DPW Warms Up For Outside Link

Now that it is heated, the Wixom DPW headquarters is hoping to be connected to the rest of the world.

Wixom City Council moved Tuesday night of last week to extend 624-5559 to the DPW, as well as the intercom system, to make it possible to call the DPW and enable Robert Trombley's department to call out as well, thus ending its isolation from the world.

Attorney Gene Schnelz is still seeking a definite opinion on banning either hunting or the discharge of firearms within the city limits. He hopes to be able to inform the council of action he feels is best at the meeting next Tuesday night.

In other action, council moved the December 24 meeting to Monday, December 23 due to the holiday conflict.

Novi May Lose School Bus Aid

Novi School District, located entirely within the Village of Novi, apparently has been receiving school bus aid illegally.

Thus, the school district is likely to "lose" future aid whether Novi becomes a city or remains a village.

Unaffected and apparently still eligible for aid are those areas outside the Novi School District but within the corporate limits of either the village or the proposed city of Novi.

These are the conclusions drawn from the latest letter from Harold B. Wagner, supervisor of transportation services of the State Department of Education.

Following is the letter received by Howard Bond, attorney for the Novi Charter Commission, from Wagner:

"You inform me that small portions of the proposed City of Novi will be in the school districts of Walled Lake, Northville and South Lyon and that the major portion of the new city will be within the Novi School District.

"This new information prompts me to point out that my statements that, 'if the current state aid provisions continue after the pattern of past years, no aid may be granted for transportation of children living outside the city limits,' and 'aid would continue for transportation of children living outside the city limits,' need additional clarification.

"Not only would those pupils living outside the city limits of the city of Novi be transported with state aid assistance but also children living inside the new city of Novi, who (and I quote from the State Aid Action, Section 11a) are 'living within the corporate limits of a municipality when the area in which the children are living is a fraction of the municipality and the major portion of such municipality is contained in another single school district, and no school is operated in the fraction of the municipality where the children can attend and where the children live more than 1 1/2 miles from the school they attend.'

"You inquire if state aid will be granted to reimburse the school district for transportation provided in the current school year. The answer is affirmative, the aid will be granted next year for all the transportation provided in this school year.

"You ask which provision of the state aid act will exclude pupils resident in the new city of Novi from among those from whom state aid may be granted. The answer to this is that there is no provision authorizing such. Our records are clear that Novi was a Graded School District as of July 1, 1955.

"It has been determined that no state aid may be granted for transportation of children living within the village of Novi nor within the proposed city of Novi with exceptions of children living in Novi but resident in the Walled Lake, South Lyon and Northville School Districts."

Ray Lahti Seeks Vote Recount

Error Slices Water, Police Hassle Losing Margin For Supervisor Heats up, Stretches Light Novi Agenda

An "error" that sliced his losing margin to 50 votes has prompted R. W. Lahti of Wixom, unsuccessful candidate for Oakland County District 27 supervisor in the November 5 election, to petition for a recount.

Results of the recount is expected to be known within two or three weeks. Democrat Lahti, a veteran Wixom councilman, had been informed earlier that he had lost out to Lew L. Coy, a Wixom Republican, by the unofficial count of 150 votes - 5,451 to 5,601. Two weeks ago, however, he learned that the Oakland County Board of Canvassers had discovered a 100-vote error in tabulation of the totals from each of the 12 precincts in the district, which reduced the margin to 5,551-5,601.

Precincts in Northville, Novi, Wixom, Lyon and South Lyon are among the 12 in the district. A spokesman in the county clerk's office told this newspaper that the "error didn't happen in any of the precincts but when the votes were transmitted to the county. Actually, the official vote was correct."

The recount, the county spokesman said, must await a decision at the state level on whether or not a recount also will be requested on the daylight savings proposition that appeared on the November ballot.

Recounting usually involves both checking of machines at the precinct level and re-tabulation of absentee ballots.

In petitioning for a recount, the candidate must express in writing that he either feels an error could have occurred or that he believes fraud is involved.

"In my case," said Lahti, "I've denied any allegation of fraud. I just think that in the confusion of the election, what with the new office, new district, and the new counting device used in some places that an error could have occurred."

Lahti said he "learned indirectly from a politically active person" about the 100-vote error turned up by the board of canvassers and was "urged by friends" to seek the recount because of the closeness of the vote.

Specifically, Lahti has petitioned for a recount in those precincts in which he lost - including Northville, Precinct 1 of Novi, Lyon Township, and South Lyon.

These six and their vote tallies include: Northville No. 3, 391-538; Novi No. 1, 579-756; Lyon Township, 553-665; South Lyon, 357-403; Commerce No. 5, 524-538; and Commerce No. 6, 75-104.

Those six in which he won and their vote totals were: Commerce No. 2, 634-529; Commerce No. 3, 460-386; Commerce No. 4, 417-378 (Commerce No. 1 is not located within the 27th supervisor district); Novi No. 2, 558-527; Walled Lake, 622-484; and Wixom, 381-293.

Northville Precinct 3, is located in the Oakland County portion of the city north of Base Line, and Novi Precinct 2 is roughly located north of Grand River.

RAY LAHTI

Trying to make the best possible village for the people who elected you can become an involved and argumentative process.

This was brought home to Novi Councilmen William Duesy, Raymond Evans and Donald Young Monday night as they struggled four hours with what appeared to be a light agenda. The two other councilmen were absent.

Most time-consuming and heated discussions were the bargaining setup with the Novi Police Officers' Association and water supply for Robo-Wash car wash.

Having had counsel pulled out from under them for good legal reason, the Novi Association selected President Robert Stames to negotiate for them with the council. Councilman Young was chosen to meet with him.

Discussion ensued from these selections because council denied any decision-making powers to Young. He is to receive and discuss police desires with Stames and then report back to council at a special meeting Monday night. Stames wanted more direct and immediate action. The pair will meet in council chambers Saturday.

Fred Kurzon and Dr. Donald Economy charged negligence on the part of the village and especially on the part of Village Manager Harold Ackley in not getting water to their car wash in the stormiest session in some time. The arguing appeared to do little good other than to let off steam. Ackley insisted he has been earnestly trying to get the water in but has had his hand tied by an underground workers' strike.

Ackley told council that Guyman Construction Company had nearly completed laying the pipe when they were halted as the union slapped a \$500 fine on the shovel operator and shut them down. It was later connected with the valve to the Detroit source surreptitiously and now needs only to be tested. Ackley promised the two men water by yesterday.

Johnson and Anderson's road study program also came under council scrutiny as Ackley brought in a plan for paving an area mostly on Nine Mile Road. Council was interested in the bituminous proposal, but wanted a concrete paving study made at least on the portion east of Novi Road, before authorizing further plans. Also, council expressed a desire to establish a system of priorities for road construction.

Council approved the 20-inch Grace Street Water Main and the Conmemora Hills Sewer subject to receipt of some missing waivers, and accepted the Nine Mile Water Main in other major action Monday night.

A total of \$4,000 was appropriated from the anticipated surplus in the general fund (from state income tax revenues) to pay public announcement and attorney fees pursuant to the city charter election scheduled for February 18, and such other incidental expenses as may have been or may be incurred in that respect.

Notification was received of increased election costs brought about by increased pay for election workers. Fred Loynes is to receive \$100 for setting up voting machines (double his previous pay) and each worker gets \$30 now per election.

American LaFrance's new maintenance contract was approved as council could see no other course of action possible in connection with the costly fire engine.

Attorney Howard Bond notified council that former Justice of Peace Robert Anderson had accepted the village's check of \$850 to cover the docket of cases he had been unable to handle and had agreed to drop litigation against the village.

Minutes of the November 18

regular meeting and the April 29 joint special meeting were approved. Also approved were warrants No. 50 (water and sewer) for \$3,263.39 and No. 337 (payrolls and accounts) for \$20,506.01.

DELUGE OF PLENTY—Novi Jaycees, thanks to Novi High School students, were deluged with books, canned goods, etc. even beyond the amount they could send to area servicemen. Friday night members packed nearly 40 boxes for shipment overseas.

Village Approves Multiples Zoning

Walled Lake may someday be a sight to behold rather than merely a sight.

At least this is the hope of Novi's planning commission and village council who, on Monday night of last week, approved zoning change requests to permit two area developers to begin planning multiple dwelling units.

Approved were the requests of Don McVety and John Edwards and of Donald Paul Young for zoning changes from R-1 to R-2A to permit units to be planned for property near South Lake Drive and Fourteen Mile Road and on East Lake Drive west of the Novi Township park, respectively.

Some adjoining property owners appeared to air their fears that substantial units might be erected and that building might be permitted without the long-awaited sewers.

The developers, board and council all assured these residents that construction would be almost impossible without a Walled Lake-Novu sewer extension and that housing when developed would not be of a substandard nature but in fact represent a step in upgrading the area.

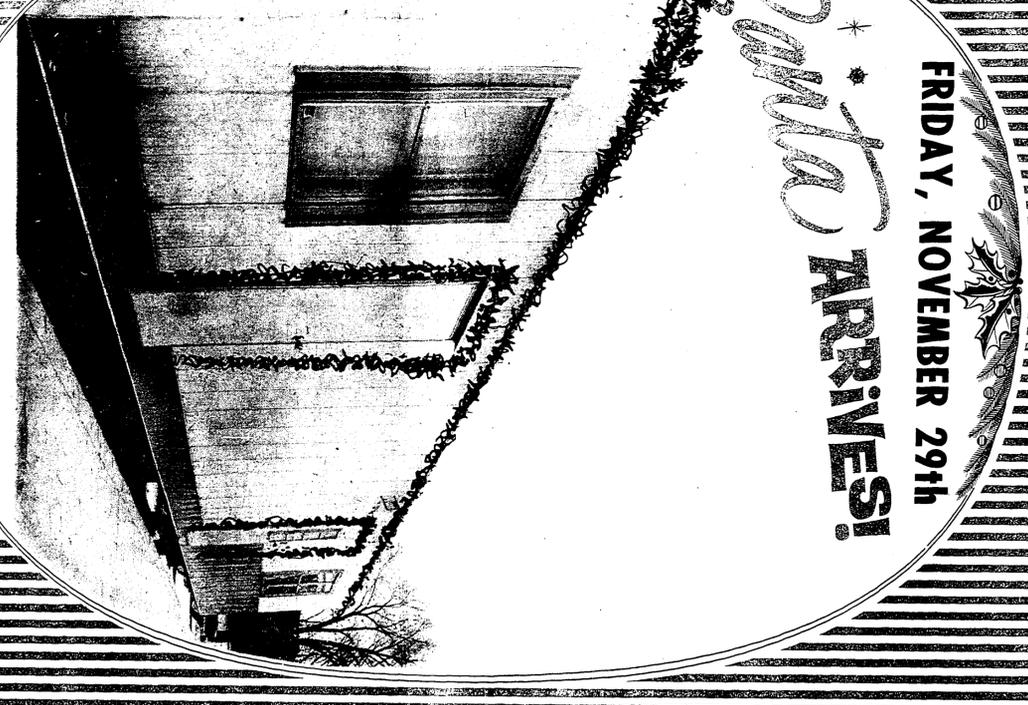

The planning board also set up another public hearing, this for December 30, on the rezoning request of Fred W. Penness concerning a small parcel of property he owns adjacent to his parking company.

Also approved was the site plan approval for Paul McCollum based on the report of planning consultant Stan Woodhouse.

Minutes of six meetings were approved, the plat approval check list was to be aired at the next meeting and the zoning ordinance amendments were referred to attorney to be discussed at the special December 9 meeting as was the rezoning of unplatted lands.

Northville Woman Earns Doctorate

Carol Lynne Geake, 48525 West Eight Mile, will receive the Doctor of

Veterinary Medicine degree at Michigan State University this week. A 1959 graduate of Ottawa Hills (Grand Rapids) High School, where she was co-winner of Grand Rapids' first science fair, she also holds B.S. and M.S. degrees in zoology from the University of Michigan.

Mrs. Geake completed the entire 11 terms of classwork and field experience by commuting daily to East Lansing from Northville. At home, she found time for studying in addition to keeping house and serving as foster mother for a succession of children referred by social agencies for temporary home care.

One of only five women in a graduating class of 47, Mrs. Geake maintained a B average and was elected to Phi Zeta, national professional honorary society.

After graduation she will be associated with Dr. Marion K. Weberlein at the Plymouth Veterinary Hospital. She is the daughter of Mr. and Mrs. J. Edward Rens of Grand Rapids, and the wife of Northville psychologist Dr. Robert Geake.

Novi Girl Gets Scholarship

Twenty students, including one from Novi, have been awarded Hillsdale Student Federation Scholarships for the present semester. The scholarships are supplied by the Student Federation, the student governing body, and are awarded on the basis of academic achievement, participation in co-curricular activities and campus citizenship.

