versus nature appreciation. The comment, "buy the property if you want to watch the pheasants," while lacking in compassion, could certainly be termed out of line to the era of man shooting buffalo from moving trains. Even the big boys in Washington D.C. take a kinder view of conservation. In view of a recent study showing

humanity will soon reach from Bay City to Toledo, a few more pheasants and a few less pheasants might not be a bad idea. However, lest you think I am against additional residents to our community, I am not. I would have more confidence in the success of such ventures if the township seemed more aware of human needs. Northville Wins Again

To the Editor and Citizens of Northville:
Most of you have taken a trip and sent post cards home saying - having a wonderful time, wish you were here.

Well - I wish Northville had had a larger representation at the Beautification Congress in Washington, D.C. There was so much to see, hear and learn. Two hundred sixty four cities were represented by about seven hundred delegates. Michigan had representation from thirteen cities. The largest representation was from Nebraska. Sixty four cities participated.

There are three types of awards plus the Trigg Trophy, the National award of excellence. Milwaukee, Wisconsin received this honor. There are thirty National Mentions - Thirty Distinguished Achievement Awards and thirty Trophies. Of all the cities participating ninety are chosen to be honored. Northville received the Distinguished Achievement Award. The actual grading of the entries is done on a hundred point scale by seven eminently qualified people acting as judges. Number One - Community wide beautification. Number two - property improvement. Number three

Novi Students Seek Busses For Games

To the Editor:
As members of the eighth grade basketball team at Novi Junior High School we are unable to obtain transportation to and from away games because there are never any busses for our use. Therefore, we have to get our own transportation from parents to and from our games. If we cannot, we must forfeit the game.

Our seventh and eighth grade coaches and the athletic director have tried very unsuccessfully in getting a bus for away games.

As we members of the basketball team feel that we should be given a little more consideration. Our parents feel likewise. As students hands are tied we would appreciate any help given.

In the future we hope that we may receive transportation from the school.

Praises Levitt Plan

To the Editor:
Because I have been unable to attend the meeting that was held regarding the Levitt Plan for the gravel pit area between Seven and Eight Mile roads, and its very possible I may be out of State when the next meeting is called, with your kind cooperation I would like to voice my opinion in your paper.

I have lived and owned land that abuts the area in question since the year 1942. After seeing the artist's sketch of the proposed Levitt Development, it almost seems like an impossible dream come true (if completed as promised). City participating so that the cities taking advantage of this once-a-year opportunity will have fresh ideas for their 1969 program.

The Northville Beautification Commission will meet Friday night to begin planning the 1969 program and we trust every citizen will participate. It was a privilege and pleasure to attend the Beautification Congress and an honor to accept a Distinguished Achievement Award for Northville.

Oakland Clamps Down on Trucks

Enforcement of the springtime reduction for wheel and axle loads of vehicles using the Oakland County roads started yesterday.

William R. Mercer, director of the Department of Permits and Special Uses for the Oakland County Road Commission, made the announcement. He said, "The reduced load limits,

which go into effect every year when the frost is going out of the ground, will be enforced on all county roads except those specially designated as all-weather routes."

A "Truck Operators' Map" showing the classification and amount of load reduction for each county road was published and distributed by the Road Commission last year. No changes in road classification have been made since then.

"The purpose of the reduction is to minimize the possibility of accidents and damage where roads may be structurally weakened by the thawing process," explained Mercer.

The springtime limits, which average about 33 percent, will remain in effect until further notice. Although the law permits these special load limits to remain in effect for three months, they are usually lifted in from four to six weeks depending on weather conditions.

Anyone who requires additional information or would like a copy of the Truck Operators' Map should contact the Weighmaster Division, Department of Permits and Special Uses, at the central Road Commission office, 2420 Pontiac Lake Road, Pontiac or call 338-4571, extensions 285 and 293.

Swim Club Elects New Directors

Three new members were elected to the board of directors at the annual meeting of the Northville Swim Club last week.

They are Clifton Church, Robert Regenhart and D. K. Wright. They replace outgoing directors Mrs. Fred Stener, Douglas Day and Glen Deibert.

Other members of the board include David Biery, Kenneth Dadds, Phelps Hines, Kenneth Rathert, Harry Weiser and Ed Zywick.

Present membership in the club is approximately 230 families, although the current housing boom in the Northville area is expected to boost the membership to the full quota of 350 families soon.

Board members urge interested residents to apply for membership before the new subdivisions are in operation to be assured of availability of swimming.

Because there is a lack of interest in swimming during the winter months, Stener suggested last week that the annual meeting be rescheduled and held during the swim season.

In other business, Mrs. Frank H. Whitmyer suggested a drive for new members to bring the membership up to its full quota, and Harold Price reminded the board that since teachers' strike last fall may have set back the

closing of school perhaps the board should consider opening the club prior to school vacation.

The next meeting of the board, which will include the election of new officers, is slated Tuesday, March 11.

Dog Complaints Hit Township
The annual area problem of dogs running loose is cropping up earlier than usual this year with the premature arrival of spring-like weather.

In response to numerous complaints received by the Northville Township office, Supervisor Gunter Stromberg issued an appeal to township dog owners to conform to the township dog ordinance and keep dogs confined.

Because the office had been "besieged" with complaints from several subdivision areas, Stromberg last week sent a letter to residents reporting the complaints that dogs were running loose, destroying lawns and shrubs, frightening children, upsetting trash cans and becoming a general nuisance.

Fire Destroys Meadowbrook Pro Shop
Fireworks Explode Injuring 2 Firemen

Flames, which triggered explosions injuring two firemen, pressed down at its fire equipment into the shop at Meadowbrook Country Club on last Friday.

Loss of the building and contents was pegged at between \$40,000 and \$50,000 by the club business manager, James Cornelius.

Injured in the blaze were two Plymouth Township firemen, who were assisting Northville fire fighters along with those from Novi, but they suffered only minor injuries. One of them Charles Simpson, was rushed unconscious to St. Mary Hospital, where he was treated and released a short while later. The other continued fighting the blaze.

Cause of the blaze has not been officially determined, although Cornelius suspects a defective gas burner may be responsible.

Band Wins Top District Honors

Some school bands battle for years before winning top honors in music festivals - but not so Novi.

In competing in the District Band Festival at Dondero High School Saturday, Novi's wind ensemble walked off with straight superior ratings thus qualifying for the State Festival late in April.

The Novi band, representing a high school in its first year as a complete four-year grade level, was given superior-4 "A" ratings by all four

judges at Dondero. It was the top performance of all Class "C" schools in the district.

Ratings range from "I" to "V" with "I" being the highest. Keith Robston conducts the wind ensemble, Janith Robston the concert band.

Concerning the band, officials have announced the annual pancake supper will be held at the high school on Friday, March 21 from 5:30 to 7:30 p.m. Last year more than 550 people were served.

Pancakes will again be professionally prepared this year by Wallace Johnson of Belleville. Tickets are \$1.25 for adults and 75-cents for children - six graders and under - and may be purchased from any band student or at the door.

Proceeds from the supper are used to provide scholarships to summer band camps and to help defray expenses incurred at the Mid-Winter Concert held recently featuring the University of Michigan Wood Wind Quintet.

"Only 250 people turned out to hear the Quintet, which provided an evening of excellent music," officials point out. "After paying expenses of the Quintet, the band lost approximately \$100.

Refreshments and music are planned.

Forum Zeroes In on Drug Dangers

Roger DeClercq heard the old saw about "people often discuss problems, but no one ever does anything about them" and decided to see that something was done about "a very serious problem."

Drugs have been causing Wixom police a great deal of consternation lately and DeClercq, as narcotics officer of the department, decided it was time the community was aware of the situation and mobilized to support official efforts to eradicate the trouble.

Last week Tuesday was the day Officer DeClercq chose to present the issues. To aid in his presentation, he enlisted the help of O. W. Johnson, FBI Special Narcotics Agent, Novi Drugist George McCollum, Wixom Baptist Pastor Rev. Robert V. Warren and Wixom Mayor Wesley McAtee.

McAtee opened the program, "Drug Abuse and You", by introducing the speakers after which a film on LSD, "Insight or Insanity" was shown. This was followed by a panel discussion in which the speakers brought out their views on the problem and then answered questions directed to them by the some 150 members of the audience. The program ended with the film, "Drugs and the Nervous System."

These are police and other law enforcement agencies (the speakers did not escape comment here); social workers and agencies; education;

religion; and business and industry. To support his intentions, Johnson made an example of New York, where he said the problem is perhaps the most severe. New York was the first state to begin a state-wide project to deal with the problem two years ago.

Why New York? Johnson stated that a conservative estimate is that \$220 million is spent annually by drug users in New York City alone and that one-half of all crime committed in that city are perpetrated by addicts.

Johnson said that the "best approach to the problem is community action" and that "drugs should be an open topic of discussion in the home begun at an early age (the first time the child mentions narcotics)".

Marihuana, Johnson added, is a plant generally grown in Mexico (although it will grow almost anywhere, he said) and users frown on the homegrown type. Marihuana's dangerous element is a resin found on the upper side of the leaf, which though smoked in this country, is often taken by more direct methods elsewhere in the world.

Johnson said that hashish, as marihuana is called in North Africa, is considered "choice" and users frown on the homegrown type. Wixom Council OKs Firearms Ordinance

Stronger enforcement measures and tighter provisions highlighted passage of Wixom's new gun control ordinance.

An hour at the beginning of Wixom's council meeting Tuesday was used to present all sides of the question of tightening controls for the growing city.

As passed, the ordinance provides that only shotguns may be used in hunting; that hunting will be permitted on tracts of land of 15 or more acres in size owned by individual landowners; that hunters other than the landowners must receive written permission from the owner to obtain a 60-day permit directly from the chief of police to hunt on that and only that parcel of land; and that no hunting will be permitted persons without permits and that the chief has the discretionary right of revocation of such permits.

Prior to passage of the ordinance, the some two dozen members of the audience were asked to express their views and they exhibited the gamut of opinions.

Some, such as John Lambert, whose property adjoins a firing range, demanded total prohibition of hunting. Others, such as Jim Robinson, felt that the only change should be the banning of .22 caliber rifles. Lloyd Croft and Mayor Wesley McAtee led the majority in asking that the size of hunting acreage be raised from the five acre limit previously listed as minimum.

McAtee polled the council and got statements ranging from maintaining the status quo (two councilmen) to Howard Coe's suggestion of 25 acres. The average of 15 acres was finally agreed upon.

All demanded the revocation of the permission of the use of .22's, and this measure was approved.

Attorney Gene Schmelz asked that the revocation authority be specifically granted the chief of police in regards to the permits. This also was included.

Councilman Gunnar Mettala asked that specific clarification points be included to indicate that all firearms other than shotguns be prohibited. This was done by adding "as defined by statute" following "The use or discharge of any and all firearms" and preceding "within the City of Wixom is hereby prohibited..." and by adding "only" following "except that shotguns".

