

Michigan School Districts

OK Record Number of Millage Issues

Michigan school districts passed a record number of renewals and increases in taxation rates for operation, President Frank Heseltun of the Michigan Association of School Boards revealed this week.

The highest millage passed, reported to the state office, was at Bessemer for 35 mills. The largest number of millages were passed for \$1 to \$1.99 per \$1,000 of valuation and the next largest for \$5 to \$5.99 per \$1,000.

Meanwhile, the Michigan Education Association revealed that the number of teacher contract settlements this year seem to be running a little ahead of last year. Two-hundred and eleven MEA units have now reported agreements reached in their districts. Approximately the same number of agreements was reported on August 1, 1967.

According to the MEA, approximately 60 of the more than 300 unsettled school districts are using the services of the State Labor Mediation Board. In a few districts—including Northville—negotiations have been suspended and will resume in August.

In its own report on millage issues, the MEA said that 277 of the 300 millage issues on June 10 were approved, 83 turned down.

"There is much concern by all parties over proposed 'cut programs' as a result of some of the millage failures," reported the MEA. "Elections will be held again this summer and early fall in some of the districts."

As of June 27, the only districts reporting teacher contract settlements in this area are Novi, Waterford and Bloomfield Hills.

Northville, Novi Students Win Boys State Elections

Several Northville-Nowi area boys were elected to mythical state, county and local municipal offices during the annual Boys State program at Michigan State University.

Sponsored by the American Legion, the program gives outstanding boys, selected by their local schools, a first-hand experience in the working of government.

Those elected to office and their sponsors are:

Mark Buoniconto, son of Dr. Pasquale Buoniconto, 16000 Sheldon Road, sponsored by the Northville Rotary Club, elected county secretary and supervisor.

Craig Turnbull, son of Mr. and Mrs. Bruce L. Turnbull of 350 Eaton Drive, sponsored by Our Lady of Victory Men's Club, elected state representative.

Tom Lepper, son of Mr. and Mrs. Eugene Lepper of 946 Novi Street, sponsored by the Northville VFW, elected county supervisor.

Herman Wedemeyer, son of Mr. and Mrs. Herman Wedemeyer of 45189 West Nine Mile Road, sponsored by the Northville P-TA, elected city assessor.

John Pauli, son of Mr. and Mrs. Frank Pauli, 508 Gardner, sponsored by the Northville Optimist Club, elected to the board of advisors.

George Whitesell, Jr., son of Mr. and Mrs. George Whitesell, 16931 Franklin Road, sponsored by the Northville American Legion, elected city councilman.

Robert Kelley, son of Mr. and Mrs. Robert Kelley, 22279 Haggerty, elected notary public.

Stan Nirider, son of Mr. and Mrs. Essie Nirider of 985 Grace Street, sponsored by the Northville Methodist Men's Club, elected city surveyor.

Gerry Courtney, son of Mr. and Mrs. Thomas Courtney of 23830 Meadowbrook Road, sponsored by the Willowbrook Civic Association, elected street commissioner.

Michael C. Skelly, son of Mr. and Mrs. Raphael Skelly of 101 Hill Street,

Avery Assemblage Speaks Up

DARYL HOLLOWAN

Those of you who scoffed at the closing paragraph of my column last week need read no further; however, for those who did not scoff I wish to inform you that I did obtain an exclusive interview with The Stuart Avery Assemblage.

I completed most of the interview before they performed on stage at The Cavern Friday night, and finished it after the show.

The Assemblage is made up of Stuart Avery as the lead vocalist, "The Snake" Jim Borisen on bass, Dave Harrison playing second lead guitar, "The Wizard" Paul Kingery on lead guitar, Tim Lambert punching the electric piano, the "Baby John" Orlick in charge of the driving drums.

The Assemblage currently is in the producing stages of an album on a Detroit subsidiary label of RCA. They're writing their own material, and have thus far completed one side of their LP.

Stu, Tim, and The Wizard are in charge of writing the songs but everyone contributes. For example, Baby John is credited with one line of one verse to one of their original compositions.

Two selections to be used by the musicians from Manchester on their forthcoming LP are "Stuart Avery Meets Peter and the Wolf" and "Tinker Tailor."

I was informed that The Stuart Avery Assemblage will be going on the road update, but will be at The Grande Ballroom July 21 with The Fever Tree.

The Assemblage also has played alongside The Yardbirds and The Blues Magos, the latter having appeared at The Cavern last May when the audience bestowed upon the SA an equal if not better reaction and ovation which was received by The Magos, making them a smashing hit for the evening.

Having been together a year this coming August, Stuart Avery feels that "We have been very lucky so far."

"We have a very big following despite the fact that we have had no recordings to date. The Scott Richard Case and The Ambroy Dukes are leaving, so there are no big name area bands left."

"With this in mind, we hope to hit it big by September when our album comes out, so as to keep at least one name band in the local area."

Before going on stage for their set, I asked The Assemblage how they came upon the name of The Stuart Avery Assemblage.

Stu spoke up saying, "I'm Stuart Avery, and they were The Assemblage. They're there and I was here—it was fate."

When The Stuart Avery Assemblage appeared on stage for their performance at The Cavern the six man group picked up where The Frigid Pink left off, making it one of the most outstanding Cavern Bash performances in a good while.

When you speak of showmanship, you speak of The Stuart Avery Assemblage. As was The Frigid Pink equipped with a light show to enhance their own performance. The Assemblage followed right in step with their own branded style of heavy-rock performance.

During their first piece blue smoke began pouring forth from behind an

amplifier as The Wizard and Stuart Avery guided its flight through a series of locus pocus gestures and motions.

The audience was nearly packed in as they crowded around the stage to become a part of the following paying strict attention to The Assemblage.

A stand-out performance by Stu himself was constant throughout the entire remainder of the evening as he pointed to individuals in the crowd and sang to them, moving back and forth across the stage as he sang to each person in turn.

An added highlight of their unique showmanship was a crew of equipment managers leaping on stage during the performance to assist in the function of the group.

One assistant scurried on stage with furniture polish, and began spraying and polishing The Wizard's guitar to keep his fingers from losing their all important grip.

Yet another dashed around from the stage wings, tea kettle in hand, issuing liquid refreshment as requested by each member, whether he be Baby John, The Wizard, Stuart Avery, The Snake on bass, Dave Harrison backing up lead, or Tim Lambert engineering the electric piano.

Still another would leap on stage from the midst of the crowd to set up Baby John's drum cymbals, catch Stuart Avery's falling microphone, or to aid with someone's amp adjustments.

All in all it was, in my opinion, a great performance by The Stuart Avery Assemblage, a truly unique group which may very possibly make their fifth appearance at The Cavern next month.

The Stuart Avery Assemblage, as a group sentiment, made a very favorable and fond remark regarding The Cavern and the types of teens both from Northville and out of town who attend the dances:

"We'd like to thank the kids at The Cavern because they are the ones who started us off and gave us the needed boost."

"This is our fourth appearance at The Cavern, and we feel that the kids here are comparable to the ones at The Grande Ballroom, because we get as nice and decent reception at The Cavern as we do at The Grande."

"Everyone else at other teen clubs seem to be conceited in that they expect the world of every group which performs for them. They won't appreciate a band unless the music is of the quality and the consistency of the nationally acclaimed groups."

Before closing this week's Troglodytes, I remind you that this Friday night The Cavern hosts The Woolies ("Who Do You Love?") along with The Nickel Plated Express—a group which has been performing at clubs around the state.

Admission is \$1 members, \$1.50 non-members to a Cavern Bash once again featuring heavy rock and music you can dance to

Only Eastern flies you to San Juan without stopping.

without stopping.

Growing concern over another possible court suit initiated by the township has spurred the Novi City Charter Commission into establishing a tentative completion date—August 8.

The big concern revolves around a requirement that the charter be completed within 90 days after the first meeting of the commission, although Attorney Howard Bond has explained that there is legal precedent to indicate the time-table may be extended.

Under the 90-day time-table, the deadline is August 28.

Urging completion within the 90 days Thursday was the Novi Jaycees, the organization which backed the city incorporation election and worked to gain its approval.

"We're (Jaycees) very concerned over the 90-day deadline to avoid any court suit. We urge the commission to complete the charter within that period," said Charles Collins, past president of the Novi Jaycees.

Members of the commission itself were anxious to complete the charter to avoid any "error" the township incorporation movement. In fact, Bond said he favored completion within the 90-day period, too.

"I had hoped we would be through long before 90 days. I just don't think it requires that much time," Bond said.

Earlier it has been the general consensus of the commission that it charter possible without considering the 90-day limitation. In voting on the August 8 tentative

You can spend a week on Eastern's exclusive Puerto Rico Special vacation for as low as \$233* a person, hotel and round-trip jet fare included. If you like, you can charge everything on Eastern's Charge-A-Trip plan. See a Travel Agent. Or call Eastern day or night at 965-8200.

THE NOVI NEWS

OFFICIAL NEWSPAPER OF THE VILLAGE AND TOWNSHIP OF NOVI, AND THE CITY OF WIXOM
 Vol. 15, No. 9, 26 Pages, Two Sections • Novi, Michigan • Thursday, July 18, 1968 • 10¢ Per Copy, \$4 Per Year In Advance

Ambulance Service: Community Problem?

Much of a long Novi Council meeting Monday night was consumed by the complaints of representatives of three subdivisions whose problems with drains and roads have been compounded by recent heavy rains, plus considerable discussion on a matter that plagues councils everywhere now: what to do about affording ambulance services.

As to ambulances, representatives from two outside services and Bert Harbin, representing himself and Fred Casterline appeared with an outline of what they could offer. The owners of Fleet Ambulance Service and of General Ambulance Service explained that they contract with various cities to handle their calls on a contract basis: a flat rate per month plus a base fee of \$25 for every call directed to them from the police and fire departments—and mileage of \$1 per mile locally to the point of pick-up and back to the hospital.

They both said that if the bill the person transported, but if the account is uncollectable after three months, the cities guarantee payment. Also for those county areas that are unincorporated, they have a contract with Oakland County to pay uncollectable accounts.

Marshbanks of General Ambulance pointed out that even at these rates, he "loses money on his agreements," but is under contract. He said because of regulations that have come up under Medicare, the price of ambulance service has skyrocketed to where "to make money we should charge \$50 or even \$75 per call—ridiculous as this sounds. We're operating under a much different situation than undertakers were when they could pick up a patient for \$8 for the county a year and a half ago."

Council voted to write to all ambulance services in the area asking for the prices and terms before they determine how to handle the problem of ready service for residents. Councilman Leo Harrawood insisted there is no money in the budget to cover such a service. (The hope is that by the time a decision is made on how to handle it, a surplus may show in the budget to pay for it.)

Harbin came quickly to the point that stabs councilmen everywhere: "Are you going to need service for your people? Where are you going to get it? You are talking about human lives. This is not the ambulance owners' problem. This is Novi's problem."

Perhaps the most significant comment by Ackley was his contention that no charter, whether it provides for a manager or a strong mayor, should be "enforced to the letter." He contended that the chief administrator must use common sense in trying to enforce the ordinance. The present charter, for example, provides the manager with all the powers he needs, said Ackley, but if the manager used all of the powers at his command he could easily become "a dictator."

Ackley said his philosophy has been based upon a statement by Abraham Lincoln, who said "use only the powers you must, not all the powers you have."

For Low Income Groups Legal Help Offered Here

Families with sub-standard incomes may now receive legal help from a new agency that has opened its doors at 25850 Novi Road, Novi.

It is the Legal Aid Society established by the Oakland County Bar Association, and funded by the federal Office of Economic Opportunity but operated completely under the auspices of the bar association.

Edward D. Gold of Royal Oak, supervising attorney for two of the four legal aid offices in Oakland County, is in charge of the Novi office. Gold said this location was chosen because it is in the center of the areas that primarily need its services, Walled Lake, Farmington and South Lyon, and is near to those other places it services such as Keego Harbor, Union Lake, and other surrounding communities, excluding any in Wayne County.

Mrs. Marcelaine McMillan of Northville is Gold's secretary. She joined the agency the end of June. "We still need another assistant," Gold said, "someone who will do some investigating of the information given us by potential clients and will file papers, preferably someone who knows the area well. The person we hire will be more of a lawyer's assistant, but will be classified as a 'community aide.'"

Mrs. McMillan is in the office from 9 to 5, Monday through Friday, but appointments with Gold are made for Tuesdays and Thursdays only. "We do not accept any client that can afford a private lawyer," he pointed out. We are set up to serve only those cases that would otherwise not be taken care of in any court because of lack of funds."

The Legal Aid Society handles such matters as welfare problems,

landlord-tenant disputes, public housing issues, sales contracts, garnishments, veterans problems, adoptions, paternity and divorce cases."

The Board of Directors of the independent organization initiated by the Oakland County Bar Association consists of both laymen and members of the bar.

For the most part, in order to qualify for help from this Society, a single person would have to have an income of only \$1,600 per year, or if he receives his income from farming, only \$1,100. A family of two would qualify if its earnings were only \$2,000; \$1,400 in the case of farm income. The qualifying guide progresses until a family of eight might earn \$5,300 and still qualify (if they were farmers, \$3,700).

Doors Also Open For Job Placement

A District Office of Economic Opportunity has been established in Novi, in addition to the sub-center that has been located in the village hall for some time.

The district office, in charge of Mrs. Leona Edwards, is at 25914 Novi Road, sharing office space belonging to another newly established agency, The Legal Aid Society (see related story).

Working with Mrs. Edwards are several local assistants, including Mrs. William Lippert, community aide, Mrs. Bernard Taylor, secretary, Mrs. Steven Kadella, Mrs. Iris Chamberlain, Mary Ellen Pearson, and the sub-station director, Mrs. Roy Carps.

Both offices are for the purpose of seeking out those who need assistance concerning job placement, counseling, vocational rehabilitation, budgets or family problems and referring them to an agency that can give them the help they need. In other words, the OEO offices, on the local level as well as on the district level, are set up to let poverty-stricken people know that aid is available.

The OEO works through established agencies, then, to help remedy disease, hunger, bad housing, delinquency, inadequate education, to recommend legal help and give any other assistance along these lines that low income families may need.

The sub-center office serves Novi and Walled Lake and holds office hours on Tuesdays from 9 to 12 noon and on Wednesdays from 1 to 5 p.m. The South Lyon sub-center at 425 Donovan Street (Phone 437-6340) is open from 1 to 5 p.m. on Mondays.

Both of these offices are among those in the district served by the new OEO office which is open 9 to 5 p.m. from Monday through Friday. The biggest problem to OEO faces in serving qualified families is that of transportation.

water, too! Meadowbrook Lake Subdivision has so much water, Council was told, mostly because the river banks with debris and dams it up, that "engineers say within three years this \$12 million subdivision won't be worth a damn."

In addition to drainage trouble of the type that has plagued Pioneer Meadows, Lashbrook also has the drainage of a septic tank or so into the lake. All representatives at the meeting insisted none of their drainage trouble started with the June floods—they simply worsened with them.

Councilmen voted to hire Ray Warren to give them an estimate of the cost of bringing the drains in Pioneer Meadows to a point where the water at least will drain in one direction—off the properties; and to give another estimate as to the cost for bringing roads up to standard.

A spokesman of Meadowbrook Lane received permission to appear on the agenda of the next regular meeting to plead the case of this area. He said he can produce statements from the Oakland County Drain Commission, the Corps of Army Engineers and other engineers to substantiate the facts he touched on briefly Monday night.

In the Lashbrook area, Village Manager Harold Ackley said he has asked for an opinion from the village

OK Rezoning On Nine Mile

The Village of Novi Planning Board held a public hearing on a zoning ordinance change which was accepted Wednesday night. A special meeting followed.

The board adopted the proposed amendment which will rezone property adjacent to Meadowbrook Lake Subdivision from M-3, general manufacturing, to M-1, light manufacturing. Some 20 residents of the subdivision attended the public hearing. William Martin served as their spokesman.

In discussion at the special meeting that followed, a spokesman for Villikan-Leman and Associates Planning consultant, said the firm is going to "follow the trend" of eliminating R-1 zoning districts.

The planning board now is to write a letter to council indicating the fees that it should set up for site plan approval. Council will then have to pass a resolution to establish these fees that the developers will have to pay for having a site plan reviewed.

Chloride is to be applied to Thirteen Mile Road this week, Council assured a resident of that road.

Four Mower-Tractor bids were opened; the tractor is to be bought for \$2,885 from Broquet Ford Tractor Equipment of Eight Mile Road.

Novi Charter Commission Sets Deadline

Completion date, only David Harrison and William Brinker opposed it. (Commissioner Denis Berry was not present at the time, having been rushed to the hospital, nor was Commissioner William Dusey, who is vacationing).

The 90-day limitation, according to Bond, means the commission should complete, approve and send the charter to Lansing for state approval by August 28. He suggested the commission at the time of completion set an election date far enough in advance of the charter's submission to Lansing to allow sufficient time for approval. Two months (or sometime in October) probably would be an adequate waiting period before the election, he suggested.

The election will be for the purpose of submitting the proposed charter to citizens of the village for their approval or disapproval.

Reason for the concern of most commissioners and the Jaycees is the persistent effort by the township to upset incorporation of Novi. In and out of Oakland County Circuit Court several times and twice before the Michigan Court of Appeals, the incorporation issue is now being carried to the Supreme Court by the township, Bond reported Thursday.

(The township contends Novi does not have a sufficient per-square mile population to lawfully incorporate as a city).

Another nagging problem came up Thursday—this one concerning an earlier decision by the commission to provide a manager form of government in the new city charter. Subsequent to the decision, the commission voted to reconsider it and then to table it. Because one commissioner (Joseph Crupi) was absent and another, Harrison, abstained from voting on the original motion neither could vote to reconsider or to table.

