

Newlyweds Make Home in Seattle

A wedding trip to Seattle, Wash., their temporary home, followed the marriage of Kip Robin Wilson and Peter Michael Karl, Jr., at 7:30 p.m., May 10 in Our Lady of Victory church.

The bride is the daughter of Mr. and Mrs. Ian Hamilton Wilson of Northville and Miami, Florida. The bridegroom is the son of Mr. and Mrs. Peter Karl, Sr., of Detroit.

Her shoulder-length tulle veil was caught by a star-flower headpiece matching the bodice trim. She wore a single strand of pearls, a gift of her bridegroom, and carried a Dutch bouquet of white daisies and baby's breath.

The bride's sister, Mrs. Edward Marino (Bonnie Wilson), came from Miami to be matron of honor. Another sister, Patricia, and Michelle Karl, sister of the bridegroom, were bridesmaids with Janice Mulloy of Miami, a cousin of the bride's, and Kay Tyler of Northville.

All wore blue linen gowns fashioned on Empire lines trimmed with chartreuse-hued Dior bows. They wore matching veil headpieces and tiny Dutch bouquets of white daisies.

Best man and ushers were John Cusimano, Robert Kennedy, Tom Marlotto, Thomas Devlin and Michael Kearney. Miss Ruth Mayhall sang at the service.

For the ceremony and reception the bride's mother wore a tunic dress of pastel coral crepe with a beige feather hat and corsage of cymbidium orchids. The bridegroom's mother chose a blue silk jacket dress with which she wore a hat of blue roses and a corsage of violets.

The newlyweds plan to make their home in the west while the bridegroom is completing his army training in Seattle. He is a graduate of Wayne State University. The new Mrs. Karl, who attended junior college at Schoolcraft college and in Miami plans to continue her schooling in Seattle.

Mr. and Mrs. Peter M. Karl, Jr.

College Students Exchange Vows

In a candlelight ceremony at Northville First Methodist church May 10 Jacqueline Henschel, daughter of Mr. and Mrs. Evan Henschel of 18141 Jamestown circle, became the bride of Daniel M. Bishop.

The Reverend S. D. Kinde officiated at the double ring service. The bridegroom is the son of Mr. and Mrs. Charles Bishop of Northville.

A sentimental light of the reception following in the church social hall was a serenade to the bride and her bridegroom by 20 of the bride's sorority sisters of Sigma Kappa sorority at Eastern Michigan university.

The bride, who is now completing her junior year at Eastern, wore a floor-length gown of white organza. The lace detailing was daintily decorated with seed pearls. She carried a bouquet of mum daisies and white carnations centered with an orchid. A seed pearl headpiece matching the gown decorations held her shoulder veil.

Maid of honor Pat Henschel and bridesmaids Nancy Bosak and Sandy Dodge wore identical floor-length gowns of peach crepe with daisy lace embroidery. They carried peach gladioli and mum daisies. Theresa Bishop, who was flower girl, wore a gown of peach dotted swiss and carried a basket of mum daisies.

Jim Chappell was best man with Larry Angove, Gary Stobbe and Terry Bannon ushering.

The Henschel's Kings Mill neighbors, the A. T. Leones, were responsible for the wedding cake which was decorated with peach-hued roses carrying out the color of the bridal party's gowns. Following the church reception a few close friends and relatives met afterward at the Kings Mill clubhouse.

For the wedding and reception the bride's mother wore a yellow dress and coat ensemble. The bridegroom's mother chose an aqua costume. Both wore cymbidium orchid corsages.

After a short honeymoon in New York City the newlyweds are making their home in Westland Estates on Wayne road.

This spring is a special one for the bride in another ceremony also. An education English major at Eastern, she earlier was inducted into Pi chapter of Kappa Delta Pi honorary society in education. She was named to the honor roll for three years and is on the dean's list. She plans to complete her senior year at Eastern.

Her husband has been attending night school at Schoolcraft college while working at the American Spring company in Plymouth.

"A NEW JULIET who looks like a Juliet" is one of this year's attractions as the New York Metropolitan Opera company visits Detroit this week.

A record number of Northville people will be in the audience this season with the committee that worked so successfully to bring Overture here well represented.

Mrs. Ernest J. Shave, 40800 Fairway Three drive, who has been a member of the Detroit women's committee for the Met's appearances here ever since it was organized, first enlisted Mrs. Donald Ware's aid and interest in the committee.

Now all six women who worked on the local Overture committee have joined them on the Detroit committee. The Shaves have tickets for every night, beginning last Monday with the performance of Verdi's "Luis Miller," an opera not recently performed, on opening night. Dr. and Mrs. Charles Wheatley also were to first-nighters.

They planned to attend Wednesday night's "La Forza del Destino" and Saturday night's new production of "Roméo and Juliet" by Gounod with Ann Arbor friends.

It was Mrs. Wheatley who confided the schedule to friends, the William Campbells. Friday ("Madame Butterfly") their guests will be Mr. and Mrs. Franklin Schultz of Toledo.

"CARMEN" seems to be most popular with Northville opera-goers with the Edward Zywies, the Ben A. Zaytis and the Jack Scantlins all holding tickets for tonight.

Attending Tuesday night's performance of "The Marriage of Figaro" by Mozart were Dr. and Mrs. Harold Wright with Livonia guests.

Also hoping to attend Wednesday were the Edward Kellys.

Unfortunately, the woman most responsible for bringing Oakland university's opera-introduction, Overture, to the Met performances, Mrs. Donald Ware will be with her husband who has been recuperating at Hutzel hospital after a heart attack.

