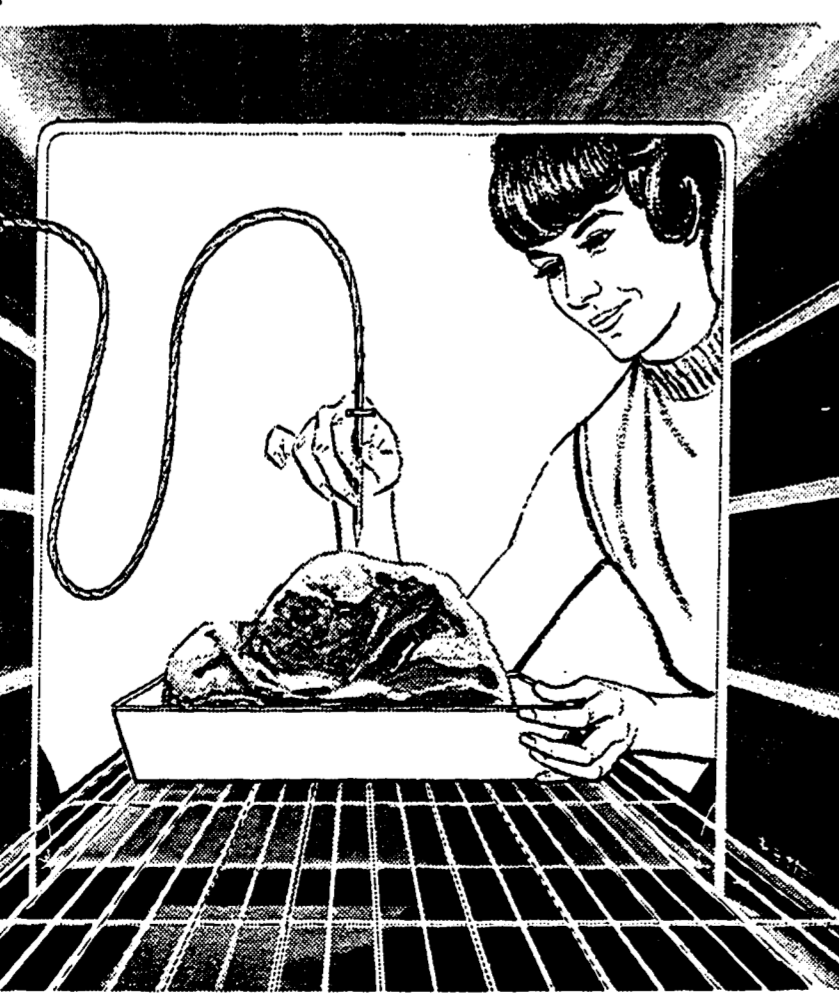

Mabel Ash, Clerk

The Informer

...MAKES YOU A BETTER COOK!

Here's an "informer" that not only gives you the facts but does something about it! How does it work? Simply into the cabinet of the meat you put a thermostatic probe, one end of which is plugged into the oven wall. Slide the roast into the oven and turn the indicator to the exact degree of doneness you want. When the meat probe gets the right "inside" information, it signals you - then automatically and instantly shuts the oven off. Takes all the anxious guesswork out of roasting.

What other magical things can a 1968 Gas range do? Everything from starting dinner while you're gone to keeping a complete meal deliciously ready-to-serve when you're late.

Out of THE PAST

FIVE YEARS AGO...

...It took less than two days to move 37 years' accumulation from the old city hall to the interim quarters at 122 North Wing street. With the move the city introduced its first full time communication operation - dubbed the "ca-det system."

Under the new set-up at least one person was to be on duty at all times in the city hall communication center to answer fire, police or other emergency calls. Previously, night calls to Northville were directed to Plymouth night clerks and then radioed to local police.

...Directors of the Northville Swim club decided to go ahead with plans to build a new pool. At a membership meeting, the board announced that three swimming pool contractors would submit bids for the project April 23. Construction was scheduled to begin May 15 with the contract calling for completion by July 2.

...An "offstreet parking fund" was proposed by Northville businessmen to help promote an improvement program for customer parking in the shopping area.

...Dedication ceremonies for the Joseph Denton Park were set for May 1.