Thursday, Commissioner Edwin Presnell pointed out that unless the tabling action is reconsidered within

Commissioner Collapses

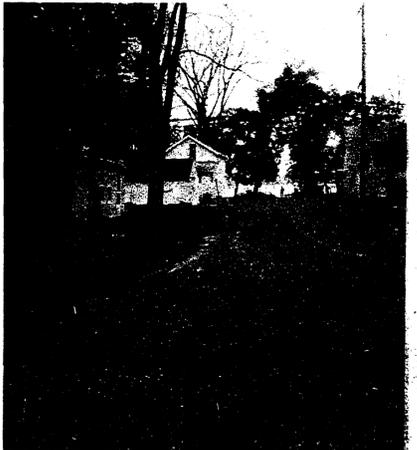

A commissioner was rushed to the hospital from the Novi City Charter Commission meeting Thursday night, suffering from exhaustion.

Denis Berry had arrived late to meet with the other commissioners because a Little League World Series game had gone into extra innings. Berry had been umpiring behind the plate in a hot game—both weatherwise and ballgame-wise—and had dashed home to dress for the charter meeting.

He returned home Sunday, Mrs. Berry said, and was ordered "to get a lot of rest" by his doctor who said his collapse was due to exhaustion. He hopes to return to his work in Detroit later this week.

Mid-way through the meeting he collapsed. Police Chief Lee BeGole and firemen administered oxygen at the village hall, and the Harbin ambulance took Berry to Botsford General Hospital.

He returned home Sunday, Mrs. Berry said, and was ordered "to get a lot of rest" by his doctor who said his collapse was due to exhaustion. He hopes to return to his work in Detroit later this week.

PROBLEM ROAD—Too much gravel and bad drainage plagues Lashbrook Street, a spokesman complained to village councilmen Monday night.

Vows Spoken in Candlelight

In an evening candlelight ceremony Friday, July 5, Teresa Marie Vogt became the bride of Michael Allan Mahoney. The wedding took place in the First Baptist Church of Northville, with the Reverend Robert

Spoding officiating. The church was decorated with floral bouquets of gladiolus and mums. Mrs. Dewey Gardner supplied organ music for the ceremony. Given in marriage by her uncle,

Mr. Dalton Craig of Dyersburg, Tennessee, the bride is the daughter of Mrs. Myriam Vogt of Northville and Mr. Timothy Vogt of San Jose, California. The parents of the bridegroom are Mr. and Mrs. James D.

Mahoney of Rogers Street. The bride wore a floor-length wedding dress trimmed with lace and tiny pearls. The gown had a portrait lace neckline accented by a shoulder length, bouffant veil. It featured a long train. She carried a cascade of miniature white carnations, stephanotis and red sweetheart roses.

Cari Loeffler of Northville was the maid of honor. She wore a dress of pastel yellow chiffon over taffeta. Her noseyay contained an arrangement of gladiolus, miniature carnations, roses and star flowers.

Serving as bridesmaids were Rochel Kihland and Maryann Rutland. They wore floor-length green pastels with chiffon over taffeta. Two sisters of the bridegroom, Janet and Sally Mahoney, served as flower girls. The ring bearer was Rhandel Priest, a cousin of the bride.

Others in the wedding party included Tony Mahoney, the best man, and usher Earl Leavenworth and Jane Chappell.

Mrs. Mahoney, the mother of the bridegroom wore an embroidered blue linen with pink accessories. The bride's mother chose a turquoise costume with matching accessories.

Following the wedding, a reception was held in the home of the bridegroom's parents. It was attended by 100 friends and relatives of the families.

After a wedding trip to Niagara Falls, Canada, the new couple plan to make their home in Westland Estates in Westland. Both attended the Northville public schools.

about Women and the family

MR. AND MRS. MICHAEL A. MAHONEY

Mrs. Marjorie Lanning

Birthday Party Surprises Her

In celebration of her 75th birthday Sunday, Mrs. Marjorie Lanning sat down to luncheon with several members of her family. During the course of the meal she was casually handed an invitation to a surprise open house being held in her honor at the Methodist Church that afternoon.

Mrs. Lanning was quite overcome because, she says, this is the first birthday party she can ever remember having. A resident of Northville for many years, Mrs. Lanning lives at 214 North Wing Street. She used to be in the insurance business and is still kept busy each spring helping people with their tax returns. She also is actively involved in the Methodist Church where the party was held in her honor.

The open house, lasting from 2 to 5 in the afternoon was attended by more than 60 persons. It is amazing, says Mrs. Lanning, "that the 150 people who knew managed to surprise me on that afternoon."

The "marvelous" affair was organized by Mrs. Lanning's three children who had been planning the event since labor day. They are Mr. and

Mr. Floyd Lanning of Detroit, Mr. and Mrs. Edward P. Lanning of New York, and Major and Mrs. Ted Baldwin of Edgewood Arsenal, Maryland.

Decorating the serving table were the two tall arrangements of flowers which graced the altar that morning. The bouquets consisted of mums and white daisies entwined among glass.

Assisting with the refreshments were several ladies from the church. Mrs. Myron Utley served coffee, Mrs. Erna Clark served cake, and Mrs. Horace Assenbacher served punch. The guest book was supervised by Mrs. Mabel Cooley.

Also attending the openhouse were five grandchildren of Mrs. Lanning.

U-F Names 1968 Chief

A Northville homemaker, Mrs. Larry W. McGlade of 551 Reed Avenue, has been named a division chairman for Livonia in the United Foundation Recruitment Corps.

Her responsibility will be to seek advance commitments from residents of north Livonia to accept campaign assignments during the 20th annual Torch Drive.

She will contact women's organizations and church groups in the area in an effort to interest others in volunteer work.

Her husband is sales manager for Perkins Engines, Inc. They have a son, Mark, 6, and a daughter, Coleen, 1.

OPEN FRIDAY 'TIL 9

In Pilot Project Here

Children Learn to Like Studies

"The school cannot make the sun rise, but it can let in the sunlight." This quote makes sense this summer as "sunshine" pours into a Northville school pilot study program. Through the program, 43 children are finding out that learning can be exciting and fun as well as valuable. The project aims to meet the learning needs of elementary-aged

students through an activity-oriented program. The children from OLV and the Northville public schools will be in session for six weeks, from June 24 to August 2, from 8 a.m. to 12 p.m. weekdays.

Purpose of the project is manifold, states Miss Florence Panatoni, curriculum coordinator. In establishing the enrichment program the school system is exploring

POOL FUN-It may be early morning when youngsters of the pilot study program head for Northville State Hospital, but it's an eager, excited group anxious to get into the hospital's swimming pool.

News Around Northville

Sharon O'Brien and Peter Wharton, both 1965 graduates of Northville High School, have set their wedding date for August 9.

In honor of the occasion a miscellaneous shower was given for the bride-elect on Friday. The shower was given by Camille and Margaret

Wojciechowski, two sisters who are friends of the bride. Guests attended from throughout the state including Northville, Ferndale, Plymouth, South Lyon and Maybee.

Camille Wojciechowski will be serving as a bridesmaid at the wedding later this summer.

Sharon is the daughter of Mr. and Mrs. William O'Brien of 18831 Beck Road.

Approximately 2,000 students from throughout the country are attending the national music and arts camp at the University of Kansas.

Attending from Northville is Mavis Donahue, the daughter of Mr. and Mrs. William P. Donahue of 586 Reed Street.

Mavis or "Mickey" as her friends call her, is a senior at Northville High School. Last June she entered the camp in order to take some advanced courses in French.

She first became interested in the camp through Donald Brown, her guidance counselor at school. Since arrival in Kansas, she reports she has greatly improved her French and has met an interesting number of young people from across the nation.

Ice tinkles and splashing water set the tune for the annual Hawaiian Luau extravaganza held Saturday at Meadowbrook Country Club.

The affair began with a buffet dinner at 6:30 p.m. A large selection of Hawaiian hors d'oeuvres was served. This was followed by a large buffet dinner having 14 entrees of the same Polynesian-type food.

Music was presented by the Pete Balters band as members relaxed inside and around the pool. Highlighting the entertainment was the floor-show which featured a troupe of comedian swimmers and divers. The party broke up about 2 a.m.

Engagements Announced

ROSE MARIE HAMILTON

Mr. and Mrs. Robert B. Hamilton of 49881 W. Seven Mile announce the engagement of their daughter, Rose Marie Hamilton, to Peter Hampton. He is the son of Mrs. Donna Mae Hampton and the late John James Hampton of Livonia.

The couple have planned a wedding in late October.

CATHERINE BEARD

Mr. and Mrs. Paul Marshall Beard of 41261 8 Mile Road announce the engagement of their daughter, Catherine Louise, to Elwyn Jon Kaake, son of Mr. and Mrs. Elwyn Russell Kaake of 46234 Fonner Court.

The young couple are students at Michigan State University, presently enrolled in their junior year. She is an education major and he is enrolled in the college of engineering.

A December wedding is planned.

MARGARET ANN McKEEVER

Mrs. Vivian McKeever announces the engagement of her daughter Margaret Ann (Peggy), to Lance Corporal Michael J. Sissen.

The bride-elect, a 1968 graduate of Northville High School, is the daughter of Mrs. McKeever of 1027 Allen Drive and the late Leo J. McKeever.

The future bridegroom is the son of Mr. and Mrs. C. J. Sissen of 319 South Ely Drive and is a 1967 graduate of Northville High School.

A March wedding is planned.

Town Hall Shares Profits

Eight organizations benefited by \$665 accumulated by the Board of Awards Committee of the Northville Town Hall and divided among these groups at the June 11 meeting of the committee at the Town Hall.

Northville Jaycees received \$50 for their July 4 parade and celebration; Northville King's Daughters received \$100 for community charity programs

in 1968. The Our Lady of Providence School received \$50, the use of which they are asked to report to the Board of Awards.

A special request for lawn chairs at the Northville State Hospital was granted, with \$50 sent for this purpose. The group sent \$115 for orthopedic shoes and braces for children at Plymouth State Home and

Training School. It went to St. John's League, Plymouth Episcopal Church, Girls School in Belleville received \$100 at the request of Plymouth Women's Club.

In Farmington \$100 went to Children's Neurological Development Program to send children to 1968 Tau Beta Camp, and \$100 also went to Livonia Health Guild and Child Health Guidance for the preschool and well baby clinic.

All the members of the committee agreed to serve another year, according to Mr. Robert Coolman, publicity chairman.

Senior Citizens Eye Last Meeting

Northville's Senior Citizen's Club will hold its last meeting of the summer on Tuesday evening, July 23, in the Presbyterian Church hall. A co-operative dinner and social hour have been planned. Regular meetings will resume again in September.

OBITUARIES

FRANCES SNIDER
Frances Snider, 72, of 51860 West Eight Mile Road died Wednesday, July 10 at Annapolis Hospital in Wayne. She had been ill for the past two years.

A resident of the community for 20 years, Mrs. Snider was born May 16, 1896 in Monroe to Ferdinand and Mary (Lohner) Ochs. Her husband, John, survives her.

Mrs. Snider was a member of Our Lady of Victory Church. Besides her husband, she is survived by three daughters, Mrs. Rita Matthews of Virginia Beach, Virginia, Mrs. Jeanette Arquette of Brighton, and Mrs. Patricia Arquette of Northville; two sisters, Mrs. Emma Cole and Mrs. Tillie James, both of Detroit; a brother, Anthony Ochs of Monroe; and 20 grandchildren and seven great grandchildren.

Rosary was said Friday evening at Casteline Funeral Home, and the funeral service took place Saturday morning, July 13, at Our Lady of Victory Church. The Reverend Fr. John Wittstock officiated.

Burial was in Holy Sepulchre Cemetery, Southfield.

WILLIAM E. HANSOR
A resident of Novi for 47 years, William E. Hansor, 67, of 45745 Grand River, died July 16 at his home. He had been seriously ill for the past year.

Born October 26 in Ypsilanti, he was the son of David and Mabel (Alger) Hansor. His wife, Vera M., survives him.

Mr. Hansor, retired from Novi Equipment Company, was a member of the Methodist Church, Northville Lodge 186 F&AM, and Oddfellow Lodge 487 of Novi.

Other survivors include a daughter, Mrs. Joseph Cicirelli of Novi; three sons, William A. of Chicago, Harold E. and Robert D. of Novi; and seven grandchildren and two great grandchildren. Also surviving are several stepchildren.

Funeral services will be held at 10 a.m. Friday, July 19, at Casteline Funeral Home, with the Rev. Guenther Branstner officiating.

Burial will be in Oakland Hills Memorial Gardens under the auspices of the Oddfellows Lodge.

She Studies In Mexico

Linda Lemon, daughter of Mr. and Mrs. John Lemon, 102 South Rogers, is enrolled this summer at the University of the Americas located in Mexico City, the fifth largest metropolis in the world.

Because students at UA are not from the United States but from more than 40 other countries, the school plays a distinctive role in intercultural and international education. Accredited by the Southern Association of Colleges and Schools, the University has a larger enrollment of American students than any other liberal arts school abroad.

Classes are taught in English by an internationally trained faculty but practically all students learn Spanish not only in the classroom but through their association with the people of Mexico. Most of them live in college-approved private Mexican homes and as a result become familiar with the customs and daily lives of their hosts.

Miss Lemon, a graduate of Northville High School, is regularly a student at Michigan State University. In Mexico City Miss Lemon finds her intellectual perspective widened by her venture into an environment in which glass-walled skyscrapers stand within a few miles of ancient pyramids. Whether attending the folklore ballet or the bullfight, visiting Aztec remains or art exhibits, listening to mariachi music or symphony concerts, students find that the capital of Mexico offers a myriad of activities.

Newcomers Eye Sunday Outing

The Newcomers Club has planned a whole day of festivities Sunday starting about 6 a.m.

At a pre-arranged time the men will be meeting for a morning of golf at the El Dorado Golf Course. Later that afternoon members will meet for a family picnic at the home of Mr. and Mrs. Tomas Handy of 40122 Stonleigh Road. The picnic will start about 3 and members and families are reminded to bring their own packed picnic lunch.

With Our Servicemen

PVT. RICHARD PIETILA

Private Richard Pietila, son of the Melvin Pietilas of Nine Mile Road, completed his basic training on June 14, at Ft. Knox and is now stationed with the engineers at Ft. Lewis, Washington.

His address is: Private E-2 Richard Pietila, Co. D - 339th Engr. B.N. Const. Ft. Lewis, Washington, 98433.

Private Richard Pietila, son of the Melvin Pietilas of Nine Mile Road, completed his basic training on June 14, at Ft. Knox and is now stationed with the engineers at Ft. Lewis, Washington.

His address is: Private E-2 Richard Pietila, Co. D - 339th Engr. B.N. Const. Ft. Lewis, Washington, 98433.

Specialist 4 Richard B. Ratcliffe has been made chief operator of the post MARS radio station, a back-up communications system for the post. He also has been appointed team chief for the disaster network of Japan.

While stationed in Chitose, Japan he has enrolled in an electronics technology course which will net him a first class FCC commercial license.

He is the son of Mr. and Mrs. Lyn K. Radcliffe of 42797 Nine Mile Road. He entered the service after graduating from Northville High School in 1966.

Victor Eskie, son of Mr. and Mrs. E. W. Eskie on Rathlone Drive, is now on active duty in the U.S. Navy. He joined the Navy reserves in January 1967 and entered damage control

school in February 1968. After completing four months of school in San Francisco he returned home on a 15 day leave. He is now aboard the U.S.S. Colonial, a marine amphibious assault vessel off the coast of Vietnam.

The serviceman graduated from Northville High School in 1965.

USS John A. Bole at sea - Seaman Morris R. Inman, USN, 19, son of Dr. and Mrs. Lorne Dyer of 525 Fairbrook, recently participated in the crossing of the equator ceremony while serving on the destroyer USS John A. Bole.

This ceremony is a long standing tradition among seafarers around the world. Once a sailor has crossed the equator he is known as a "Shellback" and will not undergo the initiation again.

Justice Court

Among those persons heard by Novi Justice Emery Jacques in court Thursday was an offender discovered when Novi police followed clues found in a load of rubbish dumped July 11 "on the Holcomb property." They were able to locate the truck driver who violated the dumping ordinance.

He was Nerone Emidio of Detroit. He paid a \$25 fine for the offense, and was ordered to remove the debris.

In other cases last Thursday at the Novi court, Brian Patrick McDonald, 18, of Farmington was fined \$25 for disturbing the peace on Willowbrook Drive.

Kenneth Brunner of Farmington failed to yield a right of way on July 1 and was fined \$15 with costs of \$10 or spend a day in jail.

Michael F. Pusarenko of Pontiac was fined \$100 or 15 days in jail on a charge of driving while under the influence of liquor plus careless driving, and was fined another \$10 for driving with no operator's license on his person. Both offenses occurred December 21, 1967.

James Reynolds of Novi on July 5 drove without an operator's license and was sentenced to a fine of \$35, \$15 costs or 30 days in jail.

On June 20 Dayton Carl Smith of Garden City was ticketed for reckless driving and the case postponed until July 11 when he was ordered to pay \$35 fine.

For larceny at 25659 Lincoln, Chris J. Harris, 47, of Detroit was sentenced to \$50 fine.

Lonnie Coburn, Jr. of Walled Lake was fined \$25 for speeding June 27 on Grand River and Tzif, 70 miles per hour.

Henry Lewis Gloss, Jr. of Pontiac Lake was fined \$35 for reckless driving on Novi Road and 196. Cabin Franklin Cadreau of Ecorse was fined \$100 and three days in jail, or 30 days in jail, for the offense June 27 of driving on a revoked, denied or suspended license.