Awardees include Lynn A. MacDermid, the daughter of Mr. and Mrs. William MacDermid of 44050 Stassen Street. She is a graduate of Northville High School.

IRENE ENGEL

PATRICIA VITELLO

Announce Engagements

Mr. and Mrs. Harvey Engel, 55245 West Eight Mile Road, announce the engagement of their daughter, Irene Elizabeth, to Lee Alan Minehart, son of Mr. and Mrs. Ralph Minehart of Plymouth.

The bride-elect is a 1963 graduate of Northville High School and a 1964 graduate of Alexandra School of Cosmetology. Her fiancé is a 1963 graduate of Plymouth High School and served in Vietnam with the U.S. Army. Both are employed presently at Western Electric in Plymouth.

A March 1 wedding is planned.

From Arlington, Massachusetts, comes the announcement of the engagement of Patricia Christine Vitello to William Michael Davis, made by her parents, Mr. and Mrs. Joseph Vitello, Jr. Her fiancé is the son of Mr. and Mrs. William E. Davis, 719 West Main Street.

The bride-elect was graduated from Medford (Massachusetts) High School in 1965 and attended Boston University for two years as a liberal arts student. She now is working toward an art degree at BU night school.

Her fiancé was graduated from Phillips Academy, Andover, in 1966, and attended Repton School, Repton, England, as an English Speaking Union scholar. He now is a sophomore at Wesleyan University in Middletown, Connecticut, where he is majoring in religious studies.

The couple plans a January 19 wedding and will live in Middletown.

Northern Lites Plan Potluck

Northern Lites Family Living Study Group will meet for a potluck dinner and Christmas party at 6:30 p.m. Monday at the home of Mrs. William Brown, 200 Rayson Street.

In addition to their own table service members are reminded to bring a handmade gift for an exchange.

BIRTHS

Mr. and Mrs. Gary Green of Springfield, Massachusetts, announce the Thanksgiving Day birth of their first child - a son, Clifton Geoffrey.

Grandparents are Dr. and Mrs. Douglas Green of Burlington, Vermont, and Mrs. Beatrice Hammond of 973 Allen Drive.

Mr. and Mrs. Larry W. Morse of Westland announce the birth of their second son, Curt Allen, November 19 at Garden City Osteopathic Hospital. The baby weighed eight pounds, fifteen ounces at birth.

He joins a four-year-old brother, Larry Wayne, at home. Grandparents are Mr. and Mrs. George Morse of Westland and Mr. and Mrs. Lloyd H. Moore, Sr., 660 Horton.

Novi Police Corporal and Mrs. Gordon Nelson announce the birth of a daughter, Mia Lynn, November 23. She weighed nine pounds, one ounce at birth. The baby joins four other Nelson children at home.

In Our Town

By JEAN DAY

CHRISTMAS CHALK TALKS will be given for members of the Northville Branch, Woman's National Farm and Garden Association, by Arthur Sinclair at a holiday dessert-tee meeting at 12:30 p.m. Monday at the home of Mrs. George Kohn, 473 West Cady Street.

The Detroit artist - famous for the imaginative chalk talks he has presented for 30 seasons - studied at the Chicago Institute of Arts and has worked in various fields. He edited an outstanding industrial magazine.

The greens will be up in Mrs. Kohn's large, white Victorian home that lends itself so well to old-fashioned decorations in traditional reds and greens. This year, Mrs. Kohn confides, she plans to add deep pink decorations to contrast with the wine red velvet draperies that are on order, hopefully to be delivered in time for the meeting - and at the latest by Christmas.

Mrs. Orson Atchinson is hostess chairman for the day, assisted by Mrs. Charles Ely, Mrs. Howard Whipple and Mrs. Warner Krause.

NORTHVILLE MOTHERS' Club will hold its annual Christmas potluck at 6:30 p.m. Monday at the home of Mrs. H. O. Evans, 20311 Woodhill Road. The club continues its tradition of honoring life members at this meeting, and Mrs. Cass Hoffman, president, is issuing a special invitation to all lifetime members in town to attend. When many come, she said, it adds to the nostalgia of the evening.

Mrs. William Davis is potluck chairman, assisted by Mrs. George Zerbel, Mrs. Stuart Campbell and Mrs. Glenn Deibert.

"WHAT IS FASHION?" - the talk by the J. L. Hudson Company's fashion coordinator, Miss Virginia Pappson, before Northville Woman's Club members and guests at 1:30 p.m. Friday in the fellowship hall of the Presbyterian church - promises to give one of the first glimpses of what's ahead for spring.

For this reason alone it is certain to bring out the club

membership. Also, it is one of the very few such programs presented by Hudson's, one of the country's foremost department stores and a Detroit institution.

Miss Pappson, who works with Miss Madelyn Coe, Hudson's fashion director, also will bring slides of holiday fashions as well as fabric and color sample projections for spring. She came to Detroit a year ago from Cleveland.

Her Northville appearance is the result of the happy fact that a club member, Mrs. William Davis, has been serving with Mrs. Gordon Forrer on Hudson's Westland Advisory Committee.

The committee of 10 women from Plymouth, Ann Arbor, Garden City, Wayne and Northville was formed two years ago by Westland manager, Joseph McHugh. At monthly meetings over lunch the committee, says McHugh, "helps us do a better job in community relations, shops the store and tells us if we have the right stock."

He praised the contributions of Mrs. Davis and Mrs. Forrer. Recently, he explained, committee members have been filling out questionnaires for the store. At last month's meeting, attended by Margie Davis, the committee toured the store's warehouse operations and viewed the candy kitchen after lunching at Meadowbrook Country Club.

The Westland committee was formed of heads of representative clubs in the areas included, McHugh explains. Both Mrs. Davis and Mrs. Forrer are Northville Mothers' Club representatives.

BASE LINE QUESTERS fashioned wreaths of brown pine cones of a dozen different sizes at their annual holiday workshop (the "November" meeting) a week ago Monday at the Nine Mile Road home of Mrs. Robert Bretz.

Mrs. Leonard Klein, chairman of the project, brought quantities of the assorted pine cones from Northern Michigan and instructed members on wiring them into wreaths. Popularity of this hand craft (which does necessitate sore fingers) is so great that the meeting had almost a 100 per cent attendance.

'Fun' Talent Joins Seven Area Teens

Seven young area girls who have been baton twirling from one to three years will have tangible evidence of their proficiency shortly when their blue velvet uniforms arrive.

Their teacher, Shirley Ann Thomas of Plymouth, a freshman at Schoolcraft College, had promised the girls the uniforms would be ordered when they mastered two complete routines - which they have. Some also already have entered twirling competitions in Michigan and Ohio and have participated in parades.

Performing as "Shirley's Sophisticats" are Diane Pitak, Paula Caracciolo, Sue Bergin, Mary Jo Doherty, Kay Doherty, Cindy Chisholm and Judy Bell.

The girls have weekly lessons with their teacher, a champion twirler. They won an honorable mention in the Novi Fourth of July parade.

Sue Bergin won second place

awards in twirling and strutting in Ohio competition and in Michigan competition in Ida, won first place awards in both. In two 1967 competitions she was recipient of the trophy for "most outstanding twirler."

In summer competitions this year Paula Caracciolo was first runner-up for outstanding majorette. Both have been twirling for a year and a half.

Cindy Chisholm has been named a majorette for the South Lyon junior high school band for the coming year. Judy Bell, Diane Pitak and Paula Caracciolo all plan to enter talent competitions with their batons next year.

Mary Jo and Kay Doherty each won a medal in talent shows this past year.

They also have entertained at area convalescent homes in Christmas programs.

Definitely a "fun" talent, the young twirlers comment that they "love baton twirling" and encourage young teens to join them.

Wedding Bells Ring for Two Couples

Casola-McCarthy

Tripp-Cogsdill

Leah Rose McCarthy, daughter of Mr. and Mrs. Lawrence McCarthy, 19450 Clement Road, exchanged marriage vows with Alfredo Casola in a nuptial High Mass November 16 at Our Lady of Victory Church.

The bridegroom is the son of Mrs. Leilo Casola of Lansing. Their home formerly was in Havana, Cuba.

The bride's long-sleeved mauve de soie gown was fashioned in a simple A-line without adornment. Her Spanish lace mantilla was patterned with floral medallions and extended into a full train.

A colonial bouquet of roses and carnations topped her paternal great-grandmother's prayerbook of deep purple velvet, which she carried as she was given in marriage by her father at the altar decorated with white gladioli and ferns. The Reverend Father Eduardo Lorenzo officiated.

Miss Frances Tucker of Livonia was honor maid. Bridesmaids were Mrs. Joseph Slowik of Plymouth and Paula Myszowski of Lansing. They wore long-sleeved, floor-length dresses of

soft pink silk linen and shoulder-length pink lace mantillas.

Best man was Louis Felix Hernandez. Seating the 150 wedding guests from West Virginia, Lansing, Kalamazoo, Birmingham, Detroit, Mt Clemens, Novi and Northville were Manuel Arce, Raoul Iribarren and Richard McCarthy.

A reception at Botsford Inn followed the late afternoon ceremony. The bride's mother greeted guests in a champagne silk suit ensemble. The bridegroom's mother wore an avocado green chiffon-and-satin gown.

The bride changed to an emerald green satin ensemble for her wedding trip to Canada.

The newlyweds now are making their home in White Hall Manor apartments, Okemos, Michigan, while the bridegroom is completing his senior year at Michigan State University where he is majoring in social science education. The new Mrs. Casola is employed on the social work staff at the Plymouth State Home.

A wedding trip to the Smoky Mountains and Gatlinburg, Tennessee, followed the fall marriage of Christy Lee Cogsdill, daughter of Mr. and Mrs. Glen Cogsdill, 47238 Chigwidden Drive, and John Erwin Tripp, Jr. He is the son of Mr. and Mrs. John Tripp, Sr., of Plymouth.

The couple exchanged vows in a double ring ceremony September 28 at the Livonia Church of Jesus Christ of the Latter Day Saints.

The bride's gown of peau de soie was fashioned with bodice and sleeves of chantilly lace. Her chapel train also was chantilly lace. A beaded floral headpiece held her veil of illusion. Her bouquet of white carnations was centered with yellow roses.

Mrs. Cameron Cogsdill was matron of honor, and Linda and Paula Tripp were bridesmaid and junior bridesmaid respectively. Their floor-length gowns of yellow embossed taffeta were square necked and sleeveless with full back-panels. They carried yellow roses

and white carnations. Terri Knope as flower girl wore a floor-length mint-green dress with white lace trim. She carried a basket of flowers.

Kevin Tolman was best man. Ushers were Steve Cook and Cameron Cogsdill. Matthew Tripp was ring bearer.

Carolyn Tripp was organist at the afternoon ceremony, and Jane Weaver was soloist.

For the wedding and reception following in the cultural hall of the church the bride's mother wore a pink lace dress with deeper pink corsage. The bridegroom's mother chose a peacock blue lace dress with white rose corsage. The 300 guests attended from Cleveland, Detroit, Royal Oak, Pontiac, Plymouth and Northville.

For the trip south the new Mrs. Tripp changed to a three-piece toast wool suit with matching accessories. The bridegroom was graduated from Plymouth High School and attends Schoolcraft College.

Five Northville Students Eye Singing Japan Trip

Five Northville High School seniors will be among 100 high school juniors and seniors from the Great Lakes region making their musical way through Japan giving concerts with Musical Youth International next summer.

Stacey Evans, Pat Jones, Jeanice Dagher, Bob Shafer, Jr., and Doug Waldren were selected to participate in the program by MYI director, Dr. Lester McCoy, after October auditions. They began weekly practice with him in Saline in November and will continue each Saturday until they leave for Japan June 25.

The band-choir group will give approximately a concert a day of formal, informal or sacred music in cities throughout Japan. These will include such major centers as Tokyo, Osaka and Kyoto. There also is a possibility the itinerary will include Hawaii.

The students will be staying with Japanese families whenever possible. People-to-People, a national program founded by President Eisenhower to help create international goodwill, assists with arrangements.

Youngsters selected for the band or choir must have musical (vocal or instrumental) talents but also must be able to perform as American ambassadors, typifying "the best of American youth." They come primarily from Michigan and Ohio, and sometimes Canada, as they must be near enough to attend the weekly practice.

Northville students have participated in the program every year since it was organized by Dr. McCoy, but the 1969 tour group of five is the largest to be selected from here.

Mrs. W. C. Becker, who has had three children participating in the program, lauds not only the travel experience but the musical, saying, "It's fantastic how their voices improve with the hours and hours of performance."

Christie Becker was in the MYI group touring Mexico last summer. Gary and Margaret Becker made European tours previously.

Dr. McCoy also is director of the 350-voice University of Michigan Choral Union which will be giving three performances of the Messiah with the Interlochen Arts Academy orchestra in Ann Arbor this weekend. (Mrs. George Jerome of Northville is a member of this group.) He also prepares the Choral Union for its May Festival concerts.