McCollum was next up and approached the situation from a pharmacist's point of view. He stressed that a druggist can do little without police help, but that the profession does all it can to stop sales of narcotic-containing drugs and to carefully check out all prescriptions for forgeries.

Two factors in stopping drug traffic McCollum urged were to stop the pusher and source gaining better insights into the local situation and their role in combating it.

Rev. Warren discussed the church's role and that of parents. He pointed out reasons why youth turn to drugs and alcohol - rebellion (often due to parental insincerity, especially in religion), "turning in" (adventure, escape), release from problems, feelings of inadequacy, an attempt to belong, to develop a "total person" - all superficial answers to the real problem, a missing element in their home life.

"Jesus Christ is the answer, not religion," stressed Rev. Warren in closing.

Questions flew as the meeting was thrown open to the audience before the session-ending film, "Drugs and the Nervous System" was shown. Most questions were fielded by the expert panel, and the audience gained better insights into the local situation and their role in combating it.

Court Test, Set on City

Novi City officials still await word from Attorney General Frank Kelly's office on the status of Novi Township and its officers.

This was the week Tuesday from City Attorney Howard Bond who informed the Novi News that the city awaits an answer to City Manager Harold Ackley's letter to the attorney general concerning clarification of this status. Ackley sent the letter last Tuesday following approval in Monday's council meeting.

Bond also stated that Township Attorney Emory Jackson's application for leave to file quo warranto action to test the validity of Novi's incorporation into a city will be set for later this month. Normally in such matters, judges only allow 15 to 20 minute arguments from contesting attorneys. However, in this matter Bond has requested the opportunity to submit a full and complete argument.

Oakland County Circuit Court Judge Frederick Zim, who is to hear the arguments, said that they would have to be set over to later in the month if they are to be full and complete. Bond requested this be done specifically to present evidence that the prior case of Novi Township vs. the Village of Novi was a harassment proceeding and that the present motion will, in all probability, follow a similar course.

Exponent of American System

Town Hall to Hear McFarland

Dr. Kenneth McFarland has become recognized as the nation's "most eloquent and effective exponent of what is commonly known as the American System" through his outstanding guest appearances throughout the country.

DR. KENNETH MCFARLAND

D. Hill, local attorney and world traveler.

To his personal concept of basic Americanism Dr. McFarland has given the label of "progressive conservatism."

He wants to conserve constitutional government, to conserve free competitive enterprise and to conserve individual freedom under both."

A nation-wide survey showed that Dr. McFarland is literally America's foremost public speaker. He was rated first in each general section of the country as well as amassing the highest total score.

He received his bachelor's degree from Pittsburgh State Teacher's College, Kansas; his master's degree at Columbia University, New York; and his doctorate at Stanford University, Palo Alto, California.

He is guest lecturer for General Motors Corporation, and he serves in similar capacity for the American Trucking Association, Washington, D. C.

Birthdays Total 177 Years

Family celebrations this Sunday will mark the birthdays of two lifelong area residents who will be celebrating a combined total of 177 years.

Mrs. Pearl Miller of 113 West Street actually will become 90 years old on St. Patrick's Day but will be honored at an open house from 2 to 4 p.m. given Sunday by her three grandchildren.

Charles Lute of 19250 Newburgh Road, Livonia, will be 87 years old Sunday and is to celebrate with seven of his nine children and their families.

Mr. Lute, whose family feels he is "remarkably alert," indicated he did not intend to slow down as he applied for the renewal of his driver's license this week.

Three daughters will be on hand also with their families, Mrs. George Van Helemont and Mrs. Othal Baggett, both of Northville, and Mrs. Wesley Sanders of Livonia.

She adds that her father intends to keep his own home with the aid of a housekeeper. He was born in Livonia near Six Mile and Farmington Roads. He married the former Bertha Christ, who died 14 years ago.

Mr. Lute, she says, enjoys recalling Michigan's early days when a street car ran to Northville, which then had only a few stores.

Helping with the celebration Sunday at his home will be Mr. Lute's sons, Homer, William and Donald, all of Livonia, and Thomas, of Plymouth, and their families. Another son, Wilbur, lives in Tampa, Florida.

Three daughters will be on hand also with their families, Mrs. George Van Helemont and Mrs. Othal Baggett, both of Northville, and Mrs. Wesley Sanders of Livonia. Another daughter, Mrs. Frank Caldwell, lives in Idaho. There also are 20 grandchildren and 2 great-grandchildren.

Mrs. Pearl Miller will be greeted by 30 to 40 close friends at an open house being given by her two grandsons, Ernest E. and Harry J. Miller, both of Livonia, and her granddaughter, Mrs. William Stinton of Plymouth, and their families, at her home.

They are children of her late son, Wendell S. Miller, whose widow is a resident of Plymouth. She is returning from a vacation in Hawaii in time for the party.

Also attending will be Mrs. Miller's 11 great-grandchildren. Mrs. Miller's late husband, Ernest

other American on this country's domestic airlines.

Dr. McFarland declares that America is the land that "literally dumps the horns of plenty on the common man," but he goes on to point out that "the system is fool-proof; it is not self-operating."

Dr. McFarland will answer questions from the celebrity luncheon audience afterward at the Mayflower meeting house. Deadline for luncheon reservations is Friday with reservations and checks for \$4 to be mailed to Northville Town Hall, Box 93.

By JEAN DAY

A MID-DAY open air flea market is being planned by Our Lady's League of Our Lady of Victory Church. Booths will be set up in the church yard for the market to be held from 10 a.m. to 6 p.m. Saturday, May 17.

While the new-moon date should insure fair skies, the committee has set a rain date for the following Saturday, May 24—"just in case." Refreshments and baby sitting services will be available.

Everyone in the community—dealers, clubs and individuals—is invited to set up a booth—at the market. Rental is \$5 with arrangements to be made with Mrs. Jean Conley, 349-2368, or Mrs. Marilyn Ehrenerich, 349-4996.

Mrs. Wright emphasizes that anyone attending the Overture presentation also is invited to purchase a ticket for the Overture (\$1.50 for students) and \$5 for Afterglow.

Mrs. Ernest Shave, local committee chairman, has just received word that a few tickets still are available for each of the seven operas to be presented by the Metropolitan Opera Company May 26-31 in the Masonic Temple. Anyone interested is asked to call her, 349-0606.

TOWN HALL Speaker Dr. Kenneth McFarland tells how to "Sell America" next Thursday at 11 a.m. in the high school auditorium. His hostesses at the celebrity luncheon to follow in the Mayflower Meeting House, Plymouth, will be chairman of the Town Hall committees, headed by Mrs. Robert Coolman.

EVEN IN THE Alps, in the famed-for-its-Passion Plays village of Oberammergau, last summer the Reverend Lloyd Brasure found "true Christian sympathy" for the problems of Detroit during the riot days.

As he reviewed Anton Lang's book, "Reminiscences," on a World Day of Prayer program for Northville Woman's Club last Friday afternoon, Reverend Brasure recalled his conversation of last summer with the widow of the author. Even though she was 88 years old, she remained keenly aware of such world situations, he said.

She also expressed concern and hope that the world would have some feeling for the "divine service" that is the passion play to be produced again in 1970. It was her husband who portrayed Christ three times during three decades in the famed plays. The book, translated from German by his son, is of his personal reminiscences.

The excerpts "from the life of the man who portrayed the life of The Man," which Mr. Brasure cited, indicated those taking roles "strive to follow in the footsteps of those being portrayed."

Major events are being planned by the active League of OLV for March, April and May. League President Mrs. W. P. McDermott and her committees have scheduled the annual spring dance for April 19 at Roma Hall.

"Vogue Caprice," a spring showing of fashions by Harvi's Suburban Casuals, spring coiffures by Rene and spring make-up by Fashion Two-Twenty, will be presented by the League at 7:30 p.m. next Tuesday at the church.

A steady demand for tickets, the committee felt Tuesday, almost insures a capacity crowd of 500. Co-chairman with Mrs. Denis Schwarz, who has just returned from a Florida visit, is Mrs. Jim Bishop.

OVERTURE to Opera also is among next week's special events. Northville's Detroit Grand Opera Association committee, which is sponsoring Overture in Northville for the second season, next Saturday, March 22, at 8 p.m. in the high school auditorium, reports that ticket sales have been steady—both for Overture and the Afterglow to follow at Meadowbrook Country Club.

Committee Member Mrs. Harold Wright received a note this week from Mrs. Ernest A. Jones of Bloomfield Hills, general chairman of the 1969 Metropolitan season in Detroit, indicating that she and her husband will attend the Northville performance and the afterglow. (He is chairman of the

E. Miller, who died during the depression years, was associated with the early Lapham State Savings Bank in Northville.

She was a member of the Simmons family, one of the oldest in Northville with her family home being located on Wing and Main Streets, site of the present Gulf station. She was born in a Northville home on Eight Mile Road and has lived in her present home for 37 years. Her affiliations include membership at Northville United Methodist Church.

Celebrants Enjoy Hawaii

Mr. and Mrs. Andrew Orphan of Northville are celebrating their 25th wedding anniversary on March 11 with a vacation holiday in Hawaii.

Married on March 11, 1944 in the First Methodist Church of Northville, the Orphans spent two days in San Francisco before flying on to the islands for their first trip to the 50th State.

Their two sons, Dale, a junior at Northville High School, and David, a junior at the University of Michigan, remained behind.

The Reverend Leslie Williams, pastor at the church 25 years ago, performed the wedding ceremony.

Orphan, employed by the Bell Telephone Company, is the treasurer of the Northville Board of Education. He is past president of the South Lyon Kiwanis Club.

Historical Society To See Slide Film

A special slide film "on an interesting aspect" of Michigan history will highlight the monthly meeting of the Northville Historical Society next week Tuesday evening.

The 8 p.m. meeting will be held in the basement meeting room of the Detroit Federal Savings & Loan Association, northeast corner of Dunlap and Wing Streets.

Program chairman for the evening is Francis Gazlay, a charter member of the Society.

Preparations for next month's special program, featuring Gwen Frostig, Michigan's nationally prominent naturalist artist, will be discussed. Chairman of the April program is Mrs. Hurd Sutherland.

Officials also are making plans for a Michigan Week program in May and participation in the Our Lady of Victory Flea Market scheduled for May 17.

All meetings of the Society, which encourages participation by high school students as well as the community's adults, are open to the public.

Easter Bunny Lunch Scheduled in Novi

"Lunch with the Easter Bunny" is one of two Easter-season events again being sponsored by the Novi Jaycee Auxiliary. Second event will be a related poster contest.

The luncheon will be held in the Novi Junior-Senior High cafeteria at 11:30 a.m. Saturday, March 29. The bunny will visit with children during lunch. Afterward there is to be a program of entertainment.