Paul Patrick Hanis of Livonia was fined \$25 and \$10 costs on a charge of contributing to the delinquency of minors.

Human Relations Group To Meet Again July 24

An informal dialogue will highlight a meeting of the Northville Human Relations Council on Wednesday, July 24.

The meeting, open to the public, will be held in the Waterman Center of Schoolcraft College.

Ronald Aeschambault, co-chairman of ACCESS, will discuss various human relations aspects with council members. ACCESS is concerned with equal opportunity in housing.

The subject of district affiliation with other human relations groups also will be included on the meeting agenda. Citizens of the community are urged to attend the meeting and to join with the council in planning its educational programs. Young people are particularly invited to attend "and share with the council their much needed originality, vitality and intellectual stimulus."

3 at MSU Earn All A's

Several local area students were among the 358 who received all-A spring term records at Michigan State University and were honored on a list that offers "recognition of the highest attainment in scholarship."

From Walled Lake, Patricia Pless, 1746 Shanking Drive, a freshman in elementary education and Carmie R. Puckett, 758 Lucille, a sophomore, were in the group that will be honored at dinner this fall as guests of MSU.

The unit, currently composed of four sheriff's officers, will develop criminal cases, record information on organized crime and criminals and act as liaison officers with local police departments.

They are: Gerald P. Clearman, 344 Sherrie Lane, a senior in industrial management. He graduated from Cooley High School in Detroit.

Jamie F. Jameson, 113 East Cady Street, Jameson is a sophomore in the school of industrial management and graduated from Northville High School.

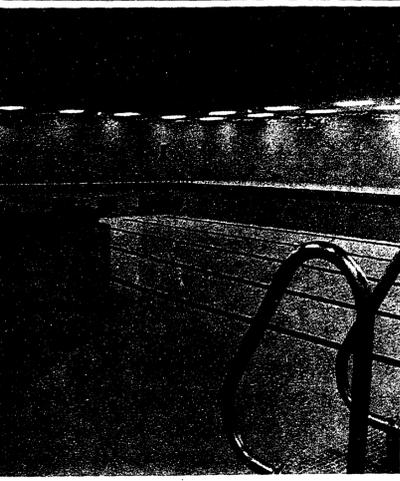

Unit Formed

Formation of an Intelligence Unit to fight organized crime on a full-time basis was announced last week by Wayne County Supervisor Roman S. Gribbs.

The unit, currently composed of four sheriff's officers, will develop criminal cases, record information on organized crime and criminals and act as liaison officers with local police departments.

They are: Gerald P. Clearman, 344 Sherrie Lane, a senior in industrial management. He graduated from Cooley High School in Detroit.

Jamie F. Jameson, 113 East Cady Street, Jameson is a sophomore in the school of industrial management and graduated from Northville High School.

NEARLY COMPLETED—Northville's new swimming pool and diving tank (foreground) is nearly completed and officials are preparing plans for its use this fall by students and the public.

Don't Believe Pool Rumors

The lane shortage rumor, they explained, results because a six-lane pool permits simultaneous racine in triangular meets. With five lanes such events are run in heats.

"We can still have triangular meets—just like we had in Ohio—and we can even hold invitational meets involving several schools. We won't have state meets because they just aren't held at local schools but at East Lansing."

Lauber said about 90-percent of all competitive swimming in Michigan schools involves dual meets.

According to Longridge, a good deal of thought went into the decision for the five-lane pool. "We had a limited amount of money to work with. So we asked ourselves, 'What's the main purpose of the pool?'

Six Boy Scouts Return From Fun Filled Camp

Six boys from Scout Troop 731 sponsored by the First Methodist Church recently returned from two weeks at Charles Howell Scout Reservation near Brighton.

The boys were offered an opportunity to acquire all the outdoor merit badges and the advancement requirements up to the first class ranking.

Those who attended along with their achievements are: Star Scout Steve Hazlett, five merit badges; First Class Scout Bryan Hartshorne, six merit badges; First Class Scout Brian Nieber, four merit badges; Second Class Scout Kevin Hartshorne, two merit badges and seven advancement requirements.

Second Class Scout Doug Ritchie acquired his first class ranking by obtaining his last three advancement requirements.

Second Class Scout Bob Blumhof received three advancements and one merit badge.

The camp is divided into several units, each given famous frontier names.

TROGLODYTES Bands Battle A Humdinger

By DARYL HOLLOWMAN

It's a wild, unique experience, that's what it is—especially if you're consistently a weekly patron without the knowledge of what is to be featured, or even if you know what is being featured but haven't witnessed one previously.

You stand in line, with dollar or dollar-fifty in hand, however the case applies, anticipating the entertainment scheduled for a Friday night at The Cavern.

As you push forward to The Cavern's entrance you may spot a sign stating something to the effect that "The Cavern Presents A Battle of the Bands."

This is all you have to go by until you plunge deep within the recesses of The Cavern.

Upon having exchanged currency and change for a "Cavern" stamp imprinted on your hand, plus a ticket for voting purposes, you can either hang a right and proceed in the direction of The Cavern club room—or you can hang a left and delve into

the depths of The Cavern's entertainment center. Providing you have chosen the latter course of action, you will find yourself in the midst of what's happening—A Battle of the Bands.

As it always the case with patrons of a Battle of the Bands, you can be assured that there will be bands to the left of you, bands to the right of you, bands in front of you, and bands behind you.

This is always the case when five or more bands are featured at A Cavern Battle of the Bands.

The bands are always located on all four sides of the Battle Arena—and that includes a band in the bleacher section.

A Battle is a wild affair for those who have only watched a regular Cavern bash, in fact it's more on the order of a "Cavern" stamp imprinted on your hand, plus a ticket for voting purposes, you can either hang a right and proceed in the direction of The Cavern club room—or you can hang a left and delve into

the depths of The Cavern's entertainment center. Providing you have chosen the latter course of action, you will find yourself in the midst of what's happening—A Battle of the Bands.

Robert List Scores High
Robert List, a junior, son of Mr. and Mrs. Alfons List of Northville, was named to the Dean's List at Concordia Teachers College, Seward, Nebraska, for the second semester of the 1967-68 year.
To be eligible for the honor roll, Concordia students must carry a grade point average of 3.5 out of a possible 4.0 points for the semester, according to Dr. W. E. Mueller, Dean of the College.
List was among the 195 students meeting these requirements out of a second semester enrollment of 1,310 students.
Enrollment in September is anticipated at 1,445 in the college. Another 160 students will be attending Concordia High School, the secondary laboratory school on the Concordia campus at Seward, Nebraska. The college prepares teachers for schools of the Lutheran Church - Missouri Synod.

Minutes of the Northville City Council

Continued from Page 5-A
Public Hearing - Mayor Allen announced the Public Hearing for Taft Road Paving and Improvement.

Mr. James Ebel, attorney, representing Nick Zamboni, owner of property on Taft Road, spoke against the proposed 75% Special Assessment. Several other residents, not living on Taft Road, spoke regarding the past and present policies of special assessments in the City. Mayor Allen spoke briefly on this matter also. Questions were asked regarding the type of paving to be used on Taft road.

Council recessed at 9:40 p.m. and reconvened at 10:05 p.m.
Mayor Allen announced that the City Manager would explain the modified formula for Taft Road Special Assessment. The City Manager read the amended assessment roll No. 68-2, as read by the City Manager (list attached), Unanimously carried.

City Manager recommended

ELECTRIC HEATING SPECIALISTS
"EDISON-QUALIFIED"

Also Residential, Commercial & Industrial Wiring
KING ELECTRIC
25901 NOVI ROAD
-NOVI-
349-2761

advertising for bids on Taft Road paving and improvement; these bids to be opened at the regular meeting of the Northville City Council on Monday, July 15, 1968, 8:00 p.m. at the Northville City Hall.

Moved by Councilwoman Carlson, support by Councilman Nichols, to advertise for bids for paving and improvement of Taft Road; these to be opened at 8:00 p.m. at the July 15th Regular Council meeting at the Northville City Hall. Unanimously carried.

Moved by Councilman Black, support by Councilwoman Carlson to adopt the Resolution of Intent (Sale of Special Assessments Bonds, in the amount of not more than \$100,000, for the improvement of Taft Rd.). Unanimously carried.

Moved by Councilman Nichols, support by Councilwoman Carlson, to retain the law firm of Miller, Cansfield, Paddock and Stone for services in connection with the Special Assessment Bond Issue for Taft Road Improvement, in the amount of approximately \$975.00. Unanimously carried.

Public Hearing for Rezoning Lot 636, Plat No. 6 - City Manager explained the Public Hearing notice as it appeared in the Northville Record; matter of street right-of-way and parking, and, no building can take place until the street is improved; the owners of Eastlawn property have waived any objection to a Special Assessment for the street. City Manager recommended that rezoning be approved.

Moved by Councilman Black, support by Councilman Nichols, that the northerly 350 feet of Lot 636,

Assessor's Northville Plat No. 6 be rezoned from R-2 (2 family residential) to R-3 (multiple dwellings). Unanimously carried.

Storm Report, June 25, 1968 - The City Manager reported on the four (4) major areas affected by the June 25th storm, using a map to illustrate. Consideration of Insurance Claim - City Manager explained that an automobile jack had been reported lost while the owner's car was impounded by the Northville Police Dept. The City manager was authorized to make a settlement with the owner, first checking as to the correct value of said automobile jack.

Board & Commission Appts. - The matter of appointments and re-appointments to various Commission and Boards was held over until the July 15th meeting.

Miscellaneous - Mayor Allen reminded Council of the coming July 29th Special School Election. Moved by Allen, supported by Councilman Nichols, to adopt a Resolution, supporting approval of the 2-mill levy for the Northville Public School System at the July 29, 1968 Special School Election, Unanimously carried.

Councilwoman Carlson reported on the gift of \$200 from Mr. and Mrs. C. E. Langfield, enabling the purchase of the Northville Flag.

Clerk Milne reported on the State Clerk's Workshop which she attended at Harbor Springs, June 19-21, 1968 and thanked Council for permission to attend same.

There being no further business, the meeting was adjourned at 12:10 p.m.

Martha M. Milne
City Clerk

Wayne County Purchasing Association. After some discussion, Councilwoman Carlson and Councilman Black withdrew the motion and support.

The City attorney is to check this proposal with Charter requirements.

PROPOSED AMENDMENT TO ADD A SECTION 30 TO ARTICLE VI OF THE STATE CONSTITUTION TO ESTABLISH A JUDICIAL TENURE COMMISSION AND TO PROVIDE FOR ITS MEMBERSHIP AND DUTIES.

The proposed amendment to add Section 30 to Article VI would do the following:
1. Establish a judicial tenure commission consisting of judges, lawyers and laymen.
2. Authorize the Supreme Court upon recommendation of the Commission to censure, suspend, remove or retire a judge convicted of a felony or guilty of misconduct in office or having a physical or mental disability which prevents the performance of judicial duties.

SHALL THE STATE CONSTITUTION BE AMENDED TO ESTABLISH A JUDICIAL TENURE COMMISSION AND TO PROVIDE FOR ITS MEMBERSHIP AND DUTIES?
Proposed No. 2

PROPOSED AMENDMENT TO SECTION 12 OF ARTICLE IV OF THE STATE CONSTITUTION TO ESTABLISH A STATE OFFICERS COMPENSATION COMMISSION.
The proposed amendment to Section 12 of Article IV would do the following:
1. Create a 7-member commission to be appointed by the Governor.
2. The commission would determine salaries and expense allowances of the Governor, Lieutenant Governor, Justices of the Supreme Court and Members of the Legislature.
3. Permit the Legislature by a two-thirds vote of each house to reject the salaries and expense allowances determined by the commission.

SHALL THE STATE CONSTITUTION BE AMENDED TO PROVIDE FOR A STATE OFFICERS COMPENSATION COMMISSION AND TO PROVIDE FOR ITS MEMBERSHIP, DUTIES AND LIMITATIONS?
Proposed No. 3

PROPOSED AMENDMENT TO THE STATE CONSTITUTION RELATING TO THE FILLING OF JUDICIAL VACANCIES AND EXTENDING EXISTING CONSTITUTIONAL PROVISIONS TO APPOINTED JUDGES.
The proposed amendments to Sections 20, 22, 23, and 24 of Article VI of the State Constitution would do the following:
1. Vacancies in the office of Judge of Courts of Record or District Courts would be filled by the Governor until January 1 following the next general election.
2. Extend existing constitutional provisions to appointed judges.

SHALL THE STATE CONSTITUTION BE AMENDED TO PROVIDE THAT THE GOVERNOR SHALL FILL JUDICIAL VACANCIES AND TO EXTEND EXISTING CONSTITUTIONAL PROVISIONS TO APPOINTED JUDGES?
COUNTY PROPOSITION NO. 1
Tax Limitation Proposition

"Shall the County of Wayne continue for five additional years (from 1970 through 1974) the one mill approved by the voters in 1964 for five years from 1965 through 1969, the proceeds to be used to continue existing county services, including public health, recreation and safety services, maintain hospitalization for the medically indigent, help furnish medical care of the aged poor, help care for and train juveniles under county care, help provide treatment for the mentally ill and those suffering from tuberculosis?"

NOTICE RELATIVE TO OPENING AND CLOSING OF POLLS
On the day of any election the Polls shall be opened at 7:00 o'clock in the forenoon and shall be continued open until 8:00 in the afternoon and no longer. Every qualified elector present and in line at the Polls at the hour prescribed for the closing shall be allowed to vote.

Eleanor W. Hammond
Northville Township Clerk

WE SUPPORT . . . JUDGE DUNBAR DAVIS

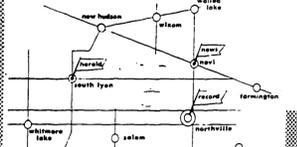

and URGE HIS ELECTION AS DISTRICT JUDGE for the PLYMOUTH, CANTON and NORTHVILLE COMMUNITIES

1-Card of Thanks

I wish to thank my neighbors, friends and relatives for the many lovely cards and flowers sent to me during my stay in the hospital and since returning home.

I wish to thank all of my friends and neighbors for the many kind acts of kindness extended to me during my stay in the hospital.

The South Lyon Herald's Charleer would like to thank the V.F.W. Hall and food for the spaghetti dinner June 19, the profits of which went to camp.

We wish to thank our friends, neighbors, relatives for their kindness during our bereavement.

In honor of our son, James L. McHenry, whose 35th birthday would have been July 11, 1968 - who died in Vietnam December 30, 1967.

In Tough Novi Competition

Party Store Sweeps World Series

ROUND TRIPPER—With two down and two on the top of the second, Dave Brown smashed the ball over the centerfield fence for the Rexall Rangers. Here Dave rounds third on his way home to the outstretched hands of teammates.

Novi Party Store swept two straight games—but not easily—to win the Novi Little League "World Series" Wednesday and Thursday.

Representing the Red Division, Party Store nipped the Rexall Rangers, 10-9, in their first game—an extra contest, and came back the following evening to down the Rangers, representing the Blue Division, 12-6.

With the score knotted at 9-all going into the seventh inning of the first game (one beyond regulation), Party Store's Larry Taylor and Mike Collins came up with back-to-back singles to push across the winning run.

All Star Tilt Set for Tuesday

Novi will host the District 4 Little League Tournament game Tuesday evening, Publicist Jackie Colton revealed this week.

Rexall Drug Bombs X-Way Shell, 16-8

The Rexall Rangers bombed Carls X-Way Shell in one of the two final games in the Novi Little League last week to take the Blue Division championship last week.

(Rexall had already wrapped up its division championship, however, as had the Novi Party Store in the Red Division.)

In its final game, Rexall powered its way past Carls, 16-8. Terry Butler drilled two singles, and Tim Kelly picked up a triple. Kevin Tobel picked up the only extra-base hit for Carls' double.

Taylor gave up nine runs, nine hits, walked seven and fanned eight. Dave Brown gave up nine runs on 10 hits, walked seven and struck out 15.

Northville Names 1968-69 Coaches

All but three coaches have been named for the Northville school system, Athletic Director Bob Kucher announced this week.

Only positions unfilled, he said, are for junior varsity baseball, assistant varsity track, and assistant varsity wrestling.

Those named for the 1968-69 season are: Varsity baseball—Dick Welling, Basketball—varsity, Kucher; junior varsity, Jim Hudson; freshmen, Omar Harrison; eighth grade, Mike Janchick; and seventh grade, Syril Nichols.

Big blows for Wroten were turned in by Rick Gault (two doubles), Glen Gault (two singles and a double), Gary Canfield (triple), and Tom Tyler (double and single).

Standings (Final Standings) RED DIVISION

Novi Party Store 13 W 1 L 8

Wroten Brothers 9 W 8 L 3

BLUE DIVISION

Rexall Rangers 15 W 1 L 7

Michigan Trotter 10 W 7 L 9

Morark Jayhawks 7 W 9 L 7

Carls X-Way Shell 7 W 9 L 7

third, scoring two runs on two hits, while Party Store pushed across a single run on three hits. Thus, going into the fourth, the score was 5-4.

As Season Nears End Downs Slates 'Richest' Race

With one full week of racing remaining of its 54 night meetings, which ends on Wednesday, July 31, Northville Downs will present its richest event of the season on Wednesday, July 24 in the 14th renewal of the ancient Michigan Pacing Derby.

The Derby attracted a list of 39 nominees and Racing Secretary Harry Peterson is anticipating an entry of 20 or more which will boost the total value to an estimated \$25,000.

That would make it the richest event ever sponsored by the 'Downs and the huge entry could force Peterson to split the stake into as many as three divisions.

Included in the nominations is Careless Time, a four-year-old owned by Mrs. Beatrice Tomic of Grosse Pointe, who was a recent winner in 2:01.1 at Sportsman's Park in Chicago.