Dr. McCoy, his wife and a volunteer staff, usually composed of U of M students, travel with the high school students. The students each pay \$300 for the six-week tour. Many earn their money themselves.

Pat Jones, a member of the 1968 group touring Mexico, stresses the value of the friendships made and the greater understanding of other cultures gained. The friendships are renewed as "alums" of the band and choir groups return each December for an alumni concert program.

Church Plans Tree Sale

For the second year, members of the St. Luke United Methodist Men's Club will be selling selected Scotch pine trees to support projects of the club.

All 300 trees to be sold at the church lot, on the southeast corner of Five Mile and Haggerty roads, beginning Saturday, will be individually selected from the Cadillac area, according to Dick Wolf, chairman of the sale.

"They're beautifully shaped and look as if they've been run through a giant pencil sharpener," he stated, adding that the trees range in size from five to eight feet and are priced from \$4 to \$7.

The lot will be open from 6 to 9 p.m. Monday through Friday until December 22 and from 10 a.m. until 9 p.m. Saturdays and 1 to 9 p.m. Sundays.

St. Luke's is a mission church of the Ann Arbor district headed by the Reverend Ernest L. Otter. It has 41 member families.

Meadowbrook Elects Officers

Joseph T. DeNies has been elected president of the Meadowbrook Country Club at the club's recent annual meeting.

DeNies succeeds James E. Littell of Northville, who still serves on the board of directors with George M. Rice and Lee Belanger. New elected directors include L. E. Allen, Wyndham Mills, and George Torgerson.

Other elected officers include: James A. Phelan, vice-president; Robert L. Hallam, secretary; and George R. Torgerson, treasurer.

Counselor Attends GM Conference

Thirty-four secondary school guidance counselors from eight states, including a Northville counselor, are participating in the 18th annual General Motors conference on careers in the automobile industry December 3 to 6.

The Northville counselor and co-op coordinator participating in the conference is John P. Hyde of 112 East Dunlap.

Sponsored by the Educational Relations Section of General Motors Public Relations Staff, the conference is being held at Northland Inn. Included in the program were visits to General Motors Institute, Flint; Fisher Body Division and GM Technical Center, Warren; and Cadillac Motor Car Division, Detroit.

A highlight of the conference will be a student panel discussion concerning the qualifications, interests and experiences of GMI students. The counselors also will hear a second panel discussion with recently employed high school graduates representing GM Central Office staffs and an automobile dealership.

Willie the Wildcat Goes to Novi Freshmen

The Freshmen won Willie the Wildcat this time.

That's the word from Novi Student Council Christmas project chairman Carol Bruce, who stated that the class which wins the school mascot holds it until the next student council project at which time they or some other class takes over.

Victory was sweet as the students collected far in excess of the goal established for them by the Novi Jaycees, through whom the collection of food for servicemen overseas was set up.

Miss Bruce said so much food was collected that the Jaycees will be giving the additional amounts to needy Novi area families to make their Christmas brighter.

Dems Elect James Haas

A Novi man, James M. Haas, 44911 Grand River, has been elected to the Oakland County Democratic Executive Committee. It is announced this week.

Haas, an 11-year resident of Novi, was elected at the November 25 Democratic County Convention. The district includes Milford, Novi, Lyon, South Lyon and Northville.

MUSICAL AMBASSADORS—Selected to tour Japan with Musical Youth International next summer are, from left, Pat Jones, Stacey Evans, Bob Shafer, Jr., and Doug Waldren. Jeanice Dagher, fifth Northville High School senior chosen to participate in the 100-member band-choir group, was not present for the picture. The quintet will be practicing every Saturday until June 25—Departure Day.

Two Novi Women To Appear on TV

Mrs. Kent Mathes and Mrs. Clifford Kirkland, both Novi residents, are members of the well-known Madrigal Club of Detroit and will be performing with the singing group in several Christmas concerts.

They will be seen on television on The Morning Show, channel 7, from 7 to 8:30 a.m. next Wednesday. They also will tape a television show to be shown on that channel on Christmas Day.

The Madrigal Club's Christmas concert will be presented at 8:30 p.m. Friday, December 13, in the Detroit Art Institute lecture hall. August Maaekelberghe is the conductor of the women's choir. The program is to include some familiar and some classical works. Highlight will be "The Ceremony of the Carol" by Benjamin Britten.

The concert is open to the public with tickets available at the door at \$2 for adults and 50 cents for students.

She Pledges At Adrian

Susan McSevery, daughter of Mr. and Mrs. Samuel McSevery of 20148 Whipple, has pledged Alpha Phi Fraternity for women at Adrian College.

Alpha Phi, one of the oldest social sororities for women, was founded in 1872 at Syracuse University, Syracuse, N.Y. It has installed more than 90 chapters and initiated more than 40,000 members.

Carolee aid is the Alpha Phi philanthropy, and the Alpha Phi Foundation's newest project. The Foundation's primary purpose is to provide financial help for students' higher education and to institutions of higher education.

Wixom Pupils Plan Christmas Program

A program entitled, "A World's Christmas Party" is being planned by Mrs. Ila Henry's fourth grade students and Mrs. Joyce MacIsaac's fifth graders to be presented to the Wixom Elementary School parents and guests at 7:30 p.m. next Tuesday.

According to Wixom PTA Publicity Chairman Jean Lentz, the students will depict some of the Christmas customs of other countries of the world through dialogue, songs and dances.

Mrs. Carol Johnson, vocal music teacher, will provide the piano accompaniment for the evening program.

The instrumental music students, under the direction of Miss Maribeth Metevia, will play a couple of musical numbers to open the program.

There will be no PTA business meeting that evening. Refreshments will be served and babysitting (3 to 8 year olds only) will be provided.

Girl Scout News Bake Sale Set Saturday

Senior Girl Scouts of Northville Troop 222 will hold a bake sale from 10 a.m. to 4 p.m. Saturday at 149 East Main Street. They also will have a bazaar arrangement of Christmas items for sale.

The troop plans to sing carols for residents of Whitehall convalescent home during the Christmas season. The Senior Scouts also are making trays for tuberculosis patients in veterans' hospital.

The Northville Girl Scout swimming program will begin at the high school pool at 1 p.m. this Saturday. Swimmers are requested to bring their own suits, caps and towels. Two Senior Girl Scouts, Sally Schlieff and Denise Steiner, are donating their time to assist in this program.

Junior Troop 336 is making toys of yarn and felt in doll, clown and Santa patterns for children at the Plymouth State Home and for a Methodist orphanage.

Junior Troop 562 members will be performing for their families in a program at the Scout-Recreation building December 17. They will have an investiture and rededication ceremony. This troop now has four patrols and each will have an individual part in the program, dramatizing the Spirit of Christmas, explaining the meaning of the symbols of Christmas, the foreign traditions of Christmas and presenting a puppet show.

Junior Troop 331 made bookmarks in the form of pilgrims and presented them to residents of Eastlawn convalescent home prior to Thanksgiving Day.

Park Braces For Winter

With ice and snow just around the corner, preparations are underway for another big winter sports program at Kensington Metropolitan Park.

Kensington, located north of New Hudson, is one of the most popular areas in southeastern Michigan and has facilities for tobogganing, skating, sledding, ice fishing, hiking and picture taking.

Catches of bluegills and crappies are taken by the many fishermen who enjoy ice fishing on Kent Lake. Skating is provided on Kent Lake in front of the Boat Rental Building from 10 a.m. to 10 p.m. daily. This building has a heated lounge with a fireplace, restrooms, and vending machines. It is open from 10 a.m. to 10 p.m. Food service is available on Saturday and Sunday from 10 a.m. to 10 p.m. and Monday through Friday from 2 p.m. to 10 p.m.

Ideal for sledding and tobogganing are the hilly slopes at the winter sports area which has an enclosed warming shelter with a fireplace and tables. There are five toboggan tracks and a separate area for sledding. The area is open daily from 8 a.m. to 10:30 p.m. weather conditions permitting.

Persons wishing ice and snow conditions — when they arrive — are asked to call Milford, 685-1561.

TEACHERS' EYE VIEW—Shown as the teachers saw her Tuesday after school is Jean E. Lukens, Consultant to Perceptual Development Programs for the Oakland Intermediate School District. At a meeting held in the Teachers' Conference Room at the Board of Education Office, elementary teachers watched Miss Lukens demonstrate some of the methods that can be used to meet the individual needs of children with special learning problems.

Darkness Spells Double Trouble

Darkness doubles traffic troubles, motorists were warned today by local police departments.

"Visibility on the road is reduced by longer hours of darkness, accumulation of frost on car windows and windshields, occasional fog, and the beautiful-but-threatening snow and sleet," officers declared.

"Smart motorists compensate for these dangers by making their headlights are functioning properly and aimed correctly, by using a brush or scraper to clear their windows and windshields of encrusted snow, and by maintaining unceasing vigilance behind the wheel as they move along in both street and highway traffic," they said.

"Now and then you see a 'peephole' artist, with his nose against the windshield straining to view what's transpiring around him, but he's headed for trouble."

"Before starting out on a cold day, especially at night, start the engine a few minutes ahead of time, and turn on the heater and defroster," they advised.

"Give it time to be sure the inside air is warm enough to prevent condensation on the glass."

Police pointed out that streaking windshield wiper blades should be replaced with new blades or refills, thus assuring the driver that his windshield can be cleared effectively in rain, sleet or snow, and minimizing the glare from approaching headlights.

Taking the trouble to make certain that the windshield is free from dirt is better than using the same amount of energy to dodge-around, squinting through tiny clear spots.

City to Seek Bidders On 5-Acre Well Site

The city of Northville proposes to sell a no-longer-used well site on Novi Road to the bidder with the best plan for development of the parcel.

Specifically, the five-acre parcel is located just west of Novi Road near Allen drive and contains a well and pumping station used for city water supply prior to converting to Detroit water.

Under a unique plan introduced Monday night the council proposes offering the site at a specific price (to be determined by appraisal) to anyone willing to make a deposit of \$1,000 and submit a definite plan for use of the land.

Presently, it is zoned for multiple dwellings (apartments), but other uses of the property would not be ruled out providing rezoning could be approved.

Actually, that's one of the litches in the project. Some councilmen expressed concern that residents of neighboring Village Green subdivision might oppose certain types of development. In fact, the subdivision's civic association has already asked the council to reserve two acres of the site, west of the Rouge river and nearest the subdivision, as a park area.

Apartment could be built on the other three acres, the civic association recommended.

Councilman Charles Lapham would like to look at almost any idea for the site, possibly even light manufacturing. Councilman Wallace Nichols warned that no plan should be considered until the council discussed the whole idea with the planning commission and the civic association.

It was finally decided to send the proposal to both the planners and the civic association. Councilmen agreed that planners must determine what limits they'd put on the land's use before offering it to any developer.

Under the bidding plan certain criteria will be set forth informing all bidders what an evaluation committee will consider most in making its selection of the best bid.

These would include compatibility with the neighboring residential development, suitability to existing terrain, consideration of the traffic situation and potential tax base.

Bidders would be expected to submit architectural renderings, specifications of the proposed project, financing, development timetable, etc.

At least three developers have already expressed interest in the site, Manager Frank Ollendorf revealed.

In other business Monday night the council approved a pay-back agreement with Thompson-Brown company for installation of water line in the Taft Road-Eight Mile area. The developers are planning to install a 10-inch water main to serve Lexington Square subdivision, currently under development. The city has asked that the line be increased to 16-inch size so that eventually it could serve an area from Seven to 8½-Mile and west to Beck Road. The difference in cost amounts to \$18,600. The city will pay the company for this additional expense through future tap fees. For the next 12 months \$150 of the \$325 tap fee for each new house in the area will be paid the company. At the end of the year the city will pay the cash difference.

Seven bids were received for installation of a storm drain in the Maplewood-Novi Street area (see Speaking for The Record, page 6-B).

The lowest was \$68,783.41 and the highest \$109,000.

The council is expected to award the bid at a special meeting Monday evening.

2 Men Cited for Arson In Salem Barn Blaze

WIPED OUT—Henry Clark, whose 28 cattle were wiped out in Sunday's fire, points to rubble that once was a barn as a state arson expert (left) looks on and listens intently. The silo, located some 220 feet from the farm house, was scorched by wind-whipped flames.

\$40,000 Fire Kills 28 Cows

Two South Lyon men were arraigned Monday in Ypsilanti in connection with a raging fire that gutted a Salem Township barn Sunday night and killed 28 head of cattle. Rough estimates placed damage at upwards of \$40,000.

Jimmy Ray Duncan, 18, of 57945 10 Mile Road and Wendell Jones, 27, of 302 West Lake Street, South Lyon, stood mute at their arraignment before Ypsilanti Municipal Judge Edward D. Deake.