Admission will be 65 cents with all proceeds to go to the Michigan Association for Emotionally Disturbed Children's Placement Fund. Children under five years old must be accompanied by an adult. Everyone must have a ticket to attend. They may be purchased from any Jaycee Auxiliary member or by calling area numbers listed below: Willowbrook No. 2, 474-2122; Willowbrook No. 3, 476-6191; Novi elementary area, 349-4329; Orchard Hills area, 349-9967; and Northville area, 349-0675.

Orientation Past Matrons Club, will meet at 12:30 p.m. Wednesday, March 19, at the home of Mrs. Claude Ely, 502 Gardner Avenue.

Michigan's court system will be discussed by Mrs. James Atkinson, second vice-president of the Michigan League of Women Voters, at a meeting of the provisional LWV of Northville-Plymouth area at 8 p.m. today in the Waterman Campus Center at Schoolcraft College.

Mrs. Atkinson was the League's state chairman of the court study and will talk specifically on courts as they relate to children and juveniles. Guests are welcome.

Announcement was made at the March meeting of the Women's Association of the Goodwill Industries that \$140,165 was paid in wages to Goodwill employees last year under an annual contract with Detroit Edison Company for the repair of small electrical appliances and equipment.

The trip will be made by train with the girls staying at a hotel in downtown Lansing.

Prior to this trip the troop has taken a walking tour of Northville and its surrounding areas and has done research on the community's past. The Scouts also took a bus trip to downtown Detroit for a walking tour there. Last November several troop members flew to Boston and toured its historic landmarks.

Mrs. Elich is the former Judy Dye, daughter of the Reverend and Mrs. Rex L. Dye, 23421 Novi Road.

HAPPY BIRTHDAY - Hundreds of Northville Girl Scouts turned out Saturday at the Community Building for the annual birthday celebration - marking the 57th anniversary of Girl Scouting. After an afternoon of skits and songs, the Colors were retired (above) and girls quickly lined up for refreshments (below).

Tour Climaxes Scout Program

A tour of Lansing next Tuesday and Wednesday will culminate the Girl Scout Heritage Program which Northville's Senior Girl Scout Troop 222 has been working on for several months.

On the tour of the state capital the Girl Scouts plan to "sit in" on a legislative session and meet area representatives. They also plan to take a walking tour of the Michigan State University campus and visit a sorority house.

The trip will be made by train with the girls staying at a hotel in downtown Lansing.

Prior to this trip the troop has taken a walking tour of Northville and its surrounding areas and has done research on the community's past. A warm thank you to everyone for the many memories during my stay in the hospital and since my return home. My wife, Gerry, and I.

2-In Memoriam

In loving memory of our dad and husband Louis A. Lansing who passed away four years ago this month. Those whom we love go out of spirit. But never out of mind. They are cherished in the hearts of those that have been left behind. Loving and kind in all his ways. Upright and just to the end of his days. Sincere and true in heart and mind. Beautiful memories to be left behind. Sadly missed by his wife, two sons and four daughters.

Mustangs' Late Start Spells District Disaster

Northville's varsity quintet waited too long to shift gears here Thursday night and as a result found itself on the losing end of a race to the wire that smashed its district tournament hopes.

Taking advantage of the Mustangs' late start, the Trojans of Clarenceville managed to clinch a two-point, 57-55 victory over the Mustangs before losing to Riverside in the district finale Friday night.

Riverside wrapped up the district crown by defeating Churchill 99-67 Tuesday, edging Lutheran West 75-71 Thursday, and then streaking past Clarenceville Friday, 65-54.

Northville tuned up its motor with an 80-74 triumph over Annapolis in the district opener but just failed to open the throttle against the Trojans. The Mustangs scored fewer points in the first two quarters than they scored in one quarter in the league finale at Waterford.

Clarenceville led 15-13 at the end of the first quarter, stretched its lead to 29-22 at the intermission, and then coasted in the final two quarters to barely win in the closing minutes.

Down by nine points in the third quarter, Northville battled frantically to overtake Clarenceville, hacking away at its opponent's lead until the score was finally tied, 51-51 with 1:27 to play in the final stanza.

Twenty-seven seconds later, Clarenceville's Bob Ridling fired a two-point to recapture the lead only to lose it again when Stan Nirider stole the ball and flipped in a two-pointer. Then with the score knotted at 53 and 12 seconds to play, Ron LaMontagne went to the free throw line and methodically flipped in both shots.

With time running out, Northville took momentary control before losing it on a fumble and committing a foul in the process. Kerry Rifkin potted both

shots and Clarenceville led by four, 57-53.

Then with four seconds to go and the victory in the bag, Clarenceville's cagers rested on the sidelines and allowed Northville an unmoistened crack at the basket to avert any chance of a foul.

In the final analysis, Clarenceville copped its victory at the free throw line. The Trojans covered 15 of their 23 shots, while the Mustangs potted 13 of 19. And the big edge at the charity line came in the first quarter when Clarenceville picked up seven of its 15 points on free throws.

Both teams flipped in a like number of field goals - 21.

High-point scorer for Northville was Jeff Taylor, who fired 19 points. Ron Hubbard and Stan Nirider tied at 8 apiece, and big Kerry Cushion, moved up from the junior varsity ranks, played three quarters of ball and scored seven points.

Ridling took game scoring laurels with 21 points.

In its opening round against Annapolis of Dearborn Heights, Northville led 22-19 at the end of the first quarter, slipped behind, 37-36 at the half, and came back to lead 57-49 at the three-quarter mark.

Annapolis outscored the Mustangs at the free throw line, picking up 26 points in 39 attempts while Northville went 12 for 24. In field goals, the Mustangs had the edge, 34 to 29.

Taylor was the leading scorer with 24, followed by Hubbard with 22.

Clarenceville and Lutheran West drew bytes in the first round, thus automatically advanced to the semi-finals Thursday.

Hubbard Named To Top W-O Team

Ron Hubbard, one of a brace of juniors named, is Northville's "dream team" representative on the Wayne-Oakland All-Conference squad selected Monday night.

Stan Nirider and Jeff Taylor are the Mustangs named to Honorable Mention.

In addition to Hubbard and Souther, Seniors Dave Karlson and Steve Westjohn of West Bloomfield's league champs and Milford's Doug Powers make up the first team.

The second squad is made up of five seniors with Clarkson leading the nominations with a pair, Eric Hood and Chuck Granger. Andover's Tim Weddle joins Clarenceville's Dave Brandenhil and Dave Powell of Waterford Kettering on the runnerup unit.

Twelve players received votes and gained honorable mention including Nirider and Taylor. Only two juniors made this list, so there are 18 seniors and four juniors honored this year.

CHAMPION COLTS - They won no title but Northville's junior varsity basketball squad is a champion in anyone's book. The Colts, under Coach Omar Harrison, went undefeated this past season in winning 17 games. Harrison is flanked here by Bernie Bach (1) and Kerry Cushing, co-captains. Other players and the managers (1 to r) are Paul Condon, Rex Balko, Rick Pickren, Steve Uitley, Todd Hanner, Jim Darnell, Curt Sauer, Linwood Snow, Dave Martin, Wayne Knotts and Mick Katzbeck. Missing players are Rick Sechler and Kurt Suckow. To show their appreciation, members of the squad Friday presented an engraved plaque to their coach, who holds it here.

Thrills Scheduled On Full Stomach

Northville fans will be enjoying an action-filled series of basketball games tomorrow night on a full stomach.

That's because the Northville Boosters Club will kick off its family night program with a pancake supper, beginning at 5 p.m. in the high school cafeteria.

Basketball - featuring a hardwood sizzler between one of the state's top men's recreation league squads and a Northville faculty quintet - will get underway at 6:30 p.m. in the high school gymnasium with the first round of action between teams in Northville's boys' recreation league.

"If you can't get there early," NBC officials emphasize, "don't worry - we'll be serving up those pancakes until 8 p.m."

Here's a schedule of play between the boys' teams, sponsored by the Northville Optimist Club:

Stone's Battles For State Crown

Eleven Northville cagers were to tangle with the defending state champions Tuesday at Highland Park in quest of the 1969 state recreation league title.

Representing the Plymouth recreation league, the Northville squad advanced to the second-round Sunday by knocking off Dearborn, 69-57, after clinching the Plymouth league championship last week Wednesday with a razor thin, 66-62 triumph over the Plymouth Wolverines.

Tuesday's game was expected to be the "most important" of the championship round as the powerful Stone's squad battles undefeated Pontiac - the 1968 state champion quintet.

Pontiac, which has won 16 straight games this year after wrapping up the state championship last year with a 18-1 record, advanced to the second round by defeating East Detroit Sunday.

Winner of Tuesday's contest was to battle one of four other squads - Dearborn Heights, Inster, Livonia or Waterford - on Wednesday for the state championship.

Armchair Athletes Get Tourney Bid

Calling all armchair and would-be athletes... men and women.

How about working off some of that excess weight accumulated during a winter of inactivity?

Here's your big chance for exercise and fun, too.

Enter The Northville Record-Recreation Department sponsored Volleyball Tournament.

It's open to all men and women of the Northville-Nowi area and gets underway with women's play on March 25, Men's on March 27 with finals scheduled for Thursday, April 3. Games will be played at the Cooke Junior High School gym.

You don't have to belong to an organized team to enter. Call up your friends, form a team. There's six players on a team and two substitutes will be allowed. Rules for play will be from the Michigan Parks and Recreation Association.

Trophies will be presented to the eight members of the winning men's and women's teams with medals for the runner-up teams.

A team entry fee of \$3 will be charged and deadline for entering is Saturday, March 22.

A single-game elimination tourney will be held the first night with the finals on April 3 being the best two out of three competition.

Use the coupon above and send your entry fee and team roster to the Northville Recreation Department, City Hall, Northville, 48167. If you have any questions, call Recreation Director Bob Prom, 349-2287.

Wolverine Opens On St. Pat's Day

They're calling upon the Luck Of The Irish out at Wolverine Harness Raceway to keep the snow away when the track opens Monday night (March 17).

That's St. Patrick's Day, of course. Last year, the Detroit Race Course was the scene of a blustering blizzard on opening night (March 22). By the second day, the entire State was covered with more than eight inches of snow and the wind continued to blow. The races went on, however, but with the expected result that attendance and wagering were way down.

So Orlov G. Owen of Northville, from County Armagh in Ireland, is reported already to be wearing the Luck Of The Irish with good positive talk: "Sure! begorra, it'll be very fine weather on opening night".

Registration Time in Novi
Novi little leaguers will register next Thursday (March 20) from 7 to 9 p.m. at the Novi High School Cafeteria.

Registration forms were passed out in the schools Monday. Those registering will be accompanied by a parent or guardian.

Nearly 300 boys are expected to enroll in the expanded program, so about 20 teams will result, causing four divisions to be set up (teams will play interdivisional games).