Standings (Final Standings) BLUE DIVISION

Rexall Rangers 15 W 1 L 7

Michigan Trotter 10 W 7 L 9

Morark Jayhawks 7 W 9 L 7

Carls X-Way Shell 7 W 9 L 7

OUT AT THIRD—Joe Green slides into third—but he's out, ending the Rexall Ranger's three-run spree in the first inning of the opening "World Series" contest at Novi.

Driver's Arthritis, Horse Acting Up

With a bottle of bufferin in one hand and a cup of coffee in the other Tommy Winn sat on his go-cart at the paddock ramp at Northville Downs.

"It's going to rain, I can feel it," he said rubbing a leg. "My arthritis is acting up."

Tommy, 62 and still mighty active in the harness business, was waiting to take True Valley, his eight-year-old trotter, out for a warm-up.

Others, who are expected to start include: Bald's Adios, Brady Adios, Frostie Creed, Idona's Faith, Greenleaf

70-Year Old Fires 3rd Ace

It took him 40 years of golf to bag a hole-in-one, but 70-year-old P. B. MacKenzie fired his third in one year last week.

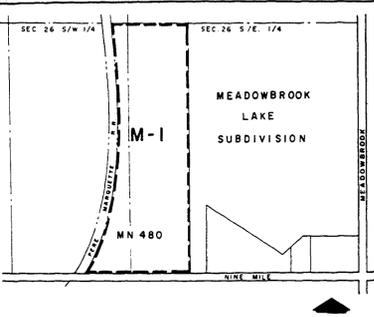

Brother of A. W. MacKenzie, employee of Northville Camera Shop, MacKenzie aced the 12th hole of Northville Golf Course using a nine iron. P. B. hails from Halifax, Nova Scotia.

Earlier this year he shot a hole in one in Nova Scotia and still another in Florida. The Florida ace was a spectacular shot, dropping in the hole on the fly without bouncing out.

MacKenzie, who golfs with "about a seven handicap" was the winner of the Canadian Senior Citizens Championship last year. He left Monday to participate in the Canadian Tournament for 70-year and older players.

With three aces under his belt, MacKenzie saw this new tournament as "a snap."

ORDINANCE #18.112 ZONING MAP AMENDMENT NO. 112 VILLAGE OF NOVI, MICHIGAN ADOPTED BY THE VILLAGE COUNCIL July 5, 1968

DID YOU KNOW THERE'S A LAW THAT PROTECTS MICHIGAN CITIZENS FROM FINANCIAL LOSS CAUSED BY UN-INSURED MOTORISTS?

(It's called The Motor Vehicle Accident Claims Fund...and it pays you for damages caused by someone who doesn't buy insurance)

Stempien's House Bill 2547 provides that un-insured motorist coverage must be provided in all auto insurance policies by an insurance company unless the insured individual specifically rejects this type of coverage.

Stempien's House Bill 3021 established a fund to protect citizens from financial losses from accidents with un-insured motorists. Combined with Stempien's House Bill 2547, Michigan citizens receive full financial protection! That's why, again in 1968, we say:

SPORTS

NEARING THE FINISH—While youngsters scream encouragement to their favorites, a herd of unconcerned turtles race (or lumber) towards the circling line that spells victory.

Rams Wrap up 2 More Wins

The VFW Rams wrapped up two wins this week in the Knothole Softball League to remain in first place.

In the battle against the Tigers, all 12 Rams had hits — and their runs totaled 15 to the Tigers' 2, as they completely outclassed their opponents.

Don Dale had three singles; Dave Hecker, two doubles; Kurt Mack, Rick Marrone, Tom Male, Paul Knapp and Bobby Hecker all had two hits in the Rams' 21-hit attack.

OUT OF THE FEEDBAG: A winning start always does something to a young man's confidence.

2 Top Baseballers Clash This Week

John Mach Ford Yankees and the VFW Giants, tied for first place in the Knothole Hardball League, will clash this week.

The Giants cut the Astros down in a 17-8 victory last week. The Giants scored in every inning.

When the Giants won 11-4 over the Dodgers, Jeff Murray scored three times and Steve Heintz batted in four runs to give pitcher Steve Lovett all the support he needed for the Giants' second victory of the year.

The Angels won over the Twins 3-0 when control problems lost another game for the Twins.

In a 10-6 win over the Indians, the Yankees kept pace with the VFW Giants, preparing for their match this week.

It was Twins 6, Dodgers 5, in the battle of teams low in the standings.

Derby's Slow But Exciting Turtle 'Necks' Thrill Young Fans

Turtle necks are no new sports (shirt) fad in Northville.

They're part of an annual event of the Recreation Department which took place behind the Scout Room Tuesday morning, as youngsters cheered their favorites.

Turtles, in fact, raced neck and neck to the bitter end with Matthew Koenig's tumbling in first in the littlest league; Bruce Turner's taking a first in the medium-size group and Brian Pello placing in the top spot of the largest league.

Following Matthew's were turtles belonging to Anne Bongiovanni, Dave Gallagher, Robert Clarke, and Alice Clarke in that order.

Likewise, stumbling in after Bruce's best were those of Janet Moore, Debbie Walker, Ronnie Angell, Barry Prom and Brian Prom.

And Brian Pello's competition, as they placed, were Bill Bates, Earl Bingley, Mark Van Ingen, Gregg Bach and Mark Van Ingen.

But that's not all: Mark Van Ingen also took first and second place honors for having the largest dogged turtles there, with Greg Bach taking third.

In the littlest category, first prize went to David Ritchie, second to David Bach and third to Mark Van Ingen.

THE WINNERS! Proudly displaying their first-place winning turtles (the concrete one beneath isn't one of 'em), owners of the champs are Matthew Koenig, Brian Pello, Brian Turnbull, David Ritchie, Ronnie Angell, Bruce Turner and Mark VanIngen with the giant.

Six Girls' Teams Swing Away

Four girls' softball teams play in Northville every Tuesday and Thursday afternoon at Ford Field, and two teams of girls chosen from them also play in the Livonia night league.

One of the two is a 16-and-under team called the Phillies; the other is made up of 13-year-olds and under. They named themselves the Flower Power, and they hold a 2-3 win-loss record.

The Phillies have played three games without a win but they are improving fast.

Home run hitters have been Jane Skelly, Shelia Coccoran, (grand slam), Raymona Whitesell, Debbie Cook and Connie Watt.

Team Two is first in the standings

Oakland Road Commission Seeks Tax

Like the weather, everyone talks about Oakland County roads—but nobody does anything about them.

The County Road Commission will appear asking for a one mill county wide tax increase that would go directly to the road commission for improvement of county roads.

"These roads that were built 20 to 40 years ago can't stand up under today's traffic," Frazer Staman, chairman of the commission said, "If people want them improved, there's no other way except to pay for it."

Criticism of the increase has plagued the road commission—particularly from cities that think they won't benefit because they don't have county roads, or because the increase isn't meant to repair roads that may have been platted but have never been built, such as in subdivisions.

Staman offers some consolation to these cities: "Every city except Pontiac does have a county road," he said, "and every driver uses county roads, whether or not they go through his city. If he had to pay a toll charge to drive on one, he would realize this."

In order to further appease city governments, Staman said their commission (which will sit on all boards and help decide how the funds collected from that particular community will be used) agrees that up to 50 percent of the monies collected in the vicinity may be used for its subdivision roads IF the governing body believes this is where the greatest need lies.

Opposition to the millage also has come from members of the Board of Supervisors who dislike the idea of money going directly to the road commission rather than being channeled through its board. Some citizens groups, however, who question the wisdom of the board of supervisors spending policy, see this special millage as a way of making sure sufficient money is applied to county roads.

The one mill increase would net about \$3½ million a year, and is set up for a five-year period.

"We all kick in to pay for welfare through the county whether or not we need welfare funds in our own little locality—the same should be true for county roads," Staman pointed out.

He explained that money from the state, collected in gasoline taxes and license fees, is divided among townships, cities and counties for road improvement in such a way that the average motorist actually pays only about \$7 a year for upkeep of county roads. "He pays more than this—probably \$36 a year—to have his garbage removed," Staman said, "Why should he feel roads are less important?"

The Road Commission is limited in where it can get funds. Those from the state obviously are not sufficient to keep up county roads. "In 31 other counties the Board of Supervisors has supported a county road program. In Oakland County it has not," Staman said. "No program is perfect, but if the people want roads and improvements, this one mill tax increase is a way they can pay for them."

The alternative, of course, is continuing depreciation of county roads. No miracle can be expected to bridge the gap.

Organizations or municipal governments in Oakland County which would like to learn more about the proposed road millage, Staman said, may call the commission. The commission, he said, has established a speakers' bureau to explain it and the questions that may arise from it. Staman is the former supervisor of Novi Township, presently living in Wixom.

Citizens Group Outlines Needs For County Roads

An Oakland County Road Commission study that members of a Citizens for Adequate Roads (CAR) Committee has distributed shows the minimum primary road improvements that should be made in this area over the next 10 years—providing funds are available.

Passage of the millage would mean that the road commission would sit with governing boards in each area of the county and help them determine which of the needed improvements are most vital, and, therefore, should be taken care of insofar as possible during the five years covered by the tax proposal.

In Northville, those streets that need improvement and are located in the Oakland County Road Commission jurisdiction, either solely or in conjunction with other government units, would cost an estimated \$609,000.

Northville and Novi have endorsed the road commission proposal to raise one mill for county road use on the August 6 ballot. Wixom is to vote on the resolution next Tuesday.

Two County Issues Face Wayne Vote

Two county-wide issues of vital importance will be before the voters of Wayne County in the August 6 primary election.

On the ballot will be County Proposition No. 1 and, for the first time in history, nomination of candidates for the County Board of Supervisors, legislative body of county government.

County Proposition No. 1 would continue for another five years a one-mill (\$1 per \$1,000 of equalized value) property levy which was adopted by the voters in 1964 to help finance county operations.

Approval of County Proposition No. 1 is described by county officials as "essential" to avoid drastic public service cutbacks which would endanger the health, safety and well-being of every person in the county.

The one-mill is costing the average homeowner only about 50 cents a year. For the first time in history, the voters will ballot directly on candidates for the County Board of Supervisors, legislative body of county government.

Two nominees will be selected on a partisan basis from each of 26 districts. The run-off election will be on the ballot for the Nov. 5 general election.

A field of 369 is seeking nomination to the supervisors posts. The 26-member board is scheduled to replace the present indirectly-chosen, 135-member Board of Supervisors on Jan. 1. The revamping of county boards throughout Michigan was F. & A.M.

Regular Meeting Second Monday Herbert Fumliner, W.M. R. F. Coolman, Sec.

Northville firemen investigated an incident that caused only minor damage Sunday afternoon at the home of Dean Bush, 315 Debra Lane.

The sauna bath became overheated, caught fire, and the conversion of fourteen mile from Walled Lake Drive to Decker to a 24-foot bituminous pavement.

Among the needs in Wixom is the conversion of Wixom from Pontiac Trail to 6 miles south of Pontiac Trail to a five lane concrete pavement with open drainage; widening the median of Wixom from 9 miles south of Pontiac Trail to 1-96 by adding one lane along the outside of each pavement, and providing curbed left turn lanes in the median.

There is further need to widen Wixom, and Pontiac Trail and to reconstruct Beck from Twelve Mile to West to a two lane concrete pavement in addition to a great many other improvements.

In the Walled Lake area, improvements include conversion of South Commerce from Pontiac Trail to East City Limit to two lanes of concrete, five lanes at Decker and Pontiac Trail, with muck excavation at the Lake. The survey showed need for five lane concrete from Pontiac Trail to East City Limit, conversion of Decker to two-lane concrete from Fourteen Mile to Maple with four lanes at Fourteen and Maple.

A great deal of resurfacing, plus such reconstruction as Pontiac Trail from Maple to South Commerce to four lanes of concrete—and much more resurfacing and conversion are shown in the study as being essential within the next 10 years.

Further provision for 24 feet of bituminous pavement is needed on Ten Mile after rehabilitating the existing base, widening Pontiac Trail to four lanes of aggregate base with concrete curb and bituminous surface from the West Limit of Walled Lake to West, and conversion of Fourteen Mile from Walled Lake Drive to Decker to a 24-foot bituminous pavement.

Another cause of fatalities among youth has been brought to the police department's attention by the Chemical Special Manufacturers Association: glass chippers.

The aerosol glass chippers, along with other aerosol products, when inhaled by students have proved fatal in enough cases to cause alarm to the industry. Police have been asked to bring attention to the hazards of inhaling these products.

Further provision for 24 feet of bituminous pavement is needed on Ten Mile after rehabilitating the existing base, widening Pontiac Trail to four lanes of aggregate base with concrete curb and bituminous surface from the West Limit of Walled Lake to West, and conversion of Fourteen Mile from Walled Lake Drive to Decker to a 24-foot bituminous pavement.

Among the needs in Wixom is the conversion of Wixom from Pontiac Trail to 6 miles south of Pontiac Trail to a five lane concrete pavement with open drainage; widening the median of Wixom from 9 miles south of Pontiac Trail to 1-96 by adding one lane along the outside of each pavement, and providing curbed left turn lanes in the median.

There is further need to widen Wixom, and Pontiac Trail and to reconstruct Beck from Twelve Mile to West to a two lane concrete pavement in addition to a great many other improvements.

In the Walled Lake area, improvements include conversion of South Commerce from Pontiac Trail to East City Limit to two lanes of concrete, five lanes at Decker and Pontiac Trail, with muck excavation at the Lake. The survey showed need for five lane concrete from Pontiac Trail to East City Limit, conversion of Decker to two-lane concrete from Fourteen Mile to Maple with four lanes at Fourteen and Maple.

A great deal of resurfacing, plus such reconstruction as Pontiac Trail from Maple to South Commerce to four lanes of concrete—and much more resurfacing and conversion are shown in the study as being essential within the next 10 years.

Further provision for 24 feet of bituminous pavement is needed on Ten Mile after rehabilitating the existing base, widening Pontiac Trail to four lanes of aggregate base with concrete curb and bituminous surface from the West Limit of Walled Lake to West, and conversion of Fourteen Mile from Walled Lake Drive to Decker to a 24-foot bituminous pavement.

Among the needs in Wixom is the conversion of Wixom from Pontiac Trail to 6 miles south of Pontiac Trail to a five lane concrete pavement with open drainage; widening the median of Wixom from 9 miles south of Pontiac Trail to 1-96 by adding one lane along the outside of each pavement, and providing curbed left turn lanes in the median.

Northville Municipal Court

Justice James E. McCarthy of Plymouth Township, acting in place of vacationing Judge Philip Ogilvie,

arraigned 11 persons on charges of being drunk and disorderly last week and one man charged with driving on a revoked license.

South Center Street on July 7 and sentenced to pay \$50 fine at his July 8 arraignment.

Cavern Fights Exaggerated Says Chief

Police Chief Samuel Elkins feels that rumors concerning fights at the Cavern, a local teen-age recreation spot, have been exaggerated.

"We've had none of the destruction here that other teen-age spots seem to have," Chief Elkins said, "a few fights from time to time that haven't been serious enough to involve our department, but on the whole the Cavern is well-run."

The Cavern is operated by the Mothers' Club which would have jurisdiction over whether out-of-town youth would be barred from coming here, if such a regulation seemed necessary, he said, "unless it became serious enough that we felt it was necessary for us to interfere."

About three weeks ago, the chief said, there appeared to be a "potential problem" but it didn't materialize and to the best of his knowledge, no problem exists at the moment.

Mrs. Gordon Forrer told the Record that "we have had no problems that I know of; no outsiders have been barred from the Cavern, and it has been many months since I can recall any fight at all here."

She added that in her opinion one of the reasons for the orderly conduct at the Cavern is "excellent police co-operation" which apparently deters the problem before it starts.

According to a published report, the Plymouth recreation department has banned outsiders from its teen dance "because of gang fights involving Plymouth-Northville teens."

The Northville Record And The Novi News

Here's A Pleasant Way to Relax

One of the most relaxing ways to while away a summer evening is to plan yourself down in the Northville City Hall Park and listen to the fine music of the high school band. That's what area residents are doing here as the band presents its second concert of the summer. Another concert evening is scheduled for Wednesday, July 24 at 7:30 p.m. at the high school. Last week, the musical presentation included an added treat as the Mothers' Club sponsored an ice cream social.

Reverend Rex L. Dye
Salem Baptist Church

Peace That Passeth Understanding

The human race is seeking peace in just about every era of human relationship. Individuals seek peace through psychiatry, vacations, retirement, religion and the pleasures of life; but with all their seeking, deep within the soul of man there remains unrest.

Many couples who hoped to find peace in the hands of matrimony have found only heartache. They now seek peace in the arms of a new love, or the divorce court, still others seek peace in suicide.

Racial groups are seeking peace by varied means ranging from peaceful demonstrations to the burning of cities. Labor and management seek peace through collective bargaining but seldom is there any lasting peace achieved.

Nations make attempts to be at peace one with another, with little or no success, as evidenced in the current Paris peace talks.

I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." John 14:27. This is the peace that "passeth understanding", it is deep and lasting and acquired by turning to God, "Phil. 6-7".

So then if you are seeking peace that will keep your soul stable and your mind sane, commit yourself completely to the Lord Jesus Christ.

The religions of the world sense within the soul of man this deep unrest and attempt to make peace with a person or power they consider to be God. The means employed are manifold and varied and avail them no peace.