The two men were remanded to the Washtenaw County jail upon failure to post bond of \$10,000. Attorneys were appointed for the two suspects and preliminary examination was set for December 12 in Judge Deake's courtroom.

State Police Detective Paul Palmer said the case was still under investigation, but declined further comment for fear of jeopardizing the case. A state arson expert is assisting in the investigation.

The fire broke out between 7:30 and 8 p.m. Sunday night at the Henry Clark farm at 10650 West Seven Mile road. Salem Township volunteer firemen, with an assist from the Northville fire department, battled the blaze until about 3:30 a.m. Monday.

Clark, who was renting the farm from Floyd Kehrl of Northville, estimated his loss - pending an insurance adjuster's report - at over \$20,000. Twenty-eight cattle which were trapped in the barn perished in the inferno. About 9,000 bales of hay also went up in flames.

Clark said that an adjuster placed the barn loss at \$20,000. The Salem dairy farmer said he had just begun Sunday dinner when his wife looked out the window and reported a light burning in the milk house. "Light, hell, the whole barn's on fire," Clark shouted and immediately phoned for fire fighting help.

"I tried to get into the barn through the North end," Clark stated, "but the smoke, heat and fire were too intense. I went to the south side and pulled a door open."

Fourteen milk cows fled to safety. Clark said, however, that because of burns, seven had to be sent to the Detroit stockyard to be slaughtered. The Clarks have 28 head of cattle left.

"They were out here, really," Mrs. Clark said of their registered cattle. For Henry Clark, the loss came as a jolt which may permanently put him out of the dairy farming business.

He expressed mixed emotions about beginning again. "I don't want to go into debt," he said. "I'm 50 and it'd be too tough. But I would like to find a way to do it." Then he added, "I'd like to find a good job and stick with it."

DOWN BOY—Lion Center Ed Canfield attempts to block a shot by Northville Guard Fred Holdsworth in the opening game for both squads Tuesday night.

Mustangs Clutch As Lions Clinch '68 Basketball Opener Early

Northville's Mustangs clutched when they lost the lead in the late stages of the first quarter and South Lyon's Lions took advantage to clinch an 81-64 victory in the season opener for both cage squads.

Played in South Lyon's old gym as they await the necessary bleachers for their new one, the contest started on a nearly even keel with both teams a little cold from the floor.

Terry Mills scored the first bucket of the game and the Mustangs built a 12-9 lead. However, Ed Canfield went high to tip in a missed second free throw attempt to knot the count at 12 all and Dave Brandon followed up to put the Lions in the lead for the first time in the game. They never relinquished their advantage and led 19-15 at the quarter.

Brandon showed a hot hand in the second quarter, canning seven field goals and both free throw attempts to shoot the halftime advantage to 45-32 as superior experience and far better rebounding strength made the difference.

Northville also suffered from inability to break the South Lyon defense and threw away scoring opportunities on ball control errors and shots from too far out.

Leading scorers in the contest were Brandon with 35, Ron Hubbard (N) with 19, Canfield with 14, and Stan Ninder (N), Jeff Taylor (N) and Glenn Wiseman (SL) with 11. Ninder and Taylor both fouled out in the fourth quarter.

The third period score was South Lyon 63, Northville 55. The win marked South Lyon's first victory over the Mustangs in the

current series spanning three years. Coach William Thomas' Lions were just too tall and smooth for Coach Bob Kucher's cagers. Once they gained the

lead, they were able to stay in their zone defense and force Northville to play their game.

Both clubs open league seasons Friday night as South Lyon opposes Lincoln and Northville hosts Clarenceville.

HUNGRY WILDCATS—Hungry for Eagles is this squad of Novi Wildcats who will open the season Saturday for Coach Jim Ladd at home against the Hartland cagers that handed them one of only two football losses this fall. The Wildcats (left to right

in their home white uniforms with green numerals) are: Tom Boyer, Gary Boyer, Ken Osborn, Dave Bingham, Greg Sonnanstine, Lee Snow, Jim Poole, Jon VanWagner, Rick Hill, Phil McMillan, Rick Dale and Don Maki.

Friday, Saturday Cagers Eye Home Debuts

The Mustangs and Wildcats will both make their home debuts for the season this weekend.

For the Mustangs, it will be the second game of the season (they traveled to South Lyon Tuesday night) and their Wayne-Oakland lifeline as they meet the Trojans of Clarenceville

tomorrow night. Novi will play its season opening contest as it hosts the Hartland Eagles Saturday night.

Clarenceville will throw a tall, deep and somewhat experienced team against the smaller, faster and greener Northville squad. Coach Ralph

Weddle's biggest loss was scoring ace Bob Duman, but he has captain and team leader Dave Brandemuhl back along with two other top guard candidates, Bob Rifling and Mike Duman (Bob's brother).

Up front, the Trojans will rotate 6'4" Paul Putz and Ron LaMontagne at center and forward with 6'3" Steve Scholes and plan to use even six-footer Terry Rifkin at another forward slot. Weddle feels that the improved size and great depth will lead to a vastly improved season.

Jack McManus' Hartland Eagles had a dismal 3-14 record last year, but he predicts much better results this time around. He says the boys' greatest asset is the fact they have played together as a team for quite a while.

The Eagles are not tall or fast, but work as a unit. Top scorers back from last year's team include Mike Boyer, Al Cone and Larry Cook. Rebounding is expected from Gary Wesley, Cook, Steve Morgan and Roger Anderson. Others who should see plenty of action are Doug Dalton, Chip McGoron and Mike Banfield.

Northville Wrestlers Face Farmington Here Tonight

The defending league champions will be green but they won't be pushovers.

This was the word from Mustang's mat coach Jack Townsley as he readies his boys for their opener tonight against visiting North Farmington.

Townsley says the boys are overweight and out of condition but he feels he can have them in a contending role by the first of the year.

Graduation losses are his other major concern.

Graduated were Heavyweight Dan Conklin and 127 pound Marty Richardson, both of whom finished third in the state tournament last March. Also gone are two league champions who finished second in the regional, Bob Bevert (112) graduated and John Tam moved from the area. Another graduation loss was Don Sassen.

Coach Townsley feels he is working with a squad that has little experience but some outstanding prospects. He told the Record that the

Junior High program of two years ago has really helped him, but that its discontinuance will result in poorer showings in the future unless it is reinstated. He has his assistant, Norm Jacobs, working with junior high kids as much as possible.

Among the finer prospects on this year's squad are the captain, Curt Olewnik, who his coach says is one of the finest wrestlers in the state; outstanding prospects Brian Jones and Mark Griffin and Brad Conkin who has fine potential.

READY FOR OPENER

Coach Jack Townsley's Mustangs are ready for their first mat contest tonight. The squad, a state power last year, is less experienced, but promises a good season with some fine returnees and promising newcomers. Sitting next to Townsley (left to right) are: Chris Jones (95 pound novice), Steve Hazlett (95-N), Gerry Newby (95-N), John Fialon (103-N), Mark Mathews (112-N), Rick Moore (103-N), Doug Boor (127-N), David Zima (112-N) and Vince Parent (120). The second row, kneeling left to right, includes Jim Keegan (154-N), Jeff Forth (103), Bill Kris (112), Matt Griffin (112-Jr. and returning league champion), Rick Ordling (120), Jim Armstrong (127), Ed Beller (133), Captain Curt Olewnik (133-Sr. and returning league champion), Brian Jones (145) and Mike Petteys (133). Standing from left to right are: Carmen Jackson (127-N), Ron Newby (127), David Griffin (120-N), Randy Marburger (154), Steve Bagdon (165), Brad Conkin (165-sophomore and returning novice champion), Fred Hicks (Heavyweight-Sr. Novice), Richard Ruland (165-N), Malcolm Petteys (145) and Manager Jim Curl. Missing from the picture were Heavyweight Kim Marburger and 145 pound Bill Gregory.

Tie Games Mark Final Grid Contest

In the final football contest of the 1968 season, Ted Marzoni of 47005 Dunsany Road this past week won the first place money.

Ted missed only two of the 16 listed games - both of them only because they involved ties. All contestants missed these two games: the 17-17 upset tie between Mississippi and Mississippi State, and the 21-21 upset tie between Notre Dame and Southern California.

Winning second and third place, respectively, were Terry Hoffman of 42350 Hammill, Plymouth, and Joseph Szabo of 20841 Metroview, Farmington. Both missed three games,

THE LORD'S MERCIES

"This I recall to my mind, therefore have I hope. It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning; great is thy faithfulness. The Lord is my portion, saith my soul; therefore will I hope in him." Lamentations 3:21-24

Green Oak

These blessed words were penned by a man who was heartbroken and deeply concerned for the judgment that was to fall upon his country because of its sin. Jeremiah is called the "weeping prophet." He was a man filled with the Holy Spirit of Lord Jesus and had the compassion of the Lord. What a blessing these words have been to the human race down through the ages of time. How grateful we should be for God's Word—the Bible.

We see in the Word, God's merc

Novi Girl Scout News

ORCHARD HILLS SCHOOL

Brownie Troop No. 161 - worked on Thanksgiving cards. Ann Marie Mackay brought treats to celebrate her birthday.

Junior Troop No. 713 - brought turkey and fruit and collected canned goods for a needy family in Novi Thanksgiving dinner. They sold their Girl Scout calendars, talked about Christmas gifts for their mothers. A new girl, Cindy Berardi has joined the troop.

Junior Troop No. 913 - Attended and participated in swearing in ceremonies for new citizens of the United States at Pontiac, Oakland County Building. The judge was Judge Moore, swearing in officer was Mr. Freed, Marcie Brooks and Beth Branch read the "Duties of a new citizen" and "Rights and privileges of new citizens."

All Girl Scouts wore their full dress uniforms and led new citizens in the Pledge of Allegiance. Thirty-one girls attended this most impressive ceremony. We wish to thank all the mothers who were kind enough to drive - Mrs. Bonnie Kuick, Mrs. Eleanor Hillard, Mrs. Barbara Carmickle, Mrs. Bev Adams, Mrs. Jean Adams, and Mrs. Barbara Branch.

Mrs. Eileen Campbell is forming a new Brownie Troop at Novi School. She needs a co-leader. Anyone interested in this interesting experience please call Mrs. Campbell at 261-0751.

Novi School Girl Scouts News - Brownie Troop No. 351 made Thanksgiving tray favors for Whitehall Convalescent Home. They listened to the Brownie story on record. Kristina Deerick brought treats.

Junior Troop No. 165 - made plans for Christmas gifts and party

favor for convalescent home. Received a thank you note from one of the boys in Vietnam who received their gift of candy.

Junior Troop 1027 - are working on their tray maker badge. They are starting their Christmas projects.

SPEAKING for The Record

By BILL SLIGER

One of the biggest problems facing all communities where development is taking place is what to do with ground water.

As rooftops, patios, driveways and streets replace porous Mother Earth, water races cross-country in rivers where it once soaked gently into the ground.

Thus expensive networks of drains must be constructed to direct storm water into natural streams.

Sometimes, however, storm water finds its way into the sanitary sewer system.

And sometimes the storm drains just won't handle the volume of water pouring into its catchbasins.

In the latter instances engineers will tell you that the drains flooded because of "unusual 100-year rains".

Last summer, for example, we had about three "100-year-rains".

When storm water infiltrates the sanitary sewer system, flooded basements can result.

When storm drains can't handle the water, yards, and sometimes homes, are flooded.

Northville has had a brush with this problem. The council has faced angry citizens; and the manager and engineer have felt the wrath of the council.

One of the worst areas in the city has been the extreme northern section - Northville Heights number two - and consequently, the downhill area southeast which must catch the brunt of the overflow. A few basements and several yards were turned into pools during the past summer.

An engineering study showed that most of the water causing the flooding problem was finding its way into Northville from higher ground in neighboring Novi. Fortunately, the two communities were able to agree on a drain system that will carry the water southeastward through the Maplewood, Horton, Novi street area to the Rouge River.

They would split the cost - with Novi agreeing to pay up to \$26,000 of the estimated \$52,000 project. The drain will help development in Novi as well as Northville.

Unfortunately, there's another problem associated with modern times. It's called rising costs.

Even before bids were sought on the project the engineer's estimates had jumped to \$62,000. But the best bid came in at just under \$70,000, and the average at \$85,000.

Now the Northville council is pondering its next step - which is probably to ask the Novi council to kick up its ante another \$10,000.

But if the latter says "No... \$26,000 is the limit," chances are Northville will pick up the additional tab anyway.

You can't stop "old man river" and what councilman wants to face an angry audience of drenched citizens again.

Besides, 1969 is a council election year.

One of the best projects currently underway in Northville is the skating facilities being planned at the city-owned fish hatchery site.

It's a joint-effort venture with the city getting assists from the Rotary Club and Northville Downs.