An expanded program is also expected in the junior (minor league) division for eight and nine year olds.

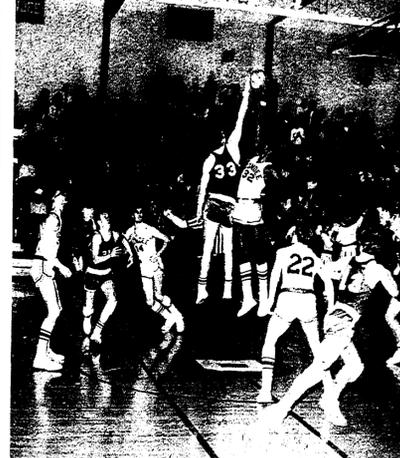

All help will be appreciated, officials emphasized.

Swimming Gets Scout Boost
Response was so great for the second series of Saturday morning Girl Scout swimming lessons at the Northville High School pool, which began March 1, that the program has been divided into two one-hour sessions, Mrs. Claude Boring, chairman, announced last Saturday.

Beginning this Saturday intermediate Girl Scout swimmers will swim from 10 to 11 a.m. Beginners and advanced swimmers will meet from 11 a.m. to noon. No more enrollments for the series can be taken, Mrs. Boring said, as almost 80 girls are participating, half in each session. The double session has been arranged, she said, to provide adequate individual instruction.

There will be no Saturday swimming April 5 or 12, due to spring vacation, but 10 lessons will be provided, concluding May 17.

TOURNEY ACTION - Plenty of action highlighted Novi's attempt to upset host Dundee in the district tournament game Thursday, but the efforts of players and cheerleaders alike were thwarted as the Vikings rambled to an impressive victory which they promptly followed up on Saturday by defeating Ida to go on into regional play this week.

Dundee Vikings Dump Wildcats In District, 85-59

Novi Class "C" tournament basketball hopes were dashed early Thursday night at Dundee.

Dundee's Vikings, the host club, scored early and often in ending the Wildcats' season. Novi finished at 8-10, which is certainly not a bad showing for a school which is boosting its first senior class ever.

Dundee did not miss a free throw until the second period and dominated the ball game. The Vikings poured through the Wildcat defense like water through a sieve as they racked up 23 first quarter points to just 13 for Novi.

The remainder of the game went the same way as the hosts outscored the Cats in every period. Dundee led 48-30 at the half, 63-42 at the three-quarter mark, and ended the game at 85-59.

Seniors Dominate Novi Cage Stats

Several seniors dominated Novi's basketball statistics just as they dominated playing time in the school's first year with a graduating class.

Six of the squad's top eight scorers - including the first five - were seniors. Only non-senior representatives in the top eight were Sophomore Tom Boyer with 57 points and Junior Rick Dale with 44.

Scoring was topped by Jon VanWagner with 105 field goals and 85 of 136 free throw attempts for 295 points. He closes his three-year varsity stay with 737 points for far outdistances his nearest scoring competitor, Lee Snow, who contributed 471 points. Gary Boyer was third in the three-year race with 395.

Snow was second high for the season with 182 field goals and 41 of 60 free throws (his 68 per cent was second to Don Maki's 42 of 61 for 69 per cent in this area) for a total of 179 points.

Gary Boyer had 49 field goals to 46 for Dave Bingham, but Dave was second in total free throws with 58 to finish third in scoring at 150 points. Gary had 146. The remaining regular, Maki, scored 96 points, while Ken Osborn rounded out the top eight scorers with 46.

Top three rebounders for the Wildcats were VanWagner with 106 (second to Bingham on offense 39-38 and to Snow on defense 72-68), Snow with 103 and Bingham with 90.

Gary Boyer was team seuer in steals and interceptions with 16 of each, but he also led in bad passes with 41. In other negative departments, Bingham led in violations, personal fouls and held balls, while VanWagner led in fumbles.

Novi's first senior class included eight basketball players who saw final action in the district loss at Dundee. These included Van Wagner, Snow, Bingham, Gary Boyer, Maki, Osborn,

OBITUARIES

LEWIS F. WELLS
Funeral services were held Saturday for Lewis F. Wells, 73, of Livonia, a lifetime resident of the area and a retired Ford Motor Company employee, who died March 6 at Botsford General Hospital after an illness of two years.

The Reverend Headley Thwait of Plymouth Main Street Baptist Church officiated at services at Casterline Funeral Home. Interment was in Glen Eden Cemetery, Livonia.

Mr. Wells was born October 18, 1894, in Sumpter Township, Michigan, to Joseph and Louise (Guppelle) Wells. He is survived by his wife, May; two daughters, Mrs. Louise Warford, Farmington, and Mrs. Virginia Celecki, Warren; two sons, Donald and Robert, both of Plymouth.

He also leaves six brothers and six sisters: Frank, Novi; Peter, Livonia; Edward and John, Detroit; Archer, Plymouth; Joseph, Flat Rock; Mrs. Susan Alger, Northville; Mrs. Josie Tarrow and Mrs. Louise Long, Livonia; Mrs. Marie Wilson, Rochester, New York; Mrs. Jennette Vasher and Mrs. Annette Whidmaier. There are 18 grandchildren, 12 great-grandchildren, 6 step-grandchildren and 12 step-great grandchildren.

HELEN C. LEMON
Helen C. (Mrs. William D.) Lemon, 61, of 9536 Seven Mile Road died suddenly Tuesday at Ridgewood Osteopathic Hospital in Ypsilanti. Born January 22, 1908 in Peru,

Indiana, to Omar and Dora (Davison) Edmister. Mrs. Lemon was office manager and a member of the board of directors of R & B Tool and Gauge Company of Brighton.

The 20-year resident of this area is survived by her husband, two sons William D. Jr. and Robert and a daughter Mrs. Patricia Ann Schuchard all of Northville, seven grandchildren and a niece.

Rev. Ivan Speight of Salem Bible Church will officiate at the funeral at Casterline Funeral Home 10 a.m. today (Thursday). Burial will be in Salem-Walker Cemetery in Salem.

FRANCES E. KELSEY
Miss Frances E. Kelsey, 62, of 735 Horton Street died suddenly Sunday at St. Joseph Hospital in Ann Arbor.

Miss Kelsey, the bookkeeper at the Bel-Nor Restaurant, came to Northville 12 years ago. She was born December 31, 1906 in Van Wert, Ohio, to Willard and Lucy (Miller) Kelsey.

Two brothers, Forrest Buffenbarger of Decatur, Indiana, and Harvey Buffenbarger of Sidney, Ohio, and a sister Mrs. John Bosche of Fort Wayne, Indiana survive in addition to two nephews and a niece. One sister preceded Miss Kelsey in death.

Rev. Guenther Branstner of the First United Methodist Church officiated at the funeral at 1 p.m. yesterday at Casterline Funeral Home. Burial was in Washtenong Memorial Park in Ann Arbor.

EDUCATION CORPS — Pam MacDonald, daughter of Mr. and Mrs. Archie MacDonald of 47010 Dunsany, and a member of Michigan State University's Student Education Corps, instructs a pupil in basic educational skills. The program, instituted in 1965, is designed to permit MSU students to immediately utilize knowledge and special skills they possess. MSU students volunteer, and receive no monetary rewards. Miss MacDonald is a junior majoring in elementary education at MSU.

On Fr. Fricke's Demand Bishop Denounces Anti-War Priests

Disclosure that two Detroit Episcopal priests have been harboring draft dodgers and AWOL soldiers, prompted the Reverend Fr. Jack Fricke of Novi to demand a position statement by the Michigan Episcopal bishop Tuesday.

Father Fricke, pastor of the Holy Cross Episcopal Church on 10 Mile Road, said the bishop, Rt. Reverend Richard S. Errico, immediately denounced the action of the Detroit priests upon receiving his (Fr. Fricke's) demand.

"I'm not totally satisfied with his statement," said Fr. Fricke, "but at least he went on record as opposing their actions."

Father Fricke said members of his parish, disturbed by the actions of the two Detroit priests, had kept his telephone buzzing Tuesday morning after a Detroit daily newspaper disclosed the anti-war actions of the two priests.

The Novi Episcopal priest said the bishop gave him the following statement, reading in part: "The Bishop of the Episcopal Diocese of Michigan totally disapproves of the action of the Rector of St. Joseph Episcopal Church (Detroit). The Diocese has no control over such action. It is at this point up to the vestry of St. Joseph Church to carry out any further actions."

The professional staff consisted of a full time priest director, an assistant part-time chaplain, a full time assistant director and a full time secretary.

Attempts were made in 1936 and 1937 to organize a Big Brother Movement but they failed to materialize.

During the 20 years that Father Wittstock worked as juvenile court chaplain and director of the Big Brothers, he personally visited 15,987 homes of the boys and girls who had

volunteer workers in the CYO program. Father Wittstock will receive his award for contributions from 1936 to 1956.

In 1936 Father Wittstock became a CYO chaplain, and two years later he founded the Big Brother Organization within the Catholic Church. The men who were the nucleus of the movement were third order members of Duns Scotus. From this nucleus of about seven men, the Big Brothers flourished to about 80 volunteers in the space of a few years.

Father Wittstock also became the first Catholic chaplain for Girl Scouts and Camp Fire Girls in the Archdiocese. He helped organize the first board of Catholic Women in Girl Scouting and Camp Fire Girls. During his chaplaincy in these two organizations there was a fantastic growth in the number of volunteer leaders as well as troops of girls.

In less than 15 years the number of troops jumped from 47 to 450 troops under Catholic auspices.

In 1943, Father Wittstock and Ed Crowe, secretary of the CYO collaborated in organizing the Pre-Cana marriage program in the Archdiocese. Father Wittstock organized the seven other priests who conducted the classes of the Courtship and Marriage Course given to 1,850 youths 18 years of age and over in eight different centers of the Archdiocese to prepare them for either proximate or remote marriage.

Each year for several years this course was given to hundreds of youths until such time as the Family Bureau of the Archdiocese sponsored the program.

Other damage occurred at the Downs where a car owned by Nelson M. Hyatt and later reported by him to have been stolen at about the time of occurrence, bent a rail, a supporting post and a light pole in a wild gambol about the track.

Hyatt, of 21482 Summerside Lane, reported he had parked his car at Cal's Golf with the keys in it at about 10:30 p.m. Thursday and found it missing when he returned for it at about midnight. When he went to Northville police to report it missing, it was sitting in the police lot where it had been taken following the escape at the Downs. The case is under investigation.

Two men paid fines in District Court after being arrested by other departments who learned of open warrants for the men held by Northville police.

One of the men, Daniel J. Pene of Fremont, was picked up Thursday by Novi police and released to Northville. Appearing Friday before Judge Dunbar Davis, Pene pleaded guilty to the defective equipment violation and paid \$38 in fine and fee.