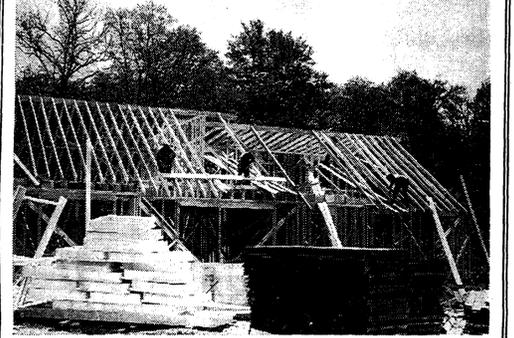

God says, "But the wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt. There is no peace, saith my God, to the wicked." Isa. 57:20,21.

To refuse to give God His rightful place in ones life is wickedness and God says, for the wicked there is "no peace".

God the Father has given, "His only begotten Son that whosoever believeth in Him should not perish but have everlasting life." When a person sees himself as wicked, undone without peace in this life nor hope for the next, then turns to the Lord Jesus Christ as His Saviour that person receives peace.

This is not a religious concoction but a Christian fact stated by the Lord Jesus Christ; "Peace I leave with you, my peace"

Who keeps the roof on ...
(when everyone is raising it?)

With all the theological ferment these days there is more unrest in our churches than we have known in many years. Issues divide the congregations and sometimes the whole debate seems endless. It would be easier to stay home in bed on Sunday mornings.

But through it all, the houses of God stand, because regular churchgoers know that men are inconstant, that they are subject to numerous temptations and influences. They also know that God is omnipotent, is omniscient. His care is constant. His creative spirit continually sustains the earth, and His love is always sensitive to the plight of man.

It is not easy to be a Christian; it never was. Houses of God stand because there are those who are willing to be channels of God's care—who assume responsibility for church schools, missions, social justice, and—oh yes—that roof.

JEANNE CLARKE 349-2598

Mr. and Mrs. Rudy Wendland have returned from a month's vacation in California where they visited their son-in-law and daughter Ms. and Mrs. Ken Rippey and family who live in San Jose. While there they attended the graduation for their grandson David.

Mr. and Mrs. Harold Miller and Mr. and Mrs. Fred Liverance of Livonia spent last week at Timber Shores near Newport. They had a very full week with special entertainment each day.

Mr. and Mrs. James Erwin have returned from a 10 day vacation during which they visited Mr. Erwin's sister Mrs. Edna Hill in New Hampshire also Mrs. Erwin's sister Mrs. Lyla Brown of New York.

The annual MacDermid-Green Reunion was held on Sunday at Kensington Park. There were over 150 relatives present from Union Lake, Utica, Livonia, and surrounding area. Among those present were Mr. and Mrs. Will MacDermid and family, May MacDermid and her mother Mrs. Florence MacDermid who had 31 grandchildren present.

Mr. and Mrs. Cliff Ridenour entertained Mr. Ridenour's brother Delmas Ridenour from Fort Belvoir, Virginia, also his sister Mrs. Lyla Moats and children from New Baltimore over the weekend. Included in their plans was a trip to Point Pelee in Canada on Sunday.

Mr. and Mrs. Louis Clarke and Mrs. Betsy Clarke attended the Sugar Festival in Sebawing on Saturday and visited with Mrs. Clarke's daughter Mr. and Mrs. George Stiles who live near Lapeer.

Mr. and Mrs. Allen Burton went camping recently with their family and visited the Soo Lakes at Sault Ste. Marie, also Tahquamenon Falls near Newberry.

Mr. and Mrs. Armon Barton of Ten Mile Road received word this week of the death of their son-in-law James Young in Vietnam. Their daughter, Mrs. James (Lois) Young and children have been staying at the parents home.

Mr. and Mrs. Robert Starnes are proud parents of a new baby girl named Katherine Grace born June 30. They have five other children. Mr. Starnes is on the Novi Police Department and presently residing on Novi Road in the Flint House.

Mr. and Mrs. Ed Weller and family, also guests Loretta Harbin and Karen Clarke attended the Detroit Policemen's Field Day on Saturday at Michigan State Fairgrounds.

Mr. and Mrs. Ed Ash of Garfield Road entertained several out of town guests for the past few weeks. Mrs. Myrtle Rogers who is Mrs. Ash's mother from Wichita, Kansas stayed with them for two weeks, also Mrs. Ash's niece and husband, Mr. and Mrs. Glina Weller of Washington D.C. visited for ten days.

Word has been received of the death of former resident Mr. Art Krueger. Services were held in Lake Orion on Wednesday and burial was in Oakland Hills Cemetery.

Mr. Rollie Moody of Twelve Mile Road entered St. Mary's Hospital for observation this week.

Mr. and Mrs. Ray Warren and family and guests Mrs. Leslie Clarke and Karen spent Sunday at Metamora, Michigan where they heard Jay Warren speak at the Pilgrim Congregational Church in Metamora. Following services they were guests of Rev. Ronald Burton and his family from Davidsburg at the Chuck Wagon Restaurant in Dryden, Michigan.

Mrs. Viola Holman, mother of Mrs. Lewis Diem is a patient at University Hospital in Ann Arbor. She is recuperating from a heart attack.

Mrs. Marie Travis entertained her son and his family, Dr. James Travis from Blue Mountain College Mississippi on Thursday evening. Approximately 40 relatives and friends were present, the evening concluded with a Song Session at the home of Mr. and Mrs. Charles Stewart on Thirteen Mile Road.

Mr. and Mrs. Lawrence Smith entertained the Jr. Hi Youth group from Wixom Baptist Church at their home on Sunday evening. Other guests

Cleary Graduates Are in Demand

Because Cleary College specializes in training you for a successful management, accounting or secretarial career, more jobs are available than Cleary can supply graduates to fill!

Cleary College offers one, two and four year programs leading to a diploma, associate degree or bachelor's degree. At Cleary you learn more; in order that you may earn more upon graduation. And it's prestige of a specialized Cleary business education assures you of a more rewarding future.

HOW TO RELAX IN COMFORT

Let Us Do Your Laundry

It's not too soon to register for the fall of 1968. Reserve your courses now at the hours to suit your schedule and requirements.

Day and Evening Classes—8 a.m. through 3 p.m. daily; evening class hours available Monday through Friday for one, two or three nights a week.

includes Mr. and Mrs. Terry Engels the Youth Director.

Mr. and Mrs. Justin Burton and Son Richard Burton visited their property at Canadian Lake on Sunday and went boating during the day.

Mr. Norm Brower and Miss Gloria Bugni were married July 6 at Pilgrim Congregational Church in Metamora where Mr. Brower is pastoring. Among those in the wedding party were Mr. Robert Taylor and Mr. Jay Warren. Following the ceremony they are honeymooning in Europe. Several people from the Novi community attended the wedding as Mr. Brower was Youth Pastor for several years at First Baptist Church in Novi and Miss Bugni taught Sunday School there also.

Mr. and Mrs. Lawrence Smith and family spent some time over the weekend at their cottage at Augus near Tawas City.

BLUE STAR MOTHERS

Several Blue Star Mothers went to Veteran's Hospital in Ann Arbor this past Thursday. While there they shopped for patients and assisted with the party in the evening for the patients.

NOVI UNITED METHODIST CHURCH

Next Sunday will be the last Sunday for this session of combining with the United Methodist Church in Willowbrook. Services start at 10:00 a.m. and following there will be a family picnic on the church grounds.

On July 28, Services will resume at the United Methodist Church of Novi on Grand River with Rev. R. A. Mittonson will return to the pulpit.

NOVI SCHOOL REUNION

Approximately thirty people were present at the annual Novi School Reunion, a good time was had by those present. There was election of officers with Bill MacDermid continuing as president, Keith Branch as vice president, Dorothy MacDermid as secretary and Madeline Branner LaFond as treasurer. The officers would like to ask that those receiving the questionnaire will fill out and return as soon as possible.

NOVI BAPTIST CHURCH

Everyone is reminded of the special Missionary speaker on July 21 when Rev. Raymond Childers will be speaker. Rev. Childers is with Southland Bible Institute, one of the church home Mission projects. This is the school where the ladies of the church always can fruits and vegetables for in the fall.

Baseball this week is scheduled for Tuesday at Muir Junior High with Walled Lake playing Novi. Then on Thursday a softball game will be played at Wixom between Novi and Walled

Novi 'Campers' Need An Assist

Fourteen Novi children left for camp Sunday—10 of them with no funds to cover their costs. Some \$300 then needs to be collected from the community to repay the pastor who owns Camp Fairhaven, near Highland.

"The Rev. Pies won't turn anyone down, that's the kind of man he is," Mrs. Herbert Farah said. "We hope to reimburse him."

By "we" she means the local unit of Youth Protective Services of which she is president. One of the YPS services "to help children before they become delinquent" is providing the annual camp experience to kids who otherwise couldn't afford it, but who appear to need it. Referrals are made from schools, police and other agencies.

Each year Novi is allotted two places at Camp Oakland; this is where two of the 14 went. Two more went to Fairhaven with expenses paid by the local YPS; the cost is \$30 for each child for a two-week stay. This leaves 10 children's expenses of \$300 due to the Rev. Frank Pies of Detroit who owns the State-licensed camp.

Although the camp runs for six weeks in all, this week and next were those scheduled for Novi youngsters, so they had to go without funds paid in advance. "The pastor takes children from everywhere, like the Inner City in Detroit, who can't pay—he never refuses anyone, so we'd like to collect this money and pay Novi's share," Mrs. Farah said.

The Youth Protective Services of Novi (of which Mrs. Farah was secretary for two years before

becoming the newly-elected president) is one of 26 such units in Oakland County. The agency was formulated about eight years ago by a judge of Juvenile Court.

Unit membership of YPS is limited to 25 members drawn from a cross-section of the community's citizenry. Chairmen of the various committees come from this general committee, but those who serve under these chairmen usually come from non-members of the YPS group. Mrs. Betty Harbin is chairman of the camp committee seeking money for this Camp Fairhaven project.

Case workers are assigned to each area to help the children referred to YPS "before they get in trouble." Usually the number referred to the Novi unit is small, "but this year we've been swamped with referrals," Mrs. Farah said.

So this year YPS is \$300 short of funds for a worthwhile cause. Like the kids, they need help from their community...

Need a new heating system? Take comfort.

This certificate entitles you to a one hundred dollar trade-in allowance on your old heating unit when converting to electric heat. Clip and save it.

How does it work? Simply phone or stop in at your nearest Edison office and we'll give you the names of several Edison approved and trained electric heating contractors in your area who'll honor the certificate. (We'll also supply informative literature if you like.)

The contractor you call will make a no-obligation survey of your heating needs. He'll answer your questions about electric heating and explain the unique operating cost guarantee that applies. Then he'll quote you a firm estimate on the cost of converting. You deduct \$100—the value of the certificate.

Now for some additional reasons why you should call about the offer. No other type of home heating is as (1) comfortable, (2) clean, (3) quiet, (4) modern as electric heat. It pays to convert.

Need a new heating system? Take comfort.

HERE IS YOUR \$100.00 TRADE-IN CERTIFICATE

Participating Edison Approved Electric Heat Contractor

This certificate entitles you to a one hundred dollar trade-in allowance on your old heating unit when converting to electric heat. Clip and save it.

How does it work? Simply phone or stop in at your nearest Edison office and we'll give you the names of several Edison approved and trained electric heating contractors in your area who'll honor the certificate. (We'll also supply informative literature if you like.)

The contractor you call will make a no-obligation survey of your heating needs. He'll answer your questions about electric heating and explain the unique operating cost guarantee that applies. Then he'll quote you a firm estimate on the cost of converting. You deduct \$100—the value of the certificate.

Now for some additional reasons why you should call about the offer. No other type of home heating is as (1) comfortable, (2) clean, (3) quiet, (4) modern as electric heat. It pays to convert.

EDISON

Official Minutes of the Northville Board of Education

Minutes of the Regular Meeting

June 11, 1968
In the absence of President Eugene Cook, the meeting was called to order by Vice President Stanley Johnston at 7:35 P.M. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Stanley Johnston, Vice President; Mr. Glenn E. Diebert, Secretary; Mr. Richard Martin, Treasurer; Mr. James Kipfer, Trustee; Mr. Andrew Orphan, Trustee; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Absent: Mr. Eugene Cook, President; Mr. Robert Froelich, Trustee.

Administrators Present: Miss F. Panattoni, Mr. D. Van Ingen.

Visitors Present: Dr. Orlo J. Robinson, Member-Elect to the Board of Education; Miss L. Edgerton; Mr. Art Adams; Mr. John Seales; Mr. Roy Russell of Thompson-Brown Co.

Vice President Johnston declared that a quorum was present and directed the Board to proceed with the regular order of business.

Superintendent Spear requested that four items be added to the agenda: 1) Letter from City of Northville, agenda item 5e, under Communications.

2) Six additional new teacher contracts for approval, agenda item 7a, under Certified Personnel.

3) Approval of contract for American School Principal.

4) Call for special election.

5) Motion No. 68-233 by Mr. Kipfer, supported by Mr. Orphan, that the agenda be adopted as amended. Motion carried.

Motion No. 68-234 by Mr. Orphan, supported by Mr. Martin, that the Minutes of May 13, 1968 and the Minutes of May 27, 1968 be approved as published. Motion carried.

Communications noted: Letter from Chairman William L. Mainland, Southeast Michigan Council of Governments.

Notice of thanks from Mr. and Mrs. Frank Cochran for the dinner and presentations on the occasion of Mr. Cochran's retirement banquet held on May 25, 1968.

Letter from Edgar M. Brannigan, Wayne County Clerk, with copy of the Final Order of the Wayne County Tax Allocation Board fixing the maximum allocation of tax rates for the County of Wayne, Township and School Districts for the fiscal year 1968-69.

Tax rate for the Northville School District was fixed at 8.9, one of the highest in the County.

Letter from Mrs. Madeline Stilson, High School teacher presently on leave of absence for medical condition to resign for health reasons at the expiration of her leave of absence, July 1, 1968.

Letter from City of Northville announcing a Public Hearing to be conducted at the City Hall, 215 West Main Street, on Monday, June 17, 1968, 8:00 P.M., for the purpose of hearing any person affected by the proposed improvement of Taft Road.

In reviewing SEMCOG Chairman William Mainland's letter of request for committee membership choices of the Northville School Board, to participate in assisting SEMCOG in areas of proposed Council involvement, the following Board members indicated willingness to serve in the areas designated: Mr. Diebert—Public Safety; Mr. Johnston—Housing, Streets and Needs Study; Mr. Diebert—Solid Waste Disposal Activity Coordination.

Consideration by the Board of contracts for 11 new teachers resulted in lengthy discussion as to the advisability of filling certain teaching stations not considered replacements, in light of the millage defeat in the June 10, 1968 Annual School Election.

Motion No. 68-235 by Mr. Kipfer, supported by Mr. Martin, that contracts be approved for 11 new teachers as recommended by the Superintendent. Motion defeated.

Following defeat of Motion No. 68-235, discussion continued as to the wisdom of postponing hiring of a girls' swimming instructor in anticipation of a setback in operational expenditures as a result of defeat of the Board's request for a 2-mill increase in operational millage.

Secretary Diebert expressed personal conviction that the millage defeat of June 10, 1968 represented a mandate of the electorate. Mr. Diebert recommended consideration of any area that could be abandoned or pared budget-wise, in order to operate within the "mandate" of the School District voters. Mr. Diebert focused opposition on the position of girls' swimming instructor, although Vice President Johnston and Business Manager Busard pointed out that certain non-academic areas, such as student cafeteria services and student bus transportation, are not compulsory and should be considered in any budget adjustments in the event a 2-mill increase in school taxes is denied in a special election which could be held in July.

A dedicatory plaque for the High School swimming pool was being reviewed by the Board and found to be acceptable. The Board directed Superintendent Spear to instruct the Architect to proceed with construction of such a plaque as approved by the Board of Education.

Motion No. 68-236 by Mr. Martin, supported by Mr. Diebert, that the following new teachers' contracts be approved for the 1968-69 school year: Miss Nancy Krupp—English; Mr. Robert Heldt—Shop; Mrs. Linda Van Dyke—Art; Mrs. Jacalyn Byerly—Elementary; Mr. David Schopp—Jr. High Science; Miss Betty Kolbe—Elementary Music; Mrs. Carol Martin—Elementary; Miss Joann Brookover—French; Mrs. Carolyn Sundeman—Elementary Music; Mrs. Betty Ferry—Speech Correctionist; Motion carried.

Motion No. 68-237 by Mr. Orphan, supported by Mr. Kipfer, that Miss Bonnie Rorabacher, Mr. Jeffrey Lightfoot, and Mr. James Honey be appointed as Elementary Intern Teachers with the Northville Public Schools School District for the 1968-69 school year. Motion carried.

Superintendent Spear briefly reviewed the Intern Program in response to Board inquiries as to the function of this program.

At this point in the agenda, Vice President Johnston directed the Board's attention to item 17 on the agenda and the presence of Mr. Roy Russell of Thompson-Brown Company for the purpose of reviewing location and conditions of the school site to be donated to the Northville School District.

Russell pointed out that Thompson-Brown's proposal to deed approximately 8 acres to the Board of Education together with an easement over 5 acres for playground uses, constituting a 13-acre parcel to include a school site near the southerly boundary of their Northville Commons development, with access from the proposed Winchester Drive near the easterly boundary of the parcel and access from a proposed street in the Greenspan development on the southerly boundary of the parcel. Mr. Russell indicated provisions for a 60-foot access to the site from a public road, with sewer, water and paving of road to front of access line to be paid for by Thompson-Brown.

Reservations on the easement area cited by Mr. Russell included restrictions on playground equipment and limitation to passive rather than active play (no ball fields). It was emphasized that since there are residential lots abutting the school site and because the easement area is maintained and controlled by the subdivision homeowners association, playground equipment and activities would be subject to approval by the subdivision association. A board of directors, composed of residents of this subdivision, has vote control over maintenance, as to what is done and built on the easement, and the right to specify uses to public school children. The association pays the taxes and maintains.