...The community college committee, headed by Mrs. Eugene Cook and Mrs. William Davis, recommended that the Northville board of education take a stand on Northville's proposed entrance into the Northwest Wayne County Community College district. However, the board declined until it had learned the results of a bill, then in the legislature, which would provide for the annexed district to pay a one-mill tax.

FIFTEEN YEARS AGO...

...Chrysler corporation acquired a 600-acre plant site at New Hudson for at least one of its major manufacturing divisions at some future date.

While a Chrysler corporation spokesman told The Record-News that no definite plans had been made for use of the property, there was reason to believe that Chrysler's top management regarded the purchase as potentially very important.

In confirming the purchase to this newspaper exclusively, the Chrysler spokesman described the deal as "in line with the corporation's confidence in the future of Michigan as an industrial center." He added that "we had an opportunity to buy the property and regard the purchase as a good long-term investment, even though we have no present plans for it."

The large industrial tract was purchased March 12, 1953 from Charles E. Sorenson.

...After three hours discussion, the board of education in Northville settled on two future school sites. These were an 18-acre tract in the southwest corner of the Six Mile-Bradner road intersection and a 57-acre parcel west of North Center street and north of an extension of Bass Lins road. The latter tract was owned by the Manning & Locklin Gravel company.

...Seven-year-old Mary Suzanne Pauli was fatally injured when she darted into the path of a car on Northville-Plymouth road.

...Owner of a tax license from Orson Atchinson to the partnership of Gene Keller and Ora Glass was made by the village commission of Northville.

TEN YEARS AGO...

...Two veteran councilmen assumed new jobs as the Northville council acted to fill the vacancy created by the death of Mayor Claude N. Ely.

Malcolm Allen, a city councilman for nearly 10 years, became the city's top official. John Stuenkel, who served for 11 years as councilman but declined to run in April, was named to complete Allen's council term.

...Playing at the state band festival in East Lansing with 93 other groups from throughout Michigan, the Mustang band received ratings of "1" in all four categories.

...A school tax boost of nearly nine mills for 1958-59 appeared inevitable as the Northville board of education gave approval to a tentative budget of \$666,043.

The operating budget, coupled with a debt service requirement of \$212,893.75, brought the anticipated school tax on state equalized valuations to 29.95 mills. The year previously it was 21 mills.

...A meeting designed to get public reaction to Novi's proposed village charter was scheduled in that community.

...Announcement of the proposed location of a new post office in Wixom brought protest from the Parent-Teachers association and the village council. According to Postmaster Her-

bert Abrams, the building was scheduled to be erected at Wainstock and South Wixom roads. Resolutions from the P-TA and council insisted that the proposed building was to be located on "the wrong side" of the railroad tracks for the majority of the population and would offer no sidewalks or parking.

...The Lincoln plant in Wixom was selected from more than 1,000 others as one of the 10 best designed industrial plants in the nation.

...A proposed Novi school district budget of \$252,200 for the 1958-59 year went into the Oakland county allocation board for study.

County Combats Growing Rumors

Efforts to reduce tensions and dispell rumors in the metropolitan area are being extended to include formation of local rumor control committees throughout Wayne county.

Formation of local committees was advocated by Wayne county officials in an April 18 meeting attended by elected officials and police chiefs from 20 cities and townships.

The meeting was held to discuss the rumor problem and to hear the views of the local officials regarding the recently-established Wayne County Rumor Control Center. The local officials supported the rumor center operation.

Dearborn Heights Mayor John L. Canfield, chairman of the County Board of Supervisors, and Detroit Councilman Mel Ravitz, chairman of the board's ways and means committee, chaired the meeting.

Canfield and Ravitz urged that mayors and township supervisors establish committees of "responsible citizens" to lead anti-rumor efforts in their communities. They suggested that the committees be composed of business, labor, civic, religious and educational leaders.

Twenty Years Ago...

...Mrs. Mary Fredmore, one of the oldest residents of Northville, celebrated her 88th birthday. She had lived in Northville for 62 of those years.

...Richard E. Allan was elected president of the Northville Rotary club. Other newly elected officers included Rev. E. E. Rossow, vice-president; A. H. Schutte, treasurer, and E. M. Bogart, secretary.