OVERTURE in Northville, Mrs. Ben Zaytis mentioned with delight, was "highly successful," and it appears an additional concert may be available for the opera work of the Oakland U. group, although all income and expenses have not yet been officially tallied to give the exact sum. Also possible: the return of Overture next year.

NORTHVILLE STATE HOSPITAL, auxiliary re-elected Mrs. L. M. Eaton president at its annual meeting last Tuesday at the hospital. The auxiliary, known as a group of "wonder" volunteers, has had a year which saw many changes in the organization. With Mrs. Eaton continuing in the top post transitions should advance smoothly.

For one, the annual May card party, held at one of the season's busiest times, was discontinued this spring. The board of directors is considering re-stating it for fall.

As usual, however, members have been working for and at the hospital. One of this year's donations was the company in Plymouth.

Still Time for Fluoride Treatments

Late registrations are being accepted in the Wayne county health department's fluoride treatment program now in progress in Northville, it was announced this week.

Parents who have children in kindergarten, second, fifth or eighth grades are asked to return registration blanks sent out from school earlier may call the child's school and enroll him for treatments at Main street school in June.

Fee for the series of four treatments is \$4. It was pointed out that in a newer process of administration an odorless and tasteless white liquid is used. Parents are advised that the recent fluoridation of water here gives complete protection only to new babies and that it does not offer enough protection for older children.

Treatments are being completed this week at Cooke junior high and are slated to begin at Moraine school next week. The administering team will finish at Main street school. To date, response has been poor to the program with only one-third of the eligible pupils in kindergarten, second or fifth grades at Moraine enrolled.

Last year it was thought that the response was less than average as the treatments were given after school was recessed for summer.

Women and the family Peace League Plans TV Watch, Talk

Members of the Northville-Plymouth branch of the Women's International League for Peace and Freedom met Monday night at the Plymouth home of Mrs. James Miller to watch and discuss two television programs dealing with Racism, Rebellion and Renewal.

Next Monday evening groups will gather at the homes of Mrs. James Perna, 208 Debra, Northville, and Mrs. Miller, 11941 Amberst court, Plymouth, at 7:15 p.m. to watch programs and hold discussion. Anyone interested in joining either is invited.

Plans were made to gather in groups throughout the summer to watch and comment on continuing programs on the topic. Mrs. C. E. Woodruff, chairman, announced.

Nationally, she said, the league has just co-sponsored with the Jane Adams Peace association of New York the unveiling of a bronze portrait bust of Miss Adams, founder of Chicago's Hull House and winner of the Nobel Peace Prize for her work with the Women's International League for Peace and Freedom. The bust was presented to the Hall of Fame for Great Americans at New York university last Sunday by Arthur S. Fleming, president of the University of Oregon.

New workers will be invited to join with those who have worked in previous years in the October residential campaign.

Mrs. Vincent points out that this annual drive permits fund-raising for all necessary health and community service agencies to be pooled into one economical campaign. Last year Torch Drive residential contributions totaled more than one million dollars.

Jaycees Seek 'Fourth' Funds

With their plans well underway for the annual Fourth of July celebration here, Northville Jaycees have their fingers crossed in hopes of "a big turnout" for tomorrow night's project to raise money for the Fourth festivities.

The benefit project is a community Millionaire's Party, to be held at the VFW Hall from 8 p.m. to midnight.

"It's our way of raising money for the Fourth of July celebration," explained project chairman Dennis Snow, "but it's also a fun night for the community."

Snow promises plenty of excitement at the party, including live music for dancing.

Meanwhile, Jaycee representatives have announced that this year's "Big Fourth" parade will include the Marching Eagles, 60 girls from Sarnia, Ontario, the Redford Highlanders, a five band, and at 8:30 p.m., the band, and at 9 p.m., Northville's own parade featuring high school marching band. Still other musical units are promised.

All community clubs and businesses are urged to begin preparation of the floats or marching units soon. Theme for this year's parade is "Youth and America". Anyone interested in participating is asked to call Jaycee Fred Zillich at 349-4042.

Following the parade, the Jaycees will again sponsor a chicken Bar-B-Que

in the park behind the city hall. Complete chicken dinners will be featured. Also slated for the city hall park will be the crowning of Northville's Little Miss. This will be the second annual Little Miss competition in which area residents vote for their favorite by casting penny ballots. The contest is open for girls ages three to five years old.

More information concerning the Little Miss competition will be announced later, Jaycees said.

Stamping the day-long festivities will be given from 7:30 to 9 p.m. this Saturday, May 25, in the Novi community hall.

This is the first recital of the youngsters who have been studying since late fall Saturdays at the community hall classes. The girls are from Novi, Northville and the Walled Lake areas and range from kindergarten age to a young mother of three children.

Baby Balletinas in the revue are Lisa Remy, Lori Thompson, Linda Mulroy, Sheila Mullins, Michelle Wesley, Carol Haas.

Dance Cadettes are Mary E. Haas, Loretta Pickler, Veronica Romanow, Spring Lamont, Diane Smith, Tamara Pittman, Lucine Taffalari, Patricia Temple, Suzanne Garcia, Sherry Lettski, Sheila Mullins, Michelle Wesley, Lee Ann Eastin.

The Sophisticates are Sally Sova, Kathy Schneider, Annette Wittacker, Donalea Rock, Karen Scharf, Ingrid Scharf, Carrie Adams.

Each group will present stage numbers. In addition there will be dancing duos by Kathy Schneider and Donalea Rock and solos by Sally Sova and Donalea Rock.

At the conclusion attendance awards will be given to Sheila Mullins, Veronica Romanow, Annette Wittacker, Ingrid Scharf, Karen Scharf and runner-up, Loretta Pickler and Lucine Taffalari.

A ticket sales winner will be announced. There will be a limited number of tickets available at the door.