Mr. Russell indicated there would be no restrictions on the deed other than the right to consult and work with school architects to express Thompson-Brown's feelings and desires as regards the ultimate location of the building constructed on the site.

Superintendent Spear recommended that the Administration be authorized to draft an agreement with Thompson-Brown for the 8-acre site discussed by Mr. Russell, as well as initiate steps to relinquish the option on the original 10-acre Braden Road site, for presentation to the Board of Education.

Motion No. 68-238 by Mr. Martin, supported by Mr. Kipfer, that the Administration be authorized to proceed with the establishment of an agreement between Thompson-Brown Company and the Northville Public Schools School District according to the guidelines as hereby established as regards the deed of eight (8) acres to the District, and the easement of five (5) acre school site adjacent to the 8-acre school site. Motion carried.

Motion No. 68-239 by Mr. Kipfer, supported by Mr. Martin, that the appointment of Mr. Robert Kuhn as Athletic Director for the 1968-69 school year be approved. Motion carried.

Motion No. 68-240 by Mr. Martin, supported by Mr. Diebert, that appropriate resolutions be adopted for Mr. Edward Mollema, Mr. Charles Yalme, Mr. Harry Smith and Mr. Frank Cochran in recognition of their many years of devoted service to the Northville Public Schools School District. Motion carried. (Appendices I, II, III, IV to these Minutes)

Resignations received from teaching personnel since May 13, 1968 were noted for the following: Mrs. C. Cochran; Miss S. Decker; Mrs. A. Osborn; Mr. W. C. White; Miss P. Hinkel; Mrs. D. Chapin.

A resolution would insure initiation of proper legal procedure for calling the election in time to get the assessment on the tax rolls should a favorable vote result.

Motion No. 68-250 by Mr. Martin, supported by Mr. Orphan, that a resolution calling for a Special Election on Monday, July 29, 1968 be adopted. Motion carried. (Appendix VI to these Minutes)

Superintendent Spear requested further consideration be given to approval of a contract for a girls' swimming instructor for the 1968-69 school year.

Although Mr. Diebert maintained his opposition to this teaching position, based on the millage defeat, other Board members and Administration present offered varying considerations.

If this qualified person were hired and the budget did not justify the new position established, some reassignment of present personnel to existing vacancies could move the swimming instructor into the physical education program.

Capital outlay for the pool is too great to warrant immobilization of the program for lack of one instructor.

Operate swimming program on a fee basis to amortize operational costs. Evaluate other areas to be cut before cutting back swimming program.

Of 14 existing vacancies to date, 6 will be considered on a contingency basis pending outcome of July 19, 1968 Special Election.

Not practical to forestall teacher considerations to provide board flexibility to cut costs if two mills not passed; difficult to obtain best qualified teachers later on.

Motion No. 68-251 by Mr. Kipfer, supported by Mr. Orphan, that the bid for furnishing milk to the Northville Public Schools School District for the period July 1, 1968 thru June 30, 1969 be awarded to In Wilcox & Sons Dairy Company in the amount of .003 cents per 1/2 pint (white) and .059 cents per 1/2 pint (chocolate) and including the supplying of sanitary straws and coolers at no additional cost. Motion carried.

Votes were as follows: Two-mill operational millage increase: Yes—40; No—48; Millage defeated.

Reclassification of District from Fourth Class to Third Class District: Yes—467; No—392; District reclassified.

Board Members for four-year terms: Cook—413; Desley—102; Holloman—102; Kinaldi—205; Robinson—508; Stenger—187; Dr. Robinson and Mr. Cook won four-year terms on the Board of Education.

Motion No. 68-248 by Mr. Martin, supported by Mr. Kipfer, that Bill Warrants and Payroll be approved as presented:

General Fund \$663,509.43
Bookstore \$505.94
Building and Site 38,376.14
Cafeteria Account 9,669.57
Stadium Fund 66.87
TOTAL \$711,622.01

Motion carried

In presenting the Budget Report for May 1968, Business Manager Busard pointed out the Administration's expectation of ending the fiscal year with a plus figure, indicating that expenditures had been in line with anticipated revenue collected.

The Budget Report for May 1968 indicated the following: 84.24 percent of total allocation expended; 99.20 percent of total allocation expended or encumbered; 0.80 percent of total allocation unencumbered; 94.92 percent of unexpended balance encumbered; 5.08 percent of unexpended balance unencumbered.

Superintendent Spear outlined the procedures followed for selection of candidates for the Amerman School Principalship, indicating that four finalists were interviewed a second time, with Mr. William Craft of Livonia, Michigan, the recommended choice to fill the position.

Motion No. 68-249 by Mr. Kipfer, supported by Mr. Martin, that Mr. William Craft be appointed to the position of Principal of the Amerman Elementary School effective July 1, 1968, and that he be issued a one-year contract covering the period July 1, 1968 thru June 30, 1969, with placement on Step 3 of the Elementary Principals' Salary Schedule. Motion carried.

Superintendent Spear directed Board attention to the impact the loss of the requested two mills would have on the District's five educational program. Mr. Spear expressed belief that the Board would not accept a decision concerning 2700 students based on a voting action of only 484 of the District's 4700 eligible voters, thus he would recommend that a resolution calling for a Special Election on July 29, 1968 be approved. It was suggested that a new approach be established to reach the voters, taxpayers, and parents of our children to assure their presence at the polls on the 29th if a special election is adopted. It was noted that although two Board members were absent, immediate action to adopt such

terms on the Board of Education, beginning July 1, 1968 thru June 30, 1972.

Motion No. 68-254 by Mr. Froelich, supported by Mr. Martin, that Dr. Orlo J. Robinson be appointed to serve the remaining portion of Mr. James Kipfer's term on the Board of Education which expires June 30, 1968, due to his resignation on June 12, 1968. Motion carried.

Motion No. 68-255 by Mr. Martin, supported by Mr. Johnston, that the following new teachers' contracts be approved for the 1968-69 school year: Miss Sally Loughlin—Commercial; Miss Paula O'Daniel—Home Economics; Miss Pamela Barbour—Science; Motion carried.

Motion No. 68-256 by Dr. Robinson, supported by Mr. Johnston, that Motion No. 68-250 of the June 11, 1968 Regular Board Meeting, calling for a Special Election on July 29, 1968, be reaffirmed. Ayes: Mr. Cook, Mr. Johnston, Mr. Diebert, Mr. Martin, Mr. Froelich, Mr. Orphan, Dr. Robinson, Nays: None. Motion unanimously carried.

There being no further business, the meeting adjourned at 8:47 P.M.

O. J. Robinson, M.D., Secretary

Minutes of the Regular Special Meeting

June 24, 1968

The meeting was called to order by President Eugene Cook at 7:36 P.M. in the Board of Education Offices at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Glenn E. Diebert, Secretary; Mr. Richard Martin, Treasurer; Mr. Andrew Orphan, Trustee; Mr. Robert Froelich, Trustee; Dr. Orlo J. Robinson, Trustee (arrived 8:09 P.M.); Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Absent: Mr. Stanley Johnston, Vice President

Administrators Present: Mr. F. Holdsworth

Visitors Present: 5 (See Register). President Cook called an executive session immediately following roll call for the purpose of discussing personnel matters relating to negotiations.

Meeting reconvened at 8:07 P.M. President Cook declared that a quorum was present and directed the Board to proceed with the regular order of business.

Superintendent Spear requested three changes in the agenda as follows: 1) Addition of one teacher, Mr. David Johnson, to item 8a, Certified Personnel.

2) Tabling of item 11, Naming of the Board of Education to the Member-Elect Dr. Orlo J. Robinson. Mr. Kipfer expressed appreciation to all concerned for encouragement which he had received as a Board member over the past eight years.

Motion No. 68-252 by Mr. Martin, supported by Mr. Diebert, that the resignation of Mr. James Kipfer from the Board of Education of the Northville Public Schools School District be accepted, effective June 12, 1968. Motion carried.

In response to questions from Mr. Art Adams, citizen, Mr. Spear and Mr. Busard indicated completion of the swimming pool is expected about July 15, and that contrary to Mr. Adams' statement there was no provision included in the 1967 seven-mill increase to cover operation of the swimming pool or additional classrooms; thus the two-mill increase requested this year is needed to carry out our expanded program.

There being no further business, the meeting adjourned at 11:25 P.M.

O. J. Robinson, M.D., Secretary

Minutes of the Special Meeting

June 17, 1968

The meeting was called to order by President Eugene Cook at 8:07 P.M. in the Board of Education Office at 405 West Main Street, Northville, Michigan.

Members Present: Mr. Eugene Cook, President; Mr. Stanley Johnston, Vice President; Mr. Glenn E. Diebert, Secretary; Mr. Richard Martin, Treasurer; Mr. Robert Froelich, Trustee; Mr. Andrew Orphan, Trustee; Dr. Orlo J. Robinson, Member-Elect; Mr. Raymond Spear, Superintendent; Mr. Earl Busard, Business Manager.

Absent: Mr. Stanley Johnston, Vice President; Eugene Cook declared that a quorum was present and directed the Board to proceed with the regular order of business.

Motion No. 68-253 by Mr. Martin, supported by Mr. Froelich, that the agenda be adopted as presented. Motion carried.

The Death of Office was administered by Mr. Johnston to Members-Elect Mr. Eugene Cook and Dr. Orlo J. Robinson for four-year

Primary concern of the Board was commitment to a 100 percent open assessment for paving of Taft Road.

The Board expressed willingness to accept an adjustment in the original amount committed, in order to meet additional cost factors estimated or anticipated by the City for the paving of Taft Road, but continues to reserve the right to limit the amount beyond which the Board would give further consideration prior to acceptance of final billing.

Three citizens in attendance requested Board rejection of 100 percent assessment to the School District for its share in the cost of paving Taft Road, thus tacitly supporting dissatisfaction of adjoining private property owners regarding a 75 percent assessment to be levied against their property, and perhaps influencing City Council action as regards assessments in the future.

President Cook, along with Members Martin and Diebert, responded that Taft Road will be paved eventually in any case, and acceptance by the School District of its portion of the assessment would mean spreading the cost among all taxpayers of the District rather than a few private property owners on Taft Road. Superintendent Spear further pointed out that he had been informed of Thompson-Brown's (the major property owner involved in the assessment) willingness to accept their 100 percent assessment without a cost ceiling. (Estimated at approximately \$66,543.31.)

In response to Board inquiry, Superintendent Spear indicated the City expects bids to be back approximately two weeks (July 15) following the July 1, 1968 Hearing, with construction as soon thereafter as bids can be awarded.

Motion No. 68-258 by Mr. Orphan, supported by Dr. Robinson, that the Board of Education agree to pay 100 percent of the School District's portion of a Special Assessment for paving of Taft Road in an amount not to exceed \$9000.00, with any additional cost subject to review following completion of paving and final billing. Motion carried.

Motion No. 68-259 by Mr. Froelich, supported by Mr. Martin, that the resolution recognizing the services rendered to the School District by Past Board Member James Kipfer be adopted, Motion carried. (Appendix I to these Minutes)

In considering recommended Board Policy 2210.1, Mr. Froelich, Chairman of Board Subcommittee on Administrative Affairs, indicated approval with exception and recommendation that Section F, Paragraphs 3-a, 5, 6, 7, and 8-a be established as a separate Board Policy 2210.2.

Motion No. 68-260 by Mr. Froelich, supported by Mr. Martin, that Board Policy 2210.1 governing Principals, Salaries, Contracts and Conditions of Employment, and Board Policy 2210.2, governing Principals' Salary Schedule, be adopted as recommended. Motion carried. (Appendix II to these Minutes)

Motion No. 68-261 by Mr. Martin, supported by Mr. Froelich, that contracts for Miss Karen Hanna and Mr. David Johnson be approved for the 1968-69 school year. Motion carried.

Motion No. 68-262 by Mr. Diebert, supported by Mr. Froelich, that a contract for the School Psychologist be tabled until after the hearing in hopes of coming to some final decisions regarding the teachers' contracts.

Meetings have been going on since May with some points of agreement reached but not made public.

The faculty and board of trustees negotiating teams of Schoolcraft College will meet today (Thursday) with the mediators in hopes of coming to some final decisions regarding the teachers' contracts.

Meetings have been going on since May with some points of agreement reached but not made public.

Letter from Association of Elementary School Principals, Region II, announcing the election of Mr. Milton Jacoby, Monroe School Principal, to the office of AESP, Region II, President for 1968-69. (This is the third Northville Elementary Principal to be so honored.)

Letter from Michigan Department of Education, indicating the District's tentative allocation for ESEA, Title I, fiscal year 1968-69 (as determined by the Superintendent of Public Instruction) is \$12,919.00.

Letter from City of Northville relative to Taft Road paving and resulting School District assessment. It was indicated that Thompson-Brown Company and the Northville Public Schools are requested to sign agreements prior to a public hearing to confirm the Special Assessment Roll (July 1, 1968), to pay on the basis of 100 percent per front foot. The City Council has decided to assess all other property owners on the basis of 75 percent per front foot.

Considerable discussion followed reading of the preceding communication to City Manager Ollendorff. It was noted that a final cost estimate by the City, based on completed engineering, exceeds by approximately 14 percent the preliminary estimate of last December. Based on the complete estimate, the School District's share was quoted as increasing from \$7800 to \$8754, with the possibility of an even higher figure following bids and/or completion of the job.

Northville Township Board Minutes

Minutes of July 2, 1968
Meeting called to order by Supervisor Stromberg at 8:05 P.M.
Present: Supervisor Stromberg; Clerk Hammond; Treasurer Lawrence; Trustees: Armstrong, Baldwin; Consultants: Attorney Ashton, Engineer Mosher; Visitors: Press, Sliger; Absent: Trustee Tellam

Minutes of meetings of June 4 and 18, 1968 were approved and filed.
Treasurer's report for June was accepted and filed.
Bills payable and Office Receipts for June were reviewed. Baldwin moved that all current bills be paid, seconded by Armstrong. Ayes: All. Motion carried.

Building Department report was approved as presented. The Planning Commission and Appeal Board minutes be accepted and placed on file, seconded by Armstrong. Ayes: All. Motion carried.

CORRESPONDENCE
1. Baldwin moved that the letter read by Mrs. Hammond, from the Wayne County Board of Supervisors, in response to Proposition No. 1 on the upcoming ballot be accepted and filed, seconded by Hammond. Ayes: All. Motion carried.

OLD BUSINESS
1. Open Housing (Entitled Open Occupancy, Ordinance No. 24) Mrs. Hammond commented that if this ordinance were passed tonight, it would immediately become Township law without going to the vote of the people. Ashton agreed, saying that the people would need to petition and request an election if they did not agree with the Board's decision. Baldwin moved that Ordinance No. 24 be enacted as submitted by Ashton, supported by Armstrong. Ayes: All. Motion carried.

2. Fish Hatchery Committee: Supervisor Stromberg announced that he had appointed H. O. Evans, of the Recreation Commission and B. Baldwin of the Township Board to represent the Township on a joint committee with appointees from the City of Northville and the School Board to study the disposition and use of the Fish Hatchery Property. Mr. Ollendorff is to call a meeting soon.

3. A. John Landfill: Attorney Ashton has drawn up pleadings for

circuit court against Mr. John as he is not complied with the Township Board's request that he cease filling and restoring to its original level.
4. The First Aid Kit and the polaroid camera have been purchased for the use of the Township Police. Bids were taken and the purchase made in accordance. The items are now in use.

5. Fringe benefits: Lawrence moved to pass the fringe benefits plan, but without Blue Cross-Blue Shield, supported by Armstrong. Ayes: Armstrong, Lawrence; Nays: Baldwin, Hammond; Supervisor Stromberg voted NAY to defeat the motion.

6. State Hospital Water Line: The contract is to be signed and in our hands by July 16, 1968 according to Mr. Hodges of the Mental Health Department.

7. Water Main Bonds: Ashton read his letter of June 26, 1968 in which he recommended to the Board that it pass a resolution requesting priority processing of our application from the Municipal Finance Commission. This resolution pertaining to the Water Main Bonds for Special Assessment District No. 3 should then be sent immediately. Armstrong so moved, supported by Lawrence. Ayes: All. Motion carried.

8. Smoker Easement Agreement: Ashton explained that a dedication of property to the Township must be accepted and recorded, and he presented a document to cover the easements on the Smoker Kings Mill property. The Clerk and the Supervisor must execute the document. Baldwin moved to accept the dedication of the easement as indicated in the submission by Mr. Ashton, with the Clerk and Supervisor to execute same, supported by Lawrence. Ayes: All. Motion carried.

9. Building and Electrical Department: Supervisor Stromberg announced that he had appointed H. O. Evans, of the Recreation Commission and B. Baldwin of the Township Board to represent the Township on a joint committee with appointees from the City of Northville and the School Board to study the disposition and use of the Fish Hatchery Property. Mr. Ollendorff is to call a meeting soon.

3. A. John Landfill: Attorney Ashton has drawn up pleadings for

Inspector Mr. Salow was present and was asked to speak to the Board regarding the manner of his salary payment, and the amount. Mr. Stromberg first reviewed the salary discussion that has taken place over the past several months. He read a list of wages paid to Mr. Salow for the past ten years. Mr. Salow asked for a raise as all Township employees and officials except the building inspectors had received one in April of this year. Baldwin reiterated his stand that the Township needs a full time building department (not on a fee basis) as building activity in the area has been increasing so rapidly. Mr. Salow indicated that a set salary in lieu of his present fee basis arrangement would not be acceptable to him.