Morris J. Steshetz, 19, of Belleville was picked up by the Wayne County Sheriff's Patrol and was brought before Judge Davis Saturday. He was found guilty of improper plates and no registration on his person and on two Michigan State Police tickets and paid a total of \$92 in fines and judgment fees in lieu of five days in jail.

OLV Priest Rev. Wittstock to Receive Award for Youth Work

The Reverend Father John J. Wittstock, pastor of Our Lady of Victory Church, will take the spotlight in Detroit Sunday when he is honored for his contribution to the welfare of youth in Wayne County.

The Northville priest will receive the Monsignor Markey Award medal during an awards dinner program of the Catholic Youth Organization of the Archdiocese of Detroit. The program will get underway at 5 p.m. in the Mercy College Student Center Building.

Making the award presentation will be the Archbishop Dardar.

Two other awards are to be presented, including the Joseph Glaser Award given to a CYO board member who has contributed his time and talents to the CYO program for years, and the Ed Crowe Award given to

materialize.

During the 20 years that Father Wittstock worked as juvenile court chaplain and director of the Big Brothers, he personally visited 15,987 homes of the boys and girls who had

Vandals Hit Northville

Destruction of property highlighted Northville police cases this past week.

BB gun destruction of five automobile windshields at G.E. Miller Sales and Service, 127 Hutton street, resulted in over \$500 damage.

The vandalism occurred sometime between 4 p.m. March 1 and 9 a.m. March 3 (over the weekend) and is under investigation. Cars damaged were all sitting in the front line of used cars facing Hutton and East Dunlap Streets.

A window was broken at Eastlawn Convalescent Home by a group of marauding youths Friday evening.

Other damage occurred at the Downs where a car owned by Nelson M. Hyatt and later reported by him to have been stolen at about the time of occurrence, bent a rail, a supporting post and a light pole in a wild gambol about the track.

Hyatt, of 21482 Summerside Lane, reported he had parked his car at Cal's Golf with the keys in it at about 10:30 p.m. Thursday and found it missing when he returned for it at about midnight. Cavern to Lease Old JH Rooms

A lease for use of the basement of the old Northville junior high school building by The Cavern teen club is in the works.

The board of education Monday night gave the green light to such a lease, with instructions to Superintendent Raymond Spear to work out the details.

In a related action, the board cancelled the lease of the club for use of the cafeteria side of the community building as a clubroom and extended the lease of the gymnasium side to

Schoolcraft College for another year. Decision to cancel the Cavern's current lease and grant it permission to use the junior high basement instead was based on the school's plans to convert part of the community building into administrative offices. Present administrative offices are to move from the upstairs in the old junior high to make room for classrooms that are to be reactivated next fall.

Use of the basement of the junior high for administrative offices has been ruled out because of inadequate room. The Schoolcraft lease is to extend

to April 30, 1970, while the Cavern lease is expected to cover the next two years.

Superintendent Raymond Spear presented a proposed future use plan for use of the community building to the board during Monday's meeting. He predicted that the school could make full use of the entire building by 1975.

In other action Monday, the board of education approved the resignation of Dr. Carolyn Pratt, granted a leave of absence to Mrs. Janice Hobart (she and her husband are adopting a child), and ratified the hiring of two teachers —

Mrs. Betty Knapp and Mrs. Sandra Craig — on a half-time basis to fill the board met in executive session to discuss the possibility of a revision of a student dress code. It was decided informally to maintain the present policy.

The program to help college-interested students before they reach their senior year was originated at the high school last year. It is sponsored by Mrs. Violet Bradford, Mrs. Alta Olson and Miss Julia Holmes of the counseling department.

Discussion topics will include: How to choose a college; the financial picture — costs and financial aids available; information on selecting, applying and visiting campuses; and various admission requirements.

A general question and answer period is to follow. Miss Carolyn Campbell is in charge of refreshments which will be served. Miss. Doneta Horst, from Eastern Michigan University is in charge of publicity.

WAS JESUS A HIPPIE?

Was Jesus a Hippie? Not a chance! Jesus Christ never had the sinful human nature that is expressing itself in the hippies. Jesus was God in the flesh. He never sinned, nor could He sin. He was far from being a degenerate hippie. There just was not anything in the nature of Jesus Christ to make Him so morally low as some of our modern human race both in and out of the Hippie movement. "Let no man say when he is tempted, I am tempted to God; for God cannot be tempted with evil, neither tempteth he any man." James 1:13.

The pad, the pot, and the perversion

The pad, the pot, and the perversion are all part of the Hippie movement. God instituted the home... not the pad! He provided the Holy Spirit for filling, guiding, instructing, and comforting... not the pot! Jesus provided real love, real peace, real brotherhood, real meaning in life... not a perversion!

Instead, He gave Himself to save

Instead, He gave Himself to save every sinner place of judgment when He died on the cross. He placed Himself before the wrath of God against society. "For he (God) hath made him (Jesus), who knew no sin, to be sin for us, that we might be made the righteousness of God in him." II Cor. 5:21.

There is nothing in the Hippie

There is nothing in the Hippie movement to save a lost world. But there is everything in Christ to save a lost hippie, and make him a Christian.

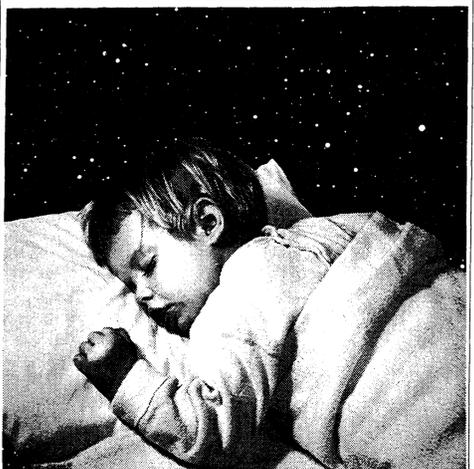

Campaign Begins To Wipe Out Debt

A "Three Year Mortgage Burning Campaign" is underway at the First United Presbyterian Church in South Lyon this week. Dr. and Mrs. W. D. Miller from the National Mission Board of the United Presbyterian Church are providing the leadership for this second financial campaign of the South Lyon Church. Completed in the spring of 1967, the new Christian education addition at the Presbyterian Church includes 12 classrooms, a pastor's study, library, crib room and bathroom facilities. It was constructed at a total cost of \$172,000.

Three years ago the South Lyon Presbyterians conducted a very successful fund raising drive with \$84,000 received in cash and pledges. They are now striving for another approximately \$90,000 in order to hold a mortgage burning in April, 1972. Dr. Miller the present leader has traveled widely in America during the past several years assisting churches with financial campaigns. He has recently been chosen to head the National Campaign Department of the National Mission Board.

spiritually," commented the Rev. N. A. Riedel, pastor of the church.

Robert Brigham is the local chairman for the campaign. Members of the campaign committee are: Peter Hansen, Lloyd Stephens, Clifford Page, Charlotte Thorne, Carroll Tietz, Mrs. Charlotte Martin and Mrs. Barbara Clark. Telephone captains are: Marilyn Birkelbaw, Marguerite Curtis, Barbara Doane, Ava Goff, Linda Hansen, Dorothy Tennant, Gaylon Clark, Joe Augustine, and Calvin Kern. Many other people are assisting in the fund drive, according to Brigham. He said 43 persons will make calls from 2 to 5:30 p.m. Sunday, March 16, asking for pledges for the "mortgage burning" campaign.

Sleep in Heavenly Peace

Peace is a baby sleeping. Peace is a walk in God's forests. Peace is gentle love for one another.

Great word... Peace! We see it in the newspapers, on T.V., in magazines beside horror pictures of war and carnage. But, Peace is not something outside ourselves. It is within. It is the quiet calmness of mind and soul, unperturbed, undismayed.

But it is difficult to acquire this frame of mind, this elusive state of soul, this tranquil spirit.

To achieve it we need guidance and help, and therefore we turn to our Church. Here, one sets problems in order, sees difficulties in perspective and consults with one's Creator. Peace of heart is a two-way street—our way to God, and His way to us.

Flint's \$ Squeeze Answer-Houses for Classrooms

The one-room schoolhouse of yesterday has reappeared on the Michigan scene as a 20th century solution to school building costs. With ranch-house type architecture and a variety of colors ranging from state blue or tan to traditional red the schoolhouses have become a part of primary-level education for many districts.

Located in the midst of homes in residential communities they have been used most extensively in Flint.

Unlike as it seems at first, the one-room teaching facilities for kindergarten through third grade classes are a welcome cost-cutting to the system. So popular has the "ranch home solution" for growing subdivisions become since it was tried in 1955-54 in Flint, it has been adopted for all elementary schools in that city. There now are 140 neighborhood "primary units," as the structures are known, in the school system... built at one-fourth the cost of a conventional classroom in an elementary building.

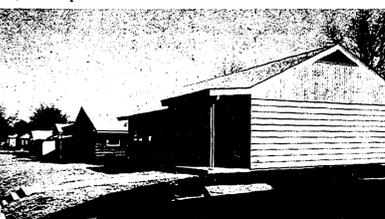

Because a standard interior plan has been strictly adhered to, costs have been kept to an average \$10,991 per unit, plus land.

School engineer Charles Towar admits the "primary plan" was a happy accident as the first three such units were conceived as a temporary solution to growth problems. They were so well received, however, and boasted the educational advantage of giving younger children a home-like atmosphere while keeping them up to their own neighborhood, that they became a part of the school district's growth program.

School administrators in Flint became interested in the units after seeing the success of similar ones in El Paso, Texas. Since Flint's success

THE CUMMINGS ELEMENTARY Units from the exterior still blend into the neighborhood. In the South-western section of Flint, they were among the first of the 140 units now in operation. Constructed in 1954, the first grade and kindergarten units pictured show how one general pattern of architecture was followed to effect the \$10,991 cost per unit.

NEWEST FLINT UNITS at the Eisenhower Elementary School, located in the same general area as Cummings, were erected in 1968. This view of the three units shows contrasts obtained by varying styles of roofs and porches, making the units (which have no school sign) almost indistinguishable for homes.

Northville District Court

Most Northville cases heard by District Court Dunbar Davis last week Tuesday dealt with traffic tickets and civil matters, but dispositions were reached in three instances.

Daniel J. Warner of Plymouth paid \$18 for crossing a center line on February 22. Pre-arrest investigation underway on the additional charge of minor in possession of beer in his case.

Drive appeared on the charge of defective equipment. He paid \$18 on the offense of February 1.

Optimists To Host Lou Gordon

Vietnam... foreign policy... major public topics today, but the number one topic is closer to home.

It's "law and order" and it's the title of an address to be given here next Thursday by television's Mr. Controversy - Lou Gordon.

Noted commentator for WKBD TV (Channel 50), Gordon will talk on this touchy subject as it relates to reports that Detroit has the fastest rising crime rate of any major city in the United States.