The show concludes Miss Hazel's classes for the season. They will resume in the fall under Mrs. Stambaugh's direction. She has studied dance for 21 years in this country and in Europe.

Cashless Society Costs Plenty

One inconvenience of our cashless society is the difficulties that arise when a credit card is lost.

John C. Burkman, 535 Baseline, was made aware of this recently when he was billed by an oil company for four purchases that totaled \$80.27. On receipt of the bills, Burkman notified Northville police that he had returned his credit card to the oil company several weeks before the purchases were made.

By tracing car license numbers recorded on the bills, police found the purchases—gas, oil, and a battery—were made by drivers of autos registered to owners in Detroit, Highland Park, and Taylor. The investigation is continuing.

Play Writer Receives Award

Winners are being announced this week in conjunction with the cultural activities of Michigan Week. Kelley's play was titled, "The Tender Grass."

Coincidentally, all winners were teachers in Michigan colleges, the first and second winners being instructors at Eastern Michigan and Northern Michigan universities.

Lanes Lead Men's League

Northville Lanes picked up two more wins this past week to maintain its lead in the Men's Softball League here.

Lanes downed Pyles, 4-1, on Friday and then edged Perkins, 9-5 on Monday. Mary Fodor blasted a homer for Lanes against Pyles in the first inning. Lanes garnered 13 hits but the big hit of the game was a two-run four-bagger off the bat of Perkins' Dan Brown.

In his other game, Perkins powered Northville at Marquette Sunday, June 2, as the largest graduating class in the university's history receives degrees at the 68th annual commencement.

Degrees will be conferred on 513 men and women in ceremonies in the fieldhouse by Ogden E. Johnson, interim president. Dr. Robbin W. Fleming, president of the University of Michigan, will deliver the commencement address and be awarded an honorary degree.

A Northville girl will be among approximately 450 graduate and undergraduate students to receive degrees and certificates of completion at Bob Jones university, Greenville, South Carolina on May 29.

She is Mary Diane Westphal, daughter of Mr. and Mrs. Raymond F. Westphal of 227 North Rogers. A member of Alpha Gamma Tau Literary society, she will receive a bachelor of arts degree in Christian education from the school of religion.

Poisonous Snake Bite Kills Man

A poisonous snake bite with toxic venom officially was entered as the cause of the death of Clarence B. Carter, 9220 Five Mile road, Northville, by Wayne county medical examiners and Mt. Carmel Mercy hospital where he died May 16.

Mr. Carter, 71, who lived and farmed a small area near Salem, was taken to the hospital suffering what was at first thought to be a violent arthritic attack. Later it was noted there was a bruise on one leg that engendered a puncture mark with a white coloration in the center. He died five days after hospitalization.

The state's only venomous snake, the tiny Massasauga rattlesnake, has been considered so small to kill. The post-mortem examination, however, showed the venom.

Mr. Carter was born September 24, 1896, at Wixom to George B. and Lucy Jane (Burch) Carter. He was a retired supervisor of Cadillac Motor division, Cadillac Motor company, where he had worked 43 years.

He leaves his wife, Frances B.; two sisters, Mrs. Vera M. Clair, Northville, and Mrs. Gertrude Van Dyke, St. Helen; two nieces, Mrs. Elaine Moran, Detroit, and Mrs. Lucy Wilson, Northville; a grandnephew, William Moran, Detroit; three grand-nieces, Elaine Ann, Lucy Jane and Deborah Wilson, all of Northville.

ABC Plans Open House

Residents of the area are invited to an open house this Sunday at the new ABC Photo company facilities at Novi and Nine Mile roads.

Warren J. Coville, president, said demonstrations of all features of film processing and printing of photos, including color processing, will take place during the open house hours of 11 a.m. to 6:30 p.m.

Coville said his firm is "quite proud of our new facilities and equipment and hope area citizens will accept this invitation to see the area's new industry as well as to observe the latest techniques and equipment for processing film."

According to Business Manager Earl Busard, the thieves also jacked up the rear end of one of the vehicles and removed the wheels.

"It's really a shame," he said, "because John Mach Ford is good enough to lend us these cars for the education of our children and someone has to do something like this."

The case is being investigated by Northville police.

Municipal Court

Charges of rape against a 26-year-old Detroit man were dismissed during examination proceedings in Northville municipal court Monday. The 32-year-old complainant refused to testify, stated she did not wish to prosecute, and the arresting officer said he did not have personal knowledge of the assault alleged to have taken place in a rural hill cemetery on May 12.

In trial Monday, Leonard Montgomery, South Lyon, was sentenced to \$70 fine, \$15 costs and two days in jail after being found guilty of violating the state financial responsibility law. Montgomery was placed on one year probation, with probation to be suspended if he is found guilty of driving or drinking violations.

A second place mark included Peterson in the high jumper 6'2"; Bob Hicks in the shot put at 46' 10"; and the 880 relay team which set a school record at 1:33.1. Chuck Keegan, an

Northville Wins Regional Crown

Nearing completion of an already successful regular season, Northville's varsity thinclads came up with an extra special effort Saturday at Belle-ville in claiming their first regional "B" championship in the history of the school.

The superlative showing included one state "B" record and two Northville school records, and it outpointed 10 Mustangs into the state "B" tournament slated Saturday at Michigan State University. The 10 will be competing in eight events.

Northville crushed 17 "B" schools in grabbing the coveted regional trophy. It's closest challenge came from powerful Willow Run which took 34 1/2 points to Northville's 45 1/2.

With first through third place qualifying for state competition, Northville will enter pole vault, mile relay, high jump, two-mile run, low hurdles, 880 relay, 800 run, and shot put.