...Brook trout were planted in the Rouge River in a cooperative effort of the Exchange club and the U.S. Fish Hatchery in Northville.

...Northville's new fire chief was Clayton Walker.

...An estimated \$1,500 of merchandise was stolen from the pro-shop of Meadowbrook Country club.

...F. W. Sterner was elected president of the Northville Coordinating council.

...James Girardin of 220 Randolph landed a 20-inch rainbow trout in the Rouge River. His bait: a worm.

...Planning for the 100th anniversary of the erection of the sanctuary of the First Presbyterian Church of Northville was underway.

...Mrs. Harry Wagenschutz was re-elected a member of the Wayne county library board by the county board of supervisors.

...Representative Elton Eaton of Plymouth spoke briefly to the Rotary club, describing Governor Sigler's administrative reorganization bill defeat.

Plymouth High Contracts Set

Contracts were awarded last week by the Plymouth board of education for construction of the \$10 million Plymouth senior high school number 2.

The J. A. Ferguson Construction company, Detroit, was selected as general contractor for the school. Mechanical contract was awarded to the Allen Briggs company, Oak Park, and electrical contract went to County Electric company, Taylor.

Architect for the new high school is O'Dell, Hewitt and Luchenbach, Inc., Birmingham, which also designed Northville and Novi schools.

Plymouth senior high school number 2, a 2,000-student building, will be the first unit to be built on Plymouth's Centennial Park, a unique high school educational park consisting of 310 acres and named in recognition of the city's centennial year.

Construction will begin this spring and the school is expected to be ready September, 1969.

In Men's Club Concert Sunday Five Choruses to Perform Here

Five guest choral groups will perform here Sunday in the eighth annual Presbyterian Men's club concert.

Setting for this year's program, featuring nearly 175 singers, will be the high school auditorium. It will begin at 7:30 p.m.

The five choruses include: Wyandotte Orpheus club, Detroit Post Office Male Chorus, Chevrolet Glee club, Detroit Schoolmen's Chorus, and the Plymouth Choralaires.

Members of these groups will be dinner guests of the Men's club Sunday afternoon.

Chairman of the concert is William G. Williams of Northville, music director for the First Presbyterian Church of Northville.

Chevrolet Glee club—Oldest male chorus in the automobile industry, organized in 1932, associated with Michigan and Associated Male Chorus organizations, sang at the World's Fair in Chicago and at the Great Lakes Exposition in Cleveland, sang the first two numbers on the first TV show of WXYZ, performed twice at the national Soap Box Derby, average 25 to 30 engagements for the season.

Detroit Post Office Male Chorus—organized in 1960 for employees of the Detroit Post Office, has prospered and become one of the area's popular singing groups, presenting concerts at Wayne State university and appearing on many radio and television broadcasts. In 1963 affiliated with the Michigan Male Chorus association and Associated Male Chorus of America.

Detroit Schoolmen's Chorus—with Melvin Thompson conducting is a 40-voice male group. William Mann accompanies. Members are recruited from many different departments and only a few are music teachers. Makes several appearances a year before educational, civic and other groups, and also gives an annual concert. His participation in concerts given by other males choruses at Toronto, and in earlier years has provided music for the American Association of School Administrators' conventions at Atlantic City, Cleveland and St. Louis. Maintains membership in the MMCA and the AMC of A.

Plymouth Choralaires—came into being in 1961 when 10 men formed a chorus to sing at a retirement party. The fun and enthusiasm generated encouraged the group to hold regular rehearsals and expand. Presently number 25 and are open for more. In 1963 joined the MMCA and the AMC of A. Annually sing with associated member choruses throughout the state. Under the direction of Edward Boyer and accompanied by James Anderson sing for church groups, civic functions and fraternal organizations in Detroit and suburban areas.

At intermission, the Northville Presbyterian church Bellringers under the direction of William G. Williams will perform.

SPRING CONCERT—The Plymouth Choralaires is one of several musical groups that will participate in the annual spring concert of the Presbyterian Men's Club slated for Sunday, April 28, at the Northville high school auditorium beginning at 7:30 p.m. They and others will appear with the Presbyterian Bell Ringers. Tickets are \$1 each and may be obtained from any member of the Men's club or at the church.