Sponsored by the Northville Optimist Club, the address will be given in the Northville High School auditorium beginning at 8 p.m. Upon the conclusion of his talk, Gordon will answer questions of the audience.

Tickets for the program may be obtained from any member of the Optimist Club or at Gamble's Hardware, Manufacturers National Bank or the Spinning Wheel.

Equalization Talk Set

Herman W. Stephens, director of Oakland County's equalization department, will address a meeting of the Oakland County Homeowners & Taxpayers Association on Thursday, March 20, at 7:30 p.m.

He will explain the equalization department's functions and how it establishes the property values for tax purposes. He also will explain recommended procedures for citizens to seek review on their property valuations. A question and answer period will follow his talk.

The meeting will be held at Lake Orion Township Hall, 571 South Lapeer Road in Lake Orion. The public is invited.

Red Cross Gives Tips

A group of youths are ice skating on a pond. The ice is thin, and a youth falls through the ice into water over his head. What would you do?

Do not go out on the ice near the break. Look for a pole or plank that you can extend out to the victim. If not, form a human chain, lying on the ice, so as to spread the body weight over a greater area, extending out to the victim so as to rescue him. Get him to a warm place as soon as possible and some dry clothes. Next time make a thorough check of the ice thickness before skating.

The American Red Cross recommends that good first aid practices are preventive rather than corrective. To learn more about first aid call 422-2787.

Out of the PAST

FIVE YEARS AGO...
 ...Superintendent of Schools Russell H. Amerman announced his retirement. Serving in the capacity since the death of Theo J. Knapp in 1933, Mr. Amerman announced his intentions at an early date to enable the school board to find a successor.
 ...Groundbreaking ceremonies took place for the Christian Education addition to the First Presbyterian Church.
 ...All three incumbents were re-elected to the Novi Council. Philip Anderson was top vote-getter, followed by Joseph Crupi and Dean Lehnshier. Receiving the largest vote among the defeated candidates was Miss Eugenie Chequet, followed by Herbert Koester and Frank Mobarak.
 ...Northville School Board hoped to establish a planning committee composed of both school officials and citizens to work out immediate and long-range plans and needs for the system.
 ...Inadequate police protection was discussed by Northville Township and the possibility of establishing police service was to be studied.
 ...Dedication of Novi's newly enlarged public library was scheduled to coincide with National Library Week.
 ...Humor columnist Art Buchwald was scheduled to speak in Northville's Town Hall series.
TEN YEARS AGO...
 ...Novi's new \$612,000 Orchard Hills Elementary School was dedicated in special ceremonies.
 ...A "protest meeting" was scheduled in Wixom by more than 100 taxpayers incensed at the re-evaluation of their property.
 ...Plans were announced for a \$40 million development in the Grand River-Wixom Road area. The Thompson-Brown plan for a Lincoln Village was considered very comprehensive for its day.
 ...While citizens' groups were contesting evaluation in Wixom, similar groups were demanding paved streets in Northville. City Council and Mayor A. Malcolm Allen greet the proposal "with open arms" as they explained that this was "the first time" that they had received public support of what they felt was a highly essential development.
 ...Mrs. L. M. Eaton, 365 Eaton Drive, was named chairman for the 1959 Northville Cancer Crusade.
 ...March of Dimes figures for the annual event reached \$2,207.06. General Chairman Fred Stefanski announced. Largest single contributor to the campaign was the Mothers' March, under the chairmanship of Mrs. Albert Leedham, which netted \$1,073.03.
 ...Chairman L. C. Sullivan announced that the first week of the Easter Seal drive had netted 24 per cent of the \$1,000 quota set for Northville for the four-week campaign.
 ...Northville's Lloyd H. Green Post 147 of the American Legion announced an open house to commemorate the legion's fortieth anniversary.
FIFTEEN YEARS AGO...
 ...Two new village commissioners were elected in Northville as 46 per cent of the electorate turned out. New faces belonged to Ed C. Welch and Earl L. Reed who joined incumbent A. Malcolm Allen in four-year commission seats. The remainder of the slate ran unopposed as Claude N. Ely was elected president; Mary Alexander, clerk; A. Russell Clarke, treasurer; E. M. Bogart, assessor; and John Stuebenvoll won the two-year commission seat.
 ...The recent heavy snowstorm produced at least one casualty as Bud Hattar, Superintendent of Public Works, broke a wrist while trying to crank up the village road scraper.
 ...Al Forritt announced that he had lined up an "all-star" cast of local and imported talent for the Novi Minstrel Show. Evelyn Woods, accompanist for the entire program, was to be featured in a piano solo, and an outside singing group plus a local group and all-local

One Room Wash-Oak Officials Ponder Fate of School

Tall grass and weeds have overgrown the property. The white paint on the fence alongside Currie road is fading away, a victim of changing weather and neglect.
 The windows are boarded up, except for one near the front. It is broken, and inside, the place is a mess: the blackboard is shattered, and window glass splinters and debris cover the floor.
 This is the Wash-Oak School, one of the last one-room schoolhouses to be used in this area. Now the South Lyon Community School Board is pondering the fate of the archaic structure.
 It was decided Monday night that School Board Trustee Sam Ballo and President Wilford Heidt will examine the building and make a recommendation to the board: either to tear it down and sell the acreage, or to sell the school along with the land to the highest bidder.
 Only three years ago the 96-year-old school building was alive with cries of 19 children, the last to attend the one-room school house. The grounds were neat and trim then, the building and fence were glaze white.
 Children from grades one through eight learned, as they had since 1873 when the building was first occupied, their three R's, sang in communal style to the accompaniment of an upright piano, and played on the manicured lawn and circular driveway.
 The 19 children left the one-room schoolhouse on May 22, 1966 to begin another summer vacation, unaware that the school would never open again.

VANDALS WRECK BUILDING INTERIOR

WEEDS WINNING — Weeds and vandalism are winning the battle with one of the area's last used one-room schoolhouses in Salem Township. The 96-year-old building now may be razed by the South Lyon school system.

ORDINANCE NO. 28 FIRE HYDRANT AND WATER VALVE ORDINANCE

AN ORDINANCE PROHIBITING UNAUTHORIZED OPERATION OF VALVES IN THE NORTHVILLE TOWNSHIP WATER SYSTEM AND PROHIBITING UNAUTHORIZED USE OF FIRE HYDRANTS IN THE NORTHVILLE TOWNSHIP WATER SYSTEM AND WITHDRAWAL OF WATER THEREFROM, INCLUDING THE ISSUANCE OF PERMITS AND TO PROVIDE PENALTIES FOR THE VIOLATION HEREOF.
 THE TOWNSHIP OF NORTHVILLE ORDAINS:
 Section 1: No person other than employees and agents of the Township of Northville shall open or close or in any manner interfere with or operate any valve in the Northville Township Water System.
 Section 2: No person other than employees and agents of the Township of Northville and authorized personnel of the Northville Fire Department in pursuance of their duties shall open or operate any fire hydrant without first procuring a permit from the Township and paying such charges as may be required therefor.
 Section 3: Operation of any fire hydrant and withdrawal of water therefrom shall be confined to the hydrant or hydrants specified in the permit and to the purposes stated in the permit.
 Section 4: No person shall use any wrench or tool in opening any hydrant other than a regulation fire department wrench. No persons shall place anything or any object within 15 feet of any fire hydrant or otherwise obstruct any hydrant so as to interfere with its proper use.
 Section 5: PENALTIES. Any person, persons, firm, partnership, association or corporation, or anyone acting in behalf of said person, persons, firm, partnership, association or corporation, violating any of the provisions of this Ordinance shall, upon conviction thereof, be subject to a fine or not more than \$100.00, or imprisonment for a period of not more than 90 days, or to both such fine and imprisonment in the discretion of the Court. Each day that the violation of this Ordinance is continued or permitted to exist without compliance, shall constitute a separate offense punishable upon conviction in the same manner prescribed in this Section.
 Section 6: REPEAL. All previous Ordinances, or parts of Ordinances in conflict herewith are repealed.
 Section 7: EFFECTIVE DATE. This Ordinance shall take effect thirty days from and after its first publication.
 I, ELEANOR W. HAMMOND, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 4th day of March, A.D. 1969, and was ordered to be given publication in the manner prescribed by law.

Drought Sparks Fire Ban

Novi police this week joined other area enforcement agencies in requesting people to stop burning out-of-doors until the present drought runs its course.
 Novi has had to combat several field fires in the last few days — all of which were started by the careless burning of trash. Similar fires have been reported in Northville.
 "If anything," Burnham adds, "the sentence is too small when you consider that it costs about \$150 per hour for the city to put men and equipment on the road to fight caressless."
 Even though permits are not being issued in this dry weather, the police remind residents that they cannot burn without one. The only exception to this in the Novi ordinance is that burning is permitted in an approved mesh-topped receptacle — and if you have any doubts as to whether yours is approved or acceptable, you had better get the fire marshal to check it out, before you use it.
 Two tickets were issued last week Tuesday by Officer Gerald Burnham due to fires carelessly caused. Burnham

SPEAKING for The Record

By BILL SLIGER

I've decided, at least in my case, that there's really not a "generation gap", but a "half-gap".

I can't stand the long hair and beard bit that have become popular with the young men of today.

My son, who wears his hair longer than I'd like him to, tells me I'm just jealous. He always glances at my spacious forehead as he hurls the charge.

There might be a particle of truth in what he says, but the real fact of the matter is that I wish I did like the long-hair look.

Then there wouldn't be this nagging feeling that maybe there is a generation gap, that I can't "think young" anymore.

And just when I begin to believe that maybe I am falling a little bit behind the times, that a new generation is about to knock the World War II crowd into retirement, I look at my daughter.

Funny, but suddenly I feel young again. Those short skirts aren't repulsive at all. As a matter of fact, they might be called attractive. Seems to me I remember a similar fad back in the late forties.

I'm more certain than ever that long hair and beards are impractical. With all that hair in your face how can a guy behold the beauty that is about him?

Which brings me to the subject of beards and some members of the staff of The Record.

Even when grown for good reason, such as the one-hundredth anniversary of The Record, beards look raunchy to me.

Take a look at the trio below. Managing Editor Jack Hoffman, Reporter Eric Brown and Charley Gross, our publications production boss, could be mistaken for the Smith Brothers.

Every time I find myself out in public with these guys I start apologizing by explaining, "It's our centennial year... they're growing beards... it's a contest."

Really, that's why I'm writing about them this week. I just wanted our readers to know. Our Centennial plans won't be announced until next week and our special edition won't be published until July.

Can you imagine what this trio will look like by then? They keep needing me to join the beard race, but I'm holding out for our 200th birthday.

Meanwhile, I propose a contest to be judged by the readers of this column... which should keep it easy to tally.