Coach Ralph Redmond, who has had plenty of good comments about his athletes all season, was not speechless when his players walked off with the top trophy. "They were great, just great," he beamed. "I can't say enough about them."

Highlighting the Mustangs performance was the individual showing of Ron Gietzner, a six-foot senior who flew over the pole vault bar at the state "B" record of 13' 9" — an outstanding even the Class "A" vaulters from 28 schools, took first place in the low hurdles, and a fourth-place in the high hurdles.

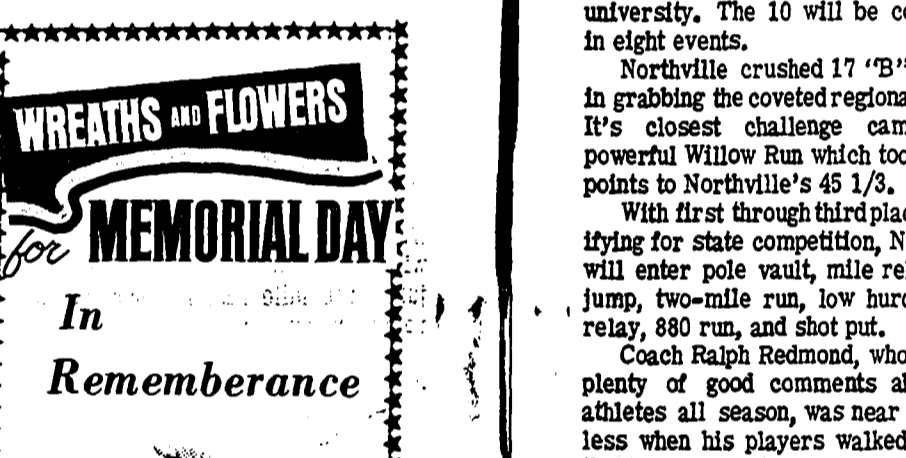

The highest vault of Class "A" athletes was 12' 6".

One other Mustang entry topped a first place. The mile relay squad zipped around the track at 3:32.8, putting it in an excellent position to pick up a state record at East Lansing Saturday. Members of the squad were Jim Peterson, Bill Harrison, Al Earehart, and Greg Marshall.

Second place marks included Peterson in the high jumper 6'2"; Bob Hicks in the shot put at 46' 10"; and the 880 relay team which set a school record at 1:33.1. Chuck Keegan, an

Two Novi thinclads qualified for the state meet at Central Michigan university, and seven school records were chalked up Novi competitors in the regional meet at Clarensville this past week.

Representing Novi at CMU Saturday will be Jon VanWagner, who qualified with a first-place jump of 6 feet, while Ken Osborn took second in pole vault 10'8" to qualify.

Even though only two Wildcats gained a slot in state competition, Novi finished fourth in a field of 18 teams at the Class "C" regionals. That plus the fact seven new records were set by his young chargers gave Coach Fred Eastling morale support to smile.

Establishing new school records were John Davey, Don Mark, Gary Boyer and Mike Farah, 1:37.5 in the 880 yard relay; Mark Earl, 10:45.9 in the two-mile run; Lenny Beadle, 4:58.7, in the one-mile run; Van Wagner, 16.2, in the high hurdles; Tom Boyer, 2:07.9 in the 880 yard run; Rick Hill, 53.1 in the 440 yard dash; and Tom Boyer, Steve Pomeroy, Lenny Beadle and Rick Hill, 3:42.2 in the mile relay.

The juggled lineup in this case was successful: Earl came through with the latest school record in the two-mile at Clarensville.

Beadle, who posted his newest record in the mile at Clarensville, had chopped his time to its lowest mark against Annapolis, too.

VanWagner topped three firsts, and Ley Taffalari, Davey and Osborn came up with one first each. VanWagner took first in the pole vault, high hurdles and low hurdles. Taffalari won the shot put event, Davey took the long jump, and Osborn took first in high jump.

3rd Straight W-O Championship Northville Nine Wins Title

Northville's Regional 'B' Track Champions

Northville Wins Regional Crown

Despite an unexpected loss to Brighton Saturday, Northville's varsity baseball team reigns today as the champion of the Wayne-Oakland League.

It's the third consecutive title for the Mustangs, who now will keep the coveted traveling trophy permanently because of the three championships.

Northville lost its fifth Monday by dumping second-place Clarkston, 6-2, but even before Saturday's 7-5 loss to Brighton the Mustangs sewed up the championship as Holly trimmed Milford.

The loss put Milford in a two-way tie for second with Clarkston, which dropped to third upon losing here Monday.

The Saturday loss came on the heels of a thrilling, tension-filled triumph over Bloomfield Hills the previous day on the Barons' diamond. Northville won the game, 4-3, in the eighth inning — just as it had done in its first encounter with the Barons.

Going into the top of the seventh, the Mustangs trailed 3-2. But Jeff Taylor, who relieved Bill Skelly in the inning, lifted a booming fly over the left field fence to tie the score. He

had to reach for the pitch, hitting the ball almost one-handed.

Then in the big eighth, Joe Donner led off with a walk, went to second on an error. Stan Nirdler tried to bunt and popped up. But when the Barons' pitcher tried to double off the base runner he threw wide and Donner reached second safely. Now, with one out and two strikes on Bob Hubbard, Coach Dick Willing signalled for a steal. Donner sped for third, the ball went wide of the mark, and he continued home for the winning run.

Northville scored another run in their half of the second and added three in the sixth after two Mustangs had fanned.

With the championship already wrapped up, Northville will travel to Clarensville today in an effort to add frosting to the cake. The Mustangs will take a highly-praised Redford Union Saturday and then finish out the season here next Tuesday in a game with arch-rival Plymouth.