Two of the ponds will be flooded. The ex-hatchery service building is being converted into a center for skaters to change and warm-up. The city will provide electricity, toilet facilities and generally remodel the building. Rotarians will do the painting and Northville Downs is providing the heating unit.

In two weeks, promises City Manager Frank Ollendorff, the skating center will be ready for public use.

It's a great recreation treat for the whole family and should get plenty of use during the holidays... providing the weatherman cooperates.

A year or so ago The Record conducted a "scrambled word" contest.

Last week was the deadline for another contest - "name Nixon's cabinet". We thought it was a terrific idea... a challenge to teachers and students of government... fun for the average citizen interested in current events.

The prize for the scrambled-word contest was two tickets to the P & A Theatre. For the Nixon cabinet contest we offered two beautiful volumes of The American Heritage Pictorial History of The Presidents of the United States.

Scrambled-word entries topped the cabinet contest more than 10-1.

Curtain Rings Down on A Senior's Joy

To the Editor:
A stage production requires work. It feeds upon the energy of a group of people who are living in a chimerical world; a group of people who learn how to react and feel like other human beings. As a member of the cast of "A Man Called Peter," I felt that emotional education.

Work on the play began about two months ago. The cast was chosen, and the first of many rehearsals was conducted. It was then that we began to feel the responsibility we had asked for. Mistakes could be costly. We had to memorize and practice until we could live our parts.

Those two months melted very fast. The play was no longer a "long ways off," the final week of rehearsals had arrived. We experimented with makeup and tried on our costumes until we were sure to create the character we wished to portray. And we still had our fun. Our final dress rehearsal was a regular laugh-in.

When the night of performance arrived, the entire cast was swept with a special tension. But it was not complete nervousness. It was a solemn feeling of effort, of accomplishment. We were about ready to unfold the work of two months for an audience that would witness two hours of our work. It was a warm feeling. Then, the curtain separated, and we tried to show the audience just what the play meant to us.

I tried out for the play because I wanted to work with my friends to create something that might bring enjoyment to other people. To say the least, it was a challenge.

If I wanted to mention those

members of the cast whom I felt did an exceptional job, I would have to make a list of all performers, except for me. And the guidance of Mr. Schumcker was the factor that unified us all. He sacrificed an unimaginable amount of time to the production, and indeed, he deserves a standing ovation, if not a raise in salary.

Before curtain time on Friday night, I went up on the stage and sat by myself. A great many thoughts

occurred to me during those few moments. There were many times when I had wished that the play was over; that the burden of rehearsals was past, and I could once again get some sleep at night. Then, I thought of something else, and it made me quite sad. I suddenly realized that there will be no play for me next year. In fact, there will be no Novi High School for me next year. It hurts me to consider that I will never relive the wonderful

moments of the past two months. Never, so, I thank Mr. Schumcker, and the cast of "A Man Called Peter," for giving me the chance to do something for Novi. And I'm sorry if I disappointed anyone. But, if only one person in the audience found some joy in what we were doing, then, it was worth it for me.

Behind our home in a little rock garden, sharing a place with granite and limestone, is a large chunk of coal. A sign of our changing world, it is a conversation piece among the youngsters in our neighborhood and it is, perhaps, the only piece of this mysterious "black rock" that our children have seen.

That single, shiny hunk of carbon is a reminder, too, that age is a creeping, unmolested dragon that devours present tense and secretes past tense. It is almost as shattering as when the Jaycees, the young men's organization, dropped you from their prospective membership list, or as staggering as the sudden realization that the chilling feeling that you've been there before is not a psychic phenomenon but really a second visit.

Just as our parents used to fascinate us with their stories of that era when horses and buggies were the main mode of land transportation, so we now can tell our children of the era of coal.

West Virginia notwithstanding, we necessarily must talk of coal in the past tense. How many of us, for example, stoked a stove last night before climbing into bed? Or when was the last time you carted out an ash can?

Our kids will never know the thrill of watching a coal truck back up to a basement window - chipping another piece of the foundation in the process - and seeing the dirty-faced driver shovel a ton of coal into a basement bin. Nor will they experience that big day when the truck arrived and the driver unfurled one of those long, ultra modern chutes that beat target shooting with a shovel.

A LOOSE LEAF

By ROLLY PETERSON

"Out here, nothing's impossible," said the swarthy faced man whose benign look immediately stamped him as the 'good guy'. And in the movie "Shalako" virtually nothing is, from bizarre circumstance to run-of-the-mill story.

What else could be expected with none other then Brigitte Bardot and Sean Connery heading the cast of name players, including Stephen Boyd, Jack Hawkins, Peter Van Eyck, Honor Blackman, Woody Strode and Valerie French.

The circumstances, in this movie, were quite peculiar to begin with. Big game hunters from Europe were in the movie. Where? In the United States, no less, in the wild west sometime shortly after the Civil War.

It was the most unlikely of hunting parties, blue blooded royalty from Europe being Countess Brigitte Bardot and Baron Peter Van Eyck. It was the 19th Century jet set, in reverse, and dressed more for tea in their European finery than for a roaring showdown in the wild west.

Nothing in the way of comfort was overlooked. A valet accompanied the hunting group, along with an English carriage, the best wines, fine foods, jewelry, et cetera. This, clearly, was a decadent group headed for trouble.

But Sean, of Goldfinger fame, dressed in deerskin and sporting long sideburns, came to the rescue, like Lash Larue, Tom Mix, Hoppy, and Wild Bill, Sean, the undaunted, saves those worth saving in the party and of course, rides off with the countess.

He rescued the group from ferocious Apaches who became inflamed when the baron and his entourage invaded their reservation in violation of the latest treaty. So what began as a bizarre but amusing story, took the inevitable turn of most westerns.

Connery may have shed his modern dress for a more primitive outfit, but he brought with him, nevertheless, the trappings of violence. A woman who deserts the hunting party for life with bandits meets her comeuppance at the hands of the Apaches. She chokes to death when the Indians force her to swallow a diamond necklace which she valued above all else.

One of the guides - a renegade - is placed on the end of a spear. Slowly, the weight of his body forces the spear through him in a brilliant gush of blood. Others are dispatched with similar flamboyance, several with slugs through the forehead.

For all its violence in technicolor and the sex appeal of Brigitte, "Shalako" barely rises above the level of spectacle. The acting is poor, the story sordid. But you sit there, waiting in disbelief as one comball scene after another rolls by.

Michigan Mirror State Pay Hike of 6.9 Percent Authorized

LANSING - The Michigan Civil Service Commission has settled on an average 6.9 per cent salary hike for the state's 43,000 classified employees. The package will cost taxpayers \$24.1 million.

Included in the new pay plan is \$2.67 million in additional fringe benefits. This encompasses liberal overtime compensation provisions.

Last year the commission authorized an average raise of 6.3 per cent, costing \$19 million overall. It was widely accepted by the employees - but considered short of their goal.

The new proposals can be amended or rejected by the 1969 Michigan Legislature. There are indications that support is building for a reduction of the increase.

Commission officials said the new pay plan dollar spread includes:

About 23,000 state employees in the five lowest grades, who would get \$9.85 million.

An additional 1,074 employees in the six highest grades, who would get \$1.43 million.

Another 18,407 employees in seven middle grades, who would get \$12.89 million.

COMMISSION Chairman Richard L. Milliman said, "Wage comparisons with public and private employers, recent negotiated labor settlements, the cost of living, and requests of departments and employee groups were weighed against public resistance to increasing public payrolls" in setting the wage rate increase.

"We don't expect everybody to be satisfied, but we think this package realistically approaches the public need for a reasonable level and quality of

service in a tight labor market and an expanding economy," he added.

The commission report said above average increases were recommended in employment groups where there was continued high demand and short supply, or where there was high turnover. These groups included trade classes, teachers, physicians, psychiatrists and some unskilled and semi-skilled institution service classes.

MORE THAN 600 teachers, including those in special education and rehabilitation trades, received in crease recommendations for institution service workers (Grade 1), 9.7 per cent, and for nurse (Grade 3), 7.3 per cent.

Regular clerical and administrative adjustments range from 5.2 to 7.1 per cent; labor and trade classes from 6.9 to 8.2 per cent; social welfare classes

from 6.9 to 7.7 per cent, and physicians, psychiatrists and dentists from 6 to 8 per cent.

PUBLIC financing of private industry for vocational-technical training in Michigan is under study by the State Board of Education.

The survey was prompted by board member Charles E. Morton of Detroit, who believes private industry is better equipped than most government agencies to handle vocational education.

Dr. Ira Polley, state superintendent of public instruction, called it a "brilliant" idea and said it should be included in future budget requests.

STATE POLICE warn against the dangers of carbon monoxide poisoning in cars and homes this winter. Several deaths have been attributed to this gas already. Drowsiness is one of the first

symptoms of carbon monoxide poisoning. This is accompanied by nausea and vomiting.

Officers suggested the following precautions in guarding cars and home heating systems against carbon monoxide leaks:

Have car exhaust systems thoroughly checked for winter driving and inspect for leaks into the passenger compartment.

Properly ventilate the car at all times, whether driving or parked, and avoid running the engine when sitting in the car for any length of time.

Do not run the car engine in a closed garage.

Roger Babson Explores Utility Stock Investments

WELLESLEY HILLS, Massachusetts - Up until the election, utility issues lagged noticeably behind the industrials and rails in the stock market.

In spite of the federal surtax, interest rates did not drop sharply enough to benefit the heavy-borrowing utilities. At the same time, the surtax served to restrain earnings of most of the companies to near 1967 levels.

These conditions still prevail... the advance in prices of utility stocks since November 5 is thought to be due to

buying of this long-ignored group by mutual funds and large block holders rather than to prospects for immediate interest-rate relief.

However, even after a strong post-election advance, this may be the time to take a good hard look at the utility sector to note some of the varied advantages offered investors with differing investment requirements.

Reason of their location, accounting practices, and general make-up, utility stocks do differ in what they have to offer. Following are several important aspects:

IN THIS GROUP there are many high-grade situations in common stocks offering yields of 5% or more, such as Consolidated Edison of N.Y., General Public Utilities, Allegheny Power, and Niagara Mohawk Power. These are all well-established companies that have been operating for many years and will be around for years to come.

Most utilities also offer high-quality bonds and preferred stocks which yield even more than the common issues.

A second attraction in the utilities group are those companies offering partially tax-free dividends. Because of their financial accounting structure, some companies pay dividends which are considered a partial return of

capital. Portions of these dividends are exempt from ordinary federal income taxes and could be especially attractive to persons in high tax brackets.

(Exempt portion of dividends reduces the cost basis of shares held... tax is paid after shares are sold - at capital-gains rates.) While the exempt portion may vary from year to year, examination of a company's past record should produce a predictable pattern. Notable in this group is, again, Consolidated Edison - whose 1967 dividend payment was considered 96% nontaxable as income.

Orange & Rockland Utilities is another electric utility having a substantial exemption provision, approximately 64% in 1967.

CERTAIN sections of the country are today growing at a faster pace than are some of the more settled regions. Growth may be measured in terms of population, economic development, personal income, and other indices. Utilities operating in growth areas of the country may be expected themselves to

grow (in terms of revenues, earnings, and dividends) at a rate faster than for the rest of the industry. Companies that appear favorably situated in this respect are Carolina Power & Light, Houston Lighting & Power, Middle South Utilities, and Florida Power.

A company that should be highly resistant to economic change by reason of its diversity of product and its areas of operation is Citizens Utilities. This company operates in eleven states from Vermont to Hawaii and derives well-balanced revenues from telephone, electric, gas, and water services.

"Products" supplement each other, and an economic slowdown in one sector will be supported by company's other services. Presently, the principal operating area for Citizens Utilities is California-Arizona. Retirement developments, commercial and industrial activity, and tourism serve to make this a particularly attractive growth area.

Citizens Utilities offers two classes of nearly identical common stock: Series A dividends in cash only. Series B - dividends in cash only. Series A is exchangeable for Series B at any time. Hence... a uniquely flexible arrangement for varied investment requirements.

Child Center Gains Wayne Supervisors OK Record Budget

Improved services at Wayne County General Hospital, measures to bolster crime prevention and better child care are among the major features of the new Wayne County budget which took effect this week.

The county began its 1968-69 fiscal year December 1 with a record budget of \$142.4-million, which is about \$15-million above last year's outlays.

There was no increase in the county property tax. The larger budget will be financed by increased revenues from grants and fees from new construction and rising land values, and

\$69-Million Bond Issue OK'd For Wayne County Improvements

Airport expansion, renewed support of county home rule and completion of pay adjustments for Wayne County employees were the major items acted upon by the County Board of Supervisors at its latest meeting.

The supervisors approved a \$69-million revenue bond issue for improvements at Detroit Metropolitan Wayne County Airport, which is operated by the County Road Commission. The improvements, to be financed by airport revenues, not by tax money, are designed to keep pace with the increasing air traffic.