Baldwin moved that the salary for the building inspector be set at \$8000.00 and the electrical inspector at \$3000.00, with \$50.00 per month car allowance, totaling \$11,600.00 per year, this wage arrangement to become effective on September 1, 1968. Seconded by Armstrong. Ayes: Armstrong, Baldwin; Nays: Hammond, Lawrence; Tie vote broken by Supervisor Stromberg who voted AYE. Motion carried.

NEW BUSINESS
1. Water and Sewer Commissioner: Supervisor Stromberg announced that R. N. Brown had submitted his resignation from the Water and Sewer Commission, effective immediately. He is moving out of the area. The Supervisor felt that the Board should try to appoint a commissioner from a section of the Township which is not well represented on any of the boards or commissions. Baldwin moved to make the appointment until the next meeting. Seconded by Lawrence. Ayes: All. Motion carried.

2. Filing Cabinet: Baldwin moved to purchase a four drawer legal size filing cabinet for the Treasurer's office, matching present equipment in color and quality, seconded by Armstrong. Ayes: All. Motion carried.

3. 1948 Law Book: Baldwin moved to purchase the 1948 edition to complete the series of compiled laws owned by the Township, seconded by Lawrence. Ayes: All. Motion carried.

4. Election: The Clerk reminded the Board that the Primary Election is to be on Tuesday, August 6, 1968.

Respectfully submitted,
E. W. Hammond, Clerk

NOTICE OF TAFT ROAD ASSESSMENT ROLL FILING

The Taft Road Special Assessment Roll 68-2 has been filed in the Office of the Northville City Treasurer. Payments may be made at Northville City Hall, 215 W. Main St., Northville, office of City Clerk. Any portion of said assessment may be paid without interest or penalty until Friday, August 30, 1968.

Frank Ollendorff
City Treasurer

ORDINANCE NO. 24 OPEN OCCUPANCY ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN

AN ORDINANCE PROHIBITING DISCRIMINATION IN THE SALE, RENTAL, OR LEASE OF HOUSING ACCOMMODATIONS OR LIVING QUARTERS OF ANY SORT WITHIN THE TOWNSHIP OF NORTHVILLE; PROHIBITING DISCRIMINATION IN LEADING TRANSACTIONS; PROHIBITING DISCRIMINATION BY REAL ESTATE BROKERS OR SALESMAN; PROHIBITING DISCRIMINATION IN THE TERMS AND PRIVILEGES OF SUCH TRANSACTIONS; PROVIDING CERTAIN EXCEPTIONS WITH REFERENCE HERETO; PROHIBITING THE MAKING OF FALSE CLAIMS OR SUBSTANTIALLY MISLEADING STATEMENTS TO THE AUTHORITY CHARGED WITH ENFORCEMENT OF THIS ORDINANCE; AND PROVIDING PENALTIES FOR THE VIOLATION HEREOF.

THE TOWNSHIP OF NORTHVILLE ORDAINS

Section 1. Discrimination in Sale, Lease or Rental Prohibited. It is unlawful for an owner, lessee or sub-lessee of real property, or any agent or representative, thereof, to refuse to sell, exchange, rent or lease any housing accommodation or living quarters of any sort, within the Township of Northville because of race, color, religion, national origin or ancestry.

Section 2. Discrimination in Lending Prohibited. It is unlawful for any person, firm or corporation to discriminate in the lending of money, guaranteeing of loans, accepting of mortgages or otherwise making available funds for the purchase, acquisition, construction, rehabilitation, repair or maintenance of any housing accommodations or living quarters of any sort within the Township of Northville because of race, color, religion, national origin or ancestry.

Section 3. Discrimination by Real Estate Broker or Salesman Prohibited. It is unlawful for any real estate broker or salesman to refuse to make available for inspection or to refuse to accept or convey offers to purchase, offers to lease or any other proposed agreements with reference to the sale, exchange or lease of real property because of race, color, religion, national origin or ancestry.

Section 4. Discrimination in Terms of Privileges Prohibited. It is unlawful for any owner, lessee or sub-lessee of real property or any other person concerned with transactions in real property to discriminate because of race, color, religion, national origin or ancestry with reference to the terms, conditions or privileges of the sale, rental or lease of any housing accommodations or living quarters of any sort within the Township of Northville or in the furnishing of facilities or services in connection therewith.

Section 5. Publication indicating Certain Preference Prohibited. It is unlawful for any person, firm or corporation to publish, circulate, issue, or display or cause to be published, circulated, issued or displayed, any communication, notice advertisement or sign of any kind relating to the sale, rental or lease of real property within the Township of Northville indicating exclusion of or preference for any person or group of persons based upon race, color, religion, national origin or ancestry.

Section 6. False or Substantially Misleading Statements Prohibited. It is unlawful for any person, firm or corporation to knowingly or intentionally present false or substantially misleading statements to the authorities charged with enforcement of this ordinance or to sign a complaint for violation of this ordinance based upon false or substantially misleading information.

Section 7. Inducement of Violations of Provisions of Ordinance Prohibited. It is unlawful for any person, firm or corporation, by threats, intimidation, coercion, extortion or conspiracy, to induce or attempt to induce any person owning an interest in real property in the Township of Northville, to violate the provisions of this ordinance.

Section 8. Exceptions—The provisions of Sections 1 and 4 of this ordinance shall not apply to the owner of a dwelling house, apartment building, or multiple housing facility of any sort, in which said owner or members of his immediate family resides, who rents or leases three or less housing units in said dwelling house, apartment building or multiple housing facility.

Section 9. Permissible Transaction. Nothing in this ordinance shall be construed as prohibiting any person, firm or corporation from imposing any and all conditions and requirements relative to any of the transactions hereinabove described, provided such conditions do not concern race, color, religion, national origin or ancestry, and provided such conditions are imposed uniformly, regardless of race, color, religion, national origin or ancestry. Nothing in this ordinance shall be construed as prohibiting the owner, lessee or sub-lessee of real property, or any person, firm or corporation concerned in real estate transactions, from exercising absolute discretion in establishing the terms and conditions of the sale, exchange, lease or rental of real property or in any transactions involving real property, provided such terms and conditions do not concern race, color, religion, national origin or ancestry. Nothing in this ordinance shall be construed as requiring an owner, lessee or sub-lessee of real property to offer said property to the public at large before selling or renting same.

Section 10. Penalty. Any person, persons, firm or corporation violating any of the provisions of this ordinance shall, upon conviction thereof, be sentenced to not more than 90 days in jail and/or to pay a fine of not exceeding One Hundred (\$100.00) Dollars.

Section 11. Severability. If any section, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this ordinance as an entirety, it being the legislative intent that this ordinance shall stand notwithstanding the invalidity of such section, sentence, clause or phrase.

Section 12. Short Title. This Ordinance, for brevity, may be cited, hereinafter and referred to and may be amended by the short title of "Ordinance No. 24, Open Occupancy Ordinance of the Township of Northville, Michigan."

Section 13. Effective Date. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public, safety, morals and general welfare throughout the Township of Northville and are hereby ordered to take effect Thirty (30) days after final passage and publication.

I, ELEANOR W. HAMMOND, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting held on July 18, 1968, and held on the 2nd day of July, A.D., 1968, and was ordered to be given publication in the manner prescribed by law.

Eleanor W. Hammond
Clerk

Northville Board of Education

Continued from Page 4-B
Motion No. 68-266 by Mr. Orphan, supported by Mr. Martin, that an appropriate resolution be adopted for her many years of devoted service to the Northville Public Schools School District. Motion carried. (Appendix III to these Minutes)

Resignations received since June 11, 1968 were noted for the following: Miss Nancy Krupp (verbal acceptance of contract for 1968-69 retracted); Mrs. Donna Hill; Mrs. Isabelle Spooner; Miss Sarah Baldwin.

A brief discussion of a recommended Board Policy pertaining to the District swimming pool (1330.1) pointed to the desirability of this section's revision into sections as related to general Board Policy and specific Administrative Rules and Regulations.

Motion No. 68-267 by Mr. Froelich, supported by Mr. Martin, that Board Policy-1330.1 governing the Administration, Use and Operation of the District Swimming Pool be referred back to the Superintendent for clarification as to Board Policy and Administrative Directive. Motion carried.

Motion No. 68-268 by Mr. Robinson, supported by Mr. Martin, that forty-one (41) maintenance, custodial, cafeteria and mechanical positions be authorized for the school year 1968-69 and that a budget allocation not to exceed \$180,835.00 be approved. Motion carried.

Motion No. 68-269 by Mr. Martin, supported by Mr. Froelich, that the first official meeting of the Board of Education of the Northville Public Schools School District for the fiscal year 1968-69.

Mr. Cook in his closing remarks as President of the Board of Education for 1967-68, called it a "good Board." He expressed gratification for Board accomplishments while he was President, indicating confidence that the Board is on the road to running the School System as it should be run in many areas. Mr. Cook extended thanks for the support and cooperation offered him during the past year.

There being no further business, the meeting adjourned at 9:35 P.M.

O. J. Robinson, M.D., Secretary

SPEAKING for The Record

By BILL SLIGER

There's a capable field of candidates running for the newly-created district judgeship that will serve the Northville, Plymouth, Canton communities.

Two will be nominated August 6. And, finally, one will be elected in November to serve a four-year term beginning January, 1969.

There are several obvious reasons why Northville area residents should vote for Municipal Judge Philip Ogilvie.

He epitomizes the community-devoted citizen.

There's very few worthwhile projects that have not had strong assists from Phil Ogilvie in the past decade or so in Northville. He's been a leader in scouting and

was honored with the highly-coveted Silver Beaver award. He's been an active church worker, a member of the non-profit economic development corporation for community improvement, a PTA supporter.

I'm certain there have been many times that the private law practice of Phil Ogilvie has suffered because of his personal conviction to civic affairs.

And it's strongly suspected by many that Ogilvie did not help his law practice by accepting an appointment as municipal judge after having served as both village and city attorney.

He has not assumed this new role in a part-time fashion, although it is a relatively low-paying, part-time post. He has added to his hours in the court by forming a probation department. Ogilvie had to sell the council on the need for such a program that's designed to help adults (17 years and older) who have committed lesser crimes and who can frequently be guided from law-less to law-full behavior.

The new Northville Municipal Court Probation Department, the only such department in the new district court area, has a probation director and a host of volunteer probation officers.

Youngsters and adults are being helped today through this program -- and the help is two-fold. It's giving interested citizens an opportunity to contribute, and it's proving to many that there are people who care about them and who are helping them find new purpose and new direction in their lives.

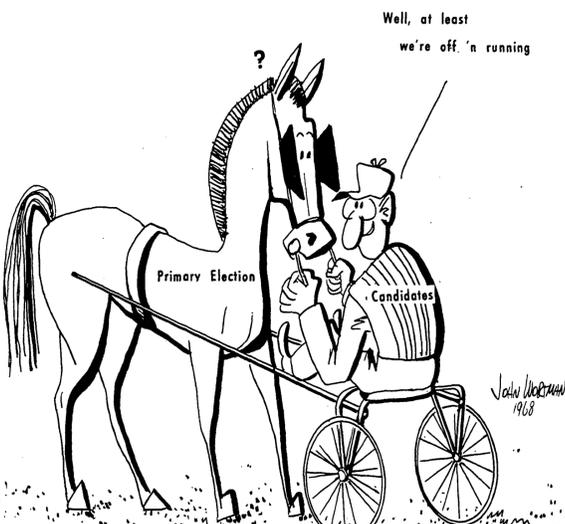

I believe Phil Ogilvie has found his niche in service on the bench. He is not "soft", but he is deeply concerned with human beings and he seeks ways to help when this has been the missing ingredient.

Dispensing "justice" is not an easy assignment. But in the fullest meaning of the word, Phil Ogilvie has shown a keen ability to perform.

I urge Northvillites to vote for Judge Ogilvie in August and November. And I hope they will urge their friends in Plymouth and Canton to do the same.

I certainly intend to do so.

Our Muddled '68 Elections

Readers Speak Hits Tab For Charter

To the Editor:
As reported in your last week's edition of your paper, that the Novi village council appropriated \$500 plus \$22.50 for expenses incurred by Novi's charter commission.

It has always been my contention from a legal point of view that taxpayers money can not be used for any political endeavor.

If the \$22.50 that was spent to purchase model city charters from the Michigan Municipal League, there should not have been a need for \$500 expenses, based on the final analysis, Commission members will only copy one of these charters for the citizens to vote on.

If this money (\$500 plus \$22.50) is not returned to the village, the council could be guilty of misfeasance and malfeasance of office, and face possible ouster proceedings.

Herbert Koester

A LOOSE LEAF

By ROLLY PETERSON

It's an American dream. The little white cottage with the white picket fence, a marriage made in heaven, a man and woman living happily ever after despite some troubles, children who are innocently happy -- all's right with the world.

Some would say the American dream is dead. It's not. Conditions might change. It might be a different age, but even in the ghetto, there is a dream of contentment, of a world devoid of snarled lives.

In the beginning, the British movie "Poor Cow" holds out the same promise. Happiness is attainable despite the fact that an 18-year-old girl had a baby out of wedlock, and that her husband is insensitive and cruel to the point of slapping her around.

As if to make good on a promise, the husband is carted off to jail after a robbery falls through. The girl, Joannie, is set free once more to search for the dream, to pursue the symbol of happiness -- the white cottage with the white picket fence. Or in British circles, the little thatched-roofed house.

But life gets in the way.

Played superbly by Carol White, Joannie travels from one man to another, somewhat like Don Quixote in quest of something. Traveling with her on her shoreless voyage is her infant son, chubby and small and too young to know what's going on.

Joannie has been called the female Alfie because of her apparent amoral attitude. That's questionable. But the girl, despite her circumstances and her own compulsive behavior, has an indomitable spirit that carries her and her small son along.

To some she will prove thoroughly despicable. Others who attempt to understand will suspend judgment and wonder what it's all about. Some will be coldly indifferent.

Whatever posture is taken, it will be fully understandable. For Director Kenneth Loach presents Joannie with brutal detachment. There is no sympathetic involvement, for the story line and any spell it might have is broken by abrupt scene transitions and printed comments on the action which appear on the screen.

In this respect, the movie is not unlike "Tom Jones," with sardonic comments cutting across the action to throw water inconspicuously over it. Or a scene change or music jerking us away from sentimentality, happiness or heavy lust.

"Poor Cow" might be called "A happening." The movie is there, Joannie is there, the action is there, there is no elucidation, only cold experience for us to see and digest, to form our own opinions without letting emotion clutter the view.

and even to vote for a man of whom, perhaps, the public has never heard!

To illustrate this point, he noted that "of all the Greeley electors chosen (some 84), only three voted for Horace Greeley. The balance of the votes were distributed among U.S. Grant, Thomas A. Hendricks of Indiana, B. Gratz Brown of Missouri, David Davis of New York, James Black of Pennsylvania, and Charles Jenkins of Georgia...."

"What an undoubtedly large majority of the people of the United States want is to vote directly for the candidate of their choice."

To that end, Little proposed that there "be a Direct Vote for President and for vice president; that the votes be counted separately for each of

the candidates at the same time and in the same manner as votes for the electors are counted now; that the certified number of votes be computed, and the candidate having the highest number of votes to be declared elected...."

His 100-year-old proposal, which has been dusted off and offered anew periodically over the years, appears to be gaining ground in 1968. But it's a pretty safe bet that my high school textbook -- a 20-year-old document -- is still closer to the truth when it said, "and one is bound to conclude that, although the way in which we choose our chief executive could undoubtedly be improved in a number of respects, the outlook for reform... is not promising."

Michigan Mirror

Convicts Volunteer for Drug Testing Program

LANSING—PRISONERS at the State Prison of Southern Michigan in Jackson are helping relieve human misery and prolong life through a volunteer drug testing program. Since 1964, when two pharmaceutical companies built testing facilities at the prison, about 20,000 inmates have participated in the studies.

Without the program, it would take many more years before some of today's "wonder drugs" would be ready for general use, prison officials say. Prisoners are attracted to the program by pay, a break in their otherwise colorless daily routines, a new sense of helping mankind, and

recently, credit towards earning parole.

Drugs used in the tests have already been administered to animals and sometimes to a few humans, but the project at Jackson provides necessary mass testing. Policies and programs are governed by a committee made up of staff members from Michigan medical schools and doctors in private practice. The state Health and Corrections departments also participate in decisions on general policies.

Although the two drug companies cooperate on some matters, such as screening prisoners, they work separately on testing effects of

compounds. Pay varies according to the type and extent of medication being tested.

Sophisticated equipment is used to study curative benefits of different drugs, the most effective dosage, and possible side-effects. Tests are on normal subjects since results would not be as reliable if tested on patients who were emotionally unstable.

NEW PROGRAMS aimed at cutting welfare costs are sought as Michigan heads towards a \$500 million welfare package for 1969-70. Operations of the state's Social Services Department for 1968-69 are already pegged at \$437.7 million. This year

\$360.8 million was spent for welfare assistance.

With passage of the 1968-69 appropriation, the Legislature issued a stern warning to welfare officials not to seek additional funds. Since the federal government predicts that 500,000 families will be added to national welfare rolls within the next two years, Michigan welfare executives are caught in a bind.

"It seems the industrial north pays more and more to finance the program and has less and less to say about it," charges department director R. Bernard Houston. The number of new welfare recipients in Michigan could be considerable, putting new stress on the

state's already strained resources.

A test case in Massachusetts is now pending on the question of residency requirements for indigents before they can receive welfare aid. If the courts lift the residency qualifications, it could encourage an influx of indigents to Michigan from poorer states and make a shambles of the state budget.

A WORK INCENTIVE program for families on Aid to Dependent Children would provide on-the-job training and regular employment for some. This program was operated as a pilot project in Michigan last year and showed signs of being productive.