"I'll give Redford a real battle," promised Willing, who praised his players for their improved performance over last year's title-winning nine. "They've improved a lot, especially in defense. Their errors are way down."

Northville has an 11-2 mark in the W-O loop and is 12-2 overall.

3rd Straight W-O Championship

"Kept up and giving everything they had" against the Barons," explained the coach, the Mustangs came back with a "mental let-down" the following day to lose to the Bulldogs, a team they had beaten 10-3 earlier in the season.

Nirdler scored Northville's first run in the second but the Mustangs out-front. But the lead was short-lived as the Bulldogs came back with two in their half of the second and then pilled up five more in the fourth.

Taylor was lifted late in the fourth, replaced by Fred Holdsworth.

"In the fifth, Northville threatened

to overtake Brighton, picking up four runs on two errors, a walk and a two-run triple off the bat of Dennis Primeau.

The Wolves invaded Northville Monday in that two-way tie for second, bent on upsetting the high-rising Mustangs. They jumped off to an early two-run lead in the first and maintained their edge until the bottom of the fourth. In that inning, the Mustangs tied the score on three hits by Nirdler, Pat Cayley and Holdsworth, who was the winning hurler.

Northville scored another run in their half of the second and added three in the sixth after two Mustangs had fanned.

Golfers Take 5th In Regional Meet

Foul weather and only fair shooting teamed Thursday up to prevent Northville from qualifying for state golf competition, but the Mustangs nevertheless finished fifth in a field of 21 teams at the regional at Glen Oaks, Northville.

Bloomfield Hills Lasher (353) at 353, Detroit Benedictine took the regional crown, firing a 346. Actively, Benedictine finished in a tie with Monroe Catholic Central but won the meet in a playoff. Detroit Cathedral finished third with 350.

"It was a miserable day," said Coach Al Jones, "rainy, cold and windy. But even so, had the boys shot up to their potential we might have gone all the way."

Kenny Nelsch led for the Mustangs, carding an 85. Tom Fagan followed with an 86. Dan Condon 90 and Billie Thomas 94.

Northville turned up for today's W-O meet, edging both Milford and Livonia Frankin at Meadowbrook Monday. The Mustangs' team score was 176, just ahead of Milford's 173 and Livonia Frankin's 178.

Condon, who Jones calls his most consistent player, fired a 42. Thomas and Fagan finished with 43 and Nelsch 44.

Novi Boosters Elect Officers

Formation of the Athletic Booster's club became a reality last week Wednesday with election of officers and a challenge by Principal Gerald Hartman and Athletic Director John Osborne.

Elected president of the new organization is Charles Boyer, whose sons are star athletes at the high school. Pomeroy, Sid Adema, Elvin Prosch, Robert Platner, Keith Branch, Les Ward and Vernon DeWard.

First major endeavor of the new organization will be a campaign to purchase a lighted scoreboard for the football field. A total of \$215 has already been contributed for this purpose.

Members of the organization, besides offering morale support for athletes and their coaches, membership plan, among other things, to assist in the sale of season tickets, greeting visiting teams and coaches and assist with ticket-taking at the gate of an athletic event.

School Program 'Stands The Test'

EDITOR'S NOTE: Following is the second of four articles concerning the operational millage election slated for June 10 in Northville. It was written by Superintendent Raymond Spear.

The major function of the public school system is to provide an educational program for the children of our country. The types and quality of programs made available to boys and girls are as different as the communities in which they are found.

Northville's educational program, like Northville itself, is different than the programs of surrounding communities. Our program reflects a total budget smaller than many, yet a per pupil cost higher than most.

School Board President Eugene Cook indicated in his article in the May 15, 1968 issue of the Northville Record the reasons why the Board of Education unanimously decided to request a two (2) mill increase in school taxes.

Our "Program of Excellence" stands as the most significant reason for our higher-than-average per pupil costs as well as our need for a two (2) mill increase in school taxes. We believe our educational program stands the test of the label "Program of Excellence."

The excellence of our program comes primarily through the desire and extra efforts of the people of this community to provide an educational program that "truly" meets the individual needs of all of its students.

One might ask, in what way do we meet all needs of our students? Certainly, one of the answers could be that we teach reading, writing and arithmetic. But is this all we should include in our curriculum? What about those students who have difficulty learning to read? Or those students who dislike arithmetic because they don't understand it? What about the students who excel in reading or arithmetic who need the freedom to go beyond that of a rigidly structured curriculum?

What of our children who, through no fault of their own, are handicapped in the middle of a broken home and experience difficulty adjusting to school or society? Those who, again through no fault of their own, experience difficulty in "speaking" properly? Can we afford to ignore these and other similar needs?

Are we meeting needs of the students, community and society when we provide instruction in music and art? Athletic activities outside the minimum that can be provided through our limited physical education program? Through debate activities and Future Teachers of America activities? These are only examples of the many things we are doing to assure ourselves that our children are properly prepared to meet the challenge of tomorrow's ever-changing world.

Did you have an opportunity to see "Bye, Bye, Birdie" last weekend at the High School? If not, I highly recommend that you see it Friday or Saturday this week. It is an outstanding example of the combining of all aspects of our "Program of Excellence."

Have you heard that Northville athletes won the Regional Track Meet last Saturday? Another example of our quality program.

I am extremely pleased and proud of our School System and the people who make it possible. If all communities exerted the "effort" that the taxpayers of Northville do, I am sure that all education would be upgraded.

Northville enjoys a fine reputation for its educational offerings. Can we afford not to continue our present program? The two (2) mills requested by the Board of Education are necessary to continue to offer students what they want and are actively participating in.

It is the intention of the Board of Education to maintain a balanced budget for the 1968-69 school year. Your support is needed to meet this end.