Major items in the bond issue are \$16,800,000 for terminal expansion and additional passenger gates, \$10-million for an additional 10,000-foot runway to accommodate big jets, \$10-million for land acquisition for the runway, \$6,400,000 for a 2,000-car expansion of the parking garage, and \$5-million for storm water drainage facilities.

The Board of Supervisors also endorsed a proposal by Grosse Ile Township Supervisor Merle Solomon that the township acquire the Grosse Ile Naval Air Station after the Navy moves out, and operate it as a civilian airport. The Naval Air Station is scheduled to be closed within a year.

The County Road Commission recommended endorsement of the Grosse Ile proposal as a move to meet a serious need for an airport for private and business aircraft and to alleviate the crowded conditions at Metropolitan Airport.

In other action, the Board of Supervisors reaffirmed its support of county home rule without a dissenting vote.

The board's resolution stated that the new directly-elected Board of Supervisors, which will take office Jan. 1, is "strongly urged to place the home rule question on the ballot at any special election which might be held prior to the next county-wide primary or general election." There is talk of a special community college election being held next June.

Salary Study Launched What to Pay Supervisors?

A blue-ribbon bipartisan citizens' committee will recommend salaries for members of the newly-reapportioned Oakland County Board of Supervisors.

Democratic board members, who hold a 15-12 majority on the board, are expected to raise other questions in the area of jurisdiction and function as well.

Currently, supervisors receive a stipend of \$20-per-diem.

Supervisor Philip O. Mastin Jr. of Hazel Park, Democratic caucus chairman, indicated he hopes for bipartisan support on the proposal.

"We are sure that all responsible supervisors-elect of each party will enthusiastically support this plan," Mastin commented.

Lawmaker Slaps 'Gimme' Tactics

Representative Louis E. Schmidt, a Republican who lost out to Marvin Stempien in the November election, this week slapped the "gimme" tactics of the Detroit School District.

Detroit, charged Schmidt, is taking the "cup-in-hand" position just as it did two years ago when "Democratic controlled legislature 'bailed' out the school district of Detroit with a \$9 million appropriation."

In that year, said Schmidt, Detroit received about 50-percent of the money while other districts received but \$2.50 more per enrolled pupil.

No one denies that the state has a responsibility — but this responsibility should result in help to all school districts, he said. "What about Livonia, Northville and Clarencville school district taxpayers?"

"The 1968-69 property tax for schools is \$35.97 in Livonia, \$32.90 in Northville and \$37.90 in Clarencville. What is Detroit's? It's \$22.504."

Schmidt went on to explain that an amendment he proposed in 1967 to

Oakland Lawmen Elect President

Howard Whaley, chief investigator for the Oakland County Medical Examiner's office, was named Tuesday night of last week as the Oakland County Law Enforcement Association's 1969 president.

Novi hosted the association at Saratoga Farms Restaurant where the slate of officers was named and where the lawmen heard the county prosecutor-elect, Thomas Plunkett, air his views.

The other officers selected were Robert Phillips of Sylvan Lake as first vice-president, Ted Bly of the parole board as second vice-president, Secretary Robert Parsons of the Maccabees, Treasurer Dave Putnam of Waterford, and Robert Avritt of Milford as Sergeant at Arms.

Directors chosen for the coming year included the following: Harry Jones (Oakland County Sheriff's Dept.), Merlin Holmquist (Birmingham), L. Marsh (White Lake), Lee BeGole (Novi), Prosecutor-elect Plunkett, Clayton Randolph (City of Pontiac), Herman Schwarze (Pontiac Motor), Carl Carter (National Bank of Detroit), Leon Dochet (Novi) and Don Woodward, the Post Office inspector.

Northville Police Report Drinking by Minors Boosts Arrests

Minors in possession of alcoholic beverage resulted in the most number of arrests by the Northville Police Department during the month of October.

In its monthly police report, the department files showed that a total of 11 youths were arrested for possession of alcohol.

Next highest arrest category was for motorists driving under the influence of alcohol. Eight persons were arrested for this offense. Six persons were arrested for being disorderly-drunk.

During the month, the department received 568 calls — up 97 from the same month a year ago. Of these 568 calls, all but 58 township calls originated from within the city. Police activity included 29 animal complaints, 23 open doors and 17 escapees.

Larceny of \$90 or less was involved in 10 cases as opposed to five for the same month in 1967. Other offenses included five assault and battery, 13 vandalism, seven uttering and publishing, 21 traffic, and 29 impounded vehicle cases.

There were no major crimes such as murder, manslaughter, felonious assault, rape, armed and unarmed robberies or burglaries last month. There have been, however, four felonious assaults, one aggravated assault, 36 cases of assault and battery, one exciting, two indecent liberties cases, three rapes, 11 burglaries, 13 larceny cases involving \$100 or more, and 10 auto thefts since the beginning of the year.

Among the crimes that have increased significantly this year as compared to the same period a year ago are assault and battery, up 23 from 13 to 36, larceny of under \$90 up 35 from 61 to 95, vandalism up 20 from 61 to 81, and minors in possession up 34 from 37 to 71.

There were no narcotic violations in Northville in October, but this offense is up to four for the year from the single case investigated for the same period in 1967.

Moving and parking violations have increased significantly. A total of 213 moving violations were recorded in October compared to 111 in October of 1967. Parking violations increased from 146 to 305. For the year moving violations are up from 1,039 to 1,359, but parking violations are down from 3,613 to 2,912.

A total of 21 accidents occurred in October — the same number recorded in October, 1967.

State Approves Bonds For Taft Road Paving

Special assessment bonds for the completed Taft Road paving project have been approved by the Michigan Municipal Finance Commission.

Attorney General Frank J. Kelley, chairman of the commission, announced approval of \$89,000 in bonds last week and advertisement of their sale by the city began this week.

Proceeds will be used to defray part of the cost of the improvement.

Special assessment bonds are payable from special assessments due in nine annual installments with the full faith and credit of the city pledged to meet principal and interest should the installments be slow in coming in.

JUST ACTING—Mr. Dussel (Metin Denissar) uses force to restrain Peter (Phil Kennedy) as Mr. Frank (Bob Shaffer) and Mr. Kraller (Gus Wedemeyer) look on in a scene from the Northville All School Play, "The Diary of Anne Frank", being presented today, tomorrow and Saturday in the high school auditorium.

Northville Play Starts 3-Day Run

Ticket sales are lagging, folks.

That's the word from Northville All-School play director Robert Chapel as "The Diary of Anne Frank" was readied for the first curtain raiser tonight in the high school auditorium.

Chapel, whose young performers plan two evening performances at 8 p.m. tonight and Saturday night and a matinee at 3 p.m. tomorrow, said that ticket sales just haven't been up to his expectations and hopes.

"The kids have really worked their hearts out to make this a really outstanding production," Chapel said, "and I would hate to see their efforts greeted by sparse attendance."

The play stars Chris Becker as Anne, whose diary was found after World War II in Amsterdam, where she and her sister Margot (Mickey Donahue) and parents (Bob Shaffer and Lauri Dagher) were cooped up in a building with other Jewish people who were trying to escape Nazi persecution. Anne Frank actually died in a Nazi concentration camp before her diary came to light. She lived as normal and moving a life as possible under the circumstances and used her diary to tell the world the joys and pleasures as well as the sorrows persecuted people underwent.

Anne had a boyfriend, Peter (Phil Kennedy), and neighbors, Mr. and Mrs. Van Daan (M. Emerson Gazlay and Jeannette Gensley). Others in the cast are Mr. Dussel, portrayed by Metin Denissar, Mr. Kraller (Gus Wedemeyer) and Miss (Lynn Maceri).

Chapel was assisted by Jeanice Dagher as student assistant and three faculty members. In charge of costumes was Patricia Dorian, with Roy Pedersen handling sets and Donald Valentine taking care of publicity.

You may purchase a ticket for \$1.25 yet today, but at tonight's performance you will pay \$1.50, as you would at the Friday matinee or Saturday night. Chapel urges everyone to get out, save 25 cents by buying early, and support efforts of these fine high school students.

Renee Westphall Sings in 'Messiah'

Five students from the Detroit area, including Renee A. Westphall of Northville, sang with the Bob Jones University Glee Club, and the Chamber Orchestra in Handel's "Messiah" at the university in Greenville, South Carolina, on November 30 and December 1.

The daughter of Mr. and Mrs. Raymond Westphall of 227 North Roger, Miss Westphall is a soprano and a music education major.

The two presentations were part of the gala Thanksgiving weekend events scheduled at BJU. The University Classville Players also staged two performances of PROLOGUE, a stirring drama on the life and death of Jon Hus, reformer, on November 28 and 29.

Bob Jones University, known as the "World's Most Unusual University," is a liberal arts, educational, Christian institution.

Armstrong moved that the Appeal Board minutes for October 28th, 1968 be accepted and filed, seconded by Baldwin. Ayes: All.

Water & Sewer Commission minutes for October 22, 1968 moved to be accepted and filed, by Hammond, seconded by Straub. Ayes: All.

1. Oakes. Straub moved that Mr. Oakes' letter of October 4, 1968 be filed, seconded by Lawrence. Ayes: All.

2. Wayne County Public Works. Baldwin moved that the Board could not agree to allowing Oakland County use of capacity in the Rouge Valley. Intersect until such a time as our Township has decided upon the additional sewage capacity needed in the foreseeable future by the Township. Seconded by Armstrong.

Ayes: All. City of Taylor. (Astrodome stadium) Baldwin moved that this letter be filed, seconded by Straub. Ayes: All.

4. Lapham case. A letter from Draugelis & Ashton stated that the time allowed to appeal the Lapham case has elapsed with no action being taken. Lawrence moved that the letter be filed, seconded by Baldwin. Ayes: All.

5. Hospital Water contract. This contract has been received, signed and is in the safe in the Township Hall. The engineers are beginning work on the project.

6. Library request. The Library has requested funds for additional equipment. Our use of the Library is one third, but last year we were billed for one half of the purchased equipment. This has been discussed with the City and they will apply the overpayment on this year's bill for equipment if we approve the request. The amount this year is \$1,050. Hammond moved that the Township grant the request for equipment on a 1/3-2/3 basis and that we ask for a credit of the overpayment of last year. Seconded by Lawrence. Ayes: All.

7. State of Michigan - Cemeteries. Straub moved that the letter be filed, seconded by Lawrence. Ayes: All.

8. SEMCOG. Baldwin moved that the letter be filed and that the question regarding purchasing be filled out and returned to Semcog. Seconded by Hammond. Ayes: All.

9. Greenspan. Since we have a letter from our engineer indicating that the sewers and water mains have been approved, Straub moved that the Township send a letter to Greenspan stating that these sewers and mains in Northville Colony Estates have been satisfactorily installed and approved by the Township; approved limited to sanitary sewers and water mains. Seconded by Baldwin. Ayes: All.

10. City of Detroit. This letter concerned use of wetlands. The City of Detroit, Michigan, at a meeting on October 10, 1968 which was attended by four members of the Board.

5. Storm drains. Attorney Ashton read his draft of a resolution establishing Township control over installation of storm drains. It had been presented to the Township in a letter from him on October 8, 1968. Baldwin moved the adoption of the resolution as read, seconded by Straub. Ayes: All.

NEW BUSINESS

1. Dump. Stromberg detailed a plan whereby large containers would be placed at the present City dump site, on a consent slab. It would be used for disposal of rubbish by Township owners, with a separate container being used similarly by City residents. When filled, these containers would be hauled away to a nearby landfill at a cost of \$16.50 per container. It is estimated that at one container per week, our costs for a year would be approximately \$2,678.00. The concrete foundation would cost about \$240.00. Commercial and industrial firms would have to dispose of their own rubbish. This plan has been discussed with the City and meets with their approval, the total costs to be divided. The cost of supervision of the area would add about 250 dollars additional to the yearly costs. Hammond moved that the Township join with the City in establishing a rubbish system along the lines mentioned. Seconded by Lawrence. Ayes: All.

2. Cemetery plaque. Mr. Sliger of the Northville Record presented a plastic plaque which shows the history of Waterford Cemetery. He suggested that a metal backing plate could be obtained from a printer who still uses this process. Mr. Stromberg will try to contact the two men mentioned. Armstrong moved that the Board thank Mr. Sliger for his generosity and that we table the matter for further information, seconded by Baldwin. Ayes: All.

3. The Clerk announced that she had written in response to a letter from the O.E.O. "opting out" of their

4. Amstutz gave a brief summary of matters discussed at an MTA meeting on October 10, 1968 which was attended by four members of the Board.

5. Storm drains. Attorney Ashton read his draft of a resolution establishing Township control over installation of storm drains. It had been presented to the Township in a letter from him on October 8, 1968. Baldwin moved the adoption of the resolution as read, seconded by Straub. Ayes: All.