We'll run the pictures of the same trio again in the June 26th edition. Then we'll ask readers to vote for the best beard.

Their reward for loyalty and recognition of The Record's longevity will be as follows:

First Prize - An electric shaver; Second Prize - A safety razor; Third Prize - A can of shaving cream.

For all three, dinner and a show with their corsage-adorned wives, who must be wondering what's so important about a newspaper's birthday.

We'll announce the winners the same week we celebrate our centennial.

Top of the Deck

by JACK W. HOFFMAN

It was to be an easy job -- just a simple, quickly written letter to the President of the United States. Get right to the point, I decided even before unlimbering the keys. Make it short and direct.

But how do you get right to the point when you can't even get past the salutation?

Attacking the letter vigorously, I think I got hung-up on the inside address: "The White House." It so unnerved me I couldn't find the proper greeting. Those words at the top of the page, awesome and overpowering, reached out and said, "Mister, you can't go any higher; you're directing this missive to the home of Washington and Lincoln."

Even the typewriter was speechless; the keys worked incoherently.

"Dear President," I began. There was something

New Law Aimed At Our Lazy Voter

Convenience is inextricably tied to laziness. The more convenient things become, the lazier man gets.

Voting, it seems, is headed in this direction.

To qualify to vote, a person must do very little. He must be 21, which is only a matter of waiting until the magic age. He must be a citizen, which, for most of us, is absolutely no problem since we're natural-born citizens. He must satisfy residency requirements, which again require time and absolutely no effort on his part.

The most bothersome thing man must do before walking down to the polls and pulling a lever is to register. It involves putting certain pertinent information down on a card and signing it. This is done at the city or township hall upon reaching maturity -- and it takes 10 minutes or less.

To keep records current, however, and to ensure a person is voting only once in any given election, he must vote every two years to keep his registration intact, or he must at least re-register.

Yet, now the state legislature wants to make registration even less difficult. The House recently, by a 56-50 margin, passed a measure requiring voters to cast ballots every four instead of two years to retain their registration.

The stated reason: the two-year restriction disenfranchises persons interested only in voting in presidential elections.

What was that someone once said about voting being a right and a privilege? Now it must be a convenience, too.

Rips School Tax Lag Explanation

To the Editor: On February 20, 1969 I was privileged to attend a Board of Education monologue explaining why school revenues must be increased for

the 1969-1970 year. One thing that has come through loud and clear each time the School Board has asked for a tax increase is that we will have more students to educate in the future and

that we, the present taxpayers, must come up with additional tax money to pay for the education of these new students because there is a lag of a year or two before the new homes in which they will live are placed on the tax rolls.

Somewhere I seem to have missed something in the explanation of this point. There seems to be something inconsistent in this line of reasoning. It would appear that we who have been supporting the Northville School system for many years are still paying the cost of educating the entire student body increase during those past years. Surely, few of the new homes have ever been added to the tax rolls because we certainly would have had a millage reduction when the new families began to pay taxes and support the school system as we do. This would indicate that the solution to the problem is to see to it that all of the new homes in the school district are added to the tax rolls immediately, and then we will have no need for a millage increase to pay for additional students either now or in the future. We may even be due for a millage decrease this year.

On the other hand, if all new housing is already on the tax rolls, perhaps the Board of Education will explain what has happened to the revenue from the increased tax base. If it has been diverted to other uses, then the annual excuse of an increasing number of students is not quite correct and the school system is asking for additional taxes under false pretenses. If new construction has regularly been added to the tax rolls, the school board already has the funds for student body increases and again there is no need for a tax increase at this time.

In summary, we have in the past provided millage for the increasing student body. From that point on, new property additions to the tax rolls each year will provide funds for the student increase of the next year. This is no longer a valid annual reason for a tax increase and serves only to conceal the real facts.

As for additional taxes to restore the cuts made last year, I thought that point was settled last year when the voters said NO three times. It takes a lot of guts to come back this year and ask again. My personal answer is still no. We must always compromise what we want with what we can afford. I feel that we have reached the maximum overall tax burden that we can carry. If we need more school support perhaps we should encourage our state and national representatives to reduce wasteful government spending -- to plug some of the great rat holes like the presidential yacht that President Eisenhower tried in vain to dispose of during his term in office. Only by reducing wasteful government spending will adequate funds be available for our real needs.

Donald C. Young Jr.

A LOOSE LEAF

By ROLLY PETERSON

He's only been in our nation's capital for about two years, but the insight that fairly pops out of his analytical remarks makes him the ostensible superior of many men his senior who have covered the Washington beat for years.

The man is Saul Friedman, The Detroit Free Press' Washington correspondent, whose profile in-depth of Michigan Senator Philip Hart reads like high political intrigue.

Admittedly, Hart is the focal point in Friedman's portrait that appeared last Sunday. But it is Friedman's telltale knowledge of the inner workings of the Senate and the men who work in it that make the story fascinating.

Hart's initial meeting with then Senate majority leader, Lyndon B. Johnson, serves as the story's launching pad. The occasion that prompted the visit from Johnson was Hart's "no vote" on adjournment during his first roll-call meeting of the Senate.

In essence, Johnson, quoting Sam Rayburn, told the then new Senator from Michigan that he must either bow to majority will or forego any thought of an effective role in Congress. Shaken and somewhat befuddled, Hart is quoted as replying, "Don't count on me."

Eventually, Friedman points out, Hart learned the Rayburn dictum, "You got to go along before you can get along," and rose to his present influential and authoritative position as chairman of the Judiciary subcommittee on anti-trusts and monopoly, the position formerly held by Estes Kefauver.

It didn't come easily to Hart, however. Though quiet and patient, Hart was hardly the man in 1958 to compromise his liberal ideals. He hadn't compromised them in Bloomfield Hills, where he and his wife, Jane, were probably the only two Democrats in a conservative stronghold.

He hadn't compromised them as Soapy Williams right-hand man, either. That included positions as Corporation and Securities Commissioner, as a U. S. District Attorney, and as lieutenant governor.

Friedman, in no uncertain terms, calls the shots as he sees them. Some may dispute what he says, but none can dispute his courage to say what he thinks.

Of Hartke, Friedman says, "too tight, too openly ambitious." Of Eugene McCarthy, "too laconic and indifferent," a man who "did little work" as a senator. Of Senator Paul Douglas and Hubert H. Humphrey, "over the hill." Friedman also dispels the "destiny theory" of politicians. "The truth is that politicians, like most men, simply find themselves surrounded by circumstance and become its victim or its beneficiary, depending on their luck, their support, their opponent, and their ability to make the most of opportunity."

Friedman, in no uncertain terms, calls the shots as he sees them. Some may dispute what he says, but none can dispute his courage to say what he thinks.

Pace Quickens as Lawmakers Field Bills

LANSING — Slow-footed. That was the adjective used most frequently to describe early activity of the 1969 Michigan Legislature. No more. The pace has quickened considerably as lawmakers strive to adjourn by mid or late summer.

Scores of new bills ranging in subject matter from fish disease to horseback riding to abortion to riot control have been introduced. Committee hearings on major legislation are well under way.

"We just might surprise everyone and get out of here by July 4 yet," said one optimistic legislator. "But I'm not taking odds on that."

Small wonder, the lawmakers still must grapple with school, tax, labor, crime, welfare and election reform

problems, to name only a few. Ahead lies some rough, multi-million dollar decisions.

IF THE LEGISLATURE didn't have enough things to fret about on the fiscal front, it got more recently. The 19 state departments and 11 tax-supported institutions of higher education proposed a \$1.5 billion, five-year building program that, if approved, would require taxpayers to dig deeper into their pocketbooks than ever before to pay for brick-and-mortar improvements.

The vast financial blueprint asks the legislature to appropriate \$300.7 million this year, \$338.9 million next year, \$316.9 million in 1971, \$271.8 million in 1972 and \$232 million in 1973.

The sum includes \$498.5 million in restricted funds, and \$961.9 million from the state general fund, financed principally from income and sales tax receipts.

The restricted funds would be spent for highway, waterway and airway improvements. Money would come from user fees such as gasoline and registration taxes.

GENERAL FUND expenditures would go for a variety of projects, including these major items:

- \$58.2 million for a new state Capitol and remodeling work on the old Capitol. Another \$20.5 million is proposed for state office building improvements in Lansing, Grand Rapids and Escanaba.

• \$28.5 million for new mental health facilities in Detroit, Flint, Grand Rapids and Calhoun-Jackson counties. Only \$900,000 of this is sought during fiscal 1969-70.

• \$18.5 million for correctional facilities, including erection of two new medium security prisons.

• \$10.6 million for State Police projects, with \$5.5 million going for construction of a civil defense emergency operating center and \$3.3 million for a training academy.

• \$6.7 million for improvements at the boys and girls training schools, including construction of swimming pools, basketball courts and related facilities.

NEARLY HALF, or \$680.2 million, of the total \$1.5 billion outlay would go to institutions of higher education, with Michigan State, Wayne and Michigan Universities getting the lion's share.

The State Mental Health Department asked for \$87.9 million, the Governor's office, \$84.9 million, the Department of Corrections, \$31 million and the education department, \$20.5 million.

DEMOCRATS WERE Heated when conservative GOP John P. (Joe) Smeekens won an election for a seat in the House of Representatives. The Branch, Hilldale, Lenawee county area had been solidly Republican for years, but his victory was only a margin of 488 votes. His opponent was a relatively unknown Democrat, Paul

Porter, a farmer from Quincy. The contest was for the seat left vacant by the death of Rep. Frederic J. Marshall. The thin margin of victory is a stimulant to Democrats who are already thinking of ways to win in the next round of balloting.

Smeekens served in the Senate eight years prior to his 1964 GOP primary loss. He was president pro-tem of the upper chamber in 1963-64.

augmented by its overseas business. Hence the Babson's Reports staff feels that Eastman Kodak may be purchased for profit.

POLAROID has compiled a tremendously impressive growth record largely because of its frequent introduction of new products. Research and development have been the company's strong points. Polaroid plans to introduce an entirely new product line of cameras, including a low-cost color model which will be priced under \$30.

Aided by the new line, plus its probable entry into other fields such as slides and copiers at some later date,

Polaroid's growth prospects remain good. Polaroid traditionally sells at a high multiple of earnings and is very volatile, but it is a good long-term holding.

BELL & HOWELL's common stock is now priced well below its former high due largely to a temporary flattening in the company's earnings. In the future, Babson's Reports expects a recovery in earnings as B & H benefits from some of its late developments. These include a new method of adding sound to home motion pictures; a new fully instamatic focusing system for home movie cameras; and a new electro-static copier.

Picture Taking's Fun Hobby, But Big U.S. Business, Too

WELLESLEY HILLS, Massachusetts — Taking pictures is not only a pleasurable hobby — it's also a big and still growing business. In the period 1961 through 1966 the photography industry in this country grew at an average annual rate of about 15% — or twice the annual rate of the Gross National Product. In 1967 the value of photographic merchandise shipments advanced to about \$3 billion, and last year it was even higher.