A review of the 1957 and 1964 citizen study of Northville's curriculum indicates that we still have not reached the level of offerings which were recommended by these two citizen groups.

The greatest investment we can make in our own future is to invest in our children's education. It is our children and mine who will control the destiny of our nation in the years to come.

We urge your support in assuring a sound future for the children of the Northville Public Schools District.

Vote Monday, June 10, 1968, and support Northville's "Program of Excellence."

Teachers Support 2-Mill Proposal

For the past three weeks the citizens of Northville have been repeatedly urged to support the millage increase proposed by the Board. The Northville Education association would like to echo those urgings by stating our complete support for the proposal.

Teachers—who are property owners and taxpayers also—are acutely aware of the cost of financing our schools. And as that cost has grown with the post-war baby boom, teachers have paid taxes and supported millage increases each time they were proposed. We do so again.

Perhaps it would be helpful to put Northville's school tax picture in perspective by looking at what other communities are paying for their children's education. The following figures are revealing:

1967 District	In-Crease	Total Levy
Nankin Mills	38.80	38.80
Redford Union	37.90	37.90
Wayne	37.60	74.40
West Bloomfield	33.20	36.20
Clarensville	35.95	35.95
Northville	32.90	34.90
South Lyon	32.10	34.10
Allen Park	34.00	34.00
Livonia	33.90	33.90
Inkster	32.90	32.90
Farmington	32.40	32.40
Bloomfield Hills	32.30	29.30
Plymouth	26.95	1.54 28.45

These figures clearly indicate that the millage request of our board is extremely modest. In fact, the total millage levied in the communities listed above will be about the same or greater than ours if we pass the increase. We would hope that these comparisons establish the reasonableness of the board's proposal.

All over Michigan, communities are wrestling with the growing cost of education because of increased school population, vastly improved and varied curricula, diversified extra-curricular programs, and improved salaries for administration, teachers, maintenance and clerical staff. As a consequence of this, school finance has reached a critical point where it must be decided how to maintain and improve our schools. Several ideas have been discussed, among them federal aid. But in the last analysis, whether by federal aid and perhaps federal control or continued local and state support, the citizens of this nation pay to educate their children. There is no one else

to do it, only the choice to provide the best education available or not. Lincoln held that the duty of the federal government was to help people what they cannot or will not do for themselves. We hope that residents of communities like ours will continue to demonstrate that they can and will support and control their school systems. With this in mind, we urge you to vote "yes" on June 10th.

You are cordially invited to a

Here's 100-Year History Masons Observe Centennial

Northville's Union Chapter Number 55, Royal Arch Masons celebrated its 100th year Saturday night with an anniversary dinner event at the First Presbyterian church Fellowship Hall.

Special guests were the Grand Officers of the state. An address of welcome was given by High Priest Louis R. Tiffin, while James W. Cullimore served as master of ceremonies.

The history of Union Chapter No. 55 and Northville Lodge No. 186 shows the close relationship that existed between the two Masonic Bodies throughout the years. The Lodge and Chapter met in the rooms over W. P. Hangerford's store. This store stood on the present site of the Lapham Bank building and is now occupied by the Northville Record.

In 1880 Brother Barton A. Wheeler began the erection of a new store. The lodge entered into a contract with him, whereby they secured a nine year lease and constructed a second story later in the same year. The Chapter assumed half of this obligation, becoming joint owners with the Lodge. In this same year the Masonic Association was formed. The first Convocation of the chapter

was held in the new hall on July 6, 1881.

On June 4, 1891, Monroe Chapter No. 1 visited Union Chapter No. 55 and conferred the Royal Arch degree. On this occasion they presented Union Chapter with a silken Banner, with the name and number of the Chapter imprinted upon it. This banner is still in the archives of Union Chapter.

In the years following, Union Chapter showed a slow but steady increase in membership.

In 1918 the Chapter celebrated their 50th anniversary with a dinner and program. A number of Grand Chapter officers were present.

The Chapter enjoyed its largest growth in membership in the early 1920's. In 1920 forty-five Companions were exalted; in 1921 the number was eighty-one; and in 1922 the number was ninety. In 1928 the Chapter reached its peak in membership, which was 495.

In 1922 the Masonic Association purchased the Chapman store for 5,500 dollars, of which the Chapter donated \$750.00.

In 1921 the Chapter sponsored a Chapter of De Molar for Boys. This Chapter was named Friendship Chapter.

In 1923, forty-nine members of Union Chapter signed a petition for a dispensation to form a Chapter of Royal Arch Masons in Bedford, Michigan. In the 1930's, the depression years took their toll of the membership of Union Chapter, as they did of many other Masonic Bodies throughout the state. The Lodge and Chapter met in the rooms over W. P. Hangerford's store. This store stood on the present site of the Lapham Bank building and is now occupied by the Northville Record.

Christian Scientists

To Dedicate Church

Christian Scientists of the Plymouth—Northville area will hold special services on Sunday, May 26, marking the dedication of their church edifice at 1100 West Ann Arbor Trail.

Two services will be held, one at the regular hour of 10:30 a.m., and the other at 4:00 p.m. Sunday School will be held during the morning service only, but the infants' room will be open for both services.

First services in the present edifice were held on October 19, 1958. It is the denomination's second church edifice in Plymouth. The first—the steepled brown shingle church which was razed to make way for the City Hall—was the first building in Michigan to be erected as a Christian Science church. Its cornerstone was laid in July 1903, and dedication services, which may not be held until a Christian Science church is free of debt, were held October 3 of that year.

Invitations to attend the dedication services on May 26 have been issued to churches of all denominations, and the public is cordially welcome.