NEW BUSINESS

1. Election returns. The Clerk reported that Stromberg has been elected Supervisor until November 1970. Straub was elected Trustee for the same period, and M. R. Mitchell and B. Baldwin were both elected to the four year term, until 1972. Of the registered voters in the Township, 86% voted in the Nov. 5 election.

2. Air conditioning and plumbing code changes. Baldwin moved that these code adoptions and changes be tabled until the next meeting, in order that the new Building Inspector could be present to explain them. Seconded by Lawrence. Ayes: All.

3. Private road maintenance. The residents of Norton St. have requested that the County maintain their private street. The County will not handle this unless the Township authorizes it. The Township would then have to collect the cost of said maintenance from the residents. Mr. Stromberg is to set up a meeting of the residents with Mr. LaGosh from the Wayne County Road Comm.

4. Announcement was made of a special study meeting for the Township Board and the Planning Commission for Monday, November 11, 1968. Water and Sewer Commission recommendations... from meeting of Oct. 22, 1968.

(On the recommendation of the Water & Sewer Commission, the 7 following recommendations were adopted as resolutions.)

1. Kaiser, Armstrong moved that John S. Kaiser (Township Building Official) be appointed as Manager of the Water & Sewer Department at an annual salary of \$21,600.00. He will read meters, inspect pressure regulator valves and maintain charge of the meters and materials of the department. Seconded by Baldwin. Ayes: All.

2. Sewer size. Lawrence moved that the minimum size of sanitary sewers acceptable in the Township system be increased from 8" to 10". Seconded by Armstrong. Ayes: All.

3. Water service connections. Lawrence moved that the Township adopt a rule that no unions be permitted in any copper water service connection pipe of 1" or less diameter and up to 100' in length, nor in any copper water service pipe of 1 1/2" diameter and up to 60' in length; also that where allowable, all unions in copper service pipes shall be approved copper to copper flanged water tube couplings. Also, that preparation of specifications to govern materials and installation of service connections be authorized. Seconded by Straub. Ayes: All.

4. Charges - water service connections. Lawrence moved that the charge for installation of water service connections for apartments be the actual cost of labor and material plus 30% to cover incidental and overhead expense; also, that the charge for installation of a 1" water service in a 60' street be set at \$175.00 and that in streets wider than 60' this charge be increased by the amount of \$2.00 per foot of width in excess of 60'. Seconded by Armstrong. Ayes: All.

5. Edenderry fire hydrants. Lawrence moved that since cost of

installation of fire hydrants in Edenderry Subdivision by the City of Plymouth originally quoted at \$500.00 each has now been estimated to be \$750.00, the Township Water & Sewer Department should assume the cost in excess of the \$500.00 quoted former-owners in Edenderry and Shadbrook Subdivisions and billed to them by the Water and Sewer Department. Seconded by Baldwin. Ayes: All.

f. Meter installation charge. Baldwin moved that the inadequate charge of \$10.00 for installation of 3/4" and 1 1/2" water meters be increased to \$15.00. Supported by Armstrong. Ayes: All.

g. Use of fire hydrants, charges. Baldwin moved that the Township adopt a system of permits for use of fire hydrants for construction work and that with each permit the Township furnish a standard hydrant wrench and a hydrant adapter of suitable size; also that a deposit of \$50.00 be required for each permit, of which \$25.00 shall be retained by the Township to cover costs of issuing permits, supervising hydrant use and inspecting hydrants after use, and \$25.00 shall be refunded on return of hydrant wrench and adapter and inspection finding the hydrant in satisfactory condition. If hydrant is not found in satisfactory condition, all expenses incurred in its repair shall be paid by the user. It was also permitted that the charge for water used in pavement construction shall be computed at one cent per square yard of pavement. Seconded by Straub. Ayes: All.

6. Request from Planning Commission. On October 31, 1968, in a meeting of the Planning Commission the Board was requested to give its opinion on the current land use and zoning, particularly as to density. They would like to know if any changes are necessary at this time. Armstrong moved that the Township adhere to its Master Plan as proposed by Vilsian, Leman and Associates, and Meeting adjourned at 12:10 a.m. Eleanor W. Hammond, Clerk

Commission, as closely as possible as to density requirements. Second by Lawrence. Ayes: All.

7. An announcement by Stromberg detailed the new Enterprise telephone numbers for the Wayne County Sheriff and Michigan State Police to be used by area residents.

8. Don Thomson. Lawrence moved that Mr. Thomson's request for a lot split under Section 600 of Ordinance No. 25 and Sec. 1100 of the same ordinance providing for a variance for hardship, be allowed and that he be permitted to take 18 feet from Lot 11 and add it to his lot; and that the Supervisor be allowed to approve said lot split. Seconded by Armstrong. Ayes: All.

9. Tax penalty waiver. Upon recommendation of the Treasurer, Mrs. Hammond moved that the tax penalty of 1% on taxes paid between February 15th and March 1st be waived. Second by Baldwin. Ayes: All.

10. The matter of purchase of a "gopher" for the W & S Department was tabled until the next meeting, so that more information could be secured.

APPOINTMENTS

1. Planning Commission. Lawrence moved that both Mr. Boor and Mr. Bowby be re-appointed to the Planning Commission, for a three year term, beginning in November, 1968. Seconded by Straub. Ayes: All.

2. Board of Review. Mrs. Hammond moved that Mr. Burton Williams be re-appointed to the Board of Review for a two year term, beginning January 1, 1969. Second by Lawrence. Ayes: All.

OTHER BUSINESS

Mr. Baldwin expressed his pleasure over the speed of response of the fire department and the method of fighting the recent fire in his home on Meadowbrook Road. He stated that he felt it had been handled very professionally and that there had been plenty of equipment on hand.

Meeting adjourned at 12:10 a.m. Eleanor W. Hammond, Clerk

Builds on Ideas Flexibility's Key To Levitt Success

The proposal to build a community of homes and townhouses in a Northville Township gravel pit may seem peculiar to some - but certainly not to William J. Levitt, president of the world-famous Levitt & Sons development corporation which has options on 400-acres of the gravel mining site between Seven and Eight Mile roads.

Levitt has been turning odd ideas into financial successes ever since he built the first Levittown 20 years ago on Long Island, New York.

His company's secret to success has been described as the result of flexibility - the uncanny ability to change concepts in "mid-stream" to keep in tune with market demand.

Just seven years ago, Levitt made one of its major switches. It had cashed in on the postwar housing boom by pioneering construction of big contract developments outside large cities and by employing assembly-line methods to build houses. But the old formula of putting up sprawling, communally-sized "Levittowns" - three were built (in Long Island, Pennsylvania, and New Jersey) had become outdated. People were rebelling against the look-alike houses that were a Levitt trademark.

So the company switched tactics. It no longer concentrated on one massive development at a time - which made it vulnerable to swings in local economies. Instead, it began to branch out geographically. It decentralized operations, simultaneously building widely scattered and smaller-size projects.

While Levitt concentrated on housing developments of small size - usually a subdivision of homes grouped around a club, a lake, a golf course, or recreation area - Levitt himself kept

his fingers in bigger projects such as entire planned villages that combine business and industry with homes.

New tactics produced phenomenal sales growth - up 20-percent annually. But even so, as big as Levitt is (it's now a subsidiary of International Telephone & Telegraph), the company represents only a fraction of the homebuilding industry's output. This factor seems to drive it to new heights.

Continually expanding throughout the United States, Levitt has moved into Puerto Rico and Paris and has its feelers out in numerous other countries.

Both Paris and Puerto Rico were immediate successes. A community of 652 homes south of Paris sold out in three weeks after the exhibit homes were opened, and Levittown of Puerto Rico, where 2,500 homes were built, made Levitt the largest builder in that country.

Controlling this sprawling network of developments is the sophisticated computerized apartment in Levitt's International Headquarters at Lake Success, New York. A score of men using electronic data processing equipment, including data plotters and computer tapes, manage to keep warehousing inventory at a minimum thus insuring precise control of the flow of products and materials from production to the job site.

Meanwhile, another Levitt team is continually on the move ("two men spend 30-percent of their time in airplanes") searching for new sites.

The proposed Northville development, if it becomes a reality, will mark the firm's first entry into the metropolitan Detroit area.

While Levitt homes, now being sold nationally, average about \$32,000, Irwin M. Adler, regional general manager for the firm, has stated that the homes proposed for Northville would run higher in price. Specifics about styles and sizes have not been disclosed, however, since the proposal is a Levitt "idea" still to be formalized with Northville Township officials.

Even if the project becomes more than a land option, Levitt's force of 1,300 specialists will not be building the homes and townhouses. It never does. Levitt is, in the true sense, a developer with ideas - having a huge staff of planners, architects, attorneys and engineers who see that others turn those ideas into wood and mortar.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Padock and Stone, attorneys at Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. The City shall pay the cost of printing the bonds. The bonds will be delivered at Detroit, Michigan, or at such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Sorry About That Chief 'Get Smart' Crew Invades U.S. Carrier

Long Beach, California - Would you believe that Maxwell Smart, super-sleuth, agent-86, and master of the old "Sorry about that Chief" routine has joined the U.S. Naval Reserve?

Not only has Max joined-up, but he took the "chief" and "99" with him. All of this was much to the amusement of Seaman Apprentice Nobert C. Parent Jr., USN, 19, son of Mr. and Mrs. Norbert C. Parent Sr. of 334 Yerkes Avenue, aboard the anti-submarine warfare support aircraft carrier USS Yorktown in the Pacific.

The entire NBC-TV "Get Smart" crew was aboard the carrier for a two-day filming session. Scheduled to be "aired" in early December, the story centers around the two-week active

CITY OF NORTHVILLE
COUNTIES OF WAYNE AND OAKLAND, MICHIGAN
1968 SPECIAL ASSESSMENT STREET IMPROVEMENT BONDS
(District No. 68-2)

Sealed bids for the purchase of the above bonds will be received by the undersigned at her office in the City Hall, 215 W. Main, in the City of Northville, Michigan, on Monday, the 15th day of December, 1968, until 8:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said bonds will be dated December 1, 1968, shall consist of four (4) bonds of the denomination of \$10,000.00 each and severally (17) bonds of the denomination of \$5,000.00 each, numbered consecutively in direct order of maturity from 1 to 21, both inclusive, and will mature serially without option of prior redemption as follows:

\$9,000.00 October 1, 1969;
\$10,000.00 October 1st of each of the years from 1970 to 1977, inclusive.

Said bonds shall be coupon bonds and shall bear interest from their date at a rate or rates not exceeding five and forty one-hundredths per cent (5.40%) per annum, expressed in multiples of 1/8 or 1/20 of 1%, or both. Said interest shall be payable on October 1, 1969, and semi-annually thereafter on April 1st and October 1st of each year. The interest rate for each coupon period on any one bond shall be at one rate only and shall be evidenced by one coupon only. The interest rate on any one bond shall be at one rate only and no bond of this issue shall bear interest at a rate which is less than 50% of the rate borne by any other bond of this issue. Both principal and interest shall be payable at a bank or trust company to be designated by the original purchaser of the bonds, said paying agent to be qualified as such under Michigan or Federal statutes. The designation of the paying agent shall be subject to the approval by the City. Accrued interest to the date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Said 1968 Special Assessment Street Improvement Bonds are issued in anticipation of the collection of an equal amount of

the unpaid and future due installments of special assessments on Special Assessment Roll No. 68-2. In addition to the special assessments, said bonds produce the full cash, credit and resources of the City of Northville for their payment. These bonds are being issued for the purpose of defraying part of the cost of street improvements in Special Assessment District No. 68-2, in the City of Northville.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1969 to their maturity and deducting therefrom any premium. The bonds

Four \$100 fines for offenses of driving while ability was impaired (by liquor) and a \$50 fine for a 30-month old speeding violation were among the 16 sentences handed down by Northville Municipal Judge Philip Ogilvie last Wednesday, November 27.

John K. Agnew, Plymouth, was picked up by state police on a bench warrant issued May 23, 1966, after he did not appear in a speeding violation — driving 60 miles per hour in a 40 mile zone on Northville Road May 3, 1966.

He pleaded guilty and was fined \$50 and \$15 costs.

Richard R. Riffenburg, 45 Woodland Place, ticketed October 18 for driving under the influence of liquor on Eight Mile Road, stood mute and a plea of innocent was entered when he was arraigned. At the trial November 27, on motion of the city attorney and concurred in by the arresting officer, the count of driving while his ability was impaired was entered. He pleaded guilty and was fined \$100.

Clewell R. Thomason, 42800 West Seven Mile, appeared before Judge Ogilvie on two counts. To the charge of driving under the influence of liquor he pleaded guilty and paid a \$100 fine. He was placed under a year's probation with the 60 day jail sentence suspended unless the probation is violated.