The purpose of the program is to get as many ADC recipients as possible back into the job mainstream and reduce the state rolls which now stand

at 48,200. This is a cooperative venture between social services, the State Labor Department and federal government.

Grants and supplemental payments are issued to those in the program to guarantee equal amounts received while on welfare rolls.

AVERAGE PAYMENT to welfare recipients in Michigan is currently \$185 per month. The federal government pays half of the cost up to \$175 monthly, and the state must pick up all of the payment above that figure. Paying 100 percent of all costs over \$175 makes it extremely difficult for the state to cover cost-of-living boosts, Houston said.

A percentage of the 1968-69 appropriation will be used to provide more assistance to counties for foster care programs.

Canada's Liberal Party Landslide Seen As Boost for Nationalism

WELLESLEY HILLS, Massachusetts—For the first time since 1962, the governing party in Canada has a clear-cut majority as a result of last month's smashing victory of the Liberal Party under the leadership of the energetic Pierre Elliott Trudeau.

This is a heartening development, for in Canada as elsewhere solidarity is vital to stability. Canada is the second-largest nation in the world in terms of square miles of land and water, topped only by the Soviet Union. Yet, for all her lavish postwar population growth, our neighbor to the north still has scarcely more than 20 million people.

Ranking first in world production of asbestos, nickel and zinc; second in output of gold, gypsum, molybdenum, and uranium; and third in cadmium, cobalt, platinum, and titanium, Canada's plenitude of natural resources augurs well for her future economic progress.

PRIME MINISTER Trudeau's victory—which included heavy support in the political hotbed of Quebec Province where dissatisfaction with Canada's federal government has been widespread and articulate—suggests a new era of peace and progress. The cause of separatism, espoused by French-speaking Canadians, has received a setback and Canadian nationalism has been accorded a boost.

Hopefully, this means that Canada is overcoming some of its more serious growing pains and moving into a period of vastly improved relations between the two cultures—English and French—of which it is composed.

We have a stake in a strong Canada because we are such close neighbors. The unfortified border of contentious United States and Canada extends for 3,987 miles from the Atlantic to the Pacific. In addition, there is a 1,538-mile border between Alaska and Canada. We also have a stake in a strong Canada because she is

by far our best customer. In 1966—latest year for which complete statistics are available—our exports to Canada totaled \$7,135,860,000, while our imports amounted to but \$6,027,722,000.

The dollar value of our total trade with Canada is the equivalent of about 25 percent of Canadian gross national product, but is only about 1 1/2 percent of our own gross national product. Yet there are thousands of American businesses which prosper as a result of trade with Canada. An uncomfortably large number of these would find their net earnings very seriously impaired if that trade were to be importantly curtailed for whatever reason.

CANADIAN prosperity is very heavily dependent on her world trade. Her trade imbalance with the U.S. is roughly \$1 billion annually—a deficit she must overcome through her commerce with other nations. As Canada grows, the needs of her burgeoning population may make her more dependent on the U.S. in some respects. But as she grows, we will also develop new economic strength that should provide even larger markets for our goods within her borders. Meanwhile, her ties with the British Commonwealth seem likely to ease.

Scotts Summer Weeds-Away-Sale

—your opportunity to wipe out lawn weeds and save money too!

What better way to clear out lawn weeds, than to do it easily, surely... and economically. TURF BUILDER PLUS 2 does just that. One simple application knocks out dandelions, chickweed, and 22 other kinds of weeds at the same time it full fertilizes your lawn. Results are amazing—as weeds shrivel and disappear, the fertilized grass grows sturdier and greener. Fills in those places where the weeds were. An extra-special bargain at this low, low price.

Give a hoot about savings? Dial direct.

Want to be a wise money saver? Then just dial your Long Distance calls direct instead of placing them Person-to-Person. It's one way to cut your phone bill if you are reasonably sure the party you are calling will be there. And it's easy, too. Just dial "1", then the Area Code, if it's different from your own, and the number you want.

For an idea of how much you can save, here's an example. A 3-minute Person-to-Person call between Detroit and Cincinnati costs \$1.30 at the day rate. Dial direct Station-to-Station and that same call costs only 85¢. You pocket the 34 per cent difference.

So be smart. Give a hoot about savings. Dial Direct. It's the moneysaving way to call Long Distance.

SILVER ANNIVERSARY YEAR

Top of the Deck

by JACK W. HOFFMAN

"The Electors shall meet in their respective states, and vote by ballot for President and Vice President, one of whom, at least, shall not be an inhabitant of the same state with themselves; they shall name in their ballots the person voted for as President, and in distinct ballots the person voted for as Vice President...."

This section of the United States Constitution (an amendment ratified in 1804), which comes under attack about every four years by lawmakers, politicians and citizens, is once again being challenged as "out-moded and un-American."

Of most concern in this Presidential year is the growing possibility that the choice of the President through the Electoral College process may not represent a clear majority, hence leaving the choice up to the House of Representatives.

That citizens do not directly vote for the President seems to be of little less concern today than it was nearly 100 years ago when the then editor of The Record, Samuel H. Little, slammed this election process as faulty.

His editorial comment followed the death of Horace Greeley, who had just lost the Presidential election to U.S. Grant.

"How easy it is, under the present condition of things," he wrote, "for the presidential electors to defeat the wishes of the people by electing a candidate receiving a popular minority of votes,

Drowning, Suicide

Two Tragic Deaths Occur in Novi

Two tragic deaths, not connected with each other, occurred last week Wednesday so quickly that Novi police had not returned to the post from the first before they were called to the scene of the second.

The first was the drowning of William Wickline, 1313 East Lake Drive, Novi, whose body was found in Walled Lake, 1/2 mile north of Novi Road and a fourth of a mile east of that point, according to Police Chief Lee BeGole.

The chief said David Byrd, 1865 Charms Road, Wixom and Linda Miles, 212 Pontiac Trail, Walled Lake, were sailing on the lake when they noticed an overturned row boat. Closer scrutiny revealed a body nearby, under the water in an upright position.

Officer Ronald Arbour said that he and Corporal Gordon Nelson discovered the body of the 72-year-old man was entangled in fishing line. "His eyeglasses were still in place," Arbour said. "He was in seven to eight feet of water." State Police, who were

called into the case, said Wickline was apparently the only one in the boat when it capsized. Coroner Dr. Arnold Kellogg of Wixom noted that there was a cut on the drowned man's right temple.

Mrs. Wickline said her husband had gone fishing alone, police reported, but that in her distress she was unable to recall the time. The body was discovered at 4:30 p.m. Wednesday. Daily Weaver of Novi took Nelson and Arbour in his power boat to the location of the drowning. Wickline had been using a 12-foot aluminum boat without an engine, Arbour said, and it was drifting when it was found by Byrd and Miss Miles.

As the officers were returning from Walled Lake they received a call at 6:48 p.m. to 39474 Burton Drive where the body of a widow, Mrs. Charles Vincent, was found in her den. State Police, after they were later called to aid in the investigation, pronounced the death a suicide.

When Novi officers entered the Vincent house, they found it in good order, the radio playing on the kitchen table, and the body of the woman lying in the den, with powder burns on her stomach Arbour said. There was a rifle standing in the bathroom across the hall, he added, and the telephone near the dead woman lay off the hook. The house was open, the gun case glass broken, and glass from the found several feet away in the back yard.

Incumbent Title Scratched

A permanent injunction granted Friday by Circuit Court Judge Robert L. Templin of Oakland County prevents those municipal judges who are running for District Judge on August 6 from designating beside their name that they are serving now as a judge.

Northville's Municipal Judge Philip Ogilvie, a candidate for the district judgeship, will appear on the ballot without his current title as a result of Judge Templin's decision.

A candidate for District Judge in District 46 of Oakland County, Allan H. Tushman, who is not currently a judge, was the complainant in an order to show cause brought against the Oakland County Election Commission and Clarence Reid, also a candidate,

Con Artists Up to Old Tricks Again

Like perennial weeds, schemes of fraud are springing up again to bilk area residents of their hard-earned cash. That's the word from Northville-Novi police officers, who warn unsuspecting residents—particularly the elderly—prime targets for the smooth-talking con-men who seem to thrive in warm weather. Latest of a hybrid crop of con-games came to light this past week in Northville, one involving the "bank investigation" racket and another the "police fund donation."

No need for you to return. I'll just take your money back to the bank and have it redeposited. Naturally, the victim never sees his money again. There are variations of this swindle, including such "cloak and dagger" schemes as having the victim picked up by a taxi cab-courtesy of the "investigator"—and driven to the bank to make the withdrawal. Sometimes he may be told that a "police officer" will meet him outside the bank after making the withdrawal. Although bank personnel are aware of this swindle technique,

THE NOVI NEWS

OFFICIAL NEWSPAPER OF THE VILLAGE AND TOWNSHIP OF NOVI, AND THE CITY OF WIXOM Vol. 15, No. 10, 26 Pages, Two Sections • Novi, Michigan — Thursday, July 25, 1968 • 10¢ Per Copy, \$4 Per Year In Advance

Wixom Axes County Millage

Wixom City Council approved a rezoning and turned down endorsement of a proposal for one mill for county roads at their Tuesday meeting. A public hearing was held on the rezoning from B-3 to M-1 (light manufacturing) of the south 30 feet of Lot 37, Supervisor's Plat No. 10, to a depth of 166.5 feet on property owned by The Korex Company. The Planning Commission had voted in favor of the rezoning to "square off" the property.

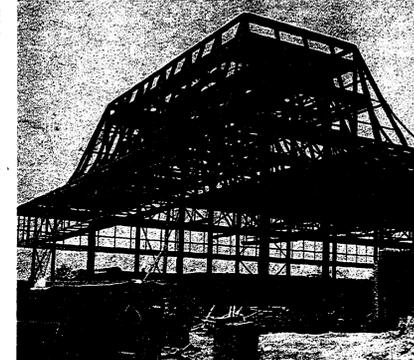

Manager Vs. Mayor Decision Set Tonight

Several key decisions were made by the Novi City Charter Commission Thursday evening, but several of even more importance were pigeon-holed for later action. Perhaps the most important decision of all of them is expected to be made at tonight's 8:30 p.m. meeting in the council chambers. Commissioners will choose the form of government for Novi.

Two Killed In Crash

Two died and two were critically injured in a two-car head-on collision Thursday night on Wixom Road near 196 Sunday noon.

Another key decision yet to be made is the matter of the type of government the new city will have: strong mayor-council versus city manager-council.

UNIQUE SCHOOL FEATURE—The "loft" in this view of the second high school for the Walled Lake district... a feature of the auditorium above the stage will be a storage loft that scenery can be pulled into. The auditorium will seat 900. The \$7,500,000 construction is to be 260,000 square feet in size. Built on 50 acres at 600 Berk Road, Walled Lake Western is scheduled to open in September 1969.

Circuit Court's Key to Lake Level Says Manager

"There's no way to be prepared for a 100-year rain," is Novi Village Manager Harold Ackley's sum-up of the countless complaints that have poured in since the rains came in June—not only to Novi government offices, but judging from reports around the state, to those of almost every other community affected by flood conditions that followed June's extraordinary downpour.

Then, upon the motion of Commissioner Denis Berry, the commission voted 7-1 to have four councilmen elected for four years and three for two years at the first election, and thereafter all councilmen to be elected to four year terms on a staggered basis.

Millage—A motion by Button to write into the charter the same 3-mill limitation existing in the present village charter was defeated by a vote of 6-2, with Buck joining Button in casting the two yes votes.

The latter decision followed recommendation by several commissioners to delay this matter until after a report by the attorney and consideration of a proposal for some kind of graduated tax process.

Another key decision yet to be made is the matter of the type of government the new city will have: strong mayor-council versus city manager-council.

Robert W. Jackson, 54, also of Box 354, New Palestine was in critical condition as was Cynthia Francine Selski, 18, of 9601 Vaughn, Detroit, upon their arrival there, according to Wixom police.

Jackson was the driver of a pick-up truck that was traveling east on 196 when, according to an unidentified witness, a front tire blew out on the truck. Wixom Patrolman Roger Declercq, who policed the accident, Continued on Page 9-A

Commissioner William Ducey, absent from last week's meeting, is expected to be back for tonight's session following a vacation. Commissioner Berry.

Mail services beginning Saturday will be curtailed, Novi and Wixom postmasters announced this week.

Curtailments in Wixom, Walled Lake and Union Lake, resulting from cutbacks by the Congress, will include: Elimination of all Saturday and Sunday window service.

Saturday collection of mail from street deposit boxes will be adjusted to conform to the generally less frequent Sunday collection schedules.

Similarly, services in Novi will be curtailed, although general delivery windows will be open for two hours on Saturdays from 9 a.m. to 11 a.m. to give mail to general delivery patrons and to firms that normally call for their mail at the post office.

Both Wixom Postmaster Elwood Grubb and Mrs. Harry Watson noted that planned extension of rural delivery was scrapped on July 1. "At this time," they said, "there are no plans to provide mail delivery service to new subdivisions and apartment projects."

The curtailments, according to the local postmasters, were ordered by Postmaster General W. Marvin Watson to conform with a recently enacted tax bill that reduces postal service and new hiring to the 1966 level.

"This is not a matter of dollars but of people," the Postmaster General explained in issuing the order. "Under the manpower restrictions imposed by the tax bill, we simply will not have enough people to continue all postal services at their present level."

The local postmasters said their offices are being permitted to operate temporarily within their current budgets and to maintain services at or near the present level.

However, they noted that they

have been directed to submit plans by September 1 regarding their proposals as to how and when Saturday delivery routes should be handled locally.

An effective date for the elimination of Saturday residential delivery here and nationally is expected to be established soon by the postal department, they said.

"The exact total of the overall employment cuts that will apply locally is not yet known and it will be affected to some extent by the rapidity of job turnover in the local staffs in the months immediately ahead," they said.

To make the overall cutback to the June 1966 level, post offices have been ordered to fill only three out of four vacancies as they occur.

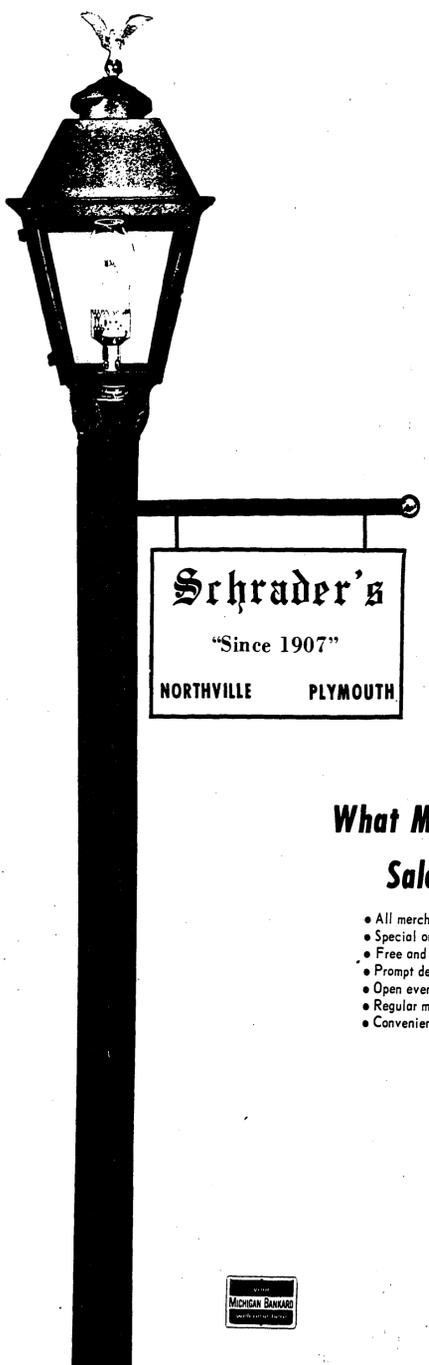

Vote Slated In Northville

Electors of the Northville School District will return to the polls Monday to decide—for the second time—a 2 mill increase proposition that was defeated in June.

In June, while Novi voters were approving school millage proposals, electors in neighboring Northville turned down the 2-mill proposition by a vote of 484 to 470.

Novi School Bonds Sold

At a special meeting of the Novi Board of Education Monday night, First of Michigan bought bonds for construction of the Orchard Hills school addition and that of Novi Elementary renovation.

The average interest rate is 4.92, to be retired annually from 1970 through 1993, according to Superintendent Thomas Dale.

The board will be taking bids for construction work, and it is hoped that construction may begin within three weeks.

At the last regular meeting of the Board on July 10, Mrs. Van Sickle resigned as teacher in the elementary school. There are now four elementary and four high school vacancies.

\$1677 were approved for purchase. Discussion is to take place with the Michigan Department of Education on the legality of transporting parochial students.

Robert Ortwine received permission to buy old Bus No. 6 and No. 7 at \$5 each.

The complete Console Inter-Comm Unit at Orchard Hills School is to be placed on alternate bid.

Superintendent Dale is to get quotations on business machines. Board members approved 7 mills for debt retirement for the 1968 tax levy: .9 mills for the 1968 debt retirement, \$24,064.38; 2.1 mills for the 1966 debt retirement, \$56,150.22; 2.3 mills for the 1963 debt retirement, \$61,497.86; 6 mills for the 1958 debt retirement, \$16,042.92; and 1.1 mills for the 1957 debt retirement, \$29,412.02.

A total of 20.20 mills for operation were approved for the 68 tax levy, and 3 mills on Farmington transfer of portions of sections 12 and 13 for 1956 debt retirement. The grand total levy of 27.20 mills is for \$727,279.04.

On the wage contracts for the custodial employees and office employees, which were accepted, they were amended to read "custodians must work the day before or the day after the holiday to receive pay for the holiday."

Finally, the superintendent was delegated to sign teachers' contracts.