The Church for All... All for the Church

The Church is the greatest factor on earth for the building of character and good citizenship. It is a school of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Novi Policemen Still Organized

Patrolman Robert Starnes, acting president of the Novi Police Officers association informed The News that the police officers association has not disbanded as reported last week.

Starnes said that despite the resignation from the department of the association's former president, George Biggs, and withdrawal of the group's attorney, membership in the active association still includes all Novi police officers below the rank of chief.

Starnes said the association is selecting another attorney to represent the officers. The first attorney, Arnold Shifman, withdrew after Novi Village Attorney Howard Bond raised a point of conflict of interest about Shifman, an assistant Oakland county prosecuting attorney, representing the officers in dealing with a governmental unit in the county.

"We lost a fine attorney," Starnes said, "but not our main objective, which is to bring the Novi police department at least up to par with neighboring communities in the areas of salaries, benefits, and department strength."

Starnes said the association is seeking another attorney to represent the officers. PRESCRIPTION EMERGENCY SERVICE DAY NIGHT FI-9-0850 FI-9-6512

Municipal Court

Two escapes from Detroit House of Correction, three disorderly person charges and five driving violations were among the cases in Northville municipal court last week.

Isaac Arden Kelly of Plymouth was charged May 16 with driving under the influence of alcohol and with no operator's license. He pleaded guilty to both counts, was fined \$100 or 20 days on the first and \$25 or 5 days on the second. He was confined to Detroit House of Correction Friday and his license was revoked for 90 days.

John Graham Clark, Detroit, was arraigned May 13 on the charge of disorderly person-vagrancy. He pleaded guilty and paid a fine of \$50 and \$3 costs.

Sheldon Widening Close

The widening program for Sheldon road south of Northville moved appreciably by the passage of House Bill 3740, introduced by State Representative Louis E. Schmidt.

The bill, when signed by the Governor, will authorize the State Administrative board's transfer of land along the Plymouth State Home and Training School property to the Wayne county road commission. The property will be conveyed without any monetary consideration on the basis that the road commission will bear the cost of construction.

According to Representative Schmidt he has discussed the potential problems with representatives of the county because of traffic patterns on Main and Center streets in Northville.

Studies are in process regarding the routing of traffic from the south, through the Northville area to I-96 and U.S. 16. A special Northville committee has also been studying alternate routes to divert traffic from Main and Center streets and has met with the County road commission as well as other groups in an effort to resolve the traffic bottleneck.

Slates Michigan Week Bash

Due to the unexpected breakup of The Talisman who were scheduled to appear at The Cavern this Saturday night (8:00-11:30 p.m.), Cavern officials disclosed that they urgently need help from both members and non-members alike Saturday morning to accommodate The Amboy Dukes for The Cavern's Michigan Week Dance.

Both can be heard on WABX 99.5 on your radio dial. Also, as an added bonus, The Amboy Dukes will appear on Swingin' Time Saturday where you can hear them and see them before seeing them at The Cavern live and in person.

According to Cavern Entertainment Chairman Peg Tullikka, "The Amboy Dukes have been on tour all over the nation, in fact they are making their final appearance here in the Detroit Area before going on to Florida."

Senior Activities Gaining Momentum

A Midsummer Night's Dream, Northville high school's annual Senior Prom, marked the first of two senior activities scheduled for the month of May.

The prom is being held tonight (Thursday) at the Raleigh House on

Telegraph and 10 1/2 Mile road. A \$15 cover charge includes a six-course dinner of prime rib flambeau, not to mention the entertainment supplied by the Bob Durant Orchestra and Ron Coden, a folk singer and comedian. Friday provides a Senior Skip Day from classes, due to the previous night's festivities, which also is an annual tradition.

Four chaperones and 75 seniors are scheduled to see such sights as a Broadway musical (19 are attending for an additional cost of \$6.00 to the approximate \$80.00 fee for the New York bus trip), Staten Island, Manhattan, Greenwich Village, and the Bowery.

SPEAKING for The Record

Irving J. Rubin is the director of an organization called TALUS (Detroit Regional Transportation and Land Use Study)...

Monday noon he was guest speaker at the annual Michigan Week Mayors' Exchange Day dinner...

I suspect most of us presumed Rubin would extol the glories of our state by listing its many achievements in the fields of industry, agriculture, education, etc.

Professionally, Rubin is a planner. Logically, his chief concern for the seven-county metropolitan area he represents should be to figure out how to provide such facilities as highways, airports, incinerators, housing, etc.

What about education, he asks. How much is spent per pupil in the school systems where youngsters really need to be encouraged and stimulated to learn, compared to systems where there's already stimulation in the home?

To Rubin planning is more than a mathematical formula. There's social concern, too. What does it do and for people, he asked.

Top of the Deck

It never pays to discuss shop at home; it's like mixing Drums and Rock n' Roll.

My unspoken initial reaction was: "Well, that's simple enough. If the law says it's unswivel then it shouldn't be permitted."

A number of answers were tossed out by planners, one of which included this ground-rule: If it's advertised then it's a business and should be prohibited.

Novi Citizens Win Fight To Block Townehouses

Novi's community building was the arena for conflicting aims and viewpoints on the future of Novi Tuesday night as citizens turned out in force to argue against developers' requests for zoning changes to permit construction of multiple-family dwellings.

The planning board voted 4-3 to recommend the council deny the request, but the council referred the matter back to the planners for reconsideration.

The planning board and the council did approve one request for a change to restricted manufacturing from a general commercial classification. The request was made by Edgar S. Mather, Jr. for a small parcel on Beck road south of Grand River.

Even Mather ran into trouble on his request, but the council referred the matter back to the planners for reconsideration. The planning board and the council did approve one request for a change to restricted manufacturing from a general commercial classification. The request was made by Edgar S. Mather, Jr. for a small parcel on Beck road south of Grand River.