He also pleaded guilty to the charge of being drunk and disorderly at the Bel-Nor restaurant November 16. He was fined \$30 and \$3 costs.

Orville Edward VanSickle, 24595 Wixom Road was ticketed November 10 on the charge of driving under the influence of liquor on Eight Mile and Novi roads. He stood mute and an innocent plea was entered on arraignment.

At the trial November 27 he pleaded guilty to driving while ability was impaired (entered on motion of the city attorney and concurred in by the arresting officer). He was fined \$100 and 30 days, the jail sentence being suspended and the defendant placed on one year's probation with the fine to be paid in installments by January 1, 1969, or 20 additional days' jail sentence added.

Junior N. Howell, Pontiac, arrested on Novi road October 11 on the charge of driving under the influence of liquor, pleaded guilty and was fined

\$100 and 30 days. The jail sentence was suspended and the defendant placed on one year's probation under the condition that he enroll in the Pontiac AA program. Failure to continue in the program will be deemed to be violation, added Judge Ogilvie.

Other cases included three escapes from Detroit House of Correction, and violations of financial responsibility law and traffic violations.

John J. Becker, Jr., Detroit, was ticketed June 19, 1968, for not having proof of insurance when stopped on Northville Road. He pleaded guilty, fine was suspended and he paid costs of \$15.

Roland E. Duff, Livonia, ticketed for violation of the financial responsibility law, pleaded guilty and was fined \$40 and \$20 costs.

Dean F. Daves, Wayne, entered an innocent plea when arraigned November 7 on the charge of following too closely on Eight Mile Road. He was fined \$100.

Novi Justice Court

Justice of Peace Emery Jacques fined a number of miscreants as his justice court moved into its final month of existence.

Karen L. Marshall of Farmington received the stiffest fine, \$30 for speeding 60 MPH in a 40 MPH zone.

Fined \$20 was Donald H. Hewitt of Walled Lake for speeding 65 MPH in a 50 MPH zone.

Defective lights cost Robert C. Smith of Detroit \$15.

Richard N. Howell of Southfield paid \$10 for driving on an expired operator's license.

Also assessed \$10 was Kendra E. Shaw of Denton for defective exhaust.

Northville resident Alex H. Johnson of 404 Dubuair was guilty of speeding 60 MPH in a 50 MPH zone and paid \$10.

Three others were also assessed \$10 for going 60 in a 50 MPH zone. They were:

Daniel R. O'Connell of Walled Lake, Laura N. Clift of 41151 Ten Mile

Northville Teachers Hear Talk

Richard W. Suttle, 512 Randolph, pleaded guilty to having improper licenses and was fined \$10. Herbert C. Butler, Plymouth, pleaded guilty to the count of allowing an unlicensed driver to drive and paid a fine of \$15.

Ralph Garrett, 111 South Wing, received two tickets when stopped by police in September. On the charge of having no operator's license (never having acquired one), he stood mute when arraigned, September 19. At trial he pleaded guilty to the count of having no operator's license on his person and was fined \$30.

To the violation of driving left of the center line, a plea of guilty was entered at the trial and he was fined \$10.

Three escapes from Detroit House of Correction had days added to their sentences. Randall C. O'Leary, Livonia, received five days; William Muddiman, Detroit, nine days; and Alexander Hunter, Detroit, 20 days.

Paying \$15 for careless driving was Alfred C. Szot of Plymouth.

Taking an uncovered load to the dump cost Detroit Calvin Lawrence \$10.

Nicholas B. Loeffler of Detroit was fined \$10 for improper passing.

Cecil B. Gates of Union Lake, Edmund C. Mogford of Detroit and David F. Templeton of Wayne (no muffler).

Local Home Ransacked

The home of Leslie G. Lee, retired Northville band director, was ransacked a week ago Sunday but the only known missing item is a \$125 flute.

Returning to their home at 10:25 p.m., Mr. and Mrs. Lee discovered a broken window and missing storm window on the front of the house, at 607 Fairbrook Street, and immediately contacted police.

Policemen End Accident Course

Two Northville policemen recently completed the Oakland County Accident Investigation Course.

Sergeant Charles Martin and Officer Howard Reeves were successful graduates of the week-long course in November. It was designed to improve the officers' investigative knowledge and ability when covering accidents.

Bathey Company Sells 90% Interest

Douglas Bathey, president of Bathey Manufacturing Company in Plymouth, and a resident of Northville, has announced that HITCO, a California corporation, has acquired more than 90 percent interest in the company for an undisclosed amount of cash.

Under the terms of the agreement with HITCO, the company will be operated as a subsidiary under its present management, with Bathey as president.

Bathey is a leading manufacturer of material handling products and of automotive stampings and assemblies. Its 1968 sales are estimated to be in excess of 14 million dollars. According to Bathey, a newly created plastics division at the Plymouth location should add additional sales in 1969. This division will produce especially designed plastic dunnage materials, he said.

HITCO, listed on the New York and Pacific Coast Stock Exchanges, is a broadly based developer and

Sam F. Test, Manager of the Detroit Northwest Social Security office, 18500 Grand River, Detroit, has announced that the fourth annual "Social Security Days" will be held at the Livonia Mall Shopping Center on Thursday and Friday evenings, December 5 and 6 and on Saturday afternoon and evening, December 7, 1968.

The third characteristic stressed was encouragement of the child to experience activities through means of all the senses. Too many children think that if they try and fail that they've failed entirely, he said. If they don't try at all, they can always say they could have done it but just didn't want to, he added.

Dr. Mathews' advice to the teachers was, "Don't permit him a way out, rather help him as long as he needs you and then be ready to let him go on his own."

Another workshop on Learning Disabilities was to be held this week under the direction of Jean Lukens, Oakland Intermediate School district consultant.

Robert Slight Completes Study

Robert V. Slight, 46380 West Main Street, fire claim superintendent for State Farm Insurance Companies, has returned home after completing three weeks of technical study on fire insurance at the firm's home office at Bloomington, Illinois.

Slight is employed at the firm's claim service office, 19141 Greenfield, in Detroit.

State Farm maintains the school on a year-round basis so claim representatives may be informed of the latest policy contracts, methods and procedures in claim servicing. This year some 75 claims employees will attend classes there.

JC's Launch Clothing Drive

Novi Jaycees have barely completed their package mailing project to servicemen and are already embarking on another project.

This was the work from Jim Cherfoli, project chairman, who announced a clothing drive for the Plymouth State Home as the upcoming task.

A door-to-door clothing drive will be held Saturday to collect any washable and still wearable clothes for children in the one to sixteen age bracket. "Toys your children may have outgrown will also be appreciated", Cherfoli added.

"If you do not expect to be home Saturday for the drive," Cherfoli suggests there is a deposit box in the Novi Drug store for clothing and toys."

Jaycee Auxiliary is working with the Jaycees in mending clothing and repairing toys in time for Christmas.

Northville Seeks More Novi Aid For Storm Sewer

A contingent of Northville city officials will appear before the Novi village council Monday night with "hat in hand".

Specifically, they'll ask Novi officials to consider paying about \$7,000 more than originally agreed upon when the two communities decided to share the cost of installing a storm sewer to drain an area servicing both Northville and Novi.

Bids were received by the

Santa to Visit Novi Sunday

Santa Clause will arrive in Novi Sunday afternoon for a pre-Christmas visit — thanks to the efforts of the Novi Mothers' Club.

He'll be here to greet all children of the community, through the age of 10, at the Novi Community Building from 1 to 6 p.m.

Santa's visit is being sponsored by the Willowbrook Civic Association and several local merchants.

Hong Kong Flu Bug Invades Novi Area

Flu has invaded the Northville-Novi area. It is an upper respiratory type of influenza with a high fever, headache, sore throat and coughing generally.

Local physicians are agreed that there "quite definitely is more than the normal amount" of influenza cases. One, whose nurse reported "an office full of flu patients," Monday, said he felt it "probably is a type of the publicized Hong Kong type."

Another stated he didn't know yet if the area was getting the Hong Kong strain and said he felt he was seeing a regular variety of flu, "certainly not in epidemic proportions yet." Most cases, he added, respond very well.

In some cases the local flu lingers six to ten days with the first three to five days termed the worst. Both physicians called suggested that families call their family doctor for any flu of more than 24 hours' duration.

Cityhood Group Meets Saturday

A meeting of the citizens committee for the city incorporation of Novi will take place Saturday at 3 p.m. at the Rosewood Restaurant.

The meeting, according to Chairman C. A. Smith, is for the purpose of discussing ways of publicizing advantages of cityhood and familiarizing citizens with the proposed city charter.

Novi and New Hudson apparently have been scratched from a list of potential sites for nuclear missile bases, the spokesman learned Monday.

Congressman Jack McDonald, Republican lawmaker from the 19th District, has been advised that the United States Army is no longer considering either Novi or New Hudson for the proposed multi-million complex but instead has turned its attention to three communities in eastern Oakland County.

Upon making his first contact with an Army spokesman last week, McDonald learned that of the original sites considered in Oakland County only New Hudson (Lyon Township) was still on the list of potential sites.

However, an Army spokesman subsequently told McDonald that New

ARMY OF GOODFELLOWS—An army of Novi Goodfellows will invade Novi streets for the next couple of days as they hawk issues of The Novi News in their annual drive to raise money for financing food and clothing for Novi families who, despite today's bulging economy, would otherwise have a pretty bleak Christmas. This year, for the first time, the Goodfellows will carry their drive into Novi subdivision streets as well as the main thoroughfares.

Planners OK Zoning Revision

While the planning board was taking action on a long-standing zoning issue, Novi councilmen were hearing the demands of the Police Association representing Novi police officers.

The demands were revealed to the council by Councilman Donald Young who met in a preliminary session with the association president, Officer Robert Starnes on Saturday.

The preliminary Saturday session lasted eight hours and produced the following bargaining demands:

- Raise the salaries (due to formation of bargaining unit, police were not given the six percent across-the-board increase accorded other college employees)
- Provide overtime pay (sometimes a policeman's overtime equals his duty time, yet he receives no compensation for this work other than straight time pay.)
- Provide life insurance.
- Provide a uniform allowance.
- Provide more men (one man patrol is considered inadequate for 32 square miles and two men should be in each car during night hours; also State Police recommend a force of 22 men for an area the size of Novi's. Novi has only seven patrolmen in addition to two detectives and the chief.)
- Provide longevity pay as an incentive to retain good men.
- Provide more equipment and vehicles (force has no oxygen, no resuscitators and no riot control equipment; one of only three cars in force, it was noted, is almost continually in a service garage.)

Walled Lake May Get Central District Court

There's a good bet that the "home office" of this area's new District Court set-up will be headquartered in the city of Walled Lake.

Oakland County officials confirmed this week that negotiations are underway for leasing of a building in Walled Lake for housing the 52nd District Court (2nd Division), which on January 1 replaces the justice court system here.

According to Theodore Dziurman, chief engineer for the county's facilities department, the eventual arrangement between the county and Walled Lake may mean that the City of Walled Lake will construct a court building which in turn would be leased by the county for a court.

The new court room could either be an addition to the county's city hall facility or a separate nearby building.

This doesn't mean that District Judge-Elmer Martin Boyle will not hold court elsewhere, said Dziurman. "It just means that the Walled Lake Court would be the headquarters where most court matters are taken care of. I would guess that Judge Boyle will hold court maybe one day a week in another community like South Lyon."

Judge Boyle, who postponed a meeting with the South Lyon Council this week, will meet with that body next Monday to discuss arrangements for holding court one or twice early bi-weekly in South Lyon, it was learned.

Final determination as to where Judge Boyle will sit is not expected to be made until after a caucus of all district judges in Oakland County.

The district includes the cities of Walled Lake, Wixom, and South Lyon, the villages of Novi and Milford, and

Army Scuttles Missile Site Here

Hudson, too, had been dropped from the list and that the Army now was "looking at" Troy, Rochester and Lake Orion.

Army officials had been tight-lipped when questioned by this newspaper earlier but they finally disclosed their plans to McDonald. Neither Novi nor New Hudson for the proposed multi-million complex but instead has turned its attention to three communities in eastern Oakland County.

"At any rate it's obvious from what they told us in Washington," a spokesman in McDonald's office said, "that they are still a long, long way from making a final decision."

If indeed potential sites here have been abandoned it ends more than a year of investigation cloaked in secrecy that local officials were unable to penetrate. School and municipal

officials were aware that "feuders" by Boeing Aircraft Company, prime contractor for the Army, had been extended to this area — apparently in search of available land — but they had been able to learn nothing more.

Several months ago officials of Novi Village, the Northville and the South Lyon school districts had "heard unofficially" of various site considerations.

Two different but related sites were being sought, it was learned, "one for the missile base itself and another for radar." It was reported that the sites need not be contiguous and that it was conceivable that the two sites could be located in different communities.

The two local communities had been named as potential sites more