Aided by more leisure time, the increase in the teenage population, higher disposable income, new product developments, the emphasis on color, more extensive traveling by the public,

DeJure-Armco, and Interphoto.

EASTMAN KODAK is far and away the industry's leader. About 80% of its 1968 sales of over \$2.6 billion came from photographic equipment and supplies, which included the Instamatic still and Super 8 movie camera lines, film projectors, and color processing services. Kodak also produces synthetic textile fibers, chemicals, and plastics.

This company has one of the finest growth records of any industrial firm, reflecting astute management, aggressive policies, well-accepted product line, and new product developments. Kodak's future growth should be

augmented by its overseas business. Hence the Babson's Reports staff feels that Eastman Kodak may be purchased for profit.

Youngsters Try Hand at Writing

Students in Northville's three elementary schools are participating in this month in the annual Young Authors' Contest sponsored by Oakland University.

Entries must be completed by the end of this month to be submitted to Oakland University by April 8. A Young Author's Day will be held at the university April 25.

Baptists Schedule Special Services

The First Baptist Church of Northville, located at North Wing and Randolph Streets, will present a cross-section of world evangelism through several missionary speakers on Sunday, March 16 and 23.

On Sunday, March 16, Rev. John Jesberg, a representative of the Pocket Testament League, and for 15 years a missionary to France, will speak at both the 9:45 Sunday School hour and also the 11 a.m. service.

In 1966, Mr. Johnson went to Trinidad to fill a vacancy in a rapidly expanding work. "Trinidad is a land of religion," says Mr. Johnson.

He has served as a missionary in St. Augustine, Trinidad. House-to-house visitation, evangelistic meetings, Sunday School, and vacation Bible schools - all aid in establishing an indigenous church in this new area.

Also, on Sunday, March 23, the church will have Rev. and Mrs. Robert Paswater in all services. The Paswaters are supported by the First Baptist Church of Northville.

On Sunday evening at 6:45, the colorful missionary film, CARNIVAL MONDAY, also will be shown. This film was filmed in Trinidad and appeals to all ages.

Continued from Page 4-B president, Catherine Lenhardt, vice president, Beth Tyler, Secretary, Cris Derrick and treasurer, Lisa Arnold.

They made banks from plastic containers to start saving for Day Camp. NOV SCHOOL MENU Monday - Meat pasties, gravy, mashed potatoes, bread, butter, shaddock cookies, and milk.

Tuesday - Escalloped potatoes and ham or baked beans and ham, bread, butter, buttered spiced beef, jello and milk.

Wednesday - Beef stew, hot rolls, butter, banana cake with caramel icing, and milk.

Thursday - Hot dogs, buttered buns, relishes, potato chips, buttered green beans, fruited dessert and milk.

Friday - Pizza, vegetable salad, buttered corn, cookies and milk.

ANNUAL HARBINGER - If those kites, marble games and grass fires around the area are not enough to convince you that spring's just around the corner, how about that sure sign of the season - blooming crocuses?

Pre-Spring Grass Fires Roast Department Budgets

Absence of snow and rain has turned the Northville-Nowi-Wixom area into a tinderbox, sparking one of the most expensive series of grass fires in years.

The month of March - just about half over - may go down as the worst in history. In Novi, for example, the battle against grass fires may be more serious this one month than it was for all of 1968.

Cost of fires during the past month has hit \$5,300, with the average cost per run averaging \$105 in Novi. Normally, the department averages 130 runs per year and it is on this figure that the city budgets the department.

Since January 1, Novi has answered 76 alarms. Of these, 51 were grass fires, 12 building fires, eight car fires, one retractor run, two false alarms, one assist, and one tank farm fire.

Through February, the Northville fire department had answered the same number of alarms it had for the same two months last year. But this month, firemen have already answered 33 calls - 21 grass fires - compared to 15 calls for the entire month of March last year.

The 1968-69 fiscal budget of the Northville department will be exceeded by 5-percent - more if current estimates prove too conservative. The budget was set at \$7,800 and officials predict it may hit \$8,200.

School Crowding Sparks Pre-Fab Housing Talk

With classrooms bulging at the seams, the Novi Board of Education turned its attention to a discussion of temporary housing at its meeting last week Wednesday evening.

Late last month the board decided to go ahead with the middle school concept, which would temporarily relieve overcrowding of classrooms at the elementary and senior high school level.

Meanwhile, plans for construction of a "middle school" - already behind the board's original schedule - appear aimed at a June 10 bonding election.

High School Principal Gerald Hartman (substituting for Superintendent Thomas Dale who has been ill) presented a brochure of a manufacturer of temporary classroom units to the board and suggested two and possibly three such units will be necessary next fall to house the high school's increasing population.

The brochure units examined by the board can be either leased or purchased. Total cost of a unit, which is temporary in that it can be moved, was pegged at \$11,065, although it was pointed out that other firms offer units of considerable less expense.

Similar temporary classrooms, it was noted, are being used in Walled Lake, South Lyon, Farmington and Plymouth.

Superintendent Thomas Dale, while concurring that additional classrooms will be needed, emphasized that expenditure for such buildings - if leased - must come from the school's general operational account, not from building and site monies.

Need for additional classrooms is evident, officials have stated, even though eight new classrooms (two of which are paid for by the county for use as special education classrooms) are under construction at Orchard Hills Elementary School and should be completed in time for the opening of school next fall.

The middle school proposed by the board - which voters probably will be asked to provide money for in the regular June election - is not expected to be ready for occupancy until sometime during the 1970-71 school year.

Another recently hired employee is Peter Tichene of Plymouth, who has been assigned part-time custodial duty at Orchard Hills Elementary School for the remainder of the school year.

Sharply divided members of the Novi Board of Education last week called for establishment of a board policy covering students leaving the school district or not yet living here who desire to attend school in Novi.

While the board was united in calling the superintendent to draw up a proposed policy to cover future cases, it was divided when it came to a decision on a recent student request.

Through February, the Northville fire department had answered the same number of alarms it had for the same two months last year. But this month, firemen have already answered 33 calls - 21 grass fires - compared to 15 calls for the entire month of March last year.

The 1968-69 fiscal budget of the Northville department will be exceeded by 5-percent - more if current estimates prove too conservative. The budget was set at \$7,800 and officials predict it may hit \$8,200.

Specifically, an 11th grade student, who recently moved to a neighboring community to live with his parents, was told he could no longer attend school in Novi because of state law.

Centennial Edition Planned Northville Record Nears 100th Year

Plans were announced this week for a giant centennial edition of The Northville Record as Wayne County's oldest weekly newspaper nears its 100th birthday.

Founded on July 15, 1869 by Samuel H. Little, The Record has been published continuously ever since. It is exceeded in age in Wayne County only by The Detroit Free Press where, incidentally, the first copies of the Northville newspaper were printed.

To commemorate this centennial, a special 100-page plus edition will be published on July 17, containing a comprehensive history of The Record and the communities that grew up with it.

Histories will concern Northville, Novi and Wixom; community churches, governments and its businesses and industries; the Northville school system, which also celebrates its 100th birthday this year; and histories of the institutions, clubs and organizations of the community.

It will be the largest single historical collection ever produced here. Including liberal use of color, the edition will contain dozens of pictures - many of them published for the first time. It will be printed on tabloid size stock and contain a detailed index for quick referral to major historical categories. Its size will make for easy saving and reference.

Plans call for a special cover-jacket. The comprehensive document will be of special benefit to historical researchers in that as much of the original histories written about the community 50, 75 and 100 years will be reproduced with as little editing as possible. Similarly, news stories concerning major events in the community's history will be reproduced in the same colorful styles as they first appeared in The Record.

Many of the advertisements, besides spotlighting the advertisers' product because of the few months remaining in the school year and because of the student's high standing in the high school.

The decision, the two members suggested, was callous and inconsiderate of this particular student. In defense of his action, Principal Gerald Hartman said he would do whatever the board directed him to do but that in the absence of a written board policy he had followed the letter of the law in all cases - not just this particular one.

Two members, LaVerne DeWard and William MacDermid, were vehemently opposed to the administrative decision and called for special consideration in the case of this student because of the few months remaining in the school year and because of the student's high standing in the high school.

DeWard and MacDermid argued that the law itself was being misinterpreted and that the school district had already received a full-year allotment of state aid for the student.

Other board members supported the administrator's decision and, after noting that many students enter the school district late for which state aid goes to the sending district and not to Novi, voted to instruct the principal to take the same action he has in past cases.

Referring to a board vote late last year in establishing tuition rates, DeWard suggested that the board, by its action, permitted attendance here by non-district students who pay tuition. He asked if the student would be permitted to remain in the school if he paid tuition but received no board decision.

In other business last week, the board discussed at considerable length the district's school bus situation. During the discussion, it was noted that shortage of buses and drivers prevented transportation of junior high school athletes; that repair of one of the district's relatively new buses will be expensive; that the transportation superintendent was upset to the extent of offering his resignation because of a junior high student letter appearing in the Reader's Speak column of The Novi News; that on just two occasions has student capacity of a bus exceeded 75 students; that recent inspection of buses by State Police disclosed only minor safety irregularities but that in general condition of the buses was excellent and that students are not permitted to exit school buses from the rear emergency door.

The board and administrators lauded the performance of its bus drivers, sympathized with them because of the shortage of drivers even though numerous attempts to obtain additional drivers have been made, decided not to sell one of its older buses but rather keep it for spare work, and heard the critical report of a board member that teachers are improperly using the telephone in the bus drivers' office.

Trustee Gilbert Henderson requested the administration to begin preparation of a policy covering the establishment of an insurance agent of record and a policy or method for the district to acquire land in advance of school building projects.

REPLACEMENT LIKELY - With preliminary approval by the township already in the bag, Northville Fire Chief Herman Hartner will present his request for a new \$30,000 high pressure-volume fire truck to the city soon in hopes of retiring the 1942 Ford-John Bean truck (above), jointly owned by the city and township.

The new vehicle, says Hartner, will look something like the department's 1962 Ford-Ben (below). Last week, the township board, upon indicating its willingness to appropriate its share of the \$30,000 purchase, also approved the purchase of a monitor system - agreeing to pay up to \$2,500 as its share of 20 or more monitor radios.

The radios will permit the dispatcher to direct evening fire calls directly to homes of volunteer firemen who can then go directly to the scene of the fire. Earlier, the township agreed to share with the city several thousands of dollars for the cost of other fire department equipment.

Aside from the '42 Ford and the '62-Ford, the department has an old International step-van it uses as an equipment carrier, a 1948 GMC 3,000-gallon tanker, an old Dodge 250-gallon power-wagon for fighting grass fires only and a 1956 American LaFrance Pumper.