OUTDOOR CONCERT—Before the rains came, pupils at Orchard Hills elementary school were treated to a special outdoor concert by Novi's high school band. With flags flying on either side of them in front of the school's multipurpose room, the bandmen—in their new dress uniforms—played a variety of numbers for the students seated and standing in the foreground.

Asks For Renewal, Not Increase Millage Question's Puzzling

Possibility that Novi voters may misinterpret the two millage proposals to appear on the June 10 school election ballot is worrying school officials.

Specifically, the problem is this: Because of legal technicalities, one of the proposals must appear on the ballot as additional millage when in reality it represents a five-year extension of the current 5.5 mills for operation.

The second proposal—1.5 mills—represents an addition to the 5.5 mills.

School Superintendent Thomas Dale, who along with board members recommends approval of both proposals, emphasizes that the 5.5 mill proposal "is not an additional levy." Without it, he adds, Novi not only will be unable to maintain its present program but will fall far short of meeting obligations for operation of an expanded high school curriculum to include a 12th grade.

The additional 1.5 proposal, he explained, would provide about \$40,000 additional funds. These additional monies would be used to hire additional teachers necessary to meet standards of high school accreditation and two additional elementary school teachers, he said.

"Since our high school was established, the school board has progressed, in a systematic manner, toward the goal of a full K-12 program which would be recognized as excellent. This achievement is very near realization...this fall grade 12 will be established. They will graduate in June of 1969."

"The acceptance of these proposals by the voters would make a total millage package of \$27.20 per thousand, which is less than any of the surrounding districts and less than 95-percent of the districts in Wayne and Oakland counties," Dale said.

According to Dale, cost of educating its own seniors will be slightly higher than it cost Novi to send seniors to Northville. This year, some 80 Novi students are enrolled in Northville's senior class.

Novi's student enrollment is expected, because of the added grade and regular annual growth, to reach 1,550—about 225 more than presently enrolled here.

The addition of a 12th grade at Novi, Dale said, will necessitate the hiring of five additional teachers. To provide a more rounded curriculum at the elementary level and to meet requirements of accreditation at the secondary level, need for four or five more teachers is anticipated. The 1.5 additional levy would provide for the latter four, Dale said.

Additional teacher positions at the high school will include one and perhaps two English, government, industrial arts, physics, business education and history. At the elementary level, additions in music, remedial reading and library are planned—provided the 1.5 millage proposal carries.

All registered voters within the Novi school district may vote on the two millage proposals and the candidates for the board. Absentee ballots are available at the school board office in the high school.

Candidates for the school board include:

- Three year terms—Herbert E. Anderson, Harley Beach, Elizabeth E. Berry, Keith J. Branch, Dorothy Farah, and Gilbert D. Henderson.
- Four year terms—G. Russell Taylor, incumbent; Vern M. DeWard, Ralph J. MacKay, and Benjamin F. Pierce, Jr.

Of the candidates will be elected—two for three-year terms and two for four-year terms.

KING 'N QUEEN—Gregory Enders and Nancy Wilson were crowned kindergarten king and queen of the coronation taking place Thursday, focusing on Michigan Week. The kindergartners, shown here with Principal Elaine Fox, are the children of Mr. and Mrs. Lanny Enders, 46920 12 Mile road, and Mr. and Mrs. James Wilson, 1226 Bell Covey. Runners up for the annual, covered title were Linda Zacks and Mark Southward. The winners presented the key to the president of Schoolcraft and led the parade in the Wixom fire truck for Michigan Week festivities.

Northville Downs Opens Thursday

Harness racing moves to Northville Downs Thursday night to open a season that Executive Manager John Carlo expects to be the biggest ever in the 25-year history of the Northville track.

Night pari-mutuel harness racing was pioneered in Michigan at Northville Downs beginning in 1944.

Big 'If' Looms For Clubhouse

A million-dollar clubhouse is slated for construction at Northville Downs at the close of the current season, if the city council approves the plan.

The "if" Downs Executive Manager John Carlo said, depends upon the city and the county. The latter must agree to permit a small slice of park land on the south side of Hines drive (Seven Mile road) near Sheldon to be used for the extension of Wing street through to Hines drive.

The city council must then undertake the street extension project. Mayor A. M. Allen and the city council have indicated agreement on the project. County approval also seems likely.

The new clubhouse will boost betting and attendance by 25 per cent, Carlo predicts. During the opening and closing hours of the track, traffic would be diverted onto the Wing street extension so that entry into the clubhouse parking area could be accomplished off South Center street (Sheldon).

City Charter Due Within 90 Days

With Novi citizens saying a loud "Yes" to cityhood in the election, responsibility for taking the first steps falls to the nine men elected to the charter commission.

Under law they must hold their first meeting within 10 days of the election and elect the officers who will govern the operations of the commission.

A primary duty of the commission will be to write a charter for governing the new city.

They are given 90 days to write the charter, which must be approved by the citizens in the voting booth.

Village Attorney Howard Bond said at a recent council meeting that under present statutes Novi would legally

adopted. The new city then has up to one year to prepare ordinances for the new governmental unit.

Parade Set Thursday

The annual Novi Memorial Day parade is scheduled to start at 9:30 Thursday morning at the Novi Cemetery. Parade units will assemble at 9:00 for the march along the parade route down Novi road to the Oakland Hills Cemetery.

Novi's Miss Michigan, Virginia Cliff, is expected to be among the participants.

Services will be held at each cemetery stop for ceremonies, including a VFW color guard, that will note recognition for the men and women who made the supreme sacrifice in service of our country.
